

Fees and Expenses

PAYMENT OF FEES*

All fees and other University expenses are due at the beginning of the semester. Registration cannot be completed until fees are paid; therefore, students should be prepared to pay fees in full upon entrance. In order to facilitate payment of fees, it is strongly recommended that the student use a cashier's check or money order rather than a personal check. Any means of payment, other than cash, requires the inclusion of the student's name and "w" number, driver's license number, and date of birth on the document. If the check is returned by the bank for any reason, a \$15.00 service fee will be charged. Additionally, the student whose check in payment for registration is returned will be assessed a late registration fee of \$15.00 and will be placed on a "cash only basis" for all future registration payments. Returned registration checks will be redeposited once.

If a returned check for payment of registration fees is not redeemed promptly, the student will be resigned from the University.

No student will be registered until he/she has paid his/her fees as assessed by the Controller's Office.

No student will be permitted to remain in any class unless his/her name is shown on the instructor's roster.

The University reserves the right to withhold future services (registration, transcript request, etc.) to persons who have any outstanding obligations with the University.

If a student is resigned from the University for a non-negotiable check, the student must make future payments by cash or cashier's check.

Credit cards accepted for payment of registration fees are VISA, MasterCard, American Express, and Discover via the On-line SLU Webpay. See current registration guide or the Controller's website for instructions.

**In addition to the tuition for the number of hours carried, a NON-RESIDENT FEE will be charged each student classified as non-resident under the regulations of the University of Louisiana System. Undergraduates taking 6 hours or less will not be assessed this fee.

Credit hours and fees for any course taught between enrollment periods (interim classes) are associated with the next upcoming semester. For example, courses taught between the Summer Session and the Fall Semester will be associated with the Fall Semester. Fees will be based on the Fall tuition figures and hours will be included as additional hours for the Fall. Fees for interim courses must be paid on or before the first class meeting day of the interim course.

OTHER REGISTRATION FEES

Textbook Rental Fee: All students who register at Southeastern Louisiana University will be charged a textbook rental fee of \$ 25.00 per class, if a rental book is required for the course in which they are registered. This fee is determined by the number of courses taken which require a rental textbook (no maximum). This fee will appear as a separate line item on the student's fee statement.

The textbook fee is non-refundable except for students who resign or who drop courses and return their rental textbooks during late registration (drop/add). Rental textbooks must be returned before a refund is issued. (See Refund of Fees)

Application Fee—Louisiana and Out-of-State Students: A \$20.00 non-refundable application fee is required of all students who apply.

Application Fee—Out-of-Country Students: A \$30.00 non-refundable application fee is required of all international students who apply. The fee must accompany the application.

To receive a 100% refund, the student must drop all of his/her classes by the last day of Regular Registration OR on the "No Transaction Day". INSTALLMENT PLAN

Southeastern is pleased to offer a financial planning option, the Southeastern Payment Plan (SPP), which allows students to pay all or part of the semester cost in payments rather than in one lump sum. **The SPP program is managed by the Controller's Office.**

This plan is offered during the fall and spring semesters only. The student is required to have a **2.0 GPA** or higher or be a beginning freshman. Also, students must **have not** defaulted on any previous deferment plan offered by the University.

Because SPP is not a loan, there will be no interest charged. Under this plan, the minimum required **DOWN PAYMENT** is 1/3 of the semester costs plus a \$45.00 non-refundable application fee. The 1/3 down payment must be paid in full by the semester fee payment deadline. Delinquent account balances and/or fines **cannot** be deferred. Examples of delinquencies are traffic fines, library fines, or any prior semester debts. These fees must be paid in addition to the down payment by the fee payment deadline.

NOTE: Student accounts with any balances due to miscellaneous charges (fines, prior semester debts, etc.) **must be paid** at the Controller's Office by the fee payment deadline or classes may be cancelled.

Students may enter the plan during regular registration. However, the 1/3 down payment, \$45.00 processing fee, and all fees not covered by the plan must be paid by the fee payment deadline. If the student misses the regular registration deadline, the student may enter the plan during the **late registration** period. However, students must adhere to the University's Late Registration Policy/Procedures. (**Additional \$15.00 late registration fee**).

The remaining 2/3 balance is deferred into two (2) equal installments. The installments may be paid using Visa, MasterCard, American Express, or Discover, either in person or over the telephone. Contact Controller's Office for current payment dates. It is the student's responsibility to make the designated payments on the SPP Plan. However, the student authorizes the University to apply any prepayment, credit (i.e. Financial Aid), student/parent loan, and/or payroll check (employee or student employee) to any outstanding debt to the University before these funds are issued to the student. Any funds remaining after the debt is satisfied will be refunded to the student or parent (depending upon the type of loan check) as appropriate.

