

**Southeastern Louisiana University
Office of Student Advocacy and Accountability**

ADVISOR'S ROLE

I understand that students in the Southeastern Louisiana University student conduct process have a right to have an advisor at their expense, including an attorney, present in a disciplinary conference and or hearing.

An advisor may not participate directly in a disciplinary conference and or hearing, nor may an advisor address any participant in the disciplinary conference and or hearing other than the student he or she is advising.

As advisor, I agree to comply with the role of an advisor as stipulated above. Should I fail to comply with the role of an advisor, I understand that I may be asked to leave the disciplinary conference and or hearing, and the disciplinary conference and or hearing may continue in my absence.
