Southeastern Purchasing Card Policies and Procedures

INTRODUCTION

Southeastern Louisiana University has entered into an agreement with the State of Louisiana and Bank of America that provides qualified employees with a Visa Purchasing Card. Using the Purchasing Card benefits the University and its vendors through:

- Prompt payments to vendors
- Reduced processing costs and paper flow
- Controlled decentralization of Purchasing

The purchasing card provides the University with a system that is efficient, flexible, and convenient for departments making purchases directly from vendors for transactions up to the card's single transaction limit within the current small purchase executive order and the state's travel policy PPM49 (if travel is allowed for the card). The Purchasing Card simplifies the way departments may order small dollar goods from vendors that accept the Visa credit card.

The Purchasing Card Program is designed to delegate the authority and capability to purchase small dollar items directly to the end user or department. Use of the card enables cardholders to purchase non-restricted items directly from vendors without the issuance of a requisition or a purchase order.

Southeastern also utilizes Controlled Billed Accounts (CBAs) that are available as part of the Purchasing Card Program. The CBA is a credit account (no actual card is issued) that can be used for large travel expenditures such as lodging and airfare for athletic teams and group travel. It is used to make the purchase directly to the vendor without any delays in payment to the vendor, and it eliminates the need for subsequent reimbursement to the employee.

As a State agency, Southeastern Louisiana University is bound by certain State and Federal regulations and laws. To ensure compliance with these requirements, cardholders and CBA account holders must adhere to the guidelines outlined in the Cardholder Agreement Form (see Exhibit I). Transaction approvers must adhere to the guidelines outlined in the Approver Agreement Form (see Exhibit II). The policies in the agreement, as well as any revisions by the Purchasing Department pertaining to the program, must be followed when using the purchasing card or approving transactions.

Southeastern Purchasing Card Policies and Procedures

I. Louisiana "LaCarte" Purchasing Card

Louisiana "LaCarte" Purchasing Card is a Visa Card used by Southeastern Louisiana University employees to make purchases up to the card's single transaction limit per transaction (including shipping and handling) within the current small purchase executive order and in accordance with the state's travel policy PPM49, if approved for travel. It is the preferred purchasing tool used to purchase low cost materials.

A card's single transaction limit at Southeastern is no more than \$1000 unless approved for a limit up to \$5000 on a case-by-case basis by the Director of Purchasing.

A. How Your Card May Be Used to Purchase Materials

Before purchasing, the cardholder must confirm that:

1. The transaction does not exceed the card's single transaction limit (\$1000 for most cardholders) including shipping and handling charges;
2. The transaction does not cause the monthly spending limit to be exceeded;
3. The transaction does not fall within one of the excluded merchant groups/spending categories;
4. The transaction does not involve a purchase of one of the types listed in Exhibit III, unless preapproved.
5. The transaction is supported by the appropriate informal quotes, when applicable.

B. Travel Charges on the P-card or CBA

The procurement card or a CBA account **must be used** for team or group travel charges. The travel coordinator for the group must work with the p-card administrator after a TA (travel authorization request) is approved to allow the travel charges for airfare (including baggage fees), lodging, vehicle rentals, fuel (when the fuel card is not accepted) and meals.

For individual travel that has been pre-approved due to unique travel circumstances, a TA (Travel Authorization) must be approved in PeopleSoft Financials and use of the p-card must be approved by the P-card administrator.

Southeastern Purchasing Card Policies and Procedures

C. Purpose and Benefits of Using the Purchasing Card

1. To simplify and reduce costs of the purchasing and payment process where applicable. The cardholder uses the card to make the purchase from suppliers without completing purchase orders or requisitions. All State of Louisiana and Southeastern Louisiana Purchasing rules and regulations must be followed; only the method of payment has changed.
2. To simplify and reduce the number of Process Forms for Payment processed by Purchasing and Accounts Payable. To reduce the number of requisitions entered in PeopleSoft. One monthly invoice is paid to Bank of America versus handling large volumes of low dollar invoices.
3. The purchasing card process pays the suppliers within two business days of requesting payment for merchandise provided.

