**The written complaints should include:**

Complaints should be submitted as soon as possible after the incident, preferably within ten (10) working days. Barring unusual or extenuating circumstances, such as sexual misconduct and acts of violence, complaints may not be accepted for incidents which occurred more than 30 working days prior to filing.

Students may not avoid campus disciplinary action by withdrawing or graduating from the University. Any complaints/charges or sanctions pending when a student leaves the University must be properly disposed of prior to releasing the student's records or the matter may be adjudicated without the respondent being present. The University may withhold awarding a degree otherwise earned until the completion of the process set forth in this Student Conduct Code, including the completion of all sanctions imposed, if any. Students who receive a disciplinary sanction involving separation from the University, and/or University housing are reminded that the University's normal refund policy will apply.

The Hearing Officer may investigate to determine if the complaint has merit and/or if the complaint can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to the Hearing Officer.

**B. Preliminary Administrative Disciplinary Conference**

1. Upon receipt of a properly filed complaint, a staff member of the appropriate conduct office shall notify the accused student by email, regular mail or hand delivery that proceedings have been initiated. The letter indicates a scheduled meeting time with a Hearing Officer or directs the student to schedule a preliminary/administrative discipline conference within a specified amount of time. The letter also lists the alleged violation with which the student is being charged. Failure to comply with this directive may result in a full hearing board being scheduled.

2. The purpose of the preliminary administrative disciplinary conference is to provide the student an opportunity to review the alleged offense/s with the Hearing Officer, to examine evidence, to discuss the Student Code of Conduct and the discipline process. Students who do not have a copy of the Student Code of Conduct will be directed to an online copy. Further, the student and the Hearing Officer will determine if the matter can be resolved through mutual agreement, including, but not limited to, the charges/complaints being rendered null and void; an administrative agreement being signed which indicates the student assumes responsibility for a violation/s of the Student Code of Conduct; or, a referral to mediation. If at the administrative disciplinary conference, the respondent assumes responsibility for an infraction, the student may sign an administrative agreement and waive any further proceedings and/or appeals. If the complaint cannot be disposed of by mutual consent, the matter will be referred to a hearing involving a Student Conduct Hearing Board, an Administrative Hearing Board, or a Hearing Officer.

### **C. Hearings involving a Hearing Board**

In cases which cannot be resolved in an Administrative Disciplinary Conference, and in those incidents, which rise to the level of expulsion or suspension from the University or University Housing, the matter will be referred to a Student Conduct Hearing Board, or an Administrative Hearing Board. Hearings involving a hearing board are designed for both the complainant and respondent to present their accounts of an incident.

1. The accused student shall be given written notice of the hearing to inform him/her of the specific charge(s), of his/her rights as a student, and the date, time, and location of the hearing.

a. Generally, a time set for a hearing will be at least two or no more than 15 working days after the student has been notified of the hearing. However, due to the nature of the academic year, if the incident occurs close to the end of a semester, or if the appropriate hearing body cannot be scheduled, the student's case will be heard as soon as a hearing can be scheduled.

b. Maximum time limits for scheduling hearings may be extended at the discretion of the Vice President for Student Affairs and the Conduct Authority.

c. Notice shall be sent/delivered to the last local/ mailing address and/or E-mail account identified on the student's official records and shall be considered delivered two working days after the letter has been posted.

d. Students are responsible for notifying the University of their current contact information including physical/ mailing/ electronic addresses. Address changes must be made through the Office of Records and Registration. Failure to notify the University of the current local address, to collect one's mail from one's address, and/or to receive or sign for a discipline mailing does not void the fact that a notice was delivered.

e. Hand delivered notices are delivered on the date they are given to the student.

2. The purpose of a disciplinary hearing is to determine if the accused student is responsible for violating one or more standards of the Student Code of Conduct, and to recommend any appropriate sanctions. A student is presumed to be not responsible until proven responsible in a disciplinary hearing. The burden of proof shall rest on the complainant.

