Spring 2010 Semester Employment Information for GAs

Last Day to Work for Fall: December 11, 2009

Last Pay Date for Fall: For AAs/PSAs – December 17; for RAs/TAs/GTFs – December 31 (refer to the online payroll calendar).

Additional Duties: Additional duty forms are on the HR website. These must be completed for all GAs working during the break, including those making up missed time, and forwarded to Dr. Ainsworth for approval by the end of the day Friday, December 11. Dates for additional duties are December 13 through January 9. To be eligible for additional duties during the semester break, a student must be employed as a GA in both the semester prior to and the semester following the break. For those who clock, the pay rate must be the same for additional duties as for the fall semester.

Student Worker Positions: Due to overlapping payrolls, current GAs who will return as GAs in the spring cannot work as student workers during the break and first-time GAs must not have student worker hours in January.

Exit Check-out Forms: Must be completed for all GAs who will not return as GAs. Forms are generated in the department and the department will sign off on section one. GAs who have keys must take the form and the keys to Physical Plant where Physical Plant will sign off that keys have been returned. HR will complete the remainder of the form. If the form is not completed and received by HR by Friday, December 11, checks and transcripts may be held.
Certify Time: Departments must verify that GAs have certified their time. If a GA will not be available to certify, the department may obtain a signed authorization from the GA that will allow Payroll to certify.

Spring Semester Dates: Monday, January 11, through Friday, May 14. These are mandatory work dates.

Minimum Course Hours Required for Spring: Six.

Pay Dates for Spring: For AAs/PSAs – January 29, then every other Friday; for RAs/TAs/GTFs – February 15, then the last working days of February through May (refer to the online payroll calendar).

Telephone Verification of Personal References: Must be completed by the hiring department for all new GAs, including international students, and forwarded to HR. HR will verify previous employment.

Orientation: Mandatory for all first-time GAs. Departments must advise GAs that an orientation session will be held Monday, January 11, at 9 a.m. in UC133 and that they MUST bring the original and a XEROX copy of their Social Security cards and driver's licenses as well as checks from their own checking accounts for direct deposit. International students MUST bring the original and a XEROX copy of their passports (all pages with notations), visas, I-94s, I-20s and work permits. GAs will not be processed for pay until all documentation is presented.

Work Permits: International students must obtain work permits each semester and present them to HR before beginning work.

Social Security Card: Citizen GAs will not be processed for pay until the original Social Security card is received in HR. International GAs cannot apply for SS cards until they have been in the United States for ten days but are eligible to work prior to receipt of their SS card.

Clocking: Because the TimeCentre ID is now the W# preceded by two zeros, all GAs, including international, will be able to clock.

**BENEFITS**

Notice About Eligibility To Participate In 403(b) Plans

Did you know that Southeastern offers several 403(b) tax deferred savings plans for employees? You have the opportunity to save for retirement by participating in one or more of these 403(b) plans through payroll deduction. You can participate in Southeastern’s 403(b) plans by making pre-tax contributions to one or more of the 403(b) plans offered.

What do I have to do to contribute to one of the 403(b) plans sponsored by Southeastern? You can contribute to one of the 403(b) plans once you have completed a salary reduction agreement and returned it to the Benefits Section of the Human Resources Office and enrolled with one of the approved investment providers, approved by Southeastern. The salary reduction agreement gives Southeastern the right to take the elected dollar amount or percentage from your paycheck and contribute those amounts to your 403(b) plan. For a complete list of investment providers available to you through the plan, and their contact information, please visit www.selu.edu/HRO and click on the Benefits link, the Retirement Link and then click on 403B Supplemental Retirement Plans.
How do I know if I am eligible to participate in my school’s 403(b) plan?
All Faculty, Unclassified and Classified Staff are eligible to participate in the 403(b) plans whether Full-
time or Part-time. However, an employee who is a student worker, student intern, graduate assistant, or student housing resident assistant will not be eligible to participate in the plan.

How much can I contribute?
In general, you may contribute up to $16,500 in 2009. This amount may be adjusted annually. Also, if you have at least 15 years of service with Southeastern or you are at least 50 years old, you may also be able to make additional catch-up contributions. Contact Sue Jones in the Human Resources Office for additional information on the amount that you can contribute to a 403(b) plan.

I am already participating in the 403(b) plan. What other rules about participating should I know?
If you are already contributing to one of the approved 403(b) plans, you may change your contribution amount or percentage by completing a new salary reduction agreement and returning it to the Benefits Section of the Human Resources Office. If you are increasing your payroll deduction you must have a calculation performed to ensure that you’re within the limits to contribute. Your “Total Maximum Exclusion Allowance” calculation may be obtained by contacting your 403(b) plan provider or contacting Sue Jones in the Human Resources Office for assistance. Please refer to www.selu.edu/HRO Benefits link for specific plan rules regarding how frequently you are allowed to change your contribution amount or percentage.

University of Louisiana Board Changes the Dependent and Employee Fee Waivers

There are no longer waiting periods for the Employee and Dependent fee waivers. If you are employed full time by the last day of registration, you are eligible for a fee waiver. This policy took effect the Fall 2009 semester. The employee fee waiver has changed to allow for up to six hours per semester to be paid at a reduced charge. The employee will now pay the Academic Excellence, Technology Fee and an Operational Fee for the Employee and Dependent Fee Waivers. The new policy does not allow these charges to be waived. If there are any questions regarding these changes, please call the Human Resources Office at extensions 2057, 5451 or 2587.