D. Purchasing Card Cycle

1. Cardholder presents purchasing card to supplier at time of purchase.
2. Suppliers receive remuneration from Visa within two business days of requesting payment for merchandise provided.
3. Approximately 2 days after using the card for a purchase, the cardholder will receive an email notice from PeopleSoft Financials that a transaction is waiting for coding to the correct Budget Unit/Account and the cardholder's signoff.
4. Within 2 business days after receiving the above notification from PeopleSoft Financials, the Cardholder should complete the coding and signoff. Signoff consists of coding the correct Budget Unit and Account code, leaving an appropriate comment and scanning the supporting documentation. Depending on the Budget Unit and type of purchase, the transaction may have to be approved by Client Services and/or Office of Sponsored Research Programs. The transaction will then go to the cardholder's approver where applicable.
5. Within 2 business days after receiving email notification from PeopleSoft Financials, the supervisor should complete the approval process for the transaction.

NOTE: Transactions not signed off within two working days may result in card suspension. Multiple suspensions may result in loss of card privileges.

Southeastern Purchasing Card Policies and Procedures

6. At the end of each monthly billing cycle, a transaction statement will be sent via email to the cardholder (or their proxy reconciler). Within 10 days, a paper copy of the statement with approver and cardholder signatures must be returned to Southeastern's Procurement Card Office with the original receipts for the listed transactions.
7. Southeastern Louisiana University remits payment to Bank of America within 25 days of statement date.
8. Transactions that have been signed off in the PeopleSoft Financials Systems by Cardholder and Approver/Manager are posted to budgets, but the process may take several days to complete.

Exhibit IV provides a summary of the coding and documentation timeline.

E. Card Misuse

1. Fraud Purchase - any use of the procurement card which is determined to be an intentional attempt to defraud the state for personal gain or for the personal gain of others.

An employee suspected of having misused the procurement card with the intent to defraud the state will be subjected to an investigation in accordance with the University Fraud Policy. Should the investigation result in findings which show that the actions of the employee have caused an impairment to the state service, and should those findings be sufficient to support such action, the employee will be subject to disciplinary action. The nature of the disciplinary action will be the prerogative of the appointing authority and will be based on the investigation findings and the record of the employee. Any such investigation and ensuing action shall be reported to the Legislative Auditor and the Director of the Office of State Purchasing.

Any recognized or suspected misuse of the P-Card program should be immediately reported to Southeastern's P-card Administrator and may be anonymously reported to the State of Louisiana Inspector General's Fraud and Abuse Hotline at 1-866-801-2549 or for additional information you may visit

<http://oig.louisiana.gov/index.cfm?md=pagebuilder&tmp=home&nid=3&pnid=0&pid=4&catid=0>.

2. Non-Approved Purchase - a purchase made by a State cardholder for which payment by the state is unapproved. A non-approved purchase differs from a fraud purchase in that it is a non-intentional misuse of the procurement card with no intent to deceive the agency for personal gain or for the personal gain of others.

Southeastern Purchasing Card Policies and Procedures

A non-approved purchase is generally the result of a miscommunication between a supervisor and the cardholder. A non-approved purchase could occur when the cardholder mistakenly uses the procurement card rather than a personal card.

When a non-approved purchase occurs, the cardholder will be counseled to use more care in handling the procurement card. The counseling will be in writing and maintained in the employee's file for no longer than one year unless another incident occurs. The employee may be made to pay for the item purchased inappropriately. Should another incident of a non-approved purchase occur within a 12 month period, the cardholder's account may be cancelled.

3. Disallowed Charges – charges made via a procurement card program for official state travel that are not made in accordance with PPM 49 Travel Guide. A disallowed charge differs from a fraud purchase in that it is a non-intentional misuse of the procurement card with no intent to deceive the agency for personal gain or for the personal gain of others.