The University has the right to resign the student from the University, cancel meal plans, and/or evict the student from the residence halls for non-payment of fees under this plan. If a student's enrollment in SPP is cancelled because of delinquent payments, the student will be excluded from further participation in SPP. Students with prior semester debts will not be allowed to enroll in the University until such debts are paid. Additionally, no academic records (transcripts, diplomas, etc.) will be released until the debts are paid in full.

Students must follow University procedures when desiring to drop classes or to resign from the University. **All published deadlines will apply.** If the student moves from housing, discontinues use of meal plan, resigns or withdraws from the University, *the student remains obligated to pay the remainder of the deferment under this plan.*

Any further questions regarding the SPP Plan should be referred to the Controller's Office, Accounts Receivable Section.

CHECK CASHING

For the convenience of students, the Controller's Office will accept personal checks in payment of fees, room rent, etc., and will cash personal checks for amounts up to \$25.00 per day for students (\$100.00 per day for faculty and staff) who can present a current ID card. Two-party checks will not be honored except those from parent to student or legal guardian to student.

Before presenting a check to the Controller's Office, the student should be certain that it is negotiable, displaying the student's I.D. number ("W" number), driver's license number, date of birth, properly signed, drawn on the bank in which the student has funds, and is properly endorsed. If a student's check is returned to the University by the bank for any reason, a handling charge of \$15.00 will be made against the student's account. If a student's check was given in payment of registration fees, a late registration fee of \$15.00 and a \$15.00 handling charge will be made against the student's account.

Returned checks should be redeemed immediately. Failure to redeem a returned check, plus a handling charge, after notice will be considered a violation of rules 14, 15, and 16 of the Standards of Student Conduct. Students disciplined by the University for violating its Standards of Student Conduct may be required to answer to civil authorities for the same act. Any returned check not redeemed promptly will be submitted to the District Attorney's Office and will be charged an additional \$10 fee plus any collection costs imposed by the District Attorney's Office.

Students who submit three checks which are returned to the University from the bank or fail to redeem returned checks promptly will be denied check cashing privileges and be placed on a "cash only" basis for future transactions with the University. Checks will not be cashed for students who do not present a current Southeastern Louisiana University ID card.

DELINQUENT STUDENT ACCOUNTS

The University reserves the right to withhold services from anyone with a delinquent account. Services that are discontinued may include, but are not limited to, the following: transcripts, student grades, registration, and deferment plans. This policy will be administered by the Controller's Office and will include delinquent loans, delinquent receivables, NSF checks, etc., maintained within the Controller's Office.

This policy will not prevent the student from receiving an early registration appointment, but it may block their participation in the actual class selection process until the delinquent account is brought to a current status. In the event that early registration is blocked, those students will have to register during the regular

registration phase which is normally one week before the beginning of classes. The Controller's Office is on a quarterly billing cycle in order to bill those students who have delinquent accounts.

Any student who has any questions about his or her outstanding accounts and/or delinquent accounts may contact the Controller's Office, Receivables Section.

Upon transmittal for collection, the student will be responsible for a \$10.00 fee in addition to any other collection costs imposed by the District Attorney's office based on a percentage of the amount of the check.
- ✓ Students leaving Southeastern prior to the 60% point, officially or unofficially, in the semester are obligated to return the federal aid received for that semester proportionate to the student's attendance. **Failure to return that portion of federal aid received upon demand may result in the amount owed being transferred to the State of Louisiana Attorney General's Office, or other outside collection agency, for collection. Upon transmittal for collection, the student is responsible for collection/attorney's fees in the amount of thirty-three and one-third per cent (33 1/3%) of the unpaid debt, and all court costs.**

Any questions regarding the Financial Responsibility Statement should be directed to the Controller's Office.

STUDENT RESIDENCE REGULATIONS

Because residence classification is an important part of fee determination, admission regulations, and other policies of the University, it is important that the University have fair and equitable regulations which can be administered consistently, respecting the interests of both the students and the taxpayers of Louisiana. It is

the responsibility of the student to provide the University with such evidence as deemed necessary to establish his residence status.

The residence status shall be determined in accordance with board rules and shall be based upon evidence provided in the application for admission and related documents. Residence status shall be determined by the Admissions Office after the completed application for admission has been submitted. The rules shall be based primarily on the location of the home and the place of employment. Residence status may not be acquired by an applicant or student while residing in Louisiana for the primary purpose of attending school. Residence status, for fee purposes only, will be granted to non-resident graduate students registered for three semester hours or less and undergraduate students registered for six semester hours or less in any session, or all non-resident students enrolled in courses offered through web-based instruction, when domiciled outside of the state of Louisiana and not enrolled in any other courses at the university. The following conditions may be used in determining residence status.