3. Order of the Hearing: The hearing is structured such that the discussion proceeds in an orderly manner. Below is the order that the hearing follows:

a. The reading of the complaint/charges by the hearing chairperson;

b. The entering of pleas by each respondent.

c. There are three pleas: Responsible, Not Responsible, and No Plea, which indicates that the student does not know whether she/he is

responsible, or means the student is unwilling to say and is allowing the Board to decide.

d. Statement of complainant and introduction of evidence;

e. Questioning by the respondent and the Board and or the Hearing Board Advisor;

f. Statement of the respondent and introduction of evidence;

g. Questioning by the complainant and the Board, and the Hearing Board Advisor:

h. Statement of the complainant's witnesses, followed by respondent's questions, and, then those of the Board and or the Hearing Board Advisor;

i. Statements of the respondent's witnesses, followed by complainant's questions, and, then those of the Board, and or the Hearing Board Advisor;

j. Additional questions by the Board, the Hearing Board Advisor, complainant, and/ or respondent;

k. Closing statements, first by the complainant and then by the respondent; Closing statements shall be specific to the incident involved and may include any reiteration of previously stated facts, written statements of character by a third party, and/or any other comments involving the case. Closing statements are the final opportunity for the respondent and the complainant to provide any additional information which will facilitate the Board's decision, including recommendations for sanctions. Closing statements may be limited to a specified time constraint at the Board and or the Hearing Board Advisor's discretion.

l. Deliberation of the Board;

m. Recommendation of the Board to the advisor;

n. Notification of the decision and, if necessary, sanctions. Delivery of the notice may be by hand, E-mail, or through the mail.

4. A hearing before a Hearing Board shall be conducted according to the following guidelines:

a. Hearings normally shall be conducted in private. Only the hearing body/officer, respondent, complainant, their designated advisors, the recorder, and persons identified with the University community as having an educational need to know, may be present for the beginning of the

hearing. Each witness will be called into the hearing individually to give testimony. Subject to the approval of the Hearing Board Advisor and the parties involved, an observer may be admitted, but shall not have the privilege of participating in the hearing. Written requests for a waiver of rights to a private hearing, along with proper documented approval from all parties outlined above, must be submitted to the Conduct Authority at least 48 hours prior to the hearing. Admission of any person to the hearing shall be at the discretion of the hearing body and/or the Hearing Board Advisor. Only the hearing body/officer and persons identified with the University community as having an educational need to know may be present during deliberations.

b. In hearings involving more than one respondent student, the Hearing Board Advisor, at his or her discretion, may permit the hearing concerning each student to be conducted separately.

c. The complainant and the respondent have the right to be assisted by any advisor they choose, at their own expense. The complainant and the respondent are responsible for presenting their own cases and; therefore, advisors are not permitted to speak or to participate directly in any hearing before a hearing body. Written notification of the name and relationship of an advisor to the complainant or respondent must be submitted to the Hearing Board Advisor at least 48 hours prior to the hearing.

d. The complainant, the respondent and the hearing body shall have the privilege of presenting witnesses, subject to questioning. All parties are responsible for notifying their witnesses of the date and time of the hearing. Written notification of the names and relationships of witnesses to the complainant or respondent must be submitted to the Hearing Board Advisor at least 48 hours prior to the hearing.

e. Respondents have the right to remain silent, although present, at disciplinary hearings. They may refuse to answer any question or questions and shall participate in the remainder of the hearing. Remaining silent or refusing to answer questions shall not be construed as an admission of responsibility or used against the student.

f. Statements given in disciplinary hearings are confidential in nature and may not be discussed outside of the hearing and/or discipline process.

- g. Lying or intentionally misleading the Board/Hearing Officer will not be tolerated and may be referred for disciplinary action.
- h. Pertinent records, exhibits, and written statements may be accepted as evidence for consideration by a hearing body at the discretion of the chairperson and/or the Hearing Board Advisor.
- i. All procedural questions are subject to the final decision of the chairperson of the hearing body and/or the Hearing Board Advisor.
- j. After the hearing, the hearing body shall determine (by majority vote) whether the student violated each section of the Student Code of Conduct the student is charged with violating.
- k. Hearing body deliberations to determine responsibility shall be conducted in confidential, closed sessions, as are any sanctioning portions.
- l. The hearing body's determination of responsibility shall be made if a preponderance of the information, that is, the facts and information, presented in the hearing are such that the hearing officer or hearing board finds it more likely than not that the respondent is responsible for the offense as charged.
- m. Strict rules of evidence do not apply at campus disciplinary hearings. Although first hand testimony is preferable, written statements, hearsay testimony and other evidence are allowed, subject to the discretion of the hearing chair and/or Hearing Board Advisor.
- n. Following the final decision of the hearing body, the respondent, will be informed of the determination and recommended sanction, if any, within ten business days. In cases of sexual assault and/or physical violence, the complainant shall also be informed simultaneously of the determination.