When a disallowed charge occurs, the cardholder will be counseled on the use of the procurement card for travel purposes. The employee will be required to reimburse the University within 30 days from the return travel date. If the employee fails to reimburse the University, the funds will be payroll deducted.

F. Cardholder's Responsibilities

a) General Responsibilities

1. The card is used for purchases up to the card's single transaction limit (including shipping and handling charges) within the current small purchase executive order and PPM49 if approved for travel. The transaction and credit limits on the card have been approved by the University Purchasing Department. The Purchasing Card delegates the expenditure and purchasing authority, up to the card's single transaction limit, to the authorized cardholder.

Note: It is the responsibility of the budget unit cardholder to verify sufficient funding exists in the specified budget and expenditure code PRIOR to initiating the Purchasing Card transaction.

2. The Purchasing Card remains the property of Bank of America. It may not be transferred, assigned to, or used by anyone other than the designated cardholder. The cardholder will surrender the Purchasing Card upon request to Southeastern Louisiana University or any authorized agent of Bank of America.

Southeastern Purchasing Card Policies and Procedures

3. Southeastern Louisiana University retains the right to cancel or suspend a cardholder's privileges. Cards may be revoked for misuse or non-compliance with procedures and/or the Cardholder's Agreement (Exhibit I). The first offense will prompt a written notification from the P-Card Administrator who will also notify the Department Head and/or next-level Supervisor. Second Offense (of the same nature) will result in card suspension. The card may be reactivated after an on-line or in-person training session.

Continued misuse or non-compliance will require that a committee comprised of the next-level supervisor, a peer, and the P-Card Administrator review the offense. The committee will make a decision on how to handle the offense which could include permanently revoking the card. If the cardholder disagrees with the committee's decision, then the cardholder has TEN DAYS to appeal the committee's decision. The cardholder submits the appeal, in writing, to his/her next-level supervisor's next-level supervisor. In instances of card misuse, the cardholder will have TWO pay periods to resolve the matter or the amount can be deducted from the cardholder's paycheck.

4. State sales tax should not be charged on card purchases that are not travel related. Cardholders should make every effort at the time of purchase to prevent being charged state and local sales tax. The tax exempt number is printed on the front of the P-Card. Cardholder will notify the vendor BEFORE the purchase is rung up that the purchase is tax exempt. In the event state sales tax is charged, the cardholder will be responsible to have the vendor/merchant issue a credit to the cardholder's account by the next statement period.

State and local sales taxes may be charged on travel related items in compliance with PPM 49 Travel Guide. It is the employee's responsibility to furnish a Louisiana hotel with the "Governmental Employees Hotel Lodging Sales/Use Tax Exemption Certificate". (Exhibit V)

b) Ordering and Receiving of Materials

The cardholder is responsible for ensuring receipt of materials and resolving any receiving discrepancies or damaged goods issues. (For disputes or questions, see item F.)

1. Ask the supplier if they will accept Visa.
2. The card is used for payments up to the card's single transaction limit. Ask the supplier to calculate the total value of the order, including shipping,

Southeastern Purchasing Card Policies and Procedures

handling charges and freight costs. Advise vendor that Southeastern Louisiana University is tax exempt. If the total charge is over the card's single transaction limit the card cannot be used.

- Do not split a transaction into two or more transactions to get below the single transaction limit.
 - Violation of this policy may result in cancellation of your card.
3. Obtain from the supplier a sales receipt or invoice which itemizes the order.

c) Telephone and Internet Orders

1. Provide the supplier with your complete shipping instructions. The vendor should address all merchandise for shipment to a Southeastern campus address. For Central Receiving, the address should be provided as follows:

Southeastern Louisiana University
Receiving Station for (your name, street address, department, building and room number)
2400 N Oak Street / BLDG M4
Hammond, LA 70402

2. Instruct the supplier to include in the delivery package a sales receipt, invoice, or the Purchasing Card charge slip itemizing the order.
3. Instruct the supplier to send any sales receipt or invoice directly to you rather than the Purchasing Department. This will avoid the possibility of having the same invoice paid twice.
4. Purchases from Amazon, eBay, PayPal, and other online account vendors must be made via the "Online Account Purchase Request Form" (Exhibit VI). The form must be completed, then approved by the appropriate Budget Unit Head(s), the Office of Sponsored Research & Programs (if applicable), and Client Services (if computer-related). The approved form must then be submitted to Southeastern's Purchasing Department. Purchasing will then place the online order, using a Purchasing Department procurement card.

