AUTHORITY AND PURPOSE

The Series 2017 Bonds are being issued pursuant to and in accordance with the provisions of Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 4548.16, inclusive) (the "Act") and the Indenture (as defined herein) by and between the Authority and Regions Bank, an Alabama state banking corporation having a corporate office located in New Orleans, Louisiana (together with its successors and assigns, the "Trustee"). The proceeds of the Series 2017 Bonds will be loaned by the Authority to University Facilities, Inc., a Louisiana non-profit corporation and an organization described under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Corporation") pursuant to the Second Supplemental Loan Agreement (as defined herein) by and between the Authority and the Corporation for the purpose of (i) financing the development and construction of the Series 2017 Facilities (as defined herein), (ii) paying the premium for a debt service reserve fund surety policy, (iii) paying capitalized interest on the Series 2017 Bonds, and (iv) paying the costs of issuance of the Series 2017 Bonds, including the premium for any bond insurance policy insuring the Series 2017 Bonds.

THE FACILITIES

Southeastern Louisiana University (the “University”) has a current student housing inventory of 2,388 beds consisting of approximately 312 apartment-style beds, organizational housing consisting of 271 beds including sororities and fraternities; and 1,805 beds consisting of a combination of double and private spaces. The University has experienced a waiting list for on-campus housing for the past 9 fall semesters. In an effort to accommodate some of the demand, private rooms are being rented as shared spaces.

In 2004, the University embarked on a major renovation of its housing program. Using the proceeds of the Series 2004A Bonds and the Series 2004B Bonds (each as defined herein), the Corporation financed the demolition of certain then-existing facilities and the renovation, development and construction of student housing and related facilities for the benefit of the University (the “Series 2004 Facilities”). The Series 2004 Facilities consisted of 1,514 new residence hall beds, renovation of one existing residence hall and the demolition of four residence halls. The new facilities comprise over 350,000 square feet.

The proceeds of the Series 2017 Bonds will be used by the Corporation to finance the demolition of Zachary Taylor Hall and the development and construction of two 4-story residence halls comprising 169,776 square feet with 556 beds and related facilities for the benefit of the University (the “Series 2017 Facilities”). The Series 2017 Facilities will replace the 202 beds of Zachary Taylor hall.
The University has no current plans but may continue additional renovation and replacement of its housing facilities in the future. Any such renovated or replacement housing facilities (the “Additional Housing Facilities”) may be financed by the issuance of Additional Bonds (as defined herein). The Series 2004 Facilities, the Series 2017 Facilities and any Additional Housing Facilities (collectively the “Housing Facilities”) will be operated as part of the University’s overall student housing program. See “THE FACILITIES” herein.

The Series 2017 Bonds will be further secured by Act of Mortgage, Assignment of Leases and Security Agreement dated as of August 13, 2004, as amended by a First Amendment to Act of Mortgage, Assignment of Leases and Security Agreement dated June 7, 2017, each by the Corporation, as mortgagor, in favor of the Trustee, as mortgagee (collectively, the
“Series 2004 Mortgage”), encumbering the leasehold interest of the Corporation in the Series 2004 Facilities and the property upon which they were constructed (the “Series 2004 Property”). In connection with the issuance of the Series 2017 Bonds, the Corporation also will execute an Act of Leasehold Mortgage, Assignment of Leases and Security Agreement dated June 7, 2017 in favor of the Trustee (the “Series 2017 Mortgage” and, together with the Series 2004 Mortgage, the “Mortgage”) encumbering the Corporation’s leasehold interest in the Series 2017 Facilities and the Series 2017 Property.

The Base Rental amount will be in an amount equal to the principal of, premium, if any, and interest due on the Parity Bonds. Base Rental will also include any amounts required to be paid into any funds established in the Indenture, including any debt service reserve funds for the Parity Bonds (as defined herein), or to make up any deficiency or to restore any loss resulting from investment and any other payment required to be made to such fund by the Indenture. In addition, the Board will agree to pay as Additional Rental any and all expenses incurred by or on behalf of the Corporation on behalf of the Board and/or by the Board in the management, operation, ownership, and/or maintenance of the Housing Facilities.

Lawfully Available Funds

“Lawfully Available Funds” means all unrestricted funds available to the University and appropriated by the Board to make Rental Payments from any source, including but not limited to Rents and Auxiliary Revenues.

“Rents” means all revenues actually received from any source by, or on behalf of the Board or the University with respect to the Housing Facilities, including without duplication, all collected rents and other charges for the use or occupancy of the Housing Facilities, parking charges and revenues, utility charges, vending machine and laundry machine revenues and forfeited security deposits relating to the Housing Facilities, and rental interruption insurance proceeds actually received by or on behalf of the Board or the University (net of the costs of collecting such proceeds), if any; excluding tenants’ security deposits unless and until applied in satisfaction of tenants’ obligations as provided for in the Management Agreement and excluding refunds and reimbursements due to students in accordance with University policy.

“Auxiliary Revenues” means the amount of all funds or revenues held by the University derived by Auxiliary Enterprises and any earnings thereof from the self-generated fees, rates, charges or income received by students, faculty or the public in connection with the utilization or operation of Auxiliary Enterprises after payment of any Auxiliary Enterprises expenses. The Auxiliary Enterprises of the University include the following, subject to modification from time to time: 1) student service fees for the operation of ID Card Services, Student Health Center and Student Union 2) certain commissions received from Food Service contractors, Retail Bookstore operations and text book rental operations and Vending operations and 3) the sales of copying services. Auxiliary Revenues shall not include student fees specifically assessed by the University to service any outstanding obligations or any capital funds received by outside contractors required to make building improvements for their delivery of services.
Budget Process

The Rental payments made by the Board under the Facilities Lease must be appropriated by the Board each year through the approval by the Board of the University’s budget. Although the Assistant Vice President for Finance and Comptroller of the University will cause the University to include in the budget an amount sufficient to make the Rental Payments under the Fourth Supplemental Facilities Lease, there is no guarantee that the Board will approve such budget. In the event the Board fails to budget the Rental Payments, the Trustee, on behalf of the Corporation, may terminate the Fourth Supplemental Facilities Lease and re-let the Series 2017 Facilities in accordance with the Permitted Use (as defined in the Fourth Supplemental Facilities Lease).

The State is not, at any time whatsoever, obligated, committed or required to provide funds by legislative appropriation or any other means to pay debt service on the Parity Bonds, to pay Base Rental or Additional Rental, or to support the continued operation and maintenance of the Housing Facilities.

Bond Insurance

Concurrently with the issuance of the Series 2017 Bonds, Assured Guaranty Municipal Corp. will issue its Municipal Bond Insurance Policy for the Series 2017 Bonds (the "Bond Insurance Policy"). The Bond Insurance Policy guarantees the scheduled payment of principal of and interest on the Series 2017 Bonds when due as set forth in the form of the Bond Insurance Policy included as an Appendix E to this Official Statement. See “BOND INSURANCE POLICY” herein.

Debt Service Reserve Fund

The Indenture establishes a debt service reserve fund (the "Series 2017 Debt Service Reserve Fund") for the benefit of the Series 2017 Bonds. The Series 2017 Debt Service Reserve Fund is required to be funded at a level sufficient to maintain the Series 2017 Debt Service Reserve Requirement. "Series 2017 Debt Service Reserve Requirement" means an amount equal to the lesser of: (i) 100% of the maximum annual debt service on the Series 2017 Bonds, (ii) 10% of the aggregate proceeds of the Series 2017 Bonds, or (iii) 125% of the aggregate average annual debt service on the Series 2017 Bonds.

The Indenture authorizes the Authority to satisfy the Series 2017 Debt Service Reserve Fund Requirement by obtaining a surety bond in place of fully funding the Series 2017 Debt Service Reserve Fund. On the date of issuance of the Series 2017 Bonds, Assured Guaranty Municipal Corp. will issue a debt service reserve policy for the Series 2017 Bonds (the "Reserve Policy") in the amount of the Series 2017 Debt Service Reserve Fund Requirement. The premium for the Reserve Policy will be fully paid at or prior to the issuance and delivery of the Series 2017 Bonds. Additional information on Assured Guaranty Municipal Corp. can be found under "BOND INSURANCE POLICY" herein. See "RESERVE FUND INSURANCE POLICY" herein.

Prior to this role, he served as president of Northwestern State University from 2016 to 2017, as chancellor of Bossier Parish Community College from 2009 to 2014, as senior vice president, workforce and economic development/career & technical education for the Louisiana Community & Technical College System from 2005 to 2009 and as director of administration and director of workforce development for the Louisiana Department of Labor from 2001 to 2005. Dr. Henderson also worked in the private sector for 10 years in hotel management. He worked for Mississippi Management, Inc., Kemmons Wilson Companies and Ryco Management, playing a leadership role as each company achieved record growth in profitability. A native of Shreveport, Dr. Henderson is a Northwestern State alumnus. He earned a Master of Science in Administration from the University of West Florida and a Doctor of Management from the University of Maryland - University College.

The University

Southeastern Louisiana University (the “University”) is located in Hammond, Louisiana, the heart of Louisiana’s “Florida Parishes.” Hammond is located at the intersection of Interstate Highways 55 and 12, approximately 60 miles north of New Orleans, Louisiana’s largest city, and 40 miles east of Baton Rouge, the State’s capital. The University is the third largest public University in the State by enrollment and has a current enrollment of approximately 15,000 students with a faculty and staff population of approximately 1,300.

The University began as a grass roots movement by the people of Hammond and the surrounding area, who recognized the need for an institution of higher education in order to further the educational, economic, and cultural development of southeast Louisiana. What began as a junior college supported by local taxes has developed into a major university as the University has grown to meet the evolving needs of southeast Louisiana and the Florida parishes.

On July 7, 1925, the voters overwhelmingly approved a bond issue that created Hammond Junior College. Operated under the auspices of the Tangipahoa Parish School Board, President Linus A. Sims opened the doors on September 14, 1925 with a faculty of three women, two men and forty students. The two-year coeducational institution offered basic undergraduate work in arts and sciences that culminated in a teaching certificate.

Rapidly increasing enrollments quickly forced the college out of its two rooms in Hammond High School. In 1927, voters supported the purchase of the Hunter Leake estate on Hammond’s north end. In 1928 Hammond Junior College became Southeastern Louisiana College, formally adopted into the state educational system under the control of the State Board of Education. The purchase of sixty acres adjoining the original fifteen-acre plot provided the space to develop a suitable campus, and in 1934, a state bond issue provided for the construction of McGehee Hall and a gymnasium.

In 1937, the State Board of Education authorized curricula for four-year programs in liberal arts, teacher education, business administration, music, social sciences, and physical education. The first baccalaureate degrees were conferred in May, 1939.

Voter approval of Act No. 388 in 1938, an amendment to the 1920 Louisiana Constitution, granted Southeastern Louisiana College the same legal status as other four-year colleges. The amendment did not, however, require the state to fund the University at the level of other institutions of higher education, despite strong local support.

On January 18, 1946, the State Board made available funds to purchase seven city blocks east and west of the campus, and 275 acres of land north and northwest of the campus, increasing the University’s total area to approximately 365 acres.

On March 3, 1946, the University was formally approved and accepted into full membership in the Southern Association of Colleges and Schools (SACS), as a four-year degree-granting institution.

In 1960, the State Board authorized the University to offer master’s degrees through the newly-formed Division of Graduate Studies. The University began awarding the Education Specialist degree in 1967. Governor John J. McKeithen on June 16, 1970 signed into law the legislative act turning Southeastern Louisiana College into Southeastern Louisiana University. The early 1970’s also saw the construction of D. Vickers, the Athletics Building, and the C.E. Cate Teacher Education Building.

In October of 1986, a group of faculty members launched Fanfare, a festival celebrating the arts, humanities and sciences. Since then, Fanfare has become an acclaimed month long event, drawing nationally and internationally recognized artists and providing recognition for those closer to home. In addition to providing entertainment for the North Shore, Fanfare has an educational outreach program that works closely with local schools. In October of 2015, Fanfare proudly celebrated its 30th anniversary.
The University’s enrollment, continually increasing since its inception, reached an important milestone in 1997, registering over fifteen thousand students for the fall semester. Since 1925 the University has conferred over seventy thousand degrees.

As the University celebrated its 75th anniversary in 2000, the Fall semester marked an exciting change as the University implemented screened admissions standards for the first time. Also during the 2000-2001 academic year, the Village, Fayard Hall and the Claude B. Pennington, Jr. Student Activity Center were completed.

In the following years the University continued to expand its infrastructure with the Teacher Education Center Renovation and Addition in 2003, the Biology Building Renovation and Addition in 2004, the Meade Hall Classroom Renovation in 2007, the Kinesiology & Health Studies College of Nursing Renovation and Addition in 2011 and the Expansion and Renovation to the War Memorial Student Union in 2015.

The University's financial statements can be accessed at the following site: http://www.southeastern.edu/admin/controller/annual_reports/index.html.

For summary financial and statistical information regarding the University, see APPENDIX A.

THE FACILITIES

EXISTING FACILITIES

In 2004, Southeastern embarked on a major renovation of its housing program, which consisted of 1,509 new beds. In addition, there were four existing facilities including The Oaks, The Village, Cardinal Newman Hall, and Zachary Taylor Hall that remained in service. Zachary Taylor Hall, which was constructed in 1962, was originally slated to be demolished in 2005, however, due to demand the facility has remained on line. In addition, having experienced a waiting list for the past nine (9) fall semesters, the University has been forced to double occupy rooms in Zachary Taylor Hall that are intended to house only single occupancy.

The University contracted with Anderson-Strickler to conduct market research and findings determined that replacement and additional housing needs exist. Anderson-Strickler reported, with a 95% confidence level, that the midpoint of demand for new beds is 1,073 beds, taking into account the demolition of Zachary Taylor Hall.

Current housing inventory consists of approximately 312 apartment-style beds, organizational housing consisting of 271 beds including sororities and fraternities; and 1,805 beds consisting of a combination of double and private spaces. Zachary Taylor Hall, which will be demolished, has 202 of the 1,805 beds, and was constructed in 1962. Over the last six fall semesters, Zachary Taylor Hall has housed as many as 265 students, resulting in an occupancy rate of more than 131%. The following table shows historical occupancy for the University’s existing housing facilities:

THE SERIES 2017 FACILITIES

Overview

The University has determined that Zachary Taylor Hall has reached its useful life and can no longer service the needs of students. With this current situation in mind, the University, through the assistance of its nonprofit, is proposing to develop new housing that will replace the existing 202 beds of Zachary Taylor and expand its current housing program. The project will consist of the demolition of Zachary Taylor and the construction of two 4-story buildings with a total of 282 units with 556 beds with certain additional amenities, including public gathering spaces for on-campus residents.

Site

The new student housing center will consist of two 4-story residence halls located on the western part of the main campus north of Texas Drive. The buildings will be located adjacent to Hammond and Tangipahoa Residence Halls, Sims Memorial Library, Cate Teacher Education Center, and Zachary Taylor Hall, which will be demolished at the completion of construction. The square footage of both buildings will be 84,888 each and each will consist of 278 beds. Thus, the complete project will result in a total of 169,776 square feet and 556 beds. Additionally, each building will include 215 resident rooms in three different room types. The shared double semi-suites (126 units / 252 beds) will be 315 square feet; the private double semi-suite (118 units / 236 beds) will be 400 square feet; the private single rooms (8 units / 8 beds) will be 240 square feet; and there will be additional private double semi-suites (30 units / 60 beds) at 435 square feet. The private double semi-suites will consist of a shared space and two bedrooms. Each shared space will be furnished with a dining table and chairs, millwork with a sink, a micro fridge, and vanity adjacent to the bathroom. The shared double semi-suites will consist of a shared bedroom adjacent to the bathroom. Each bedroom will be furnished with a loft style bed, student desk with chair, a low (2-drawer) dresser, and a closet.

The two L-shaped residence halls will be oriented to reflect the two primary grids of the existing campus. The internal green space created by the juxtaposition of the two buildings will be a dynamic open space that will serve as a central programming and gathering space for students. The north building is oriented on the north-south grid of the eight buildings of the residence hall community and the other buildings that comprise the northwest quadrant of the main campus. The south building is oriented on the rotated grid that includes the academic core buildings of the southeast and east precinct of the
main campus. The War Memorial Student Union, with its new north addition, is at the heart of the academic core. The orientation and position of the south building will accentuate the view corridor to the Union and will serve as a prominent gateway landmark that will enhance the sense of arrival for visitors to the campus as they approach at the Student Union’s west entrance.

The student housing center will greatly activate the western part of the campus while strengthening the circulation pathway that originates in the academic core, passes through the Student Union and the Library breezeway and continues on to the existing student housing community, the Pennington Student Activity Center and the Cate Teacher Education Center. A potential future public green space connecting the south building to the Library breezeway may serve to further energize this primary campus pathway. Zachary Taylor Hall will remain in use until the completion of construction of the two new residence halls, at which time it will be demolished.

Landscaping and hardscaping features will enhance the open spaces around and between the buildings. A green space with trees will be located to the south of the south building and will provide a soft buffer zone between the south building and Texas Ave. Paved walkways with low scale pedestrian light poles will be located throughout the site and will provide convenient pedestrian connections to the surrounding campus while providing connections between the two buildings. A paved plaza area will be provided at the north building and will be connected to the foodservice retail space.

Service access to the two buildings will be provided from the new parking area located to the west of the buildings. Enclosures for trash and recycling containers will be provided in this area and will be accessible from the main vehicle drive lanes in the parking area. A dedicated service access lane will be provided for retail deliveries to the north building and for maintenance vehicle use. A cooling tower or chiller will be located to the west of the buildings.

Parking for residents and staff will be provided on all sides of the site. Parking areas will be lighted with pole light fixtures and will include paved perimeter walkways providing access to the buildings and the campus.

**Building**

Each of the two 4-story buildings is configured in an L-shape orientation with wings organized around an active, central core area. A centralized security desk on the first floor will provide great visibility to the building entrances, lobby areas, common lounge spaces, and the laundry room. A central common lounge space on this floor will provide a convenient space for residents from all floors to meet and socialize. The central communicating stair located adjacent to the main entrance will make it easy for students to circulate up through the building while reducing elevator traffic. The stair will provide an additional opportunity for students to interact with other students throughout the day.

A large, multipurpose space will be provided on the first floor of each building. The configuration of the space and integrated technology is designed to be used for many types of social, entertainment and educational events. THE FINANCING DOCUMENTS

The following descriptions and information do not purport to be comprehensive or definitive, and all descriptions herein are qualified in their entirety by reference to the financing documents attached hereto in APPENDIX C.

Indenture

The Series 2017 Bonds are being issued pursuant to and secured by a Second Supplemental Trust Indenture dated as of June 1, 2017 (the “Second Supplemental Indenture”), which supplements and amends a Trust Indenture dated as of August 1, 2004 (the “Original Indenture”), as further supplemented and amended by a First Supplemental Trust Indenture dated as of November 1, 2013 (the “First Supplemental Indenture” and, together with the Second Supplemental Indenture and the Original Indenture, the “Indenture”) all by and between the Authority and Regions Bank, an Alabama state banking company having a corporate office located in New Orleans, Louisiana (together with its successors and assigns, the “Trustee”).

The Series 2017 Bonds are secured pursuant to the Second Supplemental Indenture by: (i) all right, title, and interest of the Authority in, to and under the Loan Agreement, the Ground Lease, the Facilities Lease, and the Mortgage (ii) moneys held in funds and accounts (other than the Rebate Fund) established pursuant to the Indenture (the “Trust Estate”).

Loan Agreement

The proceeds of the Series 2017 Bonds will be loaned by the Authority to University Facilities, Inc., a Louisiana non-profit corporation (the “Corporation”), pursuant to a Second Supplemental Loan and Assignment Agreement dated as of June 1, 2017 (the “Second Supplemental Loan Agreement”), which supplements and amends a Loan and Assignment Agreement dated as of August 1, 2004 (the “Original Loan Agreement”), as further supplemented and amended by a First Supplemental Loan and Assignment Agreement dated as of November 1, 2013 (the “First Supplemental Loan Agreement”), and together with the Second Supplemental Loan Agreement and the Original Loan Agreement, the “Loan Agreement”) all by and between the Authority and the Corporation for the purpose of (i) financing the development and construction of the Series 2017 Facilities, (as defined herein), (ii) paying the premium for a debt service reserve fund surety policy for the Series 2017 Bonds, (iii) paying capitalized interest on the Series 2017 Bonds, and (iv) paying the costs of issuance of the Series 2017 Bonds, including the premium for the bond insurance policy insuring the Series 2017 Bonds.

Pursuant to the Second Supplemental Loan Agreement, the Corporation is obligated to make loan payments solely from Base Rental payments received by the Corporation from the Board. The Corporation, pursuant to the Second Supplemental Loan Agreement, will assign its rights under the Ground Lease and the Facilities Lease to the Authority. The Authority, pursuant to the Second Supplemental Indenture, will in turn assign such rights under the Loan Agreement, the Ground Lease and the Facilities Lease to the Trustee, which will exercise such rights on behalf of the owners of the Series 2017 Bonds.
GROUND LEASE

Pursuant to a Fourth Supplemental Ground and Buildings Lease Agreement dated as of June 1, 2017 (the “Fourth Supplemental Ground Lease”), which supplements and amends a Ground and Buildings Lease Agreement dated as of August 1, 2004 (the “Original Ground Lease”), as supplemented and amended by a First Amendment to Ground and Buildings Lease Agreement dated as of March 1, 2007 (the “First Supplemental Ground Lease”), as further supplemented and amended by a Second Amendment to Ground and Buildings Lease Agreement dated as of June 12, 2012 (the “Second Supplemental Ground Lease”), as further supplemented and amended by a Third Supplemental Ground and Buildings Lease Agreement dated as of November 1, 2013 (the “Third Supplemental Ground Lease”), and together with the Fourth Supplemental Ground Lease, the Original Ground Lease, the First Supplemental Ground Lease and the Second Supplemental Ground Lease, the “Ground Lease”), all by and between the Board of Supervisors for the University of Louisiana System (the “Board”) and the Corporation, the Board has leased to the Corporation the property (the “Series 2017 Property”) upon which the Corporation will construct certain student housing facilities (the “Series 2017 Facilities”) for the benefit of the Southeastern Louisiana University (the “University”).

Lease payments under the Ground Lease are nominal in amount and are not a source of repayment for the Series 2017 Bonds. Pursuant to the Second Supplemental Loan Agreement, the Corporation has assigned all of its rights under the Ground Lease to the Authority. The Authority, pursuant to the Second Supplemental Indenture, will in turn assign such rights to the Trustee, which will exercise such rights on behalf of the owners of the Series 2017 Bonds.

FACILITIES LEASE

The Series 2017 Facilities will be leased back to, and operated by, the Board pursuant to a Fourth Supplemental Agreement to Lease with Option to Purchase dated as of June 1, 2017 (the “Fourth Supplemental Facilities Lease”), which supplements and amends an Agreement to Lease with Option to Purchase dated as of August 1, 2004 (the “Original Facilities Lease”), as further supplemented and amended by a First Amendment to Agreement to Lease with Option to Purchase dated as of March 1, 2007 (the “First Supplemental Facilities Lease”), as further supplemented and amended by a Second Amendment to Agreement to Lease with Option to Purchase dated as of June 12, 2012 (the “Second Supplemental Facilities Lease”), as further supplemented and amended by a Third Supplemental Agreement to Lease with Option to Purchase dated as of November 1, 2013 (the “Third Supplemental Facilities Lease”), and together with the Fourth Supplemental Facilities Lease, the Original Facilities Lease, the First Supplemental Facilities Lease and the Second Supplemental Facilities Lease, the “Facilities Lease”), all between the Corporation, as lessee, and the Board, as lessor.

In consideration of the Corporation entering into the Fourth Supplemental Ground Lease and the Fourth Supplemental Facilities Lease, the Board will agree in the Fourth Supplemental Facilities Lease to make payments of Base Rental and Additional Rental (together, the “Rental Payments”) from Lawfully Available Funds. The Base Rental amount will be in an amount equal to the principal of, premium, if any, and interest due on the Parity Bonds. Base Rental will also include any amounts required to be paid into any funds established in the Second Supplemental Indenture, including any debt service reserve funds for the Parity Bonds, or to make up any deficiency or to restore any loss resulting from investment and any other payments required to be made to such fund by the Second Supplemental Indenture. In addition, the Board will agree to pay as Additional Rental any and all expenses incurred by or on behalf of the Corporation on behalf of the Board and/or by the Board in the management, operation, ownership, and/or maintenance of the Housing Facilities.

Pursuant to the Second Supplemental Loan Agreement, the Corporation has assigned all of its rights under the Facilities Lease to the Authority. The Authority, pursuant to the Second Supplemental Indenture, will in turn assign such rights to the Trustee, which will exercise such rights on behalf of the owners of the Series 2017 Bonds.

MORTGAGE

The Series 2017 Bonds will be further secured by Act of Mortgage, Assignment of Leases and Security Agreement dated as of August 13, 2004, as amended by a First Amendment to Act of Mortgage, Assignment of Leases and Security Agreement dated June 7, 2017, each by the Corporation, as mortgagor, in favor of the Trustee, as mortgagee (collectively, the “Series 2004 Mortgage”), encumbering the leasehold interest of the Corporation in the Series 2004 Facilities and the property upon which they were constructed (the “Series 2004 Property”). In connection with the issuance of the Series 2017 Bonds, the Corporation also will execute an Act of Leasehold Mortgage, Assignment of Leases and Security Agreement dated June 7, 2017 in favor of the Trustee (the “Series 2017 Mortgage” and, together with the Series 2004 Mortgage, the “Mortgage”) encumbering the Corporation’s leasehold interest in the Series 2017 Facilities and the Series 2017 Property.

The Mortgage secures payments relating to the Series 2004B Bonds, the Series 2013 Bonds, the Series 2017 Bonds and any Additional Bonds. The Corporation has additionally granted to the Trustee a first priority security interest in the leases and subleases affecting the Series 2004 Property, the Series 2017 Property, the Series 2004 Facilities and the Series 2017 Facilities, including, without limitation, the Facilities Lease and the Ground Lease (collectively, the “Leases”) and all revenues, rentals, and other sums due or becoming due under the Leases. Nevertheless, certain interests and claims of others
may be on a parity with or prior to the grant of such security interest and certain statutes and other provisions may limit the Corporation’s and the Authority’s rights to make such pledges, assignments, and/or grants of security interests.

**FORM OF DOCUMENTS**

Proposed forms of the Second Supplemental Indenture, the Second Supplemental Loan Agreement, the Fourth Supplemental Ground Lease, and the Fourth Supplemental Facilities Lease, are attached hereto in Appendix C.

**THE SERIES 2017 BONDS**

The Series 2017 Bonds will be dated as of the date of issuance and delivery of the Series 2017 Bonds, and will bear interest at the rates per annum and mature on August 1 in the years and in the principal amounts indicated on the inside cover page of this Official Statement. Interest on the Series 2017 Bonds will be payable on each February 1 and August 1, commencing February 1, 2018.

The Series 2017 Bonds will be issued as fully registered bonds, without coupons, in denominations of $5,000 or any integral multiple thereof. The Series 2017 Bonds shall be issued initially as one certificate per maturity as set forth on the inside cover page hereof and shall be numbered from No. R-1 upwards. The Series 2017 Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company (“DTC”), New York, New York, which will act as the securities depository for the Series 2017 Bonds. Purchasers of the Series 2017 Bonds will not receive certificates representing their interest in the Series 2017 Bonds purchased. Purchases of the beneficial interests in the Series 2017 Bonds will be made in book-entry only form in authorized denominations by credit to participating broker-dealers and other institutions on the books of DTC as described herein. Any purchaser of beneficial interests in the Series 2017 Bonds must maintain an account with a broker or dealer who is, or acts through, a DTC Participant in order to receive payment of the principal of, premium, if any, and interest on such Bonds. See “BOOK-ENTRY ONLY SYSTEM” herein.

The principal of, and premium, if any, of the Series 2017 Bonds will be payable to the registered owners thereof upon surrender of the Series 2017 Bonds at the principal corporate trust office of the Trustee. The interest on the Series 2017 Bonds, when due and payable, will be paid by check or draft mailed by the Trustee on such due date to each person in whose name a Bond is registered, at the address(es) as they appear on the Bond Register maintained by the Trustee at the close of business on the applicable Record Date irrespective of any transfer or exchange of the Series 2017 Bonds subsequent to such Record Date and prior to such Interest Payment Date, unless the Authority shall default in payment of interest due on such Interest Payment Date, provided that the owners of $1,000,000 or more in aggregate principal amount of Series 2017 Bonds may request payment by wire transfer if such owners have requested such payment in writing to the Trustee, which request shall be made no later than the Record Date and shall include all relevant bank account information and shall otherwise be acceptable to the Trustee. Such notice will be irrevocable until a new notice is delivered not later than a Record Date. In the event of any such default, such defaulted interest will be payable on a payment date established by the Trustee to the persons in whose names the Series 2017 Bonds are registered at the close of business on a special record date for the payment of such defaulted interest established by notice mailed by the Trustee to the registered owners of the Series 2017 Bonds not fewer than fifteen (15) days preceding such special record date. Payment as aforesaid will be made in such coin or currency of the United States of America as, at the respective times of payment, is legal tender for the payment of public and private debts.

**OTHER EXISTING BONDS**

**SERIES 2004B BONDS AND SERIES 2013 BONDS**

On August 13, 2004 the Authority issued its $60,985,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004A (the “Series 2004A Bonds”) and its $15,000,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B (the “Series 2004B Bonds”), the proceeds of which were loaned to the Corporation to finance the demolition of certain then-existing facilities and the renovation, development and construction of student housing and related facilities and to refinance existing debt for the benefit of the University. On November 13, 2013 the Authority issued its $40,910,000 Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2013 (the “Series 2013 Bonds”), the proceeds of which were loaned to the Corporation to fully refund the Series 2004A Bonds, along with certain other funds available therefor. The Series 2004B Bonds are currently outstanding in the aggregate principal amount of $15,000,000. The Series 2013 Bonds are currently outstanding in the aggregate principal amount of $32,620,000. The Series 2004B Bonds, the Series 2013 Bonds, the Series 2017 Bonds and any Additional Bonds are referred to herein as the “Parity Bonds”.

In consideration of the Corporation entering into the Fourth Supplemental Ground Lease and the Fourth Supplemental Facilities Lease, the Board will agree in the Fourth Supplemental Facilities Lease to make payments of Base Rental and Additional Rental from Lawfully Available Funds. The Base Rental amount will be in an amount equal to the principal of, premium, if any, and interest due on the Parity Bonds. Base Rental will also include any amounts required to be paid into any
funds established in the Second Supplemental Indenture, including any debt service reserve funds for the Parity Bonds, or to make up any deficiency or to restore any loss resulting from investment and any other payment required to be made to such fund by the Second Supplemental Indenture. In addition, the Board will agree to pay as Additional Rental any and all expenses incurred by or on behalf of the Corporation on behalf of the Board and/or by the Board in the management, operation, ownership, and/or maintenance of the Housing Facilities. The Board’s obligations to make Rental Payments from Lawfully Available Funds are on parity with respect to all of the Parity Bonds.

The Mortgage secures payments relating to the Series 2004B Bonds, the Series 2013 Bonds, the Series 2017 Bonds and any Additional Bonds. The Corporation has additionally granted to the Trustee a first priority security interest in the leases and subleases affecting the Series 2004 Property, the Series 2017 Property, the Series 2004 Facilities and the Series 2017 Facilities, including, without limitation, the Facilities Lease and the Ground Lease (collectively, the “Leases”) and all revenues, rentals, and other sums due or becoming due under the Leases. Nevertheless, certain interests and claims of others may be on a parity with or prior to the grant of such security interest and certain statutes and other provisions may limit the Corporation’s and the Authority’s rights to make such pledges, assignments, and/or grants of security interests.

**SERIES 2007 BONDS**

On March 14, 2007 the Authority issued its $7,944,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc.: Phase Four Parking Project) Series 2007A and Series 2007B (collectively, the “**Series 2007 Bonds**”), the proceeds of which were loaned to the Corporation to finance the construction of an intermodal parking facility and a stadium for the benefit of the University. The Series 2007 Bonds are currently outstanding in the aggregate principal amount of $4,180,000.

The Series 2007 Bonds are payable from the University’s Student Parking Fees (as defined in the First Supplemental Facilities Lease) and Auxiliary Revenues, which are a component of Lawfully Available Funds. As described above, the Parity Bonds, including the Series 2017 Bonds, are payable from Lawfully Available Funds and are not secured by the same primary source of revenues as the Series 2007 Bonds. The Parity Bonds and the Series 2007 Bonds are secured equally by Auxiliary Revenues; however, the University has historically utilized Student Parking Fees as the sole source of payment for the Series 2007 Bonds and has not been reliant upon Auxiliary Revenues to pay debt service on the Series 2007 Bonds. Accordingly, debt service coverage calculations related to the Parity Bonds do not include Student Parking Fees or debt service on the Series 2007 Bonds. See “**APPENDIX A – DEBT MANAGEMENT**” for a historical calculation of debt service coverage for the Series 2007 Bonds based solely on Student Parking Fees. See “**DEBT SERVICE COVERAGE**” herein for historical and pro-forma calculations of debt service coverage on the Parity Bonds.

The Base Rental amount will be in an amount equal to the principal of, premium, if any, and interest due on the Parity Bonds. Base Rental will also include any amounts required to be paid into any funds established in the Indenture, including any debt service reserve funds for the Parity Bonds, or to make up any deficiency or to restore any less resulting from investment and any other payment required to be made to such fund by the Second Supplemental Indenture. The Auxiliary Enterprises of the University include the following, subject to modification from time to time: 1) student service fees for the operation of the University’s ID Card Services, Student Health Center and Student Union 2) certain commissions received from Food Service contractors, Retail Bookstore operations and text book rental operations and Vending operations and 3) the sales of copying services. Auxiliary Revenues shall not include student fees specifically
assessed by the University to service any outstanding obligations or any capital funds received by outside contractors required to make building improvements for their delivery of services.

**BUDGET PROCESS**

The Rental Payments made by the Board under the Fourth Supplemental Facilities Lease must be appropriated by the Board each year through the approval by the Board of the University's budget. Although the Assistant Vice President for Finance and Comptroller of the University will cause the University to include in the Budget an amount sufficient to make the Rental Payments under the Fourth Supplemental Facilities Lease, there is no guarantee that the Board will approve such Budget. In the event the Board fails to budget the Rental Payments, the Trustee, on behalf of the Corporation, may terminate the Second Supplemental Facilities Lease and re-let the Series 2017 Facilities in accordance with the Permitted Use (as defined in the Fourth Supplemental Facilities Lease).

The State is not, at any time whatsoever, obligated, committed or required to provide funds by legislative appropriation or any other means to pay debt service on the Parity Bonds, to pay Base Rental or Additional Rental, or to support the continued operation and maintenance of the Series 2017 Facilities.

**BOND INSURANCE**

Concurrently with the issuance of the Series 2017 Bonds, Assured Guaranty Municipal Corp. (“AGM”) will issue its Municipal Bond Insurance Policy for the Series 2017 Bonds (the "**Bond Insurance Policy**"). The Bond Insurance Policy guarantees the scheduled payment of principal of and interest on the Series 2017 Bonds when due as set forth in the form of the Bond Insurance Policy included as an Appendix E to this Official Statement. See “**BOND INSURANCE POLICY**” herein.

**DEBT SERVICE RESERVE FUND**

The Indenture establishes a debt service reserve fund (the "**Series 2017 Debt Service Reserve Fund**") for the benefit of the Series 2017 Bonds. The Series 2017 Debt Service Reserve Fund is required to be funded at a level sufficient to maintain the Series 2017 Debt Service Reserve Requirement. "**Series 2017 Debt Service Reserve Requirement**" means an amount equal to the lesser of: (i) 100% of the maximum annual debt service on the Series 2017 Bonds, (ii) 10% of the aggregate proceeds of the Series 2017 Bonds, or (iii) 125% of the aggregate average annual debt service on the Series 2017 Bonds.

The Indenture authorizes the Authority to satisfy the Series 2017 Debt Service Reserve Fund Requirement by obtaining a surety bond in place of fully funding the Series 2017 Debt Service Reserve Fund. On the date of issuance of the Series 2017 Bonds, Assured Guaranty Municipal Corp. (“AGM”) will issue a debt service reserve policy for the Series 2017 Bonds (the "**Reserve Policy**") in the amount of the Series 2017 Debt Service Reserve Fund Requirement. The premium for the Reserve Policy will be fully paid at or prior to the issuance and delivery of the Series 2017 Bonds. Additional information on AGM can be found under "**BOND INSURANCE POLICY**" herein. See "**RESERVE FUND INSURANCE POLICY**" herein.

**FACILITIES LEASE SECURITY PROVISIONS**

The following descriptions of the Facilities Lease do not purport to be comprehensive or definitive, and all descriptions herein are qualified in their entirety by reference to the financing documents attached hereto in **APPENDIX C**.

**DEBT SERVICE COVERAGE RATIO**

"Net Revenues of the Housing Facilities" means, with respect to any period, the excess of the Rents (as defined herein, determined on a cash basis) over Operating Expenses (as defined in the Facilities Lease, before extraordinary items) of the Housing Facilities, determined in accordance with generally accepted accounting principles, and excluding: (a) any profits or losses on the sale or disposition, not in the ordinary course of business, of investments or fixed or capital assets or resulting from the early extinguishment of debt; (b) gifts, grants, bequests, donations and contributions, to the extent specifically restricted by the donor to a particular purpose inconsistent with their use for the payment of Annual Debt Service on the Parity Bonds; and (c) the net proceeds of insurance (other than business interruption insurance) and condemnation awards.

"Debt Service Coverage Ratio for the Housing Facilities" means, for any Fiscal Year, the ratio determined by the Vice-President for Administration and Finance of the University by dividing (i) the amount of Net Revenues of the Housing Facilities for such Fiscal Year by (ii) Annual Debt Service on the Parity Bonds outstanding, and on any Additional Bonds proposed to be issued for such Fiscal Year; provided, however, that for the purpose of calculating the Debt Service Coverage Ratio for the Housing Facilities to determine whether the Board may build, acquire or renovate any Additional Housing
Facilities, the numerator of the fraction shall be increased by the additional anticipated revenues, if any, to be derived from the Additional Housing Facilities constructed with the proceeds resulting from the Additional Bonds.

"Debt Service Coverage Ratio for the University" means, for any Fiscal Year, the ratio determined by the Vice-President for Administration and Finance of the University by dividing (i) the amount of Lawfully Available Funds for such Fiscal Year by (ii) Annual Debt Service on the Parity Bonds outstanding, and on any Additional Bonds proposed to be issued for such Fiscal Year.

**Rate Maintenance Covenant**

Pursuant to the Facilities Lease, the Board has covenanted and agreed to maintain a Debt Service Coverage Ratio for the Housing Facilities of not less than 1.10x and a Debt Service Coverage Ratio for the University of not less than 1.25x (together, the "Rate Maintenance Covenant"). For purposes of the foregoing, the Board will take into account payments required to be made into the debt service reserve funds securing the Parity Bonds pursuant to the Indenture.

The Board has further covenanted that if the Rate Maintenance Covenant is not met, the Board will use its best efforts to raise its fees, rentals, rates and charges relating to the Housing Facilities so that within two (2) full semesters the Rate Maintenance Covenant will be met.

At the end of two (2) full semesters, if the Rate Maintenance Covenant still is not met, the Board will hire an outside consultant (subject to approval of the Series 2004 Bond Insurer if the Series 2004B Bonds remain outstanding and the Series 2017 Bond Insurance) and the Board will follow any reasonably feasible recommendations of the consultant regarding the operation and management of the Housing Facilities, including raising fees and rents, reducing expenses and, if necessary, increasing the average occupancy rate through strict enforcement of rules requiring students to reside on campus and, to the extent legally possible, revising such rules to require additional students to reside on campus.

So long as the Board is working in good faith with the consultant towards meeting the Rate Maintenance Covenant, there will not be an Event of Default under the Facilities Lease unless (i) the Debt Service Coverage Ratio for the Housing Facilities is less than 1.00x at the end of the Fiscal Year, or (ii) the Debt Service Coverage Ratio of the University is less than 1.10x for two (2) full consecutive semesters after retention of the outside consultant.

The Board has further covenanted that it will seek any required approval necessary in order to comply with the Rate Maintenance Covenant.

**Additional Student Housing Facilities/Additional Debt**

Pursuant to the Facilities Lease, the Board has agreed that the University will not build, acquire, or renovate any Additional Housing Facilities, whether owned by the University or a private entity, unless (A) the Debt Service Coverage Ratio for the Housing Facilities was at least 1.25x for the prior Fiscal Year, (B) the Debt Service Coverage Ratio for the Housing Facilities is projected to be at least 1.25x for the two (2) Fiscal Years following the projected completion of the proposed facility, and (C) based on a market analysis prepared by an independent market research company with experience in student housing or multi-family housing, the proposed Additional Housing Facilities are not expected to have a material adverse effect on the existing Housing Facilities.

Such Additional Housing Facilities shall be incorporated with the existing Housing Facilities into a single student housing system so that all Rents derived from the existing Housing Facilities and such Additional Housing Facilities shall secure the Parity Bonds and any Additional Bonds issued to finance such Additional Housing Facilities. In addition, the Mortgage shall be amended to encumber such Additional Housing Facilities and any Rents derived therefrom to secure the Parity Bonds and any Additional Bonds issued to finance such Additional Housing Facilities.

**Undergraduate Residency Requirement**

So long as any Series 2004 Bonds remain outstanding, the University will maintain its policy of requiring all unmarried, full-time undergraduate students with less than sixty (60) credit hours to live in on-campus residence halls. It is understood that the University currently permits certain exceptions to that policy and, except as set forth above, the University may continue to permit those exceptions but it shall make no voluntary revisions to such policy that would reduce the number of students required to live in on-campus residence halls (including, without limitation, reducing the number of credit hours to less than sixty (60)), increasing the course-load required for status as a "full-time" student or modifying any existing exemptions from the policy), until the Series 2004 Bonds have been paid in full or the Series 2004 Bond Insurer consents in writing to a change in such policy.

**Insurance**

The University, at the direction of the Board, shall cause to be secured and maintained at the University's cost and expense policies or polices of insurance covering the Series 2017 Facilities including but not limited to claims of loss or
damage related to casualty or injury property, flood, workers' compensation, rental interruption, or claims of any general liability.

The Corporation shall cause to be secured and maintained a policy of title insurance in an amount equal to the par amount of the Series 2017 Bonds and also cause all construction professionals to secure and maintain policy or policies of insurance to cover all items set forth in the Facilities Lease.

**Casualty or Expropriation**

The risk of loss or decrease in the enjoyment and beneficial use of the Series 2017 Facilities due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively "Casualty") or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Series 2017 Facilities by condemnation, expropriation, or eminent domain proceedings (collectively "Expropriation") is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental, or any other obligation under the Fourth Supplemental Facilities Lease.

**Application of Insurance, Casualty or Expropriation Proceeds**

If during construction, all or any portion of the Series 2017 Facilities is damaged or destroyed by a Casualty, or is taken by Expropriation proceedings, the Board shall instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration or replacement of the Series 2017 Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. Following the completion of construction and acceptance of the Series 2017 Facilities by the Board on behalf of the Corporation, the Board shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted, the repair, restoration, or replacement thereof. The proceeds of any insurance, including the proceeds of any self-insurance fund, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction or taking of all or any portion of the Series 2017 Facilities shall be delivered to the Trustee and held by the Trustee in trust (or in the case of self-insurance through ORM, as set forth in the Fourth Supplemental Facilities Lease), and shall be made available for, and to the extent necessary be applied to, such restoration, repair and replacement. The Trustee shall disburse the award or payment in accordance with the Fourth Supplemental Facilities Lease.

In the event the proceeds of any insurance, and any additional funds deposited with the Trustee, are insufficient to fully repair, restore or replace the Series 2017 Facilities, the proceeds shall be paid to the Board for immediate delivery to Trustee and used to redeem the Outstanding Bonds.

Notwithstanding the foregoing, the Corporation's obligation to replace the Series 2017 Facilities in the event of Expropriation Proceedings is dependent on the Board entering into a lease with a different portion of the Campus as provided in the Fourth Supplemental Ground Lease. In the event it is necessary to restore or replace the Series 2017 Facilities in a different location because of the Expropriation of all or a portion of the Series 2017 Facilities, the Corporation and the Board agree to amend or enter into a new facilities lease and ground lease in accordance with the Fourth Supplemental Ground Lease. In the event the Board, pursuant to the Fourth Supplemental Ground Lease, decides not to repair, restore or replace the Series 2017 Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) shall be paid to the Board for immediate delivery to the Trustee and applied to the prepayment of the Series 2017 Bonds in accordance with the terms of the Second Supplemental Indenture, and the Fourth Supplemental Facilities Lease.

The Fourth Supplemental Facilities Lease and the Fourth Supplemental Ground Lease shall terminate on the date that the events described in Section 2(a) or 2(b) of the Fourth Supplemental Facilities Lease have occurred.

**Default by the Board**

If (i) the Board shall fail to deposit with the Trustee any Base Rental payment required to be so deposited pursuant to Section 6 of the Fourth Supplemental Facilities Lease by the close of business on the day such deposit is required pursuant to Section 6 of the Fourth Supplemental Facilities Lease hereof, and shall fail to remedy such breach within five (5) days thereof, but in no event later than the date on which such payment is required to enable the Corporation to make payment on the Series 2017 Bonds (without use of moneys held in the Series 2017 Debt Service Reserve Fund), or (ii) the Board shall fail to pay or discharge any monetary obligation thereunder (other than the payment of Base Rental) as and when due, or within thirty (30) days after receipt of Notice from the Corporation that such sums are due and owing; or (iii) the Board shall breach any non-monetary terms, covenants or conditions therein, and shall fail to remedy any such breach with all reasonable dispatch within a reasonable period of time (or such longer period as the Trustee may
approve) after written notice thereof from the Corporation to the Board, then and in any such event the Board shall be
deemed to be in default thereunder, and the Corporation shall have the right, at its option, without any further demand or
notice to terminate the Fourth Supplemental Facilities Lease on the earliest date permitted by law or on any later date
specified in any Notice given to the Board, in which case the Board's right to possession of the Series 2017 Facilities
will cease and the Fourth Supplemental Facilities Lease will be terminated, without, however, waiving the
Corporation's right to collect all Rental and other payments due or owing for the period up to the time the Corporation
regains possession (which have been approved for payment under the Fourth Supplemental Facilities Lease, but not paid by
the Board), and to enforce other obligations of the Board which survive termination of the Fourth Supplemental Facilities
Lease, and in such event the Corporation may without any further demand or notice re-enter the Series 2017 Facilities and
eject all parties in possession thereof, subject to the rights of students, faculty, staff and Permitted Sub lessees. The
foregoing remedies of the Corporation are in addition to and not exclusive of any other remedy of the Corporation. Any
such re-entry shall be allowed by the Board without hindrance, and the Corporation shall not be liable in damages for any
such re-entry or be guilty of trespass. The Corporation understands and agrees that upon its termination of the Board’s
right to possession of the Series 2017 Facilities or termination of the Fourth Supplemental Facilities Lease, the Corporation
upon its re-entry of the Series 2017 Facilities shall only be allowed to use the Series 2017 Facilities for the Permitted Use
and shall be subject to all applicable Governmental Regulations heretofore or hereafter enacted by any Governmental
Authority relating to the use and operation of the Series 2017 Facilities.

Notwithstanding any other provision of the Fourth Supplemental Facilities Lease, (i) in no event shall the
Corporation have the right to accelerate the payment of any Base Rental payment thereunder and (ii) the Bond Insurer
shall have ninety (90) days to cure an Event of Default hereunder.

Notwithstanding anything contained in the Fourth Supplemental Facilities Lease to the contrary, a failure
by the Board to pay when due any payment required to be made under the Fourth Supplemental Facilities Lease or
a failure by the Board to observe and perform any covenant, condition or agreement on its part to be observed or
performed under the Fourth Supplemental Facilities Lease, resulting from a failure by the Board to appropriate
moneys shall not constitute an Event of Default under the Fourth Supplemental Facilities Lease and the
Corporation shall not have any of the remedial rights set forth in the Fourth Supplemental Facilities Lease.
Notwithstanding the foregoing, in such event the Board acknowledges that the Fourth Supplemental Facilities Lease
shall terminate and the Board shall immediately vacate the Series 2017 Facilities, and deliver the Series 2017 Facilities
to the Corporation.

An Event of Default under the Fourth Supplemental Facilities Lease will also constitute an Event of Default on the
Series 2017 Bonds pursuant to the Second Supplemental Indenture. In addition, any failure to timely pay principal, interest or
premium, if any, on the Series 2017 Bonds shall also constitute an Event of Default pursuant to the Second Supplemental
Indenture.

NON-APPROPRIATION OF FUNDS

In the event insufficient Lawfully Available Funds are appropriated in any Fiscal Year enabling the payment of Base
Rental and Additional Rental due during the next succeeding Fiscal Year, the Board will immediately notify the Corporation
and the Trustee of such occurrence. On the first day of the month following the Base Rental payment date on which the last
payment of Base Rental can be made in full from Lawfully Available Funds, the Fourth Supplemental Facilities Lease will
terminate without penalty or expense to the Board of any kind whatsoever, except as to the portions of Base Rental and
Additional Rental payments therein agreed upon for Fiscal Years for which sufficient funds shall have been lawfully
appropriated. In the event of such termination, the Board will peaceably surrender possession of the Series 2017 Facilities to
the Corporation on the date of such termination in its original condition (normal wear and tear excepted). The Corporation
will have all legal and equitable rights and remedies to take possession of the Series 2017 Facilities and re-let or sell the
Series 2017 Facilities as the Corporation determines and as granted in the Fourth Supplemental Facilities Lease. The Board
will acknowledge that the Corporation’s rights to take possession and to re-let or sell the Series 2017 Facilities under the
Fourth Supplemental Facilities Lease may be assigned to the Trustee for the benefit of the owners of the Bonds, and the
Board will agree that the Trustee will be entitled to exercise all of the rights of the Corporation under the Fourth
Supplemental Facilities Lease. The event of an inability by the Board to cause the appropriation of sufficient Lawfully
Available Funds for the payment of sums due under the Fourth Supplemental Facilities Lease will not constitute a default
thereunder, but will, ipso facto, terminate the Fourth Supplemental Facilities Lease. This provision will be operative
notwithstanding any provisions of the Fourth Supplemental Facilities Lease to the contrary. The Board will be considered in
default thereunder if sufficient funds are lawfully appropriated for the payment of Rental required under the Fourth
Supplemental Facilities Lease and the Board fails to use lawfully appropriated funds for the payment of Rental. In such
event, the Corporation will be entitled to the rights and remedies set forth in the Fourth Supplemental Facilities Lease.

22
CUMULATIVE REMEDIES

All rights and remedies provided for herein are assigned to the Trustee. Each right and remedy provided for in the Fourth Supplemental Facilities Lease is cumulative and will be in addition to every other right or remedy provided for in the Fourth Supplemental Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by the Corporation of any one or more of the rights or remedies provided for in the Fourth Supplemental Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise will not preclude the simultaneous or later exercise by the Corporation of any or all other rights or remedies provided for in the Fourth Supplemental Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise. All costs incurred by the Corporation in collecting any amounts and damages owing by the Board pursuant to the provisions of the Facilities Lease or to enforce any provision of the Fourth Supplemental Facilities Lease, including reasonable Litigation Expenses from the date any such matter is turned over to an attorney, whether or not one or more actions are commenced by the Corporation, will also be recoverable by the Corporation from the Board. The waiver by the Corporation of any breach by the Board and the waiver by the Board of any breach by the Corporation of any term, covenant, or condition of the Fourth Supplemental Facilities Lease will not operate as a waiver of any subsequent breach of the same or any other term, covenant, or condition thereof.

DEBT SERVICE COVERAGE

DEBT SERVICE COVERAGE RATIO

"Net Revenues of the Housing Facilities" means, with respect to any period, the excess of the Rents (determined on a cash basis) over Operating Expenses (before extraordinary items) of the Housing Facilities, determined in accordance with generally accepted accounting principles, and excluding: (a) any profits or losses on the sale or disposition, not in the ordinary course of business, of investments or fixed or capital assets or resulting from the early extinguishment of debt; (b) gifts, grants, bequests, donations and contributions, to the extent specifically restricted by the donor to a particular purposes inconsistent with their use for the payment of Annual Debt Service on the Parity Bonds; and (c) the net proceeds of insurance (other than business interruption insurance) and condemnation awards.

"Debt Service Coverage Ratio for the Housing Facilities" means, for any Fiscal Year, the ratio determined by the Vice-President for Administration and Finance of the University by dividing (i) the amount of Net Revenues of the Housing Facilities for such Fiscal Year by (ii) Annual Debt Service on the Parity Bonds outstanding, and on any Additional Bonds proposed to be issued for such Fiscal Year; provided, however, that for the purpose of calculating the Debt Service Coverage Ratio for the Housing Facilities to determine whether the Board may build, acquire or renovate any Additional Housing Facilities, the numerator of the fraction shall be increased by the additional anticipated revenues, if any, to be derived from the Additional Housing Facilities constructed with the proceeds resulting from the Additional Bonds.

"Debt Service Coverage Ratio for the University" means, for any Fiscal Year, the ratio determined by the Vice-President for Administration and Finance of the University by dividing (i) the amount of Lawfully Available Funds for such Fiscal Year by (ii) Annual Debt Service on the Parity Bonds outstanding, and on any Additional Bonds proposed to be issued for such Fiscal Year.

*The Series 2007 Bonds are payable from the University’s Student Parking Fees (as defined in the First Supplemental Facilities Lease) and Auxiliary Revenues, which are a component of Lawfully Available Funds. As described above, the Parity Bonds, including the Series 2017 Bonds, are payable from Lawfully Available Funds and are not secured by the same primary source of revenues as the Series 2007 Bonds. The Parity Bonds and the Series 2007 Bonds are secured equally by Auxiliary Revenues; however, the University has historically utilized Student Parking Fees as the sole source of payment for the Series 2007 Bonds and has not been reliant upon Auxiliary Revenues to pay the Series 2007 Bonds. Accordingly, debt service coverage calculations related to the Parity Bonds do not include Student Parking Fees or debt service on the Series 2007 Bonds. See “APPENDIX A – DEBT MANAGEMENT” for a historical calculation of debt service coverage for the Series 2007 Bonds based solely on Student Parking Fees.

**The decline in auxiliary revenues and expenses is due to Southeastern’s decision to outsource textbook rentals. This decision will ensure the continued viability and sustainability of the program as well as provide the lowest possible cost to its students.**

SERIES 2017 BOND PROCEEDS FUND

The Series 2017 Bond Proceeds Fund will be used to receive the proceeds of the Series 2017 Bonds. Monies in the Series 2017 Bond Proceeds Fund will be used to (i) pay costs of issuance on the Series 2017 Bonds, (ii) fund the Series 2017 Project Fund, and (iii) fund the Series 2017 Capitalized Interest Fund.

SERIES 2017 PROJECT FUND

SERIES 2017 CAPITALIZED INTEREST FUND

A portion of the proceeds of the Series 2017 Bonds will be transferred from the Series 2017 Bond Proceeds Fund into the Series 2017 Capitalized Interest Fund and used to pay a portion of interest due on the Series 2017 Bonds for approximately eighteen months. This money shall be transferred by the Trustee as necessary for deposit into the Series 2017 Debt Service Fund to be used to pay a portion of the initial interest on the Series 2017 Bonds.

SERIES 2017 DEBT SERVICE FUND

The Series 2017 Debt Service Fund will be funded from (i) the transfer of a portion of the Series 2017 Bond proceeds from Series 2017 Capitalized Interest Fund and (ii) the transfer of a portion of monies collected in the Receipts Fund. The Series 2017 Debt Service Fund will be applied as follows:

(a) Moneys on deposit in the Interest Account of the Series 2017 Debt Service Fund shall be used solely to pay the interest on the Series 2017 Bonds as it becomes due and payable, whether on an Interest Payment Date, at maturity, or upon acceleration.

(b) Moneys on deposit in the Principal Account of the Series 2017 Debt Service Fund shall be used solely to pay the principal of the Series 2017 Bonds as it becomes due and payable, whether at maturity, prior redemption, or upon scheduled sinking fund redemption; and, if funds are available for such purpose and at the written direction of the Authority, to effect the redemption of the Series 2017 Bonds prior to their maturity in accordance with the redemption provisions of the Second Supplemental Indenture or the purchase of Series 2017 Bonds prior to their maturity in the open market at a price not in excess of the then applicable redemption price (the principal amount thereof, premium, if any, plus accrued interest).

(c) Whenever and to the extent that money on deposit in the Interest Account or the Principal Account is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2017 Bonds, the Trustee shall transfer money to the Series 2017 Debt Service Fund from the Surplus Fund, the Replacement Fund, and the Series 2017 Debt Service Reserve Fund, in that order.

SERIES 2017 DEBT SERVICE RESERVE FUND

The Series 2017 Debt Service Reserve Fund is required to be funded at a level sufficient to maintain the Series 2017 Debt Service Reserve Requirement, which will initially be met by the issuance of the Reserve Policy by Assured Guaranty Municipal Corp. on the date of issuance of the Series 2017 Bonds. In the event that monies in the Series 2017 Debt Service Fund are insufficient to pay the scheduled principal and interest on the Series 2017 Bonds, the Trustee may make a claim for payment under the Reserve Policy and use the proceeds of such claim to pay principal and interest on the Series 2017 Bonds. See “RESERVE FUND INSURANCE POLICY” herein for a description of provisions governing the use and replenishment of the Series 2017 Debt Service Reserve Fund and the Reserve Policy.
SERIES 2017 REBATE FUND

The Series 2017 Rebate Fund will be used to receive transfers from the Receipts Fund as required to make rebate payments owed to the United States under the Code. The Series 2017 Rebate Fund is not part of the Trust Estate and is not a source of repayment for the Series 2017 Bonds.

**REPLACEMENT FUND**

The Board has, among its other powers and duties, the budgetary responsibility for all public post-secondary education in the University of Louisiana System. The policies of the Board and the Louisiana Board of Regents (the "Board of Regents") require that the Corporation fund a Replacement Fund in an amount equal to the Replacement Fund Annual Funding Requirements to (i) replace any worn out, obsolete, inadequate, unsuitable or undesirable property, furniture, equipment, fixtures and other property owned by the Board or the Corporation and located on the Series 2017 Facilities; and (ii) maintain the Series 2017 Facilities and to make all alterations, repairs, restorations and replacements to the Series 2017 Facilities as and when needed to preserve the Series 2017 Facilities in good working order, condition and repair, each as required by the Fourth Supplemental Facilities Lease. Moneys in the Replacement Fund shall also be used by the Trustee at the written direction of an Authorized Corporation Representative (with the consent of the Board) to pay debt service on the Series 2017 Bonds in the event there are insufficient moneys in the Series 2017 Debt Service Fund and the Series 2017 Debt Service Reserve Fund therefor on the date such principal, premium and/or interest is due.

The Trustee shall, in accordance with the Second Supplemental Indenture, deposit an amount equal to one and one half of one percent (1.5%) of the hard construction costs of the Series 2017 Facilities (not including professional services and fees) (the "Replacement Fund Annual Funding Requirement") into the Replacement Fund, beginning on August 1 of the first full Fiscal Year of operation of the Series 2017 Facilities and annually on each August 1 thereafter. Alternatively, this requirement shall be deemed to have been satisfied and no annual deposits shall be required under the Indenture if the Board shall cause to be deposited with the Trustee a one-time deposit to the Replacement Fund in an amount equal to ten percent (10%) of the hard construction costs of the Series 2017 Facilities (not including professional services and fees) on August 1 of the first full Fiscal Year of operation of the Series 2017 Facilities. The amounts required to be deposited to the Replacement Fund may be reduced with the approval of the staff of the Board of Regents of the State of Louisiana and the Board.

In the event moneys in the Series 2017 Debt Service Fund are insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2017 Bonds, the Trustee shall transfer money to the Series 2017 Debt Service Fund from the Surplus Fund, the Replacement Fund, and the Series 2017 Debt Service Reserve Fund, in that order.
SURPLUS FUND

The Surplus Fund will continue to be maintained with the Trustee. Upon satisfaction of certain performance covenants contained in the Indenture, funds on deposit in the Surplus Fund at the end of any Fiscal Year will be transferred to the University. Until such transfer, moneys in the Surplus Fund will be available to be transferred to the debt service funds for the Parity Bonds whenever and to the extent that money on deposit in such funds is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Parity Bonds.

In the event monies in the Series 2017 Debt Service Fund are insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2017 Bonds, the Trustee may transfer money to the Series 2017 Debt Service Fund from the Surplus Fund, the Replacement Fund, and the Series 2017 Debt Service Reserve Fund, in that order.

REDEMPTION PROVISIONS

OPTIONAL REDEMPTION

The Series 2017 Bonds maturing August 1, 2028 and thereafter, will be subject to redemption prior to maturity, at the option of the Corporation, upon written direction to the Authority, on or after August 1, 2027 as a whole at any time or in part on any Interest Payment Date, the maturity of said Series 2017 Bonds to be redeemed to be designated by the Corporation and selected within a maturity by the Trustee in such manner as the Trustee may determine, and at the redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date.

EXTRAORDINARY REDEMPTION

The Series 2017 Bonds will be redeemed as a whole or in part on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds, condemnation award or payment in lieu of condemnation with respect to the Series 2017 Facilities will not be applied to the restoration, repair or reconstruction of the Series 2017 Facilities, at a price equal to the principal amount of the Series 2017 Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, in an aggregate principal amount equal to the amount of such insurance proceeds, condemnation award or payment in lieu of condemnation not used for restoration, repair or reconstruction. If in part, the Series 2017 Bonds to be redeemed will be in the inverse order of their maturity and selected within a maturity by the Trustee in such manner as the Trustee may determine. If the amount of any insurance proceeds, condemnation award or payment in lieu of condemnation to be applied in redemption of the Series 2017 Bonds is not an integral multiple of $5,000, the principal amount of Series 2017 Bonds to be redeemed will be decreased to the next lower multiple of $5,000.

**PARTIAL REDEMPTION**

Unless otherwise specified above, if fewer than all of the Series 2017 Bonds are called for redemption, the Series 2017 Bonds to be redeemed will be in inverse order of their maturity, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Series 2017 Bond to be redeemed will be in an integral multiple at $5,000. If a portion of any Series 2017 Bond is called for redemption, a new Series 2017 Bond in a principal amount equal to the unredeemed portion thereof will be issued to the registered owner upon the surrender thereof.

**NOTICE OF REDEMPTION**

At least thirty (30) days before the redemption date of any Series 2017 Bonds (other than by Mandatory Sinking Fund Redemption), the Trustee will cause a notice of any such redemption, signed by an authorized officer of the Trustee, to be mailed, postage prepaid to all Bondholders of record owning Series 2017 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register but any defect in mailing of any such notice will not affect the validity of the proceedings for such redemption. Each notice will set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2017 Bonds then outstanding shall be called for redemption, the numbers of such Series 2017 Bonds to be redeemed and, in the case of Series 2017 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2017 Bond is to be redeemed in part only, the notice of redemption will also state that on and after the redemption date, upon surrender of such Series 2017 Bond, a new Series 2017 Bond in principal amount equal to the unredeemed portion of such Series 2017 Bond will be issued.

On the date so designated for redemption, notice having been given in the manner and under the conditions hereinabove provided and money for payment of the redemption price being held in the Series 2017 Debt Service Fund in trust for the owners of the Series 2017 Bonds or portions thereof to be redeemed to the extent provided in the next paragraph, the Series 2017 Bonds so called for redemption will become due and payable at the redemption price provided for redemption of such Series 2017 Bonds or portions of Series 2017 Bonds on such date, interest on the Series 2017 Bonds or portions of Series 2017 Bonds called for redemption will cease to accrue, such Series 2017 Bonds or portions of Series 2017 Bonds will cease to be entitled to any benefit or security under the Indenture, and the owners of such Series 2017 Bonds or portions of Series 2017 Bonds will not have rights in respect thereof except to receive payment of the redemption price, and, in the case of a partial redemption, to receive Series 2017 Bonds for any unredeemed portion of Series 2017 Bonds.

In case part, but not all, of an Outstanding Series 2017 Bond shall be selected for redemption, the registered owner thereof or his legal representative shall present and surrender such Series 2017 Bond to the Trustee for payment of the principal amount thereof so called for redemption, and the Trustee will authenticate and deliver to or upon the order of such registered owner or his legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Series 2017 Bond so surrendered, a new Series 2017 Bond.

Series 2017 Bonds and portions of Series 2017 Bonds that have been duly called for redemption under the provisions of the Indenture, or with respect to which irrevocable instructions to call for redemption have been given to the Trustee in form satisfactory to it, and for the payment of the redemption price for which moneys, or Defeasance Obligations, will be held by the Trustee in a segregated account in trust for the owners of the Series 2017 Bonds or portions thereof to be
redeemed, will not thereafter be deemed to be outstanding under the provisions of the Indenture and will cease to be entitled to any security or benefit under the Indenture other than the right to receive payment from such moneys.

BOOK-ENTRY ONLY SYSTEM

The Series 2017 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2017 Bond will be delivered for the Series 2017 Bonds in the aggregate principal amount of such issue, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of "AA+". The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2017 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2017 Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2017 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive bonds representing their ownership interests in Series 2017 Bonds, except in the event that use of the book-entry system for the Series 2017 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2017 Bonds deposited by the Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2017 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2017 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2017 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all the Series 2017 Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2017 Bonds unless authorized by a Direct Participant in accordance with DTC's procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Trustee as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2017 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Series 2017 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Trustee, on each payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, nor its nominee, the Trustee or the Authority, subject
to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC is the responsibility of the Trustee; disbursement of such payments to the Direct Participants shall be the responsibility of DTC; and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2017 Bonds at any time by giving reasonable notice to the Trustee. Under such circumstances, in the event that a successor depository is not named, Series 2017 Bonds are required to be printed and delivered.

The Authority may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor Series 2017 Bonds depository). In that event, Series 2017 Bonds will be printed and delivered to DTC.

THE ISSUER, THE BOARD, THE CORPORATION, THE TRUSTEE AND THE UNDERWRITERS CANNOT AND DO NOT GIVE ANY ASSURANCES THAT THE DIRECT PARTICIPANTS OR THE INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE SERIES 2017 BONDS, (i) PAYMENTS OF PRINCIPAL OR INTEREST ON THE SERIES 2017 BONDS, (ii) CERTIFICATES REPRESENTING AN OWNERSHIP INTEREST OR OTHER CONFIRMATION OF BENEFICIAL OWNERSHIP INTERESTS IN THE SERIES 2017 BONDS, OR (iii) REDEMPTION OR OTHER NOTICES SENT TO DTC OR Cede & Co., its nominee, as the registered owners of the Series 2017 Bonds, or that they will do so on a timely basis or that DTC or direct participants or indirect participants will serve and act in the manner described in this official statement. The current "rules" applicable to DTC are on file with the Securities and Exchange Commission and the current "procedures" of DTC to be followed in dealing with DTC participants are on file with DTC.

NEITHER THE ISSUER, THE BOARD, THE CORPORATION, THE TRUSTEE OR THE UNDERWRITERS WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO SUCH DTC PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO: (1) THE SERIES 2017 BONDS; (2) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (3) THE PAYMENT BY ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT OF OR INTEREST ON THE SERIES 2017 BONDS; (4) THE DELIVERY BY ANY DTC PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE INDENTURE TO BE GIVEN TO HOLDERS OF THE SERIES 2017 BONDS; (5) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2017 BONDS; OR (6) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS HOLDER OF THE SERIES 2017 BONDS.

In reading this Official Statement, it should be understood that while the Series 2017 Bonds are in the book-entry only system, references in other sections of this Official Statement to Registered Owners should be read to include the person for which the Participant acquires an interest in the Series 2017 Bonds, but (i) all rights of ownership must be exercised through DTC and the book-entry only system, and (ii) except as described above, notices that are to be given to Registered Owners under the Indenture will be given only to DTC.

("KBRA") and "A2" (stable outlook) by Moody's Investors Service, Inc. ("Moody's"). Each rating of AGM should be evaluated independently.
An explanation of the significance of the above ratings may be obtained from the applicable rating agency. The above ratings are not recommendations to buy, sell or hold any security, and such ratings are subject to revision or withdrawal at any time by the rating agencies, including withdrawal initiated at the request of AGM in its sole discretion. In addition, the rating agencies may at any time change AGM’s long-term rating outlooks or place such ratings on a watch list for possible downgrade in the near term. Any downward revision or withdrawal of any of the above ratings, the assignment of a negative outlook to such ratings or the placement of such ratings on a negative watch list may have an adverse effect on the market price of any security guaranteed by AGM. AGM only guarantees scheduled principal and scheduled interest payments payable by the issuer of bonds insured by AGM on the date(s) when such amounts were initially scheduled to become due and payable (subject to and in accordance with the terms of the relevant insurance policy), and does not guarantee the market price or liquidity of the securities it insures, nor does it guarantee that the ratings on such securities will not be revised or withdrawn.

RESERVE FUND INSURANCE POLICY

GENERAL

The Second Supplemental Indenture establishes a debt service reserve fund (the "Series 2017 Debt Service Reserve Fund") for the benefit of the Series 2017 Bonds. The Series 2017 Debt Service Reserve Fund is required to be funded at a level sufficient to maintain the Series 2017 Debt Service Reserve Requirement. "Series 2017 Debt Service Reserve Requirement" means an amount equal to the lesser of: (i) 100% of the maximum annual debt service on the Series 2017 Bonds, (ii) 10% of the aggregate proceeds of the Series 2017 Bonds, or (iii) 125% of the aggregate average annual debt service on the Series 2017 Bonds.

The Second Supplemental Indenture authorizes the Authority to satisfy the Series 2017 Debt Service Reserve Fund Requirement by obtaining a surety bond in place of fully funding the Series 2017 Debt Service Reserve Fund. On the date of issuance of the Series 2017 Bonds, Assured Guaranty Municipal Corp. ("AGM") will issue a debt service reserve policy for the Series 2017 Bonds (the "Reserve Policy") in the amount of the Series 2017 Debt Service Reserve Fund Requirement. The premium for the Reserve Policy will be fully paid at or prior to the issuance and delivery of the Series 2017 Bonds. Additional information on AGM can be found under "BOND INSURANCE POLICY" herein.

WITHDRAWALS OF FUNDS FROM RESERVE FUND

Under the Second Supplemental Indenture, the Trustee is required to ascertain the necessity for a claim upon the Reserve Policy in accordance with the provisions of the Second Supplemental Indenture and provide notice to the Bond Insurer in accordance with the terms of the Reserve Policy at least three (3) Business Days prior to each date upon which interest or principal is due on the Series 2017 Bonds.

