FOUNDER & CEO**

Founded in 2016, Aunt Flow is a certified WBENC woman-owned company headquartered in Columbus, Ohio.

“Hi! I’m Claire. I founded Aunt Flow after getting my period in public without the supplies needed. At 18-years-old, I dedicated my life to developing a solution to ensure businesses and schools could sustainably provide quality period products, for free in bathrooms. Aunt Flow products are made with organic cotton and we are constantly working to reduce our environmental impact.”
