Graduate School Preparation Forum

The psychology department's annual "Prepare for Graduate School" forum is scheduled for 10/23 at 3:30 in White Hall room 222. I strongly encourage any student who is considering applying to graduate school to attend.

At this meeting you will learn about what you can do now and in coming years to prepare for graduate school. Our graduate coordinator, Dr. Varnado-Sullivan, will discuss the most important topics related to getting into graduate school within the field of psychology and related disciplines.

Topics include:

- Different levels of training: Master’s, Ph.D. ...
- Types of graduate programs
- Things to consider when choosing a program
- How to be competitive for grad school
- Timeline
- Studying for the GRE
- Writing personal statements
- Letters of recommendation