REIMBURSEMENT

Repayment of draws under the Reserve Policy and payment of expenses and accrued interest thereon at the Late Payment Rate (collectively, "Policy Costs") is required to commence in the first month following each draw, and each monthly payment is required to be in an amount at least equal to 1/12th of the aggregate of Policy Costs related to such draw.

BONDHOLDER RISKS

Purchasers of the Series 2017 Bonds are advised of certain risk factors with respect to the Corporation, the Board and the University. This discussion of risk factors is not, and is not intended to be, exhaustive, and should be read in conjunction with APPENDIX A and APPENDIX B hereto.

THE BOARD AND THE UNIVERSITY

There are a number of factors affecting institutions of higher education in general, including the University, that could have an adverse effect on the Board’s financial position and its ability to make the payments of Base Rental required under the Facilities Lease. These factors include the rising costs of providing higher education services; the expected decline in the number of college-age persons in the country generally; the failure to maintain or increase in the future the funds obtained by the Board from other sources, including gifts and contributions from donors, grants or appropriations from governmental bodies and income from investment of endowment funds; adverse results from the investment of endowment funds; increasing costs of compliance with federal or State regulatory laws or regulations, including, without limitation, laws or regulations concerning environmental quality, work safety and accommodating the handicapped; and legislation or regulations which may affect student aid and other program funding. The Board cannot assess or predict the ultimate effect of these factors on its operations or financial results of operations, including its ability to generate lawfully available funds sufficient to enable it to make the required payments under the Facilities Lease.

STATE APPROPRIATIONS TO THE UNIVERSITY

Although the Rental Payments paid by the Board pursuant to the Facilities Lease will be paid from Lawfully Available Funds and not from funds appropriated by the State to the Board, on behalf of the University, State appropriations are a significant source of funding for the University. Various factors outside the control of the Board and the University may materially alter the funding levels from the State and the timing of the Board’s receipt of funds appropriated by the State. In addition, the State Legislature could change the process by which it makes appropriations to the Board, for the benefit of the University. Any significant changes in the level of State appropriations or to the timing or procedures pursuant to which State appropriations are paid to the Board, for the benefit of the university, could materially alter the University’s finances.

Due to numerous financial factors, the State’s total revenues declined by $1.75 billion or 6% between the fiscal years 2009 to fiscal year 2016. During this time, the State attempted to balance its budget primarily through cuts in expenditures and through the use of one time surplus funds. In this period, the State reduced the amount of general fund appropriations to the University by $46.7 million or 62%. Over the same period, tuition, fees and other self-generated revenue were increased by $39.4 million, which mitigated the reductions in State general fund appropriations. State funding now comprises 25% of the University’s total operating budget, while tuition, fees and self-generated revenues now comprise 75% of the University’s total operating budget.

For the current fiscal year 2017, the State was faced with a projected shortfall of approximately $2 billion or 8% of its total revenues. During the regular legislative session and two special sessions, the Legislature and the Governor approved revenue raising measures projected to generate an additional $2.9 billion in fiscal year 2017, as well as additional spending cuts. In 2017, overall funding to Louisiana public higher education was at approximately the same level as the previous State fiscal year; however, the University experienced a decrease in state support of approximately $1.4 million from $30.9 million to $29.5 million. Given the reduction; however, the University’s beginning operating budget remained relatively flat, totaling $115.8 million in fiscal year 2017 compared to $115.7 million in fiscal year 2016. The reduction in state support was offset by an increase in tuition and fees, increasing self-generated revenues to the University.

The State anticipates that it will continue to experience budget pressure over the near term future. Neither the Board nor the University are able to make any prediction or representations regarding the future status of the State budget or the level of future State appropriations to the University. Although State general fund appropriations now constitute a much lower percentage of the University’s operating budget than in the past, State appropriations remain essential to the University’s continued operation.

The Rental Payments payable by the Board under the Facilities Lease are payable solely from Lawfully Available Funds as provided herein. Lawfully Available Funds do not include funds appropriated to the University by the Legislature of the State from time to time. The Board is not legally committed, obligated or required to make available any other funds to make the Rental Payments.

BUDGET PROCESS

The Rental Payments made by the Board under the Facilities Lease must be appropriated by the Board each year through the approval by the Board of the University’s budget. Although the Assistant Vice President for Finance and Controller of the University will cause the University to include in the Budget an amount sufficient to make the Rental Payments under the Facilities Lease, there is no guarantee that the Board will approve such Budget. In the event the Board
fails to budget the Rental Payments, the Trustee, on behalf of the Corporation, may terminate the Fourth Supplemental Facilities Lease and re-let the Series 2017 Facilities in accordance with the Permitted Use (as defined in the Fourth Supplemental Facilities Lease).

The State is not, at any time whatsoever, obligated, committed or required to provide funds by legislative appropriation or any other means to pay debt service on the Parity Bonds, to pay Base Rental or Additional Rental, or to support the continued operation and maintenance of the Series 2017 Facilities.

**CHANGES TO THE TAYLOR OPPORTUNITY PROGRAM FOR STUDENTS**

The State’s Taylor Opportunity Program for Students (TOPS) is a program of state funded scholarships for Louisiana resident students who attend one of the State’s public or private universities. A merit based scholarship, TOPS is given to any eligible Louisiana student who meets the program minimum requirements. For eligible students, the award has historically covered the basic tuition cost at a Louisiana public university. Approximately 35% of students at the University are recipients of a TOPS scholarship. As a result, it is a significant resource for students, with more than $22.2 million in undergraduate tuition revenues funded by this program in the 2015-2016 fiscal year.

For the current fiscal year ending 2017, the State Legislature reduced funding for TOPS aid to public higher education by approximately 30%. For fiscal year ending 2018, the Governor’s executive budget proposes funding for TOPS aid at the same level as the funding that was made available for fiscal year ending 2017. The University is proactively informing students and families about potential financial options for meeting funding gaps in student budgets. This effective tuition increase on TOPS scholarship students may adversely impact enrollment and thereby student demand for the Series 2017 Facilities. At this time, the University cannot predict the ultimate effect of the scholarship funding reduction on the University enrollment or the financial results of its operations.

**SELECTIVE ADMISSIONS STANDARDS**

Prior to the Fall 2000 semester, the University maintained an open admissions standard, whereby persons with high school diplomas or their equivalent could enroll as a new student at the University regardless of grade point average or college entrance exam scores. Beginning the Fall 2000 semester, the University implemented selective admissions standards, whereby students may, with certain exceptions, enroll at the University only if they achieve certain standards to include grade point averages and college entrance exams. Following implementation of the selective admissions standards, enrollment at the University dropped slightly and, although enrollment is currently reaching levels maintained prior to the implementation of the selective admissions standards, no assurance can be given that current enrollment levels will be maintained. However, admissions standards were raised again in 2004 and 2005 and additional admissions standards were implemented in 2010 and 2012 with little to no impact on overall enrollment. In 2014, admissions requirements were again adjusted to exclude all developmental requirements. As a result of this action, even though the overall enrollment decreased slightly, the University experienced increases in retention and in the number of students in good standing. Enrollment has remained stable, as the University has consistently enrolled nearly 15,000 students since 2008.

**APPROVAL FOR FEES AND CIVIL FINES**

Constitutional Article VII, Section 2.1. Article VII, §2.1 of the Constitution of the State of Louisiana of 1974, as amended (the “Louisiana Constitution”), requires that any new fee or civil fine or increase in an existing fee or civil fine imposed or assessed by the State or any board, department or agency of the State shall require the enactment of a law by a two-thirds vote of the elected members of each house of the Louisiana Legislature. It is unclear whether this constitutional provision should be applied to any fees, rates and charges for the use of the Auxiliary Facilities of the University and the services provided thereby or any increases thereof which form part of the Auxiliary Revenues. On October 9, 1996, the Louisiana Attorney General issued Opinion Number 96-353, which opined that, for purposes of Article VII, §2.1 of the Louisiana Constitution, the word “fee” does not include charges for auxiliary and self-generated operations of Louisiana State University Agricultural and Mechanical College (“LSU”), such as for food services, book store merchandise, medical or veterinary services, student housing and admittance to extracurricular events. This opinion was based on the rationale that the term “fee” as used in Article VII, §2.1 of the Louisiana Constitution should be restricted to only those charges assessed by a governmental entity for the purpose of defraying the costs of providing a governmental service or the costs of regulating a particular area. Therefore, according to the opinion, charges assessed by the University for the provision of higher education would be considered fees, but charges which are for services or products which are not directly a part of the delivery of an education are not considered fees. Opinions of the Louisiana Attorney General are advisory only, and are not binding in any court of law.

In litigation brought by an LSU student against the Board of Supervisors of Louisiana State University Agricultural and Mechanical College (the “LSU Board”) (civil action filed on October 16, 2003 captioned Donald C. Hodge, Jr. vs. Board of Supervisors of Louisiana State University Agricultural and Mechanical College, Number 512,930, Section “D”) which sought to enjoin the LSU Board from implementing a football ticket pricing policy as a violation of Article VII, §2.1 of the Louisiana Constitution, the 19th Judicial District Court (the “Trial Court”) ruled that the LSU Board’s adoption of a new
general pricing policy for home football games did not constitute implementation or assessment of a fee under Article VII, §2.1 of the Louisiana Constitution that would require approval by a vote of two-thirds of each house of the Louisiana Legislature. The Trial Court decision was appealed by Hodge to the Louisiana First Circuit Court of Appeal (the “Appellate Court”). In affirming the Trial Court’s decision, the Appellate Court, as did the Trial Court, agreed with the reasoning of the Louisiana Attorney General that the Louisiana Legislature has evidenced no intent to have oversight over “fees” with respect to LSU, other than those fees directly connected with LSU’s principal governmental function of providing higher education to the citizens of the State.

The Trial Court ruled on the Hodge action on November 18, 2003 and the Appellate Court rendered its affirming decision on December 23, 2003. The Louisiana Supreme Court denied writs on March 11, 2004. While the Hodge action does not directly address the Auxiliary Revenues of the University, the above described reasoning of the Louisiana Attorney General was followed by the courts in this first judicial interpretation of Article VII, §2.1 of the Louisiana Constitution.

There can be no assurance, absent favorable judicial interpretation specifically as to the Auxiliary Revenues, from which a portion of the Base Rental is payable, that Article VII, §2.1 of the Louisiana Constitution does not apply to the student fees which constitute a portion of the Auxiliary Revenues. In the event this constitutional provision does apply, neither the Board nor the University could increase the student fees or impose a new student fees without a two-thirds favorable vote of each house of the Louisiana Legislature.

**LITIGATION**

While there may be lawsuits pending involving either the University or the Board, it is not possible to confer with every attorney handling such matters. Furthermore, it would be impossible to predict the outcome of all such cases. However, to the extent that there are adverse judgments in excess of the Board’s insurance policy limits, such judgment may be satisfied only through appropriation by the Louisiana Legislature because Board assets are not available to satisfy such judgments. See “**Difficulties in Enforcing Rights and Remedies**” below.

**DIFFICULTIES IN ENFORCING RIGHTS AND REMEDIES**

The remedies available to the Trustee or the owners of the Series 2017 Bonds upon an event of default under the Second Supplemental Indenture or the Fourth Supplemental Facilities Lease are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code (the federal bankruptcy code), the rights and remedies provided in the Second Supplemental Indenture and any other agreement with respect to the Series 2017 Bonds or in the Fourth Supplemental Facilities Lease, and the rights and remedies of any party seeking to enforce the pledge of Lawfully Available Funds may not be readily available or may be limited. The State Constitution provides that no judgment against the State, a state agency, or a political subdivision may be enforced by the seizure and sale of property of the Board but shall be eligible, payable, or paid only from funds appropriated therefor by the State Legislature or by the political subdivision against which judgment is rendered.

The various legal opinions delivered concurrently with the delivery of the Series 2017 Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by general principles of equity and by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and the provisions of State law regarding enforceability of judgments against public entities. The exceptions would encompass any exercise of federal, State or local police powers (including the police powers of the University and the State) in a manner consistent with public health and welfare, and the applicability of Article VII, § 2.1 of the Constitution to the imposition or increase in charges imposed by the University. Enforceability of the Second Supplemental Indenture and the Fourth Supplemental Facilities Lease, and availability of remedies to a party seeking to enforce the payment of the Lawfully Available Funds where such enforcement or availability may adversely affect public health and welfare, may be subject to these police powers.

**COMPETITION**

Competition from other higher education facilities located within and outside the State, both public and private, may offer comparable educational opportunities at competitive pricing levels. The cost of tuition at the University is competitive with other higher education institutions within the State, however, no assurance can be given that current enrollment levels will be maintained and that the Board will be able to generate Lawfully Available Funds sufficient to enable it to make required payments under the Facilities Lease.

**SPECIAL NATURE OF THE FACILITIES**

All Housing Facilities have been constructed to serve as student housing facilities and are located on the campus of the University. If it were necessary to sell the Corporation's interest in the Ground Lease pursuant to the Mortgage upon an Event of Default, the special use nature of the Facilities and the fact that the interest to be sold is in the nature of a leasehold interest and subject to the terms of the Ground Lease may curtail the purchase price that could be obtained, and the net
proceeds received may be less than the principal amount of the Parity Bonds. For all practical purposes, payment of the Parity Bonds is dependent upon the continued occupancy and operation of the Housing Facilities.

CONSTRUCTION AND COMPLETION RISKS

The proceeds of the Series 2017 Bonds will be used to demolish existing housing facilities and design, develop, construct, furnish and equip new on-campus student housing facilities (See "THE FACILITIES – The Series 2017 Facilities") herein. Certain risks are inherent in construction projects. These risks include: unavailability of materials, labor and supplies, calamities, natural disasters, strikes and other risks typically associated with construction which may delay completion of the improvements and/or increase costs.

While the Corporation is entering into a fixed price contract with the development team, no assurance can be given; however, that the costs of the Series 2017 Facilities will not exceed the estimated development budget. Change orders and other contingencies generally involved in the construction of any facility, such as fire, delays, labor difficulties and difficulties in obtaining materials, may cause the actual cost of completion to exceed available funds. Pursuant to the Fourth Supplemental Facilities Lease, the Board is obligated to commence making payments of Rental accruing from the dated date of the Fourth Supplemental Facilities Lease, at the times and in the amounts necessary to pay debt service on the Series 2017 Bonds, notwithstanding the fact that final completion of the Series 2017 Facilities has not occurred.

TAX-EXEMPT STATUS OF THE SERIES 2017 BONDS

The excludability from gross income for federal income taxation purposes of the interest on the Series 2017 Bonds is based on the continuing compliance by the Corporation and the Board with certain covenants contained in the Second Supplemental Indenture and the Tax Agreement. These covenants relate generally to restrictions on the use of the facilities financed with the proceeds of the Series 2017 Bonds, arbitrage limitations, and rebate of certain excess investment earnings, if any, to the federal government. Failure to comply with such covenants could cause interest on the Series 2017 Bonds to become subject to federal income taxation retroactively to the date of issuance on the Series 2017 Bonds.

Additionally, from time to time there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to herein or adversely affect the market value of the Series 2017 Bonds. See "TAX EXEMPTION – Changes in Federal and State Tax Law" herein.

CONSEQUENCES OF CHANGES IN THE CORPORATION'S TAX STATUS

The Corporation has obtained a determination letter from the Internal Revenue Service stating that it will be treated as an exempt organization as described in §501(c)(3) of the Code and can reasonably be expected to not be classified as a "private foundation." In order to maintain its exempt status and to not be considered a private foundation, the Corporation will be subject to a number of requirements affecting its operation. The possible modification or repeal of certain existing federal income tax laws, the change of Internal Revenue Service policies or positions, the change of the Corporation’s method of operations, purposes or character or other factors could result in loss by the Corporation of its tax-exempt status.

The Corporation will covenant to cause to remain eligible for such tax-exempt status and to avoid operating the Series 2017 Facilities as an unrelated trade or business (as determined by applying §512(a) of the Code). Failure of the Series 2017 Facilities to remain so qualified or of the Corporation so to operate the Series 2017 Facilities could affect the funds available to the Corporation for payments under the Second Supplemental Loan Agreement by subjecting the Corporation to federal income taxation and could result in the loss of the excludability of interest on the Series 2017 Bonds from gross income for purposes of federal income taxation. See "Effect of Determination of Taxability" below.

EFFECT OF DETERMINATION OF TAXABILITY

The Corporation will covenant not to take any action that would cause the Series 2017 Bonds to be arbitrage bonds or that would otherwise adversely affect the federal income tax status of interest in the Series 2017 Bonds. The Corporation will also make representations with respect to certain matters within their knowledge that have been relied on by Bond Counsel and that Bond Counsel has not independently verified. Failure to comply with such covenants could cause interest on the Series 2017 Bonds to become subject to federal income taxation retroactively from their date of issuance.

It is possible that a period of time may elapse between the occurrence of the event that causes interest to become taxable and the determination that such an event has occurred. In such a case, interest previously paid on the Series 2017 Bonds could become retroactively taxable from the date of their issuance. Additionally, certain owners of Series 2017 Bonds are subject to possible adverse tax consequences. See "TAX EXEMPTION" herein.
SECONDARY MARKET

There is no guarantee that a secondary trading market will develop for the Series 2017 Bonds. Consequently, prospective Series 2017 Bond purchasers should be prepared to hold their Series 2017 Bonds to maturity or prior redemption. Subject to applicable securities laws and prevailing market conditions, the Underwriters intend, but are not obligated, to make a market in the Series 2017 Bonds.

FAILURE TO PROVIDE CONTINUING DISCLOSURE

The Board will enter into an Undertaking pursuant to the Rule (as such terms are defined herein). Failure to comply with the Undertaking and the Rule may adversely affect the transferability and liquidity of the Series 2017 Bonds and their market price. See "CONTINUING DISCLOSURE" herein.

BOOK-ENTRY

Persons who purchase Series 2017 Bonds through DTC participants become creditors of the DTC Participant with respect to the Series 2017 Bonds. Records of the investors' holdings are maintained only by the DTC Participant and the investor. In the event of the insolvency of the DTC Participant, the investor would be required to look to the DTC Participant's estate and to any insurance maintained by the DTC Participant, to make good the investor's loss. Neither the Authority, the Corporation, the Board, the University, the Trustee, nor the Underwriters are responsible for failures to act by, or insolvencies of, the Securities Depository or any DTC Participant. See "BOOK-ENTRY ONLY SYSTEM" herein.

LEGAL MATTERS

The Series 2017 Bonds are offered when, as and if issued, subject to approval of legality by Jones Walker LLP, Baton Rouge, Louisiana, Bond Counsel. Certain legal matters will be passed upon by Mahtook & La Fleur, LLC, Lafayette, Louisiana, counsel to the Underwriters, The Becknell Law Firm, APC, Metairie, Louisiana, counsel to the Authority, DeCuir, Clark & Adams, LLP, Baton Rouge, Louisiana, counsel to the Board, and Jones Fussell, LLP, Covington, Louisiana, counsel to the Corporation.

TAX EXEMPTION

GENERAL

In the opinion of Jones Walker LLP, Baton Rouge, Louisiana, Bond Counsel, subject to the discussion below, interest on the Series 2017 Bonds (and original issue discount treated as interest (see discussion below)) is excludable from gross income for federal income tax purposes under existing statutes, regulations, published rulings and judicial decisions. Except as hereinafter described under the section labeled "Alternative Minimum Tax Considerations", interest on the Series 2017 Bonds (and original issue discount treated as interest) will not be an item of tax preference for purposes of the federal alternative minimum tax on individuals and corporations.

The Code imposes a number of requirements that must be satisfied for interest on state and local obligations to be excludable from gross income for federal income tax purposes. These requirements include limitations on the use of bond proceeds and the source of repayment of bonds, limitations on the investment of bond proceeds prior to expenditure, a requirement that excess arbitrage earned on the investment of certain bond proceeds be paid periodically to the United States government, except under certain circumstances, and a requirement that information reports be filed with the Internal Revenue Service. In rendering the foregoing opinions, Bond Counsel will assume continuing compliance by the Authority and the Corporation with the provisions of the Second Supplemental Indenture and the Second Supplemental Loan Agreement subsequent to the issuance of the Series 2017 Bonds which affect the exclusion from gross income of all amounts treated as interest on the Series 2017 Bonds. In addition, Bond Counsel will rely upon certain representations and certifications of the Corporation made in certificates dated the date of initial delivery of the Series 2017 Bonds pertaining to the use, expenditure and investment of the proceeds of the Series 2017 Bonds. These representations relate to matters that are solely within the knowledge of the Corporation, which Bond Counsel has not verified. The Indenture and the Loan Agreement contain certain covenants by the Authority and the Corporation with respect to, among other matters, the above requirements. Failure of the Corporation to comply with any of the covenants may result in interest on the Series 2017 Bonds being included in the gross income of the owners thereof from the date of issue of the Series 2017 Bonds.

Prospective purchasers of the Series 2017 Bonds should be aware that ownership of tax-exempt obligations may result in collateral federal income tax consequences to financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations. In addition, certain foreign corporations doing business in the United States may be subject to the "branch profits tax" on their effectively connected earnings and profits including tax-
exempt interest such as interest on the Series 2017 Bonds. These categories of prospective purchasers should consult their own tax advisors as to the applicability of these consequences.

**ALTERNATIVE MINIMUM TAX CONSIDERATION**

As stated above, interest on the Series 2017 Bonds will not be an item of tax preference for purposes of computing the federal alternative minimum tax on individuals and corporations. The Code, however, imposes a 20% alternative minimum tax on the “alternative minimum taxable income” of a corporation, if the amount of such alternative minimum tax is greater than the amount of the corporation’s regular income tax. Generally, a corporation’s alternative minimum taxable income will include 75% of the amount by which a corporation’s “adjusted current earnings” exceeds a corporation’s alternative minimum taxable income. Because interest on tax-exempt obligations is included in a corporation’s “adjusted current earnings”, ownership of the Series 2017 Bonds could subject a corporation to alternative minimum tax consequences.

**ORIGINAL ISSUE PREMIUM**

The Series 2017 Bonds were sold to the public at a price in excess of their stated principal amounts (the “Premium Bonds”). Such excess is characterized as a “bond premium” and must be amortized by an investor purchasing a Premium Bond on a constant yield over the remaining term of the Premium Bond in a manner that takes into account potential call dates and call prices. An investor cannot deduct amortized bond premium related to a tax-exempt bond for federal income tax purposes. However, as bond premium is amortized, it reduces the investor’s tax basis in the Premium Bond. Investors who purchase a Premium Bond should consult their own tax advisors regarding the amortization of bond premium and its effect on the Premium Bond’s tax basis for purposes of computing gain or loss in connection with the sale, exchange, redemption or early retirement of the Premium Bond.

**NON-QUALIFIED TAX-EXEMPT OBLIGATIONS FOR FINANCIAL INSTITUTIONS**

The Authority cannot designate the Series 2017 Bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b) of the Code. Therefore, the carrying cost (the interest paid or incurred by a taxpayer, including a "financial institution", on indebtedness incurred or continued to purchase or carry the Series 2017 Bonds) is not deductible by a bank or "financial institution" in determining taxable income.

**LOUISIANA TAXES**

In the opinion of Bond Counsel, pursuant to the Act the Series 2017 Bonds, together with the interest thereof, income therefrom, and gain upon the sale thereof are exempt from all State of Louisiana taxes and local taxes.

**CHANGES IN FEDERAL AND STATE TAX LAW**

During recent years, legislative proposals have been introduced in Congress and the State legislature, and in some cases enacted, that altered certain federal and State tax consequences resulting from the ownership of obligations that are similar to the Series 2017 Bonds. In some cases, these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal and State tax consequences may have affected the market value of obligations similar to the Series 2017 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal and State tax consequences resulting from ownership of the Series 2017 Bonds and their market value. No assurance can be given that legislative proposals will not be enacted that would apply to, or have an adverse effect upon, the Series 2017 Bonds. For example, in connection with federal deficit reduction, job creation and tax law reform efforts, proposals have been and others are likely to be made that could significantly reduce the benefit of, or otherwise affect, the exclusion from gross income of interest on obligations like the Series 2017 Bonds. There can be no assurance that any such legislation or proposal will be enacted, and if enacted, what form it may take. The introduction or enactment of any such legislative proposals may affect, perhaps significantly, the market price for, or marketability of, the Series 2017 Bonds. Prospective purchasers of the Series 2017 Bonds should consult their own tax advisors as to the tax consequences of owning the Series 2017 Bonds in their particular state or local jurisdiction and regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

**NO OTHER OPINIONS**

Except as stated above, Bond Counsel expresses no other opinions with respect to any tax consequences resulting from the ownership of, receipt of interest on or disposition of the Series 2017 Bonds.

RATINGS

INITIAL RATING

Moody's Investors Service, Inc. ("Moody's") is expected to issue a rating of "A2" (insured) based upon the issuance by Assured Guaranty Municipal Corp. of its municipal bond insurance policy insuring the Series 2017 Bonds. Further, Moody's has assigned a long term underlying rating of “A3” (negative outlook) to the Series 2017 Bonds.

S&P Global Ratings ("S&P") is expected to assign a rating of "AA" (insured) to the Series 2017 Bonds based upon the issuance by Assured Guaranty Municipal Corp. of its municipal bond insurance policy insuring the Series 2017 Bonds at the time of delivery of the Series 2017 Bonds. S&P has not assigned an underlying rating to the Series 2017 Bonds.

Any definitive explanation of the significance of such ratings may be obtained only from such rating agency. There is no assurance that such ratings will remain in effect for any given period of time or that they may not be lowered or withdrawn entirely if, in the judgment of the rating agencies, circumstances should warrant such action. Any such downward revision or withdrawal of any ratings assigned to the Series 2017 Bonds could have an adverse effect on their market price.

The ratings of the Series 2017 Bonds by each rating agency reflects only the views of each agency at the time such rating is given and the Authority and the Underwriters make no representation as to the appropriateness of such rating.

CHANGES IN BOND RATING

Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. There is no assurance such ratings will continue for any given period of time or that such ratings will not be revised downward or withdrawn entirely by the rating agencies, if in the judgment of such rating agencies, circumstances so warrant. Any such downward revision or withdrawal of such ratings may have an adverse effect on the market price of the Series 2017 Bonds.

Due to the ongoing uncertainty regarding the economy and debt of the United States of America, including, without limitation, the general economic conditions in the country and political and economic developments that may affect the financial condition of the United States government, the United States debt limit, and the bond ratings of the United States and its instrumentalities, obligations issued by state and local governments, such as the Series 2017 Bonds, could be subject to a rating downgrade. Additionally, if a significant default or other financial crisis should occur in the affairs of the United States or of any of its agencies or political subdivisions, then such event could also adversely affect the market for and ratings, liquidity, and market value of outstanding debt obligations including the Series 2017 Bonds.

UNDERWRITING

The Series 2017 Bonds are being purchased by Stifel, Nicolaus & Company, Incorporated and Raymond James & Associates, Inc. (collectively, the "Underwriters"). The purchase price of the Series 2017 Bonds is $40,724,487.70, which is equal to the par amount of the Series 2017 Bonds, plus net original issue premium of $5,516,608.95, less an Underwriters' discount of $257,121.25. The Bond Purchase Agreement executed by the Underwriters provides that the Underwriters will purchase all of the Series 2017 Bonds if any are purchased. The obligation of the Underwriters to accept delivery of the Series 2017 Bonds is subject to various conditions stated in the Bond Purchase Agreement. The Underwriters intend to offer the Series 2017 Bonds to the public initially at the price set forth on the inside front cover page of this Official Statement, which may subsequently change without any requirement of prior notice. The Underwriters reserve the right to join with dealers and other underwriters in offering the Series 2017 Bonds to the public. The Underwriters may offer and sell the Series 2017 Bonds to certain dealers at prices lower than the public offering prices. In connection with this offering, the Underwriters may over allocate or effect transactions which stabilize or maintain the market price of the Series 2017 Bonds offered hereby at a level above that which might otherwise prevail in the open market. Such stabilizing, if commenced, may be discontinued at any time.

FINANCIAL ADVISOR

The Corporation has retained Sisung Securities Corporation as independent financial advisor (the "Financial Advisor") in connection with sale and issuance of the Series 2017 Bonds. In such capacity, the Financial Advisor has provided recommendations and other financial guidance to the Corporation with respect to the preparation of documents, the preparation for the sale of the Series 2017 Bonds and, at the time of the sale, bond market conditions and other factors related to the sale of said Series 2017 Bonds. The Financial Advisor has not independently verified any of the information set forth herein. The Financial Advisor or its affiliates may receive additional compensation in conjunction with the investment of certain bond proceeds.
CONTINUING DISCLOSURE

GENERAL

The Authority has determined that no financial or operating data concerning the Authority is material to an evaluation of the offering of the Series 2017 Bonds or to any decisions to purchase, hold or sell the Series 2017 Bonds, and the Authority will not provide any such information. The Board has undertaken all responsibilities for any continuing disclosure to owners of the Series 2017 Bonds as described below, and the Authority will have no liability to the owners of the Series 2017 Bonds or any other person with respect to such disclosures.

Pursuant to a Continuing Disclosure Certificate, the Board, through the University, will covenant for the benefit of owners of the Series 2017 Bonds to provide, or cause the Dissemination Agent to provide, certain financial information and operating data relating to the Board by not later than 210 days after the end of the Board’s fiscal year (presently, no later than January 30 of each year) commencing January 30, 2018, (the “Annual Report”), and to provide notices of the occurrence of certain enumerated events (the “Undertaking”). The specific nature of the information to be contained in the Annual Report or the notices of material events is set forth in APPENDIX F. The covenants have been made in order to assist the Participating Underwriters in complying with Section (b)(5)(i) of Securities and Exchange Commission Rule 15c2-12 (17 C.F.R. Part 240 §15c2-12) (the “Rule”).

Except as provided in the Undertaking, the Board has not undertaken to provide all information investors may desire to have in making decisions to hold, sell or buy the Series 2017 Bonds. Failure to comply with the Undertaking will not constitute an Event of Default under the Indenture (although Bondholders will have any available remedy at law or in equity). Nevertheless, such a failure must be reported in accordance with the Rule and must be considered by a broker-dealer or municipal securities dealer before recommending the purchase or sale of the Series 2017 Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Series 2017 Bonds and their market price.

COMPLIANCE WITH PAST CONTINUING DISCLOSURE OBLIGATIONS

The Board has filed all continuing disclosure reports currently required by its prior Undertakings relating to the University; however, not all reports were filed timely. On August 12, 2014, the Board satisfied the reporting requirements for filing the financial statements of the University and the annual operating and certain financial summary information of the University due in connection with the all outstanding bonds. The Board is presently in compliance in all material respects, with its continuing disclosure obligations relating to the University and has implemented internal and external procedures to ensure timely compliance with its Undertakings in the future, including the employment of a dissemination agent to assist in the filing and the establishment of an annually recurring calendar tickler system.

Furthermore, the filing of a number of the Board’s financial reports and other financial information under the continuing disclosure requirements of the Rule relating to obligations issued by or on behalf of the Board for the benefit of other higher education institutions under its management and supervision and with respect to which the Board is responsible for satisfying the reporting requirements under the Rule (the “Reportable Bonds”), as more particularly described in APPENDIX G, were not timely filed with EMMA by the Board for the Fiscal Years ended June 30, 2009 through the including Fiscal Year ending 2014. Such Board financial reports and other financial information were filed by the Board on the dates set forth in APPENDIX G hereto.

To ensure compliance with the Rule and timely filings going forward, the Board (i) has enrolled in the EMMA automated email reminder system, which alerts issuers and obligated persons to upcoming filing deadlines and (ii) is using spreadsheets in substantially the form attached hereto as Appendix G to track its future compliance.

With respect to certain prior bonds issued for the benefit of the Board’s universities, the Board has entered into continuing disclosure undertakings which require annual reporting within as little as 180 days after the end of the Board’s fiscal year. The Board’s audited financial statements are subject to audit by the Louisiana Legislative Auditor and the timing of the audit process is largely outside the Board’s control. In recent years, the Board’s audit has been completed in as little as 171 days after the end of the fiscal year to as long as 249 days after the end of the fiscal year. However, because the Board is unable to change its prior undertakings which require reporting within 180 days of the end of the fiscal year, it is likely that the Board may be late in filing its audited financial statements with respect to such prior undertakings.

Except as stated above, and based upon its diligent review and to the best of its knowledge, the Board is presently in compliance, in all material respects, with its continuing disclosure undertakings.

LOUISIANA ACT 463

During the 2014 Regular Session of the Louisiana Legislature, the Louisiana Legislature passed Act 463, which provides certain procedures designed to ensure compliance with the Rule. Such legislation, which became effective August 1,
2014, requires public entities, such as the Board, to keep certain records demonstrating compliance with the Rule. Additionally, auditors for public entities in the State are required to review a sample of the public entity's compliance with such record-keeping requirements, review the public entity's EMMA filings, and report on the auditor's findings of any deficiency in the annual audited financial statements of such entity.

DEMOGRAPHIC AND SUMMARY FINANCIAL INFORMATION RELATED TO THE UNIVERSITY

Southeastern Louisiana University (the "University") is located in Hammond, Louisiana, the heart of Louisiana’s “Florida Parishes.” Hammond is located at the intersection of Interstate Highways 55 and 12, approximately 60 miles north of New Orleans, Louisiana’s largest city, and 40 miles east of Baton Rouge, the State’s capital. The University has a current enrollment of approximately 15,000 students with a faculty and staff population of approximately 1,300.

HISTORY OF THE UNIVERSITY

The University began as a grass roots movement by the people of Hammond and the surrounding area, who recognized the need for an institution of higher education in order to further the educational, economic, and cultural development of southeast Louisiana. What began as a junior college supported by local taxes has developed into a major university as the University has grown to meet the evolving needs of southeast Louisiana and the Florida parishes.

On July 7, 1925, the voters overwhelmingly approved a bond issue that created Hammond Junior College. Operated under the auspices of the Tangipahoa Parish School Board, President Linus A. Sims opened the doors on September 14, 1925 with a faculty of three women, two men and forty students. The two-year coeducational institution offered basic undergraduate work in arts and sciences that culminated in a teaching certificate.

Rapidly increasing enrollments quickly forced the college out of its two rooms in Hammond High School. In 1927, voters supported the purchase of the Hunter Leake estate on Hammond’s north end. In 1928 Hammond Junior College became Southeastern Louisiana College, formally adopted into the state educational system under the control of the State Board of Education. The purchase of sixty acres adjoining the original fifteen-acre plot provided the space to develop a suitable campus, and in 1934, a state bond issue provided for the construction of McGehee Hall and a gymnasium.

In 1937, the State Board of Education authorized curricula for four-year programs in liberal arts, teacher education, business administration, music, social sciences, and physical education. The first baccalaureate degrees were conferred in May, 1939.

Voter approval of Act No. 388 in 1938, an amendment to the 1920 Louisiana Constitution, granted Southeastern Louisiana College the same legal status as other four-year colleges. The amendment did not, however, require the state to fund the University at the level of other institutions of higher education, despite strong local support.

On January 18, 1946, the State Board made available funds to purchase seven city blocks east and west of the campus, and 275 acres of land north and northwest of the campus, increasing the University’s total area to approximately 365 acres.

On March 3, 1946, the University was formally approved and accepted into full membership in the Southern Association of Colleges and Schools (SACS), as a four-year degree-granting institution.

In 1960, the State Board authorized the University to offer master’s degrees through the newly-formed Division of Graduate Studies. The University began awarding the Education Specialist degree in 1967. Governor John J. McKeithen on June 16, 1970 signed into law the legislative act turning Southeastern Louisiana College into Southeastern Louisiana University. The early 1970’s also saw the construction of D. Vickers, the Athletics Building, and the C.E. Cate Teacher Education Building.

In October of 1986, a group of faculty members launched Fanfare, a festival celebrating the arts, humanities and sciences. Since then, Fanfare has become an acclaimed month long event, drawing nationally and internationally recognized artists and providing recognition for those closer to home. In addition to providing entertainment for the North Shore, Fanfare has an educational outreach program that works closely with local schools. In October of 2015, Fanfare proudly celebrated its 30th anniversary.

The University’s enrollment, continually increasing since its inception, reached an important milestone in 1997, registering over fifteen thousand students for the fall semester. Since 1925 the University has conferred over seventy thousand degrees.

As the University celebrated its 75th anniversary in 2000, the Fall semester marked an exciting change as the University implemented screened admissions standards for the first time. Also during the 2000-2001 academic year, the Village, Fayard Hall and the Claude B. Pennington, Jr. Student Activity Center were completed.
In the following years the University continued to expand its’ infrastructure with the Teacher Education Center Renovation and Addition in 2003, the Biology Building Renovation and Addition in 2004, the Meade Hall Classroom Renovation in 2007, the Kinesiology & Health Studies College of Nursing Renovation and Addition in 2011 and the Expansion and Renovation to the War Memorial Student Union in 2015.

Since 1925, many dedicated individuals have led the University from a junior college to the vibrant university it is today. Those individuals are: Linus A. Sims, Yves Leon Fontenot, J. Leon Clark, George W. Bond, Gladney Jack Tinsley, Luther Dyson, Clark LeBlanc Barrow, J.B. Wooley, Clea Parker, J. Larry Crain, G. Warren Smith, Sally Clausen, Randy Moffett, and John Crain.

ORGANIZATION AND ADMINISTRATION

The University is governed by the Board of Supervisors for the University of Louisiana System (the “Board”). The Board determines broad administrative and educational policies for the institutions under its management and control.

The administrative officers of the University are responsible for its operation and maintenance in accordance with the rules and policies established by the Board. The following are brief resumes of the principal administrators of the University:

**The decline in auxiliary revenues and expenses is due to Southeastern’s decision to outsource textbook rentals. This decision will ensure the continued viability and sustainability of the program as well as provide the lowest possible cost to its students.

***The University, after concurrence with the external auditor for the Corporation, has determined that amendments to the data contained in the above chart were needed. The amendments positively affect the debt service coverage ratio for the Bonds for all years disclosed. Improvements in the debt service coverage ratio are attributable primarily to the inclusion of revenue from student application fees and damage payments that had previously been excluded and the removal of certain expenses such as: (1) non-mandatory University transfers which are subordinate to the payment of debt service on the Bonds, (2) expenses paid from the repair and replacement fund and not from current operations, and (3) professional service fees and insurance costs not associated with the Bonds.

INTRODUCTION

Southeastern Louisiana University (University) is a publicly supported institution of higher education. The University is a component unit of the State of Louisiana, within the executive branch of government. The University is under the management and supervision of the University of Louisiana System Board of Supervisors; however, the annual budget of the University and changes to the degree programs, departments of instruction, et cetera, require the approval of the Board of Regents for Higher Education. The Board of Supervisors is comprised of 15 members appointed for staggered six-year terms by the governor, with the consent of the Senate, and one student member appointed for a one-year term by a council composed of the student body presidents of the universities within the System. As a state university, operations of the University’s instructional programs are funded through annual lapsing appropriations made by the Louisiana Legislature. The chief executive officer of the University is the president. The University had approximately 14,594 students enrolled during the fall semester of the 2015-2016 academic year and employed approximately 1,607 employees.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF PRESENTATION

The Governmental Accounting Standards Board (GASB) promulgates accounting principles generally accepted in the United States of America and reporting standards for state and local governments. These principles are found in the Codification of Governmental Accounting and Financial Reporting Standards, published by the GASB. The accompanying financial statements have been prepared in accordance with such principles.

B. REPORTING ENTITY

GASB Codification Section 2100 has defined the governmental reporting entity to be the State of Louisiana. The University is considered a component unit of the State of Louisiana because the state exercises oversight responsibility and has accountability for fiscal matters as follows: (1) the majority of the members of the governing board are appointed by the governor; (2) the state has control and exercises authority over budget matters; (3) the state issues bonds to finance certain construction; and (4) the University primarily serves state residents. The accompanying financial statements present information only as to the transactions of the programs of the University as authorized by Louisiana statutes and administrative regulations. Annually, the State of Louisiana issues basic financial statements, which include the activity contained in the accompanying financial statements. The financial statements are audited by the Louisiana Legislative Auditor.
B. REPORTING ENTITY continued

Blended Component Units

The University Facilities, Inc. is a Louisiana nonprofit corporation that is considered a blended component unit of Southeastern Louisiana University.

This component unit is included in the reporting entity because it is fiscally dependent on the University. The purpose of this organization is to promote, assist, and benefit the mission of the University through the acquisition, construction, development, management, leasing or otherwise assisting in the acquisition, construction, development, management, or leasing of student housing or other facilities on behalf of the universities. Although this facility corporation is legally separate, it is reported as a part of the System because:

- The majority of its revenue comes from the leasing of facilities to the university.

To obtain the corporation’s latest audit reports, write to:

- University Facilities, Inc., c/o Mr. Sam Domiano, Southeastern Louisiana University, SLU Box 10709, Hammond, Louisiana 70402

C. BASIS OF ACCOUNTING

For financial reporting purposes, the University is considered a special-purpose government engaged only in business-type activities. Accordingly, the University’s financial statements have been presented using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis, revenues are recognized when earned, and expenses are recorded when an obligation has been incurred. All significant intra-system transactions have been eliminated. The financial statements of the University have been prepared on the accrual basis of accounting.

D. BUDGET PRACTICES

The State of Louisiana’s appropriation is an annual lapsing appropriation established by legislative action and by Title 39 of the Louisiana Revised Statutes. The statute requires that the budget be approved by the Board of Regents for Higher Education and certain legislative and executive branches of state government. Budget revisions are granted by the Joint Legislative Committee on the Budget. In compliance with these legal restrictions, budgets are adopted on the accrual basis of accounting, except that (1) depreciation is not recognized; (2) leave costs are treated as budgeted expenditures to the extent that they are expected to be paid; and (3) summer school tuition and fees and summer school faculty salaries and related benefits for June are not prorated but are recognized in the succeeding year.
E. CASH AND CASH EQUIVALENTS AND INVESTMENTS

Cash includes cash on hand (petty cash), demand deposits, and interest-bearing demand deposits. Cash equivalents include certificates of deposit and all highly liquid investments with a maturity of three months or less when purchased. Under state law, the University may deposit funds within a fiscal agent bank organized under the laws of the State of Louisiana, the laws of any other state in the Union, or the laws of the United States. Furthermore, the University may invest in certificates of deposit of state banks organized under Louisiana law and national banks having their principal offices in Louisiana. Cash equivalents reported on the Statement of Net Position include all negotiable certificates of deposit, regardless of maturity.

In accordance with Louisiana Revised Statute (R.S.) 49:327, the University is authorized to invest funds in direct U.S. Treasury obligations, U.S. government agency obligations, and money market funds. In addition, funds derived from gifts and grants, endowments, and reserve funds established in accordance with bond issues may be invested as stipulated by the conditions of the gift instrument or bond indenture. Investments are maintained in investment accounts in external foundations as authorized by policies and procedures established by the Board of Regents and are reported at fair value in accordance with GASB Statement No. 31. Changes in the carrying value of investments, resulting from unrealized gains and losses, are reported as a component of investment income in the Statement of Revenues, Expenses, and Changes in Net Position. For purposes of the Statement of Cash Flows, the University considers all highly liquid investments (including restricted assets) with a maturity of three months or less when purchased to be cash equivalents.

F. INVENTORIES

Inventories are valued at the average cost under a periodic inventory system using the consumption method.

G. NONCURRENT RESTRICTED ASSETS

Cash, investments, receivables, and other assets that are externally restricted for grants, endowments, debt service payments, maintenance of sinking or reserve funds or to purchase or construct capital assets are classified as noncurrent restricted assets in the Statement of Net Position.

H. CAPITAL ASSETS

Capital assets are reported at cost at the date of acquisition or their estimated fair value at the date of donation. The University’s capitalization policy provides that movable property items with a unit cost of $5,000 or more and an estimated useful life greater than one year and buildings and improvements with a cost of $100,000 or more are capitalized. Renovations to buildings, infrastructure, and land improvements that significantly increase the value or extend the useful life of the structure are capitalized. Routine repairs and maintenance are charged to operating expense in the year in which the expense is incurred.
**H. CAPITAL ASSETS continued**

Depreciation is computed using the straight-line method over the estimated useful life of the assets, generally 40 years for buildings and infrastructure, 20 years for depreciable land improvements, three to 10 years for most movable property, three years for software with an acquisition cost of $1,000,000 or more, and three to 10 years for internally generated software with development costs of $1,000,000 or more.

**I. UNEARNED REVENUES**

Unearned revenues include amounts received for tuition and fees and certain auxiliary activities prior to the end of the fiscal year but are related to the subsequent accounting period. Unearned revenues also include amounts received from grant and contract sponsors that have not yet been earned.

**J. COMPENSATED ABSENCES**

Employees accrue and accumulate annual and sick leave in accordance with state law and administrative regulations. The leave is accumulated without limitation; however, nine-month faculty members do not accrue annual leave but are granted faculty leave during holiday periods when students are not in classes. Employees who are considered having nonexempt status according to the guidelines contained in the Fair Labor Standards Act may be paid for compensatory leave earned.

Upon separation of employment, both, classified and non-classified personnel or their heirs are compensated for accumulated annual leave not to exceed 300 hours. In addition, academic and non-classified personnel or their heirs are compensated for accumulated sick leave not to exceed 25 days upon retirement or death. Act 343 of 1993 allows members of the Louisiana State Employees’ Retirement System, upon application for retirement, the option of receiving an actuarially determined lump sum payment for annual and sick leave, which would otherwise have been used to compute years of service for retirement. Unused annual leave in excess of 300 hours plus unused sick leave are used to compute retirement benefits.

Upon termination or transfer, a classified employee will be paid for any one and one-half hour compensatory leave earned and may or may not be paid for any straight hour-for-hour compensatory leave earned. Compensation paid will be based on the classified employee’s hourly rate of pay at termination or transfer.

**K. NONCURRENT LIABILITIES**

Noncurrent liabilities include principal amounts of revenue bonds payable, notes payable, and capital lease obligations with contractual maturities greater than one year and estimated amounts for accrued compensated absences, other postemployment benefits, net pension liabilities, and other liabilities that will not be paid within the next fiscal year.

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pension and pension expense, information about the
K. NONCURRENT LIABILITIES continued

Fiduciary net position of the Louisiana State Employees Retirement System (LASERS) and the Teachers Retirement System of Louisiana (TRSL), and additions to/deductions from the retirement systems’ fiduciary net position have been determined on the same basis as they are reported by the retirement systems. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

L. NET POSITION

The University’s net position is classified as follows:

(1) Net Investment in Capital Assets

This represents the University’s total investment in capital assets, net of accumulated depreciation and reduced by outstanding debt obligations related to acquisition, construction, or improvement of those capital assets.

(2) Restricted Net Position - Expendable

Restricted expendable net position includes resources that the University is legally or contractually obligated to spend in accordance with restrictions imposed by external third parties.

(3) Restricted Net Position - Nonexpendable

Restricted nonexpendable net position consists of endowment and similar type funds that donors or other outside sources have stipulated, as a condition of the gift instrument, that the principal is to be maintained inviolate and in perpetuity, and invested for the purpose of producing present and future income, which may either be expended or added to principal.

(4) Unrestricted Net Position

Unrestricted net position represents resources derived from student tuition and fees, state appropriations, and sales and services of educational departments and auxiliary enterprises. These resources are used for transactions relating to the educational and general operations of the University, and may be used at the discretion of the governing board to meet current expenses and for any purpose.

When an expense is incurred that can be paid using either restricted or unrestricted resources, the University’s policy is to first apply the expense toward unrestricted resources, and then toward restricted resources.
M. CLASSIFICATION OF REVENUES AND EXPENSES

The University has classified its revenues and expenses as either operating or non-operating according to the following criteria:

(1) Operating revenue includes activities that have the characteristics of exchange transactions, such as (1) student tuition and fees, net of scholarship discounts and allowances; (2) sales and services of auxiliary enterprises, net of scholarship discounts and allowances; and (3) most federal, state, and local grants and contracts and federal appropriations.

(2) Non-operating revenue includes activities that have the characteristics of non-exchange transactions, such as gifts and contributions, state appropriations, and investment income.

(3) Operating expenses generally include transactions resulting from providing goods or services, such as (1) payment to vendors for goods or services; (2) payments to employees for services; and (3) payments for employee benefits.

(4) Non-operating expenses include transactions resulting from financing activities, capital acquisitions, and investing activities.

N. SCHOLARSHIP DISCOUNTS AND ALLOWANCES

Student tuition and fee revenues and certain other revenues from students are reported net of scholarship discounts and allowances in the Statement of Revenues, Expenses, and Changes in Net Position. Scholarship discounts and allowances are the difference between the stated charge for services (tuition and fees) provided by the University and the amount that is paid by students and/or third parties making payments on the students’ behalf.

O. USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

P. ADOPTION OF NEW ACCOUNTING PRINCIPLES

GASB Statement 72, *Fair Value Measurement and Application*, is effective for the fiscal year ended June 30, 2016. The objective of this pronouncement is to enhance the comparability of financial statements among governments by requiring measurement of certain assets and liabilities at fair value using a consistent and more detailed definition of fair value and accepted valuation techniques. The statement will impact the University’s financial statements.
2. CASH AND CASH EQUIVALENTS

At June 30, 2016, the University had cash and cash equivalents (book balances) of $46,478,298 as follows:

Custodial credit risk is the risk that in the event of a bank failure, the University’s deposits may not be returned to it. Under state law, the University’s deposits (or the resulting bank balances) must be secured by federal deposit insurance or similar federal security or the pledge of securities owned by the fiscal agent bank. The fair market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the University or the pledging bank by a holding or custodial bank that is mutually acceptable to both parties.

As of June 30, 2016, none of the University’s bank balance of $47,191,636 was uninsured and uncollateralized and, therefore, exposed to custodial credit risk.

3. INVESTMENTS

At June 30, 2016, the University had investments totaling $25,685,400. The University did not have any restricted cash equivalents reported on the Statement of Net Position as of June 30, 2016. The University follows state law (R.S. 49:327) as applicable to institutions of higher education in establishing investment policy. State law authorizes the University to invest funds in direct U.S. Treasury obligations, U.S. government agency obligations, direct security repurchase agreements, reverse direct repurchase agreements, investment grade commercial paper, investment grade corporate notes and bonds, and money market funds. A summary of the University’s investments follows:

3. INVESTMENTS continued

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. State law limits the University investments to U.S. Treasury obligations, U.S. government agency obligations, direct security repurchase agreements, reverse direct repurchase agreements, investment grade commercial paper, investment grade corporate notes and bonds, and money market funds. The University does not have policies to further limit credit risk.

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the University will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. For U.S. Treasury obligations and U.S. government agency obligations, the University’s investment policy requires that issuers must provide the University with safekeeping receipts, collateral agreements, and custodial agreements.

Concentration of credit risk is the risk of loss attributed to the magnitude of an entity’s investment in a single issuer. State law requires that at no time shall the funds invested in U.S. government agency obligations exceed 60% of all monies invested with maturities of 30 days or longer. In addition, state law limits the investment in commercial paper and corporate notes and bonds to 20% of all investments. The University does not have policies to further limit concentration of credit risk.

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. State law as applicable to institutions of higher education does not address interest rate risk. In addition, the University does not have policies to limit interest rate risk.

INVESTMENTS - FAIR VALUE MEASUREMENT

The University implemented GASB Statement No. 72, *Fair Value Measurement and Application*, which is effective for the year ended June 30, 2016. GASB 72 requires disclosures to be made about fair value measurements, the level of fair value hierarchy, and valuation techniques. The fair value hierarchy categorizes the inputs to valuation techniques used to measure fair value into three levels.

- Level 1 inputs, where the valuation is based on quoted market prices for identical assets or liabilities traded in active markets,
- Level 2 inputs, where the valuation is based on quoted market prices for similar instruments traded in active markets, quoted prices for identical or similar instruments in markets that are not active, and inputs other than quoted prices that are observable for the asset or liability,
- Level 3 inputs, where the valuation is determined by using the best information available under the circumstances, might include the government’s own data. In developing unobservable inputs, a government may begin with its own data, but it should adjust those data if (a) reasonably available information indicates that other market participants would use different data or (b) there is something particular to the government that is not available to other market participants.

9. **OPTIONAL RETIREMENT SYSTEM**

R.S. 11:921 created an optional retirement plan for academic and administrative employees of public institutions of higher education. This program was designed to aid universities in recruiting employees who may not be expected to remain in the TRSL for five or more years. The purpose of the optional retirement plan is to provide retirement and death benefits to the participants while affording the maximum portability of these benefits to the participants.

The optional retirement plan is a defined contribution plan that provides for full and immediate vesting of all contributions remitted to the participating companies on behalf of the participants. Eligible employees make an irrevocable election to participate in the optional retirement plan rather than the TRSL and purchase retirement and death benefits through contracts provided by designated companies.

Total contributions by the University are 27.2% of the covered payroll for fiscal year 2016. The participant’s contribution (8.0%), less any monthly fee required to cover the cost of administration and maintenance of the optional retirement plan, is remitted to the designated company or companies. Upon receipt of the employer’s contribution, the TRSL pays over to the appropriate company or companies, on behalf of the participant, an amount equal to the employer’s portion of the normal cost contribution as determined annually by the actuarial committee. The TRSL retains the balance of the employer contribution for application to the unfunded accrued liability of the University. Benefits payable to participants are not the obligations of the State of Louisiana or the TRSL. (Such benefits and other rights of the optional retirement plan are the liability and responsibility solely of the designated company or companies to whom contributions have been made.) Employer and employee contributions to the optional retirement plan totaled $5,990,665 and $1,744,921, respectively, for the year ended June 30, 2016.

10. **POSTEMPLOYMENT HEALTH CARE AND LIFE INSURANCE BENEFITS**

No disclosure is being made on the university level.

20. CONTINGENT LIABILITIES AND RISK MANAGEMENT

Losses arising from judgments, claims, and similar contingencies are considered state liabilities and paid upon appropriation by the legislature and not the university. Therefore, the University, through its legal advisors, estimates that potential claims not covered by insurance would not materially affect the financial statements. Other losses of the University arising from judgments, claims, and similar contingencies are paid through the state’s self-insurance fund operated by the Office of Risk Management, the agency responsible for the state’s risk management program, or by appropriation from the state’s General Fund. The Office of Risk Management insures all of these lawsuits.

21. ON-BEHalf PAYMENTS FOR SALARIES AND FRINGE BENEFITS

On-behalf payments for salaries and fringe benefits are direct payments made by one entity to a third-party recipient for the employees of another, legally separate entity. On-behalf payments include pension plan contributions, employee health and life insurance premiums, and salary supplements or stipends. For example, a nongovernmental fund-raising foundation affiliated with a governmental university may supplement salaries of certain university employees. Those payments constitute on-behalf payments for purposes of reporting by the University.

Southeastern Louisiana University did not have on-behalf payments for fringe benefits and salaries for the year ended June 30, 2016.

22. DONOR RESTRICTED ENDOWMENTS

If a donor has not provided specific instructions, state law permits the University to authorize expenditure of the net appreciation (realized and unrealized) of the investments of endowment funds. Any net appreciation that is spent is required to be spent for the purposes for which the endowment was established.

At June 30, 2016, net appreciation of donor restricted endowments was equal to $379,351, which is available to be spent for restricted purposes. The University limits endowment spending to the income earned in a given year for purposes specified by donors. The donated portion of the endowments is reported in restricted net position - nonexpendable in the Statement of Net Position; the endowment income is reported in restricted net position - expendable.

23. FOUNDATIONS

The accompanying financial statements do not include the accounts of the following foundations:

    Lion Athletic Association
    Southeastern Louisiana University Foundation
    Southeastern Louisiana University Alumni Association

These foundations are separate corporations whose financial statements are subject to audit by other independent certified public accountants.
24. DEFERRED COMPENSATION PLAN

Certain employees of the University participate in the Louisiana Public Employees’ Deferred Compensation Plan adopted under the provisions of the Internal Revenue Code Section 457. Complete disclosures relating to the Plan are included in the separately issued audit report for the Plan, available on the Internet at www.lta.la.gov.

25. ALTERNATIVE FINANCING AGREEMENTS

On August 13, 2004, University Facilities, Inc. (UFI), entered into a loan agreement with the Louisiana Local Government Environmental Facilities and Community Development Authority to obtain financing for the acquisition, construction, renovation, and furnishing of student housing and demolishing existing housing; to provide working capital; to fund interest on the Series 2004 bonds; and to repay certain indebtedness of the corporation. Financing for the project is through the issuance of $76,910,000 of Revenue Bonds, Series 2004(A), Series 2004(B), and Series 2004(C). On November 13, 2013, the Louisiana Local Government Environmental Facilities and Community Development Authority issued $40,910,000 of nontaxable Student Housing Refunding Bonds, Series 2013 to refund a portion of the Series 2004 bonds.

Pursuant to the terms of the ground lease agreement, the corporation leases from the Board the land upon which the new facilities will be built. The new facilities are leased by the corporation to the board in accordance with the provisions of the lease agreement. The Board’s right to obtain title to the facilities is set forth in the facilities lease agreement. The rental income derived from the facilities lease will be used to pay the bonds.

On March 14, 2007, UFI entered into a loan agreement with the Louisiana Local Government Environmental Facilities and Community Development Authority to obtain financing of $8,035,000 for a new intermodal transit facility to be located on the SLU campus. This project is a continuation of the improvements and construction on the SLU campus that were financed with Revenue Bonds, Series 2004.

Pursuant to the terms of the ground lease agreement, the corporation will lease the land from the Board. The new parking facility will be leased back to and operated by the Board in accordance with the provisions of an agreement to lease with option to purchase by and between the Board and UFI. Revenues from auxiliary operations and student fees will be used to pay the bonds.

On November 3, 2010, UFI entered into a loan agreement with the Louisiana Local Government Environmental Facilities and Community Development Authority to obtain financing of $31,255,000 for demolishing certain existing facilities and renovating, developing, and constructing the Student Union, the Center for Student Excellence, Student Health Center, Food Services Areas, the Bookstore, and other related facilities on the campus of Southeastern Louisiana University.
25. **ALTERNATIVE FINANCING AGREEMENTS continued**

Pursuant to the terms of the ground lease agreement, the corporation will lease the land from the Board. The student union and related facilities will be leased back to and operated by the Board in accordance with the provisions of an agreement to lease with option to purchase by and between the Board and UFI. Revenues derived from the facilities lease will be used to pay the bonds.

(c) The principal of, and premium, if any, of the Series 2017 Bonds shall be payable to the registered owners thereof upon surrender of the Series 2017 Bonds at the principal corporate trust office of the Trustee. The interest on the Series 2017 Bonds, when due and payable, shall be paid by check or draft mailed by the Trustee on such due date to each person in whose name a Bond is registered, at the address(es) as they appear on the Bond Register maintained by the Trustee at the close of business on the applicable Record Date irrespective of any transfer or exchange of the Series 2017 Bonds subsequent to such Record Date and prior to such Interest Payment Date, unless the Authority shall default in payment of interest due on such Interest Payment Date, provided that the owners of $1,000,000 or more in aggregate principal amount of Series 2017 Bonds may request payment by wire transfer if such owners have requested such payment in writing to the Trustee, which request shall be made no later than the Record Date and shall include all relevant bank account information and shall otherwise be acceptable to the Trustee. Such notice shall be irrevocable until a new notice is delivered not later than a Record Date. In the event of any such default, such defaulted interest shall be payable on a payment date established by the Trustee to the persons in whose names the Series 2017 Bonds are registered at the close of business on a special record date for the payment of such defaulted interest established by notice mailed by the Trustee to the registered owners of the Series 2017 Bonds not fewer than fifteen (15) days preceding such special record date. Payment as aforesaid shall be made in such coin or currency of the United States of America as, at the respective times of payment, is legal tender for the payment of public and private debts.

Section 3.3 Form of Series 2017 Bonds. The Series 2017 Bonds issued under this Second Supplemental Indenture shall be substantially in the form set forth in Exhibit A attached hereto and made a part hereof with such appropriate variations, additions, omissions, and insertions as are permitted or required by this Second Supplemental Indenture. All Series 2017 Bonds may have endorsed thereon such legends or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or of any securities exchange on which the Series 2017 Bonds may be listed or any usage or requirement of law with respect thereto. All Series 2017 Bonds may bear identifyingCUSIP numbers, but any failure to include such numbers or any error in any CUSIP number so included shall not in any way affect the validity of the Series 2017 Bonds.

Section 3.4 Redemption of Series 2017 Bonds.

(a) Optional Redemption. The Series 2017 Bonds maturing August 1, 2028 and thereafter are subject to redemption prior to maturity at the option of the Corporation, upon written direction to the Authority, on or after August 1, 2027 as a whole at any time, or in part on any Interest Payment Date, the maturity of said Bonds to be redeemed to be designated by the Corporation and selected within a maturity by
the Trustee in such manner as the Trustee may determine, at the redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date.

(b) **Extraordinary Redemption.** The Series 2017 Bonds shall be redeemed as a whole or in part (in an integral multiple of $5,000) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds, condemnation award or payment in lieu of condemnation with respect to the Series 2017 Facilities will not be applied to the restoration, repair, or reconstruction of the Series 2017 Facilities at a price equal to the principal amount of the Series 2017 Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, in an aggregate principal amount equal to the amount of such insurance proceeds, condemnation award, or payment in lieu of condemnation not used for restoration, repair, or reconstruction. If in part, the Series 2017 Bonds to be redeemed shall be in the inverse order of their maturity and selected within a maturity by the Trustee in such manner as the Trustee may determine. If the amount of any insurance proceeds, condemnation award, or payment in lieu of condemnation to be applied in redemption of the Series 2017 Bonds is not an integral multiple of $5,000, the principal amount of Series 2017 Bonds to be redeemed pursuant to this subparagraph (b) shall be decreased to the next lower multiple of $5,000.

(c) **Mandatory Sinking Fund Redemption.**

(i) Those Series 2017 Bonds maturing on August 1, 2042 shall be subject to mandatory sinking fund redemption and payment prior to maturity on August 1 in each of the years set forth below, at 100% of the principal amounts plus accrued interest to the redemption date, without premium, as follows:

(d) Any Additional Bonds issued under the provisions of Article V of this Second Supplemental Indenture may be made subject to redemption, either in whole or in part and at such times and prices, as may be provided in the resolution or resolutions of the Authority authorizing the issuance of such Additional Bonds.

(e) Unless otherwise specified above, if fewer than all of the Series 2017 Bonds shall be called for redemption, the Series 2017 Bonds to be redeemed shall be in inverse order of their maturity, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Series 2017 Bond to be redeemed shall be in the principal amount of an Authorized Denomination. If a portion of any Series 2017 Bond shall be called for redemption, a new Series 2017 Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

(f) At least thirty (30) days before the redemption date of any Series 2017 Bonds, other than by Mandatory Sinking Fund Redemption, the Trustee shall cause a notice of any such redemption, signed by an authorized officer of the Trustee to be mailed, postage prepaid, to all Bondholders of record owning Series 2017 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register, but any defect in such mailing of any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if fewer than all of the Series 2017 Bonds then Outstanding shall be called for redemption, the numbers of such Series 2017 Bonds to be redeemed and, in the case of Series 2017 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2017 Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Series 2017 Bond, a new Series 2017 Bond in principal amount equal to the unredeemed portion of such Series 2017 Bond will be issued.

(g) On the date so designated for redemption, notice having been given in the manner and under the conditions hereinabove provided and money for payment of the redemption price being held in the Series 2017 Debt Service Fund in trust for the owners of the Series 2017 Bonds or portions thereof to be redeemed, the Series 2017 Bonds or portions of Series 2017 Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Series 2017 Bonds or portions of Series 2017 Bonds on such date, interest on the Series 2017 Bonds or portions of Series 2017 Bonds so called for redemption shall cease to accrue, such Series 2017 Bonds or portions of Series 2017 Bonds shall cease to be entitled to any benefit or security under this Second Supplemental Indenture, and the owners of such Series 2017 Bonds or portions of Series 2017 Bonds shall not have rights in respect thereof except to receive payment of the redemption price thereof and, to the extent provided in the next paragraph, to receive Series 2017 Bonds for any unredeemed portions of Series 2017 Bonds.

(h) In case part, but not all, of an Outstanding Series 2017 Bond shall be selected for redemption, the registered owner thereof or his legal representative shall present and surrender such Series 2017 Bond to the Trustee for payment of the principal amount thereof so called for redemption, and the Trustee shall authenticate and deliver to or upon the order of such registered owner or his legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Series 2017 Bond so surrendered, a new Series 2017 Bond.
(i) Series 2017 Bonds and portions of Series 2017 Bonds that have been duly called for redemption under the provisions of this Article, or with respect to which irrevocable instructions to call for redemption have been given to the Trustee in form satisfactory to it, and for the payment of the redemption price for which moneys, or Defeasance Obligations, shall be held by the Trustee in a segregated account in trust for the owners of the Series 2017 Bonds or portions thereof to be redeemed, shall not thereafter be deemed to be outstanding under the provisions of this Second Supplemental Indenture and shall cease to be entitled to any security or benefit under this Second Supplemental Indenture other than the right to receive payment from such moneys.

Section 3.5 Execution; Limitation of Liability. The Series 2017 Bonds shall be executed on behalf of the Authority with the manual or facsimile signatures of the Chairman, Vice Chairman, or Executive Director and the Secretary or Assistant Secretary of the Authority, and shall have impressed or imprinted thereon the official seal of the Authority or a facsimile thereof. The Series 2017 Bonds, together with interest and premium, if any, thereon, shall not constitute a debt of the State or any political subdivision thereof. The Series 2017 Bonds, together with interest thereon, shall be limited and special obligations of the Authority and shall be secured by and payable solely out of revenues derived from the Payments made pursuant to the Second Supplemental Loan Agreement and Trust Estate pledged hereunder. The Authority shall not be obligated to pay the principal of the Series 2017 Bonds or the interest or premium, if any, thereon or other costs incidental thereto from payments made pursuant to the Second Supplemental Loan Agreement. In case any officer of the Authority whose signature or whose facsimile signature shall appear on the Series 2017 Bonds shall cease to be such officer before the delivery of such Series 2017 Bonds, such signature or the facsimile signature thereof shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery. THE SERIES 2017 BONDS ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE AUTHORITY PAYABLE SOLELY FROM THE PAYMENTS RECEIVED BY THE AUTHORITY FROM THE CORPORATION PURSUANT TO THE SECOND SUPPLEMENTAL LOAN AGREEMENT. THE SERIES 2017 BONDS DO NOT CONSTITUTE A PLEDGE OF THE GENERAL CREDIT OF THE AUTHORITY OR THE CORPORATION AND DO NOT CONSTITUTE AN INDEBTEDNESS OR PLEDGE OF THE GENERAL CREDIT OF THE STATE, THE BOARD, THE UNIVERSITY, OR ANY POLITICAL SUBDIVISION OF THE STATE (OTHER THAN THE AUTHORITY). THE BOARD HAS AGREED, PURSUANT TO THE FOURTH SUPPLEMENTAL FACILITIES LEASE, TO MAKE PAYMENTS OF BASE RENTAL TO THE CORPORATION ON BEHALF OF THE UNIVERSITY. THE PAYMENTS TO BE RECEIVED BY THE AUTHORITY FROM THE CORPORATION UNDER THE SECOND SUPPLEMENTAL LOAN AGREEMENT ARE LIMITED TO THE AMOUNT OF BASE RENTAL RECEIVED BY THE CORPORATION FROM THE BOARD. THE AUTHORITY HAS NO POWER TO TAX.

Section 3.6 Authentication. No Series 2017 Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Second Supplemental Indenture unless and until a certificate of authentication substantially in the form set forth in Exhibit A attached hereto and made a part hereof shall have been duly executed by a duly authorized representative of the Trustee, and such executed certificate of the Trustee upon any such Series 2017 Bond shall be conclusive evidence that such Series 2017 Bond has been authenticated and delivered under this Second Supplemental Indenture. The Trustee’s certificate of authentication on any Series 2017 Bond shall be deemed to have been executed by it if signed by an authorized representative of the Trustee, but it shall not be necessary that the same representative sign the certificate of authentication on all of the Series 2017 Bonds issued hereunder.

Section 3.7 Mutilated, Lost, Stolen, or Destroyed Series 2017 Bonds. In the event any outstanding Series 2017 Bond, whether temporary or definitive, is mutilated, lost, stolen, or destroyed, the Authority may
execute and, upon its request, the Trustee may authenticate a new Series 2017 Bond of the same principal amount and of like tenor as the mutilated, lost, or stolen or destroyed Series 2017 Bond; provided that, in the case of any mutilated Series 2017 Bond, such mutilated Series 2017 Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen, or destroyed Series 2017 Bond, there shall be first furnished to the Authority and the Trustee evidence of such loss, theft, or destruction in form satisfactory to the Authority and the Trustee, together with indemnity satisfactory to them. In the event any such Series 2017 Bond shall have matured, instead of issuing a substitute Series 2017 Bond the Authority may authorize the payment of the same. The Authority and the Trustee may charge the owner of such Series 2017 Bond with their reasonable fees and expenses in this connection. Any Series 2017 Bond issued under the provisions of this Section 3.7 in lieu of any Series 2017 Bond alleged to be destroyed, lost, or stolen shall constitute an original additional contractual obligation on the part of the Authority, whether or not the Series 2017 Bond so alleged to be destroyed, lost, or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Second Supplemental Indenture together with all other Series 2017 Bonds in substitution for which such Series 2017 Bonds were issued.

Section 3.8 Registration of Series 2017 Bonds.

(a) The Trustee shall be the bond registrar for the Series 2017 Bonds. So long as any of the Series 2017 Bonds shall remain outstanding, there shall be maintained and kept for the Authority, at the principal corporate trust office of the Trustee, the Bond Register for the registration and transfer of the Series 2017 Bonds and, upon presentation thereof for such purpose at said office, the Trustee shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as it may prescribe, any Series 2017 Bond.

(b) Each Series 2017 Bond shall be transferable only upon the Bond Register at the principal corporate trust office of the Trustee at the written request of the registered owner thereof or his legal representative duly authorized in writing upon surrender thereof, together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his legal representative duly authorized in writing. Upon the transfer of any such Series 2017 Bond, the Trustee shall issue in the name of the transferee, in authorized denominations, one or more Series 2017 Bonds of the same aggregate principal amount as the surrendered Series 2017 Bonds.

Section 3.9 Persons Treated as Owners.

(a) The Authority and the Trustee may, for the purpose of receiving payment of, or on account of, the principal of, premium, if any, and interest on any Series 2017 Bond and for all other purposes, deem and treat the person in whose name such Series 2017 Bond shall be registered upon the Bond Register as the absolute owner of such Series 2017 Bond, whether or not such Series 2017 Bond is overdue, and neither the Authority nor the Trustee shall be affected by any notice to the contrary.

(b) Payment made to the person deemed to be the owner of any Series 2017 Bond for the purpose of such payment in accordance with the provisions of this Section 3.9 shall be valid and effectual, to the extent of the sum or sums so paid, to satisfy and discharge the liability upon such Series 2017 Bond in respect of which such payment was made.