Departments that frequently require purchases from these vendors may apply for an exception to this policy for a designated cardholder by submitting a "Request for Exception to Southeastern's P-Card Policy/Procedures" (Exhibit VII). If approved, the cardholder would then

Southeastern Purchasing Card Policies and Procedures

purchase from the vendor by logging into a business account created by the Procurement Card Administrator.

d) If Approval is Denied

1. If a supplier advises that card approval has been denied, it is most likely a violation of one of the established levels of authority checks.
 - a) Example – the purchase exceeds the single transaction limit.
 - b) Example – the account is over the spending limit.
 - c) Example – the purchase is a violation of a Merchant Group/Spending Category code or a Merchant Category Code to which access is prohibited.

Travel-related Merchant Category Codes are allowed based on prior approval from the Purchasing Card Administrator. Access must be granted prior to travel. It is the cardholder's responsibility to obtain the proper approval.

2. The supplier will not have information related to the reason for denial, nor does the cardholder have the authority to obtain this information. If a transaction is denied, the cardholder should contact the Purchasing Card Administrator for assistance.

The Purchasing Card Administrator will contact the proper persons, obtain information on the denial and coordinate resolution of the issue.

e) Reconciliation and Approval Process

1. Primary responsibility for the reconciliation and approval process rests with the cardholder and next-level supervisor of each department.
2. The cardholder will sign off on each transaction within TWO days of email notification from PeopleSoft. Cardholder will leave an appropriate comment and scan supporting documentation (sales receipts, invoices, credit card slips, etc.) for each transaction.
3. Compare each transaction in PeopleSoft with the actual sales receipts, invoices, credit card slips, etc. (supporting documentation). If a credit card charge slip or a receipt does not itemize the purchase, it will have to be itemized on a separate sheet of paper.

Southeastern Purchasing Card Policies and Procedures

4. Verify each transaction as to date, vendor and amount by matching to the supporting documentation.
5. Leave appropriate comments and scan supporting documentation for each transaction during the sign off in PeopleSoft.
6. The cardholder will submit a signed and approved copy of their monthly transaction statement with the original receipts attached to Southeastern's Procurement Card Office within 10 days of receiving the statement via email.

If for travel, original receipts must accompany the "Travel Expense Form". After processing, the Travel Office will forward original procurement card receipts to Southeastern's Procurement Card Office.

7. It is the responsibility of the cardholder to verify that sufficient funding exists in the specified budget unit and expenditure code(s) for all Purchasing Card transactions PRIOR to making the purchase.
8. For disputed or questioned items – See item "f".
9. Personal expenses charged on card:
 - Personal usage of card is NOT ALLOWED.
 - Violations may result in cancellation of your card.

f) Disputed and Questioned Items

1. The cardholder is responsible for ensuring receipt of materials and resolving any receiving discrepancies or damaged goods issues.
2. Cardholder is responsible for settling any disputes, clearing erroneous charges and requesting credit for returned merchandise directly with the supplier.
3. Cardholder should contact supplier to resolve any outstanding issues. Most billing problems can be resolved expeditiously in this manner.
4. If cardholder is unable to reach agreement with supplier, the cardholder should contact the P-Card Administrator. Bank of America must be notified in writing of any unresolved disputed item within sixty (60) days of the date of the statement on which the questioned item appears.
5. Cardholder should indicate in PeopleSoft that an item is in dispute by leaving a comment.

