Facilities and to cover full liability for compensation under any such act aforesaid.

(v) A policy of rental interruption insurance in the amount of at least one (1) year’s
rental in the event of loss of or damage to the Series 2004 Facilities or the Series 2016 Facilities.

(b) The Corporation shall:

(i) cause to be secured and maintained a policy of title insurance insuring the
Corporation’s leasehold interest under the Ground Lease in an amount equal to the par amount of the
Bonds; and

(ii) cause all of the construction professionals to secure and maintain:

(A) Comprehensive or Commercial General Liability insurance;

(B) Errors and Omissions insurance;

(C) Automobile Liability insurance;

(D) Worker’s Compensation insurance;

(E) an all Risk Builder’s Policy upon the construction on the Property; and

(F) boiler and machinery or additional property insurance;

all as required by the terms of any construction contracts entered into with regards to the demolition of
certain existing facilities and the renovation, development and construction of the Facilities.
All insurance required in this Section and all renewals of such insurance (excepting self-insurance or commercial insurance, through ORM) shall be issued by commercial insurers authorized to transact business in the State, and rated at least A- by Best’s Insurance Reports (property/liability) or in the two highest rating categories of S&P and Moody’s. All insurance policies provided or caused to be provided by the Corporation shall expressly provide that the policies shall not be canceled or altered without thirty (30) days’ prior written notice to the University and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the Corporation or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained.

All policies of liability insurance that the University is obligated to maintain according to this Facilities Lease (other than any policy of worker’s compensation insurance) will name the Corporation, the Trustee and such other Persons or firms as the University may be required to name from time to time as additional insureds and shall expressly provide that the policies shall not be cancelled or altered without thirty (30) days’ prior written notice to the Corporation and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the University or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained. All public liability, property damage liability, and casualty policies maintained by the University shall be written as primary policies.

Proceeds of insurance received and/or the amount of any loss that is self-insured with respect to destruction of or damage to any portion of the Facilities by fire, earthquake or other casualty or event shall be paid to the Trustee (or, in the case of ORM insurance, to the Board for delivery in full to the Trustee) for application in accordance with the provisions of Section 11 of this Facilities Lease and the Indenture.

The Corporation shall certify annually to the Series 2004 Bond Insurer, the Series 2007 Bond Insurer, and the Series 2016 Bond Insurer that all insurance policies required by this Section 9 are as of the date of such certification in place and in effect.

Section 10. Condemnation, Casualty and Other Damage. The risk of loss or decrease in the enjoyment and beneficial use of the Facilities due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively “Casualty”) or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Facilities by condemnation, expropriation, or eminent domain proceedings (collectively “Expropriation”) is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental, or any other obligation hereunder.

Section 11. Application of Insurance Proceeds; Condemnation Award. (a) If during construction, all or any portion of the Facilities is damaged or destroyed by a Casualty, or is taken by Expropriation proceedings, the Board shall instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration or replacement of the Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. Following the completion of construction and acceptance of the Facilities by the Board on behalf of the Corporation, the Board shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted, the repair, restoration, or replacement thereof. The proceeds of any insurance, including the proceeds of any self-
insurance fund, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction or taking of all or any portion of the Facilities shall be delivered to the Trustee and held by the Trustee in trust (or in the case of self-insurance through ORM, as set forth in paragraph (b) below), and shall be made available for, and to the extent necessary be applied to, such restoration, repair and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement and repair of the Facilities with respect to which they are held, in each case promptly after receipt of a written request of the Corporation stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee may conclusively rely upon such written requests and shall have no liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration or replacement of the Facilities shall be paid by Trustee in accordance with the terms of the Indenture.

In the event the proceeds of any insurance, and any additional funds deposited with the Trustee, are insufficient to fully repair, restore or replace the Facilities, the proceeds shall be paid to the Board for immediate delivery to Trustee and used to redeem the Outstanding Bonds.

Notwithstanding the foregoing, the Corporation’s obligation to replace the Facilities in the event of Expropriation Proceedings is dependent on the Board entering into a lease with a different portion of the Campus as provided in Section 13.03 of the Ground Lease. In the event it is necessary to restore or replace the Facilities in a different location because of the Expropriation of all or a portion of the Facilities, the Corporation and the Board agree to amend or enter into a new Facilities Lease and Ground Lease in accordance with Sections 13.03 of the Ground Lease. In the event the Board, pursuant to the Ground Lease, decides not to repair, restore or replace the Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) shall be paid to the Board for immediate delivery to the Trustee and applied to the prepayment of the Bonds in accordance with the terms of the Indenture, and this Facilities Lease and the Ground Lease shall terminate on the date that the events described in Section 2(a) or 2(b) hereof have occurred.

(b) In the event that ORM insures the Facilities, the Board shall use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration or replacement of the Facilities.

Section 12. **Encumbrances.**

(a) **Payment by the Board.** The Board shall pay or cause to be paid all costs and charges for alterations, improvements, additions, repairs and maintenance (“Work”) (i) done by the Board or caused to be done by the Board in or to the Facilities, and (ii) for all materials furnished for or in connection with such Work. The Corporation reserves all rights to collect for any loss or damage sustained or incurred by the Corporation resulting from any and all Encumbrances, demands or liabilities arising on account of the Work, which shall be payable by the Board as Additional Rent hereunder.

(b) **Failure to Discharge.** If the Board fails to pay any charge for which an Encumbrance has been filed, and the Facilities or any portion thereof is placed in imminent danger of being seized, the
Corporation may, but shall not be obligated to, pay such charge and related costs and interest, and the amount so paid, together with reasonable Legal Expenses incurred in connection with such Encumbrance, will be immediately due from the Board to the Corporation as Additional Rental. Nothing contained in this Facilities Lease will be deemed the consent or agreement of the Corporation to subject the Corporation’s interest in the Facilities to liability under any Encumbrance, or any mechanics’, materialman’s or other lien law. If the Board receives written notice that an Encumbrance has been or is about to be filed against the Facilities, or that any action affecting title to the Facilities has been commenced on account of Work done by or for the Board or for materials furnished to or for the Board, it shall immediately give the Corporation Notice of such notice.

(c) Notice of Work. At least fifteen (15) days prior to the commencement of any Work in or to the Facilities, by or for the University, the University shall give the Corporation Notice of the proposed Work and the names and addresses of the Persons supplying labor and materials for the proposed Work. The Corporation will have the right to post notices of nonresponsibility or similar written notices on the Facilities in order to protect the Facilities against any such claimants.

Section 13. Assignment and Sublease. (a) Neither this Facilities Lease nor any interest of the Board in the Facilities shall be mortgaged, pledged, assigned or transferred by the Board by voluntary act or by operation of law, or otherwise; provided, however, the Board may sublease all or any portion of the Facilities, or grant concessions involving the use of all or any portion of the Facilities, whether such concessions purport to convey a leasehold interest or a license to use all or a portion of the Facilities to any University student, faculty, staff or Permitted Sublessee. No such concession, leasehold interest or license to use the Facilities shall be granted to any University students, faculty or staff for a term of more than one (1) year, or to any Permitted Sublessee for a term of more than one (1) month. The Board shall, however, at all times remain liable for the performance of the covenants and conditions on its part to be performed under this Facilities Lease (including, without limitation, the payment of Base Rental and Additional Rental), notwithstanding any subletting or granting of concessions which may be made. Nothing herein contained shall be construed to relieve the Board from its obligations to pay Base Rental and Additional Rental as provided in this Facilities Lease or to relieve the Board from any other obligations contained herein. Other than subleases to University students, faculty, staff and Permitted Sublessees, in no event will the Board sublease or permit the use of all or any part of the Facilities to any person without an opinion of Bond Counsel that such will not cause interest on the Bonds to be included in the gross income of the owners of the Bonds for federal income tax purposes.

(b) The Corporation shall, concurrently with the execution hereof, assign all of its right, title, and interest in and to this Facilities Lease, including without limitation its right to receive Base Rental payable hereunder, to the Issuer pursuant to the Agreement, and the Issuer will in turn assign its rights under this Facilities Lease to the Trustee pursuant to the Indenture. The parties hereto further agree to execute any and all documents necessary and proper in connection therewith. Anything required or permitted to be done by the Corporation under this Facilities Lease may be done by the Trustee under the Indenture.

(c) Except as set forth in Section 13(b) hereof, the Corporation shall not sell or assign its interest in the Facility or this Facilities Lease without the prior written consent of the Board.

Section 14. Additions and Improvements Removal. At the expiration of the Term, or termination of this Facilities Lease, all alterations, fixtures, improvements, and additions made by the Board or the University and all equipment placed upon the Facilities that are incorporated into or made into component parts of the Facilities, as well as, title to all property, furniture, equipment, fixtures, and other property installed at or placed upon the Facilities by the Board which is not incorporated into or made a component part of the Facilities remain the property of the Board.
The Board hereby agrees to replace such property from time to time as such property becomes worn out, obsolete, inadequate, unsuitable or undesirable. The Board may add to or remove such property from time to time, and upon expiration of the Term, provided that the Board repairs any damage to the Facilities caused by such removal.

Section 15. **Right of Entry.** Representatives of the Corporation and the Bond Insurer shall, subject to reasonable security precautions, and upon giving the Board not less than twenty-four (24) hours advance Notice, have the right to enter upon the Facilities during reasonable business hours (and in emergencies without notice and at all times) accompanied by a Board Representative (i) to inspect the same, (ii) for any purpose connected with the rights or obligations of the Corporation under this Facilities Lease, or (iii) for all other lawful purposes. Any right of access to any portion of the Facilities leased to the students, faculty, staff or Permitted Sublessees shall be subject to their rights pursuant to their rental agreements and University policy.

Section 16. **Mortgage Prohibition.** Except as set forth in the Indenture, the Ground Lease, and the Agreement, the Corporation shall not be entitled to mortgage or grant a security interest in the Facilities.

Section 17. **Sale of Facilities; Attornment; and Conveyance and Transfer of the Corporation’s Interest.** If a person other than the Corporation shall succeed to the rights of the Corporation hereunder (in any case with the prior written consent of the Board as required hereby), upon the declaration of the successor to the Corporation’s interest in this Facilities Lease, the Board agrees to fully attorn to and recognize any such successor as the Board’s landlord under this Facilities Lease upon the then existing terms of this Facilities Lease, provided that such successor shall agree in writing to accept the Board’s attornment and not to disturb the Board’s possession so long as the Board shall observe the provisions and all covenants of this Facilities Lease. This attornment provision shall inure to the benefit of any such successor and shall be self-operative upon the election and declaration by such successor, and no further instrument shall be required to give effect to the provisions. However, the Board agrees to evidence and confirm the foregoing attornment provisions by the execution and delivery of instruments in recordable form satisfactory to such successor.

If the Facilities, or any part thereof, shall be sold or otherwise transferred by sale, assignment, transfer, or other contract, or by operation of law or otherwise (with the prior written consent of the Board as required hereby and with an opinion of Bond Counsel that such action will not cause interest on the Bonds to be included in the gross income of the owner of the Bonds for federal tax purposes), and if such written consent specifically so provides, the Corporation shall be automatically and entirely released and discharged to the extent of the interest in or the portion of the Facilities sold, assigned or transferred from and after the effective date of such sale, assignment or transfer of all liability for the performance of any of the covenants of this Facilities Lease on the part of the Corporation thereafter to be performed. The purchaser or other transferee of the Facilities shall be deemed to have agreed to perform such covenants of the Corporation from and after the date of such assignment or sale during such transferee’s period of ownership of the Corporation’s interest under this Facilities Lease, all without further agreement between the Corporation, its successor and the Board. The Corporation’s transferee shall not be held responsible for the performance of any of the covenants of this Facilities Lease on the part of the Corporation required to be performed prior to such sale and transfer, the Board reserving its rights against the Corporation for any unperformed covenants prior to such sale or transfer.

Section 18. **Quiet Enjoyment.** The Corporation covenants that the Board, on paying the Rental and performing and observing all of the covenants and agreements herein contained and provided to be performed by the Board or the University, shall and may peaceably and quietly have, hold, occupy, use, and enjoy the Facilities during the Term and may exercise all of its rights hereunder; and the
Corporation agrees to warrant and forever defend the Board’s right to such occupancy, use, and enjoyment and the title to the Facilities against the claims of any and all persons whomsoever lawfully claiming the same, or any part thereof subject only to the provisions of this Facilities Lease.

Section 19. **Environmental Compliance and Indemnity.**

(a) **Environmental Compliance.** The Board or the University shall operate or cause to be operated the Facilities in compliance with all Environmental Requirements continuously during the Term, and for such periods of time prior to the Commencement Date and after the Expiration Date, as long as the Board is in possession of the Facilities, in whole or in part. The Board shall not cause or permit any Hazardous Substance to be brought upon, kept, or used in or about the Facilities or the Land, except for such Hazardous Substance as is necessary or useful to the operation of the Facilities.

(b) **The Board’s Liability.** If the Board fails to comply with any of the foregoing warranties, representations, and covenants, and removal or Remediation of any Hazardous Substance found on the Facilities is required by Environmental Requirements or Governmental Authority, the Board shall promptly undertake the removal or Remediation of such Hazardous Substance, at the Board’s sole cost and expense. In the event the Board fails or refuses to undertake such removal or Remedial actions, the Corporation may cause the removal or Remediation (or other cleanup reasonable acceptable to the Corporation) of any such Hazardous Substance from the Land or the Facilities. The reasonable costs of removal, Remediation, or any other cleanup (including transportation and storage costs) will be considered as Additional Rental under this Facilities Lease, whether or not a court has ordered the cleanup, and those costs will become due and payable within ninety (90) days of written demand by the Corporation. In connection therewith, the Board will give the Corporation, its agents, and employees access to the Facilities to remove, remediate, or otherwise clean up any Hazardous Substance. The Corporation, however, has no affirmative obligation to remove, remediate, or otherwise clean up any Hazardous Substance, and this Facilities Lease will not be construed as creating any such obligation. The Board hereby agrees that it shall be fully liable for all costs and expenses related to the use, storage, and disposal of any Hazardous Substance located in or about the Facilities by the Board.

Section 20. **The Corporation’s Reservation of Rights.**

(a) The Corporation hereby reserves all of its rights to recover from the Board for any and all Claims asserted against the Corporation, including Litigation Expenses arising out of or by reason of:

(i) any injury to or death of any person or damage to property occurring on or about the Facilities occasioned by or growing out of or arising or resulting from any tortious or negligent act on the part of the Board in connection with the operation and management of the Facilities; or

(ii) any failure, breach, or default on the part of the Board in the performance of or compliance with any of the obligations of the Board under the terms of this Facilities Lease.

(b) Notwithstanding the fact that it is the intention of the parties that the Corporation shall not incur any pecuniary liability by reason of the terms of this Facilities Lease or the undertakings required of the Corporation hereunder, nevertheless, if the Corporation should incur any such pecuniary liability, then in that event, the Corporation shall be entitled to assert all rights and remedies granted in law or in equity to recover from the Board the amount of any pecuniary liability incurred by the Corporation, plus all Litigation Expenses incurred in defense of such liability to the extent subject to indemnification pursuant to Subsection (a) above.
(c) No recourse shall be had for the enforcement of any obligation, covenant, or agreement of the Corporation contained in this Facilities Lease or any Claim based thereon against the Corporation or of any successor thereto or member thereof, either directly or through the Corporation whether by virtue of any constitutional provision, statute, or rule of law. This Facilities Lease and the obligations of the Corporation hereunder, and any Claim asserted against the Corporation are solely corporate obligations, and the enforcement of any obligation or Claim shall be limited solely to the Corporation's interest in the Facilities. No personal liability shall attach to, or be incurred by, any officer, director, agent, employee or member of the Corporation and the Board acknowledges that all personal liability of any character against every such officer, director, agent, employee or member by the execution of this Facilities Lease, is expressly waived and released. The immunity of any officer, director, agent, employee or member of the Corporation under the provisions contained in this Section 20 shall survive any acquisition of the Facilities by the Board and the expiration or other termination of this Facilities Lease.

Section 21. Default by the Board. If (i) the Board shall fail to deposit with the Trustee any Base Rental payment required to be so deposited pursuant to Section 6 hereof by the close of business on the day such deposit is required pursuant to Section 6 hereof, and shall fail to remedy such breach within five (5) days thereof, but in no event later than the date on which such payment is required to enable the Corporation to make payment on the Bonds (without use of moneys held in the Debt Service Reserve Fund), or (ii) the Board shall fail to pay or discharge any monetary obligation under this Lease (other than the payment of Base Rental) as and when due, or within thirty (30) days after receipt of Notice from the Corporation that such sums are due and owing; or (iii) the Board shall breach any non-monetary terms, covenants or conditions herein, and shall fail to remedy any such breach with all reasonable dispatch within a reasonable period of time (or such longer period as the Trustee may approve) after written notice thereof from the Corporation to the Board, then and in any such event the Board shall be deemed to be in default hereunder, and the Corporation shall have the right, at its option, without any further demand or notice to terminate this Facilities Lease on the earliest date permitted by law or on any later date specified in any Notice given to the Board, in which case the Board’s right to possession of the Facilities will cease and this Facilities Lease will be terminated, without, however, waiving the Corporation’s right to collect all Rental and other payments due or owing for the period up to the time the Corporation regains possession (which have been approved for payment under this Facilities Lease, but not paid by the Board), and to enforce other obligations of the Board which survive termination of this Facilities Lease, and in such event the Corporation may without any further demand or notice re-enter the Facilities and eject all parties in possession thereof, subject to the rights of students, faculty, staff and Permitted Sublessees. The foregoing remedies of the Corporation are in addition to and not exclusive of any other remedy of the Corporation. Any such re-entry shall be allowed by the Board without hindrance, and the Corporation shall not be liable in damages for any such re-entry or be guilty of trespass. The Corporation understands and agrees that upon its termination of the Board’s right to possession of the Facilities or termination of this Facilities Lease, the Corporation upon its re-entry of the Facilities shall only be allowed to use the Facilities for the Permitted Use and shall be subject to all applicable Governmental Regulations heretofore or hereafter enacted by any Governmental Authority relating to the use and operation of the Facilities.

Notwithstanding any other provision of this Facilities Lease, (i) in no event shall the Corporation have the right to accelerate the payment of any Base Rental payment hereunder and (ii) the Bond Insurer shall have ninety (90) days to cure an Event of Default hereunder.

Notwithstanding anything contained in this Section 21 to the contrary, a failure by the Board to pay when due any payment required to be made under this Facilities Lease or a failure by the Board to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Facilities Lease, resulting from a failure by the Board to appropriate moneys shall not constitute an Event of Default under this Section 21 and the Corporation shall not have any of the remedial rights set
forth in this Section 21. Notwithstanding the foregoing, in such event the Board acknowledges that the Facilities Lease shall terminate and the Board shall immediately vacate the Facilities, and deliver the Facilities to the Corporation.

Section 22. Cumulative Remedies. Each right and remedy provided for in this Facilities Lease is cumulative and is in addition to every other right or remedy provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by the Corporation of any one or more of the rights or remedies provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise will not preclude the simultaneous or later exercise by the Corporation of any or all other rights or remedies provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise. All costs incurred by the Corporation in collecting any amounts and damages owing by the Board pursuant to the provisions of this Facilities Lease or to enforce any provision of this Facilities Lease, including reasonable Litigation Expenses from the date any such matter is turned over to an attorney, whether or not one or more actions are commenced by the Corporation, will also be recoverable by the Corporation from the Board. The waiver by the Corporation of any breach by the Board and the waiver by the Board of any breach by the Corporation of any term, covenant or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other term, covenant or condition hereof.

Section 23. Option to Purchase. For and in consideration of the obligations of the Board under the Facilities Lease, the mutual undertakings of the parties, the receipt and adequacy of which is hereby acknowledged, the Corporation grants to the Board an exclusive and irrevocable option to purchase for the price and on the terms, provisions, stipulations and conditions hereinafter set forth, all but not less than all of the Corporation’s leasehold interest in the Facilities.

(a) Effective Date. The effective date of this Option agreement shall be the Commencement Date.

(b) Term of Option. The Option shall expire at midnight Central Standard Time, on the Expiration Date, or upon the termination of this Facilities Lease, whichever occurs first.

(c) Limitation on Exercise of Option. The Board may not exercise the Option, and the Option shall be voidable, at the sole election of the Corporation, if a Default by the Board has occurred and is continuing under the Facilities Lease, and the applicable time period in which the Board may cure such default has expired. Notwithstanding any provision of this Option to the contrary, the Board shall be entitled to exercise the Option as long as the Board is legally obligated to make payments of Base Rental under the Facilities Lease.

(d) Exercise of Option.

(i) The Series 2004 Facilities. The Board may exercise the Option herein granted with respect to the Series 2004 Facilities at any time on or before expiration of the Term, on any Interest Payment Date on or after August 1, 2014 or on the date the Series 2004 Bonds and the Series 2013 Bonds are defeased pursuant to Article XII of the Series 2004 Indenture, as supplemented by the Series 2013 Indenture, by Notice to the Corporation of its election to exercise the Option and purchase the Corporation’s interest in and to the Series 2004 Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase the Series 2004 Facilities

(ii) The Series 2007 Facilities. The Board may exercise the Option herein granted with respect to the Series 2007 Facilities at any time on or before expiration of the Term, on any Interest
Payment Date on or after August 1, 2014 or on the date the Series 2007 Bonds are defeased pursuant to Article XII of the Series 2007 Indenture, by Notice to the Corporation of its election to exercise the Option and purchase the Corporation’s interest in and to the Series 2007 Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase the Series 2007 Facilities.

(iii) The Series 2016 Facilities. The Board may exercise the Option herein granted with respect to the Series 2016 Facilities at any time on or before expiration of the Term, on any Interest Payment Date on or after [August 1, 2026] or on the date the Series 2016A Bonds are defeased pursuant to Article XII of the Series 2016A Indenture, by Notice to the Corporation of its election to exercise the Option and purchase the Corporation’s interest in and to the Series 2016 Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase the Series 2016 Facilities.

(e) Purchase Price. The Purchase Price shall be equal to the principal of all Bonds then Outstanding plus the interest to accrue on such Bonds until the purchase date plus any prepayment penalties, charges or costs for early prepayment or defeasance of the Bonds and any Administrative Expenses owed prior to the purchase date which payments are necessary to discharge the Indenture pursuant to Article XII thereof (collectively, the “Purchase Price”).

(f) Effect on Facilities Lease and Ground Lease. Upon the purchase of the Corporation’s leasehold interest in the Facilities by the Board pursuant to this Option, the Facilities Lease and the Ground Lease shall terminate and all of the Corporation’s leasehold interest in the Land and the Facilities shall terminate.

(g) Payment of Purchase Price. The Board, on the purchase date, shall deposit an amount equal to the Purchase Price with the Trustee.

(i) Conveyance. In the event of and upon the payment of the Purchase Price and any other sums due under this Facilities Lease by the Board, the Corporation will on the purchase date execute and deliver to the Board a written cancellation of the Ground Lease and this Facilities Lease.

(ii) Assignment of Contract Rights and Obligations. The conveyance of the Corporation’s leasehold interest in the Facilities shall also effect a transfer and assignment of all rights, warranties and liabilities of the Corporation under then existing contracts of any nature with respect to the Facilities.

(h) Closing. In the event the Option is timely exercised, notice of the Board’s election to the Corporation shall constitute an irrevocable conversion of the Option into a binding obligation of the Corporation to sell its leasehold interest in the Facilities and the Board to buy the same under the terms and conditions set forth in this Section 23, and in such event, the Corporation and the Board shall have the right to demand specific performance of this agreement by the other. The closing shall occur at the offices of the Board or its counsel, or at such other time, place, and date as agreed upon by the Corporation and the Board.

(i) Closing Costs. The Board shall pay all closing costs and charges incident to the conveyance of the Corporation’s interest in the Land and the Facilities.

(j) No Warranty. The Corporation shall convey its leasehold interest in the Facilities without any warranty whatsoever of any nature. The conveyance of the leasehold interest in the Facilities shall be without any warranty as to fitness and condition, as set forth in Section 5 of this Facilities Lease. Language substantially similar to the language contained in Section 5 of this Facilities Lease shall be
incorporated into and made a part of such conveyance. In no event shall the Corporation be responsible for any defects in title.

(k) **Default under the Option:**

(i) In the event the Option is exercised, and the Corporation fails to consummate the transactions contemplated herein for any reason, except default by the Board or the failure of the Board to satisfy any of the conditions set forth herein, the Board may, in addition to any other rights and remedies which may otherwise be available to the Board, enforce this agreement by specific performance. The Board’s remedies under this Section are expressly subject to the provisions of Section 30 of this Facilities Lease.

(ii) In the event the Option is exercised, and the Board fails to consummate the transactions contemplated herein for any reason, except default by the Corporation or the failure of the Corporation to satisfy any of the conditions set forth herein, the Corporation (a) may enforce this agreement by specific performance and in such action shall have the right to recover damages suffered by reason of the Board’s delay; or (b) may bring suit for damages for breach of this agreement.

(iii) No delay or omission in the exercise of any right or remedy accruing to either party upon any breach by the other party under this Section 23 shall impair such right or remedy or be construed as a waiver of any such breach theretofore or thereafter occurring. The waiver by either party of any condition or any subsequent breach of the same or any other term, covenant or condition contained in this Section 23 shall not be deemed to be a waiver of any other condition or of any subsequent breach of the same or of any other term, covenant or condition herein contained.

(l) **Attorney’s Fees.** Should either party employ an attorney or attorneys to enforce any of the provisions hereof, or to protect its interest in any matter arising under this agreement, or to recover damages for the breach of this agreement, the party prevailing in any final judgment shall have the right to collect from the losing party all Litigation Expenses incurred in enforcing such rights.

(m) **Notices.** Any notices required or permitted under this Section 23 shall be in writing and delivered either in person to the other party, or the other party’s authorized agent, or by United States Certified Mail, return receipt requested, postage prepaid, to the address set forth in Section 50 of this Facilities Lease, or to such other address as either party may designate in writing and delivered as herein provided.

(n) **Assignability.** Except as set forth in the Indenture, the Mortgage or the Ground Lease, the Option may not be assigned by the Corporation or its interest in the Facilities sold (subject to the Option or otherwise) to any person or entity without the Board’s prior written consent, which consent may be withheld by the Board in its sole discretion.

(o) **Time of Essence:** Time is of the essence of this Option.

(p) **Binding Effect:** This Option shall be binding upon and shall inure to the benefit of the parties hereto and their heirs, successors and assigns.

Section 24. **Severability.** If any provisions of this Facilities Lease shall be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or
circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable, to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or Sections contained in this Facilities Lease shall not affect the remaining portions of this Facilities Lease, or any part thereof.

Section 25. **Redemption of Bonds.** The Corporation agrees that it will not exercise its option to redeem any Bonds pursuant to the Indenture unless the Board consents to such redemption or such redemption is to be effected with moneys derived from a source other than payments made by the Board under this Facilities Lease, however, in no event shall the mandatory redemption of any Bonds pursuant to the Indenture require the consent of the Board. The Corporation further agrees that if requested by the Board it will take all actions necessary to redeem all or any portion of the Bonds designated by the Board on the first date that it may do so under the terms of the Indenture so long as the Board agrees to provide funds in an amount, and at the time, required to effect such redemption.

Section 26. **Additional Bonds.** Upon the request and at the expense of the Board, the Corporation shall take action as may be required to effect the issuance of Additional Bonds in such amount as the Board may request as permitted by and in accordance with the provisions of the Indenture for any purpose permitted thereby.

Section 27. **Execution.** This Facilities Lease may be simultaneously executed in any number of counterparts, each of which when so executed shall be deemed to be an original, and all of which together shall constitute one and the same Facilities Lease.

Section 28. **Law Governing.** This Facilities Lease is made in the State under the constitution and laws of the State and is to be governed by the laws of the State.

Section 29. **Nonappropriation of Funds.** In the event no funds or insufficient funds are lawfully appropriated in any Fiscal Year enabling the payment of Base Rental and Additional Rental due during the next succeeding Fiscal Year, the Board will immediately notify the Corporation and the Trustee of such occurrence. On the first day of the month following the Base Rental payment date on which the last payment of Base Rental can be made in full from Lawfully Available Funds, this Facilities Lease shall terminate without penalty or expense to the Board of any kind whatsoever, except as to the portions of Base Rental and Additional Rental payments herein agreed upon for Fiscal Years for which sufficient funds have been lawfully appropriated. In the event of such termination, the Board agrees peaceably to surrender possession of the Facilities to the Corporation on the date of such termination in its original condition (normal wear and tear excepted). The Corporation will have all legal and equitable rights and remedies to take possession of the Facilities and re-let or sell the Facilities as the Corporation determines and as granted in this Facilities Lease. The Board acknowledges that the Corporation’s rights to take possession and to re-let or sell the Facilities under this Section 29 may be assigned to the Trustee for the benefit of the owners of the Bonds, and the Board agrees that the Trustee shall be entitled to exercise all of the rights of the Corporation under this Section 29. The event of an inability by the Board to cause the appropriation of sufficient funds for the payment of sums due under this Facilities Lease shall not constitute a default hereunder, but shall ipso facto terminate this Facilities Lease. This provision is operative notwithstanding any provisions of this Facilities Lease to the contrary. The Board shall be considered in default hereunder if sufficient funds are lawfully appropriated for the payment of Rental required under this Facilities Lease and the Board fails to use lawfully appropriated funds for the payment of Rental. In such event, the Corporation shall be entitled to the rights and remedies set forth in Sections 21 and 22 hereof.

Section 30. **Exculpatory Provision.** In the exercise of the powers of the Corporation and its trustees, officers, employees and agents under this Facilities Lease and the Indenture, the Corporation
shall not be accountable or liable to the Board (i) for any actions taken or omitted by it or its officers, employees or agents in good faith and believed by it or them to be authorized or within their discretion or rights or powers conferred upon them, or (ii) for any claims based on this Facilities Lease against any officer, employee or agent of the Corporation in his or her personal capacity, all such liability, if any, being expressly waived by the Board by the execution of this Facilities Lease. Nothing in this Facilities Lease or the Indenture is intended to require or obligate, nor shall anything herein or therein be interpreted to require or obligate, the Corporation for any purpose or at any time whatsoever, to provide, apply or expend any funds coming into the hands of the Corporation other than the funds derived from the issuance of the Bonds under the Indenture and moneys derived pursuant to the Indenture and this Facilities Lease.

The Board specifically agrees to look solely to the Corporation’s interest in the Facilities for the recovery of any judgments from the Corporation. It is agreed that the Corporation will not be personally liable for any such judgments, or incur any pecuniary liability as a result of this Facilities Lease to the Board, or the breach of its obligations hereunder. The Corporation’s liability under this Facilities Lease is “in rem” as to its interest in the Facilities. The provisions contained in the preceding sentences are not intended to and will not limit any right that the Board might otherwise have to obtain injunctive relief against the Corporation or relief in any suit or action in connection with enforcement or collection of amounts that may become owing or payable under or on account of insurance maintained by the Corporation.

Section 31. Amendments. This Facilities Lease may be amended only as permitted in Article VIII of the Agreement.

Section 32. Recording. The Corporation covenants and agrees that it will promptly record and from time to time re-record a memorandum in recordable form of this Facilities Lease and the Indenture and all supplements thereto and hereto in such manner and in such places as may be required by law in order to fully protect and preserve the security of the holders or owners of the Bonds.

Section 33. Construction Against Drafting Party. The Corporation and the Board acknowledge that each of them and their counsel have had an opportunity to review this Facilities Lease and that each Party was responsible for the drafting thereof.

Section 34. Time of the Essence. Time is of the essence of each and every provision of this Facilities Lease.

Section 35. No Waiver. The waiver by the Corporation of any agreement, condition, or provision contained in this Facilities Lease will not be deemed to be a waiver of any subsequent breach of the same or any other agreement, condition, or provision contained in this Facilities Lease, nor will any custom or practice that may grow up between the parties in the administration of the terms of this Facilities Lease be construed to waive or to lessen the right of the Corporation to insist upon the performance by the Board in strict accordance with the terms of this Facilities Lease. The subsequent acceptance of Rental by the Corporation will not be deemed to be a waiver of any preceding breach by the Board of any agreement, condition, or provision of this Facilities Lease, other than the failure of the Board to pay the particular Rental so accepted, regardless of the Corporation’s knowledge of such preceding breach at the time of acceptance of such Rental.

Section 36. Survival. To the extent permitted by law and to the extent such will not constitute the incurrence of debt by the Board, all of the Corporation’s remedies and rights of recovery under Sections 19 and 20 of this Facilities Lease shall survive the Term and/or the purchase of the Facilities by the Board under the Option.
Section 37. **Counterparts.** This Facilities Lease may be executed in any number of counterparts, each of which shall be an original, but all of which shall together constitute one and the same instrument.

Section 38. **Estoppel Certificates.** At any time and from time to time but within ten (10) days after prior written request by the Corporation, the Board will execute, acknowledge, and deliver to the Corporation, promptly upon request but only to the extent accurate, a certificate certifying (i) that this Facilities Lease is unmodified and in full force and effect or, if there have been modifications, that this Facilities Lease is in full force and effect, as modified, and stating the date and nature of each modification; (ii) the date, if any, to which Rental and other sums payable under this Facilities Lease have been paid; (iii) that no Notice of any default has been delivered to the Corporation which default has not been cured, except as to defaults specified in said certificate; (iv) that there is no Event of Default under this Facilities Lease or an event which, with Notice or the passage of time, or both, would result in an Event of Default under this Facilities Lease, except for defaults specified in said certificate; and (v) such other matters as may be reasonably requested by the Corporation. Any such certificate may be relied upon by any prospective purchaser or existing or prospective mortgagee of the Facilities or any part thereof. The Board’s failure to notify the Corporation of any inaccuracies in the proposed certificate within the specified time period shall be conclusive evidence that the matters set forth in the certificate are accurate and correct.

Section 39. **Waiver of Jury Trial.** The Corporation and the Board waive trial by jury in any action, proceeding, or counterclaim brought by either of the Parties to this Facilities Lease against the other on any matters whatsoever arising out of or in any way connected with this Facilities Lease, the relationship of the Corporation and the Board, the Board’s use or occupancy of the Facilities, or any other Claims, and any emergency statutory or any other statutory remedy.

Section 40. **Written Amendment Required.** No amendment, alteration, modification of, or addition to the Facilities Lease will be valid or binding unless expressed in writing and signed by the Corporation and the Board and consented to the extent required by Article VIII of the Agreement.

Section 41. **Entire Agreement.** This Facilities Lease, the exhibits and addenda, if any, contain the entire agreement between the Corporation and the Board. No promises or representations, except as contained in this Facilities Lease, have been made to the Board respecting the condition or the manner of operating the Facilities.

Section 42. **Signs.** The Board may attach any sign on any part of the Facilities, or in the halls, lobbies, windows, or elevator banks of the Facilities, without the Corporation approval. The Board may name the Facilities and change the name, number, or designation of the Facilities, without the Corporation’s prior consent.

Section 43. **Litigation Expenses.** The Board will pay the Corporation as Additional Rental all reasonable Litigation Expenses and all other reasonable expenses which may be incurred by the Corporation in enforcing any of the obligations of the Board under this Facilities Lease, in exercising its rights to recover against the Board for loss or damage sustained in accordance with the provisions of this Facilities Lease, or in any litigation or negotiation in which the Corporation shall, without its fault, become involved through or because of this Facilities Lease.

Section 44. **Brokers.** The Corporation and the Board respectively represent and warrant to each other that neither of them has consulted or negotiated with any broker or finder with regard to the Facilities.
Section 45. **No Easements for Air or Light.** Any diminution or shutting off of light, air, or view by any structure that may be erected on any of the lands constituting the Facilities, or on lands adjacent to the Facilities, will in no way affect this Facilities Lease or impose any liability on the Corporation. This Facilities Lease does not grant any rights to light, view and/or air over the Facilities whatsoever.

Section 46. **Binding Effect.** The covenants, conditions, and agreements contained in this Facilities Lease will bind and inure to the benefit of the Corporation and the Board and their respective permitted successors and assigns.

The Corporation shall lease the Series 2016 Facilities to the Board pursuant to the Facilities Lease. The Board shall not have any financial obligation or other obligation of any kind under this Ground Lease except to review and approve the Corporation's activities and as specifically set forth herein.

(a) The Corporation shall furnish or cause to be furnished all supervision, tools, implements, machinery, labor, materials and accessories such as are necessary and proper for the demolition of certain existing facilities and the construction of the Series 2016 Facilities, shall pay all applicable permit and license fees, and shall demolish certain existing facilities and construct, build, and complete the Facilities in a good, substantial and workmanlike manner all in accordance with this Ground Lease, and generally in compliance with the Series 2016 Plans and Specifications and all documents executed pursuant hereto and thereto. The Corporation and the Board agree to cooperate fully to the end that fee and permit exemptions available with respect to the Series 2016 Facilities under applicable law are obtained by the party or parties entitled thereto.

(b) Subject to the provisions of this Section 5.01, all decisions regarding construction matters shall be made by the Corporation. The parties hereto acknowledge that the Board Representative and any other party whose consent is necessary to the Board's authority have previously reviewed and approved the Series 2016 Plans and Specifications for the Series 2016 Facilities. Prior to the application of Bond proceeds or the issuance of any Additional Bonds (as defined in the Series 2016A Indenture) to finance any subsequent phase of the Series 2016 Facilities, the Board Representative and any other party whose consent is necessary to the Board's authority shall review and approve the Series 2016 Plans and Specifications relating to such subsequent phase of the Series 2016 Facilities.

(c) Changes in work and materials are subject to review and approval of the Board Representative; however, minor changes in work or materials, not affecting the general character of the Series 2016 Facilities or increasing the cost of construction may be made in the Series 2016 Plans and Specifications at any time by the Corporation without the approval of the Board Representative, but a copy of the altered Series 2016 Plans and Specifications shall promptly be furnished to the Board.
Representative. The Corporation shall notify the Board Representative of any changes in work or materials that require the Board Representative’s approval and the Board Representative shall either approve or disapprove any such changes within ten (10) business days after receipt of such notice from the Corporation. Notification shall include sufficient information for the Board Representative to make a determination and to approve or disapprove any changes in work or materials.

(d) After completion of the Series 2016 Facilities, at least sixty (60) days prior to undertaking any structural alteration, renovation, or remodeling of the Series 2016 Facilities during the Term, the Corporation shall submit plans for such renovation or remodeling to the Board Representative for approval which approval must be obtained prior to the Corporation making or causing to be made any such structural alteration, renovation, or remodeling of the Series 2016 Facilities. The Board Representative shall either approve or disapprove any such alteration within thirty (30) days after receipt of such plans from the Corporation. All alterations, renovations or additions to the Series 2016 Facilities undertaken by the Corporation shall be in conformance with all applicable laws, codes, rules and regulations, and amendments thereto, including 1988 Standard Building Code with 1989 and 1990 revisions, ANSI A117.1 1986 edition, and NFPA 101 Life Safety Code and all local and state building codes. The Corporation shall have the right to contest any such codes for reasonable grounds by ordinary and proper procedures.

(e) Subject to Force Majeure, the Corporation covenants that the Corporation shall substantially complete construction of the Series 2016 Facilities, subject to punch list items, on or before its respective Date of Opening. Notwithstanding anything to the contrary contained herein, a breach by the Corporation of the covenant set forth in this Section 5.01(e) shall not be an Event of Default hereunder. The Board shall be entitled to institute an action seeking specific performance of this covenant by the Corporation.

(f) Upon Commencement of Construction of the Series 2016 Facilities, the Corporation shall deliver to the Board Representative a copy of the labor and materials payment and performance bonds in an amount equal to the contract price set forth in the Construction Contract for such Series 2016 Facilities issued by a company qualified, permitted or admitted to do business of the State of Louisiana and approved by the Board. The Corporation shall take the action specified by La. R.S. 9:4802(C) to be taken by an owner to protect the premises from any liens related to the design or construction of the Series 2016 Facilities.

(g) Prior to the Commencement of Construction of the Series 2016 Facilities, any architect whose services have been retained shall provide a standard errors and omissions policy, with such additional provisions as may be approved by counsel to the Corporation.

(h) Any performance bond, labor and material payment bond, or completion bond provided by a contractor hired by the Corporation shall be for 100% of the amount of the contract with such contractor, and shall contain a dual obligee rider in favor of the Board; subject, however, to the reasonable underwriting guidelines of the surety issuing the bond and rules of the Governmental Authorities regulating the surety.

(i) The Corporation shall, upon written request of the Board, make in such detail as may reasonably be required, and forward to the Board Representative, reports in writing as to the actual progress of the construction of the Series 2016 Facilities. During such period, the construction work shall be subject to inspection by the Independent Architect and by authorized personnel of the Board in order to verify reports of construction, determine compliance with safety, fire, and building codes, determine compliance with approved construction plans, or such other inspections as may be necessary in the reasonable opinion of the Board Representative.
(j) The Corporation shall inspect the Land and arrange for boundary surveys, topographical surveys, soil borings and other site investigations at its expense to the extent these things have not been done by the Board. The Board does not guarantee that the Land is suitable for construction of the Series 2016 Facilities. Subject to the matters shown on Exhibit B-1 attached to this Ground Lease, the Corporation accepts the Land in its present condition. However, the Board represents that to the best of its knowledge and belief there are no Hazardous Materials or other materials on or under the Land or that would materially impact the construction of the Series 2016 Facilities.

(k) Except as provided in Section 4.03 hereof, part of the cost of construction of the Series 2016 Facilities shall include all costs necessary for the contractor or applicable utility company to bring lines for all such utilities to the Series 2016 Facilities so that such utilities will be available when required for construction and operation of the Series 2016 Facilities.

ARTICLE VI
ENCUMBRANCES

Section 6.01 Mortgage of Leasehold or the Facilities. Except for the Mortgage, the Corporation shall not mortgage, lien or grant a security interest in the Corporation’s leasehold interest in the Land, the Facilities, or the Stadium Expansion or any other right of the Corporation hereunder without the prior written consent of the Board.

ARTICLE VII
MAINTENANCE AND REPAIR

Section 7.01 Maintenance, Repairs and Renovations.

(a) For as long as the Facilities Lease is in effect, the University, at the direction of the Board, shall be responsible for maintaining and repairing the Facilities and the Stadium Expansion in accordance with Section 7 of the Facilities Lease.

(b) In the event that the Facilities Lease has been terminated, the Corporation will: (1) maintain or cause to be maintained the Facilities and the Stadium Expansion, and will keep the Facilities and the Stadium Expansion in good repair and in good operating condition and make from time to time all necessary repairs thereto and renewals and replacements thereof; and (2) make from time to time any additions, modifications or improvements to the Facilities and the Stadium Expansion the Corporation may deem desirable for its business purposes that do not materially impair the effective use of the Facilities and the Stadium Expansion, provided that all such additions, modifications and improvements will become a part of the Facilities and the Stadium Expansion.

ARTICLE VIII
CERTAIN LIENS PROHIBITED

Section 8.01 No Mechanics’ Liens. Except as permitted in Section 8.02 hereof the Corporation shall not suffer or permit any mechanics’ liens or other liens to be enforced against the Board’s ownership interest in the Land, the Facilities or the Stadium Expansion nor against the Corporation’s leasehold interest in the Land, the Facilities or the Stadium Expansion by reason of a failure to pay for any work, labor, services, or materials supplied or claimed to have been supplied to the Corporation or to anyone holding the Land, the Facilities or the Stadium Expansion or any part thereof through or under the Corporation.
Section 8.02 Release of Recorded Liens. If any such mechanics' liens or materialmen's liens shall be recorded against the Land, the Facilities or the Stadium Expansion, the Corporation shall cause the same to be released of record or, in the alternative, if the Corporation in good faith desires to contest the same, the Corporation shall be privileged to do so, but in such case the Corporation hereby agrees to indemnify and save the Board harmless from all liability for damages occasioned thereby and shall in the event of a judgment of foreclosure on said mechanics' lien, cause the same to be discharged and released prior to the execution of such judgment. In the event the Board reasonably should consider the Board's interest in the Land, the Facilities or the Stadium Expansion endangered by any such liens and should so notify the Corporation and the Corporation should fail to provide adequate security for the payment of such liens, in the form of a surety bond, cash deposit or cash equivalent, or indemnity agreement reasonably satisfactory to the Board within thirty (30) days after such notice, then the Board, at the Board's sole discretion, may discharge such liens and recover from the Corporation immediately as additional Rent under this Ground Lease the amounts paid, with interest thereon from the date paid by the Board until repaid by the Corporation at the rate of ten percent (10%) per annum.

Section 8.03 Memorandum of Recitals. The memorandum of lease to be filed pursuant to Section 18.04 of this Ground Lease shall state that any third party entering into a contract with the Corporation for improvements to be located on the Land, or any other party claiming under said third party, shall be on notice that neither the Board nor the Board's property shall have any liability for satisfaction of any claims of any nature in any way arising out of a contract with the Corporation.

ARTICLE IX
OPERATION AND MANAGEMENT OF FACILITIES

Section 9.01 Management of Facilities and the Stadium Expansion. For as long as the Facilities Lease is in effect, the University, at the direction of the Board, shall operate and manage the Facilities and the Stadium Expansion or cause the Facilities and the Stadium Expansion to be operated and managed in accordance with the Section 7 of the Facilities Lease.

Section 9.02 Books and Records. The Corporation shall keep, or cause to be kept, accurate, full and complete books, including bank statements, and accounts showing exclusively its assets and liabilities, operations, transactions and the financial condition of the Corporation.

Section 9.03 Audits. The Board may, at its option and at its own expense, and during customary business hours, conduct internal audits of the books, bank accounts, records and accounts of the Corporation. Audits may be made on either a continuous or a periodic basis or both, and may be conducted by employees of the Board, by the Louisiana Legislative Auditor or by independent auditors retained by the Board desiring to conduct such audit, but any and all such audits shall be conducted without materially or unreasonably or unnecessarily interrupting or interfering with the normal conduct of business affairs by the Corporation.

ARTICLE X
INDEMNIFICATION

Section 10.17 Indemnification by the Corporation. Excluding the acts or omissions of the Board, its employees, agents or contractors, the Corporation shall and will indemnify and save harmless the Board, its agents, officers, and employees, from and against any and all liability, claims, demands, damages, expenses, fees, fines, penalties, suits, proceedings, actions, and causes of action of any and every kind and nature arising or growing out of or in any way connected with the Corporation's construction of the Facilities and the Stadium Expansion. This obligation to indemnify shall include reasonable fees of legal counsel and third-party investigation costs and all other reasonable costs,
expenses, and liabilities from the first notice that any claim or demand has been made; however, the Corporation and the Board shall use the same counsel if such counsel is approved by the Board, which approval shall not be unreasonably withheld or delayed. If the Board does not approve such counsel then the Board may retain independent counsel at the Board’s sole cost and expense. It is expressly understood and agreed that the Corporation is and shall be deemed to be an independent contractor and operator responsible to all parties for its respective acts or omissions and that the Board shall in no way be responsible therefor.

Section 10.18 Contributory Acts. Whenever in this Ground Lease any party is obligated to pay an amount or perform an act because of its negligence or misconduct (or that of its agents, employees, contractors, guests, or invitees), such obligations shall be mitigated to the extent of any comparative fault or misconduct of the other party (or that of its agents, employees, contractors, guests, or invitees) as determined by a court of law, and in any disputes damages shall be apportioned based on the relative amounts of such negligence or willful misconduct as determined by a court of law.

ARTICLE XI
TERMINATION, DEFAULT AND REMEDIES

Section 11.01 Events Of Default. Any one of the following events shall be deemed to be an “Event of Default” by the Corporation under this Ground Lease.

(a) The Corporation shall fail to pay any sum required to be paid to the Board under the terms and provisions of this Ground Lease and such failure shall not be cured within thirty (30) days after the Corporation’s receipt of written notice from the Board of such failure.

(b) The taking by execution of the Corporation’s leasehold estate (other than a foreclosure of the Mortgage) for the benefit of any Person.

(c) The Corporation shall fail to perform any other covenant or agreement, other than the payment of money, to be performed by the Corporation under the terms and provisions of this Ground Lease and such failure shall not be cured within ninety (90) days after receipt of written notice from the Board of such failure; provided that if during such ninety (90) day period, the Corporation takes action to cure such failure but is unable, by reason of the nature of the work involved, to cure such failure within such period and continues such work thereafter diligently and without unnecessary delays, such failure shall not constitute an Event of Default hereunder until the expiration of a period of time after such ninety (90) day period as may be reasonably necessary to cure such failure.

(d) A court of competent jurisdiction shall enter an order for relief in any involuntary case commenced against the Corporation, as debtor, under the Federal Bankruptcy Code, as now or hereafter constituted, or the entry of a decree or order by a court having jurisdiction over the Facilities and the Stadium Expansion appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator, or other similar official of or for the Corporation or any substantial part of the properties of the Corporation or ordering the winding up or liquidation of the affairs of the Corporation, and the continuance of any such decree or order unstayed and in effect for a period of ninety (90) consecutive days.

(e) The commencement by the Corporation of a voluntary case under the Federal Bankruptcy Code, as now or hereafter constituted, or the consent or acquiescence by the Corporation to the commencement of a case under such Code or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator, or other similar official of or for the Corporation or any substantial part of the properties of the Corporation.
(f) The Corporation, after Commencement of Construction but prior to substantially completing construction of the Series 2016 Facilities, abandons (with no intent to continue) renovation or construction for a period of forty-five (45) consecutive days.

Section 11.02 The Board’s Rights Upon Default. Upon the occurrence and during the continuance of an Event of Default, the Board may at its option seek any and all damages occasioned by the Event of Default or may seek any other remedies available at law or in equity, including specific performance.

Section 11.03 Termination of Right of Occupancy. Notwithstanding any provision of law or of this Ground Lease to the contrary, except as set forth in Section 1.03 hereof, the Board shall not have the right to terminate this lease prior to the Expiration Date hereof. However, in the event there is an Event of Default by the Corporation hereunder, the Board shall have the right to terminate the Corporation’s right to occupancy of the Land, the Facilities and the Stadium Expansion, except that the Facilities and the Stadium Expansion, at the option of the Board, shall remain thereon. The Board shall have the right upon ninety (90) days’ written notice and opportunity to cure provided to the Series 2004 Bond Insurer and the Trustee, to take possession of the Land, the Facilities and the Stadium Expansion and to re-let the Land, the Facilities and the Stadium Expansion or take possession in its own right for the remaining Term of the Ground Lease upon such terms and conditions as the Board is able to obtain. Upon such re-letting, the Corporation hereby agrees to release its leasehold interest and all of its rights under this Ground Lease and the Facilities Lease to the new lessee of the Land (or to the Board, if the Board wishes to remain in possession on its own behalf) in consideration for the new lessee (or the Board, as applicable) agreeing to assume all of the Corporation’s obligations under the Ground Lease, the Facilities Lease and under any debt incurred by the Corporation in connection with the construction of the Facilities and the Stadium Expansion.

Section 11.04 Rights of The Board Cumulative. All rights and remedies of the Board provided for and permitted in this Ground Lease shall be construed and held to be cumulative, and no single right or remedy shall be exclusive of any other which is consistent with the former. The Board shall have the right to pursue any or all of the rights or remedies set forth herein, as well as any other consistent remedy or relief which may be available at law or in equity, but which is not set forth herein. No waiver by the Board of a breach of any of the covenants, conditions or restrictions of this Ground Lease shall be construed or held to be a waiver of any succeeding or preceding breach of the same or of any other covenant, condition or restriction herein contained. The failure of the Board to insist in any one or more cases upon the strict performance of any of the covenants of this Ground Lease, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment of future breaches of such covenant or option.

ARTICLE XII
TITLE TO THE FACILITIES

Section 12.01 Title to Facilities. Title to the existing Facilities and the Stadium Expansion and any new Facilities, including the Series 2016 Facilities, as they are constructed or placed in service upon completion thereof shall be vested in the Board. The Board’s right to obtain title to the Facilities and the Stadium Expansion unencumbered by the leasehold interest of the Corporation granted hereunder shall be as set forth in the Facilities Lease. All furniture, fixtures, equipment and furnishings permanently affixed to the Facilities and the Stadium Expansion shall be the property of the Board upon termination of this Ground Lease whether such termination is by expiration of the Term or an earlier termination under any provision of this Ground Lease.
Section 12.02  The Board’s Option to Require Demolition. Upon the Expiration Date of the Term or earlier termination hereof, in the event the Facilities or the Stadium Expansion are no longer suitable for the Board’s purposes, the Board in its sole discretion may require the Corporation to demolish the Facilities or the Stadium Expansion and remove the Facilities or the Stadium Expansion from the Land, and restore the Land to substantially the same condition as it existed on the date of this Ground Lease, to be accomplished within one hundred eighty (180) days of such Expiration Date or earlier termination hereof. However, such demolition and removal of the Facilities or the Stadium Expansion shall be at the Board’s sole cost and expense. In the event of such election upon the expiration of the Term, the Board shall notify the Corporation no later than six (6) months prior to the expiration of the Term. If this Ground Lease is terminated earlier, the Board shall notify the Corporation within thirty (30) days after the termination.

Section 12.03  Termination of Facilities Lease. Upon the termination of the Facilities Lease as a result of the Board’s exercise of its option to purchase the Facilities and the Stadium Expansion granted under the Facilities Lease, all right and interest of the Corporation in and to this Ground Lease, the Facilities Lease and the Facilities and the Stadium Expansion shall be transferred to the Board, and the Corporation hereby agrees to execute any documents necessary to effectuate such transfer, or the Board may require the demolition of the Facilities and the Stadium Expansion as set forth in Section 12.02 above.

Section 12.04  Insurance Proceeds. Notwithstanding the fact that title to the Facilities and the Stadium Expansion is vested in the Board, if the Facilities Lease is no longer in force and effect, and all or any portion of the Facilities and the Stadium Expansion is damaged or destroyed by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively “Casualty”), the proceeds of any insurance received on account of any such Casualty shall be disbursed in accordance with the provisions of the Bond Documents, or if the Bond Documents are no longer in effect shall be disbursed to the Corporation as though the Corporation were the owner of the Facilities and the Stadium Expansion.

Section 12.05  Condemnation, Casualty and Other Damage. The risk of loss or decrease in the enjoyment and beneficial use of the Facilities and the Stadium Expansion due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively “Casualty”) or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Facilities and the Stadium Expansion by condemnation, expropriation, or eminent domain proceedings (collectively “Expropriation”) is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental or any other obligation hereunder.

ARTICLE XIII
CONDEMNATION

Section 13.01  Condemnation. If the Facilities Lease has been terminated, upon the permanent Taking of all the Land, the Facilities and the Stadium Expansion, this Ground Lease shall terminate and expire as of the date of such Taking, and both the Corporation and the Board shall thereupon be released from any liability thereafter accruing hereunder except for Rent and all other amounts secured by this Ground Lease owed to the Board apportioned as of the date of the Taking or the last date of occupancy, whichever is later. The Corporation shall receive notice of any proceedings relating to a Taking and shall have the right to participate therein.
Section 13.02  Partial Condemnation if Facilities Lease is No Longer in Effect. Upon a temporary Taking or a Taking of less than all of the Land, the Facilities and the Stadium Expansion and if the Facilities Lease is no longer in effect, the Corporation, at its election, may terminate this Ground Lease by giving the Board notice of its election to terminate at least sixty (60) days prior to the date of such termination. Upon any such termination, the Rent accrued and unpaid hereunder shall be apportioned to the date of termination. In the event there is a partial condemnation of the Land and the Corporation decides not to terminate this Ground Lease, the Board and the Corporation shall either amend this Ground Lease or enter into a new lease so as to cover an adjacent portion of property, if necessary to restore or replace any portion of the Land and/or Facilities and the Stadium Expansion.

Section 13.03  Partial or Total Condemnation if Facilities Lease is in Effect. If this Ground Lease is terminated under Section 13.01 or in the event of a Taking of less than all of the Land and the Facilities and the Stadium Expansion while the Facilities Lease is in force and effect, and the Board decides to restore or replace the Facilities and the Stadium Expansion in accordance with the Facilities Lease, the Board and the Corporation agree to enter into a new lease (in form and substance substantially the same as this Ground Lease) of a portion of property necessary to place thereon the Facilities and the Stadium Expansion and to enter into a new Facilities Lease (in form and substance substantially the same as the Facilities Lease) covering such replacement Facilities and the Stadium Expansion.

Section 13.04  Payment of Awards - If Facilities Lease is in Effect. Upon the Taking of all or any portion of the Land or the Facilities or and the Stadium Expansion while the Facilities Lease remains in full force and effect (a) the proceeds of the Award allocable to the value of the Facilities and the Stadium Expansion shall be disbursed in accordance with the provisions of the Facilities Lease and the Bond Documents, and (b) the Board shall be entitled (free of any claim by the Corporation) to the Award for the value of the Board’s Interest (such value to be determined as if this Ground Lease were in effect and continuing to encumber the Board’s Interest); and (c) the Corporation shall be entitled to the Award for the value of the Corporation’s interest in the Land under this Ground Lease that is the subject of the Taking.

Section 13.05  Payment of Awards - If Facilities Lease is not in Effect. Upon the Taking of all or any portion of the Land or the Facilities or the Stadium Expansion at any time after the Facilities Lease is no longer in force and effect, (a) the proceeds of the Award allocable to the value of the Facilities or the Stadium Expansion shall be disbursed in accordance with the provisions of the Bond Documents, or if the Bond Documents are no longer in effect shall be disbursed to the Corporation, (b) the Board shall be entitled (free of any claim of the Corporation) to the Award for the value of the Board’s Interest in the Land (such value to be determined as if this Ground Lease were in effect and continuing to encumber the Board’s Interest) and (c) the Corporation shall be entitled to the Award for the value of the Corporation’s interest in the Land under this Ground Lease that is the subject of the Taking.

Section 13.06  Bond Documents Control, Notwithstanding anything in this Ground Lease to the contrary, in the event of a Casualty or a Taking of all or any portion of the Facilities or the Stadium Expansion, the provisions in the Bond Documents shall control the division, application and disbursement of any insurance proceeds or Award paid as a result thereof for so long as the Bond Documents remain in effect.

ARTICLE XIV
ASSIGNMENT, SUBLETTING, AND TRANSFERS
OF THE CORPORATION’S INTEREST

Section 14.01  Assignment of Leasehold Interest. Except as expressly provided for in Article VI and in this Article XIV, the Corporation shall not have the right to sell or assign the leasehold estate
created by this Ground Lease, or the other rights of the Corporation hereunder to any Person without the prior written consent of the Board.

Section 14.02 Subletting. The Corporation is not authorized to sublet the leasehold estate to any entity other than the Board; provided, however, that if the Facilities Lease terminates, the Corporation shall have the right to sublease the Facilities to University students, faculty and staff and Permitted Sublessees.

Section 14.03 Transfers of the Corporation’s Interest. Except as otherwise expressly provided herein, any Person succeeding to the Corporation’s interest as a consequence of any permitted conveyance, transfer or assignment shall succeed to all of the obligations of the Corporation hereunder and shall be subject to the terms and provisions of this Ground Lease.

ARTICLE XV
COMPLIANCE CERTIFICATES

Section 15.01 The Corporation’s Compliance. The Corporation agrees, at any time and from time to time upon not less than thirty (30) days prior written notice by the Board, to execute, acknowledge and deliver to the Board or to such other party as the Board shall request, a statement in writing certifying (a) that this Ground Lease is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), (b) to the best of its knowledge, whether or not there are then existing any offsets or defenses against the enforcement of any of the terms, covenants or conditions hereof upon the part of the Corporation to be performed (and if so specifying the same), (c) the dates to which the Rent and other charges have been paid, and (d) the dates of commencement and expiration of the Term, it being intended that any such statement delivered pursuant to this Section may be relied upon by any prospective purchaser of the Board’s Interest or by any other Person.

Section 15.02 The Board’s Compliance. The Board agrees, at any time and from time to time, upon not less than thirty (30) days prior written notice by the Corporation, to execute, acknowledge and deliver to the Corporation a statement in writing addressed to the Corporation or to such other party as the Corporation shall request, certifying (a) that this Ground Lease is unmodified and in full force and effect (or if there have been modifications that the same is in full force and effect as modified and stating the modifications); (b) the dates to which the Rent and other charges have been paid; (c) to the best of its knowledge after due inquiry, whether an Event of Default has occurred and is continuing hereunder and stating the nature of any such Event of Default; (d) during the construction period, the status of construction of the Facilities and the Stadium Expansion and the estimated date of completion thereof; and (e) the dates of commencement and expiration of the Term, it being intended that any such statement delivered pursuant to this Section may be relied upon by any prospective (and permitted) assignee, sublessee or mortgagee of this Ground Lease or by any assignee or prospective assignee of any such permitted mortgage or by any undertenant or prospective undertenant of the whole or any part of the Facilities and the Stadium Expansion, or by any other Person.

ARTICLE XVI
TAXES AND LICENSES

Section 16.01 Payment of Taxes. The Board shall pay, and, upon request by the Corporation, shall provide evidence of payment to the appropriate collecting authorities of, all federal, state and local taxes and fees, which are now or may hereafter be, levied upon the Corporation’s interest in the Land or in the Facilities and the Stadium Expansion or upon any of the Corporation’s property used in connection therewith or upon the Board or the Board’s interest. The Board may pay any of the above items in
installments if payment may be so made without penalty other than the payment of interest. The obligations of the Board to pay taxes and fees under this Section 16.01 shall apply only to the extent that the Board or the Corporation are not exempt from paying such taxes and fees and to the extent that such taxes and fees are not otherwise abated. The Board and the Corporation agree to cooperate fully with each other to the end that tax exemptions available with respect to the Land, the Facilities and the Stadium Expansion under applicable law are obtained by the party or parties entitled thereto.

Section 16.02 Contested Tax Payments. The Board shall not be required to pay, discharge or remove any such taxes or assessments so long as the Board is contesting the amount or validity thereof by appropriate proceeding which shall operate to prevent or stay the collection of the amount so contested. The Corporation shall cooperate with the Board in completing such contest and the Corporation shall have no right to pay the amount contested during the contest. The Corporation, at the Board’s expense, shall join in any such proceeding if any law shall so require.

ARTICLE XVII
FORCE MAJEURE

Section 17.01 Discontinuance During Force Majeure. Whenever a period of time is herein prescribed for action to be taken by the Corporation, the Corporation shall not be liable or responsible for, and there shall be excluded from the computation for any such period of time, any delays due to Force Majeure. The Board shall not be obligated to recognize any delay caused by Force Majeure unless the Corporation shall within ten (10) days after the Corporation is aware of the existence of an event of Force Majeure, notify the Board thereof.

ARTICLE XVIII
MISCELLANEOUS

Section 18.01 Nondiscrimination, Employment and Wages. Any discrimination by the Corporation or its agents or employees on account of race, color, sex, age, religion, national origin or handicap, in employment practices or in the performance of the terms, conditions, covenants and obligations of this Ground Lease, is prohibited.

