Your University ID is your gateway to campus...

You must carry your student ID with you at all times on campus – you will need it when picking up textbooks and much more! Campus Card Operations will be set up at Move In Mane-la to issue cards to those students who have not already received a card.

Your Room Assignment & Roommate...

Assignments have been made based on the information you provided on your application and on the availability of rooms at the time of your priority date. Roommates were matched according to your answers on your application. Requests to change Residence Halls, rooms, or roommates will not begin until two days after the first day of school. This will give you the opportunity to get to know your roommate and the environment before deciding if you really want a change. Your Resident Assistant will have information needed to request a change. Ultimately, no matter where you are assigned to live, your experience will depend on what you put into it.

What you need to bring.....

Please visit www.southeastern.edu/liveoncampus and click on the left margin link for "What to Bring." There is a helpful list of items to consider bringing to make your stay on campus more convenient and comfortable. We recommend that you bring a surge protector for better protection for your electrical property such as computer, printer, TV, etc.

Check your television compatibility...

Log on to www.southeastern.edu/chartertv to ensure your television is compatible with our cable provider. Some televisions must be reprogrammed in order to recognize the available channels.

Personal Property Insurance/ Renter's Insurance...

The University is not responsible for your property in case of theft or damage. Property that you bring to school may be covered by your parent’s homeowners insurance. Your parents should check with their agent to verify. If not, purchasing renters insurance is strongly recommended.

Laundry...

Laundry facilities are located in Zachary Taylor, Hammond Hall, Washington Hall, Louisiana Hall, Southeastern Oaks Commons and Greek Village. Students must use Lion’s Lagniappe on their student ID to pay for laundry use. For more information on setting up a Lion’s Lagniappe account, checking your Lion’s Lagniappe balance and adding money to the student’s ID, check out southeastern.edu/lagniappe and click on “Lion’s Lagniappe” on the left side of the page.

Tips for Managing Your Move-In

Your University ID is your gateway to campus...
Hall Council is a representative organization that empowers on-campus residents to play an active role in their residence halls through service, educational and social programming, and leadership opportunities. Hall Council members come together to plan large events for students living on campus; making Southeastern a welcoming and vibrant place to live! If you are interested in being a part of Hall Council or have any questions about the organization, please stop by the Hall Council information table at Move In-Mane-ia! Check out our Facebook page for more information at www.facebook.com/seluhallcouncil.

"There are many different skills that we develop in being a part of Hall Council, we learn to work together as a team to get events planned. We also learn time management skills by being involved in the organization and managing multiple responsibilities"
Krista Achor

"Hall Council is a great way to get involved on campus! My favorite part about hall council is seeing all of the students attend our events that we’ve worked so hard to put on!"
Catherine LeJeune

"Hall Council is a great opportunity for students to get involved in planning events for residents on campus, build relationships with other residents and Resident Assistants on campus, and become familiar with the operations of University Housing. If students are interested in becoming involved on campus or even becoming a Resident Assistant, Hall Council is a great organization to gain experience and foster relationships. The Hall Council committee will plan several events throughout the semester for residents to participate in, and you can become part of the team."
Blake Thomas, Advisor

Linens/ Carpets/ Care Packages/ Final Exam Week Kits...

Some Helpful Tips to Keep You Cool

Opening day is hectic. With the mixed emotions and a long drive it can be overwhelming to enter campus and find a long line of cars. Please anticipate short delays when dropping off your student’s belongings! Be sure to drink plenty of water to stay hydrated. Visit one of our water tents to grab a bottle of water. Lift items allowing your knees to do the work instead of your back.

Use this QR Code to access our campus map from your smart phone.

You are assigned a specific arrival time.... The arrival times are scheduled to maximize elevator and traffic efficiency. Please arrive at your scheduled time. If you arrive near campus earlier than your scheduled time or during a busy period, please consider one of the following suggestions:

- Shop for move-in items you may have forgotten to pack (soap, towels, desk lamps, bedding, etc).
  - Walmart Super Center — 2799 W Thomas St, Hammond, LA 70401
  - Target — 2020 Hammond Square Dr, Hammond, LA 70403
- Visit the open offices to conduct University business (Parking, Textbook Rental, Bookstore, etc).

Unloading Zones...

After you check in at the Pennington Center, you will go to the unloading area for your building assignment. Please be aware of the necessity to unload quickly. Parking officials will be monitoring parking lots. Once the vehicle has been unloaded, please move the vehicle to the overflow lots indicated on the included maps.Residents may move vehicles back to the residential lot after 5PM.

ASSISTANCE AFTER MOVE IN MANE-IA

Supporting your student through their college experience....

If your student experiences a challenge while living in the residence halls, please encourage him/her to talk with the Resident Assistant (RA) on the floor. The RA, a paraprofessional staff member, receives intensive training and is well equipped to handle most issues. The RA can also provide referral resources. Our staff is eager to help and create an enjoyable on-campus living experience for your student. We look forward to getting to know your student over the next academic year and making Southeastern their home away from home.

Southeastern Louisiana University has become a tobacco-free campus as of August 1st, 2014. This decision has been prompted both by ongoing concerns for the health and wellness of the community, as well as ACT 211 that was passed the summer of 2013 asking all universities and technical colleges to increase their clean air policies for their campuses.

Certainly the ill effects of tobacco are well documented:

- The Surgeon General states that tobacco use in any form, active and/or passive, is a significant health hazard (Office of the Surgeon General).
- Environmental tobacco smoke has been classified as a Class-A carcinogen and there is no safe level of exposure to environmental tobacco smoke (US Environmental Protection Agency).
- Smoking is responsible for more deaths each year than drugs, alcohol abuse, car crashes, AIDS, murder, and suicide combined (Centers for Disease Control and Prevention).

Becoming a tobacco-free campus is in keeping with Southeastern Louisiana University’s commitment to promote and support a healthy and safe campus environment for all – it is a core value and a central part of our mission. As of June 2014, over 925 colleges and universities are tobacco free (1343 100% smoke free and 167 prohibit the use of e-cigarettes). The American College Health Association (ACHA) has adopted a “no tobacco use” policy and encourages colleges and universities to achieve a 100% indoor and outdoor campus-wide tobacco free environment.

Our Southeastern policy applies to all University students, faculty, staff, visitors and contractors. Tobacco use includes, but is not limited to cigarettes, cigars, cigarillos, pipes, hookah-smoked products, electronic cigarettes, and oral tobacco products such as dips, chews, etc.

The penalty for tobacco use on campus is a choice of either payment of a $50 fine or 10 hours of Community Service (litter pickup). Repeat offenders may be subject to additional sanctions as determined by the Office of Student Conduct or other relevant university department/office as appropriate.

The University Counseling Center is working with student to make this a smooth transition. Over 75% of adult tobacco users report a desire to quit. Especially younger tobacco users may not know how to start or where to go for help quitting tobacco. Counselors are ready to help. For help for peers or yourself please call the University Counseling Center at 549-3894.