Section 3.10 Exchange and Transfer of Series 2017 Bonds. As long as any of the Series 2017 Bonds remain outstanding, there shall be permitted the exchange of Series 2017 Bonds at the principal corporate trust office of the Trustee. Any Series 2017 Bond or Series 2017 Bonds upon surrender thereof at the
principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his legal representative duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of other Series 2017 Bonds in Authorized Denominations.

(b) For every such exchange or transfer of Series 2017 Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee, or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

(c) The Trustee shall not be required to register the transfer or exchange of (a) any Series 2017 Bonds during the fifteen (15) day period next preceding the selection of Series 2017 Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2017 Bonds selected for redemption, or (b) any Series 2017 Bonds selected, called, or being called for redemption in whole or in part, except in the case of any Series 2017 Bond to be redeemed in part, the portion thereof not so to be redeemed.

Section 3.11 Cancellation and Destruction of Surrendered Series 2017 Bonds. Upon the surrender to the Trustee of any temporary or mutilated Series 2017 Bonds, or Series 2017 Bonds transferred or exchanged for other Series 2017 Bonds, or Series 2017 Bonds paid at maturity by the Authority, the same shall forthwith be canceled and destroyed by the Trustee, and the Trustee, upon the request of the Authority, shall deliver its certificate of such destruction to the Authority.

Section 3.12 Delivery of the Series 2017 Bonds.

(a) Upon the execution and delivery of this Second Supplemental Indenture, the Authority shall execute and deliver to the Trustee, and the Trustee shall authenticate the Series 2017 Bonds and deliver them to the purchasers thereof as shall be directed by the Authority as hereinafter in this Section provided. The Authority shall execute and deliver to the Trustee and the Trustee shall authenticate the Series 2017 Bonds and deliver them to the purchasers thereof as shall be directed by the Authority as hereinafter in this Section provided.

(b) Prior to or simultaneously with the delivery by the Trustee of the Series 2017 Bonds there shall be filed with the Trustee:

(i) A copy, duly certified by the Secretary, Executive Director, or an Assistant Secretary of the Authority, of the resolution or resolutions adopted by the Authority authorizing the execution and delivery of this Second Supplemental Indenture and the Second Supplemental Loan Agreement and all other instruments contemplated thereby and the authorization, issuance, sale, and delivery of the Series 2017 Bonds;

(ii) A copy, duly certified by an Authorized Corporation Representative, of the resolution or resolutions of the Corporation authorizing the execution and delivery of the Second Supplemental Loan Agreement, and all other instruments contemplated thereby and approving this Second Supplemental Indenture and the authorization, issuance, sale, and delivery of the Series 2017 Bonds;
(iii) Original executed counterparts of this Second Supplemental Indenture, the Second Supplemental Loan Agreement, the Fourth Supplemental Facilities Lease, and the Fourth Supplemental Ground Lease;

(iv) Signed copies of all opinions of counsel required in connection with the issuance of the Series 2017 Bonds and the transactions contemplated thereby;

(v) A request and authorization to the Trustee on behalf of the Authority and signed by its Chairman, Vice Chairman, Executive Director, Secretary, or an Assistant Secretary to authenticate and deliver the Series 2017 Bonds to the purchasers thereof and specifying the amounts to be deposited in the Series 2017 Cost of Issuance Account, the Replacement Fund, the Series 2017 Debt Service Reserve Fund, the Series 2017 Capitalized Interest Fund, and the Series 2017 Project Fund hereunder; and

(vi) A signed copy of the legal opinion of Jones Walker LLP, addressed to the Trustee, to the effect that (i) the Series 2017 Bonds are exempt from the registration requirements of the Securities Act of 1933, as amended, and this Second Supplemental Indenture is exempt from qualification under the Trust Indenture Act of 1939, as amended; and (ii) authorizing the Trustee to rely upon Bond Counsel’s approving opinion as if it were addressed to the Trustee.

(c) The Authority hereby authorizes and directs the Trustee to execute and deliver the Series 2017 Tax Regulatory Agreement dated the Closing Date, among the Authority, the Board, the Trustee, and the Corporation.

Section 3.13 Book-Entry Registration of Series 2017 Bonds.

(a) The Series 2017 Bonds shall be initially issued in the name of Cede & Co., as nominee for DTC, as registered owner of the Series 2017 Bonds, and held in the custody of DTC (or the Trustee as the agent of DTC under the F.A.S.T. delivery system). The Authority and the Trustee acknowledge that the Authority has executed and delivered a Blanket Letter of Representations with DTC and that the terms and provisions of said Letter of Representations shall govern in the event of any inconsistency between the provisions of this Second Supplemental Indenture and said Letter of Representations. A single bond certificate for each maturity of Series 2017 Bonds will be issued and delivered to DTC. The Beneficial Owners will not receive physical delivery of Series 2017 Bond certificates except as provided herein. Beneficial Owners are expected to receive a written confirmation of their purchase providing details of each Series 2017 Bond acquired. For so long as DTC shall continue to serve as securities depository for the Series 2017 Bonds as provided herein, all transfers of beneficial ownership interest will be made by book-entry only, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of Series 2017 Bonds is to receive, hold or deliver any Bond certificate.

(b) For every transfer and exchange of the Series 2017 Bonds, the Beneficial Owner may be charged a sum sufficient to cover such Beneficial Owner’s allocable share of any tax, fee or other governmental charge that may be imposed in relation thereto.

(c) The Authority, the Corporation and the Trustee will recognize DTC or its nominee as the Bondholder for all purposes, including notices and voting.

(d) Neither the Authority, the Trustee, the Corporation nor the Board is responsible for the performance by DTC of any of its obligations, including, without limitation, the payment of moneys
received by DTC, the forwarding of notices received by DTC or the giving of any consent or proxy in lieu of consent.

(e) Whenever during the term of the Series 2017 Bonds the beneficial ownership thereof is determined by a book entry at DTC, the requirements of this Second Supplemental Indenture of holding, delivering or transferring Series 2017 Bonds shall be deemed modified to require the appropriate person to meet the requirements of DTC as to registering or transferring the book entry to produce the same effect.

(f) DTC may determine to discontinue providing its services with respect to the Series 2017 Bonds at any time by giving notice to the Authority and the Trustee and discharging its responsibilities with respect thereto under applicable law.

(g) The Authority, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the Series 2017 Bonds if the Authority determines that (i) DTC is unable to discharge its responsibilities with respect to the Series 2017 Bonds, or (ii) a continuation of the requirement that all of the outstanding Series 2017 Bonds be registered on the registration books kept by the Trustee in the name of Cede & Co., or any other nominee of DTC, is not in the best interest of the beneficial owners of the Series 2017 Bonds.

(h) Upon the termination of the services of DTC with respect to the Series 2017 Bonds pursuant to the above two paragraphs, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Authority is willing and able to undertake such functions upon reasonable and customary terms, the Authority is obligated to deliver Series 2017 Bonds to the owner, at the expense of the said owner as described in this Second Supplemental Indenture, and the Series 2017 Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names holders transferring or exchanging Series 2017 Bonds shall designate in accordance with the provisions of this Second Supplemental Indenture.

(i) Notwithstanding any other provision of this Second Supplemental Indenture to the contrary, so long as any Series 2017 Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Series 2017 Bond and all notices with respect to such Series 2017 Bond shall be made and given, respectively, in the manner provided in the Blanket Letter of Representations of the Authority dated November 17, 1998 and delivered to DTC.

(j) If at any time DTC ceases to hold the Series 2017 Bonds, all references herein to DTC shall be of no further force or effect.

Section 3.14 Provisions Related to Bond Insurance. As long as any Series 2017 Bonds insured by the Series 2017 Bond Insurer are outstanding and the Series 2017 Bond Insurer is not then in default under the Series 2017 Bond Insurance Policy, then notwithstanding any provisions of the Indenture to the contrary, the provisions of this Section shall apply; provided, however, to the extent the Series 2017 Bond Insurer has made any payments under the Series 2017 Bond Insurance Policy it shall retain its rights of subrogation:

(a) The prior written consent of the Series 2017 Bond Insurer shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Series 2017 Debt Service Reserve Fund. Notwithstanding anything to the contrary set forth in the Indenture, amounts on deposit in the Series 2017 Debt Service Reserve Fund shall be applied solely to the payment of debt service due on the Series 2017 Bonds.
(b) Further to the rights granted to the Series 2017 Bond Insurer under Article VIII of the Indenture and as a term of the Indenture and each Series 2017 Bond, the Trustee and each owner of the Series 2017 Bonds appoint the Series 2017 Bond Insurer as their agent and attorney-in-fact with respect to the Series 2017 Bonds and agree that the Series 2017 Bond Insurer may at any time during the continuation of any proceeding by or against the Issuer, the Board, the Corporation or the University under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an “Insolvency Proceeding”) direct all matters relating to such Insolvency Proceeding, including without limitation, (A) all matters relating to any claim or enforcement proceeding in connection with an Insolvency Proceeding (a “Claim”); (B) the direction of any appeal of any order relating to any Claim; (C) the posting of any surety, supersedeas or performance bond pending any such appeal, and (D) the right to vote to accept or reject any plan of adjustment. In addition, the Trustee and each owner of the Series 2017 Bonds delegate and assign to the Series 2017 Bond Insurer, to the fullest extent permitted by law, the rights of the Trustee and each owner of the Series 2017 Bonds with respect to the Series 2017 Bonds in the conduct of any Insolvency Proceeding, including, without limitation, all rights of any party to an adversary proceeding or action with respect to any court order issued in connection with any such Insolvency Proceeding. Remedies granted to the Bondholders shall expressly include mandamus.

(c) The maturity of Series 2017 Bonds insured by the Series 2017 Bond Insurer shall not be accelerated without the consent of the Series 2017 Bond Insurer and in the event the maturity of the Series 2017 Bonds is accelerated, the Series 2017 Bond Insurer may elect, in its sole discretion, to pay accelerated principal and interest accrued, on such principal to the date of acceleration (to the extent unpaid by the Issuer) and the Trustee shall be required to accept such amounts. Upon payment of such accelerated principal and interest accrued to the acceleration date as provided above, the Series 2017 Bond Insurer's obligations under the Series 2017 Bond Insurance Policy with respect to such Series 2017 Bonds shall be fully discharged.

(d) The Series 2017 Bond Insurer is a third party beneficiary of the Indenture.

(e) The exercise of any provision of the Indenture which permits the purchase of Series 2017 Bonds in lieu of redemption shall require the prior written approval of the Series 2017 Bond Insurer if any Series 2017 Bond so purchased is not cancelled upon purchase.

(f) Unless the Series 2017 Bond Insurer otherwise directs, upon the occurrence and continuance of an Event of Default or an event which with notice or lapse of time would constitute an Event of Default, amounts on deposit in the Project Fund shall not be disbursed, but shall instead be applied to the payment of debt service or redemption price of the Series 2017 Bonds.

(g) The rights granted to the Series 2017 Bond Insurer under the Indenture or any other Bond Document to request, consent to or direct any action are rights granted to the Series 2017 Bond Insurer in consideration of its issuance of the Series 2017 Bond Insurance Policy. Any exercise by the Series 2017 Bond Insurer of such rights is merely an exercise of the Series 2017 Bond Insurer's contractual rights and, except as otherwise provided in the Bond Documents, shall not be construed or deemed to be taken for the benefit, or on behalf, of the Bondholders and such action does not evidence any position of the Series 2017 Bond Insurer, affirmative or negative, as to whether the consent of the Bondowners or any other person is required in addition to the consent of the Series 2017 Bond Insurer.

(h) To accomplish defeasance of the Series 2017 Bonds, the Issuer shall cause to be delivered (i) a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to the Series 2017 Bond Insurer (“Accountant”) verifying the sufficiency of the escrow established to pay the Series 2017 Bonds in full on the maturity or redemption date (“Verification”), (ii) an
escrow deposit agreement (which shall be acceptable in form and substance to the Series 2017 Bond Insurer), (iii) an opinion of nationally recognized bond counsel to the effect that the Series 2017 Bonds are no longer "Outstanding" under the Indenture and (iv) a certificate of discharge of the Trustee with respect to the Series 2017 Bonds; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the Issuer, Trustee and Series 2017 Bond Insurer. The Series 2017 Bond Insurer shall be provided with final drafts of the above-referenced documentation not less than five business days prior to the funding of the escrow. Series 2017 Bonds shall be deemed "Outstanding" under the Indenture unless and until they are in fact paid and retired or the above criteria are met.

(i) Amounts paid by the Series 2017 Bond Insurer under the Series 2017 Bond Insurance Policy shall not be deemed paid for purposes of the Indenture and the Series 2017 Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the Issuer in accordance with the Indenture. The Indenture shall not be discharged unless all amounts due or to become due to the Series 2017 Bond Insurer have been paid in full or duly provided for.

If, on the third Business Day prior to the related scheduled interest payment date or principal payment date ("Payment Date") there is not on deposit with the Trustee, after making all transfers and deposits required under the Indenture, moneys sufficient to pay the principal of and interest on the Series 2017 Bonds due on such Payment Date, the Trustee shall give notice to the Series 2017 Bond Insurer and to its designated agent (if any) (the "Insurer's Fiscal Agent") by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Series 2017 Bonds due on such Payment Date, the Trustee shall make a claim under the Series 2017 Bond Insurance Policy and give notice to the Series 2017 Bond Insurer and the Insurer's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Series 2017 Bonds and the amount required to pay principal of the Series 2017 Bonds, confirmed in writing to the Series 2017 Bond Insurer and the Insurer's Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Series 2017 Bond Insurance Policy.

The Trustee shall designate any portion of payment of principal on Series 2017 Bonds paid by the Series 2017 Bond Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Series 2017 Bonds registered to the then current Bondholder, whether DTC or its nominee or otherwise, and shall issue a replacement Series 2017 Bond to the Series 2017 Bond Insurer, registered in the name of Assured Guaranty Municipal Corp., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee's failure to so designate any payment or issue any replacement Series 2017 Bond shall have no effect on the amount of principal or interest payable by the Issuer on any Series 2017 Bond or the subrogation rights of the Series 2017 Bond Insurer.

The Trustee shall keep a complete and accurate record of all funds deposited by the Series 2017 Bond Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Series 2017 Bond. The Series 2017 Bond Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.
Upon payment of a claim under the Series 2017 Bond Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of owners of the Series 2017 Bonds referred to herein as the “Policy Payments Account” and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Series 2017 Bond Insurance Policy in trust on behalf of owners of the Series 2017 Bonds and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to owners of the Series 2017 Bonds in the same manner as principal and interest payments are to be made with respect to the Series 2017 Bonds under the sections hereof regarding payment of Series 2017 Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything herein to the contrary, the Issuer agrees to pay to the Series 2017 Bond Insurer, solely from the Trust Estate, (i) a sum equal to the total of all amounts paid by the Series 2017 Bond Insurer under the Series 2017 Bond Insurance Policy (the “Insurer Advances”); and (ii) to the extent permitted by law, interest on such Insurer Advances from the date paid by the Series 2017 Bond Insurer until payment thereof in full, payable to the Series 2017 Bond Insurer at the Late Payment Rate per annum (collectively, the “Insurer Reimbursement Amounts”). “Late Payment Rate” means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Series 2017 Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. The Issuer hereby covenants and agrees that the Insurer Reimbursement Amounts are secured by a lien on and pledge of the Trust Estate and payable from such Trust Estate on a parity with debt service due on the Series 2017 Bonds.

Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the Policy Payments Account following a Payment Date shall promptly be remitted to the Series 2017 Bond Insurer.

(k) The Series 2017 Bond Insurer shall, to the extent it makes any payment of principal of or interest on the Series 2017 Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Series 2017 Bond Insurance Policy (which subrogation rights shall also include the rights of any such recipients in connection with any Insolvency Proceeding). Each obligation of the Issuer to the Series 2017 Bond Insurer under the Bond Documents shall survive discharge or termination of such Bond Documents.

(l) The Issuer shall pay or reimburse the Series 2017 Bond Insurer, solely from amounts paid by the Corporation from Additional Rentals paid by the Board pursuant to the Facilities Lease and to the extent permitted by law, any and all charges, fees, costs and expenses that the Series 2017 Bond Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Bond Document; (ii) the pursuit of any remedies under the Indenture or any other Bond Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Indenture or any other Bond Document whether or not executed or completed, or (iv) any litigation or other dispute in connection with the Indenture or any other Bond Document or the transactions contemplated thereby, other than costs resulting from the failure of the Series 2017 Bond Insurer to honor its obligations under the Series 2017 Bond Insurance Policy. The Series 2017 Bond Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Indenture or any other Bond Document.
(m) After payment of reasonable expenses of the Trustee, the application of funds realized upon default shall be applied to the payment of expenses of the Issuer or rebate only after the payment of past due and current debt service on the Bonds and amounts required to restore each Debt Service Reserve Fund to its respective Debt Service Reserve Fund Requirement.

(n) The Series 2017 Bond Insurer shall be entitled to pay principal or interest on the Series 2017 Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Series 2017 Bond Insurance Policy) and any amounts due on the Series 2017 Bonds as a result of acceleration of the maturity thereof in accordance with the Indenture, whether or not the Series 2017 Bond Insurer has received a Notice of Nonpayment (as such terms are defined in the Series 2017 Bond Insurance Policy) or a claim upon the Series 2017 Bond Insurance Policy.

(o) The notice address of the Series 2017 Bond Insurer is: Assured Guaranty Municipal Corp., 1633 Broadway, New York, New York 10019, Attention: Managing Director – Surveillance, Re: Policy No. ______-N, Telephone: (212) 974-0100; Telexpier: (212) 339-3556. In each case in which notice or other communication refers to an Event of Default, then a copy of such notice or other communication shall also be sent to the attention of the General Counsel and shall be marked to indicate “URGENT MATERIAL ENCLOSED.”

(p) The Series 2017 Bond Insurer shall be provided with the following information by the Issuer, the Corporation or the Trustee, as the case may be:

(i) The fiscal year budget of the Board within thirty (30) days after adoption of such budget;

(ii) Annual audits prepared by the Legislative Auditor of the State of Louisiana, within two hundred and ten (210) days of the completion of the Board’s fiscal year or such later date as may be extended with the approval of the Legislative Auditor of the State of Louisiana and the Series 2017 Bond Insurer, together with a certification of the Board stating that no Event of Default has occurred or is continuing under the Bond Documents);

(iii) Notice of any draw upon the Series 2017 Debt Service Reserve Fund within two Business Days after knowledge thereof other than (i) withdrawals of amounts in excess of the Series 2017 Debt Service Reserve Fund Requirement and (ii) withdrawals in connection with a refunding of Series 2017 Bonds;

(iv) Notice of any default known to the Trustee, the Board or the Issuer within five Business Days after knowledge thereof;

(v) Prior notice of the advance refunding or redemption of any of the Series 2017 Bonds, including the principal amount, maturities and CUSIP numbers thereof;

(ix) A full original transcript of all proceedings relating to the execution of any amendment, supplement, or waiver to the Bond Documents;

(x) All reports, notices and correspondence to be delivered to Bondholders under the terms of the Bond Documents; and

In addition, to the extent that the Issuer or the Corporation has entered into a continuing disclosure agreement, covenant or undertaking with respect to the Series 2017 Bonds, all information furnished pursuant to such agreements shall also be provided to the Insurer, simultaneously with the furnishing of such information.

(q) The Series 2017 Bond Insurer shall have the right to receive such additional information as it may reasonably request.

(r) The Issuer and the Corporation will permit the Series 2017 Bond Insurer to discuss the affairs, finances and accounts of the Issuer and the Corporation or any information the Series 2017 Bond Insurer may reasonably request regarding the security for the Series 2017 Bonds with appropriate officers of the Issuer and the Corporation and will use commercially reasonable efforts to enable the Series 2017 Bond Insurer to have access to the facilities, books and records of the Issuer and the Corporation on any business day upon reasonable prior notice.

(s) The Trustee shall notify the Series 2017 Bond Insurer of any known failure of the Issuer, the Corporation and the Board to provide notices, certificates and other information under the Bond Documents.

(t) Notwithstanding satisfaction of the other conditions to the issuance of Additional Bonds set forth in Article V of the Indenture, no such issuance may occur unless each Debt Service Reserve Fund is fully funded at the respective Debt Service Reserve Fund Requirement (including the proposed issue) upon the issuance of such Additional Bonds, in either case unless otherwise permitted by the Bond Insurer.

(u) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Indenture would adversely affect the security for the Series 2017 Bonds or the rights of the Bondholders, the Trustee shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Series 2017 Bond Insurance Policy.

(v) No contract shall be entered into or any action taken by which the rights of the Series 2017 Bond Insurer or security for or sources of payment of the Series 2017 Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Series 2017 Bond Insurer.

(w) No interest rate exchange agreement or any other interest rate maintenance agreement shall be entered into that is payable from the Trust Estate without the prior written consent of the Series 2017 Bond Insurer.

Any amounts remaining in the Series 2017 Costs of Issuance Account one hundred and eighty (180) days after delivery of the Series 2017 Bonds (and not specifically committed to pay additional Costs of Issuance) shall be deposited into the Series 2017 Project Fund.

Section 4.3 Series 2017 Debt Service Fund. The Trustee shall deposit into the applicable account of the Series 2017 Debt Service Fund the amounts required by Section 4.8 of this Second Supplemental Indenture.
(a) Moneys on deposit in the Interest Account of the Series 2017 Debt Service Fund shall be used solely to pay the interest on the Series 2017 Bonds as it becomes due and payable, whether on an Interest Payment Date, at maturity, or upon acceleration and to reimburse the Series 2017 Bond Insurer in respect of interest on the Series 2017 Bonds paid under the Bond Insurance Policy.

(c) Whenever and to the extent that money on deposit in the Interest Account or the Principal Account is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2017 Bonds, the Trustee shall transfer money from the Surplus Fund, the Replacement Fund, and the Series 2017 Debt Service Reserve Fund, in that order.

Section 4.4 Series 2017 Project Fund. The Series 2017 Project Fund and the accounts therein shall be maintained by the Trustee in trust and shall be used to receive the immediate transfer from the balance of the proceeds of the Series 2017 Bonds in the amounts specified in the request and authorization delivered pursuant to Section 3.12(b)(v) hereof and as provided in Section 4.2(a)(iii) hereof and any future Extraordinary Rental payment received by the Trustee from or on behalf of the Corporation with written instructions to deposit such Extraordinary Rental payments into the Series 2017 Project Fund. Moneys in the Series 2017 Project Fund shall be applied to the payment of the Costs of the Series 2017 Facilities pursuant to the procedure established in Section 4.18 hereof and, pending such application, shall be subject to a lien and charge in favor of the Bondholders for the further security of such Bondholders until paid out or transferred as herein provided.

Section 4.5 Series 2017 Capitalized Interest Fund. The Series 2017 Capitalized Interest Fund shall be maintained with the Trustee and shall be funded on the date of delivery of the Series 2017 Bonds from the proceeds thereof. On each date on which the Issuer is required to transfer moneys to the Series 2017 Debt Service Fund pursuant to Section 4.8 hereof, prior to making any such transfer the Trustee shall transfer amounts on deposit in the Series 2017 Capitalized Interest Fund to the appropriate accounts of the Series 2017 Debt Service Fund in the amounts required by such subsections or such lesser amount as shall then remain in the Series 2017 Capitalized Interest Fund. Earnings on amounts in the Series 2017 Capitalized Interest Fund shall be retained therein.

The Series 2017 Tax Regulatory Agreement and any provisions of this Second Supplemental Indenture governing deposits to the Series 2017 Rebate Fund may be superseded or amended by the Corporation (except the requirement of annual calculations and deposits to the Series 2017 Rebate Fund, if required) if accompanied by an opinion of Bond Counsel addressed to the Corporation and the Trustee to the effect that the use of the new Series 2017 Tax Regulatory Agreement will not cause the interest on the Series 2017 Bonds to become includable in gross income of the recipient thereof for federal tax purposes.

Section 4.8 Receipts Fund. There shall be deposited into the Receipts Fund all funds received from or paid on behalf of the Board under the Facilities Lease, including: (i) daily, all rents, charges, and other amounts, held in the deposit account maintained by the Management Company pursuant any Management Agreement; and (ii) all Lawfully Available Funds from the Board used to make Base Rental Payments pursuant to the Facilities Lease. Section 4.9 Series 2017 Debt Service Reserve Fund.

(b) Whenever the amount in the Series 2017 Debt Service Reserve Fund, together with the amount in the Series 2017 Debt Service Fund is sufficient to pay in full all Outstanding Series 2017 Bonds in accordance with their terms (including principal or applicable premium and interest thereon), the funds on deposit in the Series 2017 Debt Service Reserve Fund shall be transferred to the Series 2017 Debt Service Fund and shall be available to pay all Outstanding Series 2017 Bonds. Prior to said transfer, all investments held in the Series 2017 Debt Service Reserve Fund shall be liquidated to the extent necessary in order to provide for the timely payment of principal and interest (or redemption premium) on the Series 2017 Bonds.

(c) In lieu of the required deposits or transfers to the Series 2017 Debt Service Reserve Fund or to provide for the removal of all or a portion of the amounts on deposit in the Series 2017 Debt Service Reserve Fund, the Authority may, with the prior written consent of the Series 2017 Bond Insurer, cause to be deposited into the Series 2017 Debt Service Reserve Fund a surety bond or an insurance policy satisfactory in form and substance to the Series 2017 Bond Insurer for the benefit of the holders of the Series 2017 Bonds or a letter of credit in an amount equal to (i) the difference between the Series 2017 Debt Service Reserve Requirement and the sums then on deposit in the Series 2017 Debt Service Reserve Fund, if any, or (ii) the Series 2017 Debt Service Reserve Requirement. The surety bond, insurance policy or letter of credit shall be payable (upon the giving of notice as required thereunder) on any due date on which monies will be required to be withdrawn from the Series 2017 Debt Service Reserve Fund and applied to the payment of principal of or interest on any Series 2017 Bonds when such withdrawal cannot be met by amounts on deposit in the Series 2017 Debt Service Reserve Fund or provided from any other Fund under this Second Supplemental Indenture. The insurer providing such surety bond or insurance policy shall be an insurer whose municipal bond insurance policies insuring the payment, when due, of the principal of and interest on municipal bond issues results in such issues being rated not lower than AA by S&P or Aa by Moody’s. The letter of credit issuer shall be a bank or trust...
company that is rated not lower than not lower than AA by S&P or Aa by Moody’s, and the letter of credit itself shall be rated not lower than AA by S&P or Aa by Moody’s. If a disbursement is made pursuant to a surety bond, an insurance policy or a letter of credit provided pursuant to this subsection, The Authority shall be obligated either (i) to reinstate the maximum limits of such surety bond, insurance policy or letter of credit or (ii) to deposit into the Series 2017 Debt Service Reserve Fund, funds in the amount of the disbursement made under such surety bond, insurance policy or letter of credit, or a combination of such alternatives, as shall provide that the amount in the Series 2017 Debt Service Reserve Fund equals the Series 2017 Debt Service Reserve Requirement. In connection with its obligation to provide for any reinstatement of amounts on deposit in the Series 2017 Debt Service Reserve Fund to the Series 2017 Debt Service Reserve Requirement, the Authority may agree to provide the insurer or the Authority of such letter of credit a pledge of the amounts to be deposited in the Series 2017 Debt Service Reserve Fund to provide for such reinstatement provided, however, such obligation shall be subject and subordinate to the pledge created by this Second Supplemental Indenture as security for the Series 2017 Bonds. Reimbursement of amounts paid by an insurer under a surety bond, insurance policy or letter of credit, including interest thereon, shall be made on a monthly basis commencing in the first month following each draw and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of such draw and the interest due thereon and shall be credited first to the principal due and then to interest due. In the event that the rating attributable to any insurer providing any surety bond or insurance policy (other than the Surety Provider) or any bank or trust company providing any letter of credit held as above provided in the Series 2017 Debt Service Reserve Fund shall fall below that required as above provided, the Authority shall use its best efforts to replace, as soon as possible, such surety bond, insurance policy or letter of credit with a surety bond, insurance policy or letter of credit which shall be satisfactory to the Series 2017 Bond Insurer and meet the above provided requirements.

(d) In the event that the Series 2017 Debt Service Reserve Fund contains both cash and a surety bond, insurance policy or letter of credit and a disbursement from the Series 2017 Debt Service Reserve Fund is required hereunder, the Trustee shall draw such disbursement first from cash on hand in the Series 2017 Debt Service Reserve Fund until the cash is completely drawn down before making any draw on the surety bond, insurance policy or letter of credit.

(e) In the event that the Trustee makes a disbursement from any surety bond, insurance policy or letter of credit in the Series 2017 Debt Service Reserve Fund, the Authority shall use any available funds first to reimburse the Authority of such surety bond, insurance policy or letter of credit prior to using such funds to replenish the Series 2017 Debt Service Reserve Fund with any cash necessary to meet the Series 2017 Debt Service Reserve Requirement.

(f) In the event of the refunding of any Series 2017 Bonds, the Trustee shall, if the Authority so directs, withdraw from the Series 2017 Debt Service Reserve Fund all, or any portion of, the amounts accumulated therein with respect to the Series 2017 Bonds being refunded and deposit such amounts to be held for the payment of the principal or redemption premium, if applicable, and interest on the Series 2017 Bonds being refunded; provided that such withdrawal shall not be made unless (i) immediately thereafter the Series 2017 Bonds being refunded shall be deemed to have been paid pursuant to Article XII and (ii) the amount remaining in the Series 2017 Debt Service Reserve Fund, after giving effect to the issuance of the refunding bonds and the disposition of the proceeds thereof, shall not be less than the Series 2017 Debt Service Reserve Fund Requirement.

Section 4.10 Debt Service Reserve Fund Surety Policy Provisions. Notwithstanding anything to the contrary set forth in the Indenture, the following provisions shall apply as long as the Series 2017 Reserve Policy is in effect:

{B110420.9} 39  SLU – Indenture

C-43
(a) The Issuer shall repay, or cause the Corporation to repay, any draws under the Series 2017 Reserve Policy and pay all related reasonable expenses incurred by the Series 2017 Insurer and shall pay interest thereon from the date of payment by the Series 2017 Bond Insurer at the Late Payment Rate. "Late Payment Rate" means the lesser of (x) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Series 2017 Bonds and (y) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event JPMorgan Chase Bank ceases to announce its Prime Rate publicly, Prime Rate shall be the publicly announced prime or base lending rate of such national bank as the Series 2017 Bond Insurer shall specify. If the interest provisions of this subparagraph (a) shall result in an effective rate of interest which, for any period, exceeds the limit of the usury or any other laws applicable to the indebtedness created herein, then all sums in excess of those lawfully collectible as interest for the period in question shall, without further agreement or notice between or by any party hereto, be applied as additional interest for any later periods of time when amounts are outstanding hereunder to the extent that interest otherwise due hereunder for such periods plus such additional interest would not exceed the limit of the usury or such other laws, and any excess shall be applied upon principal immediately upon receipt of such moneys by the Series 2017 Bond Insurer, with the same force and effect as if the Issuer or the Corporation had specifically designated such extra sums to be so applied and the Series 2017 Bond Insurer had agreed to accept such extra payment(s) as additional interest for such later periods. In no event shall any agreed-to or actual exaction as consideration for the indebtedness created herein exceed the limits imposed or provided by the law applicable to this transaction for the use or detention of money or for forbearance in seeking its collection.

Repayment of draws and payment of expenses and accrued interest thereon at the Late Payment Rate (collectively, "Policy Costs") shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of Policy Costs related to such draw.

Amounts in respect of Policy Costs paid to the Series 2017 Bond Insurer shall be credited first to interest due, then to the expenses due and then to principal due. As and to the extent that payments are made to the Series 2017 Bond Insurer on account of principal due, the coverage under the Series 2017 Reserve Policy will be increased by a like amount, subject to the terms of the Series 2017 Reserve Policy. The obligation to pay Policy Costs shall be secured by a valid lien on all revenues and other collateral pledged as security for the Series 2017 Bonds (subject only to the priority of payment provisions set forth under the Indenture).

All cash and investments in the Series 2017 Debt Service Reserve Fund shall be transferred to the Debt Service Fund for payment of debt service on the Series 2017 Bonds before any drawing may be made on the Series 2017 Reserve Policy or any other credit facility credited to the Series 2017 Debt Service Reserve Fund in lieu of cash ("Credit Facility"). Payment of any Policy Costs shall be made prior to replenishment of any such cash amounts. Draws on all Credit Facilities (including the Series 2017 Reserve Policy) on which there is available coverage shall be made on a pro-rata basis (calculated by reference to the coverage then available thereunder) after applying all available cash and investments in the Reserve Fund. Payment of Policy Costs and reimbursement of amounts with respect to other Credit Facilities shall be made on a pro-rata basis prior to replenishment of any cash drawn from the Reserve Fund. For the avoidance of doubt, "available coverage" means the coverage then available for disbursement pursuant to the terms of the applicable alternative credit instrument without regard to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.
(b) If either the Issuer or the Corporation shall fail to pay any Policy Costs in accordance with the requirements of subparagraph (a) hereof, the Series 2017 Bond Insurer shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under the Indenture other than (i) acceleration of the maturity of the Series 2017 Bonds or (ii) remedies which would adversely affect owners of the Series 2017 Bonds.

(c) The Indenture shall not be discharged until all Policy Costs owing to the Series 2017 Bond Insurer shall have been paid in full. The Issuer's obligation to pay such amounts shall expressly survive payment in full of the Series 2017 Bonds.

(d) The Issuer shall include any Policy Costs then due and owing the Series 2017 Bond Insurer in the calculation of the additional bonds test and the rate covenant in the Bond Documents.

(e) The Trustee shall ascertain the necessity for a claim upon the Series 2017 Reserve Policy in accordance with the provisions of subparagraph (a) hereof and provide notice to the Series 2017 Bond Insurer in accordance with the terms of the Series 2017 Reserve Policy at least three (3) Business Days prior to each date upon which interest or principal is due on the Series 2017 Bonds.

Nothing in this Section 4.10 is intended to require or obligate nor shall anything herein be interpreted to require or obligate the Issuer for any purpose or at any time whatsoever, to provide, apply or expend any funds coming into the hands of the Issuer other than from the Trust Estate, which Trust Estate shall include without limitation payments under Section 6 of the Facilities Lease.

Section 4.11 Surplus Fund. The Surplus Fund will continue to be maintained with the Trustee. Upon satisfaction of certain performance covenants contained in the Indenture, funds on deposit in the Surplus Fund at the end of any Fiscal Year may be transferred to the University. Until such transfer, moneys in the Surplus Fund will be available to be transferred to the Interest Account and/or the Principal Account of the Series 2004 Debt Service Fund, Series 2013 Debt Service Fund, or the Series 2017 Debt Service Fund whenever and to the extent that money on deposit in such Accounts is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004B Bonds, the Series 2013 Bonds, or the Series 2017 Bonds.

Section 4.12 Investments.

(a) Moneys contained in the funds and accounts held by the Trustee under Section 4.1 of this Second Supplemental Indenture shall be continuously invested and reinvested by the Trustee at the direction of the Corporation in Permitted Investments, to the extent practicable, that shall mature (or be readily convertible to cash) not later than the respective dates, as estimated by the Corporation, when the moneys in said Funds and Accounts shall be required for the purposes intended, and:

(i) No such investment shall be required to be made unless the cash at the time available therefor is at least equal to $1,000;

(ii) The Trustee shall be authorized, to the extent necessary to enable the Trustee to discharge or perform its obligations hereunder, at any one or more times to sell any part or all of the investments whenever it may, for any reason or purpose whatsoever, deem any such sale to be desirable;

(iii) Any income derived from and any profit or loss on any such investment of moneys on deposit in any such fund or account shall be credited or debited, as the case may be, to the respective fund or account in which earned;
(iv) No Permitted Investments in any fund or account may mature beyond the latest maturity date of any Series 2017 Bonds outstanding at the time such Permitted Investments are deposited. For the purposes of this section, the maturity date of repurchase agreements for obligations is the maturity date of such repurchase agreements and not the maturity date of the underlying obligation; and

(b) An Authorized Corporation Representative shall give to the Trustee directions respecting the investment of any money required to be invested hereunder, subject, however, to the provisions of this Article and Article V of the Second Supplemental Loan Agreement, and the Trustee shall then invest such money under this Section as so directed. The Trustee shall in no event have any liability for any loss resulting from the investment of moneys in accordance with the directions of the Authorized Corporation Representative. The Trustee shall furnish the Authority annually with a written copy and the Corporation with a written copy for the Board, on at least a monthly basis, of the types, amounts, yield and maturities of all such investments.

(c) All cash investments shall be valued by the Trustee as frequently as deemed necessary by the Trustee, but not less often than annually, at the market value thereof. Deficiencies in the amount on deposit in any fund or account resulting from a decline in market value shall be restored no later than the succeeding valuation date.

Section 4.13 Depository of Moneys and Security for Deposits. All of the funds and accounts established hereunder (except for the Series 2017 Rebate Fund) shall be special trust accounts held by the Trustee in trust for the benefit of the owners of the Series 2017 Bonds and shall not be subject to lien or attachment by any creditors of the Trustee, the Authority, the Corporation, or the Board. Uninvested sums in these funds and accounts shall be continually secured as are deposits of uninvested sinking funds of political subdivisions of the State or in the manner prescribed by Federal law for securing any Federal trust funds as may be prescribed from time to time by the Comptroller of the Currency.

Section 4.14 Arbitrage. Notwithstanding all the provisions hereof, the Authority or the Corporation shall not direct the investment of moneys in the various funds and accounts created hereunder in a manner that would result in the loss of exclusion from gross income of interest on the Series 2017 Bonds for Federal income tax purposes or in such manner which would result in the Series 2017 Bonds becoming "arbitrage bonds" within the meaning of Section 148 of the Code.

Section 4.15 Payments from the Series 2017 Project Fund.

(a) Payment of the Costs of the Series 2017 Facilities shall be made from the proceeds of the Series 2017 Bonds deposited into the Series 2017 Project Fund; provided, however that interest earnings on the amounts deposited into the Series 2017 Project Fund shall be transferred semi-annually fifteen (15) days prior to each Interest Payment Date, to the corresponding account of the Series 2017 Debt Service Fund and used to make the next payment of interest on the Series 2017 Bonds. All payments from the Series 2017 Project Fund shall be subject to the provisions and restrictions set forth in this Article, and the Authority covenants that it will not cause or permit to be paid from the Series 2017 Project Fund any sums except in accordance with such provisions and restrictions.

(b) Moneys in the Series 2017 Project Fund shall be used to pay the Costs of the Series 2017 Facilities; provided that if an Event of Default under the Second Supplemental Agreement or this Second Supplemental Indenture has occurred and is continuing, the Trustee shall transfer moneys in the Series 2017
Project Fund to the appropriate account of the Series 2017 Debt Service Fund for the purpose of paying the principal of and interest on the Series 2017 Bonds.

Section 4.16 Costs of the Series 2017 Facilities. For the purpose of this Second Supplemental Indenture, the Costs of the Series 2017 Facilities shall embrace such costs as are eligible costs within the purview of the Act and, with respect to the Series 2017 Bonds, the Code and, without intending thereby to limit or restrict any proper definition of such costs, shall include the following:

(a) obligations incurred by the Corporation for the benefit of the Board with respect to the lease of the Land and the design, acquisition, construction, demolition, and installation of the Series 2017 Facilities, for labor, materials, and services provided by contractors, builders, and others in connection with the demolition, construction, and equipping of the Series 2017 Facilities, machinery and equipment, necessary water and sewer lines and connections, utilities and landscaping, the restoration or relocation of any property damaged or destroyed in connection with such construction, the removal, demolition or relocation of any structures, and the clearing of lands and the reasonably allocable expenses of the Corporation with respect to the Series 2017 Facilities; the cost of acquiring by purchase, if deemed expedient, or leasing such Land, rights, rights of way, servitudes, easements, franchises, and other interests as may be deemed necessary or convenient by the Authorized Corporation Representative for the construction and equipping of the Series 2017 Facilities, the cost of options and partial payments thereon, the cost of demolishing or removing any buildings or structures on land so acquired, including the cost of acquiring any lands to which such buildings or structures may be moved and the amount of any damages incident to or consequent upon the construction of the Series 2017 Facilities;

(c) interest on the Series 2017 Bonds prior to the establishment of the completion date of the Series 2017 Facilities pursuant to Section 3.7 of the Second Supplemental Loan Agreement, and the reasonable fees and expenses, including counsel fees, of the Trustee for its services prior to and during construction, and premiums on insurance, if any, in connection with the Series 2017 Facilities;

(d) the cost of borings and other preliminary investigations, if any, to determine foundation or other conditions, expenses necessary or incident to determining the feasibility or practicability of constructing the Series 2017 Facilities and fees and expenses of engineers, architects, management consultants for making studies, surveys and estimates of cost and of revenues and other estimates, costs of environmental surveys, reports and remediation, and fees and expenses of engineers and architects for preparing plans and specifications and supervising construction as well as for the performance of all other duties of engineers and architects set forth herein in relation to the acquisition and construction of the Series 2017 Facilities and the issuance of the Series 2017 Bonds therefor;

(e) other items of expense not elsewhere in this Section specified incident to the lease of the Land and the demolition, design, construction, and equipping of the Series 2017 Facilities and the financing thereof, including professional fees, moving expenses, the acquisition of lands, property, rights, rights of way, easements, franchises, and interest in or relating to lands, including title insurance, cost of demand surveys, other surveys, and other expenses in connection with such acquisition, legal fees and expenses, and expenses of administration and overhead, all properly chargeable, in the opinion of the Authorized Corporation Representative, to the acquisition, demolition, construction, and equipping of the Series 2017 Facilities; and

(f) any obligation or expense heretofore or hereafter incurred or paid by the Corporation for or in connection with any of the foregoing purposes, including general legal fees and expenses incurred in connection with the Series 2017 Facilities.
Section 4.17  Requisitions from the Series 2017 Project Fund.

(a) Payments from the Series 2017 Project Fund shall be made in accordance with the provisions of this Section. In connection with a payment from the Series 2017 Project Fund, there shall be filed with the Trustee a requisition, substantially in the form of Exhibit B attached hereto and made a part hereof, signed by an Authorized Corporation Representative, stating:

(i) the item number of each such payment;

(ii) the name of the person, firm, or corporation to whom each such payment is due, or, if such payment has been made by the Corporation, that the Trustee is to reimburse the Corporation directly for such payment;

(iii) the respective amounts to be paid;

(iv) the purpose by general classification for which each obligation to be paid was incurred;

(v) that obligations in the stated amounts have been incurred by the Corporation and are either (A) presently due and payable or (B) have been paid by the Corporation and that each item thereof is a proper charge against the Series 2017 Project Fund and has not been the subject of any prior requisition;

(vi) that such requisition contains no item representing payment on account of any retainage to which the Corporation is entitled at the date of such requisition; and

(vii) a certification that all work, materials, supplies, and equipment that are the subject of such requisition have been performed or delivered and are in accordance with the description of the Series 2017 Facilities referred to above.

(b) Upon receipt of each requisition, the Trustee shall pay the obligations set forth in such requisition out of the money in the Series 2017 Project Fund, and each such obligation shall be paid by check signed by one or more officers or employees of the Trustee designated for such purpose by the Trustee or by wire transfer or credit to an account of the Corporation held by the Trustee or in such other manner as may be agreed on by the Corporation and the Trustee. In making such payments the Trustee may rely upon such requisitions. If for any reason the Corporation should decide prior to the payment of any item in a requisition not to pay such item, it shall give written notice of such decision to the Trustee and thereupon the Trustee shall not make such payment. Notwithstanding anything to the contrary provided in this Section, prior to payment of the first requisition, the Bondholders shall have received or shall have had an opportunity to review copies of a Memorandum of Ground Lease, a Memorandum of Facilities Lease, the Mortgage, and a UCC-1, each with stamped recordation information indicating that each document has been recorded in the mortgage, conveyance or clerk of court records of Tangipahoa Parish, as appropriate.

(c) The Trustee agrees to accept and act upon instructions or directions pursuant to this Second Supplemental Indenture sent by unsecured e-mail, facsimile transmission or other similar unsecured or electronic methods, provided however, that (i) such originally executed instructions or directions shall be signed by a person as may be designated and authorized to sign for the Corporation or in the name of the Corporation, by an authorized representative of the Corporation, and (ii) the Corporation shall provide to the Trustee an incumbency certificate listing such designated persons, which incumbency certificate shall be
amended whenever a person is to be added or deleted from the listing. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and compliance with such instructions notwithstanding such instructions conflict with or are inconsistent with a subsequent written instruction.

Section 4.18  Reliance upon Requisitions. All requisitions and opinions received by the Trustee as conditions of payment from the Series 2017 Project Fund may be relied upon by the Trustee and shall be retained by the Trustee, subject at all reasonable times to examination by the Authority, the Board, and the Corporation.

Section 4.19  Completion of the Series 2017 Facilities and Disposition of the Series 2017 Project Fund Balance. When the construction and renovation of the Series 2017 Facilities shall have been completed, which fact shall be evidenced to the Trustee by a certificate of an Authorized Corporation Representative delivered to the Trustee pursuant to Section 3.7 of the Second Supplemental Loan Agreement, the balance in the Series 2017 Project Fund shall be transferred by the Trustee to the Series 2017 Debt Service Fund (subject to the provisions of Section 4.4 hereof) and applied to redeem the Series 2017 Bonds in accordance with the provisions of Section 3.4 hereof, or as a credit towards the next debt service payment on the Series 2017 Bonds, all in accordance with the written direction of an Authorized Corporation Representative.

Section 4.20  Amounts Remaining in Funds; Releases. It is agreed by the parties hereto that any amounts remaining in the Funds and Accounts existing pursuant to this Second Supplemental Indenture upon the expiration or sooner cancellation or termination of the Second Supplemental Loan Agreement, as provided therein, after payment in full of all Series 2017 Bonds then outstanding under this Second Supplemental Indenture (or provisions for the payment thereof having been made in accordance with Article XII of this Second Supplemental Indenture), and the fees, charges, and expenses of the Authority, the Series 2017 Bond Insurer and the Trustee and all other amounts required to be paid under the Second Supplemental Loan Agreement and under this Second Supplemental Indenture, other than amounts payable as arbitrage rebate under Section 148(f) of the Code, shall belong to and be paid to the Board.

Section 4.21  Reserved.

Section 4.22  Application of Insurance Proceeds; Condemnation Award.

(a)  If all or any portion of the Series 2017 Facilities is damaged or destroyed by a Casualty (as defined in the Fourth Supplemental Facilities Lease), or is taken by Expropriation (as defined in the Fourth Supplemental Facilities Lease) proceedings, the Board shall instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration, or replacement of the Series 2017 Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. The proceeds of any insurance, including the proceeds of any self-insurance through ORM, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction, or taking of all or any portion of the Series 2017 Facilities shall be delivered to the Trustee and held by the Trustee in a special account to be established upon receipt of any such funds and held by the Trustee in trust or in the case of self-insurance through ORM, as set forth in paragraph (b) below; and shall be made available for, and to the extent necessary be applied to, such restoration, repair, and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement, and repair of the Series 2017 Facilities with respect to which they are held, in each case promptly after receipt of a written request of the Corporation as advised by
the Board stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Series 2017 Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee may conclusively rely upon such written requests and shall have no liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Series 2017 Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration, or replacement of the Series 2017 Facilities shall be paid by Trustee to the Corporation for the Board.

(b) In the event the University decides not to repair, restore, or replace the Series 2017 Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) shall be paid to the Trustee and applied to the redemption of the Series 2017 Bonds on a pro rata basis in accordance with this Second Supplemental Indenture. The provisions of this Section 4.22(b) shall control over the provisions of the second paragraph of Section 4.22(a) of the Original Indenture.

(c) In the event that ORM insures the Series 2017 Facilities, the Board shall cause the Corporation to use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration or replacement of the Series 2017 Facilities.

Section 4.23 Application of Money in the Replacement Fund.

(a) The Trustee shall, in accordance with Section 4.8 hereof, deposit an amount equal to the Replacement Fund Annual Funding Requirement into the Replacement Fund, beginning on August 1 of the first full Fiscal Year of operation of the Series 2017 Facilities and annually on each August 1 thereafter. Alternatively, this requirement shall be deemed to have been satisfied and no annual deposits shall be required under Section 4.8 hereof if the Board shall cause to be deposited with the Trustee a one-time deposit to the Replacement Fund in an amount equal to ten percent (10%) of the hard construction costs of the Series 2017 Facilities (not including professional services and fees) on August 1 of the first full Fiscal Year of operation of the Series 2017 Facilities. The amounts required to be deposited to the Replacement Fund hereunder may be reduced with the approval of the staff of the Board of Regents of the State of Louisiana, the Board and the Series 2017 Bond Insurer.

(b) All moneys in the Replacement Fund shall be held for the benefit of the Board through the Corporation, are not pledged under this Indenture and may be drawn on and used by the Corporation or the Board to (i) replace any worn out, obsolete, inadequate, unsuitable, or undesirable property, furniture, equipment, fixtures, and other property owned by the Board or the Corporation and located on the Series 2017 Facilities and (ii) maintain the Series 2017 Facilities and to make all alterations, repairs, restorations, and replacements to the Series 2017 Facilities as and when needed to preserve the Series 2017 Facilities in good working order, condition, and repair, each as required by the Fourth Supplemental Facilities Lease. Withdrawals from the Replacement Fund for the purposes set forth above shall be made by the Trustee upon its receipt of a requisition from the Board or the Corporation substantially in the form attached hereto as Exhibit C to this Second Supplemental Indenture. Moneys in the Replacement Fund may also be drawn by the Trustee and transferred to the Series 2004 Debt Service Fund, the Series 2013 Debt Service Fund, and the
Series 2017 Debt Service Fund if amounts on deposit therein, together with amounts available therefor in the Surplus Fund, are insufficient to pay debt service on the Series 2004B Bonds, the Series 2013 Bonds, and the Series 2017 Bonds, as applicable, on any Interest Payment Date or Principal Payment Date.

(c) Any moneys remaining in the Replacement Fund immediately prior to the time all of the Series 2004B Bonds, the Series 2013 Bonds, and the Series 2017 Bonds are paid, or provision for their payment is made in accordance with Article XII of the Indenture, shall, at the option of the University, be used, together with amounts held in the Series 2004B Debt Service Reserve Fund, the Series 2013 Debt Service Reserve Fund, or the Series 2017 Debt Service Reserve Fund, as applicable, to pay in full all outstanding Series 2004B Bonds, the Series 2013 Bonds, or the Series 2017 Bonds, as applicable, in accordance with their terms or shall be paid to the University.

Section 4.24 Application of Money in the Surplus Fund.

(a) Funds on deposit in the Surplus Fund at the end of any Fiscal Year may be transferred to the University on the date described below if (i) the Debt Service Coverage Ratio for the Facilities was 1.10:1.00 or greater for such Fiscal Year as evidenced by the audited financial statements for such Fiscal Year and (ii) neither the Corporation or the Board are in default under the financing documents on the date of transfer to the University. Upon receipt of the audited financial statements for such Fiscal Year, provided that the above described conditions have been met, then at the written instruction of the Board Representative, the Trustee shall transfer all of the amounts in the Surplus Fund on the last day of the immediately preceding Fiscal Year to the University.

(b) To the extent that there are insufficient funds in the Receipts Fund to make any of the transfers to the various funds and accounts required under Section 4.8(a) through (j) hereof on the dates such transfers are required to be made, any amounts contained in the Surplus Fund shall be transferred to such funds and accounts, in the priority set forth in Section 4.8 hereof, to make up for such deficiency.

Section 4.25 Application of Moneys in the Series 2017 Rebate Fund. Moneys in the Series 2017 Rebate Fund shall be used to make any rebate payments required to be made to the United States under the Code. The Series 2017 Rebate Fund shall be held for the sole benefit of the United States of America and is not pledged under this Second Supplemental Indenture. Moneys required to be paid to the United States shall be deposited in the Series 2017 Rebate Fund by the Board as Base Rental under the Fourth Supplemental Facilities Lease as required thereby and by this Second Supplemental Indenture.

ARTICLE V
ADDITIONAL BONDS

Section 5.1 Additional Bonds. Additional Bonds may be issued in accordance with the provisions of the Original Indenture.

ARTICLE VI
COSTS OF ISSUANCE

Section 6.1 Payment of Costs of Issuance from Series 2017 Bond Proceeds Fund. There shall be paid into the Series 2017 Costs of Issuance Account in the Series 2017 Bond Proceeds Fund the amounts required to be so paid from Series 2017 Bond proceeds pursuant to Section 4.2 of this Second Supplemental Indenture; and such amounts shall be applied to the payment of all items of expense, directly or indirectly
payable or reimbursable and related to the authorization, sale and issuance of the Series 2017 Bonds including, but not limited to, publication costs, printing costs, costs of preparation and reproduction of documents, filing and recording fees, initial fees and charges of the Trustee, the Authority, or any other fiduciary, legal fees and charges, fees and disbursements of consultants and professionals and any other cost, charge or fee in connection with the original sale and issuance of the Series 2017 Bonds. Any additional costs of issuance shall be paid solely by the Corporation. The Trustee shall make payments from the Series 2017 Costs of Issuance Account upon receipt of statements from the parties entitled to be paid therefrom accompanied by a written request of the Authority directing the Trustee to pay such statements.

ARTICLE VII
ENFORCEMENT OF SECOND SUPPLEMENTAL LOAN AGREEMENT
AND FOURTH SUPPLEMENTAL FACILITIES LEASE

Section 7.1 Assignment of Second Supplemental Loan Agreement and Fourth Supplemental Facilities Lease. The Authority has assigned all of its right, title, and interest in, to, and under the Second Supplemental Loan Agreement (except for rights relating to exculpation, indemnification, and payment of expenses thereunder), including the interest of the Authority in and to the Fourth Supplemental Ground Lease and the Fourth Supplemental Facilities Lease assigned by the Corporation to the Authority thereunder (except for payments of Additional Rentals made under the Fourth Supplemental Facilities Lease), to the Trustee as security for the Series 2017 Bonds and hereby agrees that the Second Supplemental Loan Agreement and the Fourth Supplemental Facilities Lease may be enforced by the Trustee and/or the owners of the Series 2017 Bonds in accordance with the terms of the Fourth Supplemental Facilities Lease and this Second Supplemental Indenture. Notwithstanding such assignment, the Authority agrees to cause the Corporation to comply with the terms contained in the Second Supplemental Loan Agreement and the Fourth Supplemental Facilities Lease and the rights of the Bondholders and the Trustee shall be governed by the provisions of this Second Supplemental Indenture, the Second Supplemental Loan Agreement, and the Fourth Supplemental Facilities Lease.

Section 7.2 Trustee or Bondholders to Enforce Second Supplemental Loan Agreement, Fourth Supplemental Facilities Lease and Mortgage. The Trustee may, and upon request of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) and the Series 2017 Bond Insurer or a majority in aggregate principal amount of the Bonds then outstanding shall, subject to the provisions of Section 8.11 and Article IX hereof, strictly and promptly enforce the provisions of the Second Supplemental Loan Agreement, the Fourth Supplemental Facilities Lease, and the Mortgage so long as any of the Bonds remain outstanding under this Second Supplemental Indenture. All rights of action (including the right to file proof of claims) to enforce the Second Supplemental Loan Agreement, the Fourth Supplemental Facilities Lease, and the Mortgage under this Second Supplemental Indenture or under any of the Bonds may be enforced by the Trustee without the possession of the Bonds and without their production in any trial or other proceeding relating thereto. Any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee for the Bondholders without the necessity of joining as plaintiffs or defendants any of the Bondholders.

ARTICLE VIII
EVENTS OF DEFAULT; REMEDIES

Section 8.2   Events of Default.

(a) Each of the following events is hereby declared to be an additional "Event of Default" under Section 8.2 of the Original Indenture:

Such default shall not become an Event of Default if said default be of the nature that (A) it cannot be corrected within the thirty (30) day period after receipt of notice, but the Authority (or the Corporation pursuant to the provisions of Section 8.14 of this Second Supplemental Indenture) promptly shall institute and diligently pursue corrective action until such default is cured, (B) the Trustee shall determine that such default is not curable but such default does not affect the validity or enforceability of the Series 2017 Bonds, this Second Supplemental Indenture, or the Second Supplemental Loan Agreement, an event of nonperformance shall not have occurred under the Second Supplemental Loan Agreement (other than as a result of the cross-default provisions), and such default does not impair the security or the obligations provided for or under the Bonds, this Second Supplemental Indenture, or the Second Supplemental Loan Agreement and (C) the Bond Insurer shall have consented to such event not being an Event of Default.

(b) The word "default" as used herein means failure of performance when due, exclusive of any period of grace, if any, allowed to correct any such failure.

hereunder, including but not limited to, acceleration of the maturity of all Bonds, or suit at law or in equity to enforce or enjoin the action or inaction of parties under the provisions of the Indenture, the Loan Agreement or the Facilities Lease.

Section 8.4 Acceleration; Annulment of Acceleration.

(a) Upon the occurrence of an Event of Default described in Section 8.2 of the Indenture, the Trustee may, and upon the written request of the Series 2004 Bond Insurer (if any Series 2004 Bonds remain outstanding) and the Series 2017 Bond Insurer or the owners of a majority in aggregate principal amount of the Bonds shall, by notice in writing to the Authority, the Board, and the Corporation, declare the Bonds then outstanding immediately due and payable, and such Bonds shall become and be immediately due and payable, anything in such Bonds or in the Second Supplemental Loan Agreement or this Second Supplemental Indenture to the contrary notwithstanding, and, subject to Article IX, the Trustee may exercise any remedies granted to it therein. In such event, there shall be due and payable on the Bonds an amount equal to the principal amount of all the Bonds then outstanding plus all interest accrued thereon and which will accrue thereon to the date of payment; and

(b) At any time after the principal of the Bonds shall have been so declared to be due and payable and before the entry of final judgment or decree in any suit, action, or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under the Indenture, the Loan Agreement, or the Facilities Lease, the Trustee may annul such declaration and its consequences with respect to the Bonds if (i) moneys shall have been deposited in the Series 2017 Debt Service Fund, the Series 2004 Debt Service Fund, or the Series 2013 Debt Service Fund sufficient to pay all matured installments of principal (other than principal due solely because of acceleration) and interest; (ii) moneys shall be available sufficient to pay the charges, compensation, expenses, disbursements, advances, and liabilities of the Authority and the Trustee; (iii) all other amounts then payable by the Authority or the Corporation the Indenture or the Loan Agreement shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee; and (iv) every Event of Default known to the Authority or the Trustee (other than a default in the payment of the principal of the Bonds due only because of such declaration) shall have been remedied to the satisfaction of the Authority and the Trustee. No such annulment shall extend to or affect any subsequent Event of Default or impair any right consequent thereon.

(c) No waiver of any Event of Default shall be effective without the prior written consent of the Bond Insurer.

Section 8.5 Insufficiency in the Series 2017 Debt Service Fund; Application of Moneys.

(a) Anything in this Second Supplemental Indenture to the contrary notwithstanding, if at any time the moneys in the Series 2017 Debt Service Fund shall not be sufficient to pay the interest on, premium, if any, or the principal of the Series 2017 Bonds as the same shall become due and payable (either by their terms or by acceleration of maturities), such moneys, together with any other moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall, subject to the provisions of Sections 9.2 and 9.4 hereof, be applied as follows:

(i) Unless the principal of all the Series 2017 Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:
FIRST, to the payment to the persons entitled thereto of all installments of interest then due and payable in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay any particular installment, then to the payment thereof, ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Series 2017 Bonds; then

SECOND, to the payment to the persons entitled thereto of the unpaid principal of any of the Series 2017 Bonds which shall have become due and payable (other than Series 2017 Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Second Supplemental Indenture) in the order of their due dates, with interest on the principal amount of such Series 2017 Bonds due and payable, and, if the amount available shall not be sufficient to pay in full the principal of the Series 2017 Bonds and their interest thereon, then to the payment thereof ratably, according to the amount of the interest due on such date, and next to the payment of the principal, ratably, according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference; and then

THIRD, to the payment of the interest on and the principal of the Series 2017 Bonds, to the purchase and retirement of Series 2017 Bonds and to the redemption of Series 2017 Bonds, all in accordance with the provisions of this Second Supplemental Indenture.

(ii) If the principal of all the Series 2017 Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Series 2017 Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Series 2017 Bond over any other Series 2017 Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference; and

(iii) If the principal of all the Series 2017 Bonds shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled, then, subject to the provisions of Section 8.4(b) above, in the event that the principal of all the Series 2017 Bonds shall later become or be declared due and payable, then all such moneys shall be applied in accordance with the provisions of Section 8.4(a) above.

(b) Whenever money is to be applied by the Trustee pursuant to the provisions of this Section, such money shall be applied by the Trustee at such times and from time to time as the Trustee in its sole discretion shall determine, having due regard to the amount of such money available for application and the likelihood of additional money becoming available for application in the future; the deposit of such money or otherwise setting aside such money in trust for the proper purpose shall constitute proper application by the Trustee; and the Trustee shall incur no liability whatsoever to the Authority, to any Bondholder or to any other person for any delay in applying any such money, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this Second Supplemental Indenture as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such money, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date and shall not be
required to make payment to the owner of any Series 2017 Bond until such Series 2017 Bond shall be surrendered to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 8.6 Discontinuance of Proceedings. In case any proceeding taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, then and in every such case the Authority, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no proceeding had been taken.

Section 8.7 Appointment of Receiver. Upon the occurrence of an Event of Default, and upon filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Bondholders under the Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or keeper pending such proceedings, with such powers as the court making such appointment shall confer. Any expenses incurred in connection with such appointment shall be paid by the Corporation but only from the Trust Estate.

Section 8.8 Remedies Not Exclusive. No remedy by the terms of the Indenture conferred upon or reserved to the Trustee or the Bondholders is intended to be exclusive of any other remedy, but each and every remedy shall be cumulative and shall be in addition to every other remedy given under the Indenture or existing at law or in equity on or after the date of adoption of the Indenture.

Section 8.9 Remedies Vested in Trustee. All rights of action under the Indenture, the Loan Agreement, or under any of the Bonds may be enforced by the Trustee without possession of the Bonds and without their production in any trial or other proceeding relating thereto. Any suit or proceeding instituted by the Trustee may be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any owners of the Bonds.

Section 8.10 Majority of Bondholders Control Proceedings. Subject to Section 8.6, if an Event of Default shall have occurred and be continuing, notwithstanding anything in the Indenture to the contrary, but subject to all rights granted to the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) and the Series 2017 Bond Insurer in the Indenture, the owners of at least a majority of the aggregate outstanding principal amount of Bonds then outstanding shall have the right, at any time by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting any proceeding to be taken in connection with the enforcement of the terms and conditions of the Indenture, provided the direction is in accordance with law and the provisions of this Indenture and, in the sole judgment of the Trustee, is not unduly prejudicial to the interest of Bondholders not joining in such direction, and provided further, that nothing in this Section shall impair the right of the Trustee in its discretion to take any other action under the Indenture which it may deem proper and which is not inconsistent with the direction by Bondholders.
Section 8.11 Individual Bondholder Action Restricted.

(a) No owner of any Series 2017 Bond shall have any right to institute any suit, action, or proceeding for the enforcement of this Second Supplemental Indenture or for the execution of any trust hereunder or for any remedy under this Second Supplemental Indenture unless an Event of Default has occurred (other than under Sections 8.2(a)(i) or 8.2(a)(ii)) of the Original Indenture as to which the Trustee has actual notice, or as to which the Trustee has been notified in writing; and

(b) No one or more owners of Series 2017 Bonds shall have any right in any manner whatsoever to disturb or prejudice the security of this Second Supplemental Indenture or to enforce any right hereunder except in the manner herein provided and then only for the equal benefit of the owners of all outstanding Series 2017 Bonds.

Section 8.12 Waiver and Non-Waiver of Event of Default. No delay or omission of the Trustee or of any owner of Bonds to exercise any right or power accruing upon any Event of Default shall impair the right or power or shall be construed to be a waiver of an Event of Default or an acquiescence therein. Every power and remedy given by this Article to the Trustee and to the owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 8.13 Notice of Defaults.

(a) Within thirty (30) days after the receipt of notice of an Event of Default or the occurrence of an Event of Default of which the Trustee is deemed to have notice, the Trustee shall (unless the Event of Default has already been cured) give written notice of the Event of Default to the owners of all Series 2017 Bonds then outstanding in the manner provided in Section 13.8 of this Second Supplemental Indenture, provided that, except in the case of a default in the payment of principal, redemption price, or interest on any of the Series 2017 Bonds, the Trustee may withhold the notice to the Bondholders if, in its sole judgment, it determines that the withholding of notice is not detrimental to the best interest of the Bondholders.

(b) The Trustee shall immediately notify, in writing, the Authority, the Board, the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding), the Series 2017 Bond Insurer, and the Corporation of any Event of Default known to the Trustee.

Section 8.14 Opportunity of Corporation to Cure Certain Defaults. The Authority and the Trustee hereby grant the Corporation full authority on the account of the Board and/or the Authority to perform any covenant or obligation and to otherwise fulfill any condition the failure or non-performance of which is or is alleged to be a default under Section 8.2(a)(vi) of this Second Supplemental Indenture, and the Trustee agrees that performance by the Corporation shall be deemed to be performance by the Board and/or the Authority.

ARTICLE IX
CONCERNING THE TRUSTEE

Section 9.1 Acceptance of Trusts. The Trustee hereby represents and warrants to the Authority (for the benefit of the Board, the Corporation and the Bondholders as well as the Authority) that it is a state banking corporation duly organized and existing under the laws of the State of Alabama and that it is duly authorized under such laws to accept and execute trusts of the character herein set out. The Trustee accepts and agrees to execute the trusts imposed upon it by this Second Supplemental Indenture, but only upon the terms and conditions set forth in this Article and subject to the provisions of this Second Supplemental Indenture.
including the following express terms and conditions, to all of which the parties hereto and the respective Owners of the Series 2017 Bonds agree:

(a) Except during the continuance of an Event of Default within the purview of Section 8.2, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Second Supplemental Indenture, and the Trustee shall not be responsible for (x) the legality or enforceability of this Second Supplemental Indenture (except with respect to performance of its obligations hereunder), the Second Supplemental Loan Agreement (except with respect to performance of its obligations hereunder), the Fourth Supplemental Facilities Lease (except with respect to performance of its obligations hereunder), the Series 2017 Tax Regulatory Agreement (except with respect to performance of its obligations hereunder), and any supplement thereto, the Series 2017 Bonds (except as to the authentication of the Series 2017 Bonds), or any instruments or documents related thereto (collectively, the "Transaction Documents") or (y) the legality, perfection, sufficiency or priority of the Trust Estate or any lien purporting to be granted thereon under any of the aforesaid documents or otherwise. No implied covenants or obligations shall be read into this Second Supplemental Indenture against the Trustee.

(b) No provision of this Second Supplemental Indenture shall be construed to relieve the Trustee from liability for its negligence or willful misconduct, except that:

(i) in the absence of bad faith on the part of the Trustee, the Trustee may rely upon the authenticity of, and the truth of the statements and the correctness of the opinions expressed in, and shall be protected fully from liability in relying or acting upon, any resolution, opinion of counsel, certificate, request, notice, consent, waiver, order, signature guaranty, notarial seal, stamp, acknowledgment, verification, appraisal, report or other paper or document believed by the Trustee to be genuine and to have been signed, affixed or presented by the proper party or parties; but in the case of any such certificates or opinions that by any provision hereby are specifically required to be furnished to the Trustee, as the case may be, the Trustee shall be under a duty to examine the same to determine whether or not they conform to requirements of this Second Supplemental Indenture;

(ii) in the absence of bad faith on the part of the Trustee, whenever the Trustee, or any of its agents, representatives, experts or counsel, shall consider it necessary or desirable that any matter be proved or established, such matter shall be deemed to be conclusively proved and established by a certificate executed by an Authorized Authority Representative or an Authorized Corporation Representative; provided, however, that the Trustee, or such agent, representative, expert or counsel may require, but is not obligated to require, such further and additional evidence and make such further investigation as it or they may consider reasonable;

(iii) the Trustee may consult with counsel and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered hereunder in good faith and in accordance with such advice or opinion of counsel;

(iv) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith and in accordance with any direction or request of the Bondholders;

(v) the Trustee shall not be liable for any error of judgment made in good faith by an officer or employee of the Trustee unless the Trustee is negligent in ascertaining the pertinent facts;

(vi) the Trustee shall not be deemed to have knowledge of any Event of Default, except for the failure of the Corporation to make or cause to be made scheduled payments to the Trustee
provided for in the Second Supplemental Loan Agreement, unless and until an officer of the Trustee who customarily handles corporate trusts and is assigned to supervise this Second Supplemental Indenture shall have actual knowledge thereof or the Trustee shall have received written advice thereof from any Bondholder;

(vii) anything in any of the Transaction Documents to the contrary notwithstanding, whether or not an Event of Default shall have occurred, the Trustee shall not be under any obligation to take any action under this Second Supplemental Indenture that may involve it in any expense or liability, the payment of which within a reasonable time is not, in its opinion, assured to it by the security afforded to it by the terms of this Second Supplemental Indenture, unless it is requested in writing to do so by one or more owners of the Series 2017 Bonds outstanding hereunder and furnished, from time to time as it may require, with security and indemnity satisfactory to it;

(viii) the Trustee need not take any action or follow any direction from any one or more Bondholders if the Trustee shall be advised by counsel that the action or proceedings so directed may not lawfully be taken or would be prejudicial to Bondholders not parties to such direction, or the Trustee in good faith believes following such direction would involve the Trustee in personal liability;

(ix) in no event shall the Trustee be liable to any person for special, indirect, punitive, exemplary or consequential damages, lost profits or loss of business arising under or in connection with this Second Supplemental Indenture, even if previously informed of the possibility of such damages and regardless of the form of action; and

(x) anything to the contrary in the Transaction Documents notwithstanding, the permissive right of the Trustee to do anything enumerated or set forth in any of the Transaction Documents shall not be construed as a duty, and the Trustee shall not be held responsible or liable for other than its negligence or willful misconduct.

(c) In case an Event of Default within the purview of Section 8.2 hereof has occurred and is continuing and the Trustee has or is deemed to have knowledge of the Event of Default pursuant to (b)(vi) above, subject to the provisions of this Article IX, the Trustee shall exercise such of the rights and powers vested in it by this Second Supplemental Indenture and use the degree of care and skill in their exercise as a prudent man would exercise under the circumstances.

(d) Whether or not therein expressly so provided, every provision of this Second Supplemental Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee, including without limitation Sections 9.3 and 9.4 hereof, shall be subject to the provisions of this Section 9.1. The Trustee also accepts, and agrees to do and perform, the duties and obligations imposed upon it by and under the Second Supplemental Loan Agreement, and the Fourth Supplemental Facilities Lease, but only upon the terms and conditions set forth in the Second Supplemental Loan Agreement, the Fourth Supplemental Facilities Lease, and this Second Supplemental Indenture. The rights of the Trustee to do things enumerated in this Second Supplemental Indenture shall not be construed as a duty.

