In an effort to ensure the safety of our students, faculty, and staff while providing an environment conducive to learning, Southeastern Louisiana University has developed a comprehensive Student Code of Conduct. This booklet contains the Student Code of Conduct, as well as a number of policies important for student to be familiar with.

The Office of Student Conduct is responsible for administering a campus-wide student disciplinary system which is student-centered and based on educational and developmental principles. We strive to uphold community standards while respecting the rights of the individual. Our student disciplinary process embraces the principles of fair play, compassion, empathetic understanding, objectivity, respect for human dignity, and the search for truth.

The information, policies, and procedures outlined in this document are accurate at the time of publication, but subject to change at any time without prior notification. Student Code of Conduct

ARTICLE I: PURPOSE

Southeastern Louisiana University, in pursuit of its educational mission, seeks to teach students citizenship, to value others and respect community. The University affirms that students, upon enrollment, do not lose the rights of, nor are they exempted from, fulfilling the obligations and duties of citizens. Students have the responsibility to familiarize themselves with the Student Code of Conduct and with University policies including, but not limited to, those pertaining to harassment, computer use, academic dishonesty, and traffic regulations. Students are expected to conduct themselves in a manner which supports the educational mission and functions of the University, as well as to comply with all federal, state, and local laws, and all applicable University policies.

The University reserves the right to change the Student Code of Conduct at any time during the academic year. It is each student's responsibility to keep abreast and comply with the Student Code of Conduct as well as other published rules and policies. The most up to date copy of the Student Code of Conduct can be found at www.selu.edu/code. Students may also obtain a copy of this information by contacting the Southeastern Louisiana University Office of Student Conduct at (985) 549-2213.

ARTICLE II: DEFINITIONS

The following definitions apply to terms and or phrases used in Southeastern Louisiana University Student Code of Conduct:

- A.** The term "University" means Southeastern Louisiana University.
- B.** The term "student" includes all persons taking courses at the University whether full time, part-time, dually enrolled, visiting or pursuing undergraduate, graduate, professional studies or non-degree seeking. Also included are those who attend post-secondary educational institutions other than Southeastern Louisiana University and who reside in University residence halls. This Student Code also applies to all persons taking courses at satellite locations of the University.
- C.** The term "organization" and/or "student organization" means any number of persons who have complied with the formal requirements for University recognition. These terms are interchangeable with the term "student" as it relates to all areas of the Student Code of Conduct unless otherwise stated. In other words, student organizations will be held responsible for abiding by the Student Code of Conduct as if they were individual students and are subject to all regulations and sanctions herein stated.
- D.** The term "faculty member" means any person hired by the University to conduct classroom or academic activities.
- E.** The term "staff member" means any person hired by the University to work and/or perform administrative or other responsibilities.
- F.** The term "University official" includes any person employed by the University, performing assigned administrative or professional responsibilities.
- G.** The term "member of the University community" includes any person who is a student, faculty member, staff member, University official or any other person employed by or associated with the University. A person's status in a particular situation shall be determined by the Vice President for Student Affairs or the Chief Student Conduct Officer.
- H.** The term "University premises" includes all land, buildings, facilities, and other property in the possession of or owned, used, or controlled by the University (including adjacent streets and sidewalks), either on the main campus or at satellite sites.
- I.** The term "Chief Student Conduct Officer" means that person designated by the Vice President for Student Affairs who is primarily responsible for administration

of the Student Code of Conduct. The Chief Student Conduct Officer serves as a Hearing Officer and a Hearing Board Advisor and designates others to do so as needed. Nothing shall prevent the Vice President for Student Affairs from authorizing the Chief Student Conduct Officer from imposing sanctions in all cases.

- J.** The term "Assistant Director of the Office of Student Conduct (OSC)" means that person designated by the Vice President for Student Affairs and reports to the Chief Student Conduct Officer who is responsible for administration of the Student Code of Conduct. The Assistant Director of OSC serves as a Hearing Officer and a Hearing Board Advisor and designates others to do so as needed. Nothing shall prevent the Vice President for Student Affairs from authorizing the Assistant Director of OSC from imposing sanctions in all cases.
- K.** The term "Residential Conduct Officer" means that person designated by the Director of University Housing who is responsible for administration of the Student Code of Conduct as it applies to on-campus residents who are involved in incidents that occur within the facilities and do not rise to the level of possible expulsion or suspension from the University. Residential Conduct Officers serve as Hearing Officers and Hearing Board Advisors.
- L.** The term "Hearing Board Advisor" means the professional staff person designated by the Vice President for Student Affairs, the Chief Student Conduct Officer or the Assistant Director of OSC who serves in an advisory capacity to a hearing board.
- M.** The term "hearing body" means any person or persons authorized by the Vice President for Student Affairs, the Chief Student Conduct Officer, or the Assistant Director of OSC to determine whether a student has violated the Student Code of Conduct. There are two types of hearing bodies: (1) a Hearing Officer, and; (2) a Hearing Board.
 - 1. The term "Hearing Officer" or "Administrative Hearing Officer" means a University official authorized to administer the Student Code of Conduct, its corresponding administrative procedures, and to impose sanctions upon students found to have violated the Student Code of Conduct. Examples of Hearing Officers include, but are not limited to, the Chief Student Conduct Officer, the Assistant Director of OSC, the Director of University Housing, and/ or Residential Conduct Officers. Nothing shall prevent the Vice President for Student Affairs from authorizing a University Official to serve in the role of "Hearing Officer" or "Administrative Hearing Officer".
 - 2. Hearing Boards include:

- a. Student Conduct Hearing Board: A committee of students and faculty and/or staff members who hear discipline cases. This hearing board is authorized to determine whether a student and/or a student organization has violated the Student Code of Conduct and to recommend the imposition of sanctions. The board consists of at least two but no more than four members and a chairperson (who votes only in case of a tie).
 - b. Administrative Hearing Board: A group of faculty and/or staff who are appointed by the Vice President for Student Affairs, the Chief Student Conduct Officer, or designee to serve as the hearing body. The board consists of at least two but no more than four members and a chairperson (who votes only in case of a tie). An Administrative Hearing Board may be used in cases including, but not limited to those involving: scheduling difficulties, such as when a hearing is scheduled between academic semesters or during final examination periods; the sensitive nature of an incident, such as cases of alleged sexual harassment where a party involved is concerned with issues of confidentiality, and/or; other cases where the Vice President for Student Affairs, the Chief Student Conduct Officer or designee determines an administrative hearing is appropriate to the incident.
- N.** The term "Mediator" means a University official authorized on a case-by-case basis by the Vice President for Student Affairs, the Chief Student Conduct Officer or designee to conduct an alternative dispute resolution process in cases where both parties agree to work to resolve an incident in a setting less formal than a hearing.
- O.** The term "Complainant" means any member of the University community who submits a charge alleging that a student violated the Student Code.
- P.** The term "Respondent" means any student accused of violating this Student Code.
- Q.** The term "Witness" means anyone who has first hand knowledge of an incident. Witnesses play a voluntary role and may decline any involvement in the disciplinary process. Both the Complainant and Respondent shall have the right to call witnesses. Although both the complaining and responding parties are responsible for requesting the support of their own witnesses, nothing shall prevent the Chief Student Conduct Officer, the Assistant Director of OSC, the Director of University Housing, the Residential Conduct Officer or designee from calling witnesses.
- R.** The term "Administrative Discipline Conference" or "Discipline Conference" means a meeting between the student and the appropriate hearing officer. At

that conference the Student Code of Conduct and applicable administrative procedures are discussed.

