

DEPARTMENT OF COUNSELING AND HUMAN DEVELOPMENT

The Department of Counseling and Human Development, under the aegis of the College of Education and Human Development, offers undergraduate programs in Family and Consumer Sciences, and Social Work; and graduate programs in Counselor Education.

PURPOSES

The purposes of the Department of Counseling and Human Development are:

1. To provide opportunities for developing personal and professional competence by encouraging intellectual curiosity and the acquisition of knowledge by enhancing self awareness and ethical responsibility; and , by increasing understanding of individuals and families within the context of a pluralistic society;
2. To provide training, services, and leadership to the professional community and general community including groups, school systems, and organizations;
3. To offer curricula and instruction leading to undergraduate and graduate degrees granted by the University.
4. To provide students enrolled in professional training programs and postgraduate professionals with course work which meets current licensing, certification, and continuing education requirements in their particular field of study.

BACHELOR OF SCIENCE (B.S.) FAMILY AND CONSUMER SCIENCES

The Family and Consumer Sciences undergraduate degree program includes study in the areas of family studies, fashion merchandising, and nutrition. The educational goal is to provide instruction in areas of FCS that will prepare students to assume professional roles through careers in business, industry, agencies, hospitals, and educational settings. The curriculum enables students to prepare for a variety of careers through the selection of concentration electives. Students must consult with their academic advisor for selection of appropriate concentration electives.

FAMILY AND CONSUMER SCIENCES TEACHER CERTIFICATION

Students graduating with an undergraduate degree in Family and Consumer Sciences may apply for admission to the Master of Arts in Teaching (MAT) to obtain Louisiana certification in FCS Teacher Education. Please refer to the MAT degree program for admissions requirement criteria.

Honors Diploma in the Discipline

The department also offers an upper-division honors curriculum allowing its students to earn an honors diploma in the major at graduation. For information about requirements and honors courses in this department, please contact the Department Head.

MINORS

Students from other departments of the University may minor in Family and Consumer Sciences. The minor in FCS consists of FCS 150 and eighteen additional hours of FCS electives. Students minoring in FCS must obtain the approval of the department head.

MAJOR IN SOCIAL WORK

The curriculum in Social Work has been designed to prepare students for generalist social work practice in rural and small communities.

Students are required to complete a minimum of thirty-three semester hours. Social work courses that must be taken are SW 101, SW 201, SW 202, SW 203, SW 204, SW 205, SW 304, SW 305, SW 360, SW 361, SW 402, SW 406 and SW 499. The courses SW 304, SW 305, SW 402, SW 406, and SW 499 must be taken and successfully completed at Southeastern Louisiana University.

INITIAL ADMISSION TO THE SOCIAL WORK MAJOR

Applicants for initial admission into the social work curriculum must meet the admission requirements for Southeastern Louisiana University and then declare themselves as social work majors. Applications for admission to Southeastern Louisiana University must be submitted to the University Admissions Office.

ADMISSION TO PROFESSIONAL STANDING IN SOCIAL WORK

The social work profession has the responsibility to ensure that persons who graduate from its programs are capable of providing a high quality of service to clients and are capable of safeguarding and enhancing the welfare of society. Therefore, the Professional Standing Committee reserves the right to select and retain only those students who demonstrate that they have the requisite academic, ethical commitment, emotional and behavioral qualifications for rendering professional social work services.

Students are required to submit an application for admission to professional standing in social work. This application must be favorably acted upon by the Professional Standing Committee and by the Director of the Social Work Program.

Application forms for admission into professional standing in the social work major may be obtained from the Social Work Program office. Completed application forms are to be submitted to the secretary of the Social Work Program. Students must keep a copy of their application and a dated note from the Social Work Program secretary indicating that their application was received.

