Athletic Participation Report

A total of 2,497 surveys were sent electronically via SurveyMonkey to a randomly selected sample of students who were enrolled at Southeastern in the Fall of 2013. Of the 2,497 surveys distributed, 588 were completed for a response rate of 24%

The items in this section were asked at what level they might be interested in participating in 27 sports while in college. Overall, students expressed the most interest in Football at the varsity level and the least interest in Lacrosse. At the intramural level, students were most interested in Volleyball and least interested in Water Polo. At the club level, students expressed the most interest in Bowling and the least interest in Rugby. For females, the only sports at the varsity level that 5% or more of the respondents showed an interest in were Cheerleading (5.6%) and Gymnastics (6.1%).

Those students who indicated they had participated in organized sports were then asked at what level for each of the sports they had participated. Below are the results of that question.
