DEPARTMENT OF VISUAL ARTS

- [Art](#)

 - [Minor in Art](#)

 - [Minor in Digital Design](#)

- [Cultural Resource Management](#)

The art curriculum has been planned to help students develop their ability to create images based on their experiences of, and in response to life; to study and transmit cultural heritage; to understand the role of art in society; and to increase critical sensitivity to the art of the present as well as the art of the past.

The program offers courses in studio and art history, in basic, intermediate and advanced levels of understanding. The program is designed for students who seek a B.A. degree and desire a career in Art, as well as for the students who wish to add aesthetic study to their preparation for careers.

The major in Studio Art consists of sixty semester hours of Visual Arts, which include twenty-four hours of fundamentals: 11, 112, 151, 152, 211, 251, 231, and 281; fifteen hours of Art History including 105 and 106; eighteen hours of studio course beyond fundamentals (Twelve hours must be in the same discipline and include Senior Project); and an art elective, either art history or studio.
