Dr. John Crain

"Welcome to the Southeastern family! We are delighted that you are joining our Lion nation! You are about to begin an academic journey filled with challenging experiences and wonderful opportunities. Get ready to flourish as we make you Real-World Ready for your future career!"
Dr. Tena Golding,

"Welcome, Class of 2021! There's no better way to start your Lion journey than by living on campus and getting involved. Our IN students aren't just involved, they're also invested in their future and inspired to be the best they can be. The Mane Experience will connect you with many ways to get IN and find your ROAR so that you can begin to build your own Southeastern success story."
Dr. Eric Summers
Vice President, Student Affairs

Adjusting to a new roommate?
• Communication is key! Talk to your roommate about what is troubling you. If you feel uncomfortable, ask your RA to help you with this conversation.
• Be respectful! Everyone is on their own journey; no two roads are identical. Try to be understanding if your roommate’s path differs from your own.
• Be honest! If something is bothering you, let your roommate know. Sometimes we do not talk about things until they become big problems. Talking about what is going on will help!
• Know where to go to ask for help. Sharing a space for the first time can be tricky... your RA is trained to help you with conflicts! Get to know your RA and ask for their advice. Others are here to help you including your Area Coordinator (RA’s boss). The University Counseling Center advises roommates on having successful relationships!
• Visit southeastern.edu/roommateagreement for help.

MICROWAVE SCRAMBLED EGGS
Crack your eggs into a bowl. Using a fork, scramble the yolks and whites. Add salt and pepper to taste.
For two eggs, cook one minute then stir, then cook thirty seconds longer, continuing by 30 second increments until eggs are cooked to your liking. Start with 30 second increments as overcooked eggs have an odd texture. Enjoy your quick breakfast!

SAFETY TIP
Keep your room doors locked at all times. Report any problems with your lock immediately.
