Although Bond Counsel has rendered an opinion that interest on the Series 2013 Bonds is excluded from gross income for federal income tax purposes, the accrual or receipt of interest on the Series 2013 Bonds may otherwise affect the federal income tax liability of the recipient. The extent of these other tax consequences will depend upon the recipient's particular tax status or other items of income or deduction. Owners of the Series 2013 Bonds should be aware that the ownership of tax-exempt obligations, such as the Series 2013 Bonds may result in collateral federal income tax consequences to certain taxpayers. Furthermore, future law and/or regulations enacted by federal, state or local authorities may affect certain owners of the Series 2013 Bonds.

Except as stated above, Bond Counsel will express no opinion as to any federal, state or local tax consequences resulting from the ownership of, receipt of interest on or disposition of the Series 2013 Bonds.

PROSPECTIVE PURCHASERS OF THE SERIES 2013 BONDS ARE ADVISED TO CONSULT THEIR OWN TAX ADVISORS PRIOR TO ANY PURCHASE OF THE SERIES 2013 BONDS AS TO THE IMPACT OF THE FEDERAL, STATE AND LOCAL CONSEQUENCES OF ACQUIRING, HOLDING OR DISPOSING OF THE SERIES 2013 BONDS.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals in the Congress or in the various states that, if enacted, could alter or amend the federal and state tax matters referred to herein or adversely affect the market value of the Series 2013 Bonds. It cannot be predicted with certainty whether or in what form any proposed legislation might be enacted or whether if enacted, it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Series 2013 Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Series 2013 Bonds or the market value thereof, would be impacted thereby. Purchasers of the Series 2013 Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation.

It is not an event of default on the Series 2013 Bonds if legislation is enacted reducing or eliminating the exclusion of interest on state and local government bonds from gross income for federal or state income tax purposes.

Tax Treatment of Premium

Certain maturities of the Series 2013 Bonds may be offered and sold to the public at a premium (the "Premium Bonds"). The premium is the excess of the issue price over the stated redemption price at maturity and must be amortized on an actuarial basis by the owner of the Premium Bonds from the date of acquisition of the Premium Bonds through the maturity date thereof. The premium is not deductible for federal income tax purposes, and owners of the Premium Bonds are required to reduce their basis in the Premium Bonds by the amount of premium that accrued while they owned such Premium Bonds. Owners of the Premium Bonds (including owners that purchase a Premium Bond other than pursuant to the initial public offering) should consult their own tax advisors as to the determination for federal income tax purposes of the amount of premium amortized each year with respect to the Premium Bonds, the adjusted basis of the Premium Bonds for purposes of determining the taxable gain or loss upon the sale or other disposition of the Premium Bonds (prior to maturity and at maturity), and all other federal tax consequences and any state and local tax aspects of owning the Premium Bonds.

Tax Treatment of Original Issue Discount

Certain maturities of the Series 2013 Bonds may be sold at an original issue discount (the “OID Bonds”). The difference between the initial public offering price, as set forth on the inside cover page hereof, of the OID Bonds and their stated principal amount payable at maturity constitutes original issue discount treated as interest which is excluded from gross income for federal income tax purposes and which is exempt from all taxation in the State of Louisiana subject to the caveats and provisions described above under “TAX EXEMPTION – General.”

In the case of an owner of an OID Bond, the amount of original issue discount which is treated as having accrued with respect to such OID Bond, is added to the cost basis of the owner in determining, for federal income tax purposes, gain or loss upon disposition of such OID Bond (including its sale, redemption or payment at maturity). Amounts received upon disposition of such an OID Bond which are attributable to accrued original issue discount will be treated as tax exempt interest, rather than as taxable gain, for federal income tax purposes.

Original issue discount is treated as compounding semiannually, at a rate determined by reference to the yield to maturity of each individual OID Bond, on days which are determined by reference to the maturity date of such OID Bond. The amount treated as original issue discount on such OID Bond for a particular semiannual period is equal to (i) the product of (a) the yield to maturity for such OID Bond and (b) the amount which would have been the tax basis of such OID Bond at the beginning of the particular semiannual period if held by the original purchaser, (ii) less the amount of any payments on such OID Bond during the semiannual period. The tax basis is determined by adding to the initial public offering price on such OID Bond the sum of the amounts which would have been treated as original issue discount for such purposes during all prior periods. If such an OID Bond is sold between compounding dates, original issue discount which would have accrued for that semiannual compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

Owners of OID Bonds should consult their own tax advisors with respect to the determination for federal income tax purposes of original issue discount accrued with respect to such OID Bonds as of any date, with respect to the accrual of original issue discount for such OID Bonds purchased on the secondary markets and with respect to the state and local tax consequences of owning such OID Bonds.

Non-Qualified Tax-Exempt Obligations for Financial Institutions

The Authority cannot designate the Series 2013 Bonds as “qualified tax-exempt obligations” within the meaning of Section 265(b) of the Code. Therefore, interest paid or incurred by a taxpayer, including a “financial institution”, on indebtedness incurred or continued to purchase or carry the Series 2013 Bonds is not deductible by such taxpayer in determining taxable income.

Louisiana Taxes

In the opinion of Bond Counsel, pursuant to the Refunding Act, the Series 2013 Bonds, and the income therefrom, are exempt from all taxation by the State of Louisiana or any political subdivision thereof.

UNDERWRITING

The Authority is offering the Series 2013 Bonds through a syndicate headed by Stephens Inc. (the “Underwriter”), pursuant to a Bond Purchase Agreement. The obligation of the Underwriter to sell the Series 2013 Bonds will be subject to various conditions contained in the Bond Purchase Agreement.

The Underwriter is purchasing the Series 2013 Bonds and intends to offer the Series 2013 Bonds to the original purchasers thereof at the offering prices set forth on the cover page of this Official Statement, which offering prices may subsequently be changed without any requirement of prior notice. The purchase price of the Series 2013 Bonds is \$_____ which is equal to the par amount of the Series 2013 Bonds plus a net reoffering premium of \$_____ and less an Underwriter’s discount of \$_____. The Bond Purchase Agreement executed by the Underwriter, on behalf of itself and Raymond James & Associates, Inc. provides that the Underwriter will purchase all of the Series 2013 Bonds if any are not purchased. The Underwriter has reserved the right to permit other securities dealers who are members of the National Association of Securities Dealers, Inc. to assist in selling the Series 2013 Bonds. The Underwriter may offer and sell Series 2013 Bonds to certain dealers at prices lower

than the public offering price or otherwise allow concessions to such dealers who may re-allow concessions to other dealers. Any discounts and/or commissions that may be received by such dealers in connection with the sale of the Series 2013 Bonds will be deducted from the Underwriter's discount.

RATING OF THE SERIES 2013 BONDS

Moody's Investors Service, Inc. ("Moody's") is expected to assign the Series 2013 Bonds the long-term rating of "A3 (stable outlook)." An explanation of the significance of such rating may be obtained from Moody's. Such rating reflects only the view of Moody's, and neither the Authority, the University nor the Underwriter makes any representation as to the appropriateness thereof.

There is no assurance that such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely, if in the judgment of Moody's, circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Series 2013 Bonds.

LEGAL MATTERS

All legal matters incidental to the authorization and issuance of the Series 2013 Bonds will be subject to the approving opinion of Jones Walker LLP, Baton Rouge, Louisiana, Bond Counsel, the form of which is included as **APPENDIX C** hereto. Certain legal matters will be passed on for the Authority by its counsel, Breithaupt, Dunn, DuBos, Shafto & Wolleson, LLC, Monroe, Louisiana, for the Corporation by its counsel, Seale & Ross, a Professional Law Corporation, Hammond, Louisiana, for the Board by its counsel, DeCuir, Clark & Adams, L.L.P., Baton Rouge, Louisiana and for the Underwriter by its counsel, Butler, Snow, O'Mara, Stevens & Cannada, PLLC, Baton Rouge, Louisiana.

While Bond Counsel has assisted in the preparation of this Official Statement and is of the opinion that the statements made herein under the headings "**THE SERIES 2013 BONDS**," "**TAX EXEMPTION**," "**LEGAL MATTERS**" and "**FORMS OF PRINCIPAL FINANCING DOCUMENTS**" in **APPENDIX B** hereto fairly summarize the matters there referred to, such counsel has not been requested to check or verify, has not checked or verified, and will express no opinion with respect to the accuracy, completeness, or fairness of any other information contained in this Official Statement (other than the form of legal opinion set forth in **APPENDIX C**).

None of the legal counsel referenced in this Official Statement has (a) participated in the underwriting of the Series 2013 Bonds, (b) provided any advice regarding the creditworthiness of the Series 2013 Bonds or (c) assisted in determining the value of the collateral for the Series 2013 Bonds upon the occurrence of an event of default. Legal counsel have solely and exclusively opined to those matters which are expressly set forth in their opinions which are attached hereto or which have been delivered in connection herewith and no holder of a Series 2013 Bond shall be authorized or entitled to infer that such legal counsel have rendered opinions beyond those stated in their written opinions or to rely on the participation of counsel in this transaction. Except for negligent errors in their express written opinions, legal counsel shall have no obligations to holders of the Series 2013 Bonds and holders of the Series 2013 Bonds must not rely either expressly or implicitly upon such counsel in determining whether the Series 2013 Bonds represent suitable investments or otherwise meet their creditworthiness and risk tolerance standards.

CONTINUING DISCLOSURE

The Authority has determined that no financial or operating data concerning the Authority is material to an evaluation of the offering of the Series 2013 Bonds or to any decisions to purchase, hold or sell the Series 2013 Bonds, and the Authority will not provide any such information. The Board has undertaken all responsibilities for any continuing disclosure to Owners of the Series 2013 Bonds as described below, and the Authority will have no liability to the Owners of the Series 2013 Bonds or any other person with respect to such disclosures.

Pursuant to a Continuing Disclosure Certificate, the Board, through the University, will covenant for the benefit of Bondowners to provide, or cause its Dissemination Agent to provide, certain financial information and operating data relating to the Board by not later than December 31 in each year commencing December 31, 2013, (the “**Annual Report**”), and to provide notices of the occurrence of certain enumerated events, if deemed by the Board to be material (the “**Undertaking**”). Rule 15c2-12(b)(5).

Except as provided in the Undertaking, the Board has not undertaken to provide all information investors may desire to have in making decisions to hold, sell or buy the Series 2013 Bonds. Failure to comply with the Undertaking will not constitute an Event of Default under the Indenture (although Bondholders will have any available remedy at law or in equity). Nevertheless, such a failure must be reported in accordance with the Rule and must be considered by a broker-dealer or municipal securities dealer before recommending the purchase or sale of the Series 2013 Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Series 2013 Bonds and their market price.

The Board has filed all continuing disclosure reports currently required by its prior Undertakings undertaking under the Rule, however not all reports were filed timely. Some of the reporting requirements for filing the financial statements of the University, the Corporation and the Board were filed late.

On October 11, 2013, the Board satisfied the reporting requirements for filing the financial statements of the University, the Board, the Corporation and the annual operating and certain summary financial information of the University due in connection with the outstanding Series 2004, Series 2007, Series 2010 and Series 2011 Bonds. DEMOGRAPHIC AND SUMMARY FINANCIAL INFORMATION RELATED TO THE UNIVERSITY

THE UNIVERSITY

Southeastern Louisiana University (the “University”) is located in Hammond, Louisiana, the heart of Louisiana’s “Florida Parishes.” Hammond is located at the intersection of Interstate Highways 55 and 12, approximately 60 miles north of New Orleans, Louisiana’s largest city, and 40 miles east of Baton Rouge, the State’s capital. The University has a current enrollment of approximately 15,000 students with a faculty and staff population of approximately 1,300.

HISTORY OF THE UNIVERSITY

The University began as a grass roots movement by the people of Hammond and the surrounding area, who recognized the need for an institution of higher education in order to further the educational, economic, and cultural development of southeast Louisiana. What began as a junior college supported by local taxes has developed into a major university as the University has grown to meet the evolving needs of southeast Louisiana and the Florida parishes.

On July 7, 1925, the voters overwhelmingly approved a bond issue that created Hammond Junior College. Operated under the auspices of the Tangipahoa Parish School Board, President Linus A. Sims opened the doors on September 14, 1925 with a faculty of three women, two men and forty students. The two-year coeducational institution offered basic undergraduate work in arts and sciences that culminated in a teaching certificate.

Rapidly increasing enrollments quickly forced the college out of its two rooms in Hammond High School. In 1927, voters supported the purchase of the Hunter Leake estate on Hammond’s north end. In 1928 Hammond Junior College became Southeastern Louisiana College, formally adopted into the state educational system under the control of the State Board of Education. The purchase of sixty acres adjoining the original fifteen-acre plot provided the space to develop a suitable campus, and in 1934, a state bond issue provided for the construction of McGehee Hall and a gymnasium.

In 1937, the State Board of Education authorized curricula for four-year programs in liberal arts, teacher education, business administration, music, social sciences, and physical education. The first baccalaureate degrees were conferred in May, 1939.

Voter approval of Act No. 388 in 1938, an amendment to the 1920 Louisiana Constitution, granted Southeastern Louisiana College the same legal status as other four-year colleges. The amendment did not, however, require the state to fund the University at the level of other institutions of higher education, despite strong local support.

On January 18, 1946, the State Board made available funds to purchase seven city blocks east and west of the campus, and 275 acres of land north and northwest of the campus, increasing the University’s total area to approximately 365 acres.

On March 3, 1946, the University was formally approved and accepted into full membership in the Southern Association of Colleges and Schools (SACS), as a four-year degree-granting institution.

In 1960, the State Board authorized the University to offer master’s degrees through the newly-formed Division of Graduate Studies. The University began awarding the Education Specialist degree in 1967. Governor John J. McKeithen on June 16, 1970 signed into law the legislative act turning Southeastern Louisiana College into Southeastern Louisiana University. The early 1970’s also saw the construction of D. Vickers, the Athletics Building, and the C.E. Cate Teacher Education Building.

In October of 1986, a group of faculty members launched Fanfare, a festival celebrating the arts, humanities and sciences. Since then, Fanfare has become an acclaimed month long event, drawing nationally and internationally recognized artists and providing recognition for those closer to home. In addition to providing

entertainment for the North Shore, Fanfare has an educational outreach program that works closely with local schools. In October of 2005, Fanfare proudly celebrated its 20th anniversary.

The University's enrollment, continually increasing since its inception, reached an important milestone in 1997, registering over fifteen thousand students for the fall semester. Since 1925 the University has conferred over seventy thousand degrees.

As the University celebrated its 75th anniversary in 2000, the Fall semester marked an exciting change as the University implemented screened admissions standards for the first time. Also during the 2000-2001 academic year, the Village, Fayard Hall and the Claude B. Pennington, Jr. Student Activity Center were completed.

In the following years the University continued to expand its' infrastructure with the Teacher Education Center Renovation and Addition in 2003, the Biology Building Renovation and Addition in 2004, the Meade Hall Classroom Renovation in 2007 ,and the Kinesiology & Health Studies College of Nursing Renovation and Addition in 2011. Improvements continue now with the Student Union Renovation and Addition which is scheduled to be complete in 2014.

Since 1925, many dedicated individuals have led the University from a junior college to the vibrant university it is today. Those individuals are: Linus A. Sims, Yves Leon Fontenot, J. Leon Clark, George W. Bond, Gladney Jack Tinsley, Luther Dyson, Clark LeBlanc Barrow, J.B. Wooley, Clea Parker, J. Larry Crain, G. Warren Smith, Sally Clausen, Randy Moffett, and John Crain.

Beneficial Owners are expected to receive a written confirmation of their purchase providing details of each Series 2013 Bond acquired. For so long as DTC shall continue to serve as securities depository for the Series 2013 Bonds as provided herein, all transfers of beneficial ownership interest will be made by book-entry only, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of Series 2013 Bonds is to receive, hold or deliver any Bond certificate.

(b) For every transfer and exchange of the Series 2013 Bonds, the Beneficial Owner may be charged a sum sufficient to cover such Beneficial Owner's allocable share of any tax, fee or other governmental charge that may be imposed in relation thereto.

(c) The Authority, the Corporation and the Trustee will recognize DTC or its nominee as the Bondholder for all purposes, including notices and voting.

(d) Neither the Authority, the Trustee, the Corporation nor the Board is responsible for the performance by DTC of any of its obligations, including, without limitation, the payment of moneys received by DTC, the forwarding of notices received by DTC or the giving of any consent or proxy in lieu of consent.

(e) Whenever during the term of the Series 2013 Bonds the beneficial ownership thereof is determined by a book entry at DTC, the requirements of this Supplemental Indenture of holding, delivering

B-12

or transferring Series 2013 Bonds shall be deemed modified to require the appropriate person to meet the requirements of DTC as to registering or transferring the book entry to produce the same effect.

(f) DTC may determine to discontinue providing its services with respect to the Series 2013 Bonds at any time by giving notice to the Authority and the Trustee and discharging its responsibilities with respect thereto under applicable law.

(g) The Authority, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the Series 2013 Bonds if the Authority determines that (i) DTC is unable to discharge its responsibilities with respect to the Series 2013 Bonds, or (ii) a continuation of the requirement that all of the outstanding Series 2013 Bonds be registered on the registration books kept by the Trustee in the name of Cede & Co., or any other nominee of DTC, is not in the best interest of the beneficial owners of the Series 2013 Bonds.

(h) Upon the termination of the services of DTC with respect to the Series 2013 Bonds pursuant to the above two paragraphs, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Authority is willing and able to undertake such functions upon reasonable and customary terms, the Authority is obligated to deliver Series 2013 Bonds to the owner, at the expense of the said owner as described in this Supplemental Indenture, and the Series 2013 Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names holders transferring or exchanging Series 2013 Bonds shall designate in accordance with the provisions of this Supplemental Indenture.

(i) Notwithstanding any other provision of this Supplemental Indenture to the contrary, so long as any Series 2013 Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Series 2013 Bond and all notices with respect to such Series 2013 Bond shall be made and given, respectively, in the manner provided in the Blanket Letter of Representations of the Authority dated November 17, 1998 and delivered to DTC.

(j) If at any time DTC ceases to hold the Series 2013 Bonds, all references herein to DTC shall be of no further force or effect.

Any funds received prior the Closing Date may be held uninvested. On the Closing Date, the Trustee shall disburse amounts held in the Series 2013 Bond Proceeds Fund as follows:

(i) to retain such sum in the Series 2013 Costs of Issuance Account as may be specified in the request and authorization delivered pursuant to Section 3.12 hereof;

(b) Amounts deposited on the Closing Date into the Series 2013 Costs of Issuance Account of the Series 2013 Bond Proceeds Fund shall be disbursed, pursuant to the written instructions of the Authority, to pay Costs of Issuance. The Trustee is authorized and directed to pay such Costs of Issuance in accordance with the payment instructions set forth in the respective invoices submitted to the Trustee for payment pursuant to such written instructions of the Authority. Any amounts remaining in the Series 2013 Costs of Issuance Account 180 days after delivery of the Series 2013 Bonds (and not specifically committed to pay additional Costs of Issuance) shall be deposited into the Interest Account of the Series 2013 Debt Service Fund.

Section 4.3 Series 2013 Debt Service Fund. The Trustee shall deposit into the applicable account of the Series 2013 Debt Service Fund the amounts required by Section 4.6 of this Supplemental Indenture.

(a) Moneys on deposit in the Interest Account of the Series 2013 Debt Service Fund shall be used solely to pay the interest on the Series 2013 Bonds as it becomes due and payable, whether on an Interest Payment Date, at maturity or upon acceleration.

(b) Moneys on deposit in the Principal Account of the Series 2013 Debt Service Fund shall be used solely to pay the principal of the Series 2013 Bonds as it becomes due and payable, whether at maturity, prior redemption or upon scheduled sinking fund redemption; and, if funds are available for such purpose and at the written direction of the Authority, to effect the redemption of the Series 2013 Bonds prior to their maturity in accordance with the redemption provisions hereof or the purchase of Series 2013 Bonds prior to their maturity in the open market at a price not in excess of the then applicable redemption price (the principal amount thereof, premium, if any, plus accrued interest).

(c) Whenever and to the extent that money on deposit in the Interest Account or the Principal Account is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in

satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2013 Bonds, the Trustee shall transfer money from the Surplus Fund, the Replacement Fund and the Debt Service Reserve Fund, in that order.

Section 4.4 Replacement Fund. The Replacement Fund shall be maintained with the Trustee and used to fund the cost of replacing any worn out, obsolete, inadequate, unsuitable or undesirable property, furniture, fixtures or equipment placed upon or used in connection with the Facilities. Moneys in the Replacement Fund will also be transferred to the Interest Account and/or the Principal Account of the Series 2004 Debt Service Fund or the Series 2013 Debt Service Fund whenever and to the extent that money on deposit in such Accounts, together with money available therefor in the Surplus Fund, is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004B Bonds or the Series 2013 Bonds.

Section 4.5 Series 2013 Rebate Fund. Moneys deposited and held in the Series 2013 Rebate Fund shall be used to make all rebate payments owed to the United States under the Code, and shall not be subject to the pledge of this Supplemental Indenture. The Corporation shall make the calculation(s) required by the Code and the Tax Regulatory Agreement and Arbitrage Certificate and shall direct the Trustee to make deposits to and make disbursements from the Series 2013 Rebate Fund that the Corporation determines are in accordance therewith. The Tax Regulatory Agreement and any provisions of this Supplemental Indenture governing deposits to the Series 2013 Rebate Fund may be superseded or amended by the Corporation (except the requirement of annual calculations and deposits to the Series 2013 Rebate Fund, if required) if accompanied by an opinion of Bond Counsel addressed to the Corporation and the Trustee to the effect that the use of the new Tax Regulatory Agreement will not cause the interest on the Series 2013 Bonds to become includable in gross income of the recipient thereof for federal tax purposes.

Section 4.6 Receipts Fund. There shall be deposited into the Receipts Fund all funds received from or paid on behalf of the Board under the Facilities Lease, including: (i) daily, all rents, charges and other amounts, held in the deposit account maintained by the Management Company pursuant any Management Agreement; and (ii) all Lawfully Available Funds from the Board used to make Base Rental Payments pursuant to the Facilities Lease. The Trustee will transfer the amount so deposited in the Receipts Fund to the Series 2004 Debt Service Fund and the Series 2013 Debt Service Fund without distinction or priority. Moneys on deposit in the Receipts Fund will be withdrawn by the Trustee in accordance with the requirements of the Original Indenture and this Supplemental Indenture and ratably on a parity therewith and applied in the following priority:

- (c) With respect to the Series 2004B Bonds and the Series 2013 Bonds that bear interest at a Fixed Rate, on the twenty-fifth (25th) day of each month, commencing November 25, 2013, into the Interest Account of the Series 2004 Debt Service Fund and the Interest Account of the Series 2013 Debt Service Fund an amount equal to one-third (1/3rd) of the interest due and payable on such Series 2004B Bonds

and Series 2013 Bonds on February 1, 2014 and thereafter, on the 25th day of each month, commencing February 25, 2014, an amount equal to one-sixth (1/6th) of the interest due and payable on such Series 2004B Bonds and Series 2013 Bonds on the next February 1 and August 1 or such lesser amount that, together with amounts already on deposit in the Interest Account of the Series 2004 Debt Service Fund and the Interest Account of the Series 2013 Debt Service Fund, will be sufficient to pay interest on such Series 2004B Bonds and Series 2013 Bonds on such Interest Payment Date;

(d) With respect to the Auction Rate Bonds, two (2) Business Days prior to each Interest Payment Date for the Auction Rate Bonds, commencing November 12, 2013, into the Interest Account of the Series 2004 Debt Service Fund an amount equal to the interest due and payable on the Auction Rate Bonds on such Interest Payment Date or such lesser amount that, together with amounts already on deposit in the Interest Account of the Series 2004 Debt Service Fund, will be sufficient to pay interest on such Series 2004B Bonds bearing interest at an Auction Rate on such Interest Payment Date;

(e) With respect to the Variable Rate Bonds, two (2) Business Days prior to each Interest Payment Date, commencing on the Interest Payment Date immediately succeeding the applicable Variable Rate Conversion Date, into the Interest Account of the Series 2004 Debt Service Fund an amount equal to the interest due and payable on the Variable Rate Bonds on such Interest Payment Date or such lesser amount that, together with amounts already on deposit in the Interest Account of the Series 2004 Debt Service Fund, will be sufficient to pay interest on such Series 2004B Bonds bearing interest at a Variable Rate on such Interest Payment Date;

(f) On the twenty-fifth (25th) day of each month, commencing November 25, 2013, into the Principal Account of the Series 2004 Debt Service Fund and the Principal Account of the Series 2013 Debt Service Fund an amount equal to one-ninth (1/9th) of the principal of the Series 2004B Bonds and the Series 2013 Bonds payable on August 1, 2014 and thereafter, on the 25th day of each month, commencing August 25, 2014, an amount equal to one-twelfth (1/12th) of the principal of the Series 2004B Bonds and the Series 2013 Bonds payable on the next Principal Payment Date;

(g) On the twenty-fifth (25th) day of the month, any amounts due to the Series 2004 Bond Insurer under the Reimbursement Agreement;

(h) On the twenty-fifth (25th) day of each month following any drawing on the Debt Service Reserve Fund in accordance with Section 4.21 of the Original Indenture or any drawing on the Series 2013 Debt Service Reserve Fund in accordance with Section 4.13 hereof, an amount equal to the lesser of (i) one twelfth (1/12th) of the amount necessary to cause the amount on deposit in the Debt Service Reserve Fund to equal the Debt Service Reserve Fund Requirement for the Series 2004B Bonds and the Series 2013 Debt Service Reserve Fund to equal the Series 2013 Debt Service Reserve Fund Requirement for the Series 2013 Bonds within twelve (12) months or (ii) the excess of the Debt Service Reserve Fund Requirement for the Series 2004 Bonds or the Series 2013 Debt Service Reserve Fund Requirement for the Series 2013 Bonds over the amount on deposit in the Debt Service Reserve Fund or the Series 2013 Debt Service Reserve Fund;

(i) Annually, beginning August 1, 2014, an amount equal to \$122,987.38 into the Replacement Fund, with such amount increased each year, beginning August 1, 2015 at a rate of 3% annually; or such lesser annual amount as is permitted by the Board of Regents and approved by the Series 2004 Bond Insurer and, in the event that any funds shall have been withdrawn from the Replacement Fund to cure any deficiency in the Interest Account or the Principal Account of the Series 2004 Debt Service Fund or the Interest Account or the Principal Account of the Series 2013 Debt Service Fund pursuant to Section 4.3(c) hereof, the amount of such withdrawal;

(k) Annually on August 1 of each year beginning August 1, 2014 any amounts remaining in the Receipts Fund after making all transfers required to be made on such date under Section 4.6(a) through (j) hereof shall be transferred to the Surplus Fund and applied as set forth in Section 4.25 of the Original Indenture.

After a Variable Rate Conversion of the Series 2004B Bonds, payments will be made from the Receipts Fund to the Series 2004 Debt Service Fund in accordance with the supplemental indenture executed in connection with such Variable Rate Conversion.

Section 4.7 Series 2013 Debt Service Reserve Fund. Moneys on deposit in the Series 2013 Debt Service Reserve Fund shall be maintained in an amount equal to the Series 2013 Debt Service Reserve Fund Requirement, and shall be transferred, in accordance with the priority set out in Section 4.3(c) above, to the Interest Account or the Principal Account of the Series 2013 Debt Service Fund in such amount as shall be necessary to remedy any deficiency therein (taking into account any amounts available therefor in the Surplus Fund and the Replacement Fund). Whenever the amount in the Series 2013 Debt Service Reserve Fund, together with the amount in the Series 2013 Debt Service Fund, is sufficient to pay in full all outstanding Series 2013 Bonds in accordance with their terms, the funds on deposit in the Series 2013 Debt Service Reserve Fund shall be transferred to the Series 2013 Debt Service Fund and shall be available to pay all outstanding Series 2013 Bonds in accordance with their terms. If the balance of the Series 2013 Debt Service Reserve Fund is greater than the Series 2013 Debt Service Reserve Fund Requirement, all amounts in the Series 2013 Debt Service Reserve Fund in excess of the Series 2013 Debt Service Reserve Fund Requirement shall be transferred to the Interest Account of the Series 2013 Debt Service Fund. In no event shall moneys in the Series 2013 Debt Service Reserve Fund be used to make payments of principal or interest on the Series 2004B Bonds and in no event shall the moneys in the Series 2004 Debt Service Reserve Fund be used to make payments of principal and interest on the Series 2013 Bonds.

Section 4.8 Surplus Fund. The Surplus Fund will continue to be maintained with the Trustee. Upon satisfaction of certain performance covenants contained in the Indenture, funds on deposit in the Surplus Fund at the end of any Fiscal Year will be transferred to the University. Until such transfer, moneys in the Surplus Fund will be available to be transferred to the Interest Account and/or the Principal Account of the Series 2004 Debt Service Fund or Series 2013 Debt Service Fund whenever and to the extent that money on deposit in such Accounts is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004B Bonds or the Series 2013 Bonds.

Section 4.9 Investments. Moneys contained in the funds and accounts held by the Trustee under Section 4.1 of this Supplemental Indenture shall be continuously invested and reinvested by the Trustee at the direction of the Corporation in Permitted Investments, to the extent practicable, that shall mature (or be readily convertible to cash) not later than the respective dates, as estimated by the Trustee, when the moneys in said Funds and Accounts shall be required for the purposes intended, and:

(i) No such investment shall be required to be made unless the cash at the time available therefor is at least equal to \$1,000;

(ii) The Trustee shall be authorized, to the extent necessary to enable the Trustee to discharge or perform its obligations hereunder, at any one or more times to sell any part or all of the investments whenever it may, for any reason or purpose whatsoever, deem any such sale to be desirable;

(iii) Any income derived from and any profit or loss on any such investment of moneys on deposit in any such fund or account shall be credited or debited, as the case may be, to the respective fund or account in which earned;

(iv) No Permitted Investments in any fund or account may mature beyond the latest maturity date of any Series 2013 Bonds outstanding at the time such Permitted Investments are deposited. For the purposes of this section, the maturity date of repurchase agreements for obligations is the maturity date of such repurchase agreements and not the maturity date of the underlying obligation; and

(b) An Authorized Corporation Representative shall give to the Trustee directions respecting the investment of any money required to be invested hereunder, subject, however, to the provisions of this Article and Article V of the Loan Agreement, and the Trustee shall then invest such money under this Section as so directed. The Trustee shall in no event have any liability for any loss resulting from the investment of moneys in accordance with the directions of the Authorized Corporation Representative. The Trustee shall furnish the Authority annually with a written copy and the Corporation with a written copy for the Board, on at least a monthly basis, of the types, amounts, yield and maturities of all such investments.

(c) All cash investments shall be valued by the Trustee as frequently as deemed necessary by the Trustee, but not less often than annually, at the market value thereof. Deficiencies in the amount on deposit in any fund or account resulting from a decline in market value shall be restored no later than the succeeding valuation date.

Section 4.10 Depository of Moneys and Security for Deposits. All of the funds and accounts established hereunder (except for the Series 2013 Rebate Fund) shall be special trust accounts held by the Trustee in trust for the benefit of the owners of the Series 2013 Bonds and shall not be subject to lien or attachment by any creditors of the Trustee, the Authority, the Corporation, or the Board. Uninvested sums in these funds and accounts shall be continually secured as are deposits of uninvested sinking funds of political subdivisions of the State or in the manner prescribed by Federal law for securing any Federal trust funds as may be prescribed from time to time by the Comptroller of the Currency.

Section 4.11 Arbitrage. Notwithstanding all the provisions hereof, the Authority shall not direct the investment of moneys in the various funds and accounts created hereunder in a manner that would result in the loss of exclusion from gross income of interest on the Series 2013 Bonds for Federal income tax purposes or in such manner which would result in the Series 2013 Bonds becoming "arbitrage bonds" within the meaning of Section 148 of the Code.

Section 4.12 Amounts Remaining in Funds; Releases. It is agreed by the parties hereto that any amounts remaining in the Funds and Accounts existing pursuant to this Supplemental Indenture upon the expiration or sooner cancellation or termination of the Loan Agreement, as provided therein, after payment in full of all Series 2013 Bonds then outstanding under this Supplemental Indenture (or provisions for the payment thereof having been made in accordance with Article XII of this Supplemental Indenture), and the fees, charges and expenses of the Authority and the Trustee and all other amounts required to be paid under the Loan Agreement and under this Supplemental Indenture, other than amounts payable as arbitrage rebate under Section 148(f) of the Code, shall belong to and be paid to the Board.

Section 4.13 Application of Moneys in the Series 2013 Debt Service Reserve Fund.

(a) The Series 2013 Debt Service Reserve Fund shall be funded on the date of delivery of the Series 2013 Bonds in an amount equal to the Series 2013 Debt Service Reserve Fund Requirement.

(b) The Trustee shall transfer money from the Series 2013 Debt Service Reserve Fund to the Interest Account and the Principal Account of the Series 2013 Debt Service Fund to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2013 Bonds, whenever and to the extent that the money on deposit in said accounts (together with any amounts available therefor in the Surplus Fund and the Replacement Fund) is insufficient for such purposes.

(c) If the money held in the Series 2013 Debt Service Reserve Fund, including interest earnings, exceeds the Series 2013 Debt Service Reserve Fund Requirement an amount equal to such excess shall be transferred by the Trustee to the Interest Account of the Series 2013 Debt Service Fund. The Trustee shall not be required to liquidate any investment before its maturity to make such transfer. Whenever the amount on deposit in the Series 2013 Debt Service Reserve Fund is less than the Series 2013 Debt Service Reserve Fund Requirement, the Trustee shall notify the Authority and the Corporation of the amount of such deficiency and such deficiency will be remedied, as provided in Section 4.6(h) hereof. Upon notification the Corporation shall deliver to the Trustee an amount sufficient to cure the deficiency in accordance herewith and the Agreement.

(d) The Authority may, at the direction of the Corporation, as advised by the Board, at any time, deposit with the Trustee, to replace cash in the Series 2013 Debt Service Reserve Fund (in which case the replaced cash shall be paid to the University) or to meet the requirements herein that it deposit additional amounts in the Series 2013 Debt Service Reserve Fund, a Debt Service Reserve Fund Investment. Any bank issuing a letter of credit must have a rating on its unsecured debt, or on debt secured by its letters of credit and which ratings are based solely on the bank's letter of credit, of "AA-" or better by S&P and "Aa3" or better by Moody's. Any insurance company issuing a surety bond must have a claims-paying ability rating of "AAA" by S&P and "Aaa" by Moody's. If such Debt Service Reserve Fund Investment expires prior to fifteen (15) days after the final maturity of the Series 2013 Bonds, it must provide, that if not renewed within fifteen (15) days prior to its expiration date in an amount equal to the undrawn amount thereof (other than because of a reduction in the Series 2013 Debt Service Reserve Fund Requirement or the deposit of cash in the Series 2013 Debt Service Reserve Fund to replace it), the Trustee may draw the full amount of such Series 2013 Debt Service Reserve Fund Investment. The Trustee shall draw down the full amount of such Debt Service Reserve Fund Investment and deposit such amount in the Series 2013 Debt Service Reserve Fund fifteen (15) days prior to expiration of such Debt Service Reserve Fund Investment if it is not renewed as provided for in the preceding sentence. The Debt Service Reserve Fund Investment must be able to be drawn upon at any time that cash could be withdrawn from the Series 2013 Debt Service Reserve Fund. Prior to accepting any such Debt Service Reserve Fund Investment, the Trustee, the Corporation, the Board and the Authority must receive a Bond Counsel opinion that such acceptance and any payment of funds in the Debt Service Reserve Fund to the Corporation is authorized by this Indenture and will not adversely affect the exclusion of interest on the Series 2013 Bonds. If a Debt Service Reserve Fund Investment is deposited in the Series 2013 Debt Service Reserve Fund in lieu of cash, the cash amount contained in the Series 2013 Debt Service Reserve Fund shall be transferred to the Replacement Fund.

(e) If a disbursement is made under a surety bond deposited in the Series 2013 Debt Service Reserve Fund, the Corporation shall be obligated to either reinstate the maximum limits of such surety bond immediately following such disbursement in twelve (12) equal monthly installments or as required by the

Authority of the Debt Service Reserve Fund Investment in an amount equal to the Series 2013 Debt Service Reserve Fund Requirement or deposit into the Series 2013 Debt Service Reserve Fund funds in the amount of the disbursement made under the Debt Service Reserve Fund Investment, or a combination of such alternatives as shall equal the Series 2013 Debt Service Reserve Fund Requirement.

Section 4.14 Application of Insurance Proceeds; Condemnation Award.

(a) If all or any portion of the Facilities is damaged or destroyed by a Casualty (as defined in the Facilities Lease), or is taken by Expropriation (as defined in the Facilities Lease) proceedings, the Board shall instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration or replacement of the Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. The proceeds of any insurance, including the proceeds of any self-insurance through ORM, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction or taking of all or any portion of the Facilities shall be delivered to the Trustee and held by the Trustee in a special account to be established upon receipt of any such funds and held by the Trustee in trust or in the case of self-insurance through ORM, as set forth in paragraph (b) below; and shall be made available for, and to the extent necessary be applied to, such restoration, repair and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement and repair of the Facilities with respect to which they are held, in each case promptly after receipt of a written request of the Corporation as advised by the Board stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee may conclusively rely upon such written requests and shall have no liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration or replacement of the Facilities shall be paid by Trustee to the Corporation for the Board.

(b) In the event the University decides not to repair, restore or replace the Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) shall be paid to the Trustee and applied to the redemption of the Bonds on a pro rata basis in accordance with the Indenture. The provisions of this Section 4.14(b) shall control over the provisions of the second paragraph of Section 4.22(a) of the Original Indenture.

(c) In the event that ORM insures the Facilities, the Board shall cause the Corporation to use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration or replacement of the Facilities.

Section 4.15 Application of Money in the Replacement Fund.

(a) All moneys in the Replacement Fund shall be held for the benefit of the Board through the Corporation, are not pledged under this Indenture and may be drawn on and used by the

B-16

Corporation or the Board to (i) replace any worn out, obsolete, inadequate, unsuitable or undesirable property, furniture, equipment, fixtures and other property owned by the Board or the Corporation and located on the Facilities and (ii) maintain the Facilities and to make all alterations, repairs, restorations and replacements to the Facilities as and when needed to preserve the Facilities in good working order, condition and repair, each as required by the Facilities Lease. Withdrawals from the Replacement Fund for the purposes set forth above shall be made by the Trustee upon its receipt of a requisition from the University or the Corporation substantially in the form attached hereto as Exhibit C to the Original Indenture. Moneys in the Replacement Fund may also be drawn by the Trustee and transferred to the Series 2004 Debt Service Fund or the Series 2013 Debt Service Fund if amounts on deposit therein, together with amounts available therefor in the Surplus Fund, are insufficient to pay debt service on the Series 2004B Bonds or the Series 2013 Bonds on any Interest Payment Date or Principal Payment Date.

(b) Any moneys remaining in the Replacement Fund immediately prior to the time all of the Series 2004B Bonds and Series 2013 Bonds are paid, or provision for their payment is made in accordance with Article XII hereof shall, at the option of the University, be used, together with amounts held in the Debt Service Reserve Fund and the Series 2013 Debt Service Reserve Fund, to pay in full all outstanding Series 2004B Bonds and Series 2013 Bonds in accordance with their terms or shall be paid to the University.

Section 4.16 Application of Money in the Surplus Fund.

(a) Funds on deposit in the Surplus Fund at the end of any Fiscal Year may be transferred to the University on the date described below if (i) the Debt Service Coverage Ratio for the Facilities was 1.10:1.00 or greater for such Fiscal Year as evidenced by the audited financial statements for such Fiscal Year and (ii) neither the Corporation or the Board are in default under the financing documents on the date of transfer to the University. Upon receipt of the audited financial statements for such Fiscal Year, provided that the above described conditions have been met, then at the written instruction of the University Representative, the Trustee shall transfer all of the amounts in the Surplus Fund on the last day of the immediately preceding Fiscal Year to the University.

(b) To the extent that there are insufficient funds in the Receipts Fund to make any of the transfers to the various funds and accounts required under Section 4.6(a) through (j) hereof on the dates such transfers are required to be made, any amounts contained in the Surplus Fund shall be transferred to such funds and accounts, in the priority set forth in Section 4.6 hereof, to make up for such deficiency.

Section 4.17 Application of Moneys in the Series 2013 Rebate Fund. Moneys in the Series 2013 Rebate Fund shall be used to make any rebate payments required to be made to the United States under the Code. The Series 2013 Rebate Fund shall be held for the sole benefit of the United States of America and is not pledged under this Supplemental Indenture. Moneys required to be paid to the United States shall be deposited in the Series 2013 Rebate Fund by the Board as Base Rental under the Facilities Lease as required thereby and by this Supplemental Indenture.

ARTICLE VII

Section 7.1 Assignment of Loan Agreement and Facilities Lease. The Authority has assigned all of its right, title and interest in, to and under the Loan Agreement (except for rights relating to exculpation, indemnification and payment of expenses thereunder), including the interest of the Authority in and to the Ground Lease and the Facilities Lease assigned by the Corporation to the Authority thereunder (except for payments of Additional Rentals made under the Facilities Lease), to the Trustee as security for the Series 2013 Bonds and hereby agrees that the Loan Agreement and the Facilities Lease may be enforced by the Trustee and/or the owners of the Bonds in accordance with the terms of the Facilities Lease and the Indenture. Notwithstanding such assignment, the Authority agrees to cause the Corporation to comply with the terms contained in the Loan Agreement and the Facilities Lease and the rights of the Bondholders and the Trustee shall be governed by the provisions of the Indenture, the Loan Agreement and the Facilities Lease.

All rights of action (including the right to file proof of claims) to enforce the Loan Agreement, the Facilities Lease and Mortgage under the Indenture or under any of the Bonds may be enforced by the Trustee without the possession of the Bonds and without their production in any trial or other proceeding relating thereto. Any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee for the Bondholders without the necessity of joining as plaintiffs or defendants any of the Bondholders.

ARTICLE VIII
EVENTS OF DEFAULT; REMEDIES

Section 8.1 No Extension of Time for Payment of Principal, Premium or Interest. The Trustee shall not be authorized to extend the time for any payment of principal, premium or interest without the prior written consent of or authorization by the owner of the Series 2013 Bonds so affected.

Section 8.2 Events of Default.

(a) Each of the following events is hereby declared to be an additional “*Event of Default*” under Section 8.2 of the Original Indenture:

(i) The payment of any installment of interest on any of the Series 2013 Bonds shall not be made when the same shall become due and payable;

(ii) The payment of the principal of or premium, if any, on any of the Series 2013 Bonds shall not be made when the same shall become due and payable, whether at maturity or by proceedings for redemption or by acceleration or otherwise;

(iii) An “Event of Default” under Article IX of the Loan Agreement shall have occurred and shall not have been cured within the applicable cure period;

(iv) A default shall occur under Section 21 of the Facilities Lease;

(v) If by action or inaction of the Authority, the Board or the Corporation the interest on the Series 2013 Bonds shall become includable in gross income for Federal income tax purposes; or

(vi) Default by the Authority in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Series 2013 Bonds or in this Supplemental Indenture on the part of the Authority to be performed, if such default shall continue for 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Authority, the Board and the Corporation by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the owners of not less than a majority in principal amount of the Series 2013 Bonds then outstanding. Such default shall not become an Event of Default if said default be of the nature that (A) it cannot be corrected within the thirty (30) day period after receipt of notice, but the Authority (or the Corporation pursuant to the provisions of Section 8.14 of this Supplemental Indenture) promptly shall institute and diligently pursue corrective action until such default is cured and (B) the Trustee shall determine that such default is not curable but such default does not affect the validity or enforceability of the Series 2013 Bonds, this Supplemental Indenture or the Loan Agreement, an event of nonperformance shall not have occurred under the Loan Agreement (other than as a result of the cross-default provisions), and such default does not impair the security or the obligations provided for or under the Bonds, the Indenture or the Loan Agreement.

(b) The word “default” as used herein means failure of performance when due, exclusive of any period of grace, if any, allowed to correct any such failure.

Section 8.3 Remedies. Upon the occurrence of an Event of Default, the Authority, the Trustee and, subject to Sections 8.10 and 8.11, the Bondholders shall have all the rights and remedies as may be allowed by law, the Indenture, or pursuant to the provisions of the Loan Agreement and/or the Facilities Lease by virtue of their assignment hereunder, including but not limited to, acceleration of the maturity of all Bonds, or suit at law or in equity to enforce or enjoin the action or inaction of parties under the provisions of the Indenture, the Loan Agreement or the Facilities Lease.

Section 8.4 Acceleration; Annulment of Acceleration.

(a) Upon the occurrence of an Event of Default described in Section 8.2 of the Indenture, the Trustee may, and upon the written request of the Series 2004 Bond Insurer or the owners of a majority in aggregate principal amount of the Bonds shall, by notice in writing to the Authority, the Board and the

Corporation, declare the Bonds then outstanding immediately due and payable, and such Bonds shall become and be immediately due and payable, anything in such Bonds or in the Loan Agreement or the Indenture to the contrary notwithstanding, and, subject to Article IX, the Trustee may exercise any remedies granted to it therein. In such event, there shall be due and payable on the Bonds an amount equal to the principal amount of all the Bonds then outstanding plus all interest accrued thereon and which will accrue thereon to the date of payment; and

(b) At any time after the principal of the Bonds shall have been so declared to be due and payable and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under the Indenture, the Loan Agreement or the Facilities Lease, the Trustee may annul such declaration and its consequences with respect to the Bonds if (i) moneys shall have been deposited in the Series 2013 Debt Service Fund and the Series 2004 Debt Service Fund sufficient to pay all matured installments of principal (other than principal due solely because of acceleration) and interest; (ii) moneys shall be available sufficient to pay the charges, compensation, expenses, disbursements, advances and liabilities of the Authority and the Trustee; (iii) all other amounts then payable by the Authority or the Corporation under the Indenture or the Loan Agreement shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee; and (iv) every Event of Default known to the Authority or the Trustee (other than a default in the payment of the principal of the Bonds due only because of such declaration) shall have been remedied to the satisfaction of the Authority and the Trustee. No such annulment shall extend to or affect any subsequent Event of Default or impair any right consequent thereon.

Section 8.5 Insufficiency in the Series 2013 Debt Service Fund; Application of Moneys.

(a) Anything in this Supplemental Indenture to the contrary notwithstanding, if at any time the moneys in the Series 2013 Debt Service Fund shall not be sufficient to pay the interest on, premium, if any, or the principal of the Series 2013 Bonds as the same shall become due and payable (either by their terms or by acceleration of maturities), such moneys, together with any other moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall, subject to the provisions of Sections 9.2 and 9.4 hereof, be applied as follows:

(i) Unless the principal of all the Series 2013 Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

FIRST, to the payment to the persons entitled thereto of all installments of interest then due and payable in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay any particular installment, then to the payment thereof, ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Series 2013 Bonds; then

SECOND, to the payment to the persons entitled thereto of the unpaid principal of any of the Series 2013 Bonds which shall have become due and payable (other than Series 2013 Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Supplemental Indenture) in the order of their due dates, with interest on the principal amount of such Series 2013 due and payable, and, if the amount available shall not be sufficient to pay in full the principal of the Series 2013 Bonds and their interest thereon, then to the payment thereof ratably, according to the amount of the interest due on such date, and next to the payment of the principal, ratably, according to the amount of such principal

due on such date, to the persons entitled thereto without any discrimination or preference; and then

THIRD, to the payment of the interest on and the principal of the Series 2013, to the purchase and retirement of Series 2013 Bonds and to the redemption of Series 2013 Bonds, all in accordance with the provisions of this Supplemental Indenture.

(ii) If the principal of all the Series 2013 Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Series 2013 Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Series 2013 Bond over any other Series 2013 Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference; and

(iii) If the principal of all the Series 2013 Bonds shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled, then, subject to the provisions of Section 8.4(b) above, in the event that the principal of all the Series 2013 Bonds shall later become or be declared due and payable, then all such moneys shall be applied in accordance with the provisions of Section 8.4(a) above.

(b) Whenever money is to be applied by the Trustee pursuant to the provisions of this Section, such money shall be applied by the Trustee at such times and from time to time as the Trustee in its sole discretion shall determine, having due regard to the amount of such money available for application and the likelihood of additional money becoming available for application in the future; the deposit of such money or otherwise setting aside such money in trust for the proper purpose shall constitute proper application by the Trustee; and the Trustee shall incur no liability whatsoever to the Authority, to any Bondholder or to any other person for any delay in applying any such money, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this Supplemental Indenture as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such money, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date and shall not be required to make payment to the owner of any Series 2013 Bond until such Series 2013 Bond shall be surrendered to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 8.6 Discontinuance of Proceedings. In case any proceeding taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, then and in every such case the Authority, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no proceeding had been taken.

Section 8.7 Reserved.

Section 8.8 Remedies Not Exclusive. No remedy by the terms of the Indenture conferred upon or reserved to the Trustee or the Bondholders is intended to be exclusive of any other remedy, but each and every remedy shall be cumulative and shall be in addition to every other remedy given under the Indenture or existing at law or in equity on or after the date of adoption of the Indenture.

Section 8.9 Remedies Vested in Trustee. All rights of action under the Indenture, the Loan Agreement or under any of the Bonds may be enforced by the Trustee without possession of the Bonds and without their production in any trial or other proceeding relating thereto. Any suit or proceeding instituted by the Trustee may be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any owners of the Bonds.

Section 8.10 Reserved.

Section 8.11 Individual Bondholder Action Restricted.

(a) No owner of any Series 2013 Bond shall have any right to institute any suit, action or proceeding for the enforcement of this Supplemental Indenture or for the execution of any trust hereunder or for any remedy under this Supplemental Indenture unless an Event of Default has occurred (other than under Sections 8.2(a)(i) or 8.2(a)(ii)) of the Original Indenture as to which the Trustee has actual notice, or as to which the Trustee has been notified in writing; and

(b) No one or more owners of Series 2013 Bonds shall have any right in any manner whatsoever to disturb or prejudice the security of this Supplemental Indenture or to enforce any right hereunder except in the manner herein provided and then only for the equal benefit of the owners of all outstanding Series 2013 Bonds.

Section 8.12 Waiver and Non-Waiver of Event of Default. No delay or omission of the Trustee or of any owner of Bonds to exercise any right or power accruing upon any Event of Default shall impair the right or power or shall be construed to be a waiver of an Event of Default or an acquiescence therein. Every power and remedy given by this Article to the Trustee and to the owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 8.13 Notice of Defaults.

(a) Within 30 days after the receipt of notice of an Event of Default or the occurrence of an Event of Default of which the Trustee is deemed to have notice, the Trustee shall (unless the Event of Default has already been cured) give written notice of the Event of Default to the owners of all Series 2013 Bonds then outstanding in the manner provided in Section 13.8 of this Supplemental Indenture, provided that, except in the case of a default in the payment of principal, redemption price, or interest on any of the Series 2013 Bonds, the Trustee may withhold the notice to the Bondholders if, in its sole judgment, it determines that the withholding of notice is not detrimental to the best interest of the Bondholders.

(b) The Trustee shall immediately notify, in writing, the Authority, the Board, the Series 2004 Bond Insurer and the Corporation of any Event of Default known to the Trustee.

Section 8.14 Opportunity of Corporation to Cure Certain Defaults. The Authority and the Trustee hereby grant the Corporation full authority on the account of the Board and/or the Authority to perform any covenant or obligation and to otherwise fulfill any condition the failure or non-performance of which is or is alleged to be a default under Section 8.2(a)(vi) of this Supplemental Indenture, and the Trustee agrees that performance by the Corporation shall be deemed to be performance by the Board and/or the Authority.

ARTICLE IX
CONCERNING THE TRUSTEE

Section 9.1 Acceptance of Trusts. The Trustee hereby represents and warrants to the Authority (for the benefit of the Board, the Corporation and the Bondholders as well as the Authority) that it is a bank and trust company duly organized and existing under the laws of the State of Louisiana and that it is duly authorized under such laws to accept and execute trusts of the character herein set out. The Trustee accepts and agrees to execute the trusts imposed upon it by this Supplemental Indenture, but only upon the terms and conditions set forth in this Article and subject to the provisions of this Supplemental Indenture including the following express terms and conditions, to all of which the parties hereto and the respective Owners of the Series 2013 Bonds agree:

(a) Except during the continuance of an Event of Default within the purview of Section 8.2, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Supplemental Indenture, and the Trustee shall not be responsible for (x) the legality or enforceability of this Supplemental Indenture (except with respect to performance of its obligations hereunder), the Loan Agreement (except with respect to performance of its obligations hereunder), the Facilities Lease (except with respect to performance of its obligations hereunder), the Tax Regulatory Agreement (except with respect to performance of its obligations thereunder), and any supplement thereto, the Series 2013 Bonds (except as to the authentication of the Series 2013 Bonds), or any instruments or documents related thereto (collectively, the "Transaction Documents") or (y) the legality, perfection, sufficiency or priority of the Trust Estate or any lien purported to be granted thereon under any of the aforesaid documents or otherwise. No implied covenants or obligations shall be read into this Supplemental Indenture against the Trustee.

(b) No provision of this Supplemental Indenture shall be construed to relieve the Trustee from liability for its negligence or willful misconduct, except that:

(i) in the absence of bad faith on the part of the Trustee, the Trustee may rely upon the authenticity of, and the truth of the statements and the correctness of the opinions expressed in, and shall be protected fully from liability in relying or acting upon, any resolution, opinion of counsel, certificate, request, notice, consent, waiver, order, signature guaranty, notarial seal, stamp, acknowledgment, verification, appraisal, report or other paper or document believed by the Trustee to be genuine and to have been signed, affixed or presented by the proper party or parties; but in the case of any such certificates or opinions that by any provision hereby are specifically required to be furnished to the Trustee, as the case may be, the Trustee shall be under a duty to examine the same to determine whether or not they conform to requirements of this Supplemental Indenture;

(ii) in the absence of bad faith on the part of the Trustee, whenever the Trustee, or any of its agents, representatives, experts or counsel, shall consider it necessary or desirable that any matter be proved or established, such matter shall be deemed to be conclusively proved and established by a certificate executed by an Authorized Authority Representative; provided, however, that the Trustee, or such agent, representative, expert or counsel may require, but is not obligated to require, such further and additional evidence and make such further investigation as it or they may consider reasonable;

(iii) the Trustee may consult with counsel and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered hereunder in good faith and in accordance with such advice or opinion of counsel;

(iv) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith and in accordance with any direction or request of the Bondholders;

(v) the Trustee shall not be liable for any error of judgment made in good faith by an officer or employee of the Trustee unless the Trustee is negligent in ascertaining the pertinent facts;

(vi) the Trustee shall not be deemed to have knowledge of any Event of Default, except for the failure of the Corporation to make or cause to be made scheduled payments to the Trustee provided for in the Loan Agreement, unless and until an officer of the Trustee who customarily handles corporate trusts and is assigned to supervise this Supplemental Indenture shall have actual knowledge thereof or the Trustee shall have received written advice thereof from any Bondholder;

(vii) anything in any of the Transaction Documents to the contrary notwithstanding, whether or not an Event of Default shall have occurred, the Trustee shall not be under any obligation to take any action under this Supplemental Indenture that may involve it in any expense or liability, the payment of which within a reasonable time is not, in its opinion, assured to it by the security afforded to it by the terms of this Supplemental Indenture, unless it is requested in writing to do so by one or more owners of the Series 2013 Bonds outstanding hereunder and furnished, from time to time as it may require, with security and indemnity satisfactory to it;

(viii) the Trustee need not take any action or follow any direction from any one or more Bondholders if the Trustee shall be advised by counsel that the action or proceedings so directed may not lawfully be taken or would be prejudicial to Bondholders not parties to such direction, or the Trustee in good faith believes following such direction would involve the Trustee in personal liability;

(ix) in no event shall the Trustee be liable to any person for special, indirect, punitive, exemplary or consequential damages, lost profits or loss of business arising under or in connection with this Supplemental Indenture, even if previously informed of the possibility of such damages and regardless of the form of action; and

(x) anything to the contrary in the Transaction Documents notwithstanding, the permissive right of the Trustee to do anything enumerated or set forth in any of the Transaction Documents shall not be construed as a duty, and the Trustee shall not be held responsible or liable for other than its negligence or willful misconduct.

(c) In case an Event of Default within the purview of Section 8.2 hereof has occurred and is continuing and the Trustee has or is deemed to have knowledge of the Event of Default pursuant to (b)(vi) above, subject to the provisions of this Article IX, the Trustee shall exercise such of the rights and powers vested in it by this Supplemental Indenture and use the degree of care and skill in their exercise as a prudent man would exercise under the circumstances.

(d) Whether or not therein expressly so provided, every provision of this Supplemental Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee, including without limitation Sections 9.3 and 9.4 hereof, shall be subject to the provisions of this Section 9.1. The Trustee also accepts, and agrees to do and perform, the duties and obligations imposed upon it by and under the Loan Agreement, and the Facilities Lease, but only upon the terms and conditions set forth in the Loan Agreement, the Facilities Lease, and this Supplemental Indenture. The rights of the Trustee to do things enumerated in this Supplemental Indenture shall not be construed as a duty.

B-20

Section 9.2 Trustee Entitled to Indemnity. The Trustee shall be under no obligation to institute any suit, or to take any remedial proceeding under this Supplemental Indenture or under the Loan Agreement, or to enter any appearance in or in any way defend against any suit, in which it may be made a defendant (except in the case of the Trustee's own negligence), or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder or under the Loan Agreement or the Facilities Lease, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability; the Trustee may, nevertheless, begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as such Trustee, without indemnity, and in such case the Authority shall reimburse the Trustee from funds available therefor under the Loan Agreement for all costs and expenses, outlays and counsel fees and other reasonable disbursements properly incurred in connection therewith. If the Authority shall fail to make reimbursement, the Trustee may reimburse itself from any moneys in its possession under the provisions of this Supplemental Indenture and shall be entitled to a preference over any of the Series 2013 Bonds.

Section 9.3 Trustee Not Responsible for Insurance, Taxes, Execution of Supplemental Indenture, Acts of the Authority or Application of Moneys Applied in Accordance with this Supplemental Indenture.

(a) The Trustee shall not be under any obligation to effect or maintain insurance or to renew any policies of insurance or to inquire as to the sufficiency of any policies of insurance carried by the Board or to report, or make or file claims or proof of loss for, any loss or damage insured against or which may occur, or to keep itself informed or advised as to the payment of any taxes or assessments, or to require any such payment to be made. The Trustee shall have no responsibility in respect of the validity, sufficiency, due execution or acknowledgment of this Supplemental Indenture or the validity or sufficiency of the security provided hereunder or in respect of the validity of the Series 2013 Bonds or the due execution or issuance thereof, except as to the authentication thereof.

(b) The Trustee shall not be under any obligation to see that any duties herein imposed upon any party other than itself, or any covenants herein contained on the part of any party other than itself to be performed, shall be done or performed, and the Trustee shall be under no obligation for failure to see that any such duties or covenants are so done or performed.

(c) The Trustee shall not be liable or responsible because of the failure of the Authority or of any of its employees or agents to make any collections or deposits or to perform any act herein required of the Authority or because of the loss of any moneys arising through the insolvency or the act or default or omission of any other depository in which such moneys shall have been deposited under the provisions of this Supplemental Indenture. The Trustee shall not be responsible for the application of any of the proceeds of the Series 2013 Bonds or any other moneys deposited with it and paid out, withdrawn or transferred hereunder if such application, payment, withdrawal or transfer shall be made in accordance with the provisions of this Supplemental Indenture.

(d) The immunities and exemptions from liability of the Trustee hereunder shall extend to its directors, officers, employees and agents.

Section 9.4 Compensation. The Trustee shall be entitled to reasonable compensation for its ordinary services hereunder consistent with the results of the process by which the Trustee was selected and any extraordinary services rendered hereunder and to reimbursement for all expenses incurred in good faith hereunder, including the compensation, expenses and disbursements of such agents, representatives, experts and counsel as the Trustee may employ in connection with the exercise and performance of its powers and duties hereunder. Subject to the provisions of any contract relating to the compensation of the Trustee, the

Authority shall cause the Board to pay to the Trustee as administrative expenses its reasonable fees and charges as Additional Rent in accordance with the Facilities Lease upon the written request of the Trustee and provided the Authority shall be furnished with sufficient funds to pay all costs and expenses (including attorneys' fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue. If the Board shall fail to make any payment required by this Section, the Trustee may, but shall be under no obligation to, make such payment from any moneys in its possession under the provisions of this Supplemental Indenture, and the Trustee shall be entitled to a preference therefor over any of the Series 2013 Bonds Outstanding hereunder.

Section 9.5 Trustee to Preserve Records. All records and files pertaining to the Corporation in the custody of the Trustee shall be open at all reasonable times to the inspection of the Authority, the Board, the Corporation and their agents and representatives.

Section 9.6 Trustee May be Bondholder. The Trustee and its directors, officers, employees or agents may in good faith buy, sell, own, hold and deal in any of the Series 2013 Bonds issued under and secured by this Supplemental Indenture, and may join in the capacity of a Bondholder in any action which any Bondholder may be entitled to take with like effect as if such institution were not the Trustee under this Supplemental Indenture.

Section 9.7 Trustee Not Responsible for Recitals. The recitals, statements and representations contained herein and in the Series 2013 Bonds shall be taken and construed as made by and on the part of the Authority and not by the Trustee, and the Trustee shall not be under any responsibility for the correctness of the same.

Section 9.8 Trustee Responsible for Reinscription. The Trustee, as set forth in the Loan Agreement, is required to reinscribe the Loan Agreement and the Mortgage at such times as shall be necessary to preserve the lien thereof. Under the Loan Agreement, the Corporation has covenanted to cooperate with the Trustee with regard to the foregoing.

Section 9.9 Trustee May Rely on Certificates. Subject to the provisions of Section 9.1(b), the Trustee shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Supplemental Indenture, upon any resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or person or to have been prepared and furnished pursuant to any of the provisions of the Loan Agreement or this Supplemental Indenture, or upon the written opinion of any attorney, engineer, accountant or other expert believed by it to be qualified in relation to the subject matter, and the Trustee shall not be under any duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument.

true intent and meaning thereof but solely from the revenues of the Trust Estate and not from any other fund or source. The Authority further covenants that it will faithfully perform at all times all of its covenants, undertakings and agreements contained in this Supplemental Indenture, the Loan Agreement or in any Series 2013 Bond executed, authenticated and delivered hereunder or in any proceedings of the Authority pertaining thereto.

Section 11.2 Additional Security. The Authority covenants, whenever and so often as reasonably required to do so by the Trustee, promptly to execute and deliver or cause to be delivered all such other and further instruments, documents or assurances, and to promptly do or cause to be done all such other further things, as may be necessary or reasonably required in order to further and more fully vest in the Trustee and the owners of the Series 2013 Bonds all rights, interest, powers, benefits, privileges and advantages conferred or intended to be conferred upon them by this Supplemental Indenture.

Section 11.3 Cure Title Defects. The Authority covenants to promptly, upon the request of the Trustee, from time to time, take or cause to be taken such action as may be necessary or proper to remedy or cure any material defect in or cloud upon the title to the Trust Estate or any part thereof, whether now existing or hereafter developing, and to prosecute all such suits, actions and other proceedings as may be appropriate for such purpose and to indemnify and save the Trustee and every owner of Series 2013 Bonds, solely from the Trust Estate, harmless from all loss, cost, damage and expense, including attorneys' fees, which they or either of them may ever incur by reason of any such defect, cloud, suit, action or proceedings.

Section 11.4 Defend Against Actions. The Authority covenants to defend or cause to be defended every suit, action or proceeding at any time brought against the Trustee or any owner of Series 2013 Bonds upon any claim arising out of the receipt, application or disbursement of any of the revenues of the Trust Estate or involving the Authority's, the Trustee's or such Bondholders' rights under this Supplemental Indenture or the Loan Agreement and to indemnify and save harmless, solely from the Trust Estate, the Trustee and Bondholders against any and all liability claimed or asserted by any person whomsoever, arising out of such receipt, application or disbursement of any such revenues; provided, however, that the Trustee or any owner of Series 2013 Bonds at its or his election may appear in and defend against any such suit, action or proceeding; and notwithstanding any contrary provision hereof, this covenant shall continue and remain in full force and effect until all indebtedness, liabilities, obligations and other sums secured hereby have been fully paid and satisfied, and this Supplemental Indenture has been released of record and the lien hereof discharged.

Section 11.5 Non-Impairment of Security. The Authority covenants that so long as any of the Series 2013 Bonds issued pursuant to this Supplemental Indenture are outstanding and unpaid, the Authority will not voluntarily consent to any amendment to the Loan Agreement or otherwise take any action which will reduce the amount of moneys made available thereunder to the Trustee, or which will in any manner impair or adversely affect the rights of the Authority or the Trustee or the security provided by this Supplemental Indenture to the owners from time to time of the Series 2013 Bonds.

Section 11.6 Authority's Obligation Limited. Nothing in the Loan Agreement or this Supplemental Indenture is intended to require or obligate nor shall anything therein be interpreted to require or obligate the Authority for any purpose or at any time whatsoever, to provide, apply or expend any funds coming into the hands of the Authority other than from the Trust Estate.

ARTICLE XII DEFEASANCE

Section 12.1 Payment

(a) When all of the Series 2013 Bonds shall have been paid and discharged, and there shall have been paid all fees and charges of the Trustee due or to become due through the date on which the last of the Series 2013 Bonds is retired, then this Supplemental Indenture shall cease, terminate and become null and void, and thereupon the Trustee shall release this Supplemental Indenture including the cancellation and discharge of the lien hereof, and execute and deliver to the Authority such instruments in writing as shall be requisite to satisfy the lien hereof and, if necessary, to enter on the records such satisfaction and discharge and to re-convey to the Authority any property or interest therein or other rights hereby conveyed and such other instruments to evidence such release and discharge as may be reasonably required by the Authority, and the Trustee shall assign and deliver to the Authority any property at the time subject to the lien of this Supplemental Indenture which may then be in its possession, except amounts in any Fund otherwise required to be paid by this Supplemental Indenture and except such cash and investments as are held by the Trustee for the payment of interest and premium, if any, on and retirement of the Series 2013 Bonds.

(b) Notwithstanding the foregoing, the obligation of the Corporation to pay the fees and expenses of the Trustee in accordance with the terms of this Supplemental Indenture shall survive the defeasance of the Series 2013 Bonds, the discharge of this Supplemental Indenture and the termination of the Loan Agreement.

Section 12.2 Provision for Payment. Any Series 2013 Bonds shall be deemed to have been paid and discharged within the meaning of Section 12.1, if the Trustee, or an escrow trustee, shall hold, in trust for and irrevocably committed thereto, moneys or Defeasance Obligations of such maturities and interest payment dates and bearing such interest as will, without further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom (likewise to be held in trust and committed, except as hereinafter provided), be sufficient for the payment of such Series 2013 Bonds, at their maturity or redemption date, of the principal thereof, together with the redemption premium, if any, and interest accrued to the date of maturity or redemption, as the case may be, or if default in such payment shall have occurred on such date then to the date of the tender of such payment; provided, that if any Series 2013 Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been duly given or provisions satisfactory to the Trustee shall have been duly made for the giving of such notice. Any moneys held in accordance with the provisions of this Section shall be invested only in Defeasance Obligations the maturities or redemption dates and interest payment dates of which, at the option of the owner, shall coincide as nearly as practicable with, but not later than, the time or times at which said moneys will be required for the aforesaid purposes. Any income or interest earned by the Defeasance Obligations held under this Section shall, as determined by the Trustee or the escrow trustee, to the extent not required for the purposes of this Section, be paid to the Corporation for the Board as overpayment of Payments.

Section 12.3 Certifications. The Authority and the Corporation covenant and agree that they will furnish to the Trustee:

(a) Certificates or opinions made by officers of the Authority and the Corporation required by this Supplemental Indenture stating that provisions of this Article relating to the satisfaction and discharge of this Supplemental Indenture have been fulfilled; and

(b) An opinion of Bond Counsel to the effect that the payment of the Series 2013 Bonds has been provided for in the manner set forth in this Supplemental Indenture and the Loan Agreement and that all obligations of the Authority and the Corporation with respect to the Series 2013 Bonds have been discharged and satisfied; and

(c) In the case of an advance refunding, a mathematical verification prepared by a nationally recognized law firm or firm of independent certified public accountants (or other verification agent satisfactory to the Trustee) that the Defeasance Obligations are sufficient to pay the principal of, premium, if any, and interest on the Series 2013 Bonds which are defeased.

This Series 2013 Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the certificate of authentication hereon shall have been signed by a duly authorized representative of the Trustee.

This Series 2013 Bond is one of the duly authorized issue of the Authority's Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2013 (the "Series 2013 Bonds"), issued under and secured by the Indenture (hereinafter defined) pursuant to which the Authority is issuing \$_____ aggregate principal amount of said revenue bonds on behalf of University Facilities, Inc., a nonprofit corporation (the "Corporation") for the purpose of: (i) refunding the Series 2004A Bonds (as hereinafter defined) and (ii) paying the costs of issuance of the Series 2013 Bonds.

Pursuant to the Original Indenture (as hereinafter defined), the Authority issued its \$60,985,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004A (the "Series 2004A Bonds") for the purposes of financing the cost of acquiring immovable property and financing the development, design, construction and equipping of new student housing facilities (the "Facilities") for Southeastern Louisiana University (the "University") located on immovable property owned by, or subject to the supervision and management of the Board of Supervisors for the University of Louisiana System (the "Board") in the City of Hammond, Parish of Tangipahoa, Louisiana, which Facilities have been leased to the Board on behalf of the University.

The proceeds of the Series 2013 Bonds have been loaned to the Corporation pursuant to a Loan and Assignment Agreement dated as of August 1, 2004 (the "Original Loan Agreement"), as supplemented and amended by a First Supplemental Loan and Assignment Agreement dated as of November 1, 2013 (the "Supplemental Loan Agreement" and, together with the Original Loan Agreement, the "Loan Agreement"), each between the Authority and the Corporation, for the foregoing purposes. The Board of Supervisors for the University of Louisiana System (the "Board"), acting on behalf of the University, has leased the land upon which the Facilities are located on the campus of the University (the "Land") and the Facilities to the

Corporation pursuant to an Amended and Restated Ground and Buildings Lease Agreement dated as of November 1, 2013 (the "Ground Lease"), and has leased the Facilities from the Corporation pursuant to an Amended and Restated Agreement to Lease with Option to Purchase dated as of November 1, 2013 (the "Facilities Lease").

The Series 2013 Bonds are issued pursuant to the laws of the State, particularly Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 4548.16, inclusive) (the "LCDA Act"), Chapters 14 and 14-A of Title 39 of the Louisiana Revised Statutes of 1950, as amended (the "Refunding Act" and, together with the LCDA Act, the "Act") and pursuant to a Trust Indenture dated August 1, 2004 (the "Original Indenture"), as supplemented and amended by a First Supplemental Trust Indenture dated as of November 1, 2013 (the "Supplemental Indenture" and, together with the Original Indenture, the "Indenture"), each between the Authority and the Trustee, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, and to which Indenture reference is hereby made for a more complete description of the assigned revenues constituting the Trust Estate, the nature and extent of the security, the terms and conditions under which the Series 2013 Bonds are issued and secured, the terms and conditions under which Additional Bonds may be issued and secured, the rights, duties and immunities of the Trustee and the rights of the registered owners of the Series 2013 Bonds. The registered owner of this Series 2013 Bond shall have no rights to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture, and by acceptance of this Series 2013 Bond, the owner hereof assents to all of the provisions of the Indenture and the Assignment (hereinafter defined). All terms not defined herein shall have the meanings assigned thereto in the Indenture.

The Series 2013 Bonds have been issued on a parity with the Series 2004B Bonds under the Indenture.

The Series 2013 Bonds are issuable as fully registered bonds without coupons, in Authorized Denominations, and shall be numbered from No. R-1 upwards. The Series 2013 Bonds are limited and special revenue obligations of the Authority and are payable solely from (i) payments received by the Authority from the Corporation pursuant to the Agreement (except however, the Authority's rights to exculpation, indemnification and payment of expenses by the Corporation under the Agreement) and (ii) all funds held by the Trustee under the Indenture and available for such payment, said payments and funds being herein referred to as the "Trust Estate." The Agreement, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, provides that the Corporation is unconditionally obligated to make payments, but solely from the Payments (as defined in the Agreement) in an aggregate amount sufficient for the payment in full of the principal and interest of all Series 2013 Bonds issued and outstanding under the Indenture, to the date of payment thereof, and certain costs, expenses and charges of the Authority and the Trustee. The Agreement imposes upon the Corporation certain obligations respecting the use and operation of its Facilities and the maintenance and repair of said Facilities.

THE SERIES 2013 BONDS AND THE INTEREST THEREON ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE TRUST ESTATE. THE SERIES 2013 BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION AND SHALL NOT CONSTITUTE A PLEDGE OF THE FAITH AND CREDIT OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF, BUT SHALL BE PAYABLE SOLELY FROM THE FUNDS PROVIDED FOR IN THE LOAN AGREEMENT AND THE INDENTURE. THE ISSUANCE OF THE SERIES 2013 BONDS SHALL NOT DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATE THE

STATE OF LOUISIANA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY ANY TAXES OR TO MAKE ANY APPROPRIATION OF THEIR PAYMENT. THE ISSUER HAS NO POWER TO TAX.

As long as any of the Series 2013 Bonds remain outstanding, there shall be permitted the exchange of Series 2013 Bonds at the principal corporate trust office of the Trustee. Any Series 2013 Bond or Series 2013 Bonds upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his legal representative duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of other Bonds in Authorized Denominations.

For every such exchange or transfer of Series 2013 Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Trustee shall not be required to register the transfer or exchange of (a) any Series 2013 Bonds during the fifteen (15) day period next preceding the selection of Series 2013 Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2013 Bonds selected for redemption, or (b) any Series 2013 Bonds selected, called or being called for redemption in whole or in part, except in the case of any Series 2013 Bond to be redeemed in part, the portion thereof not so to be redeemed.

REDEMPTION PROVISIONS

Optional Redemption

The Series 2013 Bonds are subject to redemption prior to maturity at the option of the Authority, upon written direction from the Board, on or after August 1, 20__, as a whole or in part at any time, and in any order of maturity directed in writing by the University Representative, and at a price equal to the principal amount thereof so redeemed plus accrued and unpaid interest to the date of redemption, without premium

Mandatory Redemption

(i) If the Board shall purchase the Corporation's leasehold interest in the Facilities pursuant to the Facilities Lease, the Series 2013 Bonds shall be redeemed as a whole and shall be redeemed on the later of (a) August 1, 2014, or (b) the earliest practicable date, but not more than sixty (60) days, after such purchase, and in any event, at a price equal to the principal amount of the Series 2013 Bonds so redeemed plus accrued and unpaid interest to the date of redemption, without premium.

(ii) The Series 2013 Bonds shall be redeemed as a whole or in part (in Authorized Denominations) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds or proceeds received as a result of Expropriation proceedings with respect to the Facilities will not be applied to the restoration, repair or reconstruction of the Facilities at a price equal to the principal amount of the Series 2013 Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, without premium, in an aggregate principal amount equal to the amount of such insurance proceeds, or Expropriation proceeds not used for restoration, repair or reconstruction. If the amount of any insurance proceeds or Expropriation proceeds to be applied in redemption of the Series 2013 Bonds is not an Authorized Denomination, the principal amount of Series 2013 Bonds to be redeemed pursuant to this subsection (b) shall be decreased to the next lower Authorized Denomination. The Series 2004 Bonds will be so redeemed in the following order: first, Auction Rate Bonds; second, Variable Rate Bonds, third, Series 2004C Bonds; fourth, Series 2004B Bonds that bear interest at a Fixed Rate; and fifth, the Series 2013 Bonds.

Mandatory Sinking Fund Redemption

The Series 2013 Bonds maturing on August 1, 20__, shall be subject to mandatory redemption and payment on a *pro rata* basis prior to maturity on August 1 in each of the years set forth below at a price equal to the principal amount thereof plus accrued and unpaid interest to the redemption date, without premium:

| <u>Redemption Date</u> | <u>Principal Amount</u> |
|----------------------------|-----------------------------|
|----------------------------|-----------------------------|

If on any occasion less than all of the Series 2013 Bonds then outstanding shall be redeemed pursuant to the optional or mandatory redemption provisions described in the Indenture, then the principal amount of the Series 2013 Bonds so redeemed shall be considered to have satisfied a portion of the mandatory sinking fund redemptions required by the above tables. The principal amounts required by the tables above shall be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional redemption.

Unless otherwise specified above, if less than all of the Series 2013 Bonds shall be called for redemption, the maturity of the Series 2013 Bonds to be redeemed shall be designated by the Corporation, on behalf of the Board, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Series 2013 Bond to be redeemed shall be in the principal amount of an Authorized Denomination. If a portion of any Series 2013 Bond shall be called for redemption, a new Series 2013 Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

At least thirty (30) days before the redemption date of any Series 2013 Bonds redeemed other than by mandatory sinking fund redemption, the Trustee shall cause a notice of any such redemption, signed by an authorized officer of the Trustee to be mailed, postage prepaid, to all Bondholders of record owning Series 2013 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register, but any defect in such mailing of any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2013 Bonds then outstanding shall be called for redemption, the numbers of such Series 2013 Bonds to be redeemed and, in the case of Series 2013 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2013 Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Series 2013 Bond, a new Series 2013 Bond in principal amount equal to the unredeemed portion of such Series 2013 Bond will be issued.

Modifications or alterations of the Indenture or any agreement supplemental thereto or of the Agreement or any agreement supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture and the Agreement. So long as no event of nonperformance under the Agreement has occurred and is continuing, no such supplement shall become effective unless the Corporation, on behalf of the Board, shall have given its prior written approval.

It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State to exist, to have happened and to have been performed, precedent to and in

(f) This Supplemental Loan Agreement, the Ground Lease, the Facilities Lease, and the Mortgage are legal, valid and binding obligations of the Corporation and enforceable against the Corporation in accordance with their terms, and the authorization, execution and delivery hereof and thereof and compliance with the provisions hereof and thereof do not conflict with or constitute on the part of the Corporation a violation of, breach of, or default under: (i) any provision of any indenture, mortgage, deed of trust, loan agreement or other contract or instrument to which the Corporation is a party or by which it or any of its Properties are bound; (ii) any order, injunction or decree of any court or governmental authority; or (iii) the provisions of its charter, as amended, or by-laws, as amended.

(g) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending or threatened against the Corporation, wherein an unfavorable decision, ruling or finding would materially and adversely affect the validity or enforceability of the Board Documents or this Supplemental Loan Agreement or any other agreement or instrument to which the Corporation is a party used in consummation of the transactions contemplated hereunder.

Section 2.3 Environmental Representations.

(a) The Corporation has taken all steps necessary to determine and has determined that no Contaminants have been disposed of on the Property in any material manner and that there has been no Release of any Contaminant on, from, under or to the Property other than in compliance with applicable law.

(b) The operations or other activities of the Corporation will not result in the disposal or other Release of any Contaminant on or from the Facilities other than in all cases in compliance with applicable law.

(c) The Corporation has not received any notice or claim or information to the effect that it is or may be liable to any Person as a result of the Release or threatened Release of a Contaminant into the environment in violation of applicable law.

(d) No Environmental Lien has attached to the Property.

(e) The operations or other activities of the Corporation shall not result in the disposal or other Release of any Contaminant on or from the Facilities other than in compliance with all current and future applicable environmental laws and the Corporation shall not engage in any activities that will result in the violation of any current or future environmental laws. The Corporation shall obtain from time to time all permits required under any current or future environmental laws so that the operations of the Corporation will be in accordance with such laws.

(f) The Corporation will make available for inspection from time to time all documents and information in its possession and control regarding activities and conditions relating to the Facilities and other assets which may result in noncompliance with, or liability under, any Requirement of Law.

(g) The Corporation shall not store, locate, generate, produce, process, treat, transport, incorporate, discharge, emit, release, deposit or dispose of any Hazardous Substance in, upon, under, over or from the Facilities other than in accordance with all applicable Environmental Regulations, shall not permit any Hazardous Substance to be stored, located, generated, produced, processed, treated, transported, incorporated, discharged, emitted, released, deposited, disposed of or to escape therein, thereupon, thereunder, thereover or therefrom other than in accordance with all applicable Environmental

The Corporation shall indemnify the Trustee and the Authority and shall hold the Trustee and the Authority harmless from, and shall reimburse the Trustee and the Authority for, any and all claims, demands, judgments, penalties, liabilities, costs, damages and expenses, including court costs and attorneys' fees directly or indirectly incurred by the Trustee or the Authority and the payee and holder of any Series 2013 Bond (prior to trial, at trial and on appeal) in any action against or involving the Trustee or the Authority, resulting from any breach of the foregoing covenants, or from the discovery of any Hazardous Substance, in, upon, under or over, or emanating from, the Facilities, whether or not the Corporation is responsible therefor, it being the intent of the Corporation that the Trustee and the Authority shall have no liability or responsibility for damage or injury to human health, the environment or natural resources caused by, for abatement and/or clean-up of, or other with respect to, Hazardous Substances by virtue of their interests, if any, in the Facilities created by the Indenture, and this Supplemental Loan Agreement or otherwise, or hereafter created, or as the result of the Trustee or the Authority or exercising any instrument, including but not limited to becoming the owner thereof by foreclosure or conveyance in lieu of foreclosure. The foregoing representations, warranties and covenants shall be deemed continuing covenants, representations and warranties for the benefit of the Trustee and the Authority and any successors and assigns thereof, including but not limited to any transferee of the title of the Trustee and any subsequent owner of the Facilities, and shall survive the satisfaction and release of the Indenture, and this Supplemental Loan Agreement, or under any other instrument, and/or any acquisition of title to the Facilities or any part thereof by the Trustee or the Authority by deed in lieu of foreclosure or otherwise. Any amount covered by the foregoing indemnification shall bear interest from the date incurred at a rate of 1.0% above the highest rate of interest borne by any Series 2013 Bond during the 365 days prior to the date on which such indemnification obligation was incurred, or, if less, the maximum rate permitted by law, and shall be payable on demand.

ARTICLE III TERM, NATURE AND BENEFITS OF SUPPLEMENTAL LOAN AGREEMENT; CONSTRUCTION OF FACILITIES

Section 3.1 Term. The term of this Supplemental Loan Agreement shall commence on the Closing Date for the Series 2013 Bonds, and shall terminate (unless discharged upon prepayment of all sums due hereunder by the Corporation prior thereto as hereinafter provided) on the date on which the Series 2013 Bonds and all other sums secured hereunder shall have been paid or provision for their payment shall have been made in accordance herewith. Notwithstanding the foregoing, the indemnification provisions of this Supplemental Loan Agreement shall survive the termination thereof and the defeasance of the Series 2013 Bonds under the Supplemental Indenture.

Section 3.2 Nature and Benefits.

(a) This Supplemental Loan Agreement has been executed and delivered in part to induce concurrently herewith the purchase by others of the Series 2013 Bonds, and, accordingly, all covenants and agreements on the part of the Corporation and the Authority, as set forth therein and herein, are hereby declared to be for the benefit of the Trustee for the owners from time to time of the Series 2013 Bonds. The Corporation consents and agrees to the assignment by the Authority to the Trustee under the Indenture of all of the Authority's right, title and interest (except for certain rights relating to exculpation, indemnification and payment of expenses) in, to and under this Supplemental Loan Agreement, including the interest of the Authority in and to the Facilities Lease assigned by the Corporation to the Authority hereunder, and agrees that the provisions hereof may be enforced by the Trustee under the provisions of

the Supplemental Indenture. The Corporation agrees to do all things within its power in order to comply with, and to enable the Authority to comply with, all requirements and to fulfill, and to enable the Authority to fulfill, all covenants of the Supplemental Indenture and the Series 2013 Bonds.

(b) This Supplemental Loan Agreement is a limited obligation of the Corporation, payable solely from the Revenues, and this Supplemental Loan Agreement shall remain in full force and effect until the Series 2013 Bonds and the interest therein have been fully paid or otherwise provided for or discharged.

Section 3.3 Revision of Facilities Documents.

(a) The Corporation may revise the Ground Lease, the Facilities Lease and the Mortgage (collectively, the "Facilities Documents") and the description of the Facilities in Exhibit A hereto from time to time (including, without limitation, the deletion or revision of any of the facilities included in the Facilities and/or the substitution thereof of other facilities) in accordance with the Ground Lease without the consent of the Authority, the Trustee or the holders of the Bonds but, with the consent of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding); provided, however, that no such revision shall impair the exclusion from gross income of interest on the Bonds for Federal income tax purposes. In the case of any change that would render materially inaccurate the description of the Facilities in Exhibit A hereto, there shall be delivered to the Trustee and the Authority a revised Exhibit A containing a description of the Facilities that reflects the change in the Facilities Documents, the accuracy of which shall have been certified by an Authorized Corporation Representative.

(b) Prior to effecting any change in or revision of the Facilities Documents, the Corporation shall deliver to the Authority evidence of all governmental or regulatory approvals required therefor.

Section 3.4 No Warranty of Condition or Suitability. The Corporation acknowledges its full familiarity with the Facilities and that the Authority has no responsibility for the Facilities Documents. The Authority makes no representation or warranty, either express or implied, and offers no assurance that the proceeds of the Bonds will be sufficient to pay in full the Costs of the Facilities in accordance with the Facilities Documents.

ARTICLE IV
DISBURSEMENT OF SERIES 2013 BOND PROCEEDS; PAYMENTS;
CREDITS; OBLIGATIONS UNCONDITIONAL; PREPAYMENT

Section 4.1 Disbursement of Series 2013 Bond Proceeds. In order to provide funds to refund the Refunded Bonds, the Authority, as soon as practicable after the execution of this Supplemental Loan Agreement will proceed to issue, sell and deliver the Series 2013 Bonds to the purchasers thereof and will deposit the proceeds thereof as provided by Section 4.2 of the Supplemental Indenture with the Trustee for disbursement in accordance with the provisions of the Supplemental Indenture.

Section 4.2 Amounts Payable.

(a) Upon the terms and conditions of this Supplemental Loan Agreement, the Authority shall lend to the Corporation the proceeds of the sale of the Series 2013 Bonds. The proceeds of the Loan shall be deposited with the Trustee and applied in accordance with the Supplemental Indenture.

(b) The Corporation, for and in consideration of the issuance of the Series 2013 Bonds under the Supplemental Indenture by the Authority and the application of the proceeds thereof by the Authority as provided in the Supplemental Indenture for the benefit of the Corporation, hereby promises to repay the Loan, but solely from the Base Rental, by making the following payments (collectively called the "Payments") to or for the account of the Authority in an amount sufficient for the payment in full of all Series 2004B Bonds and Series 2013 Bonds from time to time issued under the Indenture and then outstanding, including (i) the total interest becoming due and payable on the Series 2004B Bonds and the Series 2013 Bonds to the date of payment thereof, and (ii) the total principal amount of and premium, if any, on the Series 2004B Bonds and the Series 2013 Bonds. The Payments with respect to the Series 2013 Bonds shall be payable directly to the Trustee for the account of the Authority in installments as follows:

(i) On the twenty-fifth (25th) day of each month, commencing November 25, 2013, in an amount equal to one-third (1/3rd) of the interest due and payable on such Series 2013 Bonds on February 1, 2014, or such lesser amount that, together with amounts already on deposit in the Interest Account of the Series 2013 Debt Service Fund will be sufficient to pay interest on such Series 2013 Bonds on such Interest Payment Date and thereafter, on the 25th day of each month, commencing February 25, 2014, an amount equal to one-sixth (1/6th) of the interest amount of the Series 2013 Bonds payable on the next Interest Payment Date;

(ii) On the twenty-fifth (25th) day of each month, commencing November 25, 2013, in an amount equal to one-ninth (1/9th) of the principal of the Series 2013 Bonds payable on August 1, 2014 and thereafter, on the 25th day of each month, commencing August 25, 2014, an amount equal to one-twelfth (1/12th) of the principal amount of the Series 2013 Bonds payable on the next Principal Payment Date; and

(iii) On the dates required in the Indenture, into any of the funds established in the Indenture, including, without limitation, the Series 2013 Debt Service Reserve Fund and the Replacement Fund, an amount sufficient to make up any deficiency in any prior payment required to be made into such fund and to restore any loss resulting from investment or other causes from such fund and any other payment required to be made to such fund by the Indenture.

(c) Each installment of the Payments payable by the Corporation hereunder shall be in an amount which, without regard to the payments required under Section 4.02(b)(iii) above, but including moneys in the Series 2013 Debt Service Fund then available, shall be designed to provide for the timely payment in full of the principal of, premium, if any, and interest on the Series 2013 Bonds.

(d) Notwithstanding anything to the contrary contained herein, the Corporation promises that it will pay the Payments from the Base Rental, at such times and in such amounts as to assure that no default in the payment of the principal of, premium, if any, or interest on the Series 2013 Bonds shall at any time occur.

(e) Whenever the Corporation shall fail to pay the full amount of any installment of Payments payable under Sections 4.2(b)(i) through 4.2(b)(iii) above by the day of the month in which such installment is due, the Trustee shall give immediate telephonic notice thereof, promptly confirmed in writing, to an Authorized Corporation Representative.

(f) The Corporation shall also cause the Board to promptly pay when due under the Facilities Lease all amounts of Additional Rental owed by the Board thereunder, including, but not limited to, all Default or Delay Rentals and Administrative Expenses (each as defined in the Facilities Lease)

owed to the Corporation, the Issuer and/or the Trustee thereunder. Each installment of the Payments payable by the Corporation hereunder shall be in an amount which, without regard to the payments required under Section 4.2 (b)(iv) above, but including moneys in the Series 2013 Debt Service Fund then available, shall be designed to provide for the timely payment in full of the principal of, premium, if any, and interest on the Series 2013 Bonds.

Section 4.3 Credits Against Payments. A credit against and reduction of the Payments shall be derived only from the following sources:

- (a) Accrued interest, if any, derived from the sale of the Series 2013 Bonds;
- (b) Rents and any other moneys deposited with the Trustee in the Receipts Fund in accordance with the Indenture and the Management Agreement; and
- (c) Surplus moneys (including investment earnings) contained in the Funds and Accounts held by the Trustee under the Supplemental Indenture, including the Series 2013 Debt Service Fund.

Section 4.4 Obligation to Make Payments. The obligation of the Corporation to repay the Loan by making the Payments from the Base Rental shall be absolute and unconditional and shall not be subject to, nor shall the Corporation be entitled to assert, any rights of abatement, deduction, reduction, deferment, recoupment, setoff, offset or counterclaim by the Corporation or any other person, nor shall the same be abated, abrogated, waived, diminished, postponed, delayed or otherwise modified under or by reason of any circumstance or occurrence that may arise or take place, irrespective of what statutory rights the Corporation may have to the contrary, including but without limiting the generality of the foregoing:

- (a) Any damage to or destruction of part or all of the Facilities;
- (b) The taking or damaging of part or all of the Facilities or any temporary or partial use thereof by any public authority or agency in the exercise of the power of eminent domain, sequestration or otherwise;
- (c) Any assignment, novation, merger, consolidation, transfer of assets, leasing or other similar transaction of, by or affecting the Corporation, except as otherwise provided in this Supplemental Loan Agreement;
- (d) Any change in the tax or other laws of the United States, the State or any governmental authority;
- (e) The termination of the Ground Lease or the Facilities Lease, any failure of title or any lawful or unlawful prohibition of the Corporation's use of the Facilities or any portion thereof or the interference with such use by any person or any commercial frustration of purpose or loss or revocation of any permits, licenses or other authorizations required for the operation of the Facilities; and
- (f) Any failure of the Authority or the Trustee to perform and observe any agreement or covenant, expressed or implied, or any duty, liability or obligation arising out of or in connection with this Supplemental Loan Agreement, the invalidity, unenforceability or disaffirmance of any of this Supplemental Loan Agreement, the Supplemental Indenture or the Series 2013 Bonds or for any other cause similar or dissimilar to the foregoing.

(g) Furthermore, the Corporation covenants and agrees that it will remain obligated under this Supplemental Loan Agreement in accordance with its terms, and that it will not take or participate or acquiesce in any action to terminate, rescind or avoid this Supplemental Loan Agreement.

Section 4.5 Prepayment of Payments.

(a) The Corporation is obligated to prepay the Payments, in whole or in part, on any date on which the Series 2013 Bonds are subject to optional redemption pursuant to the Supplemental Indenture, including, without limitation, Section 3.4(a) thereof.

(b) The option to redeem the Series 2013 Bonds under Section 3.4(a) of the Supplemental Indenture can be exercised only upon written direction of the Corporation to the Authority as long as the Facilities Lease is outstanding. To exercise such option, the Corporation shall give written notice to the Authority and the Trustee and shall specify therein the date of such prepayment, which prepayment date shall be not fewer than thirty (30) days from the date such notice is received by the Trustee. The Authority and the Trustee shall make all necessary arrangements satisfactory to the Trustee for the redemption of Series 2013 Bonds to be redeemed under the Supplemental Indenture in accordance with the provisions thereof.

(c) The prepayment price payable by the Corporation, in the event of its exercise of the option granted in the Supplemental Indenture, or in the case of its obligation to prepay the Payments shall be the sum of the following:

(d) An amount of money that, when added to the moneys and investments held by the Trustee pursuant to the provisions of the Supplemental Indenture and available for such redemption, is sufficient to pay and discharge the Series 2013 Bonds to be redeemed (including the total principal amount of such Series 2013 Bonds and interest to accrue thereon to the date fixed for redemption of such Series 2013 Bonds to be redeemed, plus a premium equal to the amount of premium required to be paid in connection with the redemption of such Series 2013 Bonds) on the date fixed for redemption; plus

(e) An amount of money equal to the fees and expenses of the Trustee and the Authority accrued and to accrue through such redemption.

ARTICLE V NON-ARBITRAGE

Section 5.1 Covenants as to Arbitrage.

(a) The Corporation hereby agrees to prepare and provide instructions to the Trustee as to the investment and reinvestment of moneys held as part of any fund or account relating to the Series 2013 Bonds. Any such moneys so held as part of any fund or account shall be invested or reinvested by the Trustee in Permitted Investments as specified in Section 4.9 of the Supplemental Indenture. The Corporation hereby covenants that it will comply with the terms of the Tax Regulatory Agreement and that it will make such use of the proceeds of the Series 2013 Bonds and all other funds held by the Trustee under the Supplemental Indenture, regulate the investment of such proceeds and other funds and take such other and further action as may be required so that the Series 2013 Bonds will not constitute arbitrage bonds under Section 148 of the Code and the regulations promulgated thereunder. The Corporation agrees that it will comply with the terms of any letter of instructions provided to it by nationally recognized bond counsel relating to compliance with the provisions of Section 148 of the Code.

(b) If the Corporation determines that it is necessary to restrict or limit the yield on the investment of any money paid to or held by the Trustee hereunder or under the Supplemental Indenture in order to avoid classification of the Series 2013 Bonds as arbitrage bonds within the meaning of the Code, the Corporation may issue to the Trustee an instrument to such effect (along with appropriate written instructions), in which event the Trustee will take such action as is necessary to restrict or limit the yield on such moneys in accordance with such instrument and instructions.

ARTICLE VI
CERTAIN COVENANTS OF THE CORPORATION

Section 6.1 General Covenants of Corporation. The Corporation further expressly represents, covenants and agrees:

(a) To comply with the terms, covenants and provisions expressed or implied, of all contracts pertaining to, affecting or involving the Facilities or the business of the Corporation, the violation or breach of which would materially and adversely affect the ability of the Corporation to fulfill its obligations hereunder;

(b) Whenever and so often as requested so to do by the Trustee or the Authority, promptly to execute and deliver or cause to be executed and delivered all such other and further instruments and documents, and to promptly do or cause to be done all such other and further things, as may be necessary or reasonably required in order to further and more fully vest in the Authority, the Trustee and the owners of the Series 2013 Bonds all rights, interests, powers, benefits, privileges and advantages conferred upon them by this Supplemental Loan Agreement and the Supplemental Indenture;

(c) Promptly, upon the request of the Authority or the Trustee from time to time, to take such action as may be necessary or proper to remedy or cure any material defect in or cloud upon its interest in the Facilities or any part thereof, whether now existing or hereafter developing, to prosecute all such suits, actions and other proceedings as may be appropriate for such purpose and to indemnify and save the Authority and the Trustee harmless from all loss, cost, damage and expense, including attorney's fees, which they or either of them may ever incur by reason of any such defect, cloud, suit, action or proceeding;

(d) To defend against every suit, action or proceeding at any time brought against the Authority or the Trustee based on any claim arising out of the receipt, application or disbursement of any of the Trust Estate or involving the Authority's or the Trustee's rights or obligations under this Supplemental Loan Agreement or under the Supplemental Indenture (except in the case of the Authority's or the Trustee's negligence or willful misconduct), to indemnify and hold harmless the Trustee and each officer, employee, agent, or other representative of the Trustee against claims arising out of the Trustee's responsibilities under this Supplemental Loan Agreement, the Indenture or any other document entered into by the Trustee in connection with the Bonds (except in the case of the Trustee's negligence or willful misconduct), to indemnify and hold harmless the Authority and any officer, employee, agent, servant or trustee of the Authority against claims during the term of this Supplemental Loan Agreement that may be occasioned by any cause (other than the negligence or willful misconduct of the Authority, its officers, employees, agents, servants and trustees) pertaining to the construction, use, possession, operation, service, design or management or leasing or subleasing of the Facilities and any liabilities or losses resulting from violations by the Corporation of conditions, agreements and requirements of law affecting the Facilities or the ownership, occupancy or use thereof or arising from any defect in or from the operation of the Facilities, and to protect and insulate the Authority and the members of its Board of

Trustees individually from any and all financial responsibility or liability whatsoever with respect to the Facilities;

(e) At all times to maintain the Corporation's rights to carry on the business of the Corporation and to duly procure all licenses and other authorizations required for the carrying on of its business and to provide all renewals and replacements and improvements to, and extensions of, the Facilities and to diligently maintain, preserve and renew all the rights, powers, privileges, approvals, licenses and franchises required for the carrying on of its business;

(f) To fulfill its obligations and to perform punctually its duties and obligations under this Supplemental Loan Agreement and to otherwise carry on its business in accordance with the terms hereof to assure the continued proper operation, management, repair and maintenance of the Facilities;

(g) To cause compliance with all material provisions of applicable Federal, State and local laws;

(h) To pay, discharge, indemnify and save the Authority and the Trustee, except in the case of their negligence or willful misconduct, and their respective officers, agents, employees, servants and trustees harmless of, from and against any and all costs, claims, damages, expenses, liabilities, liens, obligations, penalties and taxes of every character and nature, by or on behalf of any person, firm, corporation, entity or governmental authority regardless of by whom advanced, asserted, held, imposed or made, which may be imposed upon, incurred by or asserted against the Authority and the Trustee and their respective officers, agents, employees, servants and trustees arising out of, resulting from or in any way connected with this Supplemental Loan Agreement, the Series 2013 Bonds or the Supplemental Indenture excepting willful misconduct and negligence on the part of the Authority or the Trustee or their respective officers, agents, employees, servants and trustees. The Corporation also covenants and agrees, at its expense, to pay and to indemnify and to save the foregoing harmless of, from and against, all costs, reasonable counsel fees, expenses and liabilities incurred in any action or proceeding brought by reason of any such claim or demand; and

(i) That it is an exempt organization under Section 501(c)(3) of the Code organized and operated exclusively for religious, charitable, scientific and educational purposes, and it shall not perform any act or enter into any agreement that shall adversely affect its ability to obtain such status as set forth in this Section.

Section 6.2 Covenants Regarding Operation and Maintenance by the Corporation of its Properties. The Corporation acknowledges and agrees that it shall pay during the term hereof all Payments and other sums required hereunder and shall cause the Board to pay, as Additional Rental under the Facilities Lease, all Operation and Maintenance Expenses. The Corporation also expressly covenants and agrees:

(a) That it shall cause the Board or the University to maintain or cause to be maintained the Facilities, and each and every portion thereof, including all additions and improvements and all facilities adjoining and/or appurtenant thereto, in good operating order and condition, reasonable and ordinary wear and tear alone excepted, and make all necessary repairs thereto, interior and exterior, structural and non-structural, ordinary and extraordinary, foreseen and unforeseen, and otherwise to make all replacements, alterations, improvements and modifications to the Facilities necessary to ensure that the same at all times shall be suitable for the efficient operation thereof for the purpose intended;

(b) That the Authority, the Trustee and their agents shall have the right to inspect the Facilities at any reasonable time in a manner that will not interfere unreasonably with the Corporation's use thereof; however, any right of access to any portion of the Facilities leased to the students, faculty, staff and Permitted Sublessees, as defined in the Facilities Lease, shall be subject to their rights pursuant to the rental agreement and University policy;

(c) That it shall cause the Board to pay, as Additional Rental under the Facilities Lease, as the same respectively become due, all taxes and assessments, whether general or special, and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Facilities. The Corporation shall not allow any part of the Facilities to become and remain subjected to any mechanics', laborer's or materialmen's liens of record. Notwithstanding the foregoing, the Corporation may, at its own expense and in its own name, contest any such item of tax, assessment, liens or other governmental charge and, in the event of such contest, may permit the item so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Authority or the Trustee shall notify the Corporation that, in the opinion of nationally recognized bond counsel by nonpayment of any such items the security afforded the Series 2013 Bonds pursuant to the terms of the Supplemental Indenture or Supplemental Loan Agreement will be materially endangered, in which event such taxes, assessments or charges shall be paid forthwith. The Authority will cooperate to the extent reasonably necessary with the Corporation in any such claim, defense or contest. In the event the Corporation fails to do so, the Authority or the Trustee may, but shall be under no obligation to, pay any such item and any amounts so advanced therefor by the Authority or the Trustee shall become an additional obligation of the Corporation to the one making the advancement, which amount the Corporation agrees to pay together with interest thereon at the rate of the Trustee's prime lending rate, but solely from the Revenues;

(d) That it shall comply promptly with all material provisions of present and future laws, ordinances, orders, rules, regulations and requirements of every duly constituted governmental authority or agency and all material orders, rules and regulations of any regulatory, licensing, insurance underwriting or rating organization or other body exercising similar functions. The Corporation shall likewise perform and comply with all duties and obligations of any kind imposed by law, covenant, condition, agreement or easement and the requirements of all policies of insurance at any time in force with respect to the Facilities;

(e) That it shall not use or allow the Facilities to be used or occupied for any unlawful purpose or in violation of any private covenant, restriction, condition, easement or agreement covering or affecting the use of the Facilities. The Corporation likewise shall not suffer any act to be done or any condition to exist in the Facilities or any article to be brought therein or thereon which may be dangerous, unless safeguarded as required by law, or which, under law, constitutes a nuisance, public or private, or which may make void or voidable any insurance then in force with respect thereto; and

(f) That it shall take all action, if any, that may be required to obtain such consents, exceptions, exemptions or approvals of governmental authorities as may be necessary to permit it to comply fully with all covenants, stipulations, obligations and agreements of the Corporation contained in this Supplemental Loan Agreement.

Section 6.3 Covenant as to Encumbrances. The Corporation covenants that, so long as any of the Series 2013 Bonds remain outstanding, it shall not hereafter alienate and shall not hereafter create or suffer to be created any assignment, pledge, mortgage, hypothecation or lien on the Facilities, the Property, the Facilities Lease or any Base Rental under any circumstances, except for Permitted Encumbrances.

Section 6.4 Covenants, Representations and Warranties Relating to Federal Income Taxation.

(a) The Corporation covenants that it shall make such use of the proceeds of the Series 2013 Bonds, regulate investment of proceeds thereof and take such other and further actions as may be required by the Code and applicable temporary, proposed and final Regulations and procedures, necessary to assure that interest on the Series 2013 Bonds is excludable from gross income for Federal income tax purposes. Without limiting the generality of the foregoing covenant, the Corporation hereby covenants, represents and warrants, as follows:

(i) The Corporation will not take, fail to take or permit the commission of any action within its control necessary to be taken in order that interest on the Series 2013 Bonds will continue to be excludable from gross income for Federal income tax purposes;

(ii) The Corporation will preserve its status as an organization described in Section 501(c)(3) of the Code or corresponding provisions of prior law and to not be determined to be a private foundation as defined in Section 509 of said Code; the Corporation shall not perform any act or enter into any agreement which shall adversely affect its ability to obtain such federal income tax status; the Corporation shall not perform any act, enter into any agreement or use or permit any property of the Corporation to be used in any manner (including any unrelated trade or business) that could adversely affect the exclusion from gross income of interest on the Series 2013 Bonds for Federal income tax purposes pursuant to Section 103 of the Code; the Corporation shall not carry on or permit to be carried on in any property of the Corporation or permit any property of the Corporation to be used in or for any trade or business to the extent that such use of such property would adversely affect the exclusion from gross income of interest on the Series 2013 Bonds for Federal income tax purposes; and the Corporation is duly organized and existing as a non-profit corporation under the laws of the State and it will maintain, extend and renew its corporate existence under the laws of the State and will not do, suffer or permit any act or thing to be done whereby its right to transact its functions might or could be terminated or its activities restricted;

(iii) The Corporation will timely file a statement with the United States of America setting forth the information required pursuant to Section 149(e) of the Code;

(iv) The average term of the Series 2013 Bonds, calculated in proportion to the "issue price" (as defined in Section 1273 of the Code) of the bonds of each stated maturity of such Bonds, will not exceed 120% of the average reasonably expected economic life of the Facilities financed with the proceeds of the Series 2004 Bonds or the investment earnings thereon, weighted in proportion to the respective cost of each item comprising the Facilities financed with the proceeds of such Series 2004 Bonds. For purposes of the preceding sentence, the reasonably expected economic life of property shall be determined as of the later of (i) the date on which the Series 2004 Bonds were issued or (ii) the date on which such property was placed in service (or expected to be placed in service);

(v) The Corporation will not cause the Series 2013 Bonds to be treated as "federally guaranteed" obligations within the meaning of Section 149(b) of the Code (as may be modified in any applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service with respect to "federally guaranteed" obligations described in Section 149(b) of the Code);

(vi) Based upon all facts and estimates now known or reasonably expected to be in existence on the date the Series 2013 Bonds are delivered, the Corporation reasonably expects that

the proceeds of the Series 2013 Bonds will not be used in a manner that would cause the Series 2013 Bonds or any portion thereof to be an “arbitrage bond” within the meaning of Section 148 of the Code;

(vii) As provided in Article V hereof, the Corporation will monitor the yield on the investment of the proceeds of the Series 2013 Bonds and moneys pledged to the repayment of the Series 2013 Bonds, other than amounts not subject to yield restriction and will restrict the yield on such investments to the extent required by the Code or the Regulations;

(viii) The Corporation (or any “related person”, within the meaning of the Code) shall not, pursuant to an arrangement, formal or informal, purchase the Series 2013 Bonds in an amount related to the principal amounts advanced to the Corporation pursuant to this Supplemental Loan Agreement; and

(ix) The Corporation agrees to comply with all the terms and provisions of the Tax Regulatory Agreement executed in connection with the issuance and sale of the Series 2013 Bonds, and to perform the covenants and duties imposed on it contained therein.

(b) All officers, employees and agents of the Corporation are authorized and directed to provide certifications of facts and estimates that are material to the reasonable expectations of the Corporation as of the date the Series 2013 Bonds are delivered. In complying with the foregoing covenants, the Corporation may rely from time to time upon an opinion issued by nationally-recognized bond counsel to the effect that any action by the Corporation or reliance upon any interpretation of the Code or Regulations contained in such opinion will not cause interest on the Series 2013 Bonds to be includable in gross income for Federal income tax purposes under existing law.