Southeastern Purchasing Card Policies and Procedures

6. Tax is NOT a disputable item with Bank of America.
7. Contact P-Card Administrator if an acceptable resolution is not obtained.

g) Missing Receipts

In the event a receipt cannot be located and a duplicate receipt cannot be obtained, the cardholder can fill out a Missing Receipt Form (Exhibit VIII). This form should be scanned just as other documentation when signing off on the transaction. The use of this form should be the exception and not the rule. After the second instance within a fiscal year (July 1 - June 30), any additional instances will be considered card misuse and will be subject to the card misuse procedures set forth in this policy.

Missing receipts for travel-related items must be reimbursed within 30 days from the return travel date. If the employee fails to reimburse the University, the funds will be payroll deducted.

h) Lost or Stolen Cards

1. Report any lost or stolen cards immediately to Bank of America first and then the Purchasing Card Administrator. The bank will immediately cancel the card and forward a replacement card to the Purchasing Card Administrator within three to five business days.
2. To report lost or stolen cards:

888-449-2273

i) Termination of Employment

Cardholder must notify the Purchasing Card Administrator upon termination of employment from the University. Please give the Purchasing Card Administrator ample notice so that your card may be cancelled. Please deliver the card to the Purchasing Card Administrator. **DO NOT SEND THE CARD IN THE CAMPUS MAIL.**

j) Change of Department or Budget Unit

Cardholder must notify the Purchasing Card Administrator by email of his/her change in department/budget unit.

Southeastern Purchasing Card Policies and Procedures

k) FMLA, Sabbatical, and Other Extended Periods of Leave

Cardholder must notify the Purchasing Card Administrator of his/her instances of extended leave (FMLA, Sabbatical, etc.) The procurement card will be suspended during the cardholder's extended leave.

II. CONTROLLED BILLED ACCOUNT (CBA)

A CBA is an account created within the purchasing card program that allows an employee designated as an account holder to make large travel-related purchases for team or group travel. Note, however, that no plastic card is issued for the account.

A. How the CBA May Be Used

Southeastern limits the use of the CBA program to high-dollar travel charges, including:

- Airfare (including baggage fees)
- Lodging
- Vehicle Rentals

Only transactions for team or group travel can be made with a CBA account, unless an exception is approved by the Office of State Purchasing and Travel.

B. CBA Account Holder Responsibilities

a) General Responsibilities

Before making a purchase with the CBA the Account Holder must

1. Ensure that travelers have obtained an approved Travel Authorization (TA) in the PeopleSoft Financials system;
2. Confirm that the transaction does not exceed the account's single transaction limit of \$10,000.

b) Using the CBA

The CBA Account Holder is responsible for ensuring receipt of services for the team or group travel and resolving any discrepancies. (For disputes or

Southeastern Purchasing Card Policies and Procedures

questions, see section “e” below.) The steps for using the CBA are:

1. Ask the vendor if they will accept Visa. The full CBA account number must never be included in emails, fax, reports, memos, etc. If an account number is necessary with these purchasing methods, only the use of the last four digits is allowed.
2. The CBA is used for payments up to the account’s single transaction limit. Ask the vendor to calculate the total value of the transaction, including all fees. Advise the vendor that Southeastern Louisiana University is tax exempt, where applicable. If the total charge is over the CBA’s single transaction limit, the account cannot be used.
 - Do not split a transaction; do not divide a single transaction into two or more transactions to get below the single transaction limit.
 - Violations may result in you no longer being able to participate in the CBA program.
3. Obtain from the vendor a sales receipt, itinerary, or invoice which itemizes the expenses.
4. If using the CBA for airline transactions:
 - i) After obtaining the necessary approvals, contact the State’s contracted travel agency to make arrangements for airline transactions.
 - ii) If talking to a travel agent, tell them that the method of payment will be the CBA. If utilizing their online services, select the CBA from the menu when prompted for the method of payment.
 - iii) After travel arrangements have been requested, the travel agency will send an email to the approvers to request that they approve or deny the use of the CBA. If approved, the travel agency will email the itinerary to the traveler and the Southeastern Travel Desk.

