C. Hearings involving a Hearing Board

In cases which cannot be resolved in an Administrative Disciplinary Conference, and in those incidents, which rise to the level of expulsion or suspension from the University or University Housing, the matter will be referred to a Student Conduct Hearing Board, or an Administrative Hearing Board. Hearings involving a hearing board are designed for both the complainant and respondent to present their accounts of an incident.

1. The accused student shall be given written notice of the hearing to inform him/her of the specific charge(s), of his/her rights as a student, and the date, time, and location of the hearing.
 - a. Generally, a time set for a hearing will be at least two or no more than 15 working days after the student has been notified of the hearing. However, due to the nature of the academic year, if the incident occurs close to the end of a semester, or if the appropriate hearing body cannot be scheduled, the student's case will be heard as soon as a hearing can be scheduled.
 - b. Maximum time limits for scheduling hearings may be extended at the discretion of the Vice President for Student Affairs and the Conduct Authority.
 - c. Notice shall be sent/delivered to the last local/ mailing address and/or Email account identified on the student's official records and shall be considered delivered two working days after the letter has been posted.
 - d. Students are responsible for notifying the University of their current contact information including physical/ mailing/ electronic addresses. Address changes must be made through the Office of Records and Registration. Failure to notify the University of the current local address,

to collect one's mail from one's address, and/or to receive or sign for a discipline mailing does not void the fact that a notice was delivered.

- e. Hand delivered notices are delivered on the date they are given to the student.
2. The purpose of a disciplinary hearing is to determine if the accused student is responsible for violating one or more standards of the Student Code of Conduct, and to recommend any appropriate sanctions. A student is presumed to be not responsible until proven responsible in a disciplinary hearing. The burden of proof shall rest on the complainant.
 3. Order of the Hearing: The hearing is structured such that the discussion proceeds in an orderly manner. Below is the order that the hearing follows:
 - a. The reading of the complaint/charges by the hearing chairperson;
 - b. The entering of pleas by each respondent.
 - c. There are three pleas: Responsible, Not Responsible, and No Plea, which indicates that the student does not know whether she/he is responsible, or means the student is unwilling to say and is allowing the Board to decide.
 - d. Statement of complainant and introduction of evidence;
 - e. Questioning by the respondent and the Board and or the Hearing Board Advisor;
 - f. Statement of the respondent and introduction of evidence;
 - g. Questioning by the complainant and the Board, and the Hearing Board Advisor:
 - h. Statement of the complainant's witnesses, followed by respondent's questions, and, then those of the Board and or the Hearing Board Advisor;
 - i. Statements of the respondent's witnesses, followed by complainant's questions, and, then those of the Board, and or the Hearing Board Advisor;
 - j. Additional questions by the Board, the Hearing Board Advisor, complainant, and/ or respondent;
 - k. Closing statements, first by the complainant and then by the respondent; Closing statements shall be specific to the incident involved

and may include any reiteration of previously stated facts, written statements of character by a third party, and/or any other comments involving the case. Closing statements are the final opportunity for the respondent and the complainant to provide any additional information which will facilitate the Board's decision, including recommendations for sanctions. Closing statements may be limited to a specified time constraint at the Board and or the Hearing Board Advisor's discretion.

- I. Deliberation of the Board;
 - m. Recommendation of the Board to the advisor;
 - n. Notification of the decision and, if necessary, sanctions. Delivery of the notice may be by hand, E-mail, or through the mail.
4. A hearing before a Hearing Board shall be conducted according to the following guidelines:
- a. Hearings normally shall be conducted in private. Only the hearing body/officer, respondent, complainant, their designated advisors, the recorder, and persons identified with the University community as having an educational need to know, may be present for the beginning of the hearing. Each witness will be called into the hearing individually to give testimony. Subject to the approval of the Hearing Board Advisor and the parties involved, an observer may be admitted, but shall not have the privilege of participating in the hearing. Written requests for a waiver of rights to a private hearing, along with proper documented approval from all parties outlined above, must be submitted to the Conduct Authority at least 48 hours prior to the hearing. Admission of any person to the hearing shall be at the discretion of the hearing body and/or the Hearing Board Advisor. Only the hearing body/officer and persons identified with the University community as having an educational need to know may be present during deliberations.
 - b. In hearings involving more than one respondent student, the Hearing Board Advisor, at his or her discretion, may permit the hearing concerning each student to be conducted separately.
 - c. The complainant and the respondent have the right to be assisted by any advisor they choose, at their own expense. The complainant and the

respondent are responsible for presenting their own cases and; therefore, advisors are not permitted to speak or to participate directly in any hearing before a hearing body. Written notification of the name and relationship of an advisor to the complainant or respondent must be submitted to the Hearing Board Advisor at least 48 hours prior to the hearing.

