LEaD Speaker Series

Agent Mike Phelps

There is a new Criminal Justice program in town. It is designed to bring criminal justice leaders and other professionals working in law enforcement, corrections, courts and other support activities to speak about their careers and professional activities. These speakers will provide you with an inside glimpse into your future LEADERSHIP, EDUCATION and DEVELOPMENT (LEaD) in the criminal justice fields you are thinking about entering. This is your opportunity to discover the leadership qualities they’ve developed and the education required to create excellence in criminal justice. The same challenges and qualities you will require as future leaders in your chosen criminal justice profession. Our speakers are graduates of Southeastern who will speak about their own SLU educational experience and studies, how they chose criminal justice as a profession, and how they developed their particular interest and specialties.

Mr. Mike Phelps has a BA in Criminal Justice Southeastern in 1997. After graduating from the Southeastern he began a career with Louisiana Probation and Parole. In 2011 he was promoted to Supervisor.
