Hall Council is a student-led organization that empowers Resident Assistants and on-campus residents to play an active role in their residence halls through educational and social programming, service, leadership opportunities, and residential community enhancements. All residents are already members of Hall Council, but participation is voluntary and necessary to be considered an active member.

Want to be a Resident Assistant?

Casting Call
(Informational)
Monday, September 14, 2015
7:00 pm
Student Union, Room 2207