(d) The Corporation will not take or permit to be taken any action which would have the effect, directly or indirectly, of causing interest on any of the Bonds to be included in gross income for federal income tax purposes.

(e) No bonds, notes, or other obligations secured by Series 2007 Lawfully Available Funds may be issued except as Additional Bonds under the Series 2007 Indenture, as supplemented and amended by the Series 2016B Indenture. The Board shall pay all such amounts when due or within thirty (30) days after notice in writing from the Corporation, the Management Company, or the Trustee to the Board stating the amount of the Additional Rental then due and the purpose thereof.

The Vice President for Finance and Administration of the Board shall cause the University to include in the Budget and, if necessary, any amendments to the Budget, an amount of Lawfully Available Funds sufficient to make the payments of Base Rental and Additional Rental described herein which amounts may or may not ultimately be appropriated by the Board for such purpose. Subject to the foregoing and Section 29 hereof, the obligations of the Board to make payments pursuant to this Facilities Lease, and to perform and observe the other agreements and covenants on its part contained herein, shall be absolute and unconditional and shall not be subject to any diminution, abatement, set-off, or counterclaim. Subject to the foregoing and Section 29 hereof, until such time as the principal of, premium, if any, and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with this Facilities Lease, the Board shall not suspend or discontinue payment of Rental or any other payments pursuant to this Facilities Lease for any cause, and shall continue to perform and observe all of its agreements contained in this Facilities Lease. The Corporation and the Board acknowledge and agree that the obligation of the Board to pay Rental shall constitute a current expense of the Board payable by the Board from funds budgeted and appropriated in accordance with law for and in consideration of the right to use the Facilities during the term and that such obligation shall not in any manner be construed to be a debt of the Board in contravention of any constitutional or statutory limitations or requirements concerning indebtedness of the Board and nothing contained herein shall constitute a pledge, lien or encumbrance upon any specific tax or other revenues of the Board.
(f) The payments of Base Rental and Additional Rental under this Facilities Lease for each Fiscal Year or portion thereof during the Term shall constitute the total Rental for such Fiscal Year or portion thereof and shall be paid by the Board for and in consideration of the construction by the Corporation of the Facilities and the right to the use and occupancy of the Facilities by the Board for and during such Fiscal Year or portion thereof.

(g) Amounts necessary to pay each Base Rental payment shall be deposited by the Board on the dates set forth in Section 6(b) hereof in lawful money of the United States of America at the office of the Trustee or at such other place or places as may be established by the Corporation and/or Trustee in accordance with the Indenture. Any amount necessary to pay any Base Rental payment or portion thereof which is not so deposited shall remain due and payable until received by the Trustee. Notwithstanding any dispute between the Board and the Corporation hereunder, the Board shall make all Rental payments when due and shall not withhold payment of any Rental pending the final resolution of such dispute or for any other reason whatsoever.

(h) This Facilities Lease is intended to be a triple net lease. The Board agrees that the Rental provided for herein shall be an absolute net return to the Corporation free and clear of any expenses, charges, taxes, abatements, counterclaims, reductions or set-offs whatsoever of any kind, character or nature; it being understood and agreed to by the Board that the Board shall bear responsibility for the payment of all costs and expenses associated with the ownership, management, operation, and maintenance of the Facilities. Under no circumstances will the Corporation be required to make any payment on the Board’s behalf or for the Board’s benefit under this Facilities Lease, or assume any monetary obligation of the Board under this Facilities Lease, or with respect to the Facilities.

(i) The State, through the Division of Administration, is not, at any time whatsoever, obligated, committed or required to provide funds by legislative appropriation or any other means to pay debt service on the Bonds or to support the continued operation and maintenance of the Facilities and Stadium Expansion, it being understood that the portion of the lease payments payable by the Board under this Facilities Lease for payment of debt service on the Bonds are payable solely from the Lawfully Available Funds and the Board is not legally committed, obligated, or required to make available any other funds to make the lease payments hereunder.

(j) In addition to the Rental payments required hereby, the Board covenants and agrees to make Extraordinary Rental payments to pay for costs of the Series 2016 Facilities, from funds on hand or collected by the Board, not to exceed $9,000,000.

The University shall continuously operate or cause to be operated the Facilities from the Commencement Date and continuing for the remainder of the Term for the Permitted Use, and in accordance with all Governmental Regulations. The Corporation may contract with a Management Company, subject to the approval of the Board, to provide operations and management services for the Facilities. All Rents collected by a Management Company under a Management Agreement shall be deposited in an operating account and transferred daily to the Trustee in accordance with the Indenture.

(b) The University, at the direction of the Board, shall be responsible for maintaining the Facilities and shall make or contract or cause to be made or contracted with a suitable contractor for the making of all alterations, repairs, restorations, and replacements to the Facilities, including without
limitation the heating, ventilating, air conditioning, mechanical, electrical, elevators, plumbing, fire, sprinkler and theft systems, air and water pollution control and waste disposal facilities, structural roof, walls, and foundations, fixtures, equipment, and appurtenances to the Facilities as and when needed to preserve them in good working order, condition and repair (ordinary wear and tear excepted), regardless of whether such repairs, alterations, restorations or replacements are ordinary or extraordinary, foreseeable or unforeseeable, or are at the fault of the Board, the Corporation or some Other Party. All alterations, repairs, restoration, or replacements shall be of a quality and class equal to or better than the quality and class presently located in the Facilities.

(c) The University, at the direction of the Board, shall have the right during the Term to cause the Corporation or some other Party to make or construct any additions or improvements to the Facilities, alter the Facilities, attach fixtures, structures, or signs to or on the Facilities, and affix personal property to the Facilities without the Corporation’s prior written consent to the extent allowed under the terms of any insurance covering the Facilities. All such alterations, improvements, additions, attachments, repairs, restorations, and replacements of all or any portion of the Facilities shall (i) be at the sole cost and expense of the University; (ii) not reduce the then fair market value of the Facilities; (iii) be constructed in a good and workmanlike manner; and (iv) be in compliance with all Governmental Regulations.

(d) The University, at the direction of the Board, shall provide or cause to be provided all security service, custodial service, janitorial service, trash disposal, and all other services necessary for the proper upkeep and maintenance of the Facilities as required herein. The Board acknowledges that the Corporation has made no representation or warranty with respect to systems and/or procedures for the security of the Facilities, any persons occupying, using or entering the Facilities, or any equipment, furnishings, or contents of the Facilities. It is the sole responsibility of the Board, through the University to cause to be provided or to provide for the security of persons on or entering the Facilities and/or property located at the Facilities, in accordance with reasonable and prudent business practices.

Section 8. Utilities. All utilities which are used or consumed in or upon or in connection with the Facilities during the Term, including, without limitation water, gas, electricity, sewerage, garbage, or trash removal, light, cable, heat, telephone, power, computer data and other utilities necessary for the operation of the Facilities (the “Utility Service”) shall be the responsibility of the Board and/or the students, faculty, staff or Permitted Sublessees residing in the Facilities. Payments for Utility Services provided to the entire Facilities or to the common areas of the Facilities under such contract or contracts therefor as the Board may make shall be made by the Board directly to the respective utility companies furnishing such Utility Services.

The Corporation shall have no responsibility to the Board for the quality or availability of Utility Service to the Facilities, or for the cost to procure Utility Service. The Corporation shall be in Default under this Facilities Lease or be liable to the Board or any other Person for direct or consequential damage, or otherwise, for any failure in supply of any Utility Service, heat, air conditioning, elevator service, cleaning service, lighting, security, or for surges or interruptions of electricity.

Section 9. Insurance.

(a) The University, at the direction of the Board, shall cause to be secured and maintained at the University’s cost and expense:

(i) A policy or policies of insurance covering the Facilities against loss or damage by fire, lightening, earthquake, collapse, vandalism and malicious mischief, flood and storm surge, and against such other perils as are included in so-called “extended coverage” and against such other insurable perils as, under good insurance practice, from time to time are insured for properties of similar character.
and location, which insurance shall be not less than the full replacement cost of the Facilities, without deduction for depreciation. In the event that the Facilities are not repaired or replaced, insurance proceeds shall be no greater than the actual cash value (replacement cost less depreciation) of the Facilities at the time of the loss. The policy shall be adjusted to comply with any applicable co-insurance provisions of such insurance policy. Full payment of insurance proceeds shall not be contingent on the degree of damage sustained at other facilities leased by the Board. The policy or policies covering such loss must explicitly waive any co-insurance penalty.

(ii) A policy of comprehensive public liability insurance with respect to the Facilities and the operations related thereto, whether conducted on or off the Facilities, against liability for personal injury (including bodily injury and death) and property damage, of not less than $2,000,000 in combined single limit liability coverage. Such comprehensive public liability insurance shall specifically include, but shall not be limited to, sprinkler leakage legal liability, water damage legal liability, motor vehicle liability for all owned and non-owned vehicles, including rented or leased vehicles.

(iii) Boiler and machinery insurance coverage against loss or damage by explosion of steam boilers, pressure vessels and similar apparatus, but only if steam boilers, pressure vessels or similar apparatus are installed on the Facilities, in an amount not less than $5,000,000 with deductible provisions not exceeding $100,000 per accident.

(iv) Workers’ compensation insurance issued by a responsible carrier authorized under the laws of the State to insure employers against liability for compensation under the Labor Code of the State, or any act hereafter enacted as an amendment thereto or in lieu thereof, such workers’ compensation insurance to cover all persons employed by the Corporation in connection with the Facilities and to cover full liability for compensation under any such act aforesaid.

(v) A policy of rental interruption insurance in the amount of at least one (1) year’s rental in the event of loss of or damage to the Series 2004 Facilities or the Series 2016 Facilities.

(b) The Corporation shall:

(i) cause to be secured and maintained a policy of title insurance insuring the Corporation’s leasehold interest under the Ground Lease in an amount equal to the par amount of the Bonds; and

(ii) cause all of the construction professionals to secure and maintain:

(A) Comprehensive or Commercial General Liability insurance;
(B) Errors and Omissions insurance;
(C) Automobile Liability insurance;
(D) Worker’s Compensation insurance;
(E) an all Risk Builder’s Policy upon the construction on the Property; and
(F) boiler and machinery or additional property insurance;

all as required by the terms of any construction contracts entered into with regards to the demolition of certain existing facilities and the renovation, development and construction of the Facilities.
All insurance required in this Section and all renewals of such insurance (excepting self-insurance or commercial insurance, through ORM) shall be issued by commercial insurers authorized to transact business in the State, and rated at least A- by Best’s Insurance Reports (property/liability) or in the two highest rating categories of S&P and Moody’s. All insurance policies provided or caused to be provided by the Corporation shall expressly provide that the policies shall not be canceled or altered without thirty (30) days’ prior written notice to the University and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the Corporation or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained.

All policies of liability insurance that the University is obligated to maintain according to this Facilities Lease (other than any policy of worker’s compensation insurance) will name the Corporation, the Trustee and such other Persons or firms as the University may be required to name from time to time as additional insureds and shall expressly provide that the policies shall not be cancelled or altered without thirty (30) days’ prior written notice to the Corporation and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the University or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained. All public liability, property damage liability, and casualty policies maintained by the University shall be written as primary policies.

Proceeds of insurance received and/or the amount of any loss that is self-insured with respect to destruction of or damage to any portion of the Facilities by fire, earthquake or other casualty or event shall be paid to the Trustee (or, in the case of ORM insurance, to the Board for delivery in full to the Trustee) for application in accordance with the provisions of Section 11 of this Facilities Lease and the Indenture.

The Corporation shall certify annually to the Series 2004 Bond Insurer, the Series 2007 Bond Insurer, and the Series 2016 Bond Insurer that all insurance policies required by this Section 9 are as of the date of such certification in place and in effect.

Section 10. **Condemnation, Casualty and Other Damage.** The risk of loss or decrease in the enjoyment and beneficial use of the Facilities due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively “Casualty”) or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Facilities by condemnation, expropriation, or eminent domain proceedings (collectively “Expropriation”) is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental, or any other obligation hereunder.

Section 11. **Application of Insurance Proceeds; Condemnation Award.** (a) If during construction, all or any portion of the Facilities is damaged or destroyed by a Casualty, or is taken by Expropriation proceedings, the Board shall instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration or replacement of the Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. Following the completion of construction and acceptance of the Facilities by the Board on behalf of the Corporation, the Board shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted, the repair, restoration, or replacement thereof. The proceeds of any insurance, including the proceeds of any self-
insurance fund, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction or taking of all or any portion of the Facilities shall be delivered to the Trustee and held by the Trustee in trust (or in the case of self-insurance through ORM, as set forth in paragraph (b) below), and shall be made available for, and to the extent necessary be applied to, such restoration, repair and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement and repair of the Facilities with respect to which they are held, in each case promptly after receipt of a written request of the Corporation stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee may conclusively rely upon such written requests and shall have no liability or responsibility to investigate any matter stated therein, or for any inaccurancy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration or replacement of the Facilities shall be paid by Trustee in accordance with the terms of the Indenture.

In the event the proceeds of any insurance, and any additional funds deposited with the Trustee, are insufficient to fully repair, restore or replace the Facilities, the proceeds shall be paid to the Board for immediate delivery to Trustee and used to redeem the Outstanding Bonds.

Notwithstanding the foregoing, the Corporation’s obligation to replace the Facilities in the event of Expropriation Proceedings is dependent on the Board entering into a lease with a different portion of the Campus as provided in Section 13.03 of the Ground Lease. In the event it is necessary to restore or replace the Facilities in a different location because of the Expropriation of all or a portion of the Facilities, the Corporation and the Board agree to amend or enter into a new Facilities Lease and Ground Lease in accordance with Sections 13.03 of the Ground Lease. In the event the Board, pursuant to the Ground Lease, decides not to repair, restore or replace the Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) shall be paid to the Board for immediate delivery to the Trustee and applied to the prepayment of the Bonds in accordance with the terms of the Indenture, and this Facilities Lease and the Ground Lease shall terminate on the date that the events described in Section 2(a) or 2(b) hereof have occurred.

(b) In the event that ORM insures the Facilities, the Board shall use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration or replacement of the Facilities.

Section 12. Encumbrances.

(a) Payment by the Board. The Board shall pay or cause to be paid all costs and charges for alterations, improvements, additions, repairs and maintenance ("Work") (i) done by the Board or caused to be done by the Board in or to the Facilities, and (ii) for all materials furnished for or in connection with such Work. The Corporation reserves all rights to collect for any loss or damage sustained or incurred by the Corporation resulting from any and all Encumbrances, demands or liabilities arising on account of the Work, which shall be payable by the Board as Additional Rent hereunder.

(b) Failure to Discharge. If the Board fails to pay any charge for which an Encumbrance has been filed, and the Facilities or any portion thereof is placed in imminent danger of being seized, the
Corporation may, but shall not be obligated to, pay such charge and related costs and interest, and the amount so paid, together with reasonable Legal Expenses incurred in connection with such Encumbrance, will be immediately due from the Board to the Corporation as Additional Rental. Nothing contained in this Facilities Lease will be deemed the consent or agreement of the Corporation to subject the Corporation’s interest in the Facilities to liability under any Encumbrance, or any mechanics’, materialman’s or other lien law. If the Board receives written notice that an Encumbrance has been or is about to be filed against the Facilities, or that any action affecting title to the Facilities has been commenced on account of Work done by or for the Board or for materials furnished to or for the Board, it shall immediately give the Corporation Notice of such notice.

(c) Notice of Work. At least fifteen (15) days prior to the commencement of any Work in or to the Facilities, by or for the University, the University shall give the Corporation Notice of the proposed Work and the names and addresses of the Persons supplying labor and materials for the proposed Work. The Corporation will have the right to post notices of nonresponsibility or similar written notices on the Facilities in order to protect the Facilities against any such claimants.

Section 13. Assignment and Sublease. (a) Neither this Facilities Lease nor any interest of the Board in the Facilities shall be mortgaged, pledged, assigned or transferred by the Board by voluntary act or by operation of law, or otherwise; provided, however, the Board may sublease all or any portion of the Facilities, or grant concessions involving the use of all or any portion of the Facilities, whether such concessions purport to convey a leasehold interest or a license to use all or a portion of the Facilities to any University student, faculty, staff or Permitted Sublessee. No such concession, leasehold interest or license to use the Facilities shall be granted to any University students, faculty or staff for a term of more than one (1) year, or to any Permitted Sublessee for a term of more than one (1) month. The Board shall, however, at all times remain liable for the performance of the covenants and conditions on its part to be performed under this Facilities Lease (including, without limitation, the payment of Base Rental and Additional Rental), notwithstanding any subletting or granting of concessions which may be made. Nothing herein contained shall be construed to relieve the Board from its obligations to pay Base Rental and Additional Rental as provided in this Facilities Lease or to relieve the Board from any other obligations contained herein. Other than subleases to University students, faculty, staff and Permitted Sublessees, in no event will the Board sublease or permit the use of all or any part of the Facilities to any person without an opinion of Bond Counsel that such will not cause interest on the Bonds to be included in the gross income of the owners of the Bonds for federal income tax purposes.

(b) The Corporation shall, concurrently with the execution hereof, assign all of its right, title, and interest in and to this Facilities Lease, including without limitation its right to receive Base Rental payable hereunder, to the Issuer pursuant to the Agreement, and the Issuer will in turn assign its rights under this Facilities Lease to the Trustee pursuant to the Indenture. The parties hereto further agree to execute any and all documents necessary and proper in connection therewith. Anything required or permitted to be done by the Corporation under this Facilities Lease may be done by the Trustee under the Indenture.

(c) Except as set forth in Section 13(b) hereof, the Corporation shall not sell or assign its interest in the Facility or this Facilities Lease without the prior written consent of the Board.

Section 14. Additions and Improvements Removal. At the expiration of the Term, or termination of this Facilities Lease, all alterations, fixtures, improvements, and additions made by the Board or the University and all equipment placed upon the Facilities that are incorporated into or made into component parts of the Facilities, as well as, title to all property, furniture, equipment, fixtures, and other property installed at or placed upon the Facilities by the Board which is not incorporated into or made a component part of the Facilities remain the property of the Board.
The Board hereby agrees to replace such property from time to time as such property becomes worn out, obsolete, inadequate, unsuitable or undesirable. The Board may add to or remove such property from time to time, and upon expiration of the Term, provided that the Board repairs any damage to the Facilities caused by such removal.

Section 15. Right of Entry. Representatives of the Corporation and the Bond Insurer shall, subject to reasonable security precautions, and upon giving the Board not less than twenty-four (24) hours advance Notice, have the right to enter upon the Facilities during reasonable business hours (and in emergencies without notice and at all times) accompanied by a Board Representative (i) to inspect the same, (ii) for any purpose connected with the rights or obligations of the Corporation under this Facilities Lease, or (iii) for all other lawful purposes. Any right of access to any portion of the Facilities leased to the students, faculty, staff or Permitted Sublessees shall be subject to their rights pursuant to their rental agreements and University policy.

Section 16. Mortgage Prohibition. Except as set forth in the Indenture, the Ground Lease, and the Agreement, the Corporation shall not be entitled to mortgage or grant a security interest in the Facilities.

Section 17. Sale of Facilities; Attornment; and Conveyance and Transfer of the Corporation’s Interest. If a person other than the Corporation shall succeed to the rights of the Corporation hereunder (in any case with the prior written consent of the Board as required hereby), upon the declaration of the successor to the Corporation’s interest in this Facilities Lease, the Board agrees to fully attorn to and recognize any such successor as the Board’s landlord under this Facilities Lease upon the then existing terms of this Facilities Lease, provided that such successor shall agree in writing to accept the Board’s attornment and not to disturb the Board’s possession so long as the Board shall observe the provisions and all covenants of this Facilities Lease. This attornment provision shall inure to the benefit of any such successor and shall be self-operative upon the election and declaration by such successor, and no further instrument shall be required to give effect to the provisions. However, the Board agrees to evidence and confirm the foregoing attornment provisions by the execution and delivery of instruments in recordable form satisfactory to such successor.

If the Facilities, or any part thereof, shall be sold or otherwise transferred by sale, assignment, transfer, or other contract, or by operation of law or otherwise (with the prior written consent of the Board as required hereby and with the opinion of Bond Counsel that such action will not cause interest on the Bonds to be included in the gross income of the owner of the Bonds for federal tax purposes), and if such written consent specifically so provides, the Corporation shall be automatically and entirely released and discharged to the extent of the interest in or the portion of the Facilities sold, assigned or transferred from and after the effective date of such sale, assignment or transfer of all liability for the performance of any of the covenants of this Facilities Lease on the part of the Corporation thereafter to be performed. The purchaser or other transferee of the Facilities shall be deemed to have agreed to perform such covenants of the Corporation from and after the date of such assignment or sale during such transferee’s period of ownership of the Corporation’s interest under this Facilities Lease, all without further agreement between the Corporation, its successor and the Board. The Corporation’s transferee shall not be held responsible for the performance of any of the covenants of this Facilities Lease on the part of the Corporation required to be performed prior to such sale and transfer, the Board reserving its rights against the Corporation for any unperformed covenants prior to such sale or transfer.

Section 18. Quiet Enjoyment. The Corporation covenants that the Board, on paying the Rental and performing and observing all of the covenants and agreements herein contained and provided to be performed by the Board or the University, shall and may peaceably and quietly have, hold, occupy, use, and enjoy the Facilities during the Term and may exercise all of its rights hereunder; and the
Corporation agrees to warrant and forever defend the Board's right to such occupancy, use, and 
 enjoyment and the title to the Facilities against the claims of any and all persons whomsoever lawfully 
 claiming the same, or any part thereof subject only to the provisions of this Facilities Lease.

Section 19. **Environmental Compliance and Indemnity.**

(a) **Environmental Compliance.** The Board or the University shall operate or cause to be 
 operated the Facilities in compliance with all Environmental Requirements continuously during the Term, 
 and for such periods of time prior to the Commencement Date and after the Expiration Date, as long as 
 the Board is in possession of the Facilities, in whole or in part. The Board shall not cause or permit any 
 Hazardous Substance to be brought upon, kept, or used in or about the Facilities or the Land, except for 
 such Hazardous Substance as is necessary or useful to the operation of the Facilities.

(b) **The Board's Liability.** If the Board fails to comply with any of the foregoing warranties, 
 representations, and covenants, and removal or Remediation of any Hazardous Substance found on the 
 Facilities is required by Environmental Requirements or Governmental Authority, the Board shall 
 promptly undertake the removal or Remediation of such Hazardous Substance, at the Board's sole cost 
 and expense. In the event the Board fails or refuses to undertake such removal or Remedial actions, the 
 Corporation may cause the removal or Remediation (or other cleanup reasonable acceptable to the 
 Corporation) of any such Hazardous Substance from the Land or the Facilities. The reasonable costs of 
 removal, Remediation, or any other cleanup (including transportation and storage costs) will be 
 considered as Additional Rental under this Facilities Lease, whether or not a court has ordered the 
 cleanup, and those costs will become due and payable within ninety (90) days of written demand by the 
 Corporation. In connection therewith, the Board will give the Corporation, its agents, and employees 
 access to the Facilities to remove, remediate, or otherwise clean up any Hazardous Substance. The 
 Corporation, however, has no affirmative obligation to remove, remediate, or otherwise clean up any 
 Hazardous Substance, and this Facilities Lease will not be construed as creating any such obligation. The 
 Board hereby agrees that it shall be fully liable for all costs and expenses related to the use, storage, and 
 disposal of any Hazardous Substance located in or about the Facilities by the Board.

Section 20. **The Corporation's Reservation of Rights.**

(a) The Corporation hereby reserves all of its rights to recover from the Board for any and all 
 Claims asserted against the Corporation, including Litigation Expenses arising out of or by reason of:

(i) any injury to or death of any person or damage to property occurring on or about 
 the Facilities occasioned by or growing out of or arising or resulting from any tortious or negligent act on 
 the part of the Board in connection with the operation and management of the Facilities; or

(ii) any failure, breach, or default on the part of the Board in the performance of or 
 compliance with any of the obligations of the Board under the terms of this Facilities Lease.

(b) Notwithstanding the fact that it is the intention of the parties that the Corporation shall 
 not incur any pecuniary liability by reason of the terms of this Facilities Lease or the undertakings 
 required of the Corporation hereunder, nevertheless, if the Corporation should incur any such pecuniary 
 liability, then in that event, the Corporation shall be entitled to assert all rights and remedies granted in 
 law or in equity to recover from the Board the amount of any pecuniary liability incurred by the 
 Corporation, plus all Litigation Expenses incurred in defense of such liability to the extent subject to 
 indemnification pursuant to Subsection (a) above.
(c) No recourse shall be had for the enforcement of any obligation, covenant, or agreement of the Corporation contained in this Facilities Lease or any Claim based thereon against the Corporation or of any successor thereto or member thereof, either directly or through the Corporation whether by virtue of any constitutional provision, statute, or rule of law. This Facilities Lease and the obligations of the Corporation hereunder, and any Claim asserted against the Corporation are solely corporate obligations, and the enforcement of any obligation or Claim shall be limited solely to the Corporation’s interest in the Facilities. No personal liability shall attach to, or be incurred by, any officer, director, agent, employee or member of the Corporation and the Board acknowledges that all personal liability of any character against every such officer, director, agent, employee or member by the execution of this Facilities Lease, is expressly waived and released. The immunity of any officer, director, agent, employee or member of the Corporation under the provisions contained in this Section 20 shall survive any acquisition of the Facilities by the Board and the expiration or other termination of this Facilities Lease.

Section 21. Default by the Board. If (i) the Board shall fail to deposit with the Trustee any Base Rental payment required to be so deposited pursuant to Section 6 hereof by the close of business on the day such deposit is required pursuant to Section 6 hereof, and shall fail to remedy such breach within five (5) days thereof, but in no event later than the date on which such payment is required to enable the Corporation to make payment on the Bonds (without use of moneys held in the Debt Service Reserve Fund), or (ii) the Board shall fail to pay or discharge any monetary obligation under this Lease (other than the payment of Base Rental) as and when due, or within thirty (30) days after receipt of Notice from the Corporation that such sums are due and owing; or (iii) the Board shall breach any non-monetary terms, covenants or conditions herein, and shall fail to remedy any such breach with all reasonable dispatch within a reasonable period of time (or such longer period as the Trustee may approve) after written notice thereof from the Corporation to the Board, then and in any such event the Board shall be deemed to be in default hereunder, and the Corporation shall have the right, at its option, without any further demand or notice to terminate this Facilities Lease on the earliest date permitted by law or on any later date specified in any Notice given to the Board, in which case the Board’s right to possession of the Facilities will cease and this Facilities Lease will be terminated, without, however, waiving the Corporation’s right to collect all Rental and other payments due or owing for the period up to the time the Corporation regains possession (which have been approved for payment under this Facilities Lease, but not paid by the Board), and to enforce other obligations of the Board which survive termination of this Facilities Lease, and in such event the Corporation may without any further demand or notice re-enter the Facilities and eject all parties in possession thereof, subject to the rights of students, faculty, staff and Permitted Sublessees. The foregoing remedies of the Corporation are in addition to and not exclusive of any other remedy of the Corporation. Any such re-entry shall be allowed by the Board without hindrance, and the Corporation shall not be liable in damages for any such re-entry or be guilty of trespass. The Corporation understands and agrees that upon its termination of the Board’s right to possession of the Facilities or termination of this Facilities Lease, the Corporation upon its re-entry of the Facilities shall only be allowed to use the Facilities for the Permitted Use and shall be subject to all applicable Governmental Regulations heretofore or hereafter enacted by any Governmental Authority relating to the use and operation of the Facilities.

Notwithstanding any other provision of this Facilities Lease, (i) in no event shall the Corporation have the right to accelerate the payment of any Base Rental payment hereunder and (ii) the Bond Insurer shall have ninety (90) days to cure an Event of Default hereunder.

Notwithstanding anything contained in this Section 21 to the contrary, a failure by the Board to pay when due any payment required to be made under this Facilities Lease or a failure by the Board to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Facilities Lease, resulting from a failure by the Board to appropriate moneys shall not constitute an Event of Default under this Section 21 and the Corporation shall not have any of the remedial rights set
forth in this Section 21. Notwithstanding the foregoing, in such event the Board acknowledges that the Facilities Lease shall terminate and the Board shall immediately vacate the Facilities, and deliver the Facilities to the Corporation.

Section 22. Cumulative Remedies. Each right and remedy provided for in this Facilities Lease is cumulative and is in addition to every other right or remedy provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by the Corporation of any one or more of the rights or remedies provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise will not preclude the simultaneous or later exercise by the Corporation of any or all other rights or remedies provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise. All costs incurred by the Corporation in collecting any amounts and damages owing by the Board pursuant to the provisions of this Facilities Lease or to enforce any provision of this Facilities Lease, including reasonable Litigation Expenses from the date any such matter is turned over to an attorney, whether or not one or more actions are commenced by the Corporation, will also be recoverable by the Corporation from the Board. The waiver by the Corporation of any breach by the Board and the waiver by the Board of any breach by the Corporation of any term, covenant or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other term, covenant or condition hereof.

Section 23. Option to Purchase. For and in consideration of the obligations of the Board under the Facilities Lease, the mutual undertakings of the parties, the receipt and adequacy of which is hereby acknowledged, the Corporation grants to the Board an exclusive and irrevocable option to purchase for the price and on the terms, provisions, stipulations and conditions hereinafter set forth, all but not less than all of the Corporation’s leasehold interest in the Facilities.

(a) Effective Date. The effective date of this Option agreement shall be the Commencement Date.

(b) Term of Option. The Option shall expire at midnight Central Standard Time, on the Expiration Date, or upon the termination of this Facilities Lease, whichever occurs first.

(c) Limitation on Exercise of Option. The Board may not exercise the Option, and the Option shall be voidable, at the sole election of the Corporation, if a Default by the Board has occurred and is continuing under the Facilities Lease, and the applicable time period in which the Board may cure such default has expired. Notwithstanding any provision of this Option to the contrary, the Board shall be entitled to exercise the Option as long as the Board is legally obligated to make payments of Base Rental under the Facilities Lease.

(d) Exercise of Option.

(i) The Series 2004 Facilities. The Board may exercise the Option herein granted with respect to the Series 2004 Facilities at any time on or before expiration of the Term, on any Interest Payment Date on or after August 1, 2014 or on the date the Series 2004 Bonds and the Series 2013 Bonds are defeased pursuant to Article XII of the Series 2004 Indenture, as supplemented by the Series 2013 Indenture, by Notice to the Corporation of its election to exercise the Option and purchase the Corporation’s interest in and to the Series 2004 Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase the Series 2004 Facilities.

(ii) The Series 2007 Facilities. The Board may exercise the Option herein granted with respect to the Series 2007 Facilities at any time on or before expiration of the Term, on any Interest
Payment Date on or after August 1, 2014 or on the date the Series 2007 Bonds are defeased pursuant to Article XII of the Series 2007 Indenture, by Notice to the Corporation of its election to exercise the Option and purchase the Corporation’s interest in and to the Series 2007 Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase the Series 2007 Facilities.

(iii) The Series 2016 Facilities. The Board may exercise the Option herein granted with respect to the Series 2016 Facilities at any time on or before expiration of the Term, on any Interest Payment Date on or after [August 1, 2026] or on the date the Series 2016A Bonds are defeased pursuant to Article XII of the Series 2016A Indenture, by Notice to the Corporation of its election to exercise the Option and purchase the Corporation’s interest in and to the Series 2016 Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase the Series 2016 Facilities.

(c) Purchase Price. The Purchase Price shall be equal to the principal of all Bonds then Outstanding plus the interest to accrue on such Bonds until the purchase date plus any prepayment penalties, charges or costs for early prepayment or defeasance of the Bonds and any Administrative Expenses owed prior to the purchase date which payments are necessary to discharge the Indenture pursuant to Article XII thereof (collectively, the “Purchase Price”).

(f) Effect on Facilities Lease and Ground Lease. Upon the purchase of the Corporation’s leasehold interest in the Facilities by the Board pursuant to this Option, the Facilities Lease and the Ground Lease shall terminate and all of the Corporation’s leasehold interest in the Land and the Facilities shall terminate.

(g) Payment of Purchase Price. The Board, on the purchase date, shall deposit an amount equal to the Purchase Price with the Trustee.

(i) Conveyance. In the event of and upon the payment of the Purchase Price and any other sums due under this Facilities Lease by the Board, the Corporation will on the purchase date execute and deliver to the Board a written cancellation of the Ground Lease and this Facilities Lease.

(ii) Assignment of Contract Rights and Obligations. The conveyance of the Corporation’s leasehold interest in the Facilities shall also effect a transfer and assignment of all rights, warranties and liabilities of the Corporation under then existing contracts of any nature with respect to the Facilities.

(h) Closing. In the event the Option is timely exercised, notice of the Board’s election to the Corporation shall constitute an irrevocable conversion of the Option into a binding obligation of the Corporation to sell its leasehold interest in the Facilities and the Board to buy the same under the terms and conditions set forth in this Section 23, and in such event, the Corporation and the Board shall have the right to demand specific performance of this agreement by the other. The closing shall occur at the offices of the Board or its counsel, or at such other time, place, and date as agreed upon by the Corporation and the Board.

(i) Closing Costs. The Board shall pay all closing costs and charges incident to the conveyance of the Corporation’s interest in the Land and the Facilities.

(j) No Warranty. The Corporation shall convey its leasehold interest in the Facilities without any warranty whatsoever of any nature. The conveyance of the leasehold interest in the Facilities shall be without any warranty as to fitness and condition, as set forth in Section 5 of this Facilities Lease. Language substantially similar to the language contained in Section 5 of this Facilities Lease shall be
incorporated into and made a part of such conveyance. In no event shall the Corporation be responsible for any defects in title.

(k)  Default under the Option:

(i) In the event the Option is exercised, and the Corporation fails to consummate the transactions contemplated herein for any reason, except default by the Board or the failure of the Board to satisfy any of the conditions set forth herein, the Board may, in addition to any other rights and remedies which may otherwise be available to the Board, enforce this agreement by specific performance. The Board's remedies under this Section are expressly subject to the provisions of Section 30 of this Facilities Lease.

(ii) In the event the Option is exercised, and the Board fails to consummate the transactions contemplated herein for any reason, except default by the Corporation or the failure of the Corporation to satisfy any of the conditions set forth herein, the Corporation (a) may enforce this agreement by specific performance and in such action shall have the right to recover damages suffered by reason of the Board's delay; or (b) may bring suit for damages for breach of this agreement.

(iii) No delay or omission in the exercise of any right or remedy accruing to either party upon any breach by the other party under this Section 23 shall impair such right or remedy or be construed as a waiver of any such breach theretofore or thereafter occurring. The waiver by either party of any condition or any subsequent breach of the same or any other term, covenant or condition contained in this Section 23 shall not be deemed to be a waiver of any other condition or of any subsequent breach of the same or of any other term, covenant or condition herein contained.

(l) Attorney's Fees. Should either party employ an attorney or attorneys to enforce any of the provisions hereof, or to protect its interest in any matter arising under this agreement, or to recover damages for the breach of this agreement, the party prevailing in any final judgment shall have the right to collect from the losing party all Litigation Expenses incurred in enforcing such rights.

(m) Notices. Any notices required or permitted under this Section 23 shall be in writing and delivered either in person to the other party, or to the other party's authorized agent, or by United States Certified Mail, return receipt requested, postage prepaid, to the address set forth in Section 50 of this Facilities Lease, or to such other address as either party may designate in writing and delivered as herein provided.

(n) Assignability. Except as set forth in the Indenture, the Mortgage or the Ground Lease, the Option may not be assigned by the Corporation or its interest in the Facilities sold (subject to the Option or otherwise) to any person or entity without the Board's prior written consent, which consent may be withheld by the Board in its sole discretion.

(o) Time of Essence: Time is of the essence of this Option.

(p) Binding Effect: This Option shall be binding upon and shall inure to the benefit of the parties hereto and their heirs, successors and assigns.

Section 24. Severability. If any provisions of this Facilities Lease shall be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or
circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable, to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or Sections contained in this Facilities Lease shall not affect the remaining portions of this Facilities Lease, or any part thereof.

Section 25.  **Redemption of Bonds.** The Corporation agrees that it will not exercise its option to redeem any Bonds pursuant to the Indenture unless the Board consents to such redemption or such redemption is to be effected with moneys derived from a source other than payments made by the Board under this Facilities Lease, however, in no event shall the mandatory redemption of any Bonds pursuant to the Indenture require the consent of the Board. The Corporation further agrees that if requested by the Board it will take all actions necessary to redeem all or any portion of the Bonds designated by the Board on the first date that it may do so under the terms of the Indenture so long as the Board agrees to provide funds in an amount, and at the time, required to effect such redemption.

Section 26.  **Additional Bonds.** Upon the request and at the expense of the Board, the Corporation shall take action as may be required to effect the issuance of Additional Bonds in such amount as the Board may request as permitted by and in accordance with the provisions of the Indenture for any purpose permitted thereby.

Section 27.  **Execution.** This Facilities Lease may be simultaneously executed in any number of counterparts, each of which when so executed shall be deemed to be an original, and all of which together shall constitute one and the same Facilities Lease.

Section 28.  **Law Governing.** This Facilities Lease is made in the State under the constitution and laws of the State and is to be governed by the laws of the State.

Section 29.  **Nonappropriation of Funds.** In the event no funds or insufficient funds are lawfully appropriated in any Fiscal Year enabling the payment of Base Rental and Additional Rental due during the next succeeding Fiscal Year, the Board will immediately notify the Corporation and the Trustee of such occurrence. On the first day of the month following the Base Rental payment date on which the last payment of Base Rental can be made in full from Lawfully Available Funds, this Facilities Lease shall terminate without penalty or expense to the Board of any kind whatsoever, except as to the portions of Base Rental and Additional Rental payments herein agreed upon for Fiscal Years for which sufficient funds have been lawfully appropriated. In the event of such termination, the Board agrees peaceably to surrender possession of the Facilities to the Corporation on the date of such termination in its original condition (normal wear and tear excepted). The Corporation will have all legal and equitable rights and remedies to take possession of the Facilities and re-let or sell the Facilities as the Corporation determines and as granted in this Facilities Lease. The Board acknowledges that the Corporation's rights to take possession and to re-let or sell the Facilities under this Section 29 may be assigned to the Trustee for the benefit of the owners of the Bonds, and the Board agrees that the Trustee shall be entitled to exercise all of the rights of the Corporation under this Section 29. The event of an inability by the Board to cause the appropriation of sufficient funds for the payment of sums due under this Facilities Lease shall not constitute a default hereunder, but shall ipso facto terminate this Facilities Lease. This provision is operative notwithstanding any provisions of this Facilities Lease to the contrary. The Board shall be considered in default hereunder if sufficient funds are lawfully appropriated for the payment of Rental required under this Facilities Lease and the Board fails to use lawfully appropriated funds for the payment of Rental. In such event, the Corporation shall be entitled to the rights and remedies set forth in Sections 21 and 22 hereof.

Section 30.  **Exculpatory Provision.** In the exercise of the powers of the Corporation and its trustees, officers, employees and agents under this Facilities Lease and the Indenture, the Corporation
shall not be accountable or liable to the Board (i) for any actions taken or omitted by it or its officers, employees or agents in good faith and believed by it or them to be authorized or within their discretion or rights or powers conferred upon them, or (ii) for any claims based on this Facilities Lease against any officer, employee or agent of the Corporation in his or her personal capacity, all such liability, if any, being expressly waived by the Board by the execution of this Facilities Lease. Nothing in this Facilities Lease or the Indenture is intended to require or obligate, nor shall anything herein or therein be interpreted to require or obligate, the Corporation for any purpose or at any time whatsoever, to provide, apply or expend any funds coming into the hands of the Corporation other than the funds derived from the issuance of the Bonds under the Indenture and moneys derived pursuant to the Indenture and this Facilities Lease.

The Board specifically agrees to look solely to the Corporation’s interest in the Facilities for the recovery of any judgments from the Corporation. It is agreed that the Corporation will not be personally liable for any such judgments, or incur any pecuniary liability as a result of this Facilities Lease to the Board, or the breach of its obligations hereunder. The Corporation’s liability under this Facilities Lease is “in rem” as to its interest in the Facilities. The provisions contained in the preceding sentences are not intended to and will not limit any right that the Board might otherwise have to obtain injunctive relief against the Corporation or relief in any suit or action in connection with enforcement or collection of amounts that may become owing or payable under or on account of insurance maintained by the Corporation.

Section 31. Amendments. This Facilities Lease may be amended only as permitted in Article VIII of the Agreement.

Section 32. Recording. The Corporation covenants and agrees that it will promptly record and from time to time re-record a memorandum in recordable form of this Facilities Lease and the Indenture and all supplements thereto and hereto in such manner and in such places as may be required by law in order to fully protect and preserve the security of the holders or owners of the Bonds.

Section 33. Construction Against Drafting Party. The Corporation and the Board acknowledge that each of them and their counsel have had an opportunity to review this Facilities Lease and that each Party was responsible for the drafting thereof.

Section 34. Time of the Essence. Time is of the essence of each and every provision of this Facilities Lease.

Section 35. No Waiver. The waiver by the Corporation of any agreement, condition, or provision contained in this Facilities Lease will not be deemed to be a waiver of any subsequent breach of the same or any other agreement, condition, or provision contained in this Facilities Lease, nor will any custom or practice that may grow up between the parties in the administration of the terms of this Facilities Lease be construed to waive or to lessen the right of the Corporation to insist upon the performance by the Board in strict accordance with the terms of this Facilities Lease. The subsequent acceptance of Rental by the Corporation will not be deemed to be a waiver of any preceding breach by the Board of any agreement, condition, or provision of this Facilities Lease, other than the failure of the Board to pay the particular Rental so accepted, regardless of the Corporation’s knowledge of such preceding breach at the time of acceptance of such Rental.

Section 36. Survival. To the extent permitted by law and to the extent such will not constitute the incurrence of debt by the Board, all of the Corporation’s remedies and rights of recovery under Sections 19 and 20 of this Facilities Lease shall survive the Term and/or the purchase of the Facilities by the Board under the Option.
Section 37. **Counterparts.** This Facilities Lease may be executed in any number of counterparts, each of which shall be an original, but all of which shall together constitute one and the same instrument.

Section 38. **First Stoppel Certificates.** At any time and from time to time but within ten (10) days after prior written request by the Corporation, the Board will execute, acknowledge, and deliver to the Corporation, promptly upon request but only to the extent accurate, a certificate certifying (i) that this Facilities Lease is unmodified and in full force and effect or, if there have been modifications, that this Facilities Lease is in full force and effect, as modified, and stating the date and nature of each modification; (ii) the date, if any, to which Rental and other sums payable under this Facilities Lease have been paid; (iii) that no Notice of any default has been delivered to the Corporation which default has not been cured, except as to defaults specified in said certificate; (iv) that there is no Event of Default under this Facilities Lease or an event which, with Notice or the passage of time, or both, would result in an Event of Default under this Facilities Lease, except for defaults specified in said certificate; and (v) such other matters as may be reasonably requested by the Corporation. Any such certificate may be relied upon by any prospective purchaser or existing or prospective mortgagee of the Facilities or any part thereof. The Board’s failure to notify the Corporation of any inaccuracies in the proposed certificate within the specified time period shall be conclusive evidence that the matters set forth in the certificate are accurate and correct.

REPORTS AND RECOMMENDATIONS BY THE COMMISSIONER OF HIGHER EDUCATION

Commissioner Joseph Rallo thanked the staff for the work accomplished during the legislative session. He said that the Board has set aspirational goals and adopted the theme “Elevate Louisiana.”

During the Commissioner’s Report, Dr. Rallo asked Dr. Lisa Vosper, Associate Commissioner for Workforce Education and Training, to update the Board on activities in which she has been involved. Dr. Vosper shared that the National Geospatial-Intelligence Agency’s (NGA) Centers of Academic Excellence (CAE) program is a partnership between NGA and academia to ensure an adequate supply of geospatial sciences expertise near term and
into the future. She has met with one of NGA’s CAE lead subject matter experts (SMEs) on the information technology branches for geospatial science and has developed a campaign targeted at education systems that have the capacity to partner with NGA across multiple areas in the geospatial sciences. She explained that there is an opportunity for the Louisiana Board of Regents to partner to create the first-of-its-kind program with a State’s entire academic network.

To address CAE’s diversity goal, Dr. Vosper is leading efforts with the state’s Historically Black Colleges and Universities (HBCUs) to identify areas of synergy and excellence that would meet the requirements of the CAE Initiative. This initiative goes beyond the traditional boundaries of geospatial sciences, touching cyber security, political science, maritime and even business and workforce development.

Dr. Vosper explained that based on the key points in Elevate Louisiana, she believes that there may be synergies between Regents’ efforts in the “Innovate” focus area and the work with NGA. She will keep the Board apprised of progress in this regard.

OTHER BUSINESS

Other business introduced by Chair Lipsey included:

- The next board meeting is scheduled for August 24, 2016.
- Condolences were extended to Regent Robert Levy for the loss of his mother, Mrs. Billie Kathleen Hooten Levy.
- A “happy birthday” was extended to Regent Roy Martin III.

Regent Chabert took the opportunity to thank the staff along with others in the audience for their long hours of work at the Capitol. Regent Martin thanked Mrs. Carrie Robison for her hard work on Sponsored Programs’ issues.

ADJOURNMENT

There being no further business to come before the Board, the meeting was adjourned at 1:18 p.m.

Whenever the provisions of a statute or the Articles of Incorporation, or any of these By-laws require or permit notice to be given to any Director or Officer, it shall not be construed to require personal notice, but any such notice may be given in writing by depositing the same in a post office or letter box in a prepaid, sealed wrapper, or by facsimile transmission by telephone ("Fax"), in either case addressed to such Director or Officer at his address as such address appears on the books of the Corporation. ARTICLE XI

INDEMNIFICATION OF OFFICERS AND DIRECTORS

The Corporation shall indemnify and hold harmless any person who was or is party or is threatened to be made party to any action, suit or proceeding, whether civil, criminal, administrative or investigative (including any action by or in the right of the Corporation) by reason of the fact that the person is or was:

a) A Director, Officer, employee, incorporator or agent of the Corporation; and/or,

b) Serving at the request of the Corporation as a Director, Officer, employee, incorporator or agent of another business, foreign or nonprofit corporation, partnership, joint venture or other enterprise.

(collectively "Protected Group") against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit, or proceeding if the person acted in good faith and in a manner reasonably believed to be in or not opposed to the best interest of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that their conduct was unlawful; provided that in case of actions by or in the right of the Corporation, the indemnity shall be limited to expenses (including attorneys' fees and amounts paid in settlement not exceeding, in the judgment of the
Board, the estimated expense of litigating the action to conclusion) actually and reasonably incurred in connection with the defense or settlement of such action.

No indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of their duty to the Corporation unless and only to the extent that the court shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, they are fairly and reasonably entitled to indemnity for such expense which the court shall deem proper.

The termination of any action, suit or proceeding by judgment, order settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which they reasonably believed to be in or not opposed to the best interest of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that their conduct was unlawful.

To the extent that a member of the Protected Group has been successful on the merits or otherwise in defense of any such action, suit or proceeding, or in defense of any claim, issue or matter therein, they shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by them in connection therewith.

This indemnification (unless ordered by the court) shall be made by the Corporation only as authorized in a specific case upon a determination that the applicable standard of conduct has been met. Such determination shall be made by (a) the Board by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding, or (b) if such a quorum is not obtainable or a quorum of disinterested Directors so direct, by independent legal counsel.

The expenses incurred in defending such an action, suit or proceeding shall be paid by the Corporation in advance of the final disposition thereof if authorized by the Board in the manner provided above, upon receipt of an undertaking by or on behalf of the member of the Protected Group to repay such amount unless it shall ultimately be determined that they are entitled to be indemnified by the Corporation as authorized hereunder.

The foregoing indemnification shall not be exclusive of other rights to which any member of the Protected Group may be entitled as a matter of law, and shall inure to the benefit of any member of the Protected Group's heirs and legal representatives.

The Corporation may procure insurance on behalf of any member of the Protected Group against any liability asserted against or incurred by the person in any such capacity, or arising out the person's status as such, whether or not the Corporation would have the power to indemnify the person against such liability under the laws of the State of Louisiana.

SECTION 2: Necessity of Seal. Failure to affix the seal shall not affect the validity of any instrument.

ARTICLE XIV

The Corporation shall use its funds only to accomplish the Mission and Corporate Objectives, and no part of the funds shall inure, or be distributed to any Director, Officer or other person. On dissolution of the Corporation, any funds remaining shall be distributed to the University.

Joseph Morris, Secretary
Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in sections 509(a)(1) and 170(b)(1)(A)(iv).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of $100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, if you are involved in an excess benefit transaction, that transaction might be subject to the excise taxes of section 4958. Additionally, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please contact your key district office.

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.
Donors may deduct contributions to you as provided in section 170 of the Code. Requests, legacies, devises, transfers, or gifts to you or for your use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of Code sections 2055, 2106, and 2522.

Contribution deductions are allowable to donors only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. See Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, which sets forth guidelines regarding the deductibility, as charitable contributions, of payments made by taxpayers for admission to or other participation in fundraising activities for charity.

In the heading of this letter we have indicated whether you must file Form 990, Return of Organization Exempt From Income Tax. If Yes is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than $25,000. However, if you receive a Form 990 package in the mail, please file the return even if you do not exceed the gross receipts test. If you are not required to file, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally $25,000 or less, and sign the return.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of $20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed $10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding $1,000,000 in any year, the penalty is $100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding $1,000,000 shall not exceed $50,000. This penalty may also be charged if a return is not complete, so be sure your return is complete before you file it.

You are required to make your annual return available for public inspection for three years after the return is due. You are also required to make available a copy of your exemption application, any supporting documents, and this exemption letter. Failure to make these documents available for public inspection may subject you to a penalty of $20 per day for each day there is a failure to comply (up to a maximum of $10,000 in the case of an annual return).

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

Letter 947 (DD/CG):
You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

As part of a continuing program, we periodically examine the operations of tax-exempt organizations. The purpose of this program is to determine whether the organizations are operating within the scope of the laws under which they are granted exemption. Therefore, you should keep information that would show that you are operating for section 501(c)(3) purposes. The information should include the training given to the child care providers, number of inspections, reports submitted to the state, and other pertinent information about your activities. You should also keep records of your income and your disbursements of funds.

This determination is based on evidence that your funds are dedicated to the purposes listed in section 501(c)(3) of the Code. To assure your continued exemption, you should keep records to show that funds are expended only for those purposes. If you distribute funds to other organizations, your records should show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), there should be evidence that the funds will remain dedicated to the required purposes and that they will be used for those purposes by the recipient.

If you are a wholly-owned instrumentality of a state or a political subdivision of a state, wages paid for services performed for you are not subject to unemployment taxes under the Federal Unemployment Tax Act (FUTA) or to any portion of the social security taxes under the Federal Insurance Contributions Act (FICA). Wages of your employees hired after March 31, 1986 are subject to only the medicare portion of the social security tax. If you want full social security coverage for your employees, it may be obtained only by an agreement under section 218 of the Social Security Act between the state and the Secretary of Health and Human Services.

Any questions you may have concerning your liability for FICA or FUTA taxes should be addressed to the Internal Revenue Service, Office of the Associate Chief Counsel (Employee Benefits and Exempt Organizations), CC:EBEO, Room 5213, P. O. Box 7604, Ben Franklin Station, Washington, D.C. 200044.

If we have indicated in the heading of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

We have sent a copy of this letter to your representative as indicated in your power of attorney.
UNIVERSITY FACILITIES INC

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

District Director

Enclosure(s):
Addendum
If your organization conducts fund-raising events such as benefit dinners, auctions, membership drives, etc., where something of value is received in return for contributions, you can help your donors avoid difficulties with their income tax returns by assisting them in determining the proper tax treatment of their contributions. To do this you should, in advance of the event, determine the fair market value of the benefit received and state it in your fund-raising materials such as solicitations, tickets, and receipts in such a way that your donors can determine how much is deductible and how much is not. To assist you in this, the Service has issued Publication 1391, Deductibility of Payments Made to Charities Conducting Fund-Raising Events. You may obtain copies of Publication 1391 from your local IRS Office.

The value of time or personal services contributed to your organization by volunteers is not deductible by those volunteers as a charitable contribution for Federal income tax purposes. You should advise your volunteers to this effect.

Guidelines under which private foundations may rely on this determination, for gifts, grants, and contributions made after March 13, 1989, were liberalized and published in Rev. Proc. 89-23, Cumulative Bulletin 1989-1, page B44.

Louisiana Local Government Environmental Facilities
and Community Development Authority
Baton Rouge, Louisiana

$35,465,000
Louisiana Local Government Environmental Facilities
and Community Development Authority Revenue Bonds
(Southeastern Louisiana University Student Housing/University Facilities, Inc. Project)
Series 2017

We have acted as bond counsel to the Louisiana Local Government Environmental Facilities and Community Development Authority (the “Issuer”), a political subdivision of the State of Louisiana (the “State”), in connection with the issuance by the Issuer of its $35,465,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2017 (the “Bonds”) pursuant to Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 33:4548.16, inclusive) (the “Act”).

The Bonds have been issued by the Issuer pursuant to the Act and other constitutional and statutory authority and a Trust Indenture dated as of August 1, 2004 between the Issuer and The Bank of New York Mellon Trust Company, N.A. (the “Prior Trustee”), as supplemented and amended by a First Supplemental Trust Indenture dated as of November 1, 2013 between the Issuer and the Prior Trustee, as further supplemented and amended by a Second Supplemental Trust Indenture dated as of June 1, 2017 (collectively, the “Indenture”) between the Issuer and Regions Bank, as trustee (the “Trustee”). Capitalized terms used herein that are not otherwise defined have the meaning given them in the Indenture.

The Bonds are issuable as fully registered bonds, are dated, bear interest until paid at the rates per annum, mature in the principal amounts and on the dates, and are subject to redemption all as set forth in the Indenture and in the Bonds.

The Bonds are issued under and are secured as to principal and interest by the Indenture, which provides a description of the nature and extent of the security for the Bonds, a statement of the terms and conditions under which the Bonds are issued and secured, the rights, duties and obligations of the Issuer, the rights, duties and immunities of the Trustee and the rights of the owners of the Bonds.

The Bonds are issued in order to provide financing to University Facilities, Inc., a Louisiana non-profit corporation (the “Corporation”) to enable to Corporation to: (i) finance the acquisition, design, development, construction, renovation, demolition, reconstruction, and equipping of certain replacement student housing facilities and parking improvements (the “Facilities”) on the main campus of Southeastern Louisiana University (the “University”) in Hammond, Louisiana; (ii) purchase a debt service

reserve policy to be credited to a debt service reserve fund for the Series 2017 Bonds; (iii) fund capitalized interest on the Series 2017 Bonds; and (iv) pay costs of issuance of the Series 2017 Bonds, including the premium for a bond insurance policy insuring the Series 2017 Bonds.

The Corporation has leased the property upon which the Facilities will be located from the Board of Supervisors for the University of Louisiana System (the “Board”) pursuant to a Ground and Buildings Lease Agreement dated as of August 1, 2004, as supplemented and amended by the First Amendment to Ground and Buildings Lease Agreement dated as of March 1, 2007, as supplemented and amended by a Second Amendment to Ground and Buildings Lease Agreement dated as of June 12, 2012, as further supplemented and amended by a Third Supplemental Ground and Buildings Lease Agreement dated as of November 1, 2013, and as further supplemented and amended by a Fourth Supplemental Ground and Buildings Lease Agreement dated as of June 1, 2017 (collectively, the “Ground Lease”) each by and between the Board and the Corporation. The Board will lease back the completed Facilities from the Corporation pursuant that certain Agreement to Lease with Option to Purchase dated as of August 1, 2004, as supplemented and amended by a First Amendment to Agreement to Lease with Option to Purchase dated as of March 1, 2007, as further supplemented and amended by a Second Amendment to Agreement to Lease with Option to Purchase dated as of June 12, 2012, as further supplemented and amended by a Third Supplemental Agreement to Lease with Option to Purchase dated as of November 1, 2013 and as further supplemented and amended by a Fourth Supplemental Agreement to Lease with Option to Purchase dated as of June 1, 2017, each by and between the Board and the Corporation (collectively, the “Facilities Lease”).

The Issuer and Corporation have entered into a Loan and Assignment Agreement dated as of August 1, 2004, as supplemented and amended by a First Supplemental Loan and Assignment Agreement dated as of November 1, 2013, as further supplemented and amended by a Second Supplemental Loan and Assignment Agreement dated as of June 1, 2017 (collectively, the “Loan Agreement”), pursuant to which the Issuer will loan the proceeds from the sale of the Bonds to the Corporation for the foregoing purposes. Pursuant to the Loan Agreement, the Corporation has agreed to make loan payments (the “Payments”) solely from the Rentals (as defined in the Facilities Lease) sufficient to pay the principal of and interest on the Bonds. The rights of the Issuer under the Loan Agreement (except for the rights of the Issuer relating to exculpation, indemnification and payment of expenses thereunder) have been pledged and assigned by the Issuer to the Trustee as security for the Bonds.

The Bonds are also entitled to the benefits of the Act of Mortgage, Assignment of Leases and Security Agreement dated August 13, 2004, as amended by a First Amendment to Act of Mortgage, Assignment of Leases and Security Agreement dated June 7, 2017 (collectively, the “2004 Mortgage”) and an Act of Leasehold Mortgage, Assignment of Leases and Security Agreement dated June 7, 2017 (the “2017 Mortgage”) executed by the Corporation in favor of the Trustee, pursuant to which the Corporation has mortgaged its leasehold interest in and to the land and the improvements located thereon, granted a security interest in certain movable property and assigned its rights to all leases and rents relating to the Facilities.

We have examined: (i) the constitution and statutes of the State, including the Act; (ii) a certified transcript of the proceedings of the Issuer authorizing the issuance of the Bonds; (iii) the Indenture, the Loan Agreement, the Tax Regulatory Agreement and Arbitrage Certificate dated the date of delivery and payment for the Series 2017 Bonds among the Issuer, the Corporation, the Board, and the Trustee (the “Tax Regulatory Agreement”) and (iv) such other documents, instruments, proofs and matters of law as we have deemed relevant to the issuance of the Bonds and necessary for the purpose of this opinion.
As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Board and the Corporation contained in the Indenture, the Loan Agreement and the Tax Agreement, and the certified proceedings and other certifications of public officials and others furnished to us, including certifications furnished to us by or on behalf of the Issuer, the Corporation and the Board, without undertaking to verify the same by independent investigation.

On the basis of the foregoing examinations, we are of the opinion, as of the date hereof and under existing law, that:

1. The Issuer is a validly existing political subdivision of the State and has the power and authority to enter into the Loan Agreement and the Indenture and to issue and sell the Bonds.

2. The Bonds are valid and binding special and limited obligations of the Issuer secured by and entitled to the benefits of the Indenture and are payable solely from the revenues and other amounts pledged and assigned under the Indenture.

3. The Loan Agreement and the Indenture have been duly authorized, executed and delivered by the Issuer and constitute valid and binding obligations of the Issuer, enforceable upon the Issuer in accordance with their terms, and all rights of the Issuer under the Loan Agreement have been validly assigned to the Trustee under the Indenture, with the exception of certain rights of the Issuer relating to notice, exculpation, indemnification and payment of expenses.

4. The Bonds and interest thereon do not constitute an indebtedness or pledge of the general credit of the Issuer within the meaning of any State constitutional or statutory provision and will not constitute a general obligation or a charge against any other revenues of the Issuer.

5. Interest on the Bonds (including any amount of original issue discount properly allocable to the owner thereof) is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, for the purpose of computing the alternative minimum tax imposed on certain corporations, such interest is taken into account in determining adjusted current earnings.

6. Under the Act, the Bonds, together with the interest thereof, income therefrom, and gain upon the sale thereof are exempt from all State taxes and local taxes.

In rendering the opinions expressed in paragraph 5 above, we have relied upon the opinion of even date herewith of Jones Fussell, LLP, Covington, Louisiana, counsel to the Corporation that the Corporation is an organization that is exempt from the federal income tax under Code Section 501(c)(3). We have also relied upon such opinion with respect to (i) the due organization of the Corporation, (ii) the good standing of the Corporation in the State; (iii) the corporate power of the Corporation to enter into, and the due authorization, execution and delivery by the Corporation of, the Loan Agreement, the Ground Lease and the Facilities Lease, and the valid and binding effect thereof on the Corporation, and (iv) matters which might be disclosed as a result of an examination of the indentures, mortgages, deeds of trust, certifications of incorporation, by-laws, and other agreements or instruments to which the Corporation is a party or by which it or its properties are bound. We are not passing upon title to the Facilities or the nature or extent of any liens thereon.

In rendering this opinion, we have relied on representations of the Issuer, the Board, and the Corporation with respect to matters solely within the knowledge of the Issuer, the Board, and the Corporation, which we have not independently verified, and have assumed continuing compliance with
the covenants in the Indenture, the Agreement, and the Tax Regulatory Agreement pertaining to those sections of the Code that affect the exclusion from gross income of interest on the Bonds for federal income tax purposes. In the event that such representations are determined to be inaccurate or incomplete or the Issuer, the Board, or the Corporation fails to comply with the foregoing covenants, interest on the Bonds could be includable in gross income for federal income tax purposes from the date of their original delivery, regardless of the date on which the event causing such inclusion occurs.

We have also relied on the opinion of Gregory A. Pletsch & Associates, counsel to the Trustee, with respect to the corporate power of the Trustee to enter into and the due authorization, execution, and delivery by the Trustee of the Indenture and the binding effect thereof on the Trustee. We have also relied upon the opinion of Decuir, Clark & Adams, L.L.P., counsel to the Board, with respect to the power of the Board to enter into and the due authorization, execution and delivery by the Board of the documents to which it is a party and the binding effect thereof on the Board.

The accrual or receipt of interest on the Bonds may otherwise affect the federal income tax liability of certain recipients. The extent of these other tax consequences will depend upon the recipient’s particular tax status or other items of income or deduction. We express no opinion regarding any such consequences and investors should consult their tax advisors regarding the tax consequences of purchasing or holding the Bonds.

It is to be understood that the rights of the owners of the Bonds and the enforceability of the Bonds, the Indenture, the Agreement and the other documents enumerated above may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors’ rights heretofore or hereafter enacted to the extent constitutionally applicable, and that their enforcement may also be subject to the exercise of the sovereign police powers of the State or its governmental bodies and the exercise of judicial discretion in appropriate cases.

For purposes of this opinion, our services as bond counsel have not extended beyond the examinations and expressions of the conclusions referred to above. This opinion is given as of the date hereof and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in the law that may hereafter occur. Except as stated above, no opinion is expressed as to any federal or state tax consequences resulting from the ownership of, receipt of interest on, or disposition of, the Bonds.

j. The Tax Regulatory Agreement and Arbitrage Certificate dated June 7, 2017, by and between the Issuer and the Trustee and the Corporation Certificate executed by the Corporation and the Board and attached thereto as an exhibit (the “Tax Agreement”).

Items a-i above are collectively referred to herein as the “Transaction Documents.”

