RE: Permission to Leave Early

Participants in the Upward Bound/Math Science Upward Bound Program must have written parental consent prior to leaving the campus. This information **must** be provided to the staff. Participants may need to leave campus because of doctor's appointments, church, etc.; however, each student **must** receive permission before leaving the campus.

Completion of this form allows your child to leave the campus on the date and time indicated. Remember, he/she will not be allowed to leave without proper completion of this form.

My child has permission to attend the off-campus activity listed below. If these arrangements are not satisfactory or conflict with the Upward Bound Program, please let me know.

(PLEASE PRINT)

Name of Participant: _____

Off-Campus Activity: _____

Date: ____ / ____ / ____ Time: ____ : ____

Student will be accompanied by: _____

Parent's Signature Telephone Number