- S.** The term “shall” is used in the imperative/mandatory sense.
- T.** The term “may” is used in the permissive sense.
- U.** The term “policy” is defined as the written regulations of the University as found in, but not limited to, the Student Code of Conduct, Residential Life Handbook, and University Catalog. The term includes, but is not limited to, the University Alcohol and Drug Policy, Sexual/Racial Harassment Policy, Computer Use Policy, Traffic Regulations, and Student Organizations/Greek Life Policies and Procedures Manual.
- V.** The term “cheating” includes, but is not limited to: (1) use of any unauthorized assistance in taking quizzes, tests, or examinations; (2) dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; (3) the acquisition, without permission, of tests or other academic materials belonging to a member of the University faculty or staff; (4) engaging in any behavior specifically prohibited by a faculty member in the course syllabus or class discussion; (5) and/or other violations as defined by University policies.
- W.** The term “plagiarism” includes, but is not limited to, the use, by paraphrase or direct quotation, of the published or unpublished work of another person without full and clear acknowledgment. It also includes stealing and passing off the ideas and/or words of another as one’s own; using a created production without crediting the source; the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials; and/or other violations as defined by University policies.

ARTICLE III: CONDUCT AUTHORITY

- A.** The Chief Student Conduct Officer, the Assistant Director of OSC, the Director of University Housing, or the Residential Conduct Officer shall determine the composition of hearing bodies.
- B.** The Vice President for Student Affairs, Chief Student Conduct Officer, the Assistant Director of OSC and the Director of University Housing shall develop policies for the administration of the conduct program and procedural rules for the conduct of hearings which are consistent with provisions of the Student Code of Conduct.
- C.** An Administrative Hearing Officer, Residential Conduct Officer, and/or a Hearing Board determines if a student or student organization is responsible for a breach of the Student Code of Conduct and any other University policy regarding student behavior. Hearing Boards recommend sanctions to the Hearing Board Advisor or the Chief Student Conduct Officer, the Assistant Director of OSC or the Director of University Housing. The only authority who can determine sanctions (as opposed to recommending those sanctions) is a Hearing Officer, Residential Conduct Officer, Hearing Board Advisor, the Chief Student Conduct Officer, the Assistant Director of OSC, the Director of University Housing, and/or the administrator who hears the appeal.
- D.** As a rule, all incidents which may result in suspension or expulsion from the University will be referred, after an initial disciplinary conference, to a Student Conduct Hearing Board or an Administrative Hearing Board. However, should the accused take responsibility for the alleged violation and choose not to proceed to a hearing board or panel, the Vice President for Student Affairs, the Chief Student Conduct Officer, the Assistant Director of OSC, or designee may choose to honor the request. The request must be in writing and signed by the respondent.
- E.** Decisions made by a hearing board and/or hearing officer shall be final, pending normal appeal procedures.
- F.** After an initial contact with an administrative hearing officer, a mediator may be designated as arbitrator of a dispute within the campus community in cases where both parties agree to this alternative resolution. Both parties must agree to mediation and to be bound by the decision with no right of appeal. If the parties do not uphold the mediated agreement; if the parties do not appear at the designated mediation session; or, if the incident cannot be resolved in the mediation, the case may be resolved through a hearing.

C. Violation of Law and University Discipline

1. If a student is charged only with an off-campus violation of federal, state, or local laws, but not with any other violation of this code, disciplinary action may be taken and sanctions imposed for grave misconduct which has a detrimental impact on the University's educational function;
2. When a student is charged by federal, state or local authorities with a violation of law, the University will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also the subject of a proceeding before a hearing body under the Student Code of Conduct, however, the University may advise off-campus authorities of the existence of the Student Code of Conduct and of how such matters will be handled internally within the University community. The University will cooperate fully with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators. Individual students and faculty/staff members, acting in their personal capacities, remain free to interact with governmental representatives as they deem appropriate.
3. The University is considered a Quiet Zone. All volume on vehicle stereos should be turned down according to the stipulations of the City Noise Ordinance.

ARTICLE V: STUDENT RIGHTS

The University affirms the following student rights and privileges in disciplinary proceedings:

- A. To be informed of the Student Code of Conduct and its corresponding procedures;

Any member of the University community may file a discipline charge or complaint against a student when that person believes the student has violated any University policy;
- C. To receive notice of any alleged violations of University policy and/or breaches of the Student Code of Conduct;
- D. To have the benefit of an opportunity to be heard by an impartial Hearing Board or Hearing Officer in addressing an allegation/s of a violation of University policy;
- E. To have an advisor, including an attorney, present in a disciplinary conference and/or hearing. Advisors may not participate directly in a disciplinary conference and/or hearing process nor may an advisor address any participant in the disciplinary conference and/or hearing process other than the student the advisor represents;
- F. To examine evidence to be used against him or her;
- G. To view the list of witnesses against him or her at the administrative discipline conference or prior to a hearing in front of a hearing board.

ARTICLE VI: DISCIPLINARY PROCEDURES

A. Charges

1. Complaints of misconduct against a student may be filed by any member of the University community. Complaints shall be prepared in writing and directed to the Office of Student Conduct, or, in violations occurring in the University residential facilities, to the Residential Conduct Officer or designee. In the disciplinary hearing, the complainant (person filing charges) bears the burden of proof. Persons considering filing complaints are encouraged to arrange for a meeting with a Conduct Officer prior to filing complaints to discuss filing and hearing procedures.
 - a. The written complaints should include:
 1. Full name, local address, and phone numbers of the complainant, accused, and witnesses, (and whenever possible, "W" numbers);
 2. The specific conduct standard, policy, and/or rule allegedly violated (this may be determined by the conduct officer);
 3. The date, time, location and persons involved in the incident under investigation;
 4. A narrative of the incident describing what occurred;
 5. Copies of pertinent witness statements, police and/or housing reports, along with a list of any other physical evidence (photographs, written documents, items, etc.), to be presented at the hearing; and,
 - b. Complaints should be submitted as soon as possible after the incident, preferably within five (5) working days. Barring unusual or extenuating circumstances complaints may not be accepted for incidents which occurred more than 30 working days prior to filing.
2. Students may not avoid campus disciplinary action by withdrawing or graduating from the University. Any complaints/charges or sanctions pending when a student leaves the University must be properly disposed of prior to releasing the student's records or the matter may be adjudicated without the respondent being present. The University may withhold awarding a degree otherwise earned until the completion of the process set forth in this Student Conduct Code, including the completion of all sanctions imposed, if any. Students who receive a disciplinary sanction involving separation from the University, and/or University housing are reminded that the University's normal refund policy will apply.

3. The Hearing Officer may conduct an investigation to determine if the complaint has merit and/or if the complaint can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to the Hearing Officer.

