Welcome to Southeastern! Our welcome celebration and check-in event, “Move-In Mane-Ia” is scheduled for Sunday, August 12, 2012 from 9:00 am to 3:00 pm in the Pennington Student Activity Center. Resident students and their families are invited to participate in this one-stop shop of information and services available to our resident students for the 2012-2013 academic year. Before checking into their 2012-2013 housing assignment, resident students are encouraged to explore a large browse area of local vendors and various departments on campus. During this browse, resident students will be able to receive information about upcoming events, various campus services, register for programs and events and learn more about life as a Southeastern resident student! The University Housing professional and student staff are excited about helping our resident students make Southeastern their home away from home!

**Hall Council**

Hall Council is a representative organization that empowers on-campus residents to play an active role in their residence halls through service, educational and social programming and leadership opportunities. Hall Council members come together to plan large events for students living on campus; making Southeastern a welcoming and vibrant place to live! If you are interested in being a part of Hall Council or have any questions about the organization, please email us at seluhallcouncil@gmail.com or stop by the Hall Council information table at the Luau Party August 12th at 7:00pm.

Hall council will be adding a friendly competitive atmosphere into the mix this year. Our goal is to encourage our residents to participate in more on-campus events. Each residence hall has been assigned a color and we encourage residents to rep their building’s color at building programs and other campus events! Wearing your building’s color is an easy way to earn your building hall points! The residence hall with the most hall points at the end of each semester will receive bragging rights and prizes! Hall Council will have building t-shirts available to order at Move-In Mane-IA. Check out our Facebook page for more information at [www.facebook.com/seluhallcouncil](http://www.facebook.com/seluhallcouncil). What color will you represent this fall?

Some Helpful Tips to Keep You Cool

Opening day is hectic. With the mixed emotions and the long drive it can be overwhelming to enter the campus and find a long line of cars. Please anticipate short delays when dropping off your student’s belongings! Be sure to drink plenty of water to stay hydrated. Visit one of our water tents listed on the included maps to grab a bottle of water. Lift items allowing your knees to do the work instead of your back.

You are assigned a specific arrival time.... The arrival times are scheduled to maximize elevator and traffic efficiency. Please arrive at your scheduled time. If you arrive near campus earlier than your scheduled time or during a busy period, please consider one of the following suggestions:

- Shop for move-in items you may have forgotten to pack (soap, towels, desk lamps, bedding, etc)

Walmart Super Center — 2799 W Thomas St, Hammond, LA 70401

Target — 2020 Hammond Square Dr, Hammond, LA 70403

- Stop at a restaurant for breakfast or lunch
- Visit one of the open offices to conduct University business (Parking, Textbook Rental, Bookstore, etc)

Unloading Zones...

After you check in at the Pennington Center, you will go to the unloading area for your building assignment. Please be mindful of the necessity to unload quickly. Parking officials will be monitoring parking lots, once the vehicle has been unloaded, please move the vehicle to the overflow lots indicated on the included maps. Residents may move their vehicles back to their residential lot after 5PM.

For an interactive map, visit www.selu.edu/map/.

Students can also download the “Southeastern App” to their smart phone for additional interactive features.
South Campus Map

Please note that SGA Drive and Texas Avenue no longer intersect due to the construction of the new Student Union Complex.
Care Package/Final Kits…

University Housing, in conjunction with On-campus Marketing, coordinate move-in and exam care packages. These are kits filled with delicious snacks and energy boosters which can be purchased by you and delivered to your son/daughter during Move-in and or Final Exams week. Order forms were mailed to your home address or you can reach OCM at 1-800-892-8741.

Can We Help?....

If there is a problem that your student runs into while living in the residence halls, please encourage him/her to talk with the Resident Assistant (RA) on the floor. The RA, a paraprofessional staff member, receives intensive training and is well equipped to handle most issues. The RA can also provide referral resources. Our staff is eager to help and create an enjoyable on-campus living experience for your student. We look forward to getting to know your student over the next academic year and years to come and making Southeastern their home away from home.