- d. The complainant, the respondent and the hearing body shall have the privilege of presenting witnesses, subject to questioning. All parties are responsible for notifying their witnesses of the date and time of the hearing. Written notification of the names and relationships of witnesses to the complainant or respondent must be submitted to the Hearing Board Advisor at least 48 hours prior to the hearing.
- e. Respondents have the right to remain silent, although present, at disciplinary hearings; Respondents may refuse to answer any question(s) and shall participate in the remainder of the hearing. Remaining silent or refusing to answer questions shall not be construed as an admission of responsibility or used against the student. Failure to appear to a hearing will not be viewed as an act of silence. Failure to appear will not delay the hearing process and may result in additional charges issued.
- f. Statements given in disciplinary hearings are confidential in nature and may not be discussed outside of the hearing and/or discipline process.
- g. Lying or intentionally misleading the Board/Hearing Officer will not be tolerated and may be referred for disciplinary action.
- h. Pertinent records, exhibits, and written statements may be accepted as evidence for consideration by a hearing body at the discretion of the chairperson and/or the Hearing Board Advisor.
- i. All procedural questions are subject to the final decision of the chairperson of the hearing body and/or the Hearing Board Advisor.
- j. After the hearing, the hearing body shall determine (by majority vote) whether the student violated each section of the Student Code of Conduct the student is charged with violating.
- k. Hearing body deliberations to determine responsibility shall be conducted in confidential, closed sessions, as are any sanctioning portions.

complainant(s) charge(s) shall be presented and considered, whether or not the respondent is present.

8. Refer to the specific policy for further details of other University policies.
9. In order to preserve confidential disciplinary records no individual is allowed to remove notes from hearing proceedings. The use of audio, camera and video recording devices by participants in a hearing is strictly prohibited. Failure to comply with these rules may result in the removal from proceedings and additional disciplinary action.

Upon issuance of an Interim Suspension, the Chief Conduct Officer, the Assistant Director of OSAA, or designee, shall endeavor to contact the Student, advise the student that an Interim Suspension is in effect, and provide the Student with an opportunity to address the alleged misconduct.

ARTICLE VII: APPEALS

A. A decision reached by the hearing body or a sanction imposed by the Conduct Authority may be appealed by the respondent(s). A decision reached by the hearing body may also be appealed by a complainant(s) in cases under the Sexual Misconduct Policy that could include acts of violence and harassment [(i.e. such as sexual assault, rape, physical assault, hazing, sexual harassment, and stalking); please refer to the Sexual Misconduct Appeal policy for further details.] A conduct appeal must be directed to the Vice President for Student Affairs or his/her designee within ten (10) working days of being notified of the decision. If the student is notified of the decision by letter, the student has ten (10) working days from the draft date of the letter to make an appeal. Such appeals shall be in writing and shall be delivered to the Vice President for Student Affairs and/or Chief Conduct Officer or his/her designee. The rendered sanction is in effect as of the date identified on the sanction letter, or until an appeal is granted. The appeal must be made within 30 calendar days of the University's decision. The Board's review is limited to a determination of compliance with established and appropriate procedures at the University level. The student shall be notified of the Board's decision through electronic means or written correspondence.

B. Except as required to explain the basis of new information, an appeal at the University level may be limited to a review of the written statement by the party requesting the appeal and/or written documents pertaining to the case. The scope of review shall be limited to consideration of the following questions:

1. Whether the discipline process was conducted fairly and in conformity with the properly prescribed procedures;

 3. Review by the Board of Supervisors consists of an exhaustive examination of procedures followed by the university in regard to due process and not the specific details of the grievance matter.
 4. The University of Louisiana System student grievance process does not provide the benefit of a hearing by the student directly to the Board of Supervisors.

University Alcohol Policy

Policy Statement

Southeastern Louisiana University is committed to the health, safety, and well-being of each member of the University community. In order to further student learning and promote the University's academic mission, Southeastern fosters an environment of personal responsibility and respectful citizenship. This means that all members of the university community – students, faculty, and staff - in addition to visitors – have a shared responsibility in safeguarding a healthy learning environment in which inappropriate behaviors and the associated negative consequences of alcohol misuse are addressed in a manner appropriate to the circumstance. The University, as outlined in the following policy, strives to create a culture that supports students who have made the decision to not use alcohol, as well as encourage, through education, students who choose to drink alcohol to do so in a safe, legal, and responsible manner.

The possession, use, sale, distribution, or manufacture of alcohol may be done only in accordance with the provisions of federal and state laws, local laws and ordinances, and University regulations, including this policy. Louisiana state law prohibits the purchase, public possession or consumption of any alcoholic beverage by persons under the age of 21.