Section 9.2 Trustee Entitled to Indemnity. The Trustee shall be under no obligation to institute any suit, or to take any remedial proceeding under this Second Supplemental Indenture or under the Second Supplemental Loan Agreement, or to enter any appearance in or in any way defend against any suit, in which it may be made a defendant (except in the case of the Trustee’s own negligence), or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder or under the Second Supplemental Loan Agreement or the Fourth Supplemental Facilities Lease, until it shall be
indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability; the Trustee may, nevertheless, begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as such Trustee, without indemnity, and in such case the Authority shall reimburse the Trustee from funds available therefor under the Second Supplemental Loan Agreement for all costs and expenses, outlays and counsel fees and other reasonable disbursements properly incurred in connection therewith. If the Authority shall fail to make reimbursement, the Trustee may reimburse itself from any moneys in its possession under the provisions of this Second Supplemental Indenture and shall be entitled to a preference over any of the Series 2017 Bonds.

Section 9.3  Trustee Not Responsible for Insurance, Taxes, Execution of Second Supplemental Indenture, Acts of the Authority or Application of Moneys Applied in Accordance with this Second Supplemental Indenture.

(a) The Trustee shall not be under any obligation to effect or maintain insurance or to renew any policies of insurance or to inquire as to the sufficiency of any policies of insurance carried by the Board or to report, or make or file claims or proof of loss for, any loss or damage insured against or which may occur, or to keep itself informed or advised as to the payment of any taxes or assessments, or to require any such payment to be made. The Trustee shall have no responsibility in respect of the validity, sufficiency, due execution or acknowledgment of this Second Supplemental Indenture or the validity or sufficiency of the security provided hereunder or in respect of the validity of the Series 2017 Bonds or the due execution or issuance thereof, except as to the authentication thereof.

(b) The Trustee shall not be under any obligation to see that any duties herein imposed upon any party other than itself, or any covenants herein contained on the part of any party other than itself to be performed, shall be done or performed, and the Trustee shall be under no obligation for failure to see that any such duties or covenants are so done or performed.

(c) The Trustee shall not be liable or responsible because of the failure of the Authority or of any of its employees or agents to make any collections or deposits or to perform any act herein required of the Authority or because of the loss of any moneys arising through the insolvency or the act or default or omission of any other depositary in which such moneys shall have been deposited under the provisions of this Second Supplemental Indenture. The Trustee shall not be responsible for the application of any of the proceeds of the Series 2017 Bonds or any other moneys deposited with it and paid out, withdrawn or transferred hereunder if such application, payment, withdrawal or transfer shall be made in accordance with the provisions of this Second Supplemental Indenture.

(d) The immunities and exemptions from liability of the Trustee hereunder shall extend to its directors, officers, employees and agents.

Section 9.4  Compensation. The Trustee shall be entitled to reasonable compensation for its ordinary services hereunder consistent with the results of the process by which the Trustee was selected and any extraordinary services rendered hereunder and to reimbursement for all expenses incurred in good faith hereunder, including the compensation, expenses and disbursements of such agents, representatives, experts and counsel as the Trustee may employ in connection with the exercise and performance of its powers and duties hereunder. Subject to the provisions of any contract relating to the compensation of the Trustee, the Authority shall cause the Board to pay to the Trustee as administrative expenses its reasonable fees and charges as Additional Rent in accordance with the Fourth Supplemental Facilities Lease upon the written request of the Trustee and provided the Authority shall be furnished with sufficient funds to pay all costs and expenses.

(including attorneys’ fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue. If the Board shall fail to make any payment required by this Section, the Trustee may, but shall be under no obligation to, make such payment from any moneys in its possession under the provisions of this Second Supplemental Indenture, and the Trustee shall be entitled to a preference therefor over any of the Series 2017 Bonds Outstanding hereunder.

Section 9.5 Trustee to Preserve Records. All records and files pertaining to the Corporation in the custody of the Trustee shall be open at all reasonable times to the inspection of the Authority, the Board, the Corporation and their agents and representatives.

Section 9.6 Trustee May be Bondholder. The Trustee and its directors, officers, employees, or agents may in good faith buy, sell, own, hold and deal in any of the Series 2017 Bonds issued under and secured by this Second Supplemental Indenture, and may join in the capacity of a Bondholder in any action which any Bondholder may be entitled to take with like effect as if such institution were not the Trustee under this Second Supplemental Indenture.

Section 9.7 Trustee Not Responsible for Recitals. The recitals, statements and representations contained herein and in the Series 2017 Bonds shall be taken and construed as made by and on the part of the Authority and not by the Trustee, and the Trustee shall not be under any responsibility for the correctness of the same.

Section 9.8 Trustee Responsible for Reinscription. The Trustee, as set forth in the Second Supplemental Loan Agreement, is required to reinscribe the Mortgage at such times as shall be necessary to preserve the lien thereof. Under the Second Supplemental Loan Agreement, the Corporation has covenanted to cooperate with the Trustee with regard to the foregoing. The Trustee shall notify the Authority in the event that any continuation statement shall be required to be filed in order to keep current any financing statements or other filings with respect to security interests securing the Series 2017 Bonds.

Section 9.9 Trustee May Rely on Certificates. Subject to the provisions of Section 9.1(b), the Trustee shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Second Supplemental Indenture, upon any resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or person or to have been prepared and furnished pursuant to any of the provisions of the Second Supplemental Loan Agreement or this Second Supplemental Indenture, or upon the written opinion of any attorney, engineer, accountant or other expert believed by it to be qualified in relation to the subject matter, and the Trustee shall not be under any duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument.

Section 9.10 Qualification of the Trustee. There shall at all times be a trustee hereunder which shall be a bank or trust company in good standing, duly authorized to exercise trust powers, subject to examination by federal or state authority, which is either (a) a bank or trust company, (b) a wholly-owned subsidiary of a bank or trust company, or (c) a wholly-owned subsidiary of a bank or holding company which has as a wholly-owned subsidiary a bank or trust company, in any case the holding company, bank or trust company having a combined capital, surplus and undivided profits of at least $30,000,000, or assets under management of at least $250,000,000, if there be such an institution willing, able and legally qualified to perform the duties of the Trustee hereunder on reasonable or customary terms. If at any time the Trustee shall cease to be eligible in
accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect
hereinafter specified in this Article.

Section 9.11  Resignation and Removal of Trustee.

(a)  No resignation or removal of the Trustee and no appointment of a successor Trustee
pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee,
acceptable to the Series 2017 Bond Insurer and the Series 2004 Bond Insurer (if any Series 2004B Bonds
remain outstanding), and otherwise appointed under Section 9.12 hereof and until notice of resignation or
removal and appointment, as the case may be, shall have been provided to the Series 2017 Bond Insurer and
the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding). Notwithstanding anything
herein to the contrary, the appointment of any successor Trustee must be approved in writing by the Series

(b)  The Trustee may resign at any time by giving written notice thereof to the Authority,
the Series 2017 Bond Insurer, the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding),
the Board, the Corporation, and the Bondholders. If an instrument of acceptance by a successor Trustee shall
not have been delivered to the Trustee within thirty (30) days after the giving of such notice of resignation, the
retiring Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c)  The Trustee may be removed for cause at any time by an instrument or instruments in
writing to the Trustee, with copies to the Issuer, the Series 2017 Bond Insurer, the Series 2004 Bond Insurer (if
any Series 2004B Bonds remain outstanding), the Board, and the Corporation, signed by the owners of not less
than a majority in aggregate principal amount of the Bonds then outstanding, or by their attorneys, legal
representatives, or agents and delivered to the Trustee, the Authority, the Board, and the Corporation (such
instruments to be effective only when received by the Trustee). The Authority, at the direction of the
Corporation, may also remove the Trustee, provided there is no event of default, at any time in the manner set
forth in this Section 9.11(c). The Trustee may be removed for cause at any time at the request of the Series
2017 Bond Insurer or the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding).

(d)  If at any time,

(i)  the Trustee shall cease to be eligible under Section 9.10 hereof and shall fail
to resign after written request therefor by the Corporation for the Board or by any Bondholder, or

(ii)  the Trustee shall become incapable of acting or shall be adjudged a bankrupt
or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take
charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation
or liquidation, then, in any such case, (1) the Authority, in its discretion and without obligation, may or the
Corporation, on behalf of the Board, may remove the Trustee, or (2) any Bondholder may, on behalf of himself
and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee
and the appointment of a successor, but only, in each case, with the prior written approval of the Bond Insurer

(e)  If the Trustee shall be removed or become incapable of acting, or if a vacancy shall
occur in the office of Trustee for any cause other than resignation (it being understood that no vacancy may
occur as a result of resignation since the Trustee may not resign unless a successor has been appointed) or if the
Trustee tenders its resignation, the Authority with the approval of the Corporation, and the Board (whose
consent shall not be unreasonably withheld) and the Series 2017 Bond Insurer shall promptly appoint a
successor provided the Authority shall be furnished with sufficient funds to pay all costs and expenses (including attorneys’ fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by an instrument or concurrent instruments in writing executed by the owners of not less than a majority in aggregate principal amount of the Bonds then outstanding, and delivered to the Corporation for the Board and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersedes the successor Trustee appointed by the Authority. If no successor Trustee shall have been so appointed by the Issuer or the Bondholders and accepted appointment in the manner hereinafter provided, any Bondholder who has been a bona fide owner of a Bond for at least six (6) months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Authority shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first class mail, postage prepaid, to all Bondholders upon the written request of the Trustee and provided the Issuer shall be furnished with sufficient funds to pay all costs and expenses (including attorney’s fees) reasonably incurred by the Issuer in connection therewith as such costs and expenses accrue. Each notice shall include the name and address of the principal corporate trust office of the successor Trustee.

Section 9.12 Successor Trustee.

(a) Every successor Trustee appointed hereunder shall execute, acknowledge, and deliver to its predecessor, and also to the Authority, the Series 2017 Bond Insurer, the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding), and the Corporation for the Board, an instrument in writing accepting such appointment hereunder, and thereupon such successor Trustee, without any further act, shall become fully vested with all the rights, immunities, powers, and trusts, and subject to all the duties and obligations, of its predecessors; but such predecessor shall, nevertheless, on the written request of its successor or of the Authority and upon payment of the expenses, charges, and other disbursements of such predecessor which are payable pursuant to the provisions of Section 9.4 hereof, execute and deliver an instrument transferring to such successor Trustee all the rights, immunities, powers, and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all property and moneys held by it hereunder to its successor, subject, nevertheless, to its preference, if any, provided for in Sections 9.2 and 9.4 hereof. Should any instrument in writing from the Authority be required by any successor Trustee for more fully and certainly vesting in such Trustee the rights, immunities, powers, and trusts hereby vested or intended to be vested in the predecessor Trustee any such instrument in writing shall and will be executed, acknowledged and delivered by the Issuer upon the written request of the Trustee and provided the Authority shall be furnished with sufficient funds to pay all costs and expenses (including attorneys’ fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue.

(b) Notwithstanding any of the foregoing provisions of this Article, any bank or trust company having power to perform the duties and execute the trusts of this Second Supplemental Indenture and otherwise qualified to act as Trustee hereunder with or into which the bank or trust company acting as Trustee may be merged or consolidated, or to which the corporate trust assets and corporate trust business of such bank or trust company may be sold, shall be deemed the successor of the Trustee.
Section 9.13  Co-Trustee.

(a) It is the purpose hereof that there shall be no violation of any law of any jurisdiction (including particularly the laws of the State) denying or restricting the right of banks or trust companies to transact business as trustee in such jurisdiction. It is recognized that in case of litigation hereunder and in particular in case of the enforcement of this Second Supplemental Indenture upon the occurrence of an Event of Default, it may be necessary that the Trustee appoint an additional individual or institution as a separate Trustee or Co-Trustee. The following provisions of this Section are adapted to these ends.

(b) Upon the incapacity or lack of authority of the Trustee, by reason of any present or future law of any jurisdiction, to exercise any of the rights, powers and trusts herein granted to the Trustee or to hold title to the Trust Estate or to take any other action which may be necessary or desirable in connection therewith, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in a separate Trustee or Co-Trustee appointed by the Trustee but only to the extent necessary to enable the separate Trustee or Co-Trustee to exercise such rights, powers and trusts, and every agreement and obligation necessary to the exercise thereof by such separate Trustee or Co-Trustee shall run to and be enforceable by either of them.

(c) Should any deed, conveyance or instrument in writing from the Authority be required by the separate Trustee or Co-Trustee so appointed by the Trustee in order to more fully and certainly vest in and confirm to him or it such properties, rights, powers, trusts, duties, and obligations, any and all such deeds, conveyances, and instruments shall, on request, be executed, acknowledged, and delivered by the Authority upon the written request of the Trustee and provided the Issuer shall furnish with sufficient funds to pay all costs and expenses (including attorneys’ fees) reasonably incurred by the Issuer in connection therewith as such costs and expenses accrue. In case any separate Trustee or Co-Trustee, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate Trustee or Co-Trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new Trustee or successor to such separate Trustee or Co-Trustee.

Section 9.14  Disclosure Documents. The Trustee shall have no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum or other disclosure material prepared or distributed with respect to the Series 2017 Bonds, except as provided in Section 13.13 herein.

Section 11.1  Payment of Principal, Premium, and Interest. The Authority covenants that it will promptly pay, or cause to be paid, the principal of, premium, if any, and the interest on every Series 2017 Bond at the places, on the dates and in the manner provided herein and in said Series 2017 Bonds according to the true intent and meaning thereof but solely from the revenues of the Trust Estate and not from any other fund or source. The Authority further covenants that it will faithfully perform at all times all of its covenants, undertakings and agreements contained in this Second Supplemental Indenture, the Second Supplemental Loan
Agreement or in any Series 2017 Bond executed, authenticated, and delivered hereunder or in any proceedings of the Authority pertaining thereto.

Section 11.2  Additional Security. The Authority covenants, whenever and so often as reasonably required to do so by the Trustee, promptly to execute and deliver or cause to be delivered all such other and further instruments, documents, or assurances, and to promptly do or cause to be done all such other further things, as may be necessary or reasonably required in order to further and more fully vest in the Trustee and the owners of the Series 2017 Bonds all rights, interest, powers, benefits, privileges, and advantages conferred or intended to be conferred upon them by this Second Supplemental Indenture.

Section 11.3  Cure Title Defects. The Authority covenants to promptly, upon the request of the Trustee, from time to time, take or cause to be taken such action as may be necessary or proper to remedy or cure any material defect in or cloud upon the title to the Trust Estate or any part thereof, whether now existing or hereafter developing, and to prosecute all such suits, actions, and other proceedings as may be appropriate for such purpose and to indemnify and save the Trustee and every owner of Series 2017 Bonds, solely from the Trust Estate, harmless from all loss, cost, damage, and expense, including attorneys’ fees, which they or either of them may ever incur by reason of any such defect, cloud, suit, action, or proceedings.

Section 11.4  Defend Against Actions. The Authority covenants to defend or cause to be defended every suit, action, or proceeding at any time brought against the Trustee or any owner of Series 2017 Bonds upon any claim arising out of the receipt, application or disbursement of any of the revenues of the Trust Estate or involving the Authority’s, the Trustee’s, or such Bondholders’ rights under this Second Supplemental Indenture or the Second Supplemental Loan Agreement and to indemnify and save harmless, solely from the Trust Estate, the Trustee and Bondholders against any and all liability claimed or asserted by any person whatsoever, arising out of such receipt, application, or disbursement of any such revenues; provided, however, that the Trustee or any owner of Series 2017 Bonds at its or his election may appear in and defend against any such suit, action, or proceeding; and notwithstanding any contrary provision hereof, this covenant shall continue and remain in full force and effect until all indebtedness, liabilities, obligations, and other sums secured hereby have been fully paid and satisfied, and this Second Supplemental Indenture has been released of record and the lien hereof discharged.

Section 11.5  Non-Impairment of Security. The Authority covenants that so long as any of the Series 2017 Bonds issued pursuant to this Second Supplemental Indenture are outstanding and unpaid, the Authority will not voluntarily consent to any amendment to the Second Supplemental Loan Agreement or otherwise take any action which will reduce the amount of moneys made available thereunder to the Trustee, or which will in any manner impair or adversely affect the rights of the Authority or the Trustee or the security provided by this Second Supplemental Indenture to the owners from time to time of the Series 2017 Bonds.

Section 11.6  Authority’s Obligation Limited.

(a)  Nothing in the Second Supplemental Agreement or this Second Supplemental Indenture is intended to require or obligate nor shall anything therein be interpreted to require or obligate the Authority for any purpose or at any time whatsoever, to provide, apply, or expend any funds coming into the hands of the Authority other than from the Trust Estate.

(b)  Any other term or provision in this Second Supplemental Indenture or in the Second Supplemental Loan Agreement, the Mortgage, the Series 2017 Tax Regulatory Agreement, the Bond Purchase Agreement, the Series 2017 Bonds, or elsewhere to the contrary notwithstanding:
(i) Any and all obligations (including without limitation, fees, claims, demands, payments, damages, liabilities, penalties, assessments, and the like) of or imposed upon the Issuer or its members, officers, agents, employees, representatives, advisors, or assigns, whether under this Second Supplemental Indenture or any of the Second Supplemental Loan Agreement, the Mortgage, the Series 2017 Tax Regulatory Agreement, the Bond Purchase Agreement, the Bonds or elsewhere and whether arising out of or based upon a claim or claims of tort, contract, misrepresentation, or any other or additional legal theory or theories whatsoever (collectively, the “Obligations”), shall in all events be absolutely limited obligations and liabilities, payable solely out of the following, if any, available at the time the Obligation in question is asserted:

(A) Bond Proceeds and investments therefrom; and

(B) Payments derived from the Bonds, this Second Supplemental Indenture (including the Trust Estate to the extent provided in this Second Supplemental Indenture), the Mortgage, and the Second Supplemental Loan Agreement (except the fees and expenses of the Authority and the Authority’s right to indemnification under the Second Supplemental Loan Agreement as set forth therein); (the above provisions (A) and (B) being collectively referred to as the “Exclusive Sources of the Obligations”).

(c) The Obligations shall not be deemed to constitute a debt or liability of the State or of any political subdivision thereof within the meaning of any State constitutional provision or statutory limitation and shall not constitute a pledge of the faith and credit of the State or of any political subdivision thereof, including the Authority, but shall be payable solely from and out of the Exclusive Sources of the Obligations and shall otherwise impose no liability whatsoever, primary or otherwise, upon the State or any political subdivision thereof, including the Authority, or any charge upon their general credit or taxing power.

(d) In no event shall any member, officer, agent, employee, representative, or advisor of the Authority, or any successor or assign of any such person or entity, be liable, personally or otherwise, for any Obligation.

(c) In no event shall this Second Supplemental Indenture be construed as:

(i) depriving the Issuer of any right or privilege; or

(ii) requiring the Authority or any member, officer, agent, employee, representative, or advisor of the Issuer to take or omit to take, or to permit or suffer the taking of, any action by itself or anyone else; which deprivation or requirement would violate or result in the Issuer’s being in violation of the Act or any other applicable state or federal law.

Section 11.7 Immunity of Officers, Employees, and Members of the Authority. No recourse shall be had for the payment of the principal of or premium or interest on any of the Series 2017 Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in this Second Supplemental Indenture against any past, present or future officer, director, member, employee or agent of the Authority, and all such liability of any such officers, directors, members, employees, or agents except for criminal or intentional acts as such is hereby expressly waived and released as a condition of and consideration for the execution of this Second Supplemental Indenture and the issuance of such Series 2017 Bonds. reason of the issuance thereof. No recourse shall be had for the payment of the principal of or premium or interest on any of the Series 2017 Bonds or for any claim based thereon or upon any obligation, covenant, or agreement contained in this Second Supplemental Indenture against any past, present or future officer, director, member, employee, or agent of the Authority, and all such liability of any such officers, directors, members, employees, or agents as such is hereby expressly waived and released as a condition of and in consideration for the execution of this Second Supplemental Indenture and the issuance of such Series 2017 Bonds.

Section 11.8 Role of the Authority. The Authority shall not be required to take any action not expressly provided for herein. The Authority shall have no obligation to review, control, or oversee the activities of Trustee in collecting any amounts payable pursuant to the Second Supplemental Agreement or the Second Supplemental Indenture, or the Mortgage, or in making any payments on the Series 2017 Bonds. Furthermore, the Authority shall not be obligated to take any action or execute any documents which might in its reasonable judgment involve it in any expense or liability unless it shall have been furnished with assurance of payment or reimbursement for any expense and with reasonable indemnity for liability of the Authority, its incorporators, directors, officers, and counsel.

Section 11.9 No Superior Pledge. Other than as provided in Article V hereof, the Authority shall grant no security interest or lien of any type in the Payments that is superior to the pledge set forth in Article II and shall issue no debt or obligation that is to be paid from the Payments prior to payment of principal of and interest on the Bonds and the other payments required hereunder. The Authority shall grant no security interest or lien or encumbrance of any type on the Payments that is on a parity with the pledge made by Article II.

ARTICLE XII
DEFEASANCE

Section 12.1 Payment.

(a) When all of the Series 2017 Bonds shall have been paid and discharged, and there shall have been paid all fees and charges of the Trustee due or to become due through the date on which the last of the Series 2017 Bonds is retired, then this Second Supplemental Indenture shall cease, terminate, and become null and void, and thereupon the Trustee shall release this Second Supplemental Indenture including the cancellation and discharge of the lien hereof, and execute and deliver to the Authority such instruments in writing as shall be requisite to satisfy the lien hereof and, if necessary, to enter on the records such satisfaction and discharge and to re-convey to the Authority any property or interest therein or other rights hereby conveyed and such other instruments to evidence such release and discharge as may be reasonably required by the Authority, and the Trustee shall assign and deliver to the Authority any property at the time subject to the lien of this Second Supplemental Indenture which may then be in its possession, except amounts in any Fund otherwise required to be paid by this Second Supplemental Indenture and except such cash and investments as are held by the Trustee for the payment of interest and premium, if any, on and retirement of the Series 2017 Bonds.

(b) Notwithstanding the foregoing, the obligation of the Corporation to pay the fees and expenses of the Trustee in accordance with the terms of this Second Supplemental Indenture shall survive the defeasance of the Series 2017 Bonds, the discharge of this Second Supplemental Indenture, and the termination of the Second Supplemental Loan Agreement.

This Series 2017 Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Second Supplemental Indenture until the certificate of authentication hereon shall have been signed by a duly authorized representative of the Trustee.

This Series 2017 Bond is one of the duly authorized issue of the Authority’s Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2017 (the “Series 2017 Bonds”), issued under and secured by the Second Supplemental Indenture (hereinafter defined) pursuant to which the Authority is issuing $35,465,000 aggregate principal amount of said revenue bonds on behalf of University Facilities, Inc., a nonprofit corporation (the “Corporation”) for the purpose of: (i) financing the development, design, construction, demolition, and equipping of replacement student housing and related facilities (the “Series 2017 Facilities”) for the Southeastern Louisiana University (the “University”), which Series 2017 Facilities will be leased to the Board on behalf of the University and will be located on immovable property owned by, or subject to the supervision and management of the Board of Supervisors for the University of Louisiana System (the “Board”) in the City of Hammond, Parish of Tangipahoa, Louisiana; (ii) funding a deposit to a debt service reserve fund; (iii) funding capitalized interest on the Series 2017 Bonds; and (iv) paying costs of issuance of the Series 2017 Bonds, including the premium for the bond insurance policy insuring the Series 2017 Bonds.

The proceeds of the Series 2017 Bonds have been loaned to the Corporation pursuant to a Loan and Assignment Agreement dated as of August 1, 2004 (the “Original Loan Agreement”), as supplemented and amended by a First Supplemental Loan and Assignment Agreement dated as of November 1, 2013 (the “Supplemental Loan Agreement”), and as further supplemented and amended by a Second Supplemental Loan and Assignment Agreement dated as of June 1, 2017 (the “Second Supplemental Loan Agreement” and, together with the Original Loan Agreement and the Supplemental Loan Agreement, the “Loan Agreement”), each between the Authority and the Corporation, for the foregoing purposes. The Board of Supervisors for the University of Louisiana System (the “Board”), acting on behalf of the University, has leased the land upon which the Series 2017 Facilities are located on the campus of the University (the “Land”) and the Series 2017
Facilities to the Corporation pursuant to a Ground and Buildings Lease Agreement dated as of August 1, 2004 (the “Original Ground Lease”), as supplemented and amended by the First Amendment to Ground and Buildings Lease Agreement dated as of March 1, 2007 (the “First Amendment to Ground Lease”), as supplemented and amended by a Second Amendment to Ground and Buildings Lease Agreement dated as of June 12, 2012 (the “Second Amendment to Ground Lease”), as further supplemented and amended by a Third Supplemental Ground and Buildings Lease Agreement dated as of November 1, 2013 (the “Third Supplemental Ground Lease”), as supplemented and amended by a Fourth Supplemental Ground and Buildings Lease Agreement dated as of June 1, 2017 (the “Fourth Supplemental Ground Lease” and, together with the Original Ground Lease, the First Amendment to Ground Lease, the Second Amendment to Ground Lease, and the Third Supplemental Ground Lease, the “Ground Lease”) each by and between the Board and the Corporation, and has leased the Series 2017 Facilities from the Corporation pursuant to an Agreement to Lease with Option to Purchase dated as of August 1, 2004 (the “Original Facilities Lease”), as supplemented and amended by a First Amendment to Agreement to Lease with Option to Purchase dated as of March 1, 2007 (the “First Amendment to Facilities Lease”), as further supplemented and amended by a Second Amendment to Agreement to Lease with Option to Purchase dated as of June 12, 2012 (the “Second Amendment to Facilities Lease”), as further supplemented and amended by a Third Supplemental Agreement to Lease with Option to Purchase dated as of November 1, 2013 (the “Third Supplemental Facilities Lease”), and as further supplemented and amended by a Fourth Supplemental Agreement to Lease with Option to Purchase dated as of June 1, 2017 (the “Fourth Supplemental Facilities Lease” and, together with the Original Facilities Lease, the First Amendment to Facilities Lease, the Second Amendment to Facilities Lease, and the Third Supplemental Facilities Lease, the “Facilities Lease”) each by and between the Corporation and the Board.

The Series 2017 Bonds are issued pursuant to the laws of the State, particularly Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 4548.16, inclusive) (the “Act”), and pursuant to a Trust Indenture dated August 1, 2004 (the “Original Indenture”), as supplemented and amended by a First Supplemental Trust Indenture dated as of November 1, 2013 (the “Supplemental Indenture”), as further supplemented and amended by a Second Supplemental Trust Indenture dated as of June 1, 2017 (the “Second Supplemental Indenture” and, together with the Original Indenture, and the Supplemental Indenture, the “Indenture”), each between the Authority and the Trustee, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, and to which Indenture reference is hereby made for a more complete description of the assigned revenues constituting the Trust Estate, the nature and extent of the security, the terms and conditions under which the Series 2017 Bonds are issued and secured, the terms and conditions under which Additional Bonds may be issued and secured, the rights, duties, and immunities of the Trustee and the rights of the registered owners of the Series 2017 Bonds. The registered owner of this Series 2017 Bond shall have no rights to enforce the provisions of the Second Supplemental Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Second Supplemental Indenture, or to institute, appear in, or defend any suit or other proceeding with respect thereto, except as provided in the Second Supplemental Indenture, and by acceptance of this Series 2017 Bond, the owner hereof assents to all of the provisions of the Second Supplemental Indenture. All terms not defined herein shall have the meanings assigned thereto in the Second Supplemental Indenture.

The Series 2017 Bonds have been issued on a parity with the $15,000,000 Louisiana Local Government Environmental Facilities and Community Development Authority Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B and the $40,910,000 Louisiana Local Government Environmental Facilities and Community Development Authority Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2013 under the Indenture.
The Series 2017 Bonds are issuable as fully registered bonds without coupons, in Authorized Denominations, and shall be numbered from No. R-1 upwards. The Series 2017 Bonds are limited and special revenue obligations of the Authority and are payable solely from (i) payments received by the Authority from the Corporation pursuant to the Second Supplemental Agreement (except however, the Authority’s rights to exculpation, indemnification and payment of expenses by the Corporation under the Second Supplemental Agreement) and (ii) all funds held by the Trustee under the Second Supplemental Indenture and available for such payment, said payments and funds being herein referred to as the “Trust Estate.” The Second Supplemental Agreement, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, provides that the Corporation is unconditionally obligated to make payments, but solely from the Payments (as defined in the Second Supplemental Agreement) in an aggregate amount sufficient, for the payment in full of the principal and interest of all Series 2017 Bonds issued and outstanding under the Second Supplemental Indenture, to the date of payment thereof, and certain costs, expenses and charges of the Authority and the Trustee. The Second Supplemental Agreement imposes upon the Corporation certain obligations respecting the use and operation of its Facilities and the maintenance and repair of said Facilities.

As long as any of the Series 2017 Bonds remain outstanding, there shall be permitted the exchange of Series 2017 Bonds at the principal corporate trust office of the Trustee. Any Series 2017 Bond or Series 2017 Bonds upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his legal representative duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of other Bonds in Authorized Denominations.

For every such exchange or transfer of Series 2017 Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee, or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Trustee shall not be required to register the transfer or exchange of (a) any Series 2017 Bonds during the fifteen (15) day period next preceding the selection of Series 2017 Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2017 Bonds selected for redemption, or (b) any Series 2017 Bonds selected, called or being called for redemption in whole or in part, except in the case of any Series 2017 Bond to be redeemed in part, the portion thereof not so to be redeemed.
Redemption Provisions

Optional Redemption

The Series 2017 Bonds maturing August 1, 2028 and thereafter are subject to redemption prior to maturity at the option of the Corporation, upon written direction to the Authority, on or after August 1, 2027 as a whole at any time, or in part on any Interest Payment Date, the maturity of said Bonds to be redeemed to be designated by the Corporation and selected within a maturity by the Trustee in such manner as the Trustee may determine, at the redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date.

Extraordinary Redemption

(i) If the Board shall purchase the Corporation’s leasehold interest in the Series 2017 Facilities pursuant to the Fourth Supplemental Facilities Lease, the Series 2017 Bonds shall be redeemed as a whole and shall be redeemed on the later of (a) August 1, 2027, or (b) the earliest practicable date, but not more than sixty (60) days, after such purchase, and in any event, at a price equal to the principal amount of the Series 2017 Bonds so redeemed plus accrued and unpaid interest to the date of redemption, without premium.

(ii) The Series 2017 Bonds shall be redeemed as a whole or in part (in Authorized Denominations) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds or proceeds received as a result of Expropriation proceedings with respect to the Series 2017 Facilities will not be applied to the restoration, repair, or reconstruction of the Series 2017 Facilities at a price equal to the principal amount of the Series 2017 Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, without premium, in an aggregate principal amount equal to the amount of such insurance proceeds, or Expropriation proceeds not used for restoration, repair, or reconstruction. If the amount of any insurance proceeds or Expropriation proceeds to be applied in redemption of the Series 2017 Bonds is not an Authorized Denomination, the principal amount of Series 2017 Bonds to be redeemed pursuant to this subsection (b) shall be decreased to the next lower Authorized Denomination. The Series 2004 Bonds will be so redeemed in the following order: first, Auction Rate Bonds; second, Variable Rate Bonds, third, Series 2004C Bonds; fourth, Series 2004B Bonds that bear interest at a Fixed Rate; fifth, the Series 2013 Bonds; and sixth, the Series 2017 Bonds.

*Final Maturity.

If on any occasion less than all of the Series 2017 Bonds then outstanding shall be redeemed pursuant to the optional or mandatory sinking fund redemption provisions described in the Second Supplemental Indenture, then the principal amount of the Series 2017 Bonds so redeemed shall be considered to have satisfied a portion of the mandatory sinking fund redemptions required by the above tables. The principal amounts required by the tables above shall be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional redemption.

Unless otherwise specified above, if less than all of the Series 2017 Bonds shall be called for redemption, the maturity of the Series 2017 Bonds to be redeemed shall be designated by the Corporation, on behalf of the Board, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Series 2017 Bond to be redeemed shall be in the principal amount of an Authorized Denomination. If a portion of any Series 2017 Bond shall be called for redemption, a new Series 2017 Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

At least thirty (30) days before the redemption date of any Series 2017 Bonds redeemed other than by mandatory sinking fund redemption, the Trustee shall cause a notice of any such redemption, signed by an authorized officer of the Trustee to be mailed, postage prepaid, to all Bondholders of record owning Series 2017 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register, but any defect in such mailing of any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2017 Bonds then outstanding shall be called for redemption, the numbers of such Series 2017 Bonds to be redeemed and, in the case of Series 2017 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2017 Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Series 2017 Bond, a new Series 2017 Bond in principal amount equal to the unredeemed portion of such Series 2017 Bond will be issued.

Modifications or alterations of the Second Supplemental Indenture or any agreement supplemental thereto or of the Second Supplemental Agreement or any agreement supplemental thereto may be made only to the extent and in the circumstances permitted by the Second Supplemental Indenture and the Second Supplemental Agreement. So long as no event of nonperformance under the Second Supplemental Agreement...
has occurred and is continuing, no such supplement shall become effective unless the Corporation, on behalf of the Board, shall have given its prior written approval.

It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State to exist, to have happened and to have been performed, precedent to and in the execution and delivery of the Second Supplemental Indenture and the issuance of this Series 2017 Bond, do exist, have happened, and have been performed in regular and due form as required by law.

"provided, however, that the term of this Agreement shall be extended through the date specified in any supplement to this Agreement."
Section 3.2  Nature and Benefits.

(a)  This Second Supplemental Loan Agreement has been executed and delivered in part to induce concurrently herewith the purchase by others of the Series 2017 Bonds, and, accordingly, all covenants and agreements on the part of the Corporation and the Authority, as set forth therein and herein, are hereby declared to be for the benefit of the Trustee for the owners from time to time of the Series 2017 Bonds. The Corporation consents and agrees to the assignment by the Authority to the Trustee under the Second Supplemental Indenture of all of the Authority’s right, title, and interest (except for certain rights relating to exculpation, indemnification, and payment of expenses) in, to, and under this Second Supplemental Loan Agreement, including the interest of the Authority in and to the Fourth Supplemental Facilities Lease assigned by the Corporation to the Authority hereunder, and agrees that the provisions hereof may be enforced by the Trustee under the provisions of the Indenture. (a)  The Corporation may revise the Fourth Supplemental Ground Lease, the Fourth Supplemental Facilities Lease and the Mortgage (collectively, the “Facilities Documents”) and the description of the Series 2017 Facilities in Exhibit A hereto from time to time (including, without limitation, the deletion or revision of any of the facilities included in the Series 2017 Facilities and/or the substitution thereof of other facilities) in accordance with the Fourth Supplemental Ground Lease without the consent of the Authority, the Trustee, or the holders of the Bonds but, with the consent of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) and the Series 2017 Bond Insurer; provided, however, that no such revision shall impair the exclusion from gross income of interest on the Bonds for Federal income tax purposes. In the case of any change that would render materially inaccurate the description of the Series 2017 Facilities in Exhibit A hereto, there shall be delivered to the Trustee and the Authority a revised Exhibit A containing a description of the Series 2017 Facilities that reflects the change in the Facilities Documents, the accuracy of which shall have been certified by an Authorized Corporation Representative.

The Corporation shall complete the construction and equipping of the Series 2017 Facilities and pay that portion of the completion Costs of the Series 2017 Facilities as may be in excess of the money available therefor in the Series 2017 Project Fund. The obligation of the Corporation to pay in full the completion Costs of the Series 2017 Facilities shall be a limited obligation of the Corporation payable solely from the Rentals.

If after exhaustion of the money in the Series 2017 Project Fund the Corporation should pay any portion of the Costs of the Series 2017 Facilities, it shall not be entitled to any reimbursement therefor from the Authority or from the Trustee, and shall not be entitled to any abatement, diminution, or postponement of payments required to be made by it under this Second Supplemental Loan Agreement.

Section 4.2 Amounts Payable.

(a) Upon the terms and conditions of this Second Supplemental Loan Agreement, the Authority shall lend to the Corporation the proceeds of the sale of the Series 2017 Bonds. The proceeds of the Loan shall be deposited with the Trustee and applied in accordance with the Second Supplemental Indenture.

(b) The Corporation, for and in consideration of the issuance of the Series 2017 Bonds under the Second Supplemental Indenture by the Authority and the application of the proceeds thereof by the Authority as provided in the Second Supplemental Indenture for the benefit of the Corporation, hereby promises to repay the Loan, but solely from the Base Rental, by making the following payments (collectively called the “Payments”) to or for the account of the Authority in an amount sufficient for the payment in full of all Bonds from time to time issued under the Second Supplemental Indenture and then outstanding, including (i) the total interest becoming due and payable on the Series 2017 Bonds to the date of payment thereof, and (ii) the total principal amount of and premium, if any, on the Series 2017 Bonds. The Payments with respect to the Series 2017 Bonds shall be payable directly to the Trustee for the account of the Authority in installments as follows:

(i) On the twenty-fifth (25th) day of each month, commencing June 25, 2017, in an amount equal to one-half (1/2) of the interest due and payable on such Series 2017 Bonds on August 1, 2017, or such lesser amount that, together with amounts already on deposit in the Interest Account of the Series 2017 Debt Service Fund will be sufficient to pay interest on such Series 2017 Bonds on such Interest Payment Date and thereafter, on the 25th day of each month, commencing August 25, 2017, an amount equal to one-sixth (1/6th) of the interest amount of the Series 2017 Bonds payable on the next Interest Payment Date;

(c) Each installment of the Payments payable by the Corporation hereunder shall be in an amount which, without regard to the payments required under Section 4.2(b)(iii) above, but including
moneys in the Series 2017 Debt Service Fund then available, shall be designed to provide for the timely payment in full of the principal of, premium, if any, and interest on the Series 2017 Bonds.

(d) Notwithstanding anything to the contrary contained herein, the Corporation promises that it will pay the Payments from the Base Rental, at such times and in such amounts as to assure that no default in the payment of the principal of, premium, if any, or interest on the Series 2017 Bonds shall at any time occur.

(e) Whenever the Corporation shall fail to pay the full amount of any installment of Payments payable under Sections 4.2(b)(i) through 4.2(b)(iii) above by the day of the month in which such installment is due, the Trustee shall give immediate telephonic notice thereof, promptly confirmed in writing, to an Authorized Corporation Representative.

(f) The Corporation shall also cause the Board to promptly pay when due under the Fourth Supplemental Facilities Lease all amounts of Additional Rental owed by the Board thereunder, including, but not limited to, all Default or Delay Rentals and Administrative Expenses (each as defined in the Fourth Supplemental Facilities Lease) owed to the Corporation, the Issuer and/or the Trustee thereunder. Each installment of the Payments payable by the Corporation hereunder shall be in an amount which, without regard to the payments required under Section 4.2(b)(iii) above, but including moneys in the Series 2017 Debt Service Fund then available, shall be designed to provide for the timely payment in full of the principal of, premium, if any, and interest on the Series 2017 Bonds.

(d) Surplus moneys (including investment earnings) contained in the Funds and Accounts held by the Trustee under the Second Supplemental Indenture, including the Series 2017 Debt Service Fund.

Section 4.4 Obligation to Make Payments. (d) Any change in the tax or other laws of the United States, the State, or any governmental authority;

(e) The termination of the Ground Lease or the Facilities Lease, any failure of title or any lawful or unlawful prohibition of the Corporation’s use of the Series 2017 Facilities or any portion thereof or the interference with such use by any person or any commercial frustration of purpose or loss or revocation of any permits, licenses or other authorizations required for the operation of the Series 2017 Facilities; and

(f) Any failure of the Authority or the Trustee to perform and observe any agreement or covenant, expressed or implied, or any duty, liability, or obligation arising out of or in connection with this Second Supplemental Loan Agreement, the invalidity, unenforceability, or disaffirmance of any of this Second Supplemental Loan Agreement, the Second Supplemental Indenture, or the Series 2017 Bonds or for any other cause similar or dissimilar to the foregoing.

(g) Furthermore, the Corporation covenants and agrees that it will remain obligated under this Second Supplemental Loan Agreement in accordance with its terms, and that it will not take or participate or acquiesce in any action to terminate, rescind, or avoid this Second Supplemental Loan Agreement.

Section 4.5 Prepayment of Payments.

(a) The Corporation is obligated to prepay the Payments, in whole or in part, on any date on which the Series 2017 Bonds are subject to optional redemption pursuant to the Second Supplemental Indenture, including, without limitation, Section 3.4(a) thereof.

(b) The option to redeem the Series 2017 Bonds under Section 3.4(a) of the Second Supplemental Indenture can be exercised only upon written direction of the Corporation to the Authority so long as the Fourth Supplemental Facilities Lease is outstanding. To exercise such option, the Corporation shall give written notice to the Authority and the Trustee and shall specify therein the date of such prepayment, which prepayment date shall be not fewer than thirty (30) days from the date such notice is received by the Trustee. The Authority and the Trustee shall make all necessary arrangements satisfactory to the Trustee for the redemption of Series 2017 Bonds to be redeemed under the Second Supplemental Indenture in accordance with the provisions thereof.

(c) The prepayment price payable by the Corporation, in the event of its exercise of the option granted in the Second Supplemental Indenture, or in the case of its obligation to prepay the Payments shall be the sum of the following:

(c) An amount of money equal to the fees and expenses of the Trustee and the Authority accrued and to accrue through such redemption and any amounts due to the Bond Insurer under the Bond Documents.

Section 4.6 Assignment of Fourth Supplemental Facilities Lease. In consideration for and in order to further secure the Corporation’s obligation to repay the Loan up to the maximum principal amount of Thirty-Five Million Four Hundred Sixty-Five Thousand Dollars ($35,465,000), the Corporation, as set forth in Section 3.2 of this Second Supplemental Agreement has consented and agreed to the assignment by the Authority to the Trustee of all of the Authority’s right, title, and interest in, to, and under this Second Supplemental Agreement and has transferred, assigned, and pledged unto the Trustee, all right, title, and interest of the Corporation in, to and under, among other things, the Fourth Supplemental Ground Lease, the Fourth Supplemental Facilities Lease and all proceeds of insurance received or receivable by the Corporation as a result of any damage to or destruction of the Series 2017 Facilities, or any part thereof, and all amounts received or receivable by the Corporation as compensation for the taking or the transfer of the Series 2017 Facilities, or any part thereof, in lieu of a taking or use of the Series 2017 Facilities, under the powers of eminent domain, all amounts received or receivable by the Corporation from the sale of the Series 2017 Facilities, or any part thereof, all amounts collected under payment and performance bonds, if any, maintained with respect to the Series 2017 Facilities, and any and all additional revenues, income, receipts, and other payments (including, without limitation, grants, donations, gifts, and appropriations received from any private or public source) that hereafter are received by the Corporation for or relating to the Series 2017 Facilities or that hereafter may be assigned by the Corporation pursuant to this Second Supplemental Agreement.

ARTICLE V
NON-ARBITRAGE

Section 5.1 Covenants as to Arbitrage.

(a) The Corporation hereby agrees to prepare and provide instructions to the Trustee as to the investment and reinvestment of moneys held as part of any fund or account relating to the Series 2017 Bonds. Any such moneys so held as part of any fund or account shall be invested or reinvested by the Trustee in Permitted Investments as specified in Section 4.12 of the Second Supplemental Indenture. The Corporation hereby covenants that it will comply with the terms of the Tax Regulatory Agreement and that it will make such use of the proceeds of the Series 2017 Bonds and all other funds held by the Trustee under the Second Supplemental Indenture, regulate the investment of such proceeds and other funds and take such other and further action as may be required so that the Series 2017 Bonds will not constitute arbitrage bonds under Section 148 of the Code and the regulations promulgated thereunder. The Corporation agrees that it will comply with the terms of any letter of instructions provided to it by nationally recognized bond counsel relating to compliance with the provisions of Section 148 of the Code.

(b) If the Corporation determines that it is necessary to restrict or limit the yield on the investment of any money paid to or held by the Trustee hereunder or under the Second Supplemental Indenture in order to avoid classification of the Series 2017 Bonds as arbitrage bonds within the meaning of the Code, the Corporation may issue to the Trustee an instrument to such effect (along with appropriate written instructions), in which event the Trustee will take such action as is necessary to restrict or limit the yield on such moneys in accordance with such instrument and instructions.

(c) The Corporation agrees to provide, or to engage qualified attorneys or consultants to provide, instructions to the Authority and the Trustee regarding any actions necessary to insure that such moneys will not be used in a manner which will cause the Series 2017 Bonds to be “arbitrage bonds”
within the meaning of Section 148 of the Code. The Corporation shall be responsible for engaging qualified attorneys or consultants to calculate rebate payments required by Section 148 of the Code.

(d) The Corporation has entered into the Tax Agreement and agrees to timely comply with the requirements set forth therein. The Corporation shall cause copies of any calculations or filings which are required to be made pursuant to the Tax Agreement to be delivered to the Authority within five (5) days of any such calculation or filing if requested.

(a) To comply with the terms, covenants, and provisions expressed or implied, of all contracts pertaining to, affecting, or involving the Series 2017 Facilities or the business of the Corporation, the violation or breach of which would materially and adversely affect the ability of the Corporation to fulfill its obligations hereunder;

(b) Whenever and so often as requested so to do by the Trustee or the Authority, promptly to execute and deliver or cause to be executed and delivered all such other and further instruments and documents, and to promptly do or cause to be done all such other and further things, as may be necessary or reasonably required in order to further and more fully vest in the Authority, the Trustee and the owners of the Series 2017 Bonds all rights, interests, powers, benefits, privileges, and advantages conferred upon them by this Second Supplemental Loan Agreement and the Second Supplemental Indenture;

(c) Promptly, upon the request of the Authority or the Trustee from time to time, to take such action as may be necessary or proper to remedy or cure any material defect in or cloud upon its interest in the Series 2017 Facilities or any part thereof, whether now existing or hereafter developing, to prosecute all such suits, actions and other proceedings as may be appropriate for such purpose and to indemnify and save the Authority and the Trustee harmless from all loss, cost, damage and expense, including attorney’s fees, which they or either of them may ever incur by reason of any such defect, cloud, suit, action, or proceeding;

(d) To defend against every suit, action or proceeding at any time brought against the Authority or the Trustee based on any claim arising out of the receipt, application or disbursement of any of the Trust Estate or involving the Authority’s or the Trustee’s rights or obligations under this Second Supplemental Loan Agreement or under the Second Supplemental Indenture (except in the case of the Authority’s or the Trustee’s negligence or willful misconduct), to indemnify and hold harmless the Trustee and each officer, employee, agent, or other representative of the Trustee against claims arising out of the Trustee’s responsibilities under this Second Supplemental Loan Agreement, the Second Supplemental Indenture or any other document entered into by the Trustee in connection with the Bonds (except in the case of the Trustee’s negligence or willful misconduct), to indemnify and hold harmless the Authority and any officer, employee, agent, servant or trustee of the Authority against claims during the term of this Second Supplemental Loan Agreement that may be occasioned by any cause (other than the negligence or willful misconduct of the Authority, its officers, employees, agents, servants and trustees) pertaining to the construction, use, possession, operation, service, design or management or leasing or subleasing of the Series 2017 Facilities and any liabilities or losses resulting from violations by the Corporation of conditions, agreements and requirements of law affecting the Series 2017 Facilities or the ownership,
occupancy or use thereof or arising from any defect in or from the operation of the Series 2017 Facilities, and to protect and insulate the Authority and the members of its Board of Trustees individually from any and all financial responsibility or liability whatsoever with respect to the Series 2017 Facilities;

(e) At all times to maintain the Corporation’s rights to carry on the business of the Corporation and to duly procure all licenses and other authorizations required for the carrying on of its business and to provide all renewals and replacements and improvements to, and extensions of, the Series 2017 Facilities and to diligently maintain, preserve and renew all the rights, powers, privileges, approvals, licenses and franchises required for the carrying on of its business;

(f) To fulfill its obligations and to perform punctually its duties and obligations under this Second Supplemental Loan Agreement and to otherwise carry on its business in accordance with the terms hereof to assure the continued proper operation, management, repair and maintenance of the Series 2017 Facilities;

(g) To cause compliance with all material provisions of applicable Federal, State, and local laws;

(h) To pay, discharge, indemnify, and save the Authority and the Trustee, except in the case of their negligence or willful misconduct, and their respective officers, agents, employees, servants and trustees harmless of, from and against any and all costs, claims, damages, expenses, liabilities, liens, obligations, penalties and taxes of every character and nature, by or on behalf of any person, firm, corporation, entity or governmental authority regardless of by whom advanced, asserted, held, imposed or made, which may be imposed upon, incurred by or asserted against the Authority and the Trustee and their respective officers, agents, employees, servants and trustees arising out of, resulting from or in any way connected with this Second Supplemental Loan Agreement, the Series 2017 Bonds or the Second Supplemental Indenture excepting willful misconduct and negligence on the part of the Authority or the Trustee or their respective officers, agents, employees, servants and trustees. The Corporation also covenants and agrees, at its expense, to pay and to indemnify and to save the foregoing harmless of, from and against, all costs, reasonable counsel fees, expenses and liabilities incurred in any action or proceeding brought by reason of any such claim or demand; and

(i) That it is an exempt organization under Section 501(c)(3) of the Code organized and operated exclusively for religious, charitable, scientific and educational purposes, and it shall not perform any act or enter into any agreement that shall adversely affect its ability to obtain such status as set forth in this Section.

Section 6.2 Covenants Regarding Operation and Maintenance by the Corporation of its Properties. The Corporation acknowledges and agrees that it shall pay during the term hereof all Payments and other sums required hereunder and shall cause the Board to pay, as Additional Rental under the Fourth Supplemental Facilities Lease, all Operation and Maintenance Expenses. The Corporation also expressly covenants and agrees:

(a) That it shall cause the Board or the University to maintain or cause to be maintained the Series 2017 Facilities, and each and every portion thereof, including all additions and improvements and all facilities adjoining and/or appurtenant thereto, in good operating order and condition, reasonable and ordinary wear and tear alone excepted, and make all necessary repairs thereto, interior and exterior, structural and non-structural, ordinary and extraordinary, foreseen and unforeseen, and otherwise to make all replacements, alterations, improvements and modifications to the Series 2017
Facilities necessary to ensure that the same at all times shall be suitable for the efficient operation thereof for the purpose intended;

(b) That the Authority, the Bond Insurer, the Trustee and their agents shall have the right to inspect the Series 2017 Facilities at any reasonable time in a manner that will not interfere unreasonably with the Corporation’s use thereof; however, any right of access to any portion of the Series 2017 Facilities leased to the students, faculty, staff and Permitted Sublessees, as defined in the Fourth Supplemental Facilities Lease, shall be subject to their rights pursuant to the rental agreement and University policy;

(c) That it shall cause the Board to pay, as Additional Rental under the Fourth Supplemental Facilities Lease, as the same respectively become due, all taxes and assessments, whether general or special, and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Series 2017 Facilities. The Corporation shall not allow any part of the Series 2017 Facilities to become and remain subjected to any mechanics’, laborer’s or materialmen’s liens of record. Notwithstanding the foregoing, the Corporation may, at its own expense and in its own name, contest any such item of tax, assessment, liens or other governmental charge and, in the event of such contest, may permit the item so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Authority or the Trustee shall notify the Corporation that, in the opinion of nationally recognized bond counsel by nonpayment of any such items the security afforded the Series 2017 Bonds pursuant to the terms of the Second Supplemental Indenture or Second Supplemental Loan Agreement will be materially endangered, in which event such taxes, assessments or charges shall be paid forthwith. The Authority will cooperate to the extent reasonably necessary with the Corporation in any such claim, defense or contest. In the event the Corporation fails to do so, the Authority or the Trustee may, but shall be under no obligation to, pay any such item and any amounts so advanced therefor by the Authority or the Trustee shall become an additional obligation of the Corporation to the one making the advancement, which amount the Corporation agrees to pay together with interest thereon at the rate of the Trustee’s prime lending rate, but solely from the Revenues;

(d) That it shall comply promptly with all material provisions of present and future laws, ordinances, orders, rules, regulations and requirements of every duly constituted governmental authority or agency and all material orders, rules and regulations of any regulatory, licensing, insurance underwriting or rating organization or other body exercising similar functions. The Corporation shall likewise perform and comply with all duties and obligations of any kind imposed by law, covenant, condition, agreement or easement and the requirements of all policies of insurance at any time in force with respect to the Series 2017 Facilities;

(e) That it shall not use or allow the Series 2017 Facilities to be used or occupied for any unlawful purpose or in violation of any private covenant, restriction, condition, easement or agreement covering or affecting the use of the Series 2017 Facilities. The Corporation likewise shall not suffer any act to be done or any condition to exist in the Series 2017 Facilities or any article to be brought therein or thereon which may be dangerous, unless safeguarded as required by law, or which, under law, constitutes a nuisance, public or private, or which may make void or voidable any insurance then in force with respect thereto; and

(f) That it shall take all action, if any, that may be required to obtain such consents, exceptions, exemptions or approvals of governmental authorities as may be necessary to permit it to comply fully with all covenants, stipulations, obligations and agreements of the Corporation contained in this Second Supplemental Loan Agreement.
Section 6.3 Covenant as to Encumbrances. The Corporation covenants that, so long as any of the Series 2017 Bonds remain outstanding, it shall not hereafter alienate and shall not hereafter create or suffer to be created any assignment, pledge, mortgage, hypothecation or lien on the Series 2017 Facilities, the Land, the Fourth Supplemental Facilities Lease, or any Base Rental under any circumstances, except for Permitted Encumbrances.

Section 6.4 Covenants, Representations, and Warranties Relating to Federal Income Taxation.

(a) The Corporation covenants that it shall make such use of the proceeds of the Series 2017 Bonds, regulate investment of proceeds thereof and take such other and further actions as may be required by the Code and applicable temporary, proposed and final Regulations and procedures, necessary to assure that interest on the Series 2017 Bonds is excludable from gross income for Federal income tax purposes. Without limiting the generality of the foregoing covenant, the Corporation hereby covenants, represents and warrants, as follows:

(i) The Corporation will not take, fail to take or permit the commission of any action within its control necessary to be taken in order that interest on the Series 2017 Bonds will continue to be excludable from gross income for Federal income tax purposes;

(ii) The Corporation will preserve its status as an organization described in Section 501(c)(3) of the Code or corresponding provisions of prior law and to not be determined to be a private foundation as defined in Section 509 of said Code; the Corporation shall not perform any act or enter into any agreement which shall adversely affect its ability to obtain such federal income tax status; the Corporation shall not perform any act, enter into any agreement or use or permit any property of the Corporation to be used in any manner (including any unrelated trade or business) that could adversely affect the exclusion from gross income of interest on the Series 2017 Bonds for Federal income tax purposes pursuant to Section 103 of the Code; the Corporation shall not carry on or permit to be carried on in any property of the Corporation or permit any property of the Corporation to be used in or for any trade or business to the extent that such use of such property would adversely affect the exclusion from gross income of interest on the Series 2017 Bonds for Federal income tax purposes; and the Corporation is duly organized and existing as a non-profit corporation under the laws of the State and it will maintain, extend and renew its corporate existence under the laws of the State and will not do, suffer or permit any act or thing to be done whereby its right to transact its functions might or could be terminated or its activities restricted;

(iii) The Corporation will timely file a statement with the United States of America setting forth the information required pursuant to Section 149(e) of the Code;

(iv) The average term of the Series 2017 Bonds, calculated in proportion to the “issue price” (as defined in Section 1273 of the Code) of the bonds of each stated maturity of such Bonds, will not exceed 120% of the average reasonably expected economic life of the Series 2017 Facilities financed with the proceeds of the Series 2017 Bonds or the investment earnings thereon, weighted in proportion to the respective cost of each item comprising the Series 2017 Facilities financed with the proceeds of such Series 2017 Bonds. For purposes of the preceding sentence, the reasonably expected economic life of property shall be determined as of the later of (i) the date on which the Series 2017 Bonds were issued or (ii) the date on which such property was placed in service (or expected to be placed in service);
(v) The Corporation will not cause the Series 2017 Bonds to be treated as "federally guaranteed" obligations within the meaning of Section 149(b) of the Code (as may be modified in any applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service with respect to "federally guaranteed" obligations described in Section 149(b) of the Code);

(vi) Based upon all facts and estimates now known or reasonably expected to be in existence on the date the Series 2017 Bonds are delivered, the Corporation reasonably expects that the proceeds of the Series 2017 Bonds will not be used in a manner that would cause the Series 2017 Bonds or any portion thereof to be an "arbitrage bond" within the meaning of Section 148 of the Code;

(vii) As provided in Article V hereof, the Corporation will monitor the yield on the investment of the proceeds of the Series 2017 Bonds and moneys pledged to the repayment of the Series 2017 Bonds, other than amounts not subject to yield restriction and will restrict the yield on such investments to the extent required by the Code or the Regulations;

(viii) The Corporation (or any "related person", within the meaning of the Code) shall not, pursuant to an arrangement, formal or informal, purchase the Series 2017 Bonds in an amount related to the principal amounts advanced to the Corporation pursuant to this Second Supplemental Loan Agreement; and

(ix) The Corporation agrees to comply with all the terms and provisions of the Tax Regulatory Agreement executed in connection with the issuance and sale of the Series 2017 Bonds, and to perform the covenants and duties imposed on it contained therein.

(b) All officers, employees and agents of the Corporation are authorized and directed to provide certifications of facts and estimates that are material to the reasonable expectations of the Corporation as of the date the Series 2017 Bonds are delivered. In complying with the foregoing covenants, the Corporation may rely from time to time upon an opinion issued by nationally-recognized bond counsel to the effect that any action by the Corporation or reliance upon any interpretation of the Code or Regulations contained in such opinion will not cause interest on the Series 2017 Bonds to be includable in gross income for Federal income tax purposes under existing law.

Section 6.5 Information. The Corporation agrees, whenever reasonably requested by the Authority or the Trustee, to provide access to inspect, examine and make copies of any and all books, accounts and records of the Corporation and to provide and certify or cause to be provided and certified such information concerning the Properties, the Series 2017 Facilities, the Corporation, its finances, and other topics as the Authority or Trustee, as the case may be, considers necessary to enable counsel to the Authority or the Trustee, as the case may be, to issue its opinions and otherwise advise the Authority or the Trustee, as the case may be, as to the transaction or the legal capacity of the parties to enter into the same, or to enable it to make any reports required by law, governmental regulation or the Second Supplemental Indenture. When any such information is provided by the Corporation pursuant to this Section 6.5 the Corporation shall provide such information to both the Authority and the Trustee.

Section 6.6 Source of Payments. The Corporation agrees to pay or cause to be paid the payments required by this Second Supplemental Loan Agreement solely from the Base Rental in the manner and at the times provided by this Second Supplemental Loan Agreement.

Section 6.7 Insurance. The Corporation shall cause the Board to maintain insurance covering such risks and in such amounts as is required by Section 9 of the Fourth Supplemental Facilities Lease.
Insurance proceeds, and condemnation awards shall be applied in accordance with the Second Supplemental Indenture.

Section 6.8 Annual Reports.

(a) Annually, within one hundred eighty (180) days from the end of each Fiscal Year, the Corporation will have made a complete audit of its records and accounts by an independent certified public accountant. A signed counterpart of its audited financial statements shall be furnished to the Authority and the Trustee, and a copy thereof shall be furnished by the Corporation to any Bondholder who requests the same in writing.

(b) Any independent accountant that audits and reports on the Corporation’s financial statements or provides any certificate, report or opinion under the Second Supplemental Indenture and this Second Supplemental Loan Agreement shall be a nationally recognized firm of independent certified public accountants.

Section 6.9 Merger or Consolidation.

(a) The Corporation shall not merge into, or consolidate with, one or more corporations, or allow one or more of such corporations to merge into it, or sell or convey all or substantially all of its assets to any person or entity or acquire all or substantially all of the assets of any person or entity (any such merger, consolidation, sale, conveyance or acquisition being referred to as a “Merger”) unless it has obtained the prior written consent of the Bond Insurer and:

(i) Any successor corporation to the Corporation (including, without limitation, any purchaser of all or substantially all the Properties of the Corporation (the “Successor Corporation”) is a corporation organized and existing under the laws of the United States of America or a state thereof and shall execute and deliver to the Trustee an appropriate instrument, satisfactory to the Authority and the Trustee, containing the agreement of such successor corporation to assume, jointly and severally and in solido, the due and punctual payment of the principal of, premium, if any, and interest on all obligations of the Corporation (including, without limitation, the Series 2017 Bonds) according to their tenor and the due and punctual performance and observance of all the covenants and conditions of the Second Supplemental Indenture and this Second Supplemental Loan Agreement to be kept and performed by the Corporation, accompanied by an opinion of counsel as to the validity and enforceability of such assumption (which counsel and opinion, including without limitation the scope, form, substance and other aspects thereof, are acceptable to the Authority, the Bond Insurer and the Trustee);

(ii) Immediately after such Merger, there would not be a default in the performance or observance of any covenant or condition of the Board Documents and the Bond Documents; and

(iii) There shall be delivered to the Authority, the Bond Insurer and the Trustee an opinion of Bond Counsel (which counsel and opinion, including without limitation the scope, form, substance and other aspects thereof, are acceptable to the Trustee) to the effect that under existing laws the consummation of such Merger, whether or not contemplated on the original date of delivery of the Bonds, would not adversely affect the validity of the Series 2017 Bonds or the exclusion otherwise available from gross income of interest on the Series 2017 Bonds for federal or state income tax purposes.

(b) In case of any such Merger and upon any such assumption by the Successor Corporation, the Successor Corporation shall succeed to and be substituted for its predecessor, with the
same effect as if it had been named in the Second Supplemental Indenture and this Second Supplemental Loan Agreement as the Corporation.

Section 6.10 Revenue Transfer to Trustee. The Corporation hereby covenants:

(a) Upon the occurrence of an Event of Default under this Second Supplemental Loan Agreement, all Rentals pledged as security for the obligations of the Authority and/or the Corporation under the Indenture or Loan Agreement then on hand shall be transferred immediately to the Trustee, and all such revenues received thereafter shall immediately, upon receipt, be transferred to the Trustee, and held for application pursuant to the Indenture or the Loan Agreement solely to the payment obligations of the Authority and/or the Corporation under the Indenture or Loan Agreement and the payment of reasonable and necessary costs of operation of the Series 2017 Facilities.

(b) To execute all necessary documents in order to effect a filing and reinscription of all necessary financing statements in such a manner as will preserve the effect of the financing statements from the date of original filing thereof.

Section 6.11 Disposition of Assets. The Corporation covenants that, so long as any of the Series 2017 Bonds remain outstanding, it shall not hereafter alienate and shall not hereafter create or suffer to be created, except for Permitted Liens, any assignment, pledge, hypothecation or lien on any Rentals or on the Facilities.

Section 6.12 Additional Corporation Representations.

(a) Each component of the Series 2017 Facilities is, or when acquired, will be located within the limits of the State of Louisiana.

(b) The Project is an “Authorized Project” under La. R.S. 33:4548.3(B) and the Corporation will operate the Project as an “Authorized Project” under La. R.S. 33:4548.3(B) for so long as the Bonds remains outstanding.

(c) All material information given by the Corporation to the Authority concerning the Project, the Corporation and the Board was and is on the date of execution of this Second Supplemental Loan Agreement true and correct.

Section 6.13 Continuing Disclosure. The Board has provided a Continuing Disclosure Certificate and, upon request by the Authority, will cause the Trustee to deliver copies to the Authority of any information that the terms of the Continuing Disclosure Certificate require to be provided or filed within five (5) days of the provision or filing of such information as required by the Continuing Disclosure Certificate.

Section 6.14 Indemnity.

(a) The Corporation shall and agrees to indemnify and save the Authority, the Trustee, the Series 2017 Bond Insurer, and their respective directors, officers, members, and employees harmless against and from any and all liabilities, losses, damages, costs, penalties, fines, expenses, causes of action, suits, claims, demands, and judgments of any nature arising from, in connection with, or as a result of: (i) the leasing or operation of the Series 2017 Facilities, (ii) any breach or default on the part of the Corporation in the performance of any of its obligations under any of the Bond Documents, (iii) any act or negligence of the Corporation or of any of its agents, contractors, servants, employees, or licensees,
(iv) any act or negligence of any assignee or lessee of the Corporation or of any agents, contractors, servants, employees, or licensees of any assignee or borrower of the Corporation, (v) the issuance or sale of the Series 2017 Bonds, (vi) any injury to or death of any person or damage to property in or upon the Series 2017 Facilities or resulting from or connected with the use, non-use, condition, or occupancy of the Series 2017 Facilities or any part of it, (vii) the violation of any agreement or condition of this Second Supplemental Loan Agreement except by the Authority, (viii) the violation of any contract, agreement, or restriction by the Corporation relating to the Series 2017 Facilities, (ix) the violation of any law, ordinance, or regulation by the Corporation or its agents, contractors, employees, licensees, or assignees arising out of the ownership, occupancy, or use of the Series 2017 Facilities or any part of it, (x) the construction, acquisition, equipping, and installation of the Series 2017 Facilities or the failure to construct, acquire, equip, or install the Series 2017 Facilities, (xi) any act of the Corporation or any of its agents, contractors, or licensees, (xii) any statement or information concerning the Corporation, its officers and members, or the Series 2017 Facilities contained in any official statement or prospectus furnished to purchasers of any Series 2017 Bonds that is untrue or incorrect in any material respect and any omission from any final official statement or prospectus of any statement or information which should be contained in it for the purpose for which it is to be used or which is necessary to make the statements in it concerning the Corporation, its officers and members, or the Series 2017 Facilities not misleading in any material respect if the final official statement or prospectus is approved in writing by the Corporation, (xiii) failure to properly register or otherwise qualify the sale of the Series 2017 Bonds or failure to comply with any licensing or other law or regulation which would affect the manner in which or to whom the Series 2017 Bonds could be sold, (xiv) the carrying out by the Corporation of any of the transactions contemplated by the Agreement, and (xv) any federal or state tax audit relating to the Series 2017 Facilities, the Corporation, or the application of the proceeds of the Series 2017 Bonds, provided, however, this indemnity shall not apply to any claims or damages arising solely from the willful misconduct, bad faith, or fraud of the Authority or the negligence, willful misconduct, or intentional misconduct of the other parties seeking indemnification. The Corporation shall indemnify and save the Authority, the Series 2017 Bond Insurer, and the Trustee harmless from and against all costs and expenses incurred in or in connection with any such claim arising as described in the preceding sentence, or in connection with any action or proceeding brought thereon, including reasonable attorneys' fees and expenses as provided in Section 10.4 hereof, and upon notice from the Authority, the Series 2017 Bond Insurer, or the Trustee, the Corporation shall defend them or any of them in any such action or proceeding.

(b) The Corporation agrees that it will indemnify and hold the Trustee harmless from any and all liability, cost, or expense incurred without negligence or bad faith on the part of the Trustee in the course of its duties, including any act, omission, delay, or refusal of the Trustee in reliance upon any signature, certificate, order, demand, instruction, request, notice, or other instrument or document of the Corporation believed by the Trustee to be valid, genuine, and sufficient.

(c) Notwithstanding the fact that it is the intention of the parties that the Authority, the Trustee, the Series 2017 Bond Insurer, and their directors, officers, members, and employees shall not incur pecuniary liability by reason of the terms of the Bond Documents or the undertakings required thereunder or by reason of (i) the issuance of the Series 2017 Bonds, (ii) the execution of the Bond Documents, (iii) the performance of any act required by the Bond Documents, (iv) the performance of any act requested by the Corporation, or (v) any other costs, fees, or expenses incurred by the Authority, the Series 2017 Bond Insurer, or the Trustee with respect to the Series 2017 Facilities or the financing thereof, including all claims, liabilities, or losses arising in connection with the violation of any statutes or regulations pertaining to the foregoing, nevertheless, if the Authority or the Trustee should incur any such pecuniary liability, then in such event the Corporation shall indemnify and hold harmless the Authority, the Series 2017 Bond Insurer, and the Trustee against all claims by or on behalf of any Person arising out of the same and all costs and expenses incurred in connection with any such claim or in connection with
any action or proceeding brought thereon, including reasonable attorneys’ fees and expenses, and upon
notice from the Authority, the Series 2017 Bond Insurer, or the Trustee, the Corporation shall defend the
Authority, the Series 2017 Bond Insurer, and the Trustee in any such action or proceeding.

(d) The indemnity contained in this Section 6.14 shall not apply to any (i) acts of
willful misconduct, bad faith, or fraud of the Authority or any acts of negligence, willful misconduct, or
intentional misconduct of the other parties seeking indemnification; (ii) any breach by the party seeking
indemnification of its obligations under the Bond Documents; or (iii) with respect to the Authority and the
Series 2017 Bond Insurer, any liability or claim arising out of or relating to any information furnished by
the Authority or the Series 2017 Bond Insurer and included in the offering statement relating to the Series
2017 Bonds or any failure by the Authority to disclose information required to make the statements in the
offering statement relating to the Authority or the Series 2017 Bond Insurer not misleading.

(e) Nothing contained in this Section 6.14 shall require the Corporation to indemnify
the Authority, the Trustee, the Series 2017 Bond Insurer, or their officers, directors, members, or
employees for any claim or liability that the Corporation was not given any opportunity to contest or for
any settlement of any such action effected without the Corporation’s consent (assuming such opportunity
to contest or consent was available to the party seeking indemnification and was not waived in writing by
the Corporation). The indemnity of the Authority, the Trustee, the Series 2017 Bond Insurer, and their
officers, directors, members, and employees contained in this Section 6.14 shall survive the payment of the
Series 2017 Bonds and the termination of this Second Supplemental Loan Agreement.

(f) In addition, the Corporation agrees that if it initiates any action, suit, or other
proceeding with respect to any claim, demand, or request for relief, whether judicial or administrative,
in which the Authority or the Series 2017 Bond Insurer is named or joined as a party, the Corporation will
pay to and reimburse to the Authority and the Series 2017 Bond Insurer the full amount of all reasonable
fees and expenses incurred by the Issuer or the Series 2017 Bond Insurer with respect to the Issuer’s or the
Series 2017 Bond Insurer’s defense of or participation in such action, suit, or other proceeding.

ARTICLE VII
ASSIGNMENT

Section 7.1 Assignment of this Second Supplemental Loan Agreement.

(a) Without the written consent of the Bond Insurer, the rights of the Corporation
under this Second Supplemental Loan Agreement may be assigned as a whole or in part but no such
assignment shall constitute a release of the Corporation from its obligations hereunder.

(b) Each transferee of the Corporation’s interest in this Second Supplemental Loan
Agreement shall assume the obligations of the Corporation hereunder to the extent of the interest assigned,
sold or leased, and the Corporation shall, not more than sixty (60) nor fewer than thirty (30) days prior to
the effective date of any such assignment or lease, furnish or cause to be furnished to the Authority, the
Bond Insurer and the Trustee a true and complete copy of each such assignment or lease.

