HOUSING AND LIVING ACCOMODATIONS

OFF-CAMPUS HOUSING PERMISSION

All unmarried, full-time undergraduate students with less than 60 hours, regardless of age or whether or not they have been emancipated, are required to live in on-campus residence halls as long as space is available.

Students who are residing with parents, legal guardians, close relatives (defined as grandparents, married brother, married sister), or hardship cases as established by the Board of Supervisors for the University of Louisiana System may be exempt from the on-campus residency requirement. Exemption information and claim forms may be obtained from the Office of the Assistant Dean of Student Development. Students found violating the policy as stated above will be required to move into the residence hall system and pay room rent plus an administration fee for the semester in which the violation occurred. Refusal to do so will result in disciplinary action.

To be considered for exemption from the on-campus residency requirements, students must complete the appropriate application form. Forms must be submitted at least 25 days prior to the first day of registration for a semester in order to ensure full consideration. Action taken on applications received on time will be mailed no later than five days prior to the first day of registration for the semester. Forms are available in the Office of the Assistant Dean of Student Development.

When a male or female student is granted permission to reside off-campus, the University assumes no responsibility for the living arrangements and supervision of that student.

UNIVERSITY RESIDENCE HALLS

The University provides living quarters for approximately 2,100 students in campus residence halls and apartments. Continuous efforts are made to provide educational, social, and cultural advantages as part of the experience in group living for hall residents.

Students who live in the Southeastern Louisiana University residence halls are required to purchase a meal plan. When a plan is chosen, the student agrees to abide by his/her choice for the full semester. If a resident student fails to select a meal plan during the registration process, the default meal plan will automatically be selected for him/her. Declining balance dollars may be added at any time in increments of \$25. Declining balance dollars roll over from Fall to Spring semesters only. Prices are subject to change if conditions make it necessary. Only students with meal plans and students purchasing meals on an individual meal basis will be admitted to the cafeteria. All purchases made on the student's account must be made by the individual whose name appears on the account.

Meal plans are non-transferable. Any student permitting someone to use his/her meal plan and/or borrowing another student's ID is subject to disciplinary action.

The administration of the residence halls is based on the premise that students are endeavoring to do their best, observing the democratic principles of consideration of others, so that students may pursue their chosen courses of instruction in a manner which will be both to their credit and to that of the University. Students who fail to comply with all residence hall regulations are subject to disciplinary action.

Laws, regulations, and rules represent best efforts to create a livable society and to induce socially acceptable behavior. Students at Southeastern Louisiana University are expected to be mature, law abiding, and responsible in their general behavior. Accordingly, they are expected to obey national, state, and local laws; respect the rights and privileges of others; be forthright and honest in all their social and academic conduct, and in general, conduct themselves in a manner that brings credit to themselves and the University.

In addition to national, state, and local laws, students are expected to obey University regulations. These regulations clearly state what students must do and some specific things that students must not do if they wish to remain associated with the institution.

THE UNIVERSITY DOES NOT ATTEMPT TO DEFINE BY FORMAL RULES EVERY ACTION THAT IS FORBIDDEN. In situations not covered by specific regulations, a student should use common sense and be sure that his/her conduct is at all times consistent with that expected of a mature, responsible individual who has high ethical standards.

In order to meet emergency situations, make routine maintenance inspections, maintain minimum health and safety standards, and to enforce University regulations, the University or their agent reserves the right to enter students' rooms.

APPLICATION FOR ROOMS IN THE RESIDENCE HALLS

Only regularly enrolled full-time, unmarried students will be eligible to live in the residence halls without special permission. Part-time students may be granted special permission from Housing Administration to reside in the residence halls.

CLAIMING RESIDENCE HALL RESERVATIONS

Southeastern Louisiana University does not guarantee assignment to a particular type of accommodation. Assignment to rooms in the residence hall will be made in accordance with the established policy for priorities and on the basis of available housing space. Room assignment is contingent upon final acceptance for admission. Rooms are to be occupied ONLY by the students to whom the rooms are assigned. Rooms may not be sublet to another person. Applicants are advised to apply early. Building and room assignments are based on date of Housing application and fee received.

CAMPUS CARD OPERATIONS

Every student enrolled at Southeastern Louisiana University must have a Student ID card and must carry ID at all times. A valid picture identification (driver's license, passport) or proof of date of birth are required when having an original Student ID card made. The Student ID automatically becomes valid each semester after fees are paid in full.

