Welcome Home, Lions!

Matthew Daniels serves as an Area Coordinator for University Housing, and oversees the following areas: Cardinal Newman Hall, Tangipahoa Hall, Southeastern Oaks Apartments and Greek Village. A East Central University (Oklahoma) graduate, Matthew received his Bachelor of Arts in History and his Master’s of Science in Human Resources. Matthew was involved with the Residence Hall Association, Campus Activity Board, and was a Resident Assistant.

Matthew has been working in Residence Life for over seven years at various institutions and holding different positions. His knowledge of group development strategies, student organizations and programming skills are used daily in his role as an Area Coordinator.

Matthew serves as the Advisor for Southeastern’s Residence Hall Association (RHA) and encourages all students to get involved in campus organizations, make friends, and remember to have a little fun every once in a while.

Meet your Area Coordinator

Adjusting to a new roommate?

- Communication is key! Talk to your roommate about what is troubling you. If you feel uncomfortable, ask your RA to help you with this conversation.

- Be respectful! Everyone is on their own journey; no two roads are identical. Try to be understanding if your roommate’s path differs from your own.

- Be honest! If something is bothering you, let your roommate know. Sometimes we do not talk about things until they become big problems. Talking about what is going on will help!

- Know where to go to ask for help. Sharing a space for the first time can be tricky... your RA is trained to help you with conflicts! Get to know your RA and ask for their advice. Others are here to help you including your Area Coordinator (RA’s boss). The University Counseling Center advises roommates on having successful relationships!

Res Hall Recipe

Microwave Scrambled Eggs

Crack your eggs into a bowl. Using a fork, scramble the yokes and whites. Add salt and pepper to taste.

For two eggs, cook one minute then stir, then cook thirty seconds longer, continuing by 30 second increments until eggs are cooked to your liking. Start with 30 second increments as overcooked eggs have an odd texture. Enjoy your quick breakfast!

Safety Tip

Keep your room doors locked at all times. Report any problems with your lock immediately.
