DEPARTMENT OF ACCOUNTING

Mission Statement

The Accounting Program at Southeastern Louisiana University prepares students who are primarily from Southeast Louisiana for successful careers in public accounting, industry, government, and related fields. In order to achieve this mission, the Accounting Program strives to:

- Recruit and retain students who demonstrate potential for success in the field of accountancy.
- Enhance students' oral and written communication skills, and convey to them technical accounting information and analytical skills through excellence in teaching.
- Enhance the relevance and timeliness of instruction, as well as the technical competency of faculty, by conducting applied research and developing innovative educational materials and techniques
- Provide frequent and meaningful opportunities for faculty and students to interact with members of the profession.
- Engender in students through classroom and other experiences appropriate ethical and professional behavior; a desire for lifelong learning; and respect for diverse demographic and cultural backgrounds.
- Foster an environment for students and graduates that is conducive to successful job placement and career development.
- Seek continuous improvement in the program through faculty development and by regularly evaluating and updating curriculum and course content.

Educational Objectives for the Undergraduate Accounting Program (Bachelor of Science in Accounting)

The overall educational objective of the undergraduate accounting program is to provide students with the basic competencies necessary to succeed in a variety of entry-level positions within the profession or to succeed in graduate school. Specific educational objectives of the program include:

1. The program will recruit and retain students who are primarily from Southeast Louisiana and who possess high potential for success.
2. Students will be able to demonstrate competencies in the development, measurement, analysis, validation and communication of financial and other information.
3. Students will develop oral and written communication skills and critical thinking skills.

4. Students will develop an appreciation for the role of ethics in the professional and business world.
5. Students will be exposed to the unique aspects of global business and accounting issues.
6. Students will be equipped to understand and use technology.
7. Students will have opportunities to develop an appropriate sense of "professional citizenship."
8. Students will be exposed to activities that help them work in groups.
9. Graduates of the program generally will find placement in local, regional, and national CPA firms; industry firms; and not-for-profit and government entities in the Southeast Louisiana region.

Majors

The major program in accounting consists of thirty semester hours. These hours include the following: Accounting 200, 221, 312, 313, 320, 331, 341, 407, 411, and three hours of accounting electives to be selected from the following: Accounting 391, 400, 406, or 442. Requirements for graduation are a 2.2 or better adjusted or degree GPA, and a 2.2 or better adjusted or degree GPA in Accounting.

Selection and Retention Policies

Students, regardless of major must have a "C" or better in all Accounting prerequisites to progress (excluding progression to 225). Accounting courses numbered 221 and above (excluding 225) may be repeated only once, excluding course withdrawals. If a student repeats a course without obtaining the minimum grade to progress, no other accounting courses numbered 221 or above (excluding 225) may be taken.

Minor in Accounting

A minor in accounting will be given upon the satisfactory completion of eighteen hours of coursework in accounting. The required courses are as follows: Accounting 200, 221, 312, 313, 331, and 341. Students minoring in accounting must obtain the approval of the Department Head.

CPA Examination 150-Hour Education Requirement

The Louisiana State Board of Public Accountancy requires at least 150 hours of college credit for an applicant to be eligible to sit for the Uniform Certified Public Accountant Examination. This college credit must include at least a bachelor's degree from an accredited university recognized by the Board. The applicant must also have completed 24 semester hours of accounting courses and 24 semester hours of business courses.

The Accounting Program at Southeastern is fully accredited by the American Assembly of Collegiate Schools of Business. Upon completion of the B.S. degree in Accounting at Southeastern, students may need additional hours to obtain the 150 hours required by the Board to sit for the CPA Examination. Although the Board does not designate the specific courses required for these additional hours, it is recommended that students fulfill this requirement by completing Southeastern's MBA Program with a Concentration in Accounting.

For additional information about the MBA Accounting Concentration, please contact the MBA Director or the Accounting Department Head, or see the MBA information in the Graduate School section of this catalogue.

Information about the CPA Examination requirements can be obtained from the Department of Accounting at Southeastern or from the State Board of Certified Public Accountants of Louisiana, Pan American Life Center, 601 Poydras Street, Suite 1770, New Orleans, LA 70130, phone 504-566-1244, fax 504-566-1252.