The Student ID card is used to access the Lion's Lagniappe Account. This is a campus wide account established to reduce the need to carry cash while on campus. The Lion's Lagniappe Account is accepted in vending machines, copy machines, Campus Dining locations, University Bookstore, The Document Source, The Health Center, residential laundry facilities and the Pennington Student Activity Center. The Lion's Lagniappe account can be established four ways: 1) by filling out an application and mailing it or taking it to the Controller's Office (minimum \$25); 2) by going to one of the three Lion's Lagniappe Value Terminals; 3) by selecting the Lion's Lagniappe account during registration (minimum \$50); 4) by check or money order at the Campus Card Operations office. Money can be added to the account at any time during the semester and will roll over from semester to semester as long as the student is enrolled.

Refunds on balances over \$25 are only issued at the end of a semester or if a student withdraws from the University. There is a \$10 processing charge for refunds. Refunds of accounts, which were paid with Financial Aid funds, will be reimbursed to the financial institution.

Lost or stolen Student ID cards should be reported immediately to Campus Card Operations or University Police Department. When the card is reported lost or stolen, it immediately becomes invalid.

The card holder assumes full responsibility for the safekeeping of the ID card. A \$15 fee is assessed to replace an ID card.

The ID card is restricted to the person to whom it is issued. The card will be confiscated if it is used by anyone other than the person to whom it was issued. Violation of this policy will result in disciplinary action including possible dismissal.

The ID card is the property of Southeastern Louisiana University. It becomes invalid upon termination or interruption of enrollment. If the student re-enrolls in the University, the same ID card will be re-validated automatically. A \$15 fee will be assessed if a new ID card is required.

Southeastern Student ID must be carried at all times while on campus.

POST OFFICE

The University Post Office is a contract station of the Hammond United States Post Office and is under the supervision of the Associate Director of Auxiliary Services. Hours of operation are consistent with the University calendar. Anyone wishing to receive mail while on campus must rent a post office box. Rent for a post office box is \$16 per semester (Fall and Spring) plus a \$5 key deposit.

TEXTBOOK RENTAL

The Textbook Rental System issues all hardcover textbooks on a student fee system at a per course charge. The charge is included on the student invoice and is refundable only upon resignation on or before the last day of regular registration or when a course is dropped and the book is returned by the drop/add deadline.

Textbooks are issued by barcode number. Students are required to return the book that was issued to them in good condition and undamaged. Lost, wet, mildewed, or damaged books must be purchased. Students will receive notification from Textbook Rental if books are deemed damaged and charges will be posted to the student's account. Books not claimed within 3 weeks of notification will be subject to disposal. All purchases of rental textbooks are final.

Students must present their Southeastern Student ID card to check out their books. Students will be emailed an official notification verifying book check-out and are responsible for reading and reporting discrepancies within the timeline posted in the email.

Students are required to return the book(s) issued to them by the first business day following the last day of final exams.

A book drop return is available to students during times that the Textbook Rental office is closed. The book drop box will automatically lock when filled.

Drop books are checked in by barcode only (rather than by Student ID). Thus, drop books will be checked in from the appropriate renter's account regardless of who returns the book via the drop box. All drop books will be checked in the day following the drop.

A \$7.50 per book fine will be assessed on books returned from the second business day through the fifth business day following final exams.

Any student resigning from the University or withdrawing from any class must return all rental textbooks prior to leaving.

Students do have the option of purchasing textbooks. Rental fees will be refunded for textbooks purchased from the Textbook Rental Office.

UNIVERSITY BOOKSTORE

Follett Higher Education Group currently holds the contract for the operation of Southeastern's University Bookstore. The bookstore carries a complete line of Southeastern gifts and accessories, greeting cards, office supplies, backpacks, textbooks, academically priced software, general reading books, and art supplies.

Full refunds on books will be in effect during the first two weeks of classes as long as the books are in excellent condition. No refunds will be given on books purchased during final exams or the last week of classes.

To receive a refund on merchandise, you must have the cash register receipt, all tags must still be attached, and the item must be in new condition. Magazines, newspapers, study guides, exam booklets, periodicals, etc. are non-refundable.

Cap and gown purchases are available in the Fall and Spring. College rings may be ordered at any time.