In all such examinations, we have assumed the genuineness of all signatures, the authenticity of all documents presented to us as originals, and the conformity to original documents of all copies submitted to us as certified, conformed, or photographic copies. As to certificates, we have assumed the same to be properly given and to be accurate. With respect to matters of fact relevant to this opinion, we have relied, without independent verification of the accuracy or completeness of the matters set forth therein, on the representations and warranties of the parties thereto set forth in the Indenture, the Bond Purchase Agreement, the Loan Agreement, the Ground Lease, the Facilities Lease, and the Tax Agreement, as well as certificates of officers of the Issuer and the Corporation and the other parties to the
documents, delivered in connection with the issuance of the Bonds.

Based upon the foregoing, and subject to other assumptions and conditions as are hereinafter set forth, and having regard to applicable matters of law, we are of the opinion, as of the date hereof, as follows:

1. the Bond Purchase Agreement constitutes the legal, valid, and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms, except as enforcement thereof may be limited by laws relating to bankruptcy, reorganization, insolvency, or other similar laws affecting the enforcement of creditors’ rights generally, by usual limitations on the availability of equitable remedies, or by the valid exercise of the sovereign police powers of the State of Louisiana and its governmental bodies and the constitutional powers of the United States of America and except as any indemnification provisions of the Bond Purchase Agreement may be limited by applicable securities laws or by public policy;

2. the Bonds are exempt securities within the meaning of §3(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”), to the extent provided in the Securities Act, and it is not necessary in connection with the offer and sale of the Bonds to the public to register the Bonds under the Securities Act;

3. pursuant to the Trust Indenture Act of 1939, as amended (the “Trust Indenture Act”), as amended, and to the extent provided in such Trust Indenture Act, it is not necessary to qualify the Indenture under the Trust Indenture Act;

4. the statements and information in the Official Statement under the headings “THE SERIES 2017 BONDS,” “SOURCES OF PAYMENT” and “APPENDIX C — FORMS OF PRINCIPAL FINANCING DOCUMENTS” insofar as such descriptions purport to summarize certain provisions of the Bonds, the Transaction Documents described therein, and applicable provisions of law, are accurate summaries of the matters set forth, and fairly present the information purported to be shown;

5. the summary of the Approving Opinion under the heading “TAX EXEMPTION” in the Official Statement accurately reflects the substance of the legal conclusions contained in the Approving Opinion;

6. we have not been engaged or undertaken to review the accuracy, completeness, or sufficiency of the Official Statement, or any other offering materials relating to the Bonds, and we express no opinion with respect to such accuracy, completeness, or sufficiency; however, no facts have come to the attention of the lawyers within our firm actively engaged in our role as Bond Counsel in connection with the issuance of the Bonds which lead us to believe that, as of the date thereof or as of the date hereof the Official Statement contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and

7. the Bonds and the repayment obligations owed to Assured Guaranty Municipal Corp. in connection with the Debt Service Reserve Fund Policy are payable from and secured by a valid lien on and pledge of the Trust Estate in the manner and to the extent provided in the Indenture, the Issuer is duly authorized to pledge such Trust Estate, and no further action on the part of the Issuer or any other party is required to perfect the same or the interest of the Bondholders therein.

In rendering the foregoing opinions, we have relied upon the opinion of even date herewith of The Becknell Law Firm, APC, Metairie, Louisiana, with respect to, among other matters, validity of the
proceedings of the Issuer, the due authorization, execution, and delivery by the Issuer of the Transaction Documents to which it is a party and the validity and enforceability thereof against the Issuer.

We have assumed that the Bond Purchase Agreement has been duly authorized, executed, and delivered by the Corporation, the Board and the Underwriters.

We have reviewed only those documents, opinions, certificates, and proceedings necessary to enable us to render our opinion to the Issuer of even date herewith as to the legality and validity of the Bonds and the tax-exempt status of the interest on the Bonds. This opinion speaks as of its date and we are under no obligation to provide any updates of this opinion. This opinion is given solely for the use and benefit of the addressees hereof, and only in connection with the issuance and delivery of the Bonds pursuant to the Bond Purchase Agreement, and may not be used or relied upon by any other person or in connection with any other transaction, except with express consent of this firm.

Respectfully submitted,

Ladies and Gentlemen:

We have acted as counsel to the Louisiana Local Government Environmental Facilities and Community Development Authority (the “Authority”) in connection with the issuance of its$35,465,000Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project), Series 2017 (the “Bonds”). We have examined the Constitution and statutes of the State of Louisiana (the “State”), including but not limited to, Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 to 4548.16, inclusive) (the “Act”), the Authority’s Amended and Restated By-Laws dated October 14, 2004, as amended on October 12, 2006 (the “By-Laws”), and such other corporate records of the Authority as we have deemed advisable in rendering this opinion. Capitalized terms used herein and not otherwise defined herein shall have the meanings ascribed thereto in the Loan and Assignment Agreement dated as of August 1, 2004 (the “Original Loan Agreement”), as supplemented and amended by a First Supplemental Loan and Assignment Agreement dated as of November 1, 2013 (the “First Supplemental Agreement”) and, as further supplemented and amended by the Second Supplemental Loan.
and Assignment Agreement dated as of June 1, 2017 (the “Second Supplemental Agreement” and, together with the Original Loan Agreement and First Supplemental Agreement, the “Loan Agreement”), each by and between the Authority and University Facilities, Inc. (the “Borrower”).

We have also examined (i) the resolutions adopted by the Executive Committee of the Board of Directors of the Authority on June 2, 2016 and February 14, 2017, authorizing the issuance, sale and delivery of the Bonds (collectively, the “Bond Resolution”); (ii) a fully executed counterpart of the Loan Agreement; (iii) the Trust Indenture dated as of August 1, 2004 (the “Original Indenture”), as supplemented and amended by a First Supplemental Trust Indenture dated as of November 1, 2013 (the “First Supplemental Indenture”), each between the Authority and The Bank of New York Mellon Trust Company, N.A., Baton Rouge, Louisiana, as successor in interest to Bank of New York Trust Company, N.A., as prior trustee, and, as further supplemented and amended by the Second Supplemental Trust Indenture dated as of June 1, 2017 (the “Second Supplemental Indenture” and, together with the Original Indenture and the First Supplemental Indenture, the “Indenture”) between the Authority and Regions Bank, as successor trustee (the “Trustee”); (iv) a fully executed copy of the Bond Purchase Agreement dated May 24, 2017 (the “Bond Purchase Agreement”), by and among the Authority, Stifel Nicolaus & Company, Incorporated, Raymond James & Associates, Inc., the Board of Supervisors for the University of Louisiana System acting on behalf of Southeastern Louisiana University (the “Board”) and the Borrower; (v) a fully executed copy of the Tax Regulatory Agreement and Arbitrage Certificate dated June 7, 2017, 2017 (the “Tax Agreement”); (vi) a certified transcript of the proceedings and certifications of the Authority; and (vii) such other documents, instruments, papers and matters of law as we have considered necessary or appropriate for the purposes of this opinion (documents referred to in (ii) - (v) above, hereinafter collectively referred to as the “Authority Documents”).

Based upon such examination and subject to the other qualifications stated herein, we are of the opinion on the date hereof that:

1. The Authority is a political subdivision of the State, duly organized and validly existing under the Constitution and laws of the State, with full power to execute and perform its obligations under the Authority Documents.

2. Each member and officer of the governing body of the Authority identified in the General Certificate of the Authority delivered on the date hereof in connection with the issuance and delivery of the Bonds has been duly elected and is qualified to serve as such.

3. The proceedings of the Executive Committee of the Authority and the Bond Resolution approving the execution and delivery of the Authority Documents by the Authority were duly adopted at meetings of the Executive Committee of the Authority that were called and held pursuant to law and with public notice required by law at which a quorum was present and acting throughout, and comply in all respects with the procedural rules of the Authority and the procedural requirements of State law and remain in full force and effect on the date hereof.

4. To the best of our knowledge and based solely upon the certifications of the Authority, there is no action, suit, proceeding, inquiry or investigation at law or in equity, before or by any court, regulatory agency, public board or body, pending or, to the best of our
knowledge, threatened in any way affecting the existence or powers of the Authority or its
governing body or the titles of its officers to their respective offices, or seeking to prohibit,
restrain or enjoin the issuance, sale or delivery of the Bonds, the application of the proceeds
thereof in accordance with the Indenture, or the collection or application of revenues, securities
or investments of the Authority pledged or to be pledged to pay the principal of and interest on
the Bonds, or the pledge thereof or of the proceeds of the Bonds, or in any way contesting or
affecting the validity or enforceability of the Authority Documents, or any action of the
Authority contemplated by any of said documents, the Authority’s proceedings, or contesting in
any way the completeness or accuracy of the Authority Documents or the powers of the
Authority to execute and deliver the Authority Documents.

5. The Authority Documents constitute valid and legally binding obligations of
the Authority, enforceable in accordance with their terms except as enforcement may be limited
by bankruptcy, insolvency, reorganization, moratorium, and other similar laws and equitable
principles affecting the enforcement of creditors’ rights heretofore or hereafter enacted, and that
their enforceability may also be subject to the exercise of the sovereign police powers of
the State, or its governmental bodies, and the exercise of judicial discretion in appropriate cases.

6. All approvals required to be obtained pursuant to the Act by the Authority in
connection with the issuance of the Bonds have been obtained and are in full force and effect;
however, no opinion is expressed as to the validity of the Bonds or the excludability of
interest on the Bonds under federal or any state tax law and no opinion is expressed regarding
the qualification of the Bonds for an exemption under the federal securities laws or the
qualification of the Bonds under the blue sky laws of any state.

7. To the best of our knowledge and based solely upon the certifications of the
Authority, the execution and delivery of, and compliance with the terms and provisions of the
Authority Documents will not conflict with, violate or constitute a breach of or default under
any provision of the By-Laws, or any existing law, court or administrative regulation, decree or
order or any agreement, Indenture, mortgage, loan or other instrument to which the
Authority is subject or by which it is bound.

In connection with this opinion, we have assumed the accuracy and completeness of all
documents and records that we have reviewed, the genuineness of all signatures, the authenticity
of all documents submitted to us as originals and the conformity to authentic original documents
of all documents submitted to us as certified, conformed or photostatic copies. We have further
assumed: (i) the legal capacity of all of the individuals other than representatives of the
Authority who have executed the Authority Documents, (ii) that the Authority Documents have
been duly authorized, executed and delivered on behalf of the other parties thereto, and are the
valid and legally binding obligation of such parties enforceable in accordance with their
respective subject, as to enforceability, to customary exceptions for bankruptcy and similar laws
and to the availability of equitable remedies, (iii) the conduct of the parties to the transactions
contemplated by the Authority Documents complies with any requirements of good faith, fair
dealing and conscionability, (iv) that there has not been any mutual mistake of fact or
misunderstanding, fraud, duress or undue influence; and (v) the accuracy of statements
contained in the certificates furnished at the closing.

We are not opining as to the enforceability of any of the following: (i) any provision
of the Indenture or the Bonds which purports to create payment obligations of the Authority other than the obligation to pay the principal of and interest on the Bonds; or (ii) any provision of the Indenture which is qualified by the phrase “to the extent permitted by law” or words of similar import.

We render no opinion with respect to the exclusion of interest on the Bonds for federal income tax purposes and other federal tax consequences resulting from ownership and disposition of the Bonds. Such matters are addressed in separate opinions of Bond Counsel delivered as of even date herewith. We also render no opinion regarding federal or state securities laws and their applicability or lack of applicability with respect to the Bonds. Our opinion expressed above is limited to the laws of the State and the laws of the United States of America, and we do not express any opinion herein concerning any other law.

We have not been engaged, nor have we undertaken, to perform any independent investigation as to the existence of any claim, litigation, action, suit, proceeding, investigation or inquiry, administrative or judicial, pending or threatened, against or relating to the Authority or its assets. As to matters of fact material to our opinion, we have relied upon representations and certifications of the Authority and of public officials as we have deemed necessary for the purpose of rendering this opinion, without verifying the same by independent investigation. With respect to our reliance on such representations, certificates and opinions, nothing has come to our attention which would indicate that our reliance is not justified. We have relied solely upon the Bond Resolution and the By-Laws with respect to the due authorization, execution and delivery of the Authority Documents, the due organization, good standing and existence of the Authority under the laws of the United States and the State.

The opinions expressed herein are predicated upon present law, facts and circumstances, and we assume no affirmative obligation to update the opinions expressed herein if such laws, facts or circumstances change after the date hereof. The legal opinions expressed herein are intended for the information solely for the addressees hereof and solely for the purpose of the contemplated transactions described herein, and are not to be relied upon by any other person, or entity, or for any other purpose, or quoted as a whole or in part, or otherwise referred to, in any document, or to be filed with any government or other administrative agency, or other person or entity for any other purpose without our prior written consent.

No attorney-client relationship has existed or exists between us and anyone other than the Authority in connection with the Bonds by virtue of this opinion.

Respectfully submitted,

In rendering this opinion, we have assumed, without independent investigation, the following:

1. the authenticity of all documents submitted to us as originals or recorded copies of public records, the legal capacity of any individual signing any documents (other than representatives of the Corporation), the genuineness of all signatures on all documents and certificates referred to herein or relied upon by us not executed in our presence, and the conformity to originals of all documents sent to us as copies;

2. that there are no written or oral terms and conditions agreed to by and between the parties to the Corporation Documents that vary or could be deemed to vary the truth, completeness, correctness, validity, or effect of any of the Corporation Documents in any material manner, and that the terms, provisions and conditions relating to the transaction referenced in this opinion are correctly and completely reflected in the Corporation Documents; and

3. that each party has acted in good faith and without notice of any defense against the enforcement of any rights created by, or adverse claim to any property transferred as part of, the transaction contemplated by the Corporation Documents, and that the parties will act at all times in good faith and in a commercially reasonable manner.

As to questions of fact material to the opinion set forth herein, we have, when relevant facts were not independently established by us, relied upon certificates of the Corporation or its respective officers or of public officials. As to certain matters in connection with the Original Loan Agreement, the First Supplemental Agreement, the Original Indenture, the First Supplemental Indenture, the Original Ground Lease, the First Amendment to Ground Lease, the Second Amendment to Ground Lease, the Third Supplemental Ground Lease, the Original Facilities Lease, the First Amendment to Facilities Lease, the Second Amendment to Facilities Lease, the Third Supplemental Facilities Lease and the Original Series 2004 Mortgage, we have relied on the opinions of Seale & Ross dated August 13, 2004, March 14, 2007 and November 13, 2013.

For purposes of this opinion, we have also reviewed all statutes or constitutional provisions and all documents, agreements, and other instruments described in the Bond Purchase
Agreement or as otherwise necessary to allow us to render this opinion.

Based on such review, it is our opinion that:

(a) The Corporation is:

(i) a private nonprofit corporation duly incorporated, validly organized and existing and qualified to do business and in good standing under the laws of the State of Louisiana;

(ii) organized under the Louisiana Nonprofit Corporation Law (La. R.S. 12:201 et. seq) and operated to support and benefit the educational, scientific, research and public service missions of Southeastern Louisiana University;

(iii) not organized and operated for pecuniary profit;

(iv) organized and operated such that no part of its net earnings will inure to the benefit of any person, private stockholder or individual;

(v) an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the “Code”), exempt from federal income tax under Section 501(a) of the Code (except for unrelated business income tax imposed pursuant to Section 511 of the Code); and

(vi) not a “private foundation” as defined in Section 509(a) of the Code and is in receipt of the determination letter from the Internal Revenue Service (the “Service”) dated March 10, 1999 (the “Determination Letter”) to such effect, which Determination Letter has not been modified, limited or revoked.

(b) To the best of our knowledge, based on inquiry consisting of our review of certain documents and information provided in connection therewith and discussions with representatives of Corporation related thereto, the Corporation:

(i) has not received notification from the Service to the effect that it is not an organization described in Section 501(c)(3) of the Code and not exempt from federal income tax under Section 501(a) of the Code; and

(ii) has not taken any action which would impair its status as an organization described in Section 501(c)(3) of the Code.

(c) The current and projected use of the Facilities (as such term is defined in the Loan Agreement) financed with the proceeds of the Prior Bonds and the Series 2017 Bonds is substantially related to the exercise or performance of the charitable
purposes or functions constituting the basis for the Corporation's exemption under Section 501(c)(3) of the Code as determined by applying Section 513(a) of the Code, and therefore does not constitute an unrelated trade or business within the meaning of Section 513(a).

(d) The consummation of the transactions contemplated in the Corporation Documents and the Official Statement will not adversely affect the exempt status of the Corporation an exempt organization described in Section 501(c)(3) of the Code and as an organization exempt from federal income tax under Section 501(a) of the Code.

(e) To the best of our knowledge, there is no action, suit or proceeding at law or in equity or before or by any federal court, or other federal governmental agency or body, pending or threatened, against or affecting the Corporation, wherein an unfavorable decision, ruling or finding would materially adversely affect the financial condition of the Corporation, or the transactions contemplated by the Corporation Documents or described in the Official Statement which, in any way, would adversely affect the validity or enforceability of the Series 2017 Bonds or any of the Corporation Documents or which would adversely affect the status of the Corporation as an organization described in Section 501(c)(3) of the Code.

(f) The Corporation has full power and authority to execute and deliver and to carry out and consummate the transactions contemplated by the Corporation Documents.

(g) The Corporation has authorized all action necessary to be taken for the execution, delivery and due performance by Corporation under the Corporation Documents.

(h) The Corporation Documents have been duly executed and constitute legal, valid and binding obligations of the Corporation, enforceable against the Corporation in accordance with their respective terms, except to the extent that enforceability may be limited by bankruptcy, insolvency or other laws affecting creditors' rights generally.

(i) There is no action, suit, proceeding, inquiry or investigation at law or in equity before or by any court, public board or public body pending, or to the best of our knowledge, threatened against or affecting the Corporation (or, to our knowledge, any basis therefor) or its properties, wherein an unfavorable decision, ruling, or finding would adversely affect the transactions contemplated by the Corporation
Documents, its financial condition, properties or operations or the validity or enforceability of the Corporation Documents or the Series 2017 Bonds, or any agreement or instrument to which Corporation is or is expected to be a party and which is used or contemplated for use in the consummation of the transactions contemplated by the Corporation Documents.

(j) The execution and delivery of the Corporation Documents will not conflict with or constitute a breach of or default under its Articles of Incorporation or By-Laws.

(k) The execution and delivery of the Corporation Documents will not conflict with or constitute a breach of or default under any existing law; court order or administrative regulation, decree or order or any agreement, indenture, mortgage or other instrument to which the Corporation is subject or under which the Corporation or its properties currently is or currently may be bound.

(l) No approval or other action by any governmental authority or agency, other than approvals or actions already obtained, is required in connection with the execution or performance by the Corporation of the Corporation Documents.

(m) The information in the Official Statement under the captions “INTRODUCTORY STATEMENT,” “THE CORPORATION,” “ABSENCE OF LITIGATION—The Corporation” and “APPENDIX B—PROPOSED FORMS OF FINANCING DOCUMENTS” does not, as of the date hereof, contain any untrue or misleading statement of a material fact by the Corporation or omit to state a material fact by the Corporation necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

The opinions set forth above are subject to the following qualifications:

(a) The law covered by the opinions expressed herein is limited to the laws of the State of Louisiana, the federal laws of the United States and the judicial decisions relating thereto that are published, accessible and generally available to lawyers practicing in such jurisdictions. For purposes of our opinions, we have disregarded the choice of law provisions in the Corporation Documents, and instead have assumed that the Corporation Documents are governed exclusively by the internal substantive laws and judicial interpretations of the State of Louisiana.
We express no opinion as to the effects of (i) bankruptcy, insolvency, fraudulent transfer and conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally, (ii) general principles of equity (regardless of whether enforcement is sought in a proceeding at law or in equity) including the possible unavailability of specific performance or injunctive relief and the exercise of discretionary powers by any court before which specific performance or injunctive relief or other equitable remedies may be sought, or (iii) blue sky and similar laws, antitrust, unfair competition and similar laws, tax laws, environmental laws, employment laws (including, without limitation, those concerning discrimination and safety), laws concerning discrimination and fairness in housing and similar laws, immigration laws, occupational licensing and similar laws, local, state or federal healthcare laws or regulations and building, fire and safety code.

The enforceability of the Corporation Documents is subject to general principles of equity, including but not limited to, court decisions interpreting such laws, statutes of limitation, and personal jurisdiction (regardless of whether enforceability is considered in a proceeding in equity or at law). No opinion is expressed as to the enforceability of: (1) self-help provisions, including, but not limited to any provisions granting a non-judicial power of sale, (2) provisions which purport to establish evidentiary standards (if any), (3) provisions related to waiver of remedies (or the delay or omission of enforcement thereof), disclaimers of liability, limitations with respect to third parties' or the Issuer's or the Company's gross negligence or willful misconduct, releases of legal or equitable rights, discharges or defenses, or the creation of rights and remedies not available under the laws of the State of Louisiana, and (4) any clause purporting to (i) define waste, (ii) waive the right of the Company to notice and a hearing, (iv) waive any or all rights to the benefits of statutes, laws, ordinances, and regulations, (v) strictly prohibit prepayment or allow the collection of any prepayment fee, charge, penalty or premium upon acceleration of any debt evidenced by the Corporation Documents.

Certain remedial provisions of the Corporation Documents may be unenforceable in whole or in part but the inclusion of such provisions does not affect the validity of the balance of such Corporation Documents, and the practical realization of the benefits created by such Corporation Documents as a whole will not be materially impaired by the enforceability of those particular provisions. In addition, certain remedial provisions may be subject to additional procedural requirements not set forth therein. The availability of specific performance, injunctive relief or other
equitable remedies is subject to the discretion of the court before which such proceedings thereof may be brought.

(e) We express no opinion with respect to (i) the Corporation’s or Board’s right in, title to or legal or beneficial ownership of the Facilities, whether now owned or hereafter acquired, (ii) the lien priority of the Series 2004 Mortgage and the Series 2017 Mortgage or (iii) any security interest in any collateral that is not governed by Article 8 or Article 9 of the UCC or the laws of the State of Louisiana relating to the Mortgage.

(f) We express no opinion as to any actions that may be required to be taken periodically under the Revised Statutes of the State of Louisiana, the Louisiana Civil Code, the UCC or any other applicable law for the effectiveness of the Series 2004 Mortgage, the Series 2017 Mortgage or any other Corporation Document, or the validity or perfection of any security interest, to be maintained.

(g) The phrase “to the best of our knowledge” means the conscious awareness by lawyers in the primary lawyer group of factual matters which lawyers reasonably experienced in matters such as this transaction would customarily recognize as being relevant to the opinion or confirmation so qualified. Where any opinion or confirmation is qualified by the phrase “to the best of our knowledge” the lawyers in the primary lawyer group are without knowledge, or conscious awareness, that the opinion or confirmation is untrue. “Primary lawyer group” means any lawyer in this firm (i) who signs this opinion letter, (ii) who is actively involved in negotiating or documenting the transaction, or (iii) solely as to information relevant to a particular opinion or factual confirmation issue, who is primarily responsible for providing the response concerning the particular opinion or issue.

In rendering our opinions:

(a) As to our opinion in paragraph (a)(i) of this opinion letter, as to the valid existence of the Corporation, we have relied solely on the Good Standing Certificates from the State of Louisiana.

(b) We have assumed that value has been given in connection with the grant by the Corporation of the Series 2004 Mortgage and the Series 2017 Mortgage and a security interest in the Facilities and the Corporation has rights in such Facilities.
(c) We have assumed that the Corporation Documents constitute the valid, legally binding and enforceable agreements of each party thereto (other than the Corporation).

(d) We have relied on all representations and warranties contained in the Corporation Documents and certificates in support of this opinion letter insofar as they relate to matters of fact not within our knowledge.

(e) We also have assumed the due and proper recordation and filing of the Series 2004 Mortgage and the Series 2017 Mortgage and any financing statements with the Clerk of Court for the Parish of Tanigpahoa, State of Louisiana following delivery by the Corporation.

This opinion letter is delivered solely to the addressees hereof in connection with the transactions contemplated by the Corporation Documents and without our express consent, may not be relied upon by any person other than such addressees and their respective successors and assigns; provided that this opinion letter is subject to the limitations and qualifications contained herein and is only applicable as of the date hereof. We have and assume no obligation to update or supplement this opinion letter if any applicable laws change after the date of this opinion letter, or if we become aware of any facts that might change the opinions expressed above after the date of this opinion letter.

Sincerely,

Louisiana Local Government Environmental Facilities and Community Development Authority Revenue Bonds
(Southeastern Louisiana University Student Housing/University Facilities, Inc. Project)
Series 2017

Ladies and Gentlemen:

We have acted as counsel to the Board of Supervisors for the University of Louisiana System (the “Board”) in connection with the issuance by the Louisiana Local Government Environmental Facilities and Community Development Authority (the “Issuer”) of the above referenced Bonds (the “Series 2017 Bonds”), issued by the Issuer pursuant to a Second Supplemental Trust Indenture dated as of June 1, 2017 (the “Indenture”) between the Issuer and Regions Bank, as trustee (the “Trustee”). The Series 2017 Bonds are being issued to provide funds to University Facilities, Inc. (the “Corporation”) for the purpose of (i) financing the development and construction of the Facilities (as defined herein), (ii) paying the premium for the debt service
reserve fund surety policy for the Series 2017 Bonds, (iii) paying capitalized interest on the Series 2017 Bonds, and (iv) paying the costs of issuance of the Series 2017 Bonds, including the premium for the bond insurance policy insuring the Series 2017 Bonds. The Board has leased to the Corporation the property (the “Series 2017 Property”) upon which the Corporation will develop, design, construct and equip replacement student housing facilities (the “Facilities”) for Southeastern Louisiana University (the “University”) located on immovable property owned by or subject to the supervision and management of the Board in the City of Hammond, Parish of Tangipahoa, Louisiana, which Facilities will be leased to the Board on behalf of the University (collectively, the “Project”). Capitalized terms used herein that are not otherwise defined have the meaning given them in the Indenture.

In connection therewith we have examined all proceedings of the Board in the approval and execution of the issuance of the Series 2017 Bonds, including but not limited to (i) the adoption and approval of the resolution adopted by the Board on June 23, 2016 (the “Board Resolution”), (ii) the approval of the Joint Legislative Budget Committee dated August 12, 2016, (iii) the approval by the Board of Regents dated June 22, 2016, (iv) the Ground and Buildings Lease Agreement dated as of August 1, 2004, as supplemented and amended by the First Amendment to Ground and Buildings Lease Agreement dated as of March 1, 2007, as further supplemented and amended the Second Amendment to Ground and Buildings Lease Agreement dated June 12, 2012, as further supplemented and amended by the Third Supplemental Ground and Buildings Lease Agreement dated as of November 1, 2013, and as further supplemented and amended by the Fourth Supplemental Ground and Buildings Lease Agreement dated as of June 1, 2017 (collectively, the “Ground Lease”), each by and between the Board, as Lessor, and the Corporation, as Lessee, (v) the Agreement to Lease with Option to Purchase dated as of August 1, 2004, as supplemented and amended by the First Amendment to Agreement to Lease with Option to Purchase dated as of March 1, 2007, as further supplemented and amended the Second Amendment to Agreement to Lease with Option to Purchase dated as of June 12, 2012, as further supplemented and amended by the Third Supplemental Agreement to Lease with Option to Purchase dated as of November 1, 2013, and as further supplemented and amended by the Fourth Supplemental Agreement to Lease with Option to Purchase dated as of June 1, 2017 (collectively, the “Facilities Lease”), each by and between the Corporation, as Lessor, and the Board, as Lessee (vi) the Preliminary Official Statement dated May 18, 2017, (vii) the 15c2-12 certificate of the Board, (viii) the Bond Purchase Agreement (the “Bond Purchase Agreement”) among the Issuer, the Corporation, the Board, and the Underwriter dated May 24, 2017, (ix) the Official Statement dated May 24, 2017 (the “Official Statement”), (x) the Continuing Disclosure Certificate by the Board dated June 7, 2017 (the “Continuing Disclosure Certificate”) and (xi) the Tax Regulatory Agreement and Arbitrage Certificate between the Issuer and the Trustee dated June 7, 2017, including the Corporation Certificate attached thereto as an exhibit and executed by the Board and the Corporation (the “Tax Agreement” and, together with the Ground Lease, the Facilities Lease, the Bond Purchase Agreement and the Continuing Disclosure Certificate, the “Board Documents”).

Based on the foregoing we are of the opinion that:

1. The Board is a public Constitutional corporation duly created and validly existing under the laws of the state of Louisiana with full power and authority to own its properties and
conduct its business and affairs, particularly to adopt the Board Resolution authorizing the Board Documents, to execute, deliver and perform its obligations under the Board Documents and to conduct the business now being conducted by it, the Board having taken all requisite action required to authorize the execution and delivery thereof and the consummation of the transactions contemplated thereby.

2. The Board Resolution approving and authorizing the execution and delivery of the Board Documents, was duly adopted at meetings of the Board which were called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting throughout and has not been amended from the date of its adoption;

3. The Board Documents have been duly authorized, executed and delivered and constitute legal, valid and binding obligations of the Board enforceable and in accordance with their respective terms except insofar as the enforcement thereof may be limited by applicable bankruptcy, reorganization, moratorium, insolvency, liquidation or other laws affecting creditors' rights generally, by general principles of equity and as otherwise set forth herein.

4. To the best of our knowledge and after reasonable inquiries, there is no action, suit, proceeding, inquiry, or investigation at law or in equity by or before any court or public board or body pending or to our knowledge threatened against or affecting the Board or the University that in any way questions or affects the validity of the Board Documents or any proceedings taken by the Board in connection therewith, or seeks to restrain or enjoin the issuance of delivery of the Board Documents, or that might result in a material adverse change in the condition (financial or otherwise), business or affairs of the Board wherein an unfavorable decision, ruling or finding would adversely affect the validity of the Board Documents including but not limited to (a) the financial position of the University taken as a whole; (b) the ability of the Board to perform its obligations under the Board Documents; or (c) the security for the Series 2017 Bonds.

Please be advised that while there may be lawsuits pending involving the Board itself, it is not possible for us to confer with every attorney handling such matters. Furthermore, it would be impossible to predict the outcomes of such cases. However, to the extent there are adverse judgments in excess of any Board insurance policy limit, such judgments could be satisfied only through an appropriation by the Louisiana Legislature because Board assets are not available to satisfy such judgments.

5. (a) The adoption of the Board Resolution and the execution and delivery of the Board Documents and compliance with the provisions thereof under the circumstances contemplated thereby, do not and will not in any material respect conflict with, result in a violation of or constitute on the part of the Board a material breach of or material default, under any material indenture, mortgage, agreement or other instrument of which we have knowledge after due and reasonable inquiry, to which the Board is a party or by which it is bound or any existing law, regulation, court order or consent decree to which the Board is subject relative to the Board Documents.
(b) The adoption of the Board Resolution and the execution and delivery of the Board Documents and compliance with the provisions thereof under the circumstances contemplated thereby, do not and will not in any material respect conflict with, result in a violation of or constitute on the part of the University a material breach of or material default, under any material indenture, mortgage, agreement or other instrument of which we have knowledge after due and reasonable inquiry, to which the University is a party or by which it is bound or any existing law, regulation, court order or consent decree to which the Board is subject relative to the Board Documents.

(c) As to questions of fact material to our opinion, we have relied upon representations of the Authority, the Board and the Corporation contained in the Indenture, the Loan Agreement and the Tax Agreement, the certified proceedings and other certifications of public officials and others furnished to us, including certifications furnished to us by or on behalf of the Issuer, the Corporation and the Board, without undertaking to verify the same by independent investigation.

6. No approval or other action by any governmental agency or authority, other than approvals or actions already sought and obtained, is required in connection with the execution and performance by the Board and the Board Documents.

7. Based upon our participation in the preparation of the Official Statement, and without having undertaken to determine independently the accuracy or the completeness of the statements contained therein, we have no reason to believe that the statements contained in the Official Statement, excluding the information under the headings “THE AUTHORITY,” “THE CORPORATION,” “OTHER EXISTING BONDS,” “SOURCES AND USES OF FUNDS,” “THE SERIES 2017 BONDS,” “REDEMPTION PROVISIONS,” “ANNUAL DEBT SERVICE REQUIREMENTS,” “BOND INSURANCE,” “LEGAL MATTERS,” “TAX EXEMPTION,” “RATINGS,” “UNDERWRITING,” “FINANCIAL ADVISOR,” “ABSENCE OF LITIGATION – The Authority,” “ABSENCE OF LITIGATION – The Corporation,” “APPENDIX D – PROPOSED FORM OF BOND COUNSEL OPINION,” and “APPENDIX E – SPECIMEN MUNICIPAL BOND INSURANCE POLICY” (collectively, the “Board’s Excluded Sections”), did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make statements contained therein, in the light of the circumstances under which they were made, not misleading.

This opinion is rendered solely to the addressees hereof in connection with the captioned transaction and may not be relied upon by any person for any other purpose without our prior written consent. Further, copies of this letter may not be circulated or furnished to any party and neither this letter nor the opinion set forth herein may be quoted or referred to in any report or document furnished to any other party without our prior written consent.

The opinions set forth herein are subject to the following qualifications and limitations.

(a) The opinions set forth in this letter are given as of the date hereof and we do not undertake to report or advise you or any other person of any changes in law, statutes or jurisprudence in any matter set forth herein. The opinion is limited to the matters expressly stated herein and no opinion may be inferred or implied.
beyond the matters expressly stated herein.

(b) We are qualified to practice law in the State of Louisiana and the foregoing opinions are limited exclusively to the presently effective laws of the State and the Federal Laws of the United States of America in effect on and as of the date hereof and no opinion is expressed herein as to any matter governed by the laws of other jurisdictions.

(c) We have assumed the accuracy of and compliance with representations, warranties and covenants of the Board, its officers, representatives or agents, contained in the Board Documents or made in connection with the entering into of the Board Documents delivered in this transaction.

As to questions of fact material to our opinion, we have relied upon representations of the representatives of the Board contained in the Board Documents, the certified proceedings and other certifications of public officials and others furnished to us, without undertaking to verify the same by independent investigation. We have assumed that all signatures (other than signatures of Board Representatives) on all documents submitted to us, are genuine, that all documents submitted to us as originals are accurate and complete, and that all documents submitted to us as copies are true and correct copies of the originals thereof.

For the purpose of this opinion, our services as counsel to Board have not extended beyond the examination and expressions of conclusions referred to herein. In addition, in rendering the foregoing opinion with respect to enforceability of the various agreements to which the Board is a party, we have assumed that such agreements are enforceable against the parties thereto other than the Board. This opinion is not offered or shall it be construed as a guarantee or warranty nor has the firm of DeCuir, Clark & Adams, L.L.P. performed or been asked to perform any title examinations with respect to the Equipment nor has the undersigned expressed or issued an opinion as to the title herein or otherwise.

Louisiana Local Government Environmental Facilities and Community Development Authority Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2017

Ladies and Gentlemen:

We have acted as counsel for Regions Bank (the “Bank”), an Alabama banking corporation, in connection with said Bank serving as Trustee (the "Trustee") under a Trust Indenture dated as of August 1, 2004 (the “Original Indenture”), by and between the Louisiana Local Government Environmental Facilities and Community Development Authority (the "Issuer") and The Bank of New York Mellon Trust Company, N.A. (the “Prior Trustee”), as supplemented and amended by that certain First Supplemental Trust Indenture dated as of November 1, 2013 (the “First Supplemental Indenture”) between the Issuer and the Prior Trustee, and the Second Supplemental Trust Indenture dated as of June 1, 2017 (the “Second Supplemental Indenture” and, together with the Original Indenture and
the First Supplemental Indenture, the "Indenture") between the Issuer and the Bank, as Trustee, relating to the issuance of the Issuer's above referenced bonds (the "Bonds"). The Bank is serving as Trustee as successor-in-interest to The Bank of New York Mellon Trust Company, N. A., as Prior Trustee pursuant to the Original Indenture and First Supplemental Indenture. Unless otherwise expressly provided herein, capitalized terms used herein have the respective meanings assigned to them in the Indenture, and in addition thereto, the Indenture and the Tax Regulatory Agreement and Arbitrage Certificate dated as of even date herewith (the "Tax Agreement") between the Issuer and the Trustee are collectively referred to herein as the "Trustee Documents."

In our capacity as counsel to the Bank, we have examined originals or copies, certified or otherwise, identified to our satisfaction, of: (1) the Articles of Incorporation and Bylaws of the Bank, which have been certified to us by a responsible officer of the Bank to be true and correct; (2) the Indenture; (3) the Tax Agreement; and (4) such other documents and matters of law as we have deemed necessary in order to render the following opinions. The Indenture and the Tax Agreement are hereinafter collectively referred to as the "Trustee Documents".

Based upon the foregoing, and subject to the qualifications and exclusions otherwise stated herein, we are of the opinion that:

1. The Bank is a state banking corporation with trust powers, duly organized, validly existing and in good standing under the laws of the State of Alabama and authorized to serve as a corporate trustee in the State of Louisiana;

2. The Trustee Documents have been duly authorized, executed, and delivered by the Bank, and the duties and obligations of the Bank under the Trustee Documents constitute the valid, legal and binding obligations of the Bank, enforceable against the Bank in accordance with their respective terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, liquidation, moratorium or other similar laws affecting the enforcement of creditors' rights in general;

3. The Bank has all necessary trust powers and authority required to carry out the duties of the Bank provided under the Trustee Documents;

4. To the best of our knowledge (without independent investigation and based solely upon the certifications of the Bank set forth in the Certificate of Trustee
of even date herewith), the acceptance by the Bank of its duties and obligations under the Trustee Documents and compliance with provisions thereof do not conflict with or constitute a breach of or default under any law, administrative regulation, consent decree or any agreement or other instrument to which the Bank is subject;

5. To the best of our knowledge (without independent investigation and based solely upon the certifications of the Bank set forth in the Certificate of Trustee of even date herewith), all approvals, consents and orders of any governmental authority or agency having jurisdiction in the matter, which would constitute a condition precedent to the performance by the Bank of its duties and obligations under the Trustee Documents, have been obtained and are in full force and effect;

6. To the best of our knowledge (without independent investigation and based solely upon the certifications of the Bank set forth in the Certificate of Trustee of even date herewith), no litigation is pending or threatened, which in any way contests or affects the existence or powers (including trust powers) of the Bank or the Bank's ability to fulfill its duties and obligations under the Trustee Documents;

7. The Bonds have been duly authenticated and delivered by an authorized officer of the Bank in its capacity as Trustee.

In rendering the opinions expressed herein, with your permission and without further investigation, we have relied, to the extent that we deem such reliance proper, upon the Certificate of Trustee of even date herewith of an authorized officer of the Bank with respect to the accuracy of the material factual matters which were contained in such certificates and not independently established by us. In addition, we have also assumed authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified or photostatic copies, the genuineness of all signatures (other than representatives of the Bank), the power to enter into and perform all of their respective obligations thereunder, and the due authorization, execution and delivery of the Trustee Documents by the respective parties thereto other than the Bank.

In basing the opinions and other matters set forth herein on "our knowledge", the words "our knowledge" signify that, in the course of our representation of the Bank in
June 7, 2017

matters with respect to which we have been engaged by it, no information has come to our
attention that would give us actual knowledge or actual notice that any such opinions or
other matters are not accurate or that any of the foregoing documents, certificates, reports
and information on which we have relied are not accurate and complete.

We have not made an inquiry or investigation with respect to compliance with
applicable federal and state securities laws and regulations. No opinion is extended and we
specifically disclaim any opinion, as to (i) the excludability of interest on the Bonds from
federal or state income taxes; (ii) the applicability or compliance with federal or state
securities or “Blue Sky” laws (including, without limitation, the Trust Indenture Act of
1939, as amended); (iii) the enforceability of any provisions of any Trustee Document or
other document referred to herein, if any, which purports to grant extra judicial remedies;
(iv) the legality or enforceability of indemnification provisions; (v) the legality or
enforceability of the waiver of any rights or remedies by the Bank under the Trustee
Documents; and (vi) the authority of the Trustee to perform any duties or obligations on its
part under the Trustee Documents, other than those that can be performed in the State of
Louisiana.

The opinions expressed herein above are expressed only insofar as the substantive
laws of the State of Louisiana (without reference to its conflicts of laws rules) and the
federal laws of the United States of America governing the banking and fiduciary powers
of the Bank which are in effect on the date hereof may be applicable and are qualified to the
extent that (i) certain equitable remedies including specific performance may be unavailable;
(ii) any indemnification provisions contained therein may be limited by applicable laws and
public policy; and (iii) we express no opinion as to the creation, perfection or validity of any
lien purported to be granted under the Trustee Documents. This opinion is furnished solely
for the benefit of the addressees and is not to be used, circulated, quoted, relied upon or
otherwise referred to for any other purpose without our prior written approval.

Respectfully submitted,

RE:  $35,465,000 LOUISIANA LOCAL GOVERNMENT ENVIRONMENTAL FACILITIES AND COMMUNITY DEVELOPMENT AUTHORITY REVENUE BONDS (SOUTHEASTERN LOUISIANA UNIVERSITY STUDENT HOUSING), SERIES 2017

Ladies and Gentlemen:

We have served as underwriters’ counsel to Stifel, Nicolaus & Company, Inc. and Raymond James (collectively the "Underwriter"), in connection with the authorization and issuance by the Louisiana Local Government Environmental Facilities and Community Development Authority (the "Issuer") of the above-captioned bonds (the "Bonds"), dated the date hereof and sold by the Issuer to the Underwriter pursuant to the terms and provisions of the Bond Purchase Agreement dated May 24, 2017 (the "Bond Purchase Agreement"), between the Underwriters and the Issuer and acknowledged by the Board and the Corporation. Capitalized terms used herein which are not otherwise defined shall have the meanings assigned in the Bond Purchase Agreement and the hereinafter described Official Statement.

In our capacity as counsel to the Underwriter, we have participated with you and other parties in the preparation of the Official Statement (the "Official Statement") dated May 24, 2017, used in the connection with the initial issuance and sale of the Bonds. In the course of such participation, we have generally reviewed information furnished to us by and have participated in conferences with your representatives, representatives of the Issuer, representatives of Issuer, Jones Walker, LLP, Bond Counsel, and representatives of Regions Bank, an Alabama based state banking corporation having a corporate office located in New Orleans, Louisiana (together with its successors and assigns), as Trustee. We have also reviewed documents, certificates and opinions delivered to the Underwriters pursuant to the Bond Purchase Agreement, other documents and records relating to issuance and sale of the Bonds and certain other files, records and documents as we have deemed necessary. In addition, we have relied upon, and have assumed the correctness of certificates of officials of various parties listed above and legal opinions of their counsel and Bond Counsel. However, we have not independently investigated or verified the accuracy, completeness or fairness of any statements included in the Official Statement.
Our advice stated hereinafter is based upon our aforementioned review and conferences, is given in reliance upon the accuracy of information contained in the aforementioned certificates, written opinions, letters and other documents, and is given without having undertaken to determine independently the accuracy, adequacy, completeness or fairness of information contained in the Official Statement, except the independent review of the laws described therein and documents and records specified hereinabove.

Based solely on and subject to the foregoing, we advise you that, during the course of the activities described in the preceding paragraphs, no information came to the attention of the attorneys in our firm rendering legal services in connection with issuance of the Bonds which causes us to believe the Official Statement, (including information provided by the Bond Insurer) as of the date of this letter, contains any untrue statement of a material fact or omits to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, however, we express no view as to financial statements, or financial, statistical and numerical information, or forecasts, estimates, assumptions or expressions of opinion included in the Official Statement, including, without limitation, in "APPENDIX B" and "APPENDIX D" thereto.

We are further of the opinion as of the date of this letter and under existing law the Bonds constitute exempt securities within the meaning of Section 3(a)(2) of the Securities Act of 1933, as amended (the "Securities Act") and Section 304(a)(4) of the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"), to the extent provided in such Acts, respectively, and it is not necessary in connection with the offer and sale of the Bonds to register the Indenture or such offer and sale of the Bonds under the Securities Act, or to qualify the Indenture under the Trust Indenture Act.

We also have rendered legal advice and assistance to you as to the requirements of Rule 15c2-12 prescribed under the Securities and Exchange Act of 1934, as amended (the "Rule"), in connection with your review, for purposes of the Rule, of the Continuing Disclosure Certificate of the Board dated June 7, 2017 (the "Continuing Disclosure Certificate"). Based upon our examination of items referenced in this opinion, including the Continuing Disclosure Certificate and the Rule, and subject to the limitations expressed above, we are of the opinion that, under existing law, the Continuing Disclosure Certificate complies as to form in all material aspects with the applicable requirements of the Rule.

This letter is issued to and for the sole benefit of the above addressees and is issued for the sole purpose of the transaction specifically referred to herein. No person other than the above
addressees may rely upon this letter without our express prior written consent. This letter may
not be utilized by you for any other purpose whatsoever and may not be quoted by you without
our express prior written consent. We assume no obligation to review or supplement this letter
subsequent to its date, whether by reason of a change in current laws, by legislative or regulatory
action, by judicial decision or for any other reason.

Municipal Bond Insurance Policy No. 218242-N
and
Municipal Bond Debt Service Reserve Insurance Policy No. 218242-R
With Respect to
$36,465,000 In Aggregate Principal Amount of
Louisiana Local Government Environmental Facilities and Community Development Authority
Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project), Series 2017

Ladies and Gentlemen:

I am Counsel, Public Finance of Assured Guaranty Municipal Corp., a New York stock insurance company ("AGM"). You have requested my opinion in such capacity as to the matters set forth below in connection with the issuance by AGM of its above-referenced policy no. 218242-N (the "Insurance Policy") and its municipal bond debt service reserve insurance policy no. 218242-R (the "Reserve Policy" and, together with the Insurance Policy, the "Policy"). In that regard, and for purposes of this opinion, I have examined such corporate records, documents and proceedings as I have deemed necessary and appropriate.

Based upon the foregoing, I am of the opinion that:

1. AGM is a stock insurance company duly organized and validly existing under the laws of the State of New York and authorized to transact financial guaranty insurance business therein.

2. The Policy has been duly authorized, executed and delivered by AGM.

TRANSCRIPT ITEM NUMBER 32
ASSURED GUARANTY MUNICIPAL CORP. ("AGM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") (as set forth in the documentation providing for the issuance of and securing the Bonds) for the Bonds, for the benefit of the Owners or, at the election of AGM, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which AGM shall have received Notice of Nonpayment, AGM will disburse to or for the benefit of each Owner of a Bond the face amount of principal of and interest on the Bond that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by AGM, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of the principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in AGM. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by AGM is incomplete, it shall be deemed not to have been received by AGM for purposes of the preceding sentence and AGM shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, who may submit an amended Notice of Nonpayment. Upon disbursement in respect of a Bond, AGM shall become the owner of the Bond, any appurtenant coupon to the Bond or right to receipt of payment of principal of or interest on the Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under the Bond, to the extent of any payment by AGM hereunder. Payment by AGM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of AGM under this Policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Issuer's Fiscal Agent are authorized or required, by law or executive order, to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date of the Bond or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AGM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer which has been recovered from such Owner pursuant to the
United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telemachic notice, subsequently confirmed in writing, or written notice by registered or certified mail, from an Owner; the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim; (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

AGM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AGM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AGM and shall not be demanded received until received by both and (b) all payments required to be made by AGM under this Policy may be made directly by AGM or by the Insurer's Fiscal Agent on behalf of AGM. The Insurer's Fiscal Agent is the agent of AGM only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AGM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AGM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AGM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be canceled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

In witness whereof, ASSURED GUARANTY MUNICIPAL CORP. has caused this Policy to be executed on its behalf by its Authorized Officer.

MUNICIPAL BOND
DEBT SERVICE RESERVE
INSURANCE POLICY

ASSURED GUARANTY MUNICIPAL CORP. ("AGM"), for consideration received, hereby
UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent
(the "Paying Agent") as set forth in the documentation (the "Bond Document") providing for the issuance of
and securing the Bonds, for the benefit of the Owners, subject only to the terms of this Policy (which
includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall
become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

AGM will make payment as provided in this Policy to the Trustee or Paying Agent on the later of
the Business Day on which such principal and interest becomes Due for Payment or the Business Day
next following the Business Day on which AGM shall have received Notice of Nonpayment, in a form
reasonably satisfactory to it. A Notice of Nonpayment will be deemed received on a given Business Day if
it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed
received on the next Business Day. If any Notice of Nonpayment received by AGM is incomplete, it shall
be deemed not to have been received by AGM for purposes of the preceding sentence and AGM shall
promptly so advise the Trustee, Paying Agent or Issuer, as appropriate, who may submit an amended
Notice of Nonpayment. Payment by AGM to the Trustee or Paying Agent for the benefit of the Owners
shall, to the extent thereof, discharge the obligation of AGM under this Policy. Upon such payment, AGM
shall become entitled to reimbursement of the amount so paid (together with interest and expenses)
pursuant to the Bond Document.

The amount available under this Policy for payment shall not exceed the Policy Limit. The
amount available at any particular time to be paid to the Trustee or Paying Agent under the terms of this
Policy shall automatically be reduced by any payment under this Policy. However, after such payment, the
amount available under this Policy shall be reinstated in full or in part, but only up to the Policy Limit, to the
extent of the reimbursement of such payment (exclusive of interest and expenses) to AGM by or on behalf
of the Issuer. Within three Business Days of such reimbursement, AGM shall provide the Trustee, the
Paying Agent and the Issuer with notice of the reimbursement and reinstatement.

Payment under this Policy shall be available with respect to (a) any Nonpayment that occurs
prior to the Effective Date or after the Termination Date of this Policy or (b) Bonds that are not outstanding
under the Bond Document. If the amount payable under this Policy is also payable under another
insurance policy of surety bond insuring the Bonds, payment first shall be made under this Policy to the
extent of the amount available under this Policy up to the Policy Limit. In no event shall AGM incur
duplicate liability for the same amounts owing with respect to the Bonds that are covered under this Policy
and any other insurance policy or surety bond that AGM has issued.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have
the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a
Saturday or Sunday or (b) a day on which banking institutions in the State of New York are, or the Insurer's
Fiscal Agent is, authorized or required by law or executive order to remain closed. "Due for Payment"
means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date
on which the same shall have been duly called for mandatory sinking fund redemption and does not refer
to any earlier date on which payment is due by reason of call for redemption (other than by mandatory
sinking fund redemption), acceleration or other advancement of maturity unless AGM shall
elect, in its sole discretion, to pay such principal due upon such acceleration together with any
accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the
stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer that has been recovered from such Owner pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopic notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from the Issuer, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment of principal or interest thereunder, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds. "Policy Limit" shall be the dollar amount of the debt service reserve fund required to be maintained for the Bonds by the Bond Document from time to time (the "Debt Service Reserve Requirement"), but in no event shall the Policy Limit exceed $2,719,951.80. The Policy Limit shall automatically and irrevocably be reduced from time to time by the amount of each reduction in the Debt Service Reserve Requirement, as provided in the Bond Document.

AGM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer’s Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AGM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AGM and shall not be deemed received until received by both and (b) all payments required to be made by AGM under this Policy may be made directly by AGM or by the Insurer's Fiscal Agent on behalf of AGM. The Insurer's Fiscal Agent is the agent of AGM only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AGM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AGM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AGM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be cancelled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

The Series 2017 Bonds are issued pursuant to the laws of the State, particularly Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 4548.16, inclusive) (the “Act”), and pursuant to a Trust Indenture dated August 1, 2004 (the “Original Indenture”), as supplemented and amended by a First Supplemental Trust Indenture dated as of November 1, 2013 (the “Supplemental Indenture”), as further supplemented and amended by a Second Supplemental Trust Indenture dated as of June 1, 2017 (the “Second Supplemental Indenture” and, together with the Original Indenture, and the Supplemental Indenture, the “Indenture”), each between the Authority and the Trustee, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, and to which Indenture reference is hereby made for a more complete description of the assigned revenues constituting the Trust Estate, the nature and extent of the security, the terms and conditions under which the Series 2017 Bonds are issued and secured, the terms and conditions under which Additional Bonds may be issued and secured, the rights, duties, and immunities of the Trustee and the rights of the registered owners of the Series 2017 Bonds. The registered owner of this Series 2017 Bond shall have no rights to enforce the provisions of the Second Supplemental Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Second Supplemental Indenture, or to institute, appear in, or defend any suit or other proceeding with respect thereto, except as provided in the Second Supplemental Indenture, and by acceptance of this Series 2017 Bond, the owner hereof assents to all of the provisions of the Second Supplemental Indenture. All terms not defined herein shall have the meanings assigned thereto in the Second Supplemental Indenture.

The Series 2017 Bonds have been issued on a parity with the $15,000,000 Louisiana Local Government Environmental Facilities and Community Development Authority Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B and the $40,910,000 Louisiana Local Government Environmental Facilities and Community Development Authority Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2013 under the Indenture.
The Series 2017 Bonds are issuable as fully registered bonds without coupons, in Authorized Denominations, and shall be numbered from No. R-1 upwards. The Series 2017 Bonds are limited and special revenue obligations of the Authority and are payable solely from (i) payments received by the Authority from the Corporation pursuant to the Second Supplemental Agreement (except, however, the Authority's rights to exculpation, indemnification and payment of expenses by the Corporation under the Second Supplemental Agreement) and (ii) all funds held by the Trustee under the Second Supplemental Indenture and available for such payment, said payments and funds being herein referred to as the "Trust Estate." The Second Supplemental Agreement, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, provides that the Corporation is unconditionally obligated to make payments, but solely from the Payments (as defined in the Second Supplemental Agreement) in an aggregate amount sufficient, for the payment in full of the principal and interest of all Series 2017 Bonds issued and outstanding under the Second Supplemental Indenture, to the date of payment thereof, and certain costs, expenses and charges of the Authority and the Trustee. The Second Supplemental Agreement imposes upon the Corporation certain obligations respecting the use and operation of its Facilities and the maintenance and repair of said Facilities.

As long as any of the Series 2017 Bonds remain outstanding, there shall be permitted the exchange of Series 2017 Bonds at the principal corporate trust office of the Trustee. Any Series 2017 Bond or Series 2017 Bonds upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his legal representative duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of other Bonds in Authorized Denominations.

For every such exchange or transfer of Series 2017 Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee, or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Trustee shall not be required to register the transfer or exchange of (a) any Series 2017 Bonds during the fifteen (15) day period next preceding the selection of Series 2017 Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2017 Bonds selected for redemption, or (b) any Series 2017 Bonds selected, called or being called for redemption in whole or in part, except in the case of any Series 2017 Bond to be redeemed in part, the portion thereof not so to be redeemed.
Redemption Provisions

The Series 2017 Bonds maturing August 1, 2028 and thereafter are subject to redemption prior to maturity at the option of the Corporation, upon written direction to the Authority, on or after August 1, 2027, as a whole at any time, or in part on any Interest Payment Date, the maturity of said Bonds to be redeemed to be designated by the Corporation and selected within a maturity by the Trustee in such manner as the Trustee may determine, at the redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date.

Extraordinary Redemption

The Series 2017 Bonds shall be redeemed as a whole or in part (in an integral multiple of $5,000) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds, condemnation award or payment in lieu of condemnation with respect to the Series 2017 Facilities will not be applied to the restoration, repair, or reconstruction of the Series 2017 Facilities at a price equal to the principal amount of the Series 2017 Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, in an aggregate principal amount equal to the amount of such insurance proceeds, condemnation award, or payment in lieu of condemnation not used for restoration, repair, or reconstruction. If in part, the Series 2017 Bonds to be redeemed shall be in the inverse order of their maturity and selected within a maturity by the Trustee in such manner as the Trustee may determine. If the amount of any insurance proceeds, condemnation award, or payment in lieu of condemnation to be applied in redemption of the Series 2017 Bonds is not an integral multiple of $5,000, the principal amount of Series 2017 Bonds to be redeemed pursuant to this subparagraph (b) shall be decreased to the next lower multiple of $5,000.

Those Series 2017 Bonds maturing on August 1, 2042 shall be subject to mandatory sinking fund redemption and payment prior to maturity on August 1 in each of the years set forth below, at 100% of the principal amounts plus accrued interest to the redemption date, without premium, as follows:

If a portion of any Series 2017 Bond shall be called for redemption, a new Series 2017 Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

At least thirty (30) days before the redemption date of any Series 2017 Bonds redeemed other than by mandatory sinking fund redemption, the Trustee shall cause a notice of any such redemption, signed by an authorized officer of the Trustee to be mailed, postage prepaid, to all Bondholders of record owning Series 2017 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register, but any defect in such mailing or any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2017 Bonds then outstanding shall be called for redemption, the numbers of such Series 2017 Bonds to be redeemed and, in the case of Series 2017 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2017 Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Series 2017 Bond, a new Series 2017 Bond in principal amount equal to the unredeemed portion of such Series 2017 Bond will be issued.

Modifications or alterations of the Second Supplemental Indenture or any agreement supplemental thereto or of the Second Supplemental Agreement or any agreement supplemental thereto may be made only to the extent and in the circumstances permitted by the Second Supplemental Indenture and the Second Supplemental Agreement. So long as no event of nonperformance under the Second Supplemental Agreement has occurred and is continuing, no such supplement shall become effective unless the Corporation, on behalf of the Board, shall have given its prior written approval.
It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State to exist, to have happened and to have been performed, precedent to and in the execution and delivery of the Second Supplemental Indenture and the issuance of this Series 2017 Bond, do exist, have happened, and have been performed in regular and due form as required by law.

$35,465,000
Louisiana Local Government Environmental Facilities
and Community Development Authority Revenue Bonds
(Southeastern Louisiana University Student Housing/University Facilities, Inc. Project)
Series 2017

We have acted as bond counsel to the Louisiana Local Government Environmental Facilities and
Community Development Authority (the “Issuer”), a political subdivision of the State of Louisiana (the
“State”), in connection with the issuance by the Issuer of its $35,465,000 Revenue Bonds (Southeastern
Louisiana University Student Housing/University Facilities, Inc. Project) Series 2017 (the “Bonds”)
pursuant to Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S.
33:4548.1 through 33:4548.16, inclusive) (the “Act”).

The Bonds have been issued by the Issuer pursuant to the Act and other constitutional and
statutory authority and a Trust Indenture dated as of August 1, 2004 between the Issuer and The Bank of
New York Mellon Trust Company, N.A. (the “Prior Trustee”), as supplemented and amended by a First
Supplemental Trust Indenture dated as of November 1, 2013 between the Issuer and the Prior Trustee, as
further supplemented and amended by a Second Supplemental Trust Indenture dated as of June 1, 2017
(collectively, the “Indenture”) between the Issuer and Regions Bank, as trustee (the “Trustee”).

The Bonds are issuable as fully registered bonds, are dated, bear interest and are paid at the rates per
annum, mature in the principal amounts and on the dates, and are subject to redemption all as set forth in
the Indenture and in the Bonds.

The Bonds are issued under and are secured as to principal and interest by the Indenture, which
provides a description of the nature and extent of the security for the Bonds, a statement of the terms and
conditions under which the Bonds are issued and secured, the rights, duties and obligations of the Issuer,
the rights, duties and immunities of the Trustee and the rights of the owners of the Bonds.

The Bonds are issued in order to provide financing to University Facilities, Inc., a Louisiana non-
profit corporation (the “Corporation”) to enable to Corporation to: (i) finance the acquisition, design,
development, construction, renovation, demolition, reconstruction, and equipping of certain replacement
student housing facilities and parking improvements (the “Facilities”) on the main campus of
Southeastern Louisiana University (the “University”) in Hammond, Louisiana; (ii) purchase a debt service
reserve policy to be credited to a debt service reserve fund for the Series 2017 Bonds; (iii) fund capitalized interest on the Series 2017 Bonds; and (iv) pay costs of issuance of the Series 2017 Bonds, including the premium for a bond insurance policy insuring the Series 2017 Bonds.

The Corporation has leased the property upon which the Facilities will be located from the Board of Supervisors for the University of Louisiana System (the "Board") pursuant to a Ground and Buildings Lease Agreement dated as of August 1, 2004, as supplemented and amended by the First Amendment to Ground and Buildings Lease Agreement dated as of March 1, 2007, as supplemented and amended by a Second Amendment to Ground and Buildings Lease Agreement dated as of June 12, 2012, as further supplemented and amended by a Third Supplemental Ground and Buildings Lease Agreement dated as of November 1, 2013, and as further supplemented and amended by a Fourth Supplemental Ground and Buildings Lease Agreement dated as of June 1, 2017 (collectively, the "Ground Lease") each by and between the Board and the Corporation. The Board will lease back the completed Facilities from the Corporation pursuant that certain Agreement to Lease with Option to Purchase dated as of August 1, 2004, as supplemented and amended by a First Amendment to Agreement to Lease with Option to Purchase dated as of March 1, 2007, as further supplemented and amended by a Second Amendment to Agreement to Lease with Option to Purchase dated as of June 12, 2012, as further supplemented and amended by a Third Supplemental Agreement to Lease with Option to Purchase dated as of November 1, 2013 and as further supplemented and amended by a Fourth Supplemental Agreement to Lease with Option to Purchase dated as of June 1, 2017, each by and between the Board and the Corporation (collectively, the "Facilities Lease").

The Issuer and Corporation have entered into a Loan and Assignment Agreement dated as of August 1, 2004, as supplemented and amended by a First Supplemental Loan and Assignment Agreement dated as of November 1, 2013, as further supplemented and amended by a Second Supplemental Loan and Assignment Agreement dated as of June 1, 2017 (collectively, the "Loan Agreement"), pursuant to which the Issuer will loan the proceeds from the sale of the Bonds to the Corporation for the foregoing purposes. Pursuant to the Loan Agreement, the Corporation has agreed to make loan payments (the "Payments") solely from the Rentals (as defined in the Facilities Lease) sufficient to pay the principal of and interest on the Bonds. The rights of the Issuer under the Loan Agreement (except for the rights of the Issuer relating to exculpation, indemnification and payment of expenses thereunder) have been pledged and assigned by the Issuer to the Trustee as security for the Bonds.

The Bonds are also entitled to the benefits of the Act of Mortgage, Assignment of Leases and Security Agreement dated August 13, 2004, as amended by a First Amendment to Act of Mortgage, Assignment of Leases and Security Agreement dated June 7, 2017 (collectively, the "2004 Mortgage") and an Act of Leasehold Mortgage, Assignment of Leases and Security Agreement dated June 7, 2017 (the "2017 Mortgage") executed by the Corporation in favor of the Trustee, pursuant to which the Corporation has mortgaged its leasehold interest in and to the land and the improvements located thereon, granted a security interest in certain movable property and assigned its rights to all leases and rents relating to the Facilities.

