

The College of Business

Randall P. Settoon, *Dean*

Antoinette Phillips, *Interim Assistant Dean*

MISSION

The College of Business prepares students to be leaders of business, industry, and government in a dynamic global environment. Complementing the primary commitment to quality instruction, the College values intellectual contributions of an applied or instructional nature and provides service activities to improve the quality of academic programs, students, and economic health of Southeast Louisiana.

ASSURANCE OF LEARNING GOALS

Through its Assurance of Learning Process, the College of Business directly assesses the level of achievement of its majors with respect to five learning goals:

1. Students will demonstrate effective written and oral communication skills.
2. Students will demonstrate business knowledge in each of the following areas: management, marketing, accounting, finance, economics, and supply chain management.
3. Students will demonstrate business knowledge of the international marketplace.
4. Students will demonstrate effective critical-thinking skills for problem solving and decision making.
5. Students will demonstrate an understanding of ethics issues in business.

DEGREE REQUIREMENTS

The College of Business is composed of the Departments of Accounting and Finance, Management and Business Administration, and Marketing and Supply Chain Management. Specific curricula leading to degrees have been designed by each department in the College. The curricula have been structured within the framework of the University requirements for graduation found elsewhere in this catalogue.

*Accounting and business programs in the College of Business are accredited by the Association to Advance Collegiate Schools of Business International (AACSB).

HONORS DIPLOMA IN THE DISCIPLINE

The college also offers upper-division honors curricula allowing students to earn an honors diploma in a specific discipline at graduation. For information about requirements and honors courses in your major, please contact the department in which you are majoring.

PROFESSIONAL SOCIETIES

American Marketing Association

The Southeastern Chapter of the American Marketing Association received its charter in 1975. The purpose of the American Marketing Association student chapter is to foster and promote the study of marketing on the college campus. This organization is open to students with an interest in marketing. The major activities of the AMA are field trips to major marketing-related businesses, presentations by marketers at bi-weekly meetings, research projects, and banquets each semester.

Beta Alpha Psi

Beta Alpha Psi is the national accounting honorary and professional fraternity. The purposes of the organization are (a) to encourage overall academic achievement and specifically the achievement of high standards in the field of accounting; (b) to sponsor professional development programs for students and faculty of the Department of Accounting; and (c) to promote, through fraternal activities, the association of accounting students and professional accountants. Beta Alpha Psi is an integral part of the instructional program in accounting.

The Theta Eta Chapter of Beta Alpha Psi received its national charter in 1993. The organization was formerly known as Sigma Chi Alpha Accounting Honor Society and was organized in 1966.

Membership in Beta Alpha Psi requires the satisfactory completion of a pledge period for students who have met the following criteria:

1. Accounting major with junior standing or above.
2. Grade point average of 3.00 or better, or have a 3.25 grade point average on the most recent 30 hours of course work completed.
3. Minimum of 6 semester hours of accounting courses numbered 221 or above.
4. Grade point average of 3.25 or above in all accounting courses.
5. All accounting courses taken at Southeastern Louisiana University or transferred from another university with approval of Department of Accounting Head.
6. Candidate of good moral character.
7. Membership approved by Accounting faculty and members.

Beta Gamma Sigma

Beta Gamma Sigma is a national scholastic honor society dedicated to principles and ideals essential to a worthy life as well as to a commendable business career. Only a college of business accredited by the Association to Advance Collegiate Schools of Business – International (AACSB) is permitted to maintain a member chapter. Membership is by invitation and only open to business students who are in one of the following categories:

1. The top 7 percent of the junior class.
2. The top 10 percent of the senior class.
3. The top 20 percent of the MBA class.

Financial Management Association (FMA)

The Financial Management Association is an international organization whose mission is to broaden the common interests between academicians and practitioners; provide opportunities for professional interaction between and among academicians, practitioners, and students; and to enhance the quality of education in finance. The Southeastern FMA chapter, organized in 1966, is open to all majors. Activities include guest speakers from the local business community, tutors for beginning finance students, and social activities.