B-42 Section 6.5 Information. The Corporation agrees, whenever reasonably requested by the Authority or the Trustee, to provide access to inspect, examine and make copies of any and all books, accounts and records of the Corporation and to provide and certify or cause to be provided and certified such information concerning the Properties, the Facilities, the Corporation, its finances, and other topics as the Authority or Trustee, as the case may be, considers necessary to enable counsel to the Authority or the Trustee, as the case may be, to issue its opinions and otherwise advise the Authority or the Trustee, as the case may be, as to the transaction or the legal capacity of the parties to enter into the same, or to enable it to make any reports required by law, governmental regulation or the Supplemental Indenture. (b) In case of any such Merger and upon any such assumption by the Successor Corporation, the Successor Corporation shall succeed to and be substituted for its predecessor, with the same effect as if it had been named in the Supplemental Indenture and this Supplemental Loan Agreement as the Corporation.

ARTICLE VII ASSIGNMENT

Section 7.1 Assignment of this Supplemental Loan Agreement.

(a) The rights of the Corporation under this Supplemental Loan Agreement may be assigned as a whole or in part but no such assignment shall constitute a release of the Corporation from its obligations hereunder.

(b) Each transferee of the Corporation's interest in this Supplemental Loan Agreement shall assume the obligations of the Corporation hereunder to the extent of the interest assigned, sold or leased, and the Corporation shall, not more than sixty (60) nor fewer than thirty (30) days prior to the effective date of any such assignment or lease, furnish or cause to be furnished to the Authority and the Trustee a true and complete copy of each such assignment or lease.

ARTICLE VIII SUPPLEMENTS AND AMENDMENTS

Section 8.1 Amendment to Loan Agreement Without Consent. The Authority and the Corporation, with the consent of the Trustee with respect to Sections 8.1(d) and 8.1(e) hereof, with the consent of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) but without the consent of the owners of any of the Bonds Outstanding under the Indenture, may enter into supplements to the Loan Agreement that shall not be inconsistent with the terms and provisions hereof for any of the purposes heretofore specifically authorized in the Loan Agreement or the Indenture, and in addition thereto for the following purposes:

(a) To cure any ambiguity or formal defect, inconsistency or omission in the Loan Agreement or to clarify matters or questions arising hereunder;

(b) To add covenants and agreements for the purpose of further securing the obligations of the Corporation hereunder;

(c) To confirm as further assurance any mortgage or pledge of additional property, revenues, securities or funds;

(d) To conform the provisions of the Loan Agreement in connection with the provisions of any supplements or amendments to the Indenture entered into pursuant to the provisions of Section 10.1 thereof;

(e) To provide any other modifications which, in the sole judgment of the Trustee, are not prejudicial to the interests of the Bondholders; or

(f) to conform the covenants and provisions of the Corporation contained herein to any different financial statement presentation required by the Financial Accounting Standard Board that is different than the presentation required as of the date of issuance of the Bonds, so long as the effect of such conformed covenants and provisions is substantially identical to the effect of the covenants and provisions as in effect on the date of issuance of the Bonds.

Section 8.2 Amendment to Loan Agreement Upon Approval of a Majority of Bondholders.

(a) The provisions of the Loan Agreement may be amended in any particular with the consent of the owners of not less than a majority of the aggregate principal amount of Bonds then Outstanding and the written consent of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding); provided, however, that no such amendment may be adopted that decreases the percentage of owners of the Bonds required to approve an amendment, or that permits a change in the date of payment of

the principal of or interest on any Bonds or of any redemption price thereof or the rate of interest thereon without the consent of the owners of all of the aggregate principal amount of the Bonds then Outstanding.

(b) If at any time the Authority and the Corporation shall request the Trustee to consent to a proposed amendment for any of the purposes of this Section 8.2, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such proposed amendment to be given in the manner required by the Indenture to redeem the Bonds. Such notice shall briefly set forth the nature of the proposed amendment and shall state that copies thereof are on file at the principal corporate trust office of the Trustee for inspection by all Bondholders. If, within sixty (60) days or such longer period as shall be prescribed by the Authority following such notice, the owners of not less than a majority in aggregate principal amount of the Bonds outstanding at the time of the execution of any such proposed amendment shall have consented to and approved the execution thereof as herein provided, no owner of any Bonds shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee, the Corporation or the Authority from executing or approving the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such proposed amendment as in this Section permitted and provided, the Loan Agreement shall be and be deemed to be modified and amended in accordance therewith.

Section 8.3 Amendments to Facilities Lease or the Ground Lease Not Requiring Owner Consent. Subject to the terms and provisions of Section 8.5 and 8.7 of this Supplemental Loan Agreement, with the written consent of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding), the Facilities Lease or the Ground Lease may be amended or modified in any manner not inconsistent with the terms and provisions of this Supplemental Loan Agreement, for any one or more of the following purposes: (1) to cure any ambiguity or formal defect or omission in the Facilities Lease or the Ground Lease that does not have an adverse effect upon the interest of the Owners; (2) to grant or confer upon the Authority or the Trustee, for the benefit of the Owners, any additional rights, remedies, powers or authorities that lawfully may be granted to or conferred upon the Authority or the Trustee; (3) to more clearly identify the Facilities or to add to or subtract from the Facilities any property; (4) to amend or modify the Facilities Lease or the Ground Lease in any manner specifically required or permitted by the terms thereof, including as may be necessary to maintain the exclusion from gross income of interest on the Series 2013 Bonds for federal income tax purposes; (5) to make any amendment or modification required as a condition to obtaining any rating by Moody's or S&P with respect to the Series 2013 Bonds; and (6) to amend or modify the Facilities Lease or the Ground Lease in any other manner that, in the judgment of the Trustee, is not materially adverse to the interests of the owners of the Series 2013 Bonds (and the Series 2004 Bond Insurer if any Series 2004B Bonds remain outstanding) or the Trustee and that does not involve a change described in Section 8.5 hereof.

Section 8.4 Amendments to the Facilities Lease or the Ground Lease Requiring Owner Consent. Exclusive of amendments and modifications covered by Section 8.3 hereof, the Facilities Lease or the Ground Lease may be amended or modified only as provided in Section 8.4 and 8.5 of this Supplemental Loan Agreement. Subject to the terms and provisions contained in Section 8.5 of this Supplemental Loan Agreement, the Authority and the owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding (and the Series 2004 Bond Insurer if any Series 2004B Bonds remain outstanding), shall have the right, from time to time, anything contained in this Supplemental Loan Agreement to the contrary notwithstanding, to consent to and approve the amendment or modification of the Facilities Lease or the Ground Lease. If at any time there is a proposed amendment or modification to the Facilities Lease or the Ground Lease, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such modification or amendment to be mailed to each of the owners of the Bonds at the address indicated on the registration

books of the Trustee (and the Series 2004 Bond Insurer if any Series 2004B Bonds remain outstanding). Such notice shall briefly set forth the nature of the proposed amendment or modification and shall state that copies thereof are on file at the principal office of the Trustee for inspection by owners of all Outstanding Bonds. If, within sixty (60) days, or such longer period as shall be prescribed by the Authority, following the mailing of such notice, the owners of the requisite percentage in aggregate principal amount of the Outstanding Bonds at the time of the execution of any such amendment or modification shall have consented to and approved the execution thereof as herein provided, no owner of any Outstanding Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof; or to enjoin or restrain the parties thereto from executing the same or from taking any action pursuant to the provisions hereof.

Section 8.5 Consent Required Under Certain Circumstances for Amendment of Facilities Lease or Ground Lease. Nothing contained in Sections 8.3 and 8.4 of this Supplemental Loan Agreement shall permit, or be construed as permitting, without the approval and consent of all of the owners of the Outstanding Bonds (and the Series 2004 Bond Insurer if any Series 2004B Bonds remain outstanding), (a) a reduction in the amount of, or the extension of the time for, any payment of Base Rental due under the Facilities Lease or any amount due under the Bond Insurance Policy; or (b) the termination of the Facilities Lease or the Ground Lease prior to the expiration of their stated term, other than in accordance with the provisions thereof.

Section 8.6 Opinion Required for Amendment of Facilities Lease or Ground Lease. Anything to the contrary herein notwithstanding, no amendment or modification of the Facilities Lease or the Ground Lease shall become effective unless and until the Trustee has been provided with an opinion of Bond Counsel to the effect that such amendment or modification will not have an adverse effect upon the validity of the Series 2013 Bonds and to the effect that such amendment or modification will maintain the exclusion from gross income of interest on the Bonds for federal income tax purposes.

Section 8.7 Consent of the Board. Anything herein to the contrary notwithstanding, an amendment to the Facilities Lease or the Ground Lease under this Article VIII shall not become effective unless and until the Board shall have consented to the execution and delivery of such amendment to the Facilities Lease or the Ground Lease, unless an Event of Default has occurred and is continuing, and no amendment to the Facilities Lease or the Ground Lease shall without the prior written consent of the Board affect the date or amounts of payments required on the Series 2013 Bonds or required under the Facilities Lease.

Section 8.8 Filing. Copies of any such supplement or amendment to this Supplemental Loan Agreement, the Ground Lease or the Facilities Lease shall be filed with the Trustee and delivered to the Authority and the Corporation before such supplement or amendment may become effective.

Section 8.9 Reliance on Counsel. The Authority and the Trustee shall be entitled to receive, and shall be fully protected in relying upon the opinion of counsel satisfactory to the Trustee, who may be counsel for the Authority, as conclusive evidence that any such proposed supplement or amendment to this Supplemental Loan Agreement, the Ground Lease or the Facilities Lease complies with the provisions of this Supplemental Loan Agreement and the Indenture and that it is proper for the Authority and the Trustee under the provisions of this Article to execute or approve such supplement or amendment.

Section 8.10 Notice to Rating Agencies. No supplemental agreement or amendment to this Supplemental Loan Agreement, the Ground Lease or the Facilities Lease shall be executed and delivered pursuant hereto without prior written notice having been given by the Corporation to Standard & Poor's Ratings Group and Moody's of the Corporation's intention to execute such supplemental agreement or

amendment thereof not fewer than fifteen (15) days in advance of the execution of said supplemental agreement or amendment. The Corporation shall provide the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) a full transcript of all proceedings relative to said supplemental agreement or amendment.

ARTICLE IX EVENTS OF DEFAULT AND REMEDIES

Section 9.1 Events of Default Defined. The terms “*Event of Default*” and “*Default*” under the Original Loan Agreement shall include any one or more of the following events:

(a) The Corporation shall default in the timely payment of any Payment pursuant to Article IV of this Supplemental Loan Agreement.

(b) An Event of Default shall exist under the Bond Documents, the Facilities Lease or the Tax Regulatory Agreement.

(c) The Corporation shall fail duly to perform, observe or comply with any other covenant, condition or agreement on its part under this Supplemental Loan Agreement (other than a failure to make any payment required under this Supplemental Loan Agreement), and such failure continues for a period of thirty (30) days after the date on which written notice of such failure, requiring the same to be remedied, shall have been given to the Corporation by the Trustee; provided, however, that if such performance, observation or compliance requires work to be done, action to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such thirty (30) day period, no Event of Default shall be deemed to have occurred or to exist if, and so long as the Corporation shall commence such performance, observation or compliance within such period and shall diligently and continuously prosecute the same to completion.

(d) The entry of a decree or order by a court having jurisdiction in the premises adjudging the Corporation a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Corporation under the United States Bankruptcy Code or any other applicable federal or state law, or appointing a receiver, liquidator, custodian, assignee, or sequestrator (or other similar official) of the Corporation or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of ninety (90) consecutive days.

(e) The institution by the Corporation of proceedings to be adjudicated a bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under the United States Bankruptcy Code or any other similar applicable federal or state law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, custodian, assignee, trustee or sequestrator (or other similar official) of the Corporation or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due.

Section 9.2 Remedies. Whenever any Event of Default under the Original Loan Agreement shall have happened and be continuing, the Authority and the Trustee may take any of the remedial steps provided to such parties in the Original Loan Agreement and the Indenture; provided that, if all installments of Payments under the Original Loan Agreement are declared to be immediately due and payable, then all Payments due under Section 4.2 hereof shall also be immediately due and payable.

Section 9.3 No Remedy Exclusive: Selective Enforcement. No remedy conferred upon or reserved to the Authority or the Trustee by this Supplemental Loan Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Supplemental Loan Agreement and as now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any event of nonperformance shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority or the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be herein expressly required. In the event the Authority or the Trustee shall elect to selectively and successively enforce its rights under this Supplemental Loan Agreement, such action shall not be deemed a waiver or discharge of any other lien, encumbrance or security interest securing payment of the indebtedness secured hereby or thereby until such time that it shall have been paid in full all sums secured hereunder and thereunder. The foreclosure of any lien provided pursuant to this Supplemental Loan Agreement without the simultaneous foreclosure of all such liens shall not merge the liens granted which are not foreclosed with any interest which the Authority or the Trustee might obtain as a result of such selective and successive foreclosure.

Section 9.4 Indenture Overriding. All of the provisions of this Article are subject to and subordinate to the rights and remedies of the holders of the Bonds and the Trustee pursuant to the Indenture. The Authority shall have no power to waive any event of default hereunder, except with respect to indemnification and its administrative payments, without the consent of the Trustee to such waiver.

Section 9.5 Loan Agreement to Pay Attorneys' Fees and Expenses. In any Event of Default, if the Authority or the Trustee employs attorneys or incurs other expenses for the collection of amounts payable hereunder or the enforcement of the performance or observance of any covenants or agreements on the part of the Corporation herein contained, whether or not such suit is commenced, the Corporation agrees that it will on demand therefor pay to the Authority or the Trustee the reasonable fees of such attorneys and such other reasonable expenses so incurred by the Authority or the Trustee.

Section 9.6 Authority and Corporation to Give Notice of Default. The Authority and the Corporation severally covenant that they will, at the expense of the Corporation, promptly give to the Trustee written notice of any Event of Default under this Supplemental Loan Agreement of which they shall have actual knowledge or written notice, but the Authority shall not be liable (except as provided in Section 6.1(d) hereof) for failing to give such notice.

Section 9.7 Correlative Waivers. If an Event of Default under Section 8.2 of the Indenture shall be cured or waived and any remedial action by the Trustee rescinded, any correlative Default under this Supplemental Loan Agreement shall be deemed to have been cured or waived.

ARTICLE X MISCELLANEOUS

Section 10.1 References to the Series 2013 Bonds Ineffective After Series 2013 Bonds Paid. Upon payment of the Series 2013 Bonds, all references in this Supplemental Loan Agreement to the Bondholders shall be ineffective and the Authority and any holder of the Series 2013 Bonds shall not thereafter have any rights hereunder, excepting those that shall have theretofore vested.

Section 10.2 Amounts Remaining in Funds. It is agreed by the parties hereto that any amounts remaining in the Funds and Accounts established under the Supplemental Indenture upon the expiration

or sooner cancellation or termination of this Supplemental Loan Agreement, as provided herein, after payment in full of all Series 2013 Bonds then outstanding under the Indenture (or provisions for payment thereof having been made in accordance with the provisions of the Indenture), and the fees, charges and expenses of the Authority and the Trustee and all other amounts required to be paid hereunder and under the Indenture with respect to the Series 2013 Bonds (other than amounts payable as arbitrage rebate pursuant to the Code), shall belong to and be paid to the Corporation.

Section 10.4 Binding Effect. This Supplemental Loan Agreement shall inure to the benefit and shall be binding upon the Authority, the Corporation and their respective successors and assigns, subject to the limitation that any obligation of the Authority created by or arising out of this Supplemental Loan Agreement shall not be a general debt of the Authority, but shall be payable solely out of the proceeds derived from this Supplemental Loan Agreement and the sale of the Series 2013 Bonds under the Indenture.

Section 10.5 Performance on Legal Holidays. In any case where the date of maturity of interest on or principal of the Series 2013 Bonds or the date fixed for redemption or purchase of any Series 2013 Bonds or the date fixed for the giving of notice or the taking of any action under the Indenture shall not be a Business Day, then payment of such interest, principal, purchase price and redemption premium, if any, the giving of such notice or the taking of such action need not be made on

such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date of maturity or the date fixed for redemption or purchase, and no interest on such payment shall accrue for the period after such date.

Section 10.6 Execution in Counterparts. This Supplemental Loan Agreement may be executed in several counterparts, each of which shall be regarded as an original and all of which shall constitute but one and the same instrument; provided, however, that upon the assignment and pledge to the Trustee provided for in Section 3.2 hereof, the Authority shall deliver to the Trustee an executed counterpart of this Supplemental Loan Agreement which executed counterpart shall be deemed to be collateral of which the Trustee has taken possession and no other counterpart shall be deemed to be collateral for any other purpose.

Section 10.7 Applicable Law. This Supplemental Loan Agreement shall be governed by and construed in accordance with the laws of the State.

Section 10.8 Severability. If any clause, provision or Section of this Supplemental Loan Agreement be held illegal or invalid by any court, the invalidity of such clause, provision or Section shall not affect any of the remaining clauses, provisions or Sections hereof and this Supplemental Loan Agreement shall be construed and enforced as if such illegal or invalid clause, provision or Section had not been contained herein. In case any agreement or obligation contained in this Supplemental Loan Agreement be held to be in violation of law, then such agreement or obligation shall be deemed to be the agreement or obligation of the Authority or the Corporation, as the case may be, only to the extent permitted by law.

Section 10.9 Captions. The table of contents, captions or headings of the several articles and sections of this Supplemental Loan Agreement are for convenience only and shall not control, affect the meaning of or be taken as an interpretation of any provisions of this Supplemental Loan Agreement.

Section 10.10 Consents and Approvals. Whenever the consent or approval of the Authority, the Corporation or the Trustee shall be required under the provisions of this Supplemental Loan Agreement, such consent or approval shall not be unreasonably withheld or delayed.

Section 10.11 Third Party Beneficiaries. It is specifically agreed between the parties executing this Supplemental Loan Agreement that it is not intended by any of the provisions of any part of this Supplemental Loan Agreement to make the public or any member thereof, other than the Trustee and except as expressly provided herein or as contemplated in the Indenture, a third party beneficiary hereunder, or to authorize anyone not a party to this Supplemental Loan Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Supplemental Loan Agreement. The duties, obligations and responsibilities, if any, of the parties to this Supplemental Loan Agreement with respect to third parties shall remain as imposed by law.

Section 10.12 Exculpatory Provision.

(a) In the exercise of the powers of the Authority the Trustee and their respective trustees, directors, officers, employees and agents (each, an "Indemnified Party") under this Supplemental Loan Agreement, each Indemnified Party shall not be accountable or liable to the Corporation (i) for any actions taken or omitted by such Indemnified Party in good faith and believed by it or them to be authorized or within their discretion or rights or powers conferred upon them (other than the negligence or willful misconduct of such Indemnified Party), or (ii) for any claims based on this Supplemental Loan Agreement against any such Indemnified Party, all such liability, if any, being expressly waived by the

Corporation by the execution of this Supplemental Loan Agreement. The Corporation shall indemnify and hold harmless each Indemnified Party against any claim or liability based on the foregoing asserted by any other person.

(b) In case any action shall be brought against an Indemnified Party in respect of which indemnity may be sought against the Corporation, such Indemnified Party shall promptly notify the Corporation in writing and the Corporation shall assume the defense thereof, including the employment of counsel of the Corporation's choice and the payment of all expenses. Such Indemnified Party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be paid by such Indemnified Party unless the employment of such counsel has been authorized by the Corporation. The Corporation shall not be liable for any settlement of any such action without its consent but if any such action is settled with the consent of the Corporation or if there be final judgment for the plaintiff of any such action, the Corporation agrees to indemnify and hold harmless such Indemnified Party from and against any loss or liability by reason of such settlement or judgment.

(c) No recourse shall be had for the payment of the principal of or premium or interest on any of the Bonds or for any claim based thereon or upon any obligations, covenant or agreement contained in this Supplemental Loan Agreement against any past, present or future officer, director, member, employee or agent of the Authority, or of any successor public corporation, as such, either directly or through the Authority or any successor public corporation, under any rule of law or equity, statute or constitution, or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such officers, directors, members, employees, or agents as such is hereby expressly waived and released as a condition of and consideration for the execution of this Supplemental Loan Agreement and the issuance of such Bonds.

Section 10.13 Accounts and Audits. The Authority shall cause the Trustee to keep proper books of records and accounts (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions relating to the Bonds. The Authority shall have access to the Corporation's books and records with respect to the Facilities upon written request after reasonable notice.

Section 10.14 Date of Supplemental Loan Agreement. The dating of this Supplemental Loan Agreement as of November 1, 2013 is intended as and for the convenient identification of this Supplemental Loan Agreement and is not intended to indicate that this Supplemental Loan Agreement was executed and delivered on said date, this Supplemental Loan Agreement being executed on the dates of the respective acknowledgments hereto attached.

Section 10.15 Reliance. It is expressly understood and agreed by the parties to this Supplemental Loan Agreement that:

(a) the Authority may rely conclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Authority by the Trustee, any Bondholder or the Corporation as to the existence of a fact or state of affairs required under this Supplemental Loan Agreement to be noticed by the Authority;

(b) the Authority shall not be under any obligation to perform any recordkeeping or to provide any legal service, it being understood that such services shall be performed or caused to be performed by the Trustee or the Corporation; and

(c) none of the provisions of this Supplemental Loan Agreement or the Mortgage shall require the Authority to expend or risk its own funds (apart from the proceeds of Bonds issued under the Indenture) or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights under this Supplemental Loan Agreement or the Mortgage unless it first shall have been adequately indemnified to its satisfaction against the costs, expenses and liabilities which may be incurred by taking any such action.

Section 10.16 Authority Not Liable. The failure of the Board to insist in any one or more cases upon the strict performance of any of the covenants of this Ground Lease, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment of future breaches of such covenant or option.

At the end of two (2) full semesters, if the Debt Service Coverage Ratio for the Housing Facilities is still below 1.10:1.00 or the Debt Service Coverage Ratio for the University is still below 1.25:1.0, the Board shall hire an outside consultant, approved by the Series 2004 Bond Insurer, and the Board shall follow any reasonably feasible recommendations of such consultant regarding the operation and management of the Series 2004 Facilities, including raising fees and rents, reducing expenses and, if necessary, increasing the average occupancy rate through strict enforcement of parietal rules requiring students to reside on campus and, to the extent legally possible, revising parietal rules to increase the number of students required to reside on campus. So long as the Board is working in good faith with such consultant to increase any deficient Debt Service Coverage Ratio for the Housing Facilities or any deficient Debt Service Coverage Ratio of the University, there shall not be an Event of Default hereunder unless (i) the Debt Service Coverage Ratio for the Housing Facilities is less than 1.00:1.00 at the end of any Fiscal Year or (ii) the Debt Service Coverage Ratio of the University is less than 1.10 to 1.00 for two (2) full consecutive semesters after retention of an outside consultant by the Board. the operation and management of the Series 2007 Facilities. It is understood that the University currently permits certain exceptions to that policy and, except as set forth in Section 4(h) above, the University may continue to permit those exceptions but it shall make no voluntary revisions to such policy that would reduce the number of students required to live in on-campus residence halls (including, without limitation, reducing the number of credit hours to less than 60, increasing the course-load required for status as a "full-time" student or modifying any existing exemptions from the policy), until the Series 2004 Bonds have been paid in full or the Series 2004 Bond Insurer consents in writing to a change in such policy.

(k) So long as any Series 2004 Bonds remain outstanding, the University shall actively promote the Series 2004 Facilities as a housing alternative and an integral part of the housing system of

(c) In addition to the Base Rental set forth herein, the Board agrees to pay as Additional Rental any and all expenses, of every nature, character, and kind whatsoever, incurred by the Corporation on behalf of the Board and/or by the Board or the University in the management, operation, ownership, and/or maintenance of the Facilities, to the extent such expenses are not paid by the Management Company under any Management Contract, including but not limited to the following costs and expenses:

(i) all taxes, assessments and impositions against the Facilities, including without limitation ad valorem taxes attributed to the Corporation on behalf of the Board (and any tax levied in whole or in part in lieu of or in addition to ad valorem taxes);

(ii) any costs incurred by the Corporation in maintaining the Facilities for the Board and making any alterations, restorations and replacements to the Facilities;

(iii) insurance premiums and other charges for insurance obtained with respect to the Facilities including insurance premiums, if any, on all insurance required under the provisions of Section 9 of this Facilities Lease;

(iv) any Default or Delay Rentals;

(v) all costs incurred by the Corporation in connection with its performance of its obligations relating to the Facilities and/or the Land under the Ground Lease and this Facilities Lease;

(vi) all Administrative Expenses owed to the Issuer or the Trustee;

(vii) Litigation Expenses, if any, incurred pursuant to Section 43 hereof;

(viii) any reimbursement amounts payable pursuant to Section 20 hereof or pursuant to any other provision hereof; and

(ix) any other costs, charges, and expenses commonly regarded as ownership, management, maintenance, and operating expenses, if any, incurred by the Corporation under this Facilities Lease.

Amounts constituting Additional Rental payable hereunder shall be paid by the Board directly to the person or persons to whom such amounts shall be due. The Board shall pay all such amounts when due or within thirty (30) days after notice in writing from the Corporation, the Management Company, or the Trustee to the Board stating the amount of the Additional Rental then due and the purpose thereof.

(d) The Board shall be entitled to a credit against and reduction of each Base Rental payment in an amount equal to any amounts derived from the following sources:

(i) Accrued interest derived from the sale of the Bonds;

(ii) Any capitalization of interest from the proceeds of the Bonds contained in the Capitalized Interest Fund under the Indenture;

(iii) the Rents and any other moneys deposited with the Trustee in the Receipts Fund in accordance with the Indenture and the Management Agreement.

(iv) Surplus moneys (including investment earnings) contained in the funds and accounts held by the Trustee under the Indenture, including the Debt Service Fund, the Debt Service Reserve Fund and the Replacement Fund;

(e) Notwithstanding any other provision of the Facilities Lease, the obligation of the Board to make payments under this Facilities Lease, including payments of Base Rental and Additional Rental, shall be subject to, and dependent upon, appropriation of Lawfully Available Funds necessary to make the payments required under this Facilities Lease. The Vice President for Finance and Administration of the Board shall cause the University to include in the Budget and, if necessary, any amendments to the Budget, an amount of Lawfully Available Funds sufficient to make the payments of Base Rental and Additional Rental described herein which amounts may or may not ultimately be appropriated by the Board for such purpose. Subject to the foregoing and Section 29 hereof, the obligations of the Board to make payments pursuant to this Facilities Lease, and to perform and observe the other agreements and covenants on its part contained herein, shall be absolute and unconditional and shall not be subject to any diminution, abatement, set-off, or counterclaim. Subject to the foregoing and Section 29 hereof, until such time as the principal of, premium, if any, and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with this Facilities Lease, the Board shall not suspend or discontinue payment of Rental or any other payments pursuant to this Facilities Lease for any cause, and shall continue to perform and observe all of its agreements contained in this Facilities Lease. The Corporation and the Board acknowledge and agree that the obligation of the Board to pay Rental shall constitute a current expense of the Board payable by the Board from funds budgeted and appropriated in accordance with law for and in consideration of the right to use the Facilities during the Term and that such obligation shall not in any manner be construed to be a debt of the Board in contravention of any constitutional or statutory limitations or requirements concerning indebtedness of the Board and nothing contained herein shall constitute a pledge, lien or encumbrance upon any specific tax or other revenues of the Board.

(f) The payments of Base Rental and Additional Rental under this Facilities Lease for each Fiscal Year or portion thereof during the Term shall constitute the total Rental for such Fiscal Year or portion thereof and shall be paid by the Board for and in consideration of the construction by the

Corporation of the Facilities and the right to the use and occupancy of the Facilities by the Board for and during such Fiscal Year or portion thereof.

(g) Amounts necessary to pay each Base Rental payment shall be deposited by the Board on the dates set forth in Section 6(b) hereof in lawful money of the United States of America at the office of the Trustee or at such other place or places as may be established by the Corporation and/or Trustee in accordance with the Indenture. Any amount necessary to pay any Base Rental payment or portion thereof which is not so deposited shall remain due and payable until received by the Trustee. Notwithstanding any dispute between the Board and the Corporation hereunder, the Board shall make all Rental payments when due and shall not withhold payment of any Rental pending the final resolution of such dispute or for any other reason whatsoever.

(h) This Facilities Lease is intended to be a triple net lease. The Board agrees that the Rental provided for herein shall be an absolute net return to the Corporation free and clear of any expenses, charges, taxes, abatements, counterclaims, reductions or set-offs whatsoever of any kind, character or nature; it being understood and agreed to by the Board that the Board shall bear responsibility for the payment of all costs and expenses associated with the ownership, management, operation, and maintenance of the Facilities. Under no circumstances will the Corporation be required to make any payment on the Board's behalf or for the Board's benefit under this Facilities Lease, or assume any monetary obligation of the Board under this Facilities Lease, or with respect to the Facilities.

(i) The State, through the Division of Administration, is not, at any time whatsoever, obligated, committed or required to provide funds by legislative appropriation or any other means to pay debt service on the Bonds or to support the continued operation and maintenance of the Facilities and Stadium Expansion, it being understood that the portion of the lease payments payable by the Board under this Facilities Lease for payment of debt service on the Bonds are payable solely from the Lawfully Available Funds and the Board is not legally committed, obligated or required to make available any other funds to make the lease payments hereunder.

(j) In addition to the Rental payments required hereby, the Board covenants and agrees to make an Extraordinary Rental payment to refund a portion of the Series 2004 Bonds, from funds on hand or collected by the Board, not to exceed \$9,000,000.

Section 7. Operation, Alterations, Maintenance, Repair, Replacement and Security Service.

(a) The University, at the direction of the Board, shall be responsible for ensuring that all services necessary or required in order to adequately operate the Facilities in accordance with the Permitted Use are provided and maintained. The University shall continuously operate or cause to be operated the Facilities from the Commencement Date and continuing for the remainder of the Term for the Permitted Use, and in accordance with all Governmental Regulations. The Corporation may contract with a Management Company, subject to the approval of the Board, to provide operations and management services for the Facilities. All Rents collected by a Management Company under a Management Agreement shall be deposited in an operating account and transferred daily to the Trustee in accordance with the Indenture.

(b) The University, at the direction of the Board, shall be responsible for maintaining the Facilities and shall make or contract or cause to be made or contracted with a suitable contractor for the making of all alterations, repairs, restorations, and replacements to the Facilities, including without limitation the heating, ventilating, air conditioning, mechanical, electrical, elevators, plumbing, fire, sprinkler and theft systems, air and water pollution control and waste disposal facilities, structural roof, walls, and foundations, fixtures, equipment, and appurtenances to the Facilities as and when needed to

preserve them in good working order, condition and repair (ordinary wear and tear excepted), regardless of whether such repairs, alterations, restorations or replacements are ordinary or extraordinary, foreseeable or unforeseeable, or are at the fault of the Board, the Corporation or some Other Party. All alterations, repairs, restoration, or replacements shall be of a quality and class equal to or better than the quality and class presently located in the Facilities.

(c) The University, at the direction of the Board, shall have the right during the Term to cause the Corporation or some other Party to make or construct any additions or improvements to the Facilities, alter the Facilities, attach fixtures, structures, or signs to or on the Facilities, and affix personal property to the Facilities without the Corporation's prior written consent to the extent allowed under the terms of any insurance covering the Facilities. All such alterations, improvements, additions, attachments, repairs, restorations, and replacements of all or any portion of the Facilities shall (i) be at the sole cost and expense of the University; (ii) not reduce the then fair market value of the Facilities; (iii) be constructed in a good and workmanlike manner; and (iv) be in compliance with all Governmental Regulations.

(d) The University, at the direction of the Board, shall provide or cause to be provided all security service, custodial service, janitorial service, trash disposal, and all other services necessary for the proper upkeep and maintenance of the Facilities as required herein. The Board acknowledges that the Corporation has made no representation or warranty with respect to systems and/or procedures for the security of the Facilities, any persons occupying, using or entering the Facilities, or any equipment, furnishings, or contents of the Facilities. It is the sole responsibility of the Board, through the University to cause to be provided or to provide for the security of persons on or entering the Facilities and/or property located at the Facilities, in accordance with reasonable and prudent business practices.

B-82 Section 8. Utilities. All utilities which are used or consumed in or upon or in connection with the Facilities during the Term, including, without limitation water, gas, electricity, sewerage, garbage, or trash removal, light, cable, heat, telephone, power, computer data and other utilities necessary for the operation of the Facilities (the "Utility Service") shall be the responsibility of the Board and/or the students, faculty, staff or Permitted Sublessees residing in the Facilities. Payments for Utility Services provided to the entire Facilities or to the common areas of the Facilities under such contract or contracts therefor as the Board may make shall be made by the Board directly to the respective utility companies furnishing such Utility Services.

The Corporation shall have no responsibility to the Board for the quality or availability of Utility Service to the Facilities, or for the cost to procure Utility Service. The Corporation shall not be in Default under this Facilities Lease or be liable to the Board or any other Person for direct or consequential damage, or otherwise, for any failure in supply of any Utility Service, heat, air conditioning, elevator service, cleaning service, lighting, security, or for surges or interruptions of electricity.

Section 9. Insurance.

(a) The University, at the direction of the Board, shall cause to be secured and maintained at the University's cost and expense:

(i) A policy or policies of insurance covering the Facilities against loss or damage by fire, lightning, earthquake, collapse, vandalism and malicious mischief, flood and storm surge, and against such other perils as are included in so-called "extended coverage" and against such other insurable perils as, under good insurance practice, from time to time are insured for properties of similar character and location, which insurance shall be not less than the full replacement cost of the Facilities, without deduction for depreciation. In the event that the Facilities are not repaired or replaced, insurance proceeds shall be no greater than the actual cash value (replacement cost less depreciation) of the Facilities at the

time of the loss. The policy shall be adjusted to comply with any applicable co-insurance provisions of such insurance policy. Full payment of insurance proceeds shall not be contingent on the degree of damage sustained at other facilities leased by the Board. The policy or policies covering such loss must explicitly waive any co-insurance penalty.

(ii) A policy of comprehensive public liability insurance with respect to the Facilities and the operations related thereto, whether conducted on or off the Facilities, against liability for personal injury (including bodily injury and death) and property damage, of not less than \$2,000,000 in combined single limit liability coverage. Such comprehensive public liability insurance shall specifically include, but shall not be limited to, sprinkler leakage legal liability, water damage legal liability, motor vehicle liability for all owned and non-owned vehicles, including rented or leased vehicles.

(iii) Boiler and machinery insurance coverage against loss or damage by explosion of steam boilers, pressure vessels and similar apparatus, but only if steam boilers, pressure vessels or similar apparatus are installed on the Facilities, in an amount not less than \$5,000,000 with deductible provisions not exceeding \$100,000 per accident.

(iv) Workers' compensation insurance issued by a responsible carrier authorized under the laws of the State to insure employers against liability for compensation under the Labor Code of the State, or any act hereafter enacted as an amendment thereto or in lieu thereof, such workers' compensation insurance to cover all persons employed by the Corporation in connection with the Facilities and to cover full liability for compensation under any such act aforesaid.

(v) A policy of rental interruption insurance in the amount of at least one (1) year's rental in the event of loss of or damage to the Series 2004 Facilities.

(b) The Corporation shall:

(i) cause to be secured and maintained a policy of title insurance insuring the Corporation's leasehold interest under the Ground Lease in an amount equal to the par amount of the Bonds; and

(ii) cause all of the construction professionals to secure and maintain:

- (A) Comprehensive or Commercial General Liability insurance;
- (B) Errors and Omissions insurance;
- (C) Automobile Liability insurance;
- (D) Worker's Compensation insurance;
- (E) an all Risk Builder's Policy upon the construction on the Property; and
- (F) boiler and machinery or additional property insurance;

all as required by the terms of any construction contracts entered into with regards to the demolition of certain existing facilities and the renovation, development and construction of the Facilities.

All insurance required in this Section and all renewals of such insurance (excepting self-insurance or commercial insurance, through ORM) shall be issued by commercial insurers authorized to transact

business in the State, and rated at least A- by Best's Insurance Reports (property/liability) or in the two highest rating categories of S&P and Moody's. All insurance policies provided or caused to be provided by the Corporation shall expressly provide that the policies shall not be canceled or altered without thirty (30) days' prior written notice to the University and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the Corporation or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained.

All policies of liability insurance that the University is obligated to maintain according to this Facilities Lease (other than any policy of worker's compensation insurance) will name the Corporation, the Trustee and such other Persons or firms as the University may be required to name from time to time as additional insureds and shall expressly provide that the policies shall not be cancelled or altered without thirty (30) days' prior written notice to the Corporation and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the University or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained. All public liability, property damage liability, and casualty policies maintained by the University shall be written as primary policies.

Proceeds of insurance received and/or the amount of any loss that is self-insured with respect to destruction of or damage to any portion of the Facilities by fire, earthquake or other casualty or event shall be paid to the Trustee (or, in the case of ORM insurance, to the Board for delivery in full to the Trustee) for application in accordance with the provisions of Section 11 of this Facilities Lease and the Indenture.

The Corporation shall certify annually to the Series 2004 Bond Insurer and the Series 2007 Bond Insurer that all insurance policies required by this Section 9 are as of the date of such certification in place and in effect.

Section 10. Condemnation, Casualty and Other Damage. The risk of loss or decrease in the enjoyment and beneficial use of the Facilities due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively "Casualty") or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Facilities by condemnation, expropriation, or eminent domain proceedings (collectively "Expropriation") is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental or any other obligation hereunder.

Section 11. Application of Insurance Proceeds; Condemnation Award. (a) If during construction, all or any portion of the Facilities is damaged or destroyed by a Casualty, or is taken by Expropriation proceedings, the Board shall instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof, provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration or replacement of the Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. Following the completion of construction and acceptance of the Facilities by the Board on behalf of the Corporation, the Board shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted, the repair, restoration, or replacement thereof. The proceeds of any insurance, including the proceeds of any self-insurance fund, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction or taking of all or any portion of the Facilities shall be delivered to the Trustee and held by the Trustee in trust (or in the case of self-insurance through ORM, as set forth in paragraph

(b) below), and shall be made available for, and to the extent necessary be applied to, such restoration, repair and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement and repair of the Facilities with respect to which they are held, in each case promptly after receipt of a written request of the Corporation stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee may conclusively rely upon such written requests and shall have no liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration or replacement of the Facilities shall be paid by Trustee in accordance with the terms of the Indenture.

In the event the proceeds of any insurance, and any additional funds deposited with the Trustee, are insufficient to fully repair, restore or replace the Facilities, the proceeds shall be paid to the Board for immediate delivery to Trustee and used to redeem the Outstanding Bonds.

Notwithstanding the foregoing, the Corporation's obligation to replace the Facilities in the event of Expropriation Proceedings is dependent on the Board entering into a lease with a different portion of the Campus as provided in Section 13.03 of the Ground Lease. In the event it is necessary to restore or replace the Facilities in a different location because of the Expropriation of all or a portion of the Facilities, the Corporation and the Board agree to amend or enter into a new Facilities Lease and Ground Lease in accordance with Sections 13.03 of the Ground Lease. In the event the Board, pursuant to the Ground Lease, decides not to repair, restore or replace the Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) shall be paid to the Board for immediate delivery to the Trustee and applied to the prepayment of the Bonds in accordance with the terms of the Indenture, and this Facilities Lease and the Ground Lease shall terminate on the date that the events described in Section 2(a) or 2(b) hereof have occurred.

(b) In the event that ORM insures the Facilities, the Board shall use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration or replacement of the Facilities.

Section 12. Encumbrances.

(a) Payment by the Board. The Board shall pay or cause to be paid all costs and charges for alterations, improvements, additions, repairs and maintenance ("Work") (i) done by the Board or caused to be done by the Board in or to the Facilities, and (ii) for all materials furnished for or in connection with such Work. The Corporation reserves all rights to collect for any loss or damage sustained or incurred by the Corporation resulting from any and all Encumbrances, demands or liabilities arising on account of the Work, which shall be payable by the Board as Additional Rent hereunder.

(b) Failure to Discharge. If the Board fails to pay any charge for which an Encumbrance has been filed, and the Facilities or any portion thereof is placed in imminent danger of being seized, the Corporation may, but shall not be obligated to, pay such charge and related costs and interest, and the amount so paid, together with reasonable Legal Expenses incurred in connection with such Encumbrance, will be immediately due from the Board to the Corporation as Additional Rental. Nothing contained in

this Facilities Lease will be deemed the consent or agreement of the Corporation to subject the Corporation's interest in the Facilities to liability under any Encumbrance, or any mechanics', materialman's or other lien law. If the Board receives written notice that an Encumbrance has been or is about to be filed against the Facilities, or that any action affecting title to the Facilities has been commenced on account of Work done by or for the Board or for materials furnished to or for the Board, it shall immediately give the Corporation Notice of such notice.

(c) Notice of Work. At least fifteen (15) days prior to the commencement of any Work in or to the Facilities, by or for the University, the University shall give the Corporation Notice of the proposed Work and the names and addresses of the Persons supplying labor and materials for the proposed Work. The Corporation will have the right to post notices of nonresponsibility or similar written notices on the Facilities in order to protect the Facilities against any such claimants.

Section 13. Assignment and Sublease. (a) Neither this Facilities Lease nor any interest of the Board in the Facilities shall be mortgaged, pledged, assigned or transferred by the Board by voluntary act or by operation of law, or otherwise; provided, however, the Board may sublease all or any portion of the Facilities, or grant concessions involving the use of all or any portion of the Facilities, whether such concessions purport to convey a leasehold interest or a license to use all or a portion of the Facilities to any University student, faculty, staff or Permitted Sublessee. No such concession, leasehold interest or license to use the Facilities shall be granted to any University students, faculty or staff for a term of more than one (1) year, or to any Permitted Sublessee for a term of more than one (1) month. The Board shall, however, at all times remain liable for the performance of the covenants and conditions on its part to be performed under this Facilities Lease (including, without limitation, the payment of Base Rental and Additional Rental), notwithstanding any subletting or granting of concessions which may be made. Nothing herein contained shall be construed to relieve the Board from its obligations to pay Base Rental and Additional Rental as provided in this Facilities Lease or to relieve the Board from any other obligations contained herein. Other than subleases to University students, faculty, staff and Permitted Sublessees, in no event will the Board sublease or permit the use of all or any part of the Facilities to any person without an opinion of Bond Counsel that such will not cause interest on the Bonds to be included in the gross income of the owners of the Series 2004A Bonds and the Series 2004B Bonds for federal income tax purposes.

(b) The Corporation shall, concurrently with the execution hereof, assign all of its right, title and interest in and to this Facilities Lease, including without limitation its right to receive Base Rental payable hereunder, to the Issuer pursuant to the Agreement, and the Issuer will in turn assign its rights under this Facilities Lease to the Trustee pursuant to the Indenture. The parties hereto further agree to execute any and all documents necessary and proper in connection therewith. Anything required or permitted to be done by the Corporation under this Facilities Lease may be done by the Trustee under the Indenture.

(c) Except as set forth in Section 13(b) hereof, the Corporation shall not sell or assign its interest in the Facility or this Facilities Lease without the prior written consent of the Board.

Section 14. Additions and Improvements Removal. At the expiration of the Term, or termination of this Facilities Lease, all alterations, fixtures, improvements and additions made by the Board or the University and all equipment placed upon the Facilities that are incorporated into or made into component parts of the Facilities, as well as, title to all property, furniture, equipment, fixtures, and other property installed at or placed upon the Facilities by the Board which is not incorporated into or made a component part of the Facilities remain the property of the Board.

The Board hereby agrees to replace such property from time to time as such property becomes worn out, obsolete, inadequate, unsuitable or undesirable. The Board may add to or remove such property from time to time, and upon expiration of the Term, provided that the Board repairs any damage to the Facilities caused by such removal.

Section 15. Right of Entry. Representatives of the Corporation and the Bond Insurer shall, subject to reasonable security precautions, and upon giving the Board not less than twenty-four (24) hours advance Notice, have the right to enter upon the Facilities during reasonable business hours (and in emergencies without notice and at all times) accompanied by a Board Representative (i) to inspect the same, (ii) for any purpose connected with the rights or obligations of the Corporation under this Facilities Lease, or (iii) for all other lawful purposes. Any right of access to any portion of the Facilities leased to the students, faculty, staff or Permitted Sublessees shall be subject to their rights pursuant to their rental agreements and University policy.

Section 16. Mortgage Prohibition. Except as set forth in the Indenture, the Ground Lease and the Agreement, the Corporation shall not be entitled to mortgage or grant a security interest in the Facilities.

Section 17. Sale of Facilities; Attornment; and Conveyance and Transfer of the Corporation's Interest. If a person other than the Corporation shall succeed to the rights of the Corporation hereunder (in any case with the prior written consent of the Board as required hereby), upon the declaration of the successor to the Corporation's interest in this Facilities Lease, the Board agrees to fully attorn to and recognize any such successor as the Board's landlord under this Facilities Lease upon the then existing terms of this Facilities Lease, provided that such successor shall agree in writing to accept the Board's attornment and not to disturb the Board's possession so long as the Board shall observe the provisions and all covenants of this Facilities Lease. This attornment provision shall inure to the benefit of any such successor and shall be self-operative upon the election and declaration by such successor, and no further instrument shall be required to give effect to the provisions. However, the Board agrees to evidence and confirm the foregoing attornment provisions by the execution and delivery of instruments in recordable form satisfactory to such successor.

If the Facilities, or any part thereof, shall be sold or otherwise transferred by sale, assignment, transfer or other contract, or by operation of law or otherwise (with the prior written consent of the Board as required hereby and with an opinion of Bond Counsel that such action will not cause interest on the Bonds to be included in the gross income of the owner of the Bonds for federal tax purposes), and if such written consent specifically so provides, the Corporation shall be automatically and entirely released and discharged to the extent of the interest in or the portion of the Facilities sold, assigned or transferred from and after the effective date of such sale, assignment or transfer of all liability for the performance of any of the covenants of this Facilities Lease on the part of the Corporation thereafter to be performed. The purchaser or other transferee of the Facilities shall be deemed to have agreed to perform such covenants of the Corporation from and after the date of such assignment or sale during such transferee's period of ownership of the Corporation's interest under this Facilities Lease, all without further agreement between the Corporation, its successor and the Board. The Corporation's transferee shall not be held responsible for the performance of any of the covenants of this Facilities Lease on the part of the Corporation required to be performed prior to such sale and transfer, the Board reserving its rights against the Corporation for any unperformed covenants prior to such sale or transfer.

Section 18. Quiet Enjoyment. The Corporation covenants that the Board, on paying the Rental and performing and observing all of the covenants and agreements herein contained and provided to be performed by the Board or the University, shall and may peaceably and quietly have, hold, occupy, use, and enjoy the Facilities during the Term and may exercise all of its rights hereunder; and the

Corporation agrees to warrant and forever defend the Board's right to such occupancy, use, and enjoyment and the title to the Facilities against the claims of any and all persons whomsoever lawfully claiming the same, or any part thereof subject only to the provisions of this Facilities Lease.

Section 19. Environmental Compliance and Indemnity.

(a) *Environmental Compliance.* The Board or the University shall operate or cause to be operated the Facilities in compliance with all Environmental Requirements continuously during the Term, and for such periods of time prior to the Commencement Date and after the Expiration Date, as long as the Board is in possession of the Facilities, in whole or in part. The Board shall not cause or permit any Hazardous Substance to be brought upon, kept, or used in or about the Facilities or the Land, except for such Hazardous Substance as is necessary or useful to the operation of the Facilities.

(b) *The Board's Liability.* If the Board fails to comply with any of the foregoing warranties, representations, and covenants, and removal or Remediation of any Hazardous Substance found on the Facilities is required by Environmental Requirements or Governmental Authority, the Board shall promptly undertake the removal or Remediation of such Hazardous Substance, at the Board's sole cost and expense. In the event the Board fails or refuses to undertake such removal or Remedial actions, the Corporation may cause the removal or Remediation (or other cleanup reasonable acceptable to the Corporation) of any such Hazardous Substance from the Land or the Facilities. The reasonable costs of removal, Remediation, or any other cleanup (including transportation and storage costs) will be considered as Additional Rental under this Facilities Lease, whether or not a court has ordered the cleanup, and those costs will become due and payable within ninety (90) days of written demand by the Corporation. In connection therewith, the Board will give the Corporation, its agents, and employees access to the Facilities to remove, remediate, or otherwise clean up any Hazardous Substance. The Corporation, however, has no affirmative obligation to remove, remediate, or otherwise clean up any Hazardous Substance, and this Facilities Lease will not be construed as creating any such obligation. The Board hereby agrees that it shall be fully liable for all costs and expenses related to the use, storage, and disposal of any Hazardous Substance located in or about the Facilities by the Board.

Section 20. The Corporation's Reservation of Rights.

(a) The Corporation hereby reserves all of its rights to recover from the Board for any and all Claims asserted against the Corporation, including Litigation Expenses arising out of or by reason of:

(i) any injury to or death of any person or damage to property occurring on or about the Facilities occasioned by or growing out of or arising or resulting from any tortious or negligent act on the part of the Board in connection with the operation and management of the Facilities; or

(ii) any failure, breach, or default on the part of the Board in the performance of or compliance with any of the obligations of the Board under the terms of this Facilities Lease.

(b) Notwithstanding the fact that it is the intention of the parties that the Corporation shall not incur any pecuniary liability by reason of the terms of this Facilities Lease or the undertakings required of the Corporation hereunder, nevertheless, if the Corporation should incur any such pecuniary liability, then in that event, the Corporation shall be entitled to assert all rights and remedies granted in law or in equity to recover from the Board the amount of any pecuniary liability incurred by the Corporation, plus all Litigation Expenses incurred in defense of such liability to the extent subject to indemnification pursuant to Subsection (a) above.

(c) No recourse shall be had for the enforcement of any obligation, covenant, or agreement of the Corporation contained in this Facilities Lease or any Claim based thereon against the Corporation or of any successor thereto or member thereof, either directly or through the Corporation whether by virtue of any constitutional provision, statute, or rule of law. This Facilities Lease and the obligations of the Corporation hereunder, and any Claim asserted against the Corporation are solely corporate obligations, and the enforcement of any obligation or Claim shall be limited solely to the Corporation's interest in the Facilities. No personal liability shall attach to, or be incurred by, any officer, director, agent, employee or member of the Corporation and the Board acknowledges that all personal liability of any character against every such officer, director, agent, employee or member by the execution of this Facilities Lease, is expressly waived and released. The immunity of any officer, director, agent, employee or member of the Corporation under the provisions contained in this Section 20 shall survive any acquisition of the Facilities by the Board and the expiration or other termination of this Facilities Lease.

Section 21. Default by the Board. If (i) the Board shall fail to deposit with the Trustee any Base Rental payment required to be so deposited pursuant to Section 6 hereof by the close of business on the day such deposit is required pursuant to Section 6 hereof, and shall fail to remedy such breach within five (5) days thereof, but in no event later than the date on which such payment is required to enable the Corporation to make payment on the Bonds (without use of moneys held in the Debt Service Reserve Fund), or (ii) the Board shall fail to pay or discharge any monetary obligation under this Lease (other than the payment of Base Rental) as and when due, or within thirty (30) days after receipt of Notice from the Corporation that such sums are due and owing; or (iii) the Board shall breach any non-monetary terms, covenants or conditions herein, and shall fail to remedy any such breach with all reasonable dispatch within a reasonable period of time (or such longer period as the Trustee may approve) after written notice thereof from the Corporation to the Board, then and in any such event the Board shall be deemed to be in default hereunder, and the Corporation shall have the right, at its option, without any further demand or notice to terminate this Facilities Lease on the earliest date permitted by law or on any later date specified in any Notice given to the Board, in which case the Board's right to possession of the Facilities will cease and this Facilities Lease will be terminated, without, however, waiving the Corporation's right to collect all Rental and other payments due or owing for the period up to the time the Corporation regains possession (which have been approved for payment under this Facilities Lease, but not paid by the Board), and to enforce other obligations of the Board which survive termination of this Facilities Lease, and in such event the Corporation may without any further demand or notice re-enter the Facilities and eject all parties in possession thereof, subject to the rights of students, faculty, staff and Permitted Sublessees. The foregoing remedies of the Corporation are in addition to and not exclusive of any other remedy of the Corporation. Any such re-entry shall be allowed by the Board without hindrance, and the Corporation shall not be liable in damages for any such re-entry or be guilty of trespass. The Corporation understands and agrees that upon its termination of the Board's right to possession of the Facilities or termination of this Facilities Lease, the Corporation upon its re-entry of the Facilities shall only be allowed to use the Facilities for the Permitted Use and shall be subject to all applicable Governmental Regulations heretofore or hereafter enacted by any Governmental Authority relating to the use and operation of the Facilities.

Notwithstanding any other provision of this Facilities Lease, (i) in no event shall the Corporation have the right to accelerate the payment of any Base Rental payment hereunder and (ii) the Bond Insurer shall have ninety (90) days to cure an Event of Default hereunder.

Notwithstanding anything contained in this Section 21 to the contrary, a failure by the Board to pay when due any payment required to be made under this Facilities Lease or a failure by the Board to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Facilities Lease, resulting from a failure by the Board to appropriate moneys shall not constitute an Event of Default under this Section 21 and the Corporation shall not have any of the remedial rights set

forth in this Section 21. Notwithstanding the foregoing, in such event the Board acknowledges that the Facilities Lease shall terminate and the Board shall immediately vacate the Facilities, and deliver the Facilities to the Corporation.

Section 22. Cumulative Remedies. Each right and remedy provided for in this Facilities Lease is cumulative and is in addition to every other right or remedy provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by the Corporation of any one or more of the rights or remedies provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise will not preclude the simultaneous or later exercise by the Corporation of any or all other rights or remedies provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise. All costs incurred by the Corporation in collecting any amounts and damages owing by the Board pursuant to the provisions of this Facilities Lease or to enforce any provision of this Facilities Lease, including reasonable Litigation Expenses from the date any such matter is turned over to an attorney, whether or not one or more actions are commenced by the Corporation, will also be recoverable by the Corporation from the Board. The waiver by the Corporation of any breach by the Board and the waiver by the Board of any breach by the Corporation of any term, covenant or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other term, covenant or condition hereof.

Section 23. Option to Purchase. For and in consideration of the obligations of the Board under the Facilities Lease, the mutual undertakings of the parties, the receipt and adequacy of which is hereby acknowledged, the Corporation grants to the Board an exclusive and irrevocable option to purchase for the price and on the terms, provisions, stipulations and conditions hereinafter set forth, all but not less than all of the Corporation's leasehold interest in the Facilities.

(a) Effective Date. The effective date of this Option agreement shall be the Commencement Date.

(b) Term of Option. The Option shall expire at midnight Central Standard Time, on the Expiration Date, or upon the termination of this Facilities Lease, whichever occurs first.

(c) Limitation on Exercise of Option. The Board may not exercise the Option, and the Option shall be voidable, at the sole election of the Corporation, if a Default by the Board has occurred and is continuing under the Facilities Lease, and the applicable time period in which the Board may cure such default has expired. Notwithstanding any provision of this Option to the contrary, the Board shall be entitled to exercise the Option as long as the Board is legally obligated to make payments of Base Rental under the Facilities Lease.

(d) Exercise of Option.

(i) The Series 2004 Facilities. The Board may exercise the Option herein granted with respect to the Series 2004 Facilities at any time on or before expiration of the Term, on any Interest Payment Date on or after August 1, 2014 or on the date the Series 2004 Bonds and the Series 2013 Bonds are defeased pursuant to Article XII of the Indenture, by Notice to the Corporation of its election to exercise the Option and purchase the Corporation's interest in and to the Series 2004 Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase the Facilities

(ii) The Series 2007 Facilities. The Board may exercise the Option herein granted with respect to the Series 2007 Facilities at any time on or before expiration of the Term, on any Interest Payment Date on or after August 1, 2014 or on the date the Series 2007 Bonds are defeased

pursuant to Article XII of the Indenture, by Notice to the Corporation of its election to exercise the Option and purchase the Corporation's interest in and to the Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase the Series 2007 Facilities.

(e) Purchase Price. The Purchase Price shall be equal to the principal of all Bonds then Outstanding plus the interest to accrue on such Bonds until the purchase date plus any prepayment penalties, charges or costs for early prepayment or defeasance of the Bonds and any Administrative Expenses owed prior to the purchase date which payments are necessary to discharge the Indenture pursuant to Article XII thereof (collectively, the "Purchase Price").

(f) Effect on Facilities Lease and Ground Lease. Upon the purchase of the Corporation's leasehold interest in the Facilities by the Board pursuant to this Option, the Facilities Lease and the Ground Lease shall terminate and all of the Corporation's leasehold interest in the Land and the Facilities shall terminate.

(g) Payment of Purchase Price. The Board, on the purchase date, shall deposit an amount equal to the Purchase Price with the Trustee.

(i) Conveyance. In the event of and upon the payment of the Purchase Price and any other sums due under this Facilities Lease by the Board, the Corporation will on the purchase date execute and deliver to the Board a written cancellation of the Ground Lease and this Facilities Lease.

(ii) Assignment of Contract Rights and Obligations. The conveyance of the Corporation's leasehold interest in the Facilities shall also effect a transfer and assignment of all rights, warranties and liabilities of the Corporation under then existing contracts of any nature with respect to the Facilities.

(h) Closing. In the event the Option is timely exercised, notice of the Board's election to the Corporation shall constitute an irrevocable conversion of the Option into a binding obligation of the Corporation to sell its leasehold interest in the Facilities and the Board to buy the same under the terms and conditions set forth in this Section 23, and in such event, the Corporation and the Board shall have the right to demand specific performance of this agreement by the other. The closing shall occur at the offices of the Board or its counsel, or at such other time, place, and date as agreed upon by the Corporation and the Board.

(i) Closing Costs. The Board shall pay all closing costs and charges incident to the conveyance of the Corporation's interest in the Land and the Facilities.

(j) No Warranty. The Corporation shall convey its leasehold interest in the Facilities without any warranty whatsoever of any nature. The conveyance of the leasehold interest in the Facilities shall be without any warranty as to fitness and condition, as set forth in Section 5 of this Facilities Lease. Language substantially similar to the language contained in Section 5 of this Facilities Lease shall be incorporated into and made a part of such conveyance. In no event shall the Corporation be responsible for any defects in title.

(k) Default under the Option:

(i) In the event the Option is exercised, and the Corporation fails to consummate the transactions contemplated herein for any reason, except default by the Board or the failure of the Board to satisfy any of the conditions set forth herein, the Board may, in addition to any other rights and remedies which may otherwise be available to the Board, enforce this agreement by specific performance. The

Board's remedies under this Section are expressly subject to the provisions of Section 30 of this Facilities Lease.

(ii) In the event the Option is exercised, and the Board fails to consummate the transactions contemplated herein for any reason, except default by the Corporation or the failure of the Corporation to satisfy any of the conditions set forth herein, the Corporation (a) may enforce this agreement by specific performance and in such action shall have the right to recover damages suffered by reason of the Board's delay; or (b) may bring suit for damages for breach of this agreement.

(iii) No delay or omission in the exercise of any right or remedy accruing to either party upon any breach by the other party under this Section 23 shall impair such right or remedy or be construed as a waiver of any such breach theretofore or thereafter occurring. The waiver by either party of any condition or any subsequent breach of the same or any other term, covenant or condition contained in this Section 23 shall not be deemed to be a waiver of any other condition or of any subsequent breach of the same or of any other term, covenant or condition herein contained.

(l) *Attorney's Fees.* Should either party employ an attorney or attorneys to enforce any of the provisions hereof, or to protect its interest in any matter arising under this agreement, or to recover damages for the breach of this agreement, the party prevailing in any final judgment shall have the right to collect from the losing party all Litigation Expenses incurred in enforcing such rights.

(m) *Notices.* Any notices required or permitted under this Section 23 shall be in writing and delivered either in person to the other party, or the other party's authorized agent, or by United States Certified Mail, return receipt requested, postage prepaid, to the address set forth in Section 51 of this Facilities Lease, or to such other address as either party may designate in writing and delivered as herein provided.

(n) *Assignability.* Except as set forth in the Indenture, the Mortgage or the Ground Lease, the Option may not be assigned by the Corporation or its interest in the Facilities sold (subject to the Option or otherwise) to any person or entity without the Board's prior written consent, which consent may be withheld by the Board in its sole discretion.

(o) *Time of Essence:* Time is of the essence of this Option.

(p) *Binding Effect:* This Option shall be binding upon and shall inure to the benefit of the parties hereto and their heirs, successors and assigns.

Section 24. *Severability.* If any provisions of this Facilities Lease shall be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable, to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or Sections contained in this Facilities Lease shall not affect the remaining portions of this Facilities Lease, or any part thereof.

Section 25. *Redemption of Bonds.* The Corporation agrees that it will not exercise its option to redeem any Bonds pursuant to the Indenture unless the Board consents to such redemption or such redemption is to be effected with moneys derived from a source other than payments made by the Board under this Facilities Lease, however, in no event shall the mandatory redemption of any Bonds pursuant

to the Indenture require the consent of the Board. The Corporation further agrees that if requested by the Board it will take all actions necessary to redeem all or any portion of the Bonds designated by the Board on the first date that it may do so under the terms of the Indenture so long as the Board agrees to provide funds in an amount, and at the time, required to effect such redemption.

Section 26. *Additional Bonds.* Upon the request and at the expense of the Board, the Corporation shall take action as may be required to effect the issuance of Additional Bonds in such amount as the Board may request as permitted by and in accordance with the provisions of the Indenture for any purpose permitted thereby.

Section 27. *Execution.* This Facilities Lease may be simultaneously executed in any number of counterparts, each of which when so executed shall be deemed to be an original, and all of which together shall constitute one and the same Facilities Lease.

Section 28. *Law Governing.* This Facilities Lease is made in the State under the constitution and laws of the State and is to be governed by the laws of the State.

Section 29. *Nonappropriation of Funds.* In the event no funds or insufficient funds are lawfully appropriated in any Fiscal Year enabling the payment of Base Rental and Additional Rental due during the next succeeding Fiscal Year, the Board will immediately notify the Corporation and the Trustee of such occurrence. On the first day of the month following the Base Rental payment date on which the last payment of Base Rental can be made in full from Lawfully Available Funds, this Facilities Lease shall terminate without penalty or expense to the Board of any kind whatsoever, except as to the portions of Base Rental and Additional Rental payments herein agreed upon for Fiscal Years for which sufficient funds have been lawfully appropriated. In the event of such termination, the Board agrees peaceably to surrender possession of the Facilities to the Corporation on the date of such termination in its original condition (normal wear and tear excepted). The Corporation will have all legal and equitable rights and remedies to take possession of the Facilities and re-let or sell the Facilities as the Corporation determines and as granted in this Facilities Lease. The Board acknowledges that the Corporation's rights to take possession and to re-let or sell the Facilities under this Section 29 may be assigned to the Trustee for the benefit of the owners of the Bonds, and the Board agrees that the Trustee shall be entitled to exercise all of the rights of the Corporation under this Section 29. The event of an inability by the Board to cause the appropriation of sufficient funds for the payment of sums due under this Facilities Lease shall not constitute a default hereunder, but shall ipso facto terminate this Facilities Lease. This provision is operative notwithstanding any provisions of this Facilities Lease to the contrary. The Board shall be considered in default hereunder if sufficient funds are lawfully appropriated for the payment of Rental required under this Facilities Lease and the Board fails to use lawfully appropriated funds for the payment of Rental. In such event, the Corporation shall be entitled to the rights and remedies set forth in Sections 21 and 22 hereof.

Section 30. *Exculpatory Provision.* In the exercise of the powers of the Corporation and its trustees, officers, employees and agents under this Facilities Lease and the Indenture, the Corporation shall not be accountable or liable to the Board (i) for any actions taken or omitted by it or its officers, employees or agents in good faith and believed by it or them to be authorized or within their discretion or rights or powers conferred upon them, or (ii) for any claims based on this Facilities Lease against any officer, employee or agent of the Corporation in his or her personal capacity, all such liability, if any, being expressly waived by the Board by the execution of this Facilities Lease. Nothing in this Facilities Lease or the Indenture is intended to require or obligate, nor shall anything herein or therein be interpreted to require or obligate, the Corporation for any purpose or at any time whatsoever, to provide, apply or expend any funds coming into the hands of the Corporation other than the funds derived from the

issuance of the Bonds under the Indenture and moneys derived pursuant to the Indenture and this Facilities Lease.

The Board specifically agrees to look solely to the Corporation's interest in the Facilities for the recovery of any judgments from the Corporation. It is agreed that the Corporation will not be personally liable for any such judgments, or incur any pecuniary liability as a result of this Facilities Lease to the Board, or the breach of its obligations hereunder. The Corporation's liability under this Facilities Lease is "in rem" as to its interest in the Facilities. The provisions contained in the preceding sentences are not intended to and will not limit any right that the Board might otherwise have to obtain injunctive relief against the Corporation or relief in any suit or action in connection with enforcement or collection of amounts that may become owing or payable under or on account of insurance maintained by the Corporation.

Section 31. Amendments. This Facilities Lease may be amended only as permitted in Article VIII of the Agreement.

Section 32. Recording. The Corporation covenants and agrees that it will promptly record and from time to time re-record a memorandum in recordable form of this Facilities Lease and the Indenture and all supplements thereto and hereto in such manner and in such places as may be required by law in order to fully protect and preserve the security of the holders or owners of the Bonds.

Section 33. Construction Against Drafting Party. The Corporation and the Board acknowledge that each of them and their counsel have had an opportunity to review this Facilities Lease and that each Party was responsible for the drafting thereof.

Section 34. Time of the Essence. Time is of the essence of each and every provision of this Facilities Lease.

Section 35. No Waiver. The waiver by the Corporation of any agreement, condition, or provision contained in this Facilities Lease will not be deemed to be a waiver of any subsequent breach of the same or any other agreement, condition, or provision contained in this Facilities Lease, nor will any custom or practice that may grow up between the parties in the administration of the terms of this Facilities Lease be construed to waive or to lessen the right of the Corporation to insist upon the performance by the Board in strict accordance with the terms of this Facilities Lease. The subsequent acceptance of Rental by the Corporation will not be deemed to be a waiver of any preceding breach by the Board of any agreement, condition, or provision of this Facilities Lease, other than the failure of the Board to pay the particular Rental so accepted, regardless of the Corporation's knowledge of such preceding breach at the time of acceptance of such Rental.

Section 36. Survival. To the extent permitted by law and to the extent such will not constitute the incurrence of debt by the Board, all of the Corporation's remedies and rights of recovery under Sections 19 and 20 of this Facilities Lease shall survive the Term and/or the purchase of the Facilities by the Board under the Option.

Section 37. Counterparts. This Facilities Lease may be executed in any number of counterparts, each of which shall be an original, but all of which shall together constitute one and the same instrument.

Section 38. Estoppel Certificates. At any time and from time to time but within ten (10) days after prior written request by the Corporation, the Board will execute, acknowledge, and deliver to the Corporation, promptly upon request but only to the extent accurate, a certificate certifying (i) that this

Facilities Lease is unmodified and in full force and effect or, if there have been modifications, that this Facilities Lease is in full force and effect, as modified, and stating the date and nature of each modification; (ii) the date, if any, to which Rental and other sums payable under this Facilities Lease have been paid; (iii) that no Notice of any default has been delivered to the Corporation which default has not been cured, except as to defaults specified in said certificate; (iv) that there is no Event of Default under this Facilities Lease or an event which, with Notice or the passage of time, or both, would result in an Event of Default under this Facilities Lease, except for defaults specified in said certificate; and (v) such other matters as may be reasonably requested by the Corporation. Any such certificate may be relied upon by any prospective purchaser or existing or prospective mortgagee of the Facilities or any part thereof. The Board's failure to notify the Corporation of any inaccuracies in the proposed certificate within the specified time period shall be conclusive evidence that the matters set forth in the certificate are accurate and correct.

Section 39. Waiver of Jury Trial. The Corporation and the Board waive trial by jury in any action, proceeding, or counterclaim brought by either of the Parties to this Facilities Lease against the other on any matters whatsoever arising out of or in any way connected with this Facilities Lease, the relationship of the Corporation and the Board, the Board's use or occupancy of the Facilities, or any other Claims, and any emergency statutory or any other statutory remedy.

Section 40. Written Amendment Required. No amendment, alteration, modification of, or addition to the Facilities Lease will be valid or binding unless expressed in writing and signed by the Corporation and the Board and consented to the extent required by Article VIII of the Agreement.

Section 41. Entire Agreement. This Facilities Lease, the exhibits and addenda, if any, contain the entire agreement between the Corporation and the Board. No promises or representations, except as contained in this Facilities Lease, have been made to the Board respecting the condition or the manner of operating the Facilities.

Section 42. Signs. The Board may attach any sign on any part of the Facilities, or in the halls, lobbies, windows, or elevator banks of the Facilities, without the Corporation approval. The Board may name the Facilities and change the name, number, or designation of the Facilities, without the Corporation's prior consent.

Section 43. Litigation Expenses. The Board will pay the Corporation as Additional Rental all reasonable Litigation Expenses and all other reasonable expenses which may be incurred by the Corporation in enforcing any of the obligations of the Board under this Facilities Lease, in exercising its rights to recover against the Board for loss or damage sustained in accordance with the provisions of this Facilities Lease, or in any litigation or negotiation in which the Corporation shall, without its fault, become involved through or because of this Facilities Lease.

Section 44. Brokers. The Corporation and the Board respectively represent and warrant to each other that neither of them has consulted or negotiated with any broker or finder with regard to the Facilities.

Section 45. No Easements for Air or Light. Any diminution or shutting off of light, air, or view by any structure that may be erected on any of the lands constituting the Facilities, or on lands adjacent to the Facilities, will in no way affect this Facilities Lease or impose any liability on the Corporation. This Facilities Lease does not grant any rights to light, view and/or air over the Facilities whatsoever.

Section 46. Binding Effect. The covenants, conditions, and agreements contained in this Facilities Lease will bind and inure to the benefit of the Corporation and the Board and their respective permitted successors and assigns.

The following rules shall apply to the construction of this Facilities Lease unless the context requires otherwise: (a) the singular includes the plural and the plural includes the singular; (b) words importing any gender include the other genders; (c) references to statutes are to be construed as including all statutory provisions consolidating, amending or replacing the statute to which reference is made and all regulations promulgated pursuant to such statutes; (d) references to "writing" include printing, photocopy, typing, lithography and other means of reproducing words in a tangible visible form; (e) the words "including," "includes" and "include" shall be deemed to be followed by words "without limitation"; (f) references to the introductory paragraph, preliminary statements, articles, sections (or subdivision of sections), exhibits, appendices, annexes or schedules are to those of this Facilities Lease unless otherwise indicated; (g) references to agreements and other contractual instruments shall be deemed to include all subsequent amendments and other modifications to such instruments; (h) references to Persons include their respective successors and assigns to the extent successors or assigns are permitted or not prohibited by the terms of this Facilities Lease; (i) any accounting term not otherwise defined has the meaning assigned to it in accordance with generally accepted accounting principles; (j) "or" is not exclusive; (k) provisions apply to successive events and transactions; (l) references to documents or agreements which have been terminated or released or which have expired shall be of no force and effect after such termination, release, or expiration; (m) references to mail shall be deemed to refer to first-class mail, postage prepaid, unless another type of mail is specified; (n) all references to time shall be to Hammond, Louisiana time; (o) references to specific persons, positions, or officers shall include those who or which succeed to or perform their respective functions, duties, or responsibilities; and (p) the terms "herein", "hereunder" "hereby" "hereof," and any similar terms refer to this Facilities Lease as a whole and not to any particular articles, section or subdivision hereof.

Section 48. Relationship of Parties. The relationship of the Parties shall be one of lessor and lessee only, and shall not be considered a partnership, joint venture, license arrangement or unincorporated association. The Corporation is not controlled by the Board or under the control of any Person also in control of the Board.

Section 49. Law Between the Parties. This Facilities Lease shall constitute the law between the Parties, and if any provision of this Facilities Lease is in conflict with the provisions of "Title IX - Of Lease" of the Louisiana Civil Code, Articles 2669 through 2777, inclusive, the provisions of this Facilities Lease shall control.

1. Hazardous material abatement and demolition of the following residence halls:
 - (a) Holloway Smith Hall (occurred in Spring 2004)
 - (b) Hammond Hall (occurred in Spring 2004)
 - I Carter Harris Hall (occurred in Spring 2004)

2. Construction of a new residence hall ("*Residence Hall I*") which provides approximately seven hundred eighteen (718) student beds in a mix of private and shared occupancy suites (opened January, 2005)

The project included: (1) removal of existing built-in furniture; (2) renovation of the building to bring the facility up to code compliance; (3) installation of life-safety equipment; (4) provision of modern amenities (power, cable television, data) to each student bed; and (5) provision of extensive interior and exterior cosmetic improvements to the facility.

Construction of Residence Hall I (171,045 square feet)

Residence Hall was comprised of four wood-frame buildings with partial brick and hardi-plank exteriors. There are three hundred fifty-eight (358) units of two-bedroom / one-bathroom and one-bedroom / one-bathroom suites configured for private and shared occupancy, yielding a total of seven hundred eighteen (718) beds. One hundred seventy-nine (179) of the units are designed for private occupancy (358 total beds) and one hundred seventy-nine (179) of the units are designed for shared occupancy (360 total beds). Additionally, the Residence Hall I phase included a common area laundry facility in two of the buildings and area coordinator units in two of the buildings. In each building, community meeting rooms and tenant mail facilities were provided.

The first phase of development also included a 1,763 square foot maintenance facility for use by the property manager. Residence Hall I was completed in January, 2005.

FORM OF BOND COUNSEL OPINION

November __, 2013

Louisiana Local Government Environmental Facilities
and Community Development Authority
Baton Rouge, Louisiana

§ _____
Louisiana Local Government Environmental Facilities And
Community Development Authority
Revenue Refunding Bonds
(Southeastern Louisiana University Student Housing/
University Facilities, Inc. Project)
Series 2013

We have acted as bond counsel to the Louisiana Local Government Environmental Facilities and Community Development Authority (the "*Issuer*"), a political subdivision of the State of Louisiana (the "*State*"), in connection with the issuance by the Issuer of the above-captioned bonds (the "*Series 2013 Bonds*") pursuant to Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 33:4548.16, inclusive) and Chapter 14 and Chapter 14-A of Title 39 the Louisiana Revised Statutes of 1950, as amended (La. R.S. 39:1441 through 1456, inclusive) (collectively, the "*Act*").

The Series 2013 Bonds have been issued by the Issuer pursuant to the Act and other constitutional and statutory authority and a Trust Indenture dated as of August 1, 2004 (the "*Original Indenture*"), as supplemented and amended by a First Supplemental Trust Indenture dated as of November 1, 2013 (the "*First Supplemental Indenture*" and, together with the Original Indenture, the "*Indenture*") each between the Issuer and The Bank of New York Mellon Trust Company, N.A., Baton Rouge, Louisiana, as trustee (the "*Trustee*"). Capitalized terms used herein that are not otherwise defined have the meaning given them in the Indenture.

The Series 2013 Bonds are issuable as fully registered bonds, are dated, bear interest until paid at the rate per annum, mature in the principal amounts and on the dates, and are subject to redemption all as set forth in the Indenture and in the Series 2013 Bonds.

The Series 2013 Bonds are issued under and are secured as to principal and interest by the Indenture, which provides a description of the nature and extent of the security for the Series 2013 Bonds, a statement of the terms and conditions under which the Series 2013 Bonds are issued and secured, the rights, duties and obligations of the Issuer, the rights, duties and immunities of the Trustee and the rights of the owners of the Series 2013 Bonds.

The Issuer previously issued its \$60,985,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004A (the "*Series 2004A Bonds*") and its \$15,000,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B (the "*Series 2004B Bonds*") and, together with the Series 2004A Bonds, the "*Series 2004 Bonds*") on behalf of University Facilities Inc., a Louisiana non-profit corporation (the "*Corporation*"), for the purpose of financing the cost of acquiring immovable property and financing the development, design, construction and equipping of new student housing facilities (the "*Facilities*") for Southeastern Louisiana University (the "*University*") located on immovable property owned by, or subject to the supervision and management of the Board of Supervisors for the University of Louisiana System (the "*Board*") in the City of Hammond, Parish of Tangipahoa, Louisiana, which Facilities have been leased to the Board on behalf of the University (collectively, the "*Project*"). The Series 2013 Bonds are being issued for the purpose of (i) refunding the Series 2004A Bonds and (ii) paying costs of issuance of the Series 2013 Bonds.

The Issuer and the Corporation have entered into a Loan and Assignment Agreement dated as of August 1, 2004 between the Authority and the Corporation (the "*Original Agreement*"), as supplemented by a First Supplemental Loan and Assignment Agreement dated as of November 1, 2013 between the Authority and the

Corporation (the "*Supplemental Agreement*" and, together with the Original Agreement, the "*Agreement*"), pursuant to which the Issuer will loan the proceeds from the sale of the Series 2013 Bonds to the Corporation for the foregoing purposes. Pursuant to the Agreement, the Corporation has agreed to make loan payments (the "*Payments*") solely from the Base Rental (as defined in the Agreement) sufficient to pay the principal of, premium, if any, and interest on the Series 2013 Bonds. The rights of the Issuer under the Agreement (except for the rights of the Issuer relating to exculpation, indemnification and payment of expenses thereunder) have been pledged and assigned by the Issuer to the Trustee as security for the Series 2013 Bonds.

The Board is leasing the land upon which the Facilities have been constructed to the Corporation pursuant to a Ground and Buildings Lease Agreement dated as of August 1, 2004 (the "*Original Ground Lease*"), as supplemented and amended by the First Amendment to Ground and Buildings Lease Agreement dated as of March 1, 2007 (the "*First Amendment to Ground Lease*"), as supplemented and amended by a Second Amendment to Ground and Buildings Lease Agreement dated as of June 12, 2012 (the "*Second Amendment to Ground Lease*"), as further supplemented and amended by a Third Supplemental Ground and Buildings Lease Agreement dated as of November 1, 2013 (the "*Third Supplemental Ground Lease*" and, together with the Original Ground Lease, the First Amendment to Ground Lease and the Second Amendment to Ground Lease, the "*Ground Lease*").

The Facilities have been leased by the Corporation to the Board pursuant to an Agreement to Lease with Option to Purchase dated as of August 1, 2004 (the "*Original Facilities Lease*"), as supplemented and amended by a First Amendment to Agreement to Lease with Option to Purchase dated as of March 1, 2007 (the "*First Amendment to Facilities Lease*"), as further supplemented and amended by a Second Amendment to Agreement to Lease with Option to Purchase dated as of June 12, 2012 (the "*Second Amendment to Facilities Lease*"), as further supplemented and amended by a Third Supplemental Agreement to Lease with Option to Purchase dated as of November 1, 2013 (the "*Third Supplemental Facilities Lease*" and, together with the Original Facilities Lease, the First Amendment to Facilities Lease and the Second Amendment to Facilities Lease, the "*Facilities Lease*").

The Series 2013 Bonds are also entitled to the benefits of the Mortgage and Security Agreement and Assignment of Leases and Rents dated as of August 13, 2004 by the Corporation in favor of the Trustee (the "*Mortgage*") executed by the Corporation in favor of the Trustee, pursuant to which the Corporation has mortgaged its leasehold interest in and to the Property (as defined in the Mortgage).

We have examined: (i) the constitution and statutes of the State, including the Act; (ii) a certified transcript of the proceedings of the Issuer authorizing the issuance of the Series 2013 Bonds; (iii) the Indenture, the Agreement, the Tax Regulatory Agreement and Arbitrage Certificate dated the date of delivery and payment for the Series 2013 Bonds among the Issuer, the Corporation, the Board and the Trustee (the "*Tax Agreement*"); and (iv) such other documents, instruments, proofs and matters of law as we have deemed relevant to the issuance of the Series 2013 Bonds and necessary for the purpose of this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Board and the Corporation contained in the Indenture, the Agreement and the Tax Agreement, the certified proceedings and other certifications of public officials and others furnished to us, including certifications furnished to us by or on behalf of the Issuer, the Corporation and the Board, without undertaking to verify the same by independent investigation.

On the basis of the foregoing examinations, we are of the opinion, as of the date hereof and under existing law, that:

1. The Issuer is a validly existing political subdivision of the State and has the power and authority to enter into the Agreement and the Indenture and to issue and sell the Series 2013 Bonds.
2. The Series 2013 Bonds are valid and binding special and limited obligations of the Issuer secured by and entitled to the benefits of the Indenture and are payable solely from the revenues and other amounts pledged and assigned under the Indenture.
3. The Supplemental Agreement and the Supplemental Indenture have been duly authorized, executed and delivered by the Issuer and constitute valid and binding obligations of the Issuer, enforceable upon the Issuer in accordance with their terms, and all rights of the Issuer under the Agreement have

been validly assigned to the Trustee under the Indenture, with the exception of certain rights of the Issuer relating to notice, exculpation, indemnification and payment of expenses.

4. The Series 2013 Bonds and interest thereon do not constitute an indebtedness or pledge of the general credit of the Issuer within the meaning of any State constitutional or statutory provision and will not constitute a general obligation or a charge against any other revenues of the Issuer.

5. Interest on the Series 2013 Bonds (including the amount of original issue discount properly allocable to the owner thereof) is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, for the purpose of computing the alternative minimum tax imposed on certain corporations, such interest is taken into account in determining adjusted current earnings.

6. Under the Act, the Series 2013 Bonds are exempt from all taxation by the State of Louisiana or any political subdivision thereof.

In rendering the opinions expressed in paragraph 5 above, we have relied upon the opinion of even date herewith of Seale & Ross, A Professional Law Corporation, Hammond, Louisiana, counsel to the Corporation that the Corporation is an organization that is exempt from the federal income tax under Code Section 501(c)(3). We have also relied upon such opinion with respect to (i) the due organization of the Corporation, (ii) the good standing of the Corporation in the State; (iii) the corporate power of the Corporation to enter into, and the due authorization, execution and delivery by the Corporation of, the Loan Agreement, the Ground Lease and the Facilities Lease, and the valid and binding effect thereof on the Corporation, and (iv) matters which might be disclosed as a result of an examination of the indentures, mortgages, deeds of trust, certifications of incorporation, by-laws, and other agreements or instruments to which the Corporation is a party or by which it or its properties are bound.

We have relied on representations of the Issuer, the Board and the Corporation with respect to matters solely within the knowledge of the Issuer, the Board and the Corporation, which we have not independently verified, and have assumed continuing compliance with the covenants in the Indenture, the Agreement and the Tax Agreement pertaining to those sections of the Code that affect the exclusion from gross income of interest on the Series 2013 Bonds for federal income tax purposes. In the event that such representations are determined to be inaccurate or incomplete or the Issuer, the Board or the Corporation fails to comply with the foregoing covenants, interest on the Series 2013 Bonds could be includable in gross income for federal income tax purposes from the date of their original delivery, regardless of the date on which the event causing such inclusion occurs.

The accrual or receipt of interest on the Series 2013 Bonds may otherwise affect the federal income tax liability of certain recipients. The extent of these other tax consequences will depend upon the recipient's particular tax status or other items of income or deduction. We express no opinion regarding any such consequences and investors should consult their tax advisors regarding the tax consequences of purchasing or holding the Series 2013 Bonds.

It is to be understood that the rights of the owners of the Series 2013 Bonds and the enforceability of the Series 2013 Bonds, the Indenture, the Agreement and the other documents enumerated above may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable, and that their enforcement may also be subject to the exercise of the sovereign police powers of the State or its governmental bodies and the exercise of judicial discretion in appropriate cases.

For purposes of this opinion, our services as bond counsel have not extended beyond the examinations and expressions of the conclusions referred to above. This opinion is given as of the date hereof and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in the law that may hereafter occur. Except as stated above, no opinion is expressed as to any federal or state tax consequences resulting from the ownership of, receipt of interest on, or disposition of, the Series 2013 Bonds.

Respectfully submitted,

All capitalized terms used herein and not otherwise defined herein shall have the same meanings ascribed to such terms in the Indenture (as defined herein), unless the context shall clearly indicate otherwise.

SECTION 1 PURCHASE, SALE AND DELIVERY OF THE BONDS

(a) The Series 2013 Bonds (as defined herein) shall be described in and shall be issued pursuant to a Trust Indenture dated as of August 1, 2004 (the “Original Indenture”), as amended and supplemented by a First Supplemental Trust Indenture dated as of November 1, 2013 (the “Supplemental Indenture” and together with the Original Indenture, the “Indenture”), both by and between the Authority and The Bank of New York Mellon Trust Company, N.A., formerly known as The Bank of New York Trust Company, N.A., as Trustee (the “Trustee”).

(b) (i) Upon the terms and conditions and upon the basis of the representations, warranties and covenants set forth herein, the Underwriter hereby agrees to purchase from the Authority, and the Authority hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of the \$40,910,000 aggregate principal amount of the Authority’s Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2013 (the “Series 2013 Bonds”). The purchase price of the Series 2013 Bonds shall be \$43,927,540.85 (representing \$40,910,000.00 original principal amount of the Series 2013 Bonds; less an Underwriter’s Discount in the amount of \$296,597.50; plus a net reoffering premium of \$3,314,138.35). The Series 2013 Bonds shall mature on the dates and shall bear interest at the fixed rates and yields, as described in **Schedule 1** attached.

(ii) The Underwriter agrees to comply with Securities and Exchange Commission Rule 15c2-12 and applicable rules of the Municipal Securities Rulemaking Board.

(c) Delivery of the Series 2013 Bonds shall be made in New York, New York, at the Depository Trust Company (“DTC”), 55 Water Street, at the Closing Time (as stated below), or at such other place as shall be mutually agreed upon by the Authority, the Corporation, the Board and the Underwriter. Subject to the terms hereof, the Closing shall take place at 10:00 a.m., prevailing Central time, on November 13, 2013, (or such other time or business day as may be mutually agreed upon by the Underwriter, the Board, the Corporation and the Authority in writing) at the offices of Jones Walker LLP, at 8555 United Plaza Blvd., Baton Rouge, Louisiana. Payment for the Series 2013 Bonds shall be made in lawful money of the United States of America in immediately available federal funds and shall be payable to the Trustee for the account of the Authority at 10:00 a.m., prevailing time on November 13, 2013, or such other date and time as shall be mutually agreed upon by the Authority, the Corporation, the Board and the Underwriter. The date of such delivery and payment is herein called the “Closing Date,” and the hour and date of such delivery and payment is herein called the “Closing Time.” The Series 2013 Bonds shall be delivered in definitive or temporary form as fully registered bonds bearing CUSIP numbers in such denominations as the Underwriter shall specify. There shall be one bond delivered for each maturity of the Series 2013 Bonds, registered in the name of Cede & Co., as nominee for DTC. On the Business Day preceding the Closing Date, the Series 2013 Bonds shall be delivered by the Authority to the Trustee to be held in escrow pending their release to the Underwriter on the Closing Date.

(d) The Series 2013 Bonds are to be issued by the Authority, pursuant to and in accordance with (i) the provisions of Sections 4548.1 through 4548.16, inclusive, of Chapter 10-D Title 33 of the Louisiana Revised Statutes of 1950, as amended (collectively, the “LCDA Act”); (ii) Chapters 14 and 14-A of Title 39 of the Louisiana Revised Statutes, as amended (the “Refunding Act” and together with the LCDA Act, the “Act”); and (iii) the provisions of the Indenture.

(e) The proceeds of the Series 2013 Bonds will be loaned by the Authority to the Corporation, pursuant to a Loan and Assignment Agreement dated as of August 1, 2004 (the “Original Loan Agreement”), as amended and supplemented by a First Supplemental Loan and Assignment Agreement dated as of November 1, 2013 (the “Supplemental Loan Agreement” and together with the Original Loan Agreement, the “Loan Agreement”). The proceeds of the Series 2013 Bonds will be used for the purpose of providing a portion of the funds required to: (i) refund the Authority’s outstanding Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004A, issued in the original principal amount of \$60,985,000 and currently outstanding in the aggregate principal amount of \$52,230,000 (the “Series 2004A Bonds”), and (ii) pay costs of issuance of the Series 2013 Bonds.

The source of repayment of the Series 2013 Bonds will be payments of Base Rental made to the Corporation by the Board pursuant to the Facilities Lease; provided, however, the availability of Base Rental payable by the Board is subject to appropriation of such funds by the Board in its budget process sufficient for such purpose. The Board will make the required payments under the Facilities Lease from Series 2004 Lawfully Available Funds, which includes Rents and Auxiliary Revenues.

The Series 2013 Bonds are limited and special revenue obligations of the Authority payable solely from payments received by the Authority from the Corporation pursuant to the Loan Agreement. The Series 2013 Bonds do not constitute an indebtedness or pledge of the general credit of the State, the Board, the University or any political subdivision of the State (other than the Authority). The Board has agreed, pursuant to the Facilities Lease, to make payments of base rental to the Corporation on behalf of the University. The payments received by the Authority from the Corporation under the Loan Agreement are limited to the amount of Base Rental received by the Corporation from the Board. The Authority has no power to tax.

(f) At or before the time of the Corporation’s acceptance hereof, the Authority shall furnish the Underwriter with a copy of the form of Official Statement (as defined in Section 3(A)(1)(iii) hereof). The Corporation will deliver to the Underwriter, as promptly as practical but in no event later than the Closing Date, such number of copies of the final Official Statement as the Underwriter may reasonably require in order to comply with the rules of the Municipal Securities Rulemaking Board (“MSRB”) including, without limitation, Rule G-32 and U.S. Securities and Exchange Commission (“S.E.C.”) Rule 15c2-12.

(g) The Authority has covenanted in the Resolution and hereby agrees that it will cause to be executed as a condition to the issuance of the Bonds, a Continuing Disclosure Certificate of the Board, in substantially the form attached as Appendix D to the Official Statement (the “Continuing Disclosure Certificate”) on or before the Closing Date evidencing the written undertaking by the Board for the benefit of Bondholders required by Section (b)(5)(i) of S.E.C. Rule 15c2-12.

(h) The Authority and the Corporation consent to the use by the Underwriter, prior to the date hereof, of the Preliminary Official Statement relating to the Series 2013 Bonds in connection with the public offering of the Series 2013 Bonds.

(i) In order to assure compliance with the Internal Revenue Code of 1986, as amended, the Authority, the Board and the Corporation will execute a Tax Regulatory Agreement and Arbitrage Certificate dated the Closing Date (the “Tax Regulatory Agreement”).

(j) The Underwriter shall indemnify and hold harmless the Authority and the Corporation, each of their respective members, trustees, directors, officers, and employees, and each person who controls the Authority or the Corporation within the meaning of §15 of the Securities Act, but only with reference to written information relating to the Underwriter furnished by it specifically for inclusion in the Official Statement. The Authority and the Corporation acknowledge that the statements set forth under the heading “UNDERWRITING” in the Official Statement constitute the only information furnished in writing by or on behalf of the Underwriter for inclusion in the Official Statement. Further, the Underwriter will indemnify the Authority and the Corporation for (i) any information furnished by the Underwriter to purchasers of the Series 2013 Bonds that is not contained in the Official Statement and (ii) non-compliance with the state blue sky laws in connection with the offering and sale of the Series 2013 Bonds.

Such Official Statement shall contain all information previously permitted to be omitted by Rule 15c2-12;

(ii) The Corporation is a private, nonprofit corporation duly organized and validly existing in good standing under the laws of the State and in good standing in the State licensed to carry on its operations under the laws of the State. The Corporation is an organization described in Section 501(c)(3) of the Code, exempt from federal income tax under Section 501(a) of the Code. The Corporation is not in violation in any respect material to the transactions contemplated by the Loan Agreement, this Bond Purchase Agreement, the Ground Lease, and the Facilities Lease (collectively, the “Corporation’s Documents”) or the Official Statement, and has not received notice of any claimed violation material to said transactions (except such violations as heretofore have been specifically disclosed in the

Official Statement) or its Articles of Incorporation or bylaws or any laws, ordinances, governmental rules or regulations or court or other governmental orders or the terms of any agreement or other instruments to which it is a party or by which it, its properties or operations are bound;

(iii) No consent, approval or authorization of, or filing, registration or qualification with, any governmental authority (other than those, if any, already obtained and other than any required under “Blue Sky” laws) is required on the part of the Corporation as a condition to the execution and delivery of the Corporation’s Documents or the performance of the Corporation’s obligations under any of such documents;

(iv) The Corporation has all requisite power to enter into the Corporation’s Documents under the terms and provisions of a resolution adopted by the Board of Directors of the Corporation on August 6, 2013;

(v) Neither the execution and delivery of the Corporation’s Documents and the consummation of the transactions contemplated thereby nor the fulfillment of or compliance with the terms and conditions of the Corporation’s Documents, will conflict with or result in a breach of any of the material terms, conditions or provisions of, or will result in the creation or imposition of any material lien, charge or encumbrance upon any property or assets of the Corporation pursuant to, any indenture, ordinance, loan agreement or other agreement or instrument (other than liens, charges and encumbrances created by the Indenture or Permitted Encumbrances, as defined in the Indenture) or corporate restriction to which the Corporation is a party or by which the Corporation, or its properties or operations, may be bound, and such action will not result in any material violation of the Articles of Incorporation or bylaws of the Corporation or the provisions of any laws, ordinances, governmental rules or regulations or court or other governmental orders to which the Corporation or its properties are subject;

(vi) There is no litigation or governmental action, proceeding, inquiry or investigation pending or threatened by governmental authorities or others or to which the Corporation is a party or of which any property of the Corporation is subject nor, to the knowledge of the Corporation, is there any basis for any such action, proceeding, inquiry or investigation, except for matters disclosed in the Official Statement, which, if determined adversely to the Corporation, would individually or in the aggregate (i) materially and adversely affect the validity or the enforceability of the Corporation’s Documents or any related document or (ii) otherwise materially adversely affect the ability of the Corporation to comply with its obligations under the Corporation’s Documents or any related document. No litigation, proceedings or investigations are pending or, to the knowledge of the Corporation, threatened against the Corporation, except for litigation, proceedings or investigations which management of the Corporation believes is nonmeritorious or for which insurance coverage provided by applicable insurance policies is adequate to offset any significant liabilities that may result from such action;

(vii) The representations and warranties of the Corporation set forth in the Loan Agreement will be true and correct in all material respects on the date thereof, and the Corporation will be in compliance with all terms, covenants and conditions of the Loan Agreement on the date thereof;

(viii) The Corporation will deliver or cause to be delivered all opinions, certificates and other documents, as provided for in, and required by, this Bond Purchase Agreement, including, but not limited to, an opinion of its counsel dated as of the Closing Date;

(ix) The Corporation acknowledges and approves the terms and conditions of this Bond Purchase Agreement and its participation in the transactions contemplated hereby;

(x) Any certificate signed by any of the Corporation's authorized officers and delivered to the Underwriter shall be deemed a representation and warranty by the Corporation as to the statements made therein; and

(xi) The Corporation will indemnify the Authority and the Underwriter against any losses, claims, damages, or liabilities, joint or several, to which the Authority or the Underwriter may become subject under the Securities Act, the Securities Exchange Act of 1934, as amended, the Trust Indenture Act, or any other statute or at common law, insofar as such losses, claims, damages, or liabilities (or actions in respect thereof) arise out of or are based upon the failure in connection with the offering of the Series 2013 Bonds to register any security under the Securities Act or to qualify any indenture under the Trust Indenture Act and any claims based upon any information in the entire Official Statement, excepting only the Authority Sections. The foregoing indemnity shall include reimbursement for any legal or other expenses reasonably incurred by the Authority or the Underwriter in connection with investigating or defending any such action or claim; provided, however, that if the Corporation assumes the defense of any such action or claims pursuant to the following paragraph, the indemnifying Party shall not be liable to any indemnified party under this subsection (d) for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. Promptly after the commencement of any action against any party indemnified hereunder in respect of which indemnity is to be sought against an indemnifying party, such indemnified party will notify the indemnifying party in writing of such action and the indemnifying party may assume the defense thereof, including the employment of counsel and the payment of all expenses; but the omission so to notify the indemnifying party will not relieve the indemnifying party from any liability which it may have to any indemnified party otherwise than hereunder. The parties hereto agree to provide for contribution by the parties for any losses and expenses incurred in the event that the indemnification provided in this paragraph is unenforceable.

(2) The Corporation will cooperate with the Underwriter in taking all necessary action for the qualification of the Series 2013 Bonds for sale and the determination of their eligibility for investment under the securities or Blue Sky laws of such jurisdictions as the Underwriter designates, with the exception of any jurisdiction where consent to local service of process in suits other than those arising out of the sale of the Series 2013 Bonds is a prerequisite to such qualification, and the continuation of such qualifications in effect so long as required for distribution of the Series 2013 Bonds.

(3) The representations, warranties, covenants and indemnities of or by the Corporation contained in this Bond Purchase Agreement are given solely for the benefit of the Underwriter and the other Reimbursable Parties referred to herein and their respective successors, assigns, executors and administrators, and no other person, including any registered owner of the Series 2013 Bonds as such, shall require or have any right under or by virtue of this Bond Purchase Agreement.

Dated: Date of Delivery

Due: August 1, as shown on the inside cover

This Official Statement is available at www.MuniOS.com and www.msrb.org.

The above captioned bonds (the "Series 2013 Bonds") are being issued by the Louisiana Local Government Environmental Facilities and Community Development Authority (the "Authority") to provide funds (i) to refund the Authority's outstanding Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project), Series 2004A, issued in the original principal amount of \$60,985,000 and currently outstanding in the aggregate principal amount of \$52,230,000 (the "Series 2004A Bonds"), and (ii) to pay the costs of issuance of the Series 2013 Bonds.

The Series 2004A Bonds, along with the Authority's \$15,000,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project), Series 2004B (the "Series 2004B Bonds" and together with the Series 2004A Bonds, the "Series 2004 Bonds") were issued pursuant to a Trust Indenture dated as of August 1, 2004 (the "Original Indenture") between the Authority and The Bank of New York Mellon Trust Company, N.A., formerly known as The Bank of New York Trust Company, N.A., as Trustee (the "Trustee"). The proceeds of the Series 2004 Bonds were loaned to University Facilities, Inc., a Louisiana non-profit corporation (the "Corporation"), pursuant to a Loan and Assignment Agreement dated as of August 1, 2004 (the "Original Loan Agreement"), for the purpose of financing the cost of refinancing existing debt associated with the Existing Facilities (as defined herein), as well as acquiring immovable property and financing the development, design, construction and equipping of new student housing facilities and the renovation of Cardinal Newman Hall (the "New Facilities" and together with the Existing Facilities, the "Housing Facilities") for Southeastern Louisiana University (the "University") located on immovable property owned by or subject to the supervision and management of the Board of Supervisors for the University of Louisiana System (the "Board") in the City of Hammond, Parish of Tangipahoa, State of Louisiana (the "Property"), which Housing Facilities have been leased to the Board on behalf of the University.

Pursuant to the provisions of Chapter 10-D of Title 33 of the Louisiana Revised Statutes, as amended (the "LCDA Act") and Chapters 14 and 14-A of Title 39 of the Louisiana Revised Statutes, as amended (the "Refunding Act" and together with the LCDA Act, the "Act"), the Authority is authorized to issue the Series 2013 Bonds to refund the Series 2004A Bonds. The proceeds of the Series 2013 Bonds will be loaned to the Corporation pursuant to the Original Loan Agreement, as supplemented by a First Supplemental Loan and Assignment Agreement between the Corporation and the Authority (the "First Supplemental Loan Agreement" and together with the Original Loan Agreement dated as of November 1, 2013, the "Loan Agreement"). Pursuant to the Loan Agreement, the Corporation will assign its rights under the Facilities Lease (as hereinafter defined), including its rights to all Base Rental received thereunder, to the Authority and has agreed to make timely payments of principal of, premium, if any, and interest on the Series 2013 Bonds from Series 2004 Lawfully Available Funds (as hereinafter defined), including, but not limited to, revenues derived from the Housing Facilities and certain Auxiliary Revenues. See "SOURCES OF PAYMENT FOR THE SERIES 2013 BONDS" herein.

THE SERIES 2013 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OR PLEDGE OF THE GENERAL CREDIT OF THE STATE, THE BOARD, THE UNIVERSITY OR ANY POLITICAL SUBDIVISION OF THE STATE (OTHER THAN THE AUTHORITY). THE BOARD HAS AGREED, PURSUANT TO THE FACILITIES LEASE, TO MAKE PAYMENTS OF BASE RENTAL TO THE CORPORATION ON BEHALF OF THE UNIVERSITY. THE PAYMENTS RECEIVED BY THE AUTHORITY FROM THE CORPORATION UNDER THE LOAN AGREEMENT ARE LIMITED TO THE AMOUNT OF BASE RENTAL RECEIVED BY THE CORPORATION FROM THE BOARD. THE AUTHORITY HAS NO POWER TO TAX.

The Series 2013 Bonds will be subject to optional, extraordinary and mandatory sinking fund redemption, as further described herein.

INTRODUCTORY STATEMENT

This Official Statement, including the cover page and the Appendices hereto, furnishes certain information in connection with the sale by the Louisiana Local Government Environmental Facilities and Community Development Authority (the “**Authority**”) of \$40,910,000 in aggregate principal amount of its Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project), Series 2013 (the “**Series 2013 Bonds**”) to be issued by the Authority pursuant to a Trust Indenture dated as of August 1, 2004 (the “**Original Indenture**”), between the Authority and The Bank of New York Mellon Trust Company, N.A., formerly known as The Bank of New York Trust Company, N.A., as Trustee (the “**Trustee**”), as amended and supplemented by a First Supplemental Trust Indenture dated as of November 1, 2013 between the Authority and the Trustee (the “**Supplemental Indenture**” and together with the Original Indenture, the “**Indenture**”).

Authority and Purpose

The Series 2013 Bonds are to be issued by the Authority, pursuant to and in accordance with the provisions of Chapter 10-D of Title 33 of the Louisiana Revised Statutes, as amended (the “**LCDA Act**”) and Chapters 14 and 14-A of Title 39 of the Louisiana Revised Statutes, as amended (the “**Refunding Act**” and together with the LCDA Act, the “**Act**”) and the proceeds of the Series 2013 Bonds will be loaned by the Authority to University Facilities, Inc. (the “**Corporation**”), a non-profit corporation organized under the laws of the State of Louisiana (the “**State**”), for the benefit of the University for the purpose of providing funds (i) to refund the Authority’s outstanding Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project), Series 2004A, issued in the original principal amount of \$60,985,000 and currently outstanding in the aggregate principal amount of \$52,230,000 (the “**Series 2004A Bonds**”), and (ii) to pay the costs of issuance of the Series 2013 Bonds.

Security Arrangements

The Series 2013 Bonds are secured pursuant to the Indenture by: (i) all right, title, and interest of the Authority in, to and under the Loan Agreement, the Ground Lease and the Facilities Lease, and (ii) moneys held in funds and accounts (other than the Rebate Fund) established pursuant to the Indenture (the “**Trust Estate**”).

Pursuant to a Ground and Buildings Lease Agreement dated as of August 1, 2004, as supplemented and amended by a First Amendment to Ground and Buildings Lease Agreement dated as of March 1, 2007, a Second Amendment to Ground and Buildings Lease Agreement dated as of June 12, 2012 and a Third Supplemental Ground and Buildings Lease Agreement dated as of November 1, 2013, all by and between the Board of Supervisors for the University of Louisiana System (the “**Board**”) and the Corporation (collectively, the “**Ground Lease**”), the Board has leased to the Corporation the property (the “**Property**”) upon which the Housing Facilities are located, and the Housing Facilities will be leased back to, and operated by, the Board pursuant to an Agreement to Lease with Option to Purchase dated as of August 1, 2004, as supplemented and amended by a First Amendment to Agreement to Lease with Option to Purchase dated as of March 1, 2007, a Second Amendment to Agreement to Lease with Option to Purchase dated as of June 12, 2012 and a Third Supplemental Agreement to Lease with Option to Purchase dated as of November 1, 2013, all between the Corporation, as lessor, and the Board, as lessee (collectively, the “**Facilities Lease**”).

In consideration of the Corporation entering into the Ground Lease and the Facilities Lease, the Board will covenant to make payments of Base Rental, in an amount sufficient to pay debt service on the Series 2013 Bonds from

Series 2004 Lawfully Available Funds, including, but not limited to, revenues derived from the Housing Facilities and certain Auxiliary Revenues. See “**SOURCES OF PAYMENT FOR THE SERIES 2013 BONDS**” herein.

For purposes herein, “Series 2004 Lawfully Available Funds” means all unrestricted funds available to the University and appropriated by the Board to make rental payments from any source, including all revenues actually received from any source by, or on behalf of the Board or the University with respect to the Housing Facilities and any Additional Housing Facilities (as defined in the Facilities Lease), including without duplication, all collected rents and other charges for the use or occupancy of the Housing Facilities, parking charges and revenues, utility charges, vending machine and laundry machine revenues and forfeited security deposits relating to the Housing Facilities, and rental interruption insurance proceeds actually received by or on behalf of the Board or the University (net of the costs of collecting such proceeds), if any; excluding tenants’ security deposits unless and until applied in satisfaction of tenants’ obligations as provided for in the Management Agreement and excluding refunds and reimbursements due to students in accordance with University policy (the “**Rents**”).

The Mortgage (as defined herein) secures the Corporation’s leasehold interest in the Property and secures payments of the Series 2004 Bonds and any Additional Bonds, including the Series 2013 Bonds. The Corporation also granted the Trustee a first priority security interest in the leases and subleases affecting the Property and/or the Housing Facilities, including, without limitation, the Facilities Lease and all revenues, rentals and other sums due or becoming due under the leases. See “**SOURCES OF PAYMENT FOR THE SERIES 2013 BONDS – Mortgage.**” See also “**BONDHOLDERS’ RISK – Special Nature of the Housing Facilities**” for a discussion on the limited use nature of the Housing Facilities.

The Ground Lease and the Facilities Lease also include certain property on which an intermodal parking facility and a stadium expansion were constructed with the proceeds of the Authority’s Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc.: Phase Four Parking Project), Series 2007 (the “**Series 2007 Bonds**”). The Board’s payment obligations under the Facilities Lease related to the Series 2007 Bonds are payable from Student Parking Fees and Auxiliary Revenues (both as defined in the Facilities Lease). The Series 2013 Bonds are payable from Series 2004 Lawfully Available Funds, as described above, and are not secured by the same primary source of revenues as the Series 2007 Bonds. The Series 2013 Bonds, the Series 2004B Bonds and the Series 2007 Bonds are secured equally by Auxiliary Revenues.

The payment obligations of the Board pursuant to the Facilities Lease related to the Series 2013 Bonds are payable from Series 2004 Lawfully Available Funds on a parity with its payment obligations related to the Series 2004B Bonds. See “**SOURCES OF PAYMENT FOR THE SERIES 2013 BONDS**” herein.

Limited Liability

The Series 2013 Bonds are limited and special obligations of the Authority payable solely from and secured by an assignment and pledge of the Trust Estate pursuant to the Indenture. No other assets of the Authority are available for payment of the principal of, premium, if any, or interest on the Series 2013 Bonds.

The Series 2013 Bonds were authorized by resolutions adopted by the Executive Committee on August 8, 2013 and October 10, 2013, in an amount not to exceed \$55,000,000.

THE UNIVERSITY

The University is located in Hammond, Louisiana, the heart of Louisiana's "Florida Parishes." Hammond is located at the intersection of Interstate Highways 55 and 12, approximately sixty (60) miles north of New Orleans, Louisiana's largest city, and forty (40) miles east of Baton Rouge, the state's capital. The University has a current enrollment of approximately 15,000 students with a faculty and staff population of approximately 1,300.

The University is the outgrowth of Hammond Junior College, which was established in 1925. By Act No. 136 of the Louisiana Legislature of 1928, the institution was made part of the state educational system under control of the State Board of Education. The same act of the legislature granted the college the right to establish four-year curricula and to grant the baccalaureate degrees when the facilities of the college permitted and the State Board approved.

In 1937, the State Board of Education authorized the President of the University to submit curricula extending through four years and leading to the baccalaureate degrees. Four-year curricula in the liberal arts, teacher education, business administration, music, the social sciences, and health and physical education were submitted to the State Board and were formally approved. The first degrees were conferred in May, 1939.

On July 15, 1970, the Hon. John J. McKeithen, Governor of the State of Louisiana, signed the legislative act changing the name of the institution to Southeastern Louisiana University.

