

DEPARTMENT OF VISUAL ARTS

The art curriculum has been planned to help students develop their ability to create images based on their experiences of, and in response to life; to study and transmit cultural heritage; to understand the role of art in society; and to increase critical sensitivity to the art of the present as well as the art of the past.

The program offers courses in studio and art history, in basic, intermediate and advanced levels of understanding. The program is designed for students who seek a B.A. degree and desire a career in Art, as well as for the students who wish to add aesthetic study to their preparation for careers.

The major in Studio Art consists of sixty-five semester hours Visual Arts, which include twenty-four hours of core courses: 111, 112, 151, 152, 153, 231, and 281; twelve to fifteen hours of Art History including 105 and 106; twenty-seven hours of studio courses beyond the core courses (Twelve hours must be in the same discipline and include Senior Project); and an art elective, either art history or studio. A grade of "C" or better in all Visual Arts courses is required.

AREAS OF EMPHASIS AND AREAS OF CONCENTRATION

The Bachelor of Arts in Visual Arts degree offers areas of concentration and areas of emphasis-each supervised by a specific faculty member. All Visual Art students are required to take (at minimum) a series of four studio courses beyond the required foundation core within one area of emphasis (including Senior Projects).

Concentrations are more extensive studies in a specific area and are designed to give students the opportunity for greater depth and breadth of knowledge within one area of study. Requirements for individual concentrations are listed in the following pages of this catalogue. Students should meet with the designated faculty member/s for advising and guidance within their area of interest.

Students are required to pass Art 299 (Sophomore Review) prior to declaring an area of emphasis or concentration.
