## 2012 - 2013 Highlights

- » The Honors Program at Southeastern Louisiana University is designed to provide participants with an excellent educational opportunity to learn about not only their chosen major, but also to learn the nature of intellectual inquiry and to study the important issues of our time and of all time.
- » Launched two new programs in 2013, Honors Research Scholars and Honors Creative Scholars. These programs are designed to recognize student who have done exceptional work in undergraduate research and creative endeavor. More information about these programs is available in the Honors Office.

- » The Honors Program conducted or promoted several events throughout the year. The program conducted thirteen Senior Thesis presentations in Nursing, English, Psychology, Marketing, Engineering Technology, Communication Sciences and Disorders, Biology, Athletic Training, Supply Chain Management, and Communication.