Section 7.2 Restrictions on Transfer of Authority’s Rights. The Authority agrees that it will
not during the term of this Second Supplemental Loan Agreement sell, assign, transfer or convey its
interests in this Second Supplemental Loan Agreement except as provided in Section 7.3.

Section 7.3 Assignment by the Authority. It is understood, agreed and acknowledged that the
Authority will assign to the Trustee pursuant to the Second Supplemental Indenture certain of its rights,
title and interests in and to this Second Supplemental Loan Agreement (reserving its rights, however, pursuant to sections of this Second Supplemental Loan Agreement providing that notices, reports and other statements be given to the Authority and also reserving its rights to reimbursement and payment of costs and expenses under Section 9.5 hereof, its rights to indemnification under Section 6.1(d) hereof and its individual and corporate rights to exemption from liability under Section 10.12 hereof), including the interest of the Authority in and to the Fourth Supplemental Ground Lease and the Fourth Supplemental Facilities Lease assigned by the Corporation to the Authority hereunder, and the Corporation hereby assents to such assignment and pledge.

ARTICLE VIII
SUPPLEMENTS AND AMENDMENTS

Section 8.1 Amendment to Loan Agreement Without Consent. The Authority and the Corporation, with the consent of the Trustee with respect to Sections 8.1(d) and 8.1(e) hereof, with the consent of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) and the Series 2017 Bond Insurer, except if such supplement or amendment is for the purpose of refunding Bonds in order to realize debt service savings in each subsequent year as specified in Section 5.2 of the Indenture, but without the consent of the owners of any of the Bonds Outstanding under the Indenture, may enter into supplements to the Loan Agreement that shall not be inconsistent with the terms and provisions hereof for any of the purposes heretofore specifically authorized in the Loan Agreement or the Indenture, and in addition thereto for the following purposes:

(a) To cure any ambiguity or formal defect, inconsistency or omission in this Second Supplemental Loan Agreement or to clarify matters or questions arising hereunder;

(b) To add covenants and agreements for the purpose of further securing the obligations of the Corporation hereunder;

(c) To confirm as further assurance any mortgage or pledge of additional property, revenues, securities or funds;

(d) To conform the provisions of the Loan Agreement in connection with the provisions of any supplements or amendments to the Indenture entered into pursuant to the provisions of Section 10.1 thereof;

(e) To provide any other modifications which, in the sole judgment of the Trustee, are not prejudicial to the interests of the Bondholders; or

(f) to conform the covenants and provisions of the Corporation contained herein to any different financial statement presentation required by the Financial Accounting Standard Board that is different than the presentation required as of the date of issuance of the Bonds, so long as the effect of such conformed covenants and provisions is substantially identical to the effect of the covenants and provisions as in effect on the date of issuance of the Bonds.

Section 8.2 Amendment to Loan Agreement Upon Approval of a Majority of Bondholders.

(a) The provisions of the Loan Agreement may be amended in any particular with the consent of the owners of not less than a majority of the aggregate principal amount of Bonds then Outstanding and the written consent of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) and the Series 2017 Bond Insurer; provided, however, that no such amendment may be
adopted that decreases the percentage of owners of the Bonds required to approve an amendment, or that permits a change in the date of payment of the principal of or interest on any Bonds or of any redemption price thereof or the rate of interest thereon without the consent of the owners of all of the aggregate principal amount of the Bonds then Outstanding.

(b) If at any time the Authority and the Corporation shall request the Trustee to consent to a proposed amendment for any of the purposes of this Section 8.2, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such proposed amendment to be given in the manner required by the Indenture to redeem the Bonds. Such notice shall briefly set forth the nature of the proposed amendment and shall state that copies thereof are on file at the principal corporate trust office of the Trustee for inspection by all Bondholders. If, within sixty (60) days or such longer period as shall be prescribed by the Authority following such notice, the owners of not less than a majority in aggregate principal amount of the Bonds outstanding at the time of the execution of any such proposed amendment shall have consented to and approved the execution thereof as herein provided, no owner of any Bonds shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee, the Corporation or the Authority from executing or approving the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such proposed amendment as in this Section permitted and provided, this Second Supplemental Loan Agreement shall be and be deemed to be modified and amended in accordance therewith.

Section 8.3 Amendments to Facilities Lease or the Ground Lease Not Requiring Owner Consent. Subject to the terms and provisions of Section 8.5 and 8.7 of this Second Supplemental Loan Agreement, with the written consent of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) and the Series 2017 Bond Insurer, except if such supplement or amendment is for the purpose of refunding Bonds in order to realize debt service savings in each subsequent year as specified in Section 5.2 of the Indenture, the Facilities Lease or the Ground Lease may be amended or modified in any manner not inconsistent with the terms and provisions of the Loan Agreement, for any one or more of the following purposes: (1) to cure any ambiguity or formal defect or omission in the Facilities Lease or the Ground Lease that does not have an adverse effect upon the interest of the Owners; (2) to grant or confer upon the Authority or the Trustee, for the benefit of the Owners, any additional rights, remedies, powers or authorities that lawfully may be granted to or conferred upon the Authority or the Trustee; (3) to more clearly identify the Series 2017 Facilities or to add to or subtract from the Series 2017 Facilities any property; (4) to amend or modify the Facilities Lease or the Ground Lease in any manner specifically required or permitted by the terms thereof, including as may be necessary to maintain the exclusion from gross income of interest on the Series 2017 Bonds for federal income tax purposes; (5) to make any amendment or modification required as a condition to obtaining any rating by Moody’s or S&P with respect to the Series 2017 Bonds; and (6) to amend or modify the Facilities Lease or the Ground Lease in any other manner that, in the judgment of the Trustee, is not materially adverse to the interests of the owners of the Series 2017 Bonds (and the Series 2004 Bond Insurer if any Series 2004B Bonds remain outstanding and the Series 2017 Bond Insurer) or the Trustee and that does not involve a change described in Section 8.5 hereof.

Notwithstanding anything to the contrary provided herein, the consent of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) and the Series 2017 Bond Insurer shall not be required in order to amend the Ground Lease or the Facilities Lease solely to add additional property for the Facilities.

Section 8.4 Amendments to the Facilities Lease or the Ground Lease Requiring Owner Consent. Exclusive of amendments and modifications covered by Section 8.3 hereof, the Facilities Lease
or the Ground Lease may be amended or modified only as provided in Section 8.4 and 8.5 of this Second Supplemental Loan Agreement. Subject to the terms and provisions contained in Section 8.5 of this Second Supplemental Loan Agreement, the Authority and the owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding (and the Series 2004 Bond Insurer if any Series 2004B Bonds remain outstanding and the Series 2017 Bond Insurer), shall have the right, from time to time, anything contained in this Second Supplemental Loan Agreement to the contrary notwithstanding, to consent to and approve the amendment or modification of the Facilities Lease or the Ground Lease. If at any time there is a proposed amendment or modification to the Facilities Lease or the Ground Lease, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such modification or amendment to be mailed to each of the owners of the Bonds at the address indicated on the registration books of the Trustee (and the Series 2004 Bond Insurer if any Series 2004B Bonds remain outstanding and the Series 2017 Bond Insurer). Such notice shall briefly set forth the nature of the proposed amendment or modification and shall state that copies thereof are on file at the principal office of the Trustee for inspection by owners of all Outstanding Bonds. If, within sixty (60) days, or such longer period as shall be prescribed by the Authority, following the mailing of such notice, the owners of the requisite percentage in aggregate principal amount of the Outstanding Bonds at the time of the execution of any such amendment or modification shall have consented to and approved the execution thereof as herein provided, no owner of any Outstanding Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof; or to enjoin or restrain the parties thereto from executing the same or from taking any action pursuant to the provisions hereof.

Section 8.5 Consent Required Under Certain Circumstances for Amendment of Facilities Lease or Ground Lease. Nothing contained in Sections 8.3 and 8.4 of this Second Supplemental Loan Agreement shall permit, or be construed as permitting, without the approval and consent of all of the owners of the Outstanding Bonds (and the Series 2004 Bond Insurer if any Series 2004B Bonds remain outstanding and the Series 2017 Bond Insurer), (a) a reduction in the amount of, or the extension of the time for, any payment of Base Rental due under the Facilities Lease or any amount due under the Bond Insurance Policy; or (b) the termination of the Facilities Lease or the Ground Lease prior to the expiration of their stated term, other than in accordance with the provisions thereof.

Section 8.6 Opinion Required for Amendment of Facilities Lease or Ground Lease. Anything to the contrary herein notwithstanding, no amendment or modification of the Facilities Lease or the Ground Lease shall become effective unless and until the Trustee has been provided with an opinion of Bond Counsel to the effect that such amendment or modification will not have an adverse effect upon the validity of the Series 2017 Bonds and to the effect that such amendment or modification will maintain the exclusion from gross income of interest on the Bonds for federal income tax purposes.

Section 8.7 Consent of the Board. Anything herein to the contrary notwithstanding, an amendment to the Facilities Lease or the Ground Lease under this Article VIII shall not become effective unless and until the Board shall have consented to the execution and delivery of such amendment to the Facilities Lease or the Ground Lease, unless an Event of Default has occurred and is continuing, and no amendment to the Facilities Lease or the Ground Lease shall without the prior written consent of the Board affect the date or amounts of payments required on the Series 2017 Bonds or required under the Facilities Lease.

Section 8.8 Filing. Copies of any such supplement or amendment to this Second Supplemental Loan Agreement, the Ground Lease or the Facilities Lease shall be filed with the Trustee and delivered to the Authority and the Corporation before such supplement or amendment may become effective.
Section 8.9  **Reliance on Counsel.** The Authority and the Trustee shall be entitled to receive, and shall be fully protected in relying upon the opinion of counsel satisfactory to the Trustee, who may be counsel for the Authority, as conclusive evidence that any such proposed supplement or amendment to this Second Supplemental Loan Agreement, the Ground Lease or the Facilities Lease complies with the provisions of this Second Supplemental Loan Agreement and the Second Supplemental Indenture and that it is proper for the Authority and the Trustee under the provisions of this Article to execute or approve such supplement or amendment.

Section 8.10  **Notice to Rating Agencies.** No supplemental agreement or amendment to this Second Supplemental Loan Agreement, the Ground Lease or the Facilities Lease shall be executed and delivered pursuant hereto without prior written notice having been given by the Corporation to Standard & Poor’s Ratings Group and Moody’s, if any of the Bonds are rated by such Rating Agencies, of the Corporation’s intention to execute such supplemental agreement or amendment thereof not fewer than fifteen (15) days in advance of the execution of said supplemental agreement or amendment. The Corporation shall provide the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) and the Series 2017 Bond Insurer a full transcript of all proceedings relative to said supplemental agreement or amendment.

**ARTICLE IX**
**EVENTS OF DEFAULT AND REMEDIES**

Section 9.1  **Events of Default Defined.** The terms “Event of Default” and “Default” under the Original Loan Agreement shall include any one or more of the following events:

(a) The Corporation shall default in the timely payment of any Payment pursuant to Article IV of this Second Supplemental Loan Agreement.

(b) An Event of Default shall exist under the Bond Documents, the Facilities Lease, or the Tax Regulatory Agreement.

(c) The Corporation shall fail duly to perform, observe or comply with any other covenant, condition or agreement on its part under the Loan Agreement or this Second Supplemental Loan Agreement (other than a failure to make any payment required under this Second Supplemental Loan Agreement), and such failure continues for a period of thirty (30) days after the date on which written notice of such failure, requiring the same to be remedied, shall have been given to the Corporation by the Trustee; provided, however, that if such performance, observation or compliance requires work to be done, action to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such thirty (30) day period, no Event of Default shall be deemed to have occurred or to exist if, and so long as the Corporation shall commence such performance, observation or compliance within such period and shall diligently and continuously prosecute the same to completion.

(d) The entry of a decree or order by a court having jurisdiction in the premises adjudging the Corporation a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Corporation under the United States Bankruptcy Code or any other applicable federal or state law, or appointing a receiver, liquidator, custodian, assignee, or sequestrator (or other similar official) of the Corporation or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of ninety (90) consecutive days.
(c) The institution by the Corporation of proceedings to be adjudicated a bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under the United States Bankruptcy Code or any other similar applicable federal or state law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, custodian, assignee, trustee or sequestrator (or other similar official) of the Corporation or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due.

Section 9.2 Remedies. Whenever any Event of Default under the Loan Agreement shall have happened and be continuing, the Authority and the Trustee may take any of the remedial steps provided to such parties in the Loan Agreement and the Indenture; provided that, if all installments of Payments under the Loan Agreement are declared to be immediately due and payable, then all Payments due under Section 4.2 hereof shall also be immediately due and payable.

Section 9.3 No Remedy Exclusive; Selective Enforcement. No remedy conferred upon or reserved to the Authority or the Trustee by this Second Supplemental Loan Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Second Supplemental Loan Agreement and as now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any event of nonperformance shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority or the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be herein expressly required. In the event the Authority or the Trustee shall elect to selectively and successively enforce its rights under this Second Supplemental Loan Agreement, such action shall not be deemed a waiver or discharge of any other lien, encumbrance or security interest securing payment of the indebtedness secured hereby or thereby until such time that it shall have been paid in full all sums secured hereunder and thereunder. The foreclosure of any lien provided pursuant to this Second Supplemental Loan Agreement without the simultaneous foreclosure of all such liens shall not merge the liens granted which are not foreclosed with any interest which the Authority or the Trustee might obtain as a result of such selective and successive foreclosure.

Section 9.4 Indenture Overriding. All of the provisions of this Article are subject to and subordinate to the rights and remedies of the Bond Insurers, the holders of the Bonds and the Trustee pursuant to the Indenture. The Authority shall have no power to waive any event of default hereunder, except with respect to indemnification and its administrative payments, without the consent of the Trustee and the Bond Insurer to such waiver.

Section 9.5 Loan Agreement to Pay Attorneys' Fees and Expenses. In any Event of Default, if the Authority or the Trustee employs attorneys or incurs other expenses for the collection of amounts payable hereunder or the enforcement of the performance or observance of any covenants or agreements on the part of the Corporation herein contained, whether or not such suit is commenced, the Corporation agrees that it will on demand therefor pay to the Authority or the Trustee the reasonable fees of such attorneys and such other reasonable expenses so incurred by the Authority or the Trustee.

Section 9.6 Authority and Corporation to Give Notice of Default. The Authority and the Corporation severally covenant that they will, at the expense of the Corporation, promptly give to the Trustee written notice of any Event of Default under this Second Supplemental Loan Agreement of which
they shall have actual knowledge or written notice, but the Authority shall not be liable (except as provided in Section 6.1(d) hereof) for failing to give such notice.

Section 9.7 Correlative Waivers. If an Event of Default under Section 8.2 of the Second Supplemental Indenture shall be cured or waived and any remedial action by the Trustee rescinded, any correlative Default under this Second Supplemental Loan Agreement shall be deemed to have been cured or waived.

ARTICLE X

Section 10.5 Performance on Legal Holidays. In any case where the date of maturity of interest on or principal of the Series 2017 Bonds or the date fixed for redemption or purchase of any Series 2017 Bonds or the date fixed for the giving of notice or the taking of any action under the Second Supplemental Indenture shall not be a Business Day, then payment of such interest, principal, purchase price and redemption premium, if any, the giving of such notice or the taking of such action need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date of maturity or the date fixed for redemption or purchase, and no interest on such payment shall accrue for the period after such date.

Section 10.6 Execution in Counterparts. This Second Supplemental Loan Agreement may be executed in several counterparts, each of which shall be regarded as an original and all of which shall constitute but one and the same instrument; provided, however, that upon the assignment and pledge to the Trustee provided for in Section 3.2 hereof, the Authority shall deliver to the Trustee an executed counterpart of this Second Supplemental Loan Agreement which executed counterpart shall be deemed to be collateral of which the Trustee has taken possession and no other counterpart shall be deemed to be collateral for any other purpose.

Section 10.8 Severability. If any clause, provision or Section of this Second Supplemental Loan Agreement be held illegal or invalid by any court, the invalidity of such clause, provision or Section shall not affect any of the remaining clauses, provisions or Sections hereof and this Second Supplemental
Loan Agreement shall be construed and enforced as if such illegal or invalid clause, provision or Section had not been contained herein. In case any agreement or obligation contained in this Second Supplemental Loan Agreement be held to be in violation of law, then such agreement or obligation shall be deemed to be the agreement or obligation of the Authority or the Corporation, as the case may be, only to the extent permitted by law.

Such Indemnified Party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be paid by such Indemnified Party unless the employment of such counsel has been authorized by the Corporation. The Corporation shall not be liable for any settlement of any such action without its consent but if any such action is settled with the consent of the Corporation or if there be final judgment for the plaintiff of any such action, the Corporation agrees to indemnify and hold harmless such Indemnified Party from and against any loss or liability by reason of such settlement or judgment.

Each bedroom will be furnished with a loft style bed, student desk with chair, a low (2-drawer) dresser, and a closet.

Landscaping and hardscaping features will enhance the open spaces around and between the buildings. A green space with trees will be located to the south of the south building and will provide a soft buffer zone between the south building and Texas Ave. Paved walkways with low scale pedestrian light poles will be located throughout the site and will provide convenient pedestrian connections to the surrounding campus while providing connections between the two buildings. A paved plaza area will be provided at the north building and will be connected to the foodservice retail space.

Service access to the two buildings will be provided from the new parking area located to the west of the buildings. Enclosures for trash and recycling containers will be provided in this area and will be accessible from the main vehicle drive lanes in the parking area. A dedicated service access lane will be provided for retail deliveries to the north building and for maintenance vehicle use. A cooling tower or chiller will be located to the west of the buildings.

ARTICLE XII
TITLE TO THE SERIES 2017 FACILITIES

Section 12.01 Title to Series 2017 Facilities. Title to the Series 2017 Facilities, as they are constructed or placed in service upon completion thereof shall be vested in the Board. The Board’s right to obtain title to the Series 2017 Facilities unencumbered by the leasehold interest of the Corporation granted hereunder shall be as set forth in the Fourth Supplemental Facilities Lease. All furniture, fixtures, equipment and furnishings permanently affixed to the Series 2017 Facilities shall be the property of the Board upon termination of this Fourth Supplemental Ground Lease whether such termination is by expiration of the Term or an earlier termination under any provision of this Fourth Supplemental Ground Lease.

Section 12.02 The Board’s Option to Require Demolition. Upon the Expiration Date of the Term or earlier termination hereof, in the event the Series 2017 Facilities are no longer suitable for the Board’s purposes, the Board in its sole discretion may require the Corporation to demolish the Series 2017 Facilities and remove the Series 2017 Facilities from the Land, and restore the Land to substantially the same condition as it existed on the date of this Fourth Supplemental Ground Lease, to be accomplished within one hundred eighty (180) days of such Expiration Date or earlier termination hereof. However, such demolition and removal of the Series 2017 Facilities shall be at the Board’s sole cost and expense. In the event of such election upon the expiration of the Term, the Board shall notify the Corporation no later than six (6) months prior to the expiration of the Term. If this Fourth Supplemental Ground Lease is terminated earlier, the Board shall notify the Corporation within thirty (30) days after the termination.

Section 12.03 Termination of Facilities Lease. Upon the termination of the Fourth Supplemental Facilities Lease as a result of the Board’s exercise of its option to purchase the Series 2017 Facilities granted under the Fourth Supplemental Facilities Lease, all right and interest of the Corporation in and to this Fourth Supplemental Ground Lease, the Fourth Supplemental Facilities Lease and the Series 2017 Facilities shall be transferred to the Board, and the Corporation hereby agrees to execute any documents necessary to effectuate such transfer, or the Board may require the demolition of the Series 2017 Facilities as set forth in Section 12.02 above.

Section 12.04 Insurance Proceeds. Notwithstanding the fact that title to the Series 2017 Facilities is vested in the Board, if the Fourth Supplemental Facilities Lease is no longer in force and
effect, and all or any portion of the Series 2017 Facilities is damaged or destroyed by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively “Casualty”), the proceeds of any insurance received on account of any such Casualty shall be disbursed in accordance with the provisions of the Bond Documents, or if the Bond Documents are no longer in effect shall be disbursed to the Corporation as though the Corporation were the owner of the Series 2017 Facilities.

Section 12.05 Condemnation, Casualty and Other Damage. The risk of loss or decrease in the enjoyment and beneficial use of the Series 2017 Facilities due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively “Casualty”) or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Series 2017 Facilities by condemnation, expropriation, or eminent domain proceedings (collectively “Expropriation”) is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental or any other obligations under the Fourth Supplemental Facilities Lease.

ARTICLE XIII
CONDEMNATION

Section 13.01 Condemnation. If the Fourth Supplemental Facilities Lease has been terminated, upon the permanent Taking of all the Land, the Series 2017 Facilities, this Fourth Supplemental Ground Lease shall terminate and expire as of the date of such Taking, and both the Corporation and the Board shall thereupon be released from any liability thereafter accruing hereunder except for Rent and all other amounts secured by this Fourth Supplemental Ground Lease owed to the Board apportioned as of the date of the Taking or the last date of occupancy, whichever is later. The Corporation shall receive notice of any proceedings relating to a Taking and shall have the right to participate therein.

Section 13.02 Partial Condemnation if Facilities Lease is No Longer in Effect. Upon a temporary Taking or a Taking of less than all of the Land, the Series 2017 Facilities and if the Fourth Supplemental Facilities Lease is no longer in effect, the Corporation, at its election, may terminate this Fourth Supplemental Ground Lease by giving the Board notice of its election to terminate at least sixty (60) days prior to the date of such termination. Upon any such termination, the Rent accrued and unpaid hereunder shall be apportioned to the date of termination. In the event there is a partial condemnation of the Land and the Corporation decides not to terminate this Fourth Supplemental Ground Lease, the Board and the Corporation shall either amend this Fourth Supplemental Ground Lease or enter into a new lease so as to cover an adjacent portion of property, if necessary to restore or replace any portion of the Land and/or Facilities.

Section 13.03 Partial or Total Condemnation if Facilities Lease is in Effect. If this Fourth Supplemental Ground Lease is terminated under Section 13.01 or in the event of a Taking of less than all of the Land and the Series 2017 Facilities while the Fourth Supplemental Facilities Lease is in force and effect, and the Board decides to restore or replace the Series 2017 Facilities in accordance with the Fourth Supplemental Facilities Lease, the Board and the Corporation agree to enter into a new lease (in form and substance substantially the same as this Fourth Supplemental Ground Lease) of a portion of property necessary to place thereon the Series 2017 Facilities and to enter into a new Facilities Lease (in form and substance substantially the same as the Fourth Supplemental Facilities Lease) covering such replacement Facilities.
Section 13.04 Payment of Awards - If Facilities Lease is in Effect. Upon the Taking of all or any portion of the Land or the Series 2017 Facilities while the Fourth Supplemental Facilities Lease remains in full force and effect, (a) the proceeds of the Award allocable to the value of the Series 2017 Facilities shall be disbursed in accordance with the provisions of the Fourth Supplemental Facilities Lease and the Bond Documents, and (b) subject to the Series 2017 Bonds and any amounts owing to the Series 2017 Bond Insurer being paid in full, the Board shall be entitled (free of any claim by the Corporation) to the Award for the value of the Board’s Interest (such value to be determined as if this Fourth Supplemental Ground Lease were in effect and continuing to encumber the Board’s Interest); and (c) the Corporation shall be entitled to the Award for the value of the Corporation’s interest in the Land under this Fourth Supplemental Ground Lease that is the subject of the Taking.

Section 13.05 Payment of Awards - If Facilities Lease is not in Effect. Upon the Taking of all or any portion of the Land or the Series 2017 Facilities at any time after the Fourth Supplemental Facilities Lease is no longer in force and effect, (a) the proceeds of the Award allocable to the value of the Series 2017 Facilities shall be disbursed in accordance with the provisions of the Bond Documents, or if the Bond Documents are no longer in effect shall be disbursed to the Corporation, (b) the Board shall be entitled (free of any claim of the Corporation) to the Award for the value of the Board’s Interest in the Land (such value to be determined as if this Fourth Supplemental Ground Lease were in effect and continuing to encumber the Board’s Interest) and (c) the Corporation shall be entitled to the Award for the value of the Corporation’s interest in the Land under this Fourth Supplemental Ground Lease that is the subject of the Taking.

Section 13.06 Bond Documents Control. Notwithstanding anything in this Fourth Supplemental Ground Lease to the contrary, in the event of a Casualty or a Taking of all or any portion of the Series 2017 Facilities, the provisions in the Bond Documents shall control the division, application and disbursement of any insurance proceeds or Award paid as a result thereof for so long as the Bond Documents remain in effect.

ARTICLE XIV
ASSIGNMENT, SUBLETTING, AND TRANSFERS
OF THE CORPORATION’S INTEREST

Section 14.01 Assignment of Leasehold Interest. Except as expressly provided for in Article VI and in this Article XIV, the Corporation shall not have the right to sell or assign the leasehold estate created by this Fourth Supplemental Ground Lease, or the other rights of the Corporation hereunder to any Person without the prior written consent of the Board and the Bond Insurer.

Section 14.02 Subletting. The Corporation is not authorized to sublet the leasehold estate to any entity other than the Board; provided, however, that if the Fourth Supplemental Facilities Lease terminates, the Corporation shall have the right to sublease the Series 2017 Facilities to University students, faculty and staff and Permitted Sublessees.

Section 14.03 Transfers of the Corporation’s Interest. Except as otherwise expressly provided herein, any Person succeeding to the Corporation’s interest as a consequence of any permitted conveyance, transfer or assignment shall succeed to all of the obligations of the Corporation hereunder and shall be subject to the terms and provisions of this Fourth Supplemental Ground Lease.
ARTICLE XV
COMPLIANCE CERTIFICATES

Section 15.01  The Corporation’s Compliance. The Corporation agrees, at any time and from time to time upon not less than thirty (30) days prior written notice by the Board, to execute, acknowledge and deliver to the Board or to such other party as the Board shall request, a statement in writing certifying (a) that this Fourth Supplemental Ground Lease is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), (b) to the best of its knowledge, whether or not there are then existing any offsets or defenses against the enforcement of any of the terms, covenants or conditions hereof upon the part of the Corporation to be performed (and if so specifying the same), (c) the dates to which the Rent and other charges have been paid, and (d) the dates of commencement and expiration of the Term, it being intended that any such statement delivered pursuant to this Section may be relied upon by any prospective purchaser of the Board’s Interest or by any other Person.

Section 15.02  The Board’s Compliance. The Board agrees, at any time and from time to time, upon not less than thirty (30) days prior written notice by the Corporation, to execute, acknowledge and deliver to the Corporation a statement in writing addressed to the Corporation or to such other party as the Corporation shall request, certifying (a) that this Fourth Supplemental Ground Lease is unmodified and in full force and effect (or if there have been modifications that the same is in full force and effect as modified and stating the modifications); (b) the dates to which the Rent and other charges have been paid; (c) to the best of its knowledge after due inquiry, whether an Event of Default has occurred and is continuing hereunder (and stating the nature of any such Event of Default); (d) during the construction period, the status of construction of the Series 2017 Facilities and the estimated date of completion thereof; and (e) the dates of commencement and expiration of the Term, it being intended that any such statement delivered pursuant to this Section may be relied upon by any prospective (and permitted) assignee, sublessee or mortgagee of this Fourth Supplemental Ground Lease or by any assignee or prospective assignee of any such permitted mortgagee or by any underrenter or prospective underrenter of the whole or any part of the Series 2017 Facilities, or by any other Person.

ARTICLE XVI
TAXES AND LICENSES

Section 16.01  Payment of Taxes. The Board shall pay, and, upon request by the Corporation, shall provide evidence of payment to the appropriate collecting authorities of, all federal, state and local taxes and fees, which are now or may hereafter be, levied upon the Corporation’s interest in the Land or in the Series 2017 Facilities or upon any of the Corporation’s property used in connection therewith or upon the Board or the Board’s Interest. The Board may pay any of the above items in installments if payment may be so made without penalty other than the payment of interest. The obligations of the Board to pay taxes and fees under this Section 16.01 shall apply only to the extent that the Board or the Corporation are not exempt from paying such taxes and fees and to the extent that such taxes and fees are not otherwise abated. The Board and the Corporation agree to cooperate fully with each other to the end that tax exemptions available with respect to the Land, the Series 2017 Facilities under applicable law are obtained by the party or parties entitled thereto.

Section 16.02  Contested Tax Payments. The Board shall not be required to pay, discharge or remove any such taxes or assessments so long as the Board is contesting the amount or validity thereof by appropriate proceeding which shall operate to prevent or stay the collection of the amount so contested. The Corporation shall cooperate with the Board in completing such contest and the Corporation shall have no right to pay the amount contested during the contest. The Corporation, at the Board’s expense, shall join in any such proceeding if any law shall so require.
ARTICLE XVII
FORCE MAJEURE

Section 17.01 Discontinuance During Force Majeure. Whenever a period of time is herein prescribed for action to be taken by the Corporation, the Corporation shall not be liable or responsible for, and there shall be excluded from the computation for any such period of time, any delays due to Force Majeure. The Board shall not be obligated to recognize any delay caused by Force Majeure unless the Corporation shall within ten (10) days after the Corporation is aware of the existence of an event of Force Majeure, notify the Board thereof.

ARTICLE XVIII

Any such notice or communication shall be deemed to have been given either at the time of personal delivery or, in the case of delivery service or mail, as of the date of deposit in the mail in the manner provided herein, or in the case of telecopy, upon receipt.

Section 18.03   Relationship of Parties. Nothing contained herein shall be deemed or construed by the parties hereto, or by any third party, as creating the relationship of principal and agent, partners, joint venturers, or any other similar such relationship, between the parties hereto. It is understood and agreed that no provision contained herein nor any acts of the parties hereto creates a relationship other than the relationship of Lessor and Lessor hereunder.
Section 18.04 Memorandum of Lease. Neither the Board nor the Corporation shall file this Fourth Supplemental Ground Lease for record in Tangipahoa Parish, Louisiana or in any public place without the written consent of the other. In lieu thereof the Board and the Corporation agree to execute in recordable form a memorandum of this Fourth Supplemental Ground Lease in the form of Exhibit C attached hereto. Such memorandum shall be filed for record in Tangipahoa Parish, Louisiana.

Section 18.05 Attorney’s Fees. If either party is required to commence legal proceedings relating to this Fourth Supplemental Ground Lease, the prevailing party shall be entitled to receive reimbursement for its reasonable attorneys’ fees and costs of suit.

Section 18.06 Louisiana Law to Apply. This Fourth Supplemental Ground Lease shall be construed under and in accordance with the laws of the State of Louisiana, and all obligations of the parties created hereunder are performable in Tangipahoa Parish, Louisiana.

Section 18.07 Warranty of Peaceful Possession. The Board covenants that the Corporation, on paying the Rent and performing and observing all of the covenants and agreements herein contained and provided to be performed by the Corporation, shall and may peaceably and quietly have, hold, occupy, use, and enjoy the Land, the Series 2017 Facilities during the Term, subject to the Fourth Supplemental Facilities Lease, and may exercise all of its rights hereunder; and the Board agrees to warrant and forever defend the Corporation’s right to such occupancy, use, and enjoyment and the title to the Land against the claims of any and all persons whomsoever lawfully claiming the same, or any part thereof subject only to the provisions of this Fourth Supplemental Ground Lease, the Fourth Supplemental Facilities Lease, and the matters listed on Exhibit B attached hereto.

Section 18.08 Curative Matters. Except for the express representations and warranties of the Board set forth in this Fourth Supplemental Ground Lease, any additional matters necessary or desirable to make the Land useable for the Corporation’s purpose shall be undertaken, in the Corporation’s sole discretion, at no expense to the Board. The Corporation shall notify the Board in writing of all additional matters undertaken by the Corporation to make the Land useable for the Corporation’s purpose.

Section 18.09 Nonwaiver. No waiver by the Board or the Corporation of a breach of any of the covenants, conditions, or restrictions of this Fourth Supplemental Ground Lease shall constitute a waiver of any subsequent breach of any of the covenants, conditions or restrictions of this Fourth Supplemental Ground Lease. The failure of the Board or the Corporation to insist in any one or more cases upon the strict performance of any of the covenants of this Fourth Supplemental Ground Lease, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment for the future of such covenant or option. A receipt by the Board or acceptance of payment by the Board of Rent with knowledge of the breach of any covenant hereof shall not be deemed a waiver of such breach. No waiver, change, modification or discharge by the Board or the Corporation of any provision of this Fourth Supplemental Ground Lease shall be deemed to have been made or shall be effective unless expressed in writing and signed by the party to be charged.

Section 18.10 Terminology. Unless the context of this Fourth Supplemental Ground Lease clearly requires otherwise, (a) pronouns, wherever used herein, and of whatever gender, shall include natural persons and corporations and associations of every kind and character; (b) the singular shall include the plural wherever and as often as may be appropriate; (c) the word “includes” or “including” shall mean “including without limitation”; (d) the word “or” shall have the inclusive meaning represented by the phrase “and/or”; (e) the words “hereof,” “herein,” “hereunder,” and similar terms in this Fourth Supplemental Ground Lease shall refer to this Fourth Supplemental Ground Lease as a whole and not to any particular section or article in which such words appear. The section, article and other headings in this Fourth Supplemental Ground Lease and the Table of Contents to this Fourth Supplemental Ground Lease
are for reference purposes and shall not control or affect the construction of this Fourth Supplemental Ground Lease or the interpretation hereof in any respect. Article, section and subsection and exhibit references are to this Fourth Supplemental Ground Lease unless otherwise specified. All exhibits attached to this Fourth Supplemental Ground Lease constitute a part of this Fourth Supplemental Ground Lease and are incorporated herein. All references to a specific time of day in this Fourth Supplemental Ground Lease shall be based upon Central Standard Time (or the other standard of measuring time then in effect in Hammond, Louisiana).

Section 18.11 Counterparts. This agreement may be executed in multiple counterparts, each of which shall be declared an original.

Section 18.12 Severability. If any clause or provision of this Fourth Supplemental Ground Lease is illegal, invalid or unenforceable under present or future laws effective during the term of this Fourth Supplemental Ground Lease, then and in that event, it is the intention of the parties hereto that the remainder of Ground Lease shall not be affected thereby.

Section 18.13 Authorization. By execution of this Fourth Supplemental Ground Lease, the Corporation and the Board each represent to the other that they are entities validly existing, duly constituted and in good standing under the laws of the jurisdiction in which they were formed and in which they presently conduct business; that all acts necessary to permit them to enter into and be bound by this Fourth Supplemental Ground Lease have been taken and performed; and that the persons signing this Fourth Supplemental Ground Lease on their behalf have due authorization to do so.

Section 18.14 Ancillary Agreements. In the event it becomes necessary or desirable for the Board to approve in writing any ancillary agreements or documents concerning the Land or concerning the construction, operation or maintenance of the Series 2017 Facilities or to alter or amend any such ancillary agreements between the Board and the Corporation or to give any approval or consent of the Board required under the terms of this Fourth Supplemental Ground Lease, all agreements, documents or approvals shall be forwarded to the Board Representative.

Section 18.15 Amendment. No amendment, modification, or alteration of the terms of this Fourth Supplemental Ground Lease shall be binding unless the same be in writing dated on or subsequent to the date hereof and duly executed by the parties hereto and consented to the extent required by Article VIII of the Agreement.

Section 18.16 Successors and Assigns. All of the covenants, agreements, terms and conditions to be observed and performed by the parties hereto shall be applicable to and binding upon their respective successors and assigns including any successor by merger or consolidation of the University into another educational institution or the Board into another educational management board.

Section 18.17 Entire Agreement. This Fourth Supplemental Ground Lease, together with the exhibits attached hereto, contains the entire agreement between the parties hereto with respect to the Land and contains all of the terms and conditions agreed upon with respect to the lease of the Land, and no other agreements, oral or otherwise, regarding the subject matter of this Fourth Supplemental Ground Lease shall be deemed to exist or to bind the parties hereto; it being the intent of the parties that neither shall be bound by any term, condition, or representations not herein written.

Section 18.18 Existing Ground Lease Supplemented and Amended. The Board and the Corporation, by the execution and delivery of this Fourth Supplemental Ground Lease, intend to supplement and amend the Existing Ground Lease, to the extent provided herein, to provide for the issuance of the Series 2017 Bonds. Whenever the term “Ground Lease” or the “Existing Ground Lease”
is used in the Existing Ground Lease and in this Fourth Supplemental Ground Lease (including the recitals hereof) or in any of the other Bond Documents, it is intended to mean and include the Existing Ground Lease, as supplemented and amended by this Fourth Supplemental Ground Lease, as the same may be further supplemented and amended by supplemental Ground leases. Whenever reference is made in this Fourth Supplemental Ground Lease to a specific section of the Existing Ground Lease, it is intended to mean and include such section of the Existing Ground Lease, as such section may have been supplemented and amended by supplemental ground leases (notwithstanding the fact that any particular supplemental ground lease may have a section with the same number).

Section 18.19 Confirmation of Existing Ground Lease. As supplemented and amended by this Fourth Supplemental Ground Lease, the Existing Ground Lease is, in all respects, ratified and confirmed and continues in full force and effect, and the Existing Ground Lease, as supplemented and amended by this Fourth Supplemental Ground Lease, shall be read, taken and construed as one and the same instrument so that all of the rights, remedies, terms, conditions, covenants and agreements set forth in the Existing Ground Lease, as supplemented and amended by this Fourth Supplemental Ground Lease, shall apply and remain in full force and effect with respect to this Fourth Supplemental Ground Lease, the Bonds and the other Bond Documents. In the event of any conflict between the provisions of the Existing Ground Lease and this Fourth Supplemental Ground Lease, the provisions of this Fourth Supplemental Ground Lease shall prevail.

Section 18.20 Third Party Beneficiaries. Each Bond Insurer is a third party beneficiary of this Fourth Supplemental Ground Lease.

(a) The Board has full power and authority to enter into this Fourth Supplemental Facilities Lease, the Fourth Supplemental Ground Lease, and the transactions contemplated thereby and agrees to perform all of its obligations hereunder and under the Fourth Supplemental Ground Lease;

(b) The Board has been duly authorized to execute and deliver this Fourth Supplemental Facilities Lease and the Fourth Supplemental Ground Lease and further represents and covenants that this Fourth Supplemental Facilities Lease and the Fourth Supplemental Ground Lease constitute the valid and binding obligations of the Board and that all requirements have been met and procedures have occurred in order to ensure the enforceability of this Fourth Supplemental Facilities Lease and the Fourth Supplemental Ground Lease and the Board has complied with all constitutional and other statutory
requirements as may be applicable to the Board in the authorization, execution, delivery and performance of this Fourth Supplemental Facilities Lease and the Fourth Supplemental Ground Lease;

(c) The execution and delivery of this Fourth Supplemental Facilities Lease and the Fourth Supplemental Ground Lease, and compliance with the provisions hereof, will not conflict with or constitute on the part of the Board a violation of, breach of, or default under any constitutional provision, statute, law, resolution, bond indenture, or other financing agreement or any other agreement or instrument to which the Board is a party or by which the Board is bound, or any order, rule, or regulation of any court or Governmental Authority or body having jurisdiction over the Board or any of its activities or properties with respect to the Series 2017 Facilities; and all consents, approvals, or authorizations required of the Board for the consummation of the transactions contemplated hereby have been obtained or timely will be obtained;

(d) Other than that which was previously disclosed, there is no action, suit, proceeding, inquiry, or investigation, at law or in equity, before or by any court, public board or body pending or threatened against or affecting the Board, wherein an unfavorable decision, ruling or finding would materially and adversely affect the transactions contemplated hereunder or which in any way would adversely affect the validity or enforceability of this Fourth Supplemental Facilities Lease and the Fourth Supplemental Ground Lease;

(e) The Board will not take or permit to be taken any action which would have the effect, directly or indirectly, of causing interest on any of the Series 2017 Bonds to be included in gross income for federal income tax purposes;

(f) The Board agrees to cause the Series 2017 Facilities to be used for the Permitted Use and shall not allow the Series 2017 Facilities to be used for any other use. No more than five percent (5%) of the gross area of the Series 2017 Facilities will be subleased by the Board or by any sublessees or assigns of the Board to, or otherwise used by, private business and the Board agrees to take all action, to the extent it is legally authorized and able to do so, necessary to prevent the Series 2017 Bonds from being deemed “private activity bonds” within the meaning of Section 141 of the Code.

(g) The use of the Series 2004 Facilities and the Series 2017 Facilities is essential to the operation of the University by providing modern housing and related facilities for students, faculty and staff of the University. The Board presently intends to make all payments from the Lawfully Available Funds for use of the Series 2004 Facilities and the Series 2017 Facilities. There are no alternative facilities available for use as contemplated for the Series 2017 Facilities since there is currently a shortage of available, modern on-campus housing at the University.

(h) The Board hereby covenants and agrees to maintain a Debt Service Coverage Ratio for the Housing Facilities of not less than 1.10:1.00 and a Debt Service Coverage Ratio for the University of not less than 1.25:1.00. The Board covenants that, as long as any bonds, notes, or lease obligations remain outstanding that are payable from the Lawfully Available Funds, if the Debt Service Coverage Ratio for the Housing Facilities falls below 1.10:1.00 or the Debt Service Coverage Ratio for the University falls below 1.25:1.00, the Board shall use its best efforts to raise its fees, rentals, rates and charges relating to the Series 2004 Facilities and the Series 2017 Facilities so that within two (2) full semesters after either of the Debt Service Coverage Ratio for the Housing Facilities or the Debt Service Coverage Ratio of the University becomes deficient, the Debt Service Coverage Ratio for the Housing Facilities equals 1.10:1.00 and the Debt Service Coverage Ratio for the University equals 1.25:1.0. At the end of two (2) full semesters, if the Debt Service Coverage Ratio for the Housing Facilities is still below 1.10:1.00 or the Debt Service Coverage Ratio for the University is still below 1.25:1.00, the Board shall hire an outside consultant, approved by the Series 2004 Bond Insurer and the Series 2017 Bond Insurer, and the Board
shall follow any reasonably feasible recommendations of such consultant regarding the operation and management of the Series 2004 Facilities and the Series 2017 Facilities, including raising fees and rents, reducing expenses and, if necessary, increasing the average occupancy rate through strict enforcement of parietal rules requiring students to reside on campus and, to the extent legally possible, revising parietal rules to increase the number of students required to reside on campus. So long as the Board is working in good faith with such consultant to increase any deficient Debt Service Coverage Ratio for the Housing Facilities or any deficient Debt Service Coverage Ratio of the University, there shall not be an Event of Default hereunder unless (i) the Debt Service Coverage Ratio for the Housing Facilities is less than 1.00:1.00 at the end of any Fiscal Year or (ii) the Debt Service Coverage Ratio of the University is less than 1.10:1.00 for two (2) full consecutive semesters after retention of an outside consultant by the Board. For purposes of the foregoing, when establishing such fees, rentals, rates and charges and calculating the Debt Service Coverage Ratio for the Housing Facilities and the Debt Service Coverage of the University for this Section, the Board shall take into account payments required to be made into the Series 2004 Debt Service Reserve Fund, the Series 2013 Debt Service Reserve Fund, and the Series 2017 Debt Service Reserve Fund, pursuant to the Series 2004 Indenture, as supplemented and amended by the Series 2013 Indenture, as further supplemented and amended by the Series 2017 Indenture, respectively. The Board further covenants that it will seek any required approval necessary in order to comply with this covenant.

(i) The University will not build, acquire, or renovate any similar student housing facilities, whether such facilities are owned by the University or a private entity, unless (A) the Series 2004 Facilities and the Series 2017 Facilities have met a Debt Service Coverage Ratio for the Housing Facilities of at least 1.25:1.00 for the prior Fiscal Year, (B) the Series 2004 Facilities and the Series 2017 Facilities are projected to meet a Debt Service Coverage Ratio for the Housing Facilities of at least 1.25:1.00 for the two Fiscal Years following the projected completion of the proposed facility and (C) based on a market analysis prepared by a market research company with experience in student or multi-family housing, which is independent from the University, the University’s proposed project is not expected to have a material adverse effect on the Series 2004 Facilities or the Series 2017 Facilities. Such additional student housing facilities owned or leased by the Board or the Corporation shall be incorporated with the Series 2004 Facilities or the Series 2017 Facilities into a single housing system so that such additional student housing facilities and all revenues derived therefrom shall secure the Series 2017 Bonds, and the Series 2004 Facilities and the Series 2017 Facilities and the revenues derived therefrom, including all revenues derived from this Fourth Supplemental Facilities Lease, will secure any debt incurred to finance such additional student housing facilities. In addition, the Mortgage (as defined in the Series 2004 Indenture and the Series 2017 Indenture) shall be amended to encumber any such Additional Housing Facilities and any revenues derived therefrom to secure the Series 2004 Bonds or the Series 2017 Bonds and any debt incurred to finance such Additional Housing Facilities. So long as the Series 2004 Bonds and the Series 2017 Bonds are outstanding, the consent of the Series 2004 Bond Insurer and the Series 2017 Bond Insurer shall also be required prior to the construction, acquisition or renovation of such student housing facilities unless (A) – (C) above have been satisfied.

(j) So long as any Series 2004 Bonds remain outstanding, the University shall maintain its policy of requiring all unmarried, full-time, undergraduate students with less than 60 credit hours to live in on-campus residence halls. It is understood that the University currently permits certain exceptions to that policy and, except as set forth in Section 4(h) above, the University may continue to permit those exceptions but it shall make no voluntary revisions to such policy that would reduce the number of students required to live in on-campus residence halls (including, without limitation, reducing the number of credit hours to less than 60, increasing the course-load required for status as a “full-time” student or modifying any existing exemptions from the policy), until the Series 2004 Bonds have been paid in full or the Series 2004 Bond Insurer consents in writing to a change in such policy.
(k) So long as any Series 2004 Bonds and the Series 2017 Bonds remain outstanding, the University shall actively promote the Series 2004 Facilities and the Series 2017 Facilities as a housing alternative and an integral part of the housing system of the University. The University shall, among other things, provide housing brochures to prospective students and allow signs to be posted to promote the Series 2004 Facilities and the Series 2017 Facilities.

(b) The execution and delivery of this Fourth Supplemental Facilities Lease, the Fourth Supplemental Ground Lease and the Series 2017 Agreement, and compliance with the provisions thereof and hereof, will not conflict with or constitute on the part of the Corporation a violation of, breach of, or default under any statute, indenture, mortgage, declaration or deed of trust, loan agreement or other agreement or instrument to which the Corporation is a party or by which the Corporation is bound or any order, rule or regulation of any court or Governmental Agency or body having jurisdiction over the Corporation or any of its activities or properties; and all consents, approvals and authorizations which are required of the Corporation for the consummation of the transactions contemplated thereby and hereby have been or timely will be obtained;

(c) There is no action, suit, proceeding, inquiry, or investigation, at law or in equity, before or by any court, public board or body pending or threatened against or affecting the Corporation, wherein an unfavorable decision, ruling or finding would materially and adversely affect the transactions contemplated hereunder or which in any way would adversely affect the validity or enforceability of this Fourth Supplemental Facilities Lease, the Fourth Supplemental Ground Lease or any agreement or instrument to which the Corporation is a party;

(d) The Corporation will not take or permit to be taken any action which would have the effect, directly or indirectly, of causing interest on any of the Series 2017 Bonds to be included in gross income for federal income tax purposes.

Section 5. Waiver and Disclaimer of Warranties.

(a) The Board acknowledges that the Corporation has not made any representations or warranties as to the suitability or fitness of the Series 2017 Facilities for the needs and purposes of the Board or for any other purpose.

Notwithstanding the foregoing, the Board hereby retains all of its rights to proceed against any third parties with respect to such defects.

(c) The Corporation disclaims and the Board waives any warranties and representations with respect to compliance with Governmental Regulations, including Environmental Requirements, or the disposal of, or existence in, on, under, or about the Series 2017 Facilities of any Hazardous Substance. The Board acknowledges that the Corporation reserves in this Fourth Supplemental Facilities Lease all rights to recover from the Board all costs and expenses imposed on the Corporation to bring the Series 2017 Facilities into compliance with any Environmental Requirement, and all costs of Remediation or cleanup of such Hazardous Substance imposed on the Corporation or the Board, which shall be payable by the Board as Additional Rental hereunder to the extent imposed upon the Corporation.

All such alterations, improvements, additions, attachments, repairs, restorations, and replacements of all or any portion of the Series 2017 Facilities shall (i) be at the sole cost and expense of the University; (ii) not reduce the then fair market value of the Series 2017 Facilities; (iii) be constructed in a good and workmanlike manner; and (iv) be in compliance with all Governmental Regulations.

(d) The University, at the direction of the Board, shall provide or cause to be provided all security service, custodial service, janitorial service, trash disposal, and all other services necessary for the proper upkeep and maintenance of the Series 2017 Facilities as required herein. The Board acknowledges that the Corporation has made no representation or warranty with respect to systems and/or procedures for the security of the Series 2017 Facilities, any persons occupying, using or entering the Series 2017 Facilities, or any equipment, furnishings, or contents of the Series 2017 Facilities. It is the sole responsibility of the Board, through the University to cause to be provided or to provide for the security of persons on or entering the Series 2017 Facilities and/or property located at the Series 2017 Facilities, in accordance with reasonable and prudent business practices.

Section 8. Utilities.

(a) All utilities which are used or consumed in or upon or in connection with the Series 2017 Facilities during the Term, including, without limitation water, gas, electricity, sewerage, garbage, or trash removal, light, cable, heat, telephone, power, computer data and other utilities necessary for the operation of the Series 2017 Facilities (the “Utility Service”) shall be the responsibility of the Board.
and/or the students, faculty, staff or Permitted Sublessees residing in the Series 2017 Facilities. Payments for Utility Services provided to the entire Facilities or to the common areas of the Series 2017 Facilities under such contract or contracts therefor as the Board may make shall be made by the Board directly to the respective utility companies furnishing such Utility Services.

(b) The Corporation shall have no responsibility to the Board for the quality or availability of Utility Service to the Series 2017 Facilities, or for the cost to procure Utility Service. The Corporation shall not be in Default under this Fourth Supplemental Facilities Lease or be liable to the Board or any other Person for direct or consequential damage, or otherwise, for any failure in supply of any Utility Service, heat, air conditioning, elevator service, cleaning service, lighting, security, or for surges or interruptions of electricity.

Section 9. Insurance.

(a) The University, at the direction of the Board, shall cause to be secured and maintained at the University’s cost and expense:

(i) A policy or policies of insurance covering the Series 2017 Facilities against loss or damage by fire, lightening, earthquake, collapse, vandalism and malicious mischief, flood and storm surge, and against such other perils as are included in so-called “extended coverage” and against such other insurable perils as, under good insurance practice, from time to time are insured for properties of similar character and location, which insurance shall be not less than the full replacement cost of the Series 2017 Facilities, without deduction for depreciation. In the event that the Series 2017 Facilities are not repaired or replaced, insurance proceeds shall be no greater than the actual cash value (replacement cost less depreciation) of the Series 2017 Facilities at the time of the loss. The policy shall be adjusted to comply with any applicable co-insurance provisions of such insurance policy. Full payment of insurance proceeds shall not be contingent on the degree of damage sustained at other facilities leased by the Board. The policy or policies covering such loss must explicitly waive any co-insurance penalty.

(ii) A policy of comprehensive public liability insurance with respect to the Series 2017 Facilities and the operations related thereto, whether conducted on or off the Series 2017 Facilities, against liability for personal injury (including bodily injury and death) and property damage, of not less than $2,000,000 in combined single limit liability coverage. Such comprehensive public liability insurance shall specifically include, but shall not be limited to, sprinkler leakage legal liability, water damage legal liability, motor vehicle liability for all owned and non-owned vehicles, including rented or leased vehicles.

(iii) Boiler and machinery insurance coverage against loss or damage by explosion of steam boilers, pressure vessels and similar apparatus, but only if steam boilers, pressure vessels or similar apparatus are installed on the Series 2017 Facilities, in an amount not less than $5,000,000 with deductible provisions not exceeding $100,000 per accident.

(iv) Workers’ compensation insurance issued by a responsible carrier authorized under the laws of the State to insure employers against liability for compensation under the Labor Code of the State, or any act hereafter enacted as an amendment thereto or in lieu thereof, such workers’ compensation insurance to cover all persons employed by the University in connection with the Series 2017 Facilities and to cover full liability for compensation under any such act aforesaid.

(v) A policy of rental interruption insurance in the amount of at least one (1) year’s rental in the event of loss of or damage to the Series 2004 Facilities or the Series 2017 Facilities.
(b) The Corporation shall:

   (i) cause to be secured and maintained a policy of title insurance insuring the Corporation’s leasehold interest under the Fourth Supplemental Ground Lease in an amount equal to the par amount of the Series 2017 Bonds; and

   (ii) cause all of the construction professionals to secure and maintain:

      (A) Comprehensive or Commercial General Liability insurance;

      (B) Errors and Omissions insurance;

      (C) Automobile Liability insurance;

      (D) Worker’s Compensation insurance;

      (E) an all Risk Builder’s Policy upon the construction on the Property; and

      (F) boiler and machinery or additional property insurance;

all as required by the terms of any construction contracts entered into with regards to the demolition of certain existing facilities and the renovation, development and construction of the Series 2017 Facilities.

(c) All insurance required in this Section and all renewals of such insurance (excepting self-insurance or commercial insurance, through ORM) shall be issued by commercial insurers authorized to transact business in the State, and rated at least A- by Best’s Insurance Reports (property/ liability) or in the two highest rating categories of S&P and Moody’s. All insurance policies provided or caused to be provided by the Corporation shall expressly provide that the policies shall not be canceled or altered without thirty (30) days’ prior written notice to the University and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the Corporation or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained.

(d) All policies of liability insurance that the University is obligated to maintain according to this Fourth Supplemental Facilities Lease (other than any policy of worker’s compensation insurance) will name the Corporation, the Trustee and such other Persons or firms as the University may be required to name from time to time as additional insureds and shall expressly provide that the policies shall not be cancelled or altered without thirty (30) days’ prior written notice to the Corporation and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the University or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained. All public liability, property damage liability, and casualty policies maintained by the University shall be written as primary policies and each such policy shall include a waiver of subrogation endorsement.

(e) Proceeds of insurance received and/or the amount of any loss that is self-insured with respect to destruction of or damage to any portion of the Series 2017 Facilities by fire, earthquake or other casualty or event shall be paid to the Trustee (or, in the case of ORM insurance, to the Board for delivery in full to the Trustee) for application in accordance with the provisions of Section 11 of this Fourth Supplemental Facilities Lease and the Series 2017 Indenture.
(f) If the Series 2017 Facilities are self-insured through ORM, the insurance provisions of this Section shall be deemed as having been satisfied.

(g) The Corporation shall certify annually to the Series 2004 Bond Insurer, the Series 2007 Bond Insurer, and the Series 2017 Bond Insurer that all insurance policies required by this Section 9 are as of the date of such certification in place and in effect.

Section 10. **Condemnation, Casualty and Other Damage.** The risk of loss or decrease in the enjoyment and beneficial use of the Series 2017 Facilities due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively “Casualty”) or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Series 2017 Facilities by condemnation, expropriation, or eminent domain proceedings (collectively “Expropriation”) is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental, or any other obligation hereunder.

Section 11. **Application of Insurance Proceeds; Condemnation Award.**

(a) If during construction, all or any portion of the Series 2017 Facilities is damaged or destroyed by a Casualty, or is taken by Expropriation proceedings, the Board shall instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration or replacement of the Series 2017 Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. Following the completion of construction and acceptance of the Series 2017 Facilities by the Board on behalf of the Corporation, the Board shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted, the repair, restoration, or replacement thereof. The proceeds of any insurance, including the proceeds of any self-insurance fund, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction or taking of all or any portion of the Series 2017 Facilities shall be delivered to the Trustee in trust (or in the case of self-insurance through ORM, as set forth in paragraph (b) below), and shall be made available for, and to the extent necessary be applied to, such restoration, repair and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement and repair of the Series 2017 Facilities with respect to which they are held, in each case promptly after receipt of a written request of the Corporation stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Series 2017 Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee may conclusively rely upon such written requests and shall have no liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Series 2017 Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration or replacement of the Series 2017 Facilities shall be paid by Trustee in accordance with the terms of the Series 2017 Indenture.

(b) In the event the proceeds of any insurance, and any additional funds deposited with the Trustee, are insufficient to fully repair, restore or replace the Series 2017 Facilities, the proceeds shall be paid to the Board for immediate delivery to Trustee and used to redeem the Outstanding Bonds.
(c) Notwithstanding the foregoing, the Corporation's obligation to replace the Series 2017 Facilities in the event of Expropriation Proceedings is dependent on the Board entering into a lease with a different portion of the Campus as provided in Section 13.03 of the Fourth Supplemental Ground Lease. In the event it is necessary to restore or replace the Series 2017 Facilities in a different location because of the Expropriation of all or a portion of the Series 2017 Facilities, the Corporation and the Board agree to amend or enter into a new Facilities Lease and Ground Lease in accordance with Sections 13.03 of the Fourth Supplemental Ground Lease. In the event the Board, pursuant to the Fourth Supplemental Ground Lease, decides not to repair, restore or replace the Series 2017 Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) shall be paid to the Board for immediate delivery to the Trustee and applied to the prepayment of the Series 2017 Bonds in accordance with the terms of the Series 2017 Indenture, and this Fourth Supplemental Facilities Lease and the Fourth Supplemental Ground Lease shall terminate on the date that the events described in Section 2(a) or 2(b) hereof have occurred.

(d) In the event that ORM insures the Series 2017 Facilities, the Board shall use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration or replacement of the Series 2017 Facilities.

Section 12. Encumbrances.

(a) Payment by the Board. The Board shall pay or cause to be paid all costs and charges for alterations, improvements, additions, repairs and maintenance ("Work") (i) done by the Board or caused to be done by the Board in or to the Series 2017 Facilities, and (ii) for all materials furnished for or in connection with such Work. The Corporation reserves all rights to collect for any loss or damage sustained or incurred by the Corporation resulting from any and all Encumbrances, demands or liabilities arising on account of the Work, which shall be payable by the Board as Additional Rent hereunder.

(b) Failure to Discharge. If the Board fails to pay any charge for which an Encumbrance has been filed, and the Series 2017 Facilities or any portion thereof is placed in imminent danger of being seized, the Corporation may, but shall not be obligated to, pay such charge and related costs and interest, and the amount so paid, together with reasonable Legal Expenses incurred in connection with such Encumbrance, will be immediately due from the Board to the Corporation as Additional Rental. Nothing contained in this Fourth Supplemental Facilities Lease will be deemed the consent or agreement of the Corporation to subject the Corporation's interest in the Series 2017 Facilities to liability under any Encumbrance, or any mechanics', materialman's or other lien law. If the Board receives written notice that an Encumbrance has been or is about to be filed against the Series 2017 Facilities, or that any action affecting title to the Series 2017 Facilities has been commenced on account of Work done by or for the Board or for materials furnished to or for the Board, it shall immediately give the Corporation Notice of such notice.

(c) Notice of Work. At least fifteen (15) days prior to the commencement of any Work in or to the Series 2017 Facilities, by or for the University, the University shall give the Corporation Notice of the proposed Work and the names and addresses of the Persons supplying labor and materials for the proposed Work. The Corporation will have the right to post notices of nonresponsibility or similar written notices on the Series 2017 Facilities in order to protect the Series 2017 Facilities against any such claimants.
Section 13. **Assignment and Sublease.**

(a) Neither this Fourth Supplemental Facilities Lease nor any interest of the Board in the Series 2017 Facilities shall be mortgaged, pledged, assigned or transferred by the Board by voluntary act or by operation of law, or otherwise; provided, however, the Board may sublease all or any portion of the Series 2017 Facilities, or grant concessions involving the use of all or any portion of the Series 2017 Facilities, whether such concessions purport to convey a leasehold interest or a license to use all or a portion of the Series 2017 Facilities to any University student, faculty, staff or Permitted Sublessee. No such concession, leasehold interest or license to use the Series 2017 Facilities shall be granted to any University students, faculty or staff for a term of more than one (1) year, or to any Permitted Sublessee for a term of more than one (1) month. The Board shall, however, at all times remain liable for the performance of the covenants and conditions on its part to be performed under this Fourth Supplemental Facilities Lease (including, without limitation, the payment of Base Rental and Additional Rental), notwithstanding any subletting or granting of concessions which may be made. Nothing herein contained shall be construed to relieve the Board from its obligations to pay Base Rental and Additional Rental as provided in this Fourth Supplemental Facilities Lease or to relieve the Board from any other obligations contained herein. Other than subleases to University students, faculty, staff and Permitted Sublessees, in no event will the Board sublease or permit the use of all or any part of the Series 2017 Facilities to any person without an opinion of Bond Counsel that such will not cause interest on the Series 2017 Bonds to be included in the gross income of the owners of the Series 2017 Bonds for federal income tax purposes.

(b) The Corporation shall, concurrently with the execution hereof, assign all of its right, title, and interest in and to this Fourth Supplemental Facilities Lease, including without limitation its right to receive Base Rental payable hereunder, to the Issuer pursuant to the Series 2017 Agreement, and the Issuer will in turn assign its rights under this Fourth Supplemental Facilities Lease to the Trustee pursuant to the Series 2017 Indenture. The parties hereto further agree to execute any and all documents necessary and proper in connection therewith. Anything required or permitted to be done by the Corporation under this Fourth Supplemental Facilities Lease may be done by the Trustee under the Series 2017 Indenture.

(c) Except as set forth in Section 13(b) hereof, the Corporation shall not sell or assign its interest in the Series 2017 Facilities or this Fourth Supplemental Facilities Lease without the prior written consent of the Board and the Bond Insurer.

Section 14. **Additions and Improvements Removal.**

(a) At the expiration of the Term, or termination of this Fourth Supplemental Facilities Lease, all alterations, fixtures, improvements, and additions made by the Board or the University and all equipment placed upon the Series 2017 Facilities that are incorporated into or made into component parts of the Series 2017 Facilities, as well as title to all property, furniture, equipment, fixtures, and other property installed at or placed upon the Series 2017 Facilities by the Board which is not incorporated into or made a component part of the Series 2017 Facilities remain the property of the Board.

(b) The Board hereby agrees to replace such property from time to time as such property becomes worn out, obsolete, inadequate, unsuitable or undesirable. The Board may add to or remove such property from time to time, and upon expiration of the Term, provided that the Board repairs any damage to the Series 2017 Facilities caused by such removal.

Section 15. **Right of Entry.** Representatives of the Corporation and the Bond Insurer shall, subject to reasonable security precautions, and upon giving the Board not less than twenty-four (24) hours advance Notice, have the right to enter upon the Series 2017 Facilities during reasonable business hours (and in emergencies without notice and at all times) accompanied by a Board Representative (i) to inspect
the same, (ii) for any purpose connected with the rights or obligations of the Corporation under this Fourth Supplemental Facilities Lease, or (iii) for all other lawful purposes. Any right of access to any portion of the Series 2017 Facilities leased to the students, faculty, staff or Permitted Sublessees shall be subject to their rights pursuant to their rental agreements and University policy.

Section 16. Mortgage Prohibition. Except as set forth in the Series 2017 Indenture, the Fourth Supplemental Ground Lease, and the Series 2017 Agreement, the Corporation shall not be entitled to mortgage or grant a security interest in the Series 2017 Facilities.

Section 17. Sale of Facilities; Attornment; and Conveyance and Transfer of the Corporation’s Interest.

(a) If a person other than the Corporation shall succeed to the rights of the Corporation hereunder (in any case with the prior written consent of the Board as required hereby), upon the declaration of the successor to the Corporation’s interest in this Fourth Supplemental Facilities Lease, the Board agrees to fully attorn to and recognize any such successor as the Board’s landlord under this Fourth Supplemental Facilities Lease upon the then existing terms of this Fourth Supplemental Facilities Lease, provided that such successor shall agree in writing to accept the Board’s attornment and not to disturb the Board’s possession so long as the Board shall observe the provisions and all covenants of this Fourth Supplemental Facilities Lease. This attornment provision shall inure to the benefit of any such successor and shall be self-operative upon the election and declaration by such successor, and no further instrument shall be required to give effect to the provisions. However, the Board agrees to evidence and confirm the foregoing attornment provisions by the execution and delivery of instruments in recordable form satisfactory to such successor.

(b) If the Series 2017 Facilities, or any part thereof, shall be sold or otherwise transferred by sale, assignment, transfer, or other contract, or by operation of law or otherwise (with the prior written consent of the Board as required hereby, with the prior written consent of the Bond Insurer and with an opinion of Bond Counsel that such action will not cause interest on the Series 2017 Bonds to be included in the gross income of the owner of the Series 2017 Bonds for federal tax purposes), and if such written consent specifically so provides, the Corporation shall be automatically and entirely released and discharged to the extent of the interest in or the portion of the Series 2017 Facilities sold, assigned or transferred from and after the effective date of such sale, assignment or transfer of all liability for the performance of any of the covenants of this Fourth Supplemental Facilities Lease on the part of the Corporation thereafter to be performed. The purchaser or other transferee of the Series 2017 Facilities shall be deemed to have agreed to perform such covenants of the Corporation from and after the date of such assignment or sale during such transferee’s period of ownership of the Corporation’s interest under this Fourth Supplemental Facilities Lease, all without further agreement between the Corporation, its successor and the Board. The Corporation’s transferee shall not be held responsible for the performance of any of the covenants of this Fourth Supplemental Facilities Lease on the part of the Corporation required to be performed prior to such sale and transfer, the Board reserving its rights against the Corporation for any unperfomed covenants prior to such sale or transfer.

Section 18. Quiet Enjoyment. The Corporation covenants that the Board, on paying the Rental and performing and observing all of the covenants and agreements herein contained and provided to be performed by the Board or the University, shall and may peaceably and quietly have, hold, occupy, use, and enjoy the Series 2017 Facilities during the Term and may exercise all of its rights hereunder; and the Corporation agrees to warrant and forever defend the Board’s right to such occupancy, use, and enjoyment and the title to the Series 2017 Facilities against the claims of any and all persons whomsoever lawfully claiming the same, or any part thereof subject only to the provisions of this Fourth Supplemental Facilities Lease.
Section 19. Environmental Compliance and Indemnity.

(a) Environmental Compliance. The Board or the University shall operate or cause to be operated the Series 2017 Facilities in compliance with all Environmental Requirements continuously during the Term, and for such periods of time prior to the Commencement Date and after the Expiration Date, as long as the Board is in possession of the Series 2017 Facilities, in whole or in part. The Board shall not cause or permit any Hazardous Substance to be brought upon, kept, or used in or about the Series 2017 Facilities or the Land, except for such Hazardous Substance as is necessary or useful to the operation of the Series 2017 Facilities.

(b) The Board’s Liability. If the Board fails to comply with any of the foregoing warranties, representations, and covenants, and removal or Remediation of any Hazardous Substance found on the Series 2017 Facilities is required by Environmental Requirements or Governmental Authority, the Board shall promptly undertake the removal or Remediation of such Hazardous Substance, at the Board’s sole cost and expense. In the event the Board fails or refuses to undertake such removal or Remedial actions, the Corporation may cause the removal or Remediation (or other cleanup reasonable acceptable to the Corporation) of any such Hazardous Substance from the Land or the Series 2017 Facilities. The reasonable costs of removal, Remediation, or any other cleanup (including transportation and storage costs) will be considered as Additional Rental under this Fourth Supplemental Facilities Lease, whether or not a court has ordered the cleanup, and those costs will become due and payable within ninety (90) days of written demand by the Corporation. In connection therewith, the Board will give the Corporation, its agents, and employees access to the Series 2017 Facilities to remove, remediate, or otherwise clean up any Hazardous Substance. The Corporation, however, has no affirmative obligation to remove, remediate, or otherwise clean up any Hazardous Substance, and this Fourth Supplemental Facilities Lease will not be construed as creating any such obligation. The Board hereby agrees that it shall be fully liable for all costs and expenses related to the use, storage, and disposal of any Hazardous Substance located in or about the Series 2017 Facilities by the Board.

Section 20. The Corporation’s Reservation of Rights.

(a) The Corporation hereby reserves all of its rights to recover from the Board for any and all Claims asserted against the Corporation, including Litigation Expenses arising out of or by reason of:

(i) any injury to or death of any person or damage to property occurring on or about the Series 2017 Facilities occasioned by or growing out of or arising or resulting from any tortious or negligent act on the part of the Board in connection with the operation and management of the Series 2017 Facilities; or

(ii) any failure, breach, or default on the part of the Board in the performance of or compliance with any of the obligations of the Board under the terms of this Fourth Supplemental Facilities Lease.

(b) Notwithstanding the fact that it is the intention of the parties that the Corporation shall not incur any pecuniary liability by reason of the terms of this Fourth Supplemental Facilities Lease or the undertakings required of the Corporation hereunder, nevertheless, if the Corporation should incur any such pecuniary liability, then in that event, the Corporation shall be entitled to assert all rights and remedies granted in law or in equity to recover from the Board the amount of any pecuniary liability incurred by the Corporation, plus all Litigation Expenses incurred in defense of such liability to the extent subject to indemnification pursuant to Subsection (a) above.
(c) No recourse shall be had for the enforcement of any obligation, covenant, or agreement of the Corporation contained in this Fourth Supplemental Facilities Lease or any Claim based thereon against the Corporation or of any successor thereto or member thereof, either directly or through the Corporation whether by virtue of any constitutional provision, statute, or rule of law. This Fourth Supplemental Facilities Lease and the obligations of the Corporation hereunder, and any Claim asserted against the Corporation are solely corporate obligations, and the enforcement of any obligation or Claim shall be limited solely to the Corporation’s interest in the Series 2017 Facilities. No personal liability shall attach to, or be incurred by, any officer, director, agent, employee or member of the Corporation and the Board acknowledges that all personal liability of any character against every such officer, director, agent, employee or member by the execution of this Fourth Supplemental Facilities Lease, is expressly waived and released. The immunity of any officer, director, agent, employee or member of the Corporation under the provisions contained in this Section 20 shall survive any acquisition of the Series 2017 Facilities by the Board and the expiration or other termination of this Fourth Supplemental Facilities Lease.

Section 21. Default by the Board.

