

DEPARTMENT OF TEACHING AND LEARNING

The Department of Teaching and Learning of Southeastern Louisiana University is responsible for the development of undergraduate curricula in Early Childhood Education Grades PK-3, Elementary Education Grades 1-5, Middle School Education Grades 4-8, and Special Education Mild/Moderate Disabilities, and in the supervision and preparation of teachers with majors in these areas.

The Department of Teaching and Learning provides professional courses for all majors in Education and Special Education curricula. As part of the course requirements, students complete 180 field hours in diverse school settings prior to student teaching. School assignments are made by the Director of Field Experiences, and transportation to these sites is the responsibility of the student. A major role of the Department is to provide professional service and leadership to school systems within the University community. Another function of the Department is to offer curricula and instruction leading to Masters Degrees in Curriculum and Instruction, Special Education, and Master of Arts in Teaching. See the Graduate School section of the General Catalogue for additional information.

Department of Teaching and Learning faculty members serve as advisors to undergraduate students majoring in the three Elementary Education Programs and Special Education, and students in the graduate programs listed above.

THE SOUTHEASTERN LABORATORY SCHOOL

The University maintains and conducts a Laboratory School, which accommodates children in kindergarten through the eighth grade. The Laboratory School is a part of the College of Education and Human Development. The School is designed to provide a varied program of instruction and service to afford opportunities for student observations, pre-professional laboratory experience, in-service education, and research.

SCHOOL LIBRARIANS

Students in the College of Education and Human Development who are earning regular certification at the elementary or secondary level may earn additional certification in Library Science by completing 21 semester hours. Courses required for Library Science certification include Library Science Education 401 or 501; 402 or 502; Library Science Administration 403 or 503; 404 or 504; 405 or 505; 406 or 506; and 580. Application to take Library Science Administration 580, Practicum in School Librarianship, must be made to the Department Educational Leadership and Technology, Library Science Coordinator, one semester prior to the semester in which the course is to be taken.

ENGLISH AS A SECOND LANGUAGE

“English as a Second Language” will be added to the certificate of any teacher who holds a standard teaching certificate and successfully completes the following courses with the understanding that this certification applies only to teachers of children with limited English-speaking ability: Education 516, Education 528, English 414/524 or 642, and Communication 410/510. English as a Second Language certification will be valid only in the teaching area(s) in which one is certified.

HONORS DIPLOMA IN THE DISCIPLINE

The department also offers an upper-division honors curriculum allowing its students to earn an honors diploma in the major at graduation. For information about requirements and honors courses in this department, please contact the Department Head.