I. Admission Procedures

- A. Students **generally** make application into professional standing at least six weeks prior to the end of their sophomore year in order to have their applications duly processed by the beginning of the following semester. **Students are responsible for contacting the Chair of the Professional Standing Committee to discern the deadline date each semester for turning in their applications. To make application, students must have successfully completed or presently be taking the following courses:** English 101 and 102, Sociology 101 and 212, General Biology 106, Biology Laboratory 109, and General Biology 107, General Biology Laboratory 110, Social Work 101, 201, 202, 203, 204 and 205, and Psychology 101.
- B. Completion of above noted social work courses, in curriculum sequence, with a grade of "C" or better.
- C. All applications for admission will be processed by the Professional Standing Committee. A copy of the student's completed application and the status of the Committee's processing will be placed in the student's file.
- D. Students who make proper application will be admitted into professional standing without delay when they meet the requirements outlined below and there is no waiting list.
1. Achieve and maintain a minimum adjusted grade point average of 2.50 or better.
 2. Successful review of the student's Application for Admission to Professional Status by the Professional Standing Committee in the Social Work Program.
 3. Achieve a grade of "C" or better in English 102.
 4. Achieve a grade of "C" or better in all social work courses that have been undertaken.
 5. The Social Work Program reserves the right to establish a waiting list for admission into professional standing. A waiting list will be developed primarily for purposes of capitation to meet CSWE Standards. If a waiting list is established, the following prioritized criteria will establish preferential admission into professional standing:
 - a. Time student has spent on the waiting list;
 - b. Adjusted grade point average;
 - c. Prior social service work and/or volunteer experience.
- E. The Professional Standing Committee will make recommendations to the Social Work Program Coordinator for final review and approval regarding the admission status of applicants. Students will be notified in writing as to their admission, conditional admission or non-admission. Applicants not admitted will not be allowed to schedule the following courses: SW 304, SW 305, SW 402, SW 406, and SW 499. Likewise, students conditionally admitted must satisfy all conditions of their admission prior to being allowed to taking the professional courses noted above.
- Applicants not admitted will not be allowed to schedule any professional course.** Applicants who are not recommended for admission may:
1. Have their applications, and any needed additional information available, carefully reviewed by the Professional Standing Committee.
 2. Be interviewed by the Professional Standing Committee
 3. Be asked to submit additional information.

II. Retention Procedures

The Professional Standing Committee will review the status of students formally admitted to the professional program in social work and take proper action in the following instances:

- A. When advisors or other faculty members request the Committee to review the continued eligibility of a student.
- B. When the grades of a student warrant such a review (consistent failing grades, failure to make normal progress, and failure to maintain a minimum adjusted 2.5 grade-point average, in Social Work).
- C. When a faculty member reports that the behavior of a student in social work indicates the need for review.
- D. When the field supervisor, agency director, or the coordinator of field work indicates unsatisfactory progress in field.

III. Child Welfare Grants

Through the cooperation and efforts of the Offices of Community Services several competitive grants in the amount of \$5,000 are available to students who wish to pursue employment with the Office of Community Services. Students must take Social Work 306 and 307 and agree to work for Child Protection for a minimum of one year upon graduation from Southeastern or after completion of their Master's Degree in Social Work. These students complete an internship with OCS in their senior year. Applications must be made in the junior year to Mr. Maurice Badon, MSW, Child Welfare Program Coordinator.

IV. Discovery, The SLU Family Resource Center

Located in Baton Rouge, the Family Resource Project serves foster children and family service cases from the Office of Community Services (OCS) and juveniles brought to the attention of The Families in Needs of Services (FINS) Program. The project also serves as a field laboratory providing internship placements for social work students from Southeastern and other nearby universities. The Project was created with funding through the Louisiana Department of Social Services, Office of Community Services as part of the Adoption and Safe Families Act. It has also received support from the Casey Family Program of Baton Rouge, the GPOA Foundation, and Capital Area Law Enforcement. It has had working agreements with two Americorps programs, VISTA and Delta Service Corps. Some social work interns are able to do their internship with service as Delta Service Corps members.

V. Termination Procedures

If a grade of "D" or "F" is received in any required social work course, the student will be allowed to retake the required social work course only once. If a grade of "C" or better is not received, in the retake of the course, termination from the Social Work Program will occur. The course SW 499: Field Internship may not be retaken, and the student must receive a grade of "C" or better.

Non-academic reasons for termination in the Program include:

1. Violations of the NASW Code of Ethics.
2. Behavior that is detrimental to the student and/or the client system being served.
3. Violating agency policy in the student's field practicum agency.
4. Conviction of a felony offense since entering the Social Work program.