B. Preliminary Administrative Disciplinary Conference

1. Upon receipt of a properly filed complaint, a staff member of the appropriate conduct office shall notify the accused student by e-mail, regular mail or hand delivery that proceedings have been initiated. The letter indicates a scheduled meeting time with a Hearing Officer, or directs the student to schedule a preliminary/administrative discipline conference within a specified amount of time. The letter also lists the alleged violation with which the student is being charged. Failure to comply with this directive may result in a full hearing board being scheduled.
2. The purpose of the preliminary administrative disciplinary conference is to provide the student an opportunity to review the alleged offense/s with the Hearing Officer, to examine evidence, to discuss the Student Code of Conduct and the discipline process. Students who do not have a copy of the Student Code of Conduct will be given one in this preliminary meeting or will be directed to an on-line copy. Further, the student and the Hearing Officer will determine if the matter can be resolved through mutual agreement, including, but not limited to, the charges/complaints being rendered null and void; an administrative agreement being signed which indicates the student assumes responsibility for a violation/s of the Student Code of Conduct; or, a referral to mediation. If at the administrative disciplinary conference, the respondent assumes responsibility for an infraction, the student may sign an administrative agreement and waive any further proceedings and/or appeals. If the complaint cannot be disposed of by mutual consent, the matter will be referred to a hearing involving a Student Conduct Hearing Board or an Administrative Hearing Board.

The Hearing Officer may later serve in the same matter.

C. Hearings involving a Hearing Board

In cases which cannot be resolved in an Administrative Disciplinary Conference, and in those incidents which rise to the level of expulsion or suspension from the University or University Housing, the matter will be referred to a Student Conduct Hearing Board, or an Administrative Hearing Board. Hearings involving a hearing board are designed for both the complainant and respondent to present their accounts of an incident.

1. The accused student shall be given written notice of the hearing to inform him/her of the specific charge(s), of his/her rights as a student, and the date, time,

and location of the hearing.

- a. Generally, a time set for a hearing will be no fewer than two or more than 15 working days after the student has been notified of the hearing. However, due to the nature of the academic year, if the incident occurs close to the end of a semester, or if the appropriate hearing body cannot be scheduled, the student's case will be heard as soon as a hearing can be scheduled.
 - b. Maximum time limits for scheduling hearings may be extended at the discretion of the Vice President for Student Affairs, the Chief Student Conduct Officer, the Assistant Director of OSC, and the Director of University Housing.
 - c. Notice shall be sent/delivered to the last local/ mailing address and/or E-mail account identified on the student's official records, and shall be considered delivered two working days after the letter has been posted.
 - d. Students are responsible for notifying the University of their current contact information including physical/ mailing/ electronic addresses. Address changes must be made through the Office of Records and Registration. Failure to notify the University of the current local address, to collect one's mail from one's address, and/or to receive or sign for a discipline mailing does not void the fact that a notice was delivered.
 - e. Hand delivered notices are considered to be delivered on the date they are given to the student.
2. The purpose of a disciplinary hearing is to determine if the accused student is responsible for violating one or more standards of the Student Code of Conduct, and to recommend any appropriate sanctions. A student is presumed to be not responsible until proven responsible in a disciplinary hearing. The burden of proof shall rest on the complainant.

3. Order of the Hearing

The hearing is structured such that the discussion proceeds in an orderly manner.

Below is the order that the hearing follows:

- The reading of the complaint/charges by the hearing chairperson;
- The entering of pleas by each respondent.
- There are three pleas: Responsible, Not Responsible, and No Plea, which indicates that the student does not know whether or not she/he is responsible, or means

the student is unwilling to say and is allowing the Board to decide.

- Statement of complainant and introduction of evidence;
 - Questioning by the respondent and the Board and or the Hearing Board Advisor;
 - Statement of the respondent and introduction of evidence;
 - Questioning by the complainant and the Board, and the Hearing Board Advisor:
 - Statement of the complainant's witnesses, followed by respondent's questions, and, then those of the Board and or the Hearing Board Advisor;
 - Statements of the respondent's witnesses, followed by complainant's questions, and, then those of the Board, and or the Hearing Board Advisor;
 - Additional questions by the Board, the Hearing Board Advisor, complainant, and/or respondent;
 - Closing statements, first by the complainant and then by the respondent;
 - Deliberation of the Board;
 - Recommendation of the Board to the advisor;
 - Notification of the decision and, if necessary, sanctions. Delivery of the notice may be by hand or through the mail.
 - a. Closing statements shall be specific to the incident involved and may include any reiteration of previously stated facts, written statements of character by a third party, and/or any other comments involving the case. Closing statements are the final opportunity for the respondent and the complainant to provide any additional information which will facilitate the Board's decision, including recommendations for sanctions. Closing statements may be limited to a specified time constraint at the Board and or the Hearing Board Advisor's discretion.
4. A hearing before a Hearing Board shall be conducted according to the following guidelines:
- a. Hearings normally shall be conducted in private. Only the hearing body/officer, respondent, complainant, their designated advisors, the recorder, and persons identified with the University community as having an educational need to know, may be present for the beginning of the hearing. Each witness will be called into the hearing individually to give testimony. Subject to the approval

of the Hearing Board Advisor and the parties involved, an observer may be admitted, but shall not have the privilege of participating in the hearing. Written requests for a waiver of rights to a private hearing, along with proper documented approval from all parties outlined above, must be submitted to the Chief Student Conduct Officer, the Assistant Director of OSC, the Director of University Housing, or the Residential Conduct Officer at least 48 hours prior to the hearing. Admission of any person to the hearing shall be at the discretion of the hearing body and/or the Hearing Board Advisor. Only the hearing body/officer and persons identified with the University community as having an educational need to know may be present during deliberations.

- b. In hearings involving more than one respondent student, the Hearing Board Advisor, at his or her discretion, may permit the hearing concerning each student to be conducted separately.
- c. The complainant and the respondent have the right to be assisted by any advisor they choose, at their own expense. The complainant and the respondent are responsible for presenting their own cases and; therefore, advisors are not permitted to speak or to participate directly in any hearing before a hearing body. Written notification of the name and relationship of an advisor to the complainant or respondent must be submitted to the Hearing Board Advisor at least 24 hours prior to the hearing.
- d. The complainant, the respondent and the hearing body shall have the privilege of presenting witnesses, subject to questioning. All parties are responsible for notifying their witnesses of the date and time of the hearing. Written notification of the names and relationships of witnesses to the complainant or respondent must be submitted to the Hearing Board Advisor at least 24 hours prior to the hearing.
- e. Respondents have the right to remain silent, although present, at disciplinary hearings. They may refuse to answer any question or questions and shall participate in the remainder of the hearing. Remaining silent or refusing to answer questions shall not be construed as an admission of responsibility, or used against the student.
- f. Statements given in disciplinary hearings are confidential in nature and may not be discussed outside of the hearing and/or discipline process.
- g. Lying or intentionally misleading the Board/Hearing Officer will not be tolerated, and may be referred for disciplinary action.

- h. Pertinent records, exhibits and written statements may be accepted as evidence for consideration by a hearing body at the discretion of the chairperson and/or the Hearing Board Advisor.
 - i. All procedural questions are subject to the final decision of the chairperson of the hearing body and/or the Hearing Board Advisor.
 - j. After the hearing, the hearing body shall determine (by majority vote) whether the student violated each section of the Student Code of Conduct the student is charged with violating.
 - k. Hearing body deliberations to determine responsibility shall be conducted in confidential, closed sessions, as are any sanctioning portions.
 - l. The hearing body's determination of responsibility shall be made if a preponderance of the information, that is, the facts and information, presented in the hearing are such that the hearing officer or hearing board finds it more likely than not that the respondent is responsible for the offense as charged.
 - m. Strict rules of evidence do not apply at campus disciplinary hearings. Although first hand testimony is preferable, written statements, hearsay testimony and other evidence are allowed, subject to the discretion of the hearing chair and/or Hearing Board Advisor.
 - n. Following the final decision of the hearing body, the respondent, will be informed of the determination and recommended sanction, if any, within ten business days. In cases of sexual assault and/or physical violence, the complainant shall also be informed of the determination.
5. There shall be a record, usually an audio tape recording, of all hearings before a Hearing Board. Deliberations shall not be recorded. The official hearing record will be a transcription of the audio tape recording. An official hearing record may be made at the expense of the appellant. Students are cautioned that information contained in official hearing records is strictly confidential, and should only be used in matters of campus appeals. The record shall be the property of the University.
6. The Hearing Board may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the Complainant, Respondent, and/or other witness during the hearing by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, videophone, closed circuit television, video conferencing, videotape, audio tape, written statement, or other means, where and as determined in the sole judgment of the Chief

Student Conduct Officer to be appropriate.