c) Reconciliation and Approval Process

The same procedure that is required for procurement card reconciliation and approval in Southeastern’s PeopleSoft Financials system is required for the CBA Program:

Southeastern Purchasing Card Policies and Procedures

1. CBA account holder provides account information to the vendor when completing the travel reservation.
2. Vendors receive remuneration from Visa within two business days of transaction settlement.
3. Approximately 2 days after transaction settlement using the CBA account, the account holder will receive an email notice from PeopleSoft Financials that a transaction is waiting for coding to the correct Budget Unit/Account and the account holder's signoff.
4. Within 2 business days after receiving the above notification from PeopleSoft Financials, the account holder should complete the coding and signoff. Signoff consists of coding the correct Budget Unit and Account code, leaving an appropriate comment and scanning the supporting documentation. Depending on the Budget Unit and type of purchase, the transaction may have to be approved by Client Services and/or Office of Sponsored Research Programs. The transaction will then go to the CBA approver where applicable.
5. Within 2 business days after receiving email notification from PeopleSoft Financials, the CBA approver should complete the approval process for the transaction.

NOTE: Transactions not signed off within two working days may result in account suspension. Multiple suspensions may result in loss of CBA privileges.

6. At the end of each monthly billing cycle, a transaction statement will be sent via email to the CBA account holder. Within 10 days, a paper copy of the statement with approver and account holder signatures must be returned to Southeastern's Procurement Card Office with the original receipts for the listed transactions.
7. Transactions that have been signed off in the PeopleSoft Financials System by the account holder and CBA approver are posted to budgets, but the process may take several days to complete.

d) If Account is Denied by the Vendor

If a vendor advises that account approval has been denied, it is most likely a violation of one of the established levels of authority checks.

- Example – the purchase exceeds the single transaction limit.
- Example – the account is over the spending limit.

Southeastern Purchasing Card Policies and Procedures

- Example – the purchase is a violation of a Merchant Group/Spending Category code or a Merchant Category Code to which access is prohibited.

The vendor will not have information related to the reason for denial, nor does the CBA account holder have the authority to obtain this information. If a transaction is denied, the account holder should contact the P-card Program Administrator in the Purchasing Department for assistance. The P-card Program Administrator will contact the proper persons, obtain information on the denial and coordinate resolution of the issue.

e) Disputed and Questioned Items

Working with the travelers, a CBA account holder is responsible for ensuring receipt of services and resolving any transaction discrepancies. They are also responsible for settling any disputes, clearing erroneous charges and requesting credit by contacting the vendor.

If the CBA account holder is unable to reach an agreement with the vendor, they should contact the P-card Program Administrator in the Purchasing Department. Bank of America must be notified in writing of any unresolved disputed item within sixty (60) days of the date of the statement on which the questioned item appears.

Tax is NOT a disputable item with Bank of America and should be resolved with the vendor.

Contact the P-card Program Administrator if an acceptable resolution is not obtained.

f) Missing Receipts

In the event of a missing receipt, the traveler will be responsible for reimbursing the University for the expense(s) charged on the CBA. Reimbursement must be made within 30 days from the return travel date. If the employee fails to reimburse the University, the funds will be payroll deducted.

g) Account Misuse

1. Fraud Purchase - any use of the CBA which is determined to be an intentional attempt to defraud the state for personal gain or for the personal gain of others.

Southeastern Purchasing Card Policies and Procedures

An employee suspected of having misused the CBA with the intent to defraud the state will be subjected to an investigation in accordance with the University Fraud Policy. Should the investigation result in findings which show that the actions of the employee have caused impairment to the state service, and should those findings be sufficient to support such action, the employee will be subject to disciplinary action. The nature of the disciplinary action will be determined by the appointing authority and will be based on the investigation findings and the record of the employee. Any such investigation and ensuing action shall be reported to the Legislative Auditor and the Director of the Office of State Purchasing.

