**Concentration 2 is recommended for those students who plan to attend graduate school in biochemistry or who are seeking admission into a program in medicine or dentistry.**

1. Students who transfer with 30 or more hours or are readmitted will replace Southeastern 101 with 2 hours of electives.
2. Must be from the same language.
3. Concentration electives (7 hrs) must be selected from the following courses: †CHEM 404 (1-3), GBI0 200 (3), GBI0 312 (3), MIC 205 and MICL 207 (4), ZOO 392 (4), or †CHEM 471 (3)
4. Must be selected from Visual Arts, Music, Theater or Dance.
5. Must be selected from CJ, Econ., Geog., Anth., Poli., Psyc. or Soc.
6. All Chemistry courses specified above will be used to calculate the major GPA which must be a degree 2.0.
7. Chemistry core curriculum course; grade of "C" or better required. This course will also be used to calculate the major GPA which must be a degree 2.0.
8. Only Chemistry courses taken as Concentration Electives will count toward the major GPA.