The 1974 Constitution of the State of Louisiana created the Louisiana State Board of Regents with certain powers, duties, and responsibilities relative to all public institution of higher education in the State of Louisiana. The 1974 Constitution also established three higher education management boards, placing the University under the Board of Trustees for State Colleges and Universities (now known as the University of Louisiana System).

Act 915 of the 2008 Regular Session of the Louisiana Legislature ("Act 915") authorized Louisiana public postsecondary institutions through their governing boards to assess a certain percentage tuition increase based on the disparity of the institution's tuition rate compared to their peers in the South as reported by the Southern Regional Education Board (SREB). For the first time, the Legislature authorized a rate increase to be applied over multiple years for undergraduates and certificate students. The University was permitted to raise tuition up to five percent (5%) per year for four (4) years (2008-09, 2009-10, 2010-11 and 2011-12).

Act 741 of the 2010 Regular Session of the Louisiana Legislature, titled the Louisiana Granting Resources and Autonomy for Diplomas (LaGRAD) Act, built on the precedent set by Act 915 by authorizing tuition increases of up to ten percent (10%) annually for six (6) years based on continual performance improvement of schools and universities. The tuition-for-performance authority created a longer term budget planning capability that had not existed under periodic, one-time approvals of rate increases. The LaGRAD Act was amended by Act 418 of the 2011 Regular Session of the Louisiana Legislature by adding an extensive array of administrative autonomies similar to those of other universities in other states, such as procurement, investment flexibility, risk management and facility project management.

The University's financial statements can be accessed at <http://www.southeastern.edu/admin/controller/annual-reports/index.html>.

For summary financial and statistical information regarding the University, see "APPENDIX A – DEMOGRAPHIC AND SUMMARY FINANCIAL INFORMATION RELATED TO THE UNIVERSITY."

In accordance with its Articles of Incorporation, the Corporation may specifically engage in acquiring, constructing, developing, managing, leasing, mortgaging, or conveying student housing and other facilities on the campus of the University.

PLAN OF REFUNDING

On the Closing Date, the Trustee will fund the Escrow Fund with such amounts from the proceeds of the Series 2013 Bonds, that, together with transfers from certain Series 2004 Bond funds and a Board Contribution, will be sufficient to pay in full all principal of and interest on the Series 2004A Bonds on August 1, 2014 (the “**Redemption Date**”). For a list of the Series 2004A Bonds, see “**APPENDIX E – SCHEDULE OF SERIES 2004A BONDS**.” Prior to the Redemption Date, moneys in the Escrow Fund will be invested in accordance with the Escrow Agreement.

THE SERIES 2004 BONDS

The Series 2004A Bonds, along with the Series 2004B Bonds were issued on August 13, 2004 to finance the New Facilities (as hereinafter defined) and refinance existing debt related to the Existing Facilities (as hereinafter defined). The Series 2004A Bonds will be refunded in full with the proceeds of the Series 2013 Bonds, along with certain other funds available therefor. The Series 2004B Bonds, in the current outstanding amount of \$15,000,000, will remain outstanding and will be secured by and payable from Series 2004 Lawfully Available Funds, on a parity with the Series 2013 Bonds.

The following table sets forth the sources and uses of funds in connection with the issuance of the Series 2013 Bonds:

THE HOUSING FACILITIES

The Housing Facilities encompass all of the University's on-campus housing, including Zachary Taylor Hall and the University's apartment-style housing, Southeastern Oaks and The Village (the "**Existing Facilities**"), along with newly constructed student housing facilities containing a total of 1,509 beds and a renovated Cardinal Newman Hall containing 94 beds, as well as related common area facilities, such as laundry rooms, community meeting rooms and tenant mail facilities (the "**New Facilities**" and together with the Existing Facilities, the "**Housing Facilities**"). Since the completion of the New Facilities in 2005, occupancy in the Housing Facilities has been at or near capacity. See "**SOURCES OF PAYMENT FOR THE SERIES 2013 BONDS – Housing Occupancy**" herein.

After substantial completion but prior to final acceptance, the University discovered certain defects in the construction of the New Facilities. The Corporation retained a construction expert and began to mitigate and repair the defects, while simultaneously filing suit against the developer/general contractor. The litigation was resolved and a substantial contribution was made by the Corporation to the Replacement Fund held pursuant to the Original Indenture. After several inspections of the New Facilities, the Corporation made, and continues to make, the necessary repairs and modifications to the New Facilities and, while no assurances can be given, the Corporation believes the monies available in the Replacement Fund will be sufficient to repair the New Facilities. At no point during the repairs has occupancy decreased and it is expected that any future repairs can be addressed with minimal impact to the occupants of the New Facilities.

See "**SOURCES OF PAYMENT FOR THE SERIES 2013 BONDS – Funds and Accounts- Replacement Fund**" for the current balance in the Replacement Fund available to make repairs to the Housing Facilities and "**SOURCES OF PAYMENT FOR THE SERIES 2013 BONDS – Funds and Accounts- Receipts Fund**" for a description of the annual funding requirements for the Replacement Fund pursuant to the terms of the Indenture.

The University manages the Housing Facilities, through University Housing, a department within Auxiliary Services and the Division of Administration and Finance.

THE SERIES 2013 BONDS

General

The Series 2013 Bonds will be dated as of the date of issuance and delivery of the Series 2013 Bonds, and will bear interest at the rates per annum and mature on August 1 in the years and in the principal amounts indicated on the inside cover page of this Official Statement. Interest on the Series 2013 Bonds will be payable on each August 1 and February 1, commencing February 1, 2014.

The Series 2013 Bonds will be issued as fully registered bonds, without coupons, in denominations of \$5,000 or any integral multiple thereof. The Series 2013 Bonds shall be issued initially as one certificate per maturity as set forth on the inside cover page hereof and shall be numbered from No. R-1 upwards. The Series 2013 Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company ("**DTC**"), New York, New York, which will act as the securities depository for the Series 2013 Bonds. Purchasers of the Series 2013 Bonds will not receive certificates representing their interest in the Series 2013 Bonds purchased. Purchases of the beneficial interests in the Series 2013 Bonds will be made in book-entry only form in authorized denominations by credit to participating broker-dealers and other institutions on the books of DTC as described herein. Any purchaser of beneficial interests in the Series 2013 Bonds must maintain an account with a broker or dealer who is, or acts through, a DTC Participant in order to receive payment of the principal of, premium, if any, and interest on such Bonds. See "**THE SERIES 2013 BONDS – Book-Entry Only System**" herein.

The principal of, and premium, if any, of the Series 2013 Bonds will be payable to the registered owners thereof upon surrender of the Series 2013 Bonds at the principal corporate trust office of the Trustee. The interest on the Series 2013 Bonds, when due and payable, will be paid by check or draft mailed by the Trustee on such due date to each person in whose name a Bond is registered, at the address(es) as they appear on the Bond Register maintained by the Trustee at the close of business on the applicable Record Date irrespective of any transfer or

exchange of the Series 2013 Bonds subsequent to such Record Date and prior to such Interest Payment Date, unless the Authority shall default in payment of interest due on such Interest Payment Date, provided that the owners of \$1,000,000 or more in aggregate principal amount of Series 2013 Bonds may request payment by wire transfer if such owners have requested such payment in writing to the Trustee, which request shall be made no later than the Record Date and shall include all relevant bank account information and shall otherwise be acceptable to the Trustee. Such notice will be irrevocable until a new notice is delivered not later than a Record Date. In the event of any such default, such defaulted interest will be payable on a payment date established by the Trustee to the persons in whose names the Series 2013 Bonds are registered at the close of business on a special record date for the payment of such defaulted interest established by notice mailed by the Trustee to the registered owners of the Series 2013 Bonds not fewer than fifteen (15) days preceding such special record date. Payment as aforesaid will be made in such coin or currency of the United States of America as, at the respective times of payment, is legal tender for the payment of public and private debts.

In the event any outstanding Series 2013 Bond, whether temporary or definitive, is mutilated, lost, stolen or destroyed, the Authority may execute and, upon its request, the Trustee may authenticate a new Series 2013 Bond of the same principal amount and of like tenor as the mutilated, lost or stolen or destroyed Series 2013 Bond; provided that, in the case of any mutilated Series 2013 Bond, such mutilated Series 2013 Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Series 2013 Bond, there shall be first furnished to the Authority and the Trustee evidence of such loss, theft or destruction in form satisfactory to the Authority and the Trustee, together with indemnity satisfactory to them. In the event any such Series 2013 Bond shall have matured, instead of issuing a substitute Series 2013 Bond the Authority may authorize the payment of the same. The Authority and the Trustee may charge the owner of such Series 2013 Bond with their reasonable fees and expenses in this connection.

Redemption Prior to Maturity

Optional Redemption. The Series 2013 Bonds maturing August 1, 2024 and thereafter, will be subject to redemption prior to maturity, at the option of the Corporation, upon written direction to the Authority, on or after August 1, 2023 as a whole at any time or in part on any Interest Payment Date, the maturity of said Series 2013 Bonds to be redeemed to be designated by the Corporation and selected within a maturity by the Trustee in such manner as the Trustee may determine, and at the redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date.

Extraordinary Redemption. The Series 2013 Bonds will be redeemed as a whole or in part (in an integral multiple of \$5,000) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds, condemnation award or payment in lieu of condemnation with respect to the Housing Facilities will not be applied to the restoration, repair or reconstruction of the Housing Facilities at a price equal to the principal amount of the Series 2013 Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, in an aggregate principal amount equal to the amount of such insurance proceeds, condemnation award or payment in lieu of condemnation not used for restoration, repair or reconstruction. If in part, the Series 2013 Bonds to be redeemed will be in the inverse order of their maturity and selected within a maturity by the Trustee in such manner as the Trustee may determine. If the amount of any insurance proceeds, condemnation award or payment in lieu of condemnation to be applied in redemption of the Series 2013 Bonds is not an integral multiple of \$5,000, the principal amount of Series 2013 Bonds to be redeemed will be decreased to the next lower multiple of \$5,000.

Mandatory Sinking Fund Redemption. The Series 2013 Bonds maturing on August 1, 2026, will be subject to mandatory redemption and payment prior to maturity on August 1 in each of the years set forth below, at 100% of the principal amounts plus accrued interest to the redemption date, without premium, as follows:

| Redemption Date (August 1) | Principal Amount |
|---------------------------------------|-----------------------------|
| 2025 | \$4,295,000 |
| 2026* | 170,000 |

* Final Maturity

Partial Redemption of Series 2013 Bonds

Unless otherwise specified above, if fewer than all of the Series 2013 Bonds are called for redemption, the Series 2013 Bonds to be redeemed will be in inverse order of their maturity, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Series 2013 Bond to be redeemed will be in the principal amount of an Authorized Denomination. If a portion of any Series 2013 Bond is called for redemption, a new Series 2013 Bond in a principal amount equal to the unredeemed portion thereof will be issued to the registered owner upon the surrender thereof.

Notice of Redemption

At least thirty (30) days before the redemption date of any Series 2013 Bonds, the Trustee will cause a notice of any such redemption, signed by an authorized officer of the Trustee, to be mailed, postage prepaid to all Bondholders of record owning Series 2013 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register but any defect in mailing of any such notice will not affect the validity of the proceedings for such redemption. Each notice will set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2013 Bonds then outstanding shall be called for redemption, the numbers of such Series 2013 Bonds to be redeemed and, in the case of Series 2013 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2013 Bond is to be redeemed in part only, the notice of redemption will also state that on and after the redemption date, upon surrender of such Series 2013 Bond, a new Series 2013 Bond in principal amount equal to the unredeemed portion of such Series 2013 Bond will be issued.

On the date so designated for redemption, notice having been given in the manner and under the conditions hereinabove provided and money for payment of the redemption price being held in the Series 2013 Debt Service Fund in trust for the owners of the Series 2013 Bonds or portions thereof to be redeemed to the extent provided in the next paragraph, the Series 2013 Bonds so called for redemption will become due and payable at the redemption price provided for redemption of such Series 2013 Bonds or portions of Series 2013 Bonds on such date, interest on the Series 2013 Bonds or portions of Series 2013 Bonds called for redemption will cease to accrue, such Series 2013 Bonds or portions of Series 2013 Bonds will cease to be entitled to any benefit or security under the Indenture, and the owners of such Series 2013 Bonds or portions of Series 2013 Bonds will not have rights in respect thereof except to receive payment of the redemption price, and, in the case of a partial redemption, to receive Series 2013 Bonds for any unredeemed portion of Series 2013 Bonds.

In case part, but not all, of an Outstanding Series 2013 Bond shall be selected for redemption, the registered owner thereof or his legal representative shall present and surrender such Series 2013 Bond to the Trustee for payment of the principal amount thereof so called for redemption, and the Trustee will authenticate and deliver to or upon the order of such registered owner or his legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Series 2013 Bond so surrendered, a new Series 2013 Bond.

Series 2013 Bonds and portions of Series 2013 Bonds that have been duly called for redemption under the provisions of the Indenture, or with respect to which irrevocable instructions to call for redemption have been given to the Trustee in form satisfactory to it, and for the payment of the redemption price for which moneys, or Defeasance Obligations, will be held by the Trustee in a segregated account in trust for the owners of the Series 2013 Bonds or portions thereof to be redeemed, will not thereafter be deemed to be outstanding under the provisions of the Indenture and will cease to be entitled to any security or benefit under the Indenture other than the right to receive payment from such moneys.

Book-Entry Only System

THE INFORMATION IN THIS SECTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM SOURCES THAT THE AUTHORITY BELIEVES TO BE RELIABLE, BUT THE AUTHORITY TAKES NO RESPONSIBILITY FOR THE ACCURACY THEREOF.

The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Series 2013 Bonds. The Series 2013 Bonds will be issued as fully-registered securities registered in the name of Cede &

Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered bond will be issued for each maturity and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("**Direct Participants**") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("**DTCC**"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("**Indirect Participants**"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2013 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2013 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2013 Bond ("**Beneficial Owner**") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2013 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2013 Bonds, except in the event that use of the book-entry system for the Series 2013 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2013 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2013 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2013 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2013 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Beneficial Owners of Series 2013 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2013 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the security documents. For example, Beneficial Owners of Series 2013 Bonds may wish to ascertain that the nominee holding the Series 2013 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2013 Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2013 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2013 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2013 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2013 Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2013 Bond certificates are required to be printed and delivered.

The Authority may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Series 2013 Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Authority believes to be reliable, but the Authority takes no responsibility for the accuracy thereof.

Notwithstanding any other provision described herein or contained in the Indenture to the contrary, so long as any Series 2013 Bond is registered in the name of the nominee of DTC, all payments with respect to the principal of and interest on such Series 2013 Bond will be made and given, respectively, to the nominee or DTC in the manner provided in the Blanket Letter of Representation entered into between DTC and the Authority.

In connection with any notice or communication to be provided to Bondholders pursuant to the Indenture by the Authority or the Trustee with respect to any consent or other action to be taken by Bondholders, the Authority, or the Trustee, as the case may be, will establish a record date for such consent or other action and give the nominee or DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

NEITHER THE AUTHORITY, THE CORPORATION, THE BOARD, THE UNIVERSITY, NOR THE TRUSTEE HAS ANY RESPONSIBILITY OR OBLIGATIONS TO THE DTC PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (A) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (B) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND INTEREST ON THE SERIES 2013 BONDS; (C) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE INDENTURE TO BE GIVEN TO BONDHOLDERS; (D) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2013 BONDS; OR (E) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC, OR ITS NOMINEE, CEDE & CO., AS REGISTERED BONDHOLDER.

Series 2013 Bonds Are Limited Obligations

THE SERIES 2013 BONDS ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE AUTHORITY PAYABLE SOLELY FROM PAYMENTS RECEIVED BY THE AUTHORITY FROM THE

CORPORATION PURSUANT TO THE LOAN AGREEMENT. THE SERIES 2013 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OR PLEDGE OF THE GENERAL CREDIT OF THE STATE, THE BOARD, THE UNIVERSITY OR ANY POLITICAL SUBDIVISION OF THE STATE (OTHER THAN THE AUTHORITY). THE BOARD HAS AGREED, PURSUANT TO THE FACILITIES LEASE, TO MAKE PAYMENTS OF BASE RENTAL TO THE CORPORATION ON BEHALF OF THE UNIVERSITY. THE PAYMENTS RECEIVED BY THE AUTHORITY FROM THE CORPORATION UNDER THE LOAN AGREEMENT ARE LIMITED TO THE AMOUNT OF BASE RENTAL RECEIVED BY THE CORPORATION FROM THE BOARD. THE AUTHORITY HAS NO POWER TO TAX.

THE GROUND LEASE

General

The Ground Lease will be entered into between the Board, on behalf of the University, as Lessor, and the Corporation, as Lessee, for lease of the Property and the Series 2007 Land. As a consideration for the Ground Lease, the Corporation will agree to perform its obligations under the Facilities Lease and all other documents contemplated by and ancillary to the Ground Lease and the Facilities Lease.

The Corporation's obligations under the Ground Lease may be suspended if by reason of *force majeure*, as described in the Ground Lease, the Corporation is unable to carry out such obligations.

Default and Remedies

Each of the following is an Event of Default under the Ground Lease:

(a) The Corporation shall fail to pay any sum required to be paid to the Board under the terms and provisions of the Ground Lease and such failure shall not be cured within thirty (30) days after the Corporation's receipt of written notice from the Board of such failure.

(b) The taking by execution of the Corporation's leasehold estate (other than a foreclosure of the Mortgage) for the benefit of any Person.

(c) The Corporation shall fail to perform any other covenant or agreement, other than the payment of money, to be performed by the Corporation under the terms and provisions of the Ground Lease and such failure shall not be cured within ninety (90) days after receipt of written notice from the Board of such failure; provided that if during such ninety (90) day period, the Corporation takes action to cure such failure but is unable, by reason of the nature of the work involved, to cure such failure within such period and continues such work thereafter diligently and without unnecessary delays, such failure shall not constitute an Event of Default hereunder until the expiration of a period of time after such ninety (90) day period as may be reasonably necessary to cure such failure.

(d) A court of competent jurisdiction shall enter an order for relief in any involuntary case commenced against the Corporation, as debtor, under the Federal Bankruptcy Code, as now or hereafter constituted, or the entry of a decree or order by a court having jurisdiction over the Housing Facilities, the Series 2007 Facilities and the Stadium Expansion appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator, or other similar official of or for the Corporation or any substantial part of the properties of the Corporation or ordering the winding up or liquidation of the affairs of the Corporation, and the continuance of any such decree or order unstayed and in effect for a period of ninety (90) consecutive days.

(e) The commencement by the Corporation of a voluntary case under the Federal Bankruptcy Code, as now or hereafter constituted, or the consent or acquiescence by the Corporation to the commencement of a case under such Code or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator, or other similar official of or for the Corporation or any substantial part of the properties of the Corporation.

Upon the occurrence and during the continuance of an Event of Default, the Board will be permitted to seek any and all damages occasioned by the Event of Default or may seek any other remedies available at law or in equity, including specific performance.

Notwithstanding any provision of law of the Ground Lease to the contrary, except as set forth in the Ground Lease, the Board will not have the right to terminate the Ground Lease prior to its Expiration Date. However, in the event there is an Event of Default by the Corporation thereunder, the Board will have the right to terminate the Corporation's right to occupancy of the Property, the Housing Facilities, the Series 2007 Land and the Series 2007 Facilities, except that the Housing Facilities and the Series 2007 Facilities, at the option of the Board, shall remain thereon. The Board will have the right upon ninety (90) days' written notice of the opportunity to cure provided to the Series 2004 Bond Insurer and the Series 2007 Bond Insurer (collectively, the "**Bond Insurer**") and the Trustee, to take possession of the Property, the Housing Facilities and the Series 2007 Facilities and to re-let the Property, the Housing Facilities and the Series 2007 Facilities or take possession in its own right for the remaining Term of the Ground Lease upon such terms and conditions as the Board is able to obtain. Upon such re-letting, the Corporation will agree to release its leasehold interest and all of its rights under the Ground Lease and the Facilities Lease to the new lessee of the Property (or to the Board, if the Board wishes to remain in possession on its own behalf) in consideration for the new lessee (or the Board, if applicable) agreeing to assume all of the Corporation's obligations under the Ground Lease, the Facilities Lease, and under any debt incurred by or for the Corporation in connection with the construction of the Housing Facilities and the Series 2007 Facilities.

THE FACILITIES LEASE

General

Under the Facilities Lease, the Corporation will lease the Housing Facilities and the Series 2007 Facilities to the Board.

Rental

The Board will agree to pay Base Rental and Additional Rental as set forth in the Facilities Lease. The Base Rental amount payable from Series 2004 Lawfully Available Funds will be an amount equal to the principal of, premium, if any, and interest due on the Series 2013 Bonds, the Series 2004B Bonds and any Additional Bonds (as hereinafter defined), payable prior to the dates that such debt shall become due and payable. The Base Rental will also include any amounts required to be paid into any funds established in the Indenture, including the Series 2004 Debt Service Reserve Fund or to make up any deficiency or to restore any loss resulting from investment and any other payment required to be made to such fund by the Indenture.

In addition, the Board will agree to pay from Series 2004 Lawfully Available Funds as Additional Rental any and all expenses incurred by or on behalf of the Corporation on behalf of the Board and/or by the Board in the management, operation, ownership, and/or maintenance of the Housing Facilities, owed to the Authority or the Trustee.

The Board will also be obligated pursuant to the Facilities Lease to make payments of Base Rental and Additional Rental from Student Parking Fees and Auxiliary Revenues, to make payments related to the Series 2007 Bonds and the Series 2007 Facilities.

Extraordinary Rental Payments

Pursuant to the Facilities Lease, the Board will covenant to make an extraordinary rental payment to refund a portion of the Series 2004A Bonds from funds on hand or collected by the Board in an amount not to exceed \$9,000,000.

Rate Maintenance Covenant

The Board will covenant and agree to maintain a Debt Service Coverage Ratio for the Housing Facilities of not less than 1.10:1.00 and a Debt Service Coverage Ratio for the University of not less than 1.25:1.00. The Board will further covenant in the Facilities Lease that, as long as any bonds, notes, or lease obligations remain outstanding that are payable from Series 2004 Lawfully Available Funds, if the Debt Service Coverage Ratio for the Housing Facilities falls below 1.10:1.00 or the Debt Service Coverage Ratio for the University falls below 1.25:1.00, the Board will use its best efforts to raise its fees, rentals, rates and charges relating to the Housing Facilities so that

within two (2) full semesters after either of the Debt Service Coverage Ratio for the Housing Facilities or the Debt Service Coverage Ratio for the University becomes deficient, the Debt Service Coverage Ratio for the Housing Facilities equals 1.10:1.00 and the Debt Service Coverage Ratio for the University equals 1.25:1.0. At the end of two (2) full semesters, if the Debt Service Coverage Ratio for the Housing Facilities is still below 1.10:1.00 or the Debt Service Coverage Ratio for the University is still below 1.25:1.00, the Board will hire an outside consultant, approved by the Series 2004 Bond Insurer, and the Board will follow any reasonably feasible recommendations of such consultant regarding the operation and management of the Housing Facilities, including raising fees and rents, reducing expenses and, if necessary, increasing the average occupancy rate through strict enforcement of parictal rules requiring students to reside on campus and, to the extent legally possible, revising parictal rules requiring students to increase the number of students required to reside on campus. So long as the Board is working in good faith with such consultant to increase any deficient Debt Service Coverage Ratio for the Housing Facilities or any deficient Debt Service Coverage Ratio of the University, there will not be an Event of Default under the Facilities Lease unless (i) the Debt Service Coverage Ratio for the Housing Facilities is less than 1.00 to 1.00 at the end of the Fiscal Year, or (ii) the Debt Service Coverage Ratio of the University is less than 1.10 to 1.00 for two (2) full consecutive semesters after retention of an outside consultant by the Board. For purposes of the foregoing, when establishing such fees, rentals, rates and charges and calculating the Debt Service Coverage Ratio for the Housing Facilities and the Debt Service Coverage Ratio for the University, the Board will take into account payments required to be made into the Series 2004 Debt Service Reserve Fund and the Series 2013 Debt Service Reserve Fund pursuant to the provisions of the Indenture. The Board will further covenant that it will seek any required approval necessary in order to comply with the covenant described under this subheading.

Additional Student Housing Facilities/Additional Debt

The University will not build, acquire or renovate any similar student housing facilities, whether such facilities are owned by the University or a private entity, unless (i) the Housing Facilities have met a Debt Service Coverage Ratio for the Housing Facilities of at least 1.25:1.00 for the prior Fiscal Year, (ii) the Housing Facilities are projected to meet a Debt Service Coverage Ratio of at least 1.25:1.00 for the Housing Facilities for the two Fiscal Years following the projected completion of the proposed facility and (iii) based on a market analysis prepared by a market research company with experience in student or multi-family housing, which is independent from the University, the University's proposed project is not expected to have a material adverse effect on the Housing Facilities. Such additional student housing facilities owned or leased by the Board or the Corporation shall be incorporated with the Housing Facilities into a single housing system so that such additional student housing facilities and all revenues derived therefrom shall secure the Series 2013 Bonds, and the Housing Facilities and the revenues derived therefrom, including all Series 2004 Lawfully Available Funds derived from the Facilities Lease, will secure any debt incurred to finance such additional student housing facilities. In addition, the Mortgage (as defined in the Indenture) shall be amended to encumber any such additional student housing facilities and any revenues derived therefrom to secure the Series 2013 Bonds, the Series 2004B Bonds and any bonds hereinafter issued and payable from Series 2004 Lawfully Available Funds and any debt incurred to finance such additional housing facilities.

Undergraduate Residency Requirement

So long as any Series 2004 Bonds remain outstanding, the University will maintain its policy of requiring all unmarried, full-time undergraduate students with less than sixty (60) credit hours to live in on-campus residence halls. It is understood that the University currently permits certain exceptions to that policy and, except as set forth above, the University may continue to permit those exceptions but it shall make no voluntary revisions to such policy that would reduce the number of students required to live in on-campus residence halls (including, without limitation, reducing the number of credit hours to less than sixty (60), increasing the course-load required for status as a "full-time" student or modifying any existing exemptions from the policy), until the Series 2004 Bonds have been paid in full or the Series 2004 Bond Insurer consents in writing to a change in such policy.

Insurance

The University, at the direction of the Board, will secure and maintain or cause to be secured and maintained at the University's cost and expense:

(i) A policy or policies of insurance covering the Housing Facilities and the Series 2007 Facilities (collectively, the “**Facilities**”) against loss or damage by fire, lightning, earthquake, collapse, vandalism and malicious mischief, flood and storm surge, and against such other perils as are included in so-called “extended coverage” and against such other insurable perils as, under good insurance practice, from time to time are insured for properties of similar character and location, which insurance will be required to be not less than the full replacement cost of the Facilities, without deduction for depreciation. In the event that the Facilities are not repaired or replaced, insurance proceeds will be no greater than the actual cash value (replacement cost less depreciation) of the Facilities at the time of the loss. The policy will be required to comply with any applicable co-insurance provisions of such insurance policy. Full payment of insurance proceeds shall not be contingent on the degree of damage sustained at other facilities leased by the Board. The policy or policies covering such loss must explicitly waive any co-insurance penalty.

(ii) A policy of comprehensive public liability insurance with respect to the Facilities and the operations related thereto, whether conducted on or off the Facilities, against liability for personal injury (including bodily injury and death) and property damage, of not less than \$2,000,000 in combined single limit liability coverage. Such comprehensive public liability insurance shall specifically include, but shall not be limited to, sprinkler leakage legal liability, water damage legal liability, motor vehicle liability for all owned and non-owned vehicles, including rented or leased vehicles.

(iii) Boiler and machinery insurance coverage against loss or damage by explosion of steam boilers, pressure vessels and similar apparatus, but only if steam boilers, pressure vessels or similar apparatus are installed on the Facilities, in an amount not less than \$5,000,000 with deductible provisions not exceeding \$100,000 per accident.

(iv) Workers’ compensation insurance issued by a responsible carrier authorized under the laws of the State to insure employers against liability for compensation under the Labor Code of the State, or any act hereafter enacted as an amendment thereto or in lieu thereof, such workers’ compensation insurance to cover all persons employed by the Corporation in connection with the Facilities and to cover full liability for compensation under any such act aforesaid.

(v) A policy of rental interruption insurance in the amount of at least one (1) year’s rental in the event of loss of or damage to the Facilities.

All insurance required in the Facilities Lease and all renewals of such insurance (excepting self insurance or commercial insurance through ORM) will be issued by commercial insurers authorized to transact business in the State, and rated at least A- by Best’s Insurance Reports (property/liability) or in the two highest rating categories of S&P and Moody’s. All insurance policies provided or caused to be provided by the Corporation will expressly provide that the policies will not be canceled or altered without thirty (30) days’ prior written notice to the University and the Trustee; and will, to the extent obtainable, be required to provide that no act or omission of the Corporation or other provider of insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained.

All policies of liability insurance that the University will be obligated to maintain according to the Facilities Lease (other than any policy of worker’s compensation insurance) will be required to name the Corporation, the Trustee, and such other Persons or firms as the Board specifies from time to time as additional insureds and will be required to expressly provide that the policies shall not be cancelled or altered without thirty (30) days’ prior written notice to the Corporation and the Trustee and will, to the extent obtainable, be required to provide that no act or omission of the University that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained. All public liability, property damage liability, and casualty policies maintained by the University will be required to be written as primary policies.

Proceeds of insurance received and/or the amount of any loss that is self-insured through ORM with respect to destruction of or damage to any portion of the Facilities by fire, earthquake, or other casualty or event will be required to be paid to the Trustee (or in the case of ORM insurance, to the Board for delivery in full to the Trustee) for application in accordance with the provisions of the Facilities Lease and the Indenture.

Condemnation, Casualty, and Other Damage

The risk of loss or decrease in the enjoyment and beneficial use of the Facilities due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively, “**Casualty**”) or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Facilities by condemnation, expropriation, or eminent domain proceedings (collectively, “**Expropriation**”) is expressly assumed by the Board. The Corporation and the Trustee will in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental or any other obligation under the Facilities Lease.

Application of Insurance Proceeds: Condemnation Award

If, during construction, all or any portion of the Facilities is damaged or destroyed by a Casualty, or is taken by Expropriation proceedings, the Board will instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation will in no way be liable for any costs of the repair, restoration, or replacement of the Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. Following the completion of construction and acceptance of the Facilities by the Board on behalf of the Corporation, the Board will, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted, the repair, restoration, or replacement thereof. The proceeds of any insurance, including the proceeds of any self-insurance fund, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction, or taking of all or any portion of the Facilities will be required to be delivered to the Trustee and held by the Trustee in a special account to be established upon receipt of any such funds and held by the Trustee in trust (or in the case of self insurance through ORM, as set forth below), and will be made available for, and to the extent necessary be applied to, such restoration, repair, and replacement. Any amounts so held by the Trustee will be required to be disbursed to pay the costs of restoration, replacement, and repair of the Facilities with respect to which they shall be held, in each case promptly after receipt of a written request of the Corporation stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing, repairing, or restoring the Facilities and that no amount previously shall have been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee will be permitted to rely conclusively upon such written requests and will have no liability or responsibility to investigate any matter stated therein or for any inaccuracy or misstatement therein. In no event will the Trustee be responsible for the adequacy of the plans and specifications or the construction contract relating to the replacement, restoration, or repair of the Facilities or for the improper use of moneys properly disbursed pursuant to request made under the Facilities Lease. Any proceeds remaining on deposit with the Trustee following completion of the repairs, restoration, or replacement of the Facilities will be required to be paid by the Trustee in accordance with the terms of the Indenture.

In the event the proceeds of any insurance, and any additional funds deposited with the Trustee, are insufficient to fully repair, restore, or replace the Facilities, the proceeds shall be paid to the Trustee and used to redeem the Outstanding Bonds.

Notwithstanding the foregoing, the Corporation’s obligation to replace the Facilities in the event of Expropriation Proceedings will be dependent on the Board’s entering into a lease with a different portion of the campus of the University as provided in the Ground Lease. In the event it is necessary to restore or replace the Facilities in a different location because of the Expropriation of all or a portion of the Facilities, the Corporation and the Board will amend or enter into a new Facilities Lease and Ground Lease in accordance with the Ground Lease. In the event the Board, pursuant to the Ground Lease, decides not to repair, restore or replace the Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) will be paid to the Board for immediate delivery to the Trustee and applied to the prepayment of the Bonds in accordance with the terms of the Indenture, and the Facilities Lease and the Ground Lease will terminate.

In the event that ORM insures the Facilities, the Board will use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for

payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration, or replacement of the Facilities.

Default by the Board

If (i) the Board fails to deposit with the Trustee any Base Rental payment required to be so deposited pursuant to the Facilities Lease by the close of business on the day such deposit is required pursuant to the Facilities Lease, and fails to remedy such breach within five (5) days thereof, but in no event later than the date on which such payment is required to enable the Corporation to make payment on the Bonds (without use of moneys held in the Debt Service Reserve Fund), or (ii) the Board shall fail to pay or discharge any monetary obligation under the Facilities Lease (other than the payment of Base Rental) as and when due, or within thirty (30) days after receipt of Notice from the Corporation that such sums are due and owing; or (iii) the Board shall breach any non-monetary terms, covenants, or conditions therein in connection with the Facilities, and shall fail to remedy any such breach with all reasonable dispatch within a reasonable period of time (or such longer period as the Trustee may approve) after written notice thereof from the Corporation to the Board, then and in any such event the Board will be deemed to be in default under the Facilities Lease, and the Corporation will have the right, at its option, without any further demand or notice to terminate the Facilities Lease on the earliest date permitted by law or on any later date specified in any Notice given to the Board in which case the Board's right to possession of the Facilities will cease, and the Facilities Lease will be terminated, without, however, waiving the Corporation's right to collect all Rental and other payments due or owing for the period up to the time the Corporation regains possession (which have been approved for payment under the Facilities Lease, but not paid by the Board), and to enforce other obligations of the Board that survive termination of the Facilities Lease, and in such event the Corporation may without any further demand or notice re-enter the Facilities and eject all parties in possession thereof, subject to the rights of students, faculty, staff and Permitted Sublessees. The foregoing remedies of the Corporation are in addition to and not exclusive of any other remedy of the Corporation. Any such re-entry will be allowed by the Board without hindrance, and the Corporation will not be liable in damages for any such re-entry or be guilty of trespass. The Corporation will agree that upon its termination of the Board's right to possession of the Facilities or termination of the Facilities Lease, the Corporation upon its re-entry of the Facilities will only be allowed to use the Facilities for the Permitted Use and will be subject to all applicable Governmental Regulations heretofore or hereafter enacted by any Governmental Authority relating to the use and operation of the Facilities.

Notwithstanding any other provision of the Facilities Lease, (i) in no event will the Corporation have the right to accelerate the payment of any Base Rental payment under the Facilities Lease, and (ii) the Series 2004 Bond Insurer and/or the Series 2007 Bond Insurer will have ninety (90) days to cure an Event of Default thereunder.

Notwithstanding anything contained in the Facilities Lease to the contrary, a failure by the Board to pay when due any payment required to be made under the Facilities Lease or a failure by the Board to observe and perform any covenant, condition, or agreement on its part to be observed or performed under the Facilities Lease, resulting from a failure by the Board to appropriate moneys will not constitute an Event of Default thereunder, and the Corporation will not have any of the remedial rights set forth in the Facilities Lease. Notwithstanding the foregoing, in such event, the Facilities Lease will terminate and the Board will immediately vacate the Facilities and deliver the Facilities to the Corporation.

Cumulative Remedies

Each right and remedy provided for in the Facilities Lease is cumulative and will be in addition to every other right or remedy provided for in the Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by the Corporation of any one or more of the rights or remedies provided for in the Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise will not preclude the simultaneous or later exercise by the Corporation of any or all other rights or remedies provided for in the Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise. All costs incurred by the Corporation in collecting any amounts and damages owing by the Board pursuant to the provisions of the Facilities Lease or to enforce any provision of the Facilities Lease, including reasonable Litigation Expenses from the date any such matter is turned over to an attorney, whether or not one or more actions are commenced by the Corporation, will also be recoverable by the Corporation from the Board. The waiver by the Corporation of any breach by the Board and the waiver by

the Board of any breach by the Corporation of any term, covenant, or condition of the Facilities Lease will not operate as a waiver of any subsequent breach of the same or any other term, covenant, or condition thereof.

Non-Appropriation of Funds

In the event no funds or insufficient funds are lawfully appropriated in its budget process in any Fiscal Year enabling the payment of Base Rental and Additional Rental due during the next succeeding Fiscal Year, the Board will immediately notify the Corporation and the Trustee of such occurrence. On the first day of the month following the Base Rental payment date on which the last payment of Base Rental can be made in full from Lawfully Available Funds, the Facilities Lease will terminate without penalty or expense to the Board of any kind whatsoever, except as to the portions of Base Rental and Additional Rental payments therein agreed upon for Fiscal Years for which sufficient funds shall have been lawfully appropriated. In the event of such termination, the Board will peaceably surrender possession of the Facilities to the Corporation on the date of such termination in its original condition (normal wear and tear excepted). The Corporation will have all legal and equitable rights and remedies to take possession of the Facilities and re-let or sell the Facilities as the Corporation determines and as granted in the Facilities Lease. The Board will acknowledge that the Corporation's rights to take possession and to re-let or sell the Facilities under the Facilities Lease may be assigned to the Trustee for the benefit of the owners of the Bonds, and the Board will agree that the Trustee will be entitled to exercise all of the rights of the Corporation under the Facilities Lease. The event of an inability by the Board to cause the appropriation of sufficient funds for the payment of sums due under the Facilities Lease will not constitute a default thereunder, but will, *ipso facto*, terminate the Facilities Lease. This provision will be operative notwithstanding any provisions of the Facilities Lease to the contrary. The Board will be considered in default thereunder if sufficient funds are lawfully appropriated for the payment of Rental required under the Facilities Lease and the Board fails to use lawfully appropriated funds for the payment of Rental. In such event, the Corporation will be entitled to the rights and remedies set forth in the Facilities Lease.

SOURCES OF PAYMENT FOR THE SERIES 2013 BONDS

The Series 2013 Bonds are payable solely from Series 2004 Lawfully Available Funds, which include all unrestricted funds available to the University and appropriated by the Board to make Rental Payments from any source, including Rents. The Series 2013 Bonds will be issued on a complete parity with the Series 2004B Bonds.

The State, through the Division of Administration, is not, at any time whatsoever, obligated, committed or required to provide funds by legislative appropriation or any other means to pay debt service on the Series 2013 Bonds or to support the continued operation and maintenance of the Facilities. The lease payments payable by the Board under the Facilities Lease are payable solely from Series 2004 Lawfully Available Funds as provided herein and the Board is not legally committed, obligated or required to make available any other funds to make the lease payments thereunder.

The University has experienced a waiting list for on-campus housing for the past six (6) fall semesters. In an effort to accommodate some of the demand, private rooms are being rented as shared spaces. As a result, occupancy has been at or near capacity for the sixth (6th) consecutive year.

Historical Debt Service Coverage

The Facilities Lease will require the Board to make Rental Payments to satisfy debt service requirements on the Series 2013 Bonds and the Series 2004B Bonds from Series 2004 Lawfully Available Funds, which include all unrestricted funds available to the University and appropriated by the Board to make Rental payments from any source, however, as a practical matter the Rents from the Housing Facilities will be the primary source for Rental payments. In addition, the rate maintenance covenant contained in the Facilities Lease requires the Board to meet certain coverage requirements for both the Housing Facilities and the University. See “**THE FACILITIES LEASE – Rate Maintenance Covenant**” herein. The following presentation shows the University’s Debt Service Coverage Ratio for the Housing Facilities for fiscal years 2009-2013.

Trust Estate

The Series 2013 Bonds are special limited obligations of the Authority payable from the Trust Estate held for the benefit of the Bondholders pursuant to the Indenture. The Series 2013 Bonds are not payable from any other revenues, funds, or assets of the Authority. The Trust Estate will include: (i) all right, title, and interest of the Authority in, to and under the Loan Agreement, the Ground Lease and the Facilities Lease, and (ii) moneys held in funds and accounts (other than the Rebate Fund) established pursuant to the Indenture. The obligation of the Board to make rental payments under the Facilities Lease is subject to, and dependent upon, the University's budgeting and appropriating funds necessary to make payments required under the Facilities Lease. Any discussion in this Official Statement concerning the Trust Estate or any other source of payment for the Series 2013 Bonds should be construed with respect to any particular Series 2013 Bond to be limited to the extent described in this paragraph. The Trustee has no authority to extend the time for any Payment of principal, premium, or interest without the prior written consent of or authorization of the owners of the Series 2013 Bonds so affected.

Mortgage

In connection with the issuance of the Series 2004 Bonds, the Corporation executed an Act of Mortgage, Assignment of Leases and Security Agreement dated August 13, 2004 in favor of the Trustee (the "Mortgage"). The Mortgage covers the leasehold interest in the Property and secures payments of the Series 2004 Bonds and any Additional Bonds, including the Series 2013 Bonds. The Corporation has additionally granted to the Trustee a first priority security interest in the leases and subleases affecting the Property and/or the Housing Facilities, including, without limitation, the Facilities Lease (collectively, the "Leases") and all revenues, rentals, and other sums due or becoming due under the Leases. Nevertheless, certain interests and claims of others may be on a parity with or prior to the grant of such security interest and certain statutes and other provisions may limit the Corporation's and the

Authority's rights to make such pledges, assignments, and/or grants of security interests. Examples of such claims, interests, and provisions are:

- (1) statutory liens;
- (2) the Louisiana Uniform Commercial Code may not recognize a security interest in future revenues derived from the Facilities;
- (3) constructive trusts, equitable liens, or other rights impressed or conferred by any state or federal court in the exercise of its equitable jurisdiction;
- (4) federal bankruptcy laws as they affect amounts earned with respect to the Facilities after any effectual institution of bankruptcy proceedings by or against the Corporation or the Authority;
- (5) as to those items in which a security interest can be perfected only by possession, including items converted to cash, the rights of third parties in such items not in the possession of the Trustee;
- (6) items not in possession of the Trustee, the records to which are located or moved outside the State of Louisiana, which are thereby not subject to or are removed from the operation of Louisiana law; and
- (7) the requirement that appropriate continuation statements be filed in accordance with the Louisiana Uniform Commercial Code as from time to time in effect.

Limitation of Authority's Obligations

THE SERIES 2013 BONDS ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE AUTHORITY PAYABLE SOLELY FROM PAYMENTS RECEIVED BY THE AUTHORITY FROM THE CORPORATION PURSUANT TO THE LOAN AGREEMENT. THE SERIES 2013 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OR PLEDGE OF THE GENERAL CREDIT OF THE STATE, THE BOARD, THE UNIVERSITY OR ANY POLITICAL SUBDIVISION OF THE STATE (OTHER THAN THE AUTHORITY). THE BOARD HAS AGREED, PURSUANT TO THE FACILITIES LEASE, TO MAKE PAYMENTS OF BASE RENTAL TO THE CORPORATION ON BEHALF OF THE UNIVERSITY. THE PAYMENTS RECEIVED BY THE AUTHORITY FROM THE CORPORATION UNDER THE LOAN AGREEMENT ARE LIMITED TO THE AMOUNT OF BASE RENTAL RECEIVED BY THE CORPORATION FROM THE BOARD. THE AUTHORITY HAS NO POWER TO TAX.

Funds and Accounts

The Indenture will create the following funds and accounts which will be held by the Trustee: (i) Series 2013 Bond Proceeds Fund, with a Series 2013 Costs of Issuance Account therein; (ii) Series 2013 Debt Service Fund, and the following accounts therein: (1) Interest Account and (2) Principal Account; (iii) Series 2013 Debt Service Reserve Fund; and (iv) Series 2013 Rebate Fund. In addition, the following funds previously established pursuant to the Original Indenture will be maintained and held for the common benefit of the Series 2013 Bonds and the Series 2004B Bonds: (i) Replacement Fund; (ii) Receipts Fund; and (iii) Surplus Fund.

Series 2013 Bond Proceeds Fund. On or prior to the Closing Date, the Series 2013 Bond Proceeds Fund will be used to receive the proceeds of the Series 2013 Bonds, transfers from certain Series 2004 Bond funds held by the Trustee and the Board Contribution. Any fund received prior to the Closing Date may be held uninvested. On the Closing Date, the Trustee will disburse amounts held in the Series 2013 Bond Proceeds Fund as follows:

- (a) to retain such sum in the Series 2013 Costs of Issuance Account as may be specified in the request and authorization delivered pursuant to the Indenture; and
- (b) to transfer to the Series 2013 Debt Service Reserve Fund an amount equal to the Series 2013 Debt Service Reserve Fund Requirement;

(c) to transfer to the Escrow Trustee for deposit to the Escrow Fund the balance of the proceeds of the Series 2013 Bonds and the Board Contribution.

Amounts deposited on the Closing Date into the Series 2013 Costs of Issuance Account of the Series 2013 Bond Proceeds Fund will be disbursed, pursuant to the written instructions of the Authority, to pay Costs of Issuance. The Trustee will be authorized and directed to pay such Costs of Issuance in accordance with payment instructions set forth in the respective invoices submitted to the Trustee for payment pursuant to such written instructions of the Authority. Any amounts remaining in the Series 2013 Costs of Issuance Account 180 days after delivery of the Series 2013 Bonds (and not specifically committed to pay additional Costs of Issuance) will be deposited into the Interest Account of the Series 2013 Debt Service Fund.

Series 2013 Debt Service Fund. The Trustee will deposit into the applicable account of the Series 2013 Debt Service Fund the amounts required by the Indenture.

Moneys on deposit in the Interest Account of the Series 2013 Debt Service Fund will be used solely to pay the interest on the Series 2013 Bonds as it becomes due and payable, whether on an Interest Payment Date, at maturity or upon acceleration.

Moneys on deposit in the Principal Account of the Series 2013 Debt Service Fund will be used solely to pay the principal of the Series 2013 Bonds as it becomes due and payable, whether at maturity, prior redemption or upon scheduled sinking fund redemption; and, if funds are available for such purpose and at the written direction of the Authority, to effect the redemption of the Series 2013 Bonds prior to their maturity in accordance with the redemption provisions thereof or the purchase of Series 2013 Bonds prior to their maturity in the open market at a price not in excess of the then applicable redemption price (the principal amount thereof, premium, if any, plus accrued interest).

Whenever and to the extent that money on deposit in the Interest Account or the Principal Account is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2013 Bonds, the Trustee will transfer money from the Surplus Fund, the Replacement Fund and the Debt Service Reserve Fund, in that order.

Replacement Fund. The Replacement Fund was established pursuant to the Original Indenture and will be maintained with the Trustee and used to fund the cost of replacing any worn out, obsolete, inadequate, unsuitable, or undesirable property, furniture, fixtures, or equipment placed upon or used in connection with the Housing Facilities. The Replacement Fund will be funded annually in the amount of \$122,987.38 as set forth below. The current balance in the Replacement Fund is \$11,016,882. Moneys in the Replacement Fund may also be transferred to the Interest Account and/or the Principal Account of the Series 2004 Debt Service Fund or the Series 2013 Debt Service Fund whenever and to the extent that money on deposit in such Accounts, together with money available therefor in the Surplus Fund, is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004B Bonds or the Series 2013 Bonds.

Series 2013 Rebate Fund. Moneys deposited and held in the Series 2013 Rebate Fund will be used to make all rebate payments owed to the United States under the Code, and will not be subject to the pledge of the Indenture. The Corporation will be required to make the calculation(s) required by the Code and the Tax Regulatory Agreement and to direct the Trustee to make deposits to and make disbursements from the Series 2013 Rebate Fund that the Corporation determines are in accordance therewith. The Tax Regulatory Agreement and any provisions of the Indenture governing deposits to the Series 2013 Rebate Fund may be superseded or amended by the Corporation (except the requirement of annual calculations and deposits to the Series 2013 Rebate Fund, if required) if accompanied by an opinion of Bond Counsel addressed to the Corporation and the Trustee to the effect that the use of the new Tax Regulatory Agreement will not cause the interest on the Series 2013 Bonds to become includable in gross income of the recipient thereof for federal tax purposes.

Receipts Fund. There will continue to be deposited into the Receipts Fund, all funds received by or paid on behalf of the Board under the Facilities Lease, including (i) daily, all rents, charges and other amounts, held in the deposit account maintained by any Management Company pursuant to any Management Agreement; and (ii) all Lawfully Available Funds from the Board used to make Base Rental Payments pursuant to the Facilities Lease. The

Trustee will transfer the amount so deposited in the Receipts Fund to the Series 2004 Debt Service Fund and the Series 2013 Debt Service Fund without distinction or priority. Moneys on deposit in the Receipts Fund will be withdrawn by the Trustee in accordance with the requirements of the Indenture and ratably on a parity therewith and applied in the following priority:

(a) At such time as may be required by the Tax Regulatory Agreement but not less often than annually, to the Rebate Fund and the Series 2013 Rebate Fund the amount required to be deposited thereunder;

(b) On the twenty-fifth (25th) day of each month, beginning on the twenty-fifth (25th) day of the month following the effective date of any Management Agreement, to the Operating Fund (as defined in the Management Agreement) maintained by the Management Company, an amount necessary to make the amount in the Operating Fund equal to the Operating Expenses for the next month as shown on the Operating Budget (as defined in the Management Agreement) for such month, as certified by the Management Company;

(c) With respect to the Series 2004B Bonds and the Series 2013 Bonds that bear interest at a Fixed Rate, on the twenty-fifth (25th) day of each month, commencing November 25, 2013, into the Interest Account of the Series 2004 Debt Service Fund and the Interest Account of the Series 2013 Debt Service Fund an amount equal to one-third (1/3rd) of the interest due and payable on such Series 2004B Bonds and Series 2013 Bonds on February 1, 2014 and thereafter, on the twenty-fifth (25th) day of each month, commencing February 25, 2014, an amount equal to one-sixth (1/6th) of the interest due and payable on such Series 2004B Bonds and Series 2013 Bonds the next February 1 and August 1 or such lesser amount that, together with amounts already on deposit in the Interest Account of the Series 2004 Debt Service Fund and the Interest Account of the Series 2013 Debt Service Fund, will be sufficient to pay interest on such Series 2004B Bonds and Series 2013 Bonds on such Interest Payment Date;

(d) With respect to the Auction Rate Bonds, two (2) Business Days prior to each Interest Payment Date for the Auction Rate Bonds, commencing November 12, 2013, into the Interest Account of the Series 2004 Debt Service Fund an amount equal to the interest due and payable on the Auction Rate Bonds on such Interest Payment Date or such lesser amount that, together with amounts already on deposit in the Interest Account of the Series 2004 Debt Service Fund, will be sufficient to pay interest on such Series 2004B Bonds bearing interest at an Auction Rate on such Interest Payment Date;

(e) With respect to the Variable Rate Bonds, two (2) Business Days prior to each Interest Payment Date, commencing on the Interest Payment Date immediately succeeding the applicable Variable Rate Conversion Date, into the Interest Account of the Series 2004 Debt Service Fund an amount equal to the interest due and payable on the Variable Rate Bonds on such Interest Payment Date or such lesser amount that, together with amounts already on deposit in the Interest Account of the Series 2004 Debt Service Fund, will be sufficient to pay interest on such Series 2004B Bonds bearing interest at a Variable Rate on such Interest Payment Date;

(f) On the twenty-fifth (25th) day of each month, commencing November 25, 2013, into the Principal Account of the Series 2004 Debt Service Fund and the Principal Account of the Series 2013 Debt Service Fund an amount equal to one-ninth (1/9th) of the principal of the Series 2004B Bonds and the Series 2013 Bonds payable on August 1, 2014 and thereafter, on the twenty-fifth (25th) day of each month, commencing August 25, 2014, an amount equal to one-twelfth (1/12th) of the principal of the Series 2004B Bonds and the Series 2013 Bonds payable on the next Principal Payment Date;

(g) On the twenty-fifth (25th) day of the month, any amounts due to the Series 2004 Bond Insurer under the Reimbursement Agreement;

(h) On the twenty-fifth (25th) day of each month following any drawing on the Debt Service Reserve Fund in accordance with the Original Indenture or any drawing on the Series 2013 Debt Service Reserve Fund, an amount equal to the lesser of (i) one twelfth (1/12th) of the amount necessary to cause the amount on deposit in the Debt Service Reserve Fund to equal the Debt Service Reserve Fund Requirement for the Series 2004B Bonds and the Series 2013 Debt Service Reserve Fund to equal the Series 2013 Debt Service Reserve Fund Requirement for the Series 2013 Bonds within twelve (12) months or (ii) the excess of the Debt Service Reserve Fund Requirement for the Series 2004 Bonds or the Series 2013 Debt Service Reserve Fund Requirement for the Series 2013 Bonds over the amount on deposit in the Debt Service Reserve Fund or the Series 2013 Debt Service Reserve Fund;

(i) Annually, beginning August 1, 2014, an amount equal to \$122,987.38 into the Replacement Fund, with such amount increased each year, beginning August 1, 2015 at a rate of 3% annually; or such lesser annual amount as is permitted by the Board of Regents and approved by the Series 2004 Bond Insurer in each case, as set forth in writing delivered in advance thereof to the Trustee; and, in the event that any funds shall have been withdrawn from the Replacement Fund to cure any deficiency in the Interest Account or the Principal Account of the Series 2004 Debt Service Fund or the Interest Account or the Principal Account of the Series 2013 Debt Service Fund pursuant to the Indenture, the amount of such withdrawal;

(j) On the twenty-fifth (25th) day of each month, commencing the month following the effective date of any Management Agreement, an amount equal to the monthly Management Fee for the current Fiscal Year plus any Management Fee for any prior month that remains unpaid; and

(k) Annually on August 1 of each year beginning August 1, 2014 any amounts remaining in the Receipts Fund after making all transfers required to be made on such date pursuant to (a) through (k) above shall be transferred to the Surplus Fund and applied as set forth in the Indenture.

After a Variable Rate Conversion of the Series 2004B Bonds, payments will be made from the Receipts Fund to the Series 2004 Debt Service Fund in accordance with the supplemental indenture executed in connection with such Variable Rate Conversion.

Series 2013 Debt Service Reserve Fund. Moneys on deposit in the Series 2013 Debt Service Reserve Fund will be maintained in an amount equal to the Series 2013 Debt Service Reserve Fund Requirement, and will be transferred in accordance with the priority set forth in the Indenture, to the Interest Account or the Principal Account of the Series 2013 Debt Service Fund in such amount as necessary to remedy any deficiencies therein (taking into account any amounts available therefor in the Surplus Fund and the Replacement Fund). Whenever the amount in the Series 2013 Debt Service Reserve Fund, together with the amount in the Series 2013 Debt Service Fund, is sufficient to pay in full all outstanding Series 2013 Bonds in accordance with their terms, the funds on deposit in the Series 2013 Debt Service Reserve Fund will be transferred to the Series 2013 Debt Service Fund and will be available to pay all outstanding Series 2013 Bonds in accordance with their terms. If the balance of the Series 2013 Debt Service Reserve Fund is greater than the Series 2013 Debt Service Reserve Fund Requirement, all amounts in the Series 2013 Debt Service Reserve Fund in excess of the Series 2013 Debt Service Reserve Fund Requirement will be transferred to the Interest Account of the Series 2013 Debt Service Fund. In no event shall moneys in the Series 2013 Debt Service Reserve Fund be used to make payments of principal and/or interest on the Series 2004B Bonds.

Surplus Fund. The Surplus Fund will continue to be maintained with the Trustee. Upon satisfaction of certain performance covenants contained in the Indenture, funds on deposit in the Surplus Fund at the end of any Fiscal Year will be transferred to the University. Until such transfer, moneys in the Surplus Fund will be available to be transferred to the Interest Account and/or the Principal Account of the Debt Service Fund or Series 2013 Debt Service Fund whenever and to the extent that money on deposit in such Accounts is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004B Bonds or the Series 2013 Bonds.

BONDHOLDERS' RISKS

Introduction

AN INVESTMENT IN THE BONDS INVOLVES A DEGREE OF RISK BECAUSE OF THE VARIOUS RISKS DESCRIBED IN THIS OFFICIAL STATEMENT. No person should purchase any of the Series 2013 Bonds without carefully reviewing the following information, which summarizes some, but not all, of the factors that should be carefully considered prior to such a purchase. Furthermore, the tax-exempt feature of the Series 2013 Bonds is relatively more valuable to high tax bracket investors than to investors who are in the lower tax brackets, and so the value of the interest compensation to any particular investor will vary with his or her marginal tax rate. Each prospective investor should, therefore, determine his or her present and anticipated marginal tax rate before investing in the Bonds. Each prospective investor should also carefully examine this Official Statement and his or her own financial condition (including the diversification of his or her investment portfolio) in order to make a judgment as to whether the Series 2013 Bonds are an appropriate investment.

Identified and summarized below are a number of “Bondholders’ Risks” that could adversely affect the operation of the Facilities and/or the payment of the Series 2013 Bonds and that should be considered by prospective investors. The following discussion is not intended to be exhaustive, but includes certain major factors that should be considered along with other factors set forth elsewhere in this Official Statement, including the Appendices hereto.

Series 2004 Lawfully Available Funds

If the Board is unable to generate sufficient revenues from Series 2004 Lawfully Available Funds to make the Rental payments required by the Facilities Lease, an Event of Default may occur under the Indenture. Upon an Event of Default, the Series 2013 Bonds may not be paid or may be paid before maturity or applicable redemption dates and a forfeiture of redemption premiums may result. The Board’s ability to generate Rents and its overall financial condition may be adversely affected by a wide variety of future events and conditions including (i) a decline in the enrollment of the University, (ii) increased competition from other schools, (iii) loss of accreditation, (iv) failure to meet applicable federal guidelines or some other event that results in students being ineligible for federal financial aid, (v) cost overruns in connection with capital improvements, and (vi) occupancy rates of the Housing Facilities. See “**THE HOUSING FACILITIES**” herein for a discussion of construction issues that could affect occupancy of the Housing Facilities.

Special Nature of the Housing Facilities

The Housing Facilities have been constructed to serve as student housing facilities and are located on the campus of the University. If it were necessary to sell the Corporation’s interest in the Ground Lease pursuant to the Mortgage upon an Event of Default, the special use nature of the Housing Facilities and the fact that the interest to be sold is in the nature of a leasehold interest and subject to the terms of the Ground Lease may curtail the purchase price that could be obtained, and the net proceeds received may be less than the principal amount of the Series 2013 Bonds and the Series 2004B Bonds Outstanding. **For all practical purposes, payment of the Series 2013 Bonds is dependent upon the continued occupancy and operation of the Housing Facilities.**

Selective Admissions Standards

Prior to the Fall 2000 semester, the University maintained an open admissions standard, whereby persons with high school diplomas or their equivalent could enroll as a new student at the University regardless of grade point average or college entrance exam scores. Beginning the Fall 2000 semester, the University implemented selective admissions standards, whereby students may, with certain exceptions, enroll at the University only if they achieve certain standards to include grade point averages and college entrance exams. Following implementation of the selective admissions standards, enrollment at the University dropped slightly and, although enrollment is currently reaching levels maintained prior to the implementation of the selective admissions standards, no assurance can be given that current enrollment levels will be maintained. However, admissions standards were raised again in 2004 and 2005 and additional admissions standards were implemented in 2010 and 2012 with little to no impact on overall enrollment. Enrollment remains stable, consistently reaching or exceeding 15,000 students since 2008. Additional changes in admissions criteria are expected in 2014 for which the University is positioning itself well to implement these standards with minimal impact on the University.

Operating Budget Environment

In the 2012-2013 fiscal year, the University faced another reduction in state appropriations in the amount of approximately \$6.2 million. In addition, approximately \$6.3 million provided as carried forward funds into the 2011-2012 fiscal year were not reauthorized. To assist the University in recouping a portion of the lost revenues from the state, another 10% tuition increase, made available through the LA GRAD Act and Act 915 of the 2008 Regular Session of the Louisiana Legislature, provided an increase in support of approximately \$5.2 million. This resulted in a net reduction in available resources in the university operating fund of approximately \$7.3 million. In addition, the Board of Supervisors modified its policy allowing universities to charge a utility surcharge fee. This modification generated approximately \$1.5 million that could be used to pay for utilities previously charged to the university’s operating fund. The largest portion of the above reduction was accommodated through the reduction of administrative costs and a reduction in physical plant operations.

In the 2013-2014 fiscal year, state appropriations continued to decrease. There was a reduction of state support of approximately \$7.7 million. However, the majority of this was offset by an increase of approximately \$6.1

million in student tuition as allowed by the LA GRAD Act and Act 915 of the 2008 Regular Session as well as a one-time allocation from the State of \$1.1 million. As a result, the net decrease in total operating support in the 2013-2014 fiscal year was only \$.5 million. The majority of this reduction was made up by a change in policy as it relates to scholarship distributions. The balance of the reductions were spread somewhat evenly to the functional categories of public service, academic support, student services, institutional support and plant operation/maintenance. Even though the university had a reduction in resources available to the operating fund, the instructional category which serves the core function of the University, increased by almost \$1.6 million or approximately 3%.

Housing on the University campus remains in high demand. The University has experienced a waiting list for on-campus housing for the past six (6) fall semesters. In an effort to accommodate some of the demand, private rooms are being rented as shared spaces. As a result, occupancy has been at or near capacity for the sixth (6th) consecutive year.

Even with the major budget reductions and increases in tuition, the University remains vibrant. Tuition rates, even given the increases, remain low when compared to other peer institutions; population growth in key markets remains high; and the University's position as a college of "choice" for higher quality students continues to increase.

Appropriation of Rental by the Board

The Facilities are being leased by the Corporation to the Board on behalf of the University pursuant to the Facilities Lease. The obligation of the Board on behalf of the University to pay rental to the Corporation under the Facilities Lease is subject to, and dependent upon, appropriation by the Board in its budget process of funds necessary to make payments of rental required under the Facilities Lease. Although each of the Board and University acknowledges its obligation to budget annually an amount sufficient to make payments of rental under the Facilities Lease, notwithstanding this obligation such amounts may or may not ultimately be appropriated by the Board for such purpose. Further, both the Corporation and the Board acknowledge the Board's obligation on behalf of the University to pay rental shall not be construed as a debt of the Board, nor a pledge, lien or encumbrance upon any specific tax or other revenues of the Board.

Litigation

While there may be lawsuits pending involving either the University or the Board, it is not possible to confer with every attorney handling such matters. Furthermore, it would be impossible to predict the outcome of all such cases. However, to the extent that there are adverse judgments in excess of the Board's insurance policy limits, such judgment may be satisfied only through appropriation by the Louisiana Legislature because Board assets are not available to satisfy such judgments.

Risk Factors Inherent in Higher Education

There are a number of factors affecting institutions of higher education in general, including the University, that could have an adverse effect on the Board's financial position and its ability to make the payments of Rental required by the Facilities Lease. These factors include the rising costs of providing higher education services; the expected decline in the number of college-age persons in the country generally; the failure to maintain or increase in the future the funds obtained by the Board from other sources, including gifts and contributions from donors, grants or appropriations from governmental bodies and income from investment of endowment funds; adverse results from the investment of endowment funds; increasing costs of compliance with federal or State regulatory laws or regulations, including, without limitation, laws or regulations concerning environmental quality, work safety and accommodating the handicapped; and legislation or regulation which may affect student aid and other program funding. The Board cannot assess or predict the ultimate effect of these factors on its operation or financial results of operations.

Effect of Determination of Taxability

The Corporation and the Board will covenant not to take any action that would cause the Series 2013 Bonds to be arbitrage bonds or that would otherwise adversely affect the federal income tax status of interest in the Series 2013 Bonds. The Corporation and the Board will also make representations with respect to certain matters within their knowledge that have been relied on by Bond Counsel and that Bond Counsel has not independently verified. Failure to

comply with such covenants could cause interest on the Series 2013 Bonds to become subject to federal income taxation retroactively from their date of issuance.

It is possible that a period of time may elapse between the occurrence of the event that causes interest to become taxable and the determination that such an event has occurred. In such a case, interest previously paid on the Series 2013 Bonds could become retroactively taxable from the date of their issuance. Additionally, certain owners of the Series 2013 Bonds are subject to possible adverse tax consequences. See “**TAX EXEMPTION**” herein.

Consequences of Changes in the Corporation’s or the University’s Tax Status

The Corporation has obtained a determination letter from the Internal Revenue Service stating that it will be treated as an exempt organization as described in §501(c)(3) of the Code and can reasonably be expected to not be classified as a “private foundation.” In order to maintain its exempt status and to not be considered a private foundation, the Corporation will be subject to a number of requirements affecting its operation. The possible modification or repeal of certain existing federal income tax laws, the change of Internal Revenue Service policies or positions, the change of the Corporation’s method of operations, purposes or character or other factors could result in loss by the foundation of its tax-exempt status.

The Corporation will covenant to cause to remain eligible for such tax-exempt status and to avoid operating the Facilities as an unrelated trade or business (as determined by applying §512(a) of the Code). Failure of the Facilities to remain so qualified or of the Corporation so to operate the Facilities could affect the funds available to the Corporation for payments under the Loan Agreement by subjecting the Corporation to federal income taxation and could result in the loss of the excludability of interest on the Series 2013 Bonds from gross income for purposes of federal income taxation. Potential investors should note that in such event, the provisions of the Indenture relating to a Determination of Taxability may be applicable. Continuation of the tax-exempt status of the Series 2013 Bonds may also be dependent upon the continuing tax-exempt status of the University. See “**BONDHOLDERS’ RISKS – Effect of Determination of Taxability**” above.

Taxation of Bonds

An opinion of Bond Counsel will be obtained as described under “**TAX EXEMPTION**” herein. Such an opinion is not binding on the Internal Revenue Service. Application for a ruling from the Internal Revenue Service regarding the status of the interest on the Bonds has not been made. The opinion of Bond Counsel contains certain exceptions and is based on certain assumptions described herein under the heading “**TAX EXEMPTION.**” Failure by the Board or the Corporation to comply with certain provisions of the Code and covenants contained in the Bond Resolution and the Tax Certificate could result in interest on the Series 2013 Bonds becoming includable in gross income for federal tax purposes.

An opinion of Bond Counsel will be obtained regarding the exemption of interest on the Series 2013 Bonds from certain taxation by the State of Louisiana, as described under “**TAX EXEMPTION**” herein. Bond Counsel has not opined as to whether interest on the Series 2013 Bonds is subject to state or local income taxation in jurisdictions other than Louisiana. Interest on the Series 2013 Bonds may or may not be subject to state or local income taxation in jurisdictions other than Louisiana under applicable state or local laws. Each purchaser of the Series 2013 Bonds should consult his or her own tax advisor regarding the taxable status of the Bonds in a particular state or local jurisdiction.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to herein or adversely affect the market value of the Series 2013 Bonds. Examples of such proposals include, but are not limited to, the American Jobs Act and the Debt Reduction Act as proposed by President Obama’s administration and introduced in the current Congress. It cannot be predicted whether or in what form any such proposals might be enacted or whether if enacted such proposals would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Series 2013 Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Series 2013 Bonds or the

market value thereof would be impacted thereby. Prospective purchasers of the Series 2013 Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation.

Market for the Bonds

There can be no assurance that a secondary market exists, or that the Series 2013 Bonds can be sold for any particular price. Accordingly, a purchaser of the Series 2013 Bonds should recognize that an investment in the Series 2013 Bonds will in all likelihood not be liquid and be prepared to have his or her funds committed until the Series 2013 Bonds mature or are redeemed.

LITIGATION

The Authority

There is no litigation now pending or threatened against the Authority, of which the Authority has knowledge, that restrains or enjoins the issuance or delivery of the Series 2013 Bonds or questions or affects the validity of the Series 2013 Bonds or the proceedings and authority under which they are to be issued. To the Authority's knowledge, neither the creation, organization, or existence of the Authority, nor the title of the present members or other officers of the Authority to their respective offices, is being contested or questioned. There is no litigation now pending or threatened against the Authority, of which the Authority has knowledge, that in any manner questions the right of the Authority to enter into the Indenture or the Loan Agreement to secure the Series 2013 Bonds in the manner provided in the Indenture.

The Corporation

There is no litigation now pending or threatened against the Corporation, of which the Corporation has knowledge, that in any manner questions the right of the Corporation to enter into or perform its obligations under the Loan Agreement, the Leases or the Assignment or that individually or in the aggregate would adversely affect the operations of the Corporation, financial or otherwise.

CONFLICTS OF INTEREST; RELATIONSHIPS

Stephen M. Smith is a member of the Board of Directors of the Corporation and also previously served as Vice President for Administration and Finance of the University and currently serves as Interim Budget Director for the University. Joseph Morris serves as the Executive Director and Secretary/Treasurer of the Corporation and is also an Associate Professor at the University.

TAX EXEMPTION

In the opinion of Jones Walker LLP, Bond Counsel, under existing law and assuming continuing compliance with covenants of the Authority and the Corporation designed to meet the applicable requirements of the Code, interest on the Series 2013 Bonds is excluded from gross income for federal income purposes except as provided below.

Interest on the Series 2013 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals or corporations under the Code; however, for the purpose of computing the federal alternative minimum tax imposed on certain corporations, such interest is taken into account in determining adjusted current earnings.

General

The Code imposes a number of requirements that must be satisfied in order for interest on state or local obligations, such as the Series 2013 Bonds to be excluded from gross income for federal income tax purposes. The Authority has covenanted in the Indenture and the Corporation has covenanted in the Loan Agreement that they will comply with these requirements in order to maintain the exclusion from gross income of interest on the Series 2013 Bonds for purposes of federal income taxation. Bond Counsel's opinion will assume continuing compliance with those covenants set forth in the Indenture and the Loan Agreement pertaining to those sections of the Code that

affect the exclusion from gross income of interest on Series 2013 Bonds for federal income tax purposes and, in addition, will rely on representations by the Authority and the Corporation with respect to matters solely within their knowledge which Bond Counsel has not independently verified. If the Authority and the Corporation should fail to comply with the covenants in the Indenture or the Loan Agreement, as the case may be, or if the foregoing representations should be determined to be inaccurate or incomplete, interest on the Series 2013 Bonds could become included in gross income for federal income tax purposes from the date of delivery of the Series 2013 Bonds regardless of the date on which the event causing such includability occurs.

Although Bond Counsel has rendered an opinion that interest on the Series 2013 Bonds is excluded from gross income for federal income tax purposes, the accrual or receipt of interest on the Series 2013 Bonds may otherwise affect the federal income tax liability of the recipient. The extent of these other tax consequences will depend upon the recipient's particular tax status or other items of income or deduction. Owners of the Series 2013 Bonds should be aware that the ownership of tax-exempt obligations, such as the Series 2013 Bonds may result in collateral federal income tax consequences to certain taxpayers. Furthermore, future law and/or regulations enacted by federal, state or local authorities may affect certain owners of the Series 2013 Bonds.

Except as stated above, Bond Counsel will express no opinion as to any federal, state or local tax consequences resulting from the ownership of, receipt of interest on or disposition of the Series 2013 Bonds.

PROSPECTIVE PURCHASERS OF THE SERIES 2013 BONDS ARE ADVISED TO CONSULT THEIR OWN TAX ADVISORS PRIOR TO ANY PURCHASE OF THE SERIES 2013 BONDS AS TO THE IMPACT OF THE FEDERAL, STATE AND LOCAL CONSEQUENCES OF ACQUIRING, HOLDING OR DISPOSING OF THE SERIES 2013 BONDS.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals in the Congress or in the various states that, if enacted, could alter or amend the federal and state tax matters referred to herein or adversely affect the market value of the Series 2013 Bonds. It cannot be predicted with certainty whether or in what form any proposed legislation might be enacted or whether if enacted, it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Series 2013 Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Series 2013 Bonds or the market value thereof, would be impacted thereby. Purchasers of the Series 2013 Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation.

It is not an event of default on the Series 2013 Bonds if legislation is enacted reducing or eliminating the exclusion of interest on state and local government bonds from gross income for federal or state income tax purposes.

Tax Treatment of Premium

Certain maturities of the Series 2013 Bonds may be offered and sold to the public at a premium (the "Premium Bonds"). The premium is the excess of the issue price over the stated redemption price at maturity and must be amortized on an actuarial basis by the owner of the Premium Bonds from the date of acquisition of the Premium Bonds through the maturity date thereof. The premium is not deductible for federal income tax purposes, and owners of the Premium Bonds are required to reduce their basis in the Premium Bonds by the amount of premium that accrued while they owned such Premium Bonds. Owners of the Premium Bonds (including owners that purchase a Premium Bond other than pursuant to the initial public offering) should consult their own tax advisors as to the determination for federal income tax purposes of the amount of premium amortized each year with respect to the Premium Bonds, the adjusted basis of the Premium Bonds for purposes of determining the taxable gain or loss upon the sale or other disposition of the Premium Bonds (prior to maturity and at maturity), and all other federal tax consequences and any state and local tax aspects of owning the Premium Bonds.

Tax Treatment of Original Issue Discount

Certain maturities of the Series 2013 Bonds may be sold at an original issue discount (the “OID Bonds”). The difference between the initial public offering price, as set forth on the inside cover page hereof, of the OID Bonds and their stated principal amount payable at maturity constitutes original issue discount treated as interest which is excluded from gross income for federal income tax purposes and which is exempt from all taxation in the State of Louisiana subject to the caveats and provisions described above under “**TAX EXEMPTION – General.**”

In the case of an owner of an OID Bond, the amount of original issue discount which is treated as having accrued with respect to such OID Bond, is added to the cost basis of the owner in determining, for federal income tax purposes, gain or loss upon disposition of such OID Bond (including its sale, redemption or payment at maturity). Amounts received upon disposition of such an OID Bond which are attributable to accrued original issue discount will be treated as tax exempt interest, rather than as taxable gain, for federal income tax purposes.

Original issue discount is treated as compounding semiannually, at a rate determined by reference to the yield to maturity of each individual OID Bond, on days which are determined by reference to the maturity date of such OID Bond. The amount treated as original issue discount on such OID Bond for a particular semiannual period is equal to (i) the product of (a) the yield to maturity for such OID Bond and (b) the amount which would have been the tax basis of such OID Bond at the beginning of the particular semiannual period if held by the original purchaser, (ii) less the amount of any payments on such OID Bond during the semiannual period. The tax basis is determined by adding to the initial public offering price on such OID Bond the sum of the amounts which would have been treated as original issue discount for such purposes during all prior periods. If such an OID Bond is sold between compounding dates, original issue discount which would have accrued for that semiannual compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

Owners of OID Bonds should consult their own tax advisors with respect to the determination for federal income tax purposes of original issue discount accrued with respect to such OID Bonds as of any date, with respect to the accrual of original issue discount for such OID Bonds purchased on the secondary markets and with respect to the state and local tax consequences of owning such OID Bonds.

Non-Qualified Tax-Exempt Obligations for Financial Institutions

The Authority cannot designate the Series 2013 Bonds as “qualified tax-exempt obligations” within the meaning of Section 265(b) of the Code. Therefore, interest paid or incurred by a taxpayer, including a “financial institution”, on indebtedness incurred or continued to purchase or carry the Series 2013 Bonds is not deductible by such taxpayer in determining taxable income.

Louisiana Taxes

In the opinion of Bond Counsel, pursuant to the Refunding Act, the Series 2013 Bonds, and the income therefrom, are exempt from all taxation by the State of Louisiana or any political subdivision thereof.

UNDERWRITING

The Authority is offering the Series 2013 Bonds through a syndicate headed by Stephens Inc. (the “**Underwriter**”), pursuant to a Bond Purchase Agreement. The obligation of the Underwriter to sell the Series 2013 Bonds will be subject to various conditions contained in the Bond Purchase Agreement.

The Underwriter is purchasing the Series 2013 Bonds and intends to offer the Series 2013 Bonds to the original purchasers thereof at the offering prices set forth on the cover page of this Official Statement, which offering prices may subsequently be changed without any requirement of prior notice. The purchase price of the Series 2013 Bonds is \$43,927,540.85 which is equal to the par amount of the Series 2013 Bonds plus a net reoffering premium of \$3,314,138.35 and less an Underwriter’s discount of \$296,597.50. The Bond Purchase Agreement executed by the Underwriter, on behalf of itself and Raymond James & Associates, Inc. provides that the Underwriter will purchase all of the Series 2013 Bonds if any are not purchased. The Underwriter has reserved the right to permit other securities dealers who are members of the National Association of Securities Dealers, Inc. to assist in selling the Series 2013 Bonds. The Underwriter may offer and sell Series 2013 Bonds to certain dealers at

prices lower than the public offering price or otherwise allow concessions to such dealers who may re-allow concessions to other dealers. Any discounts and/or commissions that may be received by such dealers in connection with the sale of the Series 2013 Bonds will be deducted from the Underwriter's discount.

RATING OF THE SERIES 2013 BONDS

Moody's Investors Service, Inc. ("**Moody's**") has assigned the Series 2013 Bonds the long-term rating of "A3 (stable outlook)." An explanation of the significance of such rating may be obtained from Moody's. Such rating reflects only the view of Moody's, and neither the Authority, the University nor the Underwriter makes any representation as to the appropriateness thereof.

There is no assurance that such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely, if in the judgment of Moody's, circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Series 2013 Bonds.

CONTINUING DISCLOSURE

The Board has undertaken all responsibilities for any continuing disclosure to Owners of the Series 2013 Bonds as described below, and the Authority will have no liability to the Owners of the Series 2013 Bonds or any other person with respect to such disclosures.

Pursuant to a Continuing Disclosure Certificate, the Board, through the University, will covenant for the benefit of Bondowners to provide, or cause its Dissemination Agent to provide, certain financial information and operating data relating to the Board by not later than December 31 in each year commencing December 31, 2013, (the “**Annual Report**”), and to provide notices of the occurrence of certain enumerated events, if deemed by the Board to be material (the “**Undertaking**”). Except as provided in the Undertaking, the Board has not undertaken to provide all information investors may desire to have in making decisions to hold, sell or buy the Series 2013 Bonds. Failure to comply with the Undertaking will not constitute an Event of Default under the Indenture (although Bondholders will have any available remedy at law or in equity). Nevertheless, such a failure must be reported in accordance with the Rule and must be considered by a broker-dealer or municipal securities dealer before recommending the purchase or sale of the Series 2013 Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Series 2013 Bonds and their market price.

The Board has filed all continuing disclosure reports currently required by its prior Undertakings undertaken under the Rule, however not all reports were filed timely. Some of the reporting requirements for filing the financial statements of the University, the Corporation and the Board were filed late.

DEMOGRAPHIC AND SUMMARY FINANCIAL INFORMATION RELATED TO THE UNIVERSITY

THE UNIVERSITY

Southeastern Louisiana University (the “University”) is located in Hammond, Louisiana, the heart of Louisiana’s “Florida Parishes.” Hammond is located at the intersection of Interstate Highways 55 and 12, approximately 60 miles north of New Orleans, Louisiana’s largest city, and 40 miles east of Baton Rouge, the State’s capital. The University has a current enrollment of approximately 15,000 students with a faculty and staff population of approximately 1,300.

HISTORY OF THE UNIVERSITY

The University began as a grass roots movement by the people of Hammond and the surrounding area, who recognized the need for an institution of higher education in order to further the educational, economic, and cultural development of southeast Louisiana. What began as a junior college supported by local taxes has developed into a major university as the University has grown to meet the evolving needs of southeast Louisiana and the Florida parishes.

On July 7, 1925, the voters overwhelmingly approved a bond issue that created Hammond Junior College. Operated under the auspices of the Tangipahoa Parish School Board, President Linus A. Sims opened the doors on September 14, 1925 with a faculty of three women, two men and forty students. The two-year coeducational institution offered basic undergraduate work in arts and sciences that culminated in a teaching certificate.

Rapidly increasing enrollments quickly forced the college out of its two rooms in Hammond High School. In 1927, voters supported the purchase of the Hunter Leake estate on Hammond’s north end. In 1928 Hammond Junior College became Southeastern Louisiana College, formally adopted into the state educational system under the control of the State Board of Education. The purchase of sixty acres adjoining the original fifteen-acre plot provided the space to develop a suitable campus, and in 1934, a state bond issue provided for the construction of McGehee Hall and a gymnasium.

In 1937, the State Board of Education authorized curricula for four-year programs in liberal arts, teacher education, business administration, music, social sciences, and physical education. The first baccalaureate degrees were conferred in May, 1939.

Voter approval of Act No. 388 in 1938, an amendment to the 1920 Louisiana Constitution, granted Southeastern Louisiana College the same legal status as other four-year colleges. The amendment did not, however, require the state to fund the University at the level of other institutions of higher education, despite strong local support.

On January 18, 1946, the State Board made available funds to purchase seven city blocks east and west of the campus, and 275 acres of land north and northwest of the campus, increasing the University’s total area to approximately 365 acres.

On March 3, 1946, the University was formally approved and accepted into full membership in the Southern Association of Colleges and Schools (SACS), as a four-year degree-granting institution.

In 1960, the State Board authorized the University to offer master’s degrees through the newly-formed Division of Graduate Studies. The University began awarding the Education Specialist degree in 1967. Governor John J. McKeithen on June 16, 1970 signed into law the legislative act turning Southeastern Louisiana College into Southeastern Louisiana University. The early 1970’s also saw the construction of D. Vickers, the Athletics Building, and the C.E. Cate Teacher Education Building.

In October of 1986, a group of faculty members launched Fanfare, a festival celebrating the arts, humanities and sciences. Since then, Fanfare has become an acclaimed month long event, drawing nationally and internationally recognized artists and providing recognition for those closer to home. In addition to providing entertainment for the North Shore, Fanfare has an educational outreach program that works closely with local schools. In October of 2005, Fanfare proudly celebrated its 20th anniversary.

The University's enrollment, continually increasing since its inception, reached an important milestone in 1997, registering over fifteen thousand students for the fall semester. Since 1925 the University has conferred over seventy thousand degrees.

As the University celebrated its 75th anniversary in 2000, the Fall semester marked an exciting change as the University implemented screened admissions standards for the first time. Also during the 2000-2001 academic year, the Village, Fayard Hall and the Claude B. Pennington, Jr. Student Activity Center were completed.

In the following years the University continued to expand its' infrastructure with the Teacher Education Center Renovation and Addition in 2003, the Biology Building Renovation and Addition in 2004, the Meade Hall Classroom Renovation in 2007, and the Kinesiology & Health Studies College of Nursing Renovation and Addition in 2011. Improvements continue now with the Student Union Renovation and Addition which is scheduled to be complete in 2014.

Since 1925, many dedicated individuals have led the University from a junior college to the vibrant university it is today. Those individuals are: Linus A. Sims, Yves Leon Fontenot, J. Leon Clark, George W. Bond, Gladney Jack Tinsley, Luther Dyson, Clark LeBlanc Barrow, J.B. Wooley, Clea Parker, J. Larry Crain, G. Warren Smith, Sally Clausen, Randy Moffett, and John Crain.

(b) Prior to or simultaneously with the delivery by the Trustee of the Series 2013 Bonds there shall be filed with the Trustee:

(i) A copy, duly certified by the Secretary, Executive Director or an Assistant Secretary of the Authority, of the resolution or resolutions adopted by the Authority authorizing the execution and delivery of this Supplemental Indenture and the Loan Agreement, as amended, and all other instruments contemplated thereby and the authorization, issuance, sale and delivery of the Series 2013 Bonds;

(ii) A copy, duly certified by an Authorized Corporation Representative, of the resolution or resolutions of the Corporation authorizing the execution and delivery of the Loan Agreement, and all other instruments contemplated thereby and approving this Supplemental Indenture and the authorization, issuance, sale and delivery of the Series 2013 Bonds;

(iii) Original executed counterparts of this Supplemental Indenture, the Supplemental Loan Agreement, the Facilities Lease and the Ground Lease;

(iv) Signed copies of all opinions of counsel required in connection with the issuance of the Series 2013 Bonds and the transactions contemplated thereby;

(v) A request and authorization to the Trustee on behalf of the Authority and signed by its Chairman, Vice Chairman, Executive Director, Secretary or an Assistant Secretary to authenticate and deliver the Series 2013 Bonds to the purchasers thereof and specifying the amounts to be deposited in the Series 2013 Cost of Issuance Account, the Replacement Fund, the Series 2013 Debt Service Reserve Fund and the Escrow Fund hereunder; and

(vi) A signed copy of the legal opinion of Jones Walker LLP, addressed to the Trustee, to the effect that (i) the Series 2013 Bonds are exempt from the registration requirements of the Securities Act of 1933, as amended, and this Supplemental Indenture is exempt from qualification under the Trust Indenture Act of 1939, as amended; and (ii) authorizing the Trustee to rely upon Bond Counsel's approving opinion as if it were addressed to the Trustee.

(c) The Authority hereby authorizes and directs the Trustee to execute and deliver the Tax Regulatory Agreement dated the Closing Date, among the Authority, the Board, the Trustee and the Corporation.

Section 3.13 Book-Entry Registration of Series 2013 Bonds.

(a) The Series 2013 Bonds shall be initially issued in the name of Cede & Co., as nominee for DTC, as registered owner of the Series 2013 Bonds, and held in the custody of DTC (or the Trustee as the agent of DTC under the F.A.S.T. delivery system). The Authority and the Trustee acknowledge that the Authority has executed and delivered a Blanket Letter of Representations with DTC and that the terms and provisions of said Letter of Representations shall govern in the event of any inconsistency between the provisions of this Supplemental Indenture and said Letter of Representations. A single bond certificate for each maturity of Series 2013 Bonds will be issued and delivered to DTC. The Beneficial Owners will not receive physical delivery of Series 2013 Bond certificates except as provided herein. Beneficial Owners are expected to receive a written confirmation of their purchase providing details of each Series 2013 Bond acquired. For so long as DTC shall continue to serve as securities depository for the Series 2013 Bonds as provided herein, all transfers of beneficial ownership interest will be made by book-entry only, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of Series 2013 Bonds is to receive, hold or deliver any Bond certificate.

(b) For every transfer and exchange of the Series 2013 Bonds, the Beneficial Owner may be charged a sum sufficient to cover such Beneficial Owner's allocable share of any tax, fee or other governmental charge that may be imposed in relation thereto.

(c) The Authority, the Corporation and the Trustee will recognize DTC or its nominee as the Bondholder for all purposes, including notices and voting.

(d) Neither the Authority, the Trustee, the Corporation nor the Board is responsible for the performance by DTC of any of its obligations, including, without limitation, the payment of moneys received by DTC, the forwarding of notices received by DTC or the giving of any consent or proxy in lieu of consent.

(e) Whenever during the term of the Series 2013 Bonds the beneficial ownership thereof is determined by a book entry at DTC, the requirements of this Supplemental Indenture of holding, delivering or transferring Series 2013 Bonds shall be deemed modified to require the appropriate person to meet the requirements of DTC as to registering or transferring the book entry to produce the same effect.

(f) DTC may determine to discontinue providing its services with respect to the Series 2013 Bonds at any time by giving notice to the Authority and the Trustee and discharging its responsibilities with respect thereto under applicable law.

(g) The Authority, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the Series 2013 Bonds if the Authority determines that (i) DTC is unable to discharge its responsibilities with respect to the Series 2013 Bonds, or (ii) a continuation of the requirement that all of the outstanding Series 2013 Bonds be registered on the registration books kept by the Trustee in the name of Cede & Co., or any other nominee of DTC, is not in the best interest of the beneficial owners of the Series 2013 Bonds.

(h) Upon the termination of the services of DTC with respect to the Series 2013 Bonds pursuant to the above two paragraphs, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Authority is willing and able to undertake such functions upon reasonable and customary terms, the Authority is obligated to deliver Series 2013 Bonds to the owner, at the expense of the said owner as described in this Supplemental Indenture, and the Series 2013 Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names holders transferring or exchanging Series 2013 Bonds shall designate in accordance with the provisions of this Supplemental Indenture.

(i) Notwithstanding any other provision of this Supplemental Indenture to the contrary, so long as any Series 2013 Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Series 2013 Bond and all notices with respect to such Series 2013 Bond shall be made and given, respectively, in the manner provided in the Blanket Letter of Representations of the Authority dated November 17, 1998 and delivered to DTC.

(j) If at any time DTC ceases to hold the Series 2013 Bonds, all references herein to DTC shall be of no further force or effect.

Section 4.1 Creation and Use of Funds and Accounts. On or prior to the Closing Date, in addition to the funds and accounts created pursuant to the Original Indenture, the following special trust funds and accounts (except as qualified in this Section 4.1) shall be established and maintained with the Trustee so long as any Series 2013 Bonds issued under this Supplemental Indenture are outstanding:

- (a) Series 2013 Bond Escrow Fund and a Series 2013 Costs of Issuance Account therein;
- (b) Series 2013 Debt Service Fund, and the following accounts therein:
 - (i) Interest Account;
 - (ii) Principal Account;
- (c) Series 2013 Debt Service Reserve Fund; and
- (d) Series 2013 Rebate Fund.

Section 4.2 Series 2013 Bond Proceeds Fund.

(a) On or prior to the Closing Date, the Series 2013 Bond Escrow Fund shall be used to receive the proceeds of the Series 2013 Bonds, a transfer from the Series 2004 Debt Service Reserve Fund, the Series 2004 Debt Service Fund, and the Series 2004 Project Fund held by the Trustee, and the Board Contribution. Any funds received prior the Closing Date may be held uninvested. On the Closing Date, the Trustee shall disburse amounts held in the Series 2013 Bond Proceeds Fund as follows:

- (i) to retain such sum in the Series 2013 Costs of Issuance Account as may be specified in the request and authorization delivered pursuant to Section 3.12 hereof;
- (ii) to transfer to the Series 2013 Debt Service Reserve Fund an amount equal to the Series 2013 Debt Service Reserve Fund Requirement; and
- (iii) to transfer to the Escrow Trustee for deposit to the Escrow Fund the balance of the proceeds of the Series 2013 Bonds, the Series 2004 Debt Service Reserve Fund, the Series 2004 Debt Service Fund, the Series 2004 Project Fund, and the Board Contribution.

(b) Amounts deposited on the Closing Date into the Series 2013 Costs of Issuance Account of the Series 2013 Bond Proceeds Fund shall be disbursed, pursuant to the written instructions of the Authority, to pay Costs of Issuance. The Trustee is authorized and directed to pay such Costs of Issuance in accordance with the payment instructions set forth in the respective invoices submitted to the Trustee for payment pursuant to such written instructions of the Authority. Any amounts remaining in the Series 2013 Costs of Issuance Account 180 days after delivery of the Series 2013 Bonds (and not specifically committed to pay additional Costs of Issuance) shall be deposited into the Interest Account of the Series 2013 Debt Service Fund.

Section 4.3 Series 2013 Debt Service Fund. The Trustee shall deposit into the applicable account of the Series 2013 Debt Service Fund the amounts required by Section 4.6 of this Supplemental Indenture.

(a) Moneys on deposit in the Interest Account of the Series 2013 Debt Service Fund shall be used solely to pay the interest on the Series 2013 Bonds as it becomes due and payable, whether on an Interest Payment Date, at maturity or upon acceleration.

(b) Moneys on deposit in the Principal Account of the Series 2013 Debt Service Fund shall be used solely to pay the principal of the Series 2013 Bonds as it becomes due and payable, whether at maturity, prior redemption or upon scheduled sinking fund redemption; and, if funds are available for such purpose and at the written direction of the Authority, to effect the redemption of the Series 2013 Bonds prior to their maturity in accordance with the redemption provisions hereof or the purchase of Series 2013 Bonds prior to their maturity in the open market at a price not in excess of the then applicable redemption price (the principal amount thereof, premium, if any, plus accrued interest).

(c) Whenever and to the extent that money on deposit in the Interest Account or the Principal Account is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2013 Bonds, the Trustee shall transfer money from the Surplus Fund, the Replacement Fund and the Debt Service Reserve Fund, in that order.

Section 4.4 Replacement Fund. The Replacement Fund shall be maintained with the Trustee and used to fund the cost of replacing any worn out, obsolete, inadequate, unsuitable or undesirable property, furniture, fixtures or equipment placed upon or used in connection with the Facilities. Moneys in the Replacement Fund will also be transferred to the Interest Account and/or the Principal Account of the Series 2004 Debt Service Fund or the Series 2013 Debt Service Fund whenever and to the extent that money on deposit in such Accounts, together with money available therefor in the Surplus Fund, is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004B Bonds or the Series 2013 Bonds.

Section 4.5 Series 2013 Rebate Fund. Moneys deposited and held in the Series 2013 Rebate Fund shall be used to make all rebate payments owed to the United States under the Code, and shall not be subject to the pledge of this Supplemental Indenture. The Corporation shall make the calculation(s) required by the Code and the Tax Regulatory Agreement and Arbitrage Certificate and shall direct the Trustee to make deposits to and make disbursements from the Series 2013 Rebate Fund that the Corporation determines are in accordance therewith. The Tax Regulatory Agreement and any provisions of this Supplemental Indenture governing deposits to the Series 2013 Rebate Fund may be superseded or amended by the Corporation (except the requirement of annual calculations and deposits to the Series 2013 Rebate Fund, if required) if accompanied by an opinion of Bond Counsel addressed to the Corporation and the Trustee to the effect that the use of the new Tax Regulatory Agreement will not cause the interest on the Series 2013 Bonds to become includable in gross income of the recipient thereof for federal tax purposes.

Section 4.6 Receipts Fund. There shall be deposited into the Receipts Fund all funds received from or paid on behalf of the Board under the Facilities Lease, including: (i) daily, all rents, charges and other amounts, held in the deposit account maintained by the Management Company pursuant any Management Agreement; and (ii) all Lawfully Available Funds from the Board used to make Base Rental Payments pursuant to the Facilities Lease. The Trustee will transfer the amount so deposited in the Receipts Fund to the Series 2004 Debt Service Fund and the Series 2013 Debt Service Fund without distinction or priority. Moneys on

B-14

deposit in the Receipts Fund will be withdrawn by the Trustee in accordance with the requirements of the Original Indenture and this Supplemental Indenture and ratably on a parity therewith and applied in the following priority:

(a) At such time as may be required by the Tax Regulatory Agreement but not less often than annually, to the Rebate Fund and the Series 2013 Rebate Fund the amount required to be deposited thereunder;

(b) On the twenty-fifth (25th) day of each month, beginning on the twenty-fifth (25th) day of the month following the effective date of any Management Agreement, to the Operating Fund (as defined in the Management Agreement) maintained by the Management Company, an amount necessary to make the amount in the Operating Fund equal to the Operating Expenses for the next month as shown on the Operating Budget (as defined in the Management Agreement) for such month, as certified by the Management Company;

(c) With respect to the Series 2004B Bonds and the Series 2013 Bonds that bear interest at a Fixed Rate, on the twenty-fifth (25th) day of each month, commencing November 25, 2013, into the Interest Account of the Series 2004 Debt Service Fund and the Interest Account of the Series 2013 Debt Service Fund an amount equal to one-third (1/3rd) of the interest due and payable on such Series 2004B Bonds and Series 2013 Bonds on February 1, 2014 and thereafter, on the 25th day of each month, commencing February 25, 2014, an amount equal to one-sixth (1/6th) of the interest due and payable on such Series 2004B Bonds and Series 2013 Bonds on the next February 1 and August 1 or such lesser amount that, together with amounts already on deposit in the Interest Account of the Series 2004 Debt Service Fund and the Interest Account of the Series 2013 Debt Service Fund, will be sufficient to pay interest on such Series 2004B Bonds and Series 2013 Bonds on such Interest Payment Date;

(d) With respect to the Auction Rate Bonds, two (2) Business Days prior to each Interest Payment Date for the Auction Rate Bonds, commencing November 12, 2013, into the Interest Account of the Series 2004 Debt Service Fund an amount equal to the interest due and payable on the Auction Rate Bonds on such Interest Payment Date or such lesser amount that, together with amounts already on deposit in the Interest Account of the Series 2004 Debt Service Fund, will be sufficient to pay interest on such Series 2004B Bonds bearing interest at an Auction Rate on such Interest Payment Date;

(e) With respect to the Variable Rate Bonds, two (2) Business Days prior to each Interest Payment Date, commencing on the Interest Payment Date immediately succeeding the applicable Variable Rate Conversion Date, into the Interest Account of the Series 2004 Debt Service Fund an amount equal to the interest due and payable on the Variable Rate Bonds on such Interest Payment Date or such lesser amount that, together with amounts already on deposit in the Interest Account of the Series 2004 Debt Service Fund, will be sufficient to pay interest on such Series 2004B Bonds bearing interest at a Variable Rate on such Interest Payment Date;

(f) On the twenty-fifth (25th) day of each month, commencing November 25, 2013, into the Principal Account of the Series 2004 Debt Service Fund and the Principal Account of the Series 2013 Debt Service Fund an amount equal to one-ninth (1/9th) of the principal of the Series 2004B Bonds and the Series 2013 Bonds payable on August 1, 2014 and thereafter, on the 25th day of each month, commencing August 25, 2014, an amount equal to one-twelfth (1/12th) of the principal of the Series 2004B Bonds and the Series 2013 Bonds payable on the next Principal Payment Date;

(g) On the twenty-fifth (25th) day of the month, any amounts due to the Series 2004 Bond Insurer under the Reimbursement Agreement;

(h) On the twenty-fifth (25th) day of each month following any drawing on the Debt Service Reserve Fund in accordance with Section 4.21 of the Original Indenture or any drawing on the Series 2013 Debt Service Reserve Fund in accordance with Section 4.13 hereof, an amount equal to the lesser of (i) one twelfth (1/12th) of the amount necessary to cause the amount on deposit in the Debt Service Reserve Fund to equal the Debt Service Reserve Fund Requirement for the Series 2004B Bonds and the Series 2013 Debt Service Reserve Fund to equal the Series 2013 Debt Service Reserve Fund Requirement for the Series 2013 Bonds within twelve (12) months or (ii) the excess of the Debt Service Reserve Fund Requirement for the Series 2004 Bonds or the Series 2013 Debt Service Reserve Fund Requirement for the Series 2013 Bonds over the amount on deposit in the Debt Service Reserve Fund or the Series 2013 Debt Service Reserve Fund;

(i) Annually, beginning August 1, 2014, an amount equal to \$122,987.38 into the Replacement Fund, with such amount increased each year, beginning August 1, 2015 at a rate of 3% annually; or such lesser annual amount as is permitted by the Board of Regents and approved by the Series 2004 Bond Insurer; in each case, as set forth in writing delivered in advance thereof to the Trustee; and, in the event that any funds shall have been withdrawn from the Replacement Fund to cure any deficiency in the Interest Account or the Principal Account of the Series 2004 Debt Service Fund or the Interest Account or the Principal Account of the Series 2013 Debt Service Fund pursuant to Section 4.3(c) hereof, the amount of such withdrawal;

(j) On the twenty-fifth (25th) day of each month, commencing the month following the effective date of any Management Agreement, an amount equal to the monthly Management Fee for the current Fiscal Year plus any Management Fee for any prior month that remains unpaid;

(k) Annually on August 1 of each year beginning August 1, 2014 any amounts remaining in the Receipts Fund after making all transfers required to be made on such date under Section 4.6(a) through (j) hereof shall be transferred to the Surplus Fund and applied as set forth in Section 4.25 of the Original Indenture.

After a Variable Rate Conversion of the Series 2004B Bonds, payments will be made from the Receipts Fund to the Series 2004 Debt Service Fund in accordance with the supplemental indenture executed in connection with such Variable Rate Conversion.

Section 4.7 Series 2013 Debt Service Reserve Fund. Moneys on deposit in the Series 2013 Debt Service Reserve Fund shall be maintained in an amount equal to the Series 2013 Debt Service Reserve Fund Requirement, and shall be transferred, in accordance with the priority set out in Section 4.3(c) above, to the Interest Account or the Principal Account of the Series 2013 Debt Service Fund in such amount as shall be necessary to remedy any deficiency therein (taking into account any amounts available therefor in the Surplus Fund and the Replacement Fund). Whenever the amount in the Series 2013 Debt Service Reserve Fund, together with the amount in the Series 2013 Debt Service Fund, is sufficient to pay in full all outstanding Series 2013 Bonds in accordance with their terms, the funds on deposit in the Series 2013 Debt Service Reserve Fund shall be transferred to the Series 2013 Debt Service Fund and shall be available to pay all outstanding Series 2013 Bonds in accordance with their terms. If the balance of the Series 2013 Debt Service Reserve Fund is greater than the Series 2013 Debt Service Reserve Fund Requirement, all amounts in the Series 2013 Debt Service Reserve Fund in excess of the Series 2013 Debt Service Reserve Fund Requirement shall be transferred to the Interest Account of the Series 2013 Debt Service Fund. In no event shall moneys in the Series

B-15

2013 Debt Service Reserve Fund be used to make payments of principal or interest on the Series 2004B Bonds and in no event shall the moneys in the Series 2004 Debt Service Reserve Fund be used to make payments of principal and interest on the Series 2013 Bonds.

Section 4.8 Surplus Fund. The Surplus Fund will continue to be maintained with the Trustee. Upon satisfaction of certain performance covenants contained in the Indenture, funds on deposit in the Surplus Fund at the end of any Fiscal Year will be transferred to the University. Until such transfer, moneys in the Surplus Fund will be available to be transferred to the Interest Account and/or the Principal Account of the Series 2004 Debt Service Fund or Series 2013 Debt Service Fund whenever and to the extent that money on deposit in such Accounts is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004B Bonds or the Series 2013 Bonds.

Section 4.9 Investments. Moneys contained in the funds and accounts held by the Trustee under Section 4.1 of this Supplemental Indenture shall be continuously invested and reinvested by the Trustee at the direction of the Corporation in Permitted Investments, to the extent practicable, that shall mature (or be readily convertible to cash) not later than the respective dates, as estimated by the Corporation, when the moneys in said Funds and Accounts shall be required for the purposes intended, and:

(i) No such investment shall be required to be made unless the cash at the time available therefor is at least equal to \$1,000;

(ii) The Trustee shall be authorized, to the extent necessary to enable the Trustee to discharge or perform its obligations hereunder, at any one or more times to sell any part or all of the investments whenever it may, for any reason or purpose whatsoever, deem any such sale to be desirable;

(iii) Any income derived from and any profit or loss on any such investment of moneys on deposit in any such fund or account shall be credited or debited, as the case may be, to the respective fund or account in which earned;

(iv) No Permitted Investments in any fund or account may mature beyond the latest maturity date of any Series 2013 Bonds outstanding at the time such Permitted Investments are deposited. For the purposes of this section, the maturity date of repurchase agreements for obligations is the maturity date of such repurchase agreements and not the maturity date of the underlying obligation; and

(b) An Authorized Corporation Representative shall give to the Trustee directions respecting the investment of any money required to be invested hereunder, subject, however, to the provisions of this Article and Article V of the Loan Agreement, and the Trustee shall then invest such money under this Section as so directed. The Trustee shall in no event have any liability for any loss resulting from the investment of moneys in accordance with the directions of the Authorized Corporation Representative. The Trustee shall furnish the Authority annually with a written copy and the Corporation with a written copy for the Board, on at least a monthly basis, of the types, amounts, yield and maturities of all such investments.

(c) All cash investments shall be valued by the Trustee as frequently as deemed necessary by the Trustee, but not less often than annually, at the market value thereof. Deficiencies in the amount on deposit in any fund or account resulting from a decline in market value shall be restored no later than the succeeding valuation date.

Section 4.10 Depository of Moneys and Security for Deposits. All of the funds and accounts established hereunder (except for the Series 2013 Rebate Fund) shall be special trust accounts held by the Trustee in trust for the benefit of the owners of the Series 2013 Bonds and shall not be subject to lien or attachment by any creditors of the Trustee, the Authority, the Corporation, or the Board. Uninvested sums in these funds and accounts shall be continually secured as are deposits of uninvested sinking funds of political subdivisions of the State or in the manner prescribed by Federal law for securing any Federal trust funds as may be prescribed from time to time by the Comptroller of the Currency.

Section 4.11 Arbitrage. Notwithstanding all the provisions hereof, the Authority or the Corporation shall not direct the investment of moneys in the various funds and accounts created hereunder in a manner that would result in the loss of exclusion from gross income of interest on the Series 2013 Bonds for Federal income tax purposes or in such manner which would result in the Series 2013 Bonds becoming "arbitrage bonds" within the meaning of Section 148 of the Code.

Section 4.12 Amounts Remaining in Funds; Releases. It is agreed by the parties hereto that any amounts remaining in the Funds and Accounts existing pursuant to this Supplemental Indenture upon the expiration or sooner cancellation or termination of the Loan Agreement, as provided therein, after payment in full of all Series 2013 Bonds then outstanding under this Supplemental Indenture (or provisions for the payment thereof having been made in accordance with Article XII of this Supplemental Indenture), and the fees, charges and expenses of the Authority and the Trustee and all other amounts required to be paid under the Loan Agreement and under this Supplemental Indenture, other than amounts payable as arbitrage rebate under Section 148(f) of the Code, shall belong to and be paid to the Board.

Section 4.13 Application of Moneys in the Series 2013 Debt Service Reserve Fund.

(a) The Series 2013 Debt Service Reserve Fund shall be funded on the date of delivery of the Series 2013 Bonds in an amount equal to the Series 2013 Debt Service Reserve Fund Requirement.

(b) The Trustee shall transfer money from the Series 2013 Debt Service Reserve Fund to the Interest Account and the Principal Account of the Series 2013 Debt Service Fund to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2013 Bonds, whenever and to the extent that the money on deposit in said accounts (together with any amounts available therefor in the Surplus Fund and the Replacement Fund) is insufficient for such purposes.

(c) If the money held in the Series 2013 Debt Service Reserve Fund, including interest earnings, exceeds the Series 2013 Debt Service Reserve Fund Requirement an amount equal to such excess shall be transferred by the Trustee to the Interest Account of the Series 2013 Debt Service Fund. The Trustee shall not be required to liquidate any investment before its maturity to make such transfer. Whenever the amount on deposit in the Series 2013 Debt Service Reserve Fund is less than the Series 2013 Debt Service Reserve Fund Requirement, the Trustee shall notify the Authority and the Corporation of the amount of such deficiency and such deficiency will be remedied, as provided in Section 4.6(h) hereof. Upon notification the Corporation shall deliver to the Trustee an amount sufficient to cure the deficiency in accordance herewith and the Agreement.

(d) The Authority may, at the direction of the Corporation, as advised by the Board, at any time, deposit with the Trustee, to replace cash in the Series 2013 Debt Service Reserve Fund (in which case the replaced cash shall be paid to the University) or to meet the requirements herein that it deposit additional

amounts in the Series 2013 Debt Service Reserve Fund, a Debt Service Reserve Fund Investment. Any bank issuing a letter of credit must have a rating on its unsecured debt, or on debt secured by its letters of credit and which ratings are based solely on the bank's letter of credit, of "AA-" or better by S&P and "Aa3" or better by Moody's. Any insurance company issuing a surety bond must have a claims-paying ability rating of "AAA" by S&P and "Aaa" by Moody's. If such Debt Service Reserve Fund Investment expires prior to fifteen (15) days after the final maturity of the Series 2013 Bonds, it must provide, that if not renewed within fifteen (15) days prior to its expiration date in an amount equal to the undrawn amount thereof (other than because of a reduction in the Series 2013 Debt Service Reserve Fund Requirement or the deposit of cash in the Series 2013 Debt Service Reserve Fund to replace it), the Trustee may draw the full amount of such Series 2013 Debt Service Reserve Fund Investment. The Trustee shall draw down the full amount of such Debt Service Reserve Fund Investment and deposit such amount in the Series 2013 Debt Service Reserve Fund fifteen (15) days prior to expiration of such Debt Service Reserve Fund Investment if it is not renewed as provided for in the preceding sentence. The Debt Service Reserve Fund Investment must be able to be drawn upon at any time that cash could be withdrawn from the Series 2013 Debt Service Reserve Fund. Prior to accepting any such Debt Service Reserve Fund Investment, the Trustee, the Corporation, the Board and the Authority must receive a Bond Counsel opinion that such acceptance and any payment of funds in the Debt Service Reserve Fund to the Corporation is authorized by this Indenture and will not adversely affect the exclusion of interest on the Series 2013 Bonds. If a Debt Service Reserve Fund Investment is deposited in the Series 2013 Debt Service Reserve Fund in lieu of cash, the cash amount contained in the Series 2013 Debt Service Reserve Fund shall be transferred to the Replacement Fund.