7. Except in the case of a student charged with failing to obey the summons of a hearing body or University official, no student may be found to have violated the Student Code of Conduct solely because the student failed to appear before a hearing body. In all cases, the evidence in support of the complainant(s) charge(s) shall be presented and considered, whether or not the respondent is present.
8. Refer to the specific policy for further details of other University policies.

Students who are involuntarily separated from the University are restricted from visiting or entering Southeastern Louisiana University premises for the period during which their sanction is in effect without advance written authorization from the Chief Student Conduct Officer. A hold may be placed on the ability to register and or the records of students involuntarily separated from the University for the period of separation. The student is placed on Disciplinary Probation for a definite period of time following the return to the University.

Confidential disciplinary records remain on file with the Office of Student Conduct seven years after the student last attended the University. Confidential disciplinary records may be expunged at the student's written request one year after his/her graduation from the University in minor cases that do not involve separation from the institution. Open cases that await completion of a disciplinary action shall remain part of the student's permanent academic record. Confidential disciplinary records involving the imposition of sanctions entailing separation from the institution are kept indefinitely.
4. The following sanctions may be imposed upon groups or organizations:
 - a. Those sanctions listed above in Section D 1, a-l.
 - b. Deactivation - loss of privileges, including loss of university recognition, either permanently or for a specified period of time.
5. In each case in which a hearing body determines that a student has violated the Student Code of Conduct, the sanction(s) shall be recommended by the hearing body but final determination will be imposed by the Hearing Board Advisor. Sanctions are not limited to those recommended by the hearing body but may be modified by the Chief Student Conduct Officer, the Assistant Director of OSC, the Director of University Housing, and/or the Hearing Board Advisor.

Following the hearing, the Hearing Board Advisor shall advise the Respondent in writing of the determination of the sanction(s) imposed, if any. In cases of sexual assault and/or physical violence, the complainant shall also be informed of the determination.

E. Typical Ranges of Sanctions

Sanctioning ranges established by the University exist for students found responsible for violating certain sections of the Student Code of Conduct.

However, ranges exist to provide a guide and are not mandatory as each case is determined on a case-by-case basis, taking into account intervening variables, the determination of the Hearing Officer or Board of the student's realization and understanding of his/her actions, whether the student has been involved in past infractions of the Student Code of Conduct, and the individual circumstances of the incident. F. Interim Suspension

In certain circumstances, the Vice President for Student Affairs, the Chief Student Conduct Officer, the Assistant Director of OSC, or designee, may impose a University or residence hall suspension prior to the hearing before a hearing body.

Living on campus is a privilege, not a right. The University reserves the right to terminate this privilege, at any time, for inappropriate behavior by a student.

1. Interim suspension may be imposed only:

- a. To ensure the safety and well being of members of the University community or preservation of University property;
- b. To ensure the student's physical or emotional safety or well being; or,
- c. If the student poses a threat of disruption of or interference with normal University operations.

2. During the interim suspension, the Vice President for Student Affairs, the Chief Student Conduct Officer, the Assistant Director of OSC or designee may deny the student access to any or all of the following: residence halls; the campus (including classes), and/or; all other University activities and/or privileges for which the student might otherwise be eligible.

ARTICLE VII: APPEALS

A. A decision reached by the hearing body or a sanction imposed by the Chief Student Conduct Officer, the Assistant Director of OSC, the Director of University Housing, and/or the Residential Conduct Officer may be appealed by accused students or, in cases of physical violence or sexual assault, by the complainants to the Vice President for Student Affairs or his/her designee within five (5) working days of being notified of the decision. If the student is notified of the decision by letter, the student has five (5) working days from the posted dated stamped on the envelope to make an appeal. Such appeals shall be in writing and shall be delivered to the Vice President for Student Affairs and/or Chief Student Conduct Officer or his/her designee. The rendered sanction is in effect as of the date identified on the sanction letter, or until an appeal is granted. The Vice President for Student Affairs or his/her designee, may choose to suspend the outcome of a hearing while the appeal is being reviewed. Generally, a time set for an appeal response will be no more than 10 working days after the student has delivered the appeal. However, time limits for an appeal response may be extended at the discretion of the Vice President for Student Affairs, the Chief Student Conduct Officer, the Assistant Director of OSC, and the Director of University Housing.

1. Appeals of decisions and/or sanctions involving individuals or student organizations must be submitted to the Vice President for Student Affairs.
2. A student may appeal the decision of the Vice President for Student Affairs to the President of the University or his/her designee if the sanction is one of suspension from the University for a period of one academic year, or if the sanction is of greater severity. For appeals regarding less severe sanctions, the final appeal shall be at the Vice President for Student Affairs level.
3. A student may appeal the decision of the University President to the Board of Supervisors for the University of Louisiana System if the sanction is one of suspension from the University for a period of one academic year, or if the sanction is of greater severity. For appeals regarding less severe sanctions, the final appeal shall be at the University level. If the student chooses to appeal to the Board of Supervisors after all administrative procedures have been exhausted at the University level, the appeal must be submitted to the President of the University of Louisiana System which refers the appeal to the Board of Supervisors for the University of Louisiana System. The appeal must be made within 30 calendar days of the University's decision. The Board's review is limited to a determination of compliance with established and appropriate procedures at the University level. The student shall be notified of the Board's decision.

- B. Except as required to explain the basis of new information, an appeal at the University level may be limited to a review of the written statement by the party requesting the appeal and/or written documents pertaining to the case. The scope of review shall be limited to consideration of the following questions:
1. Whether the discipline process was conducted fairly and in conformity with the properly prescribed procedures;
 2. Whether to consider new information, sufficient to alter a decision, or other relevant facts not brought out in the original hearing, because such information and/or facts were not known to the person appealing at the time of the original Student Conduct Board Hearing.
 3. Whether the sanction or remedy imposed was in due proportion to the gravity and nature of the conduct.
- C. If an appeal is upheld in cases involving appeals by students who have been found to have breached the Student Code of Conduct, the President and Vice President for Student Affairs or his/her designee may either:
1. Reduce, change, or dismiss the sanctions of the hearing body;
 2. Remand the case to a new hearing body although nothing shall prevent the same Student Conduct Advisor from serving as advisor to this new hearing body.
- D. It is important for students who file grievances with the University of Louisiana System Board of Supervisors to understand the following:
1. The Board of Supervisors does not consider appeals for academic matters, but only matters pertaining to appeals of university rulings on conduct.
 2. The Board of Supervisors conducts reviews of student appeals via materials provided by the student grievant and the university.
 3. Review by the Board of Supervisors consists of an exhaustive examination of procedures followed by the university in regard to due process and not the specific details of the grievance matter.
 4. The University of Louisiana System student grievance process does not provide the benefit of a hearing by the student directly to the Board of Supervisors.

