

# 4

## Steps for our Orientation Program

1

### Complete the Online Orientation in Moodle

*We will send you an email to the email address we have on file when your Online Orientation in Moodle is available for you.*

---

2

### Meet Virtually with your Academic Advisor

*At the end of your Online Orientation in Moodle, you will be prompted to learn more about your Major and have an opportunity to set up an advising appointment with your Academic Advisor.*

---

3

### Register Classes for your Upcoming Semester

*You will receive an email after you complete your advising notifying you of when you may begin the registration process. If you have applied for the Summer semester, you will be registering for both the Summer and Fall Semesters.*

---

4

### Upload your Photo and Signature for your Student ID

*Once you have classes registered, be on the lookout for an email from us with instructions on how to upload your photo and signature for your Student ID*
