Student Life is having their first event. This event is a Valentine's Day themed event located in the Student Union on February 11th from 11am-2pm. We are spreading love and appreciation for the students, university, faculty and staff. We will cut out hearts and if anyone passes by they will write why they love Southeastern or why they love being a lion! A banner will be created at the end of the event and a picture will be posted on the SGA page. Also, a virtual version will be available; those hearts will be posted to the story.

We will need volunteers to help create and cut out hearts for this event, as well as, setting up and tabling. If you are free from 10:30am- 2pm to help, please contact Cilicia Thornton. However, a sign up sheet will be sent out.