ARTICLE VIII: INTERPRETATION AND REVISION

- A. Any questions of interpretation regarding the Student Code of Conduct shall be referred to the Vice President for Student Affairs, Chief Student Conduct Officer, the Assistant Director of OSC or his/her designee for final determination.
- B. The Student Code of Conduct shall be reviewed periodically under the direction of the Vice President for Student Affairs or designee.

Mental Health Emergencies: Suicide Attempts

2. Follow the directions as given by the officer/dispatcher.
3. University Police, upon notification of a suicide attempt, will take action(s) as appropriate to:
 - a. Instruct the caller what to do.
 - b. Dispatch officer(s) to the scene.
 - c. Contact ambulance/medical facility.
 - d. Contact University administrators:

Endangering or Disruptive Behavior

Students who endanger their own, another, or a group of people's physical well being; or, disrupt the campus community, may be suspended on an interim basis from the residence halls and/or the University. To be considered for reinstatement to the residence halls and/or the University, the student may be required to provide the Chief Student Conduct Officer with a Behavioral Assessment completed and signed by a Physician indicating that the student is not a threat to himself/herself or the campus community. This form may be obtained from the Office of Student Conduct or University Campus Police Department. Additionally, the parents, legal guardian, and/or significant other may be notified of the incident. Students are advised that endangering and/or disruptive behavior is a violation of the Student Code of Conduct and may result in disciplinary action by the University.

ANNUAL SECURITY AND FIRE SAFETY REPORT

According to the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), institutions which participate in Federal student financial aid programs are required to provide information to the public regarding campus safety and security policies and procedures. Statistics regarding crimes related to their campuses must also be reported. The definition set used for this format is according to the FBI Uniform Crime Reporting (UCR)/National Incident-Based Reporting System (NIBRS).

Southeastern Louisiana University is dedicated to providing a safe and secure environment for students, faculty, staff and visitors to our Hammond Campus, Baton Rouge Nursing Center, Livingston Parish Literacy and Technology Center, and St. Tammany Center. Many individuals and departments are involved in campus safety and security. This information can help keep you and others safe at Southeastern.

At Southeastern Louisiana University, we endeavor to consistently provide accurate information to our community regarding the safety of our campus. In furtherance of these efforts, we make our policies, procedures, and statistics available electronically at www.selu.edu/admin/police/cleryinfo/index.html.

Procedures for Reporting Crimes and Other Emergencies

Students, faculty, staff members, and visitors are strongly encouraged to report any criminal activity, potential criminal action, or any other emergency by calling the University Police Department at 985-549-2222. This number provides direct, 24-hour-a-day contact with the police radio dispatcher and reports may be made on a voluntary, confidential basis. Non-emergency calls can be made to 985-549-3835 during regular business hours (7:30 a.m. through

5:00 p.m., Monday through Thursday, and 7:30 a.m. through 12:30 p.m. on Fridays, except holidays or University closures). In addition, there are over 70 emergency telephones located throughout the campus which provide direct access to the University Police Department with the touch of a single button. One may also make a report on a confidential or anonymous basis by accessing the University Police Department's web site at www.selu.edu/admin/police/.

In event an individual prefers to report a criminal offense to someone other than the University Police Department, he/she has the option of reporting the situation to the Vice President for Student Affairs, Dyson Hall, telephone 985-549-5250. An employee also has the option of reporting an incident to his/her supervisor.

Emergency Response and Evacuation Procedures

Southeastern Louisiana University will immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on campus. This notification will involve one or more of the following delivery methods:

- Text/Voice/E-mail alerts – Southeastern has installed a cell phone text messaging system through FirstCall, which allows brief emergency messages to be communicated at the rate of 6,000 messages per minute. While all students, Faculty, and staff are automatically registered with the system through their e-mail accounts, cell phone text and voice messages can only be sent to those who sign up – or “opt-in” – for the service. To register for this service, visit the link on the Southeastern webmail page or at www.alertregistration.com/southeastern/.
- Telephone Alerts – In the event of an emergency, the university telephone system will also be used to send emergency voice messages to digital telephones located in each building. The emergency message activates a “telephone tree,” in which trained faculty and staff will share the information with others in their respective buildings.
- Web alerts – The university website, www.selu.edu, allows for quick posting of emergency alerts and updates on the home page. This is the most reliable place to check to determine whether the campus is being closed for any emergency, including weather-related closures.
- Outdoor campus PA system – A public address system located in the middle of the campus can be used to broadcast sirens or voice alerts. The system is loud enough to be heard throughout campus by individuals outdoors. If you hear the siren or horn, this means there is an emergency or serious incident occurring on campus.

Southeastern will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate one or more of the listed notification systems, unless the notification will, in the professional judgment of responsible authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.

Once a significant emergency is confirmed, the University Police Department Shift Supervisor on duty will notify the Director, University Police who will then make contact with the Vice-President for Student Affairs, the Vice-President of Administration and

Finance, and the President of the University. These parties together will decide who will be notified of the incident, determine the content of the notification, and initiate any or all notification systems available. In addition to the above listed personnel, the Executive Assistant to the President and the Director of Public Information may also be involved with this process.

The Director of Public Information will disseminate relevant information to the larger community through the most appropriate and expedient method of communication, including, but not limited to, phone, e-mail, and fax.

Southeastern reviews its emergency notification systems, emergency response, and evacuation procedures at least once each year. These procedures are publicly available through the Office of Safety and Hazardous Materials Management (985-549-2157), located in Cardinal Newman Hall at the intersection of West Dakota Street and North Pine Street.

During calendar year 2010, Southeastern conducted tests of the text/voice/e-mail alert system and the telephone alert system on three occasions:

- April 30, 2010 at 2:56 PM – Unannounced
- November 29, 2010 at 2:53 PM – Unannounced
- December 3, 2010 at 11:55 AM – Unannounced

The Annual Security Report

On a yearly basis, the Director of University Police, or a designee, reviews each police report and records each case meeting the definitions of the Uniform Crime Report (UCR) that is within the geographical area mandated to be reported.

Crimes to be reported include (according to the definition set forth by the Federal Bureau of Investigation's Uniform Crime Report): Arson, Aggravated Assault, Burglary, Homicide (including non-negligent manslaughter), Negligent Manslaughter, Motor Vehicle Theft, Robbery, and Sexual Assault (Forcible and Non-Forcible). In addition, the number of arrests and referrals to the Office of Student Conduct is recorded for violations of drug, liquor, and weapon laws. Also, any of these offenses and larceny-thefts, simple assaults, intimidation, and vandalism which were reported as hate crimes is separately identified.

Crimes are reported as having occurred in one of four categories: (1) On-Campus, (2) Residential Life Facilities, (3) Public Area, and (4) Non-Campus Properties

- (1) On-Campus is defined as any building or property owned or controlled by the

University which is within the same reasonably contiguous geographic area of the institution and used by the institution in direct support of, or in a manner related to, the institution's educational purposes and property within the same reasonably contiguous geographic area of the institution but controlled by another person which is used by students and supports institutional purposes (such as food or other retail vendors).