2009 LASERS Board of Trustees Election Begins

The Human Resources Office has been asked to forward the following information to members of the La State Employees’ Retirement System (LASERS):

The 2009 LASERS Board of Trustees election is in progress. Below is pertinent information you will need to inform your employees of the election process. Election packets containing candidate profile, unique voter Personal Identification Numbers (PINs), and complete voting instructions (including telephone and Internet), were mailed on Friday, September 25, 2009, to all eligible voters in the LASERS member database.

There are three methods by which members can vote in this election:

To vote using the Internet: Go to the LASERS website, www.lasersonline.org, click on "Board Election 2009." Link to "Voting Procedures." Active members and retirees must use the last four digits of their Social Security numbers and their Personal Identification Numbers (PIN), supplied in the election packet, to vote via the Internet.

To vote by telephone: Active members call 1.866.787.6107, and retirees call 1.866.813.0232. All must use the last four digits of their Social Security numbers and their Personal Identification Numbers (PIN) to vote by telephone.

Paper ballot (traditional mail): Paper ballots are included in the election packet and should be mailed according to the instructions in the packet. If an eligible voter did not receive a ballot, a replacement ballot or voting instructions can be obtained by calling Election Services Corporation at 1.866.720.4357. They will need to provide their name, address verification and, for security purposes, the last four digits of their Social Security number.

All ballots cast by Internet, telephone, and paper must be received by 4:30 p.m. CDT, October 23, 2009.

Please note: Eligible active members may vote for up to three candidates for the four-year term and for one candidate in the Special Election for a two-year term. Eligible retirees may vote for one candidate.

The voting process is designed to assure that a member votes only once. Therefore, if a member votes by the Internet or by telephone and also mails a ballot, the first vote received will be the only one counted.

For additional information regarding the 2009 LASERS Board of Trustees Election, please contact Public Information Director, Robyn Ekings, at 225.925.7590 (Baton Rouge area) or via e-mail at rekin@lasersonline.org.

Required Documents for LASERS Retirement Applications

When a member retires with LASERS, benefits are not paid until all required documents have been received by the retirement system. A member can assist LASERS in promptly paying their monthly benefit upon retirement by having all necessary documents on file at the time of their retirement. These documents can be submitted at any time during a member’s career to LASERS directly or through the Human Resources Office. Please ensure that all documents submitted have your name and Social Security Number clearly written on each page. Visit the link below to view what documents are required.

OGB's PPO, EPO, HMO and Medical Home HMO health plans now cover flu vaccines administered at pharmacies

Effective September 30, 2009, immunization shots for influenza (both H1N1 and standard strains) administered at pharmacies are covered benefits under OGB's PPO, EPO (United Healthcare), HMO (Humana) and Medical Home HMO (Vantage) health plans, subject to co-payments and deductibles.

If a member elects to get this immunization at a pharmacy, the following steps should be taken to receive reimbursement:

Pay for the immunization at the pharmacy and get a receipt (not a cash register receipt) indicating you have paid. The receipt should list the date, the cost, the vaccine name, the name of the person who received the shot and the provider who administered it.

- Go to the OGB website (www.groupbenefits.org) and click on the link for the Health Plans page, which has links to all OGB plans.
- Select the link for the plan in which you are enrolled—the PPO, EPO, HMO or Medical Home HMO plan.
- Access the web page for your health plan, where you will find vaccine claim forms and instructions.
- Download and fill out the claim form.
- Attach the receipt for the immunization and send the form and receipt to your health plan at the address listed on the form.

Claims will be processed by each OGB health plan, subject to the appropriate copayment and deductible. If your plan has an annual deductible and you have not yet met that deductible, this claim will be applied to the deductible. If your plan has no deductible but has a co-payment, the co-payment will be subtracted and you will be reimbursed the appropriate percentage of the claim.

OGB plan members can find instructions on how to submit claims and receipts for flu vaccine shots administered by pharmacies by visiting the OGB website (www.groupbenefits.org), clicking on the link to the Health Plans web page and clicking on the link for the health plan in which they are enrolled.
Cafeteria Plan “Open Enrollment”
The “Open Enrollment” period for Cafeteria Plan changes is the month of November. If you are interested in adding items or releasing items from the Cafeteria Plan, November is the time to make such changes. By tax-sheltering items, you are reducing your taxable income. Tax-sheltered plans cannot be dropped or cancelled during the plan year, (January 1, 2010- December 31, 2010). **Health insurance changes cannot be made at this time.** Employees who do not wish to change, cancel, or add tax-sheltered items will have currently tax-sheltered items rolled into the new calendar year; therefore, a new document need not be signed.

The Open Enrollment period is also the time for employees to enroll in one of the Flexible Spending Accounts (Medical Reimbursement or Dependent Care Reimbursement) plans offered at Southeastern. If you would like more information concerning these plans, please call the Payroll Office at 549-2305.

If you want to change any item that is currently tax-sheltered, you must complete a Cafeteria Plan enrollment form in the Payroll Office. Changes made during this time will be effective for January 1, 2010.

The “Open Enrollment” period will run from November 1, 2009 through November 30, 2009. The deadline to make any changes will be Monday, November 30, 2009 at 4:30 pm. **No changes will be made after this time.**

If you have any questions regarding your Cafeteria Enrollment, please contact the Payroll Office at (985) 549-2305. The Payroll Office is located on North Campus, Building A, Room 105.