(a) If (i) the Board shall fail to deposit with the Trustee any Base Rental payment required to be so deposited pursuant to Section 6 hereof by the close of business on the day such deposit is required pursuant to Section 6 hereof, and shall fail to remedy such breach within five (5) days thereof, but in no event later than the date on which such payment is required to enable the Corporation to make payment on the Series 2017 Bonds (without use of moneys held in the Debt Service Reserve Fund), or (ii) the Board shall fail to pay or discharge any monetary obligation under this Lease (other than the payment of Base Rental) as and when due, or within thirty (30) days after receipt of Notice from the Corporation that such sums are due and owing; or (iii) the Board shall breach any non-monetary terms, covenants or conditions herein, and shall fail to remedy any such breach with all reasonable dispatch within a reasonable period of time (or such longer period as the Trustee may approve) after written notice thereof from the Corporation, the Bond Insurer or the University to the Board, then and in any such event the Board shall be deemed to be in default hereunder, and the Corporation (with the prior written consent of the Bond Insurer) shall have the right, at its option, without any further demand or notice to terminate this Fourth Supplemental Facilities Lease on the earliest date permitted by law or on any later date specified in any Notice given to the Board, in which case the Board’s right to possession of the Series 2017 Facilities will cease and this Fourth Supplemental Facilities Lease will be terminated, without, however, waiving the Corporation’s right to collect all Rental and other payments due or owing for the period up to the time the Corporation regains possession (which have been approved for payment under this Fourth Supplemental Facilities Lease, but not paid by the Board), and to enforce other obligations of the Board which survive termination of this Fourth Supplemental Facilities Lease, and in such event the Corporation may without any further demand or notice re-enter the Series 2017 Facilities and eject all parties in possession thereof, subject to the rights of students, faculty, staff and Permitted Sublessees. The foregoing remedies of the Corporation are in addition to and not exclusive of any other remedy of the Corporation. Any such re-entry shall be allowed by the Board without hindrance, and the Corporation shall not be liable in damages for any such re-entry or be guilty of trespass. The Corporation understands and agrees that upon its termination of the Board’s right to possession of the Series 2017 Facilities or termination of this Fourth Supplemental Facilities Lease, the Corporation upon its re-entry of the Series 2017 Facilities shall only be allowed to use the Series 2017 Facilities for the Permitted Use and shall be subject to all applicable Governmental Regulations heretofore or hereafter enacted by any Governmental Authority relating to the use and operation of the Series 2017 Facilities.

(b) Notwithstanding any other provision of this Fourth Supplemental Facilities Lease, (i) in no event shall the Corporation have the right to accelerate the payment of any Base Rental payment hereunder and (ii) the Bond Insurer shall have ninety (90) days to cure an Event of Default hereunder.
(c) Notwithstanding anything contained in this Section 21 to the contrary, a failure by the Board to pay when due any payment required to be made under this Fourth Supplemental Facilities Lease or a failure by the Board to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Fourth Supplemental Facilities Lease, resulting from a failure by the Board to appropriate moneys shall not constitute an Event of Default under this Section 21 and the Corporation shall not have any of the remedial rights set forth in this Section 21. Notwithstanding the foregoing, in such event the Board acknowledges that this Fourth Supplemental Facilities Lease shall terminate and the Board shall immediately vacate the Series 2017 Facilities, and deliver the Series 2017 Facilities to the Corporation.

Section 22. Cumulative Remedies. Each right and remedy provided for in this Fourth Supplemental Facilities Lease is cumulative and is in addition to every other right or remedy provided for in this Fourth Supplemental Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by the Corporation of any one or more of the rights or remedies provided for in this Fourth Supplemental Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise will not preclude the simultaneous or later exercise by the Corporation of any or all other rights or remedies provided for in this Fourth Supplemental Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise. All costs incurred by the Corporation in collecting any amounts and damages owing by the Board pursuant to the provisions of this Fourth Supplemental Facilities Lease or to enforce any provision of this Fourth Supplemental Facilities Lease, including reasonable Litigation Expenses from the date any such matter is turned over to an attorney, whether or not one or more actions are commenced by the Corporation, will also be recoverable by the Corporation from the Board. The waiver by the Corporation of any breach by the Board and the waiver by the Board of any breach by the Corporation of any term, covenant or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other term, covenant or condition hereof.

Section 23. Option to Purchase. For and in consideration of the obligations of the Board under this Fourth Supplemental Facilities Lease, the mutual undertakings of the parties, the receipt and adequacy of which is hereby acknowledged, the Corporation grants to the Board an exclusive and irrevocable option to purchase for the price and on the terms, provisions, stipulations and conditions hereinafter set forth, all but not less than all of the Corporation’s leasehold interest in the Series 2017 Facilities.

(a) Effective Date. The effective date of this Option agreement shall be the Commencement Date.

(b) Term of Option. The Option shall expire at midnight Central Standard Time, on the Expiration Date, or upon the termination of this Fourth Supplemental Facilities Lease, whichever occurs first.

(c) Limitation on Exercise of Option. The Board may not exercise the Option, and the Option shall be voidable, at the sole election of the Corporation, if a Default by the Board has occurred and is continuing under this Fourth Supplemental Facilities Lease, and the applicable time period in which the Board may cure such default has expired. Notwithstanding any provision of this Option to the contrary, the Board shall be entitled to exercise the Option as long as the Board is legally obligated to make payments of Base Rental under this Fourth Supplemental Facilities Lease.

(d) Exercise of Option. The Board may exercise the Option herein granted with respect to the Series 2017 Facilities at any time on or before expiration of the Term, on any Interest Payment Date on or after August 1, 2027 or on the date the Series 2017 Bonds are defeased pursuant to Article XII of the
Series 2017 Indenture, by Notice to the Corporation and the Bond Insurer of its election to exercise the Option and purchase the Corporation’s interest in and to the Series 2017 Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase the Series 2017 Facilities.

(e) **Purchase Price.** The Purchase Price shall be equal to the principal of all Series 2017 Bonds then Outstanding plus the interest to accrue on such Bonds until the purchase date plus any prepayment penalties, charges or costs for early prepayment or defeasance of the Series 2017 Bonds and any Administrative Expenses owed prior to the purchase date which payments are necessary to discharge the Series 2017 Indenture pursuant to Article XII thereof (collectively, the “Purchase Price”).

(f) **Effect on Facilities Lease and Ground Lease.** Upon the purchase of the Corporation’s leasehold interest in the Series 2017 Facilities by the Board pursuant to this Option, this Fourth Supplemental Facilities Lease and the Fourth Supplemental Ground Lease shall terminate and all of the Corporation’s leasehold interest in the Land and the Series 2017 Facilities shall terminate.

(g) **Payment of Purchase Price.** The Board, on the purchase date, shall deposit an amount equal to the Purchase Price with the Trustee.

(i) **Conveyance.** In the event of and upon the payment of the Purchase Price and any other sums due under this Fourth Supplemental Facilities Lease by the Board, the Corporation will on the purchase date execute and deliver to the Board a written cancellation of the Fourth Supplemental Ground Lease and this Fourth Supplemental Facilities Lease.

(ii) **Assignment of Contract Rights and Obligations.** The conveyance of the Corporation’s leasehold interest in the Series 2017 Facilities shall also effect a transfer and assignment of all rights, warranties and liabilities of the Corporation under then existing contracts of any nature with respect to the Series 2017 Facilities.

(h) **Closing.** In the event the Option is timely exercised, notice of the Board’s election to the Corporation shall constitute an irrevocable conversion of the Option into a binding obligation of the Corporation to sell its leasehold interest in the Series 2017 Facilities and the Board to buy the same under the terms and conditions set forth in this Section 23, and in such event, the Corporation and the Board shall have the right to demand specific performance of this agreement by the other. The closing shall occur at the offices of the Board or its counsel, or at such other time, place, and date as agreed upon by the Corporation and the Board.

(i) **Closing Costs.** The Board shall pay all closing costs and charges incident to the conveyance of the Corporation’s interest in the Land and the Series 2017 Facilities.

(j) **No Warranty.** The Corporation shall convey its leasehold interest in the Series 2017 Facilities without any warranty whatsoever of any nature. The conveyance of the leasehold interest in the Series 2017 Facilities shall be without any warranty as to fitness and condition, as set forth in Section 5 of this Fourth Supplemental Facilities Lease. Language substantially similar to the language contained in Section 5 of this Fourth Supplemental Facilities Lease shall be incorporated into and made a part of such conveyance. In no event shall the Corporation be responsible for any defects in title.

(k) **Default under the Option:**

(i) In the event the Option is exercised, and the Corporation fails to consummate the transactions contemplated herein for any reason, except default by the Board or the failure of the Board to satisfy any of the conditions set forth herein, the Board may, in addition to any other rights and remedies
which may otherwise be available to the Board, enforce this agreement by specific performance. The Board’s remedies under this Section are expressly subject to the provisions of Section 30 of this Fourth Supplemental Facilities Lease.

(ii) In the event the Option is exercised, and the Board fails to consummate the transactions contemplated herein for any reason, except default by the Corporation or the failure of the Corporation to satisfy any of the conditions set forth herein, the Corporation (a) may enforce this agreement by specific performance and in such action shall have the right to recover damages suffered by reason of the Board’s delay; or (b) may bring suit for damages for breach of this agreement.

(iii) No delay or omission in the exercise of any right or remedy accruing to either party upon any breach by the other party under this Section 23 shall impair such right or remedy or be construed as a waiver of any such breach theretofore or thereafter occurring. The waiver by either party of any condition or any subsequent breach of the same or any other term, covenant or condition contained in this Section 23 shall not be deemed to be a waiver of any other condition or of any subsequent breach of the same or of any other term, covenant or condition herein contained.

(l) Attorney’s Fees. Should either party employ an attorney or attorneys to enforce any of the provisions hereof, or to protect its interest in any matter arising under this agreement, or to recover damages for the breach of this agreement, the party prevailing in any final judgment shall have the right to collect from the losing party all Litigation Expenses incurred in enforcing such rights.

(m) Notices. Any notices required or permitted under this Section 23 shall be in writing and delivered either in person to the other party, or the other party’s authorized agent, or by United States Certified Mail, return receipt requested, postage prepaid, to the address set forth in Section 50 of this Fourth Supplemental Facilities Lease, or to such other address as either party may designate in writing and delivered as herein provided.

(n) Assignability. Except as set forth in the Series 2017 Indenture, the Mortgage or the Fourth Supplemental Ground Lease, the Option may not be assigned by the Corporation or its interest in the Series 2017 Facilities sold (subject to the Option or otherwise) to any person or entity without the Board’s prior written consent, which consent may be withheld by the Board in its sole discretion.

(o) Time of Essence: Time is of the essence of this Option.

(p) Binding Effect: This Option shall be binding upon and shall inure to the benefit of the parties hereto and their heirs, successors and assigns.

Section 24. Severability. If any provisions of this Fourth Supplemental Facilities Lease shall be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable, to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or Sections contained in this Fourth Supplemental Facilities Lease shall not affect the remaining portions of this Fourth Supplemental Facilities Lease, or any part thereof.

Section 25. Redemption of Bonds. The Corporation agrees that it will not exercise its option to redeem any Series 2017 Bonds pursuant to the Series 2017 Indenture unless the Board consents to such redemption or such redemption is to be effected with moneys derived from a source other than payments
made by the Board under this Fourth Supplemental Facilities Lease, however, in no event shall the
mandatory redemption of any Series 2017 Bonds pursuant to the Series 2017 Indenture require the
consent of the Board. The Corporation further agrees that if requested by the Board it will take all actions
necessary to redeem all or any portion of the Series 2017 Bonds designated by the Board on the first date
that it may do so under the terms of the Series 2017 Indenture so long as the Board agrees to provide
funds in an amount, and at the time, required to effect such redemption.

Section 26.  Additional Bonds. Upon the request and at the expense of the Board, the
Corporation shall take action as may be required to effect the issuance of Additional Bonds in such
amount as the Board may request as permitted by and in accordance with the provisions of the Indenture
for any purpose permitted thereby.

Section 27.  Execution. This Fourth Supplemental Facilities Lease may be simultaneously
executed in any number of counterparts, each of which when so executed shall be deemed to be an
original, and all of which together shall constitute one and the same Facilities Lease.

Section 28.  Law Governing. This Fourth Supplemental Facilities Lease is made in the State
under the constitution and laws of the State and is to be governed by the laws of the State.

Section 29.  Nonappropriation of Funds. In the event no funds or insufficient funds are
lawfully appropriated in any Fiscal Year enabling the payment of Base Rental and Additional Rental due
during the next succeeding Fiscal Year, the Board will immediately notify the Corporation and the
Trustee of such occurrence. On the first day of the month following the Base Rental payment date on
which the last payment of Base Rental can be made in full from Lawfully Available Funds, this Fourth
Supplemental Facilities Lease shall terminate without penalty or expense to the Board of any kind
whatsoever, except as to the portions of Base Rental and Additional Rental payments herein agreed upon
for Fiscal Years for which sufficient funds have been lawfully appropriated. In the event of such
termination, the Board agrees peaceably to surrender possession of the Series 2017 Facilities to the
Corporation on the date of such termination in its original condition (normal wear and tear excepted). The
Corporation will have all legal and equitable rights and remedies to take possession of the Series 2017
Facilities and re-let or sell the Series 2017 Facilities as the Corporation determines and as granted in this
Fourth Supplemental Facilities Lease. The Board acknowledges that the Corporation’s rights to take
possession and to re-let or sell the Series 2017 Facilities under this Section 29 may be assigned to the
Trustee for the benefit of the owners of the Series 2017 Bonds, and the Board agrees that the Trustee shall
be entitled to exercise all of the rights of the Corporation under this Section 29. The event of an inability
by the Board to cause the appropriation of sufficient funds for the payment of sums due under this Fourth
Supplemental Facilities Lease shall not constitute a default hereunder, but shall ipso facto terminate this
Fourth Supplemental Facilities Lease. This provision is operative notwithstanding any provisions of this
Fourth Supplemental Facilities Lease to the contrary. The Board shall be considered in default hereunder
if sufficient funds are lawfully appropriated for the payment of Rental required under this Fourth
Supplemental Facilities Lease and the Board fails to use lawfully appropriated funds for the payment of
Rental. In such event, the Corporation shall be entitled to the rights and remedies set forth in Sections 21
and 22 hereof.

Section 30.  Exculpatory Provision.

(a)  In the exercise of the powers of the Corporation and its trustees, officers, employees and
agents under this Fourth Supplemental Facilities Lease and the Series 2017 Indenture, the Corporation
shall not be accountable or liable to the Board (i) for any actions taken or omitted by it or its officers,
employees or agents in good faith and believed by it or them to be authorized or within their discretion or
rights or powers conferred upon them, or (ii) for any claims based on this Fourth Supplemental Facilities
Lease against any officer, employee or agent of the Corporation in his or her personal capacity, all such
liability, if any, being expressly waived by the Board by the execution of this Fourth Supplemental
Facilities Lease. Nothing in this Fourth Supplemental Facilities Lease or the Series 2017 Indenture is
intended to require or obligate, nor shall anything herein or therein be interpreted to require or obligate,
the Corporation for any purpose or at any time whatsoever, to provide, apply or expend any funds coming
into the hands of the Corporation other than the funds derived from the issuance of the Series 2017 Bonds
under the Series 2017 Indenture and moneys derived pursuant to the Series 2017 Indenture and this
Fourth Supplemental Facilities Lease.

(b) The Board specifically agrees to look solely to the Corporation’s interest in the Series
2017 Facilities for the recovery of any judgments from the Corporation. It is agreed that the Corporation
will not be personally liable for any such judgments, or incur any pecuniary liability as a result of this
Fourth Supplemental Facilities Lease to the Board, or the breach of its obligations hereunder. The
Corporation’s liability under this Fourth Supplemental Facilities Lease is “in rem” as to its interest in the
Series 2017 Facilities. The provisions contained in the preceding sentences are not intended to and will
not limit any right that the Board might otherwise have to obtain injunctive relief against the Corporation
or relief in any suit or action in connection with enforcement or collection of amounts that may become
owing or payable under or on account of insurance maintained by the Corporation.

Section 31. Amendments. This Fourth Supplemental Facilities Lease may be amended only
as permitted in Article VIII of the Series 2017 Agreement.

Section 32. Recording. The Corporation covenants and agrees that it will promptly record
and from time to time re-record a memorandum in recordable form of this Fourth Supplemental Facilities
Lease and all supplements thereto and hereto in such manner and in such places as may be required by
law in order to fully protect and preserve the security of the holders or owners of the Series 2017 Bonds.

Section 33. Construction Against Drafting Party. The Corporation and the Board
acknowledge that each of them and their counsel have had an opportunity to review this Fourth
Supplemental Facilities Lease and that each Party was responsible for the drafting thereof.

Section 34. Time of the Essence. Time is of the essence of each and every provision of this
Fourth Supplemental Facilities Lease.

Section 35. No Waiver. The waiver by the Corporation of any agreement, condition, or
provision contained in this Fourth Supplemental Facilities Lease will not be deemed to be a waiver of any
subsequent breach of the same or any other agreement, condition, or provision contained in this Fourth
Supplemental Facilities Lease, nor will any custom or practice that may grow up between the parties in
the administration of the terms of this Fourth Supplemental Facilities Lease be construed to waive or to
lessen the right of the Corporation to insist upon the performance by the Board in strict accordance with
the terms of this Fourth Supplemental Facilities Lease. The subsequent acceptance of Rental by the
Corporation will not be deemed to be a waiver of any preceding breach by the Board of any agreement,
condition, or provision of this Fourth Supplemental Facilities Lease, other than the failure of the Board to
pay the particular Rental so accepted, regardless of the Corporation’s knowledge of such preceding
breach at the time of acceptance of such Rental.

Section 36. Survival. To the extent permitted by law and to the extent such will not constitute
the incurrence of debt by the Board, all of the Corporation’s remedies and rights of recovery under
Sections 19 and 20 of this Fourth Supplemental Facilities Lease shall survive the Term and/or the
purchase of the Series 2017 Facilities by the Board under the Option.
Section 37. **Counterparts.** This Fourth Supplemental Facilities Lease may be executed in any number of counterparts, each of which shall be an original, but all of which shall together constitute one and the same instrument.

Section 38. **Estoppel Certificates.** At any time and from time to time but within ten (10) days after prior written request by the Corporation, the Board will execute, acknowledge, and deliver to the Corporation, promptly upon request but only to the extent accurate, a certificate certifying (i) that this Fourth Supplemental Facilities Lease is unmodified and in full force and effect or, if there have been modifications, that this Fourth Supplemental Facilities Lease is in full force and effect, as modified, and stating the date and nature of each modification; (ii) the date, if any, to which Rental and other sums payable under this Fourth Supplemental Facilities Lease have been paid; (iii) that no Notice of any default has been delivered to the Corporation which default has not been cured, except as to defaults specified in said certificate; (iv) that there is no Event of Default under this Fourth Supplemental Facilities Lease or an event which, with Notice or the passage of time, or both, would result in an Event of Default under this Fourth Supplemental Facilities Lease, except for defaults specified in said certificate; and (v) such other matters as may be reasonably requested by the Corporation. Any such certificate may be relied upon by any prospective purchaser or existing or prospective mortgagee of the Series 2017 Facilities or any part thereof. The Board’s failure to notify the Corporation of any inaccuracies in the proposed certificate within the specified time period shall be conclusive evidence that the matters set forth in the certificate are accurate and correct.

Section 39. **Waiver of Jury Trial.** The Corporation and the Board waive trial by jury in any action, proceeding, or counterclaim brought by either of the Parties to this Fourth Supplemental Facilities Lease against the other on any matters whatsoever arising out of or in any way connected with this Fourth Supplemental Facilities Lease, the relationship of the Corporation and the Board, the Board’s use or occupancy of the Series 2017 Facilities, or any other Claims, and any emergency statutory or any other statutory remedy.

Section 40. **Written Amendment Required.** No amendment, alteration, modification of, or addition to this Fourth Supplemental Facilities Lease will be valid or binding unless expressed in writing and signed by the Corporation and the Board and consented to the extent required by Article VIII of the Series 2017 Agreement.

Section 41. **Entire Agreement.** This Fourth Supplemental Facilities Lease, the exhibits and addenda, if any, contain the entire agreement between the Corporation and the Board. No promises or representations, except as contained in this Fourth Supplemental Facilities Lease, have been made to the Board respecting the condition or the manner of operating the Series 2017 Facilities.

Section 42. **Signs.** The Board may attach any sign on any part of the Series 2017 Facilities, or in the halls, lobbies, windows, or elevator banks of the Series 2017 Facilities, without the Corporation approval. The Board may name the Series 2017 Facilities and change the name, number, or designation of the Series 2017 Facilities, without the Corporation’s prior consent.

Section 43. **Litigation Expenses.** The Board will pay the Corporation as Additional Rental all reasonable Litigation Expenses and all other reasonable expenses which may be incurred by the Corporation in enforcing any of the obligations of the Board under this Fourth Supplemental Facilities Lease, in exercising its rights to recover against the Board for loss or damage sustained in accordance with the provisions of this Fourth Supplemental Facilities Lease, or in any litigation or negotiation in which the Corporation shall, without its fault, become involved through or because of this Fourth Supplemental Facilities Lease.
Section 44. **Brokers.** The Corporation and the Board respectively represent and warrant to each other that neither of them has consulted or negotiated with any broker or finder with regard to the Series 2017 Facilities.

Section 45. **No Easements for Air or Light.** Any diminution or shutting off of light, air, or view by any structure that may be erected on any of the lands constituting the Series 2017 Facilities, or on lands adjacent to the Series 2017 Facilities, will in no way affect this Fourth Supplemental Facilities Lease or impose any liability on the Corporation. This Fourth Supplemental Facilities Lease does not grant any rights to light, view and/or air over the Series 2017 Facilities whatsoever.

Section 46. **Binding Effect.** The covenants, conditions, and agreements contained in this Fourth Supplemental Facilities Lease will bind and inure to the benefit of the Corporation and the Board and their respective permitted successors and assigns. The Bond Insurer and the Surety Provider shall be third party beneficiaries of this Fourth Supplemental Facilities Lease.

Section 47. **Rules of Interpretation.** The following rules shall apply to the construction of this Fourth Supplemental Facilities Lease unless the context requires otherwise: (a) the singular includes the plural and the plural includes the singular; (b) words importing any gender include the other genders; (c) references to statutes are to be construed as including all statutory provisions consolidating, amending or replacing the statute to which reference is made and all regulations promulgated pursuant to such statutes; (d) references to “writing” include printing, photocopy, typing, lithography and other means of reproducing words in a tangible visible form; (e) the words “including” “includes” and “include” shall be deemed to be followed by words “without limitation”; (f) references to the introductory paragraph, preliminary statements, articles, sections (or subdivision of sections), exhibits, appendices, annexes or schedules are to those of this Fourth Supplemental Facilities Lease unless otherwise indicated; (g) references to agreements and other contractual instruments shall be deemed to include all subsequent amendments and other modifications to such instruments; (h) references to Persons include their respective successors and assigns to the extent successors or assigns are permitted or not prohibited by the terms of this Fourth Supplemental Facilities Lease; (i) any accounting term not otherwise defined has the meaning assigned to it in accordance with generally accepted accounting principles; (j) “or” is not exclusive; (k) provisions apply to successive events and transactions; (l) references to documents or agreements which have been terminated or released or which have expired shall be of no force and effect after such termination, release, or expiration; (m) references to mail shall be deemed to refer to first-class mail, postage prepaid, unless another type of mail is specified; (n) all references to time shall be to Hammond, Louisiana time; (o) references to specific persons, positions, or officers shall include those who or which succeed to or perform their respective functions, duties, or responsibilities; and (p) the terms “herein”, “hereunder” “hereby” “hereof,” and any similar terms refer to this Fourth Supplemental Facilities Lease as a whole and not to any particular articles, section or subdivision hereof.

Section 48. **Relationship of Parties.** The relationship of the Parties shall be one of lessor and lessee only, and shall not be considered a partnership, joint venture, license arrangement or unincorporated association. The Corporation is not controlled by the Board or under the control of any Person also in control of the Board.

Section 49. **Law Between the Parties.** This Fourth Supplemental Facilities Lease shall constitute the law between the Parties, and if any provision of this Fourth Supplemental Facilities Lease is in conflict with the provisions of “Title IX – Of Lease” of the Louisiana Civil Code, Articles 2669 through 2777, inclusive, the provisions of this Fourth Supplemental Facilities Lease shall control.

Section 51. Existing Facilities Lease Supplemented and Amended. The Corporation and the Board, by the execution and delivery of this Fourth Supplemental Facilities Lease, intend to supplement and amend the Existing Facilities Lease, to the extent provided herein, to provide for the issuance of the Series 2017 Bonds. Whenever the term “Facilities Lease” or the “Existing Facilities Lease” is used in the Existing Facilities Lease and in this Fourth Supplemental Facilities Lease (including the recitals hereof) or in any of the other Bond Documents, it is intended to mean and include the Existing Facilities Lease, as supplemented and amended by this Fourth Supplemental Facilities Lease, as the same may be further supplemented and amended by supplemental facilities leases. Whenever reference is made in this Fourth Supplemental Facilities Lease to a specific section of the Existing Facilities Lease, it is intended to mean and include such section of the Existing Facilities Lease, as such section may have been supplemented and amended by supplemental facilities leases (notwithstanding the fact that any particular supplemental facilities lease may have a section with the same number).

Section 52. Confirmation of Existing Facilities Lease. As supplemented and amended by this Fourth Supplemental Facilities Lease, the Existing Facilities Lease is, in all respects, ratified and confirmed and continues in full force and effect, and the Existing Facilities Lease, as supplemented and amended by this Fourth Supplemental Facilities Lease, shall be read, taken and construed as one and the same instrument so that all of the rights, remedies, terms, conditions, covenants and agreements set forth in the Existing Facilities Lease, as supplemented and amended by this Fourth Supplemental Facilities Lease, shall apply and remain in full force and effect with respect to this Fourth Supplemental Facilities Lease, the Bonds and the other Bond Documents. In the event of any conflict between the provisions of the Existing Facilities Lease and this Fourth Supplemental Facilities Lease, the provisions of this Fourth Supplemental Facilities Lease shall prevail.

FORM OF BOND COUNSEL OPINION

June 7, 2017

Louisiana Local Government Environmental Facilities
and Community Development Authority
Baton Rouge, Louisiana

$35,465,000
Louisiana Local Government Environmental Facilities
and Community Development Authority Revenue Bonds
(Southeastern Louisiana University Student Housing/University Facilities, Inc. Project)
Series 2017

We have acted as bond counsel to the Louisiana Local Government Environmental Facilities and Community Development Authority (the “Issuer”), a political subdivision of the State of Louisiana (the “State”), in connection with the issuance by the Issuer of its $35,465,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2017 (the “Bonds”) pursuant to Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 33:4548.16, inclusive) (the “Act”).

The Bonds have been issued by the Issuer pursuant to the Act and other constitutional and statutory authority and a Trust Indenture dated as of August 1, 2004 between the Issuer and The Bank of New York Mellon Trust Company, N.A. (the “Prior Trustee”), as supplemented and amended by a First Supplemental Trust Indenture dated as of November 1, 2013 between the Issuer and the Prior Trustee, as further supplemented and amended by a Second Supplemental Trust Indenture dated as of June 1, 2017 (collectively, the “Indenture”) between the Issuer and Regions Bank, as trustee (the “Trustee”). Capitalized terms used herein that are not otherwise defined have the meaning given them in the Indenture.

The Bonds are issuable as fully registered bonds, are dated, bear interest until paid at the rates per annum, mature in the principal amounts and on the dates, and are subject to redemption all as set forth in the Indenture and in the Bonds.

The Bonds are issued under and are secured as to principal and interest by the Indenture, which provides a description of the nature and extent of the security for the Bonds, a statement of the terms and conditions under which the Bonds are issued and secured, the rights, duties and obligations of the Issuer, the rights, duties and immunities of the Trustee and the rights of the owners of the Bonds.

The Bonds are issued in order to provide financing to University Facilities, Inc., a Louisiana non-profit corporation (the “Corporation”) to enable to Corporation to: (i) finance the acquisition, design, development, construction, renovation, demolition, reconstruction, and equipping of certain replacement student housing facilities and parking improvements (the “Facilities”) on the main campus of Southeastern Louisiana University (the “University”) in Hammond, Louisiana; (ii) purchase a debt service
reserve policy to be credited to a debt service reserve fund for the Series 2017 Bonds; (iii) fund capitalized interest on the Series 2017 Bonds; and (iv) pay costs of issuance of the Series 2017 Bonds, including the premium for a bond insurance policy insuring the Series 2017 Bonds.

The Corporation has leased the property upon which the Facilities will be located from the Board of Supervisors for the University of Louisiana System (the “Board”) pursuant to a Ground and Buildings Lease Agreement dated as of August 1, 2004, as supplemented and amended by the First Amendment to Ground and Buildings Lease Agreement dated as of March 1, 2007, as supplemented and amended by a Second Amendment to Ground and Buildings Lease Agreement dated as of June 12, 2012, as further supplemented and amended by a Third Supplemental Ground and Buildings Lease Agreement dated as of November 1, 2013, and as further supplemented and amended by a Fourth Supplemental Ground and Buildings Lease Agreement dated as of June 1, 2017 (collectively, the “Ground Lease”) each by and between the Board and the Corporation. The Board will lease back the completed Facilities from the Corporation pursuant that certain Agreement to Lease with Option to Purchase dated as of August 1, 2004, as supplemented and amended by a First Amendment to Agreement to Lease with Option to Purchase dated as of March 1, 2007, as further supplemented and amended by a Second Amendment to Agreement to Lease with Option to Purchase dated as of June 12, 2012, as further supplemented and amended by a Third Supplemental Agreement to Lease with Option to Purchase dated as of November 1, 2013 and as further supplemented and amended by a Fourth Supplemental Agreement to Lease with Option to Purchase dated as of June 1, 2017, each by and between the Board and the Corporation (collectively, the “Facilities Lease”).

The Issuer and Corporation have entered into a Loan and Assignment Agreement dated as of August 1, 2004, as supplemented and amended by a First Supplemental Loan and Assignment Agreement dated as of November 1, 2013, as further supplemented and amended by a Second Supplemental Loan and Assignment Agreement dated as of June 1, 2017 (collectively, the “Loan Agreement”), pursuant to which the Issuer will loan the proceeds from the sale of the Bonds to the Corporation for the foregoing purposes. Pursuant to the Loan Agreement, the Corporation has agreed to make loan payments (the “Payments”) solely from the Rentals (as defined in the Facilities Lease) sufficient to pay the principal of and interest on the Bonds. The rights of the Issuer under the Loan Agreement (except for the rights of the Issuer relating to exculpation, indemnification and payment of expenses thereunder) have been pledged and assigned by the Issuer to the Trustee as security for the Bonds.

The Bonds are also entitled to the benefits of the Act of Mortgage, Assignment of Leases and Security Agreement dated August 13, 2004, as amended by a First Amendment to Act of Mortgage, Assignment of Leases and Security Agreement dated June 7, 2017 (collectively, the “2004 Mortgage”) and an Act of Leasehold Mortgage, Assignment of Leases and Security Agreement dated June 7, 2017 (the “2017 Mortgage”) executed by the Corporation in favor of the Trustee, pursuant to which the Corporation has mortgaged its leasehold interest in and to the land and the improvements located thereon, granted a security interest in certain movable property and assigned its rights to all leases and rents relating to the Facilities.

We have examined: (i) the constitution and statutes of the State, including the Act; (ii) a certified transcript of the proceedings of the Issuer authorizing the issuance of the Bonds; (iii) the Indenture, the Loan Agreement, the Tax Regulatory Agreement and Arbitrage Certificate dated the date of delivery and payment for the Series 2017 Bonds among the Issuer, the Corporation, the Board, and the Trustee (the “Tax Regulatory Agreement”) and (iv) such other documents, instruments, proofs and matters of law as we have deemed relevant to the issuance of the Bonds and necessary for the purpose of this opinion.
As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Board and the Corporation contained in the Indenture, the Loan Agreement and the Tax Agreement, and the certified proceedings and other certifications of public officials and others furnished to us, including certifications furnished to us by or on behalf of the Issuer, the Corporation and the Board, without undertaking to verify the same by independent investigation.

On the basis of the foregoing examinations, we are of the opinion, as of the date hereof and under existing law, that:

1. The Issuer is a validly existing political subdivision of the State and has the power and authority to enter into the Loan Agreement and the Indenture and to issue and sell the Bonds.

2. The Bonds are valid and binding special and limited obligations of the Issuer secured by and entitled to the benefits of the Indenture and are payable solely from the revenues and other amounts pledged and assigned under the Indenture.

3. The Loan Agreement and the Indenture have been duly authorized, executed and delivered by the Issuer and constitute valid and binding obligations of the Issuer, enforceable upon the Issuer in accordance with their terms, and all rights of the Issuer under the Loan Agreement have been validly assigned to the Trustee under the Indenture, with the exception of certain rights of the Issuer relating to notice, exculpation, indemnification and payment of expenses.

4. The Bonds and interest thereon do not constitute an indebtedness or pledge of the general credit of the Issuer within the meaning of any State constitutional or statutory provision and will not constitute a general obligation or a charge against any other revenues of the Issuer.

5. Interest on the Bonds (including any amount of original issue discount properly allocable to the owner thereof) is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, for the purpose of computing the alternative minimum tax imposed on certain corporations, such interest is taken into account in determining adjusted current earnings.

6. Under the Act, the Bonds, together with the interest thereof, income therefrom, and gain upon the sale thereof are exempt from all State taxes and local taxes.

In rendering the opinions expressed in paragraph 5 above, we have relied upon the opinion of even date herewith of Jones Fussell, LLP, Covington, Louisiana, counsel to the Corporation that the Corporation is an organization that is exempt from the federal income tax under Code Section 501(c)(3). We have also relied upon such opinion with respect to (i) the due organization of the Corporation, (ii) the good standing of the Corporation in the State; (iii) the corporate power of the Corporation to enter into, and the due authorization, execution and delivery by the Corporation of, the Loan Agreement, the Ground Lease and the Facilities Lease; and the valid and binding effect thereof on the Corporation, and (iv) matters which might be disclosed as a result of an examination of the indentures, mortgages, deeds of trust, certifications of incorporation, by-laws, and other agreements or instruments to which the Corporation is a party or by which it or its properties are bound. We are not passing upon title to the Facilities or the nature or extent of any liens thereon.

In rendering this opinion, we have relied on representations of the Issuer, the Board, and the Corporation with respect to matters solely within the knowledge of the Issuer, the Board, and the Corporation, which we have not independently verified, and have assumed continuing compliance with
the covenants in the Indenture, the Agreement, and the Tax Regulatory Agreement pertaining to those sections of the Code that affect the exclusion from gross income of interest on the Bonds for federal income tax purposes. In the event that such representations are determined to be inaccurate or incomplete or the Issuer, the Board, or the Corporation fails to comply with the foregoing covenants, interest on the Bonds could be includable in gross income for federal income tax purposes from the date of their original delivery, regardless of the date on which the event causing such inclusion occurs.

We have also relied on the opinion of Gregory A. Pletsch & Associates, counsel to the Trustee, with respect to the corporate power of the Trustee to enter into and the due authorization, execution, and delivery by the Trustee of the Indenture and the binding effect thereof on the Trustee. We have also relied upon the opinion of Decuir, Clark & Adams, L.L.P., counsel to the Board, with respect to the power of the Board to enter into and the due authorization, execution and delivery by the Board of the documents to which it is a party and the binding effect thereof on the Board.

The accrual or receipt of interest on the Bonds may otherwise affect the federal income tax liability of certain recipients. The extent of these other tax consequences will depend upon the recipient’s particular tax status or other items of income or deduction. We express no opinion regarding any such consequences and investors should consult their tax advisors regarding the tax consequences of purchasing or holding the Bonds.

It is to be understood that the rights of the owners of the Bonds and the enforceability of the Bonds, the Indenture, the Agreement and the other documents enumerated above may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors’ rights heretofore or hereafter enacted to the extent constitutionally applicable, and that their enforcement may also be subject to the exercise of the sovereign police powers of the State or its governmental bodies and the exercise of judicial discretion in appropriate cases.

For purposes of this opinion, our services as bond counsel have not extended beyond the examinations and expressions of the conclusions referred to above. This opinion is given as of the date hereof and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in the law that may hereafter occur. Except as stated above, no opinion is expressed as to any federal or state tax consequences resulting from the ownership of, receipt of interest on, or disposition of, the Bonds.

Respectfully submitted,

SPECIMEN MUNICIPAL BOND INSURANCE POLICY
[THIS PAGE INTENTIONALLY LEFT BLANK]
ASSURED GUARANTY MUNICIPAL CORP. ("AGM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the Trustee (the "Trustee") or paying agent (the "Paying Agent") (as set forth in the documentation providing for the issuance of and securing the Bonds) for the Bonds, for the benefit of the Owners or, at the election of AGM, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which AGM shall have received Notice of Nonpayment, AGM will disburse to or for the benefit of each Owner of a Bond the face amount of principal of and interest on the Bond that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by AGM, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of the principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in AGM. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by AGM is incomplete, it shall be deemed not to have been received by AGM for purposes of the preceding sentence and AGM shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, who may submit an amended Notice of Nonpayment. Upon disbursement in respect of a Bond, AGM shall become the owner of the Bond, any appurtenant coupon to the Bond or right to receipt of payment of principal or interest on the Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under the Bond, to the extent of any payment by AGM hereunder. Payment by AGM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of AGM under this Policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AGM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer which has been recovered from such Owner pursuant to the
United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from an Owner, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

AGM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AGM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AGM and shall not be deemed received until received by both and (b) all payments required to be made by AGM under this Policy may be made directly by AGM or by the Insurer's Fiscal Agent on behalf of AGM. The Insurer's Fiscal Agent is the agent of AGM only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AGM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AGM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud) whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AGM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereeto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be cancelled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

In witness whereof, ASSURED GUARANTY MUNICIPAL CORP. has caused this Policy to be executed on its behalf by its Authorized Officer.

(b) This Disclosure Certificate, or any provision hereof, shall be null and void in the event that the Board (i) receives an opinion of Securities Counsel, addressed to the Board to the effect that those portions of the Rule that require such provisions of this Disclosure Certificate, do not or no longer apply to the Series 2017 Bonds, whether because such portions of the Rule are invalid, have been repealed, amended, or modified, or are otherwise deemed to be inapplicable to the Series 2017 Bonds, as shall be specified in such opinion and (ii) files notice to such effect with the MSRB.

SECTION 8. Amendment; Waiver.

(a) Notwithstanding any other provision of this Disclosure Certificate, this Disclosure Certificate may be amended, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied:

(i) if the amendment or waiver relates to the provisions of Section 3(a), (b), (c), 4 or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, a change in law or a change in identity, nature, or status of the Board or the type of business conducted by the Board;

(ii) this Disclosure Certificate, as so amended or taking into account such waiver, would, in the opinion of Securities Counsel, have complied with the requirements of the Rule at the time of the original issuance of the Series 2017 Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(iii) the amendment or waiver does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Bondholders or Beneficial Owners.

(b) In the event of any amendment to, or waiver of a provision of, this Disclosure Certificate, the Board shall describe such amendment or waiver in the next Annual Report and shall include an
explanation of the reason for such amendment or waiver. In particular, if the amendment results in a change to the annual financial information required to be included in the Annual Report pursuant to Section 4 of this Disclosure Certificate, the first Annual Report that contains the amended operating data or financial information shall explain, in narrative form, the reasons for the amendment and the impact of such change in the type of operating data or financial information being provided. Further, if the annual financial information required to be provided in the Annual Report can no longer be generated because the operations to which it related have been materially changed or discontinued, a statement to that effect shall be included in the first Annual Report that does not include such information.

(c) If the amendment results in a change to the accounting principles to be followed in preparing financial statements as set forth in Section 4 of this Disclosure Certificate, the Annual Report for the year in which the change is made shall include a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. The comparison shall include a qualitative discussion of such differences and the impact of the changes on the presentation of the financial information. To the extent reasonably feasible, the comparison shall also be quantitative. A notice of the change in accounting principles shall be filed by the Board with the MSRB.

SECTION 9. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the Board from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or Notice of Material Event, in addition to that which is required by this Disclosure Certificate. If the Board chooses to include any information in any Annual Report or Notice of Material Event in addition to that which is specifically required by this Disclosure Certificate, the Board shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or Notice of Material Event.

SECTION 10. Failure to Comply. In the event of a failure of the Board to comply with any provision of this Disclosure Certificate any Participating Underwriter or any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Board to comply with its obligations under this Disclosure Certificate. Provided, with respect to matters relating to the adequacy of the information required by the Rule, only bondholders aggregating not less than twenty-five percent (25%) of the aggregate principal amount of the Series 2017 Bonds outstanding may exercise remedies with respect thereto. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Certificate in the event of any failure of the Board to comply with this Disclosure Certificate shall be an action to compel performance. The Paying Agent shall not have any power or duty to enforce this Disclosure Certificate.

SECTION 11. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the Board, the Participating Underwriter and the owners, including beneficial owners, or holders of the Series 2017 Bonds, and shall create no rights in any other person or entity.

SECTION 12. Transmission of Information and Notices. Unless otherwise required by law or this Disclosure Certificate and, in the sole determination of the Board, subject to technical and economic feasibility, the Board shall employ such methods of information and notice transmission as shall be requested or recommended by the herein designated recipients of such information and notices.

SECTION 13. Additional Disclosure Obligations. The Board acknowledges and understands that other State of Louisiana and federal laws, including, without limitation, the Securities Act of 1933, as amended, and Rule 10b-5 promulgated by the SEC pursuant to the 1934 Act, may apply to the Board, and
that under some circumstances, compliance with this Disclosure Certificate, without additional disclosures or other action, may not fully discharge all duties and obligations of the Board under such laws.

SECTION 14. **Governing Law.** This Disclosure Certificate shall be construed and interpreted in accordance with the laws of the State of Louisiana, and any suits and actions arising out of this Disclosure Certificate shall be instituted in a court of competent jurisdiction in the State of Louisiana. Notwithstanding the foregoing, to the extent this Disclosure Certificate addresses matters of federal securities laws, including the Rule, this Disclosure Certificate shall be construed and interpreted in accordance with such federal securities laws and official interpretations thereof.

(ii) this Disclosure Certificate, as so amended or taking into account such waiver, would, in the opinion of Securities Counsel, have complied with the requirements of the Rule at the time of the original issuance of the Series 2017 Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(iii) the amendment or waiver does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Bondholders or Beneficial Owners.

(b) In the event of any amendment to, or waiver of a provision of, this Disclosure Certificate, the Board shall describe such amendment or waiver in the next Annual Report and shall include an

(c) If the amendment results in a change to the accounting principles to be followed in preparing financial statements as set forth in Section 4 of this Disclosure Certificate, the Annual Report for the year in which the change is made shall include a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. The comparison shall include a qualitative discussion of such differences and the impact of the changes on the presentation of the financial information. To the extent reasonably feasible, the comparison shall also be quantitative. A notice of the change in accounting principles shall be filed by the Board with the MSRB.

SECTION 9. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the Board from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or Notice of Material Event, in addition to that which is required by this Disclosure Certificate. If the Board chooses to include any information in any Annual Report or Notice of Material Event in addition to that which is specifically required by this Disclosure Certificate, the Board shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or Notice of Material Event.

SECTION 10. Failure to Comply. In the event of a failure of the Board to comply with any provision of this Disclosure Certificate any Participating Underwriter or any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Board to comply with its obligations under this Disclosure Certificate. Provided, with respect to matters relating to the adequacy of the information required by the Rule, only bondholders aggregating not less than twenty-five percent (25%) of the aggregate principal amount of the Series 2017 Bonds outstanding may exercise remedies with respect thereto. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Certificate in the event of any failure of the Board to comply with this Disclosure Certificate shall be an action to compel performance. The Paying Agent shall not have any power or duty to enforce this Disclosure Certificate.

SECTION 11. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the Board, the Participating Underwriter and the owners, including beneficial owners, or holders of the Series 2017 Bonds, and shall create no rights in any other person or entity.

TRANSCRIPT ITEM NUMBER 13
TAX REGULATORY AGREEMENT AND ARBITRAGE CERTIFICATE

$35,465,000
Louisiana Local Government Environmental Facilities and
Community Development Authority Revenue Bonds
(Southeastern Louisiana University Student
Housing/University Facilities, Inc. Project)
Series 2017

This TAX REGULATORY AGREEMENT AND ARBITRAGE CERTIFICATE (together with the exhibits attached hereto, this “Tax Agreement”) is entered into as of the 7th day of June, 2017 by the Louisiana Local Government Environmental Facilities and Community Development Authority (the “Authority”) and Regions Bank, in its capacity as Trustee (the “Trustee”) under the Indenture (as hereinafter defined) in connection with the issuance of the above-captioned bonds (the “Bonds”).

The Authority and Trustee hereby certify, represent, agree and covenant as follows with respect to the Bonds and related matters for purposes of the Code. With regard to facts existing on the date hereof, the certifications and representations set forth in this Tax Agreement are as of the date hereof. With regards to events to occur in the future, the certifications and representations set forth in this Tax Agreement are based on reasonable expectations of the University Facilities, Inc. (the “Corporation”) on the date hereof. All certifications and representations relating to the status and actions that have been taken or that will be taken by the Corporation or the Board are based upon the Corporation Certificate executed by the Corporation and the Board in connection with the issuance of the Bonds, an executed copy of which is attached hereto as Exhibit A and incorporated herein.

1.1 Purpose. The parties are delivering this Tax Agreement to Bond Counsel with the understanding and acknowledgment that Bond Counsel will rely upon this Tax Agreement in rendering its opinion that interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code.

1.2 Authorization and Due Diligence. The undersigned officer of the Authority and the Trustee have the authority to execute this Tax Agreement. Such individuals have discussed with such professionals as they have deemed necessary (including Bond Counsel) the provisions of this Tax Agreement, and are satisfied that they (a) understand the certifications, representations and covenants made in this Tax Agreement (including the exhibits hereto) and (b) understand that continuing compliance with the representations and covenants made in this Tax Agreement (including the exhibits hereto) is necessary in order to maintain the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

1.3 Status of the Authority; Authorization of Bonds.

1.3.1 The Authority is a political subdivision of the State of Louisiana created pursuant to the authority of Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 4548.16) (the “Act”).

1.3.2 The Authority is issuing the Bonds pursuant to the Act and the terms of the Indenture.
1.4 **Purpose for the Bonds.** The Authority is issuing the Bonds to loan the proceeds of the Bonds to the Corporation. The Corporation will use the proceeds of the Bonds to (a) acquire, design, develop, construct, renovate, demolish, reconstruct, and equip the Project (as defined in Section 2.1); (b) purchase a debt service reserve policy to be credited to the Series 2017 Debt Service Reserve Fund, (c) fund capitalized interest on the Bonds; and (d) pay the Costs of Issuance of the Bonds, including the premium for the bond insurance policy insuring the Bonds.

1.5 **Definitions.** Unless the context otherwise requires, capitalized terms used herein shall have the meanings ascribed thereto in Exhibit B to this Tax Agreement. Any capitalized term not defined herein or in Exhibit B to this Tax Agreement shall have the meaning ascribed thereto in the Indenture.

2. **Description, Ownership and Use of the Project.**

2.1 **The Project.** For purposes of this Tax Certificate, the term “Project” shall mean the replacement student housing facilities and parking improvements (the “Facilities”) on the main campus of Southeastern Louisiana University (the “University”) in Hammond, Louisiana which are to be acquired, designed, developed, constructed, renovated, demolished, reconstructed, and equipped with the Net Sale Proceeds.

2.2 **Ownership of the Project.** The Project will be owned by the Board of Supervisors for the University of Louisiana System (the “Board”), acting on behalf of the University, throughout the term of the Bonds.

2.3 **Contracts.**

2.3.1 The Authority has not entered into any contracts or agreements relating to the maintenance and operation of the Project and does not expect to enter into any such contracts or agreements.

2.3.2 The Authority does not know of any reason that the Project or any part thereof, will not be used as described in this Tax Agreement in the absence of: (a) supervening circumstances not anticipated by the Authority on the Date of Issue of the Bonds; (b) adverse circumstances beyond its control; or (c) obsolescence of such insubstantial parts or portions thereof as may occur as a result of normal use thereof.

3. **General Tax Matters.**

3.1 **Form 8038.** To the best of the knowledge of the Authority, the information shown on Internal Revenue Service (“IRS”) Form 8038 that is included in the transcript of proceedings relating to the issuance of the Bonds is true, accurate and complete.

3.2 **No Adverse Actions.** The Authority will not knowingly take or permit to be taken any action that would have the effect, directly or indirectly, of causing the interest on any of the Bonds to be included in the gross income of the Holders thereof for federal income tax purposes.

3.3 **Filings.** The Authority will comply with and make all filings required by all effective rules, rulings or Regulations promulgated by the Department of Treasury or the IRS with respect to obligations described in Section 103 and Sections 141-150 of the Code.

3.4 **Information Reporting.** The Authority will comply with the information reporting requirements of Section 149(e)(2) of the Code.
3.5 Federal Guarantee. The Authority will not cause the Bonds to be treated as “Federally Guaranteed Obligations” for purposes of Section 149(b) of the Code, as may be modified in any applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or IRS with respect to Federally Guaranteed Obligations described in Section 149(b) of the Code. Unless otherwise excepted under Section 149(b) of the Code, the Bonds will be considered federally guaranteed obligations if: (a) the payment of principal and interest with respect to the Bonds is guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof), except that Bonds guaranteed by the Federal Home Loan Bank are not treated as Federally Guaranteed Obligations if the Bonds are issued prior to December 31, 2010; (b) 5% or more of the Proceeds is (i) to be used in making loans, the payment of principal or interest with respect to which is to be guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof) or (ii) to be invested (directly or indirectly) in federally insured deposits or accounts; or (c) the payment of principal or interest on the Bonds is otherwise indirectly guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof). For purposes of determining whether the Bonds are federally guaranteed, a guarantee by the Federal Housing Administration, the Veterans Administration, the Federal National Mortgage Association, the Federal Home Loan Mortgage Insurance Company, the Government National Mortgage Association or the Resolution Funding Company is not considered a “federal guarantee”.

3.6 Payment of Costs of Issuance. The Authority reasonably expects that at least 95% of the Costs of Issuance will have been paid by the date that is 180 days after the Date of Issue.

4. Private Activity Bond Requirements Applicable to Qualified 501(c)(3) Bonds.

4.1 The Underwriter has furnished a certificate, an executed copy of which is attached hereto as Exhibit C (the “Underwriter’s Certificate”), which certifies that the weighted average maturity of the Bonds is 16.997 years.

4.2 As required by Section 147(f) of the Code, the Bonds and the Project were the subject of a public hearing held on February 22, 2017, which was preceded by reasonable public notice, and were subsequently approved by the Louisiana Attorney General.

4.3 At least 95% of the Proceeds deposited into the Project Fund will be allocated to costs that are chargeable to the Project’s capital account or would be so chargeable either with a proper election by the Corporation (under Section 266 of the Code) or a proper election by the Corporation to deduct such amounts.

4.4 No more than 2% of the proceeds of the Bonds will be used to pay Costs of Issuance of the Bonds.

4.5 The weighted average maturity is 16.997 years, which does not exceed 120% of the average reasonably expected economic life of the Project. Such weighted average estimated economic life was determined in accordance with the following assumptions: (a) the weighted average was determined by taking into account the respective costs of each asset so itemized other than land if the cost of land is less than 25 percent of the proceeds of the Bonds (otherwise land is treated as having an economic life of 30 years); (b) the reasonably expected economic life of an asset was determined as of the later of the date of issuance of the Bonds or the date on which such asset, was or is expected to be placed in service; and (c) the economic lives for the itemized assets are the useful lives used for depreciation under Section 167 of the Code prior to the enactment of the current system of depreciation in effect under Section 168 of the Code (i.e., the midpoint lives under the Class Life Asset Depreciation Range of Section 167(m) of the

5. **501(c)(3) Status of the Corporation.**

5.1 The Corporation is a non-profit corporation, duly organized and existing under the laws of the State of Louisiana.

5.2 The Corporation has received a written determination from the IRS that the Corporation is an organization that is described in Code Section 501(c)(3) (the "Determination Letter").

5.3 The Determination Letter has not been modified, limited or revoked and the Corporation is in compliance with all terms, conditions and limitations, if any, contained in the letter.

5.4 The facts and circumstances that form the basis of the Determination Letter as represented to the IRS continue to exist and no material facts or circumstances have arisen that could affect the validity of the Determination Letter.

5.5 The Corporation has not been audited by the IRS and the Corporation continues to be recognized as an organization described in Section 501(c)(3) of the Code.

6. **Issue Price and Yield on the Bonds.**

6.1 **Issue Price.**

6.1.1 The Underwriter’s Certificate certifies that the Bonds will be sold for $40,981,608.95, which is the par amount of the Bonds, plus $5,516,608.95 of original issue premium. Accordingly, the issue price of the Bonds is $40,981,608.95.

6.1.2 The Underwriter has certified on the Underwriter’s Certificate that (a) all of the Bonds have been the subject of an initial bona fide offering to the public (exclusive of bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers) at the amounts listed in the Underwriter’s Certificate; and (b) that such initial offering prices were established by a bona fide bid without regard to any amounts that would increase the Yield on any maturity of the Bonds above their market Yields. Based on past financing practices, the Authority believes that the initial offering price of the Bonds is reasonable under customary standards applicable in the established tax-exempt market.

6.2 **Yield on the Bonds.**

6.2.1 The Underwriter’s Certificate certifies that the Yield on the Bonds is 3.2891%.

6.2.2 In computing the Yield on the Bonds, the amount of the premium for the insurance policy on the Bonds is treated as a qualified guarantee on the Bonds. This treatment is based upon representations made by the Underwriter in the Underwriter’s Certificate, and the Bond Insurer in the Bond Insurer’s certificate, an executed copy of which is attached hereto as Exhibit D, that the premium paid for the bond insurance policy was negotiated at arm’s length and are within the normal range of charges charged by banks for the transfer of credit risk with respect to similar Tax-Exempt Obligations, that the present value of interest saved as a consequence of the bond insurance policy exceeds the present value of the premium paid for the bond insurance policy and that the premium paid for the bond insurance policy is not included in any direct or indirect payment for a cost, risk or other element that is not customarily borne by guarantors of tax-exempt bonds in transactions in which a bank
has no involvement other than as a guarantor. The Authority believes that the premium paid for the bond insurance policy is reasonable based on past financing practices.

7. Arbitrage.

7.1 Reasonable Expectations. The Authority has reviewed the Corporation’s representations relating to the use and investment of Proceeds in the Corporation Certificate. The Authority is not aware of any reason why it should not rely on such representations.

8.1 General. The Authority acknowledges that the continued exclusion of interest on the Bonds from gross income of the holders thereof for purposes of federal income taxation depends, in part, upon compliance with the arbitrage rebate and yield reduction payment rules in the Code and Regulations (the “Rebate Rules”).

8.2 Rebate Computation Date Election. The Authority hereby elects to treat the last day of the 5th Bond Year as the first rebate computation date, and each succeeding 5th Bond Year as a rebate computation date.

8.3 Rebate Computation. The Corporation has covenanted that in connection with complying with the Rebate Rules, the Corporation will take the following actions:

8.3.1 Unless the Corporation has complied with the arbitrage rebate requirement set forth in Section 148(f)(4)(B) of the Code or a rebate spending exception in the Regulations, it will retain a Rebate Expert on or within thirty (30) days before the initial Rebate Computation Date and on each Rebate Computation Date thereafter, (a) to compute the amount of any Rebate Amount required for the period ending on such Rebate Computation Date and (b) to deliver an opinion to the Authority and Trustee, concerning its conclusions with respect to the amount (if any) of such Rebate Amount together with a written report providing a summary of the calculations relating thereto.

8.3.2 Within ten (10) days of receipt of the report furnished by the Rebate Expert, the Corporation is required to pay, or cause to be paid to the Trustee for deposit into the Series 2017 Rebate Fund the difference between the amount therein and the amount required to fund the Rebate Amount.

8.3.3 In the event any Rebate Amount is due, the Corporation is required to direct the Trustee in writing to withdraw from the Series 2017 Rebate Fund and pay over to the United States the Rebate Amount with respect to the Bonds on the applicable Rebate Payment Date.

8.4 Authority’s Ability to Intervene.

8.4.1 If the Corporation fails to make or causes to be made any payment described in Subsection 8.3.3, the Authority shall have the right, but shall not be required to, make such payment to the Trustee for deposit into the Series 2017 Rebate Fund on behalf of the Corporation. Any amount advanced by the Authority pursuant to this Subsection will be added to the moneys owed the Authority by the Corporation under the Finance Agreement and shall be payable on demand with interest at the higher of (a) the interest rate on Bonds or (b) the default rate provided in the Bonds, if any.

8.4.2 The Authority shall have the right at any time and in the sole and absolute discretion of the Authority to obtain from the Corporation and the Trustee the information necessary to determine the amount required to be paid to the United States pursuant to Section 148(f) of the Code.
Additionally, the Authority may, with reasonable cause, (a) review or cause to be reviewed any determination of the amount to be paid to the United States made by or on behalf of the Corporation and (b) make or retain a Rebate Expert to make the determination of the amount to be paid to the United States.

8.4.3 The Authority acknowledges that the provisions of this Article 8 are intended to comply with Section 148(f) of the Code and the regulations promulgated thereunder and if, as a result of a change in such Section of the Code or the promulgated regulations thereunder or in the interpretation thereof, a change in this Article 8 shall be necessary to assure continued compliance with Section 148(f) of the Code and the promulgated regulations thereunder, then, with written notice to the Trustee, the Authority shall be empowered to amend this Article 8 and the Authority may require, by written notice to the Corporation and the Trustee, the Corporation to amend this Article 8 to the extent necessary or desirable to assure compliance with the provisions of Section 148 of the Code and the regulations promulgated thereunder; provided that either the Authority or the Trustee shall require, prior to any such amendment becoming effective, at the sole cost and expense of the Corporation, an opinion of Bond Counsel satisfactory to the Authority and the Trustee to the effect that either (a) such amendment is required to maintain the exclusion from gross income under Section 103 of the Code of interest paid and payable on the Bonds or (b) such amendment shall not adversely affect the exclusion from gross income under Section 103 of the Code of the interest paid or payable on the Bonds.

8.5 Duty to Keep Records. The Trustee shall maintain detailed records with respect to each Nonpurpose Investment attributable to Gross Proceeds of the Bonds, including: (a) purchase price; (b) information establishing Fair Market Value on the date such investment became a Nonpurpose Investment; (c) any accrued interest due on its purchase date; (d) face amount; (e) coupon rate; (f) frequency of interest payments; (g) disposition price; (h) accrued interest due on its disposition date; and (i) disposition date. These records are required to facilitate the calculation of the Rebate Amount.

9.1 Term. This Tax Agreement shall be effective from the date of issuance of the Bonds through the date six (6) years after the final Rebate Computation Date and will be effective at all times while the Bonds are outstanding.

9.2 Amendments. Notwithstanding any other provision hereof, any provision of this Tax Agreement may be amended or waived by an instrument in writing executed by the Authority, the Corporation and the Trustee, provided that there first shall have been provided to the Trustee a written opinion of Bond Counsel, in form and substance satisfactory to the Trustee and the Authority, that such amendment or waiver will not adversely affect the exclusion of interest on the Bonds from the gross income of the recipients thereof for purposes of federal income taxation.

9.3 Default; Remedies.

9.3.1 The failure of any party to this Tax Agreement to perform any of its required duties under any provision hereof shall constitute an event of default under this Tax Agreement.

9.3.2 Upon an occurrence of an event of default, the Authority or the Trustee may, in their discretion, proceed to protect and enforce their rights and the rights of the owners of the Bonds by pursuing any available remedy under and in accordance with the Indenture and the Finance Agreement, in addition to pursuing any other available remedy, including, but not limited to, a suit at law or in equity.
9.4 **Post Issuance Tax Compliance.** The Issuer has established written procedures intended to monitor the requirements of Section 148 of the Code. The Issuer's Post Issuance Tax-Exempt Debt Compliance Policies dated August 8, 2013 are attached to this Tax Agreement as Exhibit F.

(the “Corporation”) and the Board of Supervisors for the University of Louisiana System (the “Board”), in connection with the issuance and sale of the above-captioned bonds (the “Bonds”).

The Corporation and the Board are executing this Corporation Certificate with the understanding and acknowledgment that the Louisiana Local Government Environmental Facilities and Community Development Authority (the “Authority”) will rely on this Corporation Certificate in executing the Tax Regulatory Agreement and Arbitrage Certificate and that Bond Counsel will rely upon this Corporation Certificate in rendering its opinion that interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code.

The Corporation and the Board hereby certify, represent, agree and covenant as follows with respect to the Bonds and related matters. With regard to facts existing on the date hereof, the certifications and representations set forth in this Corporation Certificate are as of the date hereof. With regards to events to occur in the future, the certifications and representations set forth in this Corporation Certificate are based on reasonable expectations of the Corporation and the Board on the date hereof.

1.1 Authorization and Due Diligence. The undersigned officers of the Corporation and the Board have the authority to execute this Corporation Certificate. The officers have discussed with such professionals as they have deemed necessary (including Bond Counsel) the provisions of this Corporation Certificate, and are satisfied that the Corporation and the Board understand the certifications and representations made in this Corporation Certificate (including the exhibits hereto).

1.2 Status of the Corporation and the Board.

1.2.1 The Corporation is a non-profit corporation organized and existing under the laws of the State of Louisiana and recognized by the Internal Revenue Service (the “IRS”) as an organization described in Section 501(c)(3) of the Code.

1.2.2 The Board is a public and constitutional corporation of the State of Louisiana (the “State”), created by Article VIII, Section 6(A) of the Louisiana Constitution of 1974, as amended, and statutes of the State.

1.3 Purpose for the Bonds. The Corporation will use the proceeds of the Bonds to (a) acquire, design, develop, construct, renovate, demolish, reconstruct, and equip replacement student housing facilities and parking improvements (the “Facilities”) on the main campus of Southeastern Louisiana University (the “University”) in Hammond, Louisiana; (b) purchase a debt service reserve policy to be credited to the Series 2017 Debt Service Reserve Fund, (c) fund capitalized interest on the Bonds; and (d)

1.4 No Other Bonds. The Corporation will not finance any portion of the Project with the proceeds of any other bonds issued by or on behalf of any state, territory or possession of the United States (or any political subdivision of any of the foregoing, or of the District of Columbia) that: (a) were or will be sold within 15 days of the date of sale of the Bonds; (b) were sold pursuant to the same plan of financing as the Bonds; and (c) are payable directly or indirectly from the same source or sources of funds (determined without regard to guarantees by parties unrelated to the Corporation) from which the Bonds are payable.

1.5 Definitions. Unless the context otherwise requires, capitalized terms used herein shall have the meanings ascribed thereto in Exhibit B to the Tax Agreement. Any capitalized term not defined herein or in Exhibit B to the Tax Agreement shall have the meaning ascribed thereto in the Indenture.

2. The Corporation.

2.1 The Corporation acknowledges that it must be an organization described in Code Section 501(c)(3) in order for the interest on the Bonds to be and to remain excludable from the gross income of the bondholders.

2.2 The Corporation is a non-profit corporation, duly organized and existing under the laws of the State of Louisiana.

2.3 The Corporation has received a written determination from the IRS that the Corporation is an organization that is described in Code Section 501(c)(3) (the “Determination Letter”).

2.4 The Determination Letter has not been modified, limited or revoked and the Corporation is in compliance with all terms, conditions and limitations, if any, contained in the Determination Letter.

2.5 The facts and circumstances that form the basis of the Determination Letter as represented to the IRS continue to exist and no material facts or circumstances have arisen that could affect the validity of the Determination Letter.

2.6 The Corporation has not been audited by the IRS and the Corporation continues to be recognized as an organization described in Section 501(c)(3) of the Code.

2.7 Throughout the term of the Bonds, the Corporation shall do, or cause to be done, all things necessary to continue to be a non-profit corporation, duly organized and existing under the laws of the State of Louisiana.

2.8 Throughout the term of the Bonds, the Corporation shall do, or cause to be done, all things necessary to continue to be classified as an organization described in Section 501(c)(3) of the Code that is not a private foundation as defined in Section 509(a) of the Code.

2.9 The Corporation will not perform any act or enter into any agreement that adversely affects the federal income tax status of the Corporation, including its status as an organization described in Section 501(c)(3) of the Code, and shall conduct its operations in a manner that will conform to the standards necessary to continue to qualify the Corporation as an organization described in Section 501(c)(3) of the Code or any successor provision of federal income tax law.
2.10 The Corporation does not expect to perform any act, or enter into any agreement or transaction that would result in it no longer being an organization described in Section 501(c)(3) of the Code. To that end, the Corporation hereby covenants that it will follow all rulings and procedures outlined by the Regulations relating to organizations described in Section 501(c)(3) of the Code.

2.11 The operation of the Project is substantially related to and in furtherance of the Corporation’s Tax Exempt Purpose.

3. **The Project.**

3.1 **General.** The Corporation hereby acknowledges its understanding that it must satisfy certain requirements with respect to the Project in order for the Bonds to be treated as “qualified 501(c)(3) bonds” under Code Section 145.

3.2 **Description of the Project.**

3.2.1 For purposes of this Corporation Certificate, the term “**Project**” shall mean the Facilities on the campus of the University which are to be acquired, designed, developed, constructed, renovated, demolished, reconstructed, and equipped with the Net Sale Proceeds.

(a) No portion of the Project will be used to provide any:

(b) Airplane;

(c) Skybox or other private luxury box;

(e) Any store, the principal business of which is the sale of alcoholic beverages for consumption off premises.

3.3 **Ownership of the Project.** The Board will own the Project throughout the term of the Bonds.

3.4 **Lease.** The Corporation will lease the Project to the Board throughout the term of the Bonds.

3.5 **Contracts Relating to the Project.** The Corporation and the Board have disclosed to Bond Counsel all contracts and agreements relating to the maintenance and operation of the Project that they have entered into or anticipate entering into. There are no other contracts or agreements relating to the maintenance and operation of the Project and neither the Corporation nor the Board expects to enter into any such contracts or agreements.

3.6 **Use of the Project.**

3.6.1 Neither the Corporation nor the Board will use the Project or cause the Project to be used in a manner that will result in the Bonds not meeting the requirements imposed upon qualified 501(c)(3) bonds.

3.6.2 The Corporation and the Board understand that the Bonds will not be considered “qualified 501(c)(3) bonds” if more than 5% of the Project is used by a Private Person in a trade or business or by the Corporation in an Unrelated Business.
3.6.3 The Corporation and the Board understand that in determining whether all or a portion of the Project is used, directly or indirectly, in the trade or business of a Private Person for purposes of the "private business use test" under Section 141(b)(1) of the Code, use of the Project or any portion thereof by a Private Person pursuant to any agreement, including any management or other service contract must be examined.

3.6.4 Except for Permitted Contracts, neither the Corporation nor the Board will enter into any contract or agreement with respect to any portion of the Project without first disclosing such contract to the Authority and Bond Counsel.

3.6.5 Neither the Corporation nor the Board knows of any reason why the Project or any part thereof would not be used as described in this Corporation Certificate in the absence of: (a) supervening circumstances not anticipated by the Corporation or the Board on the Date of Issue; (b) adverse circumstances beyond their control; or (c) obsolescence of such insubstantial parts or portions of the Project as may occur as a result of normal use thereof.

4.1 Tax Identification Number. The Corporation’s tax identification number 72-1417328.

4.2 Federal Guarantee. The Corporation will not take any action that would cause the Bonds to be treated as "federally guaranteed obligations" for purposes of Section 149(b) of the Code, as may be modified in any applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the IRS with respect to Federally Guaranteed Obligations described in Section 149(b) of the Code. Unless otherwise excepted under Section 149(b) of the Code, the Bonds will be considered federally guaranteed obligations if: (a) the payment of principal and interest with respect to the Bonds is guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof, except that Bonds guaranteed by the Federal Home Loan Bank are not treated as Federally Guaranteed Obligations if the Bonds are issued prior to December 31, 2010); (b) 5% or more of the Proceeds is (i) to be used in making loans, the payment of principal or interest with respect to which is to be guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof) or (ii) to be invested (directly or indirectly) in federally insured deposits or accounts; or (c) the payment of principal or interest on the Bonds is otherwise indirectly guaranteed (in whole or in part) by the United States (or any agency or instrumentality thereof). For purposes of determining whether the Bonds are federally guaranteed, a guarantee by the Federal Housing Administration, the Veterans Administration, the Federal National Mortgage Association, the Federal Home Loan Mortgage Insurance Company, the Government National Mortgage Association or the Resolution Funding Company is not considered a "federal guarantee".

4.3 Payment of Costs of Issuance. At least 95% of the Costs of Issuance will have been paid by the date that is 180 days after the Date of Issue.

5. Private Activity Bond Requirements Applicable to Qualified 501(c)(3) Bonds.

5.1 At least 95% of the Proceeds deposited into the Series 2017 Project Fund will be allocable to costs that are chargeable to the Project’s capital account or would be so chargeable either with a proper election by the Corporation (under Section 266 of the Code) or but for a proper election by the Corporation to deduct such amounts.

5.2 No more than 2% of the proceeds of the Bonds will be used to pay Costs of Issuance of the Bonds.
5.3 The weighted average estimated economic life of the Project, as set forth on Exhibit A hereto is 36.37 years. Such weighted average estimated economic life was determined in accordance with the following assumptions: (a) the weighted average was determined by taking into account the respective costs of each asset so itemized other than land if the cost of land is less than 25 percent of the proceeds of the Bonds (otherwise land is treated as having an economic life of 30 years); (b) the reasonably expected economic life of an asset was determined as of the later of the date of issuance of the Bonds or the date on which such asset, was or is expected to be placed in service; and (c) the economic lives for the itemized assets are the useful lives used for depreciation under Section 167 of the Code prior to the enactment of the current system of depreciation in effect under Section 168 of the Code (i.e., the midpoint lives under the Class Life Asset Depreciation Range of Section 167(m) of the Internal Revenue Code of 1954, as amended), as set forth in Revenue Procedure 83-35, 1983-1 C.B. 418, and where applicable, the guideline lives under Rev. Proc. 62-21, 1962-2 C.B. 418.

(ii) the Principal Account;

(e) the Series 2017 Debt Service Reserve Fund;

(f) the Replacement Fund;

(g) the Receipts Fund;

(h) the Surplus Fund; and

(i) the Series 2017 Rebate Fund.

6.3 Description of Funds. Pursuant to the terms of the Indenture, the accounts listed above will be used as follows:

6.3.1 Series 2017 Bond Proceeds Fund. The Series 2017 Bond Proceeds Fund will receive the Sale Proceeds of the Bonds. The Trustee will retain an amount necessary to pay Costs of Issuance of the Bonds in the Series 2017 Cost of Issuance Account.
6.3.2 Series 2017 Project Fund. The Series 2017 Project Fund shall be maintained by the Trustee in trust and shall be used to receive the immediate transfer from the balance of the proceeds of the Bonds as provided in the Indenture. Moneys in the Series 2017 Project Fund shall be applied to the payment of the Costs of the Facilities pursuant to the procedure established in the Indenture and, pending such application, shall be subject to a lien and charge in favor of the Bondholders and the Bond Insurer for the further security of such Bondholders and the Bond Insurer until paid out or transferred as herein provided.