(e) If a disbursement is made under a surety bond deposited in the Series 2013 Debt Service Reserve Fund, the Corporation shall be obligated to either reinstate the maximum limits of such surety bond immediately following such disbursement in twelve (12) equal monthly installments or as required by the Authority of the Debt Service Reserve Fund Investment in an amount equal to the Series 2013 Debt Service Reserve Fund Requirement or deposit into the Series 2013 Debt Service Reserve Fund funds in the amount of the disbursement made under the Debt Service Reserve Fund Investment, or a combination of such alternatives as shall equal the Series 2013 Debt Service Reserve Fund Requirement.

Section 4.14 Application of Insurance Proceeds; Condemnation Award.

(a) If all or any portion of the Facilities is damaged or destroyed by a Casualty (as defined in the Facilities Lease), or is taken by Expropriation (as defined in the Facilities Lease) proceedings, the Board shall instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration or replacement of the Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. The proceeds of any insurance, including the proceeds of any self-insurance through ORM, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction or taking of all or any portion of the Facilities shall be delivered to the Trustee and held by the Trustee in a special account to be established upon receipt of any such funds and held by the Trustee in trust or in the case of self-insurance through ORM, as set forth in paragraph (b) below; and shall be made available for, and to the extent necessary be applied to, such restoration, repair and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement and repair of the Facilities with respect to which they are held, in each case promptly after receipt of a written request of the Corporation as advised by the Board stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee may conclusively rely upon such written requests and shall have no

liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration or replacement of the Facilities shall be paid by Trustee to the Corporation for the Board.

(b) In the event the University decides not to repair, restore or replace the Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) shall be paid to the Trustee and applied to the redemption of the Bonds on a pro rata basis in accordance with the Indenture. The provisions of this Section 4.14(b) shall control over the provisions of the second paragraph of Section 4.22(a) of the Original Indenture.

(c) In the event that ORM insures the Facilities, the Board shall cause the Corporation to use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration or replacement of the Facilities.

Section 4.15 Application of Money in the Replacement Fund.

(a) All moneys in the Replacement Fund shall be held for the benefit of the Board through the Corporation, are not pledged under this Indenture and may be drawn on and used by the Corporation or the Board to (i) replace any worn out, obsolete, inadequate, unsuitable or undesirable property, furniture, equipment, fixtures and other property owned by the Board or the Corporation and located on the Facilities and (ii) maintain the Facilities and to make all alterations, repairs, restorations and replacements to the Facilities as and when needed to preserve the Facilities in good working order, condition and repair, each as required by the Facilities Lease. Withdrawals from the Replacement Fund for the purposes set forth above shall be made by the Trustee upon its receipt of a requisition from the University or the Corporation substantially in the form attached hereto as Exhibit C to the Original Indenture. Moneys in the Replacement Fund may also be drawn by the Trustee and transferred to the Series 2004 Debt Service Fund or the Series 2013 Debt Service Fund if amounts on deposit therein, together with amounts available therefor in the Surplus Fund, are insufficient to pay debt service on the Series 2004B Bonds or the Series 2013 Bonds on any Interest Payment Date or Principal Payment Date.

(b) Any moneys remaining in the Replacement Fund immediately prior to the time all of the Series 2004B Bonds and Series 2013 Bonds are paid, or provision for their payment is made in accordance with Article XII hereof shall, at the option of the University, be used, together with amounts held in the Debt Service Reserve Fund and the Series 2013 Debt Service Reserve Fund, to pay in full all outstanding Series 2004B Bonds and Series 2013 Bonds in accordance with their terms or shall be paid to the University.

Section 4.16 Application of Money in the Surplus Fund.

(a) Funds on deposit in the Surplus Fund at the end of any Fiscal Year may be transferred to the University on the date described below if (i) the Debt Service Coverage Ratio for the Facilities was 1.10:1.00 or greater for such Fiscal Year as evidenced by the audited financial statements for such Fiscal Year and (ii) neither the Corporation or the Board are in default under the financing documents on the date of

transfer to the University. Upon receipt of the audited financial statements for such Fiscal Year, provided that the above described conditions have been met, then at the written instruction of the University Representative, the Trustee shall transfer all of the amounts in the Surplus Fund on the last day of the immediately preceding Fiscal Year to the University.

(b) To the extent that there are insufficient funds in the Receipts Fund to make any of the transfers to the various funds and accounts required under Section 4.6(a) through (j) hereof on the dates such transfers are required to be made, any amounts contained in the Surplus Fund shall be transferred to such funds and accounts, in the priority set forth in Section 4.6 hereof, to make up for such deficiency.

Section 4.17 Application of Moneys in the Series 2013 Rebate Fund. Moneys in the Series 2013 Rebate Fund shall be used to make any rebate payments required to be made to the United States under the Code. The Series 2013 Rebate Fund shall be held for the sole benefit of the United States of America and is not pledged under this Supplemental Indenture. Moneys required to be paid to the United States shall be deposited in the Series 2013 Rebate Fund by the Board as Base Rental under the Facilities Lease as required thereby and by this Supplemental Indenture.

ARTICLE V ADDITIONAL BONDS

Section 5.1 Additional Bonds. Additional Bonds may be issued in accordance with the provisions of Article V of the Original Indenture.

ARTICLE VI COSTS OF ISSUANCE

Section 6.1 Payment of Costs of Issuance from Series 2013 Bond Proceeds Fund. There shall be paid into the Series 2013 Costs of Issuance Account in the Series 2013 Bond Proceeds Fund the amounts required to be so paid from Series 2013 Bond proceeds pursuant to Section 4.2(b) of this Supplemental Indenture; and such amounts shall be applied to the payment of all items of expense, directly or indirectly payable or reimbursable and related to the authorization, sale and issuance of the Series 2013 Bonds including, but not limited to, publication costs, printing costs, costs of preparation and reproduction of documents, filing and recording fees, initial fees and charges of the Trustee, the Authority or any other fiduciary, legal fees and charges, fees and disbursements of consultants and professionals and any other cost, charge or fee in connection with the original sale and issuance of the Series 2013 Bonds. Any additional costs of issuance shall be paid solely by the Corporation. The Trustee shall make payments from the Series 2013 Costs of Issuance Account upon receipt of statements from the parties entitled to be paid therefrom accompanied by a written request of the Authority directing the Trustee to pay such statements.

ARTICLE VII ENFORCEMENT OF LOAN AGREEMENT AND FACILITIES LEASE

Section 7.1 Assignment of Loan Agreement and Facilities Lease. The Authority has assigned all of its right, title and interest in, to and under the Loan Agreement (except for rights relating to exculpation, indemnification and payment of expenses thereunder), including the interest of the Authority in and to the Ground Lease and the Facilities Lease assigned by the Corporation to the Authority thereunder (except for payments of Additional Rentals made under the Facilities Lease), to the Trustee as security for the Series 2013 Bonds and hereby agrees that the Loan Agreement and the Facilities Lease may be enforced by the Trustee

and/or the owners of the Bonds in accordance with the terms of the Facilities Lease and the Indenture. Notwithstanding such assignment, the Authority agrees to cause the Corporation to comply with the terms contained in the Loan Agreement and the Facilities Lease and the rights of the Bondholders and the Trustee shall be governed by the provisions of the Indenture, the Loan Agreement and the Facilities Lease.

Section 7.2 Trustee or Bondholders to Enforce Loan Agreement, Facilities Lease and Mortgage. The Trustee may, and upon request of the Series 2004 Bond Insurer or a majority in aggregate principal amount of the Bonds then outstanding shall, subject to the provisions of Section 8.11 and Article IX hereof, strictly and promptly enforce the provisions of the Loan Agreement, the Facilities Lease and Mortgage so long as any of the Bonds remain outstanding under the Indenture. All rights of action (including the right to file proof of claims) to enforce the Loan Agreement, the Facilities Lease and Mortgage under the Indenture or under any of the Bonds may be enforced by the Trustee without the possession of the Bonds and without their production in any trial or other proceeding relating thereto. Any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee for the Bondholders without the necessity of joining as plaintiffs or defendants any of the Bondholders.

ARTICLE VIII EVENTS OF DEFAULT; REMEDIES

Section 8.1 No Extension of Time for Payment of Principal, Premium or Interest. The Trustee shall not be authorized to extend the time for any payment of principal, premium or interest without the prior written consent of or authorization by the owner of the Series 2013 Bonds so affected.

Section 8.2 Events of Default.

(a) Each of the following events is hereby declared to be an additional “*Event of Default*” under Section 8.2 of the Original Indenture:

- (i) The payment of any installment of interest on any of the Series 2013 Bonds shall not be made when the same shall become due and payable;
- (ii) The payment of the principal or premium, if any, on any of the Series 2013 Bonds shall not be made when the same shall become due and payable, whether at maturity or by proceedings for redemption or by acceleration or otherwise;
- (iii) An “*Event of Default*” under Article IX of the Loan Agreement shall have occurred and shall not have been cured within the applicable cure period;
- (iv) A default shall occur under Section 21 of the Facilities Lease;
- (v) If by action or inaction of the Authority, the Board or the Corporation the interest on the Series 2013 Bonds shall become includable in gross income for Federal income tax purposes; or
- (vi) Default by the Authority in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Series 2013 Bonds or in this Supplemental Indenture on the part of the Authority to be performed, if such default shall continue for 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Authority, the Board and the Corporation by the Trustee, which may give such notice in its discretion and shall

give such notice at the written request of the owners of not less than a majority in principal amount of the Series 2013 Bonds then outstanding. Such default shall not become an Event of Default if said default be of the nature that (A) it cannot be corrected within the thirty (30) day period after receipt of notice, but the Authority (or the Corporation pursuant to the provisions of Section 8.14 of this Supplemental Indenture) promptly shall institute and diligently pursue corrective action until such default is cured and (B) the Trustee shall determine that such default is not curable but such default does not affect the validity or enforceability of the Series 2013 Bonds, this Supplemental Indenture or the Loan Agreement, an event of nonperformance shall not have occurred under the Loan Agreement (other than as a result of the cross-default provisions), and such default does not impair the security or the obligations provided for or under the Bonds, the Indenture or the Loan Agreement.

(b) The word "default" as used herein means failure of performance when due, exclusive of any period of grace, if any, allowed to correct any such failure.

Section 8.3 Remedies. Upon the occurrence of an Event of Default, the Authority, the Trustee and, subject to Sections 8.10 and 8.11, the Bondholders shall have all the rights and remedies as may be allowed by law, the Indenture, or pursuant to the provisions of the Loan Agreement and/or the Facilities Lease by virtue of their assignment hereunder, including but not limited to, acceleration of the maturity of all Bonds, or suit at law or in equity to enforce or enjoin the action or inaction of parties under the provisions of the Indenture, the Loan Agreement or the Facilities Lease.

Section 8.4 Acceleration; Annulment of Acceleration.

(a) Upon the occurrence of an Event of Default described in Section 8.2 of the Indenture, the Trustee may, and upon the written request of the Series 2004 Bond Insurer or the owners of a majority in aggregate principal amount of the Bonds shall, by notice in writing to the Authority, the Board and the Corporation, declare the Bonds then outstanding immediately due and payable, and such Bonds shall become and be immediately due and payable, anything in such Bonds or in the Loan Agreement or the Indenture to the contrary notwithstanding, and, subject to Article IX, the Trustee may exercise any remedies granted to it therein. In such event, there shall be due and payable on the Bonds an amount equal to the principal amount of all the Bonds then outstanding plus all interest accrued thereon and which will accrue thereon to the date of payment; and

(b) At any time after the principal of the Bonds shall have been so declared to be due and payable and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under the Indenture, the Loan Agreement or the Facilities Lease, the Trustee may annul such declaration and its consequences with respect to the Bonds if (i) moneys shall have been deposited in the Series 2013 Debt Service Fund and the Series 2004 Debt Service Fund sufficient to pay all matured installments of principal (other than principal due solely because of acceleration) and interest; (ii) moneys shall be available sufficient to pay the charges, compensation, expenses, disbursements, advances and liabilities of the Authority and the Trustee; (iii) all other amounts then payable by the Authority or the Corporation under the Indenture or the Loan Agreement shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee; and (iv) every Event of Default known to the Authority or the Trustee (other than a default in the payment of the principal of the Bonds due only because of such declaration) shall have been remedied to the satisfaction of the Authority and the Trustee. No such annulment shall extend to or affect any subsequent Event of Default or impair any right consequent thereon.

Section 8.5 Insufficiency in the Series 2013 Debt Service Fund; Application of Moneys.

(a) Anything in this Supplemental Indenture to the contrary notwithstanding, if at any time the moneys in the Series 2013 Debt Service Fund shall not be sufficient to pay the interest on, premium, if any, or the principal of the Series 2013 Bonds as the same shall become due and payable (either by their terms or by acceleration of maturities), such moneys, together with any other moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall, subject to the provisions of Sections 9.2 and 9.4 hereof, be applied as follows:

(i) Unless the principal of all the Series 2013 Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

FIRST, to the payment to the persons entitled thereto of all installments of interest then due and payable in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay any particular installment, then to the payment thereof, ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Series 2013 Bonds; then

SECOND, to the payment to the persons entitled thereto of the unpaid principal of any of the Series 2013 Bonds which shall have become due and payable (other than Series 2013 Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Supplemental Indenture) in the order of their due dates, with interest on the principal amount of such Series 2013 due and payable, and, if the amount available shall not be sufficient to pay in full the principal of the Series 2013 Bonds and their interest thereon, then to the payment thereof ratably, according to the amount of the interest due on such date, and next to the payment of the principal, ratably, according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference; and then

THIRD, to the payment of the interest on and the principal of the Series 2013, to the purchase and retirement of Series 2013 Bonds and to the redemption of Series 2013 Bonds, all in accordance with the provisions of this Supplemental Indenture.

(ii) If the principal of all the Series 2013 Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Series 2013 Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Series 2013 Bond over any other Series 2013 Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference; and

(iii) If the principal of all the Series 2013 Bonds shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled, then, subject to the provisions of Section 8.4(b) above, in the event that the principal of all the Series 2013 Bonds shall later become or be declared due and payable, then all such moneys shall be applied in accordance with the provisions of Section 8.4(a) above.

B-19

(b) Whenever money is to be applied by the Trustee pursuant to the provisions of this Section, such money shall be applied by the Trustee at such times and from time to time as the Trustee in its sole discretion shall determine, having due regard to the amount of such money available for application and the likelihood of additional money becoming available for application in the future; the deposit of such money or otherwise setting aside such money in trust for the proper purpose shall constitute proper application by the Trustee; and the Trustee shall incur no liability whatsoever to the Authority, to any Bondholder or to any other person for any delay in applying any such money, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this Supplemental Indenture as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such money, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date and shall not be required to make payment to the owner of any Series 2013 Bond until such Series 2013 Bond shall be surrendered to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 8.6 Discontinuance of Proceedings. In case any proceeding taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, then and in every such case the Authority, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no proceeding had been taken.

Section 8.7 Reserved.

Section 8.8 Remedies Not Exclusive. No remedy by the terms of the Indenture conferred upon or reserved to the Trustee or the Bondholders is intended to be exclusive of any other remedy, but each and every remedy shall be cumulative and shall be in addition to every other remedy given under the Indenture or existing at law or in equity on or after the date of adoption of the Indenture.

Section 8.9 Remedies Vested in Trustee. All rights of action under the Indenture, the Loan Agreement or under any of the Bonds may be enforced by the Trustee without possession of the Bonds and without their production in any trial or other proceeding relating thereto. Any suit or proceeding instituted by the Trustee may be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any owners of the Bonds.

Section 8.10 Reserved.

Section 8.11 Individual Bondholder Action Restricted.

(a) No owner of any Series 2013 Bond shall have any right to institute any suit, action or proceeding for the enforcement of this Supplemental Indenture or for the execution of any trust hereunder or for any remedy under this Supplemental Indenture unless an Event of Default has occurred (other than under Sections 8.2(a)(i) or 8.2(a)(ii) of the Original Indenture as to which the Trustee has actual notice, or as to which the Trustee has been notified in writing; and

(b) No one or more owners of Series 2013 Bonds shall have any right in any manner whatsoever to disturb or prejudice the security of this Supplemental Indenture or to enforce any right hereunder

except in the manner herein provided and then only for the equal benefit of the owners of all outstanding Series 2013 Bonds.

Section 8.12 Waiver and Non-Waiver of Event of Default. No delay or omission of the Trustee or of any owner of Bonds to exercise any right or power accruing upon any Event of Default shall impair the right or power or shall be construed to be a waiver of an Event of Default or an acquiescence therein. Every power and remedy given by this Article to the Trustee and to the owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 8.13 Notice of Defaults.

(a) Within 30 days after the receipt of notice of an Event of Default or the occurrence of an Event of Default of which the Trustee is deemed to have notice, the Trustee shall (unless the Event of Default has already been cured) give written notice of the Event of Default to the owners of all Series 2013 Bonds then outstanding in the manner provided in Section 13.8 of this Supplemental Indenture, provided that, except in the case of a default in the payment of principal, redemption price, or interest on any of the Series 2013 Bonds, the Trustee may withhold the notice to the Bondholders if, in its sole judgment, it determines that the withholding of notice is not detrimental to the best interest of the Bondholders.

(b) The Trustee shall immediately notify, in writing, the Authority, the Board, the Series 2004 Bond Insurer and the Corporation of any Event of Default known to the Trustee.

Section 8.14 Opportunity of Corporation to Cure Certain Defaults. The Authority and the Trustee hereby grant the Corporation full authority on the account of the Board and/or the Authority to perform any covenant or obligation and to otherwise fulfill any condition the failure or non-performance of which is or is alleged to be a default under Section 8.2(a)(vi) of this Supplemental Indenture, and the Trustee agrees that performance by the Corporation shall be deemed to be performance by the Board and/or the Authority.

ARTICLE IX CONCERNING THE TRUSTEE

Section 9.1 Acceptance of Trusts. The Trustee hereby represents and warrants to the Authority (for the benefit of the Board, the Corporation and the Bondholders as well as the Authority) that it is a bank and trust company duly organized and existing under the laws of the State of Louisiana and that it is duly authorized under such laws to accept and execute trusts of the character herein set out. The Trustee accepts and agrees to execute the trusts imposed upon it by this Supplemental Indenture, but only upon the terms and conditions set forth in this Article and subject to the provisions of this Supplemental Indenture including the following express terms and conditions, to all of which the parties hereto and the respective Owners of the Series 2013 Bonds agree:

(a) Except during the continuance of an Event of Default within the purview of Section 8.2, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Supplemental Indenture, and the Trustee shall not be responsible for (x) the legality or enforceability of this Supplemental Indenture (except with respect to performance of its obligations hereunder), the Loan Agreement (except with respect to performance of its obligations hereunder), the Facilities Lease (except with respect to performance of its obligations hereunder), the Tax Regulatory Agreement (except with respect to performance of its obligations thereunder), and any supplement thereto, the Series 2013 Bonds (except as to the authentication of the Series 2013 Bonds), or any instruments or documents related thereto (collectively, the

"Transaction Documents") or (y) the legality, perfection, sufficiency or priority of the Trust Estate or any lien purported to be granted thereon under any of the aforesaid documents or otherwise. No implied covenants or obligations shall be read into this Supplemental Indenture against the Trustee.

(b) No provision of this Supplemental Indenture shall be construed to relieve the Trustee from liability for its negligence or willful misconduct, except that:

(i) in the absence of bad faith on the part of the Trustee, the Trustee may rely upon the authenticity of, and the truth of the statements and the correctness of the opinions expressed in, and shall be protected fully from liability in relying or acting upon, any resolution, opinion of counsel, certificate, request, notice, consent, waiver, order, signature guaranty, notarial seal, stamp, acknowledgment, verification, appraisal, report or other paper or document believed by the Trustee to be genuine and to have been signed, affixed or presented by the proper party or parties; but in the case of any such certificates or opinions that by any provision hereby are specifically required to be furnished to the Trustee, as the case may be, the Trustee shall be under a duty to examine the same to determine whether or not they conform to requirements of this Supplemental Indenture;

(ii) in the absence of bad faith on the part of the Trustee, whenever the Trustee, or any of its agents, representatives, experts or counsel, shall consider it necessary or desirable that any matter be proved or established, such matter shall be deemed to be conclusively proved and established by a certificate executed by an Authorized Authority Representative or an Authorized Corporation Representative; provided, however, that the Trustee, or such agent, representative, expert or counsel may require, but is not obligated to require, such further and additional evidence and make such further investigation as it or they may consider reasonable;

(iii) the Trustee may consult with counsel and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered hereunder in good faith and in accordance with such advice or opinion of counsel;

(iv) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith and in accordance with any direction or request of the Bondholders;

(v) the Trustee shall not be liable for any error of judgment made in good faith by an officer or employee of the Trustee unless the Trustee is negligent in ascertaining the pertinent facts;

(vi) the Trustee shall not be deemed to have knowledge of any Event of Default, except for the failure of the Corporation to make or cause to be made scheduled payments to the Trustee provided for in the Loan Agreement, unless and until an officer of the Trustee who customarily handles corporate trusts and is assigned to supervise this Supplemental Indenture shall have actual knowledge thereof or the Trustee shall have received written advice thereof from any Bondholder;

(vii) anything in any of the Transaction Documents to the contrary notwithstanding, whether or not an Event of Default shall have occurred, the Trustee shall not be under any obligation to take any action under this Supplemental Indenture that may involve it in any expense or liability, the payment of which within a reasonable time is not, in its opinion, assured to it by the security afforded to it by the terms of this Supplemental Indenture, unless it is requested in writing to do so by one or more owners of the Series 2013 Bonds outstanding hereunder and furnished, from time to time as it may require, with security and indemnity satisfactory to it;

(viii) the Trustee need not take any action or follow any direction from any one or more Bondholders if the Trustee shall be advised by counsel that the action or proceedings so directed may not lawfully be taken or would be prejudicial to Bondholders not parties to such direction, or the Trustee in good faith believes following such direction would involve the Trustee in personal liability;

(ix) in no event shall the Trustee be liable to any person for special, indirect, punitive, exemplary or consequential damages, lost profits or loss of business arising under or in connection with this Supplemental Indenture, even if previously informed of the possibility of such damages and regardless of the form of action; and

(x) anything to the contrary in the Transaction Documents notwithstanding, the permissive right of the Trustee to do anything enumerated or set forth in any of the Transaction Documents shall not be construed as a duty, and the Trustee shall not be held responsible or liable for other than its negligence or willful misconduct.

(c) In case an Event of Default within the purview of Section 8.2 hereof has occurred and is continuing and the Trustee has or is deemed to have knowledge of the Event of Default pursuant to (b)(vi) above, subject to the provisions of this Article IX, the Trustee shall exercise such of the rights and powers vested in it by this Supplemental Indenture and use the degree of care and skill in their exercise as a prudent man would exercise under the circumstances.

(d) Whether or not therein expressly so provided, every provision of this Supplemental Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee, including without limitation Sections 9.3 and 9.4 hereof, shall be subject to the provisions of this Section 9.1. The Trustee also accepts, and agrees to do and perform, the duties and obligations imposed upon it by and under the Loan Agreement, and the Facilities Lease, but only upon the terms and conditions set forth in the Loan Agreement, the Facilities Lease, and this Supplemental Indenture. The rights of the Trustee to do things enumerated in this Supplemental Indenture shall not be construed as a duty.

Section 9.2 Trustee Entitled to Indemnity. The Trustee shall be under no obligation to institute any suit, or to take any remedial proceeding under this Supplemental Indenture or under the Loan Agreement, or to enter any appearance in or in any way defend against any suit, in which it may be made a defendant (except in the case of the Trustee's own negligence), or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder or under the Loan Agreement or the Facilities Lease, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability; the Trustee may, nevertheless, begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as such Trustee, without indemnity, and in such case the Authority shall reimburse the Trustee from funds available therefor under the Loan Agreement for all costs and expenses, outlays and counsel fees and other reasonable disbursements properly incurred in connection therewith. If the Authority shall fail to make reimbursement, the Trustee may reimburse itself from any moneys in its possession under the provisions of this Supplemental Indenture and shall be entitled to a preference over any of the Series 2013 Bonds.

Section 9.3 Trustee Not Responsible for Insurance, Taxes, Execution of Supplemental Indenture, Acts of the Authority or Application of Moneys Applied in Accordance with this Supplemental Indenture.

(a) The Trustee shall not be under any obligation to effect or maintain insurance or to renew any policies of insurance or to inquire as to the sufficiency of any policies of insurance carried by the

Board or to report, or make or file claims or proof of loss for, any loss or damage insured against or which may occur, or to keep itself informed or advised as to the payment of any taxes or assessments, or to require any such payment to be made. The Trustee shall have no responsibility in respect of the validity, sufficiency, due execution or acknowledgment of this Supplemental Indenture or the validity or sufficiency of the security provided hereunder or in respect of the validity of the Series 2013 Bonds or the due execution or issuance thereof, except as to the authentication thereof.

(b) The Trustee shall not be under any obligation to see that any duties herein imposed upon any party other than itself, or any covenants herein contained on the part of any party other than itself to be performed, shall be done or performed, and the Trustee shall be under no obligation for failure to see that any such duties or covenants are so done or performed.

(c) The Trustee shall not be liable or responsible because of the failure of the Authority or of any of its employees or agents to make any collections or deposits or to perform any act herein required of the Authority or because of the loss of any moneys arising through the insolvency or the act or default or omission of any other depository in which such moneys shall have been deposited under the provisions of this Supplemental Indenture. The Trustee shall not be responsible for the application of any of the proceeds of the Series 2013 Bonds or any other moneys deposited with it and paid out, withdrawn or transferred hereunder if such application, payment, withdrawal or transfer shall be made in accordance with the provisions of this Supplemental Indenture.

(d) The immunities and exemptions from liability of the Trustee hereunder shall extend to its directors, officers, employees and agents.

Section 9.4 Compensation. The Trustee shall be entitled to reasonable compensation for its ordinary services hereunder consistent with the results of the process by which the Trustee was selected and any extraordinary services rendered hereunder and to reimbursement for all expenses incurred in good faith hereunder, including the compensation, expenses and disbursements of such agents, representatives, experts and counsel as the Trustee may employ in connection with the exercise and performance of its powers and duties hereunder. Subject to the provisions of any contract relating to the compensation of the Trustee, the Authority shall cause the Board to pay to the Trustee as administrative expenses its reasonable fees and charges as Additional Rent in accordance with the Facilities Lease upon the written request of the Trustee and provided the Authority shall be furnished with sufficient funds to pay all costs and expenses (including attorneys' fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue. If the Board shall fail to make any payment required by this Section, the Trustee may, but shall be under no obligation to, make such payment from any moneys in its possession under the provisions of this Supplemental Indenture, and the Trustee shall be entitled to a preference therefor over any of the Series 2013 Bonds Outstanding hereunder.

Section 9.5 Trustee to Preserve Records. All records and files pertaining to the Corporation in the custody of the Trustee shall be open at all reasonable times to the inspection of the Authority, the Board, the Corporation and their agents and representatives.

Section 9.6 Trustee May be Bondholder. The Trustee and its directors, officers, employees or agents may in good faith buy, sell, own, hold and deal in any of the Series 2013 Bonds issued under and secured by this Supplemental Indenture, and may join in the capacity of a Bondholder in any action which any Bondholder may be entitled to take with like effect as if such institution were not the Trustee under this Supplemental Indenture.

Section 9.7 Trustee Not Responsible for Recitals. The recitals, statements and representations contained herein and in the Series 2013 Bonds shall be taken and construed as made by and on the part of the Authority and not by the Trustee, and the Trustee shall not be under any responsibility for the correctness of the same.

Section 9.8 Trustee Responsible for Reinscription. The Trustee, as set forth in the Loan Agreement, is required to reinscribe the Loan Agreement and the Mortgage at such times as shall be necessary to preserve the lien thereof. Under the Loan Agreement, the Corporation has covenanted to cooperate with the Trustee with regard to the foregoing.

Section 9.9 Trustee May Rely on Certificates. Subject to the provisions of Section 9.1(b), the Trustee shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Supplemental Indenture, upon any resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or person or to have been prepared and furnished pursuant to any of the provisions of the Loan Agreement or this Supplemental Indenture, or upon the written opinion of any attorney, engineer, accountant or other expert believed by it to be qualified in relation to the subject matter, and the Trustee shall not be under any duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument.

Section 11.1 Payment of Principal, Premium and Interest. The Authority further covenants that it will faithfully perform at all times all of its covenants, undertakings and agreements contained in this Supplemental Indenture, the Loan Agreement or in any Series 2013 Bond executed, authenticated and delivered hereunder or in any proceedings of the Authority pertaining thereto.

Section 11.2 Additional Security. The Authority covenants, whenever and so often as reasonably required to do so by the Trustee, promptly to execute and deliver or cause to be delivered all such other and further instruments, documents or assurances, and to promptly do or cause to be done all such other further things, as may be necessary or reasonably required in order to further and more fully vest in the Trustee and the owners of the Series 2013 Bonds all rights, interest, powers, benefits, privileges and advantages conferred or intended to be conferred upon them by this Supplemental Indenture.

Section 11.3 Cure Title Defects. The Authority covenants to promptly, upon the request of the Trustee, from time to time, take or cause to be taken such action as may be necessary or proper to remedy or cure any material defect in or cloud upon the title to the Trust Estate or any part thereof, whether now existing or hereafter developing, and to prosecute all such suits, actions and other proceedings as may be appropriate for such purpose and to indemnify and save the Trustee and every owner of Series 2013 Bonds, solely from the

Trust Estate, harmless from all loss, cost, damage and expense, including attorneys' fees, which they or either of them may ever incur by reason of any such defect, cloud, suit, action or proceedings.

Section 11.4 Defend Against Actions. The Authority covenants to defend or cause to be defended every suit, action or proceeding at any time brought against the Trustee or any owner of Series 2013 Bonds upon any claim arising out of the receipt, application or disbursement of any of the revenues of the Trust Estate or involving the Authority's, the Trustee's or such Bondholders' rights under this Supplemental Indenture or the Loan Agreement and to indemnify and save harmless, solely from the Trust Estate, the Trustee and Bondholders against any and all liability claimed or asserted by any person whomsoever, arising out of such receipt, application or disbursement of any such revenues; provided, however, that the Trustee or any owner of Series 2013 Bonds at its or his election may appear in and defend against any such suit, action or proceeding; and notwithstanding any contrary provision hereof, this covenant shall continue and remain in full force and effect until all indebtedness, liabilities, obligations and other sums secured hereby have been fully paid and satisfied, and this Supplemental Indenture has been released of record and the lien hereof discharged.

Section 11.5 Non-Impairment of Security. The Authority covenants that so long as any of the Series 2013 Bonds issued pursuant to this Supplemental Indenture are outstanding and unpaid, the Authority will not voluntarily consent to any amendment to the Loan Agreement or otherwise take any action which will reduce the amount of moneys made available thereunder to the Trustee, or which will in any manner impair or adversely affect the rights of the Authority or the Trustee or the security provided by this Supplemental Indenture to the owners from time to time of the Series 2013 Bonds.

Section 11.6 Authority's Obligation Limited. Nothing in the Loan Agreement or this Supplemental Indenture is intended to require or obligate nor shall anything therein be interpreted to require or obligate the Authority for any purpose or at any time whatsoever, to provide, apply or expend any funds coming into the hands of the Authority other than from the Trust Estate.

ARTICLE XII
DEFESANCE

Section 12.1 Payment.

(a) When all of the Series 2013 Bonds shall have been paid and discharged, and there shall have been paid all fees and charges of the Trustee due or to become due through the date on which the last of the Series 2013 Bonds is retired, then this Supplemental Indenture shall cease, terminate and become null and void, and thereupon the Trustee shall release this Supplemental Indenture including the cancellation and discharge of the lien hereof, and execute and deliver to the Authority such instruments in writing as shall be requisite to satisfy the lien hereof and, if necessary, to enter on the records such satisfaction and discharge and to re-convey to the Authority any property or interest therein or other rights hereby conveyed and such other instruments to evidence such release and discharge as may be reasonably required by the Authority, and the Trustee shall assign and deliver to the Authority any property at the time subject to the lien of this Supplemental Indenture which may then be in its possession, except amounts in any Fund otherwise required to be paid by this Supplemental Indenture and except such cash and investments as are held by the Trustee for the payment of interest and premium, if any, on and retirement of the Series 2013 Bonds.

(b) Notwithstanding the foregoing, the obligation of the Corporation to pay the fees and expenses of the Trustee in accordance with the terms of this Supplemental Indenture shall survive the

defeasance of the Series 2013 Bonds, the discharge of this Supplemental Indenture and the termination of the Loan Agreement.

Section 12.2 Provision for Payment. Any Series 2013 Bonds shall be deemed to have been paid and discharged within the meaning of Section 12.1, if the Trustee, or an escrow trustee, shall hold, in trust for and irrevocably committed thereto, moneys or Defeasance Obligations of such maturities and interest payment dates and bearing such interest as will, without further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom (likewise to be held in trust and committed, except as hereinafter provided), be sufficient for the payment of such Series 2013 Bonds, at their maturity or redemption date, of the principal thereof, together with the redemption premium, if any, and interest accrued to the date of maturity or redemption, as the case may be, or if default in such payment shall have occurred on such date then to the date of the tender of such payment; provided, that if any Series 2013 Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been duly given or provisions satisfactory to the Trustee shall have been duly made for the giving of such notice. Any moneys held in accordance with the provisions of this Section shall be invested only in Defeasance Obligations the maturities or redemption dates and interest payment dates of which, at the option of the owner, shall coincide as nearly as practicable with, but not later than, the time or times at which said moneys will be required for the aforesaid purposes. Any income or interest earned by the Defeasance Obligations held under this Section shall, as determined by the Trustee or the escrow trustee, to the extent not required for the purposes of this Section, be paid to the Corporation for the Board as overpayment of Payments.

Section 12.3 Certifications. The Authority and the Corporation covenant and agree that they will furnish to the Trustee:

(a) Certificates or opinions made by officers of the Authority and the Corporation required by this Supplemental Indenture stating that provisions of this Article relating to the satisfaction and discharge of this Supplemental Indenture have been fulfilled; and

(b) An opinion of Bond Counsel to the effect that the payment of the Series 2013 Bonds has been provided for in the manner set forth in this Supplemental Indenture and the Loan Agreement and that all obligations of the Authority and the Corporation with respect to the Series 2013 Bonds have been discharged and satisfied; and

(c) In the case of an advance refunding, a mathematical verification prepared by a nationally recognized law firm or firm of independent certified public accountants (or other verification agent satisfactory to the Trustee) that the Defeasance Obligations are sufficient to pay the principal of, premium, if any, and interest on the Series 2013 Bonds which are defeased.

ARTICLE XIII

In the event of the dissolution of the Authority, all of the covenants, stipulations, obligations and agreements contained in this Supplemental Indenture by or on behalf of or for the benefit of the Authority shall bind or inure to the benefit of the successor or successors of the Authority from time to time and any officer, board, commission, authority, agency or instrumentality to whom or to which any power or duty affecting such covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law, and the word "Authority" as used in this Supplemental Indenture shall include such successor or successors.

No recourse shall be had for the payment of the principal of, premium, if any, or interest on the Series 2013 Bonds or for any claim based thereunder or under this Supplemental Indenture against any trustee, director, officer, employee or agent of the Authority or of the Trustee.

If any clause, provision or Section of this Supplemental Indenture be held illegal or invalid by any court, the invalidity of such clause, provision or Section shall not affect any of the remaining clauses, provisions or Sections hereof and this Supplemental Indenture shall be construed and enforced as if such illegal or invalid clause, provision or Section had not been contained herein. The Trustee shall have no responsibility for the failure of the Board or the State to report any material event and shall have no responsibility as to any determination by the Board or the State of whether any event would constitute material information for holders of the Series 2013 Bonds; provided, however, that the Trustee hereby agrees to notify the Board in writing on or before November 1 of each year, commencing November 1, 2014, of the Board's obligation to comply with the requirements of Section (b)(5)(i) of Securities and Exchange Commission Rule 15c2-12.

each between the Authority and the Corporation, for the foregoing purposes. The Board of Supervisors for the University of Louisiana System (the "Board"), acting on behalf of the University, has leased the land upon which the Facilities are located on the campus of the University (the "Land") and the Facilities to the Corporation pursuant to a Ground and Buildings Lease Agreement dated as of August 1, 2004 (the "Original Ground Lease"), as supplemented and amended by the First Amendment to Ground and Buildings Lease Agreement dated as of March 1, 2007 (the "First Amendment to Ground Lease"), as supplemented and amended by a Second Amendment to Ground and Buildings Lease Agreement dated as of June 12, 2012 (the "Second Amendment to Ground Lease"), as further supplemented and amended by a Third Supplemental Ground and Buildings Lease Agreement dated as of November 1, 2013 (the "Third Supplemental Ground Lease" and, together with the Original Ground Lease, the First Amendment to Ground Lease and the Second Amendment to Ground Lease, the "Ground Lease") each by and between the Board and the Corporation, and has leased the Facilities from the Corporation pursuant to an Agreement to Lease with Option to Purchase dated as of August 1, 2004 (the "Original Facilities Lease"), as supplemented and amended by a First Amendment to Agreement to Lease with Option to Purchase dated as of March 1, 2007 (the "First Amendment to Facilities Lease"), as further supplemented and amended by a Second Amendment to Agreement to Lease with Option to Purchase dated as of June 12, 2012 (the "Second Amendment to Facilities Lease"), as further supplemented and amended by a Third Supplemental Agreement to Lease with Option to Purchase dated as of November 1, 2013 (the "Third Supplemental Facilities Lease" and, together with the Original Facilities Lease, the First Amendment to Facilities Lease and the Second Amendment to Facilities Lease, the "Facilities Lease") each by and between the Corporation and the Board.

The Series 2013 Bonds are issued pursuant to the laws of the State, particularly Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 4548.16, inclusive) (the "LCDA Act"), Chapters 14 and 14-A of Title 39 of the Louisiana Revised Statutes of 1950, as amended (the "Refunding Act" and, together with the LCDA Act, the "Act") and pursuant to a Trust Indenture dated August 1, 2004 (the "Original Indenture"), as supplemented and amended by a First Supplemental Trust Indenture dated as of November 1, 2013 (the "Supplemental Indenture" and, together with the Original Indenture, the "Indenture"), each between the Authority and the Trustee, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, and to which Indenture reference is hereby made for a more complete description of the assigned revenues constituting the Trust Estate, the nature and extent of the security, the terms and conditions under which the Series 2013 Bonds are issued and secured, the terms and conditions under which Additional Bonds may be issued and secured, the rights, duties and immunities of the Trustee and the rights of the registered owners of the Series 2013 Bonds. The registered owner of this Series 2013 Bond shall have no rights to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture, and by acceptance of this Series 2013 Bond, the owner hereof assents to all of the provisions of the Indenture and the Assignment (hereinafter defined). All terms not defined herein shall have the meanings assigned thereto in the Indenture.

The Series 2013 Bonds have been issued on a parity with the Series 2004B Bonds under the Indenture.

The Series 2013 Bonds are issuable as fully registered bonds without coupons, in Authorized Denominations, and shall be numbered from No. R-1 upwards. The Series 2013 Bonds are limited and special revenue obligations of the Authority and are payable solely from (i) payments received by the Authority from the Corporation pursuant to the Agreement (except however, the Authority's rights to exculpation, indemnification and payment of expenses by the Corporation under the Agreement) and (ii) all funds held by the Trustee under the Indenture and available for such payment, said payments and funds being herein referred

to as the "Trust Estate." The Agreement, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, provides that the Corporation is unconditionally obligated to make payments, but solely from the Payments (as defined in the Agreement) in an aggregate amount sufficient, for the payment in full of the principal and interest of all Series 2013 Bonds issued and outstanding under the Indenture, to the date of payment thereof, and certain costs, expenses and charges of the Authority and the Trustee. The Agreement imposes upon the Corporation certain obligations respecting the use and operation of its Facilities and the maintenance and repair of said Facilities.

THE SERIES 2013 BONDS AND THE INTEREST THEREON ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE TRUST ESTATE. THE SERIES 2013 BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION AND SHALL NOT CONSTITUTE A PLEDGE OF THE FAITH AND CREDIT OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF, BUT SHALL BE PAYABLE SOLELY FROM THE FUNDS PROVIDED FOR IN THE LOAN AGREEMENT AND THE INDENTURE. THE ISSUANCE OF THE SERIES 2013 BONDS SHALL NOT DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE OF LOUISIANA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY ANY TAXES OR TO MAKE ANY APPROPRIATION OF THEIR PAYMENT. THE ISSUER HAS NO POWER TO TAX.

As long as any of the Series 2013 Bonds remain outstanding, there shall be permitted the exchange of Series 2013 Bonds at the principal corporate trust office of the Trustee. Any Series 2013 Bond or Series 2013 Bonds upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his legal representative duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of other Bonds in Authorized Denominations.

For every such exchange or transfer of Series 2013 Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Trustee shall not be required to register the transfer or exchange of (a) any Series 2013 Bonds during the fifteen (15) day period next preceding the selection of Series 2013 Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2013 Bonds selected for redemption, or (b) any Series 2013 Bonds selected, called or being called for redemption in whole or in part, except in the case of any Series 2013 Bond to be redeemed in part, the portion thereof not so to be redeemed.

REDEMPTION PROVISIONS

Optional Redemption

The Series 2013 Bonds maturing August 1, 2024 and thereafter are subject to redemption prior to maturity at the option of the Corporation, upon written direction to the Authority, on or after August 1, 2023 as a whole at any time, or in part on any Interest Payment Date, the maturity of said Bonds to be redeemed to be designated by the Corporation and selected within a maturity by the Trustee in such manner as the Trustee may determine, at the redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date.

Mandatory Redemption

(i) If the Board shall purchase the Corporation's leasehold interest in the Facilities pursuant to the Facilities Lease, the Series 2013 Bonds shall be redeemed as a whole and shall be redeemed on the later of (a) August 1, 2014, or (b) the earliest practicable date, but not more than sixty (60) days, after such purchase, and in any event, at a price equal to the principal amount of the Series 2013 Bonds so redeemed plus accrued and unpaid interest to the date of redemption, without premium.

(ii) The Series 2013 Bonds shall be redeemed as a whole or in part (in Authorized Denominations) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds or proceeds received as a result of Expropriation proceedings with respect to the Facilities will not be applied to the restoration, repair or reconstruction of the Facilities at a price equal to the principal amount of the Series 2013 Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, without premium, in an aggregate principal amount equal to the amount of such insurance proceeds, or Expropriation proceeds not used for restoration, repair or reconstruction. If the amount of any insurance proceeds or Expropriation proceeds to be applied in redemption of the Series 2013 Bonds is not an Authorized Denomination, the principal amount of Series 2013 Bonds to be redeemed pursuant to this subsection (b) shall be decreased to the next lower Authorized Denomination. The Series 2004 Bonds will be so redeemed in the following order: first, Auction Rate Bonds; second, Variable Rate Bonds, third, Series 2004C Bonds; fourth, Series 2004B Bonds that bear interest at a Fixed Rate; and fifth, the Series 2013 Bonds.

Mandatory Sinking Fund Redemption.

The Series 2013 Bonds maturing on August 1, 2026 shall be subject to mandatory redemption and payment prior to maturity on August 1 in each of the years set forth below, at 100% of the principal amounts plus accrued interest to the redemption date, without premium, as follows:

| <u>Year</u> | <u>Principal Amount</u> |
|-------------|-------------------------|
| 2025 | \$ 4,295,000 |
| 2026* | 170,000 |

*Final Maturity

If on any occasion less than all of the Series 2013 Bonds then outstanding shall be redeemed pursuant to the optional or mandatory redemption provisions described in the Indenture, then the principal amount of the

SLU – Indenture

Series 2013 Bonds so redeemed shall be considered to have satisfied a portion of the mandatory sinking fund redemptions required by the above tables. The principal amounts required by the tables above shall be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional redemption.

Unless otherwise specified above, if less than all of the Series 2013 Bonds shall be called for redemption, the maturity of the Series 2013 Bonds to be redeemed shall be designated by the Corporation, on behalf of the Board, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Series 2013 Bond to be redeemed shall be in the principal amount of an Authorized Denomination. If a portion of any Series 2013 Bond shall be called for redemption, a new Series 2013 Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

At least thirty (30) days before the redemption date of any Series 2013 Bonds redeemed other than by mandatory sinking fund redemption, the Trustee shall cause a notice of any such redemption, signed by an authorized officer of the Trustee to be mailed, postage prepaid, to all Bondholders of record owning Series 2013 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register, but any defect in such mailing of any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2013 Bonds then outstanding shall be called for redemption, the numbers of such Series 2013 Bonds to be redeemed and, in the case of Series 2013 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2013 Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Series 2013 Bond, a new Series 2013 Bond in principal amount equal to the unredeemed portion of such Series 2013 Bond will be issued.

Modifications or alterations of the Indenture or any agreement supplemental thereto or of the Agreement or any agreement supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture and the Agreement. So long as no event of nonperformance under the Agreement has occurred and is continuing, no such supplement shall become effective unless the Corporation, on behalf of the Board, shall have given its prior written approval.

It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State to exist, to have happened and to have been performed, precedent to and in the execution and delivery of the Indenture and the issuance of this Series 2013 Bond, do exist, have happened and have been performed in regular and due form as required by law.

(e) The Corporation has or timely will obtain as required all authority, permits, licenses, consents and authorizations as are necessary to own, lease and operate its Properties and to carry on its business and to carry out and consummate all the transactions contemplated by the Board Documents and this Supplemental Loan Agreement.

(f) This Supplemental Loan Agreement, the Ground Lease, the Facilities Lease, and the Mortgage are legal, valid and binding obligations of the Corporation and enforceable against the Corporation in accordance with their terms, and the authorization, execution and delivery hereof and thereof and compliance with the provisions hereof and thereof do not conflict with or constitute on the part of the Corporation a violation of, breach of, or default under: (i) any provision of any indenture, mortgage, deed of trust, loan agreement or other contract or instrument to which the Corporation is a party or by which it or any of its Properties are bound; (ii) any order, injunction or decree of any court or governmental authority; or (iii) the provisions of its charter, as amended, or by-laws, as amended.

(g) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending or threatened against the Corporation, wherein an unfavorable decision, ruling or finding would materially and adversely affect the validity or enforceability of the Board Documents or this Supplemental Loan Agreement or any other agreement or instrument to which the Corporation is a party used in consummation of the transactions contemplated hereunder.

Section 2.3 Environmental Representations.

(a) The Corporation has taken all steps necessary to determine and has determined that no Contaminants have been disposed of on the Property in any material manner and that there has been no Release of any Contaminant on, from, under or to the Property other than in compliance with applicable law.

(b) The operations or other activities of the Corporation will not result in the disposal or other Release of any Contaminant on or from the Facilities other than in all cases in compliance with applicable law.

(c) The Corporation has not received any notice or claim or information to the effect that it is or may be liable to any Person as a result of the Release or threatened Release of a Contaminant into the environment in violation of applicable law.

(d) No Environmental Lien has attached to the Property.

(e) The operations or other activities of the Corporation shall not result in the disposal or other Release of any Contaminant on or from the Facilities other than in compliance with all current and future applicable environmental laws and the Corporation shall not engage in any activities that will result in the violation of any current or future environmental laws. The Corporation shall obtain from time to time all permits required under any current or future environmental laws so that the operations of the Corporation will be in accordance with such laws.

(f) The Corporation will make available for inspection from time to time all documents and information in its possession and control regarding activities and conditions relating to the Facilities and other assets which may result in noncompliance with, or liability under, any Requirement of Law.

(g) The Corporation shall not store, locate, generate, produce, process, treat, transport, incorporate, discharge, emit, release, deposit or dispose of any Hazardous Substance in, upon, under, over or from the Facilities other than in accordance with all applicable Environmental Regulations, shall not permit any Hazardous Substance to be stored, located, generated, produced, processed, treated, transported, incorporated, discharged, emitted, released, deposited, disposed of or to escape therein, thereupon, thereunder, thereover or therefrom other than in accordance with all applicable Environmental Regulations, shall not install or permit to be installed any underground storage tank therein or thereunder other than in accordance with all applicable Environmental Regulations, and shall comply with all Environmental Regulations which are applicable to the Facilities. The Corporation shall indemnify the Trustee and the Authority and shall hold the Trustee and the Authority harmless from, and shall reimburse the Trustee and the Authority for, any and all claims, demands, judgments, penalties, liabilities, costs, damages and expenses, including court costs and attorneys' fees directly or indirectly incurred by the Trustee or the Authority and the payee and holder of any Series 2013 Bond (prior to trial, at trial and on appeal) in any action against or involving the Trustee or the Authority, resulting from any breach of the foregoing covenants, or from the discovery of any Hazardous Substance, in, upon, under or over, or emanating from, the Facilities, whether or not the Corporation is responsible therefor, it being the intent of the Corporation that the Trustee and the Authority shall have no liability or responsibility for damage or injury to human health, the environment or natural resources caused by, for abatement and/or clean-up of, or other with respect to, Hazardous Substances by virtue of their interests, if any, in the Facilities created by the Indenture, and this Supplemental Loan Agreement or otherwise, or hereafter created, or as the result of the Trustee or the Authority or exercising any instrument, including but not limited to becoming the owner thereof by foreclosure or conveyance in lieu of foreclosure. The foregoing representations, warranties and covenants shall be deemed continuing covenants, representations and warranties for the benefit of the Trustee and the Authority and any successors and assigns thereof, including but not limited to any transferee of the title of the Trustee and any subsequent owner of the Facilities, and shall survive the satisfaction and release of the Indenture, and this Supplemental Loan Agreement, or under any other instrument, and/or any acquisition of title to the Facilities or any part thereof by the Trustee or the Authority by deed in lieu of foreclosure or otherwise. Any amount covered by the foregoing indemnification shall bear interest from the date incurred at a rate of 1.0% above the highest rate of interest borne by any Series 2013 Bond during the 365 days prior to the date on which such indemnification obligation was incurred, or, if less, the maximum rate permitted by law, and shall be payable on demand.

ARTICLE III
TERM, NATURE AND BENEFITS OF SUPPLEMENTAL LOAN AGREEMENT;
CONSTRUCTION OF FACILITIES

Section 3.1 Term. The term of this Supplemental Loan Agreement shall commence on the Closing Date for the Series 2013 Bonds, and shall terminate (unless discharged upon prepayment of all sums due hereunder by the Corporation prior thereto as hereinafter provided) on the date on which the Series 2013 Bonds and all other sums secured hereunder shall have been paid or provision for their payment shall have been made in accordance herewith. Notwithstanding the foregoing, the indemnification provisions of this Supplemental Loan Agreement shall survive the termination thereof and the defeasance of the Series 2013 Bonds under the Supplemental Indenture.

Section 3.2 Nature and Benefits.

(a) This Supplemental Loan Agreement has been executed and delivered in part to induce concurrently herewith the purchase by others of the Series 2013 Bonds, and, accordingly, all covenants and agreements on the part of the Corporation and the Authority, as set forth therein and herein, are hereby declared to be for the benefit of the Trustee for the owners from time to time of the Series 2013 Bonds. The Corporation consents and agrees to the assignment by the Authority to the Trustee under the Indenture of all of the Authority's right, title and interest (except for certain rights relating to exculpation, indemnification and payment of expenses) in, to and under this Supplemental Loan Agreement, including the interest of the Authority in and to the Facilities Lease assigned by the Corporation to the Authority hereunder, and agrees that the provisions hereof may be enforced by the Trustee under the provisions of the Supplemental Indenture. The Corporation agrees to do all things within its power in order to comply with, and to enable the Authority to comply with, all requirements and to fulfill, and to enable the Authority to fulfill, all covenants of the Supplemental Indenture and the Series 2013 Bonds.

(b) This Supplemental Loan Agreement is a limited obligation of the Corporation, payable solely from the Revenues, and this Supplemental Loan Agreement shall remain in full force and effect until the Series 2013 Bonds and the interest therein have been fully paid or otherwise provided for or discharged.

Section 3.3 Revision of Facilities Documents.

(a) The Corporation may revise the Ground Lease, the Facilities Lease and the Mortgage (collectively, the "Facilities Documents") and the description of the Facilities in Exhibit A hereto from time to time (including, without limitation, the deletion or revision of any of the facilities included in the Facilities and/or the substitution therefor of other facilities) in accordance with the Ground Lease without the consent of the Authority, the Trustee or the holders of the Bonds but, with the consent of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding); provided, however, that no such revision shall impair the exclusion from gross income of interest on the Bonds for Federal income tax purposes. In the case of any change that would render materially inaccurate the description of the Facilities in Exhibit A hereto, there shall be delivered to the Trustee and the Authority a revised Exhibit A containing a description of the Facilities that reflects the change in the Facilities Documents, the accuracy of which shall have been certified by an Authorized Corporation Representative.

(b) Prior to effecting any change in or revision of the Facilities Documents, the Corporation shall deliver to the Authority evidence of all governmental or regulatory approvals required therefor.

Section 3.4 No Warranty of Condition or Suitability. The Corporation acknowledges its full familiarity with the Facilities and that the Authority has no responsibility for the Facilities Documents. The Authority makes no representation or warranty, either express or implied, and offers no assurance that the proceeds of the Bonds will be sufficient to pay in full the Costs of the Facilities in accordance with the Facilities Documents.

ARTICLE IV
DISBURSEMENT OF SERIES 2013 BOND PROCEEDS; PAYMENTS;
CREDITS; OBLIGATIONS UNCONDITIONAL; PREPAYMENT

Section 4.1 Disbursement of Series 2013 Bond Proceeds. In order to provide funds to refund the Refunded Bonds, the Authority, as soon as practicable after the execution of this Supplemental Loan Agreement will proceed to issue, sell and deliver the Series 2013 Bonds to the purchasers thereof and will deposit the proceeds thereof as provided by Section 4.2 of the Supplemental Indenture with the Trustee for disbursement in accordance with the provisions of the Supplemental Indenture.

Section 4.2 Amounts Payable.

(a) Upon the terms and conditions of this Supplemental Loan Agreement, the Authority shall lend to the Corporation the proceeds of the sale of the Series 2013 Bonds. The proceeds of the Loan shall be deposited with the Trustee and applied in accordance with the Supplemental Indenture.

(b) The Corporation, for and in consideration of the issuance of the Series 2013 Bonds under the Supplemental Indenture by the Authority and the application of the proceeds thereof by the Authority as provided in the Supplemental Indenture for the benefit of the Corporation, hereby promises to repay the Loan, but solely from the Base Rental, by making the following payments (collectively called the "Payments") to or for the account of the Authority in an amount sufficient for the payment in full of all Series 2004B Bonds and Series 2013 Bonds from time to time issued under the Indenture and then outstanding, including (i) the total interest becoming due and payable on the Series 2004B Bonds and the Series 2013 Bonds to the date of payment thereof, and (ii) the total principal amount of and premium, if any, on the Series 2004B Bonds and the Series 2013 Bonds. The Payments with respect to the Series 2013 Bonds shall be payable directly to the Trustee for the account of the Authority in installments as follows:

(i) On the twenty-fifth (25th) day of each month, commencing November 25, 2013, in an amount equal to one-third (1/3rd) of the interest due and payable on such Series 2013 Bonds on February 1, 2014, or such lesser amount that, together with amounts already on deposit in the Interest Account of the Series 2013 Debt Service Fund will be sufficient to pay interest on such Series 2013 Bonds on such Interest Payment Date and thereafter, on the 25th day of each month, commencing February 25, 2014, an amount equal to one-sixth (1/6th) of the interest amount of the Series 2013 Bonds payable on the next Interest Payment Date;

(ii) On the twenty-fifth (25th) day of each month, commencing November 25, 2013, in an amount equal to one-ninth (1/9th) of the principal of the Series 2013 Bonds payable on August 1, 2014 and thereafter, on the 25th day of each month, commencing August 25, 2014, an amount equal to one-twelfth (1/12th) of the principal amount of the Series 2013 Bonds payable on the next Principal Payment Date; and

(iii) On the dates required in the Indenture, into any of the funds established in the Indenture, including, without limitation, the Series 2013 Debt Service Reserve Fund and the

Replacement Fund, an amount sufficient to make up any deficiency in any prior payment required to be made into such fund and to restore any loss resulting from investment or other causes from such fund and any other payment required to be made to such fund by the Indenture.

(c) Each installment of the Payments payable by the Corporation hereunder shall be in an amount which, without regard to the payments required under Section 4.02(b)(iii) above, but including moneys in the Series 2013 Debt Service Fund then available, shall be designed to provide for the timely payment in full of the principal of, premium, if any, and interest on the Series 2013 Bonds.

(d) Notwithstanding anything to the contrary contained herein, the Corporation promises that it will pay the Payments from the Base Rental, at such times and in such amounts as to assure that no default in the payment of the principal of, premium, if any, or interest on the Series 2013 Bonds shall at any time occur.

(e) Whenever the Corporation shall fail to pay the full amount of any installment of Payments payable under Sections 4.2(b)(i) through 4.2(b)(iii) above by the day of the month in which such installment is due, the Trustee shall give immediate telephonic notice thereof, promptly confirmed in writing, to an Authorized Corporation Representative.

(f) The Corporation shall also cause the Board to promptly pay when due under the Facilities Lease all amounts of Additional Rental owed by the Board thereunder, including, but not limited to, all Default or Delay Rentals and Administrative Expenses (each as defined in the Facilities Lease) owed to the Corporation, the Issuer and/or the Trustee thereunder. Each installment of the Payments payable by the Corporation hereunder shall be in an amount which, without regard to the payments required under Section 4.2 (b)(iv) above, but including moneys in the Series 2013 Debt Service Fund then available, shall be designed to provide for the timely payment in full of the principal of, premium, if any, and interest on the Series 2013 Bonds.

Section 4.3 Credits Against Payments. A credit against and reduction of the Payments shall be derived only from the following sources:

- (a) Accrued interest, if any, derived from the sale of the Series 2013 Bonds;
- (b) Rents and any other moneys deposited with the Trustee in the Receipts Fund in accordance with the Indenture and the Management Agreement; and
- (c) Surplus moneys (including investment earnings) contained in the Funds and Accounts held by the Trustee under the Supplemental Indenture, including the Series 2013 Debt Service Fund.

Section 4.4 Obligation to Make Payments. The obligation of the Corporation to repay the Loan by making the Payments from the Base Rental shall be absolute and unconditional and shall not be subject to, nor shall the Corporation be entitled to assert, any rights of abatement, deduction, reduction, deferment, recoupment, setoff, offset or counterclaim by the Corporation or any other person, nor shall the same be abated, abrogated, waived, diminished, postponed, delayed or otherwise modified under or by reason of any circumstance or occurrence that may arise or take place, irrespective of what statutory rights the Corporation may have to the contrary, including but without limiting the generality of the foregoing:

- (a) Any damage to or destruction of part or all of the Facilities;

(b) The taking or damaging of part or all of the Facilities or any temporary or partial use thereof by any public authority or agency in the exercise of the power of eminent domain, sequestration or otherwise;

(c) Any assignment, novation, merger, consolidation, transfer of assets, leasing or other similar transaction of, by or affecting the Corporation, except as otherwise provided in this Supplemental Loan Agreement;

(d) Any change in the tax or other laws of the United States, the State or any governmental authority;

(e) The termination of the Ground Lease or the Facilities Lease, any failure of title or any lawful or unlawful prohibition of the Corporation's use of the Facilities or any portion thereof or the interference with such use by any person or any commercial frustration of purpose or loss or revocation of any permits, licenses or other authorizations required for the operation of the Facilities; and

(f) Any failure of the Authority or the Trustee to perform and observe any agreement or covenant, expressed or implied, or any duty, liability or obligation arising out of or in connection with this Supplemental Loan Agreement, the invalidity, unenforceability or disaffirmance of any of this Supplemental Loan Agreement, the Supplemental Indenture or the Series 2013 Bonds or for any other cause similar or dissimilar to the foregoing.

(g) Furthermore, the Corporation covenants and agrees that it will remain obligated under this Supplemental Loan Agreement in accordance with its terms, and that it will not take or participate or acquiesce in any action to terminate, rescind or avoid this Supplemental Loan Agreement.

Section 4.5 Prepayment of Payments.

(a) The Corporation is obligated to prepay the Payments, in whole or in part, on any date on which the Series 2013 Bonds are subject to optional redemption pursuant to the Supplemental Indenture, including, without limitation, Section 3.4(a) thereof.

(b) The option to redeem the Series 2013 Bonds under Section 3.4(a) of the Supplemental Indenture can be exercised only upon written direction of the Corporation to the Authority as long as the Facilities Lease is outstanding. To exercise such option, the Corporation shall give written notice to the Authority and the Trustee and shall specify therein the date of such prepayment, which prepayment date shall be not fewer than thirty (30) days from the date such notice is received by the Trustee. The Authority and the Trustee shall make all necessary arrangements satisfactory to the Trustee for the redemption of Series 2013 Bonds to be redeemed under the Supplemental Indenture in accordance with the provisions thereof.

(c) The prepayment price payable by the Corporation, in the event of its exercise of the option granted in the Supplemental Indenture, or in the case of its obligation to prepay the Payments shall be the sum of the following:

(d) An amount of money that, when added to the moneys and investments held by the Trustee pursuant to the provisions of the Supplemental Indenture and available for such redemption, is sufficient to pay and discharge the Series 2013 Bonds to be redeemed (including the total principal amount of such Series 2013 Bonds and interest to accrue thereon to the date fixed for redemption of such Series

2013 Bonds to be redeemed, plus a premium equal to the amount of premium required to be paid in connection with the redemption of such Series 2013 Bonds) on the date fixed for redemption; plus

(e) An amount of money equal to the fees and expenses of the Trustee and the Authority accrued and to accrue through such redemption.

ARTICLE V NON-ARBITRAGE

Section 5.1 Covenants as to Arbitrage.

(a) The Corporation hereby agrees to prepare and provide instructions to the Trustee as to the investment and reinvestment of moneys held as part of any fund or account relating to the Series 2013 Bonds. Any such moneys so held as part of any fund or account shall be invested or reinvested by the Trustee in Permitted Investments as specified in Section 4.9 of the Supplemental Indenture. The Corporation hereby covenants that it will comply with the terms of the Tax Regulatory Agreement and that it will make such use of the proceeds of the Series 2013 Bonds and all other funds held by the Trustee under the Supplemental Indenture, regulate the investment of such proceeds and other funds and take such other and further action as may be required so that the Series 2013 Bonds will not constitute arbitrage bonds under Section 148 of the Code and the regulations promulgated thereunder. The Corporation agrees that it will comply with the terms of any letter of instructions provided to it by nationally recognized bond counsel relating to compliance with the provisions of Section 148 of the Code.

(b) If the Corporation determines that it is necessary to restrict or limit the yield on the investment of any money paid to or held by the Trustee hereunder or under the Supplemental Indenture in order to avoid classification of the Series 2013 Bonds as arbitrage bonds within the meaning of the Code, the Corporation may issue to the Trustee an instrument to such effect (along with appropriate written instructions), in which event the Trustee will take such action as is necessary to restrict or limit the yield on such moneys in accordance with such instrument and instructions.

ARTICLE VI CERTAIN COVENANTS OF THE CORPORATION

Section 6.1 General Covenants of Corporation. The Corporation further expressly represents, covenants and agrees:

(a) To comply with the terms, covenants and provisions expressed or implied, of all contracts pertaining to, affecting or involving the Facilities or the business of the Corporation, the violation or breach of which would materially and adversely affect the ability of the Corporation to fulfill its obligations hereunder;

(b) Whenever and so often as requested so to do by the Trustee or the Authority, promptly to execute and deliver or cause to be executed and delivered all such other and further instruments and documents, and to promptly do or cause to be done all such other and further things, as may be necessary or reasonably required in order to further and more fully vest in the Authority, the Trustee and the owners of the Series 2013 Bonds all rights, interests, powers, benefits, privileges and advantages conferred upon them by this Supplemental Loan Agreement and the Supplemental Indenture;

(c) Promptly, upon the request of the Authority or the Trustee from time to time, to take such action as may be necessary or proper to remedy or cure any material defect in or cloud upon its

interest in the Facilities or any part thereof, whether now existing or hereafter developing, to prosecute all such suits, actions and other proceedings as may be appropriate for such purpose and to indemnify and save the Authority and the Trustee harmless from all loss, cost, damage and expense, including attorney's fees, which they or either of them may ever incur by reason of any such defect, cloud, suit, action or proceeding;

(d) To defend against every suit, action or proceeding at any time brought against the Authority or the Trustee based on any claim arising out of the receipt, application or disbursement of any of the Trust Estate or involving the Authority's or the Trustee's rights or obligations under this Supplemental Loan Agreement or under the Supplemental Indenture (except in the case of the Authority's or the Trustee's negligence or willful misconduct), to indemnify and hold harmless the Trustee and each officer, employee, agent, or other representative of the Trustee against claims arising out of the Trustee's responsibilities under this Supplemental Loan Agreement, the Indenture or any other document entered into by the Trustee in connection with the Bonds (except in the case of the Trustee's negligence or willful misconduct), to indemnify and hold harmless the Authority and any officer, employee, agent, servant or trustee of the Authority against claims during the term of this Supplemental Loan Agreement that may be occasioned by any cause (other than the negligence or willful misconduct of the Authority, its officers, employees, agents, servants and trustees) pertaining to the construction, use, possession, operation, service, design or management or leasing or subleasing of the Facilities and any liabilities or losses resulting from violations by the Corporation of conditions, agreements and requirements of law affecting the Facilities or the ownership, occupancy or use thereof or arising from any defect in or from the operation of the Facilities, and to protect and insulate the Authority and the members of its Board of Trustees individually from any and all financial responsibility or liability whatsoever with respect to the Facilities;

(e) At all times to maintain the Corporation's rights to carry on the business of the Corporation and to duly procure all licenses and other authorizations required for the carrying on of its business and to provide all renewals and replacements and improvements to, and extensions of, the Facilities and to diligently maintain, preserve and renew all the rights, powers, privileges, approvals, licenses and franchises required for the carrying on of its business;

(f) To fulfill its obligations and to perform punctually its duties and obligations under this Supplemental Loan Agreement and to otherwise carry on its business in accordance with the terms hereof to assure the continued proper operation, management, repair and maintenance of the Facilities;

(g) To cause compliance with all material provisions of applicable Federal, State and local laws;

(h) To pay, discharge, indemnify and save the Authority and the Trustee, except in the case of their negligence or willful misconduct, and their respective officers, agents, employees, servants and trustees harmless of, from and against any and all costs, claims, damages, expenses, liabilities, liens, obligations, penalties and taxes of every character and nature, by or on behalf of any person, firm, corporation, entity or governmental authority regardless of by whom advanced, asserted, held, imposed or made, which may be imposed upon, incurred by or asserted against the Authority and the Trustee and their respective officers, agents, employees, servants and trustees arising out of, resulting from or in any way connected with this Supplemental Loan Agreement, the Series 2013 Bonds or the Supplemental Indenture excepting willful misconduct and negligence on the part of the Authority or the Trustee or their respective officers, agents, employees, servants and trustees. The Corporation also covenants and agrees, at its expense, to pay and to indemnify and to save the foregoing harmless of, from

B-41

and against, all costs, reasonable counsel fees, expenses and liabilities incurred in any action or proceeding brought by reason of any such claim or demand; and

(i) That it is an exempt organization under Section 501(c)(3) of the Code organized and operated exclusively for religious, charitable, scientific and educational purposes, and it shall not perform any act or enter into any agreement that shall adversely affect its ability to obtain such status as set forth in this Section.

Section 6.2 Covenants Regarding Operation and Maintenance by the Corporation of its Properties. The Corporation acknowledges and agrees that it shall pay during the term hereof all Payments and other sums required hereunder and shall cause the Board to pay, as Additional Rental under the Facilities Lease, all Operation and Maintenance Expenses. The Corporation also expressly covenants and agrees:

(a) That it shall cause the Board or the University to maintain or cause to be maintained the Facilities, and each and every portion thereof, including all additions and improvements and all facilities adjoining and/or appurtenant thereto, in good operating order and condition, reasonable and ordinary wear and tear alone excepted, and make all necessary repairs thereto, interior and exterior, structural and non-structural, ordinary and extraordinary, foreseen and unforeseen, and otherwise to make all replacements, alterations, improvements and modifications to the Facilities necessary to ensure that the same at all times shall be suitable for the efficient operation thereof for the purpose intended;

(b) That the Authority, the Trustee and their agents shall have the right to inspect the Facilities at any reasonable time in a manner that will not interfere unreasonably with the Corporation's use thereof; however, any right of access to any portion of the Facilities leased to the students, faculty, staff and Permitted Sublessees, as defined in the Facilities Lease, shall be subject to their rights pursuant to the rental agreement and University policy;

(c) That it shall cause the Board to pay, as Additional Rental under the Facilities Lease, as the same respectively become due, all taxes and assessments, whether general or special, and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Facilities. The Corporation shall not allow any part of the Facilities to become and remain subjected to any mechanics', laborer's or materialmen's liens of record. Notwithstanding the foregoing, the Corporation may, at its own expense and in its own name, contest any such item of tax, assessment, liens or other governmental charge and, in the event of such contest, may permit the item so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Authority or the Trustee shall notify the Corporation that, in the opinion of nationally recognized bond counsel by nonpayment of any such items the security afforded the Series 2013 Bonds pursuant to the terms of the Supplemental Indenture or Supplemental Loan Agreement will be materially endangered, in which event such taxes, assessments or charges shall be paid forthwith. The Authority will cooperate to the extent reasonably necessary with the Corporation in any such claim, defense or contest. In the event the Corporation fails to do so, the Authority or the Trustee may, but shall be under no obligation to, pay any such item and any amounts so advanced therefor by the Authority or the Trustee shall become an additional obligation of the Corporation to the one making the advancement, which amount the Corporation agrees to pay together with interest thereon at the rate of the Trustee's prime lending rate, but solely from the Revenues;

(d) That it shall comply promptly with all material provisions of present and future laws, ordinances, orders, rules, regulations and requirements of every duly constituted governmental authority or agency and all material orders, rules and regulations of any regulatory, licensing, insurance

underwriting or rating organization or other body exercising similar functions. The Corporation shall likewise perform and comply with all duties and obligations of any kind imposed by law, covenant, condition, agreement or easement and the requirements of all policies of insurance at any time in force with respect to the Facilities;

(e) That it shall not use or allow the Facilities to be used or occupied for any unlawful purpose or in violation of any private covenant, restriction, condition, easement or agreement covering or affecting the use of the Facilities. The Corporation likewise shall not suffer any act to be done or any condition to exist in the Facilities or any article to be brought therein or thereon which may be dangerous, unless safeguarded as required by law, or which, under law, constitutes a nuisance, public or private, or which may make void or voidable any insurance then in force with respect thereto; and

(f) That it shall take all action, if any, that may be required to obtain such consents, exceptions, exemptions or approvals of governmental authorities as may be necessary to permit it to comply fully with all covenants, stipulations, obligations and agreements of the Corporation contained in this Supplemental Loan Agreement.

Section 6.3 Covenant as to Encumbrances. The Corporation covenants that, so long as any of the Series 2013 Bonds remain outstanding, it shall not hereafter alienate and shall not hereafter create or suffer to be created any assignment, pledge, mortgage, hypothecation or lien on the Facilities, the Property, the Facilities Lease or any Base Rental under any circumstances, except for Permitted Encumbrances.

Section 6.4 Covenants, Representations and Warranties Relating to Federal Income Taxation.

(a) The Corporation covenants that it shall make such use of the proceeds of the Series 2013 Bonds, regulate investment of proceeds thereof and take such other and further actions as may be required by the Code and applicable temporary, proposed and final Regulations and procedures, necessary to assure that interest on the Series 2013 Bonds is excludable from gross income for Federal income tax purposes. Without limiting the generality of the foregoing covenant, the Corporation hereby covenants, represents and warrants, as follows:

(i) The Corporation will not take, fail to take or permit the commission of any action within its control necessary to be taken in order that interest on the Series 2013 Bonds will continue to be excludable from gross income for Federal income tax purposes;

(ii) The Corporation will preserve its status as an organization described in Section 501(c)(3) of the Code or corresponding provisions of prior law and to not be determined to be a private foundation as defined in Section 509 of said Code; the Corporation shall not perform any act or enter into any agreement which shall adversely affect its ability to obtain such federal income tax status; the Corporation shall not perform any act, enter into any agreement or use or permit any property of the Corporation to be used in any manner (including any unrelated trade or business) that could adversely affect the exclusion from gross income of interest on the Series 2013 Bonds for Federal income tax purposes pursuant to Section 103 of the Code; the Corporation shall not carry on or permit to be carried on in any property of the Corporation or permit any property of the Corporation to be used in or for any trade or business to the extent that such use of such property would adversely affect the exclusion from gross income of interest on the Series 2013 Bonds for Federal income tax purposes; and the Corporation is duly organized and existing as a non-profit corporation under the laws of the State and it will maintain, extend and renew its corporate existence under the laws of the State and will not do, suffer or permit any

B-42

act or thing to be done whereby its right to transact its functions might or could be terminated or its activities restricted;

(iii) The Corporation will timely file a statement with the United States of America setting forth the information required pursuant to Section 149(e) of the Code;

(iv) The average term of the Series 2013 Bonds, calculated in proportion to the "issue price" (as defined in Section 1273 of the Code) of the bonds of each stated maturity of such Bonds, will not exceed 120% of the average reasonably expected economic life of the Facilities financed with the proceeds of the Series 2004 Bonds or the investment earnings thereon, weighted in proportion to the respective cost of each item comprising the Facilities financed with the proceeds of such Series 2004 Bonds. For purposes of the preceding sentence, the reasonably expected economic life of property shall be determined as of the later of (i) the date on which the Series 2004 Bonds were issued or (ii) the date on which such property was placed in service (or expected to be placed in service);

(v) The Corporation will not cause the Series 2013 Bonds to be treated as "federally guaranteed" obligations within the meaning of Section 149(b) of the Code (as may be modified in any applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service with respect to "federally guaranteed" obligations described in Section 149(b) of the Code);

(vi) Based upon all facts and estimates now known or reasonably expected to be in existence on the date the Series 2013 Bonds are delivered, the Corporation reasonably expects that the proceeds of the Series 2013 Bonds will not be used in a manner that would cause the Series 2013 Bonds or any portion thereof to be an "arbitrage bond" within the meaning of Section 148 of the Code;

(vii) As provided in Article V hereof, the Corporation will monitor the yield on the investment of the proceeds of the Series 2013 Bonds and moneys pledged to the repayment of the Series 2013 Bonds, other than amounts not subject to yield restriction and will restrict the yield on such investments to the extent required by the Code or the Regulations;

(viii) The Corporation (or any "related person", within the meaning of the Code) shall not, pursuant to an arrangement, formal or informal, purchase the Series 2013 Bonds in an amount related to the principal amounts advanced to the Corporation pursuant to this Supplemental Loan Agreement; and

(ix) The Corporation agrees to comply with all the terms and provisions of the Tax Regulatory Agreement executed in connection with the issuance and sale of the Series 2013 Bonds, and to perform the covenants and duties imposed on it contained therein.

(b) All officers, employees and agents of the Corporation are authorized and directed to provide certifications of facts and estimates that are material to the reasonable expectations of the Corporation as of the date the Series 2013 Bonds are delivered. In complying with the foregoing covenants, the Corporation may rely from time to time upon an opinion issued by nationally-recognized bond counsel to the effect that any action by the Corporation or reliance upon any interpretation of the Code or Regulations contained in such opinion will not cause interest on the Series 2013 Bonds to be includable in gross income for Federal income tax purposes under existing law.

Section 6.5 Information. The Corporation agrees, whenever reasonably requested by the Authority or the Trustee, to provide access to inspect, examine and make copies of any and all books,

accounts and records of the Corporation and to provide and certify or cause to be provided and certified such information concerning the Properties, the Facilities, the Corporation, its finances, and other topics as the Authority or Trustee, as the case may be, considers necessary to enable counsel to the Authority or the Trustee, as the case may be, to issue its opinions and otherwise advise the Authority or the Trustee, as the case may be, as to the transaction or the legal capacity of the parties to enter into the same, or to enable it to make any reports required by law, governmental regulation or the Supplemental Indenture. (a) The Corporation shall not merge into, or consolidate with, one or more corporations, or allow one or more of such corporations to merge into it, or sell or convey all or substantially all of its assets to any person or entity or acquire all or substantially all of the assets of any person or entity (any such merger, consolidation, sale, conveyance or acquisition being referred to as a "Merger"), unless:

(ii) Immediately after such Merger, there would not be a default in the performance or observance of any covenant or condition of the Board Documents and the Bond Documents; and

(iii) There shall be delivered to the Authority and the Trustee an opinion of Bond Counsel (which counsel and opinion, including without limitation the scope, form, substance and other aspects thereof, are acceptable to the Trustee) to the effect that under existing laws the consummation of such Merger, whether or not contemplated on the original date of delivery of the Bonds, would not adversely affect the validity of the Series 2013 Bonds or the exclusion otherwise available from gross income of interest on the Series 2013 Bonds for federal or state income tax purposes.

(b) In case of any such Merger and upon any such assumption by the Successor Corporation, the Successor Corporation shall succeed to and be substituted for its predecessor, with the same effect as if it had been named in the Supplemental Indenture and this Supplemental Loan Agreement as the Corporation.

Section 6.10 Revenue Transfer to Trustee. The Corporation hereby covenants:

(c) All material information given by the Corporation to the Authority concerning the Project, the Corporation and the Board was and is on the date of execution of this Supplemental Loan Agreement true and correct.

Section 6.13 Continuing Disclosure. The Board has provided a Continuing Disclosure Certificate and will cause the Trustee to deliver copies to the Authority of any information that the terms

of the Continuing Disclosure Certificate require to be provided or filed within five (5) days of the provision or filing of such information as required by the Continuing Disclosure Certificate.

ARTICLE VII ASSIGNMENT

Section 7.1 Assignment of this Supplemental Loan Agreement.

(a) The rights of the Corporation under this Supplemental Loan Agreement may be assigned as a whole or in part but no such assignment shall constitute a release of the Corporation from its obligations hereunder.

(b) Each transferee of the Corporation's interest in this Supplemental Loan Agreement shall assume the obligations of the Corporation hereunder to the extent of the interest assigned, sold or leased, and the Corporation shall, not more than sixty (60) nor fewer than thirty (30) days prior to the effective date of any such assignment or lease, furnish or cause to be furnished to the Authority and the Trustee a true and complete copy of each such assignment or lease.

It is understood, agreed and acknowledged that the Authority will assign to the Trustee pursuant to the Supplemental Indenture certain of its rights, title and interests in and to this Supplemental Loan Agreement (reserving its rights, however, pursuant to sections of this Supplemental Loan Agreement providing that notices, reports and other statements be given to the Authority and also reserving its rights to reimbursement and payment of costs and expenses under Section 9.5 hereof, its rights to indemnification under Section 6.1(d) hereof and its individual and corporate rights to exemption from liability under Section 10.12 hereof), including the interest of the Authority in and to the Facilities Lease assigned by the Corporation to the Authority hereunder, and the Corporation hereby assents to such assignment and pledge.

ARTICLE VIII SUPPLEMENTS AND AMENDMENTS

Section 8.1 Amendment to Loan Agreement Without Consent. The Authority and the Corporation, with the consent of the Trustee with respect to Sections 8.1(d) and 8.1(e) hereof, with the consent of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) but without the consent of the owners of any of the Bonds Outstanding under the Indenture, may enter into supplements to the Loan Agreement that shall not be inconsistent with the terms and provisions hereof for any of the purposes heretofore specifically authorized in the Loan Agreement or the Indenture, and in addition thereto for the following purposes:

(a) To cure any ambiguity or formal defect, inconsistency or omission in the Loan Agreement or to clarify matters or questions arising hereunder;

(b) To add covenants and agreements for the purpose of further securing the obligations of the Corporation hereunder;

(c) To confirm as further assurance any mortgage or pledge of additional property, revenues, securities or funds;

(d) To conform the provisions of the Loan Agreement in connection with the provisions of any supplements or amendments to the Indenture entered into pursuant to the provisions of Section 10.1 thereof;

(e) To provide any other modifications which, in the sole judgment of the Trustee, are not prejudicial to the interests of the Bondholders; or

(f) to conform the covenants and provisions of the Corporation contained herein to any different financial statement presentation required by the Financial Accounting Standard Board that is different than the presentation required as of the date of issuance of the Bonds, so long as the effect of such conformed covenants and provisions is substantially identical to the effect of the covenants and provisions as in effect on the date of issuance of the Bonds.

Section 8.2 Amendment to Loan Agreement Upon Approval of a Majority of Bondholders.

(a) The provisions of the Loan Agreement may be amended in any particular with the consent of the owners of not less than a majority of the aggregate principal amount of Bonds then Outstanding and the written consent of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding); provided, however, that no such amendment may be adopted that decreases the percentage of owners of the Bonds required to approve an amendment, or that permits a change in the date of payment of the principal of or interest on any Bonds or of any redemption price thereof or the rate of interest thereon without the consent of the owners of all of the aggregate principal amount of the Bonds then Outstanding.

(b) If at any time the Authority and the Corporation shall request the Trustee to consent to a proposed amendment for any of the purposes of this Section 8.2, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such proposed amendment to be given in the manner required by the Indenture to redeem the Bonds. Such notice shall briefly set forth the nature of the proposed amendment and shall state that copies thereof are on file at the principal corporate trust office of the Trustee for inspection by all Bondholders. If, within sixty (60) days or such longer period as shall be prescribed by the Authority following such notice, the owners of not less than a majority in aggregate principal amount of the Bonds outstanding at the time of the execution of any such proposed amendment shall have consented to and approved the execution thereof as herein provided, no owner of any Bonds shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee, the Corporation or the Authority from executing or approving the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such proposed amendment as in this Section permitted and provided, the Loan Agreement shall be and be deemed to be modified and amended in accordance therewith.

Section 8.3 Amendments to Facilities Lease or the Ground Lease Not Requiring Owner Consent. Subject to the terms and provisions of Section 8.5 and 8.7 of this Supplemental Loan Agreement, with the written consent of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding), the Facilities Lease or the Ground Lease may be amended or modified in any manner not inconsistent with the terms and provisions of this Supplemental Loan Agreement, for any one or more of the following purposes: (1) to cure any ambiguity or formal defect or omission in the Facilities Lease or the Ground Lease that does not have an adverse effect upon the interest of the Owners; (2) to grant or confer upon the Authority or the Trustee, for the benefit of the Owners, any additional rights, remedies,

powers or authorities that lawfully may be granted to or conferred upon the Authority or the Trustee; (3) to more clearly identify the Facilities or to add to or subtract from the Facilities any property; (4) to amend or modify the Facilities Lease or the Ground Lease in any manner specifically required or permitted by the terms thereof, including as may be necessary to maintain the exclusion from gross income of interest on the Series 2013 Bonds for federal income tax purposes; (5) to make any amendment or modification required as a condition to obtaining any rating by Moody's or S&P with respect to the Series 2013 Bonds; and (6) to amend or modify the Facilities Lease or the Ground Lease in any other manner that, in the judgment of the Trustee, is not materially adverse to the interests of the owners of the Series 2013 Bonds (and the Series 2004 Bond Insurer if any Series 2004B Bonds remain outstanding) or the Trustee and that does not involve a change described in Section 8.5 hereof.

Section 8.4 Amendments to the Facilities Lease or the Ground Lease Requiring Owner Consent. Exclusive of amendments and modifications covered by Section 8.3 hereof, the Facilities Lease or the Ground Lease may be amended or modified only as provided in Section 8.4 and 8.5 of this Supplemental Loan Agreement. Subject to the terms and provisions contained in Section 8.5 of this Supplemental Loan Agreement, the Authority and the owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding (and the Series 2004 Bond Insurer if any Series 2004B Bonds remain outstanding), shall have the right, from time to time, anything contained in this Supplemental Loan Agreement to the contrary notwithstanding, to consent to and approve the amendment or modification of the Facilities Lease or the Ground Lease. If at any time there is a proposed amendment or modification to the Facilities Lease or the Ground Lease, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such modification or amendment to be mailed to each of the owners of the Bonds at the address indicated on the registration books of the Trustee (and the Series 2004 Bond Insurer if any Series 2004B Bonds remain outstanding). Such notice shall briefly set forth the nature of the proposed amendment or modification and shall state that copies thereof are on file at the principal office of the Trustee for inspection by owners of all Outstanding Bonds. If, within sixty (60) days, or such longer period as shall be prescribed by the Authority, following the mailing of such notice, the owners of the requisite percentage in aggregate principal amount of the Outstanding Bonds at the time of the execution of any such amendment or modification shall have consented to and approved the execution thereof as herein provided, no owner of any Outstanding Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or to enjoin or restrain the parties thereto from executing the same or from taking any action pursuant to the provisions hereof.

Section 8.5 Consent Required Under Certain Circumstances for Amendment of Facilities Lease or Ground Lease. Nothing contained in Sections 8.3 and 8.4 of this Supplemental Loan Agreement shall permit, or be construed as permitting, without the approval and consent of all of the owners of the Outstanding Bonds (and the Series 2004 Bond Insurer if any Series 2004B Bonds remain outstanding), (a) a reduction in the amount of, or the extension of the time for, any payment of Base Rental due under the Facilities Lease or any amount due under the Bond Insurance Policy; or (b) the termination of the Facilities Lease or the Ground Lease prior to the expiration of their stated term, other than in accordance with the provisions thereof.

Section 8.6 Opinion Required for Amendment of Facilities Lease or Ground Lease. Anything to the contrary herein notwithstanding, no amendment or modification of the Facilities Lease or the Ground Lease shall become effective unless and until the Trustee has been provided with an opinion of Bond Counsel to the effect that such amendment or modification will not have an adverse effect upon the validity of the Series 2013 Bonds and to the effect that such amendment or modification will maintain the exclusion from gross income of interest on the Bonds for federal income tax purposes.

B-45

Section 8.7 Consent of the Board. Anything herein to the contrary notwithstanding, an amendment to the Facilities Lease or the Ground Lease under this Article VIII shall not become effective unless and until the Board shall have consented to the execution and delivery of such amendment to the Facilities Lease or the Ground Lease, unless an Event of Default has occurred and is continuing, and no amendment to the Facilities Lease or the Ground Lease shall without the prior written consent of the Board affect the date or amounts of payments required on the Series 2013 Bonds or required under the Facilities Lease.

Section 8.8 Filing. Copies of any such supplement or amendment to this Supplemental Loan Agreement, the Ground Lease or the Facilities Lease shall be filed with the Trustee and delivered to the Authority and the Corporation before such supplement or amendment may become effective.

Section 8.9 Reliance on Counsel. The Authority and the Trustee shall be entitled to receive, and shall be fully protected in relying upon the opinion of counsel satisfactory to the Trustee, who may be counsel for the Authority, as conclusive evidence that any such proposed supplement or amendment to this Supplemental Loan Agreement, the Ground Lease or the Facilities Lease complies with the provisions of this Supplemental Loan Agreement and the Indenture and that it is proper for the Authority and the Trustee under the provisions of this Article to execute or approve such supplement or amendment.

Section 8.10 Notice to Rating Agencies. No supplemental agreement or amendment to this Supplemental Loan Agreement, the Ground Lease or the Facilities Lease shall be executed and delivered pursuant hereto without prior written notice having been given by the Corporation to Standard & Poor's Ratings Group and Moody's of the Corporation's intention to execute such supplemental agreement or amendment thereof not fewer than fifteen (15) days in advance of the execution of said supplemental agreement or amendment. The Corporation shall provide the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) a full transcript of all proceedings relative to said supplemental agreement or amendment.

ARTICLE IX EVENTS OF DEFAULT AND REMEDIES

Section 9.1 Events of Default Defined. The terms "*Event of Default*" and "*Default*" under the Original Loan Agreement shall include any one or more of the following events:

(a) The Corporation shall default in the timely payment of any Payment pursuant to Article IV of this Supplemental Loan Agreement.

(b) An Event of Default shall exist under the Bond Documents, the Facilities Lease or the Tax Regulatory Agreement.

(c) The Corporation shall fail duly to perform, observe or comply with any other covenant, condition or agreement on its part under this Supplemental Loan Agreement (other than a failure to make any payment required under this Supplemental Loan Agreement), and such failure continues for a period of thirty (30) days after the date on which written notice of such failure, requiring the same to be remedied, shall have been given to the Corporation by the Trustee; provided, however, that if such performance, observation or compliance requires work to be done, action to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such thirty (30) day period, no Event of Default shall be deemed to have occurred or to exist if, and so long as the Corporation shall commence such performance, observation or compliance within such period and shall diligently and continuously prosecute the same to completion.

(d) The entry of a decree or order by a court having jurisdiction in the premises adjudging the Corporation a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Corporation under the United States Bankruptcy Code or any other applicable federal or state law, or appointing a receiver, liquidator, custodian, assignee, or sequestrator (or other similar official) of the Corporation or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of ninety (90) consecutive days.

(e) The institution by the Corporation of proceedings to be adjudicated a bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under the United States Bankruptcy Code or any other similar applicable federal or state law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, custodian, assignee, trustee or sequestrator (or other similar official) of the Corporation or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due.

Section 9.2 Remedies. Whenever any Event of Default under the Original Loan Agreement shall have happened and be continuing, the Authority and the Trustee may take any of the remedial steps provided to such parties in the Original Loan Agreement and the Indenture; provided that, if all installments of Payments under the Original Loan Agreement are declared to be immediately due and payable, then all Payments due under Section 4.2 hereof shall also be immediately due and payable.

Section 9.3 No Remedy Exclusive; Selective Enforcement. No remedy conferred upon or reserved to the Authority or the Trustee by this Supplemental Loan Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Supplemental Loan Agreement and as now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any event of nonperformance shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority or the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be herein expressly required. In the event the Authority or the Trustee shall elect to selectively and successively enforce its rights under this Supplemental Loan Agreement, such action shall not be deemed a waiver or discharge of any other lien, encumbrance or security interest securing payment of the indebtedness secured hereby or thereby until such time that it shall have been paid in full all sums secured hereunder and thereunder. The foreclosure of any lien provided pursuant to this Supplemental Loan Agreement without the simultaneous foreclosure of all such liens shall not merge the liens granted which are not foreclosed with any interest which the Authority or the Trustee might obtain as a result of such selective and successive foreclosure.

Section 9.4 Indenture Overriding. All of the provisions of this Article are subject to and subordinate to the rights and remedies of the holders of the Bonds and the Trustee pursuant to the Indenture. The Authority shall have no power to waive any event of default hereunder, except with respect to indemnification and its administrative payments, without the consent of the Trustee to such waiver.

Section 9.5 Loan Agreement to Pay Attorneys' Fees and Expenses. In any Event of Default, if the Authority or the Trustee employs attorneys or incurs other expenses for the collection of amounts payable hereunder or the enforcement of the performance or observance of any covenants or agreements on the part of the Corporation herein contained, whether or not such suit is commenced, the Corporation

agrees that it will on demand therefor pay to the Authority or the Trustee the reasonable fees of such attorneys and such other reasonable expenses so incurred by the Authority or the Trustee.

Section 9.6 Authority and Corporation to Give Notice of Default. The Authority and the Corporation severally covenant that they will, at the expense of the Corporation, promptly give to the Trustee written notice of any Event of Default under this Supplemental Loan Agreement of which they shall have actual knowledge or written notice, but the Authority shall not be liable (except as provided in Section 6.1(d) hereof) for failing to give such notice.

Section 9.7 Correlative Waivers. If an Event of Default under Section 8.2 of the Indenture shall be cured or waived and any remedial action by the Trustee rescinded, any correlative Default under this Supplemental Loan Agreement shall be deemed to have been cured or waived.

ARTICLE X

It is agreed by the parties hereto that any amounts remaining in the Funds and Accounts established under the Supplemental Indenture upon the expiration or sooner cancellation or termination of this Supplemental Loan Agreement, as provided herein, after payment in full of all Series 2013 Bonds then outstanding under the Indenture (or provisions for payment thereof having been made in accordance with the provisions of the Indenture), and the fees, charges and expenses of the Authority and the Trustee and all other amounts required to be paid hereunder and under the Indenture with respect to the Series 2013 Bonds (other than amounts payable as arbitrage rebate pursuant to the Code), shall belong to and be paid to the Corporation.

Section 10.4 Binding Effect. This Supplemental Loan Agreement shall inure to the benefit and shall be binding upon the Authority, the Corporation and their respective successors and assigns, subject to the limitation that any obligation of the Authority created by or arising out of this Supplemental Loan Agreement shall not be a general debt of the Authority, but shall be payable solely out of the proceeds derived from this Supplemental Loan Agreement and the sale of the Series 2013 Bonds under the Indenture.

Section 10.5 Performance on Legal Holidays. In any case where the date of maturity of interest on or principal of the Series 2013 Bonds or the date fixed for redemption or purchase of any Series 2013 Bonds or the date fixed for the giving of notice or the taking of any action under the Indenture shall not be a Business Day, then payment of such interest, principal, purchase price and redemption premium, if any, the giving of such notice or the taking of such action need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date of maturity or the date fixed for redemption or purchase, and no interest on such payment shall accrue for the period after such date.

Section 10.6 Execution in Counterparts. This Supplemental Loan Agreement may be executed in several counterparts, each of which shall be regarded as an original and all of which shall constitute but one and the same instrument; provided, however, that upon the assignment and pledge to the Trustee provided for in Section 3.2 hereof, the Authority shall deliver to the Trustee an executed counterpart of this Supplemental Loan Agreement which executed counterpart shall be deemed to be collateral of which the Trustee has taken possession and no other counterpart shall be deemed to be collateral for any other purpose.

Section 10.7 Applicable Law. This Supplemental Loan Agreement shall be governed by and construed in accordance with the laws of the State.

Section 10.8 Severability. If any clause, provision or Section of this Supplemental Loan Agreement be held illegal or invalid by any court, the invalidity of such clause, provision or Section shall not affect any of the remaining clauses, provisions or Sections hereof and this Supplemental Loan Agreement shall be construed and enforced as if such illegal or invalid clause, provision or Section had not been contained herein. In case any agreement or obligation contained in this Supplemental Loan Agreement be held to be in violation of law, then such agreement or obligation shall be deemed to be the agreement or obligation of the Authority or the Corporation, as the case may be, only to the extent permitted by law.

Section 10.9 Captions. The table of contents, captions or headings of the several articles and sections of this Supplemental Loan Agreement are for convenience only and shall not control, affect the meaning of or be taken as an interpretation of any provisions of this Supplemental Loan Agreement.

Section 10.10 Consents and Approvals. Whenever the consent or approval of the Authority, the Corporation or the Trustee shall be required under the provisions of this Supplemental Loan Agreement, such consent or approval shall not be unreasonably withheld or delayed.

Section 10.11 Third Party Beneficiaries. It is specifically agreed between the parties executing this Supplemental Loan Agreement that it is not intended by any of the provisions of any part of this Supplemental Loan Agreement to make the public or any member thereof, other than the Trustee and except as expressly provided herein or as contemplated in the Indenture, a third party beneficiary hereunder, or to authorize anyone not a party to this Supplemental Loan Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Supplemental Loan Agreement. The duties, obligations and responsibilities, if any, of the parties to this Supplemental Loan Agreement with respect to third parties shall remain as imposed by law.

Section 10.12 Exculpatory Provision.

(a) In the exercise of the powers of the Authority the Trustee and their respective trustees, directors, officers, employees and agents (each, an "*Indemnified Party*") under this Supplemental Loan Agreement, each Indemnified Party shall not be accountable or liable to the Corporation (i) for any actions taken or omitted by such Indemnified Party in good faith and believed by it or them to be authorized or within their discretion or rights or powers conferred upon them (other than the negligence or willful misconduct of such Indemnified Party), or (ii) for any claims based on this Supplemental Loan Agreement against any such Indemnified Party, all such liability, if any, being expressly waived by the Corporation by the execution of this Supplemental Loan Agreement. The Corporation shall indemnify and hold harmless each Indemnified Party against any claim or liability based on the foregoing asserted by any other person.

(b) In case any action shall be brought against an Indemnified Party in respect of which indemnity may be sought against the Corporation, such Indemnified Party shall promptly notify the Corporation in writing and the Corporation shall assume the defense thereof, including the employment of counsel of the Corporation's choice and the payment of all expenses. Such Indemnified Party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be paid by such Indemnified Party unless the employment of such counsel has been authorized by the Corporation. The Corporation shall not be liable for any settlement of any such action without its consent but if any such action is settled with the consent of the Corporation or if there be final judgment for the plaintiff of any such action, the Corporation agrees to indemnify and hold harmless such Indemnified Party from and against any loss or liability by reason of such settlement or judgment.

(c) No recourse shall be had for the payment of the principal of or premium or interest on any of the Bonds or for any claim based thereon or upon any obligations, covenant or agreement contained in this Supplemental Loan Agreement against any past, present or future officer, director, member, employee or agent of the Authority, or of any successor public corporation, as such, either directly or through the Authority or any successor public corporation, under any rule of law or equity, statute or constitution, or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such officers, directors, members, employees, or agents as such is hereby expressly

waived and released as a condition of and consideration for the execution of this Supplemental Loan Agreement and the issuance of such Bonds.

Section 10.13 Accounts and Audits. The Authority shall cause the Trustee to keep proper books of records and accounts (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions relating to the Bonds. The Authority shall have access to the Corporation's books and records with respect to the Facilities upon written request after reasonable notice.

Section 10.14 Date of Supplemental Loan Agreement. The dating of this Supplemental Loan Agreement as of November 1, 2013 is intended as and for the convenient identification of this Supplemental Loan Agreement and is not intended to indicate that this Supplemental Loan Agreement was executed and delivered on said date, this Supplemental Loan Agreement being executed on the dates of the respective acknowledgments hereto attached.

Section 10.15 Reliance. It is expressly understood and agreed by the parties to this Supplemental Loan Agreement that:

(a) the Authority may rely conclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Authority by the Trustee, any Bondholder or the Corporation as to the existence of a fact or state of affairs required under this Supplemental Loan Agreement to be noticed by the Authority;

(b) the Authority shall not be under any obligation to perform any recordkeeping or to provide any legal service, it being understood that such services shall be performed or caused to be performed by the Trustee or the Corporation; and

(c) none of the provisions of this Supplemental Loan Agreement or the Mortgage shall require the Authority to expend or risk its own funds (apart from the proceeds of Bonds issued under the Indenture) or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights under this Supplemental Loan Agreement or the Mortgage unless it first shall have been adequately indemnified to its satisfaction against the costs, expenses and liabilities which may be incurred by taking any such action.

Section 10.16 Authority Not Liable. The failure of the Board to insist in any one or more cases upon the strict performance of any of the covenants of this Ground Lease, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment of future breaches of such covenant or option.

the operation and management of the Series 2007 Facilities. It is understood that the University currently permits certain exceptions to that policy and, except as set forth in Section 4(h) above, the University may continue to permit those exceptions but it shall make no voluntary revisions to such policy that would reduce the number of students required to live in on-campus residence halls (including, without limitation, reducing the number of credit hours to less than 60, increasing the course-load required for status as a "full-time" student or modifying any existing exemptions from the policy), until the Series 2004 Bonds have been paid in full or the Series 2004 Bond Insurer consents in writing to a change in such policy.

(k) So long as any Series 2004 Bonds remain outstanding, the University shall actively promote the Series 2004 Facilities as a housing alternative and an integral part of the housing system of

(C) On the twenty-fifth (25th) day of each month following any drawing on the Series 2007 Debt Service Reserve Fund in accordance with Section 4.18 of the Series 2007 Indenture, an amount equal to the lesser of (i) one twelfth (1/12th) of the amount necessary to cause the amount on deposit in the Series 2007 Debt Service Reserve Fund to equal the Series 2007 Debt Service Reserve Fund Requirement within twelve (12) months or (ii) the excess of the Series 2007 Debt Service Reserve Fund Requirement over the amount on deposit in the Series 2007 Debt Service Reserve Fund;

(D) On the dates required in the Series 2007 Indenture, to the Trustee for deposit into any of the funds established in the Series 2007 Indenture, including, without limitation, the Series 2007 Debt Service Reserve Fund and the Series 2007 Replacement Fund, an amount sufficient to make up any deficiency in any prior payment required to be made into such fund and to restore any loss resulting from investment or other causes from such fund and any other payment required to be made to such fund by the Series 2007 Indenture; and

(E) Annually, beginning June 25, 2009, an amount equal to one-half of one percent (1/2%) of funds available for construction of the Series 2007 Facilities, as determined by the University, into the Series 2007 Replacement Fund, or such lesser annual amount as is permitted by the Louisiana State Board of Regents and approved by the Series 2007 Bond Insurer.

(c) In addition to the Base Rental set forth herein, the Board agrees to pay as Additional Rental any and all expenses, of every nature, character, and kind whatsoever, incurred by the Corporation on behalf of the Board and/or by the Board or the University in the management, operation, ownership, and/or maintenance of the Facilities, to the extent such expenses are not paid by the Management Company under any Management Contract, including but not limited to the following costs and expenses:

(i) all taxes, assessments and impositions against the Facilities, including without limitation ad valorem taxes attributed to the Corporation on behalf of the Board (and any tax levied in whole or in part in lieu of or in addition to ad valorem taxes);

(ii) any costs incurred by the Corporation in maintaining the Facilities for the Board and making any alterations, restorations and replacements to the Facilities;

(iii) insurance premiums and other charges for insurance obtained with respect to the Facilities including insurance premiums, if any, on all insurance required under the provisions of Section 9 of this Facilities Lease;

(iv) any Default or Delay Rentals;

(v) all costs incurred by the Corporation in connection with its performance of its obligations relating to the Facilities and/or the Land under the Ground Lease and this Facilities Lease;

(vi) all Administrative Expenses owed to the Issuer or the Trustee;

(vii) Litigation Expenses, if any, incurred pursuant to Section 43 hereof;

(viii) any reimbursement amounts payable pursuant to Section 20 hereof or pursuant to any other provision hereof; and

(ix) any other costs, charges, and expenses commonly regarded as ownership, management, maintenance, and operating expenses, if any, incurred by the Corporation under this Facilities Lease.

Amounts constituting Additional Rental payable hereunder shall be paid by the Board directly to the person or persons to whom such amounts shall be due. The Board shall pay all such amounts when due or within thirty (30) days after notice in writing from the Corporation, the Management Company, or the Trustee to the Board stating the amount of the Additional Rental then due and the purpose thereof.

(d) The Board shall be entitled to a credit against and reduction of each Base Rental payment in an amount equal to any amounts derived from the following sources:

(i) Accrued interest derived from the sale of the Bonds;

(ii) Any capitalization of interest from the proceeds of the Bonds contained in the Capitalized Interest Fund under the Indenture;

(iii) the Rents and any other monies deposited with the Trustee in the Receipts Fund in accordance with the Indenture and the Management Agreement.

(iv) Surplus moneys (including investment earnings) contained in the funds and accounts held by the Trustee under the Indenture, including the Debt Service Fund, the Debt Service Reserve Fund and the Replacement Fund;

(e) Notwithstanding any other provision of the Facilities Lease, the obligation of the Board to make payments under this Facilities Lease, including payments of Base Rental and Additional Rental, shall be subject to, and dependent upon, appropriation of Lawfully Available Funds necessary to make the payments required under this Facilities Lease. The Vice President for Finance and Administration of the Board shall cause the University to include in the Budget and, if necessary, any amendments to the Budget, an amount of Lawfully Available Funds sufficient to make the payments of Base Rental and Additional Rental described herein which amounts may or may not ultimately be appropriated by the Board for such purpose. Subject to the foregoing and Section 29 hereof, the obligations of the Board to make payments pursuant to this Facilities Lease, and to perform and observe the other agreements and covenants on its part contained herein, shall be absolute and unconditional and shall not be subject to any diminution, abatement, set-off, or counterclaim. Subject to the foregoing and Section 29 hereof, until such time as the principal of, premium, if any, and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with this Facilities Lease, the Board shall not suspend or discontinue payment of Rental or any other payments pursuant to this Facilities Lease for any cause, and shall continue to perform and observe all of its agreements contained in this Facilities Lease. The Corporation and the Board acknowledge and agree that the obligation of the Board to pay Rental shall constitute a current expense of the Board payable by the Board from funds budgeted and appropriated in accordance with law for and in consideration of the right to use the Facilities during the Term and that such obligation shall not in any manner be construed to be a debt of the Board in contravention of any constitutional or statutory limitations or requirements concerning indebtedness of the Board and nothing contained herein shall constitute a pledge, lien or encumbrance upon any specific tax or other revenues of the Board.

(f) The payments of Base Rental and Additional Rental under this Facilities Lease for each Fiscal Year or portion thereof during the Term shall constitute the total Rental for such Fiscal Year or portion thereof and shall be paid by the Board for and in consideration of the construction by the

Corporation of the Facilities and the right to the use and occupancy of the Facilities by the Board for and during such Fiscal Year or portion thereof.

(g) Amounts necessary to pay each Base Rental payment shall be deposited by the Board on the dates set forth in Section 6(b) hereof in lawful money of the United States of America at the office of the Trustee or at such other place or places as may be established by the Corporation and/or Trustee in accordance with the Indenture. Any amount necessary to pay any Base Rental payment or portion thereof which is not so deposited shall remain due and payable until received by the Trustee. Notwithstanding any dispute between the Board and the Corporation hereunder, the Board shall make all Rental payments when due and shall not withhold payment of any Rental pending the final resolution of such dispute or for any other reason whatsoever.

(h) This Facilities Lease is intended to be a triple net lease. The Board agrees that the Rental provided for herein shall be an absolute net return to the Corporation free and clear of any expenses, charges, taxes, abatements, counterclaims, reductions or set-offs whatsoever of any kind, character or nature; it being understood and agreed to by the Board that the Board shall bear responsibility for the payment of all costs and expenses associated with the ownership, management, operation, and maintenance of the Facilities. Under no circumstances will the Corporation be required to make any payment on the Board's behalf or for the Board's benefit under this Facilities Lease, or assume any monetary obligation of the Board under this Facilities Lease, or with respect to the Facilities.

(i) The State, through the Division of Administration, is not, at any time whatsoever, obligated, committed or required to provide funds by legislative appropriation or any other means to pay debt service on the Bonds or to support the continued operation and maintenance of the Facilities and Stadium Expansion, it being understood that the portion of the lease payments payable by the Board under this Facilities Lease for payment of debt service on the Bonds are payable solely from the Lawfully Available Funds and the Board is not legally committed, obligated or required to make available any other funds to make the lease payments hereunder.

(j) In addition to the Rental payments required hereby, the Board covenants and agrees to make an Extraordinary Rental payment to refund a portion of the Series 2004 Bonds, from funds on hand or collected by the Board, not to exceed \$9,000,000.

Section 7. Operation, Alterations, Maintenance, Repair, Replacement and Security Service.

(a) The University, at the direction of the Board, shall be responsible for ensuring that all services necessary or required in order to adequately operate the Facilities in accordance with the Permitted Use are provided and maintained. The University shall continuously operate or cause to be operated the Facilities from the Commencement Date and continuing for the remainder of the Term for the Permitted Use, and in accordance with all Governmental Regulations. The Corporation may contract with a Management Company, subject to the approval of the Board, to provide operations and management services for the Facilities. All Rents collected by a Management Company under a Management Agreement shall be deposited in an operating account and transferred daily to the Trustee in accordance with the Indenture.

(b) The University, at the direction of the Board, shall be responsible for maintaining the Facilities and shall make or contract or cause to be made or contracted with a suitable contractor for the making of all alterations, repairs, restorations, and replacements to the Facilities, including without limitation the heating, ventilating, air conditioning, mechanical, electrical, elevators, plumbing, fire, sprinkler and theft systems, air and water pollution control and waste disposal facilities, structural roof, walls, and foundations, fixtures, equipment, and appurtenances to the Facilities as and when needed to

B-82

preserve them in good working order, condition and repair (ordinary wear and tear excepted), regardless of whether such repairs, alterations, restorations or replacements are ordinary or extraordinary, foreseeable or unforeseeable, or are at the fault of the Board, the Corporation or some Other Party. All alterations, repairs, restoration, or replacements shall be of a quality and class equal to or better than the quality and class presently located in the Facilities.