We have examined: (i) the constitution and statutes of the State, including the Act; (ii) a certified transcript of the proceedings of the Issuer authorizing the issuance of the Bonds; (iii) the Indenture, the Loan Agreement, the Tax Regulatory Agreement and Arbitrage Certificate dated the date of delivery and payment for the Series 2017 Bonds among the Issuer, the Corporation, the Board, and the Trustee (the "Tax Regulatory Agreement") and (iv) such other documents, instruments, proofs and matters of law as we have deemed relevant to the issuance of the Bonds and necessary for the purpose of this opinion.
As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Board and the Corporation contained in the Indenture, the Loan Agreement and the Tax Agreement, and the certified proceedings and other certifications of public officials and others furnished to us, including certifications furnished to us by or on behalf of the Issuer, the Corporation and the Board, without undertaking to verify the same by independent investigation.

On the basis of the foregoing examinations, we are of the opinion, as of the date hereof and under existing law, that:

1. The Issuer is a validly existing political subdivision of the State and has the power and authority to enter into the Loan Agreement and the Indenture and to issue and sell the Bonds.

2. The Bonds are valid and binding special and limited obligations of the Issuer secured by and entitled to the benefits of the Indenture and are payable solely from the revenues and other amounts pledged and assigned under the Indenture.

3. The Loan Agreement and the Indenture have been duly authorized, executed and delivered by the Issuer and constitute valid and binding obligations of the Issuer, enforceable upon the Issuer in accordance with their terms, and all rights of the Issuer under the Loan Agreement have been validly assigned to the Trustee under the Indenture, with the exception of certain rights of the Issuer relating to notice, excution, indemnification and payment of expenses.

4. The Bonds and interest thereon do not constitute an indebtedness or pledge of the general credit of the Issuer within the meaning of any State constitutional or statutory provision and will not constitute a general obligation or a charge against any other revenues of the Issuer.

5. Interest on the Bonds (including any amount of original issue discount properly allocable to the owner thereof) is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, for the purpose of computing the alternative minimum tax imposed on certain corporations, such interest is taken into account in determining adjusted current earnings.

6. Under the Act, the Bonds, together with the interest thereof, income therefrom, and gain upon the sale thereof are exempt from all State taxes and local taxes.

In rendering the opinions expressed in paragraph 5 above, we have relied upon the opinion of even date herewith of Jones, Russell, E.L.P., Covington, Louisiana, counsel to the Corporation that the Corporation is an organization that is exempt from the federal income tax under Code Section 501(c)(3). We have also relied upon such opinion with respect to (i) the due organization of the Corporation, (ii) the good standing of the Corporation in the State, (iii) the corporate power of the Corporation to enter into, and the due authorization, execution and delivery by the Corporation of, the Loan Agreement, the Ground Lease and the Facilities Lease, and the valid and binding effect thereof on the Corporation, and (iv) matters which might be disclosed as a result of an examination of the indentures, mortgages, deeds of trust, certifications of incorporation, by-laws, and other agreements or instruments to which the Corporation is a party or by which it or its properties are bound. We are not passing upon title to the Facilities or the nature or extent of any liens thereon.

In rendering this opinion, we have relied on representations of the Issuer, the Board, and the Corporation with respect to matters solely within the knowledge of the Issuer, the Board, and the Corporation, which we have not independently verified, and have assumed continuing compliance with
the covenants in the Indenture, the Agreement, and the Tax Regulatory Agreement pertaining to those sections of the Code that affect the exclusion from gross income of interest on the Bonds for federal income tax purposes. In the event that such representations are determined to be inaccurate or incomplete or the Issuer, the Board, or the Corporation fails to comply with the foregoing covenants, interest on the Bonds could be includable in gross income for federal income tax purposes from the date of their original delivery, regardless of the date on which the event causing such inclusion occurs.

We have also relied on the opinion of Gregory A. Pletsch & Associates, counsel to the Trustee, with respect to the corporate power of the Trustee to enter into and the due authorization, execution, and delivery by the Trustee of the Indenture and the binding effect thereof on the Trustee. We have also relied upon the opinion of Decuir, Clark & Adams, L.L.P., counsel to the Board, with respect to the power of the Board to enter into and the due authorization, execution and delivery by the Board of the documents to which it is a party and the binding effect thereof on the Board.

The accrual or receipt of interest on the Bonds may otherwise affect the federal income tax liability of certain recipients. The extent of these other tax consequences will depend upon the recipient’s particular tax status or other items of income or deduction. We express no opinion regarding any such consequences and investors should consult their tax advisors regarding the tax consequences of purchasing or holding the Bonds.

It is to be understood that the rights of the owners of the Bonds and the enforceability of the Bonds, the Indenture, the Agreement and the other documents enumerated above may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors’ rights heretofore or hereafter enacted to the extent constitutionally applicable, and that their enforcement may also be subject to the exercise of the sovereign police powers of the State or its governmental bodies and the exercise of judicial discretion in appropriate cases.

For purposes of this opinion, our services as bond counsel have not extended beyond the examinations and expressions of the conclusions referred to above. This opinion is given as of the date hereof and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in the law that may hereafter occur. Except as stated above, no opinion is expressed as to any federal or state tax consequences resulting from the ownership of, receipt of interest on, or disposition of, the Bonds.

Respectfully submitted,

Ladies and Gentlemen:

This letter sets forth our understanding with respect to all issues (the “Securities”) that Issuer shall request be made eligible for deposit by The Depository Trust Company (“DTC”).

To induce DTC to accept the Securities as eligible for deposit at DTC, and to act in accordance with DTC’s Rules with respect to the Securities, Issuer represents to DTC that Issuer will comply with the requirements stated in DTC’s Operational Arrangements, as they may be amended from time to time.

Note:
Schedule A contains statements that DTC believes accurately describe DTC, the method of effecting book-entry transfer of securities distributed through DTC, and certain related matters.

DESCRIBING BOOK-ENTRY-ONLY ISSUANCE
(Prepared by DTC—bracketed material may be applicable only to certain issues)

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the
   securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the
   name of Cede & Co. (DTC's partnership nominee). One fully-registered Security certificate will be
   issued for each issue of the Securities. Each in the aggregate principal amount of such issue, and will
   be deposited with DTC. [If, however, the aggregate principal amount of any issue exceeds $200
   million, one certificate will be issued with respect to each $200 million of principal amount and an
   additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking
   organization" within the meaning of the New York Banking Law, a member of the Federal Reserve
   System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a
   "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of
   1934. DTC holds securities that its participants ("Participants") deposit with DTC. DTC also facilitates
   the settlement among Participants of securities transactions, such as transfers and pledges, in deposited
   securities through electronic computerized book-entry changes in Participants' accounts, thereby
   eliminating the need for physical movement of securities certificates. Direct Participants include
   securities brokers and dealers, banks, trust companies, clearing corporations, and certain other
   organizations. DTC is owned by a number of its Direct Participants and by the New York Stock
   Exchange, Inc., the American Stock Exchange, Inc. and the National Association of Securities
   Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks,
   and trust companies that clear through or maintain a custodial relationship with a Direct Participant,
   either directly or indirectly ("Indirect Participants"). The Rules applicable to DTC and its Participants
   are on file with the Securities and Exchange Commission.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants,
   which will receive a credit for the Securities on DTC's records. The ownership interest of each actual
   purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect
   Participants' records. Beneficial Owners will not receive written confirmation from DTC of their
   purchase, but Beneficial Owners are expected to receive written confirmations providing details of the
   transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant
   through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in
   the Securities are to be accomplished by entries made on the books of Participants acting on behalf of
   Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests
   in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Participants with DTC are registered
   in the name of DTC's partnership nominee, Cede & Co. The deposit of Securities with DTC and their
   registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no
   knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of
   the Direct Participants to whose accounts such Securities are credited, which may or may not be the
   Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on
   behalf of their customers.
5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

[6. Redemption notices shall be sent to Cede & Co. if less than all of the Securities within an issue are being redeemed. DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.]

7. Neither DTC nor Cede & Co. will consent or vote with respect to Securities. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Principal and interest payments on the Securities will be made to DTC. DTC's practice is to credit Direct Participants' accounts on payable date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on payable date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Agent, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Issuer or the Agent, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

[8. A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to the [Tender/Remarketing] Agent, and shall affect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities on DTC's records, to the [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with a demand for purchase or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records.]

10. DTC may discontinue providing its services as securities depository with respect to the Securities at any time by giving reasonable notice to the Issuer or the Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Security certificates are required to be printed and delivered.

11. The Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered.

12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

S&P Global Ratings neither recommends nor will recommend how an issuer can or should achieve a particular credit rating outcome nor provides or will provide consulting, advisory, financial or structuring advice. Unless otherwise indicated, the term “issuer” means both the issuer and the obligor if the obligor is not the issuer.

All Credit Rating Actions in S&P Global Ratings’ Sole Discretion. S&P Global Ratings may assign, raise, lower, suspend, place on CreditWatch, or withdraw a credit rating, and assign or revise an Outlook, at any time, in S&P Global Ratings’ sole discretion. S&P Global Ratings may take any of the foregoing actions notwithstanding any request for a confidential or private credit rating or a withdrawal of a credit rating, or termination of a credit rating engagement. S&P Global Ratings will not convert a public credit rating to a confidential or private credit rating, or a private credit rating to a confidential credit rating.

Publication. S&P Global Ratings reserves the right to use, publish, disseminate, or license others to use, publish or disseminate a credit rating and any related analytical reports, including the rationale for the credit rating, unless the issuer specifically requests in connection with the initial credit rating that the credit rating be assigned and maintained on a confidential or private basis. If, however, a confidential or private credit rating or the existence of a confidential or private credit rating subsequently becomes public through disclosure other than by an act of S&P Global Ratings or its affiliates, S&P Global Ratings reserves the right to treat the credit rating as a public credit rating, including, without limitation, publishing the credit rating and any related analytical reports. Any analytical reports published by S&P Global Ratings are not issued by or on behalf of the issuer or at the issuer’s request. S&P Global Ratings reserves the right to use, publish, disseminate or license others to use, publish or disseminate analytical reports with respect to public credit ratings that have been withdrawn, regardless of the reason for such withdrawal. S&P Global Ratings may publish explanations of S&P Global Ratings’ credit ratings criteria from time to time and S&P Global Ratings may modify or refine its credit ratings criteria at any time as S&P Global Ratings deems appropriate.

Reliance on Information. S&P Global Ratings relies on issuers and their agents and advisors for the accuracy and completeness of the information submitted in connection with credit ratings and the surveillance of credit ratings including, without limitation, information on material changes to information previously provided by issuers, their agents or advisors. Credit ratings, and the maintenance of credit ratings, may be affected by S&P Global Ratings’ opinion of the information received from issuers, their agents or advisors.

Confidential Information. S&P Global Ratings has established policies and procedures to maintain the confidentiality of certain non-public information received from issuers, their agents or advisors. For these purposes, “Confidential Information” shall mean verbal or written information that the issuer or its agents or advisors have provided to S&P Global Ratings and, in a specific and particularized manner, have marked or
otherwise indicated in writing (either prior to or promptly following such disclosure) that such information is “Confidential.”

S&P Global Ratings has not performed and will not perform the role or tasks associated with an "underwriter" or "seller" under the United States federal securities laws or other regulatory guidance, rules or recommendations in connection with a credit rating engagement.

Disclaimer of Liability. 5. Any lien on the Title for real estate taxes or assessments imposed by governmental authority and created or attaching between Date of Policy and the date of recording of the deed or other instrument of transfer in the Public Records that vests Title as shown in Schedule A.

(b) "Date of Policy": The date designated as "Date of Policy" in Schedule A.
(c) "Entity": A corporation, partnership, trust, limited liability company, or other similar legal entity.
(d) "Insured": The Insured named in Schedule A.

The term "Land" does not include any property beyond the lines of the area described in Schedule A, nor any right, title, interest, estate, or easement in abutting streets, roads, avenues, alleys, lanes, ways, or waterways, but this does not modify or limit the extent that a right of access to and from the Land is insured by this policy.

(i) "Public Records": Records established under state statutes at Date of Policy for the purpose of imparting constructive notice of matters relating to real property to purchasers for value and without Knowledge. (j) "Title": The estate or interest described in Schedule A.
(k) "Unmarketable Title": Title affected by an alleged or apparent matter that would permit a prospective purchaser or lessee of the Title or lender on the Title to be released from the obligation to purchase, lease, or lend if there is a contractual condition requiring the delivery of marketable title.

2. CONTINUATION OF INSURANCE
The coverage of this policy shall continue in force as of Date of Policy in favor of an Insured, but only so long as the Insured retains an estate or interest in the Land, or holds an obligation secured by a purchase money Mortgage given by a purchaser from the Insured, or only so long as the Insured shall have liability by reason of warranties in any transfer or conveyance of the Title. This policy shall not continue in force in favor of any purchaser from the Insured of either (i) an estate or interest in the Land, or (ii) an obligation secured by a purchase money Mortgage given to the Insured.

3. NOTICE OF CLAIM TO BE GIVEN BY INSURED CLAIMANT
The Insured shall notify the Company promptly in writing (i) in case of any litigation as set forth in Section 5(a) of these Conditions, (ii) in case Knowledge shall come to an Insured hereunder of any claim of title or interest that is adverse to the Title, as insured, and that might cause loss or damage for which the Company may be liable by virtue of this policy, or (iii) if the Title, as insured, is rejected as Unmarketable Title. If the Company is prejudiced by the failure of the Insured Claimant to provide prompt notice, the Company's liability to the Insured Claimant under the policy shall be reduced to the extent of the prejudice.

4. PROOF OF LOSS
In the event the Company is unable to determine the amount of loss or damage, the Company may, at its option, require as a condition of payment that the Insured Claimant furnish a signed proof of loss. The proof of loss must describe the defect, lien, encumbrance, or other matter insured against by this policy that constitutes the basis of loss or damage and shall state, to the extent possible, the basis of calculating the amount of the loss or damage.

5. DEFENSE AND PROSECUTION OF ACTIONS
(a) Upon written request by the Insured, and subject to the options contained in Section 7 of these Conditions, the Company, at its own cost and without unreasonable delay, shall provide for the defense of an Insured in litigation in which any third party asserts a claim covered by this policy adverse to the Insured. This obligation is limited to only those stated causes of action alleging matters insured against by this policy. The Company shall have the right to select counsel of its choice (subject to the right of the Insured to object for reasonable cause) to represent the Insured as to those stated causes of action. It shall not be liable for and will not pay the fees of any other counsel. The Company will not pay any fees, costs, or expenses incurred by the Insured in the defense of those causes of action that allege matters not insured against by this policy.
(b) The Company shall have the right, in addition to the options contained in Section 7 of these Conditions, at its own cost, to institute and prosecute any action or proceeding or to do any other act that in its opinion may be necessary or desirable to establish the Title, as insured, or to prevent or reduce loss or damage to the Insured. The Company may take any appropriate action under the terms of this policy, whether or not it shall be liable to the Insured. The exercise of these rights shall not be an admission of liability or waiver of any provision of this policy. If the Company exercises its rights under this subsection, it must do so diligently.

(c) Whenever the Company brings an action or asserts a defense as required or permitted by this policy, the Company may pursue the litigation to a final determination by a court of competent jurisdiction, and it expressly reserves the right, in its sole discretion, to appeal any adverse judgment or order.

6. DUTY OF INSURED CLAIMANT TO COOPERATE

(a) In all cases where this policy permits or requires the Company to prosecute or provide for the defense of any action or proceeding and any appeals, the Insured shall secure to the Company the right to so prosecute or provide defense in the action or proceeding, including the right to use, at its option, the name of the Insured for this purpose. Whenever requested by the Company, the Insured, at the Company's expense, shall give the Company all reasonable aid (i) in securing evidence, obtaining witnesses, prosecuting or defending the action or proceeding, or effecting settlement, and (ii) in any other lawful act that in the opinion of the Company may be necessary or desirable to establish the Title or any other matter as insured. If the Company is prejudiced by the failure of the Insured to furnish the required cooperation, the Company's obligations to the Insured under the policy shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation, with regard to the matter or matters requiring such cooperation.

(b) The Company may reasonably require the Insured Claimant to submit to examination under oath by any authorized representative of the Company and to produce for examination, inspection, and copying, at such reasonable times and places as may be designated by the authorized representative of the Company, all records, in whatever medium maintained, including books, ledgers, checks, memoranda, correspondence, reports, e-mails, disks, tapes, and videos whether bearing a date before or after Date of Policy, that reasonably pertain to the loss or damage. Further, if requested by any authorized representative of the Company, the Insured Claimant shall grant its permission, in writing, for any authorized representative of the Company to examine, inspect, and copy all of these records in the custody or control of a third party that reasonably pertain to the loss or damage. All information designated as confidential by the Insured Claimant provided to the Company pursuant to this Section shall not be disclosed to others unless, in the reasonable judgment of the Company, it is necessary in the administration of the claim. Failure of the Insured Claimant to submit for examination under oath, produce any reasonably requested information, or grant permission to secure reasonably necessary information from third parties as required in this subsection, unless prohibited by law or governmental regulation, shall terminate any liability of the Company under this policy as to that claim.

7. OPTIONS TO PAY OR OTHERWISE SETTLE CLAIMS; TERMINATION OF LIABILITY

In case of a claim under this policy, the Company shall have the following additional options:

(a) To Pay or Tender Payment of the Amount of Insurance. To pay or tender payment of the Amount of Insurance under this policy together with any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment or tender of payment and that the Company is obligated to pay. Upon the exercise by the Company of this option, all liability and obligations of the Company to the Insured under this policy, other than to make the payment required in this subsection, shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation.

(b) To Pay or Otherwise Settle With Parties Other Than the Insured or With the Insured Claimant. (i) To pay or otherwise settle with other parties for or in the name of an Insured Claimant any claim insured against under this policy. In addition, the Company will pay any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment and that the Company is obligated to pay; or (ii) To pay or otherwise settle with the Insured Claimant the loss or damage provided for under this policy, together with any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment and that the Company is obligated to pay. Upon the exercise by the Company of either of the options provided for in subsections (b)(i) or (ii), the Company's obligations to the Insured under this policy for the claimed loss or damage, other than the payments required to be made, shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation.

8. DETERMINATION AND EXTENT OF LIABILITY

This policy is a contract of indemnity against actual monetary loss or damage sustained or incurred by the Insured Claimant who has suffered loss or damage by reason of matters insured against by this policy.

(a) The extent of liability of the Company for loss or damage under this policy shall not exceed the lesser of (i) the Amount of Insurance; or (ii) the difference between the value of the Title as insured and the value of the Title subject to the risk insured against by this policy.

(b) If the Company pursues its rights under Section 5 of these Conditions and is unsuccessful in establishing the Title, as insured, (i) the Amount of Insurance shall be increased by 10%, and (ii) the Insured Claimant shall have the right to have the loss or damage determined either as of the date the claim was made by the Insured Claimant or as of the date it is settled and paid.

(c) In addition to the extent of liability under (a) and (b), the Company will also pay those costs, attorneys' fees, and expenses incurred in accordance with Sections 5 and 7 of these Conditions.

9. LIMITATION OF LIABILITY
(a) If the Company establishes the Title, or removes the alleged defect, lien, or encumbrance, or cures the lack of a right of access to or from the Land, or cures the claim of Unmarketable Title, all as insured, in a reasonably diligent manner by any method, including litigation and the completion of any appeals, it shall have fully performed its obligations with respect to that matter and shall not be liable for any loss or damage caused to the Insured.

(b) In the event of any litigation, including litigation by the Company or with the Company’s consent, the Company shall have no liability for loss or damage until there has been a final determination by a court of competent jurisdiction, and disposition of all appeals, adverse to the Title, as insured.

(c) The Company shall not be liable for loss or damage to the Insured for liability voluntarily assumed by the Insured in settling any claim or suit without the prior written consent of the Company.

10. REDUCTION OF INSURANCE; REDUCTION OR TERMINATION OF LIABILITY

All payments under this policy, except payments made for costs, attorneys’ fees, and expenses, shall reduce the Amount of Insurance by the amount of the payment.

11. LIABILITY NONCUMULATIVE

The Amount of Insurance shall be reduced by any amount the Company pays under any policy insuring a Mortgage to which exception is taken in Schedule B or to which the Insured has agreed, assumed, or taken subject, or which is executed by an Insured after Date of Policy and which is a charge on lien on the Title, and the amount so paid shall be deemed a payment to the Insured under this policy.

12. PAYMENT OF LOSS

When liability and the extent of loss or damage have been definitely fixed in accordance with these Conditions, the payment shall be made within 30 days.

13. RIGHTS OF RECOVERY UPON PAYMENT OR SETTLEMENT

(a) Whenever the Company shall have settled and paid a claim under this policy, it shall be subrogated and entitled to the rights of the Insured Claimant in the Title and all other rights and remedies in respect to the claim that the Insured Claimant has against any person or property, to the extent of the amount of any loss, costs, attorneys’ fees, and expenses paid by the Company. If requested by the Company, the Insured Claimant shall execute documents to evidence the transfer to the Company of these rights and remedies. The Insured Claimant shall permit the Company to sue, compromise, or settle in the name of the Insured Claimant and to use the name of the Insured Claimant in any transaction or litigation involving these rights and remedies.

If a payment on account of a claim does not fully cover the loss of the Insured Claimant, the Company shall defer the exercise of its right to recover until after the Insured Claimant shall have recovered its loss.

(b) The Company’s right of subrogation includes the rights of the Insured to indemnities, guarantees, other policies of insurance, or bonds, notwithstanding any terms or conditions contained in those instruments that address subrogation rights.

14. ARBITRATION (NOT VALID IN THE STATE OF LOUISIANA)

Either the Company or the Insured may demand that the claim or controversy shall be submitted to arbitration pursuant to the Title Insurance Arbitration Rules of the American Land Title Association ("Rules"). Except as provided in the Rules, there shall be no joinder or consolidation with claims or controversies of other persons. Arbitrable matters may include, but are not limited to, any controversy or claim between the Company and the Insured arising out of or relating to this policy, any service in connection with its issuance or the breach of a policy provision, or to any other controversy or claim arising out of the transaction giving rise to this policy. All arbitrable matters when the Amount of Insurance is $2,000,000 or less shall be arbitrated at the option of either the Company or the Insured. All arbitrable matters when the Amount of Insurance is in excess of $2,000,000 shall be arbitrated only when agreed to by both the Company and the Insured. Arbitration pursuant to this policy and under the Rules shall be binding upon the parties. Judgment upon the award rendered by the Arbitrator(s) may be entered in any court of competent jurisdiction.

15. LIABILITY LIMITED TO THIS POLICY; POLICY ENTIRE CONTRACT

(1) if the stock, shares, memberships, or other equity interests of the grantee are wholly-owned by the named Insured,

(2) if the grantee wholly owns the named Insured,

(3) if the grantee is wholly-owned by an affiliated Entity of the named Insured, provided the affiliated Entity and the named Insured are both wholly-owned by the same person or Entity, or

(4) if the grantee is a trustee or beneficiary of a trust created by a written instrument established by the Insured named in Schedule A for estate planning purposes.

(ii) With regard to (A), (B), (C), and (D) reserving, however, all rights and defenses as to any successor that the Company would have had against any predecessor Insured.

(e) "Insured Claimant": An Insured claiming loss or damage.

(f) "Knowledge" or "Known": Actual knowledge, not constructive knowledge or notice that may be imputed to an Insured by reason of the Public Records or any other records that impart constructive notice of matters affecting the Title.

(g) "Land": The land described in Schedule A, and affixed improvements that by law constitute real property. The term "Land" does not include any property beyond the lines of the area described in Schedule A, nor any right, title, interest, estate, or easement in abutting streets, roads, avenues, alleys, lanes, ways, or waterways, but this does not modify or limit the extent that a right of access to and from the Land is insured by this policy.

(h) "Mortgage": Mortgage, deed of trust, trust deed, or other security instrument, including one evidenced by electronic means authorized by law.

(i) "Public Records": Records established under state statutes at Date of Policy for the purpose of imparting constructive notice of matters relating to real property to purchasers for value and without Knowledge. With respect to Covered Risk 5(d), "Public Records" shall also include environmental protection liens filed in the records of the clerk of the United States District Court for the district where the Land is located.

(j) "Title": The estate or interest described in Schedule A.

(k) "Unmarketable Title": Title affected by an alleged or apparent matter that would permit a prospective purchaser or lessee of the Title or lender on the Title to be released from the obligation to purchase, lease, or lend if there is a contractual condition requiring the delivery of marketable title.

2. CONTINUATION OF INSURANCE

The coverage of this policy shall continue in force as of Date of Policy in favor of an Insured, but only so long as the Insured retains an estate or interest in the Land, or holds an obligation secured by a purchase money Mortgage given by a purchaser from the Insured, or only so long as the Insured shall have liability by reason of warranties in any transfer or conveyance of the Title. This policy shall not continue in force in favor of any purchaser from the Insured of either (i) an estate or interest in the Land, or (ii) an obligation secured by a purchase money Mortgage given to the Insured.

3. NOTICE OF CLAIM TO BE GIVEN BY INSURED CLAIMANT

The Insured shall notify the Company promptly in writing (i) in case of any litigation as set forth in Section 5(a) of these Conditions, (ii) in case Knowledge shall come to an Insured hereunder of any claim of title or interest that is adverse to the Title, as insured, and that might cause loss or damage for which the Company may be liable by virtue of this policy, or (iii) if the Title, as insured, is rejected as Unmarketable Title. If the Company is prejudiced by the failure of the Insured Claimant to provide prompt notice, the Company's liability to the Insured Claimant under the policy shall be reduced to the extent of the prejudice.

4. PROOF OF LOSS

In the event the Company is unable to determine the amount of loss or damage, the Company may, at its option, require as a condition of payment that the Insured Claimant furnish a signed proof of loss. The proof of loss must describe the defect, lien, encumbrance, or other matter insured against by this policy that constitutes the basis of loss or damage and shall state, to the extent possible, the basis of calculating the amount of the loss or damage.

5. DEFENSE AND PROSECUTION OF ACTIONS

(a) Upon written request by the Insured, and subject to the options contained in Section 7 of these Conditions, the Company, at its own cost and without unreasonable delay, shall provide for the defense of an Insured in litigation in which any third party asserts a claim covered by this policy adverse to the Insured. This obligation is limited to only those stated causes of action alleging matters insured against by this policy. The Company shall have the right to select counsel of its choice (subject to the right of the Insured to object for reasonable cause) to represent the Insured as to those stated causes of action. It shall not be liable for and will not pay the fees of any other counsel. The Company will not pay any fees, costs, or expenses incurred by the Insured in the defense of those causes of action that allege matters not insured against by this policy.
(b) The Company shall have the right, in addition to the options contained in Section 7 of these Conditions, at its own cost, to institute and prosecute any action or proceeding or to do any other act that in its opinion may be necessary or desirable to establish the Title, as insured, or to prevent or reduce loss or damage to the Insured. The Company may take any appropriate action under the terms of this policy, whether or not it shall be liable to the Insured. The exercise of these rights shall not be an admission of liability or waiver of any provision of this policy. If the Company exercises its rights under this subsection, it must do so diligently.

(c) Whenever the Company brings an action or asserts a defense as required or permitted by this policy, the Company may pursue the litigation to a final determination by a court of competent jurisdiction, and it expressly reserves the right, in its sole discretion, to appeal any adverse judgment or order.

6. DUTY OF INSURED CLAIMANT TO COOPERATE

(a) In all cases where this policy permits or requires the Company to cooperate or provide for the defense of any action or proceeding and any appeals, the Insured shall secure to the Company the right to so prosecute or provide defense in the action or proceeding, including the right to use, at its option, the name of the Insured for this purpose. Whenever requested by the Company, the Insured, at the Company's expense, shall give the Company all reasonable aid (i) in securing evidence, obtaining witnesses, prosecuting or defending the action or proceeding, or effecting settlement, and (ii) in any other lawful act that in the opinion of the Company may be necessary or desirable to establish the Title or any other matter as insured. If the Company is prejudiced by the failure of the Insured to furnish the required cooperation, the Company's obligations to the Insured under the policy shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation, with regard to the matter or matters requiring such cooperation.

(b) The Company may reasonably require the Insured Claimant to submit to examination under oath by any authorized representative of the Company and to produce for examination, inspection, and copying, at such reasonable times and places as may be designated by the authorized representative of the Company, all records, in whatever medium maintained, including books, ledgers, checks, memoranda, correspondence, reports, e-mails, disks, tapes, and videos whether bearing a date before or after Date of Policy, that reasonably pertain to the loss or damage. Further, if requested by any authorized representative of the Company, the Insured Claimant shall grant its permission, in writing, for any authorized representative of the Company to examine, inspect, and copy all of these records in the custody or control of a third party that reasonably pertain to the loss or damage. All information designated as confidential by the Insured Claimant provided to the Company pursuant to this Section shall not be disclosed to others unless, in the reasonable judgment of the Company, it is necessary in the administration of the claim. Failure of the Insured Claimant to submit for examination under oath, produce any reasonably requested information, or grant permission to secure reasonably necessary information from third parties as required in this subsection, unless prohibited by law or governmental regulation, shall terminate any liability of the Company under this policy as to that claim.

7. OPTIONS TO PAY OR OTHERWISE SETTLE CLAIMS; TERMINATION OF LIABILITY

In case of a claim under this policy, the Company shall have the following additional options:

(a) To Pay or Tender Payment of the Amount of Insurance.

To pay or tender payment of the Amount of Insurance under this policy together with any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment or tender of payment and that the Company is obligated to pay. Upon the exercise by the Company of this option, all liability and obligations of the Company to the Insured under this policy, other than to maintain the payment required in this subsection, shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation.

(b) To Pay or Otherwise Settle With Parties Other Than the Insured or With the Insured Claimant.

(i) To pay or otherwise settle with other parties for or in the name of an Insured Claimant any claim insured against under this policy. In addition, the Company will pay any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment and that the Company is obligated to pay; or

(ii) To pay or otherwise settle with the Insured Claimant the loss or damage provided for under this policy, together with any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment and that the Company is obligated to pay.

Upon the exercise by the Company of either of the options provided for in subsections (b)(i) or (ii), the Company's obligations to the Insured under this policy for the claimed loss or damage, other than the payments required to be made, shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation.

8. DETERMINATION AND EXTENT OF LIABILITY

This policy is a contract of indemnity against actual monetary loss or damage sustained or incurred by the Insured Claimant who has suffered loss or damage by reason of matters insured against by this policy.

(a) The extent of liability of the Company for loss or damage under this policy shall not exceed the lesser of

(i) the Amount of Insurance; or

(ii) the difference between the value of the Title as insured and the value of the Title subject to the risk insured against by this policy.

(b) If the Company pursues its rights under Section 5 of these Conditions and is unsuccessful in establishing the Title, as insured,

(i) the Amount of Insurance shall be increased by 10%, and

(ii) the Insured Claimant shall have the right to have the loss or damage determined either as of the date the claim was made by the Insured Claimant or as of the date it is settled and paid.

(c) In addition to the extent of liability under (a) and (b), the Company will also pay those costs, attorneys' fees, and expenses incurred in accordance with Sections 5 and 7 of these Conditions.

9. LIMITATION OF LIABILITY
(a) If the Company establishes the Title, or removes the alleged defect, lien, or encumbrance, or cures the lack of a right of access to or from the Land, or cures the claim of Unmarketable Title, all as insured, in a reasonably diligent manner by any method, including litigation and the completion of any appeals, it shall have fully performed its obligations with respect to that matter and shall not be liable for any loss or damage caused to the Insured.

(b) In the event of any litigation, including litigation by the Company or with the Company’s consent, the Company shall have no liability for loss or damage until there has been a final determination by a court of competent jurisdiction, and disposition of all appeals, adverse to the Title, as insured.

(c) The Company shall not be liable for loss or damage to the insured for liability voluntarily assumed by the Insured in settling any claim or suit without the prior written consent of the Company.

10. REDUCTION OF INSURANCE; REDUCTION OR TERMINATION OF LIABILITY
All payments under this policy, except payments made for costs, attorneys’ fees, and expenses, shall reduce the Amount of Insurance by the amount of the payment.

11. LIABILITY NONCUMULATIVE
The Amount of Insurance shall be reduced by any amount the Company pays under any policy insuring a Mortgage to which exception is taken in Schedule B or to which the Insured has agreed, assumed, or taken subject, or which is executed by an Insured after Date of Policy and which is a charge or lien on the Title, and the amount so paid shall be deemed a payment to the Insured under this policy.

12. PAYMENT OF LOSS
When liability and the extent of loss or damage have been definitely fixed in accordance with these Conditions, the payment shall be made within 30 days.

13. RIGHTS OF RECOVERY UPON PAYMENT OR SETTLEMENT
(a) Whenever the Company shall have settled and paid a claim under this policy, it shall be subrogated and entitled to the rights of the Insured Claimant in the Title and all other rights and remedies in respect to the claim that the Insured Claimant has against any person or property, to the extent of the amount of any loss, costs, attorneys’ fees, and expenses paid by the Company. If requested by the Company, the Insured Claimant shall execute documents to evidence the transfer to the Company of these rights and remedies. The Insured Claimant shall permit the Company to sue, compromise, or settle in the name of the Insured Claimant and to use the name of the Insured Claimant in any transaction or litigation involving these rights and remedies.

If a payment on account of a claim does not fully cover the loss of the Insured Claimant, the Company shall defer the exercise of its right to recover until after the Insured Claimant shall have recovered its loss.

(b) The Company’s right of subrogation includes the rights of the Insured to indemnities, guaranties, other policies of insurance, or bonds, notwithstanding any terms or conditions contained in those instruments that address subrogation rights.

14. ARBITRATION (NOT VALID IN THE STATE OF LOUISIANA)
Either the Company or the Insured may demand that the claim or controversy shall be submitted to arbitration pursuant to the Title Insurance Arbitration Rules of the American Land Title Association ("Rules"). Except as provided in the Rules, there shall be no joinder or consolidation with claims or controversies of other persons. Arbitrable matters may include, but are not limited to, any controversy or claim between the Company and the Insured arising out of or relating to this policy, any service in connection with its issuance or the breach of a policy provision, or to any other controversy or claim arising out of the transaction giving rise to this policy. All arbitrable matters when the Amount of Insurance is $2,000,000 or less shall be arbitrated at the option of either the Company or the Insured. All arbitrable matters when the Amount of Insurance is in excess of $2,000,000 shall be arbitrated only when agreed to by both the Company and the Insured. Arbitration pursuant to this policy and under the Rules shall be binding upon the parties. Judgment upon the award rendered by the Arbitrator(s) may be entered in any court of competent jurisdiction.

15. LIABILITY LIMITED TO THIS POLICY; POLICY ENTIRE CONTRACT
(a) This policy together with all endorsements, if any, attached to it by the Company is the entire policy and contract between the Insured and the Company. In interpreting any provision of this policy, this policy shall be construed as a whole.

(b) Any claim of loss or damage that arises out of the status of the Title or by any action asserting such claim shall be restricted to this policy.

(c) Any amendment of or endorsement to this policy must be in writing and authenticated by an authorized person, or expressly incorporated by Schedule A of this policy.

(d) Each endorsement to this policy issued at any time is made a part of this policy and is subject to all of its terms and provisions. Except as the endorsement expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsement, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance.

16. SEVERABILITY
In the event any provision of this policy, in whole or in part, is held invalid or unenforceable under applicable law, the policy shall be deemed not to include that provision or such part held to be invalid, but all other provisions shall remain in full force and effect.

17. CHOICE OF LAW; FORUM
(a) Choice of Law: The Insured acknowledges the Company has underwritten the risks covered by this policy and determined the premium charged therefor in reliance upon the law affecting interests in real property and applicable to the interpretation, rights, remedies, or enforcement of policies of title insurance of the jurisdiction where the Land is located. Therefore, the court or an arbitrator shall apply the law of the jurisdiction where the Land is located to determine the validity of claims against the Title that are adverse to the Insured and to interpret and enforce the terms of this policy. In neither case shall the court or arbitrator apply any conflicts of law principles to determine the applicable law.

(b) Choice of Forum: Any litigation or other proceeding brought by the Insured against the Company must be filed only in a state or federal court within the United States of America or its territories having appropriate jurisdiction.

1. As used in this endorsement, the following terms shall mean:
   a. "Evicted" or "Eviction": (a) the lawful deprivation, in whole or in part, of the right of possession insured by this policy, contrary to the terms of the Lease or (b) the lawful prevention of the use of the Land or the Tenant Leasehold Improvements for the purposes permitted by the Lease, in either case as a result of a matter covered by this policy.
   b. "Lease": the lease agreement described in Schedule A.
   c. "Leasehold Estate": the right of possession granted in the Lease for the Lease Term.
   d. "Lease Term": the duration of the Leasehold Estate, as set forth in the Lease, including any renewal or extended term if a valid option to renew or extend is contained in the Lease.
   e. "Personal Property": property, in which and to the extent the Insured has rights, located on or affixed to the Land on or after Date of Policy that by law does not constitute real property because (i) of its character and manner of attachment to the Land and (ii) the property can be severed from the Land without causing material damage to the property or to the Land.
   f. "Remaining Lease Term": the portion of the Lease Term remaining after the Insured has been Evicted.
   g. "Tenant Leasehold Improvements": Those improvements, in which and to the extent the Insured has rights, including landscaping, required or permitted to be built on the Land by the Lease that have been built at the Insured’s expense or in which the Insured has an interest greater than the right to possession during the Lease Term.

2. Valuation of Estate or Interest Insured:

   If in computing loss or damage it becomes necessary to value the Title, or any portion of it, as the result of an Eviction of the Insured, then, to that portion of the Land from which the Insured is Evicted, that value shall consist of the value for the Remaining Lease Term of the Leasehold Estate and any Tenant Leasehold Improvements existing on the date of the Eviction. The Insured Claimant shall have the right to have the Leasehold Estate and the Tenant Leasehold Improvements, affected by a defect insured against by the policy valued either as a whole or separately. In either event, this determination of value shall take into account rent no longer required to be paid for the Remaining Lease Term.

3. Additional items of loss covered by this endorsement:

   If the Insured is Evicted, the following items of loss, if applicable to that portion of the Land from which the Insured is Evicted shall be included, without duplication, in computing loss or damage incurred by the Insured, but not to the extent that the same are included in the valuation of the Title determined pursuant to Section 2 of this endorsement, any other endorsement to the policy, or Section 8 (a)(ii) of the Conditions:
a. The reasonable cost of (i) removing and relocating any Personal Property that the Insured has the right to remove and relocate, situated on the Land at the time of Eviction, (ii) transportation of that Personal Property for the initial one hundred miles incurred in connection with the relocation, (iii) repairing the Personal Property damaged by reason of the removal and relocation, and (iv) restoring the Land to the extent damaged as a result of the removal and relocation of the Personal Property and required of the Insured solely because of the Eviction.

b. Rent or damages for use and occupancy of the Land prior to the Eviction that the Insured as owner of the Leasehold Estate may be obligated to pay to any person having paramount title to that of the lessor in the Lease.

c. The amount of rent that, by the terms of the Lease, the Insured must continue to pay to the lessor after Eviction with respect to the portion of the Leasehold Estate and Tenant Leasehold Improvements from which the Insured has been Evicted.

d. The fair market value, at the time of the Eviction, of the estate or interest of the Insured in any lease or sublease permitted by the Lease and made by Insured as lessor of all or part of the Leasehold Estate or the Tenant Leasehold Improvements.

e. Damages caused by the Eviction that the Insured is obligated to pay to lessees or sublessees on account of the breach of any lease or sublease permitted by the Lease and made by the Insured as lessor of all or part of the Leasehold Estate or the Tenant Leasehold Improvements.

f. The reasonable cost to obtain land use, zoning, building and occupancy permits, architectural and engineering services and environmental testing and reviews for a replacement leasehold reasonably equivalent to the Leasehold Estate.

g. If Tenant Leasehold Improvements are not substantially completed at the time of Eviction, the actual cost incurred by the Insured, less the salvage value, for the Tenant Leasehold Improvements up to the time of Eviction. Those costs include costs incurred to obtain land use, zoning, building and occupancy permits, architectural and engineering services, construction management services, environmental testing and reviews, and landscaping.

4. This endorsement does not insure against loss, damage or costs of remediation (and the Company will not pay costs, attorneys’ fees or expenses) resulting from environmental damage or contamination.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance. To the extent a provision of the policy or a previous endorsement is inconsistent with an express provision of this endorsement, this endorsement controls. Otherwise, this endorsement is subject to all of the terms and provisions of the policy and of any prior endorsements.

1. DEFINITION OF TERMS
The following terms when used in this policy mean:

as may be increased or decreased by endorsement to this policy,
increased by Section 8(b) or decreased by Section 10 of these
Conditions.
(b) “Date of Policy”: The date designated as “Date of Policy” in
Schedule A.
(c) “Entity”: A corporation, partnership, trust, limited liability
company, or other similar legal entity.
(d) “Indebtedness”: The obligation secured by the Insured
Mortgage including one evidenced by electronic means authorized
by law, and if that obligation is the payment of a debt, the Indebtedness
is the sum of
(i) the amount of the principal disbursed as of Date of
Policy;
(ii) the amount of the principal disbursed subsequent to
Date of Policy;
(iii) the construction loan advances made subsequent to
Date of Policy for the purpose of financing in whole or in part the
construction of an improvement to the Land or related to the
Land that the Insured was and continued to be obligated to
advance at Date of Policy and at the date of the advance;
(iv) interest on the loan;
(v) the prepayment premiums, exit fees, and other similar
fees or penalties allowed by law;
(vi) the expenses of foreclosure and any other costs of
enforcement;
(vii) the amounts advanced to assure compliance with laws
or to protect the lien or the priority of the lien of the Insured
Mortgage before the acquisition of the estate or interest in the

deterioration of improvements;
but the Indebtedness is reduced by the total of all payments and
by any amount forgiven by an Insured.
(e) “Insured”: The Insured named in Schedule A.
(i) The term “Insured” also includes
(A) the owner of the Indebtedness and each
successor in ownership of the Indebtedness, whether
the owner or successor owns the Indebtedness for its own
account or as a trustee or other fiduciary, except a
successor who is obligor under the provisions of Section
12(c) of these Conditions;

(D) successors to an Insured by its conversion to
another kind of Entity;

named as an Insured or not;
(ii) With regard to (A), (B), (C), (D), and (E) reserving,
however, all rights and defenses as to any successor that the

encumbrance, or other matter insured against by this policy.
(f) “Insured Claimant”: An Insured claiming loss or damage.
(g) “Insured Mortgage”: The Mortgage described in paragraph

(i) “Land”: The land described in Schedule A, and affixed
improvements that by law constitute real property. The term “Land”
does not include any property beyond the lines of the area described
in Schedule A, nor any right, title, interest, estate, or easement in abutting streets, roads, avenues, alleys, lanes, ways, or waterways, but this does not modify or limit the extent that a right of access to and from the Land is insured by this policy.

(j) "Mortgage": Mortgage, deed of trust, trust deed, or other security instrument, including one evidenced by electronic means authorized by law.

(k) "Public Records": Records established under state statutes at Date of Policy for the purpose of imparting constructive notice of matters relating to real property to purchasers for value and without Knowledge. (l) "Title": The estate or interest described in Schedule A.

(m) "Unmarketable Title": Title affected by an alleged or apparent matter that would permit a prospective purchaser or lessee of the Title or lender on the Title or a prospective purchaser of the Insured Mortgage to be released from the obligation to purchase, lease, or lend if there is a contractual condition requiring the delivery of marketable title.

2. CONTINUATION OF INSURANCE

The coverage of this policy shall continue in force as of Date of Policy in favor of an Insured after acquisition of the Title by an Insured or after conveyance by an Insured, but only so long as the Insured retains an estate or interest in the Land, or holds an obligation secured by a purchase money Mortgage given by a purchaser from the Insured, or only so long as the Insured shall have liability by reason of warranties in any transfer or conveyance of the Title. This policy shall not continue in force in favor of any purchaser from the Insured of either (i) an estate or interest in the Land, or (ii) an obligation secured by a purchase money Mortgage given to the Insured.

3. NOTICE OF CLAIM TO BE GIVEN BY INSURED CLAIMANT

The Insured shall notify the Company promptly in writing (i) in case of any litigation as set forth in Section 5(a) of these Conditions, (ii) in case Knowledge shall come to an Insured of any claim of title or interest that is adverse to the Title or the lien of the Insured Mortgage, as insured, and that might cause loss or damage for which the Company may be liable by virtue of this policy, or (iii) if the Title or the lien of the Insured Mortgage, as insured, is rejected as Unmarketable Title. If the Company is prejudiced by the failure of the Insured Claimant to provide prompt notice, the Company's liability to the Insured Claimant under the policy shall be reduced to the extent of the prejudice.

4. PROOF OF LOSS

In the event the Company is unable to determine the amount of loss or damage, the Company may, at its option, require as a condition of payment that the Insured Claimant furnish a signed proof of loss. The proof of loss must describe the defect, lien, encumbrance, or other matter insured against by this policy that constitutes the basis of loss or damage and shall state, to the extent possible, the basis of calculating the amount of the loss or damage.

5. DEFENSE AND PROSECUTION OF ACTIONS

(a) Upon written request by the Insured, and subject to the options contained in Section 7 of these Conditions, the Company, at its own cost and without unreasonable delay, shall provide for the defense of an Insured in litigation in which any third party asserts a claim covered by this policy adverse to the Insured. This obligation is limited to only those stated causes of action alleging matters insured against by this policy. The Company shall have the right to select counsel of its choice (subject to the right of the Insured to object for reasonable cause) to represent the Insured as to those stated causes of action.

It shall not be liable for and will not pay the fees of any other counsel. The Company will not pay any fees, costs, or expenses incurred by the Insured in the defense of those causes of action that allege matters not insured against by this policy.

(b) The Company shall have the right, in addition to the options contained in Section 7 of these Conditions, at its own cost, to institute and prosecute any action or proceeding or to do any other act that in its opinion may be necessary or desirable to establish the Title or the lien of the Insured Mortgage, as insured, or to prevent or reduce loss or damage to the Insured. The Company may take any appropriate action under the terms of this policy, whether or not it shall be liable to the Insured. The exercise of these rights shall not be an admission of liability or waiver of any provision of this policy. If the Company exercises its rights under this subsection, it must do so diligently.

(c) Whenever the Company brings an action or asserts a defense as required or permitted by this policy, the Company may pursue the litigation to a final determination by a court of competent jurisdiction, and it expressly reserves the right, in its sole discretion, to appeal any adverse judgment or order.

6. DUTY OF INSURED CLAIMANT TO COOPERATE

(a) In all cases where this policy permits or requires the Company to prosecute or provide for the defense of any action or proceeding and any appeals, the Insured shall secure to the Company the right to so prosecute or provide defense in the action or proceeding, including the right to use, at its option, the name of the Insured for this purpose. Whenever requested by the Company, the Insured, at the Company's expense, shall give the Company all reasonable aid (i) in securing evidence, obtaining witnesses, prosecuting or defending the action or proceeding, or effecting settlement, and (ii) in any other lawful act that in the opinion of the Company may be necessary or desirable to establish the Title, the lien of the Insured Mortgage, or any other matter as insured. If the Company is prejudiced by the failure of the Insured to furnish the required cooperation, the Company's obligations to the Insured under the policy shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation, with regard to the matter or matters requiring such cooperation.

(b) The Company may reasonably require the Insured Claimant to submit to examination under oath by any authorized representative of the Company and to produce for examination, inspection, and copying, at such reasonable times and places as may be designated by the authorized representative of the Company, all records, in whatever medium maintained, including books, ledgers, checks, memoranda, correspondence, reports, e-mails, disks, tapes, and videos whether bearing a date before or after Date of Policy, that reasonably pertain to the loss or damage. Further, if requested by any authorized representative of the Company, the Insured Claimant shall grant its permission, in writing, for any authorized representative of the Company to examine, inspect, and copy all of these records in the custody or control of a third party that reasonably pertain to the loss or damage. All information designated as confidential by the Insured Claimant provided to the Company pursuant to this Section shall not be disclosed to others unless, in the reasonable judgment of
the Company, it is necessary in the administration of the claim. Failure of the Insured Claimant to submit for examination under oath, produce any reasonably requested information, or grant permission to secure reasonably necessary information from third parties as required in this subsection, unless prohibited by law or governmental regulation, shall terminate any liability of the Company under this policy as to that claim.

7. OPTIONS TO PAY OR OTHERWISE SETTLE CLAIMS; TERMINATION OF LIABILITY

In the event of a claim under this policy, the Company shall have the following additional options:

(a) To Pay or Tender Payment of the Amount of Insurance or to Purchase the Indebtedness.

(i) To pay or tender payment of the Amount of Insurance under this policy together with any costs, attorneys’ fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment or tender of payment and that the Company is obligated to pay; or

(ii) To purchase the Indebtedness for the amount of the Indebtedness on the date of purchase, together with any costs, attorneys’ fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of purchase and that the Company is obligated to pay.

When the Company purchases the Indebtedness, the Insured shall transfer, assign, and convey to the Company the Indebtedness and the Insured Mortgage, together with any collateral security.

8. DETERMINATION AND EXTENT OF LIABILITY

This policy is a contract of indemnity against actual monetary loss or damage sustained or incurred by the Insured Claimant who has suffered loss or damage by reason of matters insured against by this policy.

(a) The extent of liability of the Company for loss or damage under this policy shall not exceed the least of

(i) the Amount of Insurance,

(b) If the Company pursues its rights under Section 5 of these Conditions and is unsuccessful in establishing the Title or the lien of the Insured Mortgage, as insured,

(i) the Amount of Insurance shall be increased by 10%, and

(ii) the Insured Claimant shall have the right to have the loss or damage determined either as of the date the claim was made by the Insured Claimant or as of the date it is settled and paid.

(c) In the event the Insured has acquired the Title in the manner described in Section 2 of these Conditions or has conveyed the Title, then the extent of liability of the Company shall continue as set forth in Section 8(a) of these Conditions,

10. REDUCTION OF INSURANCE; REDUCTION OR TERMINATION OF LIABILITY

the Authority nor the Trustee shall be affected by any notice to the contrary.

purpose of such payment in accordance with the provisions of this Section 3.9 shall be valid and effectual, to
the extent of the sum or sums so paid, to satisfy and discharge the liability upon such Series 2017 Bond in
respect of which such payment was made.

Bonds remain outstanding, there shall be permitted the exchange of Series 2017 Bonds at the principal

Trustee may make a charge sufficient to reimburse it for any tax, fee, or other governmental charge required to
be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting
such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or
transfer.

(c) The Trustee shall not be required to register the transfer or exchange of (a) any Series
2017 Bonds during the fifteen (15) day period next preceding the selection of Series 2017 Bonds to be
redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2017 Bonds selected
for redemption, or (b) any Series 2017 Bonds selected, called, or being called for redemption in whole or in
part, except in the case of any Series 2017 Bond to be redeemed in part, the portion thereof not so to be
redeemed.

to the Trustee of any temporary or mutilated Series 2017 Bonds, or Series 2017 Bonds transferred or
exchanged for other Series 2017 Bonds, or Series 2017 Bonds paid at maturity by the Authority, the same shall
forthwith be canceled and destroyed by the Trustee, and the Trustee, upon the request of the Authority, shall

(iii) Original executed counterparts of this Second Supplemental Indenture, the Second Supplemental Loan Agreement, the Fourth Supplemental Facilities Lease, and the Fourth Supplemental Ground Lease;

(iv) Signed copies of all opinions of counsel required in connection with the issuance of the Series 2017 Bonds and the transactions contemplated thereby;

(v) A request and authorization to the Trustee on behalf of the Authority and signed by its Chairman, Vice Chairman, Executive Director, Secretary, or an Assistant Secretary to authenticate and deliver the Series 2017 Bonds to the purchasers thereof and specifying the amounts to be deposited in the Series 2017 Cost of Issuance Account, the Replacement Fund, the Series 2017 Debt Service Reserve Fund, the Series 2017 Capitalized Interest Fund, and the Series 2017 Project Fund hereunder; and

(vi) A signed copy of the legal opinion of Jones Walker LLP, addressed to the Trustee, to the effect that (i) the Series 2017 Bonds are exempt from the registration requirements of the Securities Act of 1933, as amended, and this Second Supplemental Indenture is exempt from qualification under the Trust Indenture Act of 1939, as amended; and (ii) authorizing the Trustee to rely upon Bond Counsel’s approving opinion as if it were addressed to the Trustee.

(c) The Authority hereby authorizes and directs the Trustee to execute and deliver the Series 2017 Tax Regulatory Agreement dated the Closing Date, among the Authority, the Board, the Trustee, and the Corporation.

Section 3.13 Book-Entry Registration of Series 2017 Bonds.

(a) The Series 2017 Bonds shall be initially issued in the name of Cede & Co., as nominee for DTC, as registered owner of the Series 2017 Bonds, and held in the custody of DTC (or the Trustee as the agent of DTC under the F.A.S.T. delivery system). The Authority and the Trustee acknowledge that the Authority has executed and delivered a Blanket Letter of Representations with DTC and that the terms and provisions of said Letter of Representations shall govern in the event of any inconsistency between the provisions of this Second Supplemental Indenture and said Letter of Representations. A single bond certificate for each maturity of Series 2017 Bonds will be issued and delivered to DTC. The Beneficial Owners will not receive physical delivery of Series 2017 Bond certificates except as provided herein. Beneficial Owners are expected to receive a written confirmation of their purchase providing details of each Series 2017 Bond acquired. For so long as DTC shall continue to serve as securities depository for the Series 2017 Bonds as provided herein, all transfers of beneficial ownership interest will be made by book-entry only, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of Series 2017 Bonds is to receive, hold or deliver any Bond certificate.
(b) For every transfer and exchange of the Series 2017 Bonds, the Beneficial Owner may be charged a sum sufficient to cover such Beneficial Owner’s allocable share of any tax, fee or other governmental charge that may be imposed in relation thereto.

(c) The Authority, the Corporation and the Trustee will recognize DTC or its nominee as the Bondholder for all purposes, including notices and voting.

(d) Neither the Authority, the Trustee, the Corporation nor the Board is responsible for the performance by DTC of any of its obligations, including, without limitation, the payment of moneys received by DTC, the forwarding of notices received by DTC or the giving of any consent or proxy in lieu of consent.

(e) Whenever during the term of the Series 2017 Bonds the beneficial ownership thereof is determined by a book entry at DTC, the requirements of this Second Supplemental Indenture of holding, delivering or transferring Series 2017 Bonds shall be deemed modified to require the appropriate person to meet the requirements of DTC as to registering or transferring the book entry to produce the same effect.

(f) DTC may determine to discontinue providing its services with respect to the Series 2017 Bonds at any time by giving notice to the Authority and the Trustee and discharging its responsibilities with respect thereto under applicable law.

(g) The Authority, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the Series 2017 Bonds if the Authority determines that (i) DTC is unable to discharge its responsibilities with respect to the Series 2017 Bonds, or (ii) a continuation of the requirement that all of the outstanding Series 2017 Bonds be registered on the registration books kept by the Trustee in the name of Cede & Co., or any other nominee of DTC, is not in the best interest of the beneficial owners of the Series 2017 Bonds.

(h) Upon the termination of the services of DTC with respect to the Series 2017 Bonds pursuant to the above two paragraphs, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Authority is willing and able to undertake such functions upon reasonable and customary terms, the Authority is obligated to deliver Series 2017 Bonds to the owner, at the expense of the said owner as described in this Second Supplemental Indenture, and the Series 2017 Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names holders transferring or exchanging Series 2017 Bonds shall designate in accordance with the provisions of this Second Supplemental Indenture.

(i) Notwithstanding any other provision of this Second Supplemental Indenture to the contrary, so long as any Series 2017 Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Series 2017 Bond and all notices with respect to such Series 2017 Bond shall be made and given, respectively, in the manner provided in the Blanket Letter of Representations of the Authority dated November 17, 1998 and delivered to DTC.

(j) If at any time DTC ceases to hold the Series 2017 Bonds, all references herein to DTC shall be of no further force or effect.

Section 3.14 Provisions Related to Bond Insurance. As long as any Series 2017 Bonds insured by the Series 2017 Bond Insurer are outstanding and the Series 2017 Bond Insurer is not then in default under the
Series 2017 Bond Insurance Policy, then notwithstanding any provisions of the Indenture to the contrary, the provisions of this Section shall apply; provided, however, to the extent the Series 2017 Bond Insurer has made any payments under the Series 2017 Bond Insurance Policy it shall retain its rights of subrogation:

(a) The prior written consent of the Series 2017 Bond Insurer shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Series 2017 Debt Service Reserve Fund. Notwithstanding anything to the contrary set forth in the Indenture, amounts on deposit in the Series 2017 Debt Service Reserve Fund shall be applied solely to the payment of debt service due on the Series 2017 Bonds.

(b) Further to the rights granted to the Series 2017 Bond Insurer under Article VIII of the Indenture and as a term of the Indenture and each Series 2017 Bond, the Trustee and each owner of the Series 2017 Bonds appoint the Series 2017 Bond Insurer as their agent and attorney-in-fact with respect to the Series 2017 Bonds and agree that the Series 2017 Bond Insurer may at any time during the continuation of any proceeding by or against the Issuer, the Board, the Corporation or the University under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an “Insolvency Proceeding”) direct all matters relating to such Insolvency Proceeding, including without limitation, (A) all matters relating to any claim or enforcement proceeding in connection with an Insolvency Proceeding (a “Claim”), (B) the direction of any appeal of any order relating to any Claim, (C) the posting of any surety, supersedeas or performance bond pending any such appeal, and (D) the right to vote to accept or reject any plan of adjustment. In addition, the Trustee and each owner of the Series 2017 Bonds delegate and assign to the Series 2017 Bond Insurer, to the fullest extent permitted by law, the rights of the Trustee and each owner of the Series 2017 Bonds with respect to the Series 2017 Bonds in the conduct of any Insolvency Proceeding, including, without limitation, all rights of any party to an adversary proceeding or action with respect to any court order issued in connection with any such Insolvency Proceeding. Remedies granted to the Bondholders shall expressly include mandamus.

(c) The maturity of Series 2017 Bonds insured by the Series 2017 Bond Insurer shall not be accelerated without the consent of the Series 2017 Bond Insurer and in the event the maturity of the Series 2017 Bonds is accelerated, the Series 2017 Bond Insurer may elect, in its sole discretion, to pay accelerated principal and interest accrued, on such principal to the date of acceleration (to the extent unpaid by the Issuer) and the Trustee shall be required to accept such amounts. Upon payment of such accelerated principal and interest accrued to the acceleration date as provided above, the Series 2017 Bond Insurer's obligations under the Series 2017 Bond Insurance Policy with respect to such Series 2017 Bonds shall be fully discharged.

(d) The Series 2017 Bond Insurer is a third party beneficiary of the Indenture.

(e) The exercise of any provision of the Indenture which permits the purchase of Series 2017 Bonds in lieu of redemption shall require the prior written approval of the Series 2017 Bond Insurer if any Series 2017 Bond so purchased is not cancelled upon purchase.

(f) Unless the Series 2017 Bond Insurer otherwise directs, upon the occurrence and continuance of an Event of Default or an event which with notice or lapse of time would constitute an Event of Default, amounts on deposit in the Project Fund shall not be disbursed, but shall instead be applied to the payment of debt service or redemption price of the Series 2017 Bonds.

(g) The rights granted to the Series 2017 Bond Insurer under the Indenture or any other Bond Document to request, consent to or direct any action are rights granted to the Series 2017 Bond Insurer in consideration of its issuance of the Series 2017 Bond Insurance Policy. Any exercise by the Series 2017 Bond Insurer of such rights is merely an exercise of the Series 2017 Bond Insurer's contractual rights and, except as
otherwise provided in the Bond Documents, shall not be construed or deemed to be taken for the benefit, or on behalf, of the Bondholders and such action does not evidence any position of the Series 2017 Bond Insurer, affirmative or negative, as to whether the consent of the Bondowners or any other person is required in addition to the consent of the Series 2017 Bond Insurer.

(h) To accomplish defeasance of the Series 2017 Bonds, the Issuer shall cause to be delivered (i) a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to the Series 2017 Bond Insurer ("Accountant") verifying the sufficiency of the escrow established to pay the Series 2017 Bonds in full on the maturity or redemption date ("Verification"), (ii) an escrow deposit agreement (which shall be acceptable in form and substance to the Series 2017 Bond Insurer), (iii) an opinion of nationally recognized bond counsel to the effect that the Series 2017 Bonds are no longer "Outstanding" under the Indenture and (iv) a certificate of discharge of the Trustee with respect to the Series 2017 Bonds; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the Issuer, Trustee and Series 2017 Bond Insurer. The Series 2017 Bond Insurer shall be provided with final drafts of the above-referenced documentation not less than five business days prior to the funding of the escrow. Series 2017 Bonds shall be deemed "Outstanding" under the Indenture unless and until they are in fact paid and retired or the above criteria are met.

(i) Amounts paid by the Series 2017 Bond Insurer under the Series 2017 Bond Insurance Policy shall not be deemed paid for purposes of the Indenture and the Series 2017 Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the Issuer in accordance with the Indenture. The Indenture shall not be discharged unless all amounts due or to become due to the Series 2017 Bond Insurer have been paid in full or duly provided for.

If, on the third Business Day prior to the related scheduled interest payment date or principal payment date ("Payment Date") there is not on deposit with the Trustee, after making all transfers and deposits required under the Indenture, moneys sufficient to pay the principal of and interest on the Series 2017 Bonds due on such Payment Date, the Trustee shall give notice to the Series 2017 Bond Insurer and to its designated agent (if any) (the “Insurer's Fiscal Agent”) by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Series 2017 Bonds due on such Payment Date, the Trustee shall make a claim under the Series 2017 Bond Insurance Policy and give notice to the Series 2017 Bond Insurer and the Insurer's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Series 2017 Bonds and the amount required to pay principal of the Series 2017 Bonds, confirmed in writing to the Series 2017 Bond Insurer and the Insurer's Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Series 2017 Bond Insurance Policy.

The Trustee shall designate any portion of payment of principal on Series 2017 Bonds paid by the Series 2017 Bond Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Series 2017 Bonds registered to the then current Bondholder, whether DTC or its nominee or otherwise, and shall issue a replacement Series 2017 Bond to the Series 2017 Bond Insurer, registered in the name of Assured Guaranty Municipal Corp., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee's failure to so designate any payment or issue any replacement Series 2017 Bond shall
have no effect on the amount of principal or interest payable by the Issuer on any Series 2017 Bond or the subrogation rights of the Series 2017 Bond Insurer.

The Trustee shall keep a complete and accurate record of all funds deposited by the Series 2017 Bond Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Series 2017 Bond. The Series 2017 Bond Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

Upon payment of a claim under the Series 2017 Bond Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of owners of the Series 2017 Bonds referred to herein as the “Policy Payments Account” and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Series 2017 Bond Insurance Policy in trust on behalf of owners of the Series 2017 Bonds and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to owners of the Series 2017 Bonds in the same manner as principal and interest payments are to be made with respect to the Series 2017 Bonds under the sections hereof regarding payment of Series 2017 Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything herein to the contrary, the Issuer agrees to pay to the Series 2017 Bond Insurer, solely from the Trust Estate, (i) a sum equal to the total of all amounts paid by the Series 2017 Bond Insurer under the Series 2017 Bond Insurance Policy (the “Insurer Advances”); and (ii) to the extent permitted by law, interest on such Insurer Advances from the date paid by the Series 2017 Bond Insurer until payment thereof in full, payable to the Series 2017 Bond Insurer at the Late Payment Rate per annum (collectively, the “Insurer Reimbursement Amounts”). “Late Payment Rate” means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Series 2017 Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. The Issuer hereby covenants and agrees that the Insurer Reimbursement Amounts are secured by a lien on and pledge of the Trust Estate and payable from such Trust Estate on a parity with debt service due on the Series 2017 Bonds.

Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the Policy Payments Account following a Payment Date shall promptly be remitted to the Series 2017 Bond Insurer.

(k) The Series 2017 Bond Insurer shall, to the extent it makes any payment of principal of or interest on the Series 2017 Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Series 2017 Bond Insurance Policy (which subrogation rights shall also include the rights of any such recipients in connection with any Insolvency Proceeding). Each obligation of the Issuer to the Series 2017 Bond Insurer under the Bond Documents shall survive discharge or termination of such Bond Documents.

(l) The Issuer shall pay or reimburse the Series 2017 Bond Insurer, solely from amounts paid by the Corporation from Additional Rentals paid by the Board pursuant to the Facilities Lease and to the extent permitted by law, any and all charges, fees, costs and expenses that the Series 2017 Bond Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any
rights or security in any Bond Document; (ii) the pursuit of any remedies under the Indenture or any other Bond Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Indenture or any other Bond Document whether or not executed or completed, or (iv) any litigation or other dispute in connection with the Indenture or any other Bond Document or the transactions contemplated thereby, other than costs resulting from the failure of the Series 2017 Bond Insurer to honor its obligations under the Series 2017 Bond Insurance Policy. The Series 2017 Bond Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Indenture or any other Bond Document.

(m) After payment of reasonable expenses of the Trustee, the application of funds realized upon default shall be applied to the payment of expenses of the Issuer or rebate only after the payment of past due and current debt service on the Bonds and amounts required to restore each Debt Service Reserve Fund to its respective Debt Service Reserve Fund Requirement.

(n) The Series 2017 Bond Insurer shall be entitled to pay principal or interest on the Series 2017 Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Series 2017 Bond Insurance Policy) and any amounts due on the Series 2017 Bonds as a result of acceleration of the maturity thereof in accordance with the Indenture, whether or not the Series 2017 Bond Insurer has received a Notice of Nonpayment (as such terms are defined in the Series 2017 Bond Insurance Policy) or a claim upon the Series 2017 Bond Insurance Policy.

(o) The notice address of the Series 2017 Bond Insurer is: Assured Guaranty Municipal Corp., 1633 Broadway, New York, New York 10019, Attention: Managing Director – Surveillance, Re: Policy No. ______-N, Telephone: (212) 974-0100; Telecopier: (212) 339-3556. In each case in which notice or other communication refers to an Event of Default, then a copy of such notice or other communication shall also be sent to the attention of the General Counsel and shall be marked to indicate “URGENT MATERIAL ENCLOSED.”

(p) The Series 2017 Bond Insurer shall be provided with the following information by the Issuer, the Corporation or the Trustee, as the case may be:

(i) The fiscal year budget of the Board within thirty (30) days after adoption of such budget;
(ii) Annual audits prepared by the Legislative Auditor of the State of Louisiana, within two hundred and ten (210) days of the completion of the Board’s fiscal year or such later date as may be extended with the approval of the Legislative Auditor of the State of Louisiana and the Series 2017 Bond Insurer, together with a certification of the Board stating that no Event of Default has occurred or is continuing under the Bond Documents);
(iii) Notice of any draw upon the Series 2017 Debt Service Reserve Fund within two Business Days after knowledge thereof other than (i) withdrawals of amounts in excess of the Series 2017 Debt Service Reserve Fund Requirement and (ii) withdrawals in connection with a refunding of Series 2017 Bonds;
(iv) Notice of any default known to the Trustee, the Board or the Issuer within five Business Days after knowledge thereof;
(v) Prior notice of the advance refunding or redemption of any of the Series 2017 Bonds, including the principal amount, maturities and CUSIP numbers thereof;
(vi) Notice of the resignation or removal of the Trustee and Bond Registrar and the appointment of, and acceptance of duties by, any successor thereto;

(vii) Notice of the commencement of any Insolvency Proceeding;

(viii) Notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of, or interest on, the Series 2017 Bonds;

(ix) A full original transcript of all proceedings relating to the execution of any amendment, supplement, or waiver to the Bond Documents;

(x) All reports, notices and correspondence to be delivered to Bondholders under the terms of the Bond Documents; and

(xi) Within thirty (30) days following any litigation or investigation that may have a material adverse effect on the Trust Estate, notice of such litigation or investigation.

In addition, to the extent that the Issuer or the Corporation has entered into a continuing disclosure agreement, covenant or undertaking with respect to the Series 2017 Bonds, all information furnished pursuant to such agreements shall also be provided to the Insurer, simultaneously with the furnishing of such information.

(q) The Series 2017 Bond Insurer shall have the right to receive such additional information as it may reasonably request.

(r) The Issuer and the Corporation will permit the Series 2017 Bond Insurer to discuss the affairs, finances and accounts of the Issuer and the Corporation or any information the Series 2017 Bond Insurer may reasonably request regarding the security for the Series 2017 Bonds with appropriate officers of the Issuer and the Corporation and will use commercially reasonable efforts to enable the Series 2017 Bond Insurer to have access to the facilities, books and records of the Issuer and the Corporation on any business day upon reasonable prior notice.

(s) The Trustee shall notify the Series 2017 Bond Insurer of any known failure of the Issuer, the Corporation and the Board to provide notices, certificates and other information under the Bond Documents.

(t) Notwithstanding satisfaction of the other conditions to the issuance of Additional Bonds set forth in Article V of the Indenture, no such issuance may occur unless each Debt Service Reserve Fund is fully funded at the respective Debt Service Reserve Fund Requirement (including the proposed issue) upon the issuance of such Additional Bonds, in either case unless otherwise permitted by the Bond Insurer.

(u) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Indenture would adversely affect the security for the Series 2017 Bonds or the rights of the Bondholders, the Trustee shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Series 2017 Bond Insurance Policy.

(v) No contract shall be entered into or any action taken by which the rights of the Series 2017 Bond Insurer or security for or sources of payment of the Series 2017 Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Series 2017 Bond Insurer.
(w) No interest rate exchange agreement or any other interest rate maintenance agreement shall be entered into that is payable from the Trust Estate without the prior written consent of the Series 2017 Bond Insurer.

(a) Series 2017 Bond Proceeds Fund and a Series 2017 Costs of Issuance Account therein;
(b) Series 2017 Project Fund;
(c) Series 2017 Capitalized Interest Fund;
(d) Series 2017 Debt Service Fund, and the following accounts therein:

(f) Series 2017 Rebate Fund.

Section 4.2 Series 2017 Bond Proceeds Fund.

(a) On or prior to the Closing Date, the Series 2017 Bond Proceeds Fund shall be used to receive the proceeds of the Series 2017 Bonds [and the Board Contribution]. Any funds received prior to the Closing Date may be held uninvested. On the Closing Date, the Trustee shall disburse amounts held in the Series 2017 Bond Proceeds Fund as follows:

   (i) to retain such sum in the Series 2017 Costs of Issuance Account as may be specified in the request and authorization delivered pursuant to Section 3.12 hereof;
   (ii) to transfer to the Series 2017 Capitalized Interest Fund such amount as may be specified in the request and authorization delivered pursuant to Section 3.12 hereof; and
   (iii) to transfer to the Series 2017 Project Fund the balance of the proceeds of the Series 2017 Bonds [and the Board Contribution].

(b) Amounts deposited on the Closing Date into the Series 2017 Costs of Issuance Account of the Series 2017 Bond Proceeds Fund shall be disbursed, pursuant to the written instructions of the
Authority, to pay Costs of Issuance. The Trustee is authorized and directed to pay such Costs of Issuance in accordance with the payment instructions set forth in the respective invoices submitted to the Trustee for payment pursuant to such written instructions of the Authority. Any amounts remaining in the Series 2017 Costs of Issuance Account one hundred and eighty (180) days after delivery of the Series 2017 Bonds (and not specifically committed to pay additional Costs of Issuance) shall be deposited into the Series 2017 Project Fund.

Section 4.3 Series 2017 Debt Service Fund. The Trustee shall deposit into the applicable account of the Series 2017 Debt Service Fund the amounts required by Section 4.8 of this Second Supplemental Indenture.

(a) Moneys on deposit in the Interest Account of the Series 2017 Debt Service Fund shall be used solely to pay the interest on the Series 2017 Bonds as it becomes due and payable, whether on an Interest Payment Date, at maturity, or upon acceleration and to reimburse the Series 2017 Bond Insurer in respect of interest on the Series 2017 Bonds paid under the Bond Insurance Policy.

(b) Moneys on deposit in the Principal Account of the Series 2017 Debt Service Fund shall be used solely to pay the principal of the Series 2017 Bonds as it becomes due and payable, whether at maturity, prior redemption, or upon scheduled sinking fund redemption and to reimburse the Series 2017 Bond Insurer in respect of principal of the Series 2017 Bonds paid under the Bond Insurance Policy; and, if funds are available for such purpose and at the written direction of the Authority, to effect the redemption of the Series 2017 Bonds prior to their maturity in accordance with the redemption provisions hereof or the purchase of Series 2017 Bonds prior to their maturity in the open market at a price not in excess of the then applicable redemption price (the principal amount thereof, premium, if any, plus accrued interest).

(c) Whenever and to the extent that money on deposit in the Interest Account or the Principal Account is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2017 Bonds, the Trustee shall transfer money from the Surplus Fund, the Replacement Fund, and the Series 2017 Debt Service Reserve Fund, in that order.

Section 4.4 Series 2017 Project Fund. The Series 2017 Project Fund and the accounts therein shall be maintained by the Trustee in trust and shall be used to receive the immediate transfer from the balance of the proceeds of the Series 2017 Bonds in the amounts specified in the request and authorization delivered pursuant to Section 3.12(b)(v) hereof and as provided in Section 4.2(a)(iii) hereof and any future Extraordinary Rental payment received by the Trustee from or on behalf of the Corporation with written instructions to deposit such Extraordinary Rental payments into the Series 2017 Project Fund. Moneys in the Series 2017 Project Fund shall be applied to the payment of the Costs of the Series 2017 Facilities pursuant to the procedure established in Section 4.18 hereof and, pending such application, shall be subject to a lien and charge in favor of the Bondholders for the further security of such Bondholders until paid out or transferred as herein provided.

Section 4.5 Series 2017 Capitalized Interest Fund. The Series 2017 Capitalized Interest Fund shall be maintained with the Trustee and shall be funded on the date of delivery of the Series 2017 Bonds from the proceeds thereof. On each date on which the Issuer is required to transfer moneys to the Series 2017 Debt Service Fund pursuant to Section 4.8 hereof, prior to making any such transfer the Trustee shall transfer amounts on deposit in the Series 2017 Capitalized Interest Fund to the appropriate accounts of the Series 2017 Debt Service Fund in the amounts required by such subsections or such lesser amount as shall then remain in
the Series 2017 Capitalized Interest Fund. The Trustee shall reduce the amount required to be transferred to the Series 2017 Debt Service Fund pursuant to Section 4.8 hereof by any amounts transferred to the Series 2017 Debt Service Fund pursuant to the provisions of this Section. Earnings on amounts in the Series 2017 Capitalized Interest Fund shall be retained therein.

Section 4.6 Replacement Fund. The Replacement Fund shall be maintained with the Trustee and used to fund the cost of replacing any worn out, obsolete, inadequate, unsuitable, or undesirable property, furniture, fixtures, or equipment placed upon or used in connection with the Facilities. Moneys in the Replacement Fund will also be transferred to the Interest Account and/or the Principal Account of the Series 2004 Debt Service Fund, the Series 2013 Debt Service Fund, or the Series 2017 Debt Service Fund whenever and to the extent that money on deposit in such Accounts, together with money available therefor in the Surplus Fund, is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004B Bonds, the Series 2013 Bonds, or the Series 2017 Bonds.

Section 4.7 Series 2017 Rebate Fund. Moneys deposited and held in the Series 2017 Rebate Fund shall be used to make all rebate payments owed to the United States under the Code, and shall not be subject to the pledge of this Second Supplemental Indenture. The Corporation shall make the calculation(s) required by the Code and the Series 2017 Tax Regulatory Agreement and Arbitrage Certificate and shall direct the Trustee to make deposits to and make disbursements from the Series 2017 Rebate Fund that the Corporation determines are in accordance therewith. The Series 2017 Tax Regulatory Agreement and any provisions of this Second Supplemental Indenture governing deposits to the Series 2017 Rebate Fund may be superseded or amended by the Corporation (except the requirement of annual calculations and deposits to the Series 2017 Rebate Fund, if required) if accompanied by an opinion of Bond Counsel addressed to the Corporation and the Trustee to the effect that the use of the new Series 2017 Tax Regulatory Agreement will not cause the interest on the Series 2017 Bonds to become includable in gross income of the recipient thereof for federal tax purposes.

Section 4.8 Receipts Fund. There shall be deposited into the Receipts Fund all funds received from or paid on behalf of the Board under the Facilities Lease, including: (i) daily, all rents, charges, and other amounts, held in the deposit account maintained by the Management Company pursuant any Management Agreement; and (ii) all Lawfully Available Funds from the Board used to make Base Rental Payments pursuant to the Facilities Lease. The Trustee will transfer the amount so deposited in the Receipts Fund to the Series 2004 Debt Service Fund, the Series 2013 Debt Service Fund, and the Series 2017 Debt Service Fund without distinction or priority. (h) On the twenty-fifth (25th) day of each month following any drawing on the Series 2004 Debt Service Reserve Fund in accordance with Section 4.21 of the Original Indenture, any drawing on the Series 2013 Debt Service Reserve Fund in accordance with Section 4.18 of the First Supplemental Indenture, or any drawing on the Series 2017 Debt Service Reserve Fund in accordance with Section 4.9 hereof, an amount equal to the lesser of (i) one twelfth (1/12th) of the amount necessary to cause the amount on deposit in the Series 2004 Debt Service Reserve Fund to equal the Series 2004 Debt Service Reserve Fund Requirement, the Series 2013 Debt Service Reserve Fund to equal the Series 2013 Debt Service Reserve Fund Requirement, and the Series 2017 Debt Service Reserve Fund to equal the Series 2017 Debt Service Reserve Fund Requirement within twelve (12) months or (ii) the excess of the Series 2004 Debt Service Reserve Fund Requirement, the Series 2013 Debt Service Reserve Fund Requirement, or the Series 2017 Debt Service Reserve Fund Requirement over the amount on deposit in the Series 2004 Debt Service Reserve Fund, the Series 2013 Debt Service Reserve Fund, or the Series 2017 Debt Service Reserve Fund;

Section 4.9 Series 2017 Debt Service Reserve Fund.

(b) Whenever the amount in the Series 2017 Debt Service Reserve Fund, together with the amount in the Series 2017 Debt Service Fund is sufficient to pay in full all Outstanding Series 2017 Bonds in accordance with their terms (including principal or applicable premium and interest thereon), the funds on deposit in the Series 2017 Debt Service Reserve Fund shall be transferred to the Series 2017 Debt Service Fund and shall be available to pay all Outstanding Series 2017 Bonds. Prior to said transfer, all investments held in the Series 2017 Debt Service Reserve Fund shall be liquidated to the extent necessary in order to provide for the timely payment of principal and interest (or redemption premium) on the Series 2017 Bonds.

(c) In lieu of the required deposits or transfers to the Series 2017 Debt Service Reserve Fund or to provide for the removal of all or a portion of the amounts on deposit in the Series 2017 Debt Service Reserve Fund, the Authority may, with the prior written consent of the Series 2017 Bond Insurer, cause to be deposited into the Series 2017 Debt Service Reserve Fund a surety bond or an insurance policy satisfactory in form and substance to the Series 2017 Bond Insurer for the benefit of the holders of the Series 2017 Bonds or a letter of credit in an amount equal to (i) the difference between the Series 2017 Debt Service Reserve Requirement and
the sums then on deposit in the Series 2017 Debt Service Reserve Fund, if any, or (ii) the Series 2017 Debt Service Reserve Requirement. The surety bond, insurance policy or letter of credit shall be payable (upon the giving of notice as required thereunder) on any due date on which monies will be required to be withdrawn from the Series 2017 Debt Service Reserve Fund and applied to the payment of principal or interest on any Series 2017 Bonds when such withdrawal cannot be met by amounts on deposit in the Series 2017 Debt Service Reserve Fund or provided from any other Fund under this Second Supplemental Indenture. The insurer providing such surety bond or insurance policy shall be an insurer whose municipal bond insurance policies insuring the payment, when due, of the principal of and interest on municipal bond issues results in such issues being rated not lower than AA by S&P or Aa by Moody’s. The letter of credit issuer shall be a bank or trust company that is rated not lower than not lower than AA by S&P or Aa by Moody’s, and the letter of credit itself shall be rated not lower than AA by S&P or Aa by Moody’s. If a disbursement is made pursuant to a surety bond, an insurance policy or a letter of credit provided pursuant to this subsection, The Authority shall be obligated either (i) to reinstate the maximum limits of such surety bond, insurance policy or letter of credit or (ii) to deposit into the Series 2017 Debt Service Reserve Fund, funds in the amount of the disbursement made under such surety bond, insurance policy or letter of credit, or a combination of such alternatives, as shall provide that the amount in the Series 2017 Debt Service Reserve Fund equals the Series 2017 Debt Service Reserve Requirement. In connection with its obligation to provide for any reinstatement of amounts on deposit in the Series 2017 Debt Service Reserve Fund to the Series 2017 Debt Service Reserve Requirement, the Authority may agree to provide the insurer or the Authority of such letter of credit a pledge of the amounts to be deposited in the Series 2017 Debt Service Reserve Fund to provide for such reinstatement provided, however, such obligation shall be subject and subordinate to the pledge created by this Second Supplemental Indenture as security for the Series 2017 Bonds. Reimbursement of amounts paid by an insurer under a surety bond, insurance policy or letter of credit, including interest thereon, shall be made on a monthly basis commencing in the first month following each draw and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of such draw and the interest due thereon and shall be credited first to the principal due and then to interest due. In the event that the rating attributable to any insurer providing any surety bond or insurance policy (other than the Surety Provider) or any bank or trust company providing any letter of credit held as above provided in the Series 2017 Debt Service Reserve Fund shall fall below that required as above provided, the Authority shall use its best efforts to replace, as soon as possible, such surety bond, insurance policy or letter of credit with a surety bond, insurance policy or letter of credit which shall be satisfactory to the Series 2017 Bond Insurer and meet the above provided requirements.

(d) In the event that the Series 2017 Debt Service Reserve Fund contains both cash and a surety bond, insurance policy or letter of credit and a disbursement from the Series 2017 Debt Service Reserve Fund is required hereunder, the Trustee shall draw such disbursement first from cash on hand in the Series 2017 Debt Service Reserve Fund until the cash is completely drawn down before making any draw on the surety bond, insurance policy or letter of credit.

(e) In the event that the Trustee makes a disbursement from any surety bond, insurance policy or letter of credit in the Series 2017 Debt Service Reserve Fund, the Authority shall use any available funds first to reimburse the Authority of such surety bond, insurance policy or letter of credit prior to using such funds to replenish the Series 2017 Debt Service Reserve Fund with any cash necessary to meet the Series 2017 Debt Service Reserve Requirement.

(f) In the event of the refunding of any Series 2017 Bonds, the Trustee shall, if the Authority so directs, withdraw from the Series 2017 Debt Service Reserve Fund all, or any portion of, the amounts accumulated therein with respect to the Series 2017 Bonds being refunded and deposit such amounts to be held for the payment of the principal or redemption premium, if applicable, and interest on the Series 2017 Bonds
being refunded; provided that such withdrawal shall not be made unless (i) immediately thereafter the Series 2017 Bonds being refunded shall be deemed to have been paid pursuant to Article XII and (ii) the amount remaining in the Series 2017 Debt Service Reserve Fund, after giving effect to the issuance of the refunding bonds and the disposition of the proceeds thereof, shall not be less than the Series 2017 Debt Service Reserve Fund Requirement.

Section 4.10 Debt Service Reserve Fund Surety Policy Provisions. Notwithstanding anything to the contrary set forth in the Indenture, the following provisions shall apply as long as the Series 2017 Reserve Policy is in effect:

(a) The Issuer shall repay, or cause the Corporation to repay, any draws under the Series 2017 Reserve Policy and pay all related reasonable expenses incurred by the Series 2017 Insurer and shall pay interest thereon from the date of payment by the Series 2017 Bond Insurer at the Late Payment Rate. "Late Payment Rate" means the lesser of (x) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Series 2017 Bonds and (y) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event JPMorgan Chase Bank ceases to announce its Prime Rate publicly, Prime Rate shall be the publicly announced prime or base lending rate of such national bank as the Series 2017 Bond Insurer shall specify. If the interest provisions of this subparagraph (a) shall result in an effective rate of interest which, for any period, exceeds the limit of the usury or any other laws applicable to the indebtedness created herein, then all sums in excess of those lawfully collectible as interest for the period in question shall, without further agreement or notice between or by any party hereto, be applied as additional interest for any later periods of time when amounts are outstanding hereunder to the extent that interest otherwise due hereunder for such periods plus such additional interest would not exceed the limit of the usury or such other laws, and any excess shall be applied upon principal immediately upon receipt of such moneys by the Series 2017 Bond Insurer, with the same force and effect as if the Issuer or the Corporation had specifically designated such extra sums to be so applied and the Series 2017 Bond Insurer had agreed to accept such extra payment(s) as additional interest for such later periods. In no event shall any agreed-to or actual exaction as consideration for the indebtedness created herein exceed the limits imposed or provided by the law applicable to this transaction for the use or detention of money or for forbearance in seeking its collection.

Repayment of draws and payment of expenses and accrued interest thereon at the Late Payment Rate (collectively, "Policy Costs") shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of Policy Costs related to such draw.

Amounts in respect of Policy Costs paid to the Series 2017 Bond Insurer shall be credited first to interest due, then to the expenses due and then to principal due. As and to the extent that payments are made to the Series 2017 Bond Insurer on account of principal due, the coverage under the Series 2017 Reserve Policy will be increased by a like amount, subject to the terms of the Series 2017 Reserve Policy. The obligation to pay Policy Costs shall be secured by a valid lien on all revenues and other collateral pledged as security for the Series 2017 Bonds (subject only to the priority of payment provisions set forth under the Indenture).

All cash and investments in the Series 2017 Debt Service Reserve Fund shall be transferred to the Debt Service Fund for payment of debt service on the Series 2017 Bonds before any drawing may be made on the Series 2017 Reserve Policy or any other credit facility credited to the Series 2017 Debt Service Reserve
Fund in lieu of cash ("Credit Facility"). Payment of any Policy Costs shall be made prior to replenishment of any such cash amounts. Draws on all Credit Facilities (including the Series 2017 Reserve Policy) on which there is available coverage shall be made on a pro-rata basis (calculated by reference to the coverage then available thereunder) after applying all available cash and investments in the Reserve Fund. Payment of Policy Costs and reimbursement of amounts with respect to other Credit Facilities shall be made on a pro-rata basis prior to replenishment of any cash drawn from the Reserve Fund. For the avoidance of doubt, “available coverage” means the coverage then available for disbursement pursuant to the terms of the applicable alternative credit instrument without regard to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.

(b) If either the Issuer or the Corporation shall fail to pay any Policy Costs in accordance with the requirements of subparagraph (a) hereof, the Series 2017 Bond Insurer shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under the Indenture other than (i) acceleration of the maturity of the Series 2017 Bonds or (ii) remedies which would adversely affect owners of the Series 2017 Bonds.

(c) The Indenture shall not be discharged until all Policy Costs owing to the Series 2017 Bond Insurer shall have been paid in full. The Issuer's obligation to pay such amounts shall expressly survive payment in full of the Series 2017 Bonds.

(d) The Issuer shall include any Policy Costs then due and owing the Series 2017 Bond Insurer in the calculation of the additional bonds test and the rate covenant in the Bond Documents.

(e) The Trustee shall ascertain the necessity for a claim upon the Series 2017 Reserve Policy in accordance with the provisions of subparagraph (a) hereof and provide notice to the Series 2017 Bond Insurer in accordance with the terms of the Series 2017 Reserve Policy at least three (3) Business Days prior to each date upon which interest or principal is due on the Series 2017 Bonds.

Nothing in this Section 4.10 is intended to require or obligate nor shall anything herein be interpreted to require or obligate the Issuer for any purpose or at any time whatsoever, to provide, apply or expend any funds coming into the hands of the Issuer other than from the Trust Estate, which Trust Estate shall include without limitation payments under Section 6 of the Facilities Lease.

Section 4.11 Surplus Fund. The Surplus Fund will continue to be maintained with the Trustee. Upon satisfaction of certain performance covenants contained in the Indenture, funds on deposit in the Surplus Fund at the end of any Fiscal Year may be transferred to the University. Until such transfer, moneys in the Surplus Fund will be available to be transferred to the Interest Account and/or the Principal Account of the Series 2004 Debt Service Fund, Series 2013 Debt Service Fund, or the Series 2017 Debt Service Fund whenever and to the extent that money on deposit in such Accounts is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004B Bonds, the Series 2013 Bonds, or the Series 2017 Bonds.

Section 4.12 Investments. Moneys contained in the funds and accounts held by the Trustee under Section 4.1 of this Second Supplemental Indenture shall be continuously invested and reinvested by the Trustee at the direction of the Corporation in Permitted Investments, to the extent practicable, that shall mature (or be readily convertible to cash) not later than the respective dates, as estimated by the Corporation, when the moneys in said Funds and Accounts shall be required for the purposes intended, and:
(i) No such investment shall be required to be made unless the cash at the time available therefor is at least equal to $1,000;

(ii) The Trustee shall be authorized, to the extent necessary to enable the Trustee to discharge or perform its obligations hereunder, at any one or more times to sell any part or all of the investments whenever it may, for any reason or purpose whatsoever, deem any such sale to be desirable;

(iii) Any income derived from and any profit or loss on any such investment of moneys on deposit in any such fund or account shall be credited or debited, as the case may be, to the respective fund or account in which earned;

(iv) No Permitted Investments in any fund or account may mature beyond the latest maturity date of any Series 2017 Bonds outstanding at the time such Permitted Investments are deposited. For the purposes of this section, the maturity date of repurchase agreements for obligations is the maturity date of such repurchase agreements and not the maturity date of the underlying obligation; and

(b) An Authorized Corporation Representative shall give to the Trustee directions respecting the investment of any money required to be invested hereunder, subject, however, to the provisions of this Article and Article V of the Second Supplemental Loan Agreement, and the Trustee shall then invest such money under this Section as so directed. The Trustee shall in no event have any liability for any loss resulting from the investment of moneys in accordance with the directions of the Authorized Corporation Representative. The Trustee shall furnish the Authority annually with a written copy and the Corporation with a written copy for the Board, on at least a monthly basis, of the types, amounts, yield and maturities of all such investments.

(c) All cash investments shall be valued by the Trustee as frequently as deemed necessary by the Trustee, but not less often than annually, at the market value thereof. Deficiencies in the amount on deposit in any fund or account resulting from a decline in market value shall be restored no later than the succeeding valuation date.

Section 4.13 Depository of Moneys and Security for Deposits. All of the funds and accounts established hereunder (except for the Series 2017 Rebate Fund) shall be special trust accounts held by the Trustee in trust for the benefit of the owners of the Series 2017 Bonds and shall not be subject to lien or attachment by any creditors of the Trustee, the Authority, the Corporation, or the Board. Uninvested sums in these funds and accounts shall be continually secured as are deposits of uninvested sinking funds of political subdivisions of the State or in the manner prescribed by Federal law for securing any Federal trust funds as may be prescribed from time to time by the Comptroller of the Currency.

Section 4.14 Arbitrage. Notwithstanding all the provisions hereof, the Authority or the Corporation shall not direct the investment of moneys in the various funds and accounts created hereunder in a manner that would result in the loss of exclusion from gross income of interest on the Series 2017 Bonds for Federal income tax purposes or in such manner which would result in the Series 2017 Bonds becoming “arbitrage bonds” within the meaning of Section 148 of the Code.

Section 4.15 Payments from the Series 2017 Project Fund.

(a) Payment of the Costs of the Series 2017 Facilities shall be made from the proceeds of the Series 2017 Bonds deposited into the Series 2017 Project Fund; provided, however that interest earnings on
the amounts deposited into the Series 2017 Project Fund shall be transferred semi-annually fifteen (15) days prior to each Interest Payment Date, to the corresponding account of the Series 2017 Debt Service Fund and used to make the next payment of interest on the Series 2017 Bonds. All payments from the Series 2017 Project Fund shall be subject to the provisions and restrictions set forth in this Article, and the Authority covenants that it will not cause or permit to be paid from the Series 2017 Project Fund any sums except in accordance with such provisions and restrictions.

(b) Moneys in the Series 2017 Project Fund shall be used to pay the Costs of the Series 2017 Facilities; provided that if an Event of Default under the Second Supplemental Agreement or this Second Supplemental Indenture has occurred and is continuing, the Trustee shall transfer moneys in the Series 2017 Project Fund to the appropriate account of the Series 2017 Debt Service Fund for the purpose of paying the principal of and interest on the Series 2017 Bonds.

Section 4.16 Costs of the Series 2017 Facilities. For the purpose of this Second Supplemental Indenture, the Costs of the Series 2017 Facilities shall embrace such costs as are eligible costs within the purview of the Act and, with respect to the Series 2017 Bonds, the Code and, without intending thereby to limit or restrict any proper definition of such costs, shall include the following:

(a) obligations incurred by the Corporation for the benefit of the Board with respect to the lease of the Land and the design, acquisition, construction, demolition, and installation of the Series 2017 Facilities, for labor, materials, and services provided by contractors, builders, and others in connection with the demolition, construction, and equipping of the Series 2017 Facilities, machinery and equipment, necessary water and sewer lines and connections, utilities and landscaping, the restoration or relocation of any property damaged or destroyed in connection with such construction, the removal, demolition or relocation of any structures, and the clearing of lands and the reasonably allocable expenses of the Corporation with respect to the Series 2017 Facilities; the cost of acquiring by purchase, if deemed expedient, or leasing such Land, rights, rights of way, servitudes, easements, franchises, and other interests as may be deemed necessary or convenient by the Authorized Corporation Representative for the construction and equipping of the Series 2017 Facilities, the cost of options and partial payments thereon, the cost of demolishing or removing any buildings or structures on land so acquired, including the cost of acquiring any lands to which such buildings or structures may be moved and the amount of any damages incident to or consequent upon the construction of the Series 2017 Facilities;

(c) interest on the Series 2017 Bonds prior to the establishment of the completion date of the Series 2017 Facilities pursuant to Section 3.7 of the Second Supplemental Loan Agreement, and the reasonable fees and expenses, including counsel fees, of the Trustee for its services prior to and during construction, and premiums on insurance, if any, in connection with the Series 2017 Facilities;

(d) the cost of borings and other preliminary investigations, if any, to determine foundation or other conditions, expenses necessary or incident to determining the feasibility or practicability of constructing the Series 2017 Facilities and fees and expenses of engineers, architects, management consultants for making studies, surveys and estimates of cost and of revenues and other estimates, costs of environmental surveys, reports and remediation, and fees and expenses of engineers and architects for preparing plans and specifications and supervising construction as well as for the performance of all other duties of engineers and architects set forth herein in relation to the acquisition and construction of the Series 2017 Facilities and the issuance of the Series 2017 Bonds therefor;

(e) other items of expense not elsewhere in this Section specified incident to the lease of the Land and the demolition, design, construction, and equipping of the Series 2017 Facilities and the
financing thereof, including professional fees, moving expenses, the acquisition of lands, property, rights, rights of way, easements, franchises, and interest in or relating to lands, including title insurance, cost of demand surveys, other surveys, and other expenses in connection with such acquisition, legal fees and expenses, and expenses of administration and overhead, all properly chargeable, in the opinion of the Authorized Corporation Representative, to the acquisition, demolition, construction, and equipping of the Series 2017 Facilities; and

(f) any obligation or expense heretofore or hereafter incurred or paid by the Corporation for or in connection with any of the foregoing purposes, including general legal fees and expenses incurred in connection with the Series 2017 Facilities.

Section 4.17 Requisitions from the Series 2017 Project Fund.

(a) Payments from the Series 2017 Project Fund shall be made in accordance with the provisions of this Section. In connection with a payment from the Series 2017 Project Fund, there shall be filed with the Trustee a requisition, substantially in the form of Exhibit B attached hereto and made a part hereof, signed by an Authorized Corporation Representative, stating:

(i) the item number of each such payment;

(ii) the name of the person, firm, or corporation to whom each such payment is due, or, if such payment has been made by the Corporation, that the Trustee is to reimburse the Corporation directly for such payment;

(iii) the respective amounts to be paid;

(iv) the purpose by general classification for which each obligation to be paid was incurred;

(v) that obligations in the stated amounts have been incurred by the Corporation and are either (A) presently due and payable or (B) have been paid by the Corporation and that each item thereof is a proper charge against the Series 2017 Project Fund and has not been the subject of any prior requisition;

(vi) that such requisition contains no item representing payment on account of any retainage to which the Corporation is entitled at the date of such requisition; and

(vii) a certification that all work, materials, supplies, and equipment that are the subject of such requisition have been performed or delivered and are in accordance with the description of the Series 2017 Facilities referred to above.

(b) Upon receipt of each requisition, the Trustee shall pay the obligations set forth in such requisition out of the money in the Series 2017 Project Fund, and each such obligation shall be paid by check signed by one or more officers or employees of the Trustee designated for such purpose by the Trustee or by wire transfer or credit to an account of the Corporation held by the Trustee or in such other manner as may be agreed on by the Corporation and the Trustee. In making such payments the Trustee may rely upon such requisitions. If for any reason the Corporation should decide prior to the payment of any item in a requisition not to pay such item, it shall give written notice of such decision to the Trustee and thereupon the Trustee shall not make such payment. Notwithstanding anything to the contrary provided in this Section, prior to payment of
the first requisition, the Bondholders shall have received or shall have had an opportunity to review copies of a Memorandum of Ground Lease, a Memorandum of Facilities Lease, the Mortgage, and a UCC-1, each with stamped recordation information indicating that each document has been recorded in the mortgage, conveyance or clerk of court records of Tangipahoa Parish, as appropriate.

(c) The Trustee agrees to accept and act upon instructions or directions pursuant to this Second Supplemental Indenture sent by unsecured e-mail, facsimile transmission or other similar unsecured or electronic methods, provided however, that (i) such originally executed instructions or directions shall be signed by a person as may be designated and authorized to sign for the Corporation or in the name of the Corporation, by an authorized representative of the Corporation, and (ii) the Corporation shall provide to the Trustee an incumbency certificate listing such designated persons, which incumbency certificate shall be amended whenever a person is to be added or deleted from the listing. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and compliance with such instructions notwithstanding such instructions conflict with or are inconsistent with a subsequent written instruction.

Section 4.18 Reliance upon Requisitions. All requisitions and opinions received by the Trustee as conditions of payment from the Series 2017 Project Fund may be relied upon by the Trustee and shall be retained by the Trustee, subject at all reasonable times to examination by the Authority, the Board, and the Corporation.

Section 4.19 Completion of the Series 2017 Facilities and Disposition of the Series 2017 Project Fund Balance. When the construction and renovation of the Series 2017 Facilities shall have been completed, which fact shall be evidenced to the Trustee by a certificate of an Authorized Corporation Representative delivered to the Trustee pursuant to Section 3.7 of the Second Supplemental Loan Agreement, the balance in the Series 2017 Project Fund shall be transferred by the Trustee to the Series 2017 Debt Service Fund (subject to the provisions of Section 4.4 hereof) and applied to redeem the Series 2017 Bonds in accordance with the provisions of Section 3.4 hereof, or as a credit towards the next debt service payment on the Series 2017 Bonds, all in accordance with the written direction of an Authorized Corporation Representative.

Section 4.20 Amounts Remaining in Funds; Releases. It is agreed by the parties hereto that any amounts remaining in the Funds and Accounts existing pursuant to this Second Supplemental Indenture upon the expiration or sooner cancellation or termination of the Second Supplemental Loan Agreement, as provided therein, after payment in full of all Series 2017 Bonds then outstanding under this Second Supplemental Indenture (or provisions for the payment thereof having been made in accordance with Article XII of this Second Supplemental Indenture), and the fees, charges, and expenses of the Authority, the Series 2017 Bond Insurer and the Trustee and all other amounts required to be paid under the Second Supplemental Loan Agreement and under this Second Supplemental Indenture, other than amounts payable as arbitrage rebate under Section 148(f) of the Code, shall belong to and be paid to the Board.

Section 4.21 Reserved.

Section 4.22 Application of Insurance Proceeds; Condemnation Award.

(a) If all or any portion of the Series 2017 Facilities is damaged or destroyed by a Casualty (as defined in the Fourth Supplemental Facilities Lease), or is taken by Expropriation (as defined in the Fourth Supplemental Facilities Lease) proceedings, the Board shall instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair,
restoration, or replacement thereof; provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration, or replacement of the Series 2017 Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. The proceeds of any insurance, including the proceeds of any self-insurance through ORM, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction, or taking of all or any portion of the Series 2017 Facilities shall be delivered to the Trustee and held by the Trustee in a special account to be established upon receipt of any such funds and held by the Trustee in trust or in the case of self-insurance through ORM, as set forth in paragraph (b) below; and shall be made available for, and to the extent necessary be applied to, such restoration, repair, and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement, and repair of the Series 2017 Facilities with respect to which they are held, in each case promptly after receipt of a written request of the Corporation as advised by the Board stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Series 2017 Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee may conclusively rely upon such written requests and shall have no liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Series 2017 Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration, or replacement of the Series 2017 Facilities shall be paid by Trustee to the Corporation for the Board.

(b) In the event the University decides not to repair, restore, or replace the Series 2017 Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) shall be paid to the Trustee and applied to the redemption of the Series 2017 Bonds on a pro rata basis in accordance with this Second Supplemental Indenture. The provisions of this Section 4.22(b) shall control over the provisions of the second paragraph of Section 4.22(a) of the Original Indenture.

(c) In the event that ORM insures the Series 2017 Facilities, the Board shall cause the Corporation to use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration or replacement of the Series 2017 Facilities.

Section 4.23 Application of Money in the Replacement Fund.

(a) The Trustee shall, in accordance with Section 4.8 hereof, deposit an amount equal to the Replacement Fund Annual Funding Requirement into the Replacement Fund, beginning on August 1 of the first full Fiscal Year of operation of the Series 2017 Facilities and annually on each August 1 thereafter. Alternatively, this requirement shall be deemed to have been satisfied and no annual deposits shall be required under Section 4.8 hereof if the Board shall cause to be deposited with the Trustee a one-time deposit to the Replacement Fund in an amount equal to ten percent (10%) of the hard construction costs of the Series 2017 Facilities (not including professional services and fees) on August 1 of the first full Fiscal Year of operation of the Series 2017 Facilities. The amounts required to be deposited to the Replacement Fund hereunder may be reduced with the approval of the staff of the Board of Regents of the State of Louisiana, the Board and the Series 2017 Bond Insurer.
(b) All moneys in the Replacement Fund shall be held for the benefit of the Board through the Corporation, are not pledged under this Indenture and may be drawn on and used by the Corporation or the Board to (i) replace any worn out, obsolete, inadequate, unsuitable, or undesirable property, furniture, equipment, fixtures, and other property owned by the Board or the Corporation and located on the Series 2017 Facilities and (ii) maintain the Series 2017 Facilities and to make all alterations, repairs, restorations, and replacements to the Series 2017 Facilities as and when needed to preserve the Series 2017 Facilities in good working order, condition, and repair, each as required by the Fourth Supplemental Facilities Lease. Withdrawals from the Replacement Fund for the purposes set forth above shall be made by the Trustee upon its receipt of a requisition from the Board or the Corporation substantially in the form attached hereto as Exhibit C to this Second Supplemental Indenture. Moneys in the Replacement Fund may also be drawn by the Trustee and transferred to the Series 2004 Debt Service Fund, the Series 2013 Debt Service Fund, and the Series 2017 Debt Service Fund if amounts on deposit therein, together with amounts available therefor in the Surplus Fund, are insufficient to pay debt service on the Series 2004B Bonds, the Series 2013 Bonds, and the Series 2017 Bonds, as applicable, on any Interest Payment Date or Principal Payment Date.

(c) Any moneys remaining in the Replacement Fund immediately prior to the time all of the Series 2004B Bonds, the Series 2013 Bonds, and the Series 2017 Bonds are paid, or provision for their payment is made in accordance with Article XII of the Indenture, shall, at the option of the University, be used, together with amounts held in the Series 2004B Debt Service Reserve Fund, the Series 2013 Debt Service Reserve Fund, or the Series 2017 Debt Service Reserve Fund, as applicable, to pay in full all outstanding Series 2004B Bonds, the Series 2013 Bonds, or the Series 2017 Bonds, as applicable, in accordance with their terms or shall be paid to the University.

Section 4.24 Application of Money in the Surplus Fund.

(a) Funds on deposit in the Surplus Fund at the end of any Fiscal Year may be transferred to the University on the date described below if (i) the Debt Service Coverage Ratio for the Facilities was 1.10:1.00 or greater for such Fiscal Year as evidenced by the audited financial statements for such Fiscal Year and (ii) neither the Corporation or the Board are in default under the financing documents on the date of transfer to the University. Upon receipt of the audited financial statements for such Fiscal Year, provided that the above described conditions have been met, then at the written instruction of the Board Representative, the Trustee shall transfer all of the amounts in the Surplus Fund on the last day of the immediately preceding Fiscal Year to the University.

(b) To the extent that there are insufficient funds in the Receipts Fund to make any of the transfers to the various funds and accounts required under Section 4.8(a) through (j) hereof on the dates such transfers are required to be made, any amounts contained in the Surplus Fund shall be transferred to such funds and accounts, in the priority set forth in Section 4.8 hereof, to make up for such deficiency.

Section 4.25 Application of Moneys in the Series 2017 Rebate Fund. Moneys in the Series 2017 Rebate Fund shall be used to make any rebate payments required to be made to the United States under the Code. The Series 2017 Rebate Fund shall be held for the sole benefit of the United States of America and is not pledged under this Second Supplemental Indenture. Moneys required to be paid to the United States shall be deposited in the Series 2017 Rebate Fund by the Board as Base Rental under the Fourth Supplemental Facilities Lease as required thereby and by this Second Supplemental Indenture.
ARTICLE V

Section 5.1 Additional Bonds. Additional Bonds may be issued in accordance with the provisions of the Original Indenture.

ARTICLE VI
COSTS OF ISSUANCE

Section 6.1 Payment of Costs of Issuance from Series 2017 Bond Proceeds Fund. There shall be paid into the Series 2017 Costs of Issuance Account in the Series 2017 Bond Proceeds Fund the amounts required to be so paid from Series 2017 Bond proceeds pursuant to Section 4.2 of this Second Supplemental Indenture; and such amounts shall be applied to the payment of all items of expense, directly or indirectly payable or reimbursable and related to the authorization, sale and issuance of the Series 2017 Bonds including, but not limited to, publication costs, printing costs, costs of preparation and reproduction of documents, filing and recording fees, initial fees and charges of the Trustee, the Authority, or any other fiduciary, legal fees and charges, fees and disbursements of consultants and professionals and any other cost, charge or fee in connection with the original sale and issuance of the Series 2017 Bonds. Any additional costs of issuance shall be paid solely by the Corporation. The Trustee shall make payments from the Series 2017 Costs of Issuance Account upon receipt of statements from the parties entitled to be paid therefrom accompanied by a written request of the Authority directing the Trustee to pay such statements.

ARTICLE VII
ENFORCEMENT OF SECOND SUPPLEMENTAL LOAN AGREEMENT AND FOURTH SUPPLEMENTAL FACILITIES LEASE

Section 7.1 Assignment of Second Supplemental Loan Agreement and Fourth Supplemental Facilities Lease. The Authority has assigned all of its right, title, and interest in, to, and under the Second Supplemental Loan Agreement (except for rights relating to exculpation, indemnification, and payment of expenses thereunder), including the interest of the Authority in and to the Fourth Supplemental Ground Lease and the Fourth Supplemental Facilities Lease assigned by the Corporation to the Authority thereunder (except for payments of Additional Rentals made under the Fourth Supplemental Facilities Lease), to the Trustee as security for the Series 2017 Bonds and hereby agrees that the Second Supplemental Loan Agreement and the Fourth Supplemental Facilities Lease may be enforced by the Trustee and/or the owners of the Series 2017 Bonds in accordance with the terms of the Fourth Supplemental Facilities Lease and this Second Supplemental Indenture. Notwithstanding such assignment, the Authority agrees to cause the Corporation to comply with the terms contained in the Second Supplemental Loan Agreement and the Fourth Supplemental Facilities Lease and the rights of the Bondholders and the Trustee shall be governed by the provisions of this Second Supplemental Indenture, the Second Supplemental Loan Agreement, and the Fourth Supplemental Facilities Lease.

Section 7.2 Trustee or Bondholders to Enforce Second Supplemental Loan Agreement, Fourth Supplemental Facilities Lease and Mortgage. The Trustee may, and upon request of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) and the Series 2017 Bond Insurer or a majority in aggregate principal amount of the Bonds then outstanding shall, subject to the provisions of Section 8.11 and Article IX hereof, strictly and promptly enforce the provisions of the Second Supplemental Loan Agreement, the Fourth Supplemental Facilities Lease, and the Mortgage so long as any of the Bonds remain outstanding under this Second Supplemental Indenture. All rights of action (including the right to file proof of claims) to
enforce the Second Supplemental Loan Agreement, the Fourth Supplemental Facilities Lease, and the Mortgage under this Second Supplemental Indenture or under any of the Bonds may be enforced by the Trustee without the possession of the Bonds and without their production in any trial or other proceeding relating thereto. Any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee for the Bondholders without the necessity of joining as plaintiffs or defendants any of the Bondholders.

ARTICLE VIII
EVENTS OF DEFAULT; REMEDIES

Section 8.1 \textbf{No Extension of Time for Payment of Principal, Premium, or Interest.} The Trustee shall not be authorized to extend the time for any payment of principal, premium or interest without the prior written consent of or authorization by the owner of the Series 2017 Bonds so affected.

Section 8.2 \textbf{Events of Default.}

(a) Each of the following events is hereby declared to be an additional “Event of Default” under Section 8.2 of the Original Indenture:

(i) The payment of any installment of interest on any of the Series 2017 Bonds shall not be made when the same shall become due and payable;

(ii) The payment of the principal of or premium, if any, on any of the Series 2017 Bonds shall not be made when the same shall become due and payable, whether at maturity or by proceedings for redemption or by acceleration or otherwise;

(iii) An “Event of Default” under Article IX of the Second Supplemental Loan Agreement shall have occurred and shall not have been cured within the applicable cure period;

(iv) A default shall occur under Section 21 of the Fourth Supplemental Facilities Lease;

(v) If by action or inaction of the Authority, the Board, or the Corporation the interest on the Series 2017 Bonds shall become includable in gross income for Federal income tax purposes; or

(vi) Default by the Authority in the due and punctual performance of any other of the covenants, conditions, agreements, and provisions contained in the Series 2017 Bonds or in this Second Supplemental Indenture on the part of the Authority to be performed, if such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the Authority, the Board, the Bond Insurer and the Corporation by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the owners of not less than a majority in principal amount of the Series 2017 Bonds then outstanding. Such default shall not become an Event of Default if said default be of the nature that (A) it cannot be corrected within the thirty (30) day period after receipt of notice, but the Authority (or the Corporation pursuant to the provisions of Section 8.14 of this Second Supplemental Indenture) promptly shall institute and diligently pursue corrective action until such default is cured, (B) the Trustee shall determine that such default is not curable but such default does not affect the validity or enforceability of the Series 2017 Bonds, this Second Supplemental Indenture, or the Second Supplemental Loan Agreement, an event of nonperformance shall not have occurred under the Second Supplemental Loan Agreement (other than as a result of the cross-default provisions), and such default does not impair the security or the obligations provided for or under the Bonds, this Second Supplemental Indenture,
or the Second Supplemental Loan Agreement and (C) the Bond Insurer shall have consented to such event not being an Event of Default.

(b) The word “default” as used herein means failure of performance when due, exclusive of any period of grace, if any, allowed to correct any such failure.

(c) The provisions in respect of the Bond Insurer under Section 8.2 of the Original Indenture shall apply with respect to this Section 8.2.

Section 8.3 Remedies. Upon the occurrence of an Event of Default, the Authority, the Trustee, and, subject to Sections 8.10 and 8.11, and all rights granted to the Bond Insurer under Article VIII of the Indenture, the Bondholders shall have all the rights and remedies as may be allowed by law, the Indenture, or pursuant to the provisions of the Loan Agreement and/or the Facilities Lease by virtue of their assignment hereunder, including but not limited to, acceleration of the maturity of all Bonds, or suit at law or in equity to enforce or enjoin the action or inaction of parties under the provisions of the Indenture, the Loan Agreement or the Facilities Lease.

Section 8.4 Acceleration; Annulment of Acceleration.

(a) Upon the occurrence of an Event of Default described in Section 8.2 of the Indenture, the Trustee may, and upon the written request of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) and the Series 2017 Bond Insurer or the owners of a majority in aggregate principal amount of the Bonds shall, by notice in writing to the Authority, the Board, and the Corporation, declare the Bonds then outstanding immediately due and payable, and such Bonds shall become and be immediately due and payable, anything in such Bonds or in the Second Supplemental Loan Agreement or this Second Supplemental Indenture to the contrary notwithstanding, and, subject to Article IX, the Trustee may exercise any remedies granted to it therein. In such event, there shall be due and payable on the Bonds an amount equal to the principal amount of all the Bonds then outstanding plus all interest accrued thereon and which will accrue thereon to the date of payment; and

(b) At any time after the principal of the Bonds shall have been so declared to be due and payable and before the entry of final judgment or decree in any suit, action, or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under the Indenture, the Loan Agreement, or the Facilities Lease, the Trustee may annul such declaration and its consequences with respect to the Bonds if (i) moneys shall have been deposited in the Series 2017 Debt Service Fund, the Series 2004 Debt Service Fund, or the Series 2013 Debt Service Fund sufficient to pay all matured installments of principal (other than principal due solely because of acceleration) and interest; (ii) moneys shall be available sufficient to pay the charges, compensation, expenses, disbursements, advances, and liabilities of the Authority and the Trustee; (iii) all other amounts then payable by the Authority or the Corporation the Indenture or the Loan Agreement shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee; and (iv) every Event of Default known to the Authority or the Trustee (other than a default in the payment of the principal of the Bonds due only because of such declaration) shall have been remedied to the satisfaction of the Authority and the Trustee. No such annulment shall extend to or affect any subsequent Event of Default or impair any right consequent thereon.

(c) No waiver of any Event of Default shall be effective without the prior written consent of the Bond Insurer.
Section 8.5  Insufficiency in the Series 2017 Debt Service Fund; Application of Moneys.

(a) Anything in this Second Supplemental Indenture to the contrary notwithstanding, if at any time the moneys in the Series 2017 Debt Service Fund shall not be sufficient to pay the interest on, premium, if any, or the principal of the Series 2017 Bonds as the same shall become due and payable (either by their terms or by acceleration of maturities), such moneys, together with any other moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall, subject to the provisions of Sections 9.2 and 9.4 hereof, be applied as follows:

(i) Unless the principal of all the Series 2017 Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

FIRST, to the payment to the persons entitled thereto of all installments of interest then due and payable in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay any particular installment, then to the payment thereof, ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Series 2017 Bonds; then

SECOND, to the payment to the persons entitled thereto of the unpaid principal of any of the Series 2017 Bonds which shall have become due and payable (other than Series 2017 Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Second Supplemental Indenture) in the order of their due dates, with interest on the principal amount of such Series 2017 Bonds due and payable, and, if the amount available shall not be sufficient to pay in full the principal of the Series 2017 Bonds and their interest thereon, then to the payment thereof ratably, according to the amount of the interest due on such date, and next to the payment of the principal, ratably, according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference; and then

THIRD, to the payment of the interest on and the principal of the Series 2017 Bonds, to the purchase and retirement of Series 2017 Bonds and to the redemption of Series 2017 Bonds, all in accordance with the provisions of this Second Supplemental Indenture.

(ii) If the principal of all the Series 2017 Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Series 2017 Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Series 2017 Bond over any other Series 2017 Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference; and

(iii) If the principal of all the Series 2017 Bonds shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled, then, subject to the provisions of Section 8.4(b) above, in the event that the principal of all the Series 2017 Bonds shall later become or be declared due and payable, then all such moneys shall be applied in accordance with the provisions of Section 8.4(a) above.
(b) Whenever money is to be applied by the Trustee pursuant to the provisions of this Section, such money shall be applied by the Trustee at such times and from time to time as the Trustee in its sole discretion shall determine, having due regard to the amount of such money available for application and the likelihood of additional money becoming available for application in the future; the deposit of such money or otherwise setting aside such money in trust for the proper purpose shall constitute proper application by the Trustee; and the Trustee shall incur no liability whatsoever to the Authority, to any Bondholder or to any other person for any delay in applying any such money, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this Second Supplemental Indenture as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such money, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date and shall not be required to make payment to the owner of any Series 2017 Bond until such Series 2017 Bond shall be surrendered to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 8.6 Discontinuance of Proceedings. In case any proceeding taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, then and in every such case the Authority, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no proceeding had been taken.

Section 8.7 Appointment of Receiver. Upon the occurrence of an Event of Default, and upon filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Bondholders under the Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or keeper pending such proceedings, with such powers as the court making such appointment shall confer. Any expenses incurred in connection with such appointment shall be paid by the Corporation but only from the Trust Estate.

Section 8.8 Remedies Not Exclusive. No remedy by the terms of the Indenture conferred upon or reserved to the Trustee or the Bondholders is intended to be exclusive of any other remedy, but each and every remedy shall be cumulative and shall be in addition to every other remedy given under the Indenture or existing at law or in equity on or after the date of adoption of the Indenture.

Section 8.9 Remedies Vested in Trustee. All rights of action under the Indenture, the Loan Agreement, or under any of the Bonds may be enforced by the Trustee without possession of the Bonds and without their production in any trial or other proceeding relating thereto. Any suit or proceeding instituted by the Trustee may be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any owners of the Bonds.

Section 8.10 Majority of Bondholders Control Proceedings. Subject to Section 8.6, if an Event of Default shall have occurred and be continuing, notwithstanding anything in the Indenture to the contrary, but subject to all rights granted to the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) and the Series 2017 Bond Insurer in the Indenture, the owners of at least a majority of the aggregate outstanding principal amount of Bonds then outstanding shall have the right, at any time by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting any proceeding to be taken in connection with the enforcement of the terms and conditions of the Indenture, provided the direction is in accordance with law and the provisions of this Indenture and, in the sole judgment
of the Trustee, is not unduly prejudicial to the interest of Bondholders not joining in such direction, and
provided further, that nothing in this Section shall impair the right of the Trustee in its discretion to take any
other action under the Indenture which it may deem proper and which is not inconsistent with the direction by
Bondholders.

Section 8.11 Individual Bondholder Action Restricted.

(a) No owner of any Series 2017 Bond shall have any right to institute any suit, action, or
proceeding for the enforcement of this Second Supplemental Indenture or for the execution of any trust
hereunder or for any remedy under this Second Supplemental Indenture unless an Event of Default has
occurred (other than under Sections 8.2(a)(i) or 8.2(a)(ii)) of the Original Indenture as to which the Trustee has
actual notice, or as to which the Trustee has been notified in writing; and

(b) No one or more owners of Series 2017 Bonds shall have any right in any manner
whatsoever to disturb or prejudice the security of this Second Supplemental Indenture or to enforce any right
hereunder except in the manner herein provided and then only for the equal benefit of the owners of all
outstanding Series 2017 Bonds.

Section 8.12 Waiver and Non-Waiver of Event of Default. No delay or omission of the Trustee or
of any owner of Bonds to exercise any right or power accruing upon any Event of Default shall impair the right
or power or shall be construed to be a waiver of an Event of Default or an acquiescence therein. Every power
and remedy given by this Article to the Trustee and to the owners of the Bonds, respectively, may be exercised
from time to time and as often as may be deemed expedient.

Section 8.13 Notice of Defaults.

(a) Within thirty (30) days after the receipt of notice of an Event of Default or the
occurrence of an Event of Default of which the Trustee is deemed to have notice, the Trustee shall (unless the
Event of Default has already been cured) give written notice of the Event of Default to the owners of all Series
2017 Bonds then outstanding in the manner provided in Section 13.8 of this Second Supplemental Indenture,
provided that, except in the case of a default in the payment of principal, redemption price, or interest on any of
the Series 2017 Bonds, the Trustee may withhold the notice to the Bondholders if, in its sole judgment, it
determines that the withholding of notice is not detrimental to the best interest of the Bondholders.

(b) The Trustee shall immediately notify, in writing, the Authority, the Board, the Series
2004 Bond Insurer (if any Series 2004B Bonds remain outstanding), the Series 2017 Bond Insurer, and the
Corporation of any Event of Default known to the Trustee.

Section 8.14 Opportunity of Corporation to Cure Certain Defaults. The Authority and the Trustee
hereby grant the Corporation full authority on the account of the Board and/or the Authority to perform any
covenant or obligation and to otherwise fulfill any condition the failure or non-performance of which is or is
alleged to be a default under Section 8.2(a)(vi) of this Second Supplemental Indenture, and the Trustee agrees
that performance by the Corporation shall be deemed to be performance by the Board and/or the Authority.
ARTICLE IX
CONCERNING THE TRUSTEE

Section 9.1 Acceptance of Trusts. The Trustee hereby represents and warrants to the Authority (for the benefit of the Board, the Corporation and the Bondholders as well as the Authority) that it is a state banking corporation duly organized and existing under the laws of the State of Alabama and that it is duly authorized under such laws to accept and execute trusts of the character herein set out. The Trustee accepts and agrees to execute the trusts imposed upon it by this Second Supplemental Indenture, but only upon the terms and conditions set forth in this Article and subject to the provisions of this Second Supplemental Indenture including the following express terms and conditions, to all of which the parties hereto and the respective Owners of the Series 2017 Bonds agree:

(a) Except during the continuance of an Event of Default within the purview of Section 8.2, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Second Supplemental Indenture, and the Trustee shall not be responsible for (x) the legality or enforceability of this Second Supplemental Indenture (except with respect to performance of its obligations hereunder), the Second Supplemental Loan Agreement (except with respect to performance of its obligations hereunder), the Fourth Supplemental Facilities Lease (except with respect to performance of its obligations hereunder), the Series 2017 Tax Regulatory Agreement (except with respect to performance of its obligations thereunder), and any supplement thereto, the Series 2017 Bonds (except as to the authentication of the Series 2017 Bonds), or any instruments or documents related thereto (collectively, the “Transaction Documents”) or (y) the legality, perfection, sufficiency or priority of the Trust Estate or any lien purported to be granted thereon under any of the aforesaid documents or otherwise. No implied covenants or obligations shall be read into this Second Supplemental Indenture against the Trustee.

(b) No provision of this Second Supplemental Indenture shall be construed to relieve the Trustee from liability for its negligence or willful misconduct, except that:

(i) in the absence of bad faith on the part of the Trustee, the Trustee may rely upon the authenticity of, and the truth of the statements and the correctness of the opinions expressed in, and shall be protected fully from liability in relying or acting upon, any resolution, opinion of counsel, certificate, request, notice, consent, waiver, order, signature guaranty, notarial seal, stamp, acknowledgment, verification, appraisal, report or other paper or document believed by the Trustee to be genuine and to have been signed, affixed or presented by the proper party or parties; but in the case of any such certificates or opinions that by any provision hereby are specifically required to be furnished to the Trustee, as the case may be, the Trustee shall be under a duty to examine the same to determine whether or not they conform to requirements of this Second Supplemental Indenture;

(ii) in the absence of bad faith on the part of the Trustee, whenever the Trustee, or any of its agents, representatives, experts or counsel, shall consider it necessary or desirable that any matter be proved or established, such matter shall be deemed to be conclusively proved and established by a certificate executed by an Authorized Authority Representative or an Authorized Corporation Representative; provided, however, that the Trustee, or such agent, representative, expert or counsel may require, but is not obligated to require, such further and additional evidence and make such further investigation as it or they may consider reasonable;
(iii) the Trustee may consult with counsel and the advice or opinion of such
counsel shall be full and complete authorization and protection in respect of any action taken or suffered
hereunder in good faith and in accordance with such advice or opinion of counsel;

(iv) the Trustee shall not be liable with respect to any action taken or omitted to be
taken by it in good faith and in accordance with any direction or request of the Bondholders;

(v) the Trustee shall not be liable for any error of judgment made in good faith by
an officer or employee of the Trustee unless the Trustee is negligent in ascertaining the pertinent facts;

(vi) the Trustee shall not be deemed to have knowledge of any Event of Default,
except for the failure of the Corporation to make or cause to be made scheduled payments to the Trustee
provided for in the Second Supplemental Loan Agreement, unless and until an officer of the Trustee who
customarily handles corporate trusts and is assigned to supervise this Second Supplemental Indenture shall
have actual knowledge thereof or the Trustee shall have received written advice thereof from any Bondholder;

(vii) anything in any of the Transaction Documents to the contrary
notwithstanding, whether or not an Event of Default shall have occurred, the Trustee shall not be under any
obligation to take any action under this Second Supplemental Indenture that may involve it in any expense or
liability, the payment of which within a reasonable time is not, in its opinion, assured to it by the security
afforded to it by the terms of this Second Supplemental Indenture, unless it is requested in writing to do so by
one or more owners of the Series 2017 Bonds outstanding hereunder and furnished, from time to time as it may
require, with security and indemnity satisfactory to it;

(viii) the Trustee need not take any action or follow any direction from any one or
more Bondholders if the Trustee shall be advised by counsel that the action or proceedings so directed may not
lawfully be taken or would be prejudicial to Bondholders not parties to such direction, or the Trustee in good
faith believes following such direction would involve the Trustee in personal liability;

(ix) in no event shall the Trustee be liable to any person for special, indirect,
punitive, exemplary or consequential damages, lost profits or loss of business arising under or in connection
with this Second Supplemental Indenture, even if previously informed of the possibility of such damages and
regardless of the form of action; and

(x) anything to the contrary in the Transaction Documents notwithstanding, the
permissive right of the Trustee to do anything enumerated or set forth in any of the Transaction Documents
shall not be construed as a duty, and the Trustee shall not be held responsible or liable for other than its
negligence or willful misconduct.

