Roommate 101

- Communication is key! Talk to your roommate about what is troubling you. If you feel uncomfortable, ask your RA to help you with this conversation.
- Be respectful! Everyone is on their own journey; no two roads are identical. Try to be understanding if your roommate’s path differs from your own.
- Be honest! If something is bothering you, let your roommate know. Sometimes we do not talk about things until they become big problems. Talking about what is going on will help!
- Know where to go to ask for help. Sharing a space for the first time can be tricky... your RA is trained to help you with conflicts! Get to know your RA and ask for their advice. Others are here to help you including your Area Coordinator (RA’s boss). The University Counseling Center advises roommates on having successful relationships!
- Visit southeastern.edu/roommateagreement for help.
University Police Department is open 24 hours a day, 7 days a week to protect and serve the Southeastern Community. University Police offers bicycle registration for student bikes used on campus, escorts if a student is uncomfortable walking by themselves after dark and much more. Please report any concerning activity you may see to University Police.

Microwave Scrambled Eggs

Crack your eggs into a bowl. Using a fork, scramble the yolks and whites. Add salt and pepper to taste.

For two eggs, cook one minute then stir, then cook thirty seconds longer, continuing by 30 second increments until eggs are cooked to your liking. Start with 30 second increments as overcooked eggs have an odd texture. Enjoy your quick breakfast!

**SAFETY TIP**

Keep your room doors locked at all times. Report any problems with your lock immediately.