(c) The University, at the direction of the Board, shall have the right during the Term to cause the Corporation or some other Party to make or construct any additions or improvements to the Facilities, alter the Facilities, attach fixtures, structures, or signs to or on the Facilities, and affix personal property to the Facilities without the Corporation's prior written consent to the extent allowed under the terms of any insurance covering the Facilities. All such alterations, improvements, additions, attachments, repairs, restorations, and replacements of all or any portion of the Facilities shall (i) be at the sole cost and expense of the University; (ii) not reduce the then fair market value of the Facilities; (iii) be constructed in a good and workmanlike manner; and (iv) be in compliance with all Governmental Regulations.

(d) The University, at the direction of the Board, shall provide or cause to be provided all security service, custodial service, janitorial service, trash disposal, and all other services necessary for the proper upkeep and maintenance of the Facilities as required herein. The Board acknowledges that the Corporation has made no representation or warranty with respect to systems and/or procedures for the security of the Facilities, any persons occupying, using or entering the Facilities, or any equipment, furnishings, or contents of the Facilities. It is the sole responsibility of the Board, through the University to cause to be provided or to provide for the security of persons on or entering the Facilities and/or property located at the Facilities, in accordance with reasonable and prudent business practices.

Section 8. Utilities. All utilities which are used or consumed in or upon or in connection with the Facilities during the Term, including, without limitation water, gas, electricity, sewerage, garbage, or trash removal, light, cable, heat, telephone, power, computer data and other utilities necessary for the operation of the Facilities (the "Utility Service") shall be the responsibility of the Board and/or the students, faculty, staff or Permitted Sublessees residing in the Facilities. Payments for Utility Services provided to the entire Facilities or to the common areas of the Facilities under such contract or contracts therefor as the Board may make shall be made by the Board directly to the respective utility companies furnishing such Utility Services.

The Corporation shall have no responsibility to the Board for the quality or availability of Utility Service to the Facilities, or for the cost to procure Utility Service. The Corporation shall not be in Default under this Facilities Lease or be liable to the Board or any other Person for direct or consequential damage, or otherwise, for any failure in supply of any Utility Service, heat, air conditioning, elevator service, cleaning service, lighting, security, or for surges or interruptions of electricity.

Section 9. Insurance.

(a) The University, at the direction of the Board, shall cause to be secured and maintained at the University's cost and expense:

(i) A policy or policies of insurance covering the Facilities against loss or damage by fire, lightning, earthquake, collapse, vandalism and malicious mischief, flood and storm surge, and against such other perils as are included in so-called "extended coverage" and against such other insurable perils as, under good insurance practice, from time to time are insured for properties of similar character and location, which insurance shall be not less than the full replacement cost of the Facilities, without deduction for depreciation. In the event that the Facilities are not repaired or replaced, insurance proceeds shall be no greater than the actual cash value (replacement cost less depreciation) of the Facilities at the

time of the loss. The policy shall be adjusted to comply with any applicable co-insurance provisions of such insurance policy. Full payment of insurance proceeds shall not be contingent on the degree of damage sustained at other facilities leased by the Board. The policy or policies covering such loss must explicitly waive any co-insurance penalty.

(ii) A policy of comprehensive public liability insurance with respect to the Facilities and the operations related thereto, whether conducted on or off the Facilities, against liability for personal injury (including bodily injury and death) and property damage, of not less than \$2,000,000 in combined single limit liability coverage. Such comprehensive public liability insurance shall specifically include, but shall not be limited to, sprinkler leakage legal liability, water damage legal liability, motor vehicle liability for all owned and non-owned vehicles, including rented or leased vehicles.

(iii) Boiler and machinery insurance coverage against loss or damage by explosion of steam boilers, pressure vessels and similar apparatus, but only if steam boilers, pressure vessels or similar apparatus are installed on the Facilities, in an amount not less than \$5,000,000 with deductible provisions not exceeding \$100,000 per accident.

(iv) Workers' compensation insurance issued by a responsible carrier authorized under the laws of the State to insure employers against liability for compensation under the Labor Code of the State, or any act hereafter enacted as an amendment thereto or in lieu thereof, such workers' compensation insurance to cover all persons employed by the Corporation in connection with the Facilities and to cover full liability for compensation under any such act aforesaid.

(v) A policy of rental interruption insurance in the amount of at least one (1) year's rental in the event of loss of or damage to the Series 2004 Facilities.

(b) The Corporation shall:

(i) cause to be secured and maintained a policy of title insurance insuring the Corporation's leasehold interest under the Ground Lease in an amount equal to the par amount of the Bonds; and

(ii) cause all of the construction professionals to secure and maintain:

- (A) Comprehensive or Commercial General Liability insurance;
- (B) Errors and Omissions insurance;
- (C) Automobile Liability insurance;
- (D) Worker's Compensation insurance;
- (E) an all Risk Builder's Policy upon the construction on the Property; and
- (F) boiler and machinery or additional property insurance;

all as required by the terms of any construction contracts entered into with regards to the demolition of certain existing facilities and the renovation, development and construction of the Facilities.

All insurance required in this Section and all renewals of such insurance (excepting self-insurance or commercial insurance, through ORM) shall be issued by commercial insurers authorized to transact

B-83

business in the State, and rated at least A- by Best's Insurance Reports (property/liability) or in the two highest rating categories of S&P and Moody's. All insurance policies provided or caused to be provided by the Corporation shall expressly provide that the policies shall not be canceled or altered without thirty (30) days' prior written notice to the University and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the Corporation or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained.

All policies of liability insurance that the University is obligated to maintain according to this Facilities Lease (other than any policy of worker's compensation insurance) will name the Corporation, the Trustee and such other Persons or firms as the University may be required to name from time to time as additional insureds and shall expressly provide that the policies shall not be cancelled or altered without thirty (30) days' prior written notice to the Corporation and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the University or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained. All public liability, property damage liability, and casualty policies maintained by the University shall be written as primary policies.

Proceeds of insurance received and/or the amount of any loss that is self-insured with respect to destruction of or damage to any portion of the Facilities by fire, earthquake or other casualty or event shall be paid to the Trustee (or, in the case of ORM insurance, to the Board for delivery in full to the Trustee) for application in accordance with the provisions of Section 11 of this Facilities Lease and the Indenture.

The Corporation shall certify annually to the Series 2004 Bond Insurer and the Series 2007 Bond Insurer that all insurance policies required by this Section 9 are as of the date of such certification in place and in effect.

Section 10. Condemnation, Casualty and Other Damage. The risk of loss or decrease in the enjoyment and beneficial use of the Facilities due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively "*Casualty*") or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Facilities by condemnation, expropriation, or eminent domain proceedings (collectively "*Expropriation*") is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental or any other obligation hereunder.

Section 11. Application of Insurance Proceeds: Condemnation Award. (a) If during construction, all or any portion of the Facilities is damaged or destroyed by a Casualty, or is taken by Expropriation proceedings, the Board shall instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration or replacement of the Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. Following the completion of construction and acceptance of the Facilities by the Board on behalf of the Corporation, the Board shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted, the repair, restoration, or replacement thereof. The proceeds of any insurance, including the proceeds of any self-insurance fund, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction or taking of all or any portion of the Facilities shall be delivered to the Trustee and held by the Trustee in trust (or in the case of self-insurance through ORM, as set forth in paragraph

(b) below), and shall be made available for, and to the extent necessary be applied to, such restoration, repair and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement and repair of the Facilities with respect to which they are held, in each case promptly after receipt of a written request of the Corporation stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee may conclusively rely upon such written requests and shall have no liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration or replacement of the Facilities shall be paid by Trustee in accordance with the terms of the Indenture.

In the event the proceeds of any insurance, and any additional funds deposited with the Trustee, are insufficient to fully repair, restore or replace the Facilities, the proceeds shall be paid to the Board for immediate delivery to Trustee and used to redeem the Outstanding Bonds.

Notwithstanding the foregoing, the Corporation's obligation to replace the Facilities in the event of Expropriation Proceedings is dependent on the Board entering into a lease with a different portion of the Campus as provided in Section 13.03 of the Ground Lease. In the event it is necessary to restore or replace the Facilities in a different location because of the Expropriation of all or a portion of the Facilities, the Corporation and the Board agree to amend or enter into a new Facilities Lease and Ground Lease in accordance with Sections 13.03 of the Ground Lease. In the event the Board, pursuant to the Ground Lease, decides not to repair, restore or replace the Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) shall be paid to the Board for immediate delivery to the Trustee and applied to the prepayment of the Bonds in accordance with the terms of the Indenture, and this Facilities Lease and the Ground Lease shall terminate on the date that the events described in Section 2(a) or 2(b) hereof have occurred.

(b) In the event that ORM insures the Facilities, the Board shall use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration or replacement of the Facilities.

Section 12. Encumbrances.

(a) Payment by the Board. The Board shall pay or cause to be paid all costs and charges for alterations, improvements, additions, repairs and maintenance ("*Work*") (i) done by the Board or caused to be done by the Board in or to the Facilities, and (ii) for all materials furnished for or in connection with such Work. The Corporation reserves all rights to collect for any loss or damage sustained or incurred by the Corporation resulting from any and all Encumbrances, demands or liabilities arising on account of the Work, which shall be payable by the Board as Additional Rent hereunder.

(b) Failure to Discharge. If the Board fails to pay any charge for which an Encumbrance has been filed, and the Facilities or any portion thereof is placed in imminent danger of being seized, the Corporation may, but shall not be obligated to, pay such charge and related costs and interest, and the amount so paid, together with reasonable Legal Expenses incurred in connection with such Encumbrance, will be immediately due from the Board to the Corporation as Additional Rental. Nothing contained in

this Facilities Lease will be deemed the consent or agreement of the Corporation to subject the Corporation's interest in the Facilities to liability under any Encumbrance, or any mechanics', materialman's or other lien law. If the Board receives written notice that an Encumbrance has been or is about to be filed against the Facilities, or that any action affecting title to the Facilities has been commenced on account of Work done by or for the Board or for materials furnished to or for the Board, it shall immediately give the Corporation Notice of such notice.

(c) *Notice of Work.* At least fifteen (15) days prior to the commencement of any Work in or to the Facilities, by or for the University, the University shall give the Corporation Notice of the proposed Work and the names and addresses of the Persons supplying labor and materials for the proposed Work. The Corporation will have the right to post notices of nonresponsibility or similar written notices on the Facilities in order to protect the Facilities against any such claimants.

Section 13. Assignment and Sublease. (a) Neither this Facilities Lease nor any interest of the Board in the Facilities shall be mortgaged, pledged, assigned or transferred by the Board by voluntary act or by operation of law, or otherwise; provided, however, the Board may sublease all or any portion of the Facilities, or grant concessions involving the use of all or any portion of the Facilities, whether such concessions purport to convey a leasehold interest or a license to use all or a portion of the Facilities to any University student, faculty, staff or Permitted Sublessee. No such concession, leasehold interest or license to use the Facilities shall be granted to any University students, faculty or staff for a term of more than one (1) year, or to any Permitted Sublessee for a term of more than one (1) month. The Board shall, however, at all times remain liable for the performance of the covenants and conditions on its part to be performed under this Facilities Lease (including, without limitation, the payment of Base Rental and Additional Rental), notwithstanding any subletting or granting of concessions which may be made. Nothing herein contained shall be construed to relieve the Board from its obligations to pay Base Rental and Additional Rental as provided in this Facilities Lease or to relieve the Board from any other obligations contained herein. Other than subleases to University students, faculty, staff and Permitted Sublessees, in no event will the Board sublease or permit the use of all or any part of the Facilities to any person without an opinion of Bond Counsel that such will not cause interest on the Bonds to be included in the gross income of the owners of the Series 2004A Bonds and the Series 2004B Bonds for federal income tax purposes.

(b) The Corporation shall, concurrently with the execution hereof, assign all of its right, title and interest in and to this Facilities Lease, including without limitation its right to receive Base Rental payable hereunder, to the Issuer pursuant to the Agreement, and the Issuer will in turn assign its rights under this Facilities Lease to the Trustee pursuant to the Indenture. The parties hereto further agree to execute any and all documents necessary and proper in connection therewith. Anything required or permitted to be done by the Corporation under this Facilities Lease may be done by the Trustee under the Indenture.

(c) Except as set forth in Section 13(b) hereof, the Corporation shall not sell or assign its interest in the Facility or this Facilities Lease without the prior written consent of the Board.

Section 14. Additions and Improvements Removal. At the expiration of the Term, or termination of this Facilities Lease, all alterations, fixtures, improvements and additions made by the Board or the University and all equipment placed upon the Facilities that are incorporated into or made into component parts of the Facilities, as well as, title to all property, furniture, equipment, fixtures, and other property installed at or placed upon the Facilities by the Board which is not incorporated into or made a component part of the Facilities remain the property of the Board.

The Board hereby agrees to replace such property from time to time as such property becomes worn out, obsolete, inadequate, unsuitable or undesirable. The Board may add to or remove such property from time to time, and upon expiration of the Term, provided that the Board repairs any damage to the Facilities caused by such removal.

Section 15. Right of Entry. Representatives of the Corporation and the Bond Insurer shall, subject to reasonable security precautions, and upon giving the Board not less than twenty-four (24) hours advance Notice, have the right to enter upon the Facilities during reasonable business hours (and in emergencies without notice and at all times) accompanied by a Board Representative (i) to inspect the same, (ii) for any purpose connected with the rights or obligations of the Corporation under this Facilities Lease, or (iii) for all other lawful purposes. Any right of access to any portion of the Facilities leased to the students, faculty, staff or Permitted Sublessees shall be subject to their rights pursuant to their rental agreements and University policy.

Section 16. Mortgage Prohibition. Except as set forth in the Indenture, the Ground Lease and the Agreement, the Corporation shall not be entitled to mortgage or grant a security interest in the Facilities.

Section 17. Sale of Facilities; Attornment; and Conveyance and Transfer of the Corporation's Interest. If a person other than the Corporation shall succeed to the rights of the Corporation hereunder (in any case with the prior written consent of the Board as required hereby), upon the declaration of the successor to the Corporation's interest in this Facilities Lease, the Board agrees to fully attorn to and recognize any such successor as the Board's landlord under this Facilities Lease upon the then existing terms of this Facilities Lease, provided that such successor shall agree in writing to accept the Board's attornment and not to disturb the Board's possession so long as the Board shall observe the provisions and all covenants of this Facilities Lease. This attornment provision shall inure to the benefit of any such successor and shall be self-operative upon the election and declaration by such successor, and no further instrument shall be required to give effect to the provisions. However, the Board agrees to evidence and confirm the foregoing attornment provisions by the execution and delivery of instruments in recordable form satisfactory to such successor.

If the Facilities, or any part thereof, shall be sold or otherwise transferred by sale, assignment, transfer or other contract, or by operation of law or otherwise (with the prior written consent of the Board as required hereby and with an opinion of Bond Counsel that such action will not cause interest on the Bonds to be included in the gross income of the owner of the Bonds for federal tax purposes), and if such written consent specifically so provides, the Corporation shall be automatically and entirely released and discharged to the extent of the interest in or the portion of the Facilities sold, assigned or transferred from and after the effective date of such sale, assignment or transfer of all liability for the performance of any of the covenants of this Facilities Lease on the part of the Corporation thereafter to be performed. The purchaser or other transferee of the Facilities shall be deemed to have agreed to perform such covenants of the Corporation from and after the date of such assignment or sale during such transferee's period of ownership of the Corporation's interest under this Facilities Lease, all without further agreement between the Corporation, its successor and the Board. The Corporation's transferee shall not be held responsible for the performance of any of the covenants of this Facilities Lease on the part of the Corporation required to be performed prior to such sale and transfer, the Board reserving its rights against the Corporation for any unperformed covenants prior to such sale or transfer.

Section 18. Quiet Enjoyment. The Corporation covenants that the Board, on paying the Rental and performing and observing all of the covenants and agreements herein contained and provided to be performed by the Board or the University, shall and may peaceably and quietly have, hold, occupy, use, and enjoy the Facilities during the Term and may exercise all of its rights hereunder; and the

Corporation agrees to warrant and forever defend the Board's right to such occupancy, use, and enjoyment and the title to the Facilities against the claims of any and all persons whomsoever lawfully claiming the same, or any part thereof subject only to the provisions of this Facilities Lease.

Section 19. Environmental Compliance and Indemnity.

(a) *Environmental Compliance.* The Board or the University shall operate or cause to be operated the Facilities in compliance with all Environmental Requirements continuously during the Term, and for such periods of time prior to the Commencement Date and after the Expiration Date, as long as the Board is in possession of the Facilities, in whole or in part. The Board shall not cause or permit any Hazardous Substance to be brought upon, kept, or used in or about the Facilities or the Land, except for such Hazardous Substance as is necessary or useful to the operation of the Facilities.

(b) *The Board's Liability.* If the Board fails to comply with any of the foregoing warranties, representations, and covenants, and removal or Remediation of any Hazardous Substance found on the Facilities is required by Environmental Requirements or Governmental Authority, the Board shall promptly undertake the removal or Remediation of such Hazardous Substance, at the Board's sole cost and expense. In the event the Board fails or refuses to undertake such removal or Remedial actions, the Corporation may cause the removal or Remediation (or other cleanup reasonable acceptable to the Corporation) of any such Hazardous Substance from the Land or the Facilities. The reasonable costs of removal, Remediation, or any other cleanup (including transportation and storage costs) will be considered as Additional Rental under this Facilities Lease, whether or not a court has ordered the cleanup, and those costs will become due and payable within ninety (90) days of written demand by the Corporation. In connection therewith, the Board will give the Corporation, its agents, and employees access to the Facilities to remove, remediate, or otherwise clean up any Hazardous Substance. The Corporation, however, has no affirmative obligation to remove, remediate, or otherwise clean up any Hazardous Substance, and this Facilities Lease will not be construed as creating any such obligation. The Board hereby agrees that it shall be fully liable for all costs and expenses related to the use, storage, and disposal of any Hazardous Substance located in or about the Facilities by the Board.

Section 20. The Corporation's Reservation of Rights.

(a) The Corporation hereby reserves all of its rights to recover from the Board for any and all Claims asserted against the Corporation, including Litigation Expenses arising out of or by reason of:

(i) any injury to or death of any person or damage to property occurring on or about the Facilities occasioned by or growing out of or arising or resulting from any tortious or negligent act on the part of the Board in connection with the operation and management of the Facilities; or

(ii) any failure, breach, or default on the part of the Board in the performance of or compliance with any of the obligations of the Board under the terms of this Facilities Lease.

(b) Notwithstanding the fact that it is the intention of the parties that the Corporation shall not incur any pecuniary liability by reason of the terms of this Facilities Lease or the undertakings required of the Corporation hereunder, nevertheless, if the Corporation should incur any such pecuniary liability, then in that event, the Corporation shall be entitled to assert all rights and remedies granted in law or in equity to recover from the Board the amount of any pecuniary liability incurred by the Corporation, plus all Litigation Expenses incurred in defense of such liability to the extent subject to indemnification pursuant to Subsection (a) above.

(c) No recourse shall be had for the enforcement of any obligation, covenant, or agreement of the Corporation contained in this Facilities Lease or any Claim based thereon against the Corporation or of any successor thereto or member thereof, either directly or through the Corporation whether by virtue of any constitutional provision, statute, or rule of law. This Facilities Lease and the obligations of the Corporation hereunder, and any Claim asserted against the Corporation are solely corporate obligations, and the enforcement of any obligation or Claim shall be limited solely to the Corporation's interest in the Facilities. No personal liability shall attach to, or be incurred by, any officer, director, agent, employee or member of the Corporation and the Board acknowledges that all personal liability of any character against every such officer, director, agent, employee or member by the execution of this Facilities Lease, is expressly waived and released. The immunity of any officer, director, agent, employee or member of the Corporation under the provisions contained in this Section 20 shall survive any acquisition of the Facilities by the Board and the expiration or other termination of this Facilities Lease.

Section 21. Default by the Board. If (i) the Board shall fail to deposit with the Trustee any Base Rental payment required to be so deposited pursuant to Section 6 hereof by the close of business on the day such deposit is required pursuant to Section 6 hereof, and shall fail to remedy such breach within five (5) days thereof, but in no event later than the date on which such payment is required to enable the Corporation to make payment on the Bonds (without use of moneys held in the Debt Service Reserve Fund), or (ii) the Board shall fail to pay or discharge any monetary obligation under this Lease (other than the payment of Base Rental) as and when due, or within thirty (30) days after receipt of Notice from the Corporation that such sums are due and owing; or (iii) the Board shall breach any non-monetary terms, covenants or conditions herein, and shall fail to remedy any such breach with all reasonable dispatch within a reasonable period of time (or such longer period as the Trustee may approve) after written notice thereof from the Corporation to the Board, then and in any such event the Board shall be deemed to be in default hereunder, and the Corporation shall have the right, at its option, without any further demand or notice to terminate this Facilities Lease on the earliest date permitted by law or on any later date specified in any Notice given to the Board, in which case the Board's right to possession of the Facilities will cease and this Facilities Lease will be terminated, without, however, waiving the Corporation's right to collect all Rental and other payments due or owing for the period up to the time the Corporation regains possession (which have been approved for payment under this Facilities Lease, but not paid by the Board), and to enforce other obligations of the Board which survive termination of this Facilities Lease, and in such event the Corporation may without any further demand or notice re-enter the Facilities and eject all parties in possession thereof, subject to the rights of students, faculty, staff and Permitted Sublessees. The foregoing remedies of the Corporation are in addition to and not exclusive of any other remedy of the Corporation. Any such re-entry shall be allowed by the Board without hindrance, and the Corporation shall not be liable in damages for any such re-entry or be guilty of trespass. The Corporation understands and agrees that upon its termination of the Board's right to possession of the Facilities or termination of this Facilities Lease, the Corporation upon its re-entry of the Facilities shall only be allowed to use the Facilities for the Permitted Use and shall be subject to all applicable Governmental Regulations heretofore or hereafter enacted by any Governmental Authority relating to the use and operation of the Facilities.

Notwithstanding any other provision of this Facilities Lease, (i) in no event shall the Corporation have the right to accelerate the payment of any Base Rental payment hereunder and (ii) the Bond Insurer shall have ninety (90) days to cure an Event of Default hereunder.

Notwithstanding anything contained in this Section 21 to the contrary, a failure by the Board to pay when due any payment required to be made under this Facilities Lease or a failure by the Board to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Facilities Lease, resulting from a failure by the Board to appropriate moneys shall not constitute an Event of Default under this Section 21 and the Corporation shall not have any of the remedial rights set

forth in this Section 21. Notwithstanding the foregoing, in such event the Board acknowledges that the Facilities Lease shall terminate and the Board shall immediately vacate the Facilities, and deliver the Facilities to the Corporation.

Section 22. Cumulative Remedies. Each right and remedy provided for in this Facilities Lease is cumulative and is in addition to every other right or remedy provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by the Corporation of any one or more of the rights or remedies provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise will not preclude the simultaneous or later exercise by the Corporation of any or all other rights or remedies provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise. All costs incurred by the Corporation in collecting any amounts and damages owing by the Board pursuant to the provisions of this Facilities Lease or to enforce any provision of this Facilities Lease, including reasonable Litigation Expenses from the date any such matter is turned over to an attorney, whether or not one or more actions are commenced by the Corporation, will also be recoverable by the Corporation from the Board. The waiver by the Corporation of any breach by the Board and the waiver by the Board of any breach by the Corporation of any term, covenant or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other term, covenant or condition hereof.

Section 23. Option to Purchase. For and in consideration of the obligations of the Board under the Facilities Lease, the mutual undertakings of the parties, the receipt and adequacy of which is hereby acknowledged, the Corporation grants to the Board an exclusive and irrevocable option to purchase for the price and on the terms, provisions, stipulations and conditions hereinafter set forth, all but not less than all of the Corporation's leasehold interest in the Facilities.

(a) Effective Date. The effective date of this Option agreement shall be the Commencement Date.

(b) Term of Option. The Option shall expire at midnight Central Standard Time, on the Expiration Date, or upon the termination of this Facilities Lease, whichever occurs first.

(c) Limitation on Exercise of Option. The Board may not exercise the Option, and the Option shall be voidable, at the sole election of the Corporation, if a Default by the Board has occurred and is continuing under the Facilities Lease, and the applicable time period in which the Board may cure such default has expired. Notwithstanding any provision of this Option to the contrary, the Board shall be entitled to exercise the Option as long as the Board is legally obligated to make payments of Base Rental under the Facilities Lease.

(d) Exercise of Option.

(i) The Series 2004 Facilities. The Board may exercise the Option herein granted with respect to the Series 2004 Facilities at any time on or before expiration of the Term, on any Interest Payment Date on or after August 1, 2014 or on the date the Series 2004 Bonds and the Series 2013 Bonds are defeased pursuant to Article XII of the Indenture, by Notice to the Corporation of its election to exercise the Option and purchase the Corporation's interest in and to the Series 2004 Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase the Facilities

(ii) The Series 2007 Facilities. The Board may exercise the Option herein granted with respect to the Series 2007 Facilities at any time on or before expiration of the Term, on any Interest Payment Date on or after August 1, 2014 or on the date the Series 2007 Bonds are defeased

pursuant to Article XII of the Indenture, by Notice to the Corporation of its election to exercise the Option and purchase the Corporation's interest in and to the Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase the Series 2007 Facilities.

(e) Purchase Price. The Purchase Price shall be equal to the principal of all Bonds then Outstanding plus the interest to accrue on such Bonds until the purchase date plus any prepayment penalties, charges or costs for early prepayment or defeasance of the Bonds and any Administrative Expenses owed prior to the purchase date which payments are necessary to discharge the Indenture pursuant to Article XII thereof (collectively, the "Purchase Price").

(f) Effect on Facilities Lease and Ground Lease. Upon the purchase of the Corporation's leasehold interest in the Facilities by the Board pursuant to this Option, the Facilities Lease and the Ground Lease shall terminate and all of the Corporation's leasehold interest in the Land and the Facilities shall terminate.

(g) Payment of Purchase Price. The Board, on the purchase date, shall deposit an amount equal to the Purchase Price with the Trustee.

(i) Conveyance. In the event of and upon the payment of the Purchase Price and any other sums due under this Facilities Lease by the Board, the Corporation will on the purchase date execute and deliver to the Board a written cancellation of the Ground Lease and this Facilities Lease.

(ii) Assignment of Contract Rights and Obligations. The conveyance of the Corporation's leasehold interest in the Facilities shall also effect a transfer and assignment of all rights, warranties and liabilities of the Corporation under then existing contracts of any nature with respect to the Facilities.

(h) Closing. In the event the Option is timely exercised, notice of the Board's election to the Corporation shall constitute an irrevocable conversion of the Option into a binding obligation of the Corporation to sell its leasehold interest in the Facilities and the Board to buy the same under the terms and conditions set forth in this Section 23, and in such event, the Corporation and the Board shall have the right to demand specific performance of this agreement by the other. The closing shall occur at the offices of the Board or its counsel, or at such other time, place, and date as agreed upon by the Corporation and the Board.

(i) Closing Costs. The Board shall pay all closing costs and charges incident to the conveyance of the Corporation's interest in the Land and the Facilities.

(j) No Warranty. The Corporation shall convey its leasehold interest in the Facilities without any warranty whatsoever of any nature. The conveyance of the leasehold interest in the Facilities shall be without any warranty as to fitness and condition, as set forth in Section 5 of this Facilities Lease. Language substantially similar to the language contained in Section 5 of this Facilities Lease shall be incorporated into and made a part of such conveyance. In no event shall the Corporation be responsible for any defects in title.

(k) Default under the Option:

(i) In the event the Option is exercised, and the Corporation fails to consummate the transactions contemplated herein for any reason, except default by the Board or the failure of the Board to satisfy any of the conditions set forth herein, the Board may, in addition to any other rights and remedies which may otherwise be available to the Board, enforce this agreement by specific performance. The

Board's remedies under this Section are expressly subject to the provisions of Section 30 of this Facilities Lease.

(ii) In the event the Option is exercised, and the Board fails to consummate the transactions contemplated herein for any reason, except default by the Corporation or the failure of the Corporation to satisfy any of the conditions set forth herein, the Corporation (a) may enforce this agreement by specific performance and in such action shall have the right to recover damages suffered by reason of the Board's delay; or (b) may bring suit for damages for breach of this agreement.

(iii) No delay or omission in the exercise of any right or remedy accruing to either party upon any breach by the other party under this Section 23 shall impair such right or remedy or be construed as a waiver of any such breach theretofore or thereafter occurring. The waiver by either party of any condition or any subsequent breach of the same or any other term, covenant or condition contained in this Section 23 shall not be deemed to be a waiver of any other condition or of any subsequent breach of the same or of any other term, covenant or condition herein contained.

(l) *Attorney's Fees.* Should either party employ an attorney or attorneys to enforce any of the provisions hereof, or to protect its interest in any matter arising under this agreement, or to recover damages for the breach of this agreement, the party prevailing in any final judgment shall have the right to collect from the losing party all Litigation Expenses incurred in enforcing such rights.

(m) *Notices.* Any notices required or permitted under this Section 23 shall be in writing and delivered either in person to the other party, or the other party's authorized agent, or by United States Certified Mail, return receipt requested, postage prepaid, to the address set forth in Section 51 of this Facilities Lease, or to such other address as either party may designate in writing and delivered as herein provided.

(n) *Assignability.* Except as set forth in the Indenture, the Mortgage or the Ground Lease, the Option may not be assigned by the Corporation or its interest in the Facilities sold (subject to the Option or otherwise) to any person or entity without the Board's prior written consent, which consent may be withheld by the Board in its sole discretion.

(o) *Time of Essence:* Time is of the essence of this Option.

(p) *Binding Effect:* This Option shall be binding upon and shall inure to the benefit of the parties hereto and their heirs, successors and assigns.

Section 24. *Severability.* If any provisions of this Facilities Lease shall be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable, to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or Sections contained in this Facilities Lease shall not affect the remaining portions of this Facilities Lease, or any part thereof.

Section 25. *Redemption of Bonds.* The Corporation agrees that it will not exercise its option to redeem any Bonds pursuant to the Indenture unless the Board consents to such redemption or such redemption is to be effected with moneys derived from a source other than payments made by the Board under this Facilities Lease, however, in no event shall the mandatory redemption of any Bonds pursuant

to the Indenture require the consent of the Board. The Corporation further agrees that if requested by the Board it will take all actions necessary to redeem all or any portion of the Bonds designated by the Board on the first date that it may do so under the terms of the Indenture so long as the Board agrees to provide funds in an amount, and at the time, required to effect such redemption.

Section 26. *Additional Bonds.* Upon the request and at the expense of the Board, the Corporation shall take action as may be required to effect the issuance of Additional Bonds in such amount as the Board may request as permitted by and in accordance with the provisions of the Indenture for any purpose permitted thereby.

Section 27. *Execution.* This Facilities Lease may be simultaneously executed in any number of counterparts, each of which when so executed shall be deemed to be an original, and all of which together shall constitute one and the same Facilities Lease.

Section 28. *Law Governing.* This Facilities Lease is made in the State under the constitution and laws of the State and is to be governed by the laws of the State.

Section 29. *Nonappropriation of Funds.* In the event no funds or insufficient funds are lawfully appropriated in any Fiscal Year enabling the payment of Base Rental and Additional Rental due during the next succeeding Fiscal Year, the Board will immediately notify the Corporation and the Trustee of such occurrence. On the first day of the month following the Base Rental payment date on which the last payment of Base Rental can be made in full from Lawfully Available Funds, this Facilities Lease shall terminate without penalty or expense to the Board of any kind whatsoever, except as to the portions of Base Rental and Additional Rental payments herein agreed upon for Fiscal Years for which sufficient funds have been lawfully appropriated. In the event of such termination, the Board agrees peaceably to surrender possession of the Facilities to the Corporation on the date of such termination in its original condition (normal wear and tear excepted). The Corporation will have all legal and equitable rights and remedies to take possession of the Facilities and re-let or sell the Facilities as the Corporation determines and as granted in this Facilities Lease. The Board acknowledges that the Corporation's rights to take possession and to re-let or sell the Facilities under this Section 29 may be assigned to the Trustee for the benefit of the owners of the Bonds, and the Board agrees that the Trustee shall be entitled to exercise all of the rights of the Corporation under this Section 29. The event of an inability by the Board to cause the appropriation of sufficient funds for the payment of sums due under this Facilities Lease shall not constitute a default hereunder, but shall ipso facto terminate this Facilities Lease. This provision is operative notwithstanding any provisions of this Facilities Lease to the contrary. The Board shall be considered in default hereunder if sufficient funds are lawfully appropriated for the payment of Rental required under this Facilities Lease and the Board fails to use lawfully appropriated funds for the payment of Rental. In such event, the Corporation shall be entitled to the rights and remedies set forth in Sections 21 and 22 hereof.

Section 30. *Exculpatory Provision.* In the exercise of the powers of the Corporation and its trustees, officers, employees and agents under this Facilities Lease and the Indenture, the Corporation shall not be accountable or liable to the Board (i) for any actions taken or omitted by it or its officers, employees or agents in good faith and believed by it or them to be authorized or within their discretion or rights or powers conferred upon them, or (ii) for any claims based on this Facilities Lease against any officer, employee or agent of the Corporation in his or her personal capacity, all such liability, if any, being expressly waived by the Board by the execution of this Facilities Lease. Nothing in this Facilities Lease or the Indenture is intended to require or obligate, nor shall anything herein or therein be interpreted to require or obligate, the Corporation for any purpose or at any time whatsoever, to provide, apply or expend any funds coming into the hands of the Corporation other than the funds derived from the

issuance of the Bonds under the Indenture and moneys derived pursuant to the Indenture and this Facilities Lease.

The Board specifically agrees to look solely to the Corporation's interest in the Facilities for the recovery of any judgments from the Corporation. It is agreed that the Corporation will not be personally liable for any such judgments, or incur any pecuniary liability as a result of this Facilities Lease to the Board, or the breach of its obligations hereunder. The Corporation's liability under this Facilities Lease is "in rem" as to its interest in the Facilities. The provisions contained in the preceding sentences are not intended to and will not limit any right that the Board might otherwise have to obtain injunctive relief against the Corporation or relief in any suit or action in connection with enforcement or collection of amounts that may become owing or payable under or on account of insurance maintained by the Corporation.

Section 31. Amendments. This Facilities Lease may be amended only as permitted in Article VIII of the Agreement.

Section 32. Recording. The Corporation covenants and agrees that it will promptly record and from time to time re-record a memorandum in recordable form of this Facilities Lease and the Indenture and all supplements thereto and hereto in such manner and in such places as may be required by law in order to fully protect and preserve the security of the holders or owners of the Bonds.

Section 33. Construction Against Drafting Party. The Corporation and the Board acknowledge that each of them and their counsel have had an opportunity to review this Facilities Lease and that each Party was responsible for the drafting thereof.

Section 34. Time of the Essence. Time is of the essence of each and every provision of this Facilities Lease.

Section 35. No Waiver. The waiver by the Corporation of any agreement, condition, or provision contained in this Facilities Lease will not be deemed to be a waiver of any subsequent breach of the same or any other agreement, condition, or provision contained in this Facilities Lease, nor will any custom or practice that may grow up between the parties in the administration of the terms of this Facilities Lease be construed to waive or to lessen the right of the Corporation to insist upon the performance by the Board in strict accordance with the terms of this Facilities Lease. The subsequent acceptance of Rental by the Corporation will not be deemed to be a waiver of any preceding breach by the Board of any agreement, condition, or provision of this Facilities Lease, other than the failure of the Board to pay the particular Rental so accepted, regardless of the Corporation's knowledge of such preceding breach at the time of acceptance of such Rental.

Section 36. Survival. To the extent permitted by law and to the extent such will not constitute the incurrence of debt by the Board, all of the Corporation's remedies and rights of recovery under Sections 19 and 20 of this Facilities Lease shall survive the Term and/or the purchase of the Facilities by the Board under the Option.

Section 37. Counterparts. This Facilities Lease may be executed in any number of counterparts, each of which shall be an original, but all of which shall together constitute one and the same instrument.

Section 38. Estoppel Certificates. At any time and from time to time but within ten (10) days after prior written request by the Corporation, the Board will execute, acknowledge, and deliver to the Corporation, promptly upon request but only to the extent accurate, a certificate certifying (i) that this

Facilities Lease is unmodified and in full force and effect or, if there have been modifications, that this Facilities Lease is in full force and effect, as modified, and stating the date and nature of each modification; (ii) the date, if any, to which Rental and other sums payable under this Facilities Lease have been paid; (iii) that no Notice of any default has been delivered to the Corporation which default has not been cured, except as to defaults specified in said certificate; (iv) that there is no Event of Default under this Facilities Lease or an event which, with Notice or the passage of time, or both, would result in an Event of Default under this Facilities Lease, except for defaults specified in said certificate; and (v) such other matters as may be reasonably requested by the Corporation. Any such certificate may be relied upon by any prospective purchaser or existing or prospective mortgagee of the Facilities or any part thereof. The Board's failure to notify the Corporation of any inaccuracies in the proposed certificate within the specified time period shall be conclusive evidence that the matters set forth in the certificate are accurate and correct.

Section 39. Waiver of Jury Trial. The Corporation and the Board waive trial by jury in any action, proceeding, or counterclaim brought by either of the Parties to this Facilities Lease against the other on any matters whatsoever arising out of or in any way connected with this Facilities Lease, the relationship of the Corporation and the Board, the Board's use or occupancy of the Facilities, or any other Claims, and any emergency statutory or any other statutory remedy.

Section 40. Written Amendment Required. No amendment, alteration, modification of, or addition to the Facilities Lease will be valid or binding unless expressed in writing and signed by the Corporation and the Board and consented to the extent required by Article VIII of the Agreement.

Section 41. Entire Agreement. This Facilities Lease, the exhibits and addenda, if any, contain the entire agreement between the Corporation and the Board. No promises or representations, except as contained in this Facilities Lease, have been made to the Board respecting the condition or the manner of operating the Facilities.

Section 42. Signs. The Board may attach any sign on any part of the Facilities, or in the halls, lobbies, windows, or elevator banks of the Facilities, without the Corporation approval. The Board may name the Facilities and change the name, number, or designation of the Facilities, without the Corporation's prior consent.

Section 43. Litigation Expenses. The Board will pay the Corporation as Additional Rental all reasonable Litigation Expenses and all other reasonable expenses which may be incurred by the Corporation in enforcing any of the obligations of the Board under this Facilities Lease, in exercising its rights to recover against the Board for loss or damage sustained in accordance with the provisions of this Facilities Lease, or in any litigation or negotiation in which the Corporation shall, without its fault, become involved through or because of this Facilities Lease.

Section 44. Brokers. The Corporation and the Board respectively represent and warrant to each other that neither of them has consulted or negotiated with any broker or finder with regard to the Facilities.

Section 45. No Easements for Air or Light. Any diminution or shutting off of light, air, or view by any structure that may be erected on any of the lands constituting the Facilities, or on lands adjacent to the Facilities, will in no way affect this Facilities Lease or impose any liability on the Corporation. This Facilities Lease does not grant any rights to light, view and/or air over the Facilities whatsoever.

B-89

Section 46. Binding Effect. The covenants, conditions, and agreements contained in this Facilities Lease will bind and inure to the benefit of the Corporation and the Board and their respective permitted successors and assigns.

EXHIBIT A

TO THE FACILITIES LEASE

DESCRIPTION OF THE FACILITIES

Phase One

Phase One of the housing development was comprised of two primary elements:

1. Hazardous material abatement and demolition of the following residence halls:
 - (a) Holloway Smith Hall (occurred in Spring 2004)
 - (b) Hammond Hall (occurred in Spring 2004)
 - I Carter Harris Hall (occurred in Spring 2004)

2. Construction of a new residence hall ("*Residence Hall I*") which provides approximately seven hundred eighteen (718) student beds in a mix of private and shared occupancy suites (opened January, 2005)

The project included: (1) removal of existing built-in furniture; (2) renovation of the building to bring the facility up to code compliance; (3) installation of life-safety equipment; (4) provision of modern amenities (power, cable television, data) to each student bed; and (5) provision of extensive interior and exterior cosmetic improvements to the facility.

Construction of Residence Hall I (171,045 square feet)

Residence Hall was comprised of four wood-frame buildings with partial brick and hardi-plank exteriors. There are three hundred fifty-eight (358) units of two-bedroom / one-bathroom and one-bedroom / one-bathroom suites configured for private and shared occupancy, yielding a total of seven hundred eighteen (718) beds. One hundred seventy-nine (179) of the units are designed for private occupancy (358 total beds) and one hundred seventy-nine (179) of the units are designed for shared occupancy (360 total beds). Additionally, the Residence Hall I phase included a common area laundry facility in two of the buildings and area coordinator units in two of the buildings. In each building, community meeting rooms and tenant mail facilities were provided.

The first phase of development also included a 1,763 square foot maintenance facility for use by the property manager. Residence Hall I was completed in January, 2005.

Phase Two

Phase Two of the housing development was comprised of:

1. Construction of a new residence hall ("*Residence Hall II*") which provides seven hundred ninety-one (791) student beds in a mix of private and shared occupancy suites.
2. Hazardous materials abatement and demolition of Lee Hall.

B-92

Construction of Residence Hall II (184,530 square feet)

Residence Hall II is comprised of four wood-frame buildings with partial brick and hardi-plank exteriors. There are three hundred ninety-five (395) units of housing configured in two-bedroom / one-bathroom and one-bedroom / one-bathroom suites for private and shared occupancy, yielding a total of seven hundred ninety-one (791) beds. Ninety-five (95) of the units (187 total beds) are designed for private occupancy and three hundred (300) of the units (604 total beds) are designed for shared occupancy. Additionally, the Residence Hall II phase includes one laundry facility and one area coordinator unit in one of the buildings. In each building, community meeting rooms and tenant mail facilities are provided. The second phase of development included relocation of the campus police facility into one of the buildings, along with office / meeting space for the property management. Residence Hall II was completed in August, 2005.

Phase Three

Phase Three of the housing development has not been initiated and would be subject to further revision based upon input from the University. The following was the preliminary scope and design:

1. Hazardous material abatement and demolition of the following existing residence hall:

FORM OF BOND COUNSEL OPINION

November 13, 2013

Louisiana Local Government Environmental Facilities
and Community Development Authority
Baton Rouge, Louisiana

\$40,910,000
Louisiana Local Government Environmental Facilities and
Community Development Authority
Revenue Refunding Bonds
(Southeastern Louisiana University Student Housing/
University Facilities, Inc. Project)
Series 2013

We have acted as bond counsel to the Louisiana Local Government Environmental Facilities and Community Development Authority (the "*Issuer*"), a political subdivision of the State of Louisiana (the "*State*"), in connection with the issuance by the Issuer of the above-captioned bonds (the "*Series 2013 Bonds*") pursuant to Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 33:4548.16, inclusive) and Chapter 14 and Chapter 14-A of Title 39 the Louisiana Revised Statutes of 1950, as amended (La. R.S. 39:1441 through 1456, inclusive) (collectively, the "*Act*").

The Series 2013 Bonds have been issued by the Issuer pursuant to the Act and other constitutional and statutory authority and a Trust Indenture dated as of August 1, 2004 (the "*Original Indenture*"), as supplemented and amended by a First Supplemental Trust Indenture dated as of November 1, 2013 (the "*First Supplemental Indenture*") and, together with the Original Indenture, the "*Indenture*") each between the Issuer and The Bank of New York Mellon Trust Company, N.A., Baton Rouge, Louisiana, as trustee (the "*Trustee*"). Capitalized terms used herein that are not otherwise defined have the meaning given them in the Indenture.

The Series 2013 Bonds are issuable as fully registered bonds, are dated, bear interest until paid at the rate per annum, mature in the principal amounts and on the dates, and are subject to redemption all as set forth in the Indenture and in the Series 2013 Bonds.

The Series 2013 Bonds are issued under and are secured as to principal and interest by the Indenture, which provides a description of the nature and extent of the security for the Series 2013 Bonds, a statement of the terms and conditions under which the Series 2013 Bonds are issued and secured, the rights, duties and obligations of the Issuer, the rights, duties and immunities of the Trustee and the rights of the owners of the Series 2013 Bonds.

The Issuer previously issued its \$60,985,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004A (the "*Series 2004A Bonds*") and its \$15,000,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B (the "*Series 2004B Bonds*") and, together with the Series 2004A Bonds, the "*Series 2004 Bonds*") on behalf of University Facilities Inc., a Louisiana non-profit corporation (the "*Corporation*"), for the purpose of financing the cost of acquiring immovable property and financing the development, design, construction and equipping of new student housing facilities (the "*Facilities*") for Southeastern Louisiana University (the "*University*") located on immovable property owned by, or subject to the supervision and management of the Board of Supervisors for the University of Louisiana System (the "*Board*") in the City of Hammond, Parish of Tangipahoa, Louisiana, which Facilities have been leased to the Board on behalf of the University (collectively, the "*Project*"). The Series 2013 Bonds are being issued for the purpose of (i) refunding the Series 2004A Bonds and (ii) paying costs of issuance of the Series 2013 Bonds.

The Issuer and the Corporation have entered into a Loan and Assignment Agreement dated as of August 1, 2004 between the Authority and the Corporation (the "*Original Agreement*"), as supplemented by a First Supplemental Loan and Assignment Agreement dated as of November 1, 2013 between the Authority and the

Corporation (the "*Supplemental Agreement*" and, together with the Original Agreement, the "*Agreement*"), pursuant to which the Issuer will loan the proceeds from the sale of the Series 2013 Bonds to the Corporation for the foregoing purposes. Pursuant to the Agreement, the Corporation has agreed to make loan payments (the "*Payments*") solely from the Base Rental (as defined in the Agreement) sufficient to pay the principal of, premium, if any, and interest on the Series 2013 Bonds. The rights of the Issuer under the Agreement (except for the rights of the Issuer relating to exculpation, indemnification and payment of expenses thereunder) have been pledged and assigned by the Issuer to the Trustee as security for the Series 2013 Bonds.

The Board is leasing the land upon which the Facilities have been constructed to the Corporation pursuant to a Ground and Buildings Lease Agreement dated as of August 1, 2004 (the "*Original Ground Lease*"), as supplemented and amended by the First Amendment to Ground and Buildings Lease Agreement dated as of March 1, 2007 (the "*First Amendment to Ground Lease*"), as supplemented and amended by a Second Amendment to Ground and Buildings Lease Agreement dated as of June 12, 2012 (the "*Second Amendment to Ground Lease*"), as further supplemented and amended by a Third Supplemental Ground and Buildings Lease Agreement dated as of November 1, 2013 (the "*Third Supplemental Ground Lease*" and, together with the Original Ground Lease, the First Amendment to Ground Lease and the Second Amendment to Ground Lease, the "*Ground Lease*").

The Facilities have been leased by the Corporation to the Board pursuant to an Agreement to Lease with Option to Purchase dated as of August 1, 2004 (the "*Original Facilities Lease*"), as supplemented and amended by a First Amendment to Agreement to Lease with Option to Purchase dated as of March 1, 2007 (the "*First Amendment to Facilities Lease*"), as further supplemented and amended by a Second Amendment to Agreement to Lease with Option to Purchase dated as of June 12, 2012 (the "*Second Amendment to Facilities Lease*"), as further supplemented and amended by a Third Supplemental Agreement to Lease with Option to Purchase dated as of November 1, 2013 (the "*Third Supplemental Facilities Lease*" and, together with the Original Facilities Lease, the First Amendment to Facilities Lease and the Second Amendment to Facilities Lease, the "*Facilities Lease*").

The Series 2013 Bonds are also entitled to the benefits of the Mortgage and Security Agreement and Assignment of Leases and Rents dated as of August 13, 2004 by the Corporation in favor of the Trustee (the "*Mortgage*") executed by the Corporation in favor of the Trustee, pursuant to which the Corporation has mortgaged its leasehold interest in and to the Property (as defined in the Mortgage).

We have examined: (i) the constitution and statutes of the State, including the Act; (ii) a certified transcript of the proceedings of the Issuer authorizing the issuance of the Series 2013 Bonds; (iii) the Indenture, the Agreement, the Tax Regulatory Agreement and Arbitrage Certificate dated the date of delivery and payment for the Series 2013 Bonds among the Issuer, the Corporation, the Board and the Trustee (the "*Tax Agreement*"); and (iv) such other documents, instruments, proofs and matters of law as we have deemed relevant to the issuance of the Series 2013 Bonds and necessary for the purpose of this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Board and the Corporation contained in the Indenture, the Agreement and the Tax Agreement, the certified proceedings and other certifications of public officials and others furnished to us, including certifications furnished to us by or on behalf of the Issuer, the Corporation and the Board, without undertaking to verify the same by independent investigation.

On the basis of the foregoing examinations, we are of the opinion, as of the date hereof and under existing law, that:

1. The Issuer is a validly existing political subdivision of the State and has the power and authority to enter into the Agreement and the Indenture and to issue and sell the Series 2013 Bonds.
2. The Series 2013 Bonds are valid and binding special and limited obligations of the Issuer secured by and entitled to the benefits of the Indenture and are payable solely from the revenues and other amounts pledged and assigned under the Indenture.
3. The Supplemental Agreement and the Supplemental Indenture have been duly authorized, executed and delivered by the Issuer and constitute valid and binding obligations of the Issuer, enforceable upon the Issuer in accordance with their terms, and all rights of the Issuer under the Agreement have

been validly assigned to the Trustee under the Indenture, with the exception of certain rights of the Issuer relating to notice, exculpation, indemnification and payment of expenses.

4. The Series 2013 Bonds and interest thereon do not constitute an indebtedness or pledge of the general credit of the Issuer within the meaning of any State constitutional or statutory provision and will not constitute a general obligation or a charge against any other revenues of the Issuer.

5. Interest on the Series 2013 Bonds (including the amount of original issue discount properly allocable to the owner thereof) is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, for the purpose of computing the alternative minimum tax imposed on certain corporations, such interest is taken into account in determining adjusted current earnings.

6. Under the Act, the Series 2013 Bonds are exempt from all taxation by the State of Louisiana or any political subdivision thereof.

In rendering the opinions expressed in paragraph 5 above, we have relied upon the opinion of even date herewith of Seale & Ross, A Professional Law Corporation, Hammond, Louisiana, counsel to the Corporation that the Corporation is an organization that is exempt from the federal income tax under Code Section 501(c)(3). We have also relied upon such opinion with respect to (i) the due organization of the Corporation, (ii) the good standing of the Corporation in the State; (iii) the corporate power of the Corporation to enter into, and the due authorization, execution and delivery by the Corporation of, the Loan Agreement, the Ground Lease and the Facilities Lease, and the valid and binding effect thereof on the Corporation, and (iv) matters which might be disclosed as a result of an examination of the indentures, mortgages, deeds of trust, certifications of incorporation, by-laws, and other agreements or instruments to which the Corporation is a party or by which it or its properties are bound.

We have relied on representations of the Issuer, the Board and the Corporation with respect to matters solely within the knowledge of the Issuer, the Board and the Corporation, which we have not independently verified, and have assumed continuing compliance with the covenants in the Indenture, the Agreement and the Tax Agreement pertaining to those sections of the Code that affect the exclusion from gross income of interest on the Series 2013 Bonds for federal income tax purposes. In the event that such representations are determined to be inaccurate or incomplete or the Issuer, the Board or the Corporation fails to comply with the foregoing covenants, interest on the Series 2013 Bonds could be includable in gross income for federal income tax purposes from the date of their original delivery, regardless of the date on which the event causing such inclusion occurs.

The accrual or receipt of interest on the Series 2013 Bonds may otherwise affect the federal income tax liability of certain recipients. The extent of these other tax consequences will depend upon the recipient's particular tax status or other items of income or deduction. We express no opinion regarding any such consequences and investors should consult their tax advisors regarding the tax consequences of purchasing or holding the Series 2013 Bonds.

It is to be understood that the rights of the owners of the Series 2013 Bonds and the enforceability of the Series 2013 Bonds, the Indenture, the Agreement and the other documents enumerated above may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable, and that their enforcement may also be subject to the exercise of the sovereign police powers of the State or its governmental bodies and the exercise of judicial discretion in appropriate cases.

For purposes of this opinion, our services as bond counsel have not extended beyond the examinations and expressions of the conclusions referred to above. This opinion is given as of the date hereof and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in the law that may hereafter occur. Except as stated above, no opinion is expressed as to any federal or state tax consequences resulting from the ownership of, receipt of interest on, or disposition of, the Series 2013 Bonds.

Respectfully submitted,

The comparison should include a qualitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of such Financial Information, in order to provide information to investors to enable them to reevaluate the ability of the Board to meet its obligations. 5. **No Other Bonds.** There are no obligations heretofore issued or to be issued by or on behalf of any state, territory or possession of the United States, or any political subdivision of any of the foregoing, or of the District of Columbia, that were or will be sold: (i) within 15 days of the date of sale of the Series 2013 Bonds; (ii) pursuant to the same plan of financing as the Series 2013

Bonds; and (iii) are payable directly or indirectly by the Borrower or any related person or from the same source or sources from which the Series 2013 Bonds are payable.

6. Definitions. Unless the context otherwise requires, capitalized terms used herein shall have the meanings ascribed thereto in Exhibit A to this Tax Agreement. Any capitalized term not defined in Exhibit A to this Tax Agreement shall have the meaning ascribed thereto in Section 1.1 of the Indenture.

II. The Prior Bonds

1. Purpose for the Prior Bonds. The Prior Bonds were issued by the Issuer and the proceeds thereof loaned to the Corporation for the purpose of financing the cost of acquiring immovable property and financing the development, design, construction and equipping of new student housing facilities (the “*Facilities*”) for the University located on immovable property owned by, or subject to the supervision and management of the Board in the City of Hammond, Parish of Tangipahoa, Louisiana, which Facilities have been leased to the Board on behalf of the University.
2. Prior Bonds Not Refunding Bonds. None of the proceeds of the Prior Bonds has been used to currently refund or advance refund other bonds.
3. Unspent Proceeds of the Prior Bonds. Except for the balance in the Prior Bonds Project Fund in the amount of \$762,582.09, the balance in the Prior Bonds Debt Service Fund in the amount of \$1,116,134.38, and the balance in the Prior Bonds Debt Service Reserve Fund of \$3,765,837.50, all of which are expected to be transferred to the Series 2013 Bonds Escrow Fund, there are no unspent proceeds of the Prior Bonds.
4. Redemption of Prior Bonds. The Prior Bonds will be redeemed on the Redemption Date.

III. The Facilities; Private Use

1. General. The Authority, the Board and the Corporation recognize and acknowledge that, to ensure that the interest on the Series 2013 Bonds remains excludable from the gross income of the bondholders, the Series 2013 Bonds cannot be considered “private activity bonds.” To ensure that the Series 2013 Bonds are not considered private activity bonds, the Authority, the Board and the Corporation make the acknowledgments, representations, warranties and covenants as noted and contained in this Article III.
2. The Facilities. As more fully described in the Facilities Lease, the Facilities include residence halls constructed and renovated with the proceeds of the Prior Bonds.
3. Ownership of the Facilities.
 - a. Pursuant to the terms of the Ground and Buildings Lease Agreement dated as of August 1, 2004 (the “***Original Ground Lease***”), as supplemented and amended by the First Amendment to Ground and Buildings Lease Agreement dated as of March 1, 2007 (the “***First Amendment to Ground Lease***”), as supplemented and amended by a Second Amendment to Ground and Buildings Lease Agreement dated as of June 12, 2012 (the “***Second Amendment to Ground Lease***”), as further supplemented and amended by a Third Supplemental Ground and Buildings Lease Agreement dated as of November 1, 2013 (the “***Third Supplemental Ground Lease***” and, together with the Original Ground Lease, the First Amendment to Ground Lease and the Second Amendment to Ground Lease, the “***Ground Lease***”) each by and between the Board and the Corporation, the

Board has leased the land on which the Facilities have been constructed to the Corporation, and the Corporation has constructed the Facilities. The Board will own the Facilities throughout the term of the Series 2013 Bonds.

- b. Pursuant to the terms of an Agreement to Lease with Option to Purchase dated as of August 1, 2004 (the “***Original Facilities Lease***”), as supplemented and amended by a First Amendment to Agreement to Lease with Option to Purchase dated as of March 1, 2007 (the “***First Amendment to Facilities Lease***”), as further supplemented and amended by a Second Amendment to Agreement to Lease with Option to Purchase dated as of June 12, 2012 (the “***Second Amendment to Facilities Lease***”), as further supplemented and amended by a Third Supplemental Agreement to Lease with Option to Purchase dated as of November 1, 2013 (the “***Third Supplemental Facilities Lease***” and, together with the Original Facilities Lease, the First Amendment to Facilities Lease and the Second Amendment to Facilities Lease, the “***Facilities Lease***”) each by and between the Corporation and the Board, the Corporation has leased the completed Facilities back to the Board.
 - c. The Corporation has no substantial rights to use the Facilities except as set forth in the Facilities Lease. The Corporation will assign all of its right, title and interest in and to the Facilities Lease to the Issuer.
4. Contracts. The Corporation has disclosed to Bond Counsel all its contracts and agreements and those of the Board relating to the maintenance and operation of the Facilities on Exhibit D. Except for those contracts and agreements listed on Exhibit D, the Corporation represents that there are no contracts or agreements relating to the maintenance and operation of the Facilities and the Corporation does not expect to enter into any such contracts or agreements.
 5. Not Private Activity Bonds. The Board and the Corporation will not use the Facilities or cause the Facilities to be used in a manner that will result in the Series 2013 Bonds becoming “private activity bonds” within the meaning of Section 141 of the Code.
 - a. The Board and the Corporation acknowledge that the Series 2013 Bonds will be considered “private activity bonds” if more than 5% of the Facilities is used by a Private Person in a trade or business.
 - b. The Board and the Corporation acknowledge that in determining whether all or a portion of the Facilities is used, directly or indirectly, in the trade or business of a Private Person for purposes of the “private business use test” under Section 141(b)(1) of the Code, use of the Facilities or any portion thereof by a Private Person pursuant to any agreement, including any management or other service contract must be examined.
 - c. Except for Permitted Contracts the Board and the Corporation will not enter into any contract or agreement with respect to any portion of the Facilities without first disclosing such contract to the Authority.
 - d. None of the Authority, the Corporation nor the Board knows of any reason that the Facilities, or any part thereof, will not be used as described in this Tax Agreement in the absence of (i) supervening circumstances not anticipated by the Authority, the Corporation or the Board at the date of issue of the Series 2013 Bonds, (ii) adverse circumstances beyond their control or (iii) obsolescence of such insubstantial parts or portions thereof as may occur as a result of normal use thereof.

IV. General Tax Matters

1. Form 8038. To the best of the knowledge of the Authority, the Corporation and the Board, the information shown on IRS Form 8038 that is included in the transcript of proceedings relating to the issuance of the Series 2013 Bonds is true, accurate and complete.
2. No adverse actions. The Authority, the Corporation and the Board will not knowingly take or permit to be taken any action that would have the effect, directly or indirectly, of causing the interest on any of the Series 2013 Bonds to be included in the gross income of the holders thereof for federal income tax purposes.
3. Filings. The Authority will comply with and make all filings required by all effective rules, rulings or Regulations promulgated by the Department of Treasury or the IRS with respect to obligations described in Section 103 and Sections 141-150 of the Code.
4. Information Reporting. The Authority will comply with the information reporting requirements of Section 149(e)(2) of the Code.
5. Federal Guarantee. The Authority, the Corporation and Board will not cause the Series 2013 Bonds to be treated as “Federally Guaranteed Obligations” for purposes of Section 149(b) of the Code, as may be modified in any applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or IRS with respect to Federally Guaranteed Obligations described in Section 149(b) of the Code. Unless otherwise excepted under Section 149(b) of the Code, the Series 2013 Bonds will be considered federally guaranteed obligations if (i) the payment of principal and interest with respect to the Series 2013 Bonds is guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof), (ii) 5% or more of the Bond Proceeds is (A) to be used in making loans, the payment of principal or interest with respect to which is to be guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof) or (B) to be invested (directly or indirectly) in federally insured deposits or accounts or (iii) the payment of principal or interest on the Series 2013 Bonds is otherwise indirectly guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof). For purposes of determining whether the Series 2013 Bonds are federally guaranteed, a guarantee by the Federal Housing Administration, the Veterans Administration, the Federal National Mortgage Association, the Federal Home Loan Mortgage Insurance Corporation, the Government National Mortgage Association or the Resolution Funding Corporation is not considered a “federal guarantee”.
6. Not Hedge Bonds. The Corporation and the Trustee covenant that not more than fifty percent (50%) of the Bond Proceeds will be invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.
7. Payment of Costs of Issuance. The Authority reasonably expects that at least 95% of the Costs of Issuance will have been paid by the date that is 180 days after the Date of Issue.
8. Weighted Average Maturity of the Bonds and the Prior Bonds. The Underwriters have furnished a certificate, attached hereto as Exhibit E, which certifies that the weighted average maturity of the Prior Bonds is 10.331 years and that the weighted average maturity of the Series 2013 Bonds is 6.749 years.
9. Private Activity Bond Requirements Applicable to Qualified 501(c)(3) Bonds.

- a. At least 95% of the net sale proceeds of the Prior Bonds (as defined in Regulation 1.148-1(b)) were used to construct or acquire either land or property of a character subject to the allowance for depreciation under the Code, and substantially all amounts to be paid or incurred from the proceeds of the Prior Bonds are, for federal income tax purposes, chargeable to a capital account related to the Facilities or would be so chargeable either with a proper election by the Corporation (under Section 266 of the Code) or but for a proper election by the Corporation to deduct such amounts.
- b. None of the proceeds of the Prior Bonds were used directly or indirectly to provide residential rental property for family units.
- c. None of the proceeds of the Prior Bonds were used to provide a facility the primary purpose of which is retail food and beverage services, automobile sales or service, or the provision of recreation or entertainment and no portion of the proceeds of the Prior Bonds were used to provide any private or commercial golf course, country club, massage parlor, tennis club, skating facility (including roller skating, skateboard and ice skating), racquet sports facility (including any handball or racquetball court), hot tub facility, suntan facility, or racetrack. Furthermore, no portion of the proceeds of the Prior Bonds will be used to provide any: airplane; skybox or other private luxury box; health club facility; facility primarily used for gambling; or store the principal business of which is the sale of alcoholic beverages for consumption off premises.
- d. No more than 2% of the proceeds of the Series 2013 Bonds will be used to pay Costs of Issuance of the Series 2013 Bonds.
- e. As required by Section 147(f) of the Code, the Series 2013 Bonds and the Facilities were the subject of public hearings held July 21, 2004, which were preceded by reasonable public notice, and were subsequently approved by the Louisiana Attorney General.

V. 501(c)(3) Status of the Corporation

1. General. The Corporation recognizes that the Corporation must be an organization described in Code section 501(c)(3) in order for the interest on the Series 2013 Bonds to be and remain excludable from the gross income of the bondholders.
2. Representations, warranties and covenants of the Corporation. The Corporation hereby represents, warrants and covenants that:
 - a. The Corporation has received a written determination from the Internal Revenue Service that the Corporation is described in Code section 501(c)(3) and not a private foundation as defined in Code section 509(a) (the “***Corporation Determination Letter***”). The Corporation Determination Letter is attached hereto as Exhibit G.
 - b. The Corporation Determination Letter has not been modified, limited or revoked and the Corporation is in compliance with all terms, conditions and limitations, in any, contained in the letter.
 - c. The facts and circumstances that form the basis of the Corporation Determination Letter as represented to the Internal Revenue Service (the “***IRS***”) continue to exist and no material facts or circumstances have arisen that could affect the validity of the

Corporation Determination Letter.

- d. Throughout the term of the Series 2013 Bonds, the Corporation shall do, or cause to be done, all things necessary to continue to be a non-profit corporation, duly organized and existing under the laws of the State.
- e. Throughout the term of the Series 2013 Bonds, the Corporation shall do, or cause to be done, all things necessary to continue to be classified as an organization described in Code section 501(c)(3) that is not a private foundation as defined in Code section 509(a).
- f. The Corporation's ownership and operation of the Facilities is substantially related to and in furtherance of the Corporation's Exempt Purpose.
- g. The Corporation will not knowingly perform any act or knowingly enter into any agreement that adversely affects the federal income tax status of the Corporation or the Corporation, including its status as an organization described in Section 501(c)(3) of the Code, and shall conduct its operations in a manner that will conform to the standards necessary to continue to qualify the Corporation as an organization described in Section 501(c)(3) of the Code or any successor provision of federal income tax law.
- h. The Corporation does not expect to perform any act, or enter into any agreement or transaction that would result in it no longer being an organization described in Section 501(c)(3) of the Code. To that end, the Corporation hereby covenants that it will follow all applicable rulings and procedures outlined by the Regulations relating to organizations described in Section 501(c)(3) of the Code.

VI. Yield on the Series 2013 Bonds

- 1. Generally. For purposes of this Tax Agreement, Yield is calculated as set forth in Section 148(b) of the Code and Treasury Regulations §§1.148-4 and 1.148-5. The Yield on the Series 2013 Bonds will be determined on an aggregate basis by treating all payments of principal and interest with respect to the Series 2013 Bonds as if paid with respect to a single obligation issued on the Closing Date for an amount equal to the issue price of the Series 2013 Bonds. For purposes of this Tax Agreement, Yield shall be calculated on a 360-day year basis with interest compounded semi-annually.
- 2. Issue Price.
 - a. Under Section 1.148-1(b) of the Treasury Regulations, the "issue price" of the Series 2013 Bonds is the first price at which a substantial amount of the Series 2013 Bonds is sold to the public. For this purpose, the term "public" does not include bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters or wholesalers.
 - b. The Underwriters have furnished a certificate, attached hereto as Exhibit E, which certifies (1) that all of the Series 2013 Bonds have been the subject of an initial bona fide offering to the public (exclusive of bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers) at prices equal to those amounts set forth on Exhibit E, (2) that such initial offering prices were established by a bona fide bid without regard to any amounts that would increase the Yield on any maturity of the Series 2013 Bonds above their market Yields, and (3) as to the prices (exclusive of accrued interest)

at which a substantial amount of each maturity of Series 2013 Bonds were sold to the public (exclusive of bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers). Based on past financing practices, the Authority believes that the initial offering price of the Series 2013 Bonds is reasonable under customary standards applicable in the established tax-exempt market.

- c. By reference to the Underwriters' certificate, the issue price of the Series 2013 Bonds is \$44,224,138.35, computed as follows:

| | |
|----------------------------------|-------------------------|
| Par Amount of Bonds | \$ 40,910,000.00 |
| Plus: Net Original Issue Premium | <u>3,314,138.35</u> |
| Issue Price | <u>\$ 44,224,138.35</u> |

3. Yield on the Series 2013 Bonds. The Underwriters have shown on Exhibit F that the Yield on the Series 2013 Bonds, calculated in accordance with the rules described above, is 3.1293%.

VII. Arbitrage

1. General. The Corporation is given the right under section 4.10 of the Indenture to direct the investment of Bond Proceeds while held in the funds and accounts established under the Indenture. The Corporation acknowledges that the continued exclusion of interest on the Series 2013 Bonds from gross income of the recipients thereof for purposes of federal income taxation depends, in part, upon compliance with the arbitrage limitations imposed by Section 148 of the Code. The Corporation hereby agrees and covenants that it shall not permit at any time or times any of the Bond Proceeds to be used in a manner that would cause the Series 2013 Bonds to be "arbitrage bonds" for purposes of Section 148 of the Code. The Corporation further agrees and covenants that it shall do and perform all acts and things necessary to ensure that the requirements of Section 148 of the Code are met.
2. Reasonable Expectations. This Article VII sets forth the reasonable expectations, statement of facts and representations of the Authority, the Board and the Corporation with respect to the amount, use and investment of the proceeds of the Series 2013 Bonds.
3. Funds and Accounts. The only funds and accounts relating to the Series 2013 Bonds are those listed below.
 - a. The following funds and accounts are created under the Indenture and maintained with the Trustee:
 1. Series 2013 Bond Proceeds Fund and a Series 2013 Costs of Issuance Account therein;
 2. Series 2013 Debt Service Fund, containing:
 - (1) Interest Account; and
 - (2) Principal Account;
 3. Series 2013 Debt Service Reserve Fund;
 4. Replacement Fund;
 5. Receipts Fund;
 6. Surplus Fund; and
 7. Series 2013 Rebate Fund.

- b. Pursuant to the Escrow Deposit Agreement dated as of November 1, 2013 (the “*Escrow Agreement*”) by and between the Issuer and The Bank of New York Mellon Trust Company, N.A. (the “*Escrow Agent*”), an Escrow Fund is created and held by the Escrow Agent.
4. Description of Funds. Under the terms of the Indenture, the funds listed above will be used as follows:
- a. *The Series 2013 Bond Proceeds Fund.* The Series 2013 Bond Proceeds Fund shall be used to receive the proceeds of the Series 2013 Bonds, a transfer from the Prior Bonds Debt Service Reserve Fund in the amount of \$3,765,837.50, a transfer from the Prior Bonds Debt Service Fund in the amount of \$1,116,134.38, a transfer from the Prior Bonds Project Fund in the amount of \$762,582.09, and a contribution from the Board of \$7,500,000 (the “*Board Contribution*”). On the Closing Date, the Trustee shall disburse amounts held in the Series 2013 Bond Proceeds Fund as follows: (i) to retain a portion of the Board Contribution in the Series 2013 Costs of Issuance Account as may be specified in the request and authorizations delivered pursuant to the Indenture, (ii) to transfer a portion of the Board Contribution to the Series 2013 Debt Service Reserve Fund, and (iii) to the Escrow Fund the balance of the proceeds of the Series 2013 Bonds, the transfer from the Prior Bonds Debt Service Reserve Fund, the transfer from the Prior Bonds Debt Service Fund, the transfer from the Prior Bonds Project Fund, and the balance of the Board Contribution.
- b. *The Series 2013 Debt Service Fund; Interest Account and Principal Account.* The Series 2013 Debt Service Fund is comprised of an Interest Account and a Principal Account, which shall be used for the following purposes:
- (1) The Interest Account. On the twenty-fifth (25th) day of each month, commencing November 25, 2013, the Authority shall transfer or cause to be transferred into the Interest Account of the Series 2013 Debt Service Fund an amount equal to one-third (1/3rd) of the interest due and payable on the Series 2013 Bonds on February 1, 2014 and thereafter, on the 25th day of each month, commencing February 25, 2014, an amount equal to one-sixth (1/6th) of the interest due and payable on the Series 2013 Bonds on the next February 1 and August 1 or such lesser amount that, together with amounts already on deposit in the Interest Account of the Series 2013 Debt Service Fund, will be sufficient to pay interest on the Series 2013 Bonds on such Interest Payment Date
 - (2) The Principal Account. On the twenty-fifth (25th) day of each month, commencing November 25, 2013, the Authority shall transfer or cause to be transferred into the Principal Account of the Series 2013 Debt Service Fund an amount equal to one-ninth (1/9th) of the principal of the Series 2013 Bonds payable on August 1, 2014 and thereafter, on the 25th day of each month, commencing August 25, 2014, an amount equal to one-twelfth (1/12th) of the principal of the Series 2013 Bonds payable on the next Principal Payment Date.

In the event of the refunding of the Series 2013 Bonds pursuant to Section 5.2 of the Indenture, the Trustee will, if the Corporation so directs, withdraw from the Series 2013 Debt Service Fund all, or any portion of, the amounts accumulated therein with respect to Debt Service Requirements on the Series 2013 Bonds being refunded and deposit such amounts with the Trustee to be held for the

payment the principal or Redemption Price, if applicable, and interest on the Series 2013 Bonds being refunded; provided that such withdrawal will not be made unless immediately thereafter the Series 2013 Bonds being refunded will be deemed to have been paid pursuant to the Indenture. In the event of such refunding, the Authority, through the Corporation and the Board, may also direct the Trustee to withdraw from the Series 2013 Debt Service Fund all, or any portion of, the amounts accumulated therein with respect to Debt Service Requirements on the Series 2013 Bonds being refunded and deposit such amounts in any Fund or Account under the Indenture; provided, however, that such withdrawal will not be made unless immediately thereafter the Series 2013 Bonds being refunded will be deemed to have been paid pursuant to the Indenture and provided, further, that at the time of such withdrawal, there will exist no deficiency in any Fund or Account held under the Indenture.

c. *The Series 2013 Debt Service Reserve Fund.*

- (1) The Series 2013 Debt Service Reserve Fund shall be funded on the date of delivery of the Series 2013 Bonds in an amount equal to the Series 2013 Debt Service Reserve Fund Requirement.
- (2) The Trustee shall transfer money from the Series 2013 Debt Service Reserve Fund to the Interest Account and the Principal Account of the Series 2013 Debt Service Fund to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2013 Bonds, whenever and to the extent that the money on deposit in said accounts (together with any amounts available therefor in the Surplus Fund and the Replacement Fund) is insufficient for such purposes.
- (3) If the money held in the Series 2013 Debt Service Reserve Fund, including interest earnings, exceeds the Series 2013 Debt Service Reserve Fund Requirement an amount equal to such excess shall be transferred by the Trustee to the Interest Account of the Series 2013 Debt Service Fund. The Trustee shall not be required to liquidate any investment before its maturity to make such transfer. Whenever the amount on deposit in the Series 2013 Debt Service Reserve Fund is less than the Series 2013 Debt Service Reserve Fund Requirement, the Trustee shall notify the Authority and the Corporation of the amount of such deficiency and such deficiency will be remedied, as provided in Section 4.6(h) hereof. Upon notification the Corporation shall deliver to the Trustee an amount sufficient to cure the deficiency in accordance herewith and the Agreement.
- (4) The Authority may, at the direction of the Corporation, as advised by the Board, at any time, deposit with the Trustee, to replace cash in the Series 2013 Debt Service Reserve Fund (in which case the replaced cash shall be paid to the University) or to meet the requirements herein that it deposit additional amounts in the Series 2013 Debt Service Reserve Fund, a Debt Service Reserve Fund Investment. Any bank issuing a letter of credit must have a rating on its unsecured debt, or on debt secured by its letters of credit and which ratings are based solely on the bank's letter of credit, of "AA-" or better by S&P and "Aa3" or better by Moody's. Any insurance company issuing a surety bond must have a claims-paying ability rating of "AAA" by S&P and "Aaa" by Moody's. If such

Debt Service Reserve Fund Investment expires prior to fifteen (15) days after the final maturity of the Series 2013 Bonds, it must provide, that if not renewed within fifteen (15) days prior to its expiration date in an amount equal to the undrawn amount thereof (other than because of a reduction in the Series 2013 Debt Service Reserve Fund Requirement or the deposit of cash in the Series 2013 Debt Service Reserve Fund to replace it), the Trustee may draw the full amount of such Series 2013 Debt Service Reserve Fund Investment. The Trustee shall draw down the full amount of such Debt Service Reserve Fund Investment and deposit such amount in the Series 2013 Debt Service Reserve Fund fifteen (15) days prior to expiration of such Debt Service Reserve Fund Investment if it is not renewed as provided for in the preceding sentence. The Debt Service Reserve Fund Investment must be able to be drawn upon at any time that cash could be withdrawn from the Series 2013 Debt Service Reserve Fund. Prior to accepting any such Debt Service Reserve Fund Investment, the Trustee, the Corporation, the Board and the Authority must receive a Bond Counsel opinion that such acceptance and any payment of funds in the Debt Service Reserve Fund to the Corporation is authorized by this Indenture and will not adversely affect the exclusion of interest on the Series 2013 Bonds. If a Debt Service Reserve Fund Investment is deposited in the Series 2013 Debt Service Reserve Fund in lieu of cash, the cash amount contained in the Series 2013 Debt Service Reserve Fund shall be transferred to the Replacement Fund.

- (5) If a disbursement is made under a surety bond deposited in the Series 2013 Debt Service Reserve Fund, the Corporation shall be obligated to either reinstate the maximum limits of such surety bond immediately following such disbursement in twelve (12) equal monthly installments or as required by the Authority of the Debt Service Reserve Fund Investment in an amount equal to the Series 2013 Debt Service Reserve Fund Requirement or deposit into the Series 2013 Debt Service Reserve Fund funds in the amount of the disbursement made under the Debt Service Reserve Fund Investment, or a combination of such alternatives as shall equal the Series 2013 Debt Service Reserve Fund Requirement.

d. *The Replacement Fund.*

- (1) All moneys in the Replacement Fund shall be held for the benefit of the Board through the Corporation, are not pledged under the Indenture and may be drawn on and used by the Corporation or the Board to (i) replace any worn out, obsolete, inadequate, unsuitable or undesirable property, furniture, equipment, fixtures and other property owned by the Board or the Corporation and located on the Facilities and (ii) maintain the Facilities and to make all alterations, repairs, restorations and replacements to the Facilities as and when needed to preserve the Facilities in good working order, condition and repair, each as required by the Facilities Lease. Withdrawals from the Replacement Fund for the purposes set forth above shall be made by the Trustee upon its receipt of a requisition from the University or the Corporation substantially in the form attached to the Original Indenture. Moneys in the Replacement Fund may also be drawn by the Trustee and transferred to the Series 2013 Debt Service Fund if amounts on deposit therein, together with amounts available therefor in the Surplus Fund, are insufficient to pay debt service on the the Series 2013 Bonds on any Interest Payment Date or Principal Payment Date.

- (2) Any moneys remaining in the Replacement Fund immediately prior to the time all of the Series 2013 Bonds are paid, or provision for their payment is made in accordance with the Indenture shall, at the option of the University, be used, together with amounts held in the Series 2013 Debt Service Reserve Fund, to pay in full all outstanding Series 2013 Bonds in accordance with their terms or shall be paid to the University.
- e. *The Receipts Fund.* In the event that the Facilities Lease is no longer in effect and the revenues of the Facilities cease to be Auxiliary Revenues (as defined in the Facilities Lease), the Trustee shall create a Revenue Fund into which the revenues of the Facilities shall be deposited.
- f. *The Surplus Fund.* Funds on deposit in the Surplus Fund at the end of any Fiscal Year may be transferred to the University on the date described below if (i) the Debt Service Coverage Ratio for the Facilities was 1.10:1.00 or greater for such Fiscal Year as evidenced by the audited financial statements for such Fiscal Year and (ii) neither the Corporation or the Board are in default under the financing documents on the date of transfer to the University. Upon receipt of the audited financial statements for such Fiscal Year, provided that the above described conditions have been met, then at the written instruction of the University Representative, the Trustee shall transfer all of the amounts in the Surplus Fund on the last day of the immediately preceding Fiscal Year to the University.

To the extent that there are insufficient funds in the Receipts Fund to make any of the transfers to the various funds and accounts required by the Indenture on the dates such transfers are required to be made, any amounts contained in the Surplus Fund shall be transferred to such funds and accounts, in the priority set forth in the Indenture, to make up for such deficiency.

- g. *The Rebate Fund.* The Rebate Fund will be used to make all rebate payments owed to the United States under the Code in accordance with the provisions of Article VIII of this Tax Agreement.
5. No other sinking or pledge fund. Except for the Escrow Fund, the Series 2013 Debt Service Fund and the Series 2013 Debt Service Reserve Fund, there are no funds or accounts comprised of securities (within the meaning of Section 165(g)(2)(A) or (B) of the Code), obligations, annuity contracts or investment-type property, established by or on behalf of the Authority, the Board or Corporation, that are reasonably expected to be used or generate earnings to be used to pay Debt Service on the Series 2013 Bonds or that are reserved or pledged as collateral for payment of Debt Service on the Series 2013 Bonds and for which there is reasonable assurance that amounts therein will be available to pay such Debt Service if the Board or the Corporation encounters financial difficulties; therefore, there is no other fund created or established or to be created or established that would be treated as a sinking fund in connection with the Series 2013 Bonds.
6. No Replacement Funds.
- a. Except for amounts in the Escrow Fund, the Series 2013 Debt Service Fund and the Series 2013 Debt Service Reserve Fund, neither the Authority, the Board nor the Corporation expects to have on hand any property, including cash and securities, that is legally required or otherwise restricted (no matter where held or the source thereof) to be

used, directly or indirectly, for the purposes for which the Series 2013 Bonds are being issued.

- b. No portion of the Bond Proceeds will be used as a substitute for other funds that were otherwise to be used as a source of financing for the Facilities or for the payment of Debt Service on the Series 2013 Bonds and that have been or will be used to acquire directly or indirectly securities producing a Yield in excess of the Yield on the Series 2013 Bonds.
- c. The term of the Series 2013 Bonds is no longer than is reasonably necessary for the purposes of the Series 2013 Bonds.

7. Use of Bond Proceeds. This section sets forth the reasonable expectations of the Authority with respect to the use of the Bond Proceeds from the Series 2013 Bonds.

- a. On the basis of the facts, estimates and circumstances in existence on the date hereof, the Authority reasonably expects that the proceeds derived from the sale of the Series 2013 Bonds will be equal to \$44,224,138.35, that the Underwriters will retain \$296,597.50 as underwriter's discount, and that the Authority will receive \$43,927,540.85 (for purposes of this subsection, the "***Bond Proceeds***").
- b. The Bond Proceeds, a transfer from the Prior Bonds Debt Service Reserve Fund in the amount of \$3,765,837.50 (the "***Prior Bonds Debt Service Reserve Fund Transfer***"), a transfer from the Prior Bonds Debt Service Fund in the amount of \$1,116,134.38 (the "***Prior Bonds Debt Service Fund Transfer***"), a transfer from the Prior Bonds Project Fund in the amount of \$762,582.00 (the "***Prior Bonds Project Fund Transfer***"), together with the Prior Bonds Debt Service Reserve Fund Transfer and the Prior Bonds Debt Service Fund Transfer, the "***Prior Bonds Transfer***") and a contribution from the Board in the amount of \$7,500,000.00 (the "***Board Contribution***") are expected to be needed and fully expended as follows:
 - (1) \$326,536.64 of the Board Contribution will be retained in the Series 2013 Cost of Issuance Account of the Series 2013 Bond Proceeds Fund to pay the Costs of Issuance of the Series 2013 Bonds;
 - (2) \$2,045,500.00 of the Board Contribution will be deposited into the Series 2013 Debt Service Reserve Fund; and
 - (3) the balance of the Board Contribution, the Prior Bonds Transfer, and the Bond Proceeds will be deposited into the Escrow Fund.

8. Investment and Disposition of amounts in Funds.

- a. *General Rule.* No Nonpurpose Investment may be acquired with Gross Proceeds for an amount (including transaction costs, except as otherwise provided in §1.148-5(e) of the Regulations) in excess of the Fair Market Value of such Nonpurpose Investment. No Nonpurpose Investment may be sold or otherwise disposed of for an amount (including transaction costs, except as otherwise provided in §1.148-5(e) of the Treasury Regulations) less than the Fair Market Value of the Nonpurpose Investment.
- b. *Fair Market Value.* In general, the Fair Market Value of any Nonpurpose Investment is the price at which a willing buyer would pay to a willing seller to acquire the Nonpurpose

Investment, with no amounts paid to artificially reduce or increase the Yield on such Nonpurpose Investment. Exhibit C to this Tax Agreement sets forth certain safe harbors for determining Fair Market Value. Other methods may be used to establish Fair Market Value, provided, however, that such methods comply with the requirements of §1.148-5(d)(6) of the Regulations.

- c. *Arm's Length Purchase and Sale.* If a Nonpurpose Investment is acquired pursuant to an arm's length transaction without regard to any amount paid to reduce the Yield on the Nonpurpose Investment, the Fair Market Value of the Nonpurpose Investment shall be the amount paid for the Nonpurpose Investment (without increase for transaction costs, except as otherwise provided in §1.148-5(e) of the Regulations). If a Nonpurpose Investment is sold or otherwise disposed of in an arm's length transaction without regard to any reduction in the disposition price to reduce the Rebate Amount, the Fair Market Value of the Nonpurpose Investment shall be the amount realized from the sale or other disposition of the Nonpurpose Investment (without reduction for transaction costs, except as otherwise provided in §1.148-5(e) of the Regulations).
- d. *Broker Compensation.* For purposes of computing the Yield on any Nonpurpose Investment which has been acquired through a broker or other intermediary obtaining bids for such Nonpurpose Investment, any compensation that is received by such broker or other intermediary, whether payable by or on behalf of the obligor or obligee under such Nonpurpose Investment, shall be treated as set forth in Regulations §1.148-5(e). Any broker or other intermediary compensation with respect to an investment contract that exceeds the lesser of a reasonable fee and 0.05 percent of the amount reasonably expected to be invested per year will be treated as additional earnings to the Authority and the Corporation.

9. Expectations with regard to Certain Funds.

a. *The Series 2013 Debt Service Fund.*

- (1) The Series 2013 Debt Service Fund (including the Interest Account and the Principal Account) is used primarily to achieve a proper matching of revenues and debt service within each Bond Year. The Debt Service Fund will be depleted at least once annually except for a reasonable carryover amount not in excess of the greater of (A) the earnings on the Debt Service Fund for the immediately preceding Bond Year or (B) 1/12th of the principal and interest payments on the Series 2013 Bonds for the immediately preceding Bond Year.
- (2) Amounts deposited in the Debt Service Fund will be spent within thirteen months after the date of such deposit, and any investment earnings (net of losses) received from the investment or reinvestment of moneys held in such funds will be expended within one year after the date of accumulation thereof in the fund.

- b. *The Series 2013 Debt Service Reserve Fund.* The Series 2013 Debt Service Reserve Fund will be used only as a reserve for the payment of principal or interest on the Series 2013 Bonds in the event that no other moneys are available therefor. The total amount held in the Series 2013 Debt Service Reserve Fund at any time will not exceed the Debt Service Reserve Requirement.

10. Restrictions on Investments of Amounts in Funds.

- a. *The Escrow Fund.* Amounts deposited in the Escrow Fund may not be invested at a Yield in excess of the Yield on the Series 2013 Bonds. The amounts deposited in the Escrow Fund will be invested in United States Treasury Securities – State and Local Government Series (“SLGS”) or any other direct obligations of the United States of America (collectively, the “Government Obligations”) with Yields that do not exceed the Yield on the Series 2013 Bonds until the Redemption Date.
- b. *The Series 2013 Debt Service Fund.* Except as otherwise provided in this section, amounts deposited in the Series 2013 Debt Service Fund may be invested without regard to investment Yield limitations for a period not exceeding thirteen months from the date of the first deposit of such amounts in the Series 2013 Debt Service Fund. Such amounts are not subject to the rebate requirement described in Article VIII hereof. To the extent that amounts deposited in the Series 2013 Debt Service Fund are not spent as provided in Section VII.9.b of this Tax Agreement, such amounts may not be invested in obligations which bear a Yield in excess of .125% above the Yield on the Series 2013 Bonds.
- c. *The Series 2013 Debt Service Reserve Fund.* Amounts deposited into the Series 2013 Debt Service Reserve Fund may be invested without regard to investment Yield. Investment earnings on amounts held in the Series 2013 Debt Service Reserve Fund are subject to the rebate requirement described in Article VIII.
- d. *The Rebate Fund.* Amounts deposited into the Rebate Fund and the Receipts Fund (prior to their transfer out of the Receipts Fund) may be invested without regard to investment Yield limitations. Investment earnings on amounts held in these Funds are not subject to the rebate requirement described in Article VIII hereof.
- e. *Investment Earnings.* Investment earnings on moneys in the Project Fund and Capitalized Interest Fund may be invested without regard to investment Yield for a period not to exceed the later of (i) three years from the date hereof or (ii) one year from the date of receipt of such investment earnings. Investment earnings on amounts in the Debt Service Fund may be invested without regard to investment Yield limitations for a period of one year from the date of receipt of such investment earnings. All such earnings are subject to the rebate requirement described in Article VIII hereof. Investment earnings on amounts in the Maintenance Reserve Fund may not be invested in obligations which bear a Yield in excess of .125% of the Yield on the Series 2013 Bonds. Investment earnings on amounts in the Rebate Fund may be invested without regard to investment Yield limitations.
- f. *Investment Restrictions.* Unless otherwise authorized by Bond Counsel, any amounts that are required to be invested in obligations which bear a Yield not in excess of .125% above the Yield on the Series 2013 Bonds shall be invested in either (i) Tax-Exempt Obligations, or (ii) Nonpurpose Investments with a Yield not exceeding .125% above the Yield on the Series 2013 Bonds.
- g. *No Abusive Arbitrage Device.* The Series 2013 Bonds are not and will not be part of a transaction or series of transactions that (i) attempts to circumvent the provisions of Section 148 of the Code and related regulations, enabling the Authority, the Corporation or any other person to exploit the difference between tax-exempt and taxable interest

rates to gain a material financial advantage, or (ii) increases the burden on the market for tax-exempt obligations in any manner, including, without limitation, selling bonds that would not otherwise be sold, or selling more bonds, or issuing them sooner, or allowing them to remain outstanding longer, than would otherwise be necessary.

VIII. Rebate

1. General. The Board and the Corporation acknowledge that the continued exclusion of interest on the Series 2013 Bonds from gross income of the recipients thereof for purposes of federal income taxation depends, in part, upon compliance with rebate requirement described in this section. To that end, the Board and the Corporation covenant to comply with the requirements of the Code relating to the rebate requirement as discussed in this Article VIII. The Board and the Corporation acknowledge that the United States Department of the Treasury has issued regulations with respect to certain of these undertakings, including the proper method for computing whether any rebate amount is due the federal government under Section 148(f) of the Code. The Board and the Corporation covenant that they will undertake to determine what is required with respect to the rebate provisions contained in Section 148(f) of the Code and the regulations promulgated thereunder and will comply with any requirements that may be applicable to the Series 2013 Bonds. Except to the extent inconsistent with any requirements of the Code or the regulations, the Board and/or the Corporation will undertake the methodology described in this Tax Agreement.
2. The Rebate Fund. There is created under the Indenture the Rebate Fund held by the Trustee. The Authority and the Corporation have agreed to keep the Rebate Fund separate and apart from all other funds and moneys held by any of the Authority, the Corporation and the Trustee.
3. Record Keeping. The Corporation shall maintain, or cause the Trustee to maintain, detailed records with respect to each Nonpurpose Investment attributable to Gross Proceeds of the Series 2013 Bonds, including: (i) purchase price; (ii) information establishing Fair Market Value on the date such investment became a Nonpurpose Investment; (iii) any accrued interest due on its purchase date; (iv) face amount; (v) coupon rate; (vi) frequency of interest payments; (vii) disposition price; (viii) accrued interest due on its disposition date; and (ix) disposition date. These records are required to facilitate the calculation of the Rebate Amount.
4. Rebate Amount Calculation and Payment.
 - a. The Corporation will prepare, or cause to be prepared, a calculation of the Rebate Amount within 45 days after each Computation Date.
 - b. On or before 45 days following each Computation Date, the Corporation shall pay to and deposit in the Rebate Fund an amount such that the balance held in the Rebate Fund equals the aggregate Rebate Amount due as of the Rebate Payment Date following such Computation Date.
 - c. Not later than 60 days after each Installment Computation Date, the Corporation shall pay, or direct the Trustee to pay, to the United States, 90% of the Rebate Amount. The Corporation shall pay, or direct the Trustee to pay, to the United States, not later than 60 days after the Final Computation Date, 100% of the Rebate Amount.
 - d. Each payment required to be made hereto shall be mailed to the Internal Revenue Service Center, Ogden, Utah 84201. Each payment shall be accompanied by: (i) a copy of IRS Form 8038-T; (ii) the CUSIP number for the Bond with the latest maturity; and (iii) a

statement summarizing the determination of the Rebate Amount. If such payment is made by the Corporation, the Corporation shall provide the Trustee with evidence of such payment and copies of the accompanying materials required by this subsection. If such payment is to be made by the Trustee, the Corporation shall furnish to the Trustee the materials required by this subsection.

5. Record Retention. In connection with the calculation of the Rebate Amount, the Trustee shall maintain the following records:

- a. The Trustee shall record all amounts paid to the United States pursuant to this Article. The Trustee shall furnish to the Authority and the Corporation copies of any materials filed with the IRS pertaining thereto and shall provide the Authority and the Corporation with all records in its possession that the Authority, the Corporation or the Rebate Analyst may request relating to the calculation of any Rebate Amount.
- b. The Trustee or the Corporation shall retain records of the rebate calculations until six (6) years after the Final Computation Date.
- c. The Trustee shall keep and record the data described in Section VIII.3 herein pertaining to the investments of the Bond Proceeds.

6. Rebate Analyst.

- a. A Rebate Analyst shall be appointed by the Corporation and retained by the Trustee to perform the rebate calculations required herein. The Rebate Analyst and each successor Rebate Analyst shall signify its acceptance of the duties imposed upon it hereunder by a written instrument of acceptance delivered to the Authority, the Corporation and the Trustee under which such Rebate Analyst will agree to discharge its duties pursuant to this Tax Agreement in a manner consistent with prudent industry practice. In lieu of the appointment of another party as Rebate Analyst, the Corporation and the Trustee may agree to have the Trustee serve as the Rebate Analyst hereunder.
- b. The Trustee and the Authority may rely conclusively upon and shall be fully protected from all liability in relying upon the opinions, calculations, determination, directions and advice of the Rebate Analyst. The charges and fees for such Rebate Analyst shall be paid by the Corporation upon presentation of an invoice for services rendered in connection therewith.

7. Spending Exceptions from Rebate Requirement. Section 148(f)(4) of the Code and Section 1.148-7 of the Regulations provide for spending exceptions to the rebate requirement. These exceptions are the six-month exception, the eighteen-month exception, and the two-year exception. To the extent that Gross Proceeds of the Series 2013 Bonds are determined to have been allocated to expenditures in a manner which satisfies any of the spending exceptions, investment earnings allocable to such Proceeds need not be rebated to the United States.

IX. Miscellaneous

1. Term. This Tax Agreement shall be effective from the date of issuance of the Series 2013 Bonds through the date six (6) years after the Final Computation Date and will be effective at all times while the Series 2013 Bonds are outstanding.

2. Amendments. Notwithstanding any other provision hereof, any provision of this Tax Agreement may be amended or waived by an instrument in writing executed by the Authority, the Board, the Corporation and the Trustee, provided that there first shall have been provided to the Trustee a written opinion of Bond Counsel, in form and substance satisfactory to the Trustee and the Authority, that such amendment or waiver will not adversely affect the exclusion of interest on the Series 2013 Bonds from the gross income of the recipients thereof for purposes of federal income taxation.
3. Default; Remedies.
 - a. The failure of any party to this Tax Agreement to perform any of its required duties under any provision hereof shall constitute an event of default under this Tax Agreement.
 - b. Upon an occurrence of an event of default, the Authority or the Trustee may, in their discretion, proceed to protect and enforce their rights and the rights of the owners of the Series 2013 Bonds by pursuing any available remedy under and in accordance with the Indenture and the Loan Agreement, in addition to pursuing any other available remedy, including, but not limited to, a suit at law or in equity.
4. Post Issuance Tax Compliance. The Corporation acknowledges that the Issuer has established written procedures intended to monitor the requirements of Section 148 of the Code. The Corporation acknowledges that the Issuer's Post Issuance Tax-Exempt Debt Compliance Policies dated August 8, 2013 are attached to this Tax Agreement as Exhibit H. The Corporation covenants that it will comply with such policies of the Issuer and the responsibilities imposed upon conduit borrowers described in such policies to the extent such policies are applicable to the Bonds.

In addition to the words defined in this Tax Agreement and the Indenture, the following terms shall have the following meanings as used herein, unless the context requires a different meaning. “Fair Market Value” shall have the meaning set forth in Section VII.8.b and Exhibit C to this Tax Agreement.

“Final Computation Date” means the date the last Bond is Discharged.

“Future Value” means the Value of a Receipt or Payment at the end of any interval as determined by using the Economic Accrual Method and equals the Value of that Payment or Receipt when it is paid or received (or treated as paid or received), plus interest assumed to be earned and compounded over a period at a rate equal to the Yield on the Series 2013 Bonds, using the same compounding interval and financial conventions used to compute Bond Yield.

“Gross Proceeds” means any Proceeds or Replacement Proceeds of the Series 2013 Bonds.

“Payments” means, for purposes of computing the Rebate Amount: (i) amounts actually or constructively paid to acquire a Nonpurpose Investment (or treated as paid to a commingled fund); (ii) for a Nonpurpose Investment that is allocated to an issue on a date after it is actually acquired (e.g., an Investment that becomes allocable to Transferred Proceeds or to Replacement Proceeds) or that becomes subject to the rebate requirement of the Code on a date after it is actually acquired (e.g., an Investment allocated to a reasonably required reserve or replacement fund for a construction issue at the end of the two-year spending period), the Value of that Investment on that date; (iii) for a Nonpurpose Investment that was allocated to an issue at the end of the preceding computation period, the Value of that Investment at the beginning of the computation period; (iv) on the last day of each Bond Year during which there are amounts allocated to Gross Proceeds of an issue that are subject to the rebate requirement of the Code, and on the final maturity date, a Computation Date Credit; and (v) Yield Reduction Payments on Nonpurpose investments made pursuant to Section 1.148-5(c) of the Regulations. For purposes of computing the Yield on an investment (including the Value of the Investment), Payment means amounts to be actually or constructively paid to acquire the Investment; provided, however, that payments made by a conduit borrower, such as the Company, are not treated as paid until the conduit borrower ceases to receive the benefit of earnings on those amounts. General overhead costs and similar indirect costs of the Authority such as employee salaries and office expenses and costs associated with computing the rebate Amount are not qualified Administrative Costs. In general, administrative costs are not reasonable unless they are comparable to administrative costs that would be charged for the same Investment or a reasonably comparable Investment if acquired with a source of funds other than Gross Proceeds of tax-exempt bonds.

“Rebate Amount” means the excess of the Future Value of all Receipts with respect to the Investments in Nonpurpose Investments allocated to the Gross Proceeds of the Series 2013 Bonds over

For purposes of computing Yield on an Investment, receipts means amounts to be actually or constructively received from the Investment, such as earnings and return or principal (including the Value of an Investment). Receipts on Investments, including Guaranteed Investment Contracts, are adjusted (reduced) for Qualified Administrative Costs.

“Redemption Date” means August 1, 2014.

“Regulation” or **“Regulations”** means the final Income Tax Regulations promulgated by Department of the Treasury and applicable to the Series 2013 Bonds, including Sections 1.148-0 through 1.148-11 and Sections 1.149, 1.150-2 relating to arbitrage compliance.

“Value” means Value as determined under Section 1.148-4(e) of the Regulations for a Bond and Value determined under Section 1.148-5(d) for an Investment.

“Yield” means, for purposes of determining the Yield on the Series 2013 Bonds, the Yield computed under the Economic Accrual Method using consistently applied compounding intervals of not more than one year. Yield shall be calculated in accordance with the Regulations. A short first compounding interval may be used. Yield is expressed as an annual percentage rate that is calculated to at least four decimal places. Other reasonable, standard financial conventions, such as the 30 days per month/360 days per year convention, may be used in computing Yield but must be consistently applied. The Yield on a fixed yield issue is the discount rate that, when used in computing the present Value as of the issue date of all unconditionally payable payments of principal, interest and fees for qualified guarantees on the issue and amounts reasonably expected to be paid as fees for qualified guarantees on the issue, produces an amount equal to the present Value, using the same discount rate, of the aggregate issue price of bonds of the issue as of the issue date. In the case of obligations purchased or sold at a substantial discount or premium or in the case of variable rate obligations, the Regulations prescribe certain special yield calculation rules. For purposes of determining the Yield on an Investment, the Yield computed under the Economic Accrual Method, using the same compounding interval and financial conventions used to compute the Yield on the Series 2013 Bonds should be used.

“Yield Reduction Payment” means a payment to the United States with respect to an Investment which is treated as a Payment for that Investment that reduces the Yield on that Investment in accordance with Section 1.148-5(c) of the Regulations. Yield Reduction Payments include Rebate Amounts paid to the United States.

Permitted Contracts

Certain Management Contracts described in Revenue Procedure 97-13.

Pursuant to Rev. Proc. 97-13, a management or other service contract between the Corporation and a Private Person will not result in the related portion of the Facilities being used in the trade or business of that Private Person if the guidelines listed in (1) through (4) below are satisfied:

1. The contract provides for reasonable compensation for services rendered and is not based, in whole or in part, on a share of net profits from the operation of the Facilities. Furthermore, the service provider may not receive an ownership interest in the Facilities. Reimbursement of the service provider for actual and direct expenses paid by the service provider to unrelated parties is not by itself to be treated as compensation. Permitted compensation arrangements include arrangements where:
 - (A) at least 95 percent of the compensation is based on a periodic fixed fee for each annual period during the term (a fee does not fail to qualify as a periodic fixed fee as a result of a one-time incentive award, equal to a single, stated dollar amount, under which compensation automatically increases when a gross revenue or expense target, but not both, is reached), provided, that a contract with this compensation arrangement must have a term not exceeding the lesser of (i) 15 years or (ii) 80 percent of the reasonably expected useful life of the related portion of the Facilities;
 - (B) at least 80 percent of the compensation is based on a periodic fixed fee for each annual period during the term, provided, that a contract with this compensation arrangement must have a term not exceeding the lesser of (i) 10 years or (ii) 80 percent of the reasonably expected useful life of the related portion of the Facilities;
 - (C) (i) at least 50 percent of the compensation is based on a periodic fixed fee, (ii) 100 percent of the compensation is based on a capitation fee, or (iii) 100 percent of the compensation is based on a combination of a capitation fee and a periodic fixed fee, for each annual period during the term, provided, that a contract with this compensation arrangement must have a term not exceeding 5 years and, in addition, the contract must be terminable by the Authority, the Board or Corporation on reasonable notice, without penalty or cause, at the end of the third year of the contract term;
 - (D) all compensation is based on (i) a per-unit fee or (ii) a combination of a per-unit fee and a periodic fixed fee, provided that a contract with this compensation arrangement must have a term not exceeding 3 years and, in addition, the contract must be terminable by the Authority, the Board or Corporation on reasonable notice, without penalty or cause, at the end of the second year of the contract term; or
 - (E) all compensation is based on (i) a percentage of fees charged, or (ii) a combination of a per-unit fee and a percentage of revenue or expense fee, provided, that a contract with this compensation arrangement must have a term not exceeding 2 years and, in addition, the contract must be terminable by the Authority, the Board or Corporation on reasonable notice, without penalty or cause, at the end of the first year of the contract term, and provided further that this compensation arrangement is available only for (i) contracts

where the provider provides services to third parties, and (ii) management contracts for the Facilities during a start-up period where there are insufficient operations to estimate annual gross revenues and expenses.

2. Not more than 20 percent of the voting power of the Authority, the Board or Corporation is vested in the service provider, its directors, officers, shareholders and employees.
3. Overlapping board members of the Authority, the Board or Corporation and the service provider do not include the chief executive officers of the service provider or the Authority, the Board or Corporation or their respective governing bodies.
4. The Authority, the Board or Corporation and the service provider are not Related Parties.

Fair Market Value

The following describes certain safe harbors that apply for purposes of determining the Fair Market Value of the obligations described below:

1. **Certificates of Deposit.** The purchase of certificates of deposit with fixed interest rates, fixed payment schedules and substantial penalties for early withdrawal will be deemed to be an Investment purchased at its Fair Market Value on the purchase date if the Yield on the certificate of deposit is not less than:
 - (i) The Yield on reasonably comparable direct obligations of the United States; and
 - (ii) The highest Yield that is published or posted by the provider to be currently available from the provider on reasonably comparable certificates of deposit offered to the public.

2. **Guaranteed Investments Contracts.** A Guaranteed Investment Contract (“GIC”) is a Nonpurpose Investment that has specifically negotiated withdrawal or reinvestment provisions and a specifically negotiated interest rate, and also includes any agreement to supply Investments on two or more future dates (*e.g.*, a forward supply contract). The purchase price of a GIC is treated at its Fair Market Value on the purchase date if all of the following conditions are satisfied:
 - (i) A bona fide solicitation in writing for a specified GIC, is timely forwarded to all potential providers. The solicitation must have specified the material terms of the GIC, including the collateral security requirements for the GIC, if any, and, unless the moneys invested pursuant to such investment will be held in a float fund or a debt service reserve fund, the Borrower’s reasonably expected draw-down schedule for the moneys to be invested. The solicitation must also include a statement that the submission of a bid is a representation that the potential provider did not consult with any other potential provider about its bid, that the bid was determined without regard to any other formal or informal agreement that the potential provider has with the company or any other person (whether or not in connection with the Series 2013 Bonds), and that the bid is not being submitted solely as a courtesy to the Corporation or any other person for purposes of satisfying Treasury Regulations Section 1.148-5(d)(6)(iii)(B)(1) or (2).
 - (ii) All potential providers have an equal opportunity to bid, with no potential provider having the opportunity to review other bids before providing a bid.
 - (iii) At least three reasonably competitive providers (*i.e.*, having an established industry reputation as a competitive provider of the type of investments being purchased) are solicited for bids. At least three bids must be received from providers that have no material financial interest in the Series 2013 Bonds (*e.g.*, a lead underwriter within 15 days of the Date of Issue or financial advisor with respect to the investment) and at least one of such three bids must be from a

reasonably competitive provider. If the Company or Trustee uses an agent to conduct the bidding, the agent may not bid.

- (iv) The determination of the terms of the GIC takes into account the Company's reasonably expected drawdown schedule for the amounts to be invested.
- (v) The provider of the GIC certifies the administrative costs that it is paying, or expects to pay, to third parties in connection with the GIC and such administrative costs are Qualified Administrative Costs of Investment.
- (vi) The GIC has a Yield at least equal to the highest yielding of the qualifying bids received from the bidders that have no material financial interest in the Series 2013 Bonds. If the GIC is not the highest-yielding of the qualifying bids, the Authority or the Corporation must have significant non-tax reasons, such as creditworthiness of the bidder, for failure to purchase the highest-yielding GIC offered.
- (vii) The Yield on the GIC is no less than the Yield available from the provider thereof at the time such GIC was entered into on reasonably comparative investment contracts offered to other persons, if any, from a source of funds other than gross proceeds of an issue of tax-exempt obligations.
- (viii) The terms of the GIC, including collateral security requirements, are commercially reasonable.
- (ix) The Company retains, or directs the Trustee to retain, until three years after the last outstanding Bond is retired, (i) a copy of the GIC contract, (ii) a receipt or other record of the amount actually paid for the GIC and a copy of the provider's certification described in (vii), (iii) the name of the person and entity submitting each bid, the time and date of the bid, and the bid results.

3. **United States Treasury Securities - State and Local Government Series.** If a United States Treasury obligation is acquired directly from or disposed of directly to the United States Department of the Treasury (as in the case of the United States Treasury Securities - State and Local Government Series ("***SLGS***") obligations), such acquisition or disposition shall be treated as establishing a market for the obligation and as establishing the fair market value of the obligation.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in sections 509(a)(1) and 170(b)(1)(A)(iv).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, if you are involved in an excess benefit transaction, that transaction might be subject to the excise taxes of section 4958. Additionally, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please contact your key district office.

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of Code sections 2055, 2106, and 2522.

Contribution deductions are allowable to donors only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. See Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, which sets forth guidelines regarding the deductibility, as charitable contributions, of payments made by taxpayers for admission to or other participation in fundraising activities for charity.

In the heading of this letter we have indicated whether you must file Form 990, Return of Organization Exempt From Income Tax. If Yes is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. However, if you receive a Form 990 package in the mail, please file the return even if you do not exceed the gross receipts test. If you are not required to file, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding \$1,000,000 in any year, the penalty is \$100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding \$1,000,000 shall not exceed \$50,000. This penalty may also be charged if a return is not complete, so be sure your return is complete before you file it.