DEFINITION OF A RESIDENT STUDENT

A resident student for tuition purposes is defined as one who has abandoned all prior domiciles and has been domiciled in the State of Louisiana continuously for at least one full year (365 days) immediately preceding the first day of classes for the term for which residence classification is sought. "Domicile," as the term is used in the context of residence regulations, is defined as an individual's true, fixed, and permanent home and place of habitation at which the individual remains when not called elsewhere for labor, studies, or for special or temporary purposes, and the place to which the individual returns after an absence. A non-resident student for tuition purposes is a student not eligible for classification as a resident.

The individual's physical presence within this state for one year prior to admission must be associated with the substantial evidence that such presence was with the intent to maintain a Louisiana domicile. Physical presence within the state solely for educational purposes without substantial evidence of the intent to remain in Louisiana will not be sufficient for resident classification regardless of the length of time within the state.

1. An applicant living with his parents is classified as a resident if the parents have established a bona fide residence in Louisiana. Ordinarily, a parent is considered to have established a residence in Louisiana if he actually resides and is employed full-time in the State. A parent who is unable to be employed or who is a housewife may be considered to have established a residence in Louisiana if there is convincing evidence that the person continuously resides in Louisiana. If only one parent qualifies as a resident of Louisiana, the student shall be classified as a resident provided that student resides with the parent who is a resident of Louisiana. An individual who resides in Louisiana and is employed full-time in another state, may be classified as a resident. In such case, appropriate documentary evidence shall be presented.
2. A student residing with his parents who enrolls as a nonresident shall be classified as a resident if his parents move to Louisiana and acquire residence as defined in these regulations.
3. A student may be declared a resident if either parent is a graduate of Southeastern. A student who graduates with an associate or higher degree may be classified as a resident for subsequent enrollment at the same institution.
4. A person may be classified as a resident of Louisiana at the end of twelve consecutive months of residence if he has been employed in Louisiana and if during that period he has not been registered in an educational institution for more than six semester hours or its equivalent in any semester. A person who is unable to be employed and who has not been registered in any educational institution for more than six semester hours or its equivalent in any semester may acquire residence in Louisiana if there is convincing evidence that he continuously resided in Louisiana for twelve consecutive months immediately preceding registration.
5. A student who is married to a Louisiana resident may acquire the residence status of his or her spouse.
6. A person who resides in Louisiana for at least two years, exclusive of military service, and then moves to another state or foreign country shall retain the right to enroll himself or any of his dependents as a resident for a period equal to the number of years he resided in Louisiana, but the right shall expire upon the person's residing for a period of two years in another state or foreign country.
7. A member of the armed forces currently stationed in Louisiana and his dependents shall be classified as Louisiana residents. A serviceman who was stationed in Louisiana immediately prior to his release from active duty may enroll himself or his dependents as residents during a period not to exceed six months after the date of release provided that his term of active duty shall have been no less than 12 consecutive months.
8. A member of the armed forces who was a resident of Louisiana immediately prior to entering the armed forces shall retain the right for himself or any of his dependents to be classified as a resident as long as he is in the armed forces and for a two-year period after leaving the armed forces.
9. A resident of Louisiana shall not lose the right to be classified as a resident during periods of employment in a foreign country.

10. An alien who has been lawfully admitted to the United States for permanent residence as an immigrant (proof of such status shall be possession of his Form I-151-Alien Registration Receipt Card or passport officially stamped "approved as resident alien") and who has established residence under any of the foregoing provisions shall be declared a resident of the State.

The University has a Residence Appeal process. Any student classified as a non-resident may appeal the classification to the Office of Admissions. The student should be prepared to supply documentation to substantiate any appeal.

APPEALS COMMITTEE

A student's residence status does not change automatically, and the burden rests with the student to file the appropriate documentation with the Associate Director of Admissions, who is the chairman of the Residence Regulations Appeals Committee. To ensure completion of the reclassification action prior to fee payment deadline, the appropriate documentation should be filed with the Associate Director of Admissions no later than three weeks prior to the fee payment deadline for that semester. Information received after that time may not be completed in time to ensure reclassification as a legal resident for fee payment purposes. Also, to be eligible for a refund of non-resident fees paid for a given semester, the documentation for non-resident reclassification must be filed no later than sixty (60) days into the semester for which the fees are applicable. Refund of non-resident fees will not be retroactively applied to prior semesters.