- (2) Residential Life Facility is defined as any building that houses students such as residence halls and residential apartment complexes. All Residential Life Facilities at Southeastern Louisiana University are located on-campus; however, this category is used to distinguish between academic, administrative, and residential buildings.
- (3) Public Area is defined as any public property that is within the same reasonably contiguous geographic area of the institution, such as a sidewalk, a street, other thoroughfare, or parking facility, and/or is adjacent to a facility owned or controlled by the institution if the facility is used by the institution in direct support of, or in a manner related to, the institution's educational purposes.
- (4) Non-Campus Property is defined as any building or property owned or controlled by a student organization recognized by the institution and any building or property (other than a branch campus) owned or controlled by an institution of higher education that is used in direct support of, or in relation to, the institution's educational purposes, is used by students and is not within the same reasonably contiguous geographic area of the institution.

Crime Log

The Southeastern Louisiana University Police Department maintains a crime log on which is recorded each criminal offense, traffic violation, and non-criminal incident reported to the Department. Other information on the log is case number, date and time the report was made to the University Police Department, the date and time the incident occurred (if known), the general location where the incident occurred, and the disposition of the report. Dispositions of incidents recorded in the Log will be one of the following:

- Open – This disposition designates a case that is under investigation or has otherwise not been closed or referred to another agency or Department.
- Pending – This disposition designates a case that is pending court action or has been referred to another agency or court.
- Closed – This disposition designates a case that is no longer under active

investigation, has been adjudicated in court, has been referred to another agency, or has reached a point where there is no further action to be taken by the Department, including cases where no further leads are available or the victim refused to cooperate.

- Disciplinary Referral – This disposition designates a case that has been referred to another University Department for action under their own policies and procedures and the University Police Department is no longer the primary acting agency on the case.
- Unfounded – This disposition designates a case wherein credible evidence has been discovered which demonstrates the report to be false or baseless. This designation requires positive demonstration of the falseness or lack of base for the report and is not to be utilized in cases where there simply is no evidence to support the crime.

The log is updated at least every two business days and is available for public viewing during regular business hours (7:30 a.m. through 5:00 p.m., Monday through Thursday, and 7:30 a.m. through 12:30 p.m. on Fridays, except holidays or University closures).

Timely Notice

The University will publish, in a timely manner without undue delay, a “Community Awareness Bulletin” or similar notice to alert the University community of crimes or other emergencies which:

- a) Occur on or near the campus;
- b) Are included in the list of crimes covered by the Clery Act;
- c) Are reported to the University as identified under the University statement of current campus policies; and
- d) Are considered to represent an ongoing threat to the safety of students and employees.

Security of and Access to Campus Facilities, including Campus Residences

Southeastern Louisiana University is a public institution. As such, we have an open campus with numerous city streets and a state highway offering access onto the campus. Most University facilities are open to the public during the day and evening hours when classes are in session. University Police Officers or designated student security employees conduct building checks as soon as possible after scheduled activities have been concluded for the day. Only faculty, staff, and graduate assistants with verifiable

identification or persons with keys issued by the University are allowed to enter locked buildings when the University is closed.

Southeastern has nine (9) residence halls, an apartment complex consisting of seven (7) buildings ("Southeastern Oaks"), and a thirteen (13) building residential complex ("The Village"). Each residential area is administered under Southeastern Louisiana University's Office of Student Housing and is staffed with several Resident Assistants. Employees of the Office of Student Housing and University Police officers are actively involved in keeping the Residence Life areas safe by patrolling these areas 24 hours a day.

Each bedroom, as well as each living room, in each apartment at Southeastern Oaks and The Village has an alarm system with push-button access. In each residence hall, one each floor near the elevator door, there is an emergency telephone.

Residents are encouraged to take an active role in campus safety by reporting all unusual occurrences and/or suspicious persons to the appropriate authorities and not leaving doors propped open or unlocked. Visitors and guests must be accompanied by a resident at all times and residents are held accountable for their guests' actions and conduct.

Maintenance of Campus Facilities

Southeastern Louisiana University's Physical Plant Services helps keep University buildings and grounds safe and secure. The Director of Physical Plant Services or a designated representative inspects campus facilities regularly, promptly notifies the appropriate authority for repairs affecting safety and security, and responds to reports of potential safety and security hazards such as broken windows and locks. The University Police Department assists Physical Plant personnel by reporting potential safety and security hazards discovered during patrols or building security checks. Students, faculty, staff, and visitors may also report any safety or security hazards by calling 985-549-2222 or 985-549-3333, 24 hours a day.

Enforcement Authority of Security Personnel

Southeastern Louisiana University Police Officers are commissioned by the Louisiana Department of Public Safety and Corrections and are empowered by Louisiana Revised Statute 17:1805. As such, University Police Officers have the right to carry a concealed weapon and to exercise the power of arrest when discharging their duties while in or out of uniform and to discharge their duties off campus if engaging in intelligence gathering activity, investigating a crime committed on campus, or if specifically requested by the chief law enforcement officer of the city or parish.

Each University Police Officer must successfully complete the Louisiana Commission on Law Enforcement's Peace Officer Standards and Training (POST) Academy, an intensive course taught through an accredited basic training academy. Officers receive additional in-service and specialized training in a variety of subjects to ensure competency in law enforcement, security, and safety areas.

University Police Officers are responsible for the full range of law enforcement services. These include, but are not limited to, responding to and investigation of incidents and offenses, medical emergencies, fires, bomb threats, auto accidents, violations of state liquor, controlled substances, and weapons laws and other on-campus emergencies.

Escorts are available for the safety of anyone walking alone on campus at any time of the day or night.

Working Relationship with State and Local Police Agencies

Southeastern Louisiana University's Police Department enjoys positive working relationships with the Baton Rouge Police Department, Hammond City Police Department, Livingston Parish Sheriff's Office, Louisiana State Police, St. Tammany Parish Sheriff's Office, Tangipahoa Parish Sheriff's Office, 21st Judicial District Attorney's Office, and Walker City Police Department. The University Police Department maintains liaison with these law enforcement agencies to ensure the monitoring and recording of criminal activity which may involve students at off-campus locations. Each year, the Director of University Police or a designee forwards letters to the Chief, Sheriff, or other Director of these agencies asking for statistic information regarding crimes or emergencies reported to them that occurred within the geographical area mandated to be reported.

The University Police Department has written Memoranda of Understanding with the Tangipahoa parish Sheriff's Office and the Hammond City Police Department wherein these three agencies provide mutual aid for emergencies, investigations, and responding to special occurrences on or off-campus.

Whenever an incident occurs that exceeds the capabilities of the University Police Department, personnel and other resources are provided by the above listed law enforcement agencies. By agreement with the Hammond City Police Department, the University Police Department responds to incidents at locations owned and/or operated by student organizations that are recognized and supported by Southeastern Louisiana University.

Pastoral and Professional Counselors

Each year, the Director of University Police or a designee forwards letters to the Director of the University Counseling Center, and to the Directors of Faith-Based Organizations

in the community informing them that anyone they may be counseling as a result of a crime may on a voluntary, confidential basis report the crime to the University Police Department and how they may do so.

Monitoring and Recording Student Off-Campus Criminal Activity

Upon notification by a local police department of a crime or crimes involving students at off-campus locations owned and/or operated by student organizations officially recognized by the University, the Director of University Police or a designee contacts the local agency and establishes protocol for exchange of information. The University Police Department establishes case numbers for incidents in question and the University Police Department Investigator maintains liaison with the local agency. The crime or crimes will be reflected in Southeastern Louisiana University's annual disclosure of crime statistics if the incident fits the requirements for reporting under the Clery Act.