You are required to make your annual return available for public inspection for three years after the return is due. You are also required to make available a copy of your exemption application, any supporting documents, and this exemption letter. Failure to make these documents available for public inspection may subject you to a penalty of \$20 per day for each day there is a failure to comply (up to a maximum of \$10,000 in the case of an annual return).

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

UNIVERSITY FACILITIES INC

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

As part of a continuing program, we periodically examine the operations of tax-exempt organizations. The purpose of this program is to determine whether the organizations are operating within the scope of the laws under which they are granted exemption. Therefore, you should keep information that would show that you are operating for section 501(c)(3) purposes. The information should include the training given to the child care providers, number of inspections, reports submitted to the state, and other pertinent information about your activities. You should also keep records of your income and your disbursements of funds.

This determination is based on evidence that your funds are dedicated to the purposes listed in section 501(c)(3) of the Code. To assure your continued exemption, you should keep records to show that funds are expended only for those purposes. If you distribute funds to other organizations, your records should show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), there should be evidence that the funds will remain dedicated to the required purposes and that they will be used for those purposes by the recipient.

If you are a wholly-owned instrumentality of a state or a political subdivision of a state, wages paid for services performed for you are not subject to unemployment taxes under the Federal Unemployment Tax Act (FUTA) or to any portion of the social security taxes under the Federal Insurance Contributions Act (FICA). Wages of your employees hired after March 31, 1986 are subject to only the medicare portion of the social security tax. If you want full social security coverage for your employees, it may be obtained only by an agreement under section 218 of the Social Security Act between the state and the Secretary of Health and Human Services.

Any questions you may have concerning your liability for FICA or FUTA taxes should be addressed to the Internal Revenue Service, Office of the Associate Chief Counsel (Employee Benefits and Exempt Organizations), CC:EBOE, Room 5213, P. O. Box 7604, Ben Franklin Station, Washington, D.C. 200044.

If we have indicated in the heading of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

We have sent a copy of this letter to your representative as indicated in your power of attorney.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

District Director

If your organization conducts fund-raising events such as benefit dinners, auctions, membership drives, etc., where something of value is received in return for contributions, you can help your donors avoid difficulties with their income tax returns by assisting them in determining the proper tax treatment of their contributions. To do this you should, in advance of the event, determine the fair market value of the benefit received and state it in your fund-raising materials such as solicitations, tickets, and receipts in such a way that your donors can determine how much is deductible and how much is not. To assist you in this, the Service has issued Publication 1391, Deductibility of Payments Made to Charities Conducting Fund-Raising Events. You may obtain copies of Publication 1391 from your local IRS Office. Guidelines for deductible amounts are also set forth in Revenue Ruling 67-246, 1967-2 C.B. 104 and Revenue Procedure 90-12, 1990-1 C.B. 471 and Revenue Procedure 92-49, 1992-26 I.R.B. 18.

The value of time or personal services contributed to your organization by volunteers is not deductible by those volunteers as a charitable contribution for Federal income tax purposes. You should advise your volunteers to this effect.

Guidelines under which private foundations may rely on this determination, for gifts, grants, and contributions made after March 13, 1989, were liberalized and published in Rev. Proc. 89-23, Cumulative Bulletin 1989-1, page B44.

POST ISSUANCE TAX-EXEMPT DEBT COMPLIANCE POLICIES

Effective Date: August 8, 2013

OVERVIEW

The purpose of these Post Issuance Tax-Exempt Debt Compliance Policies (“Policies”) is to ensure tax-exempt bond and other financings previously issued and undertaken by the Louisiana Local Government Environmental Facilities and Community Development Authority, State of Louisiana (“ISSUER”) remain in compliance with the following federal tax requirements:

- (a) Record retention
- (b) Arbitrage yield restriction and rebate
- (c) Proper and timely use of bond proceeds and bond-financed properties
- (d) Timely return filings
- (e) Corrective actions
- (f) Other general requirements

These Policies apply to any obligations to which Sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended, and any Treasury Regulations promulgated thereunder (together, as applicable, the “Code”) apply, whether or not such obligations are in fact tax-exempt. These Policies will be followed with respect to any issue of tax-credit bonds or taxable bonds to which such sections of the Code apply. Further, the conduit borrowers which utilize the conduit services of the ISSUER are responsible for compliance with any requirements set forth in the Code and subsequent rulings and other advice published by the Internal Revenue Service (the “IRS”), as such authorities apply to the ISSUER and its obligations.

There are different types of obligations which may evidence a tax-exempt loan including but not limited to bonds, notes, obligations, warrants, leases, certificates of indebtedness and certificates of participation. For purposes of these Policies, the terms tax-exempt bond or bonds shall include all debt instruments which bear interest exempt from federal income tax, including any leases bearing tax exempt interest (“Bond”).

I. RESPONSIBILITY

The Executive Committee of the ISSUER, a conduit issuer created for the benefit of political subdivisions of the State of Louisiana (“State”), non-profit corporations and other public and private beneficiaries (collectively a “Borrower”), recognizes and understands the importance of monitoring outstanding tax-exempt debt to insure interest borne by such debt continues to meet the requirements set forth in the Code. While the ISSUER designates its Executive Director as

its compliance officer responsible for insuring the ISSUER'S compliance with these Policies ("COMPLIANCE OFFICER"), the ISSUER expects principals of the Borrower to bear responsibility for post issuance tax-exempt compliance.

The COMPLIANCE OFFICER shall require parties employed by the Borrower responsible for financial aspects of its operations and its Bond financed facilities to coordinate with the ISSUER to ensure any actions taken with respect to a Bond financed facility will be in compliance with the Code's requirements and IRS rulings.

The COMPLIANCE OFFICER will undertake appropriate periodic action to ensure an appropriate staff person is qualified and remains qualified to fulfill duties described herein. The COMPLIANCE OFFICER may retain professional consultants to perform specific tasks required to maintain appropriate compliance, including maintenance of files and records. The COMPLIANCE OFFICER shall ensure that a copy of these Policies will be disseminated to each Borrower of a Bond issued after the effective date of these Policies.

The ISSUER reserves the right to invoice the Borrower for any and all costs, fees, expenses and other charges of any nature which the ISSUER may be called upon to pay as a result of the ISSUER'S acting as a conduit borrower on behalf of the Borrower.

II. RECORD RETENTION

A. General Policy. General record retention duties are the responsibility of the Borrower. The Borrower shall maintain on file a copy of the following records at all times:

- (i) Organizational documents, if applicable (articles of incorporation or certificate of formation, bylaws and any amendments to same)
- (ii) Audited financial statements
- (iii) Reports of any examinations by the IRS of the ISSUER or its tax-exempt financing(s) for the Borrower

- (iii) Documentation regarding arbitrage compliance, including:
 - (a) Computation of bond yield

- (d) Form 8038-R, *Request for Recovery of Overpayments Under Arbitrage Rebate Provisions*

The ISSUER shall maintain a copy of the transcript relating to each and every outstanding issue of an ISSUER'S Bond, provided to it by bond counsel in accordance with requirements of State law, and each of the ISSUER'S Tax Certificates, until three years after the last outstanding Bond has been retired. If any Bond is refunded by another ISSUER Bond ("Refunding Obligations"), the ISSUER shall maintain all records required to be retained until the later of three years after the last outstanding Bond has been retired or the date three years after the last Refunding Obligations have been retired.

B. Bond Transcripts and Record Retention. The ISSUER and each bond counsel employed for issuance of a Bond shall consult with the COMPLIANCE OFFICER to insure a copy of each transcript for every Bond is maintained at the ISSUER'S official office or an approved secure and insured storage facility. The COMPLIANCE OFFICER shall maintain written records pertaining to (a) the date and amount of each Bond issuance, (b) the physical location of each Bond transcript, (c) the type and nature of each Bond issuance and (d) the identity of the participants in each Bond issuance.

Each Bond transcript should contain the following:

- (i) Minutes and resolution(s) authorizing the issue
- (ii) Certifications of issue price
- (iii) Any formal elections (ex., election to employ an accounting methodology other than specific tracing)

C. Form of Long Term Retention. ISSUER transcripts described in these Policies shall be maintained in paper form. After the later of six years from Bond issuance or expenditure of all proceeds of a particular Bond, the ISSUER may scan its written records into digital format and so long as the ISSUER maintains no fewer than two digital copies of such records and ISSUER'S counsel maintains at least one digital copy, the written records may be destroyed or summarized.

D. Separate Bank Account. The Code sets forth many provisions related to investment and expenditure of Bond proceeds. The Borrower shall establish a separate bank account or trust fund for Bond proceeds and maintain records for such account showing:

- (i) All expenditures on Bond-financed property
- (ii) All investments of Bond proceeds

E. Investments and Arbitrage Compliance. The Code sets forth restrictions if Bond proceeds are invested at yields materially higher than yield on the Bonds. The ISSUER does not invest Bond proceeds. The Borrower is responsible for investment and monitoring of Bond proceeds, to ensure compliance with yield restrictions of Code Section 148(a) and rebate requirements of Code Section 148(f). The Borrower shall monitor compliance with rebate and yield restriction rules on an annual basis. Monitoring includes, but is not limited to, the following:

- (i) Tracking allocation of Bond proceeds to expenditures for compliance with any temporary period and spending exceptions, no less frequently than annually
- (ii) Ensuring timely filing of IRS forms related to arbitrage or rebate payments
- (iii) Ensuring use of "fair market value" with respect to purchase and sale of investments

III. PERIODIC REVIEW

A. Private Use. The COMPLIANCE OFFICER recognizes there are detailed rules relating to private use of facilities financed with Bond proceeds. Accordingly, the COMPLIANCE OFFICER will recommend that each Borrower consult with bond counsel prior to entering into any new contract or renewing any existing contract which provides for a person or organization to manage, operate, or provide services or products with respect to or as part of any part of all or any portion of Bond financed facilities. Each non-profit Borrower will be cautioned to consult with bond counsel prior to allowing any facilities financed with Bond proceeds to be used for purposes which constitute an unrelated business use for income tax purposes.

B. Expenditures and Assets. The Borrower is responsible for oversight of expenditure of Bond proceeds, including monitoring whether such expenditures are made timely for purposes for which the Bonds were issued. Each Borrower will ensure all Bond proceeds are expended according the Code's requirements. Each Borrower shall retain the following for life of the Bonds plus three (3) years:

- (i) Documentation of allocations of Bond proceeds to expenditures (ex., allocation of Bond proceeds for expenditures for construction, renovation or purchase of facilities)
- (ii) Documentation of allocation of Bond proceeds to Bond issuance costs
- (iii) Copies of all requisitions, draw schedules, draw requests, invoices, bills and cancelled checks related to Bond proceeds spent during construction
- (iv) Copies of all contracts entered into for construction, renovation or purchase of Bond financed facilities
- (v) Records of expenditure reimbursements incurred prior to Bond issuance
- (vi) Schedule of all Bond financed facilities or equipment
- (vii) Depreciation schedules for Bond financed depreciable property
- (viii) Documentation of any purchase or sale of Bond financed assets

C. Disposition. Even though each Borrower may not expect to dispose of its Bond financed facilities, the COMPLIANCE OFFICER recognizes in the event any portion of such facilities are sold, assigned, or transferred in any transaction, such disposition may give rise to issues concerning proper use of any disposition proceeds for arbitrage purposes as well as potential issues concerning private use if not transferred for fair value. Accordingly, each Borrower, by receipt of a copy of these Policies, shall be cautioned that prior to any such sale, assignment or transfer to consult with bond counsel.

D. Compliance Matters. To the extent a post issuance review raises any concern regarding a possible tax compliance issue, the COMPLIANCE OFFICER and the affected Borrower, will immediately consult with bond counsel to determine the appropriate course of conduct, including without limitation, the possibility of remedial action pursuant to applicable Income Tax Regulations, or participation in the voluntary closing agreement program established by the Internal Revenue Service.

IV. REBATE

A. Rebate Analyst. The ISSUER shall cause the Borrower of each Bond, when required by Income Tax Regulations, to retain a rebate analyst for Bonds issued after the effective date of these Policies. In addition to preparing all yield and rebate calculations, the Borrower's rebate analyst shall calendar all computation dates and obtain from the Borrower all necessary records prior to the report dates. The rebate analyst shall complete either an annual or a five year calculation of the Rebate Requirement within 50 days after the close of each bond year and within 50 days after the first date on which there are no outstanding Bonds of the particular bond issue. The Borrower shall consult bond counsel concerning the appropriate analysis and treatment of Bond debt issued prior to the effective date of these Policies.

B. Rebate Payment. The ISSUER shall cause each Borrower to agree to take steps to ensure that it has retained sufficient funds to pay timely, and timely pay all rebates required.

V. PROJECT SPENDING STATUS REPORT

To ensure Bond proceeds are being spent and projects are completed in a timely fashion in compliance with the Tax Certificates related to the applicable Bond, no later than 30 days after the end of each bond year of each Bond, each Borrower should receive from its engineer or financial officer a brief written report detailing the status of projects, the projected use of unspent bond proceeds of each Bond and an estimate of the amount and timing of each future anticipated disbursement of Bond proceeds on a project by project basis. If requested, the Borrower shall provide the report to the COMPLIANCE OFFICER who may require further action, such as contacting tax counsel for advice on any further action under the Code.

The Borrower is responsible for timely expenditure of bond proceeds and monitoring to ensure expenditures are made for the purposes for which the Bonds were issued in accordance with the Code.

VI. CORRECTIVE ACTION

Corrective action may be required if, for example, it is determined Bond proceeds were not properly expended, a Borrower is not in compliance with arbitrage requirements imposed by the Code or a Borrower has taken action that results in impermissible private business use or entering a management contract with a private company for that facility. If the Borrower is advised that corrective action is necessary with respect to Bond financed facilities, the ISSUER will cooperate with the Borrower in a timely manner to:

- (i) Seek to enter into a closing agreement under the Tax-Exempt Bonds Voluntary Closing Agreement Program described in Notice 2001-60 (or successor thereto)
- (ii) Take remedial action described in Section 1.141-12 of the Code
- (iii) Take such other action as recommended by bond counsel

VI. POLICIES AVAILABILITY

These Policies may be obtained from the ISSUER by contacting it at 8712 Jefferson Highway, Suite A, Baton Rouge, Louisiana 70809-2233, telephone (225) 924-6150.

SECTION 2. Deposits to Escrow Fund; Application of Moneys.

(a) As of the Closing Date, the Issuer has caused to be deposited in the Series 2013 Escrow Fund and the Escrow Agent hereby acknowledges receipt of the sum of \$54,700,058.18 consisting of the proceeds of the Series 2013 Bonds, transfers from the prior bonds debt service fund, debt service reserve fund, and the project fund, and a cash contribution from the University. The funds on deposit in the Series 2013 Escrow Fund shall be applied to the payment of interest due on the Refunded Bonds on August 1, 2014 (the “*Redemption Date*”).

(b) Concurrently with such deposit, the Escrow Agent shall apply the moneys described above to the purchase of the obligations described in the verification report and opinion of The Arbitrage Group, Inc. attached thereto, prepared by The Arbitrage Group, Inc. (the “*Verification Agent*”), dated November 13, which is attached as Exhibit A hereto (the “*Verification Report*”). The obligations listed in the Verification Report and any other direct obligations of the United States of America are hereinafter referred to as the “*Government Obligations*”. All documents evidencing the book entries of the Government Obligations (together with the reinvestment obligation described in Section 5 below) shall be held by the Escrow Agent and appropriate evidence thereof shall be furnished by the Escrow Agent to the Issuer. As shown in Exhibit B to the Verification Report, the Government Obligations (together with the reinvestment obligation described in Section 5 below) shall mature in principal amounts and pay interest in such amounts and at such times so that sufficient moneys will be available from such Government Obligations (together with other moneys on deposit in the Escrow Fund) to pay, as the same are due, the principal of and interest on the Refunded Bonds. The Issuer, on the basis of the mathematical verification of the Verification Agent has heretofore found and determined that the investments described in said Verification Report (together with the reinvestment obligation described in Section 5 below) are adequate in yield and maturity date in order to provide the necessary moneys for such purposes.

(c) In the event that, on the date of purchase of the Government Obligations, there is not delivered to the Escrow Agent any Government Obligation described in the Verification Report, the Escrow Agent shall accept delivery of cash and/or replacement obligations that are direct, non-callable obligations of the United States of America (collectively, “*Replacement Obligations*”) described in paragraph (d) of this Section, in lieu thereof, and shall hold such Replacement Obligations in the Escrow Fund until the Government Obligations described in the Verification Report that were not delivered on the date of delivery of the Series 2013 Bonds are available for delivery. The Escrow Agent shall return to the supplier thereof any Replacement Obligations in exchange for and upon receipt of the Government Obligations for which such Replacement Obligations described in such paragraph (d) were substituted. The Escrow Agent shall have no power or duty to invest any moneys held in the Escrow Fund or to make substitutions of the Government Obligations held in the Escrow Fund or to hereafter sell, transfer or otherwise dispose of such Government Obligations, except pursuant to the following subparagraph (d).

(d) Except as provided in Section 5, an obligation shall qualify as a Replacement Obligation or other permitted substitution obligation only if:

(i) such Replacement Obligation is in an amount, and/or matures in an amount (including any interest received thereon), which together with any cash or other Replacement Obligations substituted for the Government Obligations, is equal to or greater than the amount payable on the maturity date of the Escrow Obligation for which the substitution occurred;

(ii) such Replacement Obligation matures on or before the next date on which the Government Obligations that are substituted for will be required for payment of principal of or interest on the Refunded Bonds; and

(iii) the Escrow Agent shall have been provided with (A) a mathematical verification of the Verification Agent or of a firm of nationally recognized independent certified public accountants that the Replacement Obligations are sufficient to pay the principal of and interest on the Refunded Bonds as shown on Exhibit C-2 to the Verification Report and (B) an opinion of nationally recognized bond counsel to the effect that the substitution is permitted hereunder and has no adverse effect on the exclusion from gross income for federal income tax purposes of interest on the Series 2013 Bonds or the Refunded Bonds.

(e) To the extent that the Government Obligations mature before the payment dates referred to in Exhibit C-2 of the Verification Report, the Escrow Agent may invest for the benefit of the Issuer such cash in other Government Obligations provided that the investment in such other Government Obligations matures on or before dates pursuant to Section 6 in such amounts as to equal or exceed the Section 6 requirements and that such investment does not cause the Series 2013 Bonds or the Refunded Bonds to be “arbitrage bonds” under the Internal Revenue Code of 1986, as amended.

(f) The Escrow Agent shall collect and receive the interest accruing and payable on the Government Obligations and the maturing principal amounts of the Government Obligations as the same are paid and credit the same to the Escrow Fund, so that the interest on and the principal of the Government Obligations, as such are paid, will be available to make the payments required pursuant to Section 6 hereof.

(g) In the event there is a deficiency in the Escrow Fund, the Escrow Agent shall notify the Issuer of such deficiency, and the Issuer shall immediately remedy such deficiency by paying to the Escrow Agent the amount of such deficiency. The Escrow Agent shall not be liable for any such deficiency, except as may be caused by the Escrow Agent’s negligence or willful misconduct.

(h) In any case where the Escrow Agent is instructed to purchase SLGS, the Escrow Agent shall, by at least seven (7) days) or such different time as may hereafter be established by regulations of the United States Bureau of Public Debt) prior to such date, execute and file with a Federal Reserve Bank or Branch a subscription for the purchase and issue of such SLGS with such terms as may be required to effect such purchase on such date.

SECTION 3. Reserved.

SECTION 4. Deposit to Escrow Fund Irrevocable. The deposit of the moneys in the Escrow Fund shall constitute an irrevocable deposit of said moneys exclusively for the benefit of the owners of the Refunded Bonds and such moneys and Government Obligations, together with any income or interest earned thereon, shall be held in escrow and shall be applied solely to the payment of the principal of and interest on the Refunded Bonds as the same mature and become due or are redeemed. Subject to the requirements set forth herein for the use of the Escrow Fund and the moneys and investments therein, the

Issuer covenants and agrees that the Escrow Agent shall have full and complete control and authority over and with respect to the Escrow Fund and moneys and investments therein and the Issuer shall not exercise any control or authority over and with respect to the Escrow Fund and the moneys and investments therein.

SECTION 5. Use of Moneys.

(a) The Escrow Agent shall apply the moneys deposited in the Escrow Fund and the Government Obligations, together with any income or interest earned thereon, in accordance with the provisions hereof. The Escrow Agent shall have no power or duty to invest any moneys held hereunder, or to make substitutions of the Government Obligations held hereunder or to sell, transfer or otherwise dispose of the Government Obligations acquired hereunder, except as provided in 2(d) above.

(b) The liability of the Escrow Agent for the payment of the amounts to be paid hereunder shall be limited to the principal of and interest on the Government Obligations and cash available for such purposes in the Escrow Fund. Any amounts held as cash in the Escrow Fund shall be held in cash without any investment thereof, not as a deposit with any bank, savings and loan or other depository.

(c) The amounts released under the Indenture and deposited in the Escrow Fund will be deemed allocated to the earliest maturing investments in the Escrow Fund and will be deemed allocated to pay the first debt service payment on the Refunded Bonds paid from the Escrow Fund.

SECTION 6. Payment of Refunded Bonds. The Escrow Agent shall receive the matured principal of and the interest on the Government Obligations as the same are payable. On or before the first optional redemption date of the Refunded Bonds after the issuance of the Series 2013 Bonds, the Escrow Agent shall transmit to the Trustee under the Indenture, in immediately available funds, sufficient amounts for the payment of the principal and interest on the Refunded Bonds as it becomes due or upon redemption on said date.

SECTION 7. Notice of Defeasance. The Escrow Agent, as trustee under the Indenture, has received instructions from the Issuer to redeem the Refunded Bonds on the Redemption Date in substantially the form attached as Exhibit B hereto. The Trustee will cause the notice of defeasance in the form attached hereto as Exhibit A to be mailed to the registered owners of the Refunded Bonds. The Trustee will also cause the notice of redemption in the form attached hereto as Exhibit C to be mailed to the registered owners of the Refunded Bonds at least thirty (30) days prior to the Redemption Date for the Refunded Bonds.

SECTION 8. Remaining Moneys in Escrow Fund. Upon the retirement of the Refunded Bonds, any amounts remaining in the Escrow Fund shall be paid to the Board, on behalf of the University, as its property free and clear of the trust created by the Indenture and this Agreement.

SECTION 9. Rights of Owners of Prior Bonds. The escrow created hereby shall be irrevocable and the owners of the Refunded Bonds shall have a beneficial interest and a first, prior and paramount claim on all moneys and Government Obligations in the Escrow Fund until paid out, used and applied in accordance with this Agreement.

SECTION 10. Fees of Escrow Agent.

(a) In consideration of the services rendered by the Escrow Agent under this Agreement, the Issuer has paid to the Escrow Agent its reasonable fees and expenses, and the Escrow Agent hereby acknowledges (i) receipt of such payment and (ii) that it shall have no lien whatsoever upon any moneys in the Escrow Fund. In no event shall the Issuer be liable to any person by reason of the transactions contemplated hereby other than to the Escrow Agent as set forth in this Section 10. The Issuer hereby agrees to pay, or cause to be paid, any other fees and expenses which may be owed to the Escrow Agent from moneys other than those in the Escrow Fund.

(b) The Escrow Agent and its respective successors, assigns, agents and servants shall not be held to any personal liability whatsoever, in tort, contract, or otherwise, in connection with the execution and delivery of this Agreement, the establishment of the Escrow Fund, the acceptance of the moneys and securities deposited therein, the purchase of those Government Obligations, the retention of the Government Obligations or the proceeds thereof or any payment, transfer or other application of moneys or securities by the Escrow Agent in accordance with the provisions of this Agreement or by reason of any act, omission or error of the Escrow Agent made in good faith and without negligence in the conduct of its duties.

SECTION 11. Records and Reports. The Escrow Agent will keep books of record and account in which complete and correct entries shall be made of all transactions relating to the receipts, disbursements, allocations and application of the money and Government Obligations deposited to the Escrow Fund and all proceeds thereof. With respect to each investment of the proceeds of Government Obligations, the Escrow Agent shall record, to the extent applicable, the purchase price of such investment, its fair market value, its coupon rate, its yield to maturity, the frequency of its interest payment, its disposition price, the accrued interest due on its disposition date and its disposition date. Such books shall be available for inspection at reasonable hours and under reasonable conditions by the Issuer and the owners of the Series 2013 Bonds and the Refunded Bonds. The Escrow Agent shall deliver to the Issuer within thirty (30) days after each interest payment date on the Series 2013 Bonds (*i.e.*, Each March 1 and September 1) of each year, a report of each transaction relating to the Escrow Fund.

SECTION 12. Successor Escrow Agents.

(a) If at any time the Escrow Agent or its legal successor or successors should become unable, through operation of law or otherwise, to act as Escrow Agent hereunder, or if its property and affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy or for any other reason, a vacancy shall forthwith exist in the office of Escrow Agent hereunder. In such event the Issuer, by appropriate order, shall promptly appoint an Escrow Agent to fill such vacancy.

(b) Any successor Escrow Agent shall execute, acknowledge and deliver to the Issuer and the Escrow Agent an instrument accepting such appointment hereunder, and the Escrow Agent shall execute and deliver an instrument transferring to such successor Escrow Agent, subject to the terms of this Agreement, all the rights, powers and trusts of the Escrow Agent hereunder. Upon the request of any such successor Escrow Agent, the Issuer shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor Escrow Agent all such rights, powers and duties. The Escrow Agent shall pay over to its successor Escrow Agent a proportional part of the Escrow Agent's fee hereunder.

(c) The Escrow Agent may be removed at any time by an instrument or concurrent instrument in writing delivered to the Escrow Agent by the Issuer.

SECTION 13. Amendments. This Agreement may be amended with the consent of the Issuer and the Escrow Agent: (a) to correct ambiguities, (b) to strengthen any provision hereof which is for the benefit of the owners of the Refunded Bonds or the Series 2013 Bonds or (c) to sever any provision hereof which is deemed to be illegal or unenforceable; provided that this Agreement shall not be amended unless the holders of all of the Refunded Bonds consent to such amendment, and provided further that this Agreement shall not be amended unless the Issuer shall deliver an opinion of nationally recognized bond counsel, that such amendments will not cause the Prior Bonds to be “arbitrage bonds”.

SECTION 14. Enforcement. The Issuer, the trustee for the Refunded Bonds and the owners of the Refunded Bonds shall have the right to take all actions available under law or equity to enforce this Agreement or the terms hereof.

SECTION 15. Successors Bound. All covenants, promises and agreements in this Agreement shall bind and inure to the benefit of the respective successors and assigns of the Issuer, the Escrow Agent and the owners of the Refunded Bonds, whether so expressed or not.

SECTION 16. Louisiana Law Governing. This Agreement shall be governed by the applicable laws of the State of Louisiana.

SECTION 17. Termination. This Agreement shall terminate when all of the Refunded Bonds have been paid as aforesaid and any remaining moneys have been paid to the Issuer.

SECTION 18. Severability. If any one or more of the covenants or agreements provided in this Agreement on the part of the Issuer or the Escrow Agent to be performed should be determined by a court of competent jurisdiction to be contrary to law, such covenant or agreement shall be deemed and construed to be severable from the remaining covenants and agreements herein contained and shall in no way affect the validity of the remaining provisions of this Agreement.

SECTION 19. Counterparts. This Agreement may be executed in several counterparts, all or any of which shall be regarded for all purposes as one original and shall constitute and be one and the same instrument.

SECTION 20. Release of Lien of Indenture. In reliance upon the opinion of Jones Walker LLP, as Bond Counsel, dated November 13, 2013, and delivered to certain parties, the Trustee under the Indenture hereby acknowledges that the moneys and investments in the Escrow Fund satisfy the requirements of the Indenture relating to the defeasance of the Refunded Bonds and agrees to deliver to the Issuer forthwith such instruments as are requested of it to evidence the Trustee’s release of the lien of the Indenture and the documents relating thereto with respect to the Refunded Bonds. Notwithstanding the fact that the lien of the Indenture has been released with respect to the Refunded Bonds, the Trustee shall continue to perform those duties under the Indenture that are necessary in order to preserve and protect the interests of the owners of the Prior Bonds.

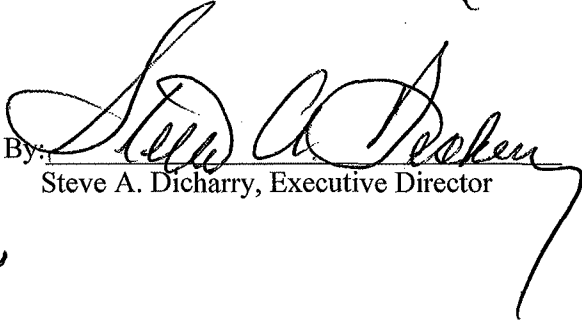

SECTION 21. Verification of the Escrow Fund. The Verification Report shows (a) the payments of the principal of and interest on the investments and moneys in the Escrow Fund, (b) the total of the principal of and interest on the Refunded Bonds hereby required to be paid to and including the Redemption Date in the amounts and on the dates indicated, and (c) the cumulative balance in the Escrow Fund after each payment is made from the Escrow Fund. With the Verification Report, the Verification Agent has delivered its opinion, addressed to the Issuer, the Trustee and the Escrow Agent, the

Underwriters with respect to the Series 2013 Bonds, and Jones Walker LLP that if the principal of and interest on the investments in the Escrow Fund are paid as said principal and interest become due, the proceeds from the collection of such interest and principal, together with any other moneys then required to be held in the Escrow Fund, will be sufficient to permit the prompt payment of the Refunded Bonds as the same become due to and including the Redemption Date. The Escrow Agent shall not be liable for the accuracy of any calculations as to the sufficiency of the investments and moneys in the Escrow Fund to pay the principal of and interest on the Refunded Bonds or other calculations required to be made hereunder and shall not be liable for any deficiencies in the amounts necessary to make such payments.

SERIES 2013

Louisiana Local Government Environmental Facilities and Community Development Authority (the "Authority") proposes to issue the above referenced bonds (the "Bonds") which are dated and will be delivered on November 13, 2013. The Bonds consist of \$36,445,000 Serial Bonds and \$4,465,000 Term Bonds due August 1, 2026.

A portion of the proceeds of the Bonds will be used to purchase United States Treasury Securities -- State and Local Government Series (the "Restricted Acquired Obligations") which will be placed in an irrevocable trust together with an initial cash deposit to be used solely to refund that portion of the Authority's Southeastern Louisiana Student Housing/University Facilities, Inc. Project Series 2004A (the "Refunded Bonds") described as follows:

At your request, we have independently verified the arithmetical accuracy of the computations provided to us by Stephens, Inc. which indicate: (1) the sufficiency of the receipts from the Restricted Acquired Obligations together with an initial cash deposit to pay to and at early redemption the principal of and interest on the Refunded Bonds; and, (2) the "yields" to be considered by bond counsel in its determination that the Bonds are not "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended. The term "yield," as used herein, means that discount rate which, when used in computing the present value of all payments of principal and interest on an obligation compounded semiannually using a 30/360-day year basis, produces an amount equal to: in the case of the Restricted Acquired Obligations, the purchase price of such securities; and, in the case of the Bonds, the Issue Price to the Public. For purposes of calculating the yield on the Bonds, Bonds maturing August 1, 2024 with a coupon rate of 4.500% and Bonds maturing August 1, 2024 with a coupon rate of 5.000% are treated as redeemed on the early redemption date of August 1, 2023 at an early redemption price of 100%, which produces the lowest yield on the Bonds.

The original computations, along with certain assumptions and information, were furnished to us by Stephens, Inc. on behalf of the Authority. We have relied solely on the assumptions and information provided to us and have not made any study or evaluation of them, except as noted below. We express no opinion on the reasonableness of the assumptions, or the likelihood that the debt service requirements of the Refunded Bonds will be paid as described in the accompanying Exhibits.

In the course of our engagement, we were furnished by Stephens, Inc. with the Official Statement for the Refunded Bonds, the Official Statement for the Bonds and copies of the initial and final subscription forms for the purchase of the Restricted Acquired Obligations. We understand that the initial subscription form was filed on November 5, 2013. We compared the information contained in the schedules provided by Stephens, Inc. with certain information set forth in such documents with respect to prices, principal payment dates and amounts, interest payment dates and rates, yields, and redemption dates and prices. We found that the information contained in such schedules provided to us by Stephens, Inc. was in agreement with the above-mentioned information set forth in such documents. In addition, we have verified that, based upon the table of interest rates payable on United States Treasury Securities -- State and Local Government Series for use on November 5, 2013, the interest rates payable on the Restricted Acquired Obligations are at or below the maximum allowable interest rate for each maturity date.

and Community Development Authority

In our opinion, based on the assumptions and information provided by Stephens, Inc. on behalf of the Authority, the computations in the schedules provided to us are arithmetically accurate. The computations in the accompanying Exhibits prepared by us and the comparable schedules provided to us indicate that:

- (1) the receipts from the Restricted Acquired Obligations together with an initial cash deposit of \$0.18 will be sufficient to pay to and at early redemption the principal of and interest on the Refunded Bonds; and,
- (2) the yield of the Bonds, assuming Bonds maturing August 1, 2024 with a coupon rate of 4.500% and Bonds maturing August 1, 2024 with a coupon rate of 5.000% are treated as redeemed on the early redemption date of August 1, 2023 at an early redemption price of 100%, is 3.129333% and the yield of the Restricted Acquired Obligations is 0.089372%.

The terms of our engagement are such that we have no obligation to update this report or to verify any revised computation because of events and transactions occurring subsequent to the date of this report. This report is issued solely for your information and assistance in connection with the issuance of the Bonds. This report is not to be quoted or referred to without our prior written consent.

Very truly yours,

The Arbitrage Group, Inc.

SERIES 2013**

Louisiana Local Government Environmental Facilities and Community Development Authority (the "Authority") proposes to issue the above referenced bonds (the "Bonds") which are dated and will be delivered on November 13, 2013. The Bonds consist of \$36,445,000 Serial Bonds and \$4,465,000 Term Bonds due August 1, 2026.

A portion of the proceeds of the Bonds will be used to purchase United States Treasury Securities -- State and Local Government Series (the "Restricted Acquired Obligations") which will be placed in an irrevocable trust together with an initial cash deposit to be used solely to refund that portion of the Authority's Southeastern Louisiana Student Housing/University Facilities, Inc. Project Series 2004A (the "Refunded Bonds") described as follows:

At your request, we have independently verified the arithmetical accuracy of the computations provided to us by Stephens, Inc. which indicate: (1) the sufficiency of the receipts from the Restricted Acquired Obligations together with an initial cash deposit to pay to and at early redemption the principal of and interest on the Refunded Bonds; and, (2) the "yields" to be considered by bond counsel in its determination that the Bonds are not "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended. The term "yield," as used herein, means that discount rate which, when used in computing the present value of all payments of principal and interest on an obligation compounded semiannually using a 30/360-day year basis, produces an amount equal to: in the case of the Restricted Acquired Obligations, the purchase price of such securities; and, in the case of the Bonds, the Issue Price to the Public. For purposes of calculating the yield on the Bonds, Bonds maturing August 1, 2024 with a coupon rate of 4.500% and Bonds maturing August 1, 2024 with a coupon rate of 5.000% are treated as redeemed on the early redemption date of August 1, 2023 at an early redemption price of 100%, which produces the lowest yield on the Bonds.

The original computations, along with certain assumptions and information, were furnished to us by Stephens, Inc. on behalf of the Authority. We have relied solely on the assumptions and information provided to us and have not made any study or evaluation of them, except as noted below. We express no opinion on the reasonableness of the assumptions, or the likelihood that the debt service requirements of the Refunded Bonds will be paid as described in the accompanying Exhibits.

In the course of our engagement, we were furnished by Stephens, Inc. with the Official Statement for the Refunded Bonds, the Official Statement for the Bonds and copies of the initial and final subscription forms for the purchase of the Restricted Acquired Obligations. We understand that the initial subscription form was filed on November 5, 2013. We compared the information contained in the schedules provided by Stephens, Inc. with certain information set forth in such documents with respect to prices, principal payment dates and amounts, interest payment dates and rates, yields, and redemption dates and prices. We found that the information contained in such schedules provided to us by Stephens, Inc. was in agreement with the above-mentioned information set forth in such documents. In addition, we have verified that, based upon the table of interest rates payable on United States Treasury Securities -- State and Local Government Series for use on November 5, 2013, the interest rates payable on the Restricted Acquired Obligations are at or below the maximum allowable interest rate for each maturity date.

In our opinion, based on the assumptions and information provided by Stephens, Inc. on behalf of the Authority, the computations in the schedules provided to us are arithmetically accurate. The computations in the accompanying Exhibits prepared by us and the comparable schedules provided to us indicate that:

- (1) the receipts from the Restricted Acquired Obligations together with an initial cash deposit of \$0.18 will be sufficient to pay to and at early redemption the principal of and interest on the Refunded Bonds; and,
- (2) the yield of the Bonds, assuming Bonds maturing August 1, 2024 with a coupon rate of 4.500% and Bonds maturing August 1, 2024 with a coupon rate of 5.000% are treated as redeemed on the early redemption date of August 1, 2023 at an early redemption price of 100%, is 3.129333% and the yield of the Restricted Acquired Obligations is 0.089372%.

The terms of our engagement are such that we have no obligation to update this report or to verify any revised computation because of events and transactions occurring subsequent to the date of this report. This report is issued solely for your information and assistance in connection with the issuance of the Bonds. This report is not to be quoted or referred to without our prior written consent.

Very truly yours,

The Arbitrage Group, Inc.

Likewise, all facts and matters stated therein shall conclusively be presumed to be true.

SECTION 6. Reporting

The Executive Committee shall be responsible for and shall cause to be filed such annual or other periodic audits, reports and disclosures as may be required from time to time pursuant to applicable federal or state statutes or regulations.

ARTICLE V - MISCELLANEOUS

SECTION 1. Directors' and Officers' Liabilities

- A. No director or officer shall be liable for any claims resulting from any act or omission in connection with his duties as a member of the Board of Directors or Executive Committee of the Authority, or as an officer of the Board of Directors, except for claims resulting from the gross negligence or willful misconduct of such director or officer. The Executive Committee is hereby authorized and empowered to obtain, at the expense of the Authority, liability insurance fully protecting the respective directors, officers, employees, agents and the Authority from any loss or expense incurred, including reasonable attorney's fees, as a result of acts or omissions of the directors, officers, employees and agents. The Authority hereby agrees to save, hold harmless and indemnify each director, officer, employee and agent from any loss, damage or expense (including attorneys fees) incurred by said

persons while acting in their official capacity or by reason of the fact the said person is or was a director, officer, employee or agent of the Authority, unless such loss, damage or expense was caused by the bad faith or gross negligence or willful misconduct of such director, officer, employee or agent. The termination of any civil or criminal action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that the person acted other than in good faith and in a manner which he reasonably believed to be in or not opposed to the best interest of the Authority nor with respect to any criminal action or proceeding, that he had reasonable cause to believe that his conduct was unlawful.

- B. Any indemnification under this Section 1 of this Article shall be made by the Authority only as authorized in the specific case upon a determination that indemnification of the officer, director and employee or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in this Section 1 of this Article. Such determination shall be made (a) by the Executive Committee by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (b) if such quorum is not obtainable, or, even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion: provided, however, that if a director, officer, employee or agent of the Authority has been successful on the merits or otherwise in defense of any action, suit or proceeding, or in defense of any claim, issue or matter therein, he shall automatically be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith without the necessity of any such determination that he has met the applicable standard of conduct set forth in this Section 1 of this Article.

SECTION 2. Reliance on Counsel's Opinion

The Board of Directors, the Executive Committee and the officers may employ and consult with legal counsel concerning any questions which may arise with reference to the duties and powers or with reference to any other matter pertaining to the operation of the Authority; and the opinion of such counsel shall be full and complete authorization and protection in respect to any action taken or suffered by the directors, the Executive Committee and the officers hereunder in good faith in accordance with the opinion of such counsel, and the Board of Directors, the Executive Committee, and the officers shall not be liable therefor.

SECTION 3. Amendments to Bylaws

These bylaws may be amended in writing at any time by the concurrence of no less than two thirds (2/3) of the voting members of the Board of Directors present at a duly called meeting at which a quorum is present. The notice of such meeting must state that one of the purposes of the meeting is to consider the amendment of these bylaws and must generally state

the substance of such proposed amendment. These bylaws may not be amended so as to permit the diversion or application of any of the assets of the Authority for any purpose other than those specified herein or in the Act or which would impair any contractual obligations. The Board of Directors, upon adoption of or amendment to these bylaws, shall send a copy of any such amendment to the participating political subdivisions of the Authority.

SECTION 4. Termination of Membership in the Authority.

Except as noted below, an Authority member may terminate its participation in the Authority upon thirty (30) days written notice to the Chairman of the Board of Directors. An Authority member shall not be permitted to terminate its participation in the Authority so long as such Authority member is obligated to repay an outstanding obligation to the Authority; provided such obligation has been lawfully approved by such member.

SECTION 5. Principal Office of the Authority

The books and records pertaining to the Authority and its administration shall be kept and maintained at the office of the Authority.

SECTION 6. Additional Committees

- A. The Executive Committee may from time to time appoint such other committees with such membership as the Executive Committee may determine necessary or appropriate. Such committees may be composed in whole or in part of persons who are not members of the Board of Directors.
- B. The Executive Committee shall appoint a Chairman's Advisory Committee consisting of at least one (1) member and not exceeding three (3) members. Such Committee shall consist of past Chairmen of the Board of Directors, and shall provide advice to the Executive Committee on any matters coming before it.

SECTION 7. Notices

Whenever under the Act or these bylaws notice is required or permitted to be given to the Directors or officers of the Authority, such notice may be given in writing by regular mail or by facsimile or electronic transmission, in either case addressed to such Director or officer at his address as shown on the books of the Authority. The time when such notice is so mailed or delivered via facsimile shall be deemed the time of the giving of such notice.

SECTION 8. Contracting for Services

The Authority was created to lower the borrowing costs of political subdivisions and beneficiaries through participation in Authority financings. By sharing the costs of

professional and other services negotiated at reasonable rates by the Authority, smaller financings undertaken through participation in Authority transactions can benefit directly and immediately. The Authority further recognizes the merit of independent review of proposed financial transactions to avoid self-dealing by professionals serving the Authority or its beneficiaries.

- A. The Executive Committee shall have the authority to contract with and hire professionals for the purpose of rendering legal, accounting, financial advisory, management and other services to the Authority and to pay such professionals for such services rendered to the Authority.
- B. The Executive Committee shall evaluate and determine fair and equitable compensation for legal services by reference to the Rules of Professional Conduct of the Louisiana State Bar Association, particularly, Rule 1.5 Fees. The fee schedules promulgated by the Attorney General of the State of Louisiana which describe the maximum fees allowed for services of bond counsel shall be complied with, but shall not be used to define or determine the amount of compensation for bond counsel services to the Authority.
- C. The Executive Committee shall evaluate and determine fair and equitable compensation for non-legal professionals in accordance with relevant industry standards, criteria and practice.

SECTION 9. Preliminary Review of Authority Transactions

The Executive Committee shall establish a procedure to review proposed Authority transactions for merit and shall have the authority to contract with independent financial advisors and such other professionals as it deems fit to evaluate and provide preliminary findings regarding the relative benefits of transactions proposed to the Authority, its members or to the beneficiaries of such transactions.

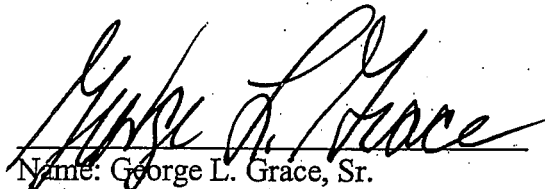

SECTION 10. Severability

Should any provision of these By-Laws be declared invalid or unlawful by a court of competent jurisdiction, the remaining provisions hereof shall remain in full force and effect and to that end, such invalid or unlawful provisions are hereby declared to be severable.

ARTICLE VI - DISTRIBUTION OF ASSETS
UPON FINAL DISSOLUTION

Upon final dissolution of the Authority, all assets shall be sold as determined by the Executive Committee, all debts and obligations of the Authority shall be paid, and all funds then remaining shall be distributed to the then current Authority members on an equal share basis.

IN WITNESS WHEREOF, the bylaws of the Authority have been executed on this 14th day of October, 2004.

The failure of the Board to insist in any one or more cases upon the strict performance of any of the covenants of this Ground Lease, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment of future breaches of such covenant or option.

Notwithstanding the foregoing, it is understood that with respect to Phase Three of the Facilities anticipated to be financed with Additional Bonds issued under the Indenture, the foregoing tests do not have to be met, provided that the construction of Phase Three of the Facilities does not increase the total number of on-campus housing beds available to the University. In addition, the Mortgage (as defined in the Indenture) shall be amended to encumber any such Additional Facilities and any revenues derived therefrom to secure the Bonds and any debt incurred to finance such Additional Facilities.

(j) The University shall maintain its policy of requiring all unmarried, full-time undergraduate students with less than 60 credit hours to live in on-campus residence halls. It is understood that the University currently permits certain exceptions to that policy and, except as set forth in Section 4(h) above, the University may continue to permit those exceptions but it shall make no voluntary revisions to such policy that would reduce the number of students required to live in on-campus residence halls (including, without limitation, reducing the number of credit hours to less than 60, increasing the course-load required for status as a "full-time" student or modifying any existing

exemptions from the policy), until the Bonds have been paid in full or the Bond Insurer consents in writing to a change in such policy.

(k) The University shall actively promote the Series 2004 Facilities as a housing alternative and an integral part of the housing system of the University. The Board declares and acknowledges that it does hereby waive the warranty of fitness for intended purposes and guarantee against hidden or latent redhibitory defects and vices under Louisiana law, including Louisiana Civil Code Articles 2520 through 2548 and Louisiana Civil Code Article 2695, and the warranty imposed by Louisiana Civil Code Articles 2476 and 2695, and waives all rights in redhibition pursuant to Louisiana Civil Code Articles 2520, et seq. The Board further declares and

acknowledges that this waiver has been brought to the attention of the Board and explained in detail and that the Board has voluntarily and knowingly consented to this waiver of warranty of fitness and/or warranty against redhibitory defects and vices for the Facilities. Notwithstanding the foregoing, the Board hereby retains all of its rights to proceed against any third parties with respect to such defects.

The Corporation disclaims and the Board waives any warranties and representations with respect to compliance with Governmental Regulations, including Environmental Requirements, or the disposal of, or existence in, on, under, or about the Facilities of any Hazardous Substance. The Board acknowledges that the Corporation reserves in this Facilities Lease all rights to recover from the Board all costs and expenses imposed on the Corporation to bring the Facilities into compliance with any Environmental Requirement, and all costs of Remediation or cleanup of such Hazardous Substance imposed on the Corporation or the Board, which shall be payable by the Board as Additional Rental hereunder to the extent imposed upon the Corporation.

Section 6. Rental

(a) The Board, for and in consideration of the Corporation entering into the Ground Lease, renovating and/or constructing the Facilities in accordance with the Ground Lease and leasing the Facilities to the Board pursuant to the terms hereof, hereby covenants and agrees to pay the Base Rental and Additional Rental in the amounts, subject to amounts for which the Board is entitled to a credit as described in Section 6(d) hereof, at the times and in the manner set forth herein, such amounts constituting in the aggregate the total of the rental payable under this Facilities Lease. The obligation of the Board to make Base Rental and Additional Rental payments shall commence on the Commencement Date and shall not be subject to abatement, set-off or reduction as a result of a failure by the Corporation to complete construction of the Facilities on a timely basis.

(b) The Board agrees to pay Base Rental from Lawfully Available Funds. Payments of Base Rental shall be due on the dates and in the amounts as hereinafter provided:

(i) With respect to the Bonds that bear interest at a Fixed Rate, on the twenty-fifth (25th) day of each month, commencing _____ 25, 2013, in an amount equal to one-sixth (1/6th) of the interest due and payable on such Bonds on the next February 1 and August 1, or such lesser amount that, together with amounts already on deposit in the Interest Account of the Debt Service Fund will be sufficient to pay interest on such Bonds on such Interest Payment Date; and

(ii) With respect to the Auction Rate Bonds, two (2) Business Days prior to each Interest Payment Date for the Auction Rate Bonds, commencing _____, 2013, in an amount equal to the interest due and payable on the Auction Rate Bonds on such Interest Payment Date or such lesser amount that, together with amounts already on deposit in the Interest Account of the Debt Service Fund will be sufficient to pay interest on such Auction Rate Bonds on such Interest Payment Date;

(iii) With respect to the Variable Rate Bonds, two (2) Business Days prior to each Interest Payment Date, commencing on the Interest Payment Date immediately succeeding the applicable Variable Rate Conversion Date, an amount equal to the interest due and payable on the Variable Rate Bonds on such Interest Payment Date or such lesser amount that, together with amounts already on deposit in the Interest Account of the Debt Service Fund will be sufficient to pay interest on such Variable Rate Bonds on such Interest Payment Date;

(iv) On the twenty-fifth (25th) day of each month, commencing _____ 25, 2013, in an amount equal to one-twelfth (1/12th) of the principal of the Bonds payable on the next Principal Payment Date;

(v) On the dates required in the Indenture, to the Trustee for deposit into any of the funds established in the Indenture, including, without limitation, the Debt Service Reserve Fund and the Replacement Fund, an amount sufficient to make up any deficiency in any prior payment required to be made into such fund and to restore any loss resulting from investment or other causes from such fund and any other payment required to be made to such fund by the Indenture; and

(vi) Annually, beginning June 25, 2014, an amount equal to \$_____ (representing one-half of one percent (1/2%) of the construction cost of the Facilities), into the Replacement Fund, or such lesser annual amount as is permitted by the Louisiana State Board of Regents and approved by the Bond Insurer.

(c) In addition to the Base Rental set forth herein, the Board agrees to pay as Additional Rental any and all expenses, of every nature, character, and kind whatsoever, incurred by the Corporation on behalf of the Board and/or by the Board or the University in the management, operation, ownership, and/or maintenance of the Facilities, to the extent such expenses are not paid by the Management Company under any Management Contract, including but not limited to the following costs and expenses:

(i) all taxes, assessments and impositions against the Facilities, including without limitation ad valorem taxes attributed to the Corporation on behalf of the Board (and any tax levied in whole or in part in lieu of or in addition to ad valorem taxes);

(ii) any costs incurred by the Corporation in maintaining the Facilities for the Board and making any alterations, restorations and replacements to the Facilities;

(iii) insurance premiums and other charges for insurance obtained with respect to the Facilities including insurance premiums, if any, on all insurance required under the provisions of Section 9 of this Facilities Lease;

(iv) any Default or Delay Rentals;

(v) all costs incurred by the Corporation in connection with its performance of its obligations relating to the Facilities and/or the Land under the Ground Lease and this Facilities Lease;

(vi) all Administrative Expenses owed to the Issuer or the Trustee;

(vii) Litigation Expenses, if any, incurred pursuant to Section 43 hereof;

(viii) any reimbursement amounts payable pursuant to Section 20 hereof or pursuant to any other provision hereof; and

(ix) any other costs, charges, and expenses commonly regarded as ownership, management, maintenance, and operating expenses, if any, incurred by the Corporation under this Facilities Lease.

Amounts constituting Additional Rental payable hereunder shall be paid by the Board directly to the person or persons to whom such amounts shall be due. The Board shall pay all such amounts when due or within thirty (30) days after notice in writing from the Corporation, the Management Company, or the Trustee to the Board stating the amount of the Additional Rental then due and the purpose thereof.

(d) The Board shall be entitled to a credit against and reduction of each Base Rental payment in an amount equal to any amounts derived from the following sources:

(i) Accrued interest derived from the sale of the Bonds;

(ii) Any capitalization of interest from the proceeds of the Bonds contained in the Capitalized Interest Fund under the Indenture;

(iii) the Rents and any other moneys deposited with the Trustee in the Receipts Fund in accordance with the Indenture and the Management Agreement.

(iv) Surplus moneys (including investment earnings) contained in the funds and accounts held by the Trustee under the Indenture, including the Debt Service Fund, the Debt Service Reserve Fund and the Replacement Fund;

(e) Notwithstanding any other provision of the Facilities Lease, the obligation of the Board to make payments under this Facilities Lease, including payments of Base Rental and Additional Rental, shall be subject to, and dependent upon, appropriation of Legally Available Funds necessary to make the payments required under this Facilities Lease. The Vice President for Finance and Administration of the Board shall cause the University to include in the Budget and, if necessary, any amendments to the Budget, an amount of Lawfully Available Funds sufficient to make the payments of Base Rental and Additional Rental described herein which amounts may or may not ultimately be appropriated by the Board for such purpose. Subject to the foregoing and Section 29 hereof, the obligations of the Board to make payments pursuant to this Facilities Lease, and to perform and observe the other agreements and covenants on its part contained herein, shall be absolute and unconditional and shall not be subject to any diminution, abatement, set-off, or counterclaim. Subject to the foregoing and Section 29 hereof, until such time as the principal of, premium, if any, and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with this Facilities Lease, the Board shall not suspend or discontinue payment of Rental or any other payments pursuant to this Facilities Lease for any cause, and shall continue to perform and observe all of its agreements contained in this Facilities Lease. The Corporation and the Board acknowledge and agree that the obligation of the Board to pay Rental shall constitute a current expense of the Board payable by the Board from funds budgeted and appropriated in accordance with law for and in consideration of the right to use the Facilities during the Term and that such obligation shall not in any manner be construed to be a debt of the Board in contravention of any constitutional or statutory limitations or requirements concerning indebtedness of the Board and nothing contained herein shall constitute a pledge, lien or encumbrance upon any specific tax or other revenues of the Board.

(f) The payments of Base Rental and Additional Rental under this Facilities Lease for each Fiscal Year or portion thereof during the Term shall constitute the total Rental for such Fiscal Year or portion thereof and shall be paid by the Board for and in consideration of the construction by the Corporation of the Facilities and the right to the use and occupancy of the Facilities by the Board for and during such Fiscal Year or portion thereof.

(g) Amounts necessary to pay each Base Rental payment shall be deposited by the Board on the dates set forth in Section 6(b) hereof in lawful money of the United States of America at the office of the Trustee or at such other place or places as may be established by the Corporation and/or Trustee in accordance with the Indenture. Any amount necessary to pay any Base Rental payment or portion thereof which is not so deposited shall remain due and payable until received by the Trustee. Notwithstanding any dispute between the Board and the Corporation hereunder, the Board shall make all Rental payments

when due and shall not withhold payment of any Rental pending the final resolution of such dispute or for any other reason whatsoever.

(h) This Facilities Lease is intended to be a triple net lease. The Board agrees that the Rental provided for herein shall be an absolute net return to the Corporation free and clear of any expenses, charges, taxes, abatements, counterclaims, reductions or set-offs whatsoever of any kind, character or nature; it being understood and agreed to by the Board that the Board shall bear responsibility for the payment of all costs and expenses associated with the ownership, management, operation, and maintenance of the Facilities. Under no circumstances will the Corporation be required to make any payment on the Board's behalf or for the Board's benefit under this Facilities Lease, or assume any monetary obligation of the Board under this Facilities Lease, or with respect to the Facilities.

(i) The State, through the Division of Administration, is not, at any time whatsoever, obligated, committed or required to provide funds by legislative appropriation or any other means to pay debt service on the Series 2007 Bonds or to support the continued operation and maintenance of the Series 2007 Facilities and Stadium Expansion, it being understood that thee portion of the lease payments payable by the Board under this Facilities Lease for payment of debt service on the Series 2007 Bonds are payable solely from Student Fees and Auxiliary Revenues and the Board is not legally committed, obligated or required to make available any other funds to make the lease payments hereunder.

(j) In addition to the Rental payments required hereby, the Board covenants and agrees to make an Extraordinary Rental payment to refund a portion of the Series 2004 Bonds, from funds on hand or collected by the Board, not to exceed \$9,000,000.

Section 7. Operation, Alterations, Maintenance, Repair, Replacement and Security Service.

(a) The University, at the direction of the Board, shall be responsible for ensuring that all services necessary or required in order to adequately operate the Facilities in accordance with the Permitted Use are provided and maintained. The University shall continuously operate or cause to be operated the Facilities from the Commencement Date and continuing for the remainder of the Term for the Permitted Use, and in accordance with all Governmental Regulations. Pursuant to the Management Agreement, the Corporation as approved by the Board, will initially contract with the Management Company to provide operations and management services for the Facilities. The University and the Board consent to the Corporation's initial acquisition of operations and management services from the Management Company. All Rents collected by the Management Company under the Management Agreement shall be deposited in an operating account and transferred daily to the Trustee in accordance with the Indenture.

(b) The University, at the direction of the Board, shall be responsible for maintaining the Facilities and shall make or contract or cause to be made or contracted with a suitable contractor for the making of all alterations, repairs, restorations, and replacements to the Facilities, including without limitation the heating, ventilating, air conditioning, mechanical, electrical, elevators, plumbing, fire, sprinkler and theft systems, air and water pollution control and waste disposal facilities, structural roof, walls, and foundations, fixtures, equipment, and appurtenances to the Facilities as and when needed to preserve them in good working order, condition and repair (ordinary wear and tear excepted), regardless of whether such repairs, alterations, restorations or replacements are ordinary or extraordinary, foreseeable or unforeseeable, or are at the fault of the Board, the Corporation or some Other Party. All alterations, repairs, restoration, or replacements shall be of a quality and class equal to or better than the quality and class presently located in the Facilities.

(c) The University, at the direction of the Board, shall have the right during the Term to cause the Corporation or some other Party to make or construct any additions or improvements to the Facilities, alter the Facilities, attach fixtures, structures, or signs to or on the Facilities, and affix personal property to the Facilities without the Corporation's prior written consent to the extent allowed under the terms of any insurance covering the Facilities. All such alterations, improvements, additions, attachments, repairs, restorations, and replacements of all or any portion of the Facilities shall (i) be at the sole cost and expense of the University; (ii) not reduce the then fair market value of the Facilities; (iii) be constructed in a good and workmanlike manner; and (iv) be in compliance with all Governmental Regulations.

(d) The University, at the direction of the Board, shall provide or cause to be provided all security service, custodial service, janitorial service, trash disposal, and all other services necessary for the proper upkeep and maintenance of the Facilities as required herein. The Board acknowledges that the Corporation has made no representation or warranty with respect to systems and/or procedures for the security of the Facilities, any persons occupying, using or entering the Facilities, or any equipment, furnishings, or contents of the Facilities. It is the sole responsibility of the Board, through the University to cause to be provided or to provide for the security of persons on or entering the Facilities and/or property located at the Facilities, in accordance with reasonable and prudent business practices.

Section 8. Utilities. All utilities which are used or consumed in or upon or in connection with the Facilities during the Term, including, without limitation water, gas, electricity, sewerage, garbage, or trash removal, light, cable, heat, telephone, power, computer data and other utilities necessary for the operation of the Facilities (the "*Utility Service*") shall be the responsibility of the Board and/or the students, faculty, staff or Permitted Sublessees residing in the Facilities. Payments for Utility Services provided to the entire Facilities or to the common areas of the Facilities under such contract or contracts therefor as the Board may make shall be made by the Board directly to the respective utility companies furnishing such Utility Services.

The Corporation shall have no responsibility to the Board for the quality or availability of Utility Service to the Facilities, or for the cost to procure Utility Service. The Corporation shall not be in Default under this Facilities Lease or be liable to the Board or any other Person for direct or consequential damage, or otherwise, for any failure in supply of any Utility Service, heat, air conditioning, elevator service, cleaning service, lighting, security, or for surges or interruptions of electricity.

Section 9. Insurance.

(a) The University, at the direction of the Board, shall cause to be secured and maintained at the University's cost and expense:

(i) A policy or policies of insurance covering the Facilities against loss or damage by fire, lightning, earthquake, collapse, vandalism and malicious mischief, flood and storm surge, and against such other perils as are included in so-called "extended coverage" and against such other insurable perils as, under good insurance practice, from time to time are insured for properties of similar character and location, which insurance shall be not less than the full replacement cost of the Facilities, without deduction for depreciation. In the event that the Facilities are not repaired or replaced, insurance proceeds shall be no greater than the actual cash value (replacement cost less depreciation) of the Facilities at the time of the loss. The policy shall be adjusted to comply with any applicable co-insurance provisions of such insurance policy. Full payment of insurance proceeds shall not be contingent on the degree of damage sustained at other facilities leased by the Board. The policy or policies covering such loss must explicitly waive any co-insurance penalty.

(ii) A policy of comprehensive public liability insurance with respect to the Facilities and the operations related thereto, whether conducted on or off the Facilities, against liability for personal injury (including bodily injury and death) and property damage, of not less than \$2,000,000 in combined single limit liability coverage. Such comprehensive public liability insurance shall specifically include, but shall not be limited to, sprinkler leakage legal liability, water damage legal liability, motor vehicle liability for all owned and non-owned vehicles, including rented or leased vehicles.

(iii) Boiler and machinery insurance coverage against loss or damage by explosion of steam boilers, pressure vessels and similar apparatus, but only if steam boilers, pressure vessels or similar apparatus are installed on the Facilities, in an amount not less than \$5,000,000 with deductible provisions not exceeding \$100,000 per accident.

(iv) Workers' compensation insurance issued by a responsible carrier authorized under the laws of the State to insure employers against liability for compensation under the Labor Code of the State, or any act hereafter enacted as an amendment thereto or in lieu thereof, such workers' compensation insurance to cover all persons employed by the Corporation in connection with the Facilities and to cover full liability for compensation under any such act aforesaid.

(v) A policy of rental interruption insurance in the amount of at least one (1) year's rental in the event of loss of or damage to the Facilities.

(b) The Corporation shall:

(i) cause to be secured and maintained a policy of title insurance insuring the Corporation's leasehold interest under the Ground Lease in an amount equal to the par amount of the Bonds; and

(ii) cause all of the construction professionals to secure and maintain:

(A) Comprehensive or Commercial General Liability insurance;

(B) Errors and Omissions insurance;

(C) Automobile Liability insurance;

(D) Worker's Compensation insurance;

(E) an all Risk Builder's Policy upon the construction on the Property; and

(F) boiler and machinery or additional property insurance;

all as required by the terms of any construction contracts entered into with regards to the demolition of certain existing facilities and the renovation, development and construction of the Facilities.

All insurance required in this Section and all renewals of such insurance (excepting self-insurance or commercial insurance, through ORM) shall be issued by commercial insurers authorized to transact business in the State, and rated at least A- by Best's Insurance Reports (property/liability) or in the two highest rating categories of S&P and Moody's. All insurance policies provided or caused to be provided by the Corporation shall expressly provide that the policies shall not be canceled or altered without thirty (30) days' prior written notice to the University and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the Corporation or other provider of the insurance that would otherwise

result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained.

All policies of liability insurance that the University is obligated to maintain according to this Facilities Lease (other than any policy of worker's compensation insurance) will name the Corporation, the Trustee and such other Persons or firms as the University may be required to name from time to time as additional insureds and shall expressly provide that the policies shall not be cancelled or altered without thirty (30) days' prior written notice to the Corporation and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the University or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained. All public liability, property damage liability, and casualty policies maintained by the University shall be written as primary policies.

Proceeds of insurance received and/or the amount of any loss that is self-insured with respect to destruction of or damage to any portion of the Facilities by fire, earthquake or other casualty or event shall be paid to the Trustee (or, in the case of ORM insurance, to the Board for delivery in full to the Trustee) for application in accordance with the provisions of Section 11 of this Facilities Lease and the Indenture.

The Corporation shall certify annually to the Bond Insurer that all insurance policies required by this Section 9 are as of the date of such certification in place and in effect.

Section 10. Condemnation, Casualty and Other Damage. The risk of loss or decrease in the enjoyment and beneficial use of the Facilities due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively "*Casualty*") or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Facilities by condemnation, expropriation, or eminent domain proceedings (collectively "*Expropriation*") is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental or any other obligation hereunder.

Section 11. Application of Insurance Proceeds; Condemnation Award. (a) If during construction, all or any portion of the Facilities is damaged or destroyed by a Casualty, or is taken by Expropriation proceedings, the Board shall instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration or replacement of the Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. Following the completion of construction and acceptance of the Facilities by the Board on behalf of the Corporation, the Board shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted, the repair, restoration, or replacement thereof. The proceeds of any insurance, including the proceeds of any self-insurance fund, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction or taking of all or any portion of the Facilities shall be delivered to the Trustee and held by the Trustee in trust (or in the case of self-insurance through ORM, as set forth in paragraph (b) below), and shall be made available for, and to the extent necessary be applied to, such restoration, repair and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement and repair of the Facilities with respect to which they are held, in each case promptly after receipt of a written request of the Corporation stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In

making such payments, the Trustee may conclusively rely upon such written requests and shall have no liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration or replacement of the Facilities shall be paid by Trustee in accordance with the terms of the Indenture.

In the event the proceeds of any insurance, and any additional funds deposited with the Trustee, are insufficient to fully repair, restore or replace the Facilities, the proceeds shall be paid to the Board for immediate delivery to Trustee and used to redeem the Outstanding Bonds.

Notwithstanding the foregoing, the Corporation's obligation to replace the Facilities in the event of Expropriation Proceedings is dependent on the Board entering into a lease with a different portion of the Campus as provided in Section 13.03 of the Ground Lease. In the event it is necessary to restore or replace the Facilities in a different location because of the Expropriation of all or a portion of the Facilities, the Corporation and the Board agree to amend or enter into a new Facilities Lease and Ground Lease in accordance with Sections 13.03 of the Ground Lease. In the event the Board, pursuant to the Ground Lease, decides not to repair, restore or replace the Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) shall be paid to the Board for immediate delivery to the Trustee and applied to the prepayment of the Bonds in accordance with the terms of the Indenture, and this Facilities Lease and the Ground Lease shall terminate on the date that the events described in Section 2 (a) or 2 (b) hereof have occurred.

(b) In the event that ORM insures the Facilities, the Board shall use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration or replacement of the Facilities.

Section 12. Encumbrances.

(a) *Payment by the Board.* The Board shall pay or cause to be paid all costs and charges for alterations, improvements, additions, repairs and maintenance ("*Work*") (i) done by the Board or caused to be done by the Board in or to the Facilities, and (ii) for all materials furnished for or in connection with such Work. The Corporation reserves all rights to collect for any loss or damage sustained or incurred by the Corporation resulting from any and all Encumbrances, demands or liabilities arising on account of the Work, which shall be payable by the Board as Additional Rent hereunder.

(b) *Failure to Discharge.* If the Board fails to pay any charge for which an Encumbrance has been filed, and the Facilities or any portion thereof is placed in imminent danger of being seized, the Corporation may, but shall not be obligated to, pay such charge and related costs and interest, and the amount so paid, together with reasonable Legal Expenses incurred in connection with such Encumbrance, will be immediately due from the Board to the Corporation as Additional Rental. Nothing contained in this Facilities Lease will be deemed the consent or agreement of the Corporation to subject the Corporation's interest in the Facilities to liability under any Encumbrance, or any mechanics', materialman's or other lien law. If the Board receives written notice that an Encumbrance has been or is about to be filed against the Facilities, or that any action affecting title to the Facilities has been commenced on account of Work done by or for the Board or for materials furnished to or for the Board, it shall immediately give the Corporation Notice of such notice.

(c) *Notice of Work.* At least fifteen (15) days prior to the commencement of any Work in or to the Facilities, by or for the University, the University shall give the Corporation Notice of the proposed Work and the names and addresses of the Persons supplying labor and materials for the proposed Work. The Corporation will have the right to post notices of nonresponsibility or similar written notices on the Facilities in order to protect the Facilities against any such claimants.

Section 13. Assignment and Sublease. (a) Neither this Facilities Lease nor any interest of the Board in the Facilities shall be mortgaged, pledged, assigned or transferred by the Board by voluntary act or by operation of law, or otherwise; provided, however, the Board may sublease all or any portion of the Facilities, or grant concessions involving the use of all or any portion of the Facilities, whether such concessions purport to convey a leasehold interest or a license to use all or a portion of the Facilities to any University student, faculty, staff or Permitted Sublessee. No such concession, leasehold interest or license to use the Facilities shall be granted to any University students, faculty or staff for a term of more than one (1) year, or to any Permitted Sublessee for a term of more than one (1) month. The Board shall, however, at all times remain liable for the performance of the covenants and conditions on its part to be performed under this Facilities Lease (including, without limitation, the payment of Base Rental and Additional Rental), notwithstanding any subletting or granting of concessions which may be made. Nothing herein contained shall be construed to relieve the Board from its obligations to pay Base Rental and Additional Rental as provided in this Facilities Lease or to relieve the Board from any other obligations contained herein. Other than subleases to University students, faculty, staff and Permitted Sublessees, in no event will the Board sublease or permit the use of all or any part of the Facilities to any person without an opinion of Bond Counsel that such will not cause interest on the Bonds to be included in the gross income of the owners of the Series 2004A Bonds and the Series 2004B Bonds for federal income tax purposes.

(b) The Corporation shall, concurrently with the execution hereof, assign all of its right, title and interest in and to this Facilities Lease, including without limitation its right to receive Base Rental payable hereunder, to the Issuer pursuant to the Agreement, and the Issuer will in turn assign its rights under this Facilities Lease to the Trustee pursuant to the Indenture. The parties hereto further agree to execute any and all documents necessary and proper in connection therewith. Anything required or permitted to be done by the Corporation under this Facilities Lease may be done by the Trustee under the Indenture.

(c) Except as set forth in Section 13(b) hereof, the Corporation shall not sell or assign its interest in the Facility or this Facilities Lease without the prior written consent of the Board.

Section 14. Additions and Improvements Removal. At the expiration of the Term, or termination of this Facilities Lease, all alterations, fixtures, improvements and additions made by the Board or the University and all equipment placed upon the Facilities that are incorporated into or made into component parts of the Facilities, as well as, title to all property, furniture, equipment, fixtures, and other property installed at or placed upon the Facilities by the Board which is not incorporated into or made a component part of the Facilities remain the property of the Board.

The Board hereby agrees to replace such property from time to time as such property becomes worn out, obsolete, inadequate, unsuitable or undesirable. The Board may add to or remove such property from time to time, and upon expiration of the Term, provided that the Board repairs any damage to the Facilities caused by such removal.

Section 15. Right of Entry. Representatives of the Corporation and the Bond Insurer shall, subject to reasonable security precautions, and upon giving the Board not less than twenty-four (24) hours

advance Notice, have the right to enter upon the Facilities during reasonable business hours (and in emergencies without notice and at all times) accompanied by a Board Representative (i) to inspect the same, (ii) for any purpose connected with the rights or obligations of the Corporation under this Facilities Lease, or (iii) for all other lawful purposes. Any right of access to any portion of the Facilities leased to the students, faculty, staff or Permitted Sublessees shall be subject to their rights pursuant to their rental agreements and University policy.

Section 16. Mortgage Prohibition. Except as set forth in the Indenture, the Ground Lease and the Agreement, the Corporation shall not be entitled to mortgage or grant a security interest in the Facilities.

Section 17. Sale of Facilities; Attornment; and Conveyance and Transfer of the Corporation's Interest. If a person other than the Corporation shall succeed to the rights of the Corporation hereunder (in any case with the prior written consent of the Board as required hereby), upon the declaration of the successor to the Corporation's interest in this Facilities Lease, the Board agrees to fully attorn to and recognize any such successor as the Board's landlord under this Facilities Lease upon the then existing terms of this Facilities Lease, provided that such successor shall agree in writing to accept the Board's attornment and not to disturb the Board's possession so long as the Board shall observe the provisions and all covenants of this Facilities Lease. This attornment provision shall inure to the benefit of any such successor and shall be self-operative upon the election and declaration by such successor, and no further instrument shall be required to give effect to the provisions. However, the Board agrees to evidence and confirm the foregoing attornment provisions by the execution and delivery of instruments in recordable form satisfactory to such successor.

If the Facilities, or any part thereof, shall be sold or otherwise transferred by sale, assignment, transfer or other contract, or by operation of law or otherwise (with the prior written consent of the Board as required hereby and with an opinion of Bond Counsel that such action will not cause interest on the Bonds to be included in the gross income of the owner of the Bonds for federal tax purposes), and if such written consent specifically so provides, the Corporation shall be automatically and entirely released and discharged to the extent of the interest in or the portion of the Facilities sold, assigned or transferred from and after the effective date of such sale, assignment or transfer of all liability for the performance of any of the covenants of this Facilities Lease on the part of the Corporation thereafter to be performed. The purchaser or other transferee of the Facilities shall be deemed to have agreed to perform such covenants of the Corporation from and after the date of such assignment or sale during such transferee's period of ownership of the Corporation's interest under this Facilities Lease, all without further agreement between the Corporation, its successor and the Board. The Corporation's transferee shall not be held responsible for the performance of any of the covenants of this Facilities Lease on the part of the Corporation required to be performed prior to such sale and transfer, the Board reserving its rights against the Corporation for any unperformed covenants prior to such sale or transfer.

Section 18. Quiet Enjoyment. The Corporation covenants that the Board, on paying the Rental and performing and observing all of the covenants and agreements herein contained and provided to be performed by the Board or the University, shall and may peaceably and quietly have, hold, occupy, use, and enjoy the Facilities during the Term and may exercise all of its rights hereunder; and the Corporation agrees to warrant and forever defend the Board's right to such occupancy, use, and enjoyment and the title to the Facilities against the claims of any and all persons whomsoever lawfully claiming the same, or any part thereof subject only to the provisions of this Facilities Lease.

Section 19. Environmental Compliance and Indemnity.

(a) *Environmental Compliance.* The Board or the University shall operate or cause to be operated the Facilities in compliance with all Environmental Requirements continuously during the Term, and for such periods of time prior to the Commencement Date and after the Expiration Date, as long as the Board is in possession of the Facilities, in whole or in part. The Board shall not cause or permit any Hazardous Substance to be brought upon, kept, or used in or about the Facilities or the Land, except for such Hazardous Substance as is necessary or useful to the operation of the Facilities.

(b) *The Board's Liability.* If the Board fails to comply with any of the foregoing warranties, representations, and covenants, and removal or Remediation of any Hazardous Substance found on the Facilities is required by Environmental Requirements or Governmental Authority, the Board shall promptly undertake the removal or Remediation of such Hazardous Substance, at the Board's sole cost and expense. In the event the Board fails or refuses to undertake such removal or Remedial actions, the Corporation may cause the removal or Remediation (or other cleanup reasonable acceptable to the Corporation) of any such Hazardous Substance from the Land or the Facilities. The reasonable costs of removal, Remediation, or any other cleanup (including transportation and storage costs) will be considered as Additional Rental under this Facilities Lease, whether or not a court has ordered the cleanup, and those costs will become due and payable within ninety (90) days of written demand by the Corporation. In connection therewith, the Board will give the Corporation, its agents, and employees access to the Facilities to remove, remediate, or otherwise clean up any Hazardous Substance. The Corporation, however, has no affirmative obligation to remove, remediate, or otherwise clean up any Hazardous Substance, and this Facilities Lease will not be construed as creating any such obligation. The Board hereby agrees that it shall be fully liable for all costs and expenses related to the use, storage, and disposal of any Hazardous Substance located in or about the Facilities by the Board.

Section 20. The Corporation's Reservation of Rights.

(a) The Corporation hereby reserves all of its rights to recover from the Board for any and all Claims asserted against the Corporation, including Litigation Expenses arising out of or by reason of:

(i) any injury to or death of any person or damage to property occurring on or about the Facilities occasioned by or growing out of or arising or resulting from any tortious or negligent act on the part of the Board in connection with the operation and management of the Facilities; or

(ii) any failure, breach, or default on the part of the Board in the performance of or compliance with any of the obligations of the Board under the terms of this Facilities Lease.

(b) Notwithstanding the fact that it is the intention of the parties that the Corporation shall not incur any pecuniary liability by reason of the terms of this Facilities Lease or the undertakings required of the Corporation hereunder, nevertheless, if the Corporation should incur any such pecuniary liability, then in that event, the Corporation shall be entitled to assert all rights and remedies granted in law or in equity to recover from the Board the amount of any pecuniary liability incurred by the Corporation, plus all Litigation Expenses incurred in defense of such liability to the extent subject to indemnification pursuant to Subsection (a) above.

(c) No recourse shall be had for the enforcement of any obligation, covenant, or agreement of the Corporation contained in this Facilities Lease or any Claim based thereon against the Corporation or of any successor thereto or member thereof, either directly or through the Corporation whether by virtue of any constitutional provision, statute, or rule of law. This Facilities Lease and the obligations of the Corporation hereunder, and any Claim asserted against the Corporation are solely corporate obligations, and the enforcement of any obligation or Claim shall be limited solely to the Corporation's interest in the Facilities. No personal liability shall attach to, or be incurred by, any officer, director,

agent, employee or member of the Corporation and the Board acknowledges that all personal liability of any character against every such officer, director, agent, employee or member by the execution of this Facilities Lease, is expressly waived and released. The immunity of any officer, director, agent, employee or member of the Corporation under the provisions contained in this Section 20 shall survive any acquisition of the Facilities by the Board and the expiration or other termination of this Facilities Lease.

Section 21. Default by the Board. If (i) the Board shall fail to deposit with the Trustee any Base Rental payment required to be so deposited pursuant to Section 6 hereof by the close of business on the day such deposit is required pursuant to Section 6 hereof, and shall fail to remedy such breach within five (5) days thereof, but in no event later than the date on which such payment is required to enable the Corporation to make payment on the Bonds (without use of moneys held in the Debt Service Reserve Fund), or (ii) the Board shall fail to pay or discharge any monetary obligation under this Lease (other than the payment of Base Rental) as and when due, or within thirty (30) days after receipt of Notice from the Corporation that such sums are due and owing; or (iii) the Board shall breach any non-monetary terms, covenants or conditions herein, and shall fail to remedy any such breach with all reasonable dispatch within a reasonable period of time (or such longer period as the Trustee may approve) after written notice thereof from the Corporation to the Board, then and in any such event the Board shall be deemed to be in default hereunder, and the Corporation shall have the right, at its option, without any further demand or notice to terminate this Facilities Lease on the earliest date permitted by law or on any later date specified in any Notice given to the Board, in which case the Board's right to possession of the Facilities will cease and this Facilities Lease will be terminated, without, however, waiving the Corporation's right to collect all Rental and other payments due or owing for the period up to the time the Corporation regains possession (which have been approved for payment under this Facilities Lease, but not paid by the Board), and to enforce other obligations of the Board which survive termination of this Facilities Lease, and in such event the Corporation may without any further demand or notice re-enter the Facilities and eject all parties in possession thereof, subject to the rights of students, faculty, staff and Permitted Sublessees. The foregoing remedies of the Corporation are in addition to and not exclusive of any other remedy of the Corporation. Any such re-entry shall be allowed by the Board without hindrance, and the Corporation shall not be liable in damages for any such re-entry or be guilty of trespass. The Corporation understands and agrees that upon its termination of the Board's right to possession of the Facilities or termination of this Facilities Lease, the Corporation upon its re-entry of the Facilities shall only be allowed to use the Facilities for the Permitted Use and shall be subject to all applicable Governmental Regulations heretofore or hereafter enacted by any Governmental Authority relating to the use and operation of the Facilities.

Notwithstanding any other provision of this Facilities Lease, (i) in no event shall the Corporation have the right to accelerate the payment of any Base Rental payment hereunder and (ii) the Bond Insurer shall have ninety (90) days to cure an Event of Default hereunder.

Notwithstanding anything contained in this Section 21 to the contrary, a failure by the Board to pay when due any payment required to be made under this Facilities Lease or a failure by the Board to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Facilities Lease, resulting from a failure by the Board to appropriate moneys shall not constitute an Event of Default under this Section 21 and the Corporation shall not have any of the remedial rights set forth in this Section 21. Notwithstanding the foregoing, in such event the Board acknowledges that the Facilities Lease shall terminate and the Board shall immediately vacate the Facilities, and deliver the Facilities to the Corporation.

Section 22. Cumulative Remedies. Each right and remedy provided for in this Facilities Lease is cumulative and is in addition to every other right or remedy provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise, and the

exercise or beginning of the exercise by the Corporation of any one or more of the rights or remedies provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise will not preclude the simultaneous or later exercise by the Corporation of any or all other rights or remedies provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise. All costs incurred by the Corporation in collecting any amounts and damages owing by the Board pursuant to the provisions of this Facilities Lease or to enforce any provision of this Facilities Lease, including reasonable Litigation Expenses from the date any such matter is turned over to an attorney, whether or not one or more actions are commenced by the Corporation, will also be recoverable by the Corporation from the Board. The waiver by the Corporation of any breach by the Board and the waiver by the Board of any breach by the Corporation of any term, covenant or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other term, covenant or condition hereof.

Section 23. Option to Purchase. For and in consideration of the obligations of the Board under the Facilities Lease, the mutual undertakings of the parties, the receipt and adequacy of which is hereby acknowledged, the Corporation grants to the Board an exclusive and irrevocable option to purchase for the price and on the terms, provisions, stipulations and conditions hereinafter set forth, all but not less than all of the Corporation's leasehold interest in the Facilities.

(a) *Effective Date.* The effective date of this Option agreement shall be the Commencement Date.

(b) *Term of Option.* The Option shall expire at midnight Central Standard Time, on the Expiration Date, or upon the termination of this Facilities Lease, whichever occurs first.

(c) *Limitation on Exercise of Option.* The Board may not exercise the Option, and the Option shall be voidable, at the sole election of the Corporation, if a Default by the Board has occurred and is continuing under the Facilities Lease, and the applicable time period in which the Board may cure such default has expired. Notwithstanding any provision of this Option to the contrary, the Board shall be entitled to exercise the Option as long as the Board is legally obligated to make payments of Base Rental under the Facilities Lease.

(d) *Exercise of Option.* The Board may exercise the Option herein granted at any time on or before expiration of the Term, on any Interest Payment Date on or after August 1, 2014 or on the date the Bonds are defeased pursuant to Article XII of the Indenture, by Notice to the Corporation of its election to exercise the Option and purchase the Corporation's interest in and to the Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase the Facilities.

(e) *Purchase Price.* The Purchase Price shall be equal to the principal of all Bonds then Outstanding plus the interest to accrue on such Bonds until the purchase date plus any prepayment penalties, charges or costs for early prepayment or defeasance of the Bonds and any Administrative Expenses owed prior to the purchase date which payments are necessary to discharge the Indenture pursuant to Article XII thereof (collectively, the "Purchase Price").

(f) *Effect on Facilities Lease and Ground Lease.* Upon the purchase of the Corporation's leasehold interest in the Facilities by the Board pursuant to this Option, the Facilities Lease and the Ground Lease shall terminate and all of the Corporation's leasehold interest in the Land and the Facilities shall terminate.

(g) *Payment of Purchase Price.* The Board, on the purchase date, shall deposit an amount equal to the Purchase Price with the Trustee.

(i) **Conveyance.** In the event of and upon the payment of the Purchase Price and any other sums due under this Facilities Lease by the Board, the Corporation will on the purchase date execute and deliver to the Board a written cancellation of the Ground Lease and this Facilities Lease.

(ii) **Assignment of Contract Rights and Obligations.** The conveyance of the Corporation's leasehold interest in the Facilities shall also effect a transfer and assignment of all rights, warranties and liabilities of the Corporation under then existing contracts of any nature with respect to the Facilities.

(h) **Closing.** In the event the Option is timely exercised, notice of the Board's election to the Corporation shall constitute an irrevocable conversion of the Option into a binding obligation of the Corporation to sell its leasehold interest in the Facilities and the Board to buy the same under the terms and conditions set forth in this Section 23, and in such event, the Corporation and the Board shall have the right to demand specific performance of this agreement by the other. The closing shall occur at the offices of the Board or its counsel, or at such other time, place, and date as agreed upon by the Corporation and the Board.

(i) **Closing Costs.** The Board shall pay all closing costs and charges incident to the conveyance of the Corporation's interest in the Land and the Facilities.

(j) **No Warranty.** The Corporation shall convey its leasehold interest in the Facilities without any warranty whatsoever of any nature. The conveyance of the leasehold interest in the Facilities shall be without any warranty as to fitness and condition, as set forth in Section 5 of this Facilities Lease. Language substantially similar to the language contained in Section 5 of this Facilities Lease shall be incorporated into and made a part of such conveyance. In no event shall the Corporation be responsible for any defects in title.

(k) **Default under the Option:**

(i) In the event the Option is exercised, and the Corporation fails to consummate the transactions contemplated herein for any reason, except default by the Board or the failure of the Board to satisfy any of the conditions set forth herein, the Board may, in addition to any other rights and remedies which may otherwise be available to the Board, enforce this agreement by specific performance. The Board's remedies under this Section are expressly subject to the provisions of Section 30 of this Facilities Lease.

(ii) In the event the Option is exercised; and the Board fails to consummate the transactions contemplated herein for any reason, except default by the Corporation or the failure of the Corporation to satisfy any of the conditions set forth herein, the Corporation (a) may enforce this agreement by specific performance and in such action shall have the right to recover damages suffered by reason of the Board's delay; or (b) may bring suit for damages for breach of this agreement.

(iii) No delay or omission in the exercise of any right or remedy accruing to either party upon any breach by the other party under this Section 23 shall impair such right or remedy or be construed as a waiver of any such breach theretofore or thereafter occurring. The waiver by either party of any condition or any subsequent breach of the same or any other term, covenant or condition contained in this Section 23 shall not be deemed to be a waiver of any other condition or of any subsequent breach of the same or of any other term, covenant or condition herein contained.

(l) *Attorney's Fees.* Should either party employ an attorney or attorneys to enforce any of the provisions hereof, or to protect its interest in any matter arising under this agreement, or to recover damages for the breach of this agreement, the party prevailing in any final judgment shall have the right to collect from the losing party all Litigation Expenses incurred in enforcing such rights.

(m) *Notices.* Any notices required or permitted under this Section 23 shall be in writing and delivered either in person to the other party, or the other party's authorized agent, or by United States Certified Mail, return receipt requested, postage prepaid, to the address set forth in Section 50 of this Facilities Lease, or to such other address as either party may designate in writing and delivered as herein provided.

(n) *Assignability.* Except as set forth in the Indenture, the Mortgage or the Ground Lease, the Option may not be assigned by the Corporation or its interest in the Facilities sold (subject to the Option or otherwise) to any person or entity without the Board's prior written consent, which consent may be withheld by the Board in its sole discretion.

(o) *Time of Essence:* Time is of the essence of this Option.

(p) *Binding Effect:* This Option shall be binding upon and shall inure to the benefit of the parties hereto and their heirs, successors and assigns.

Section 24. Severability. If any provisions of this Facilities Lease shall be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable, to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or Sections contained in this Facilities Lease shall not affect the remaining portions of this Facilities Lease, or any part thereof.

Section 25. Redemption of Bonds. The Corporation agrees that it will not exercise its option to redeem any Bonds pursuant to the Indenture unless the Board consents to such redemption or such redemption is to be effected with moneys derived from a source other than payments made by the Board under this Facilities Lease, however, in no event shall the mandatory redemption of any Bonds pursuant to the Indenture require the consent of the Board. The Corporation further agrees that if requested by the Board it will take all actions necessary to redeem all or any portion of the Bonds designated by the Board on the first date that it may do so under the terms of the Indenture so long as the Board agrees to provide funds in an amount, and at the time, required to effect such redemption.

Section 26. Additional Bonds. Upon the request and at the expense of the Board, the Corporation shall take action as may be required to effect the issuance of Additional Bonds in such amount as the Board may request as permitted by and in accordance with the provisions of the Indenture for any purpose permitted thereby.

Section 27. Execution. This Facilities Lease may be simultaneously executed in any number of counterparts, each of which when so executed shall be deemed to be an original, and all of which together shall constitute one and the same Facilities Lease.

Section 28. Law Governing. This Facilities Lease is made in the State under the constitution and laws of the State and is to be governed by the laws of the State.

Section 29. Nonappropriation of Funds. In the event no funds or insufficient funds are lawfully appropriated in any Fiscal Year enabling the payment of Base Rental and Additional Rental due during the next succeeding Fiscal Year, the Board will immediately notify the Corporation and the Trustee of such occurrence. On the first day of the month following the Base Rental payment date on which the last payment of Base Rental can be made in full from Lawfully Available Funds, this Facilities Lease shall terminate without penalty or expense to the Board of any kind whatsoever, except as to the portions of Base Rental and Additional Rental payments herein agreed upon for Fiscal Years for which sufficient funds have been lawfully appropriated. In the event of such termination, the Board agrees peaceably to surrender possession of the Facilities to the Corporation on the date of such termination in its original condition (normal wear and tear excepted). The Corporation will have all legal and equitable rights and remedies to take possession of the Facilities and re-let or sell the Facilities as the Corporation determines and as granted in this Facilities Lease. The Board acknowledges that the Corporation's rights to take possession and to re-let or sell the Facilities under this Section 29 may be assigned to the Trustee for the benefit of the owners of the Bonds, and the Board agrees that the Trustee shall be entitled to exercise all of the rights of the Corporation under this Section 29. The event of an inability by the Board to cause the appropriation of sufficient funds for the payment of sums due under this Facilities Lease shall not constitute a default hereunder, but shall ipso facto terminate this Facilities Lease. This provision is operative notwithstanding any provisions of this Facilities Lease to the contrary. The Board shall be considered in default hereunder if sufficient funds are lawfully appropriated for the payment of Rental required under this Facilities Lease and the Board fails to use lawfully appropriated funds for the payment of Rental. In such event, the Corporation shall be entitled to the rights and remedies set forth in Sections 21 and 22 hereof.

Section 30. Exculpatory Provision. In the exercise of the powers of the Corporation and its trustees, officers, employees and agents under this Facilities Lease and the Indenture, the Corporation shall not be accountable or liable to the Board (i) for any actions taken or omitted by it or its officers, employees or agents in good faith and believed by it or them to be authorized or within their discretion or rights or powers conferred upon them, or (ii) for any claims based on this Facilities Lease against any officer, employee or agent of the Corporation in his or her personal capacity, all such liability, if any, being expressly waived by the Board by the execution of this Facilities Lease. Nothing in this Facilities Lease or the Indenture is intended to require or obligate, nor shall anything herein or therein be interpreted to require or obligate, the Corporation for any purpose or at any time whatsoever, to provide, apply or expend any funds coming into the hands of the Corporation other than the funds derived from the issuance of the Bonds under the Indenture and moneys derived pursuant to the Indenture and this Facilities Lease.

The Board specifically agrees to look solely to the Corporation's interest in the Facilities for the recovery of any judgments from the Corporation. It is agreed that the Corporation will not be personally liable for any such judgments, or incur any pecuniary liability as a result of this Facilities Lease to the Board, or the breach of its obligations hereunder. The Corporation's liability under this Facilities Lease is "in rem" as to its interest in the Facilities. The provisions contained in the preceding sentences are not intended to and will not limit any right that the Board might otherwise have to obtain injunctive relief against the Corporation or relief in any suit or action in connection with enforcement or collection of amounts that may become owing or payable under or on account of insurance maintained by the Corporation.

Section 31. Amendments. This Facilities Lease may be amended only as permitted in Article VIII of the Agreement.

Section 32. Recording. The Corporation covenants and agrees that it will promptly record and from time to time re-record a memorandum in recordable form of this Facilities Lease and the

Indenture and all supplements thereto and hereto in such manner and in such places as may be required by law in order to fully protect and preserve the security of the holders or owners of the Bonds.

Section 33. Construction Against Drafting Party. The Corporation and the Board acknowledge that each of them and their counsel have had an opportunity to review this Facilities Lease and that each Party was responsible for the drafting thereof.

Section 34. Time of the Essence. Time is of the essence of each and every provision of this Facilities Lease.

Section 35. No Waiver. The waiver by the Corporation of any agreement, condition, or provision contained in this Facilities Lease will not be deemed to be a waiver of any subsequent breach of the same or any other agreement, condition, or provision contained in this Facilities Lease, nor will any custom or practice that may grow up between the parties in the administration of the terms of this Facilities Lease be construed to waive or to lessen the right of the Corporation to insist upon the performance by the Board in strict accordance with the terms of this Facilities Lease. The subsequent acceptance of Rental by the Corporation will not be deemed to be a waiver of any preceding breach by the Board of any agreement, condition, or provision of this Facilities Lease, other than the failure of the Board to pay the particular Rental so accepted, regardless of the Corporation's knowledge of such preceding breach at the time of acceptance of such Rental.

Section 36. Survival. To the extent permitted by law and to the extent such will not constitute the incurrence of debt by the Board, all of the Corporation's remedies and rights of recovery under Sections 19 and 20 of this Facilities Lease shall survive the Term and/or the purchase of the Facilities by the Board under the Option.

Section 37. Counterparts. This Facilities Lease may be executed in any number of counterparts, each of which shall be an original, but all of which shall together constitute one and the same instrument.

Section 38. Estoppel Certificates. At any time and from time to time but within ten (10) days after prior written request by the Corporation, the Board will execute, acknowledge, and deliver to the Corporation, promptly upon request but only to the extent accurate, a certificate certifying (i) that this Facilities Lease is unmodified and in full force and effect or, if there have been modifications, that this Facilities Lease is in full force and effect, as modified, and stating the date and nature of each modification; (ii) the date, if any, to which Rental and other sums payable under this Facilities Lease have been paid; (iii) that no Notice of any default has been delivered to the Corporation which default has not been cured, except as to defaults specified in said certificate; (iv) that there is no Event of Default under this Facilities Lease or an event which, with Notice or the passage of time, or both, would result in an Event of Default under this Facilities Lease, except for defaults specified in said certificate; and (v) such other matters as may be reasonably requested by the Corporation. Any such certificate may be relied upon by any prospective purchaser or existing or prospective mortgagee of the Facilities or any part thereof. The Board's failure to notify the Corporation of any inaccuracies in the proposed certificate within the specified time period shall be conclusive evidence that the matters set forth in the certificate are accurate and correct.

Section 39. Waiver of Jury Trial. The Corporation and the Board waive trial by jury in any action, proceeding, or counterclaim brought by either of the Parties to this Facilities Lease against the other on any matters whatsoever arising out of or in any way connected with this Facilities Lease, the relationship of the Corporation and the Board, the Board's use or occupancy of the Facilities, or any other Claims, and any emergency statutory or any other statutory remedy.

Section 40. Written Amendment Required. No amendment, alteration, modification of, or addition to the Facilities Lease will be valid or binding unless expressed in writing and signed by the Corporation and the Board and consented to the extent required by Article VIII of the Agreement.

Section 41. Entire Agreement. This Facilities Lease, the exhibits and addenda, if any, contain the entire agreement between the Corporation and the Board. No promises or representations, except as contained in this Facilities Lease, have been made to the Board respecting the condition or the manner of operating the Facilities.

Section 42. Signs. The Board may attach any sign on any part of the Facilities, or in the halls, lobbies, windows, or elevator banks of the Facilities, without the Corporation approval. The Board may name the Facilities and change the name, number, or designation of the Facilities, without the Corporation's prior consent.

Section 43. Litigation Expenses. The Board will pay the Corporation as Additional Rental all reasonable Litigation Expenses and all other reasonable expenses which may be incurred by the Corporation in enforcing any of the obligations of the Board under this Facilities Lease, in exercising its rights to recover against the Board for loss or damage sustained in accordance with the provisions of this Facilities Lease, or in any litigation or negotiation in which the Corporation shall, without its fault, become involved through or because of this Facilities Lease.

Section 44. Brokers. The Corporation and the Board respectively represent and warrant to each other that neither of them has consulted or negotiated with any broker or finder with regard to the Facilities.

Section 45. No Easements for Air or Light. Any diminution or shutting off of light, air, or view by any structure that may be erected on any of the lands constituting the Facilities, or on lands adjacent to the Facilities, will in no way affect this Facilities Lease or impose any liability on the Corporation. This Facilities Lease does not grant any rights to light, view and/or air over the Facilities whatsoever.

Section 46. Binding Effect. The covenants, conditions, and agreements contained in this Facilities Lease will bind and inure to the benefit of the Corporation and the Board and their respective permitted successors and assigns.

Section 47. Rules of Interpretation. The following rules shall apply to the construction of this Facilities Lease unless the context requires otherwise: (a) the singular includes the plural and the plural includes the singular; (b) words importing any gender include the other genders; (c) references to statutes are to be construed as including all statutory provisions consolidating, amending or replacing the statute to which reference is made and all regulations promulgated pursuant to such statutes; (d) references to "writing" include printing, photocopy, typing, lithography and other means of reproducing words in a tangible visible form; (e) the words "including" "includes" and "include" shall be deemed to be followed by words "without limitation"; (f) references to the introductory paragraph, preliminary statements, articles, sections (or subdivision of sections), exhibits, appendices, annexes or schedules are to those of this Facilities Lease unless otherwise indicated; (g) references to agreements and other contractual instruments shall be deemed to include all subsequent amendments and other modifications to such instruments; (h) references to Persons include their respective successors and assigns to the extent successors or assigns are permitted or not prohibited by the terms of this Facilities Lease; (i) any accounting term not otherwise defined has the meaning assigned to it in accordance with generally accepted accounting principles; (j) "or" is not exclusive; (k) provisions apply to successive events and transactions; (l) references to documents or agreements which have been terminated or released or which

have expired shall be of no force and effect after such termination, release, or expiration; (m) references to mail shall be deemed to refer to first-class mail, postage prepaid, unless another type of mail is specified; (n) all references to time shall be to Hammond, Louisiana time; (o) references to specific persons, positions, or officers shall include those who or which succeed to or perform their respective functions, duties, or responsibilities; and (p) the terms "herein", "hereunder" "hereby" "hereof," and any similar terms refer to this Facilities Lease as a whole and not to any particular articles, section or subdivision hereof.

Section 48. Relationship of Parties. The relationship of the Parties shall be one of lessor and lessee only, and shall not be considered a partnership, joint venture, license arrangement or unincorporated association. The Corporation is not controlled by the Board or under the control of any Person also in control of the Board.

Section 49. Law Between the Parties. This Facilities Lease shall constitute the law between the Parties, and if any provision of this Facilities Lease is in conflict with the provisions of "Title IX - Of Lease" of the Louisiana Civil Code, Articles 2669 through 2777, inclusive, the provisions of this Facilities Lease shall control.

Section 50. Notices. All notices, filings and other communications ("Notice") shall be in writing and shall be sufficiently given and served upon the other parties if delivered by hand directly to the persons at the addresses set forth below, or shall be sent by first class mail, postage prepaid, addressed as follows:

DESCRIPTION OF FACILITIES

Phase One

Phase One of the housing development is comprised of two primary elements:

 - (a) Holloway Smith Hall (to occur March, 2004)
 - (b) Hammond Hall (to occur March, 2004)
 - (c) Carter Harris Hall (to occur May / June, 2004)
2. Construction of a new residence hall ("Residence Hall I") to provide approximately seven hundred fourteen (714) student beds in a mix of private and shared occupancy suites (scheduled to open January, 2005)

The total scope has yet to be determined. Construction of Residence Hall I (169,032 square feet)

Residence Hall I shall be comprised of four wood-frame buildings with partial brick and hardi-plank exteriors. There shall be approximately three hundred sixty-four (357) units of two-bedroom / one-bathroom suites configured for private and shared occupancy, yielding a total of approximately seven hundred twenty-eight (714) beds. One hundred seventy-nine (179) of the units are designed for private occupancy (358 total beds) and one hundred seventy-eight (178) of the units are designed for shared occupancy (356 total beds). Additionally, the Residence Hall I phase shall include a common area laundry facility in two of the buildings and resident manager units in two of the buildings. In each building, community meeting rooms and tenant mail facilities shall be provided.

The first phase of development includes a park at the main entrance and an approximately 2,000 square feet maintenance facility for use by the property manager. Residence Hall I is scheduled for completion by January 1, 2005.

Phase Two

Phase Two of the housing development is comprised of:

2. Hazardous materials abatement and demolition of Lee Hall.

Whenever the provisions of a statute or the Articles of Incorporation, or any of these By-laws require or permit notice to be given to any Director or Officer, it shall not be construed to require personal notice, but any such notice may be given in writing by depositing the same in a post office or letter box in a prepaid, sealed wrapper, or by facsimile transmission by telephone ("**Fax**"), in either case addressed to such Director or Officer at his address as such address appears on the books of the Corporation. Any Director or Officer may waive, in writing or by Fax, any notice required or permitted to be given under any provisions of any statute or of the Articles of Incorporation or of these By-laws, either before, at, or after the meeting or other event of which notice is so provided. All Directors or Officers present at any meeting shall be deemed to have waived any and all notice thereof.

ARTICLE XI

INDEMNIFICATION OF OFFICERS AND DIRECTORS

The Corporation shall indemnify and hold harmless any person who was or is party or is threatened to be made party to any action, suit or proceeding, whether civil, criminal, administrative or investigative (including any action by or in the right of the Corporation) by reason of the fact that the person is or was:

- a) A Director, Officer, employee, incorporator or agent of the Corporation; and/or,
- b) Serving at the request of the Corporation as a Director, Officer, employee, incorporator or agent of another business, foreign or nonprofit corporation, partnership, joint venture or other enterprise.

(collectively "**Protected Group**") against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit, or proceeding if the person acted in good faith and in a manner reasonably believed to be in or not opposed to the best interest of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that their conduct was unlawful; provided that in case of actions by or in the right of the Corporation, the indemnity shall be limited to expenses (including attorneys' fees and amounts paid in settlement not exceeding, in the judgment of the

Board, the estimated expense of litigating the action to conclusion) actually and reasonably incurred in connection with the defense or settlement of such action.

No indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of their duty to the Corporation unless and only to the extent that the court shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, they are fairly and reasonably entitled to indemnity for such expense which the court shall deem proper.

The termination of any action, suit or proceeding by judgment, order settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which they reasonably believed to be in or not opposed to the best interest of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that their conduct was unlawful.

To the extent that a member of the Protected Group has been successful on the merits or otherwise in defense of any such action, suit or proceeding, or in defense of any claim, issue or matter therein, they shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by them in connection therewith.

This indemnification (unless ordered by the court) shall be made by the Corporation only as authorized in a specific case upon a determination that the applicable standard of conduct has been met. Such determination shall be made by (a) the Board by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding, or (b) if such a quorum is not obtainable or a quorum of disinterested Directors so directs, by independent legal counsel.

The expenses incurred in defending such an action, suit or proceeding shall be paid by the Corporation in advance of the final disposition thereof if authorized by the Board in the manner provided above, upon receipt of an undertaking by or on behalf of the member of the Protected Group to repay such amount unless it shall ultimately be determined that they are entitled to be indemnified by the Corporation as authorized hereunder.

The foregoing indemnification shall not be exclusive of other rights to which any member of the Protected Group may be entitled as a matter of law, and shall inure to the benefit of any member of the Protected Group's heirs and legal representatives.

The Corporation may procure insurance on behalf of any member of the Protected Group against any liability asserted against or incurred by the person in any such capacity, or arising out the person's status as such, whether or not the Corporation would have the power to indemnify the person against such liability under the laws of the State of Louisiana.

ARTICLE XII

SEAL

SECTION 1: Corporation Seal. The Corporation may use a seal of such design as may be adopted by the Board.

SECTION 2: Necessity of Seal. Failure to affix the seal shall not affect the validity of any instrument.

ARTICLE XIII

AMENDMENTS

These By-laws may be altered or amended or repealed by the affirmative vote of two-thirds (2/3rds) of the Board at any regular meeting or at any special meeting of the Board called for that purpose; provided, however, that no change of the time or place of the election of Directors shall be made within fifty (50) days preceding the day on which such election is to be held, and that in the case of any change of such time or place, notice thereof shall be given to each Director at least twenty (20) days before the election is held.

ARTICLE XIV

DISSOLUTION

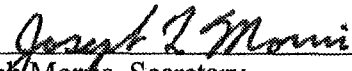

SECTION 1: Procedure. The Corporation shall use its funds only to accomplish the Mission and Corporate Objectives, and no part of the funds shall inure, or be distributed to any Director, Officer or other person. On dissolution of the Corporation, any funds remaining shall be distributed to the University.

ARTICLE XV

GENERAL LAWS OF LOUISIANA

SECTION 1: General Laws. Any matters not heretofore covered by these By-laws or the Articles of Incorporation shall be governed by the provisions of the laws of the State of Louisiana.

I certify that the foregoing Restated By-laws were adopted by the members of the Board of Directors of the Corporation on the 5th day of November, 2013, and amended on October 26, 1998; June 21, 2000; August 10, 2004; and August 6, 2013.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in sections 509(a)(1) and 170(b)(1)(A)(iv).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, if you are involved in an excess benefit transaction, that transaction might be subject to the excise taxes of section 4958. Additionally, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please contact your key district office.

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

UNIVERSITY FACILITIES INC

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of Code sections 2055, 2106, and 2522.

Contribution deductions are allowable to donors only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. See Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, which sets forth guidelines regarding the deductibility, as charitable contributions, of payments made by taxpayers for admission to or other participation in fundraising activities for charity.

In the heading of this letter we have indicated whether you must file Form 990, Return of Organization Exempt From Income Tax. If Yes is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. However, if you receive a Form 990 package in the mail, please file the return even if you do not exceed the gross receipts test. If you are not required to file, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding \$1,000,000 in any year, the penalty is \$100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding \$1,000,000 shall not exceed \$50,000. This penalty may also be charged if a return is not complete, so be sure your return is complete before you file it.

You are required to make your annual return available for public inspection for three years after the return is due. You are also required to make available a copy of your exemption application, any supporting documents, and this exemption letter. Failure to make these documents available for public inspection may subject you to a penalty of \$20 per day for each day there is a failure to comply (up to a maximum of \$10,000 in the case of an annual return).

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

UNIVERSITY FACILITIES INC

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

As part of a continuing program, we periodically examine the operations of tax-exempt organizations. The purpose of this program is to determine whether the organizations are operating within the scope of the laws under which they are granted exemption. Therefore, you should keep information that would show that you are operating for section 501(c)(3) purposes. The information should include the training given to the child care providers, number of inspections, reports submitted to the state, and other pertinent information about your activities. You should also keep records of your income and your disbursements of funds.

This determination is based on evidence that your funds are dedicated to the purposes listed in section 501(c)(3) of the Code. To assure your continued exemption, you should keep records to show that funds are expended only for those purposes. If you distribute funds to other organizations, your records should show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), there should be evidence that the funds will remain dedicated to the required purposes and that they will be used for those purposes by the recipient.

If you are a wholly-owned instrumentality of a state or a political subdivision of a state, wages paid for services performed for you are not subject to unemployment taxes under the Federal Unemployment Tax Act (FUTA) or to any portion of the social security taxes under the Federal Insurance Contributions Act (FICA). Wages of your employees hired after March 31, 1986 are subject to only the medicare portion of the social security tax. If you want full social security coverage for your employees, it may be obtained only by an agreement under section 218 of the Social Security Act between the state and the Secretary of Health and Human Services.

Any questions you may have concerning your liability for FICA or FUTA taxes should be addressed to the Internal Revenue Service, Office of the Associate Chief Counsel (Employee Benefits and Exempt Organizations), CC:EBO, Room 5213, P. O. Box 7604, Ben Franklin Station, Washington, D.C. 200044.

If your organization conducts fund-raising events such as benefit dinners, auctions, membership drives, etc., where something of value is received in return for contributions, you can help your donors avoid difficulties with their income tax returns by assisting them in determining the proper tax treatment of their contributions. To do this you should, in advance of the event, determine the fair market value of the benefit received and state it in your fund-raising materials such as solicitations, tickets, and receipts in such a way that your donors can determine how much is deductible and how much is not. To assist you in this, the Service has issued Publication 1391, Deductibility of Payments Made to Charities Conducting Fund-Raising Events. You may obtain copies of Publication 1391 from your local IRS Office. Guidelines for deductible amounts are also set forth in Revenue Ruling 67-246, 1967-2 C.B. 104 and Revenue Procedure 90-12, 1990-1 C.B. 471 and Revenue Procedure 92-49, 1992-26 I.R.B. 18.

The value of time or personal services contributed to your organization by volunteers is not deductible by those volunteers as a charitable contribution for Federal income tax purposes. You should advise your volunteers to this effect.

