The Division of Student Affairs
Marvin L. Yates, Ph.D., Vice President for Student Affairs

THE DIVISION OF STUDENT AFFAIRS complements the University’s academic mission by providing a safe and supportive campus that affords students with ample opportunities for development in addition to important services that add value to the campus experience. At the core of the Division’s work is the belief that student involvement (defined as time spent on campus, involvement with student organizations, interaction and familiarity with faculty and staff, development of a peer support group, and commitment to academic pursuits) is critical to student success. As such, the Division serves as a resource to all students, regardless of major or classification.

STUDENT AFFAIRS MISSION STATEMENT

The Division of Student Affairs enhances growth of Southeastern students and fosters pride in the institution through the provision of superior campus services, meaningful opportunities for student development, and maintenance of a safe campus.

The Division of Student Affairs oversees several services and programs as follows:

STUDENT CONDUCT

The Office of Student Conduct administers the Student Code of Conduct, which affirms that students, upon enrollment, do not lose the rights of, nor are they exempted from fulfilling the obligations and duties of citizens. Students are expected to conduct themselves in a manner that supports the educational mission and functions of the University, as well as to comply with federal, state and local laws. In most cases, the Student Code of Conduct applies to conduct that occurs on the University premises. Nonetheless, jurisdiction and discipline may be extended to off-campus behavior that adversely affects the University community or the pursuit of its objectives. The procedure followed in disciplinary matters is outlined in the current issue of the student handbook or on the University’s website.

University Police has jurisdiction over all university properties. Jurisdiction is extended to off campus locations when requested by other law enforcement agencies.

The University Police Department provides a full range of law enforcement services, including criminal investigations, accident investigations, emergency services, and crime prevention education. The department operates 365 days a year, 24 hours a day, 7 days a week.

If an arrest is made, the individual will be transported to the Tangipahoa Parish Jail (felony) or to the Hammond City Jail (misdemeanor) for booking. All females are taken to the Tangipahoa Parish Jail. Violations of University regulations, which are not criminal offenses, will be reported to the University Chief Judicial Officer for further action.

The University Police Department reports the numbers and types of crimes monthly to the United States Department of Justice, the Louisiana Commission on Law Enforcement, and to the Board of Supervisors for the University of Louisiana System. MOTOR VEHICLES
All students and employees of the University are required to purchase a parking decal/hang tag prior to parking on campus. All visitors are required to register their vehicle with the University Police Department and receive a temporary parking tag. Any vehicle parked on campus without a current parking tag will be issued a ticket.

CAMPUS PARKING REGULATIONS
Campus parking regulations are explained in detail in the Parking Regulations brochure provided to each individual who registers a motor vehicle at the University Police Department.

Parking areas on Southeastern’s campus are designated and marked specifically for faculty/staff, resident students, freshmen commuter, upper class commuter, and motorcycles. Handicapped and maintenance vehicle parking spaces are also clearly marked. All parking areas are indicated by color code on the Campus Map.

Students are responsible for knowing and understanding the regulations, where they are authorized to park, the campus speed limit, and enforcement procedures.

Students requiring the use of a handicapped parking space must have a state issued handicapped hangtag, placard, or license plate and a Southeastern handicapped hangtag. Those who fail to obtain a Southeastern
handicapped hangtag will be issued a parking citation. In accordance with state law, unauthorized parking in a handicapped space will result in a $275 parking citation.

The University Police Department is not authorized to jump start or unlock any motor vehicle with any device, but may call an auto service company or locksmith to assist drivers with problems.