(c) In case an Event of Default within the purview of Section 8.2 hereof has occurred and
is continuing and the Trustee has or is deemed to have knowledge of the Event of Default pursuant to (b)(vi)
above, subject to the provisions of this Article IX, the Trustee shall exercise such of the rights and powers
vested in it by this Second Supplemental Indenture and use the degree of care and skill in their exercise as a
prudent man would exercise under the circumstances.

(d) Whether or not therein expressly so provided, every provision of this Second
Supplemental Indenture relating to the conduct or affecting the liability of or affording protection to the
Trustee, including without limitation Sections 9.3 and 9.4 hereof, shall be subject to the provisions of this
Section 9.1. The Trustee also accepts, and agrees to do and perform, the duties and obligations imposed upon it
by and under the Second Supplemental Loan Agreement, and the Fourth Supplemental Facilities Lease, but only upon the terms and conditions set forth in the Second Supplemental Loan Agreement, the Fourth Supplemental Facilities Lease, and this Second Supplemental Indenture. The rights of the Trustee to do things enumerated in this Second Supplemental Indenture shall not be construed as a duty.

Section 9.2 Trustee Entitled to Indemnity. The Trustee shall be under no obligation to institute any suit, or to take any remedial proceeding under this Second Supplemental Indenture or under the Second Supplemental Loan Agreement, or to enter any appearance in or in any way defend against any suit, in which it may be made a defendant (except in the case of the Trustee’s own negligence), or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder or under the Second Supplemental Loan Agreement or the Fourth Supplemental Facilities Lease, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability; the Trustee may, nevertheless, begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as such Trustee, without indemnity, and in such case the Authority shall reimburse the Trustee from funds available therefor under the Second Supplemental Loan Agreement for all costs and expenses, outlays and counsel fees and other reasonable disbursements properly incurred in connection therewith. If the Authority shall fail to make reimbursement, the Trustee may reimburse itself from any moneys in its possession under the provisions of this Second Supplemental Indenture and shall be entitled to a preference over any of the Series 2017 Bonds.

Section 9.3 Trustee Not Responsible for Insurance, Taxes, Execution of Second Supplemental Indenture, Acts of the Authority or Application of Moneys Applied in Accordance with this Second Supplemental Indenture.

(a) The Trustee shall not be under any obligation to effect or maintain insurance or to renew any policies of insurance or to inquire as to the sufficiency of any policies of insurance carried by the Board or to report, or make or file claims or proof of loss for, any loss or damage insured against or which may occur, or to keep itself informed or advised as to the payment of any taxes or assessments, or to require any such payment to be made. The Trustee shall have no responsibility in respect of the validity, sufficiency, due execution or acknowledgment of this Second Supplemental Indenture or the validity or sufficiency of the security provided hereunder or in respect of the validity of the Series 2017 Bonds or the due execution or issuance thereof, except as to the authentication thereof.

(b) The Trustee shall not be under any obligation to see that any duties herein imposed upon any party other than itself, or any covenants herein contained on the part of any party other than itself to be performed, shall be done or performed, and the Trustee shall be under no obligation for failure to see that any such duties or covenants are so done or performed.

(c) The Trustee shall not be liable or responsible because of the failure of the Authority or of any of its employees or agents to make any collections or deposits or to perform any act herein required of the Authority or because of the loss of any moneys arising through the insolvency or the act or default or omission of any other depositary in which such moneys shall have been deposited under the provisions of this Second Supplemental Indenture. The Trustee shall not be responsible for the application of any of the proceeds of the Series 2017 Bonds or any other moneys deposited with it and paid out, withdrawn or transferred hereunder if such application, payment, withdrawal or transfer shall be made in accordance with the provisions of this Second Supplemental Indenture.
(d) The immunities and exemptions from liability of the Trustee hereunder shall extend to its directors, officers, employees and agents.

Section 9.4 Compensation. The Trustee shall be entitled to reasonable compensation for its ordinary services hereunder consistent with the results of the process by which the Trustee was selected and any extraordinary services rendered hereunder and to reimbursement for all expenses incurred in good faith hereunder, including the compensation, expenses and disbursements of such agents, representatives, experts and counsel as the Trustee may employ in connection with the exercise and performance of its powers and duties hereunder. Subject to the provisions of any contract relating to the compensation of the Trustee, the Authority shall cause the Board to pay to the Trustee as administrative expenses its reasonable fees and charges as Additional Rent in accordance with the Fourth Supplemental Facilities Lease upon the written request of the Trustee and provided the Authority shall be furnished with sufficient funds to pay all costs and expenses (including attorneys’ fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue. If the Board shall fail to make any payment required by this Section, the Trustee may, but shall be under no obligation to, make such payment from any moneys in its possession under the provisions of this Second Supplemental Indenture, and the Trustee shall be entitled to a preference therefor over any of the Series 2017 Bonds Outstanding hereunder.

Section 9.5 Trustee to Preserve Records. All records and files pertaining to the Corporation in the custody of the Trustee shall be open at all reasonable times to the inspection of the Authority, the Board, the Corporation and their agents and representatives.

Section 9.6 Trustee May be Bondholder. The Trustee and its directors, officers, employees, or agents may in good faith buy, sell, own, hold and deal in any of the Series 2017 Bonds issued under and secured by this Second Supplemental Indenture, and may join in the capacity of a Bondholder in any action which any Bondholder may be entitled to take with like effect as if such institution were not the Trustee under this Second Supplemental Indenture.

Section 9.7 Trustee Not Responsible for Recitals. The recitals, statements and representations contained herein and in the Series 2017 Bonds shall be taken and construed as made by and on the part of the Authority and not by the Trustee, and the Trustee shall not be under any responsibility for the correctness of the same.

Section 9.8 Trustee Responsible for Reinscription. The Trustee, as set forth in the Second Supplemental Loan Agreement, is required to reinscribe the Mortgage at such times as shall be necessary to preserve the lien thereof. Under the Second Supplemental Loan Agreement, the Corporation has covenanted to cooperate with the Trustee with regard to the foregoing. The Trustee shall notify the Authority in the event that any continuation statement shall be required to be filed in order to keep current any financing statements or other filings with respect to security interests securing the Series 2017 Bonds.

Section 9.9 Trustee May Rely on Certificates. Subject to the provisions of Section 9.1(b), the Trustee shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Second Supplemental Indenture, upon any resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or person or to have been prepared and furnished pursuant to any of the provisions of the Second Supplemental Loan Agreement or this Second Supplemental Indenture, or upon the written opinion of any attorney, engineer, accountant or other expert believed by it to be qualified in relation to
the subject matter, and the Trustee shall not be under any duty to make any investigation or inquiry as to any 
statements contained or matters referred to in any such instrument.

Section 9.10 Qualification of the Trustee. There shall at all times be a trustee hereunder which shall 
be a bank or trust company in good standing, duly authorized to exercise trust powers, subject to examination 
by federal or state authority, which is either (a) a bank or trust company, (b) a wholly-owned subsidiary of a 
bank or trust company, or (c) a wholly-owned subsidiary of a bank or holding company which has as a wholly-
owned subsidiary a bank or trust company, in any case the holding company, bank or trust company having a 
combined capital, surplus and undivided profits of at least $30,000,000, or assets under management of at least 
$250,000,000, if there be such an institution willing, able and legally qualified to perform the duties of the 
Trustee hereunder on reasonable or customary terms. If at any time the Trustee shall cease to be eligible in 
accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect 
hereinafter specified in this Article.

Section 9.11 Resignation and Removal of Trustee.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee 
pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee, 
acceptable to the Series 2017 Bond Insurer and the Series 2004 Bond Insurer (if any Series 2004B Bonds 
remain outstanding), and otherwise appointed under Section 9.12 hereof and until notice of resignation or 
removal and appointment, as the case may be, shall have been provided to the Series 2017 Bond Insurer and 
the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding). Notwithstanding anything 
herein to the contrary, the appointment of any successor Trustee must be approved in writing by the Series 

(b) The Trustee may resign at any time by giving written notice thereof to the Authority, 
the Series 2017 Bond Insurer, the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding), 
the Board, the Corporation, and the Bondholders. If an instrument of acceptance by a successor Trustee shall 
not have been delivered to the Trustee within thirty (30) days after the giving of such notice of resignation, the 
retiring Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed for cause at any time by an instrument or instruments in 
writing to the Trustee, with copies to the Issuer, the Series 2017 Bond Insurer, the Series 2004 Bond Insurer (if 
any Series 2004B Bonds remain outstanding), the Board, and the Corporation, signed by the owners of not less 
than a majority in aggregate principal amount of the Bonds then outstanding, or by their attorneys, legal 
representatives, or agents and delivered to the Trustee, the Authority, the Board, and the Corporation (such 
instruments to be effective only when received by the Trustee). The Authority, at the direction of the 
Corporation, may also remove the Trustee, provided there is no event of default, at any time in the manner set 
forth in this Section 9.11(c). The Trustee may be removed for cause at any time at the request of the Series 
2017 Bond Insurer or the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding).

(d) If at any time,

(i) the Trustee shall cease to be eligible under Section 9.10 hereof and shall fail 
to resign after written request therefor by the Corporation for the Board or by any Bondholder, or

(ii) the Trustee shall become incapable of acting or shall be adjudged a bankrupt 
or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take 
charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or
liquidation, then, in any such case, (1) the Authority, in its discretion and without obligation, may or the Corporation, on behalf of the Board, may remove the Trustee, or (2) any Bondholder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor, but only, in each case, with the prior written approval of the Bond Insurer and the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding).

(e) If the Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause other than resignation (it being understood that no vacancy may occur as a result of resignation since the Trustee may not resign unless a successor has been appointed) or if the Trustee tenders its resignation, the Authority with the approval of the Corporation, and the Board (whose consent shall not be unreasonably withheld) and the Series 2017 Bond Insurer shall promptly appoint a successor provided the Authority shall be furnished with sufficient funds to pay all costs and expenses (including attorneys’ fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by an instrument or concurrent instruments in writing executed by the owners of not less than a majority in aggregate principal amount of the Bonds then outstanding, and delivered to the Corporation for the Board and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede the successor Trustee appointed by the Authority. If no successor Trustee shall have been so appointed by the Issuer or the Bondholders and accepted appointment in the manner hereinafter provided, any Bondholder who has been a bona fide owner of a Bond for at least six (6) months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Authority shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first class mail, postage prepaid, to all Bondholders upon the written request of the Trustee and provided the Issuer shall be furnished with sufficient funds to pay all costs and expenses (including attorney’s fees) reasonably incurred by the Issuer in connection therewith as such costs and expenses accrue. Each notice shall include the name and address of the principal corporate trust office of the successor Trustee.

Section 9.12 Successor Trustee.

(a) Every successor Trustee appointed hereunder shall execute, acknowledge, and deliver to its predecessor, and also to the Authority, the Series 2017 Bond Insurer, the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding), and the Corporation for the Board, an instrument in writing accepting such appointment hereunder, and thereupon such successor Trustee, without any further act, shall become fully vested with all the rights, immunities, powers, and trusts, and subject to all the duties and obligations, of its predecessors; but such predecessor shall, nevertheless, on the written request of its successor or of the Authority and upon payment of the expenses, charges, and other disbursements of such predecessor which are payable pursuant to the provisions of Section 9.4 hereof, execute and deliver an instrument transferring to such successor Trustee all the rights, immunities, powers, and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all property and moneys held by it hereunder to its successor, subject, nevertheless, to its preference, if any, provided for in Sections 9.2 and 9.4 hereof. Should any instrument in writing from the Authority be required by any successor Trustee for more fully and certainly vesting in such Trustee the rights, immunities, powers, and trusts hereby vested or intended to be vested in the predecessor Trustee any such instrument in writing shall and will be executed, acknowledged and delivered by the Issuer upon the written request of the Trustee and provided the Authority shall be furnished with sufficient
funds to pay all costs and expenses (including attorneys’ fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue.

(b) Notwithstanding any of the foregoing provisions of this Article, any bank or trust company having power to perform the duties and execute the trusts of this Second Supplemental Indenture and otherwise qualified to act as Trustee hereunder with or into which the bank or trust company acting as Trustee may be merged or consolidated, or to which the corporate trust assets and corporate trust business of such bank or trust company may be sold, shall be deemed the successor of the Trustee.

Section 9.13 Co-Trustee.

(a) It is the purpose hereof that there shall be no violation of any law of any jurisdiction (including particularly the laws of the State) denying or restricting the right of banks or trust companies to transact business as trustee in such jurisdiction. It is recognized that in case of litigation hereunder and in particular in case of the enforcement of this Second Supplemental Indenture upon the occurrence of an Event of Default, it may be necessary that the Trustee appoint an additional individual or institution as a separate Trustee or Co-Trustee. The following provisions of this Section are adapted to these ends.

(b) Upon the incapacity or lack of authority of the Trustee, by reason of any present or future law of any jurisdiction, to exercise any of the rights, powers and trusts herein granted to the Trustee or to hold title to the Trust Estate or to take any other action which may be necessary or desirable in connection therewith, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in a separate Trustee or Co-Trustee appointed by the Trustee but only to the extent necessary to enable the separate Trustee or Co-Trustee to exercise such rights, powers and trusts, and every agreement and obligation necessary to the exercise thereof by such separate Trustee or Co-Trustee shall run to and be enforceable by either of them.

(c) Should any deed, conveyance or instrument in writing from the Authority be required by the separate Trustee or Co-Trustee so appointed by the Trustee in order to more fully and certainly vest in and confirm to him or it such properties, rights, powers, trusts, duties, and obligations, any and all such deeds, conveyances, and instruments shall, on request, be executed, acknowledged, and delivered by the Authority upon the written request of the Trustee and provided the Issuer shall be furnished with sufficient funds to pay all costs and expenses (including attorneys’ fees) reasonably incurred by the Issuer in connection therewith as such costs and expenses accrue. In case any separate Trustee or Co-Trustee, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate Trustee or Co-Trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new Trustee or successor to such separate Trustee or Co-Trustee.

Section 9.14 Disclosure Documents. The Trustee shall have no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum or other disclosure material prepared or distributed with respect to the Series 2017 Bonds, except as provided in Section 13.13 herein.
ARTICLE XI
COVENANTS OF AUTHORITY

Section 11.1 Payment of Principal, Premium, and Interest. The Authority covenants that it will promptly pay, or cause to be paid, the principal of, premium, if any, and the interest on every Series 2017 Bond at the places, on the dates and in the manner provided herein and in said Series 2017 Bonds according to the true intent and meaning thereof but solely from the revenues of the Trust Estate and not from any other fund or source. The Authority further covenants that it will faithfully perform at all times all of its covenants, undertakings and agreements contained in this Second Supplemental Indenture, the Second Supplemental Loan Agreement or in any Series 2017 Bond executed, authenticated, and delivered hereunder or in any proceedings of the Authority pertaining thereto.

Section 11.2 Additional Security. The Authority covenants, whenever and so often as reasonably required to do so by the Trustee, promptly to execute and deliver or cause to be delivered all such other and further instruments, documents, or assurances, and to promptly do or cause to be done all such other further things, as may be necessary or reasonably required in order to further and more fully vest in the Trustee and the owners of the Series 2017 Bonds all rights, interest, powers, benefits, privileges, and advantages conferred or intended to be conferred upon them by this Second Supplemental Indenture.

Section 11.3 Cure Title Defects. The Authority covenants to promptly, upon the request of the Trustee, from time to time, take or cause to be taken such action as may be necessary or proper to remedy or cure any material defect in or cloud upon the title to the Trust Estate or any part thereof, whether now existing or hereafter developing, and to prosecute all such suits, actions, and other proceedings as may be appropriate for such purpose and to indemnify and save the Trustee and every owner of Series 2017 Bonds, solely from the Trust Estate, harmless from all loss, cost, damage, and expense, including attorneys’ fees, which they or either of them may ever incur by reason of any such defect, cloud, suit, action, or proceedings.

Section 11.4 Defend Against Actions. The Authority covenants to defend or cause to be defended every suit, action, or proceeding at any time brought against the Trustee or any owner of Series 2017 Bonds upon any claim arising out of the receipt, application or disbursement of any of the revenues of the Trust Estate or involving the Authority’s, the Trustee’s, or such Bondholders’ rights under this Second Supplemental Indenture or the Second Supplemental Loan Agreement and to indemnify and save harmless, solely from the Trust Estate, the Trustee and Bondholders against any and all liability claimed or asserted by any person whomsoever, arising out of such receipt, application, or disbursement of any such revenues; provided, however, that the Trustee or any owner of Series 2017 Bonds at its or his election may appear in and defend against any such suit, action, or proceeding; and notwithstanding any contrary provision hereof, this covenant shall continue and remain in full force and effect until all indebtedness, liabilities, obligations, and other sums secured hereby have been fully paid and satisfied, and this Second Supplemental Indenture has been released of record and the lien hereof discharged.

Section 11.5 Non-Impairment of Security. The Authority covenants that so long as any of the Series 2017 Bonds issued pursuant to this Second Supplemental Indenture are outstanding and unpaid, the Authority will not voluntarily consent to any amendment to the Second Supplemental Loan Agreement or otherwise take
any action which will reduce the amount of moneys made available thereunder to the Trustee, or which will in any manner impair or adversely affect the rights of the Authority or the Trustee or the security provided by this Second Supplemental Indenture to the owners from time to time of the Series 2017 Bonds.

Section 11.6 Authority’s Obligation Limited.

(a) Nothing in the Second Supplemental Agreement or this Second Supplemental Indenture is intended to require or obligate nor shall anything therein be interpreted to require or obligate the Authority for any purpose or at any time whatsoever, to provide, apply, or expend any funds coming into the hands of the Authority other than from the Trust Estate.

(b) Any other term or provision in this Second Supplemental Indenture or in the Second Supplemental Loan Agreement, the Mortgage, the Series 2017 Tax Regulatory Agreement, the Bond Purchase Agreement, the Series 2017 Bonds, or elsewhere to the contrary notwithstanding:

(i) Any and all obligations (including without limitation, fees, claims, demands, payments, damages, liabilities, penalties, assessments, and the like) of or imposed upon the Issuer or its members, officers, agents, employees, representatives, advisors, or assigns, whether under this Second Supplemental Indenture or any of the Second Supplemental Loan Agreement, the Mortgage, the Series 2017 Tax Regulatory Agreement, the Bond Purchase Agreement, the Bonds or elsewhere and whether arising out of or based upon a claim or claims of tort, contract, misrepresentation, or any other or additional legal theory or theories whatsoever (collectively, the “Obligations”), shall in all events be absolutely limited obligations and liabilities, payable solely out of the following, if any, available at the time the Obligation in question is asserted:

(A) Bond Proceeds and investments therefrom; and

(B) Payments derived from the Bonds, this Second Supplemental Indenture (including the Trust Estate to the extent provided in this Second Supplemental Indenture), the Mortgage, and the Second Supplemental Loan Agreement (except the fees and expenses of the Authority and the Authority’s right to indemnification under the Second Supplemental Loan Agreement as set forth therein); (the above provisions (A) and (B) being collectively referred to as the “Exclusive Sources of the Obligations”).

(c) The Obligations shall not be deemed to constitute a debt or liability of the State or of any political subdivision thereof within the meaning of any State constitutional provision or statutory limitation and shall not constitute a pledge of the faith and credit of the State or of any political subdivision thereof, including the Authority, but shall be payable solely from and out of the Exclusive Sources of the Obligations and shall otherwise impose no liability whatsoever, primary or otherwise, upon the State or any political subdivision thereof, including the Authority, or any charge upon their general credit or taxing power.

(d) In no event shall any member, officer, agent, employee, representative, or advisor of the Authority, or any successor or assign of any such person or entity, be liable, personally or otherwise, for any Obligation.

(e) In no event shall this Second Supplemental Indenture be construed as:

(i) depriving the Issuer of any right or privilege; or
(ii) requiring the Authority or any member, officer, agent, employee, representative, or advisor of the Issuer to take or omit to take, or to permit or suffer the taking of, any action by itself or anyone else; which deprivation or requirement would violate or result in the Issuer’s being in violation of the Act or any other applicable state or federal law.

Section 11.7 Immunity of Officers, Employees, and Members of the Authority. No recourse shall be had for the payment of the principal of or premium or interest on any of the Series 2017 Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in this Second Supplemental Indenture against any past, present or future officer, director, member, employee or agent of the Authority, and all such liability of any such officers, directors, members, employees, or agents except for criminal or intentional acts as such is hereby expressly waived and released as a condition of and consideration for the execution of this Second Supplemental Indenture and the issuance of such Series 2017 Bonds. No covenant or agreement contained in the Series 2017 Bonds or in this Second Supplemental Indenture shall be deemed to be the covenant or agreement of any incorporator, director, or officer of the Authority past, present, or future in his or her individual capacity, and neither members of the Authority nor any official executing the Series 2017 Bonds shall be liable personally on the Series 2017 Bonds or be subject to any personal liability or accountability by reason of the issuance thereof. No recourse shall be had for the payment of the principal of or premium or interest on any of the Series 2017 Bonds or for any claim based thereon or upon any obligation, covenant, or agreement contained in this Second Supplemental Indenture against any past, present or future officer, director, member, employee, or agent of the Authority, and all such liability of any such officers, directors, members, employees, or agents as such is hereby expressly waived and released as a condition of and in consideration for the execution of this Second Supplemental Indenture and the issuance of such Series 2017 Bonds.

Section 11.8 Role of the Authority. The Authority shall not be required to take any action not expressly provided for herein. The Authority shall have no obligation to review, control, or oversee the activities of Trustee in collecting any amounts payable pursuant to the Second Supplemental Agreement or the Second Supplemental Indenture, or the Mortgage, or in making any payments on the Series 2017 Bonds. Furthermore, the Authority shall not be obligated to take any action or execute any documents which might in its reasonable judgment involve it in any expense or liability unless it shall have been furnished with assurance of payment or reimbursement for any expense and with reasonable indemnity for liability of the Authority, its incorporators, directors, officers, and counsel.

Section 11.9 No Superior Pledge. Other than as provided in Article V hereof, the Authority shall grant no security interest or lien of any type in the Payments that is superior to the pledge set forth in Article II and shall issue no debt or obligation that is to be paid from the Payments prior to payment of principal of and interest on the Bonds and the other payments required hereunder. The Authority shall grant no security interest or lien or encumbrance of any type on the Payments that is on a parity with the pledge made by Article II.

ARTICLE XII
DEFEASANCE

Section 12.1 Payment.

(a) When all of the Series 2017 Bonds shall have been paid and discharged, and there shall have been paid all fees and charges of the Trustee due or to become due through the date on which the last of the Series 2017 Bonds is retired, then this Second Supplemental Indenture shall cease, terminate, and become null and void, and thereupon the Trustee shall release this Second Supplemental Indenture including the cancellation and discharge of the lien hereof, and execute and deliver to the Authority such instruments in
writing as shall be requisite to satisfy the lien hereof and, if necessary, to enter on the records such satisfaction and discharge and to re-convey to the Authority any property or interest therein or other rights hereby conveyed and such other instruments to evidence such release and discharge as may be reasonably required by the Authority, and the Trustee shall assign and deliver to the Authority any property at the time subject to the lien of this Second Supplemental Indenture which may then be in its possession, except amounts in any Fund otherwise required to be paid by this Second Supplemental Indenture and except such cash and investments as are held by the Trustee for the payment of interest and premium, if any, on and retirement of the Series 2017 Bonds.

(b) Notwithstanding the foregoing, the obligation of the Corporation to pay the fees and expenses of the Trustee in accordance with the terms of this Second Supplemental Indenture shall survive the defeasance of the Series 2017 Bonds, the discharge of this Second Supplemental Indenture, and the termination of the Second Supplemental Loan Agreement.

Section 12.2 Provision for Payment. Any Series 2017 Bonds shall be deemed to have been paid and discharged within the meaning of Section 12.1, if the Trustee, or an escrow trustee, shall hold, in trust for and irrevocably committed thereto, moneys or Defeasance Obligations of such maturities and interest payment dates and bearing such interest as will, without further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom (likewise to be held in trust and committed, except as hereinafter provided), be sufficient for the payment of such Series 2017 Bonds, at their maturity or redemption date, of the principal thereof, together with the redemption premium, if any, and interest accrued to the date of maturity or redemption, as the case may be, or if default in such payment shall have occurred on such date then to the date of the tender of such payment; provided, that if any Series 2017 Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been duly given or provisions satisfactory to the Trustee shall have been duly made for the giving of such notice. Any moneys held in accordance with the provisions of this Section shall be invested only in Defeasance Obligations the maturities or redemption dates and interest payment dates of which, at the option of the owner, shall coincide as nearly as practicable with, but not later than, the time or times at which said moneys will be required for the aforesaid purposes. Any income or interest earned by the moneys or Defeasance Obligations held under this Section shall be paid to the Corporation for the Board as overpayment of Payments.

Section 12.3 Certifications. The Authority and the Corporation covenant and agree that they will furnish to the Trustee:

(a) Certificates or opinions made by officers of the Authority and the Corporation required by this Second Supplemental Indenture stating that provisions of this Article relating to the satisfaction and discharge of this Second Supplemental Indenture have been fulfilled; and

(b) An opinion of Bond Counsel to the effect that the payment of the Series 2017 Bonds has been provided for in the manner set forth in this Second Supplemental Indenture and the Second Supplemental Loan Agreement and that all obligations of the Authority and the Corporation with respect to the Series 2017 Bonds have been discharged and satisfied; and

(c) In the case of an advance refunding, a mathematical verification prepared by a nationally recognized law firm or firm of independent certified public accountants (or other verification agent satisfactory to the Trustee) that the moneys or Defeasance Obligations are sufficient to pay the principal of, premium, if any, and interest on the Series 2017 Bonds which are defeased.
ARTICLE XIII

If any clause, provision, or Section of this Second Supplemental Indenture be held illegal or invalid by any court, the invalidity of such clause, provision, or Section shall not affect any of the remaining clauses, provisions, or Sections hereof and this Second Supplemental Indenture shall be construed and enforced as if such illegal or invalid clause, provision or Section had not been contained herein. any provision of this Second Supplemental Indenture, then any manner of giving such notice as shall be satisfactory to the Trustee shall be deemed to be sufficient giving of such notice. Any notice herein required may be omitted if the owners of all the Series 2017 Bonds entitled to such notice give to the Trustee a written waiver of such notice.

Section 13.9   **Applicable Law.** This Second Supplemental Indenture shall be governed exclusively by the applicable laws of the State.

Section 13.10   **Captions.** The table of contents, captions, and headings of the several articles and sections of this Second Supplemental Indenture are for convenience only and shall not control, affect the meaning of, or be taken as an interpretation of any provisions of this Second Supplemental Indenture.

Section 13.12  **Performance on Legal Holidays.** In any case where the date of maturity of interest on or principal of the Series 2017 Bonds or the date fixed for redemption or purchase of any Series 2017 Bonds or the date fixed for the giving of notice or the taking of any action under this Second Supplemental Indenture shall not be a Business Day, then payment of such interest, principal, purchase price, and redemption premium, if any, the giving of such notice or the taking of such action need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date of maturity or the date fixed for redemption or purchase, and no interest on such payment shall accrue for the period after such date.

Section 13.13  **Continuing Disclosure Certificates.** The Board has undertaken to comply with continuing disclosure requirements, and the Authority shall have no liability to the holders of the Series 2017 Bonds or any other person with respect to such disclosure matters. Notwithstanding any other provision of this Second Supplemental Indenture, failure of the Board to comply with the terms of its respective Continuing Disclosure Certificate shall not be considered an Event of Default hereunder; however, the Trustee may (and, at the request of the Underwriter (as defined in the Continuing Disclosure Certificate) or the holders of at least a majority in aggregate principal amount of Outstanding Series 2017 Bonds shall), upon being provided indemnity satisfactory to the Trustee, take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Board to comply with its obligations under this Section 13.13. The Trustee shall have no responsibility for the failure of the Board to report any material event and shall have no responsibility as to any determination by the Board of whether any event would constitute material information for holders of the Series 2017 Bonds; provided, however, that the Trustee hereby agrees to notify the Board in writing on or before November 1 of each year, commencing November 1, 2017, of the Board’s obligation to comply with the requirements of Section (b)(5)(i) of Securities and Exchange Commission Rule 15c2-12.

This Series 2017 Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Second Supplemental Indenture until the certificate of authentication hereon shall have been signed by a duly authorized representative of the Trustee.

This Series 2017 Bond is one of the duly authorized issue of the Authority’s Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2017 (the “Series 2017 Bonds”), issued under and secured by the Second Supplemental Indenture (hereinafter defined) pursuant to which the Authority is issuing $__________ aggregate principal amount of said revenue bonds on behalf of University Facilities, Inc., a nonprofit corporation (the “Corporation”) for the purpose of: (i) financing the development, design, construction, demolition, and equipping of replacement student housing and related facilities (the “Series 2017 Facilities”) for the Southeastern Louisiana University (the “University”), which Series 2017 Facilities will be leased to the Board on behalf of the University and will be located on immovable property owned by, or subject to the supervision and management of the Board of Supervisors for the University of Louisiana System (the “Board”) in the City of Hammond, Parish of Tangipahoa, Louisiana; (ii) funding a deposit to a debt service reserve fund; (iii) funding capitalized interest on the Series 2017 Bonds; and (iv) paying costs of issuance of the Series 2017 Bonds, including the premium for the bond insurance policy insuring the Series 2017 Bonds.

The proceeds of the Series 2017 Bonds have been loaned to the Corporation pursuant to a Loan and Assignment Agreement dated as of August 1, 2004 (the “Original Loan Agreement”), as supplemented and amended by a First Supplemental Loan and Assignment Agreement dated as of November 1, 2013 (the “Supplemental Loan Agreement”), and as further supplemented and amended by a Second Supplemental Loan and Assignment Agreement dated as of June 1, 2017 (the “Second Supplemental Loan Agreement” and, together with the Original Loan Agreement and the Supplemental Loan Agreement, the “Loan Agreement”), each between the Authority and the Corporation, for the foregoing purposes. The Board of Supervisors for the University of Louisiana System (the “Board”), acting on behalf of the University, has leased the land upon which the Series 2017 Facilities are located on the campus of the University (the “Land”) and the Series 2017
Facilities to the Corporation pursuant to a Ground and Buildings Lease Agreement dated as of August 1, 2004 (the “Original Ground Lease”), as supplemented and amended by the First Amendment to Ground and Buildings Lease Agreement dated as of March 1, 2007 (the “First Amendment to Ground Lease”), as supplemented and amended by a Second Amendment to Ground and Buildings Lease Agreement dated as of June 12, 2012 (the “Second Amendment to Ground Lease”), as further supplemented and amended by a Third Supplemental Ground and Buildings Lease Agreement dated as of November 1, 2013 (the “Third Supplemental Ground Lease”), as supplemented and amended by a Fourth Supplemental Ground and Buildings Lease Agreement dated as of June 1, 2017 (the “Fourth Supplemental Ground Lease” and, together with the Original Ground Lease, the First Amendment to Ground Lease, the Second Amendment to Ground Lease, and the Third Supplemental Ground Lease, the “Ground Lease”) each by and between the Board and the Corporation, and has leased the Series 2017 Facilities from the Corporation pursuant to an Agreement to Lease with Option to Purchase dated as of August 1, 2004 (the “Original Facilities Lease”), as supplemented and amended by a First Amendment to Agreement to Lease with Option to Purchase dated as of March 1, 2007 (the “First Amendment to Facilities Lease”), as further supplemented and amended by a Second Amendment to Agreement to Lease with Option to Purchase dated as of June 12, 2012 (the “Second Amendment to Facilities Lease”), as further supplemented and amended by a Third Supplemental Agreement to Lease with Option to Purchase dated as of November 1, 2013 (the “Third Supplemental Facilities Lease”), and as further supplemented and amended by a Fourth Supplemental Agreement to Lease with Option to Purchase dated as of June 1, 2017 (the “Fourth Supplemental Facilities Lease” and, together with the Original Facilities Lease, the First Amendment to Facilities Lease, the Second Amendment to Facilities Lease, and the Third Supplemental Facilities Lease, the “Facilities Lease”) each by and between the Corporation and the Board.

The Series 2017 Bonds are issued pursuant to the laws of the State, particularly Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 4548.16, inclusive) (the “Act”), and pursuant to a Trust Indenture dated August 1, 2004 (the “Original Indenture”), as supplemented and amended by a First Supplemental Trust Indenture dated as of November 1, 2013 (the “Supplemental Indenture”), as further supplemented and amended by a Second Supplemental Trust Indenture dated as of June 1, 2017 (the “Second Supplemental Indenture” and, together with the Original Indenture, and the Supplemental Indenture, the “Indenture”), each between the Authority and the Trustee, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, and to which Indenture reference is hereby made for a more complete description of the assigned revenues constituting the Trust Estate, the nature and extent of the security, the terms and conditions under which the Series 2017 Bonds are issued and secured, the terms and conditions under which Additional Bonds may be issued and secured, the rights, duties, and immunities of the Trustee and the rights of the registered owners of the Series 2017 Bonds. The registered owner of this Series 2017 Bond shall have no rights to enforce the provisions of the Second Supplemental Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Second Supplemental Indenture, or to institute, appear in, or defend any suit or other proceeding with respect thereto, except as provided in the Second Supplemental Indenture, and by acceptance of this Series 2017 Bond, the owner hereof assents to all of the provisions of the Second Supplemental Indenture. All terms not defined herein shall have the meanings assigned thereto in the Second Supplemental Indenture.

The Series 2017 Bonds have been issued on a parity with the $15,000,000 Louisiana Local Government Environmental Facilities and Community Development Authority Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B and the $40,910,000 Louisiana Local Government Environmental Facilities and Community Development Authority Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2013 under the Indenture.
The Series 2017 Bonds are issuable as fully registered bonds without coupons, in Authorized Denominations, and shall be numbered from No. R-1 upwards. The Series 2017 Bonds are limited and special revenue obligations of the Authority and are payable solely from (i) payments received by the Authority from the Corporation pursuant to the Second Supplemental Agreement (except however, the Authority’s rights to exculpation, indemnification and payment of expenses by the Corporation under the Second Supplemental Agreement) and (ii) all funds held by the Trustee under the Second Supplemental Indenture and available for such payment, said payments and funds being herein referred to as the “Trust Estate.” The Second Supplemental Agreement, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, provides that the Corporation is unconditionally obligated to make payments, but solely from the Payments (as defined in the Second Supplemental Agreement) in an aggregate amount sufficient, for the payment in full of the principal and interest of all Series 2017 Bonds issued and outstanding under the Second Supplemental Indenture, to the date of payment thereof, and certain costs, expenses and charges of the Authority and the Trustee. The Second Supplemental Agreement imposes upon the Corporation certain obligations respecting the use and operation of its Facilities and the maintenance and repair of said Facilities.

As long as any of the Series 2017 Bonds remain outstanding, there shall be permitted the exchange of Series 2017 Bonds at the principal corporate trust office of the Trustee. Any Series 2017 Bond or Series 2017 Bonds upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his legal representative duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of other Bonds in Authorized Denominations.

For every such exchange or transfer of Series 2017 Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee, or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Trustee shall not be required to register the transfer or exchange of (a) any Series 2017 Bonds during the fifteen (15) day period next preceding the selection of Series 2017 Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2017 Bonds selected for redemption, or (b) any Series 2017 Bonds selected, called or being called for redemption in whole or in part, except in the case of any Series 2017 Bond to be redeemed in part, the portion thereof not so to be redeemed.
Redemption Provisions

Optional Redemption

The Series 2017 Bonds maturing August 1, 20__ and thereafter are subject to redemption prior to maturity at the option of the Corporation, upon written direction to the Authority, on or after August 1, 20__ as a whole at any time, or in part on any Interest Payment Date, the maturity of said Bonds to be redeemed to be designated by the Corporation and selected within a maturity by the Trustee in such manner as the Trustee may determine, at the redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date.

Extraordinary Redemption

(i) If the Board shall purchase the Corporation’s leasehold interest in the Series 2017 Facilities pursuant to the Fourth Supplemental Facilities Lease, the Series 2017 Bonds shall be redeemed as a whole and shall be redeemed on the later of (a) August 1, 20__, or (b) the earliest practicable date, but not more than sixty (60) days, after such purchase, and in any event, at a price equal to the principal amount of the Series 2017 Bonds so redeemed plus accrued and unpaid interest to the date of redemption, without premium.

(ii) The Series 2017 Bonds shall be redeemed as a whole or in part (in Authorized Denominations) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds or proceeds received as a result of Expropriation proceedings with respect to the Series 2017 Facilities will not applied to the restoration, repair, or reconstruction of the Series 2017 Facilities at a price equal to the principal amount of the Series 2017 Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, without premium, in an aggregate principal amount equal to the amount of such insurance proceeds, or Expropriation proceeds not used for restoration, repair, or reconstruction. If the amount of any insurance proceeds or Expropriation proceeds to be applied in redemption of the Series 2017 Bonds is not an Authorized Denomination, the principal amount of Series 2017 Bonds to be redeemed pursuant to this subsection (b) shall be decreased to the next lower Authorized Denomination. The Series 2004 Bonds will be so redeemed in the following order: first, Auction Rate Bonds; second, Variable Rate Bonds, third, Series 2004C Bonds; fourth, Series 2004B Bonds that bear interest at a Fixed Rate; fifth, the Series 2013 Bonds; and sixth, the Series 2017 Bonds.

Mandatory Sinking Fund Redemption

The Series 2017 Bonds maturing on August 1, 20__ shall be subject to mandatory sinking fund redemption and payment prior to maturity on August 1 in each of the years set forth below, at 100% of the principal amounts plus accrued interest to the redemption date, without premium, as follows:

<table>
<thead>
<tr>
<th>Year</th>
<th>Principal Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>20__</td>
<td>$</td>
</tr>
<tr>
<td>20__*</td>

</tr>
</tbody>
</table>

*Final Maturity
If on any occasion less than all of the Series 2017 Bonds then outstanding shall be redeemed pursuant to the optional or mandatory sinking fund redemption provisions described in the Second Supplemental Indenture, then the principal amount of the Series 2017 Bonds so redeemed shall be considered to have satisfied a portion of the mandatory sinking fund redemptions required by the above tables. The principal amounts required by the tables above shall be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional redemption.

Unless otherwise specified above, if less than all of the Series 2017 Bonds shall be called for redemption, the maturity of the Series 2017 Bonds to be redeemed shall be designated by the Corporation, on behalf of the Board, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Series 2017 Bond to be redeemed shall be in the principal amount of an Authorized Denomination. If a portion of any Series 2017 Bond shall be called for redemption, a new Series 2017 Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

At least thirty (30) days before the redemption date of any Series 2017 Bonds redeemed other than by mandatory sinking fund redemption, the Trustee shall cause a notice of any such redemption, signed by an authorized officer of the Trustee to be mailed, postage prepaid, to all Bondholders of record owning Series 2017 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register, but any defect in such mailing of any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2017 Bonds then outstanding shall be called for redemption, the numbers of such Series 2017 Bonds to be redeemed and, in the case of Series 2017 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2017 Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Series 2017 Bond, a new Series 2017 Bond in principal amount equal to the unredeemed portion of such Series 2017 Bond will be issued.

Modifications or alterations of the Second Supplemental Indenture or any agreement supplemental thereto or of the Second Supplemental Agreement or any agreement supplemental thereto may be made only to the extent and in the circumstances permitted by the Second Supplemental Indenture and the Second Supplemental Agreement. So long as no event of nonperformance under the Second Supplemental Agreement has occurred and is continuing, no such supplement shall become effective unless the Corporation, on behalf of the Board, shall have given its prior written approval.

It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State to exist, to have happened and to have been performed, precedent to and in the execution and delivery of the Second Supplemental Indenture and the issuance of this Series 2017 Bond, do exist, have happened, and have been performed in regular and due form as required by law.

CONSTRUCTION OF FACILITIES

Notwithstanding the foregoing, the indemnification provisions of this Second Supplemental Loan Agreement shall survive the termination thereof and the defeasance of the Series 2017 Bonds under the Second Supplemental Indenture.

(b) Section 3.01 of the Original Loan Agreement is hereby amended by adding the following language to the end of the first sentence thereof:

“provided, however, that the term of this Agreement shall be extended through the date specified in any supplement to this Agreement.”
Section 3.2 Nature and Benefits.

(a) This Second Supplemental Loan Agreement has been executed and delivered in part to induce concurrently herewith the purchase by others of the Series 2017 Bonds, and, accordingly, all covenants and agreements on the part of the Corporation and the Authority, as set forth therein and herein, are hereby declared to be for the benefit of the Trustee for the owners from time to time of the Series 2017 Bonds. The Corporation consents and agrees to the assignment by the Authority to the Trustee under the Second Supplemental Indenture of all of the Authority’s right, title, and interest (except for certain rights relating to exculpation, indemnification, and payment of expenses) in, to, and under this Second Supplemental Loan Agreement, including the interest of the Authority in and to the Fourth Supplemental Facilities Lease assigned by the Corporation to the Authority hereunder, and agrees that the provisions hereof may be enforced by the Trustee under the provisions of the Indenture. The Corporation agrees to do all things within its power in order to comply with and to enable the Authority to comply with all requirements and to fulfill and to enable the Authority to fulfill all covenants of the Indenture and the Series 2017 Bonds.

(b) This Second Supplemental Loan Agreement is a limited obligation of the Corporation, payable solely from the Revenues, and this Second Supplemental Loan Agreement shall remain in full force and effect until the Series 2017 Bonds and the interest therein have been fully paid or otherwise provided for or discharged.

Section 3.3 Construction, Improvement and Equipping of the Series 2017 Facilities. The Corporation shall lease the Land and construct and equip, or cause to be constructed and equipped, the Series 2017 Facilities with all reasonable dispatch and in accordance with the Facilities Documents, and shall take all action necessary to enforce the provisions of the Board Documents and the Facilities Documents.

Section 3.4 Revision of Facilities Documents.

(a) The Corporation may revise the Fourth Supplemental Ground Lease, the Fourth Supplemental Facilities Lease and the Mortgage (collectively, the “Facilities Documents”) and the description of the Series 2017 Facilities in Exhibit A hereto from time to time (including, without limitation, the deletion or revision of any of the facilities included in the Series 2017 Facilities and/or the substitution therefor of other facilities) in accordance with the Fourth Supplemental Ground Lease without the consent of the Authority, the Trustee, or the holders of the Bonds but, with the consent of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) and the Series 2017 Bond Insurer; provided, however, that no such revision shall impair the exclusion from gross income of interest on the Bonds for Federal income tax purposes. In the case of any change that would render materially inaccurate the description of the Series 2017 Facilities in Exhibit A hereto, there shall be delivered to the Trustee and the Authority a revised Exhibit A containing a description of the Series 2017 Facilities that reflects the change in the Facilities Documents, the accuracy of which shall have been certified by an Authorized Corporation Representative.

The Corporation shall complete the construction and equipping of the Series 2017 Facilities and pay that portion of the completion Costs of the Series 2017 Facilities as may be in excess of the money available therefor in the Series 2017 Project Fund. The obligation of the Corporation to pay in full the completion Costs of the Series 2017 Facilities shall be a limited obligation of the Corporation payable solely from the Rentals.

(b) Upon the request of the Corporation, the Authority will use its best efforts to issue and sell, upon terms and at prices acceptable to the Authority and the Corporation, if required, one or more series of Additional Bonds for the purpose of financing the completion Costs of the Series 2017 Facilities; provided however, that the failure of the Authority to issue such bonds shall not relieve the Corporation of its obligation to provide the additional money required to pay the completion Costs of the Series 2017 Facilities. If after exhaustion of the money in the Series 2017 Project Fund the Corporation should pay any portion of the Costs of the Series 2017 Facilities, it shall not be entitled to any reimbursement therefor from the Authority or from the Trustee, and shall not be entitled to any abatement, diminution, or postponement of payments required to be made by it under this Second Supplemental Loan Agreement.

Section 3.7 Establishment of Completion Date. The certificate shall set forth the respective Costs of the Series 2017 Facilities and state that, except for amounts not then due and payable, or the liability for the payment of which is being contested or disputed in good faith by the Corporation and adequate reserves for which are on hand, (a) the construction and equipping of the Series 2017 Facilities have been completed substantially in accordance with the Plans and Specifications as incorporated into the Contract and the respective Costs of the Series 2017 Facilities have been paid, and (b) all other facilities necessary in connection with the Series 2017 Facilities have been acquired, constructed and installed and all costs and expenses incurred in connection therewith have been paid. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties that exist at the date of such certificate or which may subsequently come into being.

Section 3.8 No Warranty of Condition or Suitability. The Corporation acknowledges its full familiarity with the Series 2017 Facilities and that the Authority has no responsibility for the Facilities Documents. The Authority makes no representation or warranty, either express or implied, and offers no assurance that the proceeds of the Bonds will be sufficient to pay in full the Costs of the Series 2017 Facilities in accordance with the Facilities Documents.

(c) Each installment of the Payments payable by the Corporation hereunder shall be in an amount which, without regard to the payments required under Section 4.2(b)(iii) above, but including
moneys in the Series 2017 Debt Service Fund then available, shall be designed to provide for the timely payment in full of the principal of, premium, if any, and interest on the Series 2017 Bonds.

(d) Notwithstanding anything to the contrary contained herein, the Corporation promises that it will pay the Payments from the Base Rental, at such times and in such amounts as to assure that no default in the payment of the principal of, premium, if any, or interest on the Series 2017 Bonds shall at any time occur.

(e) Whenever the Corporation shall fail to pay the full amount of any installment of Payments payable under Sections 4.2(b)(i) through 4.2(b)(iii) above by the day of the month in which such installment is due, the Trustee shall give immediate telephonic notice thereof, promptly confirmed in writing, to an Authorized Corporation Representative.

(f) The Corporation shall also cause the Board to promptly pay when due under the Fourth Supplemental Facilities Lease all amounts of Additional Rental owed by the Board thereunder, including, but not limited to, all Default or Delay Rentals and Administrative Expenses (each as defined in the Fourth Supplemental Facilities Lease) owed to the Corporation, the Issuer and/or the Trustee thereunder. Each installment of the Payments payable by the Corporation hereunder shall be in an amount which, without regard to the payments required under Section 4.2(b)(iii) above, but including moneys in the Series 2017 Debt Service Fund then available, shall be designed to provide for the timely payment in full of the principal of, premium, if any, and interest on the Series 2017 Bonds.

Section 4.4 Obligation to Make Payments. The obligation of the Corporation to repay the Loan by making the Payments from the Base Rental shall be absolute and unconditional and shall not be subject to, nor shall the Corporation be entitled to assert, any rights of abatement, deduction, reduction, deferment, recoupment, offset, or counterclaim by the Corporation or any other person, nor shall the same be abated, abrogated, waived, diminished, postponed, delayed, or otherwise modified under or by reason of any circumstance or occurrence that may arise or take place, irrespective of what statutory rights the Corporation may have to the contrary, including but without limiting the generality of the foregoing:

(a) Any damage to or destruction of part or all of the Facilities;

Any such moneys so held as part of any fund or account shall be invested or reinvested by the Trustee in Permitted Investments as specified in Section 4.12 of the Second Supplemental Indenture. The Corporation hereby covenants that it will comply with the terms of the Tax Regulatory Agreement and that it will make such use of the proceeds of the Series 2017 Bonds and all other funds held by the Trustee under the Second Supplemental Indenture, regulate the investment of such proceeds and other funds and take such other and further action as may be required so that the Series 2017 Bonds will not constitute arbitrage bonds under Section 148 of the Code and the regulations promulgated thereunder. (d) The Corporation has entered into the Tax Agreement and agrees to timely comply with the requirements set forth therein. The Corporation also covenants and agrees, at its expense, to pay and to indemnify and to save the foregoing harmless of, from and against, all costs, reasonable counsel fees, expenses and liabilities incurred in any action or proceeding brought by reason of any such claim or demand; and

(i) That it is an exempt organization under Section 501(c)(3) of the Code organized and operated exclusively for religious, charitable, scientific and educational purposes, and it shall not perform any act or enter into any agreement that shall adversely affect its ability to obtain such status as set forth in this Section.

Notwithstanding the foregoing, the Corporation may, at its own expense and in its own name, contest any such item of tax, assessment, liens or other governmental charge and, in the event of such contest, may permit the item so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Authority or the Trustee shall notify the Corporation that, in the opinion of nationally recognized bond counsel by nonpayment of any such items the security afforded the Series 2017 Bonds pursuant to the terms of the Second Supplemental Indenture or Second Supplemental Loan Agreement will be materially endangered, in which event such taxes, assessments or charges shall be paid forthwith. The Authority will cooperate to the extent reasonably necessary with the Corporation in any such claim, defense or contest. The Corporation likewise shall not suffer any act to be done or any condition to exist in the Series 2017 Facilities or any article to be brought therein or thereon which may be dangerous, unless safeguarded as required by law, or which, under law, constitutes a nuisance, public or private, or which may make void or voidable any insurance then in force with respect thereto; and

(f) That it shall take all action, if any, that may be required to obtain such consents, exceptions, exemptions or approvals of governmental authorities as may be necessary to permit it to comply fully with all covenants, stipulations, obligations and agreements of the Corporation contained in this Second Supplemental Loan Agreement.

Without limiting the generality of the foregoing covenant, the Corporation hereby covenants, represents and warrants, as follows:

(i) The Corporation will not take, fail to take or permit the commission of any action within its control necessary to be taken in order that interest on the Series 2017 Bonds will continue to be excludable from gross income for Federal income tax purposes;

(ii) The Corporation will preserve its status as an organization described in Section 501(c)(3) of the Code or corresponding provisions of prior law and to not be determined to be a private foundation as defined in Section 509 of said Code; the Corporation shall not perform any act or enter into any agreement which shall adversely affect its ability to obtain such federal income tax status; the Corporation shall not perform any act, enter into any agreement or use or permit any property of the Corporation to be used in any manner (including any unrelated trade or business) that could adversely affect the exclusion from gross income of interest on the Series 2017 Bonds for Federal income tax purposes pursuant to Section 103 of the Code; the Corporation shall not carry on or permit to be carried on in any property of the Corporation or permit any property of the Corporation to be used in or for any trade or business to the extent that such use of such property would adversely affect the exclusion from gross income of interest on the Series 2017 Bonds for Federal income tax purposes; and the Corporation is duly organized and existing as a non-profit corporation under the laws of the State and it will maintain, extend and renew its corporate existence under the laws of the State and will not do, suffer or permit any act or thing to be done whereby its right to transact its functions might or could be terminated or its activities restricted;

(iii) The Corporation will timely file a statement with the United States of America setting forth the information required pursuant to Section 149(e) of the Code;

(iv) The average term of the Series 2017 Bonds, calculated in proportion to the “issue price” (as defined in Section 1273 of the Code) of the bonds of each stated maturity of such Bonds, will not exceed 120% of the average reasonably expected economic life of the Series 2017 Facilities financed with the proceeds of the Series 2017 Bonds or the investment earnings thereon, weighted in proportion to the respective cost of each item comprising the Series 2017 Facilities financed with the proceeds of such Series 2017 Bonds. For purposes of the preceding sentence, the reasonably expected economic life of property shall be determined as of the later of (i) the date on which the Series 2017 Bonds were issued or (ii) the date on which such property was placed in service (or expected to be placed in service);

(vi) Based upon all facts and estimates now known or reasonably expected to be in existence on the date the Series 2017 Bonds are delivered, the Corporation reasonably expects that the proceeds of the Series 2017 Bonds will not be used in a manner that would cause the Series 2017 Bonds or any portion thereof to be an “arbitrage bond” within the meaning of Section 148 of the Code;

(vii) As provided in Article V hereof, the Corporation will monitor the yield on the investment of the proceeds of the Series 2017 Bonds and moneys pledged to the repayment of the Series 2017 Bonds, other than amounts not subject to yield restriction and will restrict the yield on such investments to the extent required by the Code or the Regulations;

In complying with the foregoing covenants, the Corporation may rely from time to time upon an opinion issued by nationally-recognized bond counsel to the effect that any action by the Corporation or reliance upon any interpretation of the Code or Regulations contained in such opinion will not cause interest on the Series 2017 Bonds to be includable in gross income for Federal income tax purposes under existing law.

Section 6.5 Information. The Corporation agrees, whenever reasonably requested by the Authority or the Trustee, to provide access to inspect, examine and make copies of any and all books, accounts and records of the Corporation and to provide and certify or cause to be provided and certified such information concerning the Properties, the Series 2017 Facilities, the Corporation, its finances, and other topics as the Authority or Trustee, as the case may be, considers necessary to enable counsel to the Authority or the Trustee, as the case may be, to issue its opinions and otherwise advise the Authority or the Trustee, as the case may be, as to the transaction or the legal capacity of the parties to enter into the same, or to enable it to make any reports required by law, governmental regulation or the Second Supplemental Indenture. (b) In case of any such Merger and upon any such assumption by the Successor Corporation, the Successor Corporation shall succeed to and be substituted for its predecessor, with the

(a) Without the written consent of the Bond Insurer, the rights of the Corporation under this Second Supplemental Loan Agreement may be assigned as a whole or in part but no such assignment shall constitute a release of the Corporation from its obligations hereunder.

(b) Each transferee of the Corporation’s interest in this Second Supplemental Loan Agreement shall assume the obligations of the Corporation hereunder to the extent of the interest assigned, sold or leased, and the Corporation shall, not more than sixty (60) nor fewer than thirty (30) days prior to the effective date of any such assignment or lease, furnish or cause to be furnished to the Authority, the Bond Insurer and the Trustee a true and complete copy of each such assignment or lease.

Section 7.2 Restrictions on Transfer of Authority’s Rights. The Authority agrees that it will not during the term of this Second Supplemental Loan Agreement sell, assign, transfer or convey its interests in this Second Supplemental Loan Agreement except as provided in Section 7.3.

Section 7.3 Assignment by the Authority. It is understood, agreed and acknowledged that the Authority will assign to the Trustee pursuant to the Second Supplemental Indenture certain of its rights,
title and interests in and to this Second Supplemental Loan Agreement (reserving its rights, however, pursuant to sections of this Second Supplemental Loan Agreement providing that notices, reports and other statements be given to the Authority and also reserving its rights to reimbursement and payment of costs and expenses under Section 9.5 hereof, its rights to indemnification under Section 6.1(d) hereof and its individual and corporate rights to exemption from liability under Section 10.12 hereof), including the interest of the Authority in and to the Fourth Supplemental Ground Lease and the Fourth Supplemental Facilities Lease assigned by the Corporation to the Authority hereunder, and the Corporation hereby assents to such assignment and pledge.

ARTICLE VIII
SUPPLEMENTS AND AMENDMENTS

Section 8.1 Amendment to Loan Agreement Without Consent. The Authority and the Corporation, with the consent of the Trustee with respect to Sections 8.1(d) and 8.1(e) hereof, with the consent of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) and the Series 2017 Bond Insurer, except if such supplement or amendment is for the purpose of refunding Bonds in order to realize debt service savings in each subsequent year as specified in Section 5.2 of the Indenture, but without the consent of the owners of any of the Bonds Outstanding under the Indenture, may enter into supplements to the Loan Agreement that shall not be inconsistent with the terms and provisions hereof for any of the purposes heretofore specifically authorized in the Loan Agreement or the Indenture, and in addition thereto for the following purposes:

(a) To cure any ambiguity or formal defect, inconsistency or omission in this Second Supplemental Loan Agreement or to clarify matters or questions arising hereunder;

(b) To add covenants and agreements for the purpose of further securing the obligations of the Corporation hereunder;

(c) To confirm as further assurance any mortgage or pledge of additional property, revenues, securities or funds;

(d) To conform the provisions of the Loan Agreement in connection with the provisions of any supplements or amendments to the Indenture entered into pursuant to the provisions of Section 10.1 thereof;

(e) To provide any other modifications which, in the sole judgment of the Trustee, are not prejudicial to the interests of the Bondholders; or

(f) To conform the covenants and provisions of the Corporation contained herein to any different financial statement presentation required by the Financial Accounting Standard Board that is different than the presentation required as of the date of issuance of the Bonds, so long as the effect of such conformed covenants and provisions is substantially identical to the effect of the covenants and provisions as in effect on the date of issuance of the Bonds.

Section 8.2 Amendment to Loan Agreement Upon Approval of a Majority of Bondholders.

(a) The provisions of the Loan Agreement may be amended in any particular with the consent of the owners of not less than a majority of the aggregate principal amount of Bonds then Outstanding and the written consent of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) and the Series 2017 Bond Insurer; provided, however, that no such amendment may be
adopted that decreases the percentage of owners of the Bonds required to approve an amendment, or that permits a change in the date of payment of the principal of or interest on any Bonds or of any redemption price thereof or the rate of interest thereon without the consent of the owners of all of the aggregate principal amount of the Bonds then outstanding.

(b) If at any time the Authority and the Corporation shall request the Trustee to consent to a proposed amendment for any of the purposes of this Section 8.2, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such proposed amendment to be given in the manner required by the Indenture to redeem the Bonds. Such notice shall briefly set forth the nature of the proposed amendment and shall state that copies thereof are on file at the principal corporate trust office of the Trustee for inspection by all Bondholders. If, within sixty (60) days or such longer period as shall be prescribed by the Authority following such notice, the owners of not less than a majority in aggregate principal amount of the Bonds outstanding at the time of the execution of any such proposed amendment shall have consented to and approved the execution thereof as herein provided, no owner of any Bonds shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee, the Corporation or the Authority from executing or approving the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such proposed amendment as in this Section permitted and provided, this Second Supplemental Loan Agreement shall be and be deemed to be modified and amended in accordance therewith.

Section 8.3 Amendments to Facilities Lease or the Ground Lease Not Requiring Owner Consent. Subject to the terms and provisions of Section 8.5 and 8.7 of this Second Supplemental Loan Agreement, with the written consent of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) and the Series 2017 Bond Insurer, except if such supplement or amendment is for the purpose of refunding Bonds in order to realize debt service savings in each subsequent year as specified in Section 5.2 of the Indenture, the Facilities Lease or the Ground Lease may be amended or modified in any manner not inconsistent with the terms and provisions of the Loan Agreement, for any one or more of the following purposes: (1) to cure any ambiguity or formal defect or omission in the Facilities Lease or the Ground Lease that does not have an adverse effect upon the interest of the Owners; (2) to grant or confer upon the Authority or the Trustee, for the benefit of the Owners, any additional rights, remedies, powers or authorities that lawfully may be granted to or conferred upon the Authority or the Trustee; (3) to more clearly identify the Series 2017 Facilities or to add to or subtract from the Series 2017 Facilities any property; (4) to amend or modify the Facilities Lease or the Ground Lease in any manner specifically required or permitted by the terms thereof, including as may be necessary to maintain the exclusion from gross income of interest on the Series 2017 Bonds for federal income tax purposes; (5) to make any amendment or modification required as a condition to obtaining any rating by Moody’s or S&P with respect to the Series 2017 Bonds; and (6) to amend or modify the Facilities Lease or the Ground Lease in any other manner that, in the judgment of the Trustee, is not materially adverse to the interests of the owners of the Series 2017 Bonds (and the Series 2004 Bond Insurer if any Series 2004B Bonds remain outstanding and the Series 2017 Bond Insurer) or the Trustee and that does not involve a change described in Section 8.5 hereof.

Notwithstanding anything to the contrary provided herein, the consent of the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) and the Series 2017 Bond Insurer shall not be required in order to amend the Ground Lease or the Facilities Lease solely to add additional property for the Facilities.

Section 8.4 Amendments to the Facilities Lease or the Ground Lease Requiring Owner Consent. Exclusive of amendments and modifications covered by Section 8.3 hereof, the Facilities Lease
or the Ground Lease may be amended or modified only as provided in Section 8.4 and 8.5 of this Second Supplemental Loan Agreement. Subject to the terms and provisions contained in Section 8.5 of this Second Supplemental Loan Agreement, the Authority and the owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding (and the Series 2004 Bond Insurer if any Series 2004B Bonds remain outstanding and the Series 2017 Bond Insurer), shall have the right, from time to time, anything contained in this Second Supplemental Loan Agreement to the contrary notwithstanding, to consent to and approve the amendment or modification of the Facilities Lease or the Ground Lease. If at any time there is a proposed amendment or modification to the Facilities Lease or the Ground Lease, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such modification or amendment to be mailed to each of the owners of the Bonds at the address indicated on the registration books of the Trustee (and the Series 2004 Bond Insurer if any Series 2004B Bonds remain outstanding and the Series 2017 Bond Insurer). Such notice shall briefly set forth the nature of the proposed amendment or modification and shall state that copies thereof are on file at the principal office of the Trustee for inspection by owners of all Outstanding Bonds. If, within sixty (60) days, or such longer period as shall be prescribed by the Authority, following the mailing of such notice, the owners of the requisite percentage in aggregate principal amount of the Outstanding Bonds at the time of the execution of any such amendment or modification shall have consented to and approved the execution thereof as herein provided, no owner of any Outstanding Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof; or to enjoin or restrain the parties thereto from executing the same or from taking any action pursuant to the provisions hereof.

Section 8.5  Consent Required Under Certain Circumstances for Amendment of Facilities Lease or Ground Lease. Nothing contained in Sections 8.3 and 8.4 of this Second Supplemental Loan Agreement shall permit, or be construed as permitting, without the approval and consent of all of the owners of the Outstanding Bonds (and the Series 2004 Bond Insurer if any Series 2004B Bonds remain outstanding and the Series 2017 Bond Insurer), (a) a reduction in the amount of, or the extension of the time for, any payment of Base Rental due under the Facilities Lease or any amount due under the Bond Insurance Policy; or (b) the termination of the Facilities Lease or the Ground Lease prior to the expiration of their stated term, other than in accordance with the provisions thereof.

Section 8.6  Opinion Required for Amendment of Facilities Lease or Ground Lease. Anything to the contrary herein notwithstanding, no amendment or modification of the Facilities Lease or the Ground Lease shall become effective unless and until the Trustee has been provided with an opinion of Bond Counsel to the effect that such amendment or modification will not have an adverse effect upon the validity of the Series 2017 Bonds and to the effect that such amendment or modification will maintain the exclusion from gross income of interest on the Bonds for federal income tax purposes.

Section 8.7  Consent of the Board. Anything herein to the contrary notwithstanding, an amendment to the Facilities Lease or the Ground Lease under this Article VIII shall not become effective unless and until the Board shall have consented to the execution and delivery of such amendment to the Facilities Lease or the Ground Lease, unless an Event of Default has occurred and is continuing, and no amendment to the Facilities Lease or the Ground Lease shall without the prior written consent of the Board affect the date or amounts of payments required on the Series 2017 Bonds or required under the Facilities Lease.

Section 8.8  Filing. Copies of any such supplement or amendment to this Second Supplemental Loan Agreement, the Ground Lease or the Facilities Lease shall be filed with the Trustee and delivered to the Authority and the Corporation before such supplement or amendment may become effective.
Section 8.9  Reliance on Counsel. The Authority and the Trustee shall be entitled to receive, and shall be fully protected in relying upon the opinion of counsel satisfactory to the Trustee, who may be counsel for the Authority, as conclusive evidence that any such proposed supplement or amendment to this Second Supplemental Loan Agreement, the Ground Lease or the Facilities Lease complies with the provisions of this Second Supplemental Loan Agreement and the Second Supplemental Indenture and that it is proper for the Authority and the Trustee under the provisions of this Article to execute or approve such supplement or amendment.