Guidelines under which private foundations may rely on this determination, for gifts, grants, and contributions made after March 13, 1989, were liberalized and published in Rev. Proc. 89-23, Cumulative Bulletin 1989-1, page B44.

The failure of the Board to insist in any one or more cases upon the strict performance of any of the covenants of this Ground Lease, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment of future breaches of such covenant or option.

Section 18.08 Curative Matters. Except for the express representations and warranties of the Board set forth in this Ground Lease, any additional matters necessary or desirable to make the Land useable for the Corporation's purpose shall be undertaken, in the Corporation's sole discretion, at no expense to the Board. The Corporation shall notify the Board in writing of all additional matters undertaken by the Corporation to make the Land usable for the Corporation's purpose.

Section 18.09 Nonwaiver. No waiver by the Board or the Corporation of a breach of any of the covenants, conditions, or restrictions of this Ground Lease shall constitute a waiver of any subsequent

breach of any of the covenants, conditions or restrictions of this Ground Lease. The failure of the Board or the Corporation to insist in any one or more cases upon the strict performance of any of the covenants of the Ground Lease, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment for the future of such covenant or option. A receipt by the Board or acceptance of payment by the Board of Rent with knowledge of the breach of any covenant hereof shall not be deemed a waiver of such breach. No waiver, change, modification or discharge by the Board or the Corporation of any provision of this Ground Lease shall be deemed to have been made or shall be effective unless expressed in writing and signed by the party to be charged.

In addition, the Mortgage (as defined in the Indenture) shall be amended to encumber any such Additional Facilities and any revenues derived therefrom to secure the Bonds and any debt incurred to finance such Additional Facilities.

(j) The University shall maintain its policy of requiring all unmarried, full-time undergraduate students with less than 60 credit hours to live in on-campus residence halls. It is understood that the University currently permits certain exceptions to that policy and, except as set forth in Section 4(h) above, the University may continue to permit those exceptions but it shall make no voluntary revisions to such policy that would reduce the number of students required to live in on-campus residence halls (including, without limitation, reducing the number of credit hours to less than 60, increasing the course-load required for status as a "full-time" student or modifying any existing

exemptions from the policy), until the Bonds have been paid in full or the Bond Insurer consents in writing to a change in such policy.

(k) The University shall actively promote the Series 2004 Facilities as a housing alternative and an integral part of the housing system of the University. The University shall, among other things, provide housing brochures to prospective students and allow signs to be posted to promote the Series 2004 Facilities.

Section 4. Representations and Covenants of the Corporation. The Corporation makes the following representations and covenants:

(a) The Corporation has been validly created under the Louisiana Nonprofit Corporation Law, is currently in good standing under the laws of the State, has the power to enter into the transactions contemplated by, and to carry out its obligations under this Facilities Lease, the Ground Lease and the Agreement. The Corporation is not in breach of or in default under any of the provisions contained in any contract, instrument or agreement to which it is a party or in any other instrument by which it is bound. By proper action, the Corporation has been duly authorized to execute and deliver this Facilities Lease, the Ground Lease and the Agreement;

(b) The execution and delivery of this Facilities Lease, the Ground Lease and the Agreement, and compliance with the provisions thereof and hereof, will not conflict with or constitute on the part of the Corporation a violation of, breach of, or default under any statute, indenture, mortgage, declaration or deed of trust, loan agreement or other agreement or instrument to which the Corporation is a party or by which the Corporation is bound or any order, rule or regulation of any court or Governmental Agency or body having jurisdiction over the Corporation or any of its activities or properties; and all consents, approvals and authorizations which are required of the Corporation for the consummation of the transactions contemplated thereby and hereby have been or timely will be obtained;

(c) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending or threatened against or affecting the Corporation, wherein an unfavorable decision, ruling or finding would materially and adversely affect the transactions contemplated hereunder or which in any way would adversely affect the validity or enforceability of this Facilities Lease, the Ground Lease or any agreement or instrument to which the Corporation is a party;

(d) The Corporation will not take or permit to be taken any action which would have the effect, directly or indirectly, of causing interest on any of the Bonds to be included in gross income for federal income tax purposes.

Section 5. Waiver and Disclaimer of Warranties. The Board acknowledges that the Corporation has not made any representations or warranties as to the suitability or fitness of the Facilities for the needs and purposes of the Board or for any other purpose.

The Board further declares and acknowledges that the Corporation in connection with this Facilities Lease, does not warrant that the Facilities will be upon completion of construction free from redhibitory or latent defects or vices and releases the Corporation of any liability for redhibitory or latent defects or vices under Louisiana Civil Code Articles 2520 through 2548 and Louisiana Civil Code Article 2695. The Board declares and acknowledges that it does hereby waive the warranty of fitness for intended purposes and guarantee against hidden or latent redhibitory defects and vices under Louisiana law, including Louisiana Civil Code Articles 2520 through 2548 and Louisiana Civil Code Article 2695, and the warranty imposed by Louisiana Civil Code Articles 2476 and 2695, and waives all rights in redhibition pursuant to Louisiana Civil Code Articles 2520, et seq. The Board further declares and

acknowledges that this waiver has been brought to the attention of the Board and explained in detail and that the Board has voluntarily and knowingly consented to this waiver of warranty of fitness and/or warranty against redhibitory defects and vices for the Facilities. Notwithstanding the foregoing, the Board hereby retains all of its rights to proceed against any third parties with respect to such defects.

The Corporation disclaims and the Board waives any warranties and representations with respect to compliance with Governmental Regulations, including Environmental Requirements, or the disposal of, or existence in, on, under, or about the Facilities of any Hazardous Substance. The Board acknowledges that the Corporation reserves in this Facilities Lease all rights to recover from the Board all costs and expenses imposed on the Corporation to bring the Facilities into compliance with any Environmental Requirement, and all costs of Remediation or cleanup of such Hazardous Substance imposed on the Corporation or the Board, which shall be payable by the Board as Additional Rental hereunder to the extent imposed upon the Corporation.

Section 6. Rental

(a) The Board, for and in consideration of the Corporation entering into the Ground Lease, renovating and/or constructing the Facilities in accordance with the Ground Lease and leasing the Facilities to the Board pursuant to the terms hereof, hereby covenants and agrees to pay the Base Rental and Additional Rental in the amounts, subject to amounts for which the Board is entitled to a credit as described in Section 6(d) hereof, at the times and in the manner set forth herein, such amounts constituting in the aggregate the total of the rental payable under this Facilities Lease. The obligation of the Board to make Base Rental and Additional Rental payments shall commence on the Commencement Date and shall not be subject to abatement, set-off or reduction as a result of a failure by the Corporation to complete construction of the Facilities on a timely basis.

(b) The Board agrees to pay Base Rental from Lawfully Available Funds. Payments of Base Rental shall be due on the dates and in the amounts as hereinafter provided:

(i) With respect to the Bonds that bear interest at a Fixed Rate, on the twenty-fifth (25th) day of each month, commencing _____ 25, 2013, in an amount equal to one-sixth (1/6th) of the interest due and payable on such Bonds on the next February 1 and August 1, or such lesser amount that, together with amounts already on deposit in the Interest Account of the Debt Service Fund will be sufficient to pay interest on such Bonds on such Interest Payment Date; and

(ii) With respect to the Auction Rate Bonds, two (2) Business Days prior to each Interest Payment Date for the Auction Rate Bonds, commencing _____, 2013, in an amount equal to the interest due and payable on the Auction Rate Bonds on such Interest Payment Date or such lesser amount that, together with amounts already on deposit in the Interest Account of the Debt Service Fund will be sufficient to pay interest on such Auction Rate Bonds on such Interest Payment Date;

(iii) With respect to the Variable Rate Bonds, two (2) Business Days prior to each Interest Payment Date, commencing on the Interest Payment Date immediately succeeding the applicable Variable Rate Conversion Date, an amount equal to the interest due and payable on the Variable Rate Bonds on such Interest Payment Date or such lesser amount that, together with amounts already on deposit in the Interest Account of the Debt Service Fund will be sufficient to pay interest on such Variable Rate Bonds on such Interest Payment Date;

(iv) On the twenty-fifth (25th) day of each month, commencing _____ 25, 2013, in an amount equal to one-twelfth (1/12th) of the principal of the Bonds payable on the next Principal Payment Date;

(v) On the dates required in the Indenture, to the Trustee for deposit into any of the funds established in the Indenture, including, without limitation, the Debt Service Reserve Fund and the Replacement Fund, an amount sufficient to make up any deficiency in any prior payment required to be made into such fund and to restore any loss resulting from investment or other causes from such fund and any other payment required to be made to such fund by the Indenture; and

(vi) Annually, beginning June 25, 2014, an amount equal to \$_____ (representing one-half of one percent (1/2%) of the construction cost of the Facilities), into the Replacement Fund, or such lesser annual amount as is permitted by the Louisiana State Board of Regents and approved by the Bond Insurer.

(c) In addition to the Base Rental set forth herein, the Board agrees to pay as Additional Rental any and all expenses, of every nature, character, and kind whatsoever, incurred by the Corporation on behalf of the Board and/or by the Board or the University in the management, operation, ownership, and/or maintenance of the Facilities, to the extent such expenses are not paid by the Management Company under any Management Contract, including but not limited to the following costs and expenses:

(i) all taxes, assessments and impositions against the Facilities, including without limitation ad valorem taxes attributed to the Corporation on behalf of the Board (and any tax levied in whole or in part in lieu of or in addition to ad valorem taxes);

(ii) any costs incurred by the Corporation in maintaining the Facilities for the Board and making any alterations, restorations and replacements to the Facilities;

(iii) insurance premiums and other charges for insurance obtained with respect to the Facilities including insurance premiums, if any, on all insurance required under the provisions of Section 9 of this Facilities Lease;

(iv) any Default or Delay Rentals;

(v) all costs incurred by the Corporation in connection with its performance of its obligations relating to the Facilities and/or the Land under the Ground Lease and this Facilities Lease;

(vi) all Administrative Expenses owed to the Issuer or the Trustee;

(vii) Litigation Expenses, if any, incurred pursuant to Section 43 hereof;

(viii) any reimbursement amounts payable pursuant to Section 20 hereof or pursuant to any other provision hereof; and

(ix) any other costs, charges, and expenses commonly regarded as ownership, management, maintenance, and operating expenses, if any, incurred by the Corporation under this Facilities Lease.

Amounts constituting Additional Rental payable hereunder shall be paid by the Board directly to the person or persons to whom such amounts shall be due. The Board shall pay all such amounts when due or within thirty (30) days after notice in writing from the Corporation, the Management Company, or the Trustee to the Board stating the amount of the Additional Rental then due and the purpose thereof.

(d) The Board shall be entitled to a credit against and reduction of each Base Rental payment in an amount equal to any amounts derived from the following sources:

(i) Accrued interest derived from the sale of the Bonds;

(ii) Any capitalization of interest from the proceeds of the Bonds contained in the Capitalized Interest Fund under the Indenture;

(iii) the Rents and any other moneys deposited with the Trustee in the Receipts Fund in accordance with the Indenture and the Management Agreement.

(iv) Surplus moneys (including investment earnings) contained in the funds and accounts held by the Trustee under the Indenture, including the Debt Service Fund, the Debt Service Reserve Fund and the Replacement Fund;

(e) Notwithstanding any other provision of the Facilities Lease, the obligation of the Board to make payments under this Facilities Lease, including payments of Base Rental and Additional Rental, shall be subject to, and dependent upon, appropriation of Legally Available Funds necessary to make the payments required under this Facilities Lease. The Vice President for Finance and Administration of the Board shall cause the University to include in the Budget and, if necessary, any amendments to the Budget, an amount of Lawfully Available Funds sufficient to make the payments of Base Rental and Additional Rental described herein which amounts may or may not ultimately be appropriated by the Board for such purpose. Subject to the foregoing and Section 29 hereof, the obligations of the Board to make payments pursuant to this Facilities Lease, and to perform and observe the other agreements and covenants on its part contained herein, shall be absolute and unconditional and shall not be subject to any diminution, abatement, set-off, or counterclaim. Subject to the foregoing and Section 29 hereof, until such time as the principal of, premium, if any, and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with this Facilities Lease, the Board shall not suspend or discontinue payment of Rental or any other payments pursuant to this Facilities Lease for any cause, and shall continue to perform and observe all of its agreements contained in this Facilities Lease. The Corporation and the Board acknowledge and agree that the obligation of the Board to pay Rental shall constitute a current expense of the Board payable by the Board from funds budgeted and appropriated in accordance with law for and in consideration of the right to use the Facilities during the Term and that such obligation shall not in any manner be construed to be a debt of the Board in contravention of any constitutional or statutory limitations or requirements concerning indebtedness of the Board and nothing contained herein shall constitute a pledge, lien or encumbrance upon any specific tax or other revenues of the Board.

(f) The payments of Base Rental and Additional Rental under this Facilities Lease for each Fiscal Year or portion thereof during the Term shall constitute the total Rental for such Fiscal Year or portion thereof and shall be paid by the Board for and in consideration of the construction by the Corporation of the Facilities and the right to the use and occupancy of the Facilities by the Board for and during such Fiscal Year or portion thereof.

(g) Amounts necessary to pay each Base Rental payment shall be deposited by the Board on the dates set forth in Section 6(b) hereof in lawful money of the United States of America at the office of the Trustee or at such other place or places as may be established by the Corporation and/or Trustee in accordance with the Indenture. Any amount necessary to pay any Base Rental payment or portion thereof which is not so deposited shall remain due and payable until received by the Trustee. Notwithstanding any dispute between the Board and the Corporation hereunder, the Board shall make all Rental payments

when due and shall not withhold payment of any Rental pending the final resolution of such dispute or for any other reason whatsoever.

(h) This Facilities Lease is intended to be a triple net lease. The Board agrees that the Rental provided for herein shall be an absolute net return to the Corporation free and clear of any expenses, charges, taxes, abatements, counterclaims, reductions or set-offs whatsoever of any kind, character or nature; it being understood and agreed to by the Board that the Board shall bear responsibility for the payment of all costs and expenses associated with the ownership, management, operation, and maintenance of the Facilities. Under no circumstances will the Corporation be required to make any payment on the Board's behalf or for the Board's benefit under this Facilities Lease, or assume any monetary obligation of the Board under this Facilities Lease, or with respect to the Facilities.

(i) The State, through the Division of Administration, is not, at any time whatsoever, obligated, committed or required to provide funds by legislative appropriation or any other means to pay debt service on the Series 2007 Bonds or to support the continued operation and maintenance of the Series 2007 Facilities and Stadium Expansion, it being understood that the portion of the lease payments payable by the Board under this Facilities Lease for payment of debt service on the Series 2007 Bonds are payable solely from Student Fees and Auxiliary Revenues and the Board is not legally committed, obligated or required to make available any other funds to make the lease payments hereunder.

(j) In addition to the Rental payments required hereby, the Board covenants and agrees to make an Extraordinary Rental payment to refund a portion of the Series 2004 Bonds, from funds on hand or collected by the Board, not to exceed \$9,000,000.

Section 7. Operation, Alterations, Maintenance, Repair, Replacement and Security Service.

(a) The University, at the direction of the Board, shall be responsible for ensuring that all services necessary or required in order to adequately operate the Facilities in accordance with the Permitted Use are provided and maintained. The University shall continuously operate or cause to be operated the Facilities from the Commencement Date and continuing for the remainder of the Term for the Permitted Use, and in accordance with all Governmental Regulations. Pursuant to the Management Agreement, the Corporation as approved by the Board, will initially contract with the Management Company to provide operations and management services for the Facilities. The University and the Board consent to the Corporation's initial acquisition of operations and management services from the Management Company. All Rents collected by the Management Company under the Management Agreement shall be deposited in an operating account and transferred daily to the Trustee in accordance with the Indenture.

(b) The University, at the direction of the Board, shall be responsible for maintaining the Facilities and shall make or contract or cause to be made or contracted with a suitable contractor for the making of all alterations, repairs, restorations, and replacements to the Facilities, including without limitation the heating, ventilating, air conditioning, mechanical, electrical, elevators, plumbing, fire, sprinkler and theft systems, air and water pollution control and waste disposal facilities, structural roof, walls, and foundations, fixtures, equipment, and appurtenances to the Facilities as and when needed to preserve them in good working order, condition and repair (ordinary wear and tear excepted), regardless of whether such repairs, alterations, restorations or replacements are ordinary or extraordinary, foreseeable or unforeseeable, or are at the fault of the Board, the Corporation or some Other Party. All alterations, repairs, restoration, or replacements shall be of a quality and class equal to or better than the quality and class presently located in the Facilities.

(c) The University, at the direction of the Board, shall have the right during the Term to cause the Corporation or some other Party to make or construct any additions or improvements to the Facilities, alter the Facilities, attach fixtures, structures, or signs to or on the Facilities, and affix personal property to the Facilities without the Corporation's prior written consent to the extent allowed under the terms of any insurance covering the Facilities. All such alterations, improvements, additions, attachments, repairs, restorations, and replacements of all or any portion of the Facilities shall (i) be at the sole cost and expense of the University; (ii) not reduce the then fair market value of the Facilities; (iii) be constructed in a good and workmanlike manner; and (iv) be in compliance with all Governmental Regulations.

(d) The University, at the direction of the Board, shall provide or cause to be provided all security service, custodial service, janitorial service, trash disposal, and all other services necessary for the proper upkeep and maintenance of the Facilities as required herein. The Board acknowledges that the Corporation has made no representation or warranty with respect to systems and/or procedures for the security of the Facilities, any persons occupying, using or entering the Facilities, or any equipment, furnishings, or contents of the Facilities. It is the sole responsibility of the Board, through the University to cause to be provided or to provide for the security of persons on or entering the Facilities and/or property located at the Facilities, in accordance with reasonable and prudent business practices.

Section 8. Utilities. All utilities which are used or consumed in or upon or in connection with the Facilities during the Term, including, without limitation water, gas, electricity, sewerage, garbage, or trash removal, light, cable, heat, telephone, power, computer data and other utilities necessary for the operation of the Facilities (the "*Utility Service*") shall be the responsibility of the Board and/or the students, faculty, staff or Permitted Sublessees residing in the Facilities. Payments for Utility Services provided to the entire Facilities or to the common areas of the Facilities under such contract or contracts therefor as the Board may make shall be made by the Board directly to the respective utility companies furnishing such Utility Services.

The Corporation shall have no responsibility to the Board for the quality or availability of Utility Service to the Facilities, or for the cost to procure Utility Service. The Corporation shall not be in Default under this Facilities Lease or be liable to the Board or any other Person for direct or consequential damage, or otherwise, for any failure in supply of any Utility Service, heat, air conditioning, elevator service, cleaning service, lighting, security, or for surges or interruptions of electricity.

Section 9. Insurance.

(a) The University, at the direction of the Board, shall cause to be secured and maintained at the University's cost and expense:

(i) A policy or policies of insurance covering the Facilities against loss or damage by fire, lightning, earthquake, collapse, vandalism and malicious mischief, flood and storm surge, and against such other perils as are included in so-called "extended coverage" and against such other insurable perils as, under good insurance practice, from time to time are insured for properties of similar character and location, which insurance shall be not less than the full replacement cost of the Facilities, without deduction for depreciation. In the event that the Facilities are not repaired or replaced, insurance proceeds shall be no greater than the actual cash value (replacement cost less depreciation) of the Facilities at the time of the loss. The policy shall be adjusted to comply with any applicable co-insurance provisions of such insurance policy. Full payment of insurance proceeds shall not be contingent on the degree of damage sustained at other facilities leased by the Board. The policy or policies covering such loss must explicitly waive any co-insurance penalty.

(ii) A policy of comprehensive public liability insurance with respect to the Facilities and the operations related thereto, whether conducted on or off the Facilities, against liability for personal injury (including bodily injury and death) and property damage, of not less than \$2,000,000 in combined single limit liability coverage. Such comprehensive public liability insurance shall specifically include, but shall not be limited to, sprinkler leakage legal liability, water damage legal liability, motor vehicle liability for all owned and non-owned vehicles, including rented or leased vehicles.

(iii) Boiler and machinery insurance coverage against loss or damage by explosion of steam boilers, pressure vessels and similar apparatus, but only if steam boilers, pressure vessels or similar apparatus are installed on the Facilities, in an amount not less than \$5,000,000 with deductible provisions not exceeding \$100,000 per accident.

(iv) Workers' compensation insurance issued by a responsible carrier authorized under the laws of the State to insure employers against liability for compensation under the Labor Code of the State, or any act hereafter enacted as an amendment thereto or in lieu thereof, such workers' compensation insurance to cover all persons employed by the Corporation in connection with the Facilities and to cover full liability for compensation under any such act aforesaid.

(v) A policy of rental interruption insurance in the amount of at least one (1) year's rental in the event of loss of or damage to the Facilities.

(b) The Corporation shall:

(i) cause to be secured and maintained a policy of title insurance insuring the Corporation's leasehold interest under the Ground Lease in an amount equal to the par amount of the Bonds; and

(ii) cause all of the construction professionals to secure and maintain:

(A) Comprehensive or Commercial General Liability insurance;

(B) Errors and Omissions insurance;

(C) Automobile Liability insurance;

(D) Worker's Compensation insurance;

(E) an all Risk Builder's Policy upon the construction on the Property; and

(F) boiler and machinery or additional property insurance;

all as required by the terms of any construction contracts entered into with regards to the demolition of certain existing facilities and the renovation, development and construction of the Facilities.

All insurance required in this Section and all renewals of such insurance (excepting self-insurance or commercial insurance, through ORM) shall be issued by commercial insurers authorized to transact business in the State, and rated at least A- by Best's Insurance Reports (property/liability) or in the two highest rating categories of S&P and Moody's. All insurance policies provided or caused to be provided by the Corporation shall expressly provide that the policies shall not be canceled or altered without thirty (30) days' prior written notice to the University and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the Corporation or other provider of the insurance that would otherwise

result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained.

All policies of liability insurance that the University is obligated to maintain according to this Facilities Lease (other than any policy of worker's compensation insurance) will name the Corporation, the Trustee and such other Persons or firms as the University may be required to name from time to time as additional insureds and shall expressly provide that the policies shall not be cancelled or altered without thirty (30) days' prior written notice to the Corporation and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the University or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained. All public liability, property damage liability, and casualty policies maintained by the University shall be written as primary policies.

Proceeds of insurance received and/or the amount of any loss that is self-insured with respect to destruction of or damage to any portion of the Facilities by fire, earthquake or other casualty or event shall be paid to the Trustee (or, in the case of ORM insurance, to the Board for delivery in full to the Trustee) for application in accordance with the provisions of Section 11 of this Facilities Lease and the Indenture.

The Corporation shall certify annually to the Bond Insurer that all insurance policies required by this Section 9 are as of the date of such certification in place and in effect.

Section 10. Condemnation, Casualty and Other Damage. The risk of loss or decrease in the enjoyment and beneficial use of the Facilities due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively "*Casualty*") or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Facilities by condemnation, expropriation, or eminent domain proceedings (collectively "*Expropriation*") is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatement, set-offs or counter claims with respect to its Base Rental, Additional Rental or any other obligation hereunder.

Section 11. Application of Insurance Proceeds; Condemnation Award. (a) If during construction, all or any portion of the Facilities is damaged or destroyed by a Casualty, or is taken by Expropriation proceedings, the Board shall instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration or replacement of the Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. Following the completion of construction and acceptance of the Facilities by the Board on behalf of the Corporation, the Board shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted, the repair, restoration, or replacement thereof. The proceeds of any insurance, including the proceeds of any self-insurance fund, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction or taking of all or any portion of the Facilities shall be delivered to the Trustee and held by the Trustee in trust (or in the case of self-insurance through ORM, as set forth in paragraph (b) below), and shall be made available for, and to the extent necessary be applied to, such restoration, repair and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement and repair of the Facilities with respect to which they are held, in each case promptly after receipt of a written request of the Corporation stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In

making such payments, the Trustee may conclusively rely upon such written requests and shall have no liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration or replacement of the Facilities shall be paid by Trustee in accordance with the terms of the Indenture.

In the event the proceeds of any insurance, and any additional funds deposited with the Trustee, are insufficient to fully repair, restore or replace the Facilities, the proceeds shall be paid to the Board for immediate delivery to Trustee and used to redeem the Outstanding Bonds.

Notwithstanding the foregoing, the Corporation's obligation to replace the Facilities in the event of Expropriation Proceedings is dependent on the Board entering into a lease with a different portion of the Campus as provided in Section 13.03 of the Ground Lease. In the event it is necessary to restore or replace the Facilities in a different location because of the Expropriation of all or a portion of the Facilities, the Corporation and the Board agree to amend or enter into a new Facilities Lease and Ground Lease in accordance with Sections 13.03 of the Ground Lease. In the event the Board, pursuant to the Ground Lease, decides not to repair, restore or replace the Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) shall be paid to the Board for immediate delivery to the Trustee and applied to the prepayment of the Bonds in accordance with the terms of the Indenture, and this Facilities Lease and the Ground Lease shall terminate on the date that the events described in Section 2 (a) or 2 (b) hereof have occurred.

(b) In the event that ORM insures the Facilities, the Board shall use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration or replacement of the Facilities.

Section 12. Encumbrances.

(a) *Payment by the Board.* The Board shall pay or cause to be paid all costs and charges for alterations, improvements, additions, repairs and maintenance ("*Work*") (i) done by the Board or caused to be done by the Board in or to the Facilities, and (ii) for all materials furnished for or in connection with such Work. The Corporation reserves all rights to collect for any loss or damage sustained or incurred by the Corporation resulting from any and all Encumbrances, demands or liabilities arising on account of the Work, which shall be payable by the Board as Additional Rent hereunder.

(b) *Failure to Discharge.* If the Board fails to pay any charge for which an Encumbrance has been filed, and the Facilities or any portion thereof is placed in imminent danger of being seized, the Corporation may, but shall not be obligated to, pay such charge and related costs and interest, and the amount so paid, together with reasonable Legal Expenses incurred in connection with such Encumbrance, will be immediately due from the Board to the Corporation as Additional Rental. Nothing contained in this Facilities Lease will be deemed the consent or agreement of the Corporation to subject the Corporation's interest in the Facilities to liability under any Encumbrance, or any mechanics', materialman's or other lien law. If the Board receives written notice that an Encumbrance has been or is about to be filed against the Facilities, or that any action affecting title to the Facilities has been commenced on account of Work done by or for the Board or for materials furnished to or for the Board, it shall immediately give the Corporation Notice of such notice.

(c) *Notice of Work.* At least fifteen (15) days prior to the commencement of any Work in or to the Facilities, by or for the University, the University shall give the Corporation Notice of the proposed Work and the names and addresses of the Persons supplying labor and materials for the proposed Work. The Corporation will have the right to post notices of nonresponsibility or similar written notices on the Facilities in order to protect the Facilities against any such claimants.

Section 13. Assignment and Sublease. (a) Neither this Facilities Lease nor any interest of the Board in the Facilities shall be mortgaged, pledged, assigned or transferred by the Board by voluntary act or by operation of law, or otherwise; provided, however, the Board may sublease all or any portion of the Facilities, or grant concessions involving the use of all or any portion of the Facilities, whether such concessions purport to convey a leasehold interest or a license to use all or a portion of the Facilities to any University student, faculty, staff or Permitted Sublessee. No such concession, leasehold interest or license to use the Facilities shall be granted to any University students, faculty or staff for a term of more than one (1) year, or to any Permitted Sublessee for a term of more than one (1) month. The Board shall, however, at all times remain liable for the performance of the covenants and conditions on its part to be performed under this Facilities Lease (including, without limitation, the payment of Base Rental and Additional Rental), notwithstanding any subletting or granting of concessions which may be made. Nothing herein contained shall be construed to relieve the Board from its obligations to pay Base Rental and Additional Rental as provided in this Facilities Lease or to relieve the Board from any other obligations contained herein. Other than subleases to University students, faculty, staff and Permitted Sublessees, in no event will the Board sublease or permit the use of all or any part of the Facilities to any person without an opinion of Bond Counsel that such will not cause interest on the Bonds to be included in the gross income of the owners of the Series 2004A Bonds and the Series 2004B Bonds for federal income tax purposes.

(b) The Corporation shall, concurrently with the execution hereof, assign all of its right, title and interest in and to this Facilities Lease, including without limitation its right to receive Base Rental payable hereunder, to the Issuer pursuant to the Agreement, and the Issuer will in turn assign its rights under this Facilities Lease to the Trustee pursuant to the Indenture. The parties hereto further agree to execute any and all documents necessary and proper in connection therewith. Anything required or permitted to be done by the Corporation under this Facilities Lease may be done by the Trustee under the Indenture.

(c) Except as set forth in Section 13(b) hereof, the Corporation shall not sell or assign its interest in the Facility or this Facilities Lease without the prior written consent of the Board.

Section 14. Additions and Improvements Removal. At the expiration of the Term, or termination of this Facilities Lease, all alterations, fixtures, improvements and additions made by the Board or the University and all equipment placed upon the Facilities that are incorporated into or made into component parts of the Facilities, as well as, title to all property, furniture, equipment, fixtures, and other property installed at or placed upon the Facilities by the Board which is not incorporated into or made a component part of the Facilities remain the property of the Board.

The Board hereby agrees to replace such property from time to time as such property becomes worn out, obsolete, inadequate, unsuitable or undesirable. The Board may add to or remove such property from time to time, and upon expiration of the Term, provided that the Board repairs any damage to the Facilities caused by such removal.

Section 15. Right of Entry. Representatives of the Corporation and the Bond Insurer shall, subject to reasonable security precautions, and upon giving the Board not less than twenty-four (24) hours

advance Notice, have the right to enter upon the Facilities during reasonable business hours (and in emergencies without notice and at all times) accompanied by a Board Representative (i) to inspect the same, (ii) for any purpose connected with the rights or obligations of the Corporation under this Facilities Lease, or (iii) for all other lawful purposes. Any right of access to any portion of the Facilities leased to the students, faculty, staff or Permitted Sublessees shall be subject to their rights pursuant to their rental agreements and University policy.

Section 16. Mortgage Prohibition. Except as set forth in the Indenture, the Ground Lease and the Agreement, the Corporation shall not be entitled to mortgage or grant a security interest in the Facilities.

Section 17. Sale of Facilities; Attornment; and Conveyance and Transfer of the Corporation's Interest. If a person other than the Corporation shall succeed to the rights of the Corporation hereunder (in any case with the prior written consent of the Board as required hereby), upon the declaration of the successor to the Corporation's interest in this Facilities Lease, the Board agrees to fully attorn to and recognize any such successor as the Board's landlord under this Facilities Lease upon the then existing terms of this Facilities Lease, provided that such successor shall agree in writing to accept the Board's attornment and not to disturb the Board's possession so long as the Board shall observe the provisions and all covenants of this Facilities Lease. This attornment provision shall inure to the benefit of any such successor and shall be self-operative upon the election and declaration by such successor, and no further instrument shall be required to give effect to the provisions. However, the Board agrees to evidence and confirm the foregoing attornment provisions by the execution and delivery of instruments in recordable form satisfactory to such successor.

If the Facilities, or any part thereof, shall be sold or otherwise transferred by sale, assignment, transfer or other contract, or by operation of law or otherwise (with the prior written consent of the Board as required hereby and with an opinion of Bond Counsel that such action will not cause interest on the Bonds to be included in the gross income of the owner of the Bonds for federal tax purposes), and if such written consent specifically so provides, the Corporation shall be automatically and entirely released and discharged to the extent of the interest in or the portion of the Facilities sold, assigned or transferred from and after the effective date of such sale, assignment or transfer of all liability for the performance of any of the covenants of this Facilities Lease on the part of the Corporation thereafter to be performed. The purchaser or other transferee of the Facilities shall be deemed to have agreed to perform such covenants of the Corporation from and after the date of such assignment or sale during such transferee's period of ownership of the Corporation's interest under this Facilities Lease, all without further agreement between the Corporation, its successor and the Board. The Corporation's transferee shall not be held responsible for the performance of any of the covenants of this Facilities Lease on the part of the Corporation required to be performed prior to such sale and transfer, the Board reserving its rights against the Corporation for any unperformed covenants prior to such sale or transfer.

Section 18. Quiet Enjoyment. The Corporation covenants that the Board, on paying the Rental and performing and observing all of the covenants and agreements herein contained and provided to be performed by the Board or the University, shall and may peaceably and quietly have, hold, occupy, use, and enjoy the Facilities during the Term and may exercise all of its rights hereunder; and the Corporation agrees to warrant and forever defend the Board's right to such occupancy, use, and enjoyment and the title to the Facilities against the claims of any and all persons whomsoever lawfully claiming the same, or any part thereof subject only to the provisions of this Facilities Lease.

Section 19. Environmental Compliance and Indemnity.

(a) *Environmental Compliance.* The Board or the University shall operate or cause to be operated the Facilities in compliance with all Environmental Requirements continuously during the Term, and for such periods of time prior to the Commencement Date and after the Expiration Date, as long as the Board is in possession of the Facilities, in whole or in part. The Board shall not cause or permit any Hazardous Substance to be brought upon, kept, or used in or about the Facilities or the Land, except for such Hazardous Substance as is necessary or useful to the operation of the Facilities.

(b) *The Board's Liability.* If the Board fails to comply with any of the foregoing warranties, representations, and covenants, and removal or Remediation of any Hazardous Substance found on the Facilities is required by Environmental Requirements or Governmental Authority, the Board shall promptly undertake the removal or Remediation of such Hazardous Substance, at the Board's sole cost and expense. In the event the Board fails or refuses to undertake such removal or Remedial actions, the Corporation may cause the removal or Remediation (or other cleanup reasonable acceptable to the Corporation) of any such Hazardous Substance from the Land or the Facilities. The reasonable costs of removal, Remediation, or any other cleanup (including transportation and storage costs) will be considered as Additional Rental under this Facilities Lease, whether or not a court has ordered the cleanup, and those costs will become due and payable within ninety (90) days of written demand by the Corporation. In connection therewith, the Board will give the Corporation, its agents, and employees access to the Facilities to remove, remediate, or otherwise clean up any Hazardous Substance. The Corporation, however, has no affirmative obligation to remove, remediate, or otherwise clean up any Hazardous Substance, and this Facilities Lease will not be construed as creating any such obligation. The Board hereby agrees that it shall be fully liable for all costs and expenses related to the use, storage, and disposal of any Hazardous Substance located in or about the Facilities by the Board.

Section 20. The Corporation's Reservation of Rights.

(a) The Corporation hereby reserves all of its rights to recover from the Board for any and all Claims asserted against the Corporation, including Litigation Expenses arising out of or by reason of:

(i) any injury to or death of any person or damage to property occurring on or about the Facilities occasioned by or growing out of or arising or resulting from any tortious or negligent act on the part of the Board in connection with the operation and management of the Facilities; or

(ii) any failure, breach, or default on the part of the Board in the performance of or compliance with any of the obligations of the Board under the terms of this Facilities Lease.

(b) Notwithstanding the fact that it is the intention of the parties that the Corporation shall not incur any pecuniary liability by reason of the terms of this Facilities Lease or the undertakings required of the Corporation hereunder, nevertheless, if the Corporation should incur any such pecuniary liability, then in that event, the Corporation shall be entitled to assert all rights and remedies granted in law or in equity to recover from the Board the amount of any pecuniary liability incurred by the Corporation, plus all Litigation Expenses incurred in defense of such liability to the extent subject to indemnification pursuant to Subsection (a) above.

(c) No recourse shall be had for the enforcement of any obligation, covenant, or agreement of the Corporation contained in this Facilities Lease or any Claim based thereon against the Corporation or of any successor thereto or member thereof, either directly or through the Corporation whether by virtue of any constitutional provision, statute, or rule of law. This Facilities Lease and the obligations of the Corporation hereunder, and any Claim asserted against the Corporation are solely corporate obligations, and the enforcement of any obligation or Claim shall be limited solely to the Corporation's interest in the Facilities. No personal liability shall attach to, or be incurred by, any officer, director,

agent, employee or member of the Corporation and the Board acknowledges that all personal liability of any character against every such officer, director, agent, employee or member by the execution of this Facilities Lease, is expressly waived and released. The immunity of any officer, director, agent, employee or member of the Corporation under the provisions contained in this Section 20 shall survive any acquisition of the Facilities by the Board and the expiration or other termination of this Facilities Lease.

Section 21. Default by the Board. If (i) the Board shall fail to deposit with the Trustee any Base Rental payment required to be so deposited pursuant to Section 6 hereof by the close of business on the day such deposit is required pursuant to Section 6 hereof, and shall fail to remedy such breach within five (5) days thereof, but in no event later than the date on which such payment is required to enable the Corporation to make payment on the Bonds (without use of moneys held in the Debt Service Reserve Fund), or (ii) the Board shall fail to pay or discharge any monetary obligation under this Lease (other than the payment of Base Rental) as and when due, or within thirty (30) days after receipt of Notice from the Corporation that such sums are due and owing; or (iii) the Board shall breach any non-monetary terms, covenants or conditions herein, and shall fail to remedy any such breach with all reasonable dispatch within a reasonable period of time (or such longer period as the Trustee may approve) after written notice thereof from the Corporation to the Board, then and in any such event the Board shall be deemed to be in default hereunder, and the Corporation shall have the right, at its option, without any further demand or notice to terminate this Facilities Lease on the earliest date permitted by law or on any later date specified in any Notice given to the Board, in which case the Board's right to possession of the Facilities will cease and this Facilities Lease will be terminated, without, however, waiving the Corporation's right to collect all Rental and other payments due or owing for the period up to the time the Corporation regains possession (which have been approved for payment under this Facilities Lease, but not paid by the Board), and to enforce other obligations of the Board which survive termination of this Facilities Lease, and in such event the Corporation may without any further demand or notice re-enter the Facilities and eject all parties in possession thereof, subject to the rights of students, faculty, staff and Permitted Sublessees. The foregoing remedies of the Corporation are in addition to and not exclusive of any other remedy of the Corporation. Any such re-entry shall be allowed by the Board without hindrance, and the Corporation shall not be liable in damages for any such re-entry or be guilty of trespass. The Corporation understands and agrees that upon its termination of the Board's right to possession of the Facilities or termination of this Facilities Lease, the Corporation upon its re-entry of the Facilities shall only be allowed to use the Facilities for the Permitted Use and shall be subject to all applicable Governmental Regulations heretofore or hereafter enacted by any Governmental Authority relating to the use and operation of the Facilities.

Notwithstanding any other provision of this Facilities Lease, (i) in no event shall the Corporation have the right to accelerate the payment of any Base Rental payment hereunder and (ii) the Bond Insurer shall have ninety (90) days to cure an Event of Default hereunder.

Notwithstanding anything contained in this Section 21 to the contrary, a failure by the Board to pay when due any payment required to be made under this Facilities Lease or a failure by the Board to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Facilities Lease, resulting from a failure by the Board to appropriate moneys shall not constitute an Event of Default under this Section 21 and the Corporation shall not have any of the remedial rights set forth in this Section 21. Notwithstanding the foregoing, in such event the Board acknowledges that the Facilities Lease shall terminate and the Board shall immediately vacate the Facilities, and deliver the Facilities to the Corporation.

Section 22. Cumulative Remedies. Each right and remedy provided for in this Facilities Lease is cumulative and is in addition to every other right or remedy provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise, and the

exercise or beginning of the exercise by the Corporation of any one or more of the rights or remedies provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise will not preclude the simultaneous or later exercise by the Corporation of any or all other rights or remedies provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise. All costs incurred by the Corporation in collecting any amounts and damages owing by the Board pursuant to the provisions of this Facilities Lease or to enforce any provision of this Facilities Lease, including reasonable Litigation Expenses from the date any such matter is turned over to an attorney, whether or not one or more actions are commenced by the Corporation, will also be recoverable by the Corporation from the Board. The waiver by the Corporation of any breach by the Board and the waiver by the Board of any breach by the Corporation of any term, covenant or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other term, covenant or condition hereof.

Section 23. Option to Purchase. For and in consideration of the obligations of the Board under the Facilities Lease, the mutual undertakings of the parties, the receipt and adequacy of which is hereby acknowledged, the Corporation grants to the Board an exclusive and irrevocable option to purchase for the price and on the terms, provisions, stipulations and conditions hereinafter set forth, all but not less than all of the Corporation's leasehold interest in the Facilities.

(a) *Effective Date.* The effective date of this Option agreement shall be the Commencement Date.

(b) *Term of Option.* The Option shall expire at midnight Central Standard Time, on the Expiration Date, or upon the termination of this Facilities Lease, whichever occurs first.

(c) *Limitation on Exercise of Option.* The Board may not exercise the Option, and the Option shall be voidable, at the sole election of the Corporation, if a Default by the Board has occurred and is continuing under the Facilities Lease, and the applicable time period in which the Board may cure such default has expired. Notwithstanding any provision of this Option to the contrary, the Board shall be entitled to exercise the Option as long as the Board is legally obligated to make payments of Base Rental under the Facilities Lease.

(d) *Exercise of Option.* The Board may exercise the Option herein granted at any time on or before expiration of the Term, on any Interest Payment Date on or after August 1, 2014 or on the date the Bonds are defeased pursuant to Article XII of the Indenture, by Notice to the Corporation of its election to exercise the Option and purchase the Corporation's interest in and to the Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase the Facilities.

(e) *Purchase Price.* The Purchase Price shall be equal to the principal of all Bonds then Outstanding plus the interest to accrue on such Bonds until the purchase date plus any prepayment penalties, charges or costs for early prepayment or defeasance of the Bonds and any Administrative Expenses owed prior to the purchase date which payments are necessary to discharge the Indenture pursuant to Article XII thereof (collectively, the "Purchase Price").

(f) *Effect on Facilities Lease and Ground Lease.* Upon the purchase of the Corporation's leasehold interest in the Facilities by the Board pursuant to this Option, the Facilities Lease and the Ground Lease shall terminate and all of the Corporation's leasehold interest in the Land and the Facilities shall terminate.

(g) *Payment of Purchase Price.* The Board, on the purchase date, shall deposit an amount equal to the Purchase Price with the Trustee.

(i) **Conveyance.** In the event of and upon the payment of the Purchase Price and any other sums due under this Facilities Lease by the Board, the Corporation will on the purchase date execute and deliver to the Board a written cancellation of the Ground Lease and this Facilities Lease.

(ii) **Assignment of Contract Rights and Obligations.** The conveyance of the Corporation's leasehold interest in the Facilities shall also effect a transfer and assignment of all rights, warranties and liabilities of the Corporation under then existing contracts of any nature with respect to the Facilities.

(h) **Closing.** In the event the Option is timely exercised, notice of the Board's election to the Corporation shall constitute an irrevocable conversion of the Option into a binding obligation of the Corporation to sell its leasehold interest in the Facilities and the Board to buy the same under the terms and conditions set forth in this Section 23, and in such event, the Corporation and the Board shall have the right to demand specific performance of this agreement by the other. The closing shall occur at the offices of the Board or its counsel, or at such other time, place, and date as agreed upon by the Corporation and the Board.

(i) **Closing Costs.** The Board shall pay all closing costs and charges incident to the conveyance of the Corporation's interest in the Land and the Facilities.

(j) **No Warranty.** The Corporation shall convey its leasehold interest in the Facilities without any warranty whatsoever of any nature. The conveyance of the leasehold interest in the Facilities shall be without any warranty as to fitness and condition, as set forth in Section 5 of this Facilities Lease. Language substantially similar to the language contained in Section 5 of this Facilities Lease shall be incorporated into and made a part of such conveyance. In no event shall the Corporation be responsible for any defects in title.

(k) **Default under the Option:**

(i) In the event the Option is exercised, and the Corporation fails to consummate the transactions contemplated herein for any reason, except default by the Board or the failure of the Board to satisfy any of the conditions set forth herein, the Board may, in addition to any other rights and remedies which may otherwise be available to the Board, enforce this agreement by specific performance. The Board's remedies under this Section are expressly subject to the provisions of Section 30 of this Facilities Lease.

(ii) In the event the Option is exercised; and the Board fails to consummate the transactions contemplated herein for any reason, except default by the Corporation or the failure of the Corporation to satisfy any of the conditions set forth herein, the Corporation (a) may enforce this agreement by specific performance and in such action shall have the right to recover damages suffered by reason of the Board's delay; or (b) may bring suit for damages for breach of this agreement.

(iii) No delay or omission in the exercise of any right or remedy accruing to either party upon any breach by the other party under this Section 23 shall impair such right or remedy or be construed as a waiver of any such breach theretofore or thereafter occurring. The waiver by either party of any condition or any subsequent breach of the same or any other term, covenant or condition contained in this Section 23 shall not be deemed to be a waiver of any other condition or of any subsequent breach of the same or of any other term, covenant or condition herein contained.

(l) *Attorney's Fees.* Should either party employ an attorney or attorneys to enforce any of the provisions hereof, or to protect its interest in any matter arising under this agreement, or to recover damages for the breach of this agreement, the party prevailing in any final judgment shall have the right to collect from the losing party all Litigation Expenses incurred in enforcing such rights.

(m) *Notices.* Any notices required or permitted under this Section 23 shall be in writing and delivered either in person to the other party, or the other party's authorized agent, or by United States Certified Mail, return receipt requested, postage prepaid, to the address set forth in Section 50 of this Facilities Lease, or to such other address as either party may designate in writing and delivered as herein provided.

(n) *Assignability.* Except as set forth in the Indenture, the Mortgage or the Ground Lease, the Option may not be assigned by the Corporation or its interest in the Facilities sold (subject to the Option or otherwise) to any person or entity without the Board's prior written consent, which consent may be withheld by the Board in its sole discretion.

(o) *Time of Essence:* Time is of the essence of this Option.

(p) *Binding Effect:* This Option shall be binding upon and shall inure to the benefit of the parties hereto and their heirs, successors and assigns.

Section 24. Severability. If any provisions of this Facilities Lease shall be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable, to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or Sections contained in this Facilities Lease shall not affect the remaining portions of this Facilities Lease, or any part thereof.

Section 25. Redemption of Bonds. The Corporation agrees that it will not exercise its option to redeem any Bonds pursuant to the Indenture unless the Board consents to such redemption or such redemption is to be effected with moneys derived from a source other than payments made by the Board under this Facilities Lease, however, in no event shall the mandatory redemption of any Bonds pursuant to the Indenture require the consent of the Board. The Corporation further agrees that if requested by the Board it will take all actions necessary to redeem all or any portion of the Bonds designated by the Board on the first date that it may do so under the terms of the Indenture so long as the Board agrees to provide funds in an amount, and at the time, required to effect such redemption.

Section 26. Additional Bonds. Upon the request and at the expense of the Board, the Corporation shall take action as may be required to effect the issuance of Additional Bonds in such amount as the Board may request as permitted by and in accordance with the provisions of the Indenture for any purpose permitted thereby.

Section 27. Execution. This Facilities Lease may be simultaneously executed in any number of counterparts, each of which when so executed shall be deemed to be an original, and all of which together shall constitute one and the same Facilities Lease.

Section 28. Law Governing. This Facilities Lease is made in the State under the constitution and laws of the State and is to be governed by the laws of the State.

Section 29. Nonappropriation of Funds. In the event no funds or insufficient funds are lawfully appropriated in any Fiscal Year enabling the payment of Base Rental and Additional Rental due during the next succeeding Fiscal Year, the Board will immediately notify the Corporation and the Trustee of such occurrence. On the first day of the month following the Base Rental payment date on which the last payment of Base Rental can be made in full from Lawfully Available Funds, this Facilities Lease shall terminate without penalty or expense to the Board of any kind whatsoever, except as to the portions of Base Rental and Additional Rental payments herein agreed upon for Fiscal Years for which sufficient funds have been lawfully appropriated. In the event of such termination, the Board agrees peaceably to surrender possession of the Facilities to the Corporation on the date of such termination in its original condition (normal wear and tear excepted). The Corporation will have all legal and equitable rights and remedies to take possession of the Facilities and re-let or sell the Facilities as the Corporation determines and as granted in this Facilities Lease. The Board acknowledges that the Corporation's rights to take possession and to re-let or sell the Facilities under this Section 29 may be assigned to the Trustee for the benefit of the owners of the Bonds, and the Board agrees that the Trustee shall be entitled to exercise all of the rights of the Corporation under this Section 29. The event of an inability by the Board to cause the appropriation of sufficient funds for the payment of sums due under this Facilities Lease shall not constitute a default hereunder, but shall ipso facto terminate this Facilities Lease. This provision is operative notwithstanding any provisions of this Facilities Lease to the contrary. The Board shall be considered in default hereunder if sufficient funds are lawfully appropriated for the payment of Rental required under this Facilities Lease and the Board fails to use lawfully appropriated funds for the payment of Rental. In such event, the Corporation shall be entitled to the rights and remedies set forth in Sections 21 and 22 hereof.

Section 30. Exculpatory Provision. In the exercise of the powers of the Corporation and its trustees, officers, employees and agents under this Facilities Lease and the Indenture, the Corporation shall not be accountable or liable to the Board (i) for any actions taken or omitted by it or its officers, employees or agents in good faith and believed by it or them to be authorized or within their discretion or rights or powers conferred upon them, or (ii) for any claims based on this Facilities Lease against any officer, employee or agent of the Corporation in his or her personal capacity, all such liability, if any, being expressly waived by the Board by the execution of this Facilities Lease. Nothing in this Facilities Lease or the Indenture is intended to require or obligate, nor shall anything herein or therein be interpreted to require or obligate, the Corporation for any purpose or at any time whatsoever, to provide, apply or expend any funds coming into the hands of the Corporation other than the funds derived from the issuance of the Bonds under the Indenture and moneys derived pursuant to the Indenture and this Facilities Lease.

The Board specifically agrees to look solely to the Corporation's interest in the Facilities for the recovery of any judgments from the Corporation. It is agreed that the Corporation will not be personally liable for any such judgments, or incur any pecuniary liability as a result of this Facilities Lease to the Board, or the breach of its obligations hereunder. The Corporation's liability under this Facilities Lease is "in rem" as to its interest in the Facilities. The provisions contained in the preceding sentences are not intended to and will not limit any right that the Board might otherwise have to obtain injunctive relief against the Corporation or relief in any suit or action in connection with enforcement or collection of amounts that may become owing or payable under or on account of insurance maintained by the Corporation.

Section 31. Amendments. This Facilities Lease may be amended only as permitted in Article VIII of the Agreement.

Section 32. Recording. The Corporation covenants and agrees that it will promptly record and from time to time re-record a memorandum in recordable form of this Facilities Lease and the

Indenture and all supplements thereto and hereto in such manner and in such places as may be required by law in order to fully protect and preserve the security of the holders or owners of the Bonds.

Section 33. Construction Against Drafting Party. The Corporation and the Board acknowledge that each of them and their counsel have had an opportunity to review this Facilities Lease and that each Party was responsible for the drafting thereof.

Section 34. Time of the Essence. Time is of the essence of each and every provision of this Facilities Lease.

Section 35. No Waiver. The waiver by the Corporation of any agreement, condition, or provision contained in this Facilities Lease will not be deemed to be a waiver of any subsequent breach of the same or any other agreement, condition, or provision contained in this Facilities Lease, nor will any custom or practice that may grow up between the parties in the administration of the terms of this Facilities Lease be construed to waive or to lessen the right of the Corporation to insist upon the performance by the Board in strict accordance with the terms of this Facilities Lease. The subsequent acceptance of Rental by the Corporation will not be deemed to be a waiver of any preceding breach by the Board of any agreement, condition, or provision of this Facilities Lease, other than the failure of the Board to pay the particular Rental so accepted, regardless of the Corporation's knowledge of such preceding breach at the time of acceptance of such Rental.

Section 36. Survival. To the extent permitted by law and to the extent such will not constitute the incurrence of debt by the Board, all of the Corporation's remedies and rights of recovery under Sections 19 and 20 of this Facilities Lease shall survive the Term and/or the purchase of the Facilities by the Board under the Option.

Section 37. Counterparts. This Facilities Lease may be executed in any number of counterparts, each of which shall be an original, but all of which shall together constitute one and the same instrument.

Section 38. Estoppel Certificates. At any time and from time to time but within ten (10) days after prior written request by the Corporation, the Board will execute, acknowledge, and deliver to the Corporation, promptly upon request but only to the extent accurate, a certificate certifying (i) that this Facilities Lease is unmodified and in full force and effect or, if there have been modifications, that this Facilities Lease is in full force and effect, as modified, and stating the date and nature of each modification; (ii) the date, if any, to which Rental and other sums payable under this Facilities Lease have been paid; (iii) that no Notice of any default has been delivered to the Corporation which default has not been cured, except as to defaults specified in said certificate; (iv) that there is no Event of Default under this Facilities Lease or an event which, with Notice or the passage of time, or both, would result in an Event of Default under this Facilities Lease, except for defaults specified in said certificate; and (v) such other matters as may be reasonably requested by the Corporation. Any such certificate may be relied upon by any prospective purchaser or existing or prospective mortgagee of the Facilities or any part thereof. The Board's failure to notify the Corporation of any inaccuracies in the proposed certificate within the specified time period shall be conclusive evidence that the matters set forth in the certificate are accurate and correct.

Section 39. Waiver of Jury Trial. The Corporation and the Board waive trial by jury in any action, proceeding, or counterclaim brought by either of the Parties to this Facilities Lease against the other on any matters whatsoever arising out of or in any way connected with this Facilities Lease, the relationship of the Corporation and the Board, the Board's use or occupancy of the Facilities, or any other Claims, and any emergency statutory or any other statutory remedy.

Section 40. Written Amendment Required. No amendment, alteration, modification of, or addition to the Facilities Lease will be valid or binding unless expressed in writing and signed by the Corporation and the Board and consented to the extent required by Article VIII of the Agreement.

Section 41. Entire Agreement. This Facilities Lease, the exhibits and addenda, if any, contain the entire agreement between the Corporation and the Board. No promises or representations, except as contained in this Facilities Lease, have been made to the Board respecting the condition or the manner of operating the Facilities.

Section 42. Signs. The Board may attach any sign on any part of the Facilities, or in the halls, lobbies, windows, or elevator banks of the Facilities, without the Corporation approval. The Board may name the Facilities and change the name, number, or designation of the Facilities, without the Corporation's prior consent.

Section 43. Litigation Expenses. The Board will pay the Corporation as Additional Rental all reasonable Litigation Expenses and all other reasonable expenses which may be incurred by the Corporation in enforcing any of the obligations of the Board under this Facilities Lease, in exercising its rights to recover against the Board for loss or damage sustained in accordance with the provisions of this Facilities Lease, or in any litigation or negotiation in which the Corporation shall, without its fault, become involved through or because of this Facilities Lease.

Section 44. Brokers. The Corporation and the Board respectively represent and warrant to each other that neither of them has consulted or negotiated with any broker or finder with regard to the Facilities.

Section 45. No Easements for Air or Light. Any diminution or shutting off of light, air, or view by any structure that may be erected on any of the lands constituting the Facilities, or on lands adjacent to the Facilities, will in no way affect this Facilities Lease or impose any liability on the Corporation. This Facilities Lease does not grant any rights to light, view and/or air over the Facilities whatsoever.

Section 46. Binding Effect. The covenants, conditions, and agreements contained in this Facilities Lease will bind and inure to the benefit of the Corporation and the Board and their respective permitted successors and assigns.

Section 47. Rules of Interpretation. The following rules shall apply to the construction of this Facilities Lease unless the context requires otherwise: (a) the singular includes the plural and the plural includes the singular; (b) words importing any gender include the other genders; (c) references to statutes are to be construed as including all statutory provisions consolidating, amending or replacing the statute to which reference is made and all regulations promulgated pursuant to such statutes; (d) references to "writing" include printing, photocopy, typing, lithography and other means of reproducing words in a tangible visible form; (e) the words "including" "includes" and "include" shall be deemed to be followed by words "without limitation"; (f) references to the introductory paragraph, preliminary statements, articles, sections (or subdivision of sections), exhibits, appendices, annexes or schedules are to those of this Facilities Lease unless otherwise indicated; (g) references to agreements and other contractual instruments shall be deemed to include all subsequent amendments and other modifications to such instruments; (h) references to Persons include their respective successors and assigns to the extent successors or assigns are permitted or not prohibited by the terms of this Facilities Lease; (i) any accounting term not otherwise defined has the meaning assigned to it in accordance with generally accepted accounting principles; (j) "or" is not exclusive; (k) provisions apply to successive events and transactions; (l) references to documents or agreements which have been terminated or released or which

have expired shall be of no force and effect after such termination, release, or expiration; (m) references to mail shall be deemed to refer to first-class mail, postage prepaid, unless another type of mail is specified; (n) all references to time shall be to Hammond, Louisiana time; (o) references to specific persons, positions, or officers shall include those who or which succeed to or perform their respective functions, duties, or responsibilities; and (p) the terms "herein", "hereunder" "hereby" "hereof," and any similar terms refer to this Facilities Lease as a whole and not to any particular articles, section or subdivision hereof.

Section 48. Relationship of Parties. The relationship of the Parties shall be one of lessor and lessee only, and shall not be considered a partnership, joint venture, license arrangement or unincorporated association. The Corporation is not controlled by the Board or under the control of any Person also in control of the Board.

Section 49. Law Between the Parties. This Facilities Lease shall constitute the law between the Parties, and if any provision of this Facilities Lease is in conflict with the provisions of "Title IX - Of Lease" of the Louisiana Civil Code, Articles 2669 through 2777, inclusive, the provisions of this Facilities Lease shall control.

Section 50. Notices. All notices, filings and other communications ("Notice") shall be in writing and shall be sufficiently given and served upon the other parties if delivered by hand directly to the persons at the addresses set forth below, or shall be sent by first class mail, postage prepaid, addressed as follows:

The Issuer previously issued its \$60,985,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004A (the “*Series 2004A Bonds*”) and its \$15,000,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B (the “*Series 2004B Bonds*” and, together with the Series 2004A Bonds, the

JONES WALKER LLP

“Series 2004 Bonds”) on behalf of University Facilities Inc., a Louisiana non-profit corporation (the “Corporation”), for the purpose of financing the cost of acquiring immovable property and financing the development, design, construction and equipping of new student housing facilities (the “Facilities”) for Southeastern Louisiana University (the “University”) located on immovable property owned by, or subject to the supervision and management of the Board of Supervisors for the University of Louisiana System (the “Board”) in the City of Hammond, Parish of Tangipahoa, Louisiana, which Facilities have been leased to the Board on behalf of the University (collectively, the “Project”). The Series 2013 Bonds are being issued for the purpose of (i) refunding the Series 2004A Bonds and (ii) paying costs of issuance of the Series 2013 Bonds.

The Issuer and the Corporation have entered into a Loan and Assignment Agreement dated as of August 1, 2004 between the Authority and the Corporation (the “Original Agreement”), as supplemented by a First Supplemental Loan and Assignment Agreement dated as of November 1, 2013 between the Authority and the Corporation (the “Supplemental Agreement” and, together with the Original Agreement, the “Agreement”), pursuant to which the Issuer will loan the proceeds from the sale of the Series 2013 Bonds to the Corporation for the foregoing purposes. Pursuant to the Agreement, the Corporation has agreed to make loan payments (the “Payments”) solely from the Base Rental (as defined in the Agreement) sufficient to pay the principal of, premium, if any, and interest on the Series 2013 Bonds. The rights of the Issuer under the Agreement (except for the rights of the Issuer relating to exculpation, indemnification and payment of expenses thereunder) have been pledged and assigned by the Issuer to the Trustee as security for the Series 2013 Bonds.

The Board is leasing the land upon which the Facilities have been constructed to the Corporation pursuant to a Ground and Buildings Lease Agreement dated as of August 1, 2004 (the “Original Ground Lease”), as supplemented and amended by the First Amendment to Ground and Buildings Lease Agreement dated as of March 1, 2007 (the “First Amendment to Ground Lease”), as supplemented and amended by a Second Amendment to Ground and Buildings Lease Agreement dated as of June 12, 2012 (the “Second Amendment to Ground Lease”), as further supplemented and amended by a Third Supplemental Ground and Buildings Lease Agreement dated as of November 1, 2013 (the “Third Supplemental Ground Lease” and, together with the Original Ground Lease, the First Amendment to Ground Lease and the Second Amendment to Ground Lease, the “Ground Lease”).

The Facilities have been leased by the Corporation to the Board pursuant to an Agreement to Lease with Option to Purchase dated as of August 1, 2004 (the “Original Facilities Lease”), as supplemented and amended by a First Amendment to Agreement to Lease with Option to Purchase dated as of March 1, 2007 (the “First Amendment to Facilities Lease”), as further supplemented and amended by a Second Amendment to Agreement to Lease with Option to Purchase dated as of June 12, 2012 (the “Second Amendment to Facilities Lease”), as further supplemented and amended by a Third Supplemental Agreement to Lease with Option to Purchase dated as of November 1, 2013 (the “Third Supplemental Facilities Lease” and, together with the Original Facilities Lease, the First Amendment to Facilities Lease and the Second Amendment to Facilities Lease, the “Facilities Lease”).

The Series 2013 Bonds are also entitled to the benefits of the Mortgage and Security Agreement and Assignment of Leases and Rents dated as of August 13, 2004 by the Corporation in favor of the Trustee (the “Mortgage”) executed by the Corporation in favor of the Trustee, pursuant to which the Corporation has mortgaged its leasehold interest in and to the Property (as defined in the Mortgage).

We have examined: (i) the constitution and statutes of the State, including the Act; (ii) a certified transcript of the proceedings of the Issuer authorizing the issuance of the Series 2013 Bonds; (iii) the Indenture, the Agreement, the Tax Regulatory Agreement and Arbitrage Certificate dated the date of delivery and payment for the Series 2013 Bonds among the Issuer, the Corporation, the Board and the

Trustee (the "*Tax Agreement*"); and (iv) such other documents, instruments, proofs and matters of law as we have deemed relevant to the issuance of the Series 2013 Bonds and necessary for the purpose of this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Board and the Corporation contained in the Indenture, the Agreement and the Tax Agreement, the certified proceedings and other certifications of public officials and others furnished to us, including certifications furnished to us by or on behalf of the Issuer, the Corporation and the Board, without undertaking to verify the same by independent investigation.

On the basis of the foregoing examinations, we are of the opinion, as of the date hereof and under existing law, that:

1. The Issuer is a validly existing political subdivision of the State and has the power and authority to enter into the Agreement and the Indenture and to issue and sell the Series 2013 Bonds.

2. The Series 2013 Bonds are valid and binding special and limited obligations of the Issuer secured by and entitled to the benefits of the Indenture and are payable solely from the revenues and other amounts pledged and assigned under the Indenture.

3. The Supplemental Agreement and the Supplemental Indenture have been duly authorized, executed and delivered by the Issuer and constitute valid and binding obligations of the Issuer, enforceable upon the Issuer in accordance with their terms, and all rights of the Issuer under the Agreement have been validly assigned to the Trustee under the Indenture, with the exception of certain rights of the Issuer relating to notice, exculpation, indemnification and payment of expenses.

4. The Series 2013 Bonds and interest thereon do not constitute an indebtedness or pledge of the general credit of the Issuer within the meaning of any State constitutional or statutory provision and will not constitute a general obligation or a charge against any other revenues of the Issuer.

5. Interest on the Series 2013 Bonds (including the amount of original issue discount properly allocable to the owner thereof) is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, for the purpose of computing the alternative minimum tax imposed on certain corporations, such interest is taken into account in determining adjusted current earnings.

6. Under the Act, the Series 2013 Bonds are exempt from all taxation by the State of Louisiana or any political subdivision thereof.

In rendering the opinions expressed in paragraph 5 above, we have relied upon the opinion of even date herewith of Seale & Ross, A Professional Law Corporation, Hammond, Louisiana, counsel to the Corporation that the Corporation is an organization that is exempt from the federal income tax under Code Section 501(c)(3). We have also relied upon such opinion with respect to (i) the due organization of the Corporation, (ii) the good standing of the Corporation in the State; (iii) the corporate power of the Corporation to enter into, and the due authorization, execution and delivery by the Corporation of, the Loan Agreement, the Ground Lease and the Facilities Lease, and the valid and binding effect thereof on the Corporation, and (iv) matters which might be disclosed as a result of an examination of the indentures, mortgages, deeds of trust, certifications of incorporation, by-laws, and other agreements or instruments to which the Corporation is a party or by which it or its properties are bound.

We have relied on representations of the Issuer, the Board and the Corporation with respect to matters solely within the knowledge of the Issuer, the Board and the Corporation, which we have not independently verified, and have assumed continuing compliance with the covenants in the Indenture, the Agreement and the Tax Agreement pertaining to those sections of the Code that affect the exclusion from gross income of interest on the Series 2013 Bonds for federal income tax purposes. In the event that such representations are determined to be inaccurate or incomplete or the Issuer, the Board or the Corporation fails to comply with the foregoing covenants, interest on the Series 2013 Bonds could be includable in gross income for federal income tax purposes from the date of their original delivery, regardless of the date on which the event causing such inclusion occurs.

The accrual or receipt of interest on the Series 2013 Bonds may otherwise affect the federal income tax liability of certain recipients. The extent of these other tax consequences will depend upon the recipient's particular tax status or other items of income or deduction. We express no opinion regarding any such consequences and investors should consult their tax advisors regarding the tax consequences of purchasing or holding the Series 2013 Bonds.

It is to be understood that the rights of the owners of the Series 2013 Bonds and the enforceability of the Series 2013 Bonds, the Indenture, the Agreement and the other documents enumerated above may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable, and that their enforcement may also be subject to the exercise of the sovereign police powers of the State or its governmental bodies and the exercise of judicial discretion in appropriate cases.

For purposes of this opinion, our services as bond counsel have not extended beyond the examinations and expressions of the conclusions referred to above. This opinion is given as of the date hereof and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in the law that may hereafter occur. Except as stated above, no opinion is expressed as to any federal or state tax consequences resulting from the ownership of, receipt of interest on, or disposition of, the Series 2013 Bonds.

Reference is hereby made to our approving opinion of even date herewith (the "*Approving Opinion*") addressed to the Louisiana Local Government Environmental Facilities and Community Development Authority (the "*Issuer*") and delivered to you concurrently herewith. You may rely upon such Approving Opinion as if the same were addressed to you. Capitalized terms used herein and not defined herein shall have the meanings ascribed thereto in the Trust Indenture dated as of August 1, 2004 (the "*Original Indenture*"), as supplemented and amended by that certain First Supplemental Trust Indenture dated as of November 1, 2013 (the "*First Supplemental Indenture*") and, together with the Original Indenture, the "*Indenture*"), each by and between the Issuer and The Bank of New York Mellon Trust Company, N.A., as trustee (the "*Trustee*") pursuant to which the Series 2013 Bonds are being issued.

In connection with the issuance of the Series 2013 Bonds, we have examined the following:

- a. The Bond Purchase Agreement (the "*Bond Purchase Agreement*") dated November 5, 2013, among the Issuer, University Facilities, Inc. (the "*Corporation*"), the Board of Supervisors for the {B0904476.1}

7. the Indenture creates a valid pledge of and lien on the Trust Estate described in the granting clauses of the Indenture; and

8. the Third Supplemental Ground Lease and the Third Supplemental Facilities Lease have been executed in connection with the issuance of the Series 2013 Bonds solely in order for the Corporation to achieve debt service savings and neither the Third Supplemental Ground Lease nor the Third Supplemental Facilities Lease contain any other substantive provision which could be construed as having any effect on the provisions of the documents relative to the Series 2004A Bonds after the issuance of the Series 2013 Bonds.

We have assumed that the Bond Purchase Agreement has been duly authorized, executed, and delivered by the Corporation, the Board and the Underwriter. In rendering the opinions expressed in paragraph 8 above, we have relied upon the Certificate of Underwriter Relating to Lease Amendments dated November 13, 2013 and the statements made therein relating to the reduction of the interest rate paid by the Corporation resulting from the issuance of the Series 2013 Bonds.

We have reviewed only those documents, opinions, certificates, and proceedings necessary to enable us to render our opinion to the Issuer of even date herewith as to the legality and validity of the Series 2013 Bonds and the tax-exempt status of the interest on the Series 2013 Bonds. This opinion speaks as of its date and we are under no obligation to provide any updates of this opinion. This opinion is given solely for the use and benefit of the addresses hereof, and only in connection with the issuance and delivery of the Series 2013 Bonds pursuant to the Bond Purchase Agreement, and may not be used or relied upon by any other person or in connection with any other transaction, except with express consent of this firm.

We have acted as bond counsel to the Louisiana Local Government Environmental Facilities and Community Development Authority (the "*Issuer*") in connection with the issuance of its \$40,910,000 Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2013, dated November 13, 2013 (the "*Series 2013 Bonds*"), the proceeds of which are being used to advance refund the Issuer's \$60,985,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004A (the "*Prior Bonds*").

In connection with such advance refunding, the Issuer will deposit a portion of the proceeds of the Series 2013 Bonds into an Escrow Fund (the "*Escrow Fund*") created pursuant to an Escrow Deposit Agreement dated as of November 1, 2013 (the "*Escrow Agreement*") by and between the Issuer and The Bank of New York Mellon Trust Company, N.A., as escrow agent (the "*Escrow Agent*"), in order to defease the Prior Bonds maturing on August 1, 2014 to maturity and the remaining maturities of the Prior Bonds to redemption on August 1, 2014 (the "*Redemption Date*"). The Prior Bonds were issued for the purpose of financing the cost of acquiring immovable property and financing the development, design, construction and equipping of new student housing facilities (the "*Facilities*") for Southeastern Louisiana University (the "*University*") located on immovable property owned by, or subject to the supervision and management of the Board of Supervisors for the University of Louisiana System (the "*Board*") in the City of Hammond, Parish of Tangipahoa, Louisiana, which Facilities have been leased to the Board on behalf of the University.

We have examined the transcript of certified proceedings pertaining to the Prior Bonds, upon which we rely. We have also examined an original executed copies of the Trust Indenture dated as of August 1, 2004 (the "*Original Indenture*"), as supplemented by a First Supplemental Trust Indenture

JONES WALKER LLP

dated as of November 1, 2013 (the "*Supplemental Indenture*" and, together with the Original Indenture, the "*Indenture*") each by and between the Issuer and the Escrow Agent, as trustee, and the provisions of Chapter 14 of Title 39 of the Louisiana Revised Statutes of 1950, as amended, (La. R.S. 39:1441 through 1443) (the "*Defeasance Act*"), concerning, among other things, the defeasance of the Prior Bonds.

Certain moneys have been deposited with the Trustee into the Escrow Fund created pursuant to the Escrow Agreement and used for the purchase of Government Obligations as provided in the Escrow Agreement. The Government Obligations deposited into the Escrow Fund are designed to provide sufficient moneys to pay the principal of and interest on the Prior Bonds maturing on August 1, 2014 and the principal of, redemption premium and interest on the remaining maturities of the Prior Bonds on August 1, 2014, all as set forth in the Supplemental Indenture.

Based upon our examination, we are of the opinion that pursuant to the provisions of the Defeasance Act, the Prior Bonds have been defeased, are deemed to be paid and are no longer considered to be outstanding under the provisions of the Original Indenture; the covenants, pledges and obligations contained in the Original Indenture have been discharged insofar as they relate to the Prior Bonds; and the Prior Bonds are no longer entitled to any benefits under the Original Indenture.

In rendering the opinion expressed above, we have made no independent mathematical verification regarding the sufficiency of the Escrow Fund for the payment of the required principal and interest on the Prior Bonds and have relied for purposes of this opinion upon the mathematical computations of The Arbitrage Group, Inc., as to the mathematical accuracy of the computations of such sufficiency.

**Louisiana Local Government Environmental Facilities
And Community Development Authority Revenue Refunding Bonds
(Southeastern Louisiana University Student Housing/University Facilities, Inc. Project)
Series 2013**

Ladies and Gentlemen:

We have acted as special counsel to the Louisiana Local Government Environmental Facilities and Community Development Authority (the "Issuer"), in connection with issuance of an aggregate amount of \$40,910,000 Louisiana Local Government Environmental Facilities and Community Development Authority Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2013 (the "Bonds"). We have examined the Constitution and statutes of the State of Louisiana, including but not limited to Chapter 14-A of Title 39 and Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.16, inclusive) (collectively, the "Act"), the Issuer's By-Laws dated October 27, 1997, as amended and restated on October 10, 2002, and revised on October 14, 2004 and October 12, 2006 and such other corporate records of the Issuer as we have deemed advisable for the rendition of this opinion. Capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Indenture (as hereinafter defined).

We have also examined (i) the resolutions adopted by the Executive Committee of the Board of Directors of the Issuer, acting as the governing body of the Issuer, on August 8, 2013 and October 10, 2013, authorizing issuance, sale and delivery of the Bonds (collectively, the "Bond Resolution"); (ii) a fully executed counterpart of the First Supplemental Trust Indenture dated as of November 1, 2013 (the "Indenture") by and between the Issuer and The Bank of New York Mellon Trust Company, N.A., as trustee (together with its successors as trustee, the "Trustee") securing the Bonds; (iii) a fully executed counterpart of the First Supplemental Loan and Assignment Agreement dated as of November 1, 2013 by and between the Issuer and University Facilities, Inc. (the "Borrower"); (iv) the Bond Purchase Agreement by and among the Issuer, Stephens Inc., Raymond James & Associates, Inc., the Borrower and the Board of Supervisors for the University of Louisiana System (the "Board"); (v) the Tax Regulatory Agreement and Arbitrage Certificate by and among the Issuer, the Board, the Borrower and the Trustee; (vi) a certified transcript of the proceedings and certifications of the Issuer; (vii) the Escrow Deposit Agreement dated as of November 1, 2013 between the Issuer and the Trustee, as escrow agent; and (viii) such other documents, instruments, agreements and certificates of the Issuer (collectively referred to as the "Issuer Documents"), and matters of law as we have considered necessary or appropriate for the purposes of this opinion of the Issuer.

Based upon such examination and subject to the qualifications and assumptions set forth below, we are of the opinion that:

1. The Issuer is a political subdivision of the State, duly organized and validly existing under the Constitution and laws of the State, with full power to execute and perform its obligations under the Issuer Documents.
2. Each member and officer of the governing body of the Issuer identified in the General Certificate of the Issuer delivered at closing has been duly appointed or elected pursuant to the laws of the State of Louisiana and the By-Laws of the Issuer, and is qualified to serve as such.
3. The proceedings of the Executive Committee of the Issuer, including the Bond Resolution, approving execution and delivery of the Issuer Documents by the Issuer, were duly adopted at meetings of the Executive Committee of the Issuer which were called and held pursuant to law and with public notice required by law at which a quorum was present and acting throughout, and comply in all respects with the procedural rules of the Issuer and the procedural requirements of Louisiana law and remain in full force and effect on the date hereof.

4. The Issuer Documents constitute valid and legally binding obligations of the Issuer, enforceable in accordance with their respective terms except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws and equitable principles affecting enforcement of creditors' rights heretofore or hereafter enacted, and their enforceability may also be subject to the exercise of sovereign police powers of the State of Louisiana, or its governmental bodies, and the exercise of judicial discretion in appropriate cases.

5. All approvals, consents, authorizations and orders of any governmental agency having jurisdiction in any matter which would constitute a condition precedent to performance by the Issuer of its obligations under the Issuer Documents have been obtained and are in full force and effect; provided that no opinion is expressed herein regarding the qualification of the Bonds for an exemption under federal securities laws or qualification of the Bonds under the blue sky laws of any state.

6. To the best of our knowledge and based upon certifications of the Issuer, the execution and delivery of, and compliance with the terms and provisions of the Issuer Documents will not conflict with, violate or constitute a breach of or default under any provision of the Issuer's By-Laws, or any indenture, contract, mortgage, deed of trust, agreement or other instrument to which the Issuer is a part or by which it or its properties are bound, or any applicable law or administrative rule or regulation of the State, any statute, rule, order, judgment or decree of any court, to which the Issuer is subject, or any rules, regulations, or ordinances of any government or governmental body having jurisdiction over the Issuer or any of its properties.

7. To the best of our knowledge and based upon the certifications of the Issuer, there is no action, suit, proceeding, inquiry or investigation at law or in equity, before or by any court, regulatory agency, public board or body, pending or, to the best of our knowledge, threatened in any way affecting the existence or powers of the Issuer or its governing body or the titles of its officers to their respective offices, or seeking to prohibit, restrain or enjoin the issuance, sale or delivery of the Bonds, application of the proceeds thereof in accordance with the Indenture, or collection or application of revenues, securities or investments of the Issuer pledged or to be pledged to pay principal of and interest on the Bonds, or the pledge thereof or use of the proceeds of the Bonds, or in any way contesting or affecting the validity or enforceability of the Issuer Documents, or any action of the Issuer contemplated by any of said documents, the Issuer's proceedings, or contesting in any way the completeness or accuracy of the Issuer Documents or the powers of the Issuer to execute and deliver the Issuer Documents.

8. The statements contained in the Official Statement under the captions "THE AUTHORITY," and "LITIGATION – The Authority" do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

In rendering the foregoing opinions, we have assumed due authorization, execution and delivery of the Issuer Documents by parties thereto other than the Issuer. In our examination, we have also assumed the authenticity of all documents submitted to us as originals and drafts, the conformity to original documents of all documents submitted to us as certified or photostatic copies, be they drafts or originals, the authenticity of the original of such latter documents and the accuracy of statements contained in such certificates, be they drafts or final executed documents, and the proper completion, execution and delivery of documents in final form or which are incomplete, which have been presented for our review. No opinion is expressed as to the validity of the Bonds or the excludability of interest on the Bonds from federal income taxes or State of Louisiana taxes and local taxes.

Our opinions expressed herein are predicated upon present law, facts and circumstances, and we assume no affirmative obligation to update the opinions expressed herein if such laws, facts or circumstances change after the date hereof. The legal opinions expressed herein are intended for the information solely for the addressees hereof and solely for the purpose of the contemplated transactions described herein, and are not to be relied upon by any other person, or entity, or for any other purpose, or quoted as a whole or in part, or otherwise referred to, in any document, or to be filed with any government or other administrative agency, or other person or entity for any purpose without our prior written consent. This is an opinion and not a guaranty or warranty.

(2) that there are no written or oral terms and conditions agreed to by and between the parties to the Corporation Documents that vary or could be deemed to vary the truth, completeness, correctness, validity, or effect of any of the Corporation Documents in any material manner, and that the terms, provisions and conditions relating to the transaction referenced in this opinion are correctly and completely reflected in the Corporation Documents; and

(3) that each party has acted in good faith and without notice of any defense against the enforcement of any rights created by, or adverse claim to any property transferred as part of, the transaction contemplated by the Corporation Documents, and that the parties will act at all times in good faith and in a commercially reasonable manner.

For purposes of this opinion, we have also reviewed all statutes or constitutional provisions and all documents, agreements, and other instruments described in the Bond Purchase Agreement or as otherwise necessary to allow us to render this opinion.

Based on such review, it is our opinion that:

- (a) The Corporation is:
 - (i) a private nonprofit corporation duly incorporated, validly organized and existing and qualified to do business and in good standing under the laws of the State of Louisiana;
 - (ii) organized under the Louisiana Nonprofit Corporation Law (La. R.S. 12:201 *et. seq*) and operated to support and benefit the educational, scientific, research and public service missions of Southeastern Louisiana University;
 - (iii) not organized and operated for pecuniary profit;
 - (iv) organized and operated such that no part of its net earnings will inure to the benefit of any person, private stockholder or individual;
 - (v) an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "*Code*"), exempt from federal income tax under Section 501(a) of the Code (except for unrelated

- business income tax imposed pursuant to Section 511 of the Code); and
- (vi) not a “private foundation” as defined in Section 509(a) of the Code and is in receipt of the determination letter from the Internal Revenue Service (the “*Service*”) dated March 10, 1999 (the “*Determination Letter*”) to such effect, which Determination Letter has not been modified, limited or revoked.
- (b) To the best of our knowledge, based on inquiry consisting of our review of certain documents and information provided in connection therewith and discussions with representatives of Corporation related thereto, the Corporation:
 - (i) has not received notification from the Service to the effect that it is not an organization described in Section 501(c)(3) of the Code and not exempt from federal income tax under Section 501(a) of the Code; and
 - (ii) has not taken any action which would impair its status as an organization described in Section 501(c)(3) of the Code.
 - (c) The current and projected use of the Facilities (as such term is defined in the Loan Agreement) financed with the proceeds of the Prior Bonds is substantially related to the exercise or performance of the charitable purposes or functions constituting the basis for the Corporation’s exemption under Section 501(c)(3) of the Code as determined by applying Section 513(a) of the Code, and therefore does not constitute an unrelated trade or business within the meaning of Section 513(a).
 - (d) The consummation of the transactions contemplated in the Corporation Documents and the Official Statement will not adversely affect the exempt status of the Corporation an exempt organization described in Section 501(c)(3) of the Code and as an organization exempt from federal income tax under Section 501(a) of the Code.

- (e) To the best of our knowledge, there is no action, suit or proceeding at law or in equity or before or by any federal court, or other federal governmental agency or body, pending or threatened, against or affecting the Corporation, wherein an unfavorable decision, ruling or finding would materially adversely affect the financial condition of the Corporation, or the transactions contemplated by the Corporation Documents or described in the Official Statement which, in any way, would adversely affect the validity or enforceability of the Series 2013 Bonds or any of the Corporation Documents or which would adversely affect the status of the Corporation as an organization described in Section 501(c)(3) of the Code.
- (f) The Corporation has full power and authority to execute and deliver and to carry out and consummate the transactions contemplated by the Corporation Documents.
- (g) The Corporation has authorized all action necessary to be taken for the execution, delivery and due performance by Corporation under the Corporation Documents.
- (h) The Corporation Documents have been duly executed and constitute legal, valid and binding obligations of the Corporation, enforceable against the Corporation in accordance with their respective terms, except to the extent that enforceability may be limited by bankruptcy, insolvency or other laws affecting creditors' rights generally.
- (i) There is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any court, public board or public body pending, or to the best of our knowledge, threatened against or affecting the Corporation (or, to our knowledge, any basis therefor) or its properties, wherein an unfavorable decision, ruling, or finding would adversely affect the transactions contemplated by the Corporation Documents, its financial condition, properties or operations or the validity or enforceability of the Corporation Documents or the Series 2013 Bonds, or any agreement or instrument to which Corporation is or is expected to be a party and

which is used or contemplated for use in the consummation of the transactions contemplated by the Corporation Documents.

- (j) The execution and delivery of the Corporation Documents will not conflict with or constitute a breach of or default under its Articles of Incorporation or By-Laws.
- (k) The execution and delivery of the Corporation Documents will not conflict with or constitute a breach of or default under any existing law, court order or administrative regulation, decree or order or any agreement, indenture, mortgage or other instrument to which the Corporation is subject or under which the Corporation or its properties currently is or currently may be bound.
- (l) No approval or other action by any governmental authority or agency, other than approvals or actions already obtained, is required in connection with the execution or performance by the Corporation of the Corporation Documents.
- (m) The information in the Official Statement under the captions "INTRODUCTORY STATEMENT," "THE CORPORATION," "LITIGATION – The Corporation" and "APPENDIX B – PROPOSED FORMS OF FINANCING DOCUMENTS" does not, as of the date hereof, contain any untrue or misleading statement of a material fact by the Corporation or omit to state a material fact by the Corporation necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

Notwithstanding the foregoing, we express no opinion as to matters of title to any of the immovable or movable property that is the subject of the Corporation Documents, nor do we express any opinion on matters relating to attachment, perfection, the effect of perfection or non-perfection, or the priority of any security interest(s) in personal or movable property set forth in the UCC-1 financing statements.

For purposes of formulating our Opinion, we have not relied upon our prior Opinion of Counsel for University Facilities, Inc. issued on August 13, 2004 regarding the Series 2004 Bonds, nor may any party to which this opinion is issued rely upon that prior opinion.

Series 2013**

Ladies and Gentlemen:

We have acted as counsel to the Board of Supervisors for the University of Louisiana System (the "Board") in connection with the issuance by the Louisiana Local Government Environmental Facilities and Community Development Authority (the "Issuer") of the above referenced Bonds (the "Series 2013 Bonds"). The Series 2013 Bonds are being issued for the purpose of refunding its previously issued \$60,985,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004A (the "*Series 2004A* Bonds") and its \$15,000,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B (the "*Series 2004B* Bonds" and, together with the Series 2004A Bonds, the "Series 2004 Bonds") on behalf of University Facilities Inc., a Louisiana non-profit corporation (the "Corporation"), for the purpose of

financing the cost of acquiring immovable property and financing the development, design, construction and equipping of new student housing facilities (the "*Facilities*") for Southeastern Louisiana University (the "*University*") located on immovable property owned by or subject to the supervision and management of the Board of Supervisors for the University of Louisiana System (the "*Board*") in the City of Hammond, Parish of Tangipahoa, Louisiana, which Facilities have been leased to the Board on behalf of the University (collectively, the "*Project*"). The Series 2013 Bonds are being issued for the purpose of (i) refunding the Series 2004A Bonds and (ii) paying the costs of issuance of the Series 2013 Bonds. Capitalized terms used and not otherwise defined herein shall have the meanings assigned thereto in the hereinafter defined Official Statement.

In connection therewith we have examined all proceedings of the Board in the approval and execution of the issuance of the Series 2013 Bonds, including but not limited to the adoption and approval of the resolution adopted by the Board on August 20, 2013 (the "Board Resolution"), the Official Statement (the "Official Statement") dated November 5, 2013, relating to the Series 2013 Bonds, the 15c2-12 certificate of the Board, the Continuing Disclosure Certificate of the Board, Third Supplemental Ground and Buildings Lease Agreement by and between the Board, as Lessor, and the Corporation, as Lessee, dated as of November 1, 2013, Second Amendment to Ground and Buildings Lease Agreement by and between the Board, as Lessor, and the Corporation, as Lessee, dated June 12, 2012, as recorded, First Amendment to Ground and Buildings Lease Agreement by and between the Board, as Lessor, and the Corporation, as Lessee, dated March 1, 2007, as recorded, Ground and Buildings Lease Agreement by and between the Board, as Lessor, and the Corporation, as Lessee, dated as of August 1, 2004, Third Supplemental Agreement to Lease with Option to Purchase by and between the Corporation, as Lessor, and the Board, as Lessee, dated as of November 1, 2013, Second Amendment to Agreement to Lease with Option to Purchase by and between the Corporation, as Lessor, and the Board, as Lessee, dated June 12, 2012, First Amendment to Agreement to Lease with Option to Purchase by and between the Corporation, as Lessor, and the Board, as Lessee, dated March 1, 2007, Agreement to Lease with Option to Purchase by and between the Corporation, as Lessor, and the Board, as Lessee, dated as of August 1, 2004 and the Tax Regulatory Agreement and Arbitrage Certificate by and among the Issuer, the Board, the Corporation and the Trustee dated November 13, 2013 (the "Board Documents").

Based on the foregoing we are of the opinion that:

1. The Board is a public Constitutional corporation duly created and validly existing under the laws of the state of Louisiana with full power and authority to own its properties and conduct its business and affairs, particularly to adopt the Board Resolution authorizing the Board Documents, to execute, deliver and perform its obligations under the Board Documents and to conduct the business now being conducted by it, the Board having taken all requisite action required to authorize the execution and delivery thereof and the consummation of the transactions contemplated thereby.

2. The Board Resolution approving and authorizing the execution and delivery of the Board Documents, was duly adopted at meetings of the Board which were called and held

pursuant to law and with all public notice required by law and at which a quorum was present and acting throughout and has not been amended from the date of its adoption;

3. The Board Documents have been duly authorized, executed and delivered and constitute legal, valid and binding obligations of the Board enforceable and in accordance with their respective terms except insofar as the enforcement thereof may be limited by applicable bankruptcy, reorganization, moratorium, insolvency, liquidation or other laws affecting creditors' rights generally, by general principles of equity and as otherwise set forth herein.

4. The Board is a validly organized and existing agency of the State with the requisite power and authority with the University to enforce the collection of Auxiliary Revenues;

5. To the best of our knowledge and after reasonable inquiries, there is no action, suit, proceeding, inquiry, or investigation at law or inequity by or before any court or public board or body pending or to our knowledge threatened against or affecting the Board or the University that in any way questions or affects the validity of the Board Documents or any proceedings taken by the Board in connection therewith, or seeks to restrain or enjoin the issuance or delivery of the Board Documents, or that might result in a material adverse change in the condition (financial or otherwise), business or affairs of the Board wherein an unfavorable decision, ruling or finding would adversely affect the validity of the Board Documents including but not limited to (a) the financial position of the University taken as a whole; (b) the ability of the Board to perform its obligations under the Board Documents; or (c) the security for the Series 2013 Bonds.

Please be advised that while there may be lawsuits pending involving the Board itself, it is not possible for us to confer with every attorney handling such matters. Furthermore, it would be impossible to predict the outcomes of such cases. However, to the extent there are adverse judgments in excess of any Board insurance policy limit, such judgments could be satisfied only through an appropriation by the Louisiana Legislature because Board assets are not available to satisfy such judgments.

6. (a) The adoption of the Board Resolution and the execution and delivery of the Board Documents and compliance with the provisions thereof under the circumstances contemplated thereby, do not and will not in any material respect conflict with, result in a violation of or constitute on the part of the Board a material breach of or material default, under any material indenture, mortgage, agreement or other instrument of which we have knowledge after due and reasonable inquiry, to which the Board is a party or by which it is bound or any existing law, regulation, court order or consent decree to which the Board is subject relative to the Board Documents.

(b) The adoption of the Board Resolution and the execution and delivery of the Board Documents and compliance with the provisions thereof under the circumstances contemplated thereby, do not and will not in any material respect conflict with, result in a

violation of or constitute on the part of the University a material breach of or material default, under any material indenture, mortgage, agreement or other instrument of which we have knowledge after due and reasonable inquiry, to which the University is a party or by which it is bound or any existing law, regulation, court order or consent decree to which the Board is subject relative to the Board Documents.

(c) As to questions of fact material to our opinion, we have relied upon representations of the Authority, the Board and the Corporation contained in the Indenture, the Agreement and the Tax Agreement, the certified proceedings and other certifications of public officials and others furnished to us, including certifications furnished to us by or on behalf of the Issuer, the Corporation and the Board, without undertaking to verify the same by independent investigation.

7. No approval or other action by any governmental agency or authority, other than approvals or actions already sought and obtained, is required in connection with the execution and performance by the Board and the Board Documents.

8. Based upon our participation in the preparation of the Official Statement, and without having undertaken to determine independently the accuracy or the completeness of the statements contained therein, we have no reason to believe that the statements with respect to the Board contained in the Official Statement under the headings entitled "THE BOARD" and "THE UNIVERSITY" contain any untrue statement of a material fact or not to state a material fact necessary in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

This opinion is rendered solely to the addressees hereof in connection with the captioned transaction and may not be relied upon by any person for any other purpose without our prior written consent. Further, copies of this letter may not be circulated or furnished to any party and neither this letter nor the opinion set forth herein may be quoted or referred to in any report or document furnished to any other party without our prior written consent.

The opinions set forth herein are subject to the following qualifications and limitations.

(a) The opinions set forth in this letter are given as of the date hereof and we do not undertake to report or advise you or any other person of any changes in law, statutes or jurisprudence in any matter set forth herein. The opinion is limited to the matters expressly stated herein and no opinion may be inferred or implied beyond the matters expressly stated herein.

(b) We are qualified to practice law in the State of Louisiana and the foregoing opinions are limited exclusively to the presently effective laws of the State and the Federal Laws of the United States of America in effect on and as of the date hereof and no opinion is expressed herein as to any matter governed by the laws of other jurisdictions.

(c) We have assumed the accuracy of and compliance with representations, warranties and covenants of the Board, its officers, representatives or agents, contained in the Board Documents or made in connection with the entering into of the Board Documents delivered in this transaction.

As to questions of fact material to our opinion, we have relied upon representations of the representatives of the Board contained in the Board Documents, the certified proceedings and other certifications of public officials and others furnished to us, without undertaking to verify the same by independent investigation. We have assumed that all signatures (other than signatures of Board Representatives) on all documents submitted to us, are genuine, that all documents submitted to us as originals are accurate and complete, and that all documents submitted to us as copies are true and correct copies of the originals thereof.

For the purpose of this opinion our services as counsel to Board have not extended beyond the examination and expressions of conclusions referred to herein. In addition in rendering the foregoing opinion with respect to enforceability of the various agreements to which the Board is a party, we have assumed that such agreements are enforceable against the parties thereto other than the Board. This opinion is not offered or shall it be construed as a guarantee or warranty nor has the firm of DeCuir, Clark & Adams, L.L.P. performed or been asked to perform any title examinations with respect to the Equipment nor has the undersigned expressed or issued an opinion as to the title herein or otherwise.

Sincerely,

Ladies and Gentlemen:

We have acted as counsel for The Bank of New York Mellon Trust Company, N.A. (the "Bank"), a national banking association, in connection with said Bank serving as Trustee (the "Trustee") under a Trust Indenture dated as of August 1, 2004 (the "Original Indenture"), by and between the Louisiana Local Government Environmental Facilities and Community Development Authority (the "Issuer") and the Trustee, as supplemented and amended by that certain First Supplemental Trust Indenture dated as of November 1, 2013 between the Issuer and the Trustee (the "First Supplemental Indenture" and, together with the Original Indenture, the "Indenture") relating to the issuance of the Issuer's above referenced bonds (the "Bonds"). The Bank is serving as Trustee as successor-in-interest to The Bank of New York Trust Company, N. A., as trustee pursuant to the Original

Indenture. Unless otherwise expressly provided herein, capitalized terms used herein have the respective meanings assigned to them in the Indenture, and in addition thereto, the Indenture, the Tax Regulatory Agreement and Arbitrage Certificate dated as of even date herewith between the Issuer, the Trustee, the Board of Supervisors for the University of Louisiana System and University Facilities, Inc. and the Escrow Agreement dated as of November 1, 2013 between the Issuer and the Bank, as escrow agent, are collectively referred to herein as the "Trustee Documents."

In our capacity as counsel to the Trustee, we have examined an executed copy of the Trustee Documents and such other documents and matters of law as we have deemed necessary in order to render the following opinions.

In rendering the opinions hereinafter expressed, we have assumed the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified or photostatic copies, the authenticity of all signatures on executed documents, the execution of all documents submitted to us unsigned and the legal capacity of all persons (other than representatives of the Trustee) executing such documents.

Based upon the foregoing, and subject to the qualifications and exclusions otherwise stated herein, we are of the opinion that:

1. the Trustee is a national banking association with trust powers, duly organized, validly existing and in good standing under the laws of the United States of America and authorized to serve as a corporate trustee in the State of Louisiana;
2. the Trustee Documents have been duly authorized, executed and delivered by the Trustee and constitute the valid, legal and binding obligations of the Trustee, enforceable against the Trustee in accordance with their respective terms, except as such enforcement may be limited by bankruptcy, reorganization, insolvency, moratorium or other similar laws of general application in effect from time to time relating to or affecting the enforcement of creditor's rights;
3. the Trustee has all necessary fiduciary powers required to carry out the duties of the Trustee provided under the Trustee Documents;
4. to the best of our knowledge (without independent investigation), the acceptance by the Trustee of its duties and obligations under the Trustee Documents and compliance with provisions thereof does not and will not contravene the Articles of Association or Bylaws of the Trustee or conflict

with or constitute on the part of the Trustee a breach of, violation or default under any existing law, rule or administrative regulation, or, to the best of our knowledge, any judgment, order, consent decree, agreement, indenture, mortgage, lease or other instrument to which the Trustee is subject or by which it is bound;

5. to the best of our knowledge (without independent investigation), other than routine filings required to be made with governmental agencies in order to preserve the Bank's authority to perform a fiduciary corporate trust business, all approvals, consents and orders of any governmental authority or agency having jurisdiction in the matter, which would constitute a condition precedent to the performance by the Trustee of its duties and obligations under the Trustee Documents, have been obtained and are in full force and effect;
6. to the best of our knowledge (without independent investigation), no litigation is pending or threatened, which in any way contests or affects the existence or powers (including trust powers) of the Trustee or the Trustee's ability to fulfill its duties and obligations under the Trustee Documents; and
7. the Bonds have been duly authenticated and delivered by an authorized officer of the Trustee.

In rendering the opinions expressed herein, we have relied, to the extent that we deem such reliance proper, upon the Certificate of Trustee of even date herewith of officers of the Trustee with respect to the accuracy of the material factual matters which were contained in such certificate and not independently established by us. In addition, we have also assumed the genuineness of all signatures, the power to enter into and perform its obligations thereunder, and the due authorization, execution and delivery of the Trustee Documents by the respective parties thereto other than the Trustee.

In basing the opinions and other matters set forth herein on "our knowledge", the words "our knowledge" signify that, in the course of our representation of the Trustee in matters with respect to which we have been engaged by it, no information has come to our attention that would give us actual knowledge or actual notice that any such opinions or other matters are not accurate or that any of the foregoing documents, certificates, reports and information on which we have relied are not accurate and complete.

We have not made an inquiry or investigation with respect to compliance with applicable federal and state securities laws and regulations. No opinion is expressed and we specifically disclaim any opinion, as to the following: (i) the excludability of interest on the Bonds from federal or state income taxes; (ii) the applicability or compliance with

federal or state securities laws; (iii) the enforceability of any provisions of the Trustee Documents or other document referred to herein, if any, which purports to grant extra judicial remedies; (iv) the legality or enforceability of indemnification provisions; (v) the legality or enforceability of the waiver of any rights or remedies by the Trustee under the Trustee Documents; and (vi) the authority of the Trustee to perform any duties or obligations on its part under the Trustee Documents, other than those that can be performed in the State of Louisiana.

The opinions expressed hereinabove are expressed only insofar as the laws of the State of Louisiana (without reference to its conflicts of laws rules) and the federal laws of the United States of America governing the banking and fiduciary powers of the Trustee may be applicable and are qualified to the extent that (i) certain equitable remedies including specific performance may be unavailable, and (ii) any indemnification provisions contained therein may be limited by applicable laws and public policy. This opinion is furnished solely for the benefit of the addressees and is not to be used, circulated, quoted, relied upon or otherwise referred to for any other purpose without our prior written approval. In addition, this opinion is given as of the date hereof and nothing shall require us to advise you of any facts arising after the date hereof that would invalidate or otherwise alter any matter opined to herein.

Respectfully submitted,

The registered owner of this Series 2013 Bond shall have no rights to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture, and by acceptance of this Series 2013 Bond, the owner hereof assents to all of the provisions of the Indenture and the Assignment (hereinafter defined). All terms not defined herein shall have the meanings assigned thereto in the Indenture.

For every such exchange or transfer of Series 2013 Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Trustee shall not be required to register the transfer or exchange of (a) any Series 2013 Bonds during the fifteen (15) day period next preceding the selection of Series 2013 Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2013 Bonds selected for redemption, or (b) any Series 2013 Bonds selected, called or being called for redemption in whole or in part, except in the case of any Series 2013 Bond to be redeemed in part, the portion thereof not so to be redeemed.

REDEMPTION PROVISIONS

Optional Redemption

The Series 2013 Bonds maturing August 1, 2024 and thereafter are subject to redemption prior to maturity at the option of the Corporation, upon written direction to the Authority, on or after August 1, 2023 as a whole at any time, or in part on any Interest Payment Date, the maturity of said Bonds to be redeemed to be designated by the Corporation and selected within a maturity by the Trustee in such manner as the Trustee may determine, at the redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date.

Mandatory Redemption

(i) If the Board shall purchase the Corporation’s leasehold interest in the Facilities pursuant to the Facilities Lease, the Series 2013 Bonds shall be redeemed as a whole and shall be redeemed on the later of (a) August 1, 2014, or (b) the earliest practicable date, but not more than sixty (60) days, after such purchase, and in any event, at a price equal to the principal amount of the Series 2013 Bonds so redeemed plus accrued and unpaid interest to the date of redemption, without premium.

(ii) The Series 2013 Bonds shall be redeemed as a whole or in part (in Authorized Denominations) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds or proceeds received as a result of Expropriation proceedings with respect to the Facilities will not applied to the restoration, repair or reconstruction of the Facilities at a price equal to the principal amount of the Series 2013 Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, without premium, in an aggregate principal amount equal to the amount of such insurance proceeds, or Expropriation proceeds not used for restoration, repair or reconstruction. If the amount of any insurance proceeds or Expropriation proceeds to be applied in redemption of the Series 2013 Bonds is not an Authorized Denomination, the principal amount of Series 2013 Bonds to be redeemed pursuant to this subsection (b) shall be decreased to the next lower Authorized Denomination. The Series 2004 Bonds will be so redeemed in the following order: first, Auction Rate Bonds; second, Variable Rate Bonds, third, Series 2004C Bonds; fourth, Series 2004B Bonds that bear interest at a Fixed Rate; and fifth, the Series 2013 Bonds.

Mandatory Sinking Fund Redemption.

The Series 2013 Bonds maturing on August 1, 2026 shall be subject to mandatory redemption and payment prior to maturity on August 1 in each of the years set forth below, at 100% of the principal amounts plus accrued interest to the redemption date, without premium, as follows:

| Year | Principal Amount |
|-------|------------------|
| 2025 | \$ 4,295,000 |
| 2026* | 170,000 |

*Final Maturity

If on any occasion less than all of the Series 2013 Bonds then outstanding shall be redeemed pursuant to the optional or mandatory redemption provisions described in the Indenture, then the principal amount of the Series 2013 Bonds so redeemed shall be considered to have satisfied a portion of the mandatory sinking fund redemptions required by the above tables. The principal amounts required by the tables above shall be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional redemption.

Unless otherwise specified above, if less than all of the Series 2013 Bonds shall be called for redemption, the maturity of the Series 2013 Bonds to be redeemed shall be designated by the Corporation, on behalf of the Board, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Series 2013 Bond to be redeemed shall be in the principal amount of an Authorized Denomination. If a portion of any Series 2013 Bond shall be called for redemption, a new Series 2013 Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

At least thirty (30) days before the redemption date of any Series 2013 Bonds redeemed other than by mandatory sinking fund redemption, the Trustee shall cause a notice of any such redemption, signed by an authorized officer of the Trustee to be mailed, postage prepaid, to all Bondholders of record owning Series 2013 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register, but any defect in such mailing of any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2013 Bonds then outstanding shall be called for redemption, the numbers of such Series 2013 Bonds to be redeemed and, in the case of Series 2013 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2013 Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Series 2013 Bond, a new Series 2013 Bond in principal amount equal to the unredeemed portion of such Series 2013 Bond will be issued.

Modifications or alterations of the Indenture or any agreement supplemental thereto or of the Agreement or any agreement supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture and the Agreement. So long as no event of nonperformance under the Agreement has occurred and is continuing, no such supplement shall become effective unless the Corporation, on behalf of the Board, shall have given its prior written approval.

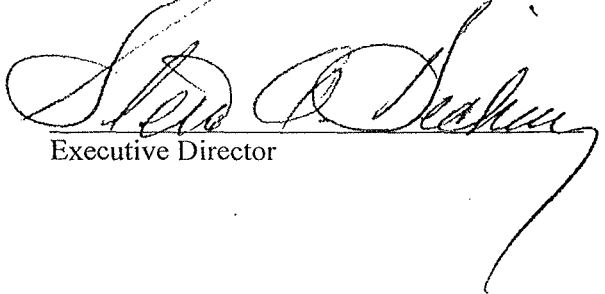

It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State to exist, to have happened and to have been performed, precedent to and in the execution and delivery of the Indenture and the issuance of this Series 2013 Bond, do exist, have happened and have been performed in regular and due form as required by law.

University Facilities, Inc. Project)
Series 2013

We have acted as bond counsel to the Louisiana Local Government Environmental Facilities and Community Development Authority (the "Issuer"), a political subdivision of the State of Louisiana (the "State"), in connection with the issuance by the Issuer of the above-captioned bonds (the "Series 2013 Bonds") pursuant to Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 33:4548.16, inclusive) and Chapter 14 and Chapter 14-A of Title 39 the Louisiana Revised Statutes of 1950, as amended (La. R.S. 39:1441 through 1456, inclusive) (collectively, the "Act").

The Series 2013 Bonds have been issued by the Issuer pursuant to the Act and other constitutional and statutory authority and a Trust Indenture dated as of August 1, 2004 (the "Original Indenture"), as supplemented and amended by a First Supplemental Trust Indenture dated as of November 1, 2013 (the "First Supplemental Indenture" and, together with the Original Indenture, the "Indenture") each between the Issuer and The Bank of New York Mellon Trust Company, N.A., Baton Rouge, Louisiana, as trustee (the "Trustee"). Capitalized terms used herein that are not otherwise defined have the meaning given them in the Indenture.

The Series 2013 Bonds are issuable as fully registered bonds, are dated, bear interest until paid at the rate per annum, mature in the principal amounts and on the dates, and are subject to redemption all as set forth in the Indenture and in the Series 2013 Bonds.

The Series 2013 Bonds are issued under and are secured as to principal and interest by the Indenture, which provides a description of the nature and extent of the security for the Series 2013 Bonds, a statement of the terms and conditions under which the Series 2013 Bonds are issued and secured, the rights, duties and obligations of the Issuer, the rights, duties and immunities of the Trustee and the rights of the owners of the Series 2013 Bonds.

The Issuer previously issued its \$60,985,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004A (the "Series 2004A Bonds") and its \$15,000,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B (the "Series 2004B Bonds" and, together with the Series 2004A Bonds, the

JONES WALKER LLP

"Series 2004 Bonds") on behalf of University Facilities Inc., a Louisiana non-profit corporation (the *"Corporation"*), for the purpose of financing the cost of acquiring immovable property and financing the development, design, construction and equipping of new student housing facilities (the *"Facilities"*) for Southeastern Louisiana University (the *"University"*) located on immovable property owned by, or subject to the supervision and management of the Board of Supervisors for the University of Louisiana System (the *"Board"*) in the City of Hammond, Parish of Tangipahoa, Louisiana, which Facilities have been leased to the Board on behalf of the University (collectively, the *"Project"*). The Series 2013 Bonds are being issued for the purpose of (i) refunding the Series 2004A Bonds and (ii) paying costs of issuance of the Series 2013 Bonds.

The Issuer and the Corporation have entered into a Loan and Assignment Agreement dated as of August 1, 2004 between the Authority and the Corporation (the *"Original Agreement"*), as supplemented by a First Supplemental Loan and Assignment Agreement dated as of November 1, 2013 between the Authority and the Corporation (the *"Supplemental Agreement"* and, together with the Original Agreement, the *"Agreement"*), pursuant to which the Issuer will loan the proceeds from the sale of the Series 2013 Bonds to the Corporation for the foregoing purposes. Pursuant to the Agreement, the Corporation has agreed to make loan payments (the *"Payments"*) solely from the Base Rental (as defined in the Agreement) sufficient to pay the principal of, premium, if any, and interest on the Series 2013 Bonds. The rights of the Issuer under the Agreement (except for the rights of the Issuer relating to exculpation, indemnification and payment of expenses thereunder) have been pledged and assigned by the Issuer to the Trustee as security for the Series 2013 Bonds.

The Board is leasing the land upon which the Facilities have been constructed to the Corporation pursuant to a Ground and Buildings Lease Agreement dated as of August 1, 2004 (the *"Original Ground Lease"*), as supplemented and amended by the First Amendment to Ground and Buildings Lease Agreement dated as of March 1, 2007 (the *"First Amendment to Ground Lease"*), as supplemented and amended by a Second Amendment to Ground and Buildings Lease Agreement dated as of June 12, 2012 (the *"Second Amendment to Ground Lease"*), as further supplemented and amended by a Third Supplemental Ground and Buildings Lease Agreement dated as of November 1, 2013 (the *"Third Supplemental Ground Lease"* and, together with the Original Ground Lease, the First Amendment to Ground Lease and the Second Amendment to Ground Lease, the *"Ground Lease"*).