6.3.3 Series 2017 Capitalized Interest Fund. The Series 2017 Capitalized Interest Fund shall be maintained with the Trustee and shall be funded on the date of delivery of the Bonds from the proceeds thereof. On each date on which the Issuer is required to transfer moneys to the Series 2017 Debt Service Fund pursuant to the Indenture, prior to making any such transfer the Trustee shall transfer amounts on deposit in the Series 2017 Capitalized Interest Fund to the appropriate accounts of the Series 2017 Debt Service Fund in the amounts required by such subsection or such lesser amount as shall then remain in the Series 2017 Capitalized Interest Fund. The Trustee shall reduce the amount required to be transferred to the Series 2017 Debt Service Fund pursuant to the Indenture by any amounts transferred to the Series 2017 Debt Service Fund pursuant to the provisions of this Section. Earnings on amounts in the Series 2017 Capitalized Interest Fund shall be retained therein.

6.3.4 Series 2017 Debt Service Fund. Moneys on deposit in the Series 2017 Debt Service Fund and the accounts therein will be used exclusively for the payment of debt service on the Bonds as due under the terms of the Bonds or by redemption of the Bonds as provided for in the Indenture.

6.3.6 Replacement Fund. The Replacement Fund shall be maintained with the Trustee and used to fund the cost of replacing any worn out, obsolete, inadequate, unsuitable, or undesirable property, furniture, fixtures, or equipment placed upon or used in connection with the Facilities. Moneys in the Replacement Fund will also be transferred to the Interest Account and/or the Principal Account of the Series 2004 Debt Service Fund, the Series 2013 Debt Service Fund, or the Series 2017 Debt Service Fund whenever and to the extent that money on deposit in such Accounts, together with money available therefor in the Surplus Fund, is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004B Bonds, the Series 2013 Bonds, or the Bonds.

6.3.7 Receipts Fund. There shall be deposited into the Receipts Fund all funds received from or paid on behalf of the Board under the Facilities Lease, including: (i) daily, all rents, charges, and other amounts, held in the deposit account maintained by the Management Company pursuant any Management Agreement; and (ii) all Lawfully Available Funds from the Board used to make Base Rental Payments pursuant to the Facilities Lease. The Trustee will transfer the amount so deposited in the Receipts Fund to the Series 2004 Debt Service Fund, the Series 2013 Debt Service Fund, and the Series 2017 Debt Service Fund without distinction or priority. Moneys on deposit in the Receipts Fund will be withdrawn by the Trustee in accordance with the requirements of the Original Indenture, the First Supplemental Indenture, and the Second Supplemental Indenture and ratably on a parity therewith and applied in the priority identified in the Second Supplemental Indenture.
6.3.8 **Surplus Fund.** The Surplus Fund will continue to be maintained with the Trustee. Upon satisfaction of certain performance covenants contained in the Indenture, funds on deposit in the Surplus Fund at the end of any Fiscal Year may be transferred to the University. Until such transfer, moneys in the Surplus Fund will be available to be transferred to the Interest Account and/or the Principal Account of the Series 2004 Debt Service Fund, Series 2013 Debt Service Fund, or the Series 2017 Debt Service Fund whenever and to the extent that money on deposit in such Accounts is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004B Bonds, the Series 2013 Bonds, or the Bonds.

6.3.9 **Series 2017 Rebate Fund.** Moneys on deposit in the Series 2017 Rebate Fund shall be used to make rebate payments to the IRS as and when required.

6.4 **No Other Sinking or Pledge Fund.** Except for the Series 2017 Debt Service Fund and the Series 2017 Debt Service Reserve Fund, there are no funds or accounts comprised of securities (within the meaning of Section 165(g)(2)(A) or (B) of the Code), obligations, annuity contracts or investment-type property, established by or on behalf of the Corporation that are reasonably expected to be used or generate earnings to be used to pay debt service on the Bonds or that are reserved or pledged as collateral for payment of debt service on the Bonds and for which there is reasonable assurance that amounts therein will be available to pay such debt service if the Corporation encounters financial difficulties; therefore, there is no other fund created or established or to be created or established which would be treated as a sinking fund in connection with the Bonds.

6.5 **No Replacement Funds.**

6.5.1 Except for amounts in the Series 2017 Project Fund, the Corporation does not expect to have on hand any property, including cash and securities, that is legally required or otherwise restricted (no matter where held or the source thereof) to be used, directly or indirectly, for the purposes for which the Bonds are being issued.

6.5.2 No portion of the Proceeds will be used as a substitute for other funds that were otherwise to be used as a source of financing for the Project or for the payment of debt service on the Bonds and that have been or will be used to acquire directly or indirectly securities producing a Yield in excess of the Yield on the Bonds.

6.6 **Use of Proceeds.**

6.6.1 The Corporation expects that the Sale Proceeds will be equal to $40,981,608.95 and that such amounts will be used as follows:

[REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

$2,630,320.83 will be deposited into the Series 2017 Capitalized Interest Fund; and

$37,353,652.10 will be deposited into the Series 2017 Project Fund.

$40,981,608.95 Total

6.7 Expectations with Regard to Funds.

6.7.1 The Series 2017 Project Fund. The Corporation reasonably expects the following with respect to the amounts on deposit in the Series 2017 Project Fund:

(a) the Corporation will incur a substantial binding obligation to a third party within six months of the Date of Issue that obligates the Corporation to spend at least 5% of the amount deposited in the Series 2017 Project Fund on the Project;

(b) the Corporation will allocate an amount equal to at least 85% of the amount deposited in the Series 2017 Project Fund to expenditures on the Project within three years of the Date of Issue; and

(c) The Corporation will proceed with due diligence to complete the Project and to allocate the amount deposited in the Series 2017 Project Fund to expenditures on the Project.

6.8 The Series 2017 Debt Service Fund. The Corporation reasonably expects the following with respect to the Series 2017 Debt Service Fund:

6.8.1 The Series 2017 Debt Service Fund will be depleted at least once annually except for a reasonable carryover amount not in excess of the greater of (A) the earnings on the Series 2017 Debt Service Fund for the immediately preceding Bond Year or (B) 1/12th of the principal and interest payments on the Bonds for the immediately preceding Bond Year; and

6.8.2 Amounts deposited in the Series 2017 Debt Service Fund will be spent within thirteen months after the date of such deposit, and any investment earnings (net of losses) received from the investment or reinvestment of moneys held in the account will be spent within one year after the date of accumulation thereof in the account.

6.9 The Series 2017 Debt Service Reserve Fund. The Corporation reasonably expects that the Series 2017 Debt Service Reserve Fund will be used only as a reserve for the payment of principal or interest on the Bonds in the event that no other moneys are available therefore. The total amount held in the Series 2017 Debt Service Reserve Fund Requirement at any time will not exceed the Series 2017 Debt Service Reserve Fund Requirement.
6.10 **Investments of Amounts in Funds.**

6.10.1 **General.**

(a) The Corporation is given the right under Section 4.10 of the Indenture to direct the investment of the Proceeds while held in the funds and accounts established under the Indenture. The Corporation acknowledges that the continued exclusion of interest on the Bonds from gross income of the recipients thereof for purposes of federal income taxation depends, in part, upon compliance with the arbitrage limitations imposed by Section 148 of the Code. The Corporation covenants that it will comply with the following restrictions on investments of the Proceeds.

(b) No Nonpurpose Investment may be acquired with Gross Proceeds for an amount (including transaction costs, except as otherwise provided in §1.148-5(e) of the Regulations) in excess of the Fair Market Value of such Nonpurpose Investment. No Nonpurpose Investment may be sold or otherwise disposed of for an amount (including transaction costs, except as otherwise provided in §1.148-5(e) of the Treasury Regulations) less than the Fair Market Value of the Nonpurpose Investment.

6.10.2 **The Series 2017 Project Fund.** The Proceeds deposited in the Series 2017 Project Fund may be invested without regard to Investment Yield until June 7, 2020. Thereafter, amounts deposited in the Series 2017 Project Fund must be invested in Yield Restricted Investments. Such investments are subject to the rebate requirement described in Section 7.

6.10.3 **The Series 2017 Debt Service Fund.** Amounts deposited in the Series 2017 Debt Service Fund may be invested without regard to Investment Yield for a period not exceeding thirteen months from the date of the first deposit of such amounts in the Series 2017 Debt Service Fund. Such amounts are not subject to the rebate requirement described in Section 7.

6.10.4 **The Series 2017 Debt Service Reserve Fund.** Amounts deposited in the Series 2017 Debt Service Reserve Fund may be invested without regard to Investment Yield. Such amounts are subject to the rebate requirement described in Section 7.

6.10.5 **Investment Earnings.** Investment earnings on moneys in the Series 2017 Project Fund may be invested without regard to Investment Yield until the later of (a) June 7, 2020 or (b) one year from the date of receipt of such investment earnings. Investment earnings on amounts in the Series 2017 Debt Service Fund and the Series 2017 Debt Service Reserve Fund may be invested without regard to Investment Yield for a period of one year from the date of receipt of such investment earnings. All such earnings are subject to the rebate requirement described in Section 7.

6.10.6 **No Abusive Arbitrage Device.** The Bonds are not and will not be part of a transaction or series of transactions that (a) attempts to circumvent the provisions of Section 148 of the Code and related regulations, enabling the Board, the Corporation or any other person to exploit the difference between tax-exempt and taxable interest rates to gain a material financial advantage, or (b) increases the burden on the market for Tax-Exempt Obligations in any manner, including, without limitation, selling bonds that would not otherwise be sold, or selling more bonds, or issuing them sooner, or allowing them to remain outstanding longer, than would otherwise be necessary.

7. **Arbitrage Rebate And Yield Reduction Payments.**

7.1 **General.**
7.1.1 The Corporation acknowledges that the continued exclusion of interest on the Bonds from gross income of the holders thereof for purposes of federal income taxation depends, in part, upon compliance with the arbitrage rebate and yield reduction payment rules in the Code and Regulations (the “Rebate Rules”).

7.1.2 The Corporation acknowledges that the provisions of this Section 7 are intended to comply the Rebate Rules, and if, as a result of a change in the Rebate Rules, a change in this Section 7 shall be necessary to assure continued compliance with the Rebate Rules then, with written notice to the Trustee, the Corporation shall be empowered to amend this Section 7 and the Authority may require, by written notice to the Corporation and the Trustee, the Corporation to amend this Section 7 to the extent necessary or desirable to assure compliance with the Rebate Rules; provided that either the Authority or the Trustee shall require, prior to any such amendment becoming effective, at the sole cost and expense of the Corporation, an opinion of Bond Counsel satisfactory to the Authority and the Trustee to the effect that either (a) such amendment is required to maintain the exclusion from gross income under Section 103 of the Code of interest paid and payable on the Bonds or (a) such amendment shall not adversely affect the exclusion from gross income under Section 103 of the Code of the interest paid or payable on the Bonds.

7.2 Rebate Computation Date Election. The Corporation hereby elects to treat the last day of the 5th Bond Year as the first rebate computation date, and each succeeding 5th Bond Year as a rebate computation date.

7.3 Calculation of Rebate Amount. The Corporation hereby covenants that in connection with complying with the Rebate Rules, unless the Corporation has complied with a Rebate Spending Exception, the Corporation will retain a Rebate Expert on or within thirty (30) days before the initial Rebate Computation Date and on each Rebate Computation Date thereafter, (a) to compute the Rebate Amount required for the period ending on such Rebate Computation Date and (b) to deliver an opinion to the Authority and Trustee, concerning its conclusions with respect to the amount (if any) of such Rebate Amount together with a written report providing a summary of the calculations relating thereto.

7.4 Payment of Rebate Amount.

7.4.1 Within ten (10) days of receipt of a report furnished by the Rebate Expert pursuant to Subsection 7.3.2 above, the Corporation shall pay or cause to be paid to the Trustee for deposit into the Series 2017 Rebate Fund the difference between the amount therein and the amount required to fund the Rebate Amount.

7.4.2 Not later than 60 days after each Rebate Computation Date, the Corporation shall direct the Trustee to pay the Rebate Amount to United States. Each payment shall be accompanied by: (i) a copy of IRS Form 8038-T; and (ii) a statement summarizing the determination of the Rebate Amount, and shall be mailed to the Internal Revenue Service Center, Ogden, Utah 84201.

7.4.3 If the Corporation fails to make or cause to be made any payment required pursuant to Subsection 7.4.2 when due, the Authority shall have the right, but shall not be required, to make such payment to the Trustee for deposit into the Series 2017 Rebate Fund on behalf of the Corporation. Any amount advanced by the Authority pursuant to this subparagraph shall be added to the moneys owing by the Corporation under the Finance Agreement and shall be payable on demand with interest at the higher of (a) the interest rate on Bonds or (b) the default rate provided in the Bonds, if any.

7.4.4 The Corporation acknowledges that the Authority shall have the right at any time and in the sole and absolute discretion of the Authority to obtain from the Corporation and the Trustee the
information necessary to determine the amount required to be paid to the United States pursuant to Section 148(f) of the Code. Additionally, the Authority may, with reasonable cause, (a) review or cause to be reviewed any determination of the amount to be paid to the United States made by or on behalf of the Corporation and (b) make or retain a Rebate Expert to make the determination of the amount to be paid to the United States. The Corporation hereby agrees to be bound by any such review or determination, absent manifest error, to pay the costs of such review, including without limitation the reasonable fees and expenses of counsel or a Rebate Expert retained by the Authority, and to pay to the Trustee any additional amounts for deposit in the Series 2017 Rebate Fund required as the result of any such review or determination.

7.4.5 Notwithstanding any provision of this Subsection to the contrary, the Corporation shall be liable, and shall indemnify and hold the Authority and the Trustee harmless against any liability, for payments due to the United States pursuant to Section 148(f) of the Code. Further, the Corporation specifically agrees that neither the Authority nor the Trustee shall be held liable, or in any way responsible, and the Corporation shall indemnify and hold harmless the Trustee and Authority against any liability, for any mistake or error in the filing of the payment or the determination of the amount due to the United States or for any consequences resulting from any such mistake or error. The provisions of this Subsection shall survive termination of this Agreement and the resignation or removal of the Trustee.

8. Miscellaneous.

8.1 Term. This Corporation Certificate shall be effective from the date of issuance of the Bonds through the date six (6) years after the final Rebate Computation Date and will be effective at all times while the Bonds are outstanding.

8.2 Amendments. Notwithstanding any other provision hereof, any provision of this Corporation Certificate may be amended or waived by an instrument in writing executed by the Authority, the Corporation and the Trustee, provided that there first shall have been provided to the Trustee a written opinion of Bond Counsel, in form and substance satisfactory to the Trustee and the Authority, that such amendment or waiver will not adversely affect the exclusion of interest on the Bonds from the gross income of the recipients thereof for purposes of federal income taxation.

8.3 Default; Remedies.

8.3.1 The failure of any party to this Corporation Certificate to perform any of its required duties under any provision hereof shall constitute an event of default under this Corporation Certificate.

8.3.2 Upon an occurrence of an event of default, the Authority or the Trustee may, in their discretion, proceed to protect and enforce their rights and the rights of the owners of the Bonds by pursuing any available remedy under and in accordance with the Indenture and the Finance Agreement, in addition to pursuing any other available remedy, including, but not limited to, a suit at law or in equity.

8.4 Post Issuance Tax Compliance. The Corporation acknowledges that the Authority has established written procedures intended to monitor the requirements of Section 148 of the Code. The Corporation acknowledges that the Authority’s Post Issuance Tax-Exempt Debt Compliance Policies dated August 8, 2013 are attached to the Tax Agreement as Exhibit E. The Corporation covenants that it will comply with such policies of the Authority and the responsibilities imposed upon conduit borrowers described in such policies to the extent such policies are applicable to the Bonds.
IN WITNESS WHEREOF, the undersigned has executed this Corporation Certificate as of the date set forth above.

EXHIBIT B

PERMITTED CONTRACTS

[Rev. Proc. 2017-13 to be attached]
SECTION 1. PURPOSE

This revenue procedure provides safe harbor conditions under which a management contract does not result in private business use of property financed with governmental tax-exempt bonds under § 141(b) of the Internal Revenue Code or cause the modified private business use test for property financed with qualified 501(c)(3) bonds under § 145(a)(2)(B) to be met. This revenue procedure modifies, amplifies, and supersedes Rev. Proc. 2016-44, 2016-36 IRB 316, to address certain types of compensation, the timing of payment of compensation, the treatment of land, and methods of approval of rates. Sections 2.11 through 2.14 of this revenue procedure generally describe the modifications and amplifications made to Rev. Proc. 2016-44 by this revenue procedure.

SECTION 2. BACKGROUND

.01 Section 103(a) provides that, except as provided in § 103(b), gross income does not include interest on any State or local bond. Section 103(b)(1) provides that § 103(a) shall not apply to any private activity bond that is not a qualified bond (within the meaning of § 141). Section 141(a) provides that the term “private activity bond” means any bond issued as part of an issue (1) that meets the private business use test and private security or payment test, or (2) that meets the private loan financing test.
.02 Section 141(b)(1) provides generally that an issue meets the private business use test if more than 10 percent of the proceeds of the issue are to be used for any private business use. Section 141(b)(6) defines "private business use" as use (directly or indirectly) in a trade or business carried on by any person other than a governmental unit. For this purpose, any activity carried on by a person other than a natural person must be treated as a trade or business.

.03 Section 1.141-3(a)(1) of the Income Tax Regulations provides, in part, that the 10 percent private business use test of § 141(b)(1) is met if more than 10 percent of the proceeds of an issue is used in a trade or business of a nongovernmental person. For this purpose, the use of financed property is treated as the direct use of proceeds. Section 1.141-3(a)(2) provides that, in determining whether an issue meets the private business use test, it is necessary to look at both indirect and direct use of proceeds. Proceeds are treated as used in the trade or business of a nongovernmental person if a nongovernmental person, as a result of a single transaction or a series of related transactions, uses property acquired with the proceeds of an issue.

.04 Section 1.141-3(b)(1) provides that both actual and beneficial use by a nongovernmental person may be treated as private business use. In most cases, the private business use test is met only if a nongovernmental person has special legal entitlements to use the financed property under an arrangement with the issuer. In general, a nongovernmental person is treated as a private business user as a result of ownership; actual or beneficial use of property pursuant to a lease, a management
contract, or an incentive payment contract; or certain other arrangements such as a
take or pay or other output-type contract.

.05 Section 1.141-3(b)(3) provides generally that the lease of financed property to a
nongovernmental person is private business use of that property. For this purpose, any
arrangement that is properly characterized as a lease for federal income tax purposes is
treated as a lease. Section 1.141-3(b)(3) further provides that, in determining whether a
management contract is properly characterized as a lease, it is necessary to consider
all the facts and circumstances, including the following factors: (1) the degree of control
over the property that is exercised by a nongovernmental person; and (2) whether a
nongovernmental person bears the risk of loss of the financed property.

.06 Section 1.141-3(b)(4)(i) provides generally that a management contract with
respect to financed property may result in private business use of that property, based
on all of the facts and circumstances. A management contract with respect to financed
property generally results in private business use of that property if the contract
provides for compensation for services rendered with compensation based, in whole or
in part, on a share of net profits from the operations of the facility. Section 1.141-
3(b)(4)(iv) provides generally that a management contract with respect to financed
property results in private business use of that property if the service provider is treated
as the lessee or owner of financed property for federal income tax purposes.

.07 Section 1.141-3(b)(4)(ii) defines “management contract” as a management,
service, or incentive payment contract between a governmental person and a service
provider under which the service provider provides services involving all, a portion, or
any function, of a facility. For example, a contract for the provision of management services for an entire hospital, a contract for management services for a specific department of a hospital, and an incentive payment contract for physician services to patients of a hospital are each treated as a management contract.

.08 Section 1.141-3(b)(4)(iii) provides that the following arrangements generally are not treated as management contracts that give rise to private business use: (A) contracts for services that are solely incidental to the primary governmental function or functions of a financed facility (for example, contracts for janitorial, office equipment repair, hospital billing, or similar services); (B) the mere granting of admitting privileges by a hospital to a doctor, even if those privileges are conditioned on the provision of de minimis services if those privileges are available to all qualified physicians in the area, consistent with the size and nature of the hospital’s facilities; (C) a contract to provide for the operation of a facility or system of facilities that consists primarily of public utility property, if the only compensation is the reimbursement of actual and direct expenses of the service provider and reasonable administrative overhead expenses of the service provider; and (D) a contract to provide for services, if the only compensation is the reimbursement of the service provider for actual and direct expenses paid by the service provider to unrelated parties.

.09 Section 141(e) provides, in part, that the term “qualified bond” includes a qualified 501(c)(3) bond if certain requirements stated therein are met. Section 145(a) provides generally that “qualified 501(c)(3) bond” means any private activity bond issued as part of an issue if (1) all property that is to be provided by the net proceeds of
the issue is to be owned by a 501(c)(3) organization or a governmental unit, and (2) such bond would not be a private activity bond if (A) 501(c)(3) organizations were treated as governmental units with respect to their activities that do not constitute unrelated trades or businesses, determined by applying § 513(a), and (B) § 141(b)(1) and (2) were applied by substituting “5 percent” for “10 percent” each place it appears and by substituting “net proceeds” for “proceeds” each place it appears. Section 1.145-2 provides that, with certain exceptions and modifications, §§ 1.141-0 through 1.141-15 apply to § 145(a).

.11 Section 5.02 of Rev. Proc. 2016-44 sets forth general financial requirements for management compensation arrangements eligible for the safe harbor. Sections 5.02(2) and 5.02(3) of Rev. Proc. 2016-44 provide that the contract must neither provide to the service provider a share of net profits nor impose on the service provider the burden of bearing any share of net losses from the operation of the managed property. Before the publication of Rev. Proc. 2016-44, previously applicable revenue procedures expressly treated certain types of compensation, including capitation fees, periodic fixed fees, and per-unit fees (as defined therein), as not providing a share of net profits. Questions
have arisen regarding whether these common types of compensation continue to be treated in a similar manner under Rev. Proc. 2016-44. Related questions have arisen about whether a service provider’s payment of expenses of the operation of the managed property without reimbursement from the qualified user (as defined in section 4.04 of Rev. Proc. 2016-44) affects the treatment of these types of compensation. To provide continuity with the previous safe harbors, this revenue procedure clarifies that these types of compensation and certain incentive compensation will not be treated as providing a share of net profits or requiring the service provider to bear a share of net losses.

.12 Sections 5.02(2) and 5.02(3) of Rev. Proc. 2016-44 also provide that the timing of payment of compensation cannot be contingent upon net profits or net losses from the operation of the managed property. Questions have arisen about the effect of these restrictions on the timing of payment of compensation. This revenue procedure clarifies that compensation subject to an annual payment requirement and reasonable consequences for late payment (such as interest charges or late payment fees) will not be treated as contingent upon net profits or net losses if the contract includes a requirement that the qualified user will pay the deferred compensation within five years of the original due date of the payment.

.13. Section 5.03 of Rev. Proc. 2016-44 provides that the term of the contract, including all renewal options (as defined in § 1.141-1(b)), must be no greater than the lesser of 30 years or 80 percent of the weighted average reasonably expected economic life of the managed property. For this purpose, under Rev. Proc. 2016-44,
economic life is determined in the same manner as under § 147(b), but without regard to §147(b)(3)(B)(ii), as of the beginning of the term of contract. Section 147(b)(3)(B)(i) provides that generally land is not taken into account, but § 147(b)(3)(B)(ii) provides that if 25 percent or more of the net proceeds of any issue is to be used to finance the acquisition of land, such land shall be taken into account and treated as having an economic life of 30 years. Questions have arisen about excluding land when the cost of the land accounts for a significant portion of the managed property. This revenue procedure provides that economic life is determined in the same manner as under § 147(b) as of the beginning of the term of the contract. Thus, land will be treated as having an economic life of 30 years if 25 percent or more of the net proceeds of the issue that finances the managed property is to be used to finance the costs of such land.

Section 5.04 of Rev. Proc. 2016-44 provides that the qualified user must exercise a significant degree of control over the use of the managed property. Section 5.04 of Rev. Proc. 2016-44 further provides that this requirement is met if the contract requires the qualified user to approve, among other things, the rates charged for use of the managed property. Section 5.04 of Rev. Proc. 2016-44 also provides that a qualified user may show approval of rates charged for use of the managed property by either expressly approving such rates (or the methodology for setting such rates) or by including in the contract a requirement that service provider charge rates that are reasonable and customary as specifically determined by an independent third party. Questions have arisen about the requirement to approve the rates in various
circumstances in which it may not be feasible to approve each specific rate charged, such as for a physician’s professional services at a § 501(c)(3) hospital or hotel room rates at a governmentally-owned hotel. This revenue procedure clarifies that a qualified user may satisfy the approval of rates requirement by approving a reasonable general description of the method used to set the rates or by requiring that the service provider charge rates that are reasonable and customary as specifically determined by, or negotiated with, an independent third party.

SECTION 3. SCOPE

This revenue procedure applies to a management contract (as defined in section 4.03 of this revenue procedure) involving managed property (as defined in section 4.04 of this revenue procedure) financed with the proceeds of an issue of governmental bonds (as defined in § 1.141-1(b)) or qualified 501(c)(3) bonds (as defined in § 145).

SECTION 4. DEFINITIONS

For purposes of this revenue procedure, the following definitions apply:

.01 Capitation fee means a fixed periodic amount for each person for whom the service provider or the qualified user assumes the responsibility to provide all needed services for a specified period so long as the quantity and type of services actually provided to such persons varies substantially. For example, a capitation fee includes a fixed dollar amount payable per month to a medical service provider for each member of a health maintenance organization plan for whom the provider agrees to provide all needed medical services for a specified period. A fixed periodic amount may include an automatic increase according to a specified, objective, external standard that is not
linked to the output or efficiency of the managed property. For example, the Consumer Price Index and similar external indices that track increases in prices in an area or increases in revenues or costs in an industry are objective, external standards. A capitation fee may include a variable component of up to 20 percent of the total capitation fee designed to protect the service provider against risk such as risk of catastrophic loss.

.02 Eligible expense reimbursement arrangement means a management contract under which the only compensation consists of reimbursements of actual and direct expenses paid by the service provider to unrelated parties and reasonable related administrative overhead expenses of the service provider.

.03 Management contract means a management, service, or incentive payment contract between a qualified user and a service provider under which the service provider provides services for a managed property. A management contract does not include a contract or portion of a contract for the provision of services before a managed property is placed in service (for example, pre-operating services for construction design or construction management).

.04 Managed property means the portion of a project (as defined in § 1.141-6(a)(3)) with respect to which a service provider provides services.

.05 Periodic fixed fee means a stated dollar amount for services rendered for a specified period of time. For example, a stated dollar amount per month is a periodic fixed fee. The stated dollar amount may automatically increase according to a specified, objective external standard that is not linked to the output or efficiency of the
managed property. For example, the Consumer Price Index and similar external indices that track increases in prices in an area or increases in revenues or costs in an industry are objective external standards. Capitation fees and per-unit fees are not periodic fixed fees.

.06 Per-unit fee means a fee based on a unit of service provided specified in the contract or otherwise specifically determined by an independent third party, such as the administrator of the Medicare program, or the qualified user. For example, a stated dollar amount for each specified medical procedure performed, car parked, or passenger mile is a per-unit fee. Separate billing arrangements between physicians and hospitals are treated as per-unit fee arrangements. A fee that is a stated dollar amount specified in the contract does not fail to be a per-unit fee as a result of a provision under which the fee may automatically increase according to a specified, objective, external standard that is not linked to the output or efficiency of the managed property. For example, the Consumer Price Index and similar external indices that track increases in prices in an area or increases in revenues or costs in an industry are objective, external standards.

.07 Qualified user means, for projects (as defined in § 1.141-6(a)(3)) financed with governmental bonds, any governmental person (as defined in § 1.141-1(b)) or, for projects financed with qualified 501(c)(3) bonds, any governmental person or any 501(c)(3) organization with respect to its activities which do not constitute an unrelated trade or business, determined by applying § 513(a).
.08 **Service provider** means any person other than a qualified user that provides services to, or for the benefit of, a qualified user under a management contract.

.9 **Unrelated parties** means persons other than either: (1) a related party (as defined in § 1.150-1(b)) to the service provider or (2) a service provider's employee.

**SECTION 5. SAFE HARBOR CONDITIONS UNDER WHICH MANAGEMENT CONTRACTS DO NOT RESULT IN PRIVATE BUSINESS USE**

.01 **In general.** If a management contract meets all of the applicable conditions of sections 5.02 through section 5.07 of this revenue procedure, or is an eligible expense reimbursement arrangement, the management contract does not result in private business use under § 141(b) or 145(a)(2)(B). Further, under section 5.08 of this revenue procedure, use functionally related and subordinate to a management contract that meets these conditions does not result in private business use.

.02 **General financial requirements.**

(1) **In general.** The payments to the service provider under the contract must be reasonable compensation for services rendered during the term of the contract. Compensation includes payments to reimburse actual and direct expenses paid by the service provider and related administrative overhead expenses of the service provider.

(2) **No net profits arrangements.** The contract must not provide to the service provider a share of net profits from the operation of the managed property. Compensation to the service provider will not be treated as providing a share of net profits if no element of the compensation takes into account, or is contingent upon, either the managed property's net profits or both the managed property's revenues and
expenses (other than any reimbursements of direct and actual expenses paid by the service provider to unrelated third parties) for any fiscal period. For this purpose, the elements of the compensation are the eligibility for, the amount of, and the timing of the payment of the compensation. Incentive compensation will not be treated as providing a share of net profits if the eligibility for the incentive compensation is determined by the service provider’s performance in meeting one or more standards that measure quality of services, performance, or productivity, and the amount and the timing of the payment of the compensation meet the requirements of this section 5.02(2).

(3) **No bearing of net losses of the managed property.**

(a) The contract must not, in substance, impose upon the service provider the burden of bearing any share of net losses from the operation of the managed property. An arrangement will not be treated as requiring the service provider to bear a share of net losses if:

(i) The determination of the amount of the service provider’s compensation and the amount of any expenses to be paid by the service provider (and not reimbursed), separately and collectively, do not take into account either the managed property’s net losses or both the managed property’s revenues and expenses for any fiscal period; and

(ii) The timing of the payment of compensation is not contingent upon the managed property’s net losses.

(b) For example, a service provider whose compensation is reduced by a stated dollar amount (or one of multiple stated dollar amounts) for failure to keep the managed
property’s expenses below a specified target (or one of multiple specified targets) will not be treated as bearing a share of net losses as a result of this reduction.

(4) Treatment of certain types of compensation. Without regard to whether the service provider pays expenses with respect to the operation of the managed property without reimbursement by the qualified user, compensation for services will not be treated as providing a share of net profits or requiring the service provider to bear a share of net losses under sections 5.02(2) and 5.02(3) of this revenue procedure if the compensation for services is: (a) based solely on a capitation fee, a periodic fixed fee, or a per-unit fee; (b) incentive compensation described in the last sentence of section 5.02(2) of this revenue procedure; or (c) a combination of these types of compensation.

(5) Treatment of timing of payment of compensation. Deferral due to insufficient net cash flows from the operation of the managed property of the payment of compensation that otherwise meets the requirements of sections 5.02(2) and 5.02(3) of this revenue procedure will not cause the deferred compensation to be treated as contingent upon net profits or net losses under sections 5.02(2) and 5.02(3) of this revenue procedure if the contract includes requirements that:

(a) The compensation is payable at least annually;

(b) The qualified user is subject to reasonable consequences for late payment, such as reasonable interest charges or late payment fees; and

(c) The qualified user will pay such deferred compensation (with interest or late payment fees) no later than the end of five years after the original due date of the payment.
.03 Term of the contract and revisions. The term of the contract, including all renewal options (as defined in § 1.141-1(b)), must not be greater than the lesser of 30 years or 80 percent of the weighted average reasonably expected economic life of the managed property. For this purpose, economic life is determined in the same manner as under § 147(b) as of the beginning of the term of the contract. A contract that is materially modified with respect to any matters relevant to this section 5 is retested under this section 5 as a new contract as of the date of the material modification.

.04 Control over use of the managed property. The qualified user must exercise a significant degree of control over the use of the managed property. This control requirement is met if the contract requires the qualified user to approve the annual budget of the managed property, capital expenditures with respect to the managed property, each disposition of property that is part of the managed property, rates charged for the use of the managed property, and the general nature and type of use of the managed property (for example, the type of services). For this purpose, for example, a qualified user may show approval of capital expenditures for a managed property by approving an annual budget for capital expenditures described by functional purpose and specific maximum amounts; and a qualified user may show approval of dispositions of property that is part of the managed property in a similar manner. Further, for example, a qualified user may show approval of rates charged for use of the managed property by expressly approving such rates or a general description of the methodology for setting such rates (such as a method that establishes hotel room rates using specified revenue goals based on comparable properties), or by requiring that the
service provider charge rates that are reasonable and customary as specifically determined by, or negotiated with, an independent third party (such as a medical insurance company).

.05 Risk of loss of the managed property. The qualified user must bear the risk of loss upon damage or destruction of the managed property (for example, due to force majeure). A qualified user does not fail to meet this risk of loss requirement as a result of insuring against risk of loss through a third party or imposing upon the service provider a penalty for failure to operate the managed property in accordance with the standards set forth in the management contract.

.06 No inconsistent tax position. The service provider must agree that it is not entitled to and will not take any tax position that is inconsistent with being a service provider to the qualified user with respect to the managed property. For example, the service provider must agree not to claim any depreciation or amortization deduction, investment tax credit, or deduction for any payment as rent with respect to the managed property.

.07 No circumstances substantially limiting exercise of rights.

(1) In general. The service provider must not have any role or relationship with the qualified user that, in effect, substantially limits the qualified user's ability to exercise its rights under the contract, based on all the facts and circumstances.

(2) Safe harbor. A service provider will not be treated as having a role or relationship prohibited under section 5.07(1) of this revenue procedure if:
(a) No more than 20 percent of the voting power of the governing body of the qualified user is vested in the directors, officers, shareholders, partners, members, and employees of the service provider, in the aggregate;

(b) The governing body of the qualified user does not include the chief executive officer of the service provider or the chairperson (or equivalent executive) of the service provider’s governing body; and

(c) The chief executive officer of the service provider is not the chief executive officer of the qualified user or any of the qualified user’s related parties (as defined in §1.150-1(b)).

(3) For purposes of section 5.07(2) of this revenue procedure, the phrase “service provider” includes the service provider’s related parties (as defined in §1.150-1(b)) and the phrase “chief executive officer” includes a person with equivalent management responsibilities.

.08 Functionally related and subordinate use. A service provider’s use of a project (as defined in § 1.141-6(a)(3)) that is functionally related and subordinate to performance of its services under a management contract for managed property that meets the conditions of this section 5 does not result in private business use of that project. For example, use of storage areas to store equipment used to perform activities required under a management contract that meets the requirements of this section 5 does not result in private business use.

SECTION 6. EFFECT ON OTHER DOCUMENTS

Rev. Proc. 2016-44 is modified, amplified, and superseded.
SECTION 7. DATE OF APPLICABILITY

BOND INSURER’S CERTIFICATE

See Attached.
DISCLOSURE, NO DEFAULT AND TAX CERTIFICATE OF
ASSURED GUARANTY MUNICIPAL CORP.

The undersigned hereby certifies on behalf of Assured Guaranty Municipal Corp. ("AGM"), in connection with the issuance by AGM of its Policy No. 218242-N (the "Insurance Policy") and Policy No. 218242-R (the "Reserve Policy" and together with the Insurance Policy, the "Policy") in respect of the $35,465,000 in aggregate principal amount of the Louisiana Local Government Environmental Facilities and Community Development Authority Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project), Series 2017 (the "Bonds") that:

(i) the information set forth under the caption "BOND INSURANCE POLICY – ASSURED GUARANTY MUNICIPAL CORP." in the official statement dated May 24, 2017, relating to the Bonds (the "Official Statement") is true and correct,

(ii) AGM is not currently in default nor has AGM ever been in default under any policy or obligation guaranteeing the payment of principal of or interest on an obligation,

(iii) the Policy is an unconditional and recourse obligation of AGM (enforceable by or on behalf of the holders of the Bonds) to pay the scheduled principal of and interest on the Bonds in the event of Nonpayment by the Issuer (as set forth in the Policy),

(iv) the insurance premium for the Insurance Policy of $262,420.95 and for the Reserve Policy of $95,198.31 (the "Premium") is a charge for the transfer of credit risk and was determined in arm’s length negotiations and is required to be paid to AGM as a condition to the issuance of the Policy,

(v) no portion of such Premium represents an indirect payment of costs of issuance, including rating agency fees, other than fees paid by AGM to maintain its ratings, which, together with all other overhead expenses of AGM, are taken into account in the formulation of its rate structure, or for the provision of additional services by us, nor the direct or indirect payment for a cost, risk or other element that is not customarily borne by insurers of tax-exempt bonds (in transactions in which the guarantor has no involvement other than as a guarantor),

(vi) AGM is not providing any services in connection with the Bonds other than providing the Policy, and except for the Premium, AGM will not use any portion of the Bond proceeds; provided, however, that AGM or its affiliates may independently provide a guaranteed investment contract for the investment of all or a portion of the proceeds of the Bonds,

(vii) except for payments under the Policy in the case of Nonpayment by the Issuer, there is no obligation to pay any amount of principal or interest on the Bonds by AGM,

(viii) AGM does not expect that a claim will be made on the Policy,

(ix) the Issuer is not entitled to a refund of the premium for the Policy in the event a Bond is retired before the final maturity date, and

(x) for Bonds which are secured by a debt service reserve fund, AGM would not have issued the Policy unless the authorizing or security agreement for the Bonds provided for a debt service reserve fund funded and maintained in an amount at least equal to, as of any particular date of computation, the reserve requirement as set forth in such agreement.

AGM makes no representation as to the nature of the interest to be paid on the Bonds or the treatment of the Policy under Section 1.148-4(f) of the Income Tax Regulations.

FAIR MARKET VALUE

For purposes of this Tax Agreement and the Corporation Certificate, the Fair Market Value of any Nonpurpose Investment shall be determined in accordance with the following rules:

1. In General.

   (a) The fair market value of any Nonpurpose Investment shall mean the price at which a willing buyer would pay to a willing seller to acquire the Nonpurpose Investment, with no amounts paid to artificially reduce or increase the Investment Yield on such Nonpurpose Investment.

   (b) If a Nonpurpose Investment is acquired pursuant to an arm’s length transaction without regard to any amount paid to reduce the Investment Yield on the Nonpurpose Investment, the fair market value of the Nonpurpose Investment shall be the amount paid for the Nonpurpose Investment (without increase for transaction costs, except as otherwise provided in §1.148-5(e) of the Regulations).

   (c) If a Nonpurpose Investment is sold or otherwise disposed of in an arm’s length transaction without regard to any reduction in the disposition price to reduce the Rebate Amount, the fair market value of the Nonpurpose Investment shall be the amount realized from the sale or other disposition of the Nonpurpose Investment (without reduction for transaction costs, except as otherwise provided in §1.148-5(e) of the Regulations).

2. Certificates of Deposit. The purchase of certificates of deposit with fixed interest rates, fixed payment schedules and substantial penalties for early withdrawal will be deemed to be an Investment purchased at its Fair Market Value on the purchase date if the Yield on the certificate of deposit is not less than:

   (a) The Yield on reasonably comparable direct obligations of the United States; and

   (b) The highest Yield that is published or posted by the provider to be currently available from the provider on reasonably comparable certificates of deposit offered to the public.

3. Guaranteed Investments Contracts. A Guaranteed Investment Contract ("GIC") is a Nonpurpose Investment that has specifically negotiated withdrawal or reinvestment provisions and a specifically negotiated interest rate, and also includes any agreement to supply Investments on two or more future dates (e.g., a forward supply contract). The purchase price of a GIC is treated at its Fair Market Value on the purchase date if all of the following conditions are satisfied:

   (a) A bona fide solicitation in writing for a specified GIC, is timely forwarded to all potential providers. The solicitation must have specified the material terms of the GIC, including the collateral security requirements for the GIC, if any, and, unless the moneys invested pursuant to such investment will be held in a float fund or a debt service reserve fund, the Borrower’s reasonably expected draw-down schedule for the moneys to be invested. The solicitation must also include a statement that the submission of a bid is a representation that the potential provider did not consult with any other potential provider about its bid, that the bid was determined without regard to any other formal or informal agreement that the potential provider has with the Corporation or any other person (whether or not in connection with the Bonds), and that the bid is not being submitted solely as a courtesy to the Corporation or any other person for purposes of satisfying Treasury Regulations Section 1.148-5(d)(6)(iii)(B)(1) or (2).
(b) All potential providers have an equal opportunity to bid, with no potential provider having the opportunity to review other bids before providing a bid.

(c) At least three reasonably competitive providers (i.e., having an established industry reputation as a competitive provider of the type of investments being purchased) are solicited for bids. At least three bids must be received from providers that have no material financial interest in the Bonds (e.g., underwriter within 15 days of the Date of Issue or financial advisor with respect to the investment) and at least one of such three bids must be from a reasonably competitive provider. If the Corporation or Trustee uses an agent to conduct the bidding, the agent may not bid.

(d) The determination of the terms of the GIC takes into account the Corporation’s reasonably expected drawdown schedule for the amounts to be invested.

(e) The provider of the GIC certifies the administrative costs that it is paying, or expects to pay, to third parties in connection with the GIC and such administrative costs are “qualified administrative costs as defined in Regulations section 1.148-5(e).

(f) The GIC has a Yield at least equal to the highest yielding of the qualifying bids received from the bidders that have no material financial interest in the Bonds. If the GIC is not the highest-yielding of the qualifying bids, the Authority or the Corporation must have significant non-tax reasons, such as creditworthiness of the bidder, for failure to purchase the highest-yielding GIC offered.

(g) The Yield on the GIC is no less than the Yield available from the provider thereof at the time such GIC was entered into on reasonably comparative investment contracts offered to other persons, if any, from a source of funds other than gross proceeds of an issue of tax-exempt obligations.

(h) The terms of the GIC, including collateral security requirements, are commercially reasonable.

(i) The Corporation retains, or directs the Trustee to retain, until three years after the last outstanding Bond is retired: (i) a copy of the GIC contract; (ii) a receipt or other record of the amount actually paid for the GIC and a copy of the provider’s certification described in (e); (iii) the name of the person and entity submitting each bid, the time and date of the bid, and the bid results.

4. United States Treasury Securities - State and Local Government Series. If a United States Treasury obligation is acquired directly from or disposed of directly to the United States Department of the Treasury (as in the case of the United States Treasury Securities - State and Local Government Series ("SLGS") obligations), such acquisition or disposition shall be treated as establishing a market for the obligation and as establishing the fair market value of the obligation.

OVERVIEW

(f) Other general requirements

These Policies apply to any obligations to which Sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended, and any Treasury Regulations promulgated thereunder (together, as applicable, the "Code") apply, whether or not such obligations are in fact tax-exempt. These Policies will be followed with respect to any issue of tax-credit bonds or taxable bonds to which such sections of the Code apply. Further, the conduit borrowers which utilize the conduit services of the ISSUER are responsible for compliance with any requirements set forth in the Code and subsequent rulings and other advice published by the Internal Revenue Service (the "IRS"), as such authorities apply to the ISSUER and its obligations.

While the ISSUER designates its Executive Director as

The COMPLIANCE OFFICER shall require parties employed by the Borrower responsible for financial aspects of its operations and its Bond financed facilities to coordinate with the ISSUER to ensure any actions taken with respect to a Bond financed facility will be in compliance with the Code’s requirements and IRS rulings.

The COMPLIANCE OFFICER will undertake appropriate periodic action to ensure an appropriate staff person is qualified and remains qualified to fulfill duties described herein. The COMPLIANCE OFFICER may retain professional consultants to perform specific tasks required to maintain appropriate compliance, including maintenance of files and records. The COMPLIANCE OFFICER shall ensure that a copy of these Policies will be disseminated to each Borrower of a Bond issued after the effective date of these Policies.

Each Bond transcript should contain the following:

D. **Separate Bank Account.** The Code sets forth many provisions related to investment and expenditure of Bond proceeds. The Borrower shall establish a separate bank account or trust fund for Bond proceeds and maintain records for such account showing:

(i) All expenditures on Bond-financed property
(ii) All investments of Bond proceeds

E. **Investments and Arbitrage Compliance.** The Code sets forth restrictions if Bond proceeds are invested at yields materially higher than yield on the Bonds. (iii) Ensuring use of “fair market value” with respect to purchase and sale of investments

III. **PERIODIC REVIEW**

A. **Private Use.** The COMPLIANCE OFFICER recognizes there are detailed rules relating to private use of facilities financed with Bond proceeds. Accordingly, the COMPLIANCE OFFICER will recommend that each Borrower consult with bond counsel prior to entering into any new contract or renewing any existing contract which provides for a person or organization to manage, operate, or provide services or products with respect to or as part of any part of all or any portion of Bond financed facilities. Each non-profit Borrower will be cautioned to consult with bond counsel prior to allowing any facilities financed with Bond proceeds to be used for purposes which constitute an unrelated business use for income tax purposes.

B. **Expenditures and Assets.** The Borrower is responsible for oversight of expenditure of Bond proceeds, including monitoring whether such expenditures are made timely for purposes for which the Bonds were issued. Each Borrower will ensure all Bond proceeds are expended according the Code’s requirements. Each Borrower shall retain the following for life of the Bonds plus three (3) years:

(iv) Copies of all contracts entered into for construction, renovation or purchase of Bond financed facilities
(v) Records of expenditure reimbursements incurred prior to Bond issuance
(vi) Schedule of all Bond financed facilities or equipment
(vii) Depreciation schedules for Bond financed depreciable property
(viii) Documentation of any purchase or sale of Bond financed assets

C. Disposition. Even though each Borrower may not expect to dispose of its Bond financed facilities, the COMPLIANCE OFFICER recognizes in the event any portion of such facilities are sold, assigned, or transferred in any transaction, such disposition may give rise to issues concerning proper use of any disposition proceeds for arbitrage purposes as well as potential issues concerning private use if not transferred for fair value. Accordingly, each Borrower, by receipt of a copy of these Policies, shall be cautioned that prior to any such sale, assignment or transfer to consult with bond counsel.

D. Compliance Matters. To the extent a post issuance review raises any concern regarding a possible tax compliance issue, the COMPLIANCE OFFICER and the affected Borrower, will immediately consult with bond counsel to determine the appropriate course of conduct, including without limitation, the possibility of remedial action pursuant to applicable Income Tax Regulations, or participation in the voluntary closing agreement program established by the Internal Revenue Service.

IV. REBATE

A. Rebate Analyst. The ISSUER shall cause the Borrower of each Bond, when required by Income Tax Regulations, to retain a rebate analyst for Bonds issued after the effective date of these Policies. In addition to preparing all yield and rebate calculations, the Borrower’s rebate analyst shall calendar all computation dates and obtain from the Borrower all necessary records prior to the report dates. The rebate analyst shall complete either an annual or a five year calculation of the Rebate Requirement within 50 days after the close of each bond year and within 50 days after the first date on which there are no outstanding Bonds of the particular bond issue. The Borrower shall consult bond counsel concerning the appropriate analysis and treatment of Bond debt issued prior to the effective date of these Policies.

B. Rebate Payment. The ISSUER shall cause each Borrower to agree to take steps to ensure that it has retained sufficient funds to pay timely, and timely pay all rebates required.
V. PROJECT SPENDING STATUS REPORT

To ensure Bond proceeds are being spent and projects are completed in a timely fashion in compliance with the Tax Certificates related to the applicable Bond, no later than 30 days after the end of each bond year of each Bond, each Borrower should receive from its engineer or financial officer a brief written report detailing the status of projects, the projected use of unspent bond proceeds of each Bond and an estimate of the amount and timing of each future anticipated disbursement of Bond proceeds on a project by project basis. If requested, the Borrower shall provide the report to the COMPLIANCE OFFICER who may require further action, such as contacting tax counsel for advice on any further action under the Code.

The Borrower is responsible for timely expenditure of bond proceeds and monitoring to ensure expenditures are made for the purposes for which the Bonds were issued in accordance with the Code.

VI. CORRECTIVE ACTION

Corrective action may be required if, for example, it is determined Bond proceeds were not properly expended, a Borrower is not in compliance with arbitrage requirements imposed by the Code or a Borrower has taken action that results in impermissible private business use or entering a management contract with a private company for that facility. If the Borrower is advised that corrective action is necessary with respect to Bond financed facilities, the ISSUER will cooperate with the Borrower in a timely manner to:

(i) Seek to enter into a closing agreement under the Tax-Exempt Bonds Voluntary Closing Agreement Program described in Notice 2001-60 (or successor thereto)
(ii) Take remedial action described in Section 1.141-12 of the Code
(iii) Take such other action as recommended by bond counsel

No other approvals or consents shall be necessary to bind the Authority with respect to any action or decision of the Executive Committee.

SECTION 5. Execution of Documents

A copy of the resolution adopted by the Executive Committee certified by the Chairman or Secretary-Treasurer of the Executive Committee (or such officers of the Authority designated in writing by the Chairman or Secretary-Treasurer of the Executive Committee) shall be evidence of the action of the Executive Committee and the Authority and any such certified resolution or other instrument so signed shall conclusively be presumed to be authentic. Likewise, all facts and matters stated therein shall conclusively be presumed to be true.

SECTION 6. Reporting

The Executive Committee shall be responsible for and shall cause to be filed such annual or other periodic audits, reports and disclosures as may be required from time to time pursuant to applicable federal or state statutes or regulations.

ARTICLE V - MISCELLANEOUS

SECTION 1. Directors' and Officers' Liabilities

A. No director or officer shall be liable for any claims resulting from any act or omission in connection with his duties as a member of the Board of Directors or Executive Committee of the Authority, or as an officer of the Board of Directors, except for claims resulting from the gross negligence or willful misconduct of such director or officer. The Executive Committee is hereby authorized and empowered to obtain, at the expense of the Authority, liability insurance fully protecting the respective directors, officers, employees, agents and the Authority from any loss or expense incurred, including reasonable attorney's fees, as a result of acts or omissions of the directors, officers, employees and agents. The Authority hereby agrees to save, hold harmless and indemnify each director, officer, employee and agent from any loss, damage or expense (including attorneys fees) incurred by said
persons while acting in their official capacity or by reason of the fact the said person is or was a director, officer, employee or agent of the Authority, unless such loss, damage or expense was caused by the bad faith or gross negligence or willful misconduct of such director, officer, employee or agent. The termination of any civil or criminal action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that the person acted other than in good faith and in a manner which he reasonably believed to be in or not opposed to the best interest of the Authority nor with respect to any criminal action or proceeding, that he had reasonable cause to believe that his conduct was unlawful.

B. Any indemnification under this Section 1 of this Article shall be made by the Authority only as authorized in the specific case upon a determination that indemnification of the officer, director and employee or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in this Section 1 of this Article. Such determination shall be made (a) by the Executive Committee by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (b) if such quorum is not obtainable, or, even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion: provided, however, that if a director, officer, employee or agent of the Authority has been successful on the merits or otherwise in defense of any action, suit or proceeding, or in defense of any claim, issue or matter therein, he shall automatically be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith without the necessity of any such determination that he met the applicable standard of conduct set forth in this Section 1 of this Article.

SECTION 2. Reliance on Counsel's Opinion

The Board of Directors, the Executive Committee and the officers may employ and consult with legal counsel concerning any questions which may arise with reference to the duties and powers or with reference to any other matter pertaining to the operation of the Authority; and the opinion of such counsel shall be full and complete authorization and protection in respect to any action taken or suffered by the directors, the Executive Committee and the officers hereunder in good faith in accordance with the opinion of such counsel, and the Board of Directors, the Executive Committee, and the officers shall not be liable therefor.

SECTION 3. Amendments to Bylaws

These bylaws may be amended in writing at any time by the concurrence of no less than two thirds (2/3) of the voting members of the Board of Directors present at a duly called meeting at which a quorum is present. The notice of such meeting must state that one of the purposes of the meeting is to consider the amendment of these bylaws and must generally state
the substance of such proposed amendment. These bylaws may not be amended so as to permit the diversion or application of any of the assets of the Authority for any purpose other than those specified herein or in the Act or which would impair any contractual obligations. The Board of Directors, upon adoption of or amendment to these bylaws, shall send a copy of any such amendment to the participating political subdivisions of the Authority.

SECTION 4. Termination of Membership in the Authority.

Except as noted below, an Authority member may terminate its participation in the Authority upon thirty (30) days written notice to the Chairman of the Board of Directors. An Authority member shall not be permitted to terminate its participation in the Authority so long as such Authority member is obligated to repay an outstanding obligation to the Authority; provided such obligation has been lawfully approved by such member.

SECTION 5. Principal Office of the Authority

The books and records pertaining to the Authority and its administration shall be kept and maintained at the office of the Authority.

SECTION 6. Additional Committees

A. The Executive Committee may from time to time appoint such other committees with such membership as the Executive Committee may determine necessary or appropriate. Such committees may be composed in whole or in part of persons who are not members of the Board of Directors.

B. The Executive Committee shall appoint a Chairman’s Advisory Committee consisting of at least one (1) member and not exceeding three (3) members. Such Committee shall consist of past Chairmen of the Board of Directors, and shall provide advice to the Executive Committee on any matters coming before it.

SECTION 7. Notices

Whenever under the Act or these bylaws notice is required or permitted to be given to the Directors or officers of the Authority, such notice may be given in writing by regular mail or by facsimile or electronic transmission, in either case addressed to such Director or officer at his address as shown on the books of the Authority. The time when such notice is so mailed or delivered via facsimile shall be deemed the time of the giving of such notice.

SECTION 8. Contracting for Services

The Authority was created to lower the borrowing costs of political subdivisions and beneficiaries through participation in Authority financings. By sharing the costs of
professional and other services negotiated at reasonable rates by the Authority, smaller financings undertaken through participation in Authority transactions can benefit directly and immediately. The Authority further recognizes the merit of independent review of proposed financial transactions to avoid self-dealing by professionals serving the Authority or its beneficiaries.

A. The Executive Committee shall have the authority to contract with and hire professionals for the purpose of rendering legal, accounting, financial advisory, management and other services to the Authority and to pay such professionals for such services rendered to the Authority.

B. The Executive Committee shall evaluate and determine fair and equitable compensation for legal services by reference to the Rules of Professional Conduct of the Louisiana State Bar Association, particularly, Rule 1.5 Fees. The fee schedules promulgated by the Attorney General of the State of Louisiana which describe the maximum fees allowed for services of bond counsel shall be complied with, but shall not be used to define or determine the amount of compensation for bond counsel services to the Authority.

C. The Executive Committee shall evaluate and determine fair and equitable compensation for non-legal professionals in accordance with relevant industry standards, criteria and practice.

SECTION 9. Preliminary Review of Authority Transactions

The Executive Committee shall establish a procedure to review proposed Authority transactions for merit and shall have the authority to contract with independent financial advisors and such other professionals as it deems fit to evaluate and provide preliminary findings regarding the relative benefits of transactions proposed to the Authority, its members or to the beneficiaries of such transactions.

SECTION 10. Severability

Should any provision of these By-Laws be declared invalid or unlawful by a court of competent jurisdiction, the remaining provisions hereof shall remain in full force and effect and to that end, such invalid or unlawful provisions are hereby declared to be severable.
ARTICLE VI - DISTRIBUTION OF ASSETS
UPON FINAL DISSOLUTION

Upon final dissolution of the Authority, all assets shall be sold as determined by the Executive Committee, all debts and obligations of the Authority shall be paid, and all funds then remaining shall be distributed to the then current Authority members on an equal share basis.

IN WITNESS WHEREOF, the bylaws of the Authority have been executed on this 14th day of October, 2004.

By execution of this Ground Lease, the Board represents that it has complied with applicable statutory requirements of such Title 17 including, without limitation:

(a) the waiver by written consent of the formulation and adoption of rules, regulations and requirements, if any, relative to the erection, construction and maintenance of the Facilities referenced in Section 3362 A of Title 17 of the Louisiana Revised Statutes, other than those set forth in this Ground Lease or specifically referenced in this Ground Lease;

(b) the waiver by written consent of the Board’s right to require removal of the Facilities referenced in Section 3362 B of Title 17 of the Louisiana Revised Statutes, except as set forth in this Ground Lease; and

**ARTICLE V**

**CONSTRUCTION OF THE FACILITIES**

Section 5.01  **The Corporation’s Construction Obligations.** The Corporation will demolish certain existing facilities and renovate, develop and construct the Facilities on the Land at its own cost and expense. The Corporation shall lease the Facilities to the Board pursuant to the Facilities Lease. The Board shall not have any financial obligation or other obligation of any kind under this Ground Lease except to review and approve the Corporation's activities and as specifically set forth herein.

(a) The Corporation shall furnish or cause to be furnished all supervision, tools, implements, machinery, labor, materials and accessories such as are necessary and proper for the demolition of certain existing facilities and the construction of the Facilities, shall pay all applicable permit and license fees, and shall demolish certain existing facilities and construct, build, and complete the Facilities in a good, substantial and workmanlike manner all in accordance with this Ground Lease, and generally in compliance with the Plans and Specifications and all documents executed pursuant hereto and thereto.

(b) Subject to the provisions of this Section 5.01, all decisions regarding construction matters shall be made by the Corporation. The parties hereto acknowledge that the Board Representative and any other party whose consent is necessary to the Board’s authority have previously reviewed and approved the Plans and Specifications for the Facilities. Prior to the application of Bond proceeds or the issuance of any Additional Bonds (as defined in the Indenture) to finance any subsequent phase of the Facilities, the Board Representative and any other party whose consent is necessary to the Board’s authority shall review and approve the Plans and Specifications relating to such subsequent phase of the Facilities.

(c) Changes in work and materials are subject to review and approval of the Board Representative; however minor changes in work or materials, not affecting the general character of the
Facilities or increasing the cost of construction may be made in the Plans and Specifications at any time by the Corporation without the approval of the Board Representative, but a copy of the altered Plans and Specifications shall promptly be furnished to the Board Representative. The Corporation shall notify the Board Representative of any changes in work or materials that require the Board Representative’s approval and the Board Representative shall either approve or disapprove any such changes within ten (10) business days after receipt of such notice from the Corporation. Notification shall include sufficient information for the Board Representative to make a determination and to approve or disapprove any changes in work or materials.

(d) After completion of the Facilities, at least sixty (60) days prior to undertaking any structural alteration, renovation, or remodeling of the Facilities during the Term, the Corporation shall submit plans for such renovation or remodeling to the Board Representative for approval which approval must be obtained prior to the Corporation making or causing to be made any such structural alteration, renovation, or remodeling of the Facilities. The Board Representative shall either approve or disapprove any such alteration within thirty (30) days after receipt of such plans from the Corporation. All alterations, renovations or additions to the Facilities undertaken by the Corporation shall be in conformance with all applicable laws, codes, rules and regulations, and amendments thereto, including 1988 Standard Building Code with 1989 and 1990 revisions, ANSI A117.1 1986 edition, and NFPA 101 Life Safety Code and all local and state building codes. The Corporation shall have the right to contest any such codes for reasonable grounds by ordinary and proper procedures.

(e) Subject to Force Majeure, the Corporation covenants that the Corporation shall substantially complete construction of the Facilities, subject to punch list items, on or before its respective Date of Opening. Notwithstanding anything to the contrary contained herein, a breach by the Corporation of the covenant set forth in this Section 5.01(e) shall not be an Event of Default hereunder. The Board shall be entitled to institute an action seeking specific performance of this covenant by the Corporation.

(f) Upon commencement of construction of the Facilities, the Corporation shall deliver to the Board Representative a copy of the labor and materials payment and performance bonds in an amount equal to the contract price set forth in the Construction Contract for such Facilities issued by a company qualified, permitted or admitted to do business of the State of Louisiana and approved by the Board. The Corporation shall take the action specified by La. R.S. 9:4802(C) to be taken by an owner to protect the premises from any liens related to the design or construction of the Facilities.

(g) Prior to the Commencement of Construction of the Facilities, any architect whose services have been retained shall provide a standard errors and omissions policy, with such additional provisions as may be approved by counsel to the Corporation.

(h) Any performance bond, labor and material payment bond, or completion bond provided by a contractor hired by the Corporation shall be for 100% of the amount of the contract with such contractor, and shall contain a dual obligee rider in favor of the Board; subject, however, to the reasonable underwriting guidelines of the surety issuing the bond and rules of the Governmental Authorities regulating the surety.

(i) The Corporation shall, upon written request of the Board, make in such detail as may reasonably be required, and forward to the Board Representative, reports in writing as to the actual progress of the construction of the Facilities. During such period, the construction work shall be subject to inspection by authorized personnel of the Board in order to verify reports of construction, determine compliance with safety, fire, and building codes, determine compliance with approved construction plans, or such other inspections as may be necessary in the reasonable opinion of the Board Representative.
(j) The Corporation shall inspect the Land and arrange for boundary surveys, topographical surveys, soil borings and other site investigations at its expense to the extent these things have not been done by the Board. The Board does not guarantee that the Land is suitable for construction of the Facilities. Subject to the matters shown on Exhibit B-1 attached to this Ground Lease, the Corporation accepts the Land in its present condition. However, the Board represents that to the best of its knowledge and belief there are no Hazardous Materials or other materials on or under the Land or that would materially impact the construction of the Facilities.

(k) Except as provided in Section 4.03 hereof, part of the cost of construction of the Facilities shall include all costs necessary for the contractor or applicable utility company to bring lines for all such utilities to the Facilities so that such utilities will be available when required for construction and operation of the Facilities.

ARTICLE VI
ENCUMBRANCES

Section 6.01 Mortgage of Leasehold or the Facilities. Except for the Mortgage, the Corporation shall not mortgage, lien or grant a security interest in the Corporation’s leasehold interest in the Land, the Facilities, or any other right of the Corporation hereunder without the prior written consent of the Board.

(a) For as long as the Facilities Lease is in effect, the University, at the direction of the Board, shall be responsible for maintaining and repairing the Facilities in accordance with Section 7 of the Facilities Lease.

(b) In the event that the Facilities Lease has been terminated, the Corporation will: (1) maintain or cause to be maintained the Facilities, and will keep the Facilities in good repair and in good operating condition and make from time to time all necessary repairs thereto and renewals and replacements thereof; and (2) make from time to time any additions, modifications or improvements to the Facilities the Corporation may deem desirable for its business purposes that do not materially impair the effective use of the Facilities, provided that all such additions, modifications and improvements will become a part of the Facilities.

ARTICLE VIII
CERTAIN LIENS PROHIBITED

Section 8.01 No Mechanics’ Liens. Except as permitted in Section 8.02 hereof the Corporation shall not suffer or permit any mechanics’ liens or other liens to be enforced against the Board’s ownership interest in the Land, the Facilities nor against the Corporation’s leasehold interest in the Land or the Facilities by reason of a failure to pay for any work, labor, services, or materials supplied or claimed to have been supplied to the Corporation or to anyone holding the Land, the Facilities, or any part thereof through or under the Corporation.

Section 8.02 Release of Recorded Liens. If any such mechanics’ liens or materialmen’s liens shall be recorded against the Land or the Facilities, the Corporation shall cause the same to be released of record or, in the alternative, if the Corporation in good faith desires to contest the same, the Corporation
shall be privileged to do so, but in such case the Corporation hereby agrees to indemnify and save the Board harmless from all liability for damages occasioned thereby and shall in the event of a judgment of foreclosure on said mechanics’ lien, cause the same to be discharged and released prior to the execution of such judgment. In the event the Board reasonably should consider the Board’s interest in the Land or the Facilities endangered by any such liens and should so notify the Corporation and the Corporation should fail to provide adequate security for the payment of such liens, in the form of a surety bond, cash deposit or cash equivalent, or indemnity agreement reasonably satisfactory to the Board within thirty (30) days after such notice, then the Board, at the Board’s sole discretion, may discharge such liens and recover from the Corporation immediately as additional Rent under this Ground Lease the amounts paid, with interest thereon from the date paid by the Board until repaid by the Corporation at the rate of ten percent (10%) per annum.

Section 8.03 Memorandum of Recitals. Any memorandum of lease to be filed pursuant to this Ground Lease shall state that any third party entering into a contract with the Corporation for improvements to be located on the Land, or any other party claiming under said third party, shall be on notice that neither the Board nor the Board’s property shall have any liability for satisfaction of any claims of any nature in any way arising out of a contract with the Corporation.

ARTICLE IX
OPERATION AND MANAGEMENT OF FACILITIES

Section 9.01 Management of Facilities. For as long as the Facilities Lease is in effect, the University, at the direction of the Board, shall operate and manage the Facilities or cause the Facilities to be operated and managed in accordance with the Section 7 of the Facilities Lease.

Section 9.02 Books and Records. The Corporation shall keep, or cause to be kept, accurate, full and complete books, including bank statements, and accounts showing exclusively its assets and liabilities, operations, transactions and the financial condition of the Corporation.

Section 9.03 Audits. The Board may, at its option and at its own expense, and during customary business hours, conduct internal audits of the books, bank accounts, records and accounts of the Corporation. Audits may be made on either a continuous or a periodic basis or both, and may be conducted by employees of the Board, by the Louisiana Legislative Auditor or by independent auditors retained by the Board desiring to conduct such audit, but any and all such audits shall be conducted without materially or unreasonably or unnecessarily interrupting or interfering with the normal conduct of business affairs by the Corporation.

ARTICLE X
INDEMNIFICATION

Section 10.17 Indemnification by the Corporation. Excluding the acts or omissions of the Board, its employees, agents or contractors, the Corporation shall and will indemnify and save harmless the Board, its agents, officers, and employees, from and against any and all liability, claims, demands, damages, expenses, fees, fines, penalties, suits, proceedings, actions, and causes of action of any and every kind and nature arising or growing out of or in any way connected with the Corporation’s construction of the Facilities. This obligation to indemnify shall include reasonable fees of legal counsel and third-party investigation costs and all other reasonable costs, expenses, and liabilities from the first notice that any claim or demand has been made; however, the Corporation and the Board shall use the same counsel if such counsel is approved by the Board, which approval shall not be unreasonably withheld or delayed. If the Board does not approve such counsel then the Board may retain independent counsel at the Board’s sole cost and expense. It is expressly understood and agreed that the Corporation is
and shall be deemed to be an independent contractor and operator responsible to all parties for its respective acts or omissions and that the Board shall in no way be responsible therefor.

Section 10.18  Contributory Acts. Whenever in this Ground Lease any party is obligated to pay an amount or perform an act because of its negligence or misconduct (or that of its agents, employees, contractors, guests, or invitees), such obligations shall be mitigated to the extent of any comparative fault or misconduct of the other party (or that of its agents, employees, contractors, guests, or invitees) as determined by a court of law, and in any disputes damages shall be apportioned based on the relative amounts of such negligence or willful misconduct as determined by a court of law.

ARTICLE XI
TERMINATION, DEFAULT AND REMEDIES

Section 11.01  Events Of Default. Any one of the following events shall be deemed to be an “Event of Default” by the Corporation under this Ground Lease.

(a)  The Corporation shall fail to pay any sum required to be paid to the Board under the terms and provisions of this Ground Lease and such failure shall not be cured within thirty (30) days after the Corporation’s receipt of written notice from the Board of such failure.

(b)  The taking by execution of the Corporation’s leasehold estate (other than a foreclosure of the Mortgage) for the benefit of any Person.

(c)  The Corporation shall fail to perform any other covenant or agreement, other than the payment of money, to be performed by the Corporation under the terms and provisions of this Ground Lease and such failure shall not be cured within ninety (90) days after receipt of written notice from the Board of such failure; provided that if during such ninety (90) day period, the Corporation takes action to cure such failure but is unable, by reason of the nature of the work involved, to cure such failure within such period and continues such work thereafter diligently and without unnecessary delays, such failure shall not constitute an Event of Default hereunder until the expiration of a period of time after such ninety (90) day period as may be reasonably necessary to cure such failure.

(d)  A court of competent jurisdiction shall enter an order for relief in any involuntary case commenced against the Corporation, as debtor, under the Federal Bankruptcy Code, as now or hereafter constituted, or the entry of a decree or order by a court having jurisdiction over the Facilities appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator, or other similar official of or for the Corporation or any substantial part of the properties of the Corporation or ordering the winding up or liquidation of the affairs of the Corporation, and the continuance of any such decree or order unstayed and in effect for a period of ninety (90) consecutive days.

(e)  The commencement by the Corporation of a voluntary case under the Federal Bankruptcy Code, as now or hereafter constituted, or the consent or acquiescence by the Corporation to the commencement of a case under such Code or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator, or other similar official of or for the Corporation or any substantial part of the properties of the Corporation.

(f)  The Corporation, after Commencement of Construction but prior to substantially completing construction of the Facilities, abandons (with no intent to continue) renovation or construction for a period of forty-five (45) consecutive days.
Section 11.02 The Board’s Rights Upon Default. Upon the occurrence and during the continuance of an Event of Default, the Board may, at its option, seek any and all damages occasioned by the Event of Default or may seek any other remedies available at law or in equity, including specific performance.

Section 11.03 Termination of Right of Occupancy. Notwithstanding any provision of law or of this Ground Lease to the contrary, except as set forth in Section 1.03 hereof, the Board shall not have the right to terminate this lease prior to the Expiration Date hereof. However, in the event there is an Event of Default by the Corporation hereunder, the Board shall have the right to terminate the Corporation’s right to occupancy of the Land and the Facilities, except that the Facilities, at the option of the Board, shall remain thereon. The Board shall have the right upon ninety (90) days’ written notice and opportunity to cure provided to the Trustee, to take possession of the Land and the Facilities and to re-let the Land and the Facilities or take possession in its own right for the remaining Term of the Ground Lease upon such terms and conditions as the Board is able to obtain. Upon such re-letting, the Corporation hereby agrees to release its leasehold interest and all of its rights under this Ground Lease and the Facilities Lease to the new lessee of the Land (or to the Board, if the Board wishes to remain in possession on its own behalf) in consideration for the new lessee (or the Board, as applicable) agreeing to assume all of the Corporation’s obligations under the Ground Lease, the Facilities Lease, and under any debt incurred by the Corporation in connection with the construction of the Facilities.

Section 11.04 Rights of The Board Cumulative. All rights and remedies of the Board provided for and permitted in this Ground Lease shall be construed and held to be cumulative, and no single right or remedy shall be exclusive of any other which is consistent with the former. The Board shall have the right to pursue any or all of the rights or remedies set forth herein, as well as any other consistent remedy or relief which may be available at law or in equity, but which is not set forth herein. No waiver by the Board of a breach of any of the covenants, conditions or restrictions of this Ground Lease shall be construed or held to be a waiver of any succeeding or preceding breach of the same or of any other covenant, condition or restriction herein contained. The failure of the Board to insist in any one or more cases upon the strict performance of any of the covenants of this Ground Lease, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment of future breaches of such covenant or option.