5. There shall be a record, usually an audio tape recording, of all hearings before a Hearing Board. Deliberations shall not be recorded. The official hearing record will be a transcription of the audio tape recording. An official hearing record may be made at the expense of the appellant. Students are cautioned that information contained in official hearing records is strictly confidential and should only be used in matters of campus appeals. The record shall be the property of the University.

6. The Hearing Board may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the Complainant, Respondent, and/or other

witness during the hearing by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, videophone, closed circuit television, video conferencing, videotape, audio tape, written statement, indirect questioning, or other means, where and as determined in the sole judgment of the Conduct Authority to be appropriate.

7. Except in the case of a student charged with failing to obey the summons of a hearing body or University official, no student may be found to have violated the Student Code of Conduct solely because the student failed to appear before a hearing body. In all cases, the evidence in support of the complainant(s) charge(s) shall be presented and considered, whether or not the respondent is present.

8. Refer to the specific policy for further details of other University policies.

9. In order to preserve confidential disciplinary records no individual is allowed to remove notes from hearing proceedings. The use of audio, camera and video recording devices by participants in a hearing is strictly prohibited. Failure to comply with these rules may result in the removal from proceedings and additional disciplinary action.

## **E. Typical Ranges of Sanctions**

Sanctioning ranges established by the University exist for students found responsible for violating certain sections of the Student Code of Conduct.

Upon issuance of an Interim Suspension, the Chief Conduct Officer, the Assistant Director of OSAA, or designee, shall endeavor to contact the Student, advise the student that an Interim Suspension is in effect, and provide the Student with an opportunity to address the alleged misconduct.

Living on campus is a privilege, not a right. The University reserves the right to terminate this privilege, at any time, for inappropriate behavior by a student.

1. Interim suspension may be imposed only:

## **ARTICLE VII: APPEALS**

A. A decision reached by the hearing body or a sanction imposed by the Conduct Authority may be appealed by the respondent(s). A decision reached by the hearing body may also be appealed by a complainant(s) in cases under the Sexual Misconduct Policy that could include acts of violence and harassment [(i.e. such as sexual assault, rape, physical assault, hazing, sexual harassment, and stalking); please refer to the Sexual Misconduct Appeal policy for further details.] A conduct appeal must be directed to the Vice President for Student Affairs or his/her designee within ten (10) working days of being notified of the decision. If the student is notified of the decision by letter, the student has ten (10) working days from the post-dated stamp on the envelope to make an appeal. Such appeals shall be in writing and shall be delivered to the Vice President for Student Affairs and/or Chief Conduct Officer or his/her designee. The rendered sanction is in effect as of the date identified on the sanction letter, or until an appeal is granted. The Vice President for Student Affairs or his/her designee may choose to suspend the outcome of a hearing while the appeal is being reviewed. Generally, a time set for an appeal response will be no more than ten (10) working days after the student has delivered the appeal. For appeals regarding less severe sanctions, the final appeal shall be at the Vice President for Student Affairs level.
3. A student may appeal the decision of the University President to the Board of Supervisors for the University of Louisiana System if the sanction is one of suspension from the University for a period of one academic year, or if the sanction is of greater severity. For appeals regarding less severe sanctions, the final appeal shall be at the University level. If the student chooses to appeal to the Board of Supervisors after all administrative procedures have been exhausted at the University level, the appeal must be submitted to the President of the University of Louisiana System which refers the appeal to the Board of Supervisors for the University of Louisiana System. The appeal must be made within 30 calendar days of the University's decision. The Board's review is limited to a determination of compliance with established and appropriate procedures at

the University level. The student shall be notified of the Board's decision through electronic means or written correspondence.

B. Except as required to explain the basis of new information, an appeal at the University level may be limited to a review of the written statement by the party requesting the appeal and/or written documents pertaining to the case. The scope of review shall be limited to consideration of the following questions:

1. Whether the discipline process was conducted fairly and in conformity with the properly prescribed procedures;
2. Whether to consider new information, sufficient to alter a decision, or other relevant facts not brought out in the original hearing, because such information and/or facts were not known to the person appealing at the time of the original Student Conduct Board Hearing.

2. The Board of Supervisors conducts reviews of student appeals via materials provided by the student grievant and the university.
3. Review by the Board of Supervisors consists of an exhaustive examination of procedures followed by the university in regard to due process and not the specific details of the grievance matter.
4. The University of Louisiana System student grievance process does not provide the benefit of a hearing by the student directly to the Board of Supervisors.

E. It is important for students and student organizations who file an appeal at the University level to understand that imposed sanction(s) from the hearing outcome are in effect until further notice.