Southeastern Louisiana University Drug and Alcohol Policy

Southeastern Louisiana University strives to provide a safe, productive, healthy and supportive environment for students, faculty, staff, and guests. Recognizing that the abuse of alcohol and other drug use is a major societal concern and health problem, Southeastern sets forth policies to guide community members in making knowledgeable

choices which foster ethical, healthy, and responsible lifetime behaviors.

Southeastern Louisiana University maintains policies regarding the possession, use, consumption, and sale of alcoholic beverages on campus. These policies include enforcement of State alcohol control laws, including underage drinking and open containers, by the University Police Department and outline sanctions which may be levied through the University's Office of Student Conduct for violations of these policies.

These policies include enforcement of State and Federal controlled dangerous substance laws by the University Police Department and outline sanctions which may be levied through the University's Office of Student Conduct for violations of these policies.

The entire policy is available at the following URL:

It is the policy of the University Counseling Center to treat chemical dependency from a "disease concept" approach with abstinence of major mood altering chemicals (alcohol and other drugs) as the basic premise of this approach. The Center recognizes that recovery from chemical dependency is a lifelong process and that involvement in ongoing support programs such as Alcoholics Anonymous is an essential element in maintaining recovery. When appropriate and feasible, clients may be referred to chemical dependency treatment centers off-campus.

The following services can be provided through the University Counseling Center:

These programs are also offered by request at the Baton Rouge Nursing Center, St. Tammany Center, and Livingston Parish Literacy and Technology Center.

Programs include awareness of risks and myths regarding sexual assault, risk-reduction strategies for individuals, information regarding local resources and responses to reports, and self-defense programs.

If You or Someone You Know is Sexually Assaulted

As soon as possible following an incident, the victim is encouraged to call the University Police Department at 985-549-2222. Anyone reporting a crime of this sort is welcome to request a specific gender or otherwise specify an individual officer to take the report.

It is important that the victim not shower, bathe or change clothes. If this occurs, important physical evidence may be lost. If the victim must change clothes, the soiled clothing should be placed in a paper bag, NOT a plastic bag. The victim also should not brush teeth or use the restroom. Even if the victim is unsure of whether or not they will pursue the prosecution of the offender, a voluntary medical exam may be conducted. The hospital where the exam is performed may keep the results for up to 30 days and may also check for injuries, disease, and/or pregnancy.

Reporting to the University Police helps:

- 1-Protect the victim and others from future victimization;
- 2-Apprehend the assailant; and/or
- 3-Maintain future options regarding criminal prosecution, University disciplinary action and/or civil action against the perpetrator.

When the victim reports an incident, a University Police officer will take a statement. The victim will be asked:

- A -To identify or describe the assailant(s);
- B -About the scene of the crime;
- C – To identify witnesses; and
- D – About what happened before and after the incident.

Reporting an incident and choosing to prosecute are separate steps. When the victim files a police report, they are not obligated to continue with legal proceedings or University disciplinary action. The University Police will also assist any victim in reporting any sexual assault to any external law enforcement agency.

On-and-Off Campus Sexual Assault Victim Services

The University Counseling Center (985-549-3894) is staffed by licensed and professional mental health counselors. The center is well adapted to working with victims of sexual assault. In addition to the Crisis Intervention Service that the Center's staff provides on a daily basis, the following services are also provided:

- Individual psycho-therapy
- Group therapy for survivors of incest
- Family counseling for assault victims
- Referral Services to other area professional and health services providers

Counseling services provided at the Center remain confidential.

The Office of the District Attorney, 21st Judicial District maintains a Victim's Assistance Program. Any victim of sexual assault is encouraged to call the toll-free 24-hour Rape Crisis Hotline at 1-877-748-6882. This is an anonymous call.

Rape, Abuse, and Incest National Network (RAINN) maintains a national hotline for Rape Crisis at 1-800-656-HOPE (4673). Any victim of sexual assault may also call this toll-free, 24-hour hotline. This is a confidential service.

Changing Academic Classes and Living Accommodations

Victims of sexual assault are entitled to changes in academic and living situations if these changes are reasonably available. To request such changes, the victim must contact the Vice President for Student Affairs, Dyson Hall, at 985-549-5250. The victim will be referred to the appropriate individuals to discuss such changes in a confidential manner.

Disciplinary Procedures for Alleged Sex Offenses

Any member of the University community may file a complaint under the Southeastern Louisiana University Student Code of Conduct against any student for violence or other misconduct. Complaints shall be prepared in writing and directed to the Judicial Hearing Officer (985-549-2213). Detailed filing and hearing procedures and regulations are listed in the Student Handbook. The complainant and the accused have the same rights to be assisted by any advisor they choose, at their own expense, to have that advisor present during the hearing, and to call witnesses on their own behalf. Advisors may assist in preparation for the hearing and may have any other persons present that they wish; however, he/she is not permitted to speak for parties or otherwise participate directly in the hearing. Following the final decision of the hearing body, the complainant and/or victim and the accused will both be informed unconditionally of the determination and recommended sanctions, if any.

Sanctions

Students found in violation of Southeastern Conduct Standards and Regulations related to rape, other sex-based violence or offenses (forcible or non forcible), and other forms of violence are subject to the full range of disciplinary sanctions outlined in the Student Handbook. University disciplinary proceedings may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus.

Missing Student Notification

It is the policy of Southeastern Louisiana University to ensure that every reasonable effort is made to assist in the location of missing persons.

Students, faculty, staff members, family members of students, and others are strongly encouraged to report any student who has been missing for 24 hours or more by calling the University Police Department at 985-549-2222. All official missing student reports made to any other person or agency on campus should be referred to the University Police Department immediately.

Each student living in an on-campus student housing facility has the option to register a confidential contact person to be notified in the case that the student is determined to be missing. Only authorized campus officials and law enforcement officers in furtherance of a missing person investigation may have access to this information.

Even if the student has not registered a contact person, local law enforcement agencies will also be notified that the student is missing. The parent or guardian of any student who is less than 18 years of age and not emancipated and is reported missing will be notified.

The initial responding police officer will attempt to gather identifying and other information intended to aid in locating the missing person and relay this information to others on duty so a search may begin as soon as reasonably possible.

If the person is not located on campus or if relevant information makes it unlikely the person is on campus, surrounding law enforcement agencies will also be contacted to assist in the search. If the situation meets the criteria set forth by the National Crime Information Center (NCIC), the person's name and identifying information will be entered into the NCIC computer system.

A search for a missing person will continue until the person is located or the search is ended by order of the Director, University Police.

After accessing the website, select "Southeastern Louisiana University" to conduct a search.

FIRE SAFETY REPORT

For the purposes of fire safety reporting, a fire is “any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner.”

Any person becoming aware of a fire on campus should immediately contact the University Police Department at 985-549-2222 and sound the relevant alarm. The University Police Department has contact with the Hammond Fire Department and other emergency services that may be necessary.

Each on-campus student housing facility is equipped with heat-activated sprinklers and an automated alarm system with lighted strobes and an audible siren. The fire alarms are monitored on a 24 hour basis by University Police and Physical Plant personnel. Every room also has an individual smoke detector in addition to the listed alarm sensors for the building.

The Office of Student Housing conducts at least two fire drills in each residence hall every semester: one announced and one unannounced.

