

Brandon Cornett, CEO of Elevator3 and CIO of Paystar, is a pivotal figure in the tech consulting world, renowned for his leadership and vision in steering Elevator3's rapid growth since its founding in 2017. Under his guidance, Elevator3 has flourished into a dynamic force, delivering innovative software solutions across industries such as advertising, payment processing, and construction. Brandon's deep involvement in over 50 diverse projects—from mobile applications for startups to sophisticated software for governmental agencies—underscores his commitment to technological excellence and client satisfaction. At Paystar, his strategic foresight in software development and infrastructure complements his primary role at Elevator3, ensuring robust, secure solutions tailored to client needs.

Holding a Bachelor's in Computer Science from Southeastern Louisiana University and an MBA from Louisiana State University, Brandon is deeply invested in the professional growth of upcoming talents, evidenced by his role on the Advisory Board Committee for Computer Science and his commitment to mentoring at his alma mater. A proponent of Scrum methodologies, he champions continuous client feedback to maximize product value, reflecting his dedication to excellence in software development.

Beyond his professional achievements, Brandon is passionate about contributing to his community, regularly volunteering and speaking on both technical and professional topics. His life outside the office is enriched by quality time spent with his wife, Megan, and their two children, Madison and Caleb, embodying a balance between professional success and personal fulfillment.