Section 8.10  Notice to Rating Agencies. No supplemental agreement or amendment to this Second Supplemental Loan Agreement, the Ground Lease or the Facilities Lease shall be executed and delivered pursuant hereto without prior written notice having been given by the Corporation to Standard & Poor’s Ratings Group and Moody’s, if any of the Bonds are rated by such Rating Agencies, of the Corporation’s intention to execute such supplemental agreement or amendment thereof not fewer than fifteen (15) days in advance of the execution of said supplemental agreement or amendment. The Corporation shall provide the Series 2004 Bond Insurer (if any Series 2004B Bonds remain outstanding) and the Series 2017 Bond Insurer a full transcript of all proceedings relative to said supplemental agreement or amendment.

ARTICLE IX
EVENTS OF DEFAULT AND REMEDIES

Section 9.1  Events of Default Defined. The terms “Event of Default” and “Default” under the Original Loan Agreement shall include any one or more of the following events:

(a) The Corporation shall default in the timely payment of any Payment pursuant to Article IV of this Second Supplemental Loan Agreement.

(b) An Event of Default shall exist under the Bond Documents, the Facilities Lease, or the Tax Regulatory Agreement.

(c) The Corporation shall fail duly to perform, observe or comply with any other covenant, condition or agreement on its part under the Loan Agreement or this Second Supplemental Loan Agreement (other than a failure to make any payment required under this Second Supplemental Loan Agreement), and such failure continues for a period of thirty (30) days after the date on which written notice of such failure, requiring the same to be remedied, shall have been given to the Corporation by the Trustee; provided, however, that if such performance, observation or compliance requires work to be done, action to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such thirty (30) day period, no Event of Default shall be deemed to have occurred or to exist if, and so long as the Corporation shall commence such performance, observation or compliance within such period and shall diligently and continuously prosecute the same to completion.

(d) The entry of a decree or order by a court having jurisdiction in the premises adjudging the Corporation a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Corporation under the United States Bankruptcy Code or any other applicable federal or state law, or appointing a receiver, liquidator, custodian, assignee, or sequestrator (or other similar official) of the Corporation or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of ninety (90) consecutive days.
The institution by the Corporation of proceedings to be adjudicated a bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under the United States Bankruptcy Code or any other similar applicable federal or state law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, custodian, assignee, trustee or sequestrator (or other similar official) of the Corporation or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due.

Section 9.2 Remedies. Whenever any Event of Default under the Loan Agreement shall have happened and be continuing, the Authority and the Trustee may take any of the remedial steps provided to such parties in the Loan Agreement and the Indenture; provided that, if all installments of Payments under the Loan Agreement are declared to be immediately due and payable, then all Payments due under Section 4.2 hereof shall also be immediately due and payable.

Section 9.3 No Remedy Exclusive; Selective Enforcement. No remedy conferred upon or reserved to the Authority or the Trustee by this Second Supplemental Loan Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Second Supplemental Loan Agreement and as now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any event of nonperformance shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority or the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be herein expressly required. In the event the Authority or the Trustee shall elect to selectively and successively enforce its rights under this Second Supplemental Loan Agreement, such action shall not be deemed a waiver or discharge of any other lien, encumbrance or security interest securing payment of the indebtedness secured hereby or thereby until such time that it shall have been paid in full all sums secured hereunder and thereunder. The foreclosure of any lien provided pursuant to this Second Supplemental Loan Agreement without the simultaneous foreclosure of all such liens shall not merge the liens granted which are not foreclosed with any interest which the Authority or the Trustee might obtain as a result of such selective and successive foreclosure.

Section 9.4 Indenture Overriding. All of the provisions of this Article are subject to and subordinate to the rights and remedies of the Bond Insurers, the holders of the Bonds and the Trustee pursuant to the Indenture. The Authority shall have no power to waive any event of default hereunder, except with respect to indemnification and its administrative payments, without the consent of the Trustee and the Bond Insurer to such waiver.

Section 9.5 Loan Agreement to Pay Attorneys’ Fees and Expenses. In any Event of Default, if the Authority or the Trustee employs attorneys or incurs other expenses for the collection of amounts payable hereunder or the enforcement of the performance or observance of any covenants or agreements on the part of the Corporation herein contained, whether or not such suit is commenced, the Corporation agrees that it will on demand therefor pay to the Authority or the Trustee the reasonable fees of such attorneys and such other reasonable expenses so incurred by the Authority or the Trustee.

Section 9.6 Authority and Corporation to Give Notice of Default. The Authority and the Corporation severally covenant that they will, at the expense of the Corporation, promptly give to the Trustee written notice of any Event of Default under this Second Supplemental Loan Agreement of which
they shall have actual knowledge or written notice, but the Authority shall not be liable (except as provided in Section 6.1(d) hereof) for failing to give such notice.

Section 9.7 Correlative Waivers. If an Event of Default under Section 8.2 of the Second Supplemental Indenture shall be cured or waived and any remedial action by the Trustee rescinded, any correlative Default under this Second Supplemental Loan Agreement shall be deemed to have been cured or waived.

ARTICLE X
MISCELLANEOUS

Section 10.1 References to the Series 2017 Bonds Ineffective After Series 2017 Bonds Paid. Upon payment of the Series 2017 Bonds, all references in this Second Supplemental Loan Agreement to the Bondholders shall be ineffective and the Authority and any holder of the Series 2017 Bonds shall not thereafter have any rights hereunder, excepting those that shall have theretofore vested.

It is agreed by the parties hereto that any amounts remaining in the Funds and Accounts established under the Second Supplemental Indenture upon the expiration or sooner cancellation or termination of this Second Supplemental Loan Agreement, as provided herein, after payment in full of all Series 2017 Bonds then outstanding under the Second Supplemental Indenture (or provisions for payment thereof having been made in accordance with the provisions of the Second Supplemental Indenture), and the fees, charges and expenses of the Authority, the Series 2017 Bond Insurer and the Trustee and all other amounts required to be paid hereunder and under the Second Supplemental Indenture with respect to the Series 2017 Bonds (other than amounts payable as arbitrage rebate pursuant to the Code), shall belong to and be paid to the Board.

Section 10.4 Binding Effect. This Second Supplemental Loan Agreement shall inure to the benefit and shall be binding upon the Authority, the Corporation, and their respective successors and assigns, subject to the limitation that any obligation of the Authority created by or arising out of this Second Supplemental Loan Agreement shall not be a general debt of the Authority, but shall be payable solely out of the proceeds derived from this Second Supplemental Loan Agreement and the sale of the Series 2017 Bonds under the Second Supplemental Indenture.

Section 10.5 Performance on Legal Holidays. In any case where the date of maturity of interest on or principal of the Series 2017 Bonds or the date fixed for redemption or purchase of any Series 2017 Bonds or the date fixed for the giving of notice or the taking of any action under the Second Supplemental Indenture shall not be a Business Day, then payment of such interest, principal, purchase price and redemption premium, if any, the giving of such notice or the taking of such action need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date of maturity or the date fixed for redemption or purchase, and no interest on such payment shall accrue for the period after such date.

Section 10.6 Execution in Counterparts. This Second Supplemental Loan Agreement may be executed in several counterparts, each of which shall be regarded as an original and all of which shall constitute but one and the same instrument; provided, however, that upon the assignment and pledge to the Trustee provided for in Section 3.2 hereof, the Authority shall deliver to the Trustee an executed counterpart of this Second Supplemental Loan Agreement which executed counterpart shall be deemed to be collateral of which the Trustee has taken possession and no other counterpart shall be deemed to be collateral for any other purpose.

Section 10.7 Applicable Law. This Second Supplemental Loan Agreement shall be governed by and construed in accordance with the laws of the State.

Section 10.8 Severability. If any clause, provision or Section of this Second Supplemental Loan Agreement be held illegal or invalid by any court, the invalidity of such clause, provision or Section shall not affect any of the remaining clauses, provisions or Sections hereof and this Second Supplemental

{B1109286.8}
Loan Agreement shall be construed and enforced as if such illegal or invalid clause, provision or Section had not been contained herein. In case any agreement or obligation contained in this Second Supplemental Loan Agreement be held to be in violation of law, then such agreement or obligation shall be deemed to be the agreement or obligation of the Authority or the Corporation, as the case may be, only to the extent permitted by law.

Section 10.9 Captions. The table of contents, captions or headings of the several articles and sections of this Second Supplemental Loan Agreement are for convenience only and shall not control, affect the meaning of or be taken as an interpretation of any provisions of this Second Supplemental Loan Agreement.

Section 10.10 Consents and Approvals. Whenever the consent or approval of the Authority, the Corporation or the Trustee shall be required under the provisions of this Second Supplemental Loan Agreement, such consent or approval shall not be unreasonably withheld or delayed.

Section 10.11 Third Party Beneficiaries. It is specifically agreed between the parties executing this Second Supplemental Loan Agreement that it is not intended by any of the provisions of any part of this Second Supplemental Loan Agreement to make the public or any member thereof, other than the Trustee, and the Bond Insurer and except as expressly provided herein or as contemplated in the Second Supplemental Indenture, a third party beneficiary hereunder, or to authorize anyone not a party to this Second Supplemental Loan Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Second Supplemental Loan Agreement. The duties, obligations and responsibilities, if any, of the parties to this Second Supplemental Loan Agreement with respect to third parties shall remain as imposed by law.

Section 10.12 Exculpatory Provision.

(a) In the exercise of the powers of the Authority the Trustee and their respective trustees, directors, officers, employees and agents (each, an “Indemnified Party”) under this Second Supplemental Loan Agreement, each Indemnified Party shall not be accountable or liable to the Corporation (i) for any actions taken or omitted by such Indemnified Party in good faith and believed by it or them to be authorized or within their discretion or rights or powers conferred upon them (other than the negligence or willful misconduct of such Indemnified Party), or (ii) for any claims based on this Second Supplemental Loan Agreement against any such Indemnified Party, all such liability, if any, being expressly waived by the Corporation by the execution of this Second Supplemental Loan Agreement. The Corporation shall indemnify and hold harmless each Indemnified Party against any claim or liability based on the foregoing asserted by any other person.

(b) In case any action shall be brought against an Indemnified Party in respect of which indemnity may be sought against the Corporation, such Indemnified Party shall promptly notify the Corporation in writing and the Corporation shall assume the defense thereof, including the employment of counsel of the Corporation’s choice and the payment of all expenses. Such Indemnified Party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be paid by such Indemnified Party unless the employment of such counsel has been authorized by the Corporation. The Corporation shall not be liable for any settlement of any such action without its consent but if any such action is settled with the consent of the Corporation or if there be final judgment for the plaintiff of any such action, the Corporation agrees to indemnify and hold harmless such Indemnified Party from and against any loss or liability by reason of such settlement or judgment.
(c) No recourse shall be had for the payment of the principal of or premium or interest on any of the Bonds or for any claim based thereon or upon any obligations, covenant or agreement contained in this Second Supplemental Loan Agreement against any past, present or future officer, director, member, employee or agent of the Authority, or of any successor public corporation, as such, either directly or through the Authority or any successor public corporation, under any rule of law or equity, statute or constitution, or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such officers, directors, members, employees, or agents as such is hereby expressly waived and released as a condition of and consideration for the execution of this Second Supplemental Loan Agreement and the issuance of such Bonds.

Section 10.13 Accounts and Audits. The Authority shall cause the Trustee to keep proper books of records and accounts (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions relating to the Bonds. The Authority shall have access to the Corporation’s books and records with respect to the Series 2017 Facilities upon written request after reasonable notice.

Section 10.14 Date of Second Supplemental Loan Agreement. The dating of this Second Supplemental Loan Agreement as of June 1, 2017 is intended as and for the convenient identification of this Second Supplemental Loan Agreement.

Section 10.15 Reliance. It is expressly understood and agreed by the parties to this Second Supplemental Loan Agreement that:

(a) the Authority may rely conclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Authority by the Trustee, any Bondholder or the Corporation as to the existence of a fact or state of affairs required under this Second Supplemental Loan Agreement to be noticed by the Authority;

(b) the Authority shall not be under any obligation to perform any recordkeeping or to provide any legal service, it being understood that such services shall be performed or caused to be performed by the Trustee or the Corporation; and

(c) none of the provisions of this Second Supplemental Loan Agreement or the Mortgage shall require the Authority to expend or risk its own funds (apart from the proceeds of Bonds issued under the Second Supplemental Indenture) or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights under this Second Supplemental Loan Agreement or the Mortgage unless it first shall have been adequately indemnified to its satisfaction against the costs, expenses and liabilities which may be incurred by taking any such action.

Section 10.16 Authority Not Liable. Notwithstanding any other provision of this Second Supplemental Loan Agreement, the Second Supplemental Indenture, the Mortgage, the Continuing Disclosure Certificate, the Bond Purchase Agreement or the Tax Regulatory Agreement, (a) the Authority shall not be required to take action under this Second Supplemental Loan Agreement, the Second Supplemental Indenture, the Mortgage, the Continuing Disclosure Certificate, the Bond Purchase Agreement or the Tax Regulatory Agreement unless the Authority (i) is requested in writing by an appropriate Person to take such action; and (ii) is assured of payment of or reimbursement for any expense incurred in taking such action, and (b) except with respect to any action for specific performance or any action in the nature or a prohibitory or mandatory injunction, neither the Authority nor any official, officer, member, director, agent, employee or servant of the Authority shall be liable to the Corporation, the Trustee or any other Person for any action taken by the Authority or by its officials, officers,
members, directors, agents, employees, or servants, or for any failure to take action under this Second Supplemental Loan Agreement, the Second Supplemental Indenture, the Mortgage, the Continuing Disclosure Certificate, the Bond Purchase Agreement, or the Tax Regulatory Agreement. In acting or in refraining from acting under this Second Supplemental Loan Agreement, the Second Supplemental Indenture, the Mortgage, the Continuing Disclosure Certificate, the Bond Purchase Agreement or the Tax Regulatory Agreement, the Authority may conclusively rely on the advice of its counsel.

Section 10.17 No Violations of Law. Any other term or provision in this Second Supplemental Loan Agreement to the contrary notwithstanding:

(a) In no event shall this Second Supplemental Loan Agreement be construed as:
   (i) depriving the Authority of any right or privilege; or
   (ii) requiring the Authority or any member, agent, employee, representative or advisor of the Authority to take or omit to take, or to permit or suffer the taking of, any action by itself or by anyone else;
   (iii) which deprivation or requirement would violate, or result in the Authority’s being in violation of the Act or any other applicable state or federal law; and

(b) At no time and in no event will the Corporation permit, suffer or allow any of the proceeds of this Second Supplemental Loan Agreement or the Bonds to be transferred to any Person in violation of, or to be used in any manner that is prohibited by, the Act or any other state or federal law.

Section 10.18 Addition of Section 10.18 to the First Supplemental Loan Agreement. The First Supplemental Loan Agreement is hereby amended by the addition of Section 10.18, which shall read in its entirety as follows:

“Section 10.18 References to Series 2004 Bond Insurer. All references to Series 2004 Bond Insurer in this Supplemental Loan Agreement shall be read to include the Series 2017 Bond Insurer.”

As further consideration for the entering into of this Fourth Supplemental Ground Lease by the Board, the Corporation agrees to perform its construction obligations as set forth in Article V herein, and to execute and perform its obligations under the Fourth Supplemental Facilities Lease and all other documents contemplated by and ancillary to this Fourth Supplemental Ground Lease and the Fourth Supplemental Facilities Lease. Title to all improvements constructed or placed in service on the Land by the Corporation shall vest in the Board and the cost thereof incurred by the Corporation shall constitute additional rent hereunder. In addition, the Corporation agrees to pay the costs of demolishing existing improvements, developing and/or constructing the Series 2017 Facilities pursuant to the terms of this Fourth Supplemental Ground Lease and the Fourth Supplemental Facilities Lease, title to which shall vest in the Board, which payment obligation shall constitute additional rent hereunder.
ARTICLE IV
USE OF LAND

Section 4.01 Purpose of Lease. The Corporation enters into this Fourth Supplemental Ground Lease for the purpose of demolishing certain existing facilities and renovating, developing, and constructing the Series 2017 Facilities in accordance with the Series 2017 Plans and Specifications and leasing the Series 2017 Facilities to the Board in accordance with the Fourth Supplemental Facilities Lease. Except as otherwise provided herein, the Series 2017 Facilities are to be used for no other purpose.

Section 4.02 Benefit of the Board and the University. The Board shall own the Series 2017 Facilities subject to the Corporation’s rights under this Fourth Supplemental Ground Lease and, for so long as the Fourth Supplemental Facilities Lease remains in full force and effect, the Board shall lease back the Series 2017 Facilities from the Corporation for the support, maintenance and benefit of the Board and the University. The Series 2017 Facilities shall be owned and leased solely for a public purpose related to the performance of the duties and functions of the Board and the University. Under no circumstances shall the Series 2017 Facilities be used for any purpose other than the Permitted Use.

Section 4.03 Data and Voice Communication Systems. The Board, at its expense, agrees to provide to the Series 2017 Facilities appropriate cabling to tie its computer system into the Series 2017 Facilities. The Board shall provide the Series 2017 Facilities access to its computer system at no charge to the Corporation.

Section 4.04 Compliance with Statutory Requirements. Section 3361, et seq. of Title 17 of the Louisiana Revised Statutes prescribes rules and regulations for leases of any portion of the campus by a college or university. By execution of this Fourth Supplemental Ground Lease, the Board represents that it has complied with applicable statutory requirements of such Title 17 including, without limitation:

(a) the waiver by written consent of the formulation and adoption of rules, regulations and requirements, if any, relative to the erection, construction and maintenance of the Series 2017 Facilities referenced in Section 3362 A of Title 17 of the Louisiana Revised Statutes, other than those set forth in this Fourth Supplemental Ground Lease or specifically referenced in this Fourth Supplemental Ground Lease;

(b) the waiver by written consent of the Board’s right to require removal of the Series 2017 Facilities referenced in Section 3362 B of Title 17 of the Louisiana Revised Statutes, except as set forth in this Fourth Supplemental Ground Lease; and

(c) the waiver by written consent of the Board’s right to adopt such rules or regulations as it deems necessary or desirable relative to the conduct and social activities of people in structures erected on the leased grounds referenced in Section 3364 of Title 17 of the Louisiana Revised Statutes, except as may be specified in this Fourth Supplemental Ground Lease.

ARTICLE V
CONSTRUCTION OF THE SERIES 2017 FACILITIES

Section 5.01 The Corporation’s Construction Obligations. The Corporation will demolish certain existing facilities and renovate, develop and construct the Series 2017 Facilities on the Land at its own cost and expense. The Corporation shall lease the Series 2017 Facilities to the Board pursuant to the Fourth Supplemental Facilities Lease. The Board shall not have any financial obligation or other obligation of any kind under this Fourth Supplemental Ground Lease except to review and approve the Corporation's activities and as specifically set forth herein.
(a) The Corporation shall furnish or cause to be furnished all supervision, tools, implements, machinery, labor, materials and accessories such as are necessary and proper for the demolition of certain existing facilities and the construction of the Series 2017 Facilities, shall pay all applicable permit and license fees, and shall demolish certain existing facilities and construct, build, and complete the Series 2017 Facilities in a good, substantial and workmanlike manner all in accordance with this Fourth Supplemental Ground Lease, and generally in compliance with the Series 2017 Plans and Specifications and all documents executed pursuant hereto and thereto. The Corporation and the Board agree to cooperate fully to the end that fee and permit exemptions available with respect to the Series 2017 Facilities under applicable law are obtained by the party or parties entitled thereto.

(b) Subject to the provisions of this Section 5.01, all decisions regarding construction matters shall be made by the Corporation. The parties hereto acknowledge that the Board Representative and any other party whose consent is necessary to the Board’s authority have previously reviewed and approved the Series 2017 Plans and Specifications for the Series 2017 Facilities. Prior to the application of Series 2017 Bond proceeds or the issuance of any Additional Bonds (as defined in the Series 2017 Indenture) to finance any subsequent phase of the Series 2017 Facilities, the Board Representative and any other party whose consent is necessary to the Board’s authority shall review and approve the Series 2017 Plans and Specifications relating to such subsequent phase of the Series 2017 Facilities.

(c) Changes in work and materials are subject to review and approval of the Board Representative; however minor changes in work or materials, not affecting the general character of the Series 2017 Facilities or increasing the cost of construction may be made in the Series 2017 Plans and Specifications at any time by the Corporation without the approval of the Board Representative, but a copy of the altered Series 2017 Plans and Specifications shall promptly be furnished to the Board Representative. The Corporation shall notify the Board Representative of any changes in work or materials that require the Board Representative’s approval and the Board Representative shall either approve or disapprove any such changes within ten (10) business days after receipt of such notice from the Corporation. Notification shall include sufficient information for the Board Representative to make a determination and to approve or disapprove any changes in work or materials.

(d) After completion of the Series 2017 Facilities, at least sixty (60) days prior to undertaking any structural alteration, renovation, or remodeling of the Series 2017 Facilities during the Term, the Corporation shall submit plans for such renovation or remodeling to the Board Representative for approval which approval must be obtained prior to the Corporation making or causing to be made any such structural alteration, renovation, or remodeling of the Series 2017 Facilities. The Board Representative shall either approve or disapprove any such alteration within thirty (30) days after receipt of such plans from the Corporation. All alterations, renovations or additions to the Series 2017 Facilities undertaken by the Corporation shall be in conformance with all applicable laws, codes, rules and regulations, and amendments thereto, including 1988 Standard Building Code with 1989 and 1990 revisions, ANSI A117.1 1986 edition, and NFPA 101 Life Safety Code and all local and state building codes. The Corporation shall have the right to contest any such codes for reasonable grounds by ordinary and proper procedures.

(e) Subject to Force Majeure, the Corporation covenants that the Corporation shall substantially complete construction of the Series 2017 Facilities, subject to punch list items, on or before its respective Date of Opening. Notwithstanding anything to the contrary contained herein, a breach by the Corporation of the covenant set forth in this Section 5.01(e) shall not be an Event of Default hereunder. The Board shall be entitled to institute an action seeking specific performance of this covenant by the Corporation.
Upon Commencement of Construction of the Series 2017 Facilities, the Corporation shall deliver to the Board Representative a copy of the labor and materials payment and performance bonds in an amount equal to the contract price set forth in the Construction Contract for such Series 2017 Facilities issued by a company qualified, permitted or admitted to do business of the State of Louisiana and approved by the Board. The Corporation shall take the action specified by La. R.S. 9:4802(C) to be taken by an owner to protect the premises from any liens related to the design or construction of the Series 2017 Facilities.

Prior to the Commencement of Construction of the Series 2017 Facilities, any architect whose services have been retained shall provide a standard errors and omissions policy, with such additional provisions as may be approved by counsel to the Corporation.

Any performance bond, labor and material payment bond, or completion bond provided by a contractor hired by the Corporation shall be for 100% of the amount of the contract with such contractor, and shall contain a dual obligee rider in favor of the Board; subject, however, to the reasonable underwriting guidelines of the surety issuing the bond and rules of the Governmental Authorities regulating the surety.

The Corporation shall, upon written request of the Board, make in such detail as may reasonably be required, and forward to the Board Representative, reports in writing as to the actual progress of the construction of the Series 2017 Facilities. During such period, the construction work shall be subject to inspection by the Independent Architect and by authorized personnel of the Board in order to verify reports of construction, determine compliance with safety, fire, and building codes, determine compliance with approved construction plans, or such other inspections as may be necessary in the reasonable opinion of the Board Representative.

The Corporation shall inspect the Land and arrange for boundary surveys, topographical surveys, soil borings and other site investigations at its expense to the extent these things have not been done by the Board. The Board does not guarantee that the Land is suitable for construction of the Series 2017 Facilities. Subject to the matters shown on Exhibit B attached to this Fourth Supplemental Ground Lease, the Corporation accepts the Land in its present condition. However, the Board represents that to the best of its knowledge and belief there are no Hazardous Materials or other materials on or under the Land or that would materially impact the construction of the Series 2017 Facilities.

Except as provided in Section 4.03 hereof, part of the cost of construction of the Series 2017 Facilities shall include all costs necessary for the contractor or applicable utility company to bring lines for all such utilities to the Series 2017 Facilities so that such utilities will be available when required for construction and operation of the Series 2017 Facilities.

ARTICLE VI
ENCUMBRANCES

Section 6.01 Mortgage of Leasehold or the Series 2017 Facilities. Except for the Mortgage, the Corporation shall not mortgage, lien or grant a security interest in the Corporation’s leasehold interest in the Land, the Series 2017 Facilities or any other right of the Corporation hereunder without the prior written consent of the Board and the Bond Insurer.
ARTICLE VII
MAINTENANCE AND REPAIR

Section 7.01 Maintenance, Repairs and Renovations.

(a) For as long as the Fourth Supplemental Facilities Lease is in effect, the University, at the direction of the Board, shall be responsible for maintaining and repairing the Series 2017 Facilities in accordance with Section 7 of the Fourth Supplemental Facilities Lease.

(b) In the event that the Fourth Supplemental Facilities Lease has been terminated, the Corporation will: (1) maintain or cause to be maintained the Series 2017 Facilities, and will keep the Series 2017 Facilities in good repair and in good operating condition and make from time to time all necessary repairs thereto and renewals and replacements thereof; and (2) make from time to time any additions, modifications or improvements to the Series 2017 Facilities the Corporation may deem desirable for its business purposes that do not materially impair the effective use of the Series 2017 Facilities, provided that all such additions, modifications and improvements will become a part of the Series 2017 Facilities.

ARTICLE VIII
CERTAIN LIENS PROHIBITED

Section 8.01 No Mechanics’ Liens. Except as permitted in Section 8.02 hereof the Corporation shall not suffer or permit any mechanics’ liens or other liens to be enforced against the Board’s ownership interest in the Land, the Series 2017 Facilities nor against the Corporation’s leasehold interest in the Land, the Series 2017 Facilities by reason of a failure to pay for any work, labor, services, or materials supplied or claimed to have been supplied to the Corporation or to anyone holding the Land, the Series 2017 Facilities or any part thereof through or under the Corporation.

Section 8.02 Release of Recorded Liens. If any such mechanics’ liens or materialmen’s liens shall be recorded against the Land, the Series 2017 Facilities, the Corporation shall cause the same to be released of record or, in the alternative, if the Corporation in good faith desires to contest the same, the Corporation shall be privileged to do so, but in such case the Corporation hereby agrees to indemnify and save the Board harmless from all liability for damages occasioned thereby and shall in the event of a judgment of foreclosure on said mechanics’ lien, cause the same to be discharged and released prior to the execution of such judgment. In the event the Board reasonably should consider the Board’s interest in the Land, the Series 2017 Facilities endangered by any such liens and should so notify the Corporation and the Corporation should fail to provide adequate security for the payment of such liens, in the form of a surety bond, cash deposit or cash equivalent, or indemnity agreement reasonably satisfactory to the Board within thirty (30) days after such notice, then the Board, at the Board’s sole discretion, may discharge such liens and recover from the Corporation immediately as additional Rent under this Fourth Supplemental Ground Lease the amounts paid, with interest thereon from the date paid by the Board until repaid by the Corporation at the rate of ten percent (10%) per annum.

Section 8.03 Memorandum of Recitals. The memorandum of lease to be filed pursuant to Section 18.04 of this Fourth Supplemental Ground Lease shall state that any third party entering into a contract with the Corporation for improvements to be located on the Land, or any other party claiming under said third party, shall be on notice that neither the Board nor the Board’s property shall have any liability for satisfaction of any claims of any nature in any way arising out of a contract with the Corporation.
ARTICLE IX
OPERATION AND MANAGEMENT OF FACILITIES

Section 9.01  Management of Series 2017 Facilities. For as long as the Fourth Supplemental Facilities Lease is in effect, the University, at the direction of the Board, shall operate and manage the Series 2017 Facilities or cause the Series 2017 Facilities to be operated and managed in accordance with the Section 7 of the Fourth Supplemental Facilities Lease.

Section 9.02  Books and Records. The Corporation shall keep, or cause to be kept, accurate, full and complete books, including bank statements, and accounts showing exclusively its assets and liabilities, operations, transactions and the financial condition of the Corporation.

Section 9.03  Audits. The Board may, at its option and at its own expense, and during customary business hours, conduct internal audits of the books, bank accounts, records and accounts of the Corporation. Audits may be made on either a continuous or a periodic basis or both, and may be conducted by employees of the Board, by the Louisiana Legislative Auditor or by independent auditors retained by the Board desiring to conduct such audit, but any and all such audits shall be conducted without materially or unreasonably or unnecessarily interrupting or interfering with the normal conduct of business affairs by the Corporation.

ARTICLE X
INDEMNIFICATION

Section 10.17  Indemnification by the Corporation. Excluding the acts or omissions of the Board, its employees, agents or contractors, the Corporation shall and will indemnify and save harmless the Board, its agents, officers, and employees, from and against any and all liability, claims, demands, damages, expenses, fees, fines, penalties, suits, proceedings, actions, and causes of action of any and every kind and nature arising or growing out of or in any way connected with the Corporation’s construction of the Series 2017 Facilities. This obligation to indemnify shall include reasonable fees of legal counsel and third-party investigation costs and all other reasonable costs, expenses, and liabilities from the first notice that any claim or demand has been made; however, the Corporation and the Board shall use the same counsel if such counsel is approved by the Board, which approval shall not be unreasonably withheld or delayed. If the Board does not approve such counsel then the Board may retain independent counsel at the Board’s sole cost and expense. It is expressly understood and agreed that the Corporation is and shall be deemed to be an independent contractor and operator responsible to all parties for its respective acts or omissions and that the Board shall in no way be responsible therefor.

Section 10.18  Contributory Acts. Whenever in this Fourth Supplemental Ground Lease any party is obligated to pay an amount or perform an act because of its negligence or misconduct (or that of its agents, employees, contractors, guests, or invitees), such obligations shall be mitigated to the extent of any comparative fault or misconduct of the other party (or that of its agents, employees, contractors, guests, or invitees) as determined by a court of law, and in any disputes damages shall be apportioned based on the relative amounts of such negligence or willful misconduct as determined by a court of law.

ARTICLE XI
TERMINATION, DEFAULT AND REMEDIES

Section 11.01  Events Of Default. Any one of the following events shall be deemed to be an “Event of Default” by the Corporation under this Fourth Supplemental Ground Lease.
(a) The Corporation shall fail to pay any sum required to be paid to the Board under the terms and provisions of this Fourth Supplemental Ground Lease and such failure shall not be cured within thirty (30) days after the Corporation’s receipt of written notice from the Board of such failure.

(b) The taking by execution of the Corporation’s leasehold estate (other than a foreclosure of the Mortgage) for the benefit of any Person.

(c) The Corporation shall fail to perform any other covenant or agreement, other than the payment of money, to be performed by the Corporation under the terms and provisions of this Fourth Supplemental Ground Lease and such failure shall not be cured within ninety (90) days after receipt of written notice from the Board of such failure; provided that if during such ninety (90) day period, the Corporation takes action to cure such failure but is unable, by reason of the nature of the work involved, to cure such failure within such period and continues such work thereafter diligently and without unnecessary delays, such failure shall not constitute an Event of Default hereunder until the expiration of a period of time after such ninety (90) day period as may be reasonably necessary to cure such failure.

(d) A court of competent jurisdiction shall enter an order for relief in any involuntary case commenced against the Corporation, as debtor, under the Federal Bankruptcy Code, as now or hereafter constituted, or the entry of a decree or order by a court having jurisdiction over the Series 2017 Facilities appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator, or other similar official of or for the Corporation or any substantial part of the properties of the Corporation or ordering the winding up or liquidation of the affairs of the Corporation, and the continuance of any such decree or order unstayed and in effect for a period of ninety (90) consecutive days.

(e) The commencement by the Corporation of a voluntary case under the Federal Bankruptcy Code, as now or hereafter constituted, or the consent or acquiescence by the Corporation to the commencement of a case under such Code or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator, or other similar official of or for the Corporation or any substantial part of the properties of the Corporation.

(f) The Corporation, after Commencement of Construction but prior to substantially completing construction of the Series 2017 Facilities, abandons (with no intent to continue) renovation or construction for a period of forty-five (45) consecutive days.

Section 11.02 The Board’s Rights Upon Default. Upon the occurrence and during the continuance of an Event of Default, the Board may at its option seek any and all damages occasioned by the Event of Default or may seek any other remedies available at law or in equity, including specific performance.

Section 11.03 Termination of Right of Occupancy. Notwithstanding any provision of law or of this Fourth Supplemental Ground Lease to the contrary, except as set forth in Section 1.03 hereof, the Board shall not have the right to terminate this lease prior to the Expiration Date hereof. However, in the event there is an Event of Default by the Corporation hereunder, the Board (with the prior written consent of the Bond Insurer) shall have the right to terminate the Corporation’s right to occupancy of the Land, the Series 2017 Facilities, except that the Series 2017 Facilities, at the option of the Board, shall remain thereon. The Board shall have the right upon ninety (90) days’ written notice and opportunity to cure provided to the Bond Insurer and the Trustee, to take possession of the Land, the Series 2017 Facilities and to re-let the Land, the Series 2017 Facilities or take possession in its own right for the remaining Term of this Fourth Supplemental Ground Lease upon such terms and conditions as the Board is able to obtain. Upon such re-letting, the Corporation hereby agrees to release its leasehold interest and all of its rights under this Fourth Supplemental Ground Lease and the Fourth Supplemental Facilities Lease to the
new lessee of the Land (or to the Board, if the Board wishes to remain in possession on its own behalf) in consideration for the new lessee (or the Board, as applicable) agreeing to assume all of the Corporation’s obligations under this Fourth Supplemental Ground Lease, the Fourth Supplemental Facilities Lease and under any debt incurred by the Corporation in connection with the construction of the Series 2017 Facilities.

Section 11.04 Rights of The Board Cumulative. All rights and remedies of the Board provided for and permitted in this Fourth Supplemental Ground Lease shall be construed and held to be cumulative, and no single right or remedy shall be exclusive of any other which is consistent with the former. The Board shall have the right to pursue any or all of the rights or remedies set forth herein, as well as any other consistent remedy or relief which may be available at law or in equity, but which is not set forth herein. No waiver by the Board of a breach of any of the covenants, conditions or restrictions of this Fourth Supplemental Ground Lease shall be construed or held to be a waiver of any succeeding or preceding breach of the same or of any other covenant, condition or restriction herein contained. The failure of the Board to insist in any one or more cases upon the strict performance of any of the covenants of this Fourth Supplemental Ground Lease, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment of future breaches of such covenant or option.

ARTICLE XII
TITLE TO THE SERIES 2017 FACILITIES

Section 12.01 Title to Series 2017 Facilities. Title to the Series 2017 Facilities, as they are constructed or placed in service upon completion thereof shall be vested in the Board. The Board’s right to obtain title to the Series 2017 Facilities unencumbered by the leasehold interest of the Corporation granted hereunder shall be as set forth in the Fourth Supplemental Facilities Lease. All furniture, fixtures, equipment and furnishings permanently affixed to the Series 2017 Facilities shall be the property of the Board upon termination of this Fourth Supplemental Ground Lease whether such termination is by expiration of the Term or an earlier termination under any provision of this Fourth Supplemental Ground Lease.

Section 12.02 The Board’s Option to Require Demolition. Upon the Expiration Date of the Term or earlier termination hereof, in the event the Series 2017 Facilities are no longer suitable for the Board’s purposes, the Board in its sole discretion may require the Corporation to demolish the Series 2017 Facilities and remove the Series 2017 Facilities from the Land, and restore the Land to substantially the same condition as it existed on the date of this Fourth Supplemental Ground Lease, to be accomplished within one hundred eighty (180) days of such Expiration Date or earlier termination hereof. However, such demolition and removal of the Series 2017 Facilities shall be at the Board’s sole cost and expense. In the event of such election upon the expiration of the Term, the Board shall notify the Corporation no later than six (6) months prior to the expiration of the Term. If this Fourth Supplemental Ground Lease is terminated earlier, the Board shall notify the Corporation within thirty (30) days after the termination.

Section 12.03 Termination of Facilities Lease. Upon the termination of the Fourth Supplemental Facilities Lease as a result of the Board’s exercise of its option to purchase the Series 2017 Facilities granted under the Fourth Supplemental Facilities Lease, all right and interest of the Corporation in and to this Fourth Supplemental Ground Lease, the Fourth Supplemental Facilities Lease and the Series 2017 Facilities shall be transferred to the Board, and the Corporation hereby agrees to execute any documents necessary to effectuate such transfer, or the Board may require the demolition of the Series 2017 Facilities as set forth in Section 12.02 above.

Section 12.04 Insurance Proceeds. Notwithstanding the fact that title to the Series 2017 Facilities is vested in the Board, if the Fourth Supplemental Facilities Lease is no longer in force and
effect, and all or any portion of the Series 2017 Facilities is damaged or destroyed by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively "Casuality"), the proceeds of any insurance received on account of any such Casualty shall be disbursed in accordance with the provisions of the Bond Documents, or if the Bond Documents are no longer in effect shall be disbursed to the Corporation as though the Corporation were the owner of the Series 2017 Facilities.

Section 12.05 Condemnation, Casualty and Other Damage. The risk of loss or decrease in the enjoyment and beneficial use of the Series 2017 Facilities due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively "Casualty") or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Series 2017 Facilities by condemnation, expropriation, or eminent domain proceedings (collectively “Expropriation”) is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental or any other obligations under the Fourth Supplemental Facilities Lease.

ARTICLE XIII
CONDEMNATION

Section 13.01 Condemnation. If the Fourth Supplemental Facilities Lease has been terminated, upon the permanent Taking of all the Land, the Series 2017 Facilities, this Fourth Supplemental Ground Lease shall terminate and expire as of the date of such Taking, and both the Corporation and the Board shall thereupon be released from any liability thereafter accruing hereunder except for Rent and all other amounts secured by this Fourth Supplemental Ground Lease owed to the Board apportioned as of the date of the Taking or the last date of occupancy, whichever is later. The Corporation shall receive notice of any proceedings relating to a Taking and shall have the right to participate therein.

Section 13.02 Partial Condemnation if Facilities Lease is No Longer in Effect. Upon a temporary Taking or a Taking of less than all of the Land, the Series 2017 Facilities and if the Fourth Supplemental Facilities Lease is no longer in effect, the Corporation, at its election, may terminate this Fourth Supplemental Ground Lease by giving the Board notice of its election to terminate at least sixty (60) days prior to the date of such termination. Upon any such termination, the Rent accrued and unpaid hereunder shall be apportioned to the date of termination. In the event there is a partial condemnation of the Land and the Corporation decides not to terminate this Fourth Supplemental Ground Lease, the Board and the Corporation shall either amend this Fourth Supplemental Ground Lease or enter into a new lease so as to cover an adjacent portion of property, if necessary to restore or replace any portion of the Land and/or Facilities.

Section 13.03 Partial or Total Condemnation if Facilities Lease is in Effect. If this Fourth Supplemental Ground Lease is terminated under Section 13.01 or in the event of a Taking of less than all of the Land and the Series 2017 Facilities while the Fourth Supplemental Facilities Lease is in force and effect, and the Board decides to restore or replace the Series 2017 Facilities in accordance with the Fourth Supplemental Facilities Lease, the Board and the Corporation agree to enter into a new lease (in form and substance substantially the same as this Fourth Supplemental Ground Lease) of a portion of property necessary to place thereon the Series 2017 Facilities and to enter into a new Facilities Lease (in form and substance substantially the same as the Fourth Supplemental Facilities Lease) covering such replacement Facilities.
Section 13.04 Payment of Awards - If Facilities Lease is in Effect. Upon the Taking of all or any portion of the Land or the Series 2017 Facilities while the Fourth Supplemental Facilities Lease remains in full force and effect (a) the proceeds of the Award allocable to the value of the Series 2017 Facilities shall be disbursed in accordance with the provisions of the Fourth Supplemental Facilities Lease and the Bond Documents, and (b) subject to the Series 2017 Bonds and any amounts owing to the Series 2017 Bond Insurer being paid in full, the Board shall be entitled (free of any claim by the Corporation) to the Award for the value of the Board’s Interest (such value to be determined as if this Fourth Supplemental Ground Lease were in effect and continuing to encumber the Board’s Interest); and (c) the Corporation shall be entitled to the Award for the value of the Corporation’s interest in the Land under this Fourth Supplemental Ground Lease that is the subject of the Taking.

Section 13.05 Payment of Awards - If Facilities Lease is not in Effect. Upon the Taking of all or any portion of the Land or the Series 2017 Facilities at any time after the Fourth Supplemental Facilities Lease is no longer in force and effect, (a) the proceeds of the Award allocable to the value of the Series 2017 Facilities shall be disbursed in accordance with the provisions of the Bond Documents, or if the Bond Documents are no longer in effect shall be disbursed to the Corporation, (b) the Board shall be entitled (free of any claim of the Corporation) to the Award for the value of the Board’s Interest in the Land (such value to be determined as if this Fourth Supplemental Ground Lease were in effect and continuing to encumber the Board’s Interest) and (c) the Corporation shall be entitled to the Award for the value of the Corporation’s interest in the Land under this Fourth Supplemental Ground Lease that is the subject of the Taking.

Section 13.06 Bond Documents Control. Notwithstanding anything in this Fourth Supplemental Ground Lease to the contrary, in the event of a Casualty or a Taking of all or any portion of the Series 2017 Facilities, the provisions in the Bond Documents shall control the division, application and disbursement of any insurance proceeds or Award paid as a result thereof for so long as the Bond Documents remain in effect.

ARTICLE XIV
ASSIGNMENT, SUBLETTING, AND TRANSFERS
OF THE CORPORATION’S INTEREST

Section 14.01 Assignment of Leasehold Interest. Except as expressly provided for in Article VI and in this Article XIV, the Corporation shall not have the right to sell or assign the leasehold estate created by this Fourth Supplemental Ground Lease, or the other rights of the Corporation hereunder to any Person without the prior written consent of the Board and the Bond Insurer.

Section 14.02 Subletting. The Corporation is not authorized to sublet the leasehold estate to any entity other than the Board; provided, however, that if the Fourth Supplemental Facilities Lease terminates, the Corporation shall have the right to sublease the Series 2017 Facilities to University students, faculty and staff and Permitted Sublessees.

Section 14.03 Transfers of the Corporation’s Interest. Except as otherwise expressly provided herein, any Person succeeding to the Corporation’s interest as a consequence of any permitted conveyance, transfer or assignment shall succeed to all of the obligations of the Corporation hereunder and shall be subject to the terms and provisions of this Fourth Supplemental Ground Lease.
ARTICLE XV
COMPLIANCE CERTIFICATES

Section 15.01  The Corporation’s Compliance. The Corporation agrees, at any time and from time to time upon not less than thirty (30) days prior written notice by the Board, to execute, acknowledge and deliver to the Board or to such other party as the Board shall request, a statement in writing certifying (a) that this Fourth Supplemental Ground Lease is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), (b) to the best of its knowledge, whether or not there are then existing any offsets or defenses against the enforcement of any of the terms, covenants or conditions hereof upon the part of the Corporation to be performed (and if so specifying the same), (c) the dates to which the Rent and other charges have been paid, and (d) the dates of commencement and expiration of the Term, it being intended that any such statement delivered pursuant to this Section may be relied upon by any prospective purchaser of the Board’s Interest or by any other Person.

Section 15.02  The Board’s Compliance. The Board agrees, at any time and from time to time, upon not less than thirty (30) days prior written notice by the Corporation, to execute, acknowledge and deliver to the Corporation a statement in writing addressed to the Corporation or to such other party as the Corporation shall request, certifying (a) that this Fourth Supplemental Ground Lease is unmodified and in full force and effect (or if there have been modifications that the same is in full force and effect as modified and stating the modifications); (b) the dates to which the Rent and other charges have been paid; (c) to the best of its knowledge after due inquiry, whether an Event of Default has occurred and is continuing hereunder (and stating the nature of any such Event of Default); (d) during the construction period, the status of construction of the Series 2017 Facilities and the estimated date of completion thereof; and (e) the dates of commencement and expiration of the Term, it being intended that any such statement delivered pursuant to this Section may be relied upon by any prospective (and permitted) assignee, sublessee or mortgagee of this Fourth Supplemental Ground Lease or by any assignee or prospective assignee of any such permitted mortgage or by any undertenant or prospective undertenant of the whole or any part of the Series 2017 Facilities, or by any other Person.

ARTICLE XVI
TAXES AND LICENSES

Section 16.01  Payment of Taxes. The Board shall pay, and, upon request by the Corporation, shall provide evidence of payment to the appropriate collecting authorities of, all federal, state and local taxes and fees, which are now or may hereafter be, levied upon the Corporation’s interest in the Land or in the Series 2017 Facilities or upon any of the Corporation’s property used in connection therewith or upon the Board or the Board’s Interest. The Board may pay any of the above items in installments if payment may be so made without penalty other than the payment of interest. The obligations of the Board to pay taxes and fees under this Section 16.01 shall apply only to the extent that the Board or the Corporation are not exempt from paying such taxes and fees and to the extent that such taxes and fees are not otherwise abated. Section 18.03 Relationship of Parties. Nothing contained herein shall be deemed or construed by the parties hereto, or by any third party, as creating the relationship of principal and agent, partners, joint venturers, or any other similar such relationship, between the parties hereto. It is understood and agreed that no provision contained herein nor any acts of the parties hereto creates a relationship other than the relationship of Lessor and Lessor hereunder.
Section 18.04 Memorandum of Lease. Neither the Board nor the Corporation shall file this Fourth Supplemental Ground Lease for record in Tangipahoa Parish, Louisiana or in any public place without the written consent of the other. In lieu thereof the Board and the Corporation agree to execute in recordable form a memorandum of this Fourth Supplemental Ground Lease in the form of Exhibit C attached hereto. Such memorandum shall be filed for record in Tangipahoa Parish, Louisiana.

Section 18.05 Attorney’s Fees. If either party is required to commence legal proceedings relating to this Fourth Supplemental Ground Lease, the prevailing party shall be entitled to receive reimbursement for its reasonable attorneys’ fees and costs of suit.

Section 18.07 Warranty of Peaceful Possession. The Board covenants that the Corporation, on paying the Rent and performing and observing all of the covenants and agreements herein contained and provided to be performed by the Corporation, shall and may peaceably and quietly have, hold, occupy, use, and enjoy the Land, the Series 2017 Facilities during the Term, subject to the Fourth Supplemental Facilities Lease, and may exercise all of its rights hereunder; and the Board agrees to warrant and forever defend the Corporation’s right to such occupancy, use, and enjoyment and the title to the Land against the claims of any and all persons whomsoever lawfully claiming the same, or any part thereof subject only to the provisions of this Fourth Supplemental Ground Lease, the Fourth Supplemental Facilities Lease, and the matters listed on Exhibit B attached hereto.

Section 18.08 Curative Matters. Except for the express representations and warranties of the Board set forth in this Fourth Supplemental Ground Lease, any additional matters necessary or desirable to make the Land usable for the Corporation’s purpose shall be undertaken, in the Corporation’s sole discretion, at no expense to the Board. The Corporation shall notify the Board in writing of all additional matters undertaken by the Corporation to make the Land usable for the Corporation’s purpose.

Section 18.09 Nonwaiver. No waiver by the Board or the Corporation of a breach of any of the covenants, conditions, or restrictions of this Fourth Supplemental Ground Lease shall constitute a waiver of any subsequent breach of any of the covenants, conditions or restrictions of this Fourth Supplemental Ground Lease. The failure of the Board or the Corporation to insist in any one or more cases upon the strict performance of any of the covenants of this Fourth Supplemental Ground Lease, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment for the future of such covenant or option. A receipt by the Board or acceptance of payment by the Board of Rent with knowledge of the breach of any covenant hereof shall not be deemed a waiver of such breach. No waiver, change, modification or discharge by the Board or the Corporation of any provision of this Fourth Supplemental Ground Lease shall be deemed to have been made or shall be effective unless expressed in writing and signed by the party to be charged.

The section, article and other headings in this Fourth Supplemental Ground Lease and the Table of Contents to this Fourth Supplemental Ground Lease
Section 18.11 Counterparts. This agreement may be executed in multiple counterparts, each of which shall be declared an original.

Section 18.12 Severability. If any clause or provision of this Fourth Supplemental Ground Lease is illegal, invalid or unenforceable under present or future laws effective during the term of this Fourth Supplemental Ground Lease, then and in that event, it is the intention of the parties hereto that the remainder of Ground Lease shall not be affected thereby.

Section 18.13 Authorization. By execution of this Fourth Supplemental Ground Lease, the Corporation and the Board each represent to the other that they are entities validly existing, duly constituted and in good standing under the laws of the jurisdiction in which they were formed and in which they presently conduct business; that all acts necessary to permit them to enter into and be bound by this Fourth Supplemental Ground Lease have been taken and performed; and that the persons signing this Fourth Supplemental Ground Lease on their behalf have due authorization to do so.

Section 18.15 Amendment. No amendment, modification, or alteration of the terms of this Fourth Supplemental Ground Lease shall be binding unless the same be in writing dated on or subsequent to the date hereof and duly executed by the parties hereto and consented to the extent required by Article VIII of the Agreement.

Section 18.16 Successors and Assigns. This Fourth Supplemental Ground Lease, together with the exhibits attached hereto, contains the entire agreement between the parties hereto with respect to the Land and contains all of the terms and conditions agreed upon with respect to the lease of the Land, and no other agreements, oral or otherwise, regarding the subject matter of this Fourth Supplemental Ground Lease shall be deemed to exist or to bind the parties hereto; it being the intent of the parties that neither shall be bound by any term, condition, or representations not herein written.

Section 18.18 Existing Ground Lease Supplemented and Amended. The Board and the Corporation, by the execution and delivery of this Fourth Supplemental Ground Lease, intend to supplement and amend the Existing Ground Lease, to the extent provided herein, to provide for the issuance of the Series 2017 Bonds. Whenever the term “Ground Lease” or the “Existing Ground Lease”
is used in the Existing Ground Lease and in this Fourth Supplemental Ground Lease (including the recitals hereof) or in any of the other Bond Documents, it is intended to mean and include the Existing Ground Lease, as supplemented and amended by this Fourth Supplemental Ground Lease, as the same may be further supplemented and amended by supplemental Ground leases. Whenever reference is made in this Fourth Supplemental Ground Lease to a specific section of the Existing Ground Lease, it is intended to mean and include such section of the Existing Ground Lease, as such section may have been supplemented and amended by supplemental ground leases (notwithstanding the fact that any particular supplemental ground lease may have a section with the same number).

Section 18.19  Confirmation of Existing Ground Lease. As supplemented and amended by this Fourth Supplemental Ground Lease, the Existing Ground Lease is, in all respects, ratified and confirmed and continues in full force and effect, and the Existing Ground Lease, as supplemented and amended by this Fourth Supplemental Ground Lease, shall be read, taken and construed as one and the same instrument so that all of the rights, remedies, terms, conditions, covenants and agreements set forth in the Existing Ground Lease, as supplemented and amended by this Fourth Supplemental Ground Lease, shall apply and remain in full force and effect with respect to this Fourth Supplemental Ground Lease, the Bonds and the other Bond Documents. In the event of any conflict between the provisions of the Existing Ground Lease and this Fourth Supplemental Ground Lease, the provisions of this Fourth Supplemental Ground Lease shall prevail.

Section 18.20  Third Party Beneficiaries. Each Bond Insurer is a third party beneficiary of this Fourth Supplemental Ground Lease.

(a) repayment of the Series 2017 Bonds in full, including principal, premium, if any, interest and all Administrative Expenses with respect to the Series 2017 Bonds or the defeasance of the Series 2017 Bonds, all as set forth in the Series 2017 Indenture;

(b) the exercise by the Board of the Option to Purchase and the purchase of the Corporation’s interest in the Series 2017 Facilities pursuant to the Option; or

(c) any other event described in this Fourth Supplemental Facilities Lease which is specifically stated to cause a termination of this Fourth Supplemental Facilities Lease, including without limitation a Default by the Board, and the failure of the Board to appropriate or cause to be appropriated an amount necessary to pay the Base Rental, all as set forth in Sections 21 and 29 hereof.

Upon the termination of this Fourth Supplemental Facilities Lease under the circumstances set forth in Section 2(a) above, at the Board’s option, the Board may require the demolition of the Series 2017 Facilities as set forth in Section 12.02 of the Fourth Supplemental Ground Lease.

The Existing Facilities Lease, as supplemented and amended by this Fourth Supplemental Facilities Lease shall remain in effect until the happening of any of the events described in this Section 2 above notwithstanding the fact that all of the Series 2004 Bonds and the Series 2013 Bonds shall have been paid in full.

Section 3. Acknowledgments, Representations, and Covenants of the Board. The Board represents, covenants, and agrees as follows:

(a) The Board has full power and authority to enter into this Fourth Supplemental Facilities Lease, the Fourth Supplemental Ground Lease, and the transactions contemplated thereby and agrees to perform all of its obligations hereunder and under the Fourth Supplemental Ground Lease;

(b) The Board has been duly authorized to execute and deliver this Fourth Supplemental Facilities Lease and the Fourth Supplemental Ground Lease and further represents and covenants that this Fourth Supplemental Facilities Lease and the Fourth Supplemental Ground Lease constitute the valid and binding obligations of the Board and that all requirements have been met and procedures have occurred in order to ensure the enforceability of this Fourth Supplemental Facilities Lease and the Fourth Supplemental Ground Lease and the Board has complied with all constitutional and other statutory
requirements as may be applicable to the Board in the authorization, execution, delivery and performance of this Fourth Supplemental Facilities Lease and the Fourth Supplemental Ground Lease;

(c) The execution and delivery of this Fourth Supplemental Facilities Lease and the Fourth Supplemental Ground Lease, and compliance with the provisions hereof, will not conflict with or constitute on the part of the Board a violation of, breach of, or default under any constitutional provision, statute, law, resolution, bond indenture, or other financing agreement or any other agreement or instrument to which the Board is a party or by which the Board is bound, or any order, rule, or regulation of any court or Governmental Authority or body having jurisdiction over the Board or any of its activities or properties with respect to the Series 2017 Facilities; and all consents, approvals, or authorizations required of the Board for the consummation of the transactions contemplated hereby have been obtained or timely will be obtained;

(d) Other than that which was previously disclosed, there is no action, suit, proceeding, inquiry, or investigation, at law or in equity, before or by any court, public board or body pending or threatened against or affecting the Board, wherein an unfavorable decision, ruling or finding would materially and adversely affect the transactions contemplated hereunder or which in any way would adversely affect the validity or enforceability of this Fourth Supplemental Facilities Lease and the Fourth Supplemental Ground Lease;

(e) The Board will not take or permit to be taken any action which would have the effect, directly or indirectly, of causing interest on any of the Series 2017 Bonds to be included in gross income for federal income tax purposes;

(f) The Board agrees to cause the Series 2017 Facilities to be used for the Permitted Use and shall not allow the Series 2017 Facilities to be used for any other use. No more than five percent (5%) of the gross area of the Series 2017 Facilities will be subleased by the Board or by any sublessees or assigns of the Board to, or otherwise used by, private business and the Board agrees to take all action, to the extent it is legally authorized and able to do so, necessary to prevent the Series 2017 Bonds from being deemed “private activity bonds” within the meaning of Section 141 of the Code.

(g) The use of the Series 2004 Facilities and the Series 2017 Facilities is essential to the operation of the University by providing modern housing and related facilities for students, faculty and staff of the University. The Board presently intends to make all payments from the Lawfully Available Funds for use of the Series 2004 Facilities and the Series 2017 Facilities. There are no alternative facilities available for use as contemplated for the Series 2017 Facilities since there is currently a shortage of available, modern on-campus housing at the University.

(h) The Board hereby covenants and agrees to maintain a Debt Service Coverage Ratio for the Housing Facilities of not less than 1.10:1.00 and a Debt Service Coverage Ratio for the University of not less than 1.25:1.00. The Board covenants that, as long as any bonds, notes, or lease obligations remain outstanding that are payable from the Lawfully Available Funds, if the Debt Service Coverage Ratio for the Housing Facilities falls below 1.10:1.00 or the Debt Service Coverage Ratio for the University falls below 1.25:1.00, the Board shall use its best efforts to raise its fees, rentals, rates and charges relating to the Series 2004 Facilities and the Series 2017 Facilities so that within two (2) full semesters after either of the Debt Service Coverage Ratio for the Housing Facilities or the Debt Service Coverage Ratio of the University becomes deficient, the Debt Service Coverage Ratio for the Housing Facilities equals 1.10:1.00 and the Debt Service Coverage Ratio for the University equals 1.25:1.0. At the end of two (2) full semesters, if the Debt Service Coverage Ratio for the Housing Facilities is still below 1.10:1.00 or the Debt Service Coverage Ratio for the University is still below 1.25:1.00, the Board shall hire an outside consultant, approved by the Series 2004 Bond Insurer and the Series 2017 Bond Insurer, and the Board
shall follow any reasonably feasible recommendations of such consultant regarding the operation and management of the Series 2004 Facilities and the Series 2017 Facilities, including raising fees and rents, reducing expenses and, if necessary, increasing the average occupancy rate through strict enforcement of parietal rules requiring students to reside on campus and, to the extent legally possible, revising parietal rules to increase the number of students required to reside on campus. So long as the Board is working in good faith with such consultant to increase any deficient Debt Service Coverage Ratio for the Housing Facilities or any deficient Debt Service Coverage Ratio of the University, there shall not be an Event of Default hereunder unless (i) the Debt Service Coverage Ratio for the Housing Facilities is less than 1.00:1.00 at the end of any Fiscal Year or (ii) the Debt Service Coverage Ratio of the University is less than 1.10:1.00 for two (2) full consecutive semesters after retention of an outside consultant by the Board. For purposes of the foregoing, when establishing such fees, rentals, rates and charges and calculating the Debt Service Coverage Ratio for the Housing Facilities and the Debt Service Coverage of the University for this Section, the Board shall take into account payments required to be made into the Series 2004 Debt Service Reserve Fund, the Series 2013 Debt Service Reserve Fund, and the Series 2017 Debt Service Reserve Fund, pursuant to the Series 2004 Indenture, as supplemented and amended by the Series 2013 Indenture, as further supplemented and amended by the Series 2017 Indenture, respectively. The Board further covenants that it will seek any required approval necessary in order to comply with this covenant.

(i) The University will not build, acquire, or renovate any similar student housing facilities, whether such facilities are owned by the University or a private entity, unless (A) the Series 2004 Facilities and the Series 2017 Facilities have met a Debt Service Coverage Ratio for the Housing Facilities of at least 1.25:1.00 for the prior Fiscal Year, (B) the Series 2004 Facilities and the Series 2017 Facilities are projected to meet a Debt Service Coverage Ratio of at least 1.25:1.00 for the Housing Facilities for the two Fiscal Years following the projected completion of the proposed facility and (C) based on a market analysis prepared by a market research company with experience in student or multi-family housing, which is independent from the University, the University’s proposed project is not expected to have a material adverse effect on the Series 2004 Facilities or the Series 2017 Facilities. Such additional student housing facilities owned or leased by the Board or the Corporation shall be incorporated with the Series 2004 Facilities or the Series 2017 Facilities into a single housing system so that such additional student housing facilities and all revenues derived therefrom shall secure the Series 2017 Bonds, and the Series 2004 Facilities and the Series 2017 Facilities and the revenues derived therefrom, including all revenues derived from this Fourth Supplemental Facilities Lease, will secure any debt incurred to finance such additional student housing facilities. In addition, the Mortgage (as defined in the Series 2004 Indenture and the Series 2017 Indenture) shall be amended to encumber any such Additional Housing Facilities and any revenues derived therefrom to secure the Series 2004 Bonds or the Series 2017 Bonds and any debt incurred to finance such Additional Housing Facilities. So long as the Series 2004 Bonds and the Series 2017 Bonds are outstanding, the consent of the Series 2004 Bond Insurer and the Series 2017 Bond Insurer shall also be required prior to the construction, acquisition or renovation of such student housing facilities unless (A) – (C) above have been satisfied.

(j) So long as any Series 2004 Bonds remain outstanding, the University shall maintain its policy of requiring all unmarried, full-time, undergraduate students with less than 60 credit hours to live in on-campus residence halls. It is understood that the University currently permits certain exceptions to that policy and, except as set forth in Section 4(h) above, the University may continue to permit those exceptions but it shall make no voluntary revisions to such policy that would reduce the number of students required to live in on-campus residence halls (including, without limitation, reducing the number of credit hours to less than 60, increasing the course-load required for status as a “full-time” student or modifying any existing exemptions from the policy), until the Series 2004 Bonds have been paid in full or the Series 2004 Bond Insurer consents in writing to a change in such policy.
(k) So long as any Series 2004 Bonds and the Series 2017 Bonds remain outstanding, the University shall actively promote the Series 2004 Facilities and the Series 2017 Facilities as a housing alternative and an integral part of the housing system of the University. The University shall, among other things, provide housing brochures to prospective students and allow signs to be posted to promote the Series 2004 Facilities and the Series 2017 Facilities.

Section 4. **Representations and Covenants of the Corporation.** The Corporation makes the following representations and covenants:

(a) The Corporation has been validly created under the Louisiana Nonprofit Corporation Law, is currently in good standing under the laws of the State, has the power to enter into the transactions contemplated by, and to carry out its obligations under this Fourth Supplemental Facilities Lease, the Fourth Supplemental Ground Lease and the Series 2017 Agreement. The Corporation is not in breach of or in default under any of the provisions contained in any contract, instrument or agreement to which it is a party or in any other instrument by which it is bound. By proper action, the Corporation has been duly authorized to execute and deliver this Fourth Supplemental Facilities Lease, the Fourth Supplemental Ground Lease and the Series 2017 Agreement;

(b) The execution and delivery of this Fourth Supplemental Facilities Lease, the Fourth Supplemental Ground Lease and the Series 2017 Agreement, and compliance with the provisions thereof and hereof, will not conflict with or constitute on the part of the Corporation a violation of, breach of, or default under any statute, indenture, mortgage, declaration or deed of trust, loan agreement or other agreement or instrument to which the Corporation is a party or by which the Corporation is bound or any order, rule or regulation of any court or Governmental Agency or body having jurisdiction over the Corporation or any of its activities or properties; and all consents, approvals and authorizations which are required of the Corporation for the consummation of the transactions contemplated thereby and hereby have been or timely will be obtained;

(c) There is no action, suit, proceeding, inquiry, or investigation, at law or in equity, before or by any court, public board or body pending or threatened against or affecting the Corporation, wherein an unfavorable decision, ruling or finding would materially and adversely affect the transactions contemplated hereunder or which in any way would adversely affect the validity or enforceability of this Fourth Supplemental Facilities Lease, the Fourth Supplemental Ground Lease or any agreement or instrument to which the Corporation is a party;

(d) The Corporation will not take or permit to be taken any action which would have the effect, directly or indirectly, of causing interest on any of the Series 2017 Bonds to be included in gross income for federal income tax purposes.

