Spring Intent Form Now Live!

University Housing needs to know your intentions regarding your University Housing assignment for the upcoming semester. University Housing agreements between the student and department are for the Fall and Spring semesters. Students are required to complete their online "Spring Intent Form" to notify University Housing about their plans for the upcoming Spring semester.

Each Resident Assistant will host a meeting with their assigned students to explain the process. Please look for flyers in your area to announce your meeting. Students will then receive an email to their University Webmail account with the Spring Intent form link for them to complete. Please remember that the form can only be completed once by each student.

What Changes can I request for my Spring 2015 Housing?

Students may request a change in building type (example: Shared to Private, Private to Shared, Private to Southeastern Oaks, etc.). Students may request to cancel their Housing assignment. Please note that a $750 contract buyout fee will be assessed unless the student is unable to fulfill their housing commitment due to the following reasons: Military service, personal illness, martial status or not enrolled at Southeastern. Students who chose to cancel their housing agreement must check out with their Resident Assistant by Friday, December 12, 2014 at noon.

When is my Intent Form Due?

All Intent forms are due by October 3, 2014.

How will I be notified if my requested change is approved?

Students who request to change or cancel their housing agreement will receive email confirmation and further instructions about checking out of their Housing assignment by Friday, December 12.

How do I access the Spring Intent form?

**Res Hall Recipes**

**Baked Potato**

- 1 large baking potato
- Toppings:
  - 1 tbsp butter
  - sour cream
  - bacon
  - cheese

**Directions:**

Before you pop your potato into the microwave, wash it well and poke holes all over the potato with a fork to allow the steam inside the potato to escape and prevent it from popping in the microwave. Put it on a microwave safe plate for 5 minutes and then with a paper towel (caution: it will be hot) flip it over and pop it back in the microwave to cook again for another 5 minutes or so. Take it out, cut it open, and add toppings.

**From University Police**

Remember to register your bicycle with the University and LOCK it when not in use. The U-Bolt style locks are the most secure and most difficult to overcome. Bicycles can be registered during regular business hours at the Parking Office for no charge. You must bring the bicycle with you and you will receive a registration decal. Some bicycles have been stolen on campus this semester; UPD has been able to locate and return some of them to the students because they were registered. If a bicycle is not registered, even if it is later located, we cannot give it to a student without proof of ownership. Registering the bicycle can establish this.