Any recognized or suspected misuse of the CBA program should be immediately reported to Southeastern's Controller and the CBA Program Administrator. It may be anonymously reported to the State of Louisiana Inspector General's Fraud and Abuse Hotline at 1-866-801-2549 or for additional information you may visit <http://oig.louisiana.gov/index.cfm?md=pagebuilder&tmp=home&nid=3&pid=0&catid=0>.

2. Non-Approved Purchase - a purchase made by an employee for which payment by the state is unapproved. A non-approved purchase differs from a fraud purchase in that it is a non-intentional misuse of the CBA program with no intent to deceive the agency for personal gain or for the personal gain of others.

A non-approved purchase is generally the result of a miscommunication between a supervisor and the account holder. A non-approved purchase could occur when the account holder mistakenly uses the CBA rather than another form of payment.

When a non-approved purchase occurs, the account holder will be counseled to use more care in handling payments using the CBA. The counseling will be in writing and maintained in the employee's file for a minimum of one year. The employee may be made to pay for the item purchased inappropriately. Should another incident of a non-approved purchase occur within a 12 month period, the employee may no longer be able to use the CBA program.

If an account holder must reimburse the university for non-approved or fraudulent activity, he/she must submit payment to the university and never submit payment directly to Bank of America.

3. Disallowed Charges - charges made via the procurement card program for official state travel that are not made in accordance with PPM 49 Travel Guide. A disallowed charge differs from a fraud purchase in that it is a

Southeastern Purchasing Card Policies and Procedures

non-intentional misuse of the procurement card with no intent to deceive the agency for personal gain or for the personal gain of others.

When a disallowed charge occurs, the cardholder will be counseled on the use of the procurement card for travel purposes. The employee will be required to reimburse the University within 30 days from the return travel date. If the employee fails to reimburse the University, the funds will be payroll deducted.

III. APPROVER'S RESPONSIBILITIES

In addition to the responsibilities listed in Exhibit II (the Program Approver Agreement Form), the procurement card and/or CBA approver must also notify the Procurement Card Administrator of any extended leave during which they cannot complete the approval process within the required time. (The next level supervisor will be assigned as approver for the affected cardholder and/or CBA accounts during the absence.)

IV. STEPS IN OBTAINING A PROCUREMENT CARD OR CBA ACCOUNT

Employees who have a role of administering or monitoring activities in the procurement card program are not allowed to obtain a procurement card or CBA account. For other Southeastern employees who have a recurring need to make allowed low-cost purchases (for a procurement card) or high-dollar team or group travel expenses (for a CBA account), the following process can be used:

- Complete the Procurement Card Program Enrollment Form (see Exhibit IX) and return it to Southeastern's P-Card Administrator. CBA accounts are issued on a very limited basis and must receive approval from the Vice President for Administration and Finance. The enrollment form is available online on the Procurement Card web page.
- Once the Enrollment Form is received and approved, a card or CBA account will be requested with the single transaction limit and billing cycle limit that were approved by the Next-Level Supervisor and P-Card Administrator.
- Visa cards will be sent directly to the P-Card Administrator in approximately 2-3 business days (if the card is sent directly to the department, please inform the P-Card Administrator immediately). CBA account information will be provided to the account holder by the P-Card Administrator when it is available (also normally 2-3 business days).
- Before receiving the card or CBA account, the applicant must attend a Southeastern training session, complete the State's online certification training program (receiving a grade of at least 90), and sign a Program Cardholder Agreement (Exhibit I). When this is done, the employee will receive the Purchasing Card or CBA account information.
- A cardholder must sign the Purchasing Card immediately upon receipt.

V. ANNUAL REQUIREMENTS FOR CARDHOLDERS, CBA ACCOUNT HOLDERS, AND APPROVERS

Each fiscal year all cardholders, CBA account holders, and approvers must complete the state's on-line certification training program by September 30th, receiving a grade of at least 90. If this requirement is not met by the cardholder or a CBA account holder, the card/account will be suspended. If a card or CBA approver does not complete this requirement, they will be removed from the program and their next-level supervisor will be required to assume the approval responsibilities.