ARTICLE XII
TITLE TO THE FACILITIES

Section 12.01 Title to Facilities. Title to the existing Facilities and any new Facilities, including the Facilities, as they are constructed or placed in service upon completion thereof shall be vested in the Board. The Board’s right to obtain title to the Facilities unencumbered by the leasehold interest of the Corporation granted hereunder shall be as set forth in the Facilities Lease. All furniture, fixtures, equipment and furnishings permanently affixed to the Facilities shall be the property of the Board upon termination of this Ground Lease whether such termination be by expiration of the Term or an earlier termination under any provision of this Ground Lease.

Section 12.02 The Board’s Option to Require Demolition. Upon the Expiration Date of the Term or earlier termination hereof, in the event the Facilities are no longer suitable for the Board’s purposes, the Board in its sole discretion may require the Corporation to demolish the Facilities and remove the Facilities from the Land, and restore the Land to substantially the same condition as it existed on the date of this Ground Lease, to be accomplished within one hundred eighty (180) days of such Expiration Date or earlier termination hereof. However, such demolition and removal of the Facilities shall be at the Board’s sole cost and expense. In the event of such election upon the expiration of the Term, the Board shall notify the Corporation no later than six (6) months prior to the expiration of the
Term. If this Ground Lease is terminated earlier, the Board shall notify the Corporation within thirty (30) days after the termination.

Section 12.03 Termination of Facilities Lease. Upon the termination of the Facilities Lease as a result of the Board’s exercise of its option to purchase the Facilities granted under the Facilities Lease, all right and interest of the Corporation in and to this Ground Lease, the Facilities Lease and the Facilities shall be transferred to the Board, and the Corporation hereby agrees to execute any documents necessary to effectuate such transfer, or the Board may require the demolition of the Facilities as set forth in Section 12.02 above.

Section 12.04 Insurance Proceeds. Notwithstanding the fact that title to the Facilities is vested in the Board, if the Facilities Lease is no longer in force and effect, and all or any portion of the Facilities is damaged or destroyed by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively “Casualty”), the proceeds of any insurance received on account of any such Casualty shall be disbursed in accordance with the provisions of the Bond Documents, or if the Bond Documents are no longer in effect shall be disbursed to the Corporation as though the Corporation were the owner of the Facilities.

Section 12.05 Condemnation, Casualty and Other Damage. The risk of loss or decrease in the enjoyment and beneficial use of the Facilities due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively “Casualty”) or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Facilities by condemnation, expropriation, or eminent domain proceedings (collectively “Expropriation”) is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental, or any other obligation hereunder.

ARTICLE XIII
CONDEMNATION

Section 13.01 Condemnation. If the Facilities Lease has been terminated, upon the permanent Taking of all the Land and the Facilities, this Ground Lease shall terminate and expire as of the date of such Taking, and both the Corporation and the Board shall thereupon be released from any liability thereafter accruing hereunder except for Rent and all other amounts secured by this Ground Lease owed to the Board apportioned as of the date of the Taking or the last date of occupancy, whichever is later. The Corporation shall receive notice of any proceedings relating to a Taking and shall have the right to participate therein.

Section 13.02 Partial Condemnation if Facilities Lease is No Longer in Effect. Upon a temporary Taking or a Taking of less than all of the Land and the Facilities and if the Facilities Lease is no longer in effect, the Corporation, at its election, may terminate this Ground Lease by giving the Board notice of its election to terminate at least sixty (60) days prior to the date of such termination. Upon any such termination, the Rent accrued and unpaid hereunder shall be apportioned to the date of termination. In the event there is a partial condemnation of the Land and the Corporation decides not to terminate this Ground Lease, the Board and the Corporation shall either amend this Ground Lease or enter into a new lease so as to cover an adjacent portion of property, if necessary to restore or replace any portion of the Land and/or Facilities.

Section 13.03 Partial or Total Condemnation if Facilities Lease is in Effect. If this Ground Lease is terminated under Section 13.01 or in the event of a Taking of less than all of the Land and the
Facilities while the Facilities Lease is in force and effect, and the Board decides to restore or replace the Facilities in accordance with the Facilities Lease, the Board and the Corporation agree to enter into a new lease (in form and substance substantially the same as this Ground Lease) of a portion of property necessary to place thereon the Facilities and to enter into a new Facilities Lease (in form and substance substantially the same as the Facilities Lease) covering such replacement Facilities.

Section 13.04  Payment of Awards - If Facilities Lease is in Effect. Upon the Taking of all or any portion of the Land or the Facilities while the Facilities Lease remains in full force and effect (a) the proceeds of the Award allocable to the value of the Facilities shall be disbursed in accordance with the provisions of the Facilities Lease and the Bond Documents, and (b) the Board shall be entitled (free of any claim by the Corporation) to the Award for the value of the Board’s Interest (such value to be determined as if this Ground Lease were in effect and continuing to encumber the Board’s Interest); and (c) the Corporation shall be entitled to the Award for the value of the Corporation’s interest in the Land under this Ground Lease that is the subject of the Taking.

Section 13.05  Payment of Awards - If Facilities Lease is not in Effect. Upon the Taking of all or any portion of the Land or the Facilities at any time after the Facilities Lease is no longer in force and effect, (a) the proceeds of the Award allocable to the value of the Facilities shall be disbursed in accordance with the provisions of the Bond Documents, or if the Bond Documents are no longer in effect shall be disbursed to the Corporation, (b) the Board shall be entitled (free of any claim of the Corporation) to the Award for the value of the Board’s Interest in the Land (such value to be determined as if this Ground Lease were in effect and continuing to encumber the Board’s Interest) and (c) the Corporation shall be entitled to the Award for the value of the Corporation’s interest in the Land under this Ground Lease that is the subject of the Taking.

Section 13.06  Bond Documents Control. Notwithstanding anything in this Ground Lease to the contrary, in the event of a Casualty or a Taking of all or any portion of the Facilities, the provisions in the Bond Documents shall control the division, application and disbursement of any insurance proceeds or Award paid as a result thereof for so long as the Bond Documents remain in effect.

ARTICLE XIV
ASSIGNMENT, SUBLETTING, AND TRANSFERS OF THE CORPORATION’S INTEREST

Section 14.01  Assignment of Leasehold Interest. Except as expressly provided for in Article VI and in this Article XIV, the Corporation shall not have the right to sell or assign the leasehold estate created by this Ground Lease, or the other rights of the Corporation hereunder to any Person without the prior written consent of the Board.

Section 14.02  Subletting. The Corporation is not authorized to sublet the leasehold estate to any entity other than the Board; provided, however, that if the Facilities Lease terminates, the Corporation shall have the right to sublease the Facilities to University students, faculty and staff and Permitted Sublessees.

Section 14.03  Transfers of the Corporation’s Interest. Except as otherwise expressly provided herein, any Person succeeding to the Corporation’s interest as a consequence of any permitted conveyance, transfer or assignment shall succeed to all of the obligations of the Corporation hereunder and shall be subject to the terms and provisions of this Ground Lease.
ARTICLE XV

Section 15.01  The Corporation’s Compliance. The Corporation agrees, at any time and from
time to time upon not less than thirty (30) days prior written notice by the Board, to execute, acknowledge
and deliver to the Board or to such other party as the Board shall request, a statement in writing certifying
(a) that this Ground Lease is unmodified and in full force and effect (or if there have been modifications,
that the same is in full force and effect as modified and stating the modifications), (b) to the best of its
knowledge, whether or not there are then existing any offsets or defenses against the enforcement of any
of the terms, covenants or conditions hereof upon the part of the Corporation to be performed (and if so
specifying the same), (c) the dates to which the Rent and other charges have been paid, and (d) the dates

this Ground Lease or by any assignee or prospective assignee of any such permitted mortgage or by any
undertenant or prospective undertenant of the whole or any part of the Facilities, or by any other Person.

ARTICLE XVI
TAXES AND LICENSES

Section 16.01  Payment of Taxes. The Board shall pay, and, upon request by the Corporation,
shall provide evidence of payment to the appropriate collecting authorities of, all federal, state and local
taxes and fees, which are now or may hereafter be, levied upon the Corporation’s interest in the Land or

Section 16.02  Contested Tax Payments. The Board shall not be required to pay, discharge or
remove any such taxes or assessments so long as the Board is contesting the amount or validity thereof by
appropriate proceeding which shall operate to prevent or stay the collection of the amount so contested.
The Corporation shall cooperate with the Board in completing such contest and the Corporation shall
have no right to pay the amount contested during the contest. The Corporation, at the Board’s expense,
shall join in any such proceeding if any law shall so require.

The failure of the Board or the Corporation to insist in any one or more cases upon the strict performance of any of the covenants of the Ground Lease, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment for the future of such covenant or option. A receipt by the Board or acceptance of payment
by the Board of Rent with knowledge of the breach of any covenant hereof shall not be deemed a waiver of such breach. No waiver, change, modification or discharge by the Board or the Corporation of any provision of this Ground Lease shall be deemed to have been made or shall be effective unless expressed in writing and signed by the party to be charged.

(f) The Corporation, after Commencement of Construction but prior to substantially completing construction of the Series 2016 Facilities, abandons (with no intent to continue) renovation or construction for a period of forty-five (45) consecutive days.

Section 11.02 The Board’s Rights Upon Default. Upon the occurrence and during the continuance of an Event of Default, the Board may at its option seek any and all damages occasioned by the Event of Default or may seek any other remedies available at law or in equity, including specific performance.

Section 11.03 Termination of Right of Occupancy. Notwithstanding any provision of law or of this Ground Lease to the contrary, except as set forth in Section 1.03 hereof, the Board shall not have the right to terminate this lease prior to the Expiration Date hereof. However, in the event there is an Event of Default by the Corporation hereunder, the Board shall have the right to terminate the Corporation’s right to occupancy of the Land, the Facilities and the Stadium Expansion, except that the Facilities and the Stadium Expansion, at the option of the Board, shall remain thereon. The Board shall have the right upon ninety (90) days’ written notice and opportunity to cure provided to the Series 2004 Bond Insurer and the Trustee, to take possession of the Land, the Facilities and the Stadium Expansion and to re-let the Land, the Facilities and the Stadium Expansion or take possession in its own right for the remaining Term of the Ground Lease upon such terms and conditions as the Board is able to obtain. Upon such re-letting, the Corporation hereby agrees to release its leasehold interest and all of its rights under this Ground Lease and the Facilities Lease to the new lessee of the Land (or to the Board, if the Board wishes to remain in possession on its own behalf) in consideration for the new lessee (or the Board, as applicable) agreeing to assume all of the Corporation’s obligations under the Ground Lease, the Facilities Lease and under any debt incurred by the Corporation in connection with the construction of the Facilities and the Stadium Expansion.

Section 11.04 Rights of The Board Cumulative. All rights and remedies of the Board provided for and permitted in this Ground Lease shall be construed and held to be cumulative, and no single right or remedy shall be exclusive of any other which is consistent with the former. The Board shall have the right to pursue any or all of the rights or remedies set forth herein, as well as any other consistent remedy or relief which may be available at law or in equity, but which is not set forth herein. No waiver by the Board of a breach of any of the covenants, conditions or restrictions of this Ground Lease shall be construed or held to be a waiver of any succeeding or preceding breach of the same or of any other covenant, condition or restriction herein contained. The failure of the Board to insist in any one or more cases upon the strict performance of any of the covenants of this Ground Lease, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment of future breaches of such covenant or option.

ARTICLE XII
TITLE TO THE FACILITIES

Section 12.01 Title to Facilities. Title to the existing Facilities and the Stadium Expansion and any new Facilities, including the Series 2016 Facilities, as they are constructed or placed in service upon completion thereof shall be vested in the Board. The Board’s right to obtain title to the Facilities and the Stadium Expansion unencumbered by the leasehold interest of the Corporation granted hereunder shall be as set forth in the Facilities Lease. All furniture, fixtures, equipment and furnishings permanently affixed to the Facilities and the Stadium Expansion shall be the property of the Board upon termination of this Ground Lease whether such termination is by expiration of the Term or an earlier termination under any provision of this Ground Lease.
Section 12.02  **The Board’s Option to Require Demolition.** Upon the Expiration Date of the Term or earlier termination hereof, in the event the Facilities or the Stadium Expansion are no longer suitable for the Board’s purposes, the Board in its sole discretion may require the Corporation to demolish the Facilities or the Stadium Expansion and remove the Facilities or the Stadium Expansion from the Land, and restore the Land to substantially the same condition as it existed on the date of this Ground Lease, to be accomplished within one hundred eighty (180) days of such Expiration Date or earlier termination hereof. However, such demolition and removal of the Facilities or the Stadium Expansion shall be at the Board’s sole cost and expense. In the event of such election upon the expiration of the Term, the Board shall notify the Corporation no later than six (6) months prior to the expiration of the Term. If this Ground Lease is terminated earlier, the Board shall notify the Corporation within thirty (30) days after the termination.

Section 12.03  **Termination of Facilities Lease.** Upon the termination of the Facilities Lease as a result of the Board’s exercise of its option to purchase the Facilities and the Stadium Expansion granted under the Facilities Lease, all right and interest of the Corporation in and to this Ground Lease, the Facilities Lease and the Facilities and the Stadium Expansion shall be transferred to the Board, and the Corporation hereby agrees to execute any documents necessary to effectuate such transfer, or the Board may require the demolition of the Facilities and the Stadium Expansion as set forth in Section 12.02 above.

Section 12.04  **Insurance Proceeds.** Notwithstanding the fact that title to the Facilities and the Stadium Expansion is vested in the Board, if the Facilities Lease is no longer in force and effect, and all or any portion of the Facilities and the Stadium Expansion is damaged or destroyed by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively “Casualty”), the proceeds of any insurance received on account of any such Casualty shall be disbursed in accordance with the provisions of the Bond Documents, or if the Bond Documents are no longer in effect shall be disbursed to the Corporation as though the Corporation were the owner of the Facilities and the Stadium Expansion.

Section 12.05  **Condemnation, Casualty and Other Damage.** The risk of loss or decrease in the enjoyment and beneficial use of the Facilities and the Stadium Expansion due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively “Casualty”) or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Facilities and the Stadium Expansion by condemnation, expropriation, or eminent domain proceedings (collectively “Expropriation”) is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental or any other obligation hereunder.

ARTICLE XIII
CONDEMNATION

Section 13.01  **Condemnation.** If the Facilities Lease has been terminated, upon the permanent Taking of all the Land, the Facilities and the Stadium Expansion, this Ground Lease shall terminate and expire as of the date of such Taking, and both the Corporation and the Board shall thereupon be released from any liability thereafter accruing hereunder except for Rent and all other amounts secured by this Ground Lease owed to the Board apportioned as of the date of the Taking or the last date of occupancy, whichever is later. The Corporation shall receive notice of any proceedings relating to a Taking and shall have the right to participate therein.
Section 13.02 Partial Condemnation if Facilities Lease is No Longer in Effect. Upon a temporary Taking or a Taking of less than all of the Land, the Facilities and the Stadium Expansion and if the Facilities Lease is no longer in effect, the Corporation, at its election, may terminate this Ground Lease by giving the Board notice of its election to terminate at least sixty (60) days prior to the date of such termination. Upon any such termination, the Rent accrued and unpaid hereunder shall be apportioned to the date of termination. In the event there is a partial condemnation of the Land and the Corporation decides not to terminate this Ground Lease, the Board and the Corporation shall either amend this Ground Lease or enter into a new lease so as to cover an adjacent portion of property, if necessary to restore or replace any portion of the Land and/or Facilities and the Stadium Expansion.

Section 13.03 Partial or Total Condemnation if Facilities Lease is in Effect. If this Ground Lease is terminated under Section 13.01 or in the event of a Taking of less than all of the Land and the Facilities and the Stadium Expansion while the Facilities Lease is in force and effect, and the Board decides to restore or replace the Facilities and the Stadium Expansion in accordance with the Facilities Lease, the Board and the Corporation agree to enter into a new lease (in form and substance substantially the same as this Ground Lease) of a portion of property necessary to place thereon the Facilities and the Stadium Expansion and to enter into a new Facilities Lease (in form and substance substantially the same as the Facilities Lease) covering such replacement Facilities and the Stadium Expansion.

Section 13.04 Payment of Awards - If Facilities Lease is in Effect. Upon the Taking of all or any portion of the Land or the Facilities or the Stadium Expansion while the Facilities Lease remains in full force and effect (a) the proceeds of the Award allocable to the value of the Facilities and the Stadium Expansion shall be disbursed in accordance with the provisions of the Facilities Lease and the Bond Documents, and (b) the Board shall be entitled (free of any claim by the Corporation) to the Award for the value of the Board’s Interest (such value to be determined as if this Ground Lease were in effect and continuing to encumber the Board’s Interest); and (c) the Corporation shall be entitled to the Award for the value of the Corporation’s interest in the Land under this Ground Lease that is the subject of the Taking.

Section 13.05 Payment of Awards - If Facilities Lease is not in Effect. Upon the Taking of all or any portion of the Land or the Facilities or the Stadium Expansion at any time after the Facilities Lease is no longer in force and effect, (a) the proceeds of the Award allocable to the value of the Facilities or the Stadium Expansion shall be disbursed in accordance with the provisions of the Bond Documents, or if the Bond Documents are no longer in effect shall be disbursed to the Corporation, (b) the Board shall be entitled (free of any claim of the Corporation) to the Award for the value of the Board’s Interest in the Land (such value to be determined as if this Ground Lease were in effect and continuing to encumber the Board’s Interest) and (c) the Corporation shall be entitled to the Award for the value of the Corporation’s interest in the Land under this Ground Lease that is the subject of the Taking.

Section 13.06 Bond Documents Control. Notwithstanding anything in this Ground Lease to the contrary, in the event of a Casualty or a Taking of all or any portion of the Facilities or the Stadium Expansion, the provisions in the Bond Documents shall control the division, application and disbursement of any insurance proceeds or Award paid as a result thereof for so long as the Bond Documents remain in effect.

ARTICLE XIV

OF THE CORPORATION’S INTEREST

Section 14.01 Assignment of Leasehold Interest. Except as expressly provided for in Article VI and in this Article XIV, the Corporation shall not have the right to sell or assign the leasehold estate
created by this Ground Lease, or the other rights of the Corporation hereunder to any Person without the prior written consent of the Board.

Section 14.02 Subletting. The Corporation is not authorized to sublet the leasehold estate to any entity other than the Board; provided, however, that if the Facilities Lease terminates, the Corporation shall have the right to sublease the Facilities to University students, faculty and staff and Permitted Sublessees.

Section 14.03 Transfers of the Corporation’s Interest. Except as otherwise expressly provided herein, any Person succeeding to the Corporation’s interest as a consequence of any permitted conveyance, transfer or assignment shall succeed to all of the obligations of the Corporation hereunder and shall be subject to the terms and provisions of this Ground Lease.

ARTICLE XV

The Corporation agrees, at any time and from time to time upon not less than thirty (30) days prior written notice by the Board, to execute, acknowledge and deliver to the Board or to such other party as the Board shall request, a statement in writing certifying (a) that this Ground Lease is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), (b) to the best of its knowledge, whether or not there are then existing any offsets or defenses against the enforcement of any of the terms, covenants or conditions hereof upon the part of the Corporation to be performed (and if so specifying the same), (c) the dates to which the Rent and other charges have been paid, and (d) the dates of commencement and expiration of the Term, it being intended that any such statement delivered pursuant to this Section may be relied upon by any prospective purchaser of the Board’s Interest or by any other Person.

Section 15.02 The Board’s Compliance. The Board agrees, at any time and from time to time, upon not less than thirty (30) days prior written notice by the Corporation, to execute, acknowledge and deliver to the Corporation a statement in writing addressed to the Corporation or to such other party as the Corporation shall request, certifying (a) that this Ground Lease is unmodified and in full force and effect (or if there have been modifications that the same is in full force and effect as modified and stating the modifications); (b) the dates to which the Rent and other charges have been paid; (c) to the best of its knowledge after due inquiry, whether an Event of Default has occurred and is continuing hereunder (and stating the nature of any such Event of Default); (d) during the construction period, the status of construction of the Facilities and the Stadium Expansion and the estimated date of completion thereof; and (e) the dates of commencement and expiration of the Term, it being intended that any such statement delivered pursuant to this Section may be relied upon by any prospective (and permitted) assignee, sublessee or mortgagee of this Ground Lease or by any assignee or prospective assignee of any such permitted mortgage or by any undertenant or prospective undertenant of the whole or any part of the Facilities and the Stadium Expansion, or by any other Person.

ARTICLE XVI
TAXES AND LICENSES

Section 16.01 Payment of Taxes. The Board shall pay, and, upon request by the Corporation, shall provide evidence of payment to the appropriate collecting authorities of, all federal, state and local taxes and fees, which are now or may hereafter be, levied upon the Corporation’s interest in the Land or in the Facilities and the Stadium Expansion or upon any of the Corporation’s property used in connection therewith or upon the Board or the Board’s Interest. The Board may pay any of the above items in
installments if payment may be so made without penalty other than the payment of interest. The obligations of the Board to pay taxes and fees under this Section 16.01 shall apply only to the extent that the Board or the Corporation are not exempt from paying such taxes and fees and to the extent that such taxes and fees are not otherwise abated. The Board and the Corporation agree to cooperate fully with each other to the end that tax exemptions available with respect to the Land, the Facilities and the Stadium Expansion under applicable law are obtained by the party or parties entitled thereto.

Section 16.02  Contested Tax Payments. The Board shall not be required to pay, discharge or remove any such taxes or assessments so long as the Board is contesting the amount or validity thereof by appropriate proceeding which shall operate to prevent or stay the collection of the amount so contested. The Corporation shall cooperate with the Board in completing such contest and the Corporation shall have no right to pay the amount contested during the contest. The Corporation, at the Board’s expense, shall join in any such proceeding if any law shall so require.

ARTICLE XVII
FORCE MAJEURE

Section 17.01  Discontinuance During Force Majeure. Whenever a period of time is herein prescribed for action to be taken by the Corporation, the Corporation shall not be liable or responsible for, and there shall be excluded from the computation for any such period of time, any delays due to Force Majeure. The Board shall not be obligated to recognize any delay caused by Force Majeure unless the Corporation shall within ten (10) days after the Corporation is aware of the existence of an event of Force Majeure, notify the Board thereof.

ARTICLE XVIII

Section 18.03  **Relationship of Parties.** Nothing contained herein shall be deemed or construed by the parties hereto, or by any third party, as creating the relationship of principal and agent, partners, joint venturers, or any other similar such relationship, between the parties hereto. It is understood and agreed that no provision contained herein nor any acts of the parties hereto creates a relationship other than the relationship of Lessor and Lessor hereunder.

Section 18.04  **Memorandum of Lease.** Neither the Board nor the Corporation shall file this Ground Lease for record in Tangipahoa Parish, Louisiana or in any public place without the written consent of the other. Section 18.07  **Warranty of Peaceful Possession.** The Board covenants that the Corporation, on paying the Rent and performing and observing all of the covenants and agreements herein contained and provided to be performed by the Corporation, shall and may peaceably and quietly have, hold, occupy, use, and enjoy the Land, the Facilities and the Stadium Expansion during the Term, subject to the Facilities Lease, and may exercise all of its rights hereunder; and the Board agrees to warrant and forever defend the Corporation’s right to such occupancy, use, and enjoyment and the title to the Land against the claims of any and all persons whomsoever lawfully claiming the same, or any part thereof subject only to the provisions of this Ground Lease, the Facilities Lease, and the matters listed on Exhibit B attached hereto.

Section 18.08  **Curative Matters.** Except for the express representations and warranties of the Board set forth in this Ground Lease, any additional matters necessary or desirable to make the Land usable for the Corporation’s purpose shall be undertaken, in the Corporation’s sole discretion, at no expense to the Board. The Corporation shall notify the Board in writing of all additional matters undertaken by the Corporation to make the Land usable for the Corporation’s purpose.

Section 18.09  **Nonwaiver.** No waiver by the Board or the Corporation of a breach of any of the covenants, conditions, or restrictions of this Ground Lease shall constitute a waiver of any subsequent breach of any of the covenants, conditions or restrictions of this Ground Lease. The failure of the Board or the Corporation to insist in any one or more cases upon the strict performance of any of the covenants of the Ground Lease, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment for the future of such covenant or option. A receipt by the Board or acceptance of payment by the Board of Rent with knowledge of the breach of any covenant hereof shall not be deemed a waiver of such breach. No waiver, change, modification or discharge by the Board or the Corporation of any provision of this Ground Lease shall be deemed to have been made or shall be effective unless expressed in writing and signed by the party to be charged.
Section 18.10  **Terminology.** Unless the context of this Ground Lease clearly requires otherwise, (a) pronouns, wherever used herein, and of whatever gender, shall include natural persons and corporations and associations of every kind and character; (b) the singular shall include the plural wherever and as often as may be appropriate; (c) the word “includes” or “including” shall mean “including without limitation”; (d) the word “or” shall have the inclusive meaning represented by the phrase “and/or”; (e) the words “hereof,” “herein,” “hereunder,” and similar terms in this Ground Lease shall refer to this Ground Lease as a whole and not to any particular section or article in which such words appear. All references to a specific time of day in this Ground Lease shall be based upon Central Standard Time (or the other standard of measuring time then in effect in Hammond, Louisiana).

Section 18.11  **Counterparts.** This agreement may be executed in multiple counterparts, each of which shall be declared an original.

Section 18.12  **Severability.** If any clause or provision of this Ground Lease is illegal, invalid or unenforceable under present or future laws effective during the term of this Ground Lease, then and in that event, it is the intention of the parties hereto that the remainder of Ground Lease shall not be affected thereby.

Section 3. Acknowledgments, Representations, and Covenants of the Board. The Board represents and covenants as follows:

(a) The Board has full power and authority to enter into this Facilities Lease, and the transactions contemplated thereby and agrees to perform all of its obligations hereunder and under the Ground Lease.

(c) The execution and delivery of this Facilities Lease and the Ground Lease, and compliance with the provisions hereof and thereof, will not conflict with or constitute on the part of the Board a violation of, breach of, or default under any constitutional provision, statute, law, resolution, bond indenture, or other financing agreement or any other agreement or instrument to which the Board is a party or by which the Board is bound, or any order, rule or regulation of any court or Governmental Authority or body having jurisdiction over the Board or any of its activities or properties with respect to
the Facilities; and all consents, approvals or authorizations required of the Board for the consummation of the transactions contemplated hereby have been obtained or timely will be obtained.

(d) Other than that which was previously disclosed, there is no action, suit, proceeding, inquiry, or investigation, at law or in equity, before or by any court, public board or body pending or threatened against or affecting the Board, wherein an unfavorable decision, ruling or finding would materially and adversely affect the transaction contemplated hereunder or which in any way would adversely affect the validity or enforceability of this Facilities Lease and the Ground Lease.

(e) The Board will not take or permit to be taken any action which would have the effect, directly or indirectly, of causing interest on the Bonds to be included in gross income for federal income tax purposes.

(f) The Board agrees to cause the Facilities to be used for the Permitted Use and shall not allow the Facilities to be used for any other use. No more than 5% of the gross area of the Facilities financed with the Bonds will be subleased by the Board or by any permitted sublessee or assigns of the Board to, or otherwise used by, private business (unless pursuant to a qualified management contract approved by Bond Counsel) and the Board agrees to take all action, to the extent it is legally authorized and able to do so, necessary to prevent the Bonds from being deemed “private activity bonds” within the meaning of Section 141 of the Code.

(g) The use of the Facilities is essential to the operation of the University by providing for the needs of the students, faculty, and staff of the University. The Board presently intends to make all payments for use of the Facilities.

(h) The Board hereby covenants and agrees to maintain a Debt Service Coverage Ratio of not less than 1.10:1.00. The Board covenants that, as long as any bonds, notes or lease obligations remain outstanding that are payable from Lawfully Available Funds, if the Debt Service Coverage Ratio falls below 1.10:1.00, the Board shall use its best efforts to raise its fees, rentals, rates and charges relating to the Facilities so that within two (2) full semesters after the Debt Service Coverage Ratio becomes deficient, the Debt Service Coverage Ratio equals 1.10:1.00. At the end of two (2) full semesters, if the Debt Service Coverage Ratio is still below 1.10:1.00, the Board shall hire an outside consultant, and the Board shall follow any reasonably feasible recommendations of such consultant regarding the operation and management of the Facilities, including raising fees and rents, reducing expenses and, if necessary, increasing the average occupancy rate through strict enforcement of parietal rules requiring students to reside on campus and, to the extent legally possible, revising parietal rules to increase the number of students required to reside on campus. Facilities. Such additional student housing facilities owned or leased by the Board or the Corporation shall be incorporated with the Facilities into a single housing system so that such additional student housing facilities and all revenues derived therefrom shall secure the Bonds, and the Facilities and the revenues derived therefrom, including all revenues derived from the Facilities Lease, will secure any debt incurred to finance such additional student housing facilities. In addition, the Mortgage (as defined in the Indenture) shall be amended to encumber any such Additional Facilities and any revenues derived therefrom to secure the Series 2016 Bonds and any debt incurred to finance such Additional Facilities.

(j) So long as any Series 2016 Bonds remain outstanding, the University shall maintain its policy of requiring all unmarried, full-time undergraduate students with less than 60 credit hours to live in on-campus residence halls. It is understood that the University currently permits certain exceptions to that policy and, except as set forth in Section 4(h) above, the University may continue to permit those exceptions but it shall make no voluntary revisions to such policy that would reduce the number of students required to live in on-campus residence halls (including, without limitation, reducing the number of credit hours to less than 60, increasing the course-load required for status as a “full-time” student or modifying any existing exemptions from the policy), until the Series 2016 Bonds have been paid in full.

(k) So long as any Series 2016 Bonds remain outstanding, the University shall actively promote the Facilities as a housing alternative and an integral part of the housing system of the University. The University shall, among other things, provide housing brochures to prospective students and allow signs to be posted to promote the Facilities.

(c) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending or threatened against or affecting the Corporation, wherein an unfavorable decision, ruling or finding would materially and adversely affect the transactions contemplated hereunder or which in any way would adversely affect the validity or enforceability of this Facilities Lease, the Ground Lease or any agreement or instrument to which the Corporation is a party, used or contemplated for use in the consummation of the transactions contemplated hereby; and

(d) The Corporation will not take or permit to be taken any action which would have the effect, directly or indirectly, of causing interest on any of the Bonds to be included in gross income for federal income tax purposes.

good and workmanlike manner; and (iv) be in compliance with all Governmental Regulations.

(d) The Board or the University shall provide or cause to be provided all security service, custodial service, janitorial service, trash disposal, landscaping and all other services necessary for the proper upkeep and maintenance of the Facilities as required herein. The Board acknowledges that the Corporation has made no representations or warranty with respect to systems and/or procedures for the security of the Facilities, any persons occupying, using or entering the Facilities, or any equipment, furnishings, or contents of the Facilities. It is the responsibility of the Board, through the Corporation and/or the University to cause to be provided, at the sole cost and expense of the Board, for the security of persons on or entering the Facilities and/or property located at the Facilities, in accordance with reasonable and prudent business practices.

Section 8. Utilities.

(a) All utilities which are used or consumed in or upon or in connection with the Facilities during the Term, including, without limitation water, gas, electricity, sewerage, garbage, or trash removal, light, cable, heat, telephone, power, computer data and other utilities necessary for the operation of the Facilities ("Utility Service") shall be the responsibility of the Board and/or the University. Payments for Utilities Services provided to the entire Facilities (or to the common area of the Facilities) under such contract or contracts therefor as the Board or The University may make shall be made by the Board or The University directly to the respective utility companies furnishing such Utility Services.

(b) The Corporation shall have no responsibility to the Board for the quality or availability of Utility Service to the Facilities, or for the cost to procure the Utility Service. The Board shall reimburse the Corporation for all utilities used in the Facilities to the extent such utilities are procured at the expense of the Corporation. The Corporation shall not be in Default under this Facilities Lease or be liable to the Board or any Other Person for direct or consequential damage, or otherwise, for any failure in supply of any Utility Service, heat, air conditioning, elevator service, cleaning service, lighting, security, or for surges or interruptions of electricity.

Section 9. Insurance.

(a) The Board shall secure and maintain or cause to be secured and maintained at the Board’s sole cost and expense:

(i) A policy or policies covering the Facilities against loss or damage by fire, lightning, earthquake, collapse, vandalism and malicious mischief, flood and storm surge, and against such other perils, as, under good insurance practice, from time to time are insured for properties of similar character and location, which insurance shall be not less than the greater amount of the Bonds outstanding or one hundred percent (100%) of the full replacement cost of the Facilities, without deduction for depreciation, but in no event shall the amount of the insurance be at any time less than the full replacement costs of the Facilities, adjusted to comply with any applicable co-insurance provisions of such insurance policy. Full payment of insurance proceeds shall not be contingent on the degree of damage sustained at other Board facilities. The policy or policies covering such loss must explicitly waive any co-insurance penalty.

(ii) A policy of comprehensive public liability insurance with respect to the Facilities and the operations related thereto, whether conducted on or off the Facilities, against liability for personal injury (including bodily injury and death) and property damage of not less than $5,000,000 in combined single limit liability coverage. Such comprehensive public liability insurance shall specifically include,
but shall not be limited to, sprinkler leakage legal liability, water damage legal liability, motor vehicle liability for all owned and non-owned vehicles, including rented or leased vehicles.

(iii) A policy insuring against demolition, pile driving and any precarious work.

(iv) Boiler and machinery insurance coverage against loss or damage by explosion of steam boilers, pressure vessels and similar apparatus, but only if steam boilers, pressure vessels or similar apparatus are installed on the Facilities, in an amount not less than $5,000,000 with deductible provisions not exceeding $100,000 per accident.

(v) Workers’ compensation insurance issued by a responsible carrier authorized under the laws of the State to insure employers against liability for compensation under the Labor Code of the State, or any act hereafter enacted as an amendment thereto or in lieu thereof, such workers’ compensation insurance to cover all persons employed by the Corporation in connection with the Facilities and to cover full liability for compensation under any such act aforesaid.

(b) The Board shall secure and maintain or cause to be secured and maintained at its sole cost and expense a policy of comprehensive public liability insurance with respect to the Facilities and its operation and management thereof, against liability for personal injury (including bodily injury and death) and property damage, of not less than $5,000,000 in combined single limit liability coverage. Such comprehensive public liability insurance shall specifically include, but shall not be limited to, sprinkler leakage legal liability, water damage legal liability, motor vehicle liability for all owned and non-owned vehicles, including rented or leased vehicles.

(c) The Board may self-insure, obtain commercial coverage, or a combination thereof in order to comply with the insurance required to be maintained under this Section 9. All insurance required in this Section and all renewals of such insurance shall be issued by companies authorized to transact business in the State, and rated at least A by Best’s Insurance Reports (property liability) or in the two highest rating categories of S&P and Moody’s. All insurance policies provided by the Board shall expressly provide that the policies will not be canceled or altered without 30 days’ prior written notice to the Board; and shall, to the extent obtainable, provide that no act or omission of the Corporation or the Board, which would otherwise result in forfeiture or reduction of the insurance, will affect or limit the obligation of the insurance company to pay the amount of any loss sustained.

(d) All policies of insurance that the Board is obligated to maintain according to this Facilities Lease (other than any policy of worker’s compensation insurance) will name the Corporation, the Trustee and such Other Persons or firms as the Board specifies from time to time as additional insureds. Original or copies of original policies (together with copies of endorsements naming the Board, and any others specified by the Board, as additional insureds) and evidence of the payment of all premiums of such policies will be delivered to the Board prior to the Board’s occupancy of the Facilities and from time to time at least 30 days prior to the expiration of the term of each policy.

(e) Proceeds of insurance received and/or the amount of any loss that is self-insured with respect to destruction of or damage to any portion of the Facilities by fire, earthquake or other casualty or event shall be paid to the Trustee (or, in the case of ORM insurance, to the Board for delivery in full to the Trustee) for application in accordance with the provisions of Section 10 of this Facilities Lease and the Indenture.

(f) If the Facilities are self-insured through the Office of Risk Management, Division of Administration, State of Louisiana, the insurance provisions of this Section shall be deemed as having been satisfied.
(g) Annually, the Corporation agrees to deliver to the Trustee a certificate indicating compliance with the insurance requirements of this Section.

Section 10. Condemnation, Casualty and Other Damage.

(a) The risk of loss or decrease in the enjoyment and beneficial use of the Facilities due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, war, nuclear explosion or otherwise (collectively “Casualty”) or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Facilities by condemnation, expropriation, or eminent domain proceedings (collectively “Expropriation”) is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental, or any other obligations hereunder.

(b) The Board hereby covenants and agrees, to the extent it may lawfully do so, that so long as any of the Bonds remain outstanding and unpaid, the Board will not exercise the power of condemnation with respect to the Facilities. The Board further covenants and agrees, to the extent it may lawfully do so, that if for any reason the foregoing covenant is determined to be unenforceable or if the Board should fail or refuse to abide by such covenant and condemns the Facilities, the appraised value of the Facilities shall not be less that the greater of (i) if such Bonds are then subject to redemption, the principal and interest components of the Bonds outstanding through the date of their redemption, or (ii) if such Bonds are not then subject to redemption, the amount necessary to defease such Bonds to the first available redemption date in accordance with the Indenture.

Section 11. Application of Insurance Proceeds; Condemnation Award.

(a) If all or any portion of the Facilities is damaged or destroyed by a Casualty, or is taken by Expropriation proceedings, the Corporation shall, upon receipt of notice from the Board instructing the Corporation to do so, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement of the Facilities. The proceeds of any insurance, including the proceeds of any self-insurance fund, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction or taking of all or any portion of the Facilities shall be delivered to the Trustee and held by the Trustee in a special account to be established upon receipt of any such funds and held by the Trustee in trust, and shall be make available for, and to the extent necessary be applied to, such restoration, repair and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement and repair of the Facilities with respect to which they are held, in each case promptly after receipt of a written request of the Corporation stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee may conclusively rely upon such written requests and shall have no liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with the Trustee following completion of the repairs, restoration or replacement of the Facilities shall be paid by the Trustee in accordance with the terms of the Indenture.
(b) In the event the proceeds of any insurance, and any additional funds deposited with the
Trustee, are insufficient to fully repair, restore or replace the Facilities, the proceeds shall be paid to the
Trustee and used to redeem the outstanding Bonds.

(c) In the event it is necessary to restore or replace the Facilities in a different location
because of the Expropriation of all or a portion of the Facilities, the Corporation and the Board agree to
amend or enter into a new Facilities Lease and Ground Lease in accordance with Sections 13.02 and
13.03 of the Ground Lease. In the event the Board, pursuant to the Ground Lease, decides not to repair,
restore or replace the Facilities for any reason, all insurance proceeds received or payable as a result of
such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including
payments received or payable in lieu of Expropriation) shall be paid to the Trustee and applied to the
prepayment of the Bonds in accordance with the terms of the Indenture, and this Facilities Lease and the
Ground Lease shall terminate.

Section 12. Encumbrances.

(a) Payment by the Board. The Board shall pay or cause to be paid all costs and charges for
alterations, improvements, additions, repairs and maintenance (“Work”) done by the Board or caused to
be done by the Board in or to the Facilities, and for all materials furnished for or in connection with such
Work. The Corporation reserves all rights to collect for any loss or damage sustained or incurred by the
Corporation resulting from any and all Encumbrances, demands or liabilities arising on account of the
Work, which shall be payable by the Board as Additional Rent hereunder.

(b) Failure to Discharge. If the Board fails to pay any charge for which an Encumbrance has
been filed, and the Facilities or any portion thereof is placed in imminent danger of being seized, the
Corporation may, but shall not be obligated to, pay such charge and related costs and interest, and the
amount so paid, together with reasonable Legal Expenses incurred in connection with such Encumbrance,
will be immediately due from the Board to the Corporation as Additional Rental. Nothing contained in
this Facilities Lease will be deemed the consent or agreement of the Corporation subject to the
Corporation’s interest in the Facilities to liability under an Encumbrance, or any mechanics’,
materialman’s or other lien law. If the Board receives written notice that an Encumbrance has been or is
about to be filed against the Facilities, or that any action affecting title to the Facilities has been
commenced on account of Work done by or for the Board or for materials furnished to or for the Board, it
shall immediately give the Corporation Notice of such notice.

(c) Notice of Work. At least fifteen (15) days prior to the commencement of any Work in or
to the Facilities, by or for the University, the University shall give the Corporation Notice of the proposed
Work and the names and addresses of the Persons supplying labor and materials for the proposed Work.
The Corporation will have the right to post notices of nonresponsibility or similar written notices on the
Facilities in order to protect the Facilities against any such claimants.

Section 13. Assignment and Sublease.

(a) Neither this Facilities Lease nor any interest of the Board herein shall be mortgaged,
pledged, assigned or transferred by the Board by voluntary act or by operation of law, or otherwise;
provided, however, the Board may sublease all or any portion of the Facilities, or grant concessions
involving the use of all or any portion of the Facilities, whether such concessions purport to convey a
leasehold interest or a license to use all or a portion of the Facilities, to any Permitted Sublessee. The
Board shall, at all times, remain liable for the performance of the covenants and conditions on its part to
be performed under this Facilities Lease (including, without limitation, the payment of Base Rental and
Additional Rental), notwithstanding any subletting or granting of concessions which may be made.
Nothing herein contained shall be construed to relieve the Board from its obligations to pay Base Rental and Additional Rental as provided in this Facilities Lease or to relieve the Board from any other obligations contained herein. In no event will the Board sublease or permit the use of all or any part of the Facilities to any party other than a Permitted Sublessee without an opinion of Bond Counsel that such will not cause interest on the Bonds to be included in the gross income of the owners of the Bonds for federal tax purposes.

(b) The Corporation shall, concurrently with the execution hereof, assign all of its rights, title and interest in and to this Facilities Lease to the Trustee. The Board explicitly consents to such assignment of this Facilities Lease to the Trustee. The parties hereto further agree to execute any and all documents necessary and proper in connection therewith. Anything required or permitted to be done by the Corporation under this Facilities Lease may be done by the Trustee under the Indenture.

(c) Except as set forth in Section 13(b) the Corporation shall not sell or assign its interest in the Facilities or this Facilities Lease without the prior written consent of the Board.

(a) At the expiration of the Term, or termination of this Facilities Lease, all alterations, fixtures, improvements, and additions made to, in, or on the Facilities by the Board or the University, and all equipment placed upon the Facilities, which are incorporated into or made component parts of the Facilities shall remain the property of the Board.

(b) Title to all property, furniture, equipment, fixtures, and other property installed at or placed upon the Facilities by the Board which is not incorporated into or made a component part of the Facilities shall remain the property of the Board. The Board hereby agrees to replace such property from time to time as such property becomes worn out, obsolete, inadequate, unsuitable or undesirable. The Board may add or remove such property from time to time, and upon expiration of the Term, provided that the Bond repairs any damage to the Facilities by such removal.

Section 15. Right of Entry. Representatives of the Corporation shall, subject to reasonable security precautions, and upon giving the Board not less than 24 hours advance Notice, have the right to enter upon the Facilities during reasonable business hours and in accordance with the applicable law with respect to inspection of individual living quarters (and in emergencies without notice and at all times) (i) to inspect the same, (ii) for any purpose connected with the rights or obligations of the Corporation under this Facilities Lease, or (iii) for all other lawful purposes.

Section 16. Mortgage Prohibition. Except as set forth in the Indenture, the Corporation shall not be entitled to mortgage or grant a security interest in the Facilities.

Section 17. Sale of Facilities: Attornment; and Conveyance and Transfer of the Corporation’s Interest.

(a) If a person other than the Corporation shall succeed to the rights of the Corporation hereunder (in any case with the prior written consent of the Board as required hereby), upon the declaration of the successor to the Corporation’s interest in this Facilities Lease, the Board agrees to fully attorn to and recognize any such successor as the Board’s landlord under this Facilities Lease upon the then existing terms of this Facilities Lease, provided that such successor shall agree in writing to accept the Board’s attornment and not to disturb the Board’s possession so long as the Board shall observe the provisions and all covenants of this Facilities Lease. This attornment provision shall inure to the benefit of any such successor and shall be self-operative upon the election and declaration by such successor, and no further instrument shall be required to give effect to the provisions. However, the Board agrees to
evidence and confirm the foregoing attornment provisions by the execution and delivery of instruments in recordable form satisfactory to such successor.

(b) If the Facilities, or any part thereof, shall be sold or otherwise transferred by sale, assignment, transfer or other contract, or by operation of law or otherwise (with the prior written consent of the Board as required hereby, with an opinion of Bond Counsel that such will not cause interest on the Bonds to be included in the gross income of the owners of the Bonds for federal income tax purposes), and if such written consent specifically so provides, the Corporation shall be automatically and entirely released and discharged to the extent of the interest in or the portion of the Facilities sold, assigned or transferred from and after the effective date of such sale, assignment or transfer of all liability for the performance of any of the covenants of this Facilities Lease on the part of the Corporation thereafter to be performed. The purchase, assignee or other transferee of the Facilities shall be deemed to have agreed to perform such covenants of the Corporation from and after the date of such assignment or sale during such transferee’s period of ownership of the Corporation’s interest under this Facilities Lease all without further agreement between the Corporation, its successor and the Board, including to operate the Facilities for a Permitted Use. The Corporation’s transferee shall not be held responsible for the performance of any of the covenants of this Facilities Lease on the part of the Corporation required to be performed prior to such sale and transfer, the Board reserving its rights against the Corporation for any unperformed covenants prior to such sale or transfer.

Section 18. Quiet Enjoyment. The Corporation covenants that the Board, on paying the Rental and performing and observing all of the covenants and agreements herein contained and provided to be performed by the Board or The University, shall and may peaceably and quietly have, hold, occupy, use, and enjoy the Facilities during the Term and may exercise all of its rights hereunder; and the Corporation agrees to warrant and forever defend the Board's right to such occupancy, use, and enjoyment and the title to the Facilities against the claims of any and all persons whomsoever lawfully claiming the same, or any part thereof subject only to the provisions of this Facilities Lease.

Section 19. Environmental Compliance and Indemnity.

(a) Environmental Compliance. The Board or the University shall operate or cause to be operated the Facilities in compliance with all Environmental Requirements continuously during the Term, and for such periods of time prior to the Commencement Date and after the Expiration Date, as long as the Board is in possession of the Facilities, in whole or in part. The Board shall not cause or permit any Hazardous Substance to be brought upon, kept, or used in or about the Facilities, except for such Hazardous Substance as is necessary or useful to the operation of the Facilities.

(b) The Board’s Liability. If the Board fails to comply with any of the foregoing warranties, representations, and covenants, and removal or Remediation of any Hazardous Substance found on the Facilities is required by Environmental Requirements or Governmental Authority, the Board shall promptly undertake the removal or Remediation of such Hazardous Substance, at the Board’s sole cost and expense. In the event the Board fails or refuses to undertake such removal or Remedial actions, the Corporation may cause the removal or Remediation (or other cleanup reasonable acceptable to the Corporation) of any such Hazardous Substance from the Facilities. The reasonable costs of removal, Remediation, or any other cleanup (including transportation and storage costs) will be considered as Additional Rental under this Facilities Lease, whether or not a court has ordered the cleanup, and those costs will become due and payable within 90 days of written demand by the Corporation. In connection therewith, the Board will give the Corporation, its agents, and employees access to the Facilities to remove, remediate, or otherwise clean up any Hazardous Substance. The Corporation, however, has no affirmative obligation to remove, remediate, or otherwise clean up any Hazardous Substance, and this Facilities Lease will not be construed as creating any such obligation. The Board hereby agrees that it
shall be fully liable for all costs and expenses related to the use, storage, and disposal of any Hazardous Substance located in or about the Facilities by the Board.

Section 20. The Corporation’s Reservation of Rights.

(a) The Corporation hereby reserves all of its rights to recover from the Board for any and all Claims asserted against the Corporation, including Litigation Expenses arising out of or by reason of:

(i) any injury to or death of any person or damage of property occurring on or about the Facilities occasioned by or growing out of or arising or resulting from any tortious or negligent act on the part of the Board in connection with the lease, the operation and management of the Facilities; or

(ii) any failure, breach, or default on the part of the Board in the performance of or compliance with any of the obligations of the Board under the terms of this Facilities Lease.

(b) Notwithstanding the fact that it is the intention of the parties that the Corporation shall not incur any pecuniary liability by reason of the terms of this Facilities Lease or the undertakings required of the Corporation hereunder, nevertheless, if the Corporation should incur any such pecuniary liability, then in that event, the Corporation shall be entitled to assert all rights and remedies granted in law or in equity to recover from the Board the amount of any pecuniary liability incurred by the Corporation, plus all Litigation Expenses incurred in defense of such liability.

(c) No recourse shall be had for the enforcement of any obligation, covenant, or agreement of the Corporation contained in this Facilities Lease or any Claim based thereon against the Corporation of any successor thereto or member thereof, either directly or through the Corporation whether by virtue of any constitutional provision, statute, or rule of law. This Facilities Lease and the obligations of the Corporation hereunder, and any Claim asserted against the Corporation are solely corporate obligations, and the enforcement of any obligation or Claim shall be limited solely to the Corporation’s interest in the Facilities. No personal liability shall attach to, or be incurred by, any officer, director, agent, employee or member of the Corporation and the Board acknowledges that all personal liability of any character against every such officer, director, agent, employee or member by the execution of this Facilities Lease is expressly waived and released, except to the extent that such liability relates to any criminal act, intentional misconduct, or fraud. The immunity of any officer, director, agent, employee or member of the Corporation under the provisions contained in this Section 20 shall survive any acquisition of the Facilities by the Board and the expiration or other termination of this Facilities Lease.

Section 21. Default by Board.

(a) If (i) the Board, on behalf of the University, shall fail to deposit with the Trustee any Base Rental payment required to be so deposited pursuant to Section 6 hereof by the close of business on the day such deposit is required pursuant to Section 6 hereof, or (ii) the Board shall fail to pay or discharge any monetary obligation under this Facilities Lease (other than the payment of Base Rental) as and when due, or within thirty (30) days after receipt of Notice from the Corporation that such sums are due and owing; or (iii) the Board shall breach any nonmonetary terms, covenants or conditions herein, and shall fail to remedy any such breach with all reasonable dispatch within a period of time (or such longer period as the Trustee may approve) after written notice thereof from the Corporation or the University to the Board, then and in any such event (each, an “Event of Default”) the Board shall be deemed to be in default hereunder, and the Corporation shall have the right, without any further demand or notice, to terminate this Facilities Lease on the earliest possible date permitted by law or on any later date specified in any Notice given to the Board, in which case, the Board’s right to possession of the Facilities will cease and this Facilities Lease will be terminated, without, however, waiving the
Corporation’s right to collect all Rental and other payments due or owing for the period up to the time the Corporation regains possession, and to enforce other obligations of the Board which survive termination of this Facilities Lease, and in such event the Corporation may without any further demand or notice reenter the Facilities and eject all parties in possession thereof. The foregoing remedies of the Corporation are in addition to and not exclusive of any other remedy of the Corporation available by law. Any such reentry shall be allowed by the Board without hindrance, and the Corporation shall not be liable in damages for any such reentry or be guilty of trespass. The Corporation understands and agrees that upon its termination of the Board’s right to possession of the Facilities or termination of this Facilities Lease, the Corporation, upon its reentry of the Facilities, shall be allowed to use and re-let the Facilities solely for the Permitted Use and shall be subject to all applicable Governmental Regulations heretofore or hereafter enacted by any Governmental Authority relating to the use and operation of the Facilities.

(b) Notwithstanding any other provision of this Facilities Lease, (i) in no event shall the Corporation have the right to accelerate the payment of any Base Rental payment hereunder and (ii) the Trustee shall have a period of sixty (60) days or such longer period, as shall be necessary in the exercise of reasonable diligence to remedy or cause to be remedied any Event of Default hereunder. The Trustee shall have the curative rights stated herein but shall not have any obligation to exercise any such rights or cure any default of the Board.

Section 22. **Cumulative Remedies.** Each right and remedy provided for in this Facilities Lease is cumulative and is in addition to every other right or remedy provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by the Corporation of anyone or more of the rights or remedies provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise will not preclude the simultaneous or later exercise by the Corporation of any or all other rights or remedies provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise. All costs incurred by the Corporation in collecting any amounts and damages owing by the Board pursuant to the provisions of this Facilities Lease or to enforce any provision of this Facilities Lease, including reasonable Litigation Expenses from the date any such matter is turned over to an attorney, whether or not one or more actions are commenced by the Corporation, will also be recoverable by the Corporation as Additional Rental from the Board. The waiver by the Corporation of any term, covenant or condition hereof shall not operate as a waiver by the Board of any breach by the Corporation of any term, covenant or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other term, covenant or condition hereof.

Section 23. **Option to Purchase.** For and in consideration of the obligations of the Board under the Facilities Lease, the mutual undertakings of the parties, the receipt and adequacy of which is hereby acknowledged, the Corporation grants to the Board an exclusive and irrevocable Option to Purchase for the price and on the terms, provisions, stipulations and conditions hereinafter set forth, all but not less than all of the Corporation’s interest in the Facilities.

(a) **Effective Date.** The effective date of this Option agreement shall be the Commencement Date.

(b) **Term of Option.** The Option shall expire at midnight Central Time, on the Expiration Date, or upon the termination of this Facilities Lease, whichever occurs first.

(c) **Limitation on Exercise of Option.** The Board may not exercise the Option, and the Option shall be voidable, at the sole election of the Corporation, if a Default by the Board has occurred and is continuing under the Facilities Lease, and the applicable time period in which the Board may cure such default has expired. Notwithstanding any provision of this Option to the contrary, the Board shall be
entitled to exercise the Option as long as the Board is legally obligated to make payments of Base Rental under the Facilities Lease.

(d) **Exercise of Option.** The Board may exercise the Option herein granted with respect to the Facilities at any time on or before expiration of the Term, on any Interest Payment Date on or after August 1, 2026 or on the date the Series 2016 Bonds are defeased pursuant to Article XII of the Indenture, by Notice to the Corporation of its election to exercise the Option and purchase the Corporation’s interest in and to the Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase the Facilities.

(e) **Purchase Price.** The Purchase Price for the Facilities shall be equal to the principal of all Bonds then Outstanding plus the interest to accrue on such Bonds until the purchase date, any prepayment premium, charges or costs for early prepayment of the Bonds, any Reimbursement Obligations and any Administrative Expenses prior to the purchase date.

(f) **Effect on Facilities Lease.** Upon the purchase of the Corporation’s interest in the Facilities by the Board pursuant to this Option, the Facilities Lease and the Ground Lease shall terminate.

(g) **Payment of Purchase Price.** The Board, concurrently with the giving of notice of its intention to exercise the Option herein granted, shall deposit an amount equal to the Purchase Price with the Trustee.

(i) **Conveyance.** In the event of and upon the payment of the Purchase Price and any other sums due under this Option by the Board, the Corporation will, on the purchase date, execute and deliver to the Board a written cancellation of the Ground Lease specifically transferring all of the Corporation’s interest in the Facilities to the Board in accordance with the following provisions.

(ii) **Assignment of Contract Rights and Obligations.** The conveyance of any title to the Facilities shall also effect a transfer and assignment of all rights, warranties and liability of the Corporation under existing contracts of any nature with respect to ownership of the Facilities.

(h) **Closing.** In the event the Option is timely exercised, notice of the Board’s election to the Corporation shall constitute an irrevocable conversion of the Option into a binding obligation of the Corporation to sell the Corporation’s interest in the Facilities and the Board to purchase the Corporation’s interest in the Facilities under the terms and conditions set forth in this Section 23, and in such event, the Corporation and the Board shall have the right to demand specific performance of this Option by the other. The Closing shall occur within 60 days of the exercise, by the Board, of the Option at the offices of the Board or its counsel, or at such other time, place, and date as agreed upon by the Corporation and the Board.

(i) **Closing Costs.** The Board shall pay all closing costs and charges incident to the conveyance of the Facilities.

(j) **No Warranty.** The Corporation shall convey its interest in the Facilities without any warranty whatsoever of any nature. The conveyance of the Corporation’s interest in the Facilities shall be without any warranty as to fitness and condition, as set forth in Section 5 of this Facilities Lease. Language substantially similar to the language contained in Section 5 of this Facilities Lease shall be incorporated into and made a part of the act translative of title. In no event shall the Corporation be responsible for any defects in title to the Facilities.

(k) **Default under the Option.**
(i) In the event the Option is exercised, and the Corporation fails to consummate the transaction contemplated herein for any reason, except default by the Board or the failure of the Board to satisfy any of the conditions set forth herein, the Board, may, in addition to any other rights and remedies which may otherwise be available to the Board, enforce this Option by specific performance. The Board’s remedies under this Section are expressly subject to the provisions of Section 31 of this Facilities Lease.

(ii) In the event the Option is exercised, and the Board fails to consummate the transactions contemplated herein for any reason, except default by the Corporation or the failure of the Corporation to satisfy any of the conditions set forth herein, the Corporation (a) may enforce this Option by specific performance and in such action shall have the right to recover damages suffered by reason of the Board’s delay in acquiring the Corporation’s interest in the Facilities; or (b) may bring suit for damages for breach of this Option.

(iii) No delay or omission in the exercise of any right or remedy accruing to either party upon any breach by the other party under this Option shall impair such right or remedy or be construed as a waiver of any such breach theretofore or thereafter occurring. The waiver by either party of any condition or any subsequent breach of the same or any other term, covenant or condition herein contained shall not be deemed to be a waiver of any other condition or of any subsequent breach of the same or of any other term, covenant or condition herein contained.

(l) Attorney’s Fees. Should either party employ an attorney or attorneys to enforce any of the provisions hereof, or to protect its interest in any matter arising under this Option, or to recover damages for the breach of this Option, the party prevailing in any final judgment have the right to collect from the losing party all reasonable attorney’s fees and other costs and expenses incurred in enforcing such rights.

(m) Notices. Any notices required or permitted hereunder shall be in writing and delivered either in person to the other party, or the other party’s authorized agent, or by United States Certified Mail, return receipt requested, postage prepaid, to the address set forth in Section 53 of this Facilities Lease, or to such other address as either party may designate in writing and delivered as herein provided.

(n) Assignability. So long as the Board has not defaulted, the Option may not be assigned by the Corporation or the Facilities sold (subject to the Option or otherwise) to any person or entity without the Board’s prior written consent, which consent may be withheld by the Board in its sole discretion.

(o) Brokerage Commission. The Corporation and the Board mutually warrant to one another that neither has incurred or will incur the services of a broker, realtor, or other person in the negotiation or confection of this Option or the exercise thereof.

(p) Time of Essence. Time is of the essence of this Option.

(q) Binding Effect. This Option shall be binding upon and shall inure to the benefit of the parties hereto and their heirs, successors and assigns.

Section 24. Severability. If any provisions of this Facilities Lease shall be invalid inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable, to any
Section 25. Redemption of Bonds. The Corporation agrees that it will not exercise its option to redeem any Bonds pursuant to the Indenture unless the Board consents to such redemption or such redemption is to be effected with moneys derived from a source other than payments made by the Board under this Facilities Lease; however, in no event shall the mandatory redemption of any Bonds pursuant to the Indenture require the consent of the Board. The Corporation further agrees that if requested by the Board it will take all actions necessary to redeem all or any portion of the Bonds designated by the Board on the first date that it may do so under the terms of the Indenture so long as the Board agrees to provide funds in an amount, and at the time, required to effect such redemption.

Section 26. Additional Bonds. Upon the request and at the expense of the Board, the Corporation shall take action as may be required to effect the issuance of Additional Bonds in such amount as the Board may request as permitted by and in accordance with the provisions of the Indenture for any purpose permitted thereby.

Section 27. Execution. This Facilities Lease may be simultaneously executed in any number of counterparts, each of which when so executed shall be deemed to be an original, and all of which together shall constitute one and the same Facilities Lease.

Section 28. Law Governing. This Facilities Lease is made in the State of Louisiana under the Constitution and laws of the State of Louisiana and is to be governed by the laws of the State of Louisiana.

Section 29. Non-designation of Funds.

(a) In the event that in any Fiscal Year no funds or insufficient funds are designated by the Board in the routine annual budget submission to the Board by The University to enable the payment of Base Rental and Additional Rental due during the next succeeding Fiscal Year, the Board will immediately notify the Corporation and the Trustee of such occurrence. On the first day of the month following the Base Rental payment date on which the last payment of Base Rental can be made in full from budgeted funds, the Facilities Lease may terminate without penalty or expense to the Board of any kind whatsoever, except as to payments herein agreed upon for Fiscal Years for which sufficient funds have been lawfully designated. In the event of such termination, the Board agrees peaceably to surrender possession of the Facilities to the Corporation on the date of such termination in its original condition (normal wear and tear excepted). The Corporation will have all legal and equitable rights and remedies to take possession of the Facilities and re-let the Facilities as the Corporation determines and as granted in this Facilities Lease. The Board acknowledges that the Corporation’s rights to take possession and to re-let the Facilities under this Section 29 shall be assigned to the Trustee for the benefit of the owners of the Bonds, and the Board agrees that the Trustee shall be entitled to exercise all of the rights of the Corporation under this Section 29. This provision is operative notwithstanding any provisions of this Facilities Lease to the contrary. The Board shall be considered in default hereunder if sufficient Lawfully Available Funds have been generated or funds are available to the University and the Board fails to designate funds so budgeted by The University for the payment of Rental. In such event, the Corporation shall be entitled to the rights and remedies set forth in Sections 21 and 22 hereof.

(b) Upon the termination of the Facilities Lease and in the event the University is no longer operating the Facilities, all Rentals shall be collected by or on behalf of the Corporation. The Corporation shall or shall cause all Rentals collected by it to be deposited with the Trustee no later than the Business Day immediately following the day of collection.
Section 30. Exculpatory Provision/In Rem Obligation.

(a) In the exercise of the powers of the Corporation and its trustees, officers, employees and agents under this Facilities Lease and the Indenture, the Corporation shall not be accountable or liable to the Board (i) for any actions taken or omitted by its officers, directors, employees or agents in good faith and believed by it or them to be authorized or within their discretion or rights or powers conferred upon them, or (ii) for any claims based on this Facilities Lease against any officer, employee or agent of the Corporation in his or her personal capacity, all such liability, if any, being expressly waived by the Board by the execution of this Facilities Lease, except to the extent that such liability relates to any criminal act, intentional misconduct or fraud. Nothing in this Facilities Lease or the Indenture is intended to require or obligate, nor shall anything herein or therein be interpreted to require or obligate, the Corporation for any purpose or at any time whatsoever, to provide, apply or expend any funds coming into the hands of the Corporation other than the funds derived from the issuance of the Bonds under the Indenture and moneys derived pursuant to the Indenture and this Facilities Lease.

(b) The Board specifically agrees to look solely to the Corporation’s interest in the Facilities for the recovery of any judgments from the Corporation. It is agreed that the Corporation will not be personally liable for any such judgments, or incur any pecuniary liability as a result of this Facilities Lease to the Board, or the breach of its obligations hereunder. The Corporation’s liability under this Facilities Lease is “in rem” as to its interest in the Facilities. The provision contained in the preceding sentences are not intended to and will not limit any right the Board might otherwise have to obtain injunctive relief against the Corporation or relief in any suit or action in connection with enforcement or collection of amounts that may become owing or payable under or on account of insurance maintained by the Corporation.

Section 31. Amendments. No amendment, modification, or alteration of the terms of this Facilities Lease shall be binding unless the same is in writing dated on or subsequent to the date hereof and duly executed by the parties hereto.

Section 32. Reserved.

Section 33. No Construction Against Drafting Party. The Corporation and the Board acknowledge that each of them and their counsel have had an opportunity to review this Facilities Lease and that each Party was responsible for the drafting thereof.

Section 34. Time of the Essence. Time is of the essence of each and every provision of this Facilities Lease.

Section 35. No Waiver. The waiver by the Corporation of any agreement, condition or provision contained in this Facilities Lease will not be deemed to be a waiver of any subsequent breach of the same or any other agreement, condition, or provision contained in this Facilities Lease, nor will any custom or practice that may arise between the Parties in the administration of the terms of this Facilities Lease be construed to waive or to lessen the right of the Corporation to insist upon the performance by the Board in strict accordance with the terms of this Facilities Lease. The subsequent acceptance of Rental by the Corporation will not be deemed to be a waiver of any preceding breach by the Board of any agreement, condition, or provision of this Facilities Lease, other than the failure of the Board to pay the particular Rental so accepted, regardless of the Corporation’s knowledge of such preceding breach at the time of acceptance of such Rental.

Section 36. Survival. To the extent permitted by law and to the extent such will not constitute the incurrence of debt by the Board, all of the Corporation’s remedies and rights of recovery under Sections 19, 20, 21 and 22 of this Facilities Lease and the Board Insurer’s rights of recovery under
Section 13.10 of the Indenture shall survive the Term and/or the purchase of the Facilities by the Board under the Option.

Section 37. Counterparts. This Facilities Lease may be executed in any number of counterparts, each of which shall be an original, but all of which shall together constitute one and the same instrument.

Section 38. Estoppel Certificates. At any time and from time to time, but within 10 days after prior written request by the Corporation, the Board will execute, acknowledge, and deliver to the Corporation, promptly upon request but only to the extent accurate, a certificate certifying (i) that this Facilities Lease is unmodified and in full force and effect or, if there have been modifications, that this Facilities Lease is in full force and effect, as modified, and stating the date and nature of each modification; (ii) the date, if any, to which Rental and other sums payable under this Facilities Lease have been paid; (iii) that no Notice of any default has been delivered to the Corporation which default has not been cured, except as defaults specified in said certificate; (iv) that there is no Event of Default under this Facilities Lease or an event which, with Notice or passage of time, or both, would result in an Event of Default under this Facilities Lease, except for defaults specified in said certificate; and (v) such other matters as may be reasonably requested by the Corporation. Any such certificate may be relied upon by any prospective purchaser or existing or prospective mortgagee of the Facilities or any part thereof. The Board’s failure to notify the Corporation of any inaccuracies in the proposed certificate within the specified time period shall be conclusive evidence that the matters set forth in the certificate are accurate and correct.

Section 39. Waiver of Jury Trial. The Corporation waives trial by jury in any action, proceeding, or counterclaim brought by either of the Parties to this Facilities Lease against the other on any matters whatsoever arising out of or in any way connected with this Facilities Lease, the relationship of the Corporation and the Board, the Board’s or the University’s use or occupancy of the Facilities, or any other Claims arising hereunder.

Section 40. Written Amendment Required. No amendment, alteration, modification of, or addition to the Facilities Lease will be valid or binding unless expressed in writing and signed by the Corporation and the Board.

Section 41. Entire Agreement. This Facilities Lease and the exhibits and addenda, if any, contain the entire agreement between the Corporation and the Board. No promises or representation, except as contained in this Facilities Lease, have been made to the Board respecting the condition or the manner of operating the Facilities.

Section 42. Signs. The Board or the University may attach any sign on any part of the Facilities, or in the halls, lobbies, windows, or elevator banks of the Facilities, without the Corporation’s approval. The Board may name the Facilities and change the name, number, or designation of the Facilities, without the Corporation’s prior consent.

Section 43. Litigation Expenses. The Board will pay the Corporation as Additional Rental all reasonable Litigation Expenses and all other reasonable expenses which may be incurred by the Corporation in enforcing any of the obligations of the Board under this Facilities Lease, in exercising its rights to recover against the Board for loss or damage sustained in accordance with the provisions of this Facilities Lease, or in any litigation or negotiation in which the Corporation shall, without its fault, become involved through or because of this Facilities Lease.

Section 44. Brokers. The Corporation and the Board respectively represent and warrant to each other that neither has consulted or negotiated with any broker or finder with regard to the Facilities.
Section 45. **No Easements for Air or Light.** Any diminution or shutting off of light, air, or view by any structure that may be erected on any of the lands constituting the Facilities, or on lands adjacent to the Facilities, will in no way affect this Facilities Lease or impose any liability on the Corporation. This Facilities Lease does not grant any rights to light, view, and/or air over the Facilities whatsoever.

Section 46. **Binding Effect.** The covenants, conditions, and agreements contained in this Facilities Lease will bind and inure to the benefit of the Corporation and the Board and their respective permitted assigns.

Section 47. **Facilities Lease to Constitute a Contract.** This Facilities Lease, upon execution by the Board and the Corporation shall constitute a third party beneficiary contract between the Board and the Corporation for the benefit of the owners of all Bonds issued hereunder.

At the end of two (2) full semesters, if the Debt Service Coverage Ratio for the Parking Facilities shall remain below 1.25:1.00, the Board will be required to hire an outside consultant, approved by the Series 2007 Bond Insurer and the Series 2016 Bond Insurer, and the Board will be required to follow any reasonably feasible recommendations of such consultant regarding the operation and management of the Series 2007 Facilities. So long as the Board shall be working in good faith with such consultant to increase any deficient Debt Service Coverage Ratio for the Parking Facilities, there will not be an Event of Default under this Facilities Lease unless (i) the Debt Service Coverage Ratio for the Parking Facilities shall be less than 1.25 to 1.00 for two (2) full consecutive semesters after retention of an outside consultant by the Board. For purposes of the foregoing, when establishing such fees and charges and calculating the Debt Service Coverage Ratio for the Parking Facilities, the Board will be required to take into account payments required to be made into the Series 2007 Debt Service Reserve Fund and the Series 2016B Debt Service Reserve Fund pursuant to the provisions of the Series 2007 Indenture, as supplemented and amended by the Series 2016B Indenture, respectively. Such additional student housing facilities owned or leased by the Board or the Corporation shall be incorporated with the Series 2004 Facilities or the Series 2016 Facilities into a single housing system so that such additional student housing facilities and all revenues derived therefrom shall secure the Bonds, and the Series 2004 Facilities and the Series 2016 Facilities and the revenues derived therefrom, including all revenues derived from the Facilities Lease, will secure any debt incurred to finance such additional student housing facilities. In addition, the Mortgage (as defined in the Series 2004Indenture and the Series 2016A Indenture) shall be amended to encumber any such Additional Housing Facilities and any revenues derived therefrom to secure the Series 2004 Bonds or the Series 2016A Bonds and any debt incurred to finance such Additional Housing Facilities. (j) So long as any Series 2004 Bonds or Series 2016A Bonds remain outstanding, the University shall maintain its policy of requiring all unmarried, full-time, undergraduate students with less than 60 credit hours to live in on-campus residence halls. It is understood that the University currently permits certain exceptions to that policy and, except as set forth in Section 4(h) above, the University may continue to permit those exceptions but it shall make no voluntary revisions to such policy that would reduce the number of students required to live in on-campus residence halls (including, without limitation, reducing the number of credit hours to less than 60, increasing the course-load required for status as a “full-time” student or modifying any existing exemptions from the policy), until the Series 2004 Bonds and the Series 2016 Bonds have been paid in full or the Series 2004 Bond Insurer and the Series 2016 Bond Insurer consents in writing to a change in such policy.

(k) So long as any Series 2004 Bonds and the Series 2016A Bonds remain outstanding, the University shall actively promote the Series 2004 Facilities and the Series 2016 Facilities as a housing alternative and an integral part of the housing system of the University.