Section 5. **Waiver and Disclaimer of Warranties.**

(a) The Board acknowledges that the Corporation has not made any representations or warranties as to the suitability or fitness of the Series 2017 Facilities for the needs and purposes of the Board or for any other purpose.

(b) The Board further declares and acknowledges that the Corporation in connection with this Fourth Supplemental Facilities Lease, does not warrant that the Series 2017 Facilities will be upon completion of construction free from redhibitory or latent defects or vices and releases the Corporation of any liability for redhibitory or latent defects or vices under Louisiana Civil Code Articles 2520 through 2548 and Louisiana Civil Code Article 2695. The Board declares and acknowledges that it does hereby waive the warranty of fitness for intended purposes and guarantee against hidden or latent redhibitory
defects and vices under Louisiana law, including Louisiana Civil Code Articles 2520 through 2548 and Louisiana Civil Code Article 2695, and the warranty imposed by Louisiana Civil Code Articles 2476 and 2695, and waives all rights in redhibition pursuant to Louisiana Civil Code Articles 2520, et seq. The Board further declares and acknowledges that this waiver has been brought to the attention of the Board and explained in detail and that the Board has voluntarily and knowingly consented to this waiver of warranty of fitness and/or warranty against redhibitory defects and vices for the Series 2017 Facilities. Notwithstanding the foregoing, the Board hereby retains all of its rights to proceed against any third parties with respect to such defects.

(c) The Corporation disclaims and the Board waives any warranties and representations with respect to compliance with Governmental Regulations, including Environmental Requirements, or the disposal of, or existence in, on, under, or about the Series 2017 Facilities of any Hazardous Substance. The Board acknowledges that the Corporation reserves in this Fourth Supplemental Facilities Lease all rights to recover from the Board all costs and expenses imposed on the Corporation to bring the Series 2017 Facilities into compliance with any Environmental Requirement, and all costs of Remediation or cleanup of such Hazardous Substance imposed on the Corporation or the Board, which shall be payable by the Board as Additional Rental hereunder to the extent imposed upon the Corporation.

Section 6. Rental

(a) The Board, for and in consideration of the Corporation entering into the Fourth Supplemental Ground Lease, renovating and/or constructing the Series 2017 Facilities in accordance with the Fourth Supplemental Ground Lease and leasing the Series 2017 Facilities to the Board pursuant to the terms hereof, hereby covenants and agrees to pay the Base Rental and Additional Rental in the amounts, subject to amounts for which the Board is entitled to a credit as described in Section 6(d) hereof, at the times and in the manner set forth herein, such amounts constituting in the aggregate the total of the rental payable under this Fourth Supplemental Facilities Lease. (b) The Board agrees to pay Base Rental with respect to the Series 2004 Bonds, the Series 2013 Bonds, and the Series 2017 Bonds from the Lawfully Available Funds. (F) Annually, beginning June 25, 2014, an amount equal to $122,987.38 (representing one-half of one percent (1/2%) of the construction cost of the Series 2004 Facilities), into the Replacement Fund, or such lesser annual amount as is permitted by the Louisiana State Board of Regents and approved by the Bond Insurer; and

(G) Annually, beginning on the date required by the Series 2017 Indenture, an amount equal to the Replacement Fund Annual Funding Requirement into the Replacement Fund if required pursuant to Section 4.23 of the Indenture, or such lesser annual amount as is permitted by the Louisiana State Board of Regents and approved by the Bond Insurer.

(c) In addition to the Base Rental set forth herein, the Board agrees to pay as Additional Rental any and all expenses, of every nature, character, and kind whatsoever, incurred by the Corporation on behalf of the Board and/or by the Board or the University in the management, operation, ownership, and/or maintenance of the Series 2017 Facilities, to the extent such expenses are not paid by the Management Company under any Management Contract, including but not limited to the following costs and expenses:

(ix) any other costs, charges, and expenses commonly regarded as ownership, management, maintenance, and operating expenses, if any, incurred by the Corporation under this Fourth Supplemental Facilities Lease.

Amounts constituting Additional Rental payable hereunder shall be paid by the Board directly to the person or persons to whom such amounts shall be due. The Board shall pay all such amounts when due or within thirty (30) days after notice in writing from the Corporation, the Management Company, the Bond Insurer or the Trustee to the Board stating the amount of the Additional Rental then due and the purpose thereof.

(d) The Board shall be entitled to a credit against and reduction of each Base Rental payment in an amount equal to any amounts derived from the following sources:

(i) Accrued interest derived from the sale of the Series 2017 Bonds;

(ii) Any capitalization of interest from the proceeds of the Series 2017 Bonds contained in the Series 2017 Capitalized Interest Fund under the Series 2017 Indenture;

(iii) the Rents and any other moneys deposited with the Trustee in the Receipts Fund in accordance with the Indenture and the Management Agreement.

(iv) Surplus moneys (including investment earnings) contained in the funds and accounts held by the Trustee under the Indenture, including the Debt Service Fund, the Debt Service Reserve Fund, and the Replacement Fund;

(e) Notwithstanding any other provision of this Fourth Supplemental Facilities Lease, the obligation of the Board to make payments under this Fourth Supplemental Facilities Lease, including payments of Base Rental and Additional Rental, shall be subject to, and dependent upon, appropriation of Lawfully Available Funds necessary to make the payments required under this Fourth Supplemental Facilities Lease. The Vice President for Finance and Administration of the Board shall cause the University to include in the Budget and, if necessary, any amendments to the Budget, an amount of Lawfully Available Funds sufficient to make the payments of Base Rental and Additional Rental described herein which amounts may or may not ultimately be appropriated by the Board for such purpose. Subject to the foregoing and Section 29 hereof, the obligations of the Board to make payments pursuant to this Fourth Supplemental Facilities Lease, and to perform and observe the other agreements and covenants on its part contained herein, shall be absolute and unconditional and shall not be subject to any diminution, abatement, set-off, or counterclaim. Subject to the foregoing and Section 29 hereof, until such time as the principal of, premium, if any, and interest on the Series 2017 Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with this Fourth
Supplemental Facilities Lease, the Board shall not suspend or discontinue payment of Rental or any other payments pursuant to this Fourth Supplemental Facilities Lease for any cause, and shall continue to perform and observe all of its agreements contained in this Fourth Supplemental Facilities Lease. The Corporation and the Board acknowledge and agree that the obligation of the Board to pay Rental shall constitute a current expense of the Board payable by the Board from funds budgeted and appropriated in accordance with law for and in consideration of the right to use the Series 2017 Facilities during the Term and that such obligation shall not in any manner be construed to be a debt of the Board in contravention of any constitutional or statutory limitations or requirements concerning indebtedness of the Board and nothing contained herein shall constitute a pledge, lien or encumbrance upon any specific tax or other revenues of the Board.

(f) The payments of Base Rental and Additional Rental under this Fourth Supplemental Facilities Lease for each Fiscal Year or portion thereof during the Term shall constitute the total Rental for such Fiscal Year or portion thereof and shall be paid by the Board for and in consideration of the construction by the Corporation of the Series 2017 Facilities and the right to the use and occupancy of the Series 2017 Facilities by the Board for and during such Fiscal Year or portion thereof.

(g) Amounts necessary to pay each Base Rental payment shall be deposited by the Board on the dates set forth in Section 6(b) hereof in lawful money of the United States of America at the office of the Trustee or at such other place or places as may be established by the Corporation and/or Trustee in accordance with the Series 2017 Indenture. Any amount necessary to pay any Base Rental payment or portion thereof which is not so deposited shall remain due and payable until received by the Trustee. Notwithstanding any dispute between the Board and the Corporation hereunder, the Board shall make all Rental payments when due and shall not withhold payment of any Rental pending the final resolution of such dispute or for any other reason whatsoever.

(h) This Fourth Supplemental Facilities Lease is intended to be a triple net lease. The Board agrees that the Rental provided for herein shall be an absolute net return to the Corporation free and clear of any expenses, charges, taxes, abatements, counterclaims, reductions or set-offs whatsoever of any kind, character or nature; it being understood and agreed to by the Board that the Board shall bear responsibility for the payment of all costs and expenses associated with the ownership, management, operation, and maintenance of the Series 2017 Facilities. Under no circumstances will the Corporation be required to make any payment on the Board’s behalf or for the Board’s benefit under this Fourth Supplemental Facilities Lease, or assume any monetary obligation of the Board under this Fourth Supplemental Facilities Lease, or with respect to the Series 2017 Facilities.

(i) The State, through the Division of Administration, is not, at any time whatsoever, obligated, committed or required to provide funds by legislative appropriation or any other means to pay debt service on the Series 2017 Bonds or to support the continued operation and maintenance of the Series 2017 Facilities, it being understood that the portion of the lease payments payable by the Board under this Fourth Supplemental Facilities Lease for payment of debt service on the Series 2017 Bonds are payable solely from the Lawfully Available Funds and the Board is not legally committed, obligated, or required to make available any other funds to make the lease payments hereunder.

(j) In addition to the Rental payments required hereby, the Board covenants and agrees to make Extraordinary Rental payments to pay for costs of the Series 2017 Facilities, from funds on hand or collected by the Board, not to exceed $9,000,000.
Section 7. **Operation, Alterations, Maintenance, Repair, Replacement, and Security Service.**

(a) The University, at the direction of the Board, shall be responsible for ensuring that all services necessary or required in order to adequately operate the Series 2017 Facilities in accordance with the Permitted Use are provided and maintained. The University shall continuously operate or cause to be operated the Series 2017 Facilities from the Commencement Date and continuing for the remainder of the Term for the Permitted Use, and in accordance with all Governmental Regulations. The Corporation may contract with a Management Company, subject to the approval of the Board, to provide operations and management services for the Series 2017 Facilities. All Rents collected by a Management Company under a Management Agreement shall be deposited in an operating account and transferred daily to the Trustee in accordance with the Series 2017 Indenture.

(b) The University, at the direction of the Board, shall be responsible for maintaining the Series 2017 Facilities and shall make or contract or cause to be made or contracted with a suitable contractor for the making of all alterations, repairs, restorations, and replacements to the Series 2017 Facilities, including without limitation the heating, ventilating, air conditioning, mechanical, electrical, elevators, plumbing, fire, sprinkler and theft systems, air and water pollution control and waste disposal facilities, structural roof, walls, and foundations, fixtures, equipment, and appurtenances to the Series 2017 Facilities as and when needed to preserve them in good working order, condition and repair (ordinary wear and tear excepted), regardless of whether such repairs, alterations, restorations or replacements are ordinary or extraordinary, foreseeable or unforeseeable, or are at the fault of the Board, the Corporation or some Other Party. All alterations, repairs, restoration, or replacements shall be of a quality and class equal to or better than the quality and class presently located in the Series 2017 Facilities.

(c) The University, at the direction of the Board, shall have the right during the Term to cause the Corporation or some other Party to make or construct any additions or improvements to the Series 2017 Facilities, alter the Series 2017 Facilities, attach fixtures, structures, or signs to or on the Series 2017 Facilities, and affix personal property to the Series 2017 Facilities without the Corporation’s prior written consent to the extent allowed under the terms of any insurance covering the Series 2017 Facilities. All such alterations, improvements, additions, attachments, repairs, restorations, and replacements of all or any portion of the Series 2017 Facilities shall (i) be at the sole cost and expense of the University; (ii) not reduce the then fair market value of the Series 2017 Facilities; (iii) be constructed in a good and workmanlike manner; and (iv) be in compliance with all Governmental Regulations.

(d) The University, at the direction of the Board, shall provide or cause to be provided all security service, custodial service, janitorial service, trash disposal, and all other services necessary for the proper upkeep and maintenance of the Series 2017 Facilities as required herein. The Board acknowledges that the Corporation has made no representation or warranty with respect to systems and/or procedures for the security of the Series 2017 Facilities, any persons occupying, using or entering the Series 2017 Facilities, or any equipment, furnishings, or contents of the Series 2017 Facilities. It is the sole responsibility of the Board, through the University to cause to be provided or to provide for the security of persons on or entering the Series 2017 Facilities and/or property located at the Series 2017 Facilities, in accordance with reasonable and prudent business practices.

Section 8. **Utilities.**

(a) All utilities which are used or consumed in or upon or in connection with the Series 2017 Facilities during the Term, including, without limitation water, gas, electricity, sewerage, garbage, or trash removal, light, cable, heat, telephone, power, computer data and other utilities necessary for the operation of the Series 2017 Facilities (the “Utility Service”) shall be the responsibility of the Board.
and/or the students, faculty, staff or Permitted Sublessees residing in the Series 2017 Facilities. Payments for Utility Services provided to the entire Facilities or to the common areas of the Series 2017 Facilities under such contract or contracts therefor as the Board may make shall be made by the Board directly to the respective utility companies furnishing such Utility Services.

(b) The Corporation shall have no responsibility to the Board for the quality or availability of Utility Service to the Series 2017 Facilities, or for the cost to procure Utility Service. The Corporation shall not be in Default under this Fourth Supplemental Facilities Lease or be liable to the Board or any other Person for direct or consequential damage, or otherwise, for any failure in supply of any Utility Service, heat, air conditioning, elevator service, cleaning service, lighting, security, or for surges or interruptions of electricity.

Section 9. **Insurance.**

(a) The University, at the direction of the Board, shall cause to be secured and maintained at the University’s cost and expense:

(i) A policy or policies of insurance covering the Series 2017 Facilities against loss or damage by fire, lightening, earthquake, collapse, vandalism and malicious mischief, flood and storm surge, and against such other perils as are included in so-called “extended coverage” and against such other insurable perils as, under good insurance practice, from time to time are insured for properties of similar character and location, which insurance shall be not less than the full replacement cost of the Series 2017 Facilities, without deduction for depreciation. In the event that the Series 2017 Facilities are not repaired or replaced, insurance proceeds shall be no greater than the actual cash value (replacement cost less depreciation) of the Series 2017 Facilities at the time of the loss. The policy shall be adjusted to comply with any applicable co-insurance provisions of such insurance policy. Full payment of insurance proceeds shall not be contingent on the degree of damage sustained at other facilities leased by the Board. The policy or policies covering such loss must explicitly waive any co-insurance penalty.

(ii) A policy of comprehensive public liability insurance with respect to the Series 2017 Facilities and the operations related thereto, whether conducted on or off the Series 2017 Facilities, against liability for personal injury (including bodily injury and death) and property damage, of not less than $2,000,000 in combined single limit liability coverage. Such comprehensive public liability insurance shall specifically include, but shall not be limited to, sprinkler leakage legal liability, water damage legal liability, motor vehicle liability for all owned and non-owned vehicles, including rented or leased vehicles.

(iii) Boiler and machinery insurance coverage against loss or damage by explosion of steam boilers, pressure vessels and similar apparatus, but only if steam boilers, pressure vessels or similar apparatus are installed on the Series 2017 Facilities, in an amount not less than $5,000,000 with deductible provisions not exceeding $100,000 per accident.

(iv) Workers’ compensation insurance issued by a responsible carrier authorized under the laws of the State to insure employers against liability for compensation under the Labor Code of the State, or any act hereafter enacted as an amendment thereto or in lieu thereof, such workers’ compensation insurance to cover all persons employed by the Corporation in connection with the Series 2017 Facilities and to cover full liability for compensation under any such act aforesaid.

(v) A policy of rental interruption insurance in the amount of at least one (1) year’s rental in the event of loss of or damage to the Series 2004 Facilities or the Series 2017 Facilities.
(b) The Corporation shall:

(i) cause to be secured and maintained a policy of title insurance insuring the Corporation’s leasehold interest under the Fourth Supplemental Ground Lease in an amount equal to the par amount of the Series 2017 Bonds; and

(ii) cause all of the construction professionals to secure and maintain:

(A) Comprehensive or Commercial General Liability insurance;

(B) Errors and Omissions insurance;

(C) Automobile Liability insurance;

(D) Worker’s Compensation insurance;

(E) an all Risk Builder’s Policy upon the construction on the Property; and

(F) boiler and machinery or additional property insurance;

all as required by the terms of any construction contracts entered into with regards to the demolition of certain existing facilities and the renovation, development and construction of the Series 2017 Facilities.

(c) All insurance required in this Section and all renewals of such insurance (excepting self-insurance or commercial insurance, through ORM) shall be issued by commercial insurers authorized to transact business in the State, and rated at least A- by Best’s Insurance Reports (property/liability) or in the two highest rating categories of S&P and Moody’s. All insurance policies provided or caused to be provided by the Corporation shall expressly provide that the policies shall not be canceled or altered without thirty (30) days’ prior written notice to the University and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the Corporation or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained.

(d) All policies of liability insurance that the University is obligated to maintain according to this Fourth Supplemental Facilities Lease (other than any policy of worker’s compensation insurance) will name the Corporation, the Trustee and such other Persons or firms as the University may be required to name from time to time as additional insureds and shall expressly provide that the policies shall not be cancelled or altered without thirty (30) days’ prior written notice to the Corporation and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the University or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained. All public liability, property damage liability, and casualty policies maintained by the University shall be written as primary policies and each such policy shall include a waiver of subrogation endorsement.

(e) Proceeds of insurance received and/or the amount of any loss that is self-insured with respect to destruction of or damage to any portion of the Series 2017 Facilities by fire, earthquake or other casualty or event shall be paid to the Trustee (or, in the case of ORM insurance, to the Board for delivery in full to the Trustee) for application in accordance with the provisions of Section 11 of this Fourth Supplemental Facilities Lease and the Series 2017 Indenture.
(f) If the Series 2017 Facilities are self-insured through ORM, the insurance provisions of this Section shall be deemed as having been satisfied.

(g) The Corporation shall certify annually to the Series 2004 Bond Insurer, the Series 2007 Bond Insurer, and the Series 2017 Bond Insurer that all insurance policies required by this Section 9 are as of the date of such certification in place and in effect.

Section 10. Condemnation, Casualty and Other Damage. The risk of loss or decrease in the enjoyment and beneficial use of the Series 2017 Facilities due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively “Casualty”) or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Series 2017 Facilities by condemnation, expropriation, or eminent domain proceedings (collectively “Expropriation”) is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental, or any other obligation hereunder.

Section 11. Application of Insurance Proceeds; Condemnation Award.

(a) If during construction, all or any portion of the Series 2017 Facilities is damaged or destroyed by a Casualty, or is taken by Expropriation proceedings, the Board shall instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration or replacement of the Series 2017 Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. Following the completion of construction and acceptance of the Series 2017 Facilities by the Board on behalf of the Corporation, the Board shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted, the repair, restoration, or replacement thereof. The proceeds of any insurance, including the proceeds of any self-insurance fund, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction or taking of all or any portion of the Series 2017 Facilities shall be delivered to the Trustee and held by the Trustee in trust (or in the case of self-insurance through ORM, as set forth in paragraph (b) below), and shall be made available for, and to the extent necessary be applied to, such restoration, repair and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement and repair of the Series 2017 Facilities with respect to which they are held, in each case promptly after receipt of a written request of the Corporation stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Series 2017 Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee may conclusively rely upon such written requests and shall have no liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Series 2017 Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration or replacement of the Series 2017 Facilities shall be paid by Trustee in accordance with the terms of the Series 2017 Indenture.

(b) In the event the proceeds of any insurance, and any additional funds deposited with the Trustee, are insufficient to fully repair, restore or replace the Series 2017 Facilities, the proceeds shall be paid to the Board for immediate delivery to Trustee and used to redeem the Outstanding Bonds.
(c) Notwithstanding the foregoing, the Corporation’s obligation to replace the Series 2017 Facilities in the event of Expropriation Proceedings is dependent on the Board entering into a lease with a different portion of the Campus as provided in Section 13.03 of the Fourth Supplemental Ground Lease. In the event it is necessary to restore or replace the Series 2017 Facilities in a different location because of the Expropriation of all or a portion of the Series 2017 Facilities, the Corporation and the Board agree to amend or enter into a new Facilities Lease and Ground Lease in accordance with Sections 13.03 of the Fourth Supplemental Ground Lease. In the event the Board, pursuant to the Fourth Supplemental Ground Lease, decides not to repair, restore or replace the Series 2017 Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) shall be paid to the Board for immediate delivery to the Trustee and applied to the prepayment of the Series 2017 Bonds in accordance with the terms of the Series 2017 Indenture, and this Fourth Supplemental Facilities Lease and the Fourth Supplemental Ground Lease shall terminate on the date that the events described in Section 2(a) or 2(b) hereof have occurred.

(d) In the event that ORM insures the Series 2017 Facilities, the Board shall use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration or replacement of the Series 2017 Facilities.

Section 12. Encumbrances.

(a) Payment by the Board. The Board shall pay or cause to be paid all costs and charges for alterations, improvements, additions, repairs and maintenance (“Work”) (i) done by the Board or caused to be done by the Board in or to the Series 2017 Facilities, and (ii) for all materials furnished for or in connection with such Work. The Corporation reserves all rights to collect for any loss or damage sustained or incurred by the Corporation resulting from any and all Encumbrances, demands or liabilities arising on account of the Work, which shall be payable by the Board as Additional Rent hereunder.

(b) Failure to Discharge. If the Board fails to pay any charge for which an Encumbrance has been filed, and the Series 2017 Facilities or any portion thereof is placed in imminent danger of being seized, the Corporation may, but shall not be obligated to, pay such charge and related costs and interest, and the amount so paid, together with reasonable Legal Expenses incurred in connection with such Encumbrance, will be immediately due from the Board to the Corporation as Additional Rental. Nothing contained in this Fourth Supplemental Facilities Lease will be deemed the consent or agreement of the Corporation to subject the Corporation’s interest in the Series 2017 Facilities to liability under any Encumbrance, or any mechanics’, materialman’s or other lien law. If the Board receives written notice that an Encumbrance has been or is about to be filed against the Series 2017 Facilities, or that any action affecting title to the Series 2017 Facilities has been commenced on account of Work done by or for the Board or for materials furnished to or for the Board, it shall immediately give the Corporation Notice of such notice.

(c) Notice of Work. At least fifteen (15) days prior to the commencement of any Work in or to the Series 2017 Facilities, by or for the University, the University shall give the Corporation Notice of the proposed Work and the names and addresses of the Persons supplying labor and materials for the proposed Work. The Corporation will have the right to post notices of nonresponsibility or similar written notices on the Series 2017 Facilities in order to protect the Series 2017 Facilities against any such claimants.
Section 13. Assignment and Sublease.

(a) Neither this Fourth Supplemental Facilities Lease nor any interest of the Board in the Series 2017 Facilities shall be mortgaged, pledged, assigned or transferred by the Board by voluntary act or by operation of law, or otherwise; provided, however, the Board may sublease all or any portion of the Series 2017 Facilities, or grant concessions involving the use of all or any portion of the Series 2017 Facilities, whether such concessions purport to convey a leasehold interest or a license to use all or a portion of the Series 2017 Facilities to any University student, faculty, staff or Permitted Sublessee. No such concession, leasehold interest or license to use the Series 2017 Facilities shall be granted to any University students, faculty or staff for a term of more than one (1) year, or to any Permitted Sublessee for a term of more than one (1) month. The Board shall, however, at all times remain liable for the performance of the covenants and conditions on its part to be performed under this Fourth Supplemental Facilities Lease (including, without limitation, the payment of Base Rental and Additional Rental), notwithstanding any subletting or granting of concessions which may be made. Nothing herein contained shall be construed to relieve the Board from its obligations to pay Base Rental and Additional Rental as provided in this Fourth Supplemental Facilities Lease or to relieve the Board from any other obligations contained herein. Other than subleases to University students, faculty, staff and Permitted Sublessees, in no event will the Board sublease or permit the use of all or any part of the Series 2017 Facilities to any person without an opinion of Bond Counsel that such will not cause interest on the Series 2017 Bonds to be included in the gross income of the owners of the Series 2017 Bonds for federal income tax purposes.

(b) The Corporation shall, concurrently with the execution hereof, assign all of its right, title, and interest in and to this Fourth Supplemental Facilities Lease, including without limitation its right to receive Base Rental payable hereunder, to the Issuer pursuant to the Series 2017 Agreement, and the Issuer will in turn assign its rights under this Fourth Supplemental Facilities Lease to the Trustee pursuant to the Series 2017 Indenture. The parties hereto further agree to execute any and all documents necessary and proper in connection therewith. Anything required or permitted to be done by the Corporation under this Fourth Supplemental Facilities Lease may be done by the Trustee under the Series 2017 Indenture.

(c) Except as set forth in Section 13(b) hereof, the Corporation shall not sell or assign its interest in the Series 2017 Facilities or this Fourth Supplemental Facilities Lease without the prior written consent of the Board and the Bond Insurer.

(a) At the expiration of the Term, or termination of this Fourth Supplemental Facilities Lease, all alterations, fixtures, improvements, and additions made by the Board or the University and all equipment placed upon the Series 2017 Facilities that are incorporated into or made into component parts of the Series 2017 Facilities, as well as, title to all property, furniture, equipment, fixtures, and other property installed at or placed upon the Series 2017 Facilities by the Board which is not incorporated into or made a component part of the Series 2017 Facilities remain the property of the Board.

(b) The Board hereby agrees to replace such property from time to time as such property becomes worn out, obsolete, inadequate, unsuitable or undesirable. The Board may add to or remove such property from time to time, and upon expiration of the Term, provided that the Board repairs any damage to the Series 2017 Facilities caused by such removal.

Section 15. Right of Entry. Representatives of the Corporation and the Bond Insurer shall, subject to reasonable security precautions, and upon giving the Board not less than twenty-four (24) hours advance Notice, have the right to enter upon the Series 2017 Facilities during reasonable business hours (and in emergencies without notice and at all times) accompanied by a Board Representative (i) to inspect
the same, (ii) for any purpose connected with the rights or obligations of the Corporation under this Fourth Supplemental Facilities Lease, or (iii) for all other lawful purposes. Any right of access to any portion of the Series 2017 Facilities leased to the students, faculty, staff or Permitted Sublessees shall be subject to their rights pursuant to their rental agreements and University policy.

Section 16. Mortgage Prohibition. Except as set forth in the Series 2017 Indenture, the Fourth Supplemental Ground Lease, and the Series 2017 Agreement, the Corporation shall not be entitled to mortgage or grant a security interest in the Series 2017 Facilities.

Section 17. Sale of Facilities; Attornment; and Conveyance and Transfer of the Corporation’s Interest.

(a) If a person other than the Corporation shall succeed to the rights of the Corporation hereunder (in any case with the prior written consent of the Board as required hereby), upon the declaration of the successor to the Corporation’s interest in this Fourth Supplemental Facilities Lease, the Board agrees to fully attorn to and recognize any such successor as the Board’s landlord under this Fourth Supplemental Facilities Lease upon the then existing terms of this Fourth Supplemental Facilities Lease, provided that such successor shall agree in writing to accept the Board’s attornment and not to disturb the Board’s possession so long as the Board shall observe the provisions and all covenants of this Fourth Supplemental Facilities Lease. This attornment provision shall inure to the benefit of any such successor and shall be self-operative upon the election and declaration by such successor, and no further instrument shall be required to give effect to the provisions. However, the Board agrees to evidence and confirm the foregoing attornment provisions by the execution and delivery of instruments in recordable form satisfactory to such successor.

(b) If the Series 2017 Facilities, or any part thereof, shall be sold or otherwise transferred by sale, assignment, transfer, or other contract, or by operation of law or otherwise (with the prior written consent of the Board as required hereby, with the prior written consent of the Bond Insurer and with an opinion of Bond Counsel that such action will not cause interest on the Series 2017 Bonds to be included in the gross income of the owner of the Series 2017 Bonds for federal tax purposes), and if such written consent specifically so provides, the Corporation shall be automatically and entirely released and discharged to the extent of the interest in or the portion of the Series 2017 Facilities sold, assigned or transferred from and after the effective date of such sale, assignment or transfer of all liability for the performance of any of the covenants of this Fourth Supplemental Facilities Lease on the part of the Corporation thereafter to be performed. The purchaser or other transferee of the Series 2017 Facilities shall be deemed to have agreed to perform such covenants of the Corporation from and after the date of such assignment or sale during such transferee’s period of ownership of the Corporation’s interest under this Fourth Supplemental Facilities Lease, all without further agreement between the Corporation, its successor and the Board. The Corporation’s transferee shall not be held responsible for the performance of any of the covenants of this Fourth Supplemental Facilities Lease on the part of the Corporation required to be performed prior to such sale and transfer, the Board reserving its rights against the Corporation for any unperformed covenants prior to such sale or transfer.

Section 18. Quiet Enjoyment. The Corporation covenants that the Board, on paying the Rental and performing and observing all of the covenants and agreements herein contained and provided to be performed by the Board or the University, shall and may peaceably and quietly have, hold, occupy, use, and enjoy the Series 2017 Facilities during the Term and may exercise all of its rights hereunder; and the Corporation agrees to warrant and forever defend the Board’s right to such occupancy, use, and enjoyment and the title to the Series 2017 Facilities against the claims of any and all persons whomsoever lawfully claiming the same, or any part thereof subject only to the provisions of this Fourth Supplemental Facilities Lease.
Section 19. Environmental Compliance and Indemnity.

(a) Environmental Compliance. The Board or the University shall operate or cause to be operated the Series 2017 Facilities in compliance with all Environmental Requirements continuously during the Term, and for such periods of time prior to the Commencement Date and after the Expiration Date, as long as the Board is in possession of the Series 2017 Facilities, in whole or in part. The Board shall not cause or permit any Hazardous Substance to be brought upon, kept, or used in or about the Series 2017 Facilities or the Land, except for such Hazardous Substance as is necessary or useful to the operation of the Series 2017 Facilities.

(b) The Board’s Liability. If the Board fails to comply with any of the foregoing warranties, representations, and covenants, and removal or Remediation of any Hazardous Substance found on the Series 2017 Facilities is required by Environmental Requirements or Governmental Authority, the Board shall promptly undertake the removal or Remediation of such Hazardous Substance, at the Board’s sole cost and expense. In the event the Board fails or refuses to undertake such removal or Remedial actions, the Corporation may cause the removal or Remediation (or other cleanup reasonable acceptable to the Corporation) of any such Hazardous Substance from the Land or the Series 2017 Facilities. The reasonable costs of removal, Remediation, or any other cleanup (including transportation and storage costs) will be considered as Additional Rental under this Fourth Supplemental Facilities Lease, whether or not a court has ordered the cleanup, and those costs will become due and payable within ninety (90) days of written demand by the Corporation. In connection therewith, the Board will give the Corporation, its agents, and employees access to the Series 2017 Facilities to remove, remediate, or otherwise clean up any Hazardous Substance. The Corporation, however, has no affirmative obligation to remove, remediate, or otherwise clean up any Hazardous Substance, and this Fourth Supplemental Facilities Lease will not be construed as creating any such obligation. The Board hereby agrees that it shall be fully liable for all costs and expenses related to the use, storage, and disposal of any Hazardous Substance located in or about the Series 2017 Facilities by the Board.

Section 20. The Corporation’s Reservation of Rights.

(a) The Corporation hereby reserves all of its rights to recover from the Board for any and all Claims asserted against the Corporation, including Litigation Expenses arising out of or by reason of:

(i) any injury to or death of any person or damage to property occurring on or about the Series 2017 Facilities occasioned by or growing out of or arising or resulting from any tortious or negligent act on the part of the Board in connection with the operation and management of the Series 2017 Facilities; or

(ii) any failure, breach, or default on the part of the Board in the performance of or compliance with any of the obligations of the Board under the terms of this Fourth Supplemental Facilities Lease.

(b) Notwithstanding the fact that it is the intention of the parties that the Corporation shall not incur any pecuniary liability by reason of the terms of this Fourth Supplemental Facilities Lease or the undertakings required of the Corporation hereunder, nevertheless, if the Corporation should incur any such pecuniary liability, then in that event, the Corporation shall be entitled to assert all rights and remedies granted in law or in equity to recover from the Board the amount of any pecuniary liability incurred by the Corporation, plus all Litigation Expenses incurred in defense of such liability to the extent subject to indemnification pursuant to Subsection (a) above.
(c) No recourse shall be had for the enforcement of any obligation, covenant, or agreement of the Corporation contained in this Fourth Supplemental Facilities Lease or any Claim based thereon against the Corporation or of any successor thereto or member thereof, either directly or through the Corporation whether by virtue of any constitutional provision, statute, or rule of law. This Fourth Supplemental Facilities Lease and the obligations of the Corporation hereunder, and any Claim asserted against the Corporation are solely corporate obligations, and the enforcement of any obligation or Claim shall be limited solely to the Corporation’s interest in the Series 2017 Facilities. No personal liability shall attach to, or be incurred by, any officer, director, agent, employee or member of the Corporation and the Board acknowledges that all personal liability of any character against every such officer, director, agent, employee or member by the execution of this Fourth Supplemental Facilities Lease, is expressly waived and released. The immunity of any officer, director, agent, employee or member of the Corporation under the provisions contained in this Section 20 shall survive any acquisition of the Series 2017 Facilities by the Board and the expiration or other termination of this Fourth Supplemental Facilities Lease.

Section 21. Default by the Board.

(a) If (i) the Board shall fail to deposit with the Trustee any Base Rental payment required to be so deposited pursuant to Section 6 hereof by the close of business on the day such deposit is required pursuant to Section 6 hereof, and shall fail to remedy such breach within five (5) days thereof, but in no event later than the date on which such payment is required to enable the Corporation to make payment on the Series 2017 Bonds (without use of moneys held in the Debt Service Reserve Fund), or (ii) the Board shall fail to pay or discharge any monetary obligation under this Lease (other than the payment of Base Rental) as and when due, or within thirty (30) days after receipt of Notice from the Corporation that such sums are due and owing; or (iii) the Board shall breach any non-monetary terms, covenants or conditions herein, and shall fail to remedy any such breach with all reasonable dispatch within a reasonable period of time (or such longer period as the Trustee may approve) after written notice thereof from the Corporation, the Bond Insurer or the University to the Board, then and in any such event the Board shall be deemed to be in default hereunder, and the Corporation (with the prior written consent of the Bond Insurer) shall have the right, at its option, without any further demand or notice to terminate this Fourth Supplemental Facilities Lease on the earliest date permitted by law or on any later date specified in any Notice given to the Board, in which case the Board’s right to possession of the Series 2017 Facilities will cease and this Fourth Supplemental Facilities Lease will be terminated, without, however, waiving the Corporation’s right to collect all Rental and other payments due or owing for the period up to the time the Corporation regains possession (which have been approved for payment under this Fourth Supplemental Facilities Lease, but not paid by the Board), and to enforce other obligations of the Board which survive termination of this Fourth Supplemental Facilities Lease, and in such event the Corporation may without any further demand or notice re-enter the Series 2017 Facilities and eject all parties in possession thereof, subject to the rights of students, faculty, staff and Permitted Sublessees. The foregoing remedies of the Corporation are in addition to and not exclusive of any other remedy of the Corporation. Any such re-entry shall be allowed by the Board without hindrance, and the Corporation shall not be liable in damages for any such re-entry or be guilty of trespass. The Corporation understands and agrees that upon its termination of the Board’s right to possession of the Series 2017 Facilities or termination of this Fourth Supplemental Facilities Lease, the Corporation upon its re-entry of the Series 2017 Facilities shall only be allowed to use the Series 2017 Facilities for the Permitted Use and shall be subject to all applicable Governmental Regulations heretofore or hereafter enacted by any Governmental Authority relating to the use and operation of the Series 2017 Facilities.

(b) Notwithstanding any other provision of this Fourth Supplemental Facilities Lease, (i) in no event shall the Corporation have the right to accelerate the payment of any Base Rental payment hereunder and (ii) the Bond Insurer shall have ninety (90) days to cure an Event of Default hereunder.
(c) Notwithstanding anything contained in this Section 21 to the contrary, a failure by the Board to pay when due any payment required to be made under this Fourth Supplemental Facilities Lease or a failure by the Board to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Fourth Supplemental Facilities Lease, resulting from a failure by the Board to appropriate moneys shall not constitute an Event of Default under this Section 21 and the Corporation shall not have any of the remedial rights set forth in this Section 21. Notwithstanding the foregoing, in such event the Board acknowledges that this Fourth Supplemental Facilities Lease shall terminate and the Board shall immediately vacate the Series 2017 Facilities, and deliver the Series 2017 Facilities to the Corporation.

Section 22. **Cumulative Remedies.** Each right and remedy provided for in this Fourth Supplemental Facilities Lease is cumulative and is in addition to every other right or remedy provided for in this Fourth Supplemental Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by the Corporation of any one or more of the rights or remedies provided for in this Fourth Supplemental Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise will not preclude the simultaneous or later exercise by the Corporation of any or all other rights or remedies provided for in this Fourth Supplemental Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise. All costs incurred by the Corporation in collecting any amounts and damages owing by the Board pursuant to the provisions of this Fourth Supplemental Facilities Lease or to enforce any provision of this Fourth Supplemental Facilities Lease, including reasonable Litigation Expenses from the date any such matter is turned over to an attorney, whether or not one or more actions are commenced by the Corporation, will also be recoverable by the Corporation from the Board. The waiver by the Corporation of any breach by the Board and the waiver by the Board of any breach by the Corporation of any term, covenant or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other term, covenant or condition hereof.

Section 23. **Option to Purchase.** For and in consideration of the obligations of the Board under this Fourth Supplemental Facilities Lease, the mutual undertakings of the parties, the receipt and adequacy of which is hereby acknowledged, the Corporation grants to the Board an exclusive and irrevocable option to purchase for the price and on the terms, provisions, stipulations and conditions hereinafter set forth, all but not less than all of the Corporation’s leasehold interest in the Series 2017 Facilities.

(a) **Effective Date.** The effective date of this Option agreement shall be the Commencement Date.

(b) **Term of Option.** The Option shall expire at midnight Central Standard Time, on the Expiration Date, or upon the termination of this Fourth Supplemental Facilities Lease, whichever occurs first.

(c) **Limitation on Exercise of Option.** The Board may not exercise the Option, and the Option shall be voidable, at the sole election of the Corporation, if a Default by the Board has occurred and is continuing under this Fourth Supplemental Facilities Lease, and the applicable time period in which the Board may cure such default has expired. Notwithstanding any provision of this Option to the contrary, the Board shall be entitled to exercise the Option as long as the Board is legally obligated to make payments of Base Rental under this Fourth Supplemental Facilities Lease.

(d) **Exercise of Option.** The Board may exercise the Option herein granted with respect to the Series 2017 Facilities at any time on or before expiration of the Term, on any Interest Payment Date on or after [August 1, 2027] or on the date the Series 2017 Bonds are defeased pursuant to Article XII of the
Series 2017 Indenture, by Notice to the Corporation and the Bond Insurer of its election to exercise the Option and purchase the Corporation’s interest in and to the Series 2017 Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase the Series 2017 Facilities.

(e) **Purchase Price.** The Purchase Price shall be equal to the principal of all Series 2017 Bonds then Outstanding plus the interest to accrue on such Bonds until the purchase date plus any prepayment penalties, charges or costs for early prepayment or defeasance of the Series 2017 Bonds and any Administrative Expenses owed prior to the purchase date which payments are necessary to discharge the Series 2017 Indenture pursuant to Article XII thereof (collectively, the “Purchase Price”).

(f) **Effect on Facilities Lease and Ground Lease.** Upon the purchase of the Corporation’s leasehold interest in the Series 2017 Facilities by the Board pursuant to this Option, this Fourth Supplemental Facilities Lease and the Fourth Supplemental Ground Lease shall terminate and all of the Corporation’s leasehold interest in the Land and the Series 2017 Facilities shall terminate.

(g) **Payment of Purchase Price.** The Board, on the purchase date, shall deposit an amount equal to the Purchase Price with the Trustee.

(i) **Conveyance.** In the event of and upon the payment of the Purchase Price and any other sums due under this Fourth Supplemental Facilities Lease by the Board, the Corporation will on the purchase date execute and deliver to the Board a written cancellation of the Fourth Supplemental Ground Lease and this Fourth Supplemental Facilities Lease.

(ii) **Assignment of Contract Rights and Obligations.** The conveyance of the Corporation’s leasehold interest in the Series 2017 Facilities shall also effect a transfer and assignment of all rights, warranties and liabilities of the Corporation under then existing contracts of any nature with respect to the Series 2017 Facilities.

(h) **Closing.** In the event the Option is timely exercised, notice of the Board’s election to the Corporation shall constitute an irrevocable conversion of the Option into a binding obligation of the Corporation to sell its leasehold interest in the Series 2017 Facilities and the Board to buy the same under the terms and conditions set forth in this Section 23, and in such event, the Corporation and the Board shall have the right to demand specific performance of this agreement by the other. The closing shall occur at the offices of the Board or its counsel, or at such other time, place, and date as agreed upon by the Corporation and the Board.

(i) **Closing Costs.** The Board shall pay all closing costs and charges incident to the conveyance of the Corporation’s interest in the Land and the Series 2017 Facilities.

(j) **No Warranty.** The Corporation shall convey its leasehold interest in the Series 2017 Facilities without any warranty whatsoever of any nature. The conveyance of the leasehold interest in the Series 2017 Facilities shall be without any warranty as to fitness and condition, as set forth in Section 5 of this Fourth Supplemental Facilities Lease. Language substantially similar to the language contained in Section 5 of this Fourth Supplemental Facilities Lease shall be incorporated into and made a part of such conveyance. In no event shall the Corporation be responsible for any defects in title.

(k) **Default under the Option:**

(i) In the event the Option is exercised, and the Corporation fails to consummate the transactions contemplated herein for any reason, except default by the Board or the failure of the Board to satisfy any of the conditions set forth herein, the Board may, in addition to any other rights and remedies
which may otherwise be available to the Board, enforce this agreement by specific performance. The Board’s remedies under this Section are expressly subject to the provisions of Section 30 of this Fourth Supplemental Facilities Lease.

(ii) In the event the Option is exercised, and the Board fails to consummate the transactions contemplated herein for any reason, except default by the Corporation or the failure of the Corporation to satisfy any of the conditions set forth herein, the Corporation (a) may enforce this agreement by specific performance and in such action shall have the right to recover damages suffered by reason of the Board’s delay; or (b) may bring suit for damages for breach of this agreement.

(iii) No delay or omission in the exercise of any right or remedy accruing to either party upon any breach by the other party under this Section 23 shall impair such right or remedy or be construed as a waiver of any such breach theretofore or thereafter occurring. The waiver by either party of any condition or any subsequent breach of the same or any other term, covenant or condition contained in this Section 23 shall not be deemed to be a waiver of any other condition or of any subsequent breach of the same or of any other term, covenant or condition herein contained.

(l) Attorney’s Fees. Should either party employ an attorney or attorneys to enforce any of the provisions hereof, or to protect its interest in any matter arising under this agreement, or to recover damages for the breach of this agreement, the party prevailing in any final judgment shall have the right to collect from the losing party all Litigation Expenses incurred in enforcing such rights.

(m) Notices. Any notices required or permitted under this Section 23 shall be in writing and delivered either in person to the other party, or to the other party’s authorized agent, or by United States Certified Mail, return receipt requested, postage prepaid, to the address set forth in Section 50 of this Fourth Supplemental Facilities Lease, or to such other address as either party may designate in writing and delivered as herein provided.

(n) Assignability. Except as set forth in the Series 2017 Indenture, the Mortgage or the Fourth Supplemental Ground Lease, the Option may not be assigned by the Corporation or its interest in the Series 2017 Facilities sold (subject to the Option or otherwise) to any person or entity without the Board’s prior written consent, which consent may be withheld by the Board in its sole discretion.

(o) Time of Essence: Time is of the essence of this Option.

(p) Binding Effect: This Option shall be binding upon and shall inure to the benefit of the parties hereto and their heirs, successors and assigns.

Section 24. Severability. If any provisions of this Fourth Supplemental Facilities Lease shall be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable, to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or Sections contained in this Fourth Supplemental Facilities Lease shall not affect the remaining portions of this Fourth Supplemental Facilities Lease, or any part thereof.

Section 25. Redemption of Bonds. The Corporation agrees that it will not exercise its option to redeem any Series 2017 Bonds pursuant to the Series 2017 Indenture unless the Board consents to such redemption or such redemption is to be effected with moneys derived from a source other than payments
made by the Board under this Fourth Supplemental Facilities Lease, however, in no event shall the mandatory redemption of any Series 2017 Bonds pursuant to the Series 2017 Indenture require the consent of the Board. The Corporation further agrees that if requested by the Board it will take all actions necessary to redeem all or any portion of the Series 2017 Bonds designated by the Board on the first date that it may do so under the terms of the Series 2017 Indenture so long as the Board agrees to provide funds in an amount, and at the time, required to effect such redemption.

Section 26. Additional Bonds. Upon the request and at the expense of the Board, the Corporation shall take action as may be required to effect the issuance of Additional Bonds in such amount as the Board may request as permitted by and in accordance with the provisions of the Indenture for any purpose permitted thereby.

Section 27. Execution. This Fourth Supplemental Facilities Lease may be simultaneously executed in any number of counterparts, each of which when so executed shall be deemed to be an original, and all of which together shall constitute one and the same Facilities Lease.

Section 28. Law Governing. This Fourth Supplemental Facilities Lease is made in the State under the constitution and laws of the State and is to be governed by the laws of the State.

Section 29. Nonappropriation of Funds. In the event no funds or insufficient funds are lawfully appropriated in any Fiscal Year enabling the payment of Base Rental and Additional Rental due during the next succeeding Fiscal Year, the Board will immediately notify the Corporation and the Trustee of such occurrence. On the first day of the month following the Base Rental payment date on which the last payment of Base Rental can be made in full from Lawfully Available Funds, this Fourth Supplemental Facilities Lease shall terminate without penalty or expense to the Board of any kind whatsoever, except as to the portions of Base Rental and Additional Rental payments herein agreed upon for Fiscal Years for which sufficient funds have been lawfully appropriated. In the event of such termination, the Board agrees peaceably to surrender possession of the Series 2017 Facilities to the Corporation on the date of such termination in its original condition (normal wear and tear excepted). The Corporation will have all legal and equitable rights and remedies to take possession of the Series 2017 Facilities and re-let or sell the Series 2017 Facilities as the Corporation determines and as granted in this Fourth Supplemental Facilities Lease. The Board acknowledges that the Corporation’s rights to take possession and to re-let or sell the Series 2017 Facilities under this Section 29 may be assigned to the Trustee for the benefit of the owners of the Series 2017 Bonds, and the Board agrees that the Trustee shall be entitled to exercise all of the rights of the Corporation under this Section 29. The event of an inability by the Board to cause the appropriation of sufficient funds for the payment of sums due under this Fourth Supplemental Facilities Lease shall not constitute a default hereunder, but shall ipso facto terminate this Fourth Supplemental Facilities Lease. This provision is operative notwithstanding any provisions of this Fourth Supplemental Facilities Lease to the contrary. The Board shall be considered in default hereunder if sufficient funds are lawfully appropriated for the payment of Rental required under this Fourth Supplemental Facilities Lease and the Board fails to use lawfully appropriated funds for the payment of Rental. In such event, the Corporation shall be entitled to the rights and remedies set forth in Sections 21 and 22 hereof.

Section 30. Exculpatory Provision.

(a) In the exercise of the powers of the Corporation and its trustees, officers, employees and agents under this Fourth Supplemental Facilities Lease and the Series 2017 Indenture, the Corporation shall not be accountable or liable to the Board (i) for any actions taken or omitted by it or its officers, employees or agents in good faith and believed by it or them to be authorized or within their discretion or rights or powers conferred upon them, or (ii) for any claims based on this Fourth Supplemental Facilities Lease.
Lease against any officer, employee or agent of the Corporation in his or her personal capacity, all such liability, if any, being expressly waived by the Board by the execution of this Fourth Supplemental Facilities Lease. Nothing in this Fourth Supplemental Facilities Lease or the Series 2017 Indenture is intended to require or obligate, nor shall anything herein or therein be interpreted to require or obligate, the Corporation for any purpose or at any time whatsoever, to provide, apply or expend any funds coming into the hands of the Corporation other than the funds derived from the issuance of the Series 2017 Bonds under the Series 2017 Indenture and moneys derived pursuant to the Series 2017 Indenture and this Fourth Supplemental Facilities Lease.

(b) The Board specifically agrees to look solely to the Corporation’s interest in the Series 2017 Facilities for the recovery of any judgments from the Corporation. It is agreed that the Corporation will not be personally liable for any such judgments, or incur any pecuniary liability as a result of this Fourth Supplemental Facilities Lease to the Board, or the breach of its obligations hereunder. The Corporation’s liability under this Fourth Supplemental Facilities Lease is “in rem” as to its interest in the Series 2017 Facilities. The provisions contained in the preceding sentences are not intended to and will not limit any right that the Board might otherwise have to obtain injunctive relief against the Corporation or relief in any suit or action in connection with enforcement or collection of amounts that may become owing or payable under or on account of insurance maintained by the Corporation.

Section 31. Amendments. This Fourth Supplemental Facilities Lease may be amended only as permitted in Article VIII of the Series 2017 Agreement.

Section 32. Recording. The Corporation covenants and agrees that it will promptly record and from time to time re-record a memorandum in recordable form of this Fourth Supplemental Facilities Lease and all supplements thereto and hereto in such manner and in such places as may be required by law in order to fully protect and preserve the security of the holders or owners of the Series 2017 Bonds.

Section 33. Construction Against Drafting Party. The Corporation and the Board acknowledge that each of them and their counsel have had an opportunity to review this Fourth Supplemental Facilities Lease and that each Party was responsible for the drafting thereof.

Section 34. Time of the Essence. Time is of the essence of each and every provision of this Fourth Supplemental Facilities Lease.

Section 35. No Waiver. The waiver by the Corporation of any agreement, condition, or provision contained in this Fourth Supplemental Facilities Lease will not be deemed to be a waiver of any subsequent breach of the same or any other agreement, condition, or provision contained in this Fourth Supplemental Facilities Lease, nor will any custom or practice that may grow up between the parties in the administration of the terms of this Fourth Supplemental Facilities Lease be construed to waive or to lessen the right of the Corporation to insist upon the performance by the Board in strict accordance with the terms of this Fourth Supplemental Facilities Lease. The subsequent acceptance of Rental by the Corporation will not be deemed to be a waiver of any preceding breach by the Board of any agreement, condition, or provision of this Fourth Supplemental Facilities Lease, other than the failure of the Board to pay the particular Rental so accepted, regardless of the Corporation’s knowledge of such preceding breach at the time of acceptance of such Rental.

Section 36. Survival. To the extent permitted by law and to the extent such will not constitute the incurrence of debt by the Board, all of the Corporation’s remedies and rights of recovery under Sections 19 and 20 of this Fourth Supplemental Facilities Lease shall survive the Term and/or the purchase of the Series 2017 Facilities by the Board under the Option.
Section 37. **Counterparts.** This Fourth Supplemental Facilities Lease may be executed in any number of counterparts, each of which shall be an original, but all of which shall together constitute one and the same instrument.

Section 38. **Estoppel Certificates.** At any time and from time to time but within ten (10) days after prior written request by the Corporation, the Board will execute, acknowledge, and deliver to the Corporation, promptly upon request but only to the extent accurate, a certificate certifying (i) that this Fourth Supplemental Facilities Lease is unmodified and in full force and effect or, if there have been modifications, that this Fourth Supplemental Facilities Lease is in full force and effect, as modified, and stating the date and nature of each modification; (ii) the date, if any, to which Rental and other sums payable under this Fourth Supplemental Facilities Lease have been paid; (iii) that no Notice of any default has been delivered to the Corporation which default has not been cured, except as to defaults specified in said certificate; (iv) that there is no Event of Default under this Fourth Supplemental Facilities Lease or an event which, with Notice or the passage of time, or both, would result in an Event of Default under this Fourth Supplemental Facilities Lease, except for defaults specified in said certificate; and (v) such other matters as may be reasonably requested by the Corporation. Any such certificate may be relied upon by any prospective purchaser or existing or prospective mortgagee of the Series 2017 Facilities or any part thereof. The Board’s failure to notify the Corporation of any inaccuracies in the proposed certificate within the specified time period shall be conclusive evidence that the matters set forth in the certificate are accurate and correct.

Section 39. **Waiver of Jury Trial.** The Corporation and the Board waive trial by jury in any action, proceeding, or counterclaim brought by either of the Parties to this Fourth Supplemental Facilities Lease against the other on any matters whatsoever arising out of or in any way connected with this Fourth Supplemental Facilities Lease, the relationship of the Corporation and the Board, the Board’s use or occupancy of the Series 2017 Facilities, or any other Claims, and any emergency statutory or any other statutory remedy.

Section 40. **Written Amendment Required.** No amendment, alteration, modification of, or addition to this Fourth Supplemental Facilities Lease will be valid or binding unless expressed in writing and signed by the Corporation and the Board and consented to the extent required by Article VIII of the Series 2017 Agreement.

Section 41. **Entire Agreement.** This Fourth Supplemental Facilities Lease, the exhibits and addenda, if any, contain the entire agreement between the Corporation and the Board. No promises or representations, except as contained in this Fourth Supplemental Facilities Lease, have been made to the Board respecting the condition or the manner of operating the Series 2017 Facilities.

Section 42. **Signs.** The Board may attach any sign on any part of the Series 2017 Facilities, or in the halls, lobbies, windows, or elevator banks of the Series 2017 Facilities, without the Corporation approval. The Board may name the Series 2017 Facilities and change the name, number, or designation of the Series 2017 Facilities, without the Corporation’s prior consent.

Section 43. **Litigation Expenses.** The Board will pay the Corporation as Additional Rental all reasonable Litigation Expenses and all other reasonable expenses which may be incurred by the Corporation in enforcing any of the obligations of the Board under this Fourth Supplemental Facilities Lease, in exercising its rights to recover against the Board for loss or damage sustained in accordance with the provisions of this Fourth Supplemental Facilities Lease, or in any litigation or negotiation in which the Corporation shall, without its fault, become involved through or because of this Fourth Supplemental Facilities Lease.
Section 44. **Brokers.** The Corporation and the Board respectively represent and warrant to each other that neither of them has consulted or negotiated with any broker or finder with regard to the Series 2017 Facilities.

Section 45. **No Easements for Air or Light.** Any diminution or shutting off of light, air, or view by any structure that may be erected on any of the lands constituting the Series 2017 Facilities, or on lands adjacent to the Series 2017 Facilities, will in no way affect this Fourth Supplemental Facilities Lease or impose any liability on the Corporation. This Fourth Supplemental Facilities Lease does not grant any rights to light, view and/or air over the Series 2017 Facilities whatsoever.

Section 46. **Binding Effect.** The covenants, conditions, and agreements contained in this Fourth Supplemental Facilities Lease will bind and inure to the benefit of the Corporation and the Board and their respective permitted successors and assigns. The Bond Insurer and the Surety Provider shall be third party beneficiaries of this Fourth Supplemental Facilities Lease.

Section 47. **Rules of Interpretation.** The following rules shall apply to the construction of this Fourth Supplemental Facilities Lease unless the context requires otherwise: (a) the singular includes the plural and the plural includes the singular; (b) words importing any gender include the other genders; (c) references to statutes are to be construed as including all statutory provisions consolidating, amending or replacing the statute to which reference is made and all regulations promulgated pursuant to such statutes; (d) references to “writing” include printing, photocopy, typing, lithography and other means of reproducing words in a tangible visible form; (e) the words “including” “includes” and “include” shall be deemed to be followed by words “without limitation”; (f) references to the introductory paragraph, preliminary statements, articles, sections (or subdivision of sections), exhibits, appendices, annexes or schedules are to those of this Fourth Supplemental Facilities Lease unless otherwise indicated; (g) references to agreements and other contractual instruments shall be deemed to include all subsequent amendments and other modifications to such instruments; (h) references to Persons include their respective successors and assigns to the extent successors or assigns are permitted or not prohibited by the terms of this Fourth Supplemental Facilities Lease; (i) any accounting term not otherwise defined has the meaning assigned to it in accordance with generally accepted accounting principles; (j) “or” is not exclusive; (k) provisions apply to successive events and transactions; (l) references to documents or agreements which have been terminated or released or which have expired shall be of no force and effect after such termination, release, or expiration; (m) references to mail shall be deemed to refer to first-class mail, postage prepaid, unless another type of mail is specified; (n) all references to time shall be to Hammond, Louisiana time; (o) references to specific persons, positions, or officers shall include those who or which succeed to or perform their respective functions, duties, or responsibilities; and (p) the terms “herein”, “hereunder” “hereby” “hereof,” and any similar terms refer to this Fourth Supplemental Facilities Lease as a whole and not to any particular articles, section or subdivision hereof.

Section 48. **Relationship of Parties.** The relationship of the Parties shall be one of lessor and lessee only, and shall not be considered a partnership, joint venture, license arrangement or unincorporated association. The Corporation is not controlled by the Board or under the control of any Person also in control of the Board.

Whenever the term “Facilities Lease” or the “Existing Facilities Lease” is used in the Existing Facilities Lease and in this Fourth Supplemental Facilities Lease (including the recitals hereof) or in any of the other Bond Documents, it is intended to mean and include the Existing Facilities Lease, as supplemented and amended by this Fourth Supplemental Facilities Lease, as the same may be further supplemented and amended by supplemental facilities leases. Whenever reference is made in this Fourth Supplemental Facilities Lease to a specific section of the Existing Facilities Lease, it is intended to mean and include such section of the Existing Facilities Lease, as such section may have been supplemented and amended by supplemental facilities leases (notwithstanding the fact that any particular supplemental facilities lease may have a section with the same number).

Section 52. **Confirmation of Existing Facilities Lease.** As supplemented and amended by this Fourth Supplemental Facilities Lease, the Existing Facilities Lease is, in all respects, ratified and confirmed and continues in full force and effect, and the Existing Facilities Lease, as supplemented and amended by this Fourth Supplemental Facilities Lease, shall be read, taken and construed as one and the same instrument so that all of the rights, remedies, terms, conditions, covenants and agreements set forth in the Existing Facilities Lease, as supplemented and amended by this Fourth Supplemental Facilities Lease, shall apply and remain in full force and effect with respect to this Fourth Supplemental Facilities Lease, the Bonds and the other Bond Documents. In connection with financing of the Project, the Board and the Corporation desire to supplement and amend that certain Ground and Buildings Lease Agreement dated as of August 1, 2004 (the “Original Ground Lease”), as supplemented and amended by the First Amendment to Ground and Buildings Lease Agreement dated as of March 1, 2007, as supplemented and amended by a Second Amendment to Ground and Buildings Lease Agreement dated as of June 12, 2012, as further supplemented and amended by a Third Supplemental Ground and Buildings Lease Agreement dated as of November 1, 2013 (collectively, the “Ground Lease”) each by and between the Board and the Corporation and that certain Agreement to Lease with Option to Purchase dated as of August 1, 2004, as supplemented and amended by a First Amendment to Agreement to Lease with Option to Purchase dated as of March 1, 2007, as further supplemented and amended by a Second Amendment to Agreement to Lease with Option to Purchase dated as of June 12, 2012, and as further supplemented and amended by a Third Supplemental Agreement to Lease with Option to Purchase dated as of November 1, 2013, each by and between the Board and the Corporation (collectively, the “Facilities Lease”) which were executed in connection with issuance of the Issuer’s $15,000,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc. Project) Series 2004B (the “Series 2004 Bonds”), the Issuer’s $5,545,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc.: Phase Four Parking Project) Series 2007A (the “Series 2007A Bonds”), the Issuer’s $2,490,000 Revenue Bonds (Southeastern Louisiana University Student Housing/University Facilities, Inc.: Phase Four Parking Project) Series 2007B (the “Series 2007B Bonds” and, together with the Series 2007A Bonds, the “Series 2007 Bonds”) and the Issuer’s $40,910,000 Revenue Refunding Bonds (Southeastern Louisiana University Student Housing/University Facilities Inc. Project) Series 2013 (the “Series 2013 Bonds” and, together with the Series 2004 Bonds and the Series 2007 Bonds, the “Prior Bonds”).

Section 18.15 of the Ground Lease, Section 8.03 of Loan and Assignment Agreement dated as of August 1, 2004 (the “Series 2004 Loan Agreement”), as supplemented and amended by that certain First Supplemental Loan and Assignment Agreement dated as of November 1, 2013, each by and between the Issuer and the Corporation (the “Series 2013 Loan Agreement” and, together with the Series 2004 Loan Agreement, the “Housing Loan Agreement”), and Section 8.03 of that certain Loan and Assignment Agreement dated as of March 1, 2007 by and between the Issuer and the Corporation (the “Parking Loan Agreement”) provide that the Ground Lease may be amended with the consent of MBIA Insurance Corporation, or any successor thereto (the “Bond Insurer”) in order to amend or modify the Existing Ground Lease in any manner that, in the judgment of the Trustee, is not materially adverse to the interests of the owners of the Series 2004 Bonds, the Series 2007 Bonds, the Series 2013 Bonds, the Bond Insurer or the Trustee, which judgment may rely on an opinion of bond counsel.

Section 31 of the Facilities Lease, Section 8.03 of the Housing Loan Agreement and Section 8.10 of the Parking Loan Agreement provide that the Facilities Lease may be amended with the consent of the Bond Insurer in order to amend or modify the Facilities Lease in any manner that, in the judgment of the Trustee, is not materially adverse to the interests of the owners of the Series 2004 Bonds, the Series 2007 Bonds, the Series 2013 Bonds, the Bond Insurer or the Trustee, which judgment may rely on an opinion of bond counsel.
We have examined (i) the First Supplemental Ground and Buildings Lease Agreement dated as of June 1, 2017 (the “Fourth Supplemental Ground Lease”), (ii) the Fourth Supplemental Facilities Lease dated as of June 1, 2017 (the “Fourth Supplemental Facilities Lease” and, together with the Fourth Supplemental Ground Lease, the “Supplemental Leases”) being entered into by the Board and the Corporation in connection with the Project, (iii) the consent of the Bond Insurer, and (iv) the transcript of certified proceedings pertaining to the Prior Bonds, upon which we rely.

Based upon the foregoing, and subject to other assumptions and conditions as are hereinafter set forth, and having regard to applicable matters of law, we are of the opinion, as of the date hereof, as follows:

1. the execution of the Supplemental Leases will not have an adverse effect on the validity of the Prior Bonds;

2. neither the Second Supplemental Loan Agreement, the Fourth Supplemental Ground Lease nor the Fourth Supplemental Facilities Lease contain any substantive provision which could be construed as materially adverse to the interests of the owners of the Prior Bonds; and

3. the execution of the Supplemental Leases will maintain the exclusion from gross income of interest on the Prior Bonds for federal income tax purposes.

For purposes of this opinion, our services as bond counsel have not extended beyond the examinations and expressions of the conclusions referred to above. This opinion is given as of the date hereof and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in the law that may hereafter occur. Except as stated above, no opinion is expressed as to any federal or state tax consequences resulting from the ownership of, receipt of interest on, or disposition of, the Bonds. This is an opinion and not a warranty or guaranty.

Respectfully submitted,