The Facilities have been leased by the Corporation to the Board pursuant to an Agreement to Lease with Option to Purchase dated as of August 1, 2004 (the *"Original Facilities Lease"*), as supplemented and amended by a First Amendment to Agreement to Lease with Option to Purchase dated as of March 1, 2007 (the *"First Amendment to Facilities Lease"*), as further supplemented and amended by a Second Amendment to Agreement to Lease with Option to Purchase dated as of June 12, 2012 (the *"Second Amendment to Facilities Lease"*), as further supplemented and amended by a Third Supplemental Agreement to Lease with Option to Purchase dated as of November 1, 2013 (the *"Third Supplemental Facilities Lease"* and, together with the Original Facilities Lease, the First Amendment to Facilities Lease and the Second Amendment to Facilities Lease, the *"Facilities Lease"*).

The Series 2013 Bonds are also entitled to the benefits of the Mortgage and Security Agreement and Assignment of Leases and Rents dated as of August 13, 2004 by the Corporation in favor of the Trustee (the *"Mortgage"*) executed by the Corporation in favor of the Trustee, pursuant to which the Corporation has mortgaged its leasehold interest in and to the Property (as defined in the Mortgage).

We have examined: (i) the constitution and statutes of the State, including the Act; (ii) a certified transcript of the proceedings of the Issuer authorizing the issuance of the Series 2013 Bonds; (iii) the Indenture, the Agreement, the Tax Regulatory Agreement and Arbitrage Certificate dated the date of delivery and payment for the Series 2013 Bonds among the Issuer, the Corporation, the Board and the

Trustee (the "Tax Agreement"); and (iv) such other documents, instruments, proofs and matters of law as we have deemed relevant to the issuance of the Series 2013 Bonds and necessary for the purpose of this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Board and the Corporation contained in the Indenture, the Agreement and the Tax Agreement, the certified proceedings and other certifications of public officials and others furnished to us, including certifications furnished to us by or on behalf of the Issuer, the Corporation and the Board, without undertaking to verify the same by independent investigation.

On the basis of the foregoing examinations, we are of the opinion, as of the date hereof and under existing law, that:

1. The Issuer is a validly existing political subdivision of the State and has the power and authority to enter into the Agreement and the Indenture and to issue and sell the Series 2013 Bonds.

2. The Series 2013 Bonds are valid and binding special and limited obligations of the Issuer secured by and entitled to the benefits of the Indenture and are payable solely from the revenues and other amounts pledged and assigned under the Indenture.

3. The Supplemental Agreement and the Supplemental Indenture have been duly authorized, executed and delivered by the Issuer and constitute valid and binding obligations of the Issuer, enforceable upon the Issuer in accordance with their terms, and all rights of the Issuer under the Agreement have been validly assigned to the Trustee under the Indenture, with the exception of certain rights of the Issuer relating to notice, exculpation, indemnification and payment of expenses.

4. The Series 2013 Bonds and interest thereon do not constitute an indebtedness or pledge of the general credit of the Issuer within the meaning of any State constitutional or statutory provision and will not constitute a general obligation or a charge against any other revenues of the Issuer.

5. Interest on the Series 2013 Bonds (including the amount of original issue discount properly allocable to the owner thereof) is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, for the purpose of computing the alternative minimum tax imposed on certain corporations, such interest is taken into account in determining adjusted current earnings.

6. Under the Act, the Series 2013 Bonds are exempt from all taxation by the State of Louisiana or any political subdivision thereof.

In rendering the opinions expressed in paragraph 5 above, we have relied upon the opinion of even date herewith of Seale & Ross, A Professional Law Corporation, Hammond, Louisiana, counsel to the Corporation that the Corporation is an organization that is exempt from the federal income tax under Code Section 501(c)(3). We have also relied upon such opinion with respect to (i) the due organization of the Corporation, (ii) the good standing of the Corporation in the State; (iii) the corporate power of the Corporation to enter into, and the due authorization, execution and delivery by the Corporation of, the Loan Agreement, the Ground Lease and the Facilities Lease, and the valid and binding effect thereof on the Corporation, and (iv) matters which might be disclosed as a result of an examination of the indentures, mortgages, deeds of trust, certifications of incorporation, by-laws, and other agreements or instruments to which the Corporation is a party or by which it or its properties are bound.

We have relied on representations of the Issuer, the Board and the Corporation with respect to matters solely within the knowledge of the Issuer, the Board and the Corporation, which we have not independently verified, and have assumed continuing compliance with the covenants in the Indenture, the Agreement and the Tax Agreement pertaining to those sections of the Code that affect the exclusion from gross income of interest on the Series 2013 Bonds for federal income tax purposes. In the event that such representations are determined to be inaccurate or incomplete or the Issuer, the Board or the Corporation fails to comply with the foregoing covenants, interest on the Series 2013 Bonds could be includable in gross income for federal income tax purposes from the date of their original delivery, regardless of the date on which the event causing such inclusion occurs.

The accrual or receipt of interest on the Series 2013 Bonds may otherwise affect the federal income tax liability of certain recipients. The extent of these other tax consequences will depend upon the recipient's particular tax status or other items of income or deduction. We express no opinion regarding any such consequences and investors should consult their tax advisors regarding the tax consequences of purchasing or holding the Series 2013 Bonds.

It is to be understood that the rights of the owners of the Series 2013 Bonds and the enforceability of the Series 2013 Bonds, the Indenture, the Agreement and the other documents enumerated above may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable, and that their enforcement may also be subject to the exercise of the sovereign police powers of the State or its governmental bodies and the exercise of judicial discretion in appropriate cases.

For purposes of this opinion, our services as bond counsel have not extended beyond the examinations and expressions of the conclusions referred to above. This opinion is given as of the date hereof and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in the law that may hereafter occur. Except as stated above, no opinion is expressed as to any federal or state tax consequences resulting from the ownership of, receipt of interest on, or disposition of, the Series 2013 Bonds.

Respectfully submitted,

Jones Walker LLP

Ladies and Gentlemen:

This letter sets forth our understanding with respect to all issues (the "Securities") that Issuer shall request be made eligible for deposit by The Depository Trust Company ("DTC").

To induce DTC to accept the Securities as eligible for deposit at DTC, and to act in accordance with DTC's Rules with respect to the Securities, Issuer represents to DTC that Issuer will comply with the requirements stated in DTC's Operational Arrangements, as they may be amended from time to time.

Note:

Schedule A contains statements that DTC believes accurately describe DTC, the method of effecting book-entry transfers of securities distributed through DTC, and certain related matters.

Very truly yours,

SCHEDULE A

**SAMPLE OFFERING DOCUMENT LANGUAGE
DESCRIBING BOOK-ENTRY-ONLY ISSUANCE**

(Prepared by DTC—bracketed material may be applicable only to certain issues)

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds \$200 million, one certificate will be issued with respect to each \$200 million of principal amount and an additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Participants") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Rules applicable to DTC and its Participants are on file with the Securities and Exchange Commission.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Securities with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

[6. Redemption notices shall be sent to Cede & Co. if less than all of the Securities within an issue are being redeemed. DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.]

7. Neither DTC nor Cede & Co. will consent or vote with respect to Securities. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Principal and interest payments on the Securities will be made to DTC. DTC's practice is to credit Direct Participants' accounts on payable date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on payable date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Agent, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Issuer or the Agent, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

[9. A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to the [Tender/Remarketing] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to the [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with a demand for purchase or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records.]

10. DTC may discontinue providing its services as securities depository with respect to the Securities at any time by giving reasonable notice to the Issuer or the Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Security certificates are required to be printed and delivered.

11. The Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered.

12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

All Series 2013 Bonds may bear identifying CUSIP numbers, but any failure to include such numbers or any error in any CUSIP number so included shall not in any way affect the validity of the Series 2013 Bonds.

Section 3.4 Redemption of Series 2013 Bonds.

(a) Optional Redemption. The Series 2013 Bonds maturing August 1, 20__ and thereafter are subject to redemption prior to maturity at the option of the Corporation, upon written direction to the Authority, on or after August 1, 20__ as a whole at any time, or in part on any Interest Payment Date, the maturity of said Bonds to be redeemed to be designated by the Corporation and selected within a maturity by the Trustee in such manner as the Trustee may determine, at the redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date.

(b) Extraordinary Redemption. The Series 2013 Bonds shall be redeemed as a whole or in part (in an integral multiple of \$5,000) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds, condemnation award or payment in lieu of condemnation with respect to the Facilities will not be applied to the restoration, repair or reconstruction of the Facilities at a price equal to the principal amount of the Series 2013 Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, in an aggregate principal amount equal to the amount of such insurance proceeds, condemnation award or payment in lieu of condemnation not used for restoration, repair or reconstruction. If in part, the Series 2013 Bonds to be redeemed shall be in the inverse order of their maturity and selected within a maturity by the Trustee in such manner as the Trustee may determine. If the amount of any insurance proceeds, condemnation award or payment in lieu of condemnation to be applied in redemption of the Series 2013 Bonds is not an integral multiple of \$5,000, the principal amount of Series 2013 Bonds to be redeemed pursuant to this subparagraph (b) shall be decreased to the next lower multiple of \$5,000.

(c) Any Additional Bonds issued under the provisions of Article V of this Supplemental Indenture may be made subject to redemption, either in whole or in part and at such times and prices, as may be provided in the resolution or resolutions of the Authority authorizing the issuance of such Additional Bonds.

(d) Unless otherwise specified above, if fewer than all of the Series 2013 Bonds shall be called for redemption, the Series 2013 Bonds to be redeemed shall be in inverse order of their maturity, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Series 2013 Bond to be redeemed shall be in the principal amount of an Authorized Denomination. If a portion of any Series 2013 Bond shall be called for redemption, a new Series 2013 Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

(e) At least thirty (30) days before the redemption date of any Series 2013 Bonds, the Trustee shall cause a notice of any such redemption, signed by an authorized officer of the Trustee to be mailed, postage prepaid, to all Bondholders of record owning Series 2013 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register, but any defect in such mailing of any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if fewer than all of the Series 2013 Bonds then Outstanding shall be called for redemption, the numbers of such Series 2013 Bonds to be redeemed and, in the case of Series 2013 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2013 Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Series 2013 Bond, a new Series 2013 Bond in principal amount equal to the unredeemed portion of such Series 2013 Bond will be issued.

(f) On the date so designated for redemption, notice having been given in the manner and under the conditions hereinabove provided and money for payment of the redemption price being held in the Series 2013 Debt Service Fund in trust for the owners of the Series 2013 Bonds or portions thereof to be redeemed, the Series 2013 Bonds or portions of Series 2013 Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Series 2013 Bonds or portions of Series 2013 Bonds on such date, interest on the Series 2013 Bonds or portions of Series 2013 Bonds so called for redemption shall cease to accrue, such Series 2013 Bonds or portions of Series 2013 Bonds shall cease to be entitled to any benefit or security under this Supplemental Indenture, and the owners of such Series 2013 Bonds or portions of Series 2013 Bonds shall not have rights in respect thereof except to receive payment of the redemption price thereof and, to the extent provided in the next paragraph, to receive Series 2013 Bonds for any unredeemed portions of Series 2013 Bonds.

(g) In case part, but not all, of an Outstanding Series 2013 Bond shall be selected for redemption, the registered owner thereof or his legal representative shall present and surrender such Series 2013 Bond to the Trustee for payment of the principal amount thereof so called for redemption, and the Trustee shall authenticate and deliver to or upon the order of such registered owner or his legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Series 2013 Bond so surrendered, a new Series 2013 Bond.

(h) Series 2013 Bonds and portions of Series 2013 Bonds that have been duly called for redemption under the provisions of this Article, or with respect to which irrevocable instructions to call for redemption have been given to the Trustee in form satisfactory to it, and for the payment of the redemption price for which moneys, or Defeasance Obligations, shall be held by the Trustee in a segregated account in trust for the owners of the Series 2013 Bonds or portions thereof to be redeemed, shall not thereafter be deemed to be outstanding under the provisions of this Supplemental Indenture and shall cease to be entitled to any security or benefit under this Supplemental Indenture other than the right to receive payment from such moneys.

Section 3.5 Execution; Limitation of Liability. The Series 2013 Bonds shall be executed on behalf of the Authority with the manual or facsimile signatures of the Chairman, Vice Chairman or Executive Director and the Secretary or Assistant Secretary of the Authority, and shall have impressed or imprinted thereon the official seal of the Authority or a facsimile thereof. The Series 2013 Bonds, together with interest and premium, if any, thereon, shall not constitute a debt of the State or any political subdivision thereof. The Series 2013 Bonds, together with interest thereon, shall be limited and special obligations of the Authority and shall be secured by and payable solely out of revenues derived from the Payments made pursuant to the Loan Agreement and Trust Estate pledged hereunder. The Authority shall not be obligated to pay the principal of the Series 2013 Bonds or the interest or premium, if any, thereon or other costs incidental thereto except from payments made pursuant to the Loan Agreement. In case any officer of the Authority whose signature or whose facsimile signature shall appear on the Series 2013 Bonds shall cease to be such officer before the delivery of such Series 2013 Bonds, such signature or the facsimile signature thereof shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery. THE SERIES 2013 BONDS ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE AUTHORITY PAYABLE SOLELY FROM THE PAYMENTS RECEIVED BY THE AUTHORITY FROM THE CORPORATION PURSUANT TO THE LOAN AGREEMENT. THE SERIES 2013 BONDS DO NOT CONSTITUTE A PLEDGE OF THE GENERAL CREDIT OF THE AUTHORITY OR THE CORPORATION AND DO NOT CONSTITUTE AN INDEBTEDNESS OR PLEDGE OF THE GENERAL CREDIT OF THE STATE, THE BOARD, THE UNIVERSITY, OR ANY POLITICAL SUBDIVISION OF THE STATE (OTHER THAN THE AUTHORITY). THE BOARD HAS AGREED, PURSUANT TO THE FACILITIES LEASE, TO MAKE PAYMENTS OF BASE RENTAL TO THE CORPORATION ON BEHALF OF THE UNIVERSITY. THE PAYMENTS TO BE

RECEIVED BY THE AUTHORITY FROM THE CORPORATION UNDER THE LOAN AGREEMENT ARE LIMITED TO THE AMOUNT OF BASE RENTAL RECEIVED BY THE CORPORATION FROM THE BOARD. THE AUTHORITY HAS NO POWER TO TAX.

Section 3.6 Authentication. No Series 2013 Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Supplemental Indenture unless and until a certificate of authentication substantially in the form set forth in Exhibit A attached hereto and made a part hereof shall have been duly executed by a duly authorized representative of the Trustee, and such executed certificate of the Trustee upon any such Series 2013 Bond shall be conclusive evidence that such Series 2013 Bond has been authenticated and delivered under this Supplemental Indenture. The Trustee's certificate of authentication on any Series 2013 Bond shall be deemed to have been executed by it if signed by an authorized representative of the Trustee, but it shall not be necessary that the same representative sign the certificate of authentication on all of the Series 2013 Bonds issued hereunder.

Section 3.7 Mutilated, Lost, Stolen or Destroyed Series 2013 Bonds. In the event any outstanding Series 2013 Bond, whether temporary or definitive, is mutilated, lost, stolen or destroyed, the Authority may execute and, upon its request, the Trustee may authenticate a new Series 2013 Bond of the same principal amount and of like tenor as the mutilated, lost or stolen or destroyed Series 2013 Bond; provided that, in the case of any mutilated Series 2013 Bond, such mutilated Series 2013 Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Series 2013 Bond, there shall be first furnished to the Authority and the Trustee evidence of such loss, theft or destruction in form satisfactory to the Authority and the Trustee, together with indemnity satisfactory to them. In the event any such Series 2013 Bond shall have matured, instead of issuing a substitute Series 2013 Bond the Authority may authorize the payment of the same. The Authority and the Trustee may charge the owner of such Series 2013 Bond with their reasonable fees and expenses in this connection. Any Series 2013 Bond issued under the provisions of this Section 3.7 in lieu of any Series 2013 Bond alleged to be destroyed, lost or stolen shall constitute an original additional contractual obligation on the part of the Authority, whether or not the Series 2013 Bond so alleged to be destroyed, lost or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Supplemental Indenture together with all other Series 2013 Bonds in substitution for which such Series 2013 Bonds were issued.

Section 3.8 Registration of Series 2013 Bonds.

(a) The Trustee shall be the bond registrar for the Series 2013 Bonds. So long as any of the Series 2013 Bonds shall remain outstanding, there shall be maintained and kept for the Authority, at the principal corporate trust office of the Trustee, the Bond Register for the registration and transfer of the Series 2013 Bonds and, upon presentation thereof for such purpose at said office, the Trustee shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as it may prescribe, any Series 2013 Bond.

(b) Each Series 2013 Bond shall be transferable only upon the Bond Register at the principal corporate trust office of the Trustee at the written request of the registered owner thereof or his legal representative duly authorized in writing upon surrender thereof, together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his legal representative duly authorized in writing. Upon the transfer of any such Series 2013 Bond, the Trustee shall issue in the name of the transferee, in authorized denominations, one or more Series 2013 Bonds of the same aggregate principal amount as the surrendered Series 2013 Bonds.

Section 3.9 Persons Treated as Owners.

(a) The Authority and the Trustee may, for the purpose of receiving payment of, or on account of, the principal of, premium, if any, and interest on any Series 2013 Bond and for all other purposes, deem and treat the person in whose name such Series 2013 Bond shall be registered upon the Bond Register as the absolute owner of such Series 2013 Bond, whether or not such Series 2013 Bond is overdue, and neither the Authority nor the Trustee shall be affected by any notice to the contrary.

(b) Payment made to the person deemed to be the owner of any Series 2013 Bond for the purpose of such payment in accordance with the provisions of this Section 3.9 shall be valid and effectual, to the extent of the sum or sums so paid, to satisfy and discharge the liability upon such Series 2013 Bond in respect of which such payment was made.

Section 3.10 Exchange and Transfer of Series 2013 Bonds. As long as any of the Series 2013 Bonds remain outstanding, there shall be permitted the exchange of Series 2013 Bonds at the principal corporate trust office of the Trustee. Any Series 2013 Bond or Series 2013 Bonds upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his legal representative duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of other Series 2013 Bonds in Authorized Denominations.

(b) For every such exchange or transfer of Series 2013 Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

(c) The Trustee shall not be required to register the transfer or exchange of (a) any Series 2013 Bonds during the fifteen (15) day period next preceding the selection of Series 2013 Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2013 Bonds selected for redemption, or (b) any Series 2013 Bonds selected, called or being called for redemption in whole or in part, except in the case of any Series 2013 Bond to be redeemed in part, the portion thereof not so to be redeemed.

Section 3.11 Cancellation and Destruction of Surrendered Series 2013 Bonds. Upon the surrender to the Trustee of any temporary or mutilated Series 2013 Bonds, or Series 2013 Bonds transferred or exchanged for other Series 2013 Bonds, or Series 2013 Bonds paid at maturity by the Authority, the same shall forthwith be canceled and destroyed by the Trustee, and the Trustee, upon the request of the Authority, shall deliver its certificate of such destruction to the Authority.

Section 3.12 Delivery of the Series 2013 Bonds.

(a) Upon the execution and delivery of this Supplemental Indenture, the Authority shall execute and deliver to the Trustee, and the Trustee shall authenticate the Series 2013 Bonds and deliver them to the purchasers thereof as shall be directed by the Authority as hereinafter in this Section provided. The Authority shall execute and deliver to the Trustee and the Trustee shall authenticate the Series 2013 Bonds and deliver them to the purchasers thereof as shall be directed by the Authority as hereinafter in this Section provided.

(b) Prior to or simultaneously with the delivery by the Trustee of the Series 2013 Bonds there shall be filed with the Trustee:

(i) A copy, duly certified by the Secretary, Executive Director or an Assistant Secretary of the Authority, of the resolution or resolutions adopted by the Authority authorizing the execution and delivery of this Supplemental Indenture and the Loan Agreement, as amended, and all other instruments contemplated thereby and the authorization, issuance, sale and delivery of the Series 2013 Bonds;

(ii) A copy, duly certified by an Authorized Corporation Representative, of the resolution or resolutions of the Corporation authorizing the execution and delivery of the Loan Agreement, and all other instruments contemplated thereby and approving this Supplemental Indenture and the authorization, issuance, sale and delivery of the Series 2013 Bonds;

(iii) Original executed counterparts of this Supplemental Indenture, the Supplemental Loan Agreement, the Facilities Lease and the Ground Lease;

(iv) Signed copies of all opinions of counsel required in connection with the issuance of the Series 2013 Bonds and the transactions contemplated thereby;

(v) A request and authorization to the Trustee on behalf of the Authority and signed by its Chairman, Vice Chairman, Executive Director, Secretary or an Assistant Secretary to authenticate and deliver the Series 2013 Bonds to the purchasers thereof and specifying the amounts to be deposited in the Series 2013 Cost of Issuance Account, the Replacement Fund, the Series 2013 Debt Service Reserve Fund and the Escrow Fund hereunder; and

(vi) A signed copy of the legal opinion of Jones Walker LLP, addressed to the Trustee, to the effect that (i) the Series 2013 Bonds are exempt from the registration requirements of the Securities Act of 1933, as amended, and this Supplemental Indenture is exempt from qualification under the Trust Indenture Act of 1939, as amended; and (ii) authorizing the Trustee to rely upon Bond Counsel's approving opinion as if it were addressed to the Trustee.

(c) The Authority hereby authorizes and directs the Trustee to execute and deliver the Tax Regulatory Agreement dated the Closing Date, among the Authority, the Trustee and the Corporation.

Section 3.13 Book-Entry Registration of Series 2013 Bonds.

(a) The Series 2013 Bonds shall be initially issued in the name of Cede & Co., as nominee for DTC, as registered owner of the Series 2013 Bonds, and held in the custody of DTC (or the Trustee as the agent of DTC under the F.A.S.T. delivery system). The Authority and the Trustee acknowledge that the Authority has executed and delivered a Blanket Letter of Representations with DTC and that the terms and provisions of said Letter of Representations shall govern in the event of any inconsistency between the provisions of this Supplemental Indenture and said Letter of Representations. A single bond certificate for each maturity of Series 2013 Bonds will be issued and delivered to DTC. The Beneficial Owners will not receive physical delivery of Series 2013 Bond certificates except as provided herein. Beneficial Owners are expected to receive a written confirmation of their purchase providing details of each Series 2013 Bond acquired. For so long as DTC shall continue to serve as securities depository for the Series 2013 Bonds as provided herein, all transfers of beneficial ownership interest will be made by book-entry only, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of Series 2013 Bonds is to receive, hold or deliver any Bond certificate.

(b) For every transfer and exchange of the Series 2013 Bonds, the Beneficial Owner may be charged a sum sufficient to cover such Beneficial Owner's allocable share of any tax, fee or other governmental charge that may be imposed in relation thereto.

(c) The Authority, the Corporation and the Trustee will recognize DTC or its nominee as the Bondholder for all purposes, including notices and voting.

(d) Neither the Authority, the Trustee, the Corporation nor the Board is responsible for the performance by DTC of any of its obligations, including, without limitation, the payment of moneys received by DTC, the forwarding of notices received by DTC or the giving of any consent or proxy in lieu of consent.

(e) Whenever during the term of the Series 2013 Bonds the beneficial ownership thereof is determined by a book entry at DTC, the requirements of this Supplemental Indenture of holding, delivering or transferring Series 2013 Bonds shall be deemed modified to require the appropriate person to meet the requirements of DTC as to registering or transferring the book entry to produce the same effect.

(f) DTC may determine to discontinue providing its services with respect to the Series 2013 Bonds at any time by giving notice to the Authority and the Trustee and discharging its responsibilities with respect thereto under applicable law.

(g) The Authority, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the Series 2013 Bonds if the Authority determines that (i) DTC is unable to discharge its responsibilities with respect to the Series 2013 Bonds, or (ii) a continuation of the requirement that all of the outstanding Series 2013 Bonds be registered on the registration books kept by the Trustee in the name of Cede & Co., or any other nominee of DTC, is not in the best interest of the beneficial owners of the Series 2013 Bonds.

(h) Upon the termination of the services of DTC with respect to the Series 2013 Bonds pursuant to the above two paragraphs, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Authority is willing and able to undertake such functions upon reasonable and customary terms, the Authority is obligated to deliver Series 2013 Bonds to the owner, at the expense of the said owner as described in this Supplemental Indenture, and the Series 2013 Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names holders transferring or exchanging Series 2013 Bonds shall designate in accordance with the provisions of this Supplemental Indenture.

(i) Notwithstanding any other provision of this Supplemental Indenture to the contrary, so long as any Series 2013 Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Series 2013 Bond and all notices with respect to such Series 2013 Bond shall be made and given, respectively, in the manner provided in the Blanket Letter of Representations of the Authority dated November 17, 1998 and delivered to DTC.

(j) If at any time DTC ceases to hold the Series 2013 Bonds, all references herein to DTC shall be of no further force or effect.

Any funds received prior the Closing Date may be held uninvested. On the Closing Date, the Trustee shall disburse amounts held in the Series 2013 Bond Proceeds Fund as follows:

(i) to retain such sum in the Series 2013 Costs of Issuance Account as may be specified in the request and authorization delivered pursuant to Section 3.12 hereof;

(ii) to transfer to the Series 2013 Debt Service Reserve Fund an amount equal to the Series 2013 Debt Service Reserve Fund Requirement; and

(iii) to transfer to the Escrow Trustee for deposit to the Escrow Fund the balance of the proceeds of the Series 2013 Bonds and the Board Contribution.

(b) Amounts deposited on the Closing Date into the Series 2013 Costs of Issuance Account of the Series 2013 Bond Proceeds Fund shall be disbursed, pursuant to the written instructions of the Authority, to pay Costs of Issuance. The Trustee is authorized and directed to pay such Costs of Issuance in accordance with the payment instructions set forth in the respective invoices submitted to the Trustee for payment pursuant to such written instructions of the Authority. Any amounts remaining in the Series 2013 Costs of Issuance Account 180 days after delivery of the Series 2013 Bonds (and not specifically committed to pay additional Costs of Issuance) shall be deposited into the Interest Account of the Series 2013 Debt Service Fund.

Section 4.3 Series 2013 Debt Service Fund. The Trustee shall deposit into the applicable account of the Series 2013 Debt Service Fund the amounts required by Section 4.6 of this Supplemental Indenture.

(a) Moneys on deposit in the Interest Account of the Series 2013 Debt Service Fund shall be used solely to pay the interest on the Series 2013 Bonds as it becomes due and payable, whether on an Interest Payment Date, at maturity or upon acceleration.

(b) Moneys on deposit in the Principal Account of the Series 2013 Debt Service Fund shall be used solely to pay the principal of the Series 2013 Bonds as it becomes due and payable, whether at maturity, prior redemption or upon scheduled sinking fund redemption; and, if funds are available for such purpose and at the written direction of the Authority, to effect the redemption of the Series 2013 Bonds prior to their maturity in accordance with the redemption provisions hereof or the purchase of Series 2013 Bonds prior to their maturity in the open market at a price not in excess of the then applicable redemption price (the principal amount thereof, premium, if any, plus accrued interest).

(c) Whenever and to the extent that money on deposit in the Interest Account or the Principal Account is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2013 Bonds, the Trustee shall transfer money from the Surplus Fund, the Replacement Fund and the Debt Service Reserve Fund, in that order.

Section 4.4 Replacement Fund. The Replacement Fund shall be maintained with the Trustee and used to fund the cost of replacing any worn out, obsolete, inadequate, unsuitable or undesirable property, furniture, fixtures or equipment placed upon or used in connection with the Facilities. Moneys in the Replacement Fund will also be transferred to the Interest Account and/or the Principal Account of the Series 2004 Debt Service Fund or the Series 2013 Debt Service Fund whenever and to the extent that money on deposit in such Accounts, together with money available therefor in the Surplus Fund, is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004B Bonds or the Series 2013 Bonds.

Section 4.5 Series 2013 Rebate Fund. Moneys deposited and held in the Series 2013 Rebate Fund shall be used to make all rebate payments owed to the United States under the Code, and shall not be subject to the pledge of this Supplemental Indenture. The Corporation shall make the calculation(s) required by the Code and the Tax Regulatory Agreement and Arbitrage Certificate and shall direct the Trustee to make deposits to and make disbursements from the Series 2013 Rebate Fund that the Corporation determines are in accordance therewith. The Tax Regulatory Agreement and any provisions of this Supplemental Indenture governing deposits to the Series 2013 Rebate Fund may be superseded or amended by the Corporation (except the requirement of annual calculations and deposits to the Series 2013 Rebate Fund, if required) if accompanied by an opinion of Bond Counsel addressed to the Corporation and the Trustee to the effect that the use of the new Tax Regulatory Agreement will not cause the interest on the Series 2013 Bonds to become includable in gross income of the recipient thereof for federal tax purposes.

Section 4.6 Receipts Fund. There shall be deposited into the Receipts Fund all funds received from or paid on behalf of the Board under the Facilities Lease, including: (i) daily, all rents, charges and other amounts, held in the deposit account maintained by the Management Company pursuant any Management Agreement; and (ii) all Lawfully Available Funds from the Board used to make Base Rental Payments pursuant to the Facilities Lease. The Trustee will transfer the amount so deposited in the Receipts Fund to the Series 2004 Debt Service Fund and the Series 2013 Debt Service Fund without distinction or priority. Moneys on deposit in the Receipts Fund will be withdrawn by the Trustee in accordance with the requirements of the Original Indenture and this Supplemental Indenture and ratably on a parity therewith and applied in the following priority:

(a) At such time as may be required by the Tax Regulatory Agreement but not less often than annually, to the Rebate Fund and the Series 2013 Rebate Fund the amount required to be deposited thereunder;

(b) On the twenty-fifth (25th) day of each month, beginning on the twenty-fifth (25th) day of the month following the effective date of any Management Agreement, to the Operating Fund (as defined in the Management Agreement) maintained by the Management Company, an amount necessary to make the amount in the Operating Fund equal to the Operating Expenses for the next month as shown on the Operating Budget (as defined in the Management Agreement) for such month, as certified by the Management Company;

(c) With respect to the Series 2004B Bonds and the Series 2013 Bonds that bear interest at a Fixed Rate, on the twenty-fifth (25th) day of each month, commencing November 25, 2013, into the Interest Account of the Series 2004 Debt Service Fund and the Interest Account of the Series 2013 Debt Service Fund an amount equal to one-third (1/3rd) of the interest due and payable on such Series 2004B Bonds and Series 2013 Bonds on February 1, 2014 and thereafter, on the 25th day of each month, commencing February 25, 2014, an amount equal to one-sixth (1/6th) of the interest due and payable on such Series 2004B Bonds and Series 2013 Bonds on the next February 1 and August 1 or such lesser amount that, together with amounts already on deposit in the Interest Account of the Series 2004 Debt Service Fund and the Interest Account of the Series 2013 Debt Service Fund, will be sufficient to pay interest on such Series 2004B Bonds and Series 2013 Bonds on such Interest Payment Date;

(d) With respect to the Auction Rate Bonds, two (2) Business Days prior to each Interest Payment Date for the Auction Rate Bonds, commencing November 12, 2013, into the Interest Account of the Series 2004 Debt Service Fund an amount equal to the interest due and payable on the Auction Rate Bonds on such Interest Payment Date or such lesser amount that, together with amounts already on deposit in the Interest Account of the Series 2004 Debt Service Fund, will be sufficient to pay interest on such Series 2004B Bonds bearing interest at an Auction Rate on such Interest Payment Date;

(e) With respect to the Variable Rate Bonds, two (2) Business Days prior to each Interest Payment Date, commencing on the Interest Payment Date immediately succeeding the applicable Variable Rate Conversion Date, into the Interest Account of the Series 2004 Debt Service Fund an amount equal to the interest due and payable on the Variable Rate Bonds on such Interest Payment Date or such lesser amount that, together with amounts already on deposit in the Interest Account of the Series 2004 Debt Service Fund, will be sufficient to pay interest on such Series 2004B Bonds bearing interest at a Variable Rate on such Interest Payment Date;

(f) On the twenty-fifth (25th) day of each month, commencing November 25, 2013, into the Principal Account of the Series 2004 Debt Service Fund and the Principal Account of the Series 2013 Debt Service Fund an amount equal to one-ninth (1/9th) of the principal of the Series 2004B Bonds and the Series 2013 Bonds payable on August 1, 2014 and thereafter, on the 25th day of each month, commencing August 25, 2014, an amount equal to one-twelfth (1/12th) of the principal of the Series 2004B Bonds and the Series 2013 Bonds payable on the next Principal Payment Date;

(g) On the twenty-fifth (25th) day of the month, any amounts due to the Series 2004 Bond Insurer under the Reimbursement Agreement;

(h) On the twenty-fifth (25th) day of each month following any drawing on the Debt Service Reserve Fund in accordance with Section 4.21 of the Original Indenture or any drawing on the Series 2013 Debt Service Reserve Fund in accordance with Section 4.13 hereof, an amount equal to the lesser of (i) one twelfth

(1/12th) of the amount necessary to cause the amount on deposit in the Debt Service Reserve Fund to equal the Debt Service Reserve Fund Requirement for the Series 2004B Bonds and the Series 2013 Debt Service Reserve Fund to equal the Series 2013 Debt Service Reserve Fund Requirement for the Series 2013 Bonds within twelve (12) months or (ii) the excess of the Debt Service Reserve Fund Requirement for the Series 2004 Bonds or the Series 2013 Debt Service Reserve Fund Requirement for the Series 2013 Bonds over the amount on deposit in the Debt Service Reserve Fund or the Series 2013 Debt Service Reserve Fund;

(i) Annually, beginning August 1, 2014, an amount equal to \$122,987.38 into the Replacement Fund, with such amount increased each year, beginning August 1, 2015 at a rate of 3% annually; or such lesser annual amount as is permitted by the Board of Regents and approved by the Series 2004 Bond Insurer and, in the event that any funds shall have been withdrawn from the Replacement Fund to cure any deficiency in the Interest Account or the Principal Account of the Series 2004 Debt Service Fund or the Interest Account or the Principal Account of the Series 2013 Debt Service Fund pursuant to Section 4.3(c) hereof, the amount of such withdrawal;

(j) On the twenty-fifth (25th) day of each month, commencing the month following the effective date of any Management Agreement, an amount equal to the monthly Management Fee for the current Fiscal Year plus any Management Fee for any prior month that remains unpaid;

(k) Annually on August 1 of each year beginning August 1, 2014 any amounts remaining in the Receipts Fund after making all transfers required to be made on such date under Section 4.6(a) through (j) hereof shall be transferred to the Surplus Fund and applied as set forth in Section 4.25 of the Original Indenture.

After a Variable Rate Conversion of the Series 2004B Bonds, payments will be made from the Receipts Fund to the Series 2004 Debt Service Fund in accordance with the supplemental indenture executed in connection with such Variable Rate Conversion.

Section 4.7 Series 2013 Debt Service Reserve Fund. Moneys on deposit in the Series 2013 Debt Service Reserve Fund shall be maintained in an amount equal to the Series 2013 Debt Service Reserve Fund Requirement, and shall be transferred, in accordance with the priority set out in Section 4.3(c) above, to the Interest Account or the Principal Account of the Series 2013 Debt Service Fund in such amount as shall be necessary to remedy any deficiency therein (taking into account any amounts available therefor in the Surplus Fund and the Replacement Fund). Whenever the amount in the Series 2013 Debt Service Reserve Fund, together with the amount in the Series 2013 Debt Service Fund, is sufficient to pay in full all outstanding Series 2013 Bonds in accordance with their terms, the funds on deposit in the Series 2013 Debt Service Reserve Fund shall be transferred to the Series 2013 Debt Service Fund and shall be available to pay all outstanding Series 2013 Bonds in accordance with their terms. If the balance of the Series 2013 Debt Service Reserve Fund is greater than the Series 2013 Debt Service Reserve Fund Requirement, all amounts in the Series 2013 Debt Service Reserve Fund in excess of the Series 2013 Debt Service Reserve Fund Requirement shall be transferred to the Interest Account of the Series 2013 Debt Service Fund. In no event shall moneys in the Series 2013 Debt Service Reserve Fund be used to make payments of principal or interest on the Series 2004B Bonds and in no event shall the moneys in the Series 2004 Debt Service Reserve Fund be used to make payments of principal and interest on the Series 2013 Bonds.

Section 4.8 Surplus Fund. The Surplus Fund will continue to be maintained with the Trustee. Upon satisfaction of certain performance covenants contained in the Indenture, funds on deposit in the Surplus Fund at the end of any Fiscal Year will be transferred to the University. Until such transfer, moneys in the Surplus Fund will be available to be transferred to the Interest Account and/or the Principal Account of the Series 2004 Debt

Service Fund or Series 2013 Debt Service Fund whenever and to the extent that money on deposit in such Accounts is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004B Bonds or the Series 2013 Bonds.

Section 4.9 Investments. Moneys contained in the funds and accounts held by the Trustee under Section 4.1 of this Supplemental Indenture shall be continuously invested and reinvested by the Trustee at the direction of the Corporation in Permitted Investments, to the extent practicable, that shall mature (or be readily convertible to cash) not later than the respective dates, as estimated by the Trustee, when the moneys in said Funds and Accounts shall be required for the purposes intended, and:

(i) No such investment shall be required to be made unless the cash at the time available therefor is at least equal to \$1,000;

(ii) The Trustee shall be authorized, to the extent necessary to enable the Trustee to discharge or perform its obligations hereunder, at any one or more times to sell any part or all of the investments whenever it may, for any reason or purpose whatsoever, deem any such sale to be desirable;

(iii) Any income derived from and any profit or loss on any such investment of moneys on deposit in any such fund or account shall be credited or debited, as the case may be, to the respective fund or account in which earned;

(iv) No Permitted Investments in any fund or account may mature beyond the latest maturity date of any Series 2013 Bonds outstanding at the time such Permitted Investments are deposited. For the purposes of this section, the maturity date of repurchase agreements for obligations is the maturity date of such repurchase agreements and not the maturity date of the underlying obligation; and

(b) An Authorized Corporation Representative shall give to the Trustee directions respecting the investment of any money required to be invested hereunder, subject, however, to the provisions of this Article and Article V of the Loan Agreement, and the Trustee shall then invest such money under this Section as so directed. The Trustee shall in no event have any liability for any loss resulting from the investment of moneys in accordance with the directions of the Authorized Corporation Representative. The Trustee shall furnish the Authority annually with a written copy and the Corporation with a written copy for the Board, on at least a monthly basis, of the types, amounts, yield and maturities of all such investments.

(c) All cash investments shall be valued by the Trustee as frequently as deemed necessary by the Trustee, but not less often than annually, at the market value thereof. Deficiencies in the amount on deposit in any fund or account resulting from a decline in market value shall be restored no later than the succeeding valuation date.

Section 4.10 Depository of Moneys and Security for Deposits. All of the funds and accounts established hereunder (except for the Series 2013 Rebate Fund) shall be special trust accounts held by the Trustee in trust for the benefit of the owners of the Series 2013 Bonds and shall not be subject to lien or attachment by any creditors of the Trustee, the Authority, the Corporation, or the Board. Uninvested sums in these funds and accounts shall be continually secured as are deposits of uninvested sinking funds of political subdivisions of the State or in the manner prescribed by Federal law for securing any Federal trust funds as may be prescribed from time to time by the Comptroller of the Currency.

Section 4.11 Arbitrage. Notwithstanding all the provisions hereof, the Authority shall not direct the investment of moneys in the various funds and accounts created hereunder in a manner that would result in the loss of exclusion from gross income of interest on the Series 2013 Bonds for Federal income tax purposes or in such manner which would result in the Series 2013 Bonds becoming “arbitrage bonds” within the meaning of Section 148 of the Code.

Section 4.12 Amounts Remaining in Funds; Releases. It is agreed by the parties hereto that any amounts remaining in the Funds and Accounts existing pursuant to this Supplemental Indenture upon the expiration or sooner cancellation or termination of the Loan Agreement, as provided therein, after payment in full of all Series 2013 Bonds then outstanding under this Supplemental Indenture (or provisions for the payment thereof having been made in accordance with Article XII of this Supplemental Indenture), and the fees, charges and expenses of the Authority and the Trustee and all other amounts required to be paid under the Loan Agreement and under this Supplemental Indenture, other than amounts payable as arbitrage rebate under Section 148(f) of the Code, shall belong to and be paid to the Board.

Section 4.13 Application of Moneys in the Series 2013 Debt Service Reserve Fund.

(a) The Series 2013 Debt Service Reserve Fund shall be funded on the date of delivery of the Series 2013 Bonds in an amount equal to the Series 2013 Debt Service Reserve Fund Requirement.

(b) The Trustee shall transfer money from the Series 2013 Debt Service Reserve Fund to the Interest Account and the Principal Account of the Series 2013 Debt Service Fund to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2013 Bonds, whenever and to the extent that the money on deposit in said accounts (together with any amounts available therefor in the Surplus Fund and the Replacement Fund) is insufficient for such purposes.

(c) If the money held in the Series 2013 Debt Service Reserve Fund, including interest earnings, exceeds the Series 2013 Debt Service Reserve Fund Requirement an amount equal to such excess shall be transferred by the Trustee to the Interest Account of the Series 2013 Debt Service Fund. The Trustee shall not be required to liquidate any investment before its maturity to make such transfer. Whenever the amount on deposit in the Series 2013 Debt Service Reserve Fund is less than the Series 2013 Debt Service Reserve Fund Requirement, the Trustee shall notify the Authority and the Corporation of the amount of such deficiency and such deficiency will be remedied, as provided in Section 4.6(h) hereof. Upon notification the Corporation shall deliver to the Trustee an amount sufficient to cure the deficiency in accordance herewith and the Agreement.

(d) The Authority may, at the direction of the Corporation, as advised by the Board, at any time, deposit with the Trustee, to replace cash in the Series 2013 Debt Service Reserve Fund (in which case the replaced cash shall be paid to the University) or to meet the requirements herein that it deposit additional amounts in the Series 2013 Debt Service Reserve Fund, a Debt Service Reserve Fund Investment. Any bank issuing a letter of credit must have a rating on its unsecured debt, or on debt secured by its letters of credit and which ratings are based solely on the bank’s letter of credit, of “AA-” or better by S&P and “Aa3” or better by Moody’s. Any insurance company issuing a surety bond must have a claims-paying ability rating of “AAA” by S&P and “Aaa” by Moody’s. If such Debt Service Reserve Fund Investment expires prior to fifteen (15) days after the final maturity of the Series 2013 Bonds, it must provide, that if not renewed within fifteen (15) days prior to its expiration date in an amount equal to the undrawn amount thereof (other than because of a reduction in the Series 2013 Debt Service Reserve Fund Requirement or the deposit of cash in the Series 2013 Debt Service

Reserve Fund to replace it), the Trustee may draw the full amount of such Series 2013 Debt Service Reserve Fund Investment. The Trustee shall draw down the full amount of such Debt Service Reserve Fund Investment and deposit such amount in the Series 2013 Debt Service Reserve Fund fifteen (15) days prior to expiration of such Debt Service Reserve Fund Investment if it is not renewed as provided for in the preceding sentence. The Debt Service Reserve Fund Investment must be able to be drawn upon at any time that cash could be withdrawn from the Series 2013 Debt Service Reserve Fund. Prior to accepting any such Debt Service Reserve Fund Investment, the Trustee, the Corporation, the Board and the Authority must receive a Bond Counsel opinion that such acceptance and any payment of funds in the Debt Service Reserve Fund to the Corporation is authorized by this Indenture and will not adversely affect the exclusion of interest on the Series 2013 Bonds. If a Debt Service Reserve Fund Investment is deposited in the Series 2013 Debt Service Reserve Fund in lieu of cash, the cash amount contained in the Series 2013 Debt Service Reserve Fund shall be transferred to the Replacement Fund.

(e) If a disbursement is made under a surety bond deposited in the Series 2013 Debt Service Reserve Fund, the Corporation shall be obligated to either reinstate the maximum limits of such surety bond immediately following such disbursement in twelve (12) equal monthly installments or as required by the Authority of the Debt Service Reserve Fund Investment in an amount equal to the Series 2013 Debt Service Reserve Fund Requirement or deposit into the Series 2013 Debt Service Reserve Fund funds in the amount of the disbursement made under the Debt Service Reserve Fund Investment, or a combination of such alternatives as shall equal the Series 2013 Debt Service Reserve Fund Requirement.

Section 4.14 Application of Insurance Proceeds; Condemnation Award.

(a) If all or any portion of the Facilities is damaged or destroyed by a Casualty (as defined in the Facilities Lease), or is taken by Expropriation (as defined in the Facilities Lease) proceedings, the Board shall instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration or replacement of the Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. The proceeds of any insurance, including the proceeds of any self-insurance through ORM, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction or taking of all or any portion of the Facilities shall be delivered to the Trustee and held by the Trustee in a special account to be established upon receipt of any such funds and held by the Trustee in trust or in the case of self-insurance through ORM, as set forth in paragraph (b) below; and shall be made available for, and to the extent necessary be applied to, such restoration, repair and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement and repair of the Facilities with respect to which they are held, in each case promptly after receipt of a written request of the Corporation as advised by the Board stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee may conclusively rely upon such written requests and shall have no liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration or replacement of the Facilities shall be paid by Trustee to the Corporation for the Board.

(b) In the event the University decides not to repair, restore or replace the Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) shall be paid to the Trustee and applied to the redemption of the Bonds on a pro rata basis in accordance with the Indenture. The provisions of this Section 4.14(b) shall control over the provisions of the second paragraph of Section 4.22(a) of the Original Indenture.

(c) In the event that ORM insures the Facilities, the Board shall cause the Corporation to use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration or replacement of the Facilities.

Section 4.15 Application of Money in the Replacement Fund.

(a) All moneys in the Replacement Fund shall be held for the benefit of the Board through the Corporation, are not pledged under this Indenture and may be drawn on and used by the Corporation or the Board to (i) replace any worn out, obsolete, inadequate, unsuitable or undesirable property, furniture, equipment, fixtures and other property owned by the Board or the Corporation and located on the Facilities and (ii) maintain the Facilities and to make all alterations, repairs, restorations and replacements to the Facilities as and when needed to preserve the Facilities in good working order, condition and repair, each as required by the Facilities Lease. Withdrawals from the Replacement Fund for the purposes set forth above shall be made by the Trustee upon its receipt of a requisition from the University or the Corporation substantially in the form attached hereto as Exhibit C to the Original Indenture. Moneys in the Replacement Fund may also be drawn by the Trustee and transferred to the Series 2004 Debt Service Fund or the Series 2013 Debt Service Fund if amounts on deposit therein, together with amounts available therefor in the Surplus Fund, are insufficient to pay debt service on the Series 2004B Bonds or the Series 2013 Bonds on any Interest Payment Date or Principal Payment Date.

(b) Any moneys remaining in the Replacement Fund immediately prior to the time all of the Series 2004B Bonds and Series 2013 Bonds are paid, or provision for their payment is made in accordance with Article XII hereof shall, at the option of the University, be used, together with amounts held in the Debt Service Reserve Fund and the Series 2013 Debt Service Reserve Fund, to pay in full all outstanding Series 2004B Bonds and Series 2013 Bonds in accordance with their terms or shall be paid to the University.

Section 4.16 Application of Money in the Surplus Fund.

(a) Funds on deposit in the Surplus Fund at the end of any Fiscal Year may be transferred to the University on the date described below if (i) the Debt Service Coverage Ratio for the Facilities was 1.10:1.00 or greater for such Fiscal Year as evidenced by the audited financial statements for such Fiscal Year and (ii) neither the Corporation or the Board are in default under the financing documents on the date of transfer to the University. Upon receipt of the audited financial statements for such Fiscal Year, provided that the above described conditions have been met, then at the written instruction of the University Representative, the Trustee shall transfer all of the amounts in the Surplus Fund on the last day of the immediately preceding Fiscal Year to the University.

(b) To the extent that there are insufficient funds in the Receipts Fund to make any of the transfers to the various funds and accounts required under Section 4.6(a) through (j) hereof on the dates such

transfers are required to be made, any amounts contained in the Surplus Fund shall be transferred to such funds and accounts, in the priority set forth in Section 4.6 hereof, to make up for such deficiency.

Section 4.17 Application of Moneys in the Series 2013 Rebate Fund. Moneys in the Series 2013 Rebate Fund shall be used to make any rebate payments required to be made to the United States under the Code. The Series 2013 Rebate Fund shall be held for the sole benefit of the United States of America and is not pledged under this Supplemental Indenture. Moneys required to be paid to the United States shall be deposited in the Series 2013 Rebate Fund by the Board as Base Rental under the Facilities Lease as required thereby and by this Supplemental Indenture.

ARTICLE V ADDITIONAL BONDS

Section 5.1 Additional Bonds. Additional Bonds may be issued in accordance with the provisions of Article V of the Original Indenture.

ARTICLE VI COSTS OF ISSUANCE

Section 6.1 Payment of Costs of Issuance from Series 2013 Bond Proceeds Fund. There shall be paid into the Series 2013 Costs of Issuance Account in the Series 2013 Bond Proceeds Fund the amounts required to be so paid from Series 2013 Bond proceeds pursuant to Section 4.2(b) of this Supplemental Indenture; and such amounts shall be applied to the payment of all items of expense, directly or indirectly payable or reimbursable and related to the authorization, sale and issuance of the Series 2013 Bonds including, but not limited to, publication costs, printing costs, costs of preparation and reproduction of documents, filing and recording fees, initial fees and charges of the Trustee, the Authority or any other fiduciary, legal fees and charges, fees and disbursements of consultants and professionals and any other cost, charge or fee in connection with the original sale and issuance of the Series 2013 Bonds. Any additional costs of issuance shall be paid solely by the Corporation. The Trustee shall make payments from the Series 2013 Costs of Issuance Account upon receipt of statements from the parties entitled to be paid therefrom accompanied by a written request of the Authority directing the Trustee to pay such statements.

ARTICLE VII ENFORCEMENT OF LOAN AGREEMENT AND FACILITIES LEASE

Section 7.1 Assignment of Loan Agreement and Facilities Lease. The Authority has assigned all of its right, title and interest in, to and under the Loan Agreement (except for rights relating to exculpation, indemnification and payment of expenses thereunder), including the interest of the Authority in and to the Ground Lease and the Facilities Lease assigned by the Corporation to the Authority thereunder (except for payments of Additional Rentals made under the Facilities Lease), to the Trustee as security for the Series 2013 Bonds and hereby agrees that the Loan Agreement and the Facilities Lease may be enforced by the Trustee and/or the owners of the Bonds in accordance with the terms of the Facilities Lease and the Indenture. Notwithstanding such assignment, the Authority agrees to cause the Corporation to comply with the terms contained in the Loan Agreement and the Facilities Lease and the rights of the Bondholders and the Trustee shall be governed by the provisions of the Indenture, the Loan Agreement and the Facilities Lease.

Section 7.2 Trustee or Bondholders to Enforce Loan Agreement, Facilities Lease and Mortgage. The Trustee may, and upon request of the Series 2004 Bond Insurer or a majority in aggregate principal amount of the

Bonds then outstanding shall, subject to the provisions of Section 8.11 and Article IX hereof, strictly and promptly enforce the provisions of the Loan Agreement, the Facilities Lease and Mortgage so long as any of the Bonds remain outstanding under the Indenture. All rights of action (including the right to file proof of claims) to enforce the Loan Agreement, the Facilities Lease and Mortgage under the Indenture or under any of the Bonds may be enforced by the Trustee without the possession of the Bonds and without their production in any trial or other proceeding relating thereto. Any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee for the Bondholders without the necessity of joining as plaintiffs or defendants any of the Bondholders.

ARTICLE VIII EVENTS OF DEFAULT; REMEDIES

Section 8.1 No Extension of Time for Payment of Principal, Premium or Interest. The Trustee shall not be authorized to extend the time for any payment of principal, premium or interest without the prior written consent of or authorization by the owner of the Series 2013 Bonds so affected.

Section 8.2 Events of Default.

(a) Each of the following events is hereby declared to be an additional “*Event of Default*” under Section 8.2 of the Original Indenture:

(i) The payment of any installment of interest on any of the Series 2013 Bonds shall not be made when the same shall become due and payable;

(ii) The payment of the principal of or premium, if any, on any of the Series 2013 Bonds shall not be made when the same shall become due and payable, whether at maturity or by proceedings for redemption or by acceleration or otherwise;

(vi) Default by the Authority in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Series 2013 Bonds or in this Supplemental Indenture on the part of the Authority to be performed, if such default shall continue for 30 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Authority, the Board and the Corporation by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the owners of not less than a majority in principal amount of the Series 2013 Bonds then outstanding. Such default shall not become an Event of Default if said default be of the nature that (A) it cannot be corrected within the thirty (30) day period after receipt of notice, but the Authority (or the Corporation pursuant to the provisions of Section 8.14 of this Supplemental Indenture) promptly shall institute and diligently pursue corrective action until such default is cured and (B) the Trustee shall determine that such default is not curable but such default does not affect the validity or enforceability of the Series 2013 Bonds, this Supplemental Indenture or the Loan Agreement, an event of nonperformance shall not have occurred under the Loan Agreement

(other than as a result of the cross-default provisions), and such default does not impair the security or the obligations provided for or under the Bonds, the Indenture or the Loan Agreement.

(b) The word “default” as used herein means failure of performance when due, exclusive of any period of grace, if any, allowed to correct any such failure.

Section 8.3 Remedies. Upon the occurrence of an Event of Default, the Authority, the Trustee and, subject to Sections 8.10 and 8.11, the Bondholders shall have all the rights and remedies as may be allowed by law, the Indenture, or pursuant to the provisions of the Loan Agreement and/or the Facilities Lease by virtue of their assignment hereunder, including but not limited to, acceleration of the maturity of all Bonds, or suit at law or in equity to enforce or enjoin the action or inaction of parties under the provisions of the Indenture, the Loan Agreement or the Facilities Lease.

Section 8.4 Acceleration; Annulment of Acceleration.

(a) Upon the occurrence of an Event of Default described in Section 8.2 of the Indenture, the Trustee may, and upon the written request of the Series 2004 Bond Insurer or the owners of a majority in aggregate principal amount of the Bonds shall, by notice in writing to the Authority, the Board and the Corporation, declare the Bonds then outstanding immediately due and payable, and such Bonds shall become and be immediately due and payable, anything in such Bonds or in the Loan Agreement or the Indenture to the contrary notwithstanding, and, subject to Article IX, the Trustee may exercise any remedies granted to it therein. In such event, there shall be due and payable on the Bonds an amount equal to the principal amount of all the Bonds then outstanding plus all interest accrued thereon and which will accrue thereon to the date of payment; and

(b) At any time after the principal of the Bonds shall have been so declared to be due and payable and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under the Indenture, the Loan Agreement or the Facilities Lease, the Trustee may annul such declaration and its consequences with respect to the Bonds if (i) moneys shall have been deposited in the Series 2013 Debt Service Fund and the Series 2004 Debt Service Fund sufficient to pay all matured installments of principal (other than principal due solely because of acceleration) and interest; (ii) moneys shall be available sufficient to pay the charges, compensation, expenses, disbursements, advances and liabilities of the Authority and the Trustee; (iii) all other amounts then payable by the Authority or the Corporation under the Indenture or the Loan Agreement shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee; and (iv) every Event of Default known to the Authority or the Trustee (other than a default in the payment of the principal of the Bonds due only because of such declaration) shall have been remedied to the satisfaction of the Authority and the Trustee. No such annulment shall extend to or affect any subsequent Event of Default or impair any right consequent thereon.

Section 8.5 Insufficiency in the Series 2013 Debt Service Fund; Application of Moneys.

(a) Anything in this Supplemental Indenture to the contrary notwithstanding, if at any time the moneys in the Series 2013 Debt Service Fund shall not be sufficient to pay the interest on, premium, if any, or the principal of the Series 2013 Bonds as the same shall become due and payable (either by their terms or by acceleration of maturities), such moneys, together with any other moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall, subject to the provisions of Sections 9.2 and 9.4 hereof, be applied as follows:

(i) Unless the principal of all the Series 2013 Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

FIRST, to the payment to the persons entitled thereto of all installments of interest then due and payable in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay any particular installment, then to the payment thereof, ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Series 2013 Bonds; then

SECOND, to the payment to the persons entitled thereto of the unpaid principal of any of the Series 2013 Bonds which shall have become due and payable (other than Series 2013 Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Supplemental Indenture) in the order of their due dates, with interest on the principal amount of such Series 2013 due and payable, and, if the amount available shall not be sufficient to pay in full the principal of the Series 2013 Bonds and their interest thereon, then to the payment thereof ratably, according to the amount of the interest due on such date, and next to the payment of the principal, ratably, according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference; and then

THIRD, to the payment of the interest on and the principal of the Series 2013, to the purchase and retirement of Series 2013 Bonds and to the redemption of Series 2013 Bonds, all in accordance with the provisions of this Supplemental Indenture.

(ii) If the principal of all the Series 2013 Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Series 2013 Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Series 2013 Bond over any other Series 2013 Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference; and

(iii) If the principal of all the Series 2013 Bonds shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled, then, subject to the provisions of Section 8.4(b) above, in the event that the principal of all the Series 2013 Bonds shall later become or be declared due and payable, then all such moneys shall be applied in accordance with the provisions of Section 8.4(a) above.

(b) Whenever money is to be applied by the Trustee pursuant to the provisions of this Section, such money shall be applied by the Trustee at such times and from time to time as the Trustee in its sole discretion shall determine, having due regard to the amount of such money available for application and the likelihood of additional money becoming available for application in the future; the deposit of such money or otherwise setting aside such money in trust for the proper purpose shall constitute proper application by the Trustee; and the Trustee shall incur no liability whatsoever to the Authority, to any Bondholder or to any other person for any delay in applying any such money, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this Supplemental Indenture as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such money, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and

upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date and shall not be required to make payment to the owner of any Series 2013 Bond until such Series 2013 Bond shall be surrendered to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 8.6 Discontinuance of Proceedings. In case any proceeding taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, then and in every such case the Authority, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no proceeding had been taken.

Section 8.7 Reserved.

Section 8.8 Remedies Not Exclusive. No remedy by the terms of the Indenture conferred upon or reserved to the Trustee or the Bondholders is intended to be exclusive of any other remedy, but each and every remedy shall be cumulative and shall be in addition to every other remedy given under the Indenture or existing at law or in equity on or after the date of adoption of the Indenture.

Section 8.9 Remedies Vested in Trustee. All rights of action under the Indenture, the Loan Agreement or under any of the Bonds may be enforced by the Trustee without possession of the Bonds and without their production in any trial or other proceeding relating thereto. Any suit or proceeding instituted by the Trustee may be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any owners of the Bonds.

Section 8.10 Reserved.

Section 8.11 Individual Bondholder Action Restricted.

(a) No owner of any Series 2013 Bond shall have any right to institute any suit, action or proceeding for the enforcement of this Supplemental Indenture or for the execution of any trust hereunder or for any remedy under this Supplemental Indenture unless an Event of Default has occurred (other than under Sections 8.2(a)(i) or 8.2(a)(ii)) of the Original Indenture as to which the Trustee has actual notice, or as to which the Trustee has been notified in writing; and

(b) No one or more owners of Series 2013 Bonds shall have any right in any manner whatsoever to disturb or prejudice the security of this Supplemental Indenture or to enforce any right hereunder except in the manner herein provided and then only for the equal benefit of the owners of all outstanding Series 2013 Bonds.

Section 8.12 Waiver and Non-Waiver of Event of Default. No delay or omission of the Trustee or of any owner of Bonds to exercise any right or power accruing upon any Event of Default shall impair the right or power or shall be construed to be a waiver of an Event of Default or an acquiescence therein. Every power and remedy given by this Article to the Trustee and to the owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 8.13 Notice of Defaults.

(a) Within 30 days after the receipt of notice of an Event of Default or the occurrence of an Event of Default of which the Trustee is deemed to have notice, the Trustee shall (unless the Event of Default has already been cured) give written notice of the Event of Default to the owners of all Series 2013 Bonds then outstanding in the manner provided in Section 13.8 of this Supplemental Indenture, provided that, except in the case of a default in the payment of principal, redemption price, or interest on any of the Series 2013 Bonds, the Trustee may withhold the notice to the Bondholders if, in its sole judgment, it determines that the withholding of notice is not detrimental to the best interest of the Bondholders.

(b) The Trustee shall immediately notify, in writing, the Authority, the Board, the Series 2004 Bond Insurer and the Corporation of any Event of Default known to the Trustee.

Section 8.14 Opportunity of Corporation to Cure Certain Defaults. The Authority and the Trustee hereby grant the Corporation full authority on the account of the Board and/or the Authority to perform any covenant or obligation and to otherwise fulfill any condition the failure or non-performance of which is or is alleged to be a default under Section 8.2(a)(vi) of this Supplemental Indenture, and the Trustee agrees that performance by the Corporation shall be deemed to be performance by the Board and/or the Authority.

ARTICLE IX CONCERNING THE TRUSTEE

Section 9.1 Acceptance of Trusts. The Trustee hereby represents and warrants to the Authority (for the benefit of the Board, the Corporation and the Bondholders as well as the Authority) that it is a bank and trust company duly organized and existing under the laws of the State of Louisiana and that it is duly authorized under such laws to accept and execute trusts of the character herein set out. The Trustee accepts and agrees to execute the trusts imposed upon it by this Supplemental Indenture, but only upon the terms and conditions set forth in this Article and subject to the provisions of this Supplemental Indenture including the following express terms and conditions, to all of which the parties hereto and the respective Owners of the Series 2013 Bonds agree:

(a) Except during the continuance of an Event of Default within the purview of Section 8.2, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Supplemental Indenture, and the Trustee shall not be responsible for (x) the legality or enforceability of this Supplemental Indenture (except with respect to performance of its obligations hereunder), the Loan Agreement (except with respect to performance of its obligations hereunder), the Facilities Lease (except with respect to performance of its obligations hereunder), the Tax Regulatory Agreement (except with respect to performance of its obligations thereunder), and any supplement thereto, the Series 2013 Bonds (except as to the authentication of the Series 2013 Bonds), or any instruments or documents related thereto (collectively, the “*Transaction Documents*”) or (y) the legality, perfection, sufficiency or priority of the Trust Estate or any lien purported to be granted thereon under any of the aforesaid documents or otherwise. No implied covenants or obligations shall be read into this Supplemental Indenture against the Trustee.

(b) No provision of this Supplemental Indenture shall be construed to relieve the Trustee from liability for its negligence or willful misconduct, except that:

(i) in the absence of bad faith on the part of the Trustee, the Trustee may rely upon the authenticity of, and the truth of the statements and the correctness of the opinions expressed in, and shall be protected fully from liability in relying or acting upon, any resolution, opinion of counsel, certificate, request, notice, consent, waiver, order, signature guaranty, notarial seal, stamp, acknowledgment, verification, appraisal, report or other paper or document believed by the Trustee to be genuine and to have been signed, affixed or

presented by the proper party or parties; but in the case of any such certificates or opinions that by any provision hereby are specifically required to be furnished to the Trustee, as the case may be, the Trustee shall be under a duty to examine the same to determine whether or not they conform to requirements of this Supplemental Indenture;

(ii) in the absence of bad faith on the part of the Trustee, whenever the Trustee, or any of its agents, representatives, experts or counsel, shall consider it necessary or desirable that any matter be proved or established, such matter shall be deemed to be conclusively proved and established by a certificate executed by an Authorized Authority Representative; provided, however, that the Trustee, or such agent, representative, expert or counsel may require, but is not obligated to require, such further and additional evidence and make such further investigation as it or they may consider reasonable;

(iii) the Trustee may consult with counsel and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered hereunder in good faith and in accordance with such advice or opinion of counsel;

(iv) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith and in accordance with any direction or request of the Bondholders;

(v) the Trustee shall not be liable for any error of judgment made in good faith by an officer or employee of the Trustee unless the Trustee is negligent in ascertaining the pertinent facts;

(vi) the Trustee shall not be deemed to have knowledge of any Event of Default, except for the failure of the Corporation to make or cause to be made scheduled payments to the Trustee provided for in the Loan Agreement, unless and until an officer of the Trustee who customarily handles corporate trusts and is assigned to supervise this Supplemental Indenture shall have actual knowledge thereof or the Trustee shall have received written advice thereof from any Bondholder;

(vii) anything in any of the Transaction Documents to the contrary notwithstanding, whether or not an Event of Default shall have occurred, the Trustee shall not be under any obligation to take any action under this Supplemental Indenture that may involve it in any expense or liability, the payment of which within a reasonable time is not, in its opinion, assured to it by the security afforded to it by the terms of this Supplemental Indenture, unless it is requested in writing to do so by one or more owners of the Series 2013 Bonds outstanding hereunder and furnished, from time to time as it may require, with security and indemnity satisfactory to it;

(viii) the Trustee need not take any action or follow any direction from any one or more Bondholders if the Trustee shall be advised by counsel that the action or proceedings so directed may not lawfully be taken or would be prejudicial to Bondholders not parties to such direction, or the Trustee in good faith believes following such direction would involve the Trustee in personal liability;

(ix) in no event shall the Trustee be liable to any person for special, indirect, punitive, exemplary or consequential damages, lost profits or loss of business arising under or in connection with this Supplemental Indenture, even if previously informed of the possibility of such damages and regardless of the form of action; and

(x) anything to the contrary in the Transaction Documents notwithstanding, the permissive right of the Trustee to do anything enumerated or set forth in any of the Transaction Documents shall

not be construed as a duty, and the Trustee shall not be held responsible or liable for other than its negligence or willful misconduct.

(c) In case an Event of Default within the purview of Section 8.2 hereof has occurred and is continuing and the Trustee has or is deemed to have knowledge of the Event of Default pursuant to (b)(vi) above, subject to the provisions of this Article IX, the Trustee shall exercise such of the rights and powers vested in it by this Supplemental Indenture and use the degree of care and skill in their exercise as a prudent man would exercise under the circumstances.

(d) Whether or not therein expressly so provided, every provision of this Supplemental Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee, including without limitation Sections 9.3 and 9.4 hereof, shall be subject to the provisions of this Section 9.1. The Trustee also accepts, and agrees to do and perform, the duties and obligations imposed upon it by and under the Loan Agreement, and the Facilities Lease, but only upon the terms and conditions set forth in the Loan Agreement, the Facilities Lease, and this Supplemental Indenture. The rights of the Trustee to do things enumerated in this Supplemental Indenture shall not be construed as a duty.

Section 9.2 Trustee Entitled to Indemnity. The Trustee shall be under no obligation to institute any suit, or to take any remedial proceeding under this Supplemental Indenture or under the Loan Agreement, or to enter any appearance in or in any way defend against any suit, in which it may be made a defendant (except in the case of the Trustee's own negligence), or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder or under the Loan Agreement or the Facilities Lease, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability; the Trustee may, nevertheless, begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as such Trustee, without indemnity, and in such case the Authority shall reimburse the Trustee from funds available therefor under the Loan Agreement for all costs and expenses, outlays and counsel fees and other reasonable disbursements properly incurred in connection therewith. If the Authority shall fail to make reimbursement, the Trustee may reimburse itself from any moneys in its possession under the provisions of this Supplemental Indenture and shall be entitled to a preference over any of the Series 2013 Bonds.

Section 9.3 Trustee Not Responsible for Insurance, Taxes, Execution of Supplemental Indenture, Acts of the Authority or Application of Moneys Applied in Accordance with this Supplemental Indenture.

(a) The Trustee shall not be under any obligation to effect or maintain insurance or to renew any policies of insurance or to inquire as to the sufficiency of any policies of insurance carried by the Board or to report, or make or file claims or proof of loss for, any loss or damage insured against or which may occur, or to keep itself informed or advised as to the payment of any taxes or assessments, or to require any such payment to be made. The Trustee shall have no responsibility in respect of the validity, sufficiency, due execution or acknowledgment of this Supplemental Indenture or the validity or sufficiency of the security provided hereunder or in respect of the validity of the Series 2013 Bonds or the due execution or issuance thereof, except as to the authentication thereof.

(b) The Trustee shall not be under any obligation to see that any duties herein imposed upon any party other than itself, or any covenants herein contained on the part of any party other than itself to be performed, shall be done or performed, and the Trustee shall be under no obligation for failure to see that any such duties or covenants are so done or performed.

(c) The Trustee shall not be liable or responsible because of the failure of the Authority or of any of its employees or agents to make any collections or deposits or to perform any act herein required of the Authority or because of the loss of any moneys arising through the insolvency or the act or default or omission of any other depository in which such moneys shall have been deposited under the provisions of this Supplemental Indenture. The Trustee shall not be responsible for the application of any of the proceeds of the Series 2013 Bonds or any other moneys deposited with it and paid out, withdrawn or transferred hereunder if such application, payment, withdrawal or transfer shall be made in accordance with the provisions of this Supplemental Indenture.

(d) The immunities and exemptions from liability of the Trustee hereunder shall extend to its directors, officers, employees and agents.

Section 9.4 Compensation. The Trustee shall be entitled to reasonable compensation for its ordinary services hereunder consistent with the results of the process by which the Trustee was selected and any extraordinary services rendered hereunder and to reimbursement for all expenses incurred in good faith hereunder, including the compensation, expenses and disbursements of such agents, representatives, experts and counsel as the Trustee may employ in connection with the exercise and performance of its powers and duties hereunder. Subject to the provisions of any contract relating to the compensation of the Trustee, the Authority shall cause the Board to pay to the Trustee as administrative expenses its reasonable fees and charges as Additional Rent in accordance with the Facilities Lease upon the written request of the Trustee and provided the Authority shall be furnished with sufficient funds to pay all costs and expenses (including attorneys' fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue. If the Board shall fail to make any payment required by this Section, the Trustee may, but shall be under no obligation to, make such payment from any moneys in its possession under the provisions of this Supplemental Indenture, and the Trustee shall be entitled to a preference therefor over any of the Series 2013 Bonds Outstanding hereunder.

Section 9.5 Trustee to Preserve Records. All records and files pertaining to the Corporation in the custody of the Trustee shall be open at all reasonable times to the inspection of the Authority, the Board, the Corporation and their agents and representatives.

Section 9.6 Trustee May be Bondholder. The Trustee and its directors, officers, employees or agents may in good faith buy, sell, own, hold and deal in any of the Series 2013 Bonds issued under and secured by this Supplemental Indenture, and may join in the capacity of a Bondholder in any action which any Bondholder may be entitled to take with like effect as if such institution were not the Trustee under this Supplemental Indenture.

Section 9.7 Trustee Not Responsible for Recitals. The recitals, statements and representations contained herein and in the Series 2013 Bonds shall be taken and construed as made by and on the part of the Authority and not by the Trustee, and the Trustee shall not be under any responsibility for the correctness of the same.

Section 9.8 Trustee Responsible for Reinscription. The Trustee, as set forth in the Loan Agreement, is required to reinscribe the Loan Agreement and the Mortgage at such times as shall be necessary to preserve the lien thereof. Under the Loan Agreement, the Corporation has covenanted to cooperate with the Trustee with regard to the foregoing.

Section 9.9 Trustee May Rely on Certificates. Subject to the provisions of Section 9.1(b), the Trustee shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Supplemental Indenture, upon any resolution,

order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or person or to have been prepared and furnished pursuant to any of the provisions of the Loan Agreement or this Supplemental Indenture, or upon the written opinion of any attorney, engineer, accountant or other expert believed by it to be qualified in relation to the subject matter, and the Trustee shall not be under any duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument.

ARTICLE XI
COVENANTS OF AUTHORITY

Section 11.1 Payment of Principal, Premium and Interest. The Authority covenants that it will promptly pay, or cause to be paid, the principal of, premium, if any, and the interest on every Series 2013 Bond at the places, on the dates and in the manner provided herein and in said Series 2013 Bonds according to the true intent and meaning thereof but solely from the revenues of the Trust Estate and not from any other fund or source. The Authority further covenants that it will faithfully perform at all times all of its covenants, undertakings and agreements contained in this Supplemental Indenture, the Loan Agreement or in any Series 2013 Bond executed, authenticated and delivered hereunder or in any proceedings of the Authority pertaining thereto.

Section 11.2 Additional Security. The Authority covenants, whenever and so often as reasonably required to do so by the Trustee, promptly to execute and deliver or cause to be delivered all such other and further instruments, documents or assurances, and to promptly do or cause to be done all such other further things, as may be necessary or reasonably required in order to further and more fully vest in the Trustee and the owners of the Series 2013 Bonds all rights, interest, powers, benefits, privileges and advantages conferred or intended to be conferred upon them by this Supplemental Indenture.

Section 11.3 Cure Title Defects. The Authority covenants to promptly, upon the request of the Trustee, from time to time, take or cause to be taken such action as may be necessary or proper to remedy or cure any material defect in or cloud upon the title to the Trust Estate or any part thereof, whether now existing or hereafter developing, and to prosecute all such suits, actions and other proceedings as may be appropriate for such purpose and to indemnify and save the Trustee and every owner of Series 2013 Bonds, solely from the Trust Estate, harmless from all loss, cost, damage and expense, including attorneys' fees, which they or either of them may ever incur by reason of any such defect, cloud, suit, action or proceedings.

Section 11.4 Defend Against Actions. The Authority covenants to defend or cause to be defended every suit, action or proceeding at any time brought against the Trustee or any owner of Series 2013 Bonds upon any claim arising out of the receipt, application or disbursement of any of the revenues of the Trust Estate or involving the Authority's, the Trustee's or such Bondholders' rights under this Supplemental Indenture or the Loan Agreement and to indemnify and save harmless, solely from the Trust Estate, the Trustee and Bondholders against any and all liability claimed or asserted by any person whomsoever, arising out of such receipt, application or disbursement of any such revenues; provided, however, that the Trustee or any owner of Series 2013 Bonds at its or his election may appear in and defend against any such suit, action or proceeding; and notwithstanding any contrary provision hereof, this covenant shall continue and remain in full force and effect until all indebtedness, liabilities, obligations and other sums secured hereby have been fully paid and satisfied, and this Supplemental Indenture has been released of record and the lien hereof discharged.

Section 11.5 Non-Impairment of Security. The Authority covenants that so long as any of the Series 2013 Bonds issued pursuant to this Supplemental Indenture are outstanding and unpaid, the Authority will not voluntarily consent to any amendment to the Loan Agreement or otherwise take any action which will reduce the amount of moneys made available thereunder to the Trustee, or which will in any manner impair or adversely affect the rights of the Authority or the Trustee or the security provided by this Supplemental Indenture to the owners from time to time of the Series 2013 Bonds.

Section 11.6 Authority's Obligation Limited. Nothing in the Loan Agreement or this Supplemental Indenture is intended to require or obligate nor shall anything therein be interpreted to require or obligate the Authority for any purpose or at any time whatsoever, to provide, apply or expend any funds coming into the hands of the Authority other than from the Trust Estate.

ARTICLE XII DEFEASANCE

Section 12.1 Payment.

(a) When all of the Series 2013 Bonds shall have been paid and discharged, and there shall have been paid all fees and charges of the Trustee due or to become due through the date on which the last of the Series 2013 Bonds is retired, then this Supplemental Indenture shall cease, terminate and become null and void, and thereupon the Trustee shall release this Supplemental Indenture including the cancellation and discharge of the lien hereof, and execute and deliver to the Authority such instruments in writing as shall be requisite to satisfy the lien hereof and, if necessary, to enter on the records such satisfaction and discharge and to re-convey to the Authority any property or interest therein or other rights hereby conveyed and such other instruments to evidence such release and discharge as may be reasonably required by the Authority, and the Trustee shall assign and deliver to the Authority any property at the time subject to the lien of this Supplemental Indenture which may then be in its possession, except amounts in any Fund otherwise required to be paid by this Supplemental Indenture and except such cash and investments as are held by the Trustee for the payment of interest and premium, if any, on and retirement of the Series 2013 Bonds.

(b) Notwithstanding the foregoing, the obligation of the Corporation to pay the fees and expenses of the Trustee in accordance with the terms of this Supplemental Indenture shall survive the defeasance of the Series 2013 Bonds, the discharge of this Supplemental Indenture and the termination of the Loan Agreement.

Section 12.2 Provision for Payment. Any Series 2013 Bonds shall be deemed to have been paid and discharged within the meaning of Section 12.1, if the Trustee, or an escrow trustee, shall hold, in trust for and irrevocably committed thereto, moneys or Defeasance Obligations of such maturities and interest payment dates and bearing such interest as will, without further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom (likewise to be held in trust and committed, except as hereinafter provided), be sufficient for the payment of such Series 2013 Bonds, at their maturity or redemption date, of the principal thereof, together with the redemption premium, if any, and interest accrued to the date of maturity or redemption, as the case may be, or if default in such payment shall have occurred on such date then to the date of the tender of such payment; provided, that if any Series 2013 Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been duly given or provisions satisfactory to the Trustee shall have been duly made for the giving of such notice. Any moneys held in accordance with the provisions of this Section shall be invested only in Defeasance Obligations the maturities or redemption dates and interest payment dates of which, at the option of the owner, shall coincide as nearly as practicable with, but not later than, the time or times at which said

moneys will be required for the aforesaid purposes. Any income or interest earned by the Defeasance Obligations held under this Section shall, as determined by the Trustee or the escrow trustee, to the extent not required for the purposes of this Section, be paid to the Corporation for the Board as overpayment of Payments.

Section 12.3 Certifications. The Authority and the Corporation covenant and agree that they will furnish to the Trustee:

(a) Certificates or opinions made by officers of the Authority and the Corporation required by this Supplemental Indenture stating that provisions of this Article relating to the satisfaction and discharge of this Supplemental Indenture have been fulfilled; and

(b) An opinion of Bond Counsel to the effect that the payment of the Series 2013 Bonds has been provided for in the manner set forth in this Supplemental Indenture and the Loan Agreement and that all obligations of the Authority and the Corporation with respect to the Series 2013 Bonds have been discharged and satisfied; and

(c) In the case of an advance refunding, a mathematical verification prepared by a nationally recognized law firm or firm of independent certified public accountants (or other verification agent satisfactory to the Trustee) that the Defeasance Obligations are sufficient to pay the principal of, premium, if any, and interest on the Series 2013 Bonds which are defeased.

ARTICLE XIII MISCELLANEOUS

Section 13.1 Covenants of Authority Binds its Successors. In the event of the dissolution of the Authority, all of the covenants, stipulations, obligations and agreements contained in this Supplemental Indenture by or on behalf of or for the benefit of the Authority shall bind or inure to the benefit of the successor or successors of the Authority from time to time and any officer, board, commission, authority, agency or instrumentality to whom or to which any power or duty affecting such covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law, and the word “Authority” as used in this Supplemental Indenture shall include such successor or successors.

Section 13.2 Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Supplemental Indenture shall be retained in its possession and shall be subject at all reasonable times to the inspection of the Authority, the Corporation, the Board and any Bondholder and their agents and their representatives, any of whom may make copies thereof.

Section 13.3 Parties Interest Herein. Nothing in this Supplemental Indenture expressed or implied, is intended or shall be construed to confer upon, or give to, any person or corporation, other than the Authority, the Trustee, the Corporation and the Bondholders, any right, remedy or claim or by reason of this Supplemental Indenture or any covenant, agreement, condition or stipulation therein.

Section 13.4 No Recourse on the Series 2013 Bonds. This Series 2013 Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the certificate of authentication hereon shall have been signed by a duly authorized representative of the Trustee.

This Series 2013 Bond is one of the duly authorized issue of the Authority’s Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2013 (the “*Series 2013 Bonds*”), issued under and secured by the Indenture (hereinafter defined) pursuant to which the Authority is issuing \$_____ aggregate principal amount of said revenue bonds on behalf of University Facilities, Inc., a nonprofit corporation (the “*Corporation*”) for the purpose of: (i) refunding the Series 2004A Bonds (as hereinafter defined) and (ii) paying the costs of issuance of the Series 2013 Bonds.

Pursuant to the Original Indenture (as hereinafter defined), the Authority issued its \$60,985,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004A (the “*Series 2004A Bonds*”) for the purposes of financing the cost of acquiring immovable property and financing the development, design, construction and equipping of new student housing facilities (the “*Facilities*”) for Southeastern Louisiana University (the “*University*”) located on immovable property owned by, or subject to the supervision and management of the Board of Supervisors for the University of Louisiana System (the “*Board*”) in the City of Hammond, Parish of Tangipahoa, Louisiana, which Facilities have been leased to the Board on behalf of the University.

The proceeds of the Series 2013 Bonds have been loaned to the Corporation pursuant to a Loan and Assignment Agreement dated as of August 1, 2004 (the “*Original Loan Agreement*”), as supplemented and amended by a First Supplemental Loan and Assignment Agreement dated as of November 1, 2013 (the “*Supplemental Loan Agreement*” and, together with the Original Loan Agreement, the “*Loan Agreement*”), each between the Authority and the Corporation, for the foregoing purposes. The Board of Supervisors for the

University of Louisiana System (the “*Board*”), acting on behalf of the University, has leased the land upon which the Facilities are located on the campus of the University (the “*Land*”) and the Facilities to the Corporation pursuant to an Amended and Restated Ground and Buildings Lease Agreement dated as of November 1, 2013 (the “*Ground Lease*”), and has leased the Facilities from the Corporation pursuant to an Amended and Restated Agreement to Lease with Option to Purchase dated as of November 1, 2013 (the “*Facilities Lease*”).

The Series 2013 Bonds are issued pursuant to the laws of the State, particularly Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 4548.16, inclusive) (the “*LCDA Act*”), Chapters 14 and 14-A of Title 39 of the Louisiana Revised Statutes of 1950, as amended (the “*Refunding Act*” and, together with the LCDA Act, the “*Act*”) and pursuant to a Trust Indenture dated August 1, 2004 (the “*Original Indenture*”), as supplemented and amended by a First Supplemental Trust Indenture dated as of November 1, 2013 (the “*Supplemental Indenture*” and, together with the Original Indenture, the “*Indenture*”), each between the Authority and the Trustee, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, and to which Indenture reference is hereby made for a more complete description of the assigned revenues constituting the Trust Estate, the nature and extent of the security, the terms and conditions under which the Series 2013 Bonds are issued and secured, the terms and conditions under which Additional Bonds may be issued and secured, the rights, duties and immunities of the Trustee and the rights of the registered owners of the Series 2013 Bonds. The registered owner of this Series 2013 Bond shall have no rights to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture, and by acceptance of this Series 2013 Bond, the owner hereof assents to all of the provisions of the Indenture and the Assignment (hereinafter defined). All terms not defined herein shall have the meanings assigned thereto in the Indenture.

The Series 2013 Bonds have been issued on a parity with the Series 2004B Bonds under the Indenture.

The Series 2013 Bonds are issuable as fully registered bonds without coupons, in Authorized Denominations, and shall be numbered from No. R-1 upwards. The Series 2013 Bonds are limited and special revenue obligations of the Authority and are payable solely from (i) payments received by the Authority from the Corporation pursuant to the Agreement (except however, the Authority’s rights to exculpation, indemnification and payment of expenses by the Corporation under the Agreement) and (ii) all funds held by the Trustee under the Indenture and available for such payment, said payments and funds being herein referred to as the “*Trust Estate*.” The Agreement, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, provides that the Corporation is unconditionally obligated to make payments, but solely from the Payments (as defined in the Agreement) in an aggregate amount sufficient, for the payment in full of the principal and interest of all Series 2013 Bonds issued and outstanding under the Indenture, to the date of payment thereof, and certain costs, expenses and charges of the Authority and the Trustee. The Agreement imposes upon the Corporation certain obligations respecting the use and operation of its Facilities and the maintenance and repair of said Facilities.

THE SERIES 2013 BONDS AND THE INTEREST THEREON ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE TRUST ESTATE. THE SERIES 2013 BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION AND SHALL NOT CONSTITUTE A PLEDGE OF THE FAITH AND CREDIT OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF, BUT SHALL BE PAYABLE SOLELY FROM THE FUNDS PROVIDED FOR IN THE LOAN AGREEMENT AND THE INDENTURE. THE ISSUANCE OF THE

SERIES 2013 BONDS SHALL NOT DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE OF LOUISIANA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY ANY TAXES OR TO MAKE ANY APPROPRIATION OF THEIR PAYMENT. THE ISSUER HAS NO POWER TO TAX.

As long as any of the Series 2013 Bonds remain outstanding, there shall be permitted the exchange of Series 2013 Bonds at the principal corporate trust office of the Trustee. Any Series 2013 Bond or Series 2013 Bonds upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his legal representative duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of other Bonds in Authorized Denominations.

For every such exchange or transfer of Series 2013 Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Trustee shall not be required to register the transfer or exchange of (a) any Series 2013 Bonds during the fifteen (15) day period next preceding the selection of Series 2013 Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2013 Bonds selected for redemption, or (b) any Series 2013 Bonds selected, called or being called for redemption in whole or in part, except in the case of any Series 2013 Bond to be redeemed in part, the portion thereof not so to be redeemed.

REDEMPTION PROVISIONS

Optional Redemption

The Series 2013 Bonds are subject to redemption prior to maturity at the option of the Authority, upon written direction from the Board, on or after August 1, 20__, as a whole or in part at any time, and in any order of maturity directed in writing by the University Representative, and at a price equal to the principal amount thereof so redeemed plus accrued and unpaid interest to the date of redemption, without premium

Mandatory Redemption

(i) If the Board shall purchase the Corporation's leasehold interest in the Facilities pursuant to the Facilities Lease, the Series 2013 Bonds shall be redeemed as a whole and shall be redeemed on the later of (a) August 1, 2014, or (b) the earliest practicable date, but not more than sixty (60) days, after such purchase, and in any event, at a price equal to the principal amount of the Series 2013 Bonds so redeemed plus accrued and unpaid interest to the date of redemption, without premium.

(ii) The Series 2013 Bonds shall be redeemed as a whole or in part (in Authorized Denominations) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds or proceeds received as a result of Expropriation proceedings with respect to the Facilities will not be applied to the restoration, repair or reconstruction of the Facilities at a price equal to the principal amount of the Series 2013 Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, without premium, in an aggregate principal amount equal to the amount of such insurance proceeds, or Expropriation proceeds not used for restoration, repair or reconstruction. If the amount of any insurance proceeds or Expropriation proceeds to be applied in redemption of the Series 2013 Bonds is not an Authorized Denomination, the principal amount of Series 2013 Bonds to be redeemed pursuant to this subsection (b) shall be decreased to the next lower Authorized Denomination. The Series 2004 Bonds will be so redeemed in the following order:

first, Auction Rate Bonds; second, Variable Rate Bonds, third, Series 2004C Bonds; fourth, Series 2004B Bonds that bear interest at a Fixed Rate; and fifth, the Series 2013 Bonds.

Mandatory Sinking Fund Redemption.

The Series 2013 Bonds maturing on August 1, 20__, shall be subject to mandatory redemption and payment on a *pro rata* basis prior to maturity on August 1 in each of the years set forth below at a price equal to the principal amount thereof plus accrued and unpaid interest to the redemption date, without premium:

| <u>Redemption Date</u> | <u>Principal Amount</u> |
|----------------------------|-----------------------------|
|----------------------------|-----------------------------|

If on any occasion less than all of the Series 2013 Bonds then outstanding shall be redeemed pursuant to the optional or mandatory redemption provisions described in the Indenture, then the principal amount of the Series 2013 Bonds so redeemed shall be considered to have satisfied a portion of the mandatory sinking fund redemptions required by the above tables. The principal amounts required by the tables above shall be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional redemption.

Unless otherwise specified above, if less than all of the Series 2013 Bonds shall be called for redemption, the maturity of the Series 2013 Bonds to be redeemed shall be designated by the Corporation, on behalf of the Board, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Series 2013 Bond to be redeemed shall be in the principal amount of an Authorized Denomination. If a portion of any Series 2013 Bond shall be called for redemption, a new Series 2013 Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

At least thirty (30) days before the redemption date of any Series 2013 Bonds redeemed other than by mandatory sinking fund redemption, the Trustee shall cause a notice of any such redemption, signed by an authorized officer of the Trustee to be mailed, postage prepaid, to all Bondholders of record owning Series 2013 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register, but any defect in such mailing of any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2013 Bonds then outstanding shall be called for redemption, the numbers of such Series 2013 Bonds to be redeemed and, in the case of Series 2013 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2013 Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Series 2013 Bond, a new Series 2013 Bond in principal amount equal to the unredeemed portion of such Series 2013 Bond will be issued.

Modifications or alterations of the Indenture or any agreement supplemental thereto or of the Agreement or any agreement supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture and the Agreement. So long as no event of nonperformance under the Agreement has occurred and is continuing, no such supplement shall become effective unless the Corporation, on behalf of the Board, shall have given its prior written approval.

It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State to exist, to have happened and to have been performed, precedent to and in the execution and delivery of the Indenture and the issuance of this Series 2013 Bond, do exist, have happened and have been performed in regular and due form as required by law.

Louisiana Local Government Environmental
Facilities and Community Development Authority
Revenue Refunding Bonds

(Southeastern Louisiana University Student Housing – University Facilities, Inc. Project)
Series 2013

The Louisiana Local Government Environmental Facilities and Community Development Authority (the “*Authority*”) issued its \$60,985,000 Revenue Bonds (Southeastern Louisiana University Student Housing – University Facilities, Inc. Project) Series 2004A (the “*Series 2004A Bonds*”) and its \$15,000,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B (the “*Series 2004B Bonds*”) and, together with the Series 2004A Bonds, the “*Series 2004 Bonds*”) pursuant to a Trust Indenture dated as of August 1, 2004 (the “*Original Indenture*”) by and between the Issuer and The Bank of New York Mellon Trust Company, N.A., as trustee (the “*Trustee*”). The Series 2004 Bonds are insured by a financial guaranty insurance policy issued by National Public Finance Guaranty, as reinsurer and agent of MBIA Insurance Corporation (the “*Series 2004 Bond Insurer*”).

The proceeds of the Series 2004 Bonds were used for the purpose of financing the cost of acquiring immovable property and financing the development, design, construction and equipping of new student housing facilities (the “*Facilities*”) for Southeastern Louisiana University (the “*University*”) located on immovable property owned by, or subject to the supervision and management of the Board of Supervisors for the University of Louisiana System (the “*Board*”) in the City of Hammond, Parish of Tangipahoa, Louisiana, which Facilities have been leased to the Board on behalf of the University.

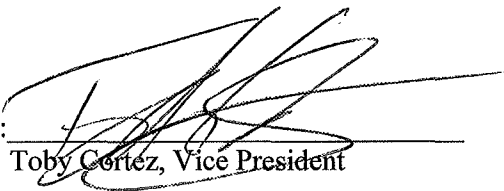

The Board is leasing the Property to the Corporation pursuant to a Ground and Buildings Lease Agreement dated as of August 1, 2004 (the “*Original Ground Lease*”), as supplemented and amended by the First Amendment to Ground and Buildings Lease Agreement dated as of March 1, 2007 (the “*First Amendment to Ground Lease*”), as supplemented and amended by a Second Amendment to Ground and Buildings Lease Agreement dated as of June 12, 2012 (the “*Second Amendment to Ground Lease*” and, together with the Original Ground Lease and the First Amendment to Ground Lease, the “*Existing Ground Lease*”). The Facilities are leased by the Corporation to the Board pursuant to an Agreement to Lease with Option to Purchase dated as of August 1, 2004 (the “*Original Facilities Lease*”), as supplemented and amended by a First Amendment to Agreement to Lease with Option to Purchase dated as of March 1, 2007 (the “*First Amendment to Facilities Lease*”), as further supplemented and amended by a Second Amendment to Agreement to Lease with Option to Purchase dated as of June 12, 2012 (the “*Second Amendment to Facilities Lease*” and, together with the Original Facilities Lease and the First Amendment to Facilities Lease, the “*Existing Facilities Lease*”).

Pursuant to a First Supplemental Trust Indenture dated as of November 1, 2013 by and between the Authority and the Trustee (the “*First Supplemental Indenture*”), the Authority is supplementing the Existing Indenture in order to issue its \$40,910,000 Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2013 for the purpose of refunding the Series 2004A Bonds. In connection with the issuance of the Series 2013 Bonds, the Corporation and the Board are entering into a Third Supplemental Ground and Buildings Lease Agreement dated as of November 1, 2013 (the “*Third Supplemental Ground Lease*”) and a Third Supplemental Agreement to Lease with Option to Purchase dated as of November 1, 2013 (the “*Third Supplemental Facilities Lease*”).

Stephens Inc., on its own behalf and on behalf of Raymond James & Associates, Inc. (collectively, the “*Underwriters*”) hereby advises the Trustee that the supplements to the Existing Ground Lease and the Existing Facilities Lease contained in the Third Supplemental Ground Lease and the Third Supplemental Facilities Lease are not materially adverse to the interests of the Series 2004 Bond Insurer or the owners of the Series 2004 Bonds.

The Series 2013 Bonds are being issued for the purposes of achieving debt service savings for the Corporation. The reduction of the interest rate paid by the Corporation resulting from the issuance of the Series 2013 Bonds and the corresponding execution of the Third Supplemental Ground Lease and Third Supplemental Facilities Lease will not have a negative impact on the cash flows upon which the rating for the Series 2004 Bonds is based. As a result, the modification of the Existing Ground Lease and the Existing Facilities Lease by the Third Supplemental Ground Lease and the Third Supplemental Facilities Lease, respectively, will not be materially adverse to the interests of the Series 2004 Bond Insurer, the or the owners of the Series 2004 Bonds.

Moody's Outlook STA

Opinion

NEW YORK, October 25, 2013 --Moody's Investors Service has assigned an A3 rating to Southeastern Louisiana University's (Southeastern) \$40.9 million of Series 2013 Student Housing Revenue Refunding bonds to be issued through the Louisiana Local Government Environmental Facilities and Community Development Authority. Moody's has affirmed the A3 rating on the university's outstanding rated debt (see RATED DEBT section). The A3 rating and stable outlook reflect the university's role as a moderate sized regional public university with demonstrated ability of management to adjust to revenue declines.

SUMMARY RATING RATIONALE

The A3 rating reflects Southeastern's market position as a regional public university with growing freshman demand combined with management's conservative budgeting and nimbleness driving positive cash flow despite multiple years of state cuts, including midyear reductions. The rating also incorporates ongoing volatility in state funding, growth of postemployment benefits as a share of state operating support, narrow revenue pledged to bondholders, and constrained financial flexibility from thin financial resources.

STRENGTHS

*Conservative financial management with demonstrated ability to reduce expenses has enabled favorable operating cash flow despite multiple years of state funding cuts, including midyear reductions.

*Demographic trends in the university's primary recruitment area are favorable relative to other regions in the state leading to growing freshman demand.

*Occupancy at university housing is at or near capacity and, although pledged revenue is narrow compared to total revenue, the university generates sufficient debt service coverage.

CHALLENGES

*Budgetary flexibility is reduced due to declining state appropriations, with annual reductions since FY 2009, including midyear cuts. Multiple years of expense reductions also result in limited future financial flexibility.

*A large and growing other post-employment (OPEB) liability depressed net assets, driving expendable financial resources to be negative, and comprises an increasing share of state appropriations.

*The university is leveraged relative to peers, a planned spend down of at least \$7.5 million of reserves to pay down a portion of the Series 2004A bonds, will further erode financial resources.

*Although the university has the authority to implement annual tuition and fee increases of up to 10%, ongoing increases of this magnitude will affect market position and erode the university's competitiveness.

DETAILED CREDIT DISCUSSION

USE OF BOND PROCEEDS: Proceeds from the Series 2013 revenue bonds will be used to refund a portion of the university's outstanding Series 2004A revenue bonds and to pay the costs of issuance for the bonds. A portion (\$7.5 million) of the university's outstanding Series 2004A revenue bonds will be refunded through an equity contribution from the university.

LEGAL SECURITY:

The Series 2013 bonds are payable from lease payments from the Board of Supervisors of the University of Louisiana System (board) to University Facilities, Inc. (UFI). Housing system revenues are the primary source of debt repayment, but lease payments are payable from all lawfully available funds of the university including auxiliary revenues. The pledge excludes state appropriations and tuition and fee revenue. The obligation of the board on behalf of the university to pay rental to UFI is dependent on the board receiving appropriations in its annual budget request to the legislature, of funds necessary to make payments of rental required under the facilities lease agreement. The bonds are secured by a first mortgage lien on the housing and auxiliary facilities.

The board covenants to maintain debt service coverage ratio of 1.25 times. The debt service reserve fund for the current issuance is to be funded at the time of issuance in an amount equal to the lesser of i) 10% of the proceeds of the Series 2013 Bonds, ii) maximum annual debt service on the Series 2013 Bonds, or iii) 125% of the average annual debt service on the Series 2013 Bonds. The bonds will be on parity with the Series 2004B revenue bonds. Debt service coverage in FY 2013 for the Series 2004 bonds was 1.49 times from housing revenues only and 1.91 times from all auxiliary revenues (included in lawfully available funds).

The university's other rated debt includes the Series 2011, Series 2010, and the Series 2007 bonds. In FY 2013, pledged revenues provided 1.51 times debt service coverage for the Series 2011 bonds; 1.47 times for the Series 2010 bonds, and 1.47 times for the Series 2007 bonds. For further details on the legal security for outstanding rated debt, please refer to Moody's report for the university dated November 13, 2011.

DEBT STRUCTURE: The majority (84%) of the university's pro-forma debt is amortizing, fixed rate bonds with up to 30 year maturities. The university has \$15 million of Series 2004B bonds (16% of direct debt) in an auction rate mode with interest rate reset weekly. The current rate of interest is 175% of SIFMA, and under the trust indenture for the Series 2004 bonds the maximum allowed rate is 12%.

MARKET POSITION: REGIONAL PUBLIC UNIVERSITY WITH MODEST ENROLLMENT DECLINES

Southeastern's regional market reputation combined with favorable local demographics have contributed to only modest enrollment pressure relative to local competitors. The increased size of the incoming freshman class and increasing transfer student enrollment combined with higher admissions standards should improve retention thereby stabilizing or modestly growing enrollment over time. A large majority (80%) of the university's enrollment is from a seven parish region with favorable population growth amongst high school students, contrary to demographic projections for the State of Louisiana. The university has favorable selectivity and high yield on accepted students (76% in fall 2013) indicating that the university is the first choice among a large proportion of applicants.

Despite growing freshman demand, annual tuition increases of 10% have led to market stress, evident in a 5% decline in total enrollment to 12,563 full-time equivalent (FTE) students in fall 2013. We expect the university's market position will be adversely affected by planned tuition increases. Southeastern serves a needy population and the university is highly reliant on Pell Grant funding (36% of FY 2013 net tuition revenue). Management attributes a portion of enrollment declines to low retention (63% in fall 2013). Although various initiatives are underway to increase retention rates, weakening freshman to sophomore retention is also driven by students' affordability concerns.

OPERATING PERFORMANCE: DECLINES IN STATE SUPPORT OFFSET BY EXPENSE REDUCTIONS

AND TUITION INCREASES

Southeastern Louisiana University generates favorable operating cash flow (9.4% in FY 2013, draft financial statements) due to conservative financial management practices, ongoing expense reductions, and healthy tuition increases. The university maintained generally stable operations over multiple years of volatile state operating support. Holding open vacant positions, program and course realignment or elimination, and reduction of some faculty and staff, drove expenses down. After multiple years of decreasing expenses, the university has limited capacity for further reduction without affecting its market position or accreditation.

Four consecutive years of cuts in state operating appropriations, including midyear reductions, is a key credit challenge for the university. Appropriations comprised 29% of total operations in 2013, down from a high of 49% in FY 2009. In FY 2014, state appropriations were \$6.3 million lower than in FY 2013 but the impact of this reduction was partially offset through a one-time appropriation of \$1.1 million from state surpluses, and through the ability to charge a utility surcharge expected to offset approximately \$1.5 million in utility expenses in FY 2014. Moody's rates the State of Louisiana Aa2 stable and the rating reflects the states rapid response to downward revenue projections, low unemployment relative to the nation, elevated oil prices and conservative debt policies. The rating also reflects the dwindling impact of a post-Katrina reconstruction boost; continued budget gaps due to underperforming revenues; and the state's challenges in dealing with rising Medicaid and fixed costs. For further information on the State of Louisiana please refer to Moody's April 23, 2013 report.

The adoption of the LA GRAD Act in 2010 allowed the university greater financial flexibility by allowing public universities to increase tuition and fees up to 10% annually until they reach a regional peer average, if they agree to meet certain performance measures. As a result net tuition revenue has grown as a proportion of operating revenue (57% in FY 2013, relative to 37% in FY 2009), but the impact on the university's market position is becoming increasingly evident in total enrollment declines.

BALANCE SHEET POSITION: FINANCIAL RESOURCES DEPRESSED BY RECOGNITION OF LARGE POST-EMPLOYMENT HEALTH LIABILITY

The university's net asset measures are depressed due to a large and growing OPEB liability although total cash and investments of \$79 million in FY 2013 provided adequate coverage (84%) of \$93.9 million pro-forma debt. On a relative basis however the university's balance sheet is weak relative to peers, although the state granted improved financial flexibility in FY 2011 which could help foster growth over the long-run. Beginning in FY 2011, public universities in Louisiana are able to retain surpluses and carry forwarded balances. Balance sheet growth would be credit positive, particularly given the State's history of volatile funding for higher education based on economic conditions. Management reports that planning for a capital campaign is underway although no target amount has been finalized.

As part of the current transaction the university plans to refund a large portion of the currently outstanding Series 2004A bonds (approximately \$52 million at FYE 2013) through issuance of approximately \$41 million of revenue refunding bonds. An equity contribution of \$7.5 million further reduces outstanding debt. Although reduction of outstanding debt and reduction of operating and balance sheet leverage is credit positive, spend down of resources further depresses already weak financial resources. There are no plans for additional debt within the next 18 -24 months. Financial resource calculations include the resources held at the university's primary fund-raising foundation, the Southeastern University Development Foundation. Draft FY 2013 financial statements from the foundation contribute \$28.5 million to total financial resources at the university.

MANAGEMENT AND GOVERNANCE: CONSERVATIVE FINANCIAL MANAGEMENT PRACTICES NEEDED TO MITIGATE OPERATIONAL CHALLENGES

University management and leadership have successfully managed stable operations at a time of great volatility in the university's market position and in state operating appropriations. This is a credit positive, however the university will have to find new avenues for cost containment to balance budgets. The old model of steadily implementing tuition increases to cope with volatility in appropriations is unsustainable given the sensitivity of the university's primary market to tuition increases. Management employs many favorable financial management practices, including budgeting conservatively for debt service payments, and building reserves from housing and auxiliary surpluses (housing is currently at 100% occupancy) without having to enforce the freshman residency requirement.

Senior leadership at the university has extensive experience and tenure with Southeastern. A new board president was appointed in January 2013.

Outlook

The stable outlook incorporates expectations of stable cash flow generation leading to sound debt service coverage and growth in Southeastern's primary recruiting area. We expect management will continue to balance operations despite state appropriation challenges and that moderate pressure on enrollment will continue as the university implements more stringent admission standards (in 2014).

WHAT COULD MAKE THE RATING GO UP

Upward rating pressure would come from a significant increase in financial resources, continued healthy cash flow, and continued growth of student generated revenue.

WHAT COULD MAKE THE RATING GO DOWN

The rating could be downgraded if operations were to deteriorate, financial reserves were to narrow, or student generated revenue growth weakened.

JONES WALKER LLP

The Bonds have been issued by the Issuer pursuant to Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 33:4548.16, inclusive) and other constitutional and statutory authority, a Trust Indenture dated as of March 1, 2007 (the "*Indenture*") between the Issuer and The Bank of New York Mellon Trust Company, N.A., formerly known as The Bank of New York Trust Company, N.A., a national banking association organized and existing under and by virtue of the laws of the United States of America and duly authorized to accept and execute trusts, as trustee (the "*Trustee*"), and resolutions adopted by the Issuer on February 12, 2004, May 13, 2004 and October 12, 2006 (collectively, the "*Resolutions*"). Capitalized terms used herein that are not otherwise defined have the meaning given them in the Indenture.

The Bonds were issued in order to provide funds to University Facilities, Inc., a non-profit corporation duly organized and existing under the laws of the State for the benefit of the University and exempt from federal income tax under Section 501(a) of the Internal Revenue Code of 1986, as amended, and the regulations and rulings promulgated thereunder (the "*Code*"), as an organization described in Section 501(c)(3) of the Code (the "*Corporation*") for the purpose of providing funds to: (i) refinance prior debt, (ii) demolish certain existing facilities and renovating, developing and constructing student housing and related facilities (the "*Facilities*"), (iii) fund the costs of marketing the Facilities; (iv) provide working capital for the Facilities, (v) fund a deposit to a Debt Service Reserve Fund, (vi) pay capitalized interest on the Bonds; (vii) fund a deposit to the Replacement Fund; and (viii) pay costs of issuance of the Bonds, including the premium for any bond insurance policy insuring the Bonds.

The Issuer and the Corporation entered into a Loan Agreement dated as of March 1, 2007 (the "*Agreement*"), pursuant to which the Issuer loaned the proceeds from the sale of the Bonds to the Corporation for the foregoing purposes. Pursuant to the Agreement, the Corporation has agreed to make loan payments (the "*Payments*" as further defined in the Agreement) sufficient to pay the principal of, premium, if any, and interest on the Bonds. The rights of the Issuer under the Agreement (except for the rights of the Issuer relating to exculpation, indemnification and payment of expenses thereunder) have been pledged and assigned by the Issuer to the Trustee as security for the Bonds. The Corporation leased the property upon which the Facilities are located from the Board of Supervisors for the University of Louisiana System (the "*Board*") pursuant to a Ground and Buildings Lease Agreement dated as of August 1, 2004 (the "*Original Ground Lease*"), as amended by that certain First Amendment to Ground and Buildings Lease Agreement between the Board and the Corporation dated as of March 1, 2007 (the "*First Amendment to Ground Lease*" and, collectively with the Original Ground Lease, the "*Ground Lease*"). The Board leased back the completed Facilities from the Corporation pursuant to an Agreement to Lease With Option to Purchase dated as of August 1, 2004 (the "*Original Facilities Lease*"), as amended by that certain First Amendment to Agreement to Lease with Option to Purchase by and between the Corporation and the Board dated as of March 1, 2007 (the "*First Amendment to Facilities Lease*" and, collectively with the Original Facilities Lease, the "*Facilities Lease*" and further, collectively with the Ground Lease, the "*Leases*").

The Board and the Corporation desire to amend the Leases to include additional facilities owned by the Board which will be renovated with the proceeds of the Series 2004 Bonds to provide

additional student housing on the campus of the University. Section 18.31 of the Ground Lease and Section 31 of the Facilities Lease provide for the amendment of the Leases in accordance with Article VIII of the Agreement, without the consent of or notice to bondholders, but with the consent of National Public Finance Guarantee, as reinsurer and agent for MBIA Insurance Corporation (the “*Bond Insurer*”) in order to add to or subtract from the Facilities any property upon receipt of an opinion of Bond Counsel that the amendment will not have an adverse effect upon the validity of the Bonds or the tax exempt status of the Bonds and upon consent of the Bond Insurer, which has been received, and upon notice to the Bond Insurer and the Rating Agency, which notice has been sent.

In connection with the amendment of the Leases to revise the legal description of the property, we have examined the following:

- a. The Second Amendment to Ground and Buildings Lease Agreement, dated as of June 1, 2012 (the “*Second Amendment to Ground Lease*”);
- b. The Second Amendment to Agreement to Lease with Option to Purchase, dated as of June 1, 2012 (the “*Second Amendment to Facilities Lease*”); and
- c. The consent of the Bond Insurer.

The Second Amendment to Ground Lease and the Second Amendment to Facilities Lease are hereinafter collectively referred to as the “*Second Amendments*.”

Based upon the foregoing, and subject to other assumptions and conditions as are hereinafter set forth, and having regard to applicable matters of law, we are of the opinion, as of the date hereof, as follows:

1. Amending the Leases with respect to the legal description attached to each as set forth within the Second Amendments will not have an adverse effect on the validity of the Bonds and such amendments will maintain the exclusion from gross income of interest on the Bonds for federal income tax purposes; and
2. The Second Amendments comply with the provisions of the Agreement and the Indenture allowing for amendment of the Leases.

For purposes of this opinion, our services as bond counsel have not extended beyond the examinations and expressions of the conclusions referred to above. This opinion is given as of the date hereof and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in the law that may hereafter occur. Except as stated above, no opinion is expressed as to any federal or state tax consequences resulting from the ownership of, receipt of interest on, or disposition of, the Bonds. This is an opinion and not a warranty or guaranty.

Respectfully submitted,
