Welcome to Southeastern! Our welcome celebration and check-in event, “Move-In Mane-Ia” is scheduled for Sunday, August 18, 2013 from 9:00 am to 3:00 pm in the Pennington Student Activity Center. Resident students and their families are invited to participate in this one-stop shop of information and services available to our resident students for the 2013-2014 academic year. Before checking into their 2013-2014 housing assignment, resident students are encouraged to explore a large browse area of local vendors and various departments on campus. During this browse, resident students will be able to receive information about upcoming events, various campus services, register for programs and events and learn more about life as a Southeastern resident student! The University Housing professional and student staff are excited about helping our resident students make Southeastern their home away from home!

Hall Council is a representative organization that empowers on-campus residents to play an active role in their residence halls through service, educational and social programming, and leadership opportunities. Hall Council members come together to plan large events for students living on campus; making Southeastern a welcoming and vibrant place to live! If you are interested in being a part of Hall Council or have any questions about the organization, please stop by the Hall Council information table at Move-In Mane-ia!

Each residence hall is assigned a color and we encourage residents to rep their building’s color at building programs and other campus events! Wearing your building’s color is an easy way to earn your building hall points! The residence hall with the most hall points at the end of each semester will receive bragging rights! Check out our Facebook page for more information at www.facebook.com/seluhallcouncil. What color will you represent this fall?

“Hall Council is unique because everyone in this organization is different in some kind of way but that is what makes it work. We all have different ideas and it helps us come together and find a common ground so we can plan a successful event.”
Haley Burke, President

“There are many different skills that we develop in being a part of Hall Council, we learn to work together as a team to get events planned. We also learn different skills of Time Management by being involved in the organization and keeping up with school. Organization is also a very important skills that is needed in Hall Council”
Krista Achor, Vice President

Some Helpful Tips to Keep You Cool ……

Opening day is hectic. With the mixed emotions and the long drive it can be overwhelming to enter campus and find a long line of cars. Please anticipate short delays when dropping off your student’s belongings! Be sure to drink plenty of water to stay hydrated. Visit one of our water tents to grab a bottle of water. Lift items allowing your knees to do the work instead of your back.

Use this QR Code to access our campus map from your smart phone.

You are assigned a specific arrival time…. The arrival times are scheduled to maximize elevator and traffic efficiency. Please arrive at your scheduled time. If you arrive near campus earlier than your scheduled time or during a busy period, please consider one of the following suggestions:

- Shop for move-in items you may have forgotten to pack (soap, towels, desk lamps, bedding, etc).
  - Walmart Super Center — 2799 W Thomas St, Hammond, LA 70401
  - Target — 2020 Hammond Square Dr, Hammond, LA 70403
- Stop at a restaurant for breakfast or lunch.
- Visit one of the open offices to conduct University business (Parking, Textbook Rental, Bookstore, etc).

Unloading Zones…

After you check in at the Pennington Center, you will go to the unloading area for your building assignment. Please be mindful of the necessity to unload quickly. Parking officials will be monitoring parking lots, once the vehicle has been unloaded, please move the vehicle to the overflow lots indicated on the included maps. Residents may move their vehicles back to their residential lot after 5PM.
Please note that SGA Drive and Texas Avenue no longer intersect due to the construction of the new Student Union Complex.
Linens/ Carpets/ Care Packages/ Final Exam Week Kits…

University Housing, in conjunction with On-campus Marketing, coordinate move-in care packages, final exam care packages, linens and carpet purchases. These kits are filled with delicious snacks and energy boosters which can be purchased by you and delivered to your son/daughter during Move-in and or Final Exams week. Order forms were mailed to your home address or you can reach OCM at 1-800-892-8741. For more information about the Linens and Carpets Program, check out www.southeastern.edu/admin/housing/residence_hall_linen/

Can We Help?....

If your student experiences a challenge while living in the residence halls, please encourage him/her to talk with the Resident Assistant (RA) on the floor. The RA, a paraprofessional staff member, receives intensive training and is well equipped to handle most issues. The RA can also provide referral resources. Our staff is eager to help and create an enjoyable on-campus living experience for your student. We look forward to getting to know your student over the next academic year and making Southeastern their home away from home.