Institute of Management Accountants Student Chapter

Affiliated with the Baton Rouge Chapter, the Southeastern chapter of the Institute of Management Accountants (IMA) has three objectives:

1. To introduce management accounting and financial management to students planning careers in business.
2. To strengthen the knowledge and commitment of those already on the way to management accounting and financial management careers.
3. To demonstrate how IMA members work together for the continued improvement of the profession of management accounting/financial management and of their own skills in the field.

Institute for Supply Chain Management (ISM)

The Institute for Supply Chain Management is one of the largest and most respected supply chain management associations in the world. It exists to lead and serve the profession through its standards of excellence, research, promotional activities and education. The Southeastern ISM

chapter was organized in 2010 to enhance and support the quality of education in supply chain management, and is open to all majors. Major activities of the group include field trips to major supply chain-related businesses, presentations by and interaction with professionals in the field at monthly meetings, research projects, and social events.

MBA Society

The Southeastern MBA Society was organized in 1990 to encourage and promote the scholastic, social, and professional growth and development of candidates in the Southeastern Master of Business Administration program. The Society promotes the association between MBA candidates and the business community on a local and national level. Membership is open to all graduate students enrolled in the MBA program at Southeastern.

Mu Kappa Tau

Mu Kappa Tau is the only marketing honor society that offers both national recognition and chapter affiliation to its members. Mu Kappa Tau is firm in its commitment to the recognition and encouragement of members seeking a life-long commitment to an exceptional standard of ethics and achievement within the field of marketing. Membership is limited to students majoring in marketing who have a cumulative grade point average of at least 3.25 on a 4.0 scale and rank in the top 10 percent of the junior class or the top 20 percent of the senior class.

NABA

Since 1969, the National Association of Black Accountants, Inc. has been the leader in expanding the influence of minority professionals in the field of accounting. The Southeastern chapter of NABA, organized in June of 2005, is open to all accounting and business majors at Southeastern. The purpose of this organization is to promote professional development and recruitment activities through the attendance of members at the Southern Chapter of NABA's regional conference each Fall semester.

Phi Beta Lambda

The Upsilon Alpha Chi Chapter of Phi Beta Lambda was chartered in 1985. The purpose of the organization is to provide opportunities for post-secondary and college students to develop vocational competencies for business, business technology, and communication. PBL is an integral part of the instructional program and promotes a sense of civic responsibility. The specific goals are to develop competent, aggressive business leadership; to strengthen the confidence of students in themselves and their work; to create more interest in and understanding of American business enterprise; to encourage scholarship and promote school loyalty; to assist students in the establishment of goals; and to facilitate the transition from school to work. Phi Beta Lambda is open to all majors. Society for Human Resource Management (SHRM)

The primary mission of the Society for Human Resource Management (SHRM) is to provide professional and educational opportunities for its members. Key organizational activities include:

- * inviting HR professionals to speak at meetings
- * attending area professional chapter meetings
- * attending state and national SHRM conferences
- * providing shadowing and mentorship opportunities
- * providing internship placement assistance for members
- * distributing a resume booklet to local and regional employers

SHRM at Southeastern is sponsored by the Northshore Region Human Resource Association, a group of HR professionals, and is one of more than 400 student chapters nationwide.

Students in Free Enterprise (SIFE)

The purpose of Southeastern's Students in Free Enterprise Chapter is to develop entrepreneurial spirit, communication skills, business acumen, and a competitive desire in students. Members of SIFE participate annually in intercollegiate competitions sponsored by Students in Free Enterprise, Inc. The competitions give Southeastern's SIFE members opportunities to develop their business communication skills, meet executives of major firms, and advance their career interests. Chartered in 1987, Southeastern's SIFE members have won numerous regional and international awards. Typical topics in competitions concern workplace literacy, federal debt, role of mass media, use of the Internet in business, and business ethics. SIFE welcomes all majors, including non-business majors.
