Students are required to complete a minimum of thirty-three semester hours. Social work courses that must be taken are SW 101, SW 201, SW 203, SW 204, SW 205, SW 304, SW 305, SW 402, SW 405, and 406. The courses SW 304, SW 305, SW 402, SW 405, and SW 406 must be taken and successfully completed at Southeastern Louisiana University.

### Initial Admission to the Social Work Major

Applicants for initial admission into the social work curriculum must meet the admission requirements for Southeastern Louisiana University and then declare themselves as social work majors.

Applications for admission to Southeastern Louisiana University must be submitted to the University Admissions Office.

## **Admission to Professional Standing in Social Work**

The social work profession has the responsibility to ensure that persons who graduate from its programs are capable of providing a high quality of service to clients and are capable of safeguarding and enhancing the welfare of society. Therefore, the Professional Standing Committee reserves the right to select and retain only those students who demonstrate that they have the requisite academic, ethical commitment, emotional and behavioral qualifications for rendering professional social work services.

Students are required to submit an application for admission to professional standing in social work. This application must be favorably acted upon by the Professional Standing Committee and by the Director of the Social Work Program.

Application forms for admission into professional standing in the social work major may be obtained from the Social Work Program office. Completed application forms are to be submitted to the secretary of the Social Work Program. Students must keep a copy of their application and a dated note from the Social Work Program secretary indicating that their application was received.

### **I. Admission Procedures**

A. The Social Work program will implement a required two tiered progression into the courses SW 201 and SW 205. Specifically, all students entering SW 201 will have had to achieve a minimum adjusted GPA of 2.0. Further, to progress into SW 205 students will be required to have achieved an adjusted GPA of 2.20 or above.

B. Once a student progresses from the Basic College into the College of Arts and Sciences he/she then has to make application to be admitted into Professional Standing in the Social Work Program. At this level, the policy for admission into the social work program allows for capitulation of admissions to meet CSWE standards on the faculty to student ratio of 1:25. Additionally, to further achieve the desired ratio the social work faculty will raise the required GPA into professional standing to an adjusted GPA of 2.50 or above.

C. Students generally make application into professional standing at least six weeks prior to the end of their sophomore year in order to have their applications duly processed by the beginning of the following semester. Students are responsible for contacting the Chair of the Professional Standing Committee to discern the deadline date each semester for turning in their applications. To make application, students must have successfully completed or presently be taking the following courses: English 101 and 102, Math 160 and Math 241, Sociology 101 and 212, General Biology 151/Biology Laboratory 152 and Zoology 241, Social Work 101 and 201, 202, 203, 204 and 205, and Psychology 101.

D. Successful completion of all prerequisites in the above noted courses.

E. Completion of above noted social work courses, in curriculum sequence, with a grade of "C" or better.

F. All applications for admission will be processed by the Professional Standing Committee. A copy of the student's completed application and the status of the Committee's processing will be placed in the student's file.

G. Students who make proper application will be admitted into professional standing without delay when they meet the requirements outlined below and there is no waiting list.

1. Achieve and maintain a minimum adjusted grade point average of 2.50 or better.
2. Successful review of the student's Application for Admission to Professional Status by the Professional Standing Committee in the Social Work Program.
3. Achieve a grade of "C" or better in English 102.
4. Achieve a grade of "C" or better in all social work courses that have been undertaken.
5. The Social Work Program reserves the right to establish a waiting list for admission into professional standing. A waiting list will be developed primarily for purposes of capitulation to meet CSWE Standards. If a waiting list is established, the following prioritized criteria will establish preferential admission into professional standing:
  - a. Time student has spent on the waiting list;
  - b. Adjusted grade point average;
  - c. Prior social service work and/or volunteer experience

H. The Professional Standing Committee will make recommendations to the Director of the Social Work Program for final review and approval regarding the admission status of applicants. Students will be notified in writing as to their admission, conditional admission or non-admission. Applicants not admitted will not be allowed to schedule the following courses: SW 304; SW 305; SW 406; SW 402 and SW 405. Likewise, students conditionally admitted must satisfy all conditions of their admission prior to being allowed to taking the professional courses noted above. - normal progress, and failure to maintain a minimum adjusted 2.5 grade-point average, in Social Work). C. When a faculty member reports that the behavior of a student in social work indicates the need for review.
- D. When the field supervisor, agency director, or the coordinator of field work indicates unsatisfactory progress in field.
