

# Master of Education Curriculum and Instruction

### **Purposes**

The purposes of the Master of Education in Curriculum and Instruction are to:

- Foster the leadership capabilities of Master Teachers enabling them to be highly effective educators.
- 2. Provide Master Teachers with opportunities to develop a broad knowledge base, competencies, and pedagogy necessary to be effective in transforming classrooms, schools, and school districts into learning environments that challenge and support students to reach their full potential.
- 3. Develop within Master Teachers the capabilities to provide professional services and leadership to the school districts, educational organizations, and agencies, parents, and others in the educational community served by the University.
- 4. Offer curricula and instruction leading to a graduate degree at the master's level granted by the University.
- 5. Provide intensive study in selected areas of concentration.
- 6. Enhance the Master Teacher's state certification potential for serving the educational community.

### **ADMISSION REQUIREMENTS**

To be considered for admission to the Master of Education degree program, an applicant must:

- 1. Meet all University admission requirements which include submitting: an application for admission, official copies of all transcripts, documentation to demonstrate graduation with a bachelor's degree or its equivalent from a regionally accredited U.S. college or university or the equivalent from a foreign institution, documentation of a minimum cumulative grade point average (GPA) of 2.5 (4.0 scale) for all undergraduate work attempted or a minimum cumulative GPA of 2.75 on all upper division undergraduate course work attempted; documentation of satisfactory academic standing at the last institution attended; and a non-refundable fee to the Graduate Admissions Office prior to the established deadlines.
- 2. Hold a standard teaching certificate.
- 3. Have at least 1,350 points based on the formula of 200 times the undergraduate cumulative grade point average plus the General Test (Verbal and Quantitative) score of the Graduate Record Examination for regular admission status. A student not eligible for regular admission may be admitted with conditional status if the student has 1,250 points based on the formula of 200 times the last 60 hours undergraduate cumulative grade point average plus the General Test (Verbal and Quantitative) score of the Graduate Record Examination.
- 4. Be accepted by the major department and/or the teacher education program.

### REQUIREMENTS FOR DEGREE

To receive the Master of Education degree, a student must:

- 1. Complete all requirements stated in the degree plan.
- 2. Satisfactorily complete a written comprehensive examination. A candidate who fails the examination may be required to complete one or more courses or other activities to make up deficiencies as determined by the student's graduate committee before requesting a second examination. No candidate will be permitted a third attempt of the comprehensive examination.
- 3. Satisfactorily complete 36 semester hours of graduate work with a cumulative "B" average. Degree candidates must earn an average of "B" or better, both cumulative and in the major field, with not more than six (6) semester hours with grade "C" counted toward a degree. No credit below "C" will be accepted for graduate degree credit.
- 4. Be recommended for the degree by the student's major professor.
