

## **Graduating Class Profile Academic Year 2011-2012**

### **Executive Summary**

Each summer, the Office of Institutional Research and Assessment prepares the Graduating Class Profile Report. This year's report contains information on the 2011-2012 academic year graduates. Basic demographics are included as well as information on how long the graduates have attended Southeastern and from which institutions students transferred.

During the 2011-2012 academic year, Southeastern conferred a total of 2,415 degrees, a decrease of 134 (5%) degrees from the 2010-2011 academic year. Seventy-nine percent (79%) of baccalaureate degree recipients are White, Non-Hispanic, while sixty-three percent (63%) are female.

Some highlights from the tables include:

- Twenty-four percent (24%) of the graduates who started as beginning freshmen graduated within four years, which is slightly higher than the 2010-2011 graduating class.
- The most frequently occurring number of years at Southeastern is five for beginning freshmen and three for transfer students.
- Southeastern's leading feeder school is Louisiana State University – Baton Rouge, followed by Baton Rouge Community College, Delgado, University of New Orleans, University of Louisiana-Lafayette, River Parishes Community College, and Louisiana Tech. The only change from last year is that Louisiana Tech replaced Nicholls State University.
- The undergraduate program with the highest number of graduates in 2011-2012 is the B.G.S. in General Studies. This program is followed by the B.S. in Nursing, B.A. in Management, B.B.A. in Business Administration, and B.S. Accounting. This grouping is identical to last year except that Nursing edged out Management for the second spot.
- The baccalaureate programs (at least 5 graduates) with the highest percentage of students who began as transfers are B.A. Art Education, followed by B.S. Occupational Safety, Health and Environment, B.A. Sociology, B.S. Nursing, B.G.S. General Studies. In contrast, the programs with the lowest percentage of transfers are B.A. Communication, B.S. Biological Sciences, B.S. Communication Sciences and Disorders, B.A. Art, and B.A. English.
- Sixty-eight percent (68%) of the baccalaureate degree recipients started at Southeastern as beginning freshmen. This is up three percentage points over last year.