Applicability

This policy applies to all Southeastern students, faculty, staff, and visitors.

LEGAL SANCTIONS

Students and employees are reminded that local, state, and federal laws provide for various legal sanctions and penalties for unlawful possession or distribution of alcohol. These sanctions include, but are not limited to, incarceration and monetary fines.

UNIVERSITY SANCTIONS

Students found to be in violation of this policy will be afforded due process as prescribed in the University Code of Student Conduct. Sanctions for policy violations include a disciplinary warning, up to and including expulsion from the University.

Section I. General University Regulations

This section of the policy applies to all University students, employees, and guests.

All students, employees, and guests are strictly prohibited from the unlawful possession, manufacture, use, or distribution of alcohol on University property or as part of any University activity, whether on or off campus. This policy will extend to any other sites the University might operate or be represented. This policy will apply to the sale, possession, or consumption of alcohol in or at any University sponsored or registered event. The possession, consumption, sale or furnishing of alcoholic beverages is prohibited except in those areas where such activities are specifically allowed or preapproved.

The following conduct is prohibited except as permitted by University regulations and the law:

- The use, consumption, possession, manufacture, purchase, sale, furnishing, and/or distribution of alcoholic beverages on University property, or at any of its activities
- The use, consumption, possession and or purchase of alcoholic beverages by persons under 21 years of age.
- Possession, consumption, sale, manufacture, or furnishing of alcoholic beverages in the residence hall or residence hall room.

Students residing in Southeastern Oaks may possess alcohol in their room dwelling if all residents are of legal age to possess and consume alcohol. Alcohol may not be present in common areas of the apartment if ALL residents in the apartment are not of legal age.

- Furnishing, serving, and or otherwise providing alcoholic beverages to persons under 21 years of age.

A contract must be signed with the University Police Department for an officer(s) to be present at all third-party rental events and at University (or University affiliated) sponsored events where alcohol is to be served if students will be present and it is plausible that students might be served alcohol, e.g., students are participating in the event other than in their capacity in the employment of the University.

Section II. Student Organizations

This section of the policy applies to all registered student organizations

A. Student Organization's Event: An event may be considered a student organization event if one and more of the following occur:

- The event was discussed or planned during the organizations meeting
- The majority of the organization's members knew of and/or attended the event
- Organizational resources were used in any way (i.e. entertainment, transportation, food, beverages, advertisement, etc.)
- A significant portion of attendees were invited by members of the organization
- In addition, an event could be considered a student organizations event if a non-member perceives the event as being sponsored by an organization.

Students and those affiliated with the organization should refer to the Student Organization Alcohol Event Procedures for a full list of action items an organization must complete before events where alcohol is served will be approved. Failure to complete any action items will result in your event being disapproved or cancelled.

B. General Regulations

- A contract with the University Police Department must be signed for any event where alcohol will be served. Subject to approval by the University Police, local law enforcement may be contracted for events occurring outside of Tangipahoa Parish.
- Student organizations may not distribute alcoholic beverages free of charge.
- No organization may co-sponsor an event with an alcohol distributor, charitable organization, tavern, or where alcohol is given away, sold, or otherwise provided to those present.

 - No alcoholic beverages in bulk form (keg, etc.) may be purchased or used. Kegs of beer will not be allowed. A keg is considered a common source of alcohol. Providing a common source of any alcoholic beverage—be it beer, alcoholic punch, or an open bar—implies that it is provided by or on behalf of the organization, regardless of who actually purchased it.
 - All alcohol events must be registered with the Office of the Dean of Students. Student organizations are only allowed to register/sponsor a total of three (3) alcohol events Sunday through Thursday during each semester. Events on Fridays and Saturdays are not subject to this limitation but are subject to the requirement that they be registered with the Office of the Dean of Students.

Avoiding Unintended Pregnancy During College

This information was provided in accordance with ACT 321 - SB 106 effective June 2017. All public postsecondary institutions are required to address the prevention of unplanned pregnancies among unmarried college students as a part of freshmen orientation.

Less than 1 in 10 students with children complete a bachelor's degree within 6 years of college entry.

61% of women who have children after enrolling in community college fail to finish their degree, which is 65% higher than the rate for those who don't have children.

Over a quarter (26%) of all undergraduate students, or 4.8 million students are raising dependent children.

The unintended pregnancy rates in Louisiana are among the highest in the U.S.

95% of unintended pregnancies occur when partners do not use any contraception or use contraception incorrectly.

Abstinence is the only 100% effective method of preventing pregnancy BUT when used correctly there are several contraceptive methods that are extremely effective.

The University Health Center provides contraceptive counseling and prescriptions. Make an appointment online for your contraceptive needs. Free condoms are always available.