Residents of on-campus housing facilities are not authorized to use any electrical heating appliance (space heaters, as well as kerosene, and propane heaters), cooking (no electrical appliances with exposed element or open flame – toaster, hot plate, etc), or other equipment/appliance (halogen/torch-style lamps), except as furnished or approved by the University.

Smoking is prohibited in University residences and within 25 feet of doors, windows, and ventilation inlets. Smokers must stand a sufficient distance from the building to prevent smoke from drifting into the building and into student’s living units.

Candles may not be burned in on-campus housing facilities. The use of incense (a substance that when burned produces an aromatic odor) is also prohibited.

Evacuation plans are posted in each residence hall and evacuation routes are posted on every floor. When an alarm sounds or when an order to evacuate is given through other means, all persons in the building are expected to evacuate immediately. Housing Staff members and University Police Officers will check each building to ensure all persons have exited.

Annually, the Office of Safety and Hazardous Materials mails a document to all University employees with information about fire drills and how to evacuate buildings safely.

Fire Log

The Southeastern Louisiana University Police Department maintains a fire log on which

is recorded each instance of fire on campus including:

- The nature of the fire;
- The date the fire occurred;
- The time of day the fire occurred;
- The general location of the fire.

The log is updated within two business days of any reported fire occurrence and is available for public viewing during regular business hours at the University Police Department.

Alcohol Consumption Regulations (On and Off Campus)

I. STUDENT ORGANIZATION ALCOHOL EVENTS & FACILITIES

A. Overview

Alcoholic beverages may be served at registered social events sponsored by recognized campus organizations and at events sponsored by the University or a department of the University in accordance with applicable laws and the University policies on alcohol use. Southeastern Louisiana University fosters an environment free from the illicit and irresponsible use of alcohol by members of the Southeastern community. This policy has been established in an effort to maintain a balance between the interests of the individual and the University. The University realizes that it has limited resources, which makes it impossible to monitor all off-campus events where alcohol may be present; however, we are required by federal mandate to ensure that students, employees, and guests are aware of local and state laws regarding alcohol and to require adherence to these laws and the practice of responsible drinking behavior.

All members of the Southeastern community are ultimately responsible for their choices and behavior regarding alcohol. Individuals and organizations should be aware that they may be held individually and/or collectively liable for incidents resulting from the illegal or uncontrolled use of alcohol. It is the purpose of this policy, however, to help ensure that federal, state and local laws and recognized strategies designed to promote the responsible and safe use of alcohol are followed. Inappropriate behaviors and associated negative consequences of alcohol abuse or misuse will not be tolerated. All persons, regardless of their status (students, employees, and guests) must adhere to the alcohol policies herein while at Southeastern Louisiana University.

B. Facilities: Sale, Possession, and Consumption

The purpose of this section is to designate those areas on campus where legal consumption of alcohol will be allowed, and to designate under what conditions group events may involve alcohol. This policy will apply to the sale, possession, or consumption of alcohol in or at any University sponsored or registered event. State law prohibits the purchase, public possession or consumption of any alcoholic beverage by persons under the age of 21. For the purposes of this policy, all areas of the University are considered "public" places. The possession, consumption, sale or furnishing of alcoholic beverages is prohibited except in those areas where such activities are specifically allowed.

Properly registered individuals, student organizations, and University departments may possess and consume alcoholic beverages in accordance with federal, state, and local law, and University regulations, in the following areas:

1. Dining Facility Complex
2. Student Union Building
3. University Center
4. Southeastern Oaks (Subject to terms of lease, only those 21 years of age or older)
5. Columbia Theater
6. Alumni Center
7. Alumni Field
8. Strawberry Stadium
9. Other areas as specifically approved by the Vice President for Student Affairs or his/her designee.

C. Student Organization Alcohol Event

Many questions arise in conjunction with what is considered an alcohol event. While the following list is not exhaustive, it does serve as a starting point. An activity may be classified as an organization's alcohol event if it meets any of the following:

Alcohol is present and . . .

1. The event lasts longer than 60 minutes.
2. The event has 10 or more non-members present.
3. The event has more than one organization in attendance.
4. The event has more than ½ of organizations members present.
5. The event has amplified sound (live music, DJ, loud stereo).

An activity may also be considered an event based on the answers to these questions:

1. Would an observer associate it with the organization?
2. Did the incident involve expenditure of organization funds?

3. What was the purpose of the event?
4. Who purchased the alcohol?
5. How did the attendees learn about the party?
6. What is the perception of the event?
7. Who is assuming responsibility for the party?
8. Was the event actively or passively endorsed by other members of the organization?
9. Was the event publicized either in written form or by word of mouth as an organizational event?
10. Did the event take place on the organization's property, or occur on/in a location which had been contracted by or for the organization, or in a private residence for the purpose of holding an organization sponsored event?
11. Was the organization's advisor, or any of the executive officers of the organization, aware of the event before it took place?
12. Were police called to quiet or shut down the event?

II. POLICES & PROCEDURES FOR STUDENT ORGANIZATION ALCOHOL EVENTS

The regulations contained in this policy are designed to meet the needs of the university and a wide range of student organizations. Some organizations with national affiliations or university councils may have additional or more stringent guidelines with which they must comply. Such organizations are expected to abide by those guidelines.

The following regulations will govern both On and Off-Campus Student Organization and Departmental Events at which alcohol will be present:

A. General

1. Alcohol may not be purchased with organizational or departmental funds nor may the purchase of same for members or guests be undertaken or coordinated by any member, individually, or collectively.
2. Organizational or departmental funds may be used to buy food and nonalcoholic beverages.
3. Alcohol on campus will be allowed only at catered Food Service events and will be sold by Campus Dining personnel or approved licensed servers.
4. No organization may co-sponsor an event with an alcohol distributor, charitable organization, or tavern (establishment generating more than half of annual gross sales from alcohol) where alcohol is given away, sold, or otherwise provided to those present.
5. Alcohol, bar tabs, coupons for free or reduced price drinks, etc., may not be awarded as prizes for any raffles or other events.
6. Alcohol may not be distributed free-of-charge by an alcohol company or distributor at any University event or student organization or department event under any other circumstances on campus.
7. The cost of alcoholic beverages may not be included in the cost of an admission ticket, cover charge, or any other assessment required of members or guests. No contributions or donations of alcoholic beverages can be solicited or accepted at the event.
8. An organization is only allowed to register/sponsor a total of three (3) alcoholic events Monday through Thursday during each semester. All alcoholic events sponsored on Fridays, Saturdays, and Sundays are also required to be registered with the Assistant Vice President for Student Affairs.

9. No events involving alcohol will be approved for the fourteen (14) calendar days prior to and including finals; this includes the weekend between the two weeks.
10. No events involving alcohol will be approved during any university closure (including but not limited to Fall Break, Spring Break, Thanksgiving, Semester Breaks, etc.).
11. BYOB events will not be allowed on campus.
12. If the group is traveling by bus, no alcohol is allowed on the bus.
13. Persons representing Southeastern off-campus or who reasonably could be construed as doing so (e.g., at conferences, seminars, competitions, performances, other activities/events) must behave legally and responsibly regarding the use of alcohol, abiding by the laws and policies of the states and/or institutions where they are visiting. Additionally, all students must adhere to Southeastern's Student Code of Conduct even when at an off-campus location.

B. Prior to the Event

1. All student organizations planning an event where alcohol is present must have a representative attend the semester alcohol meeting. Only those organizations who have attended the alcohol meeting will be allowed to host an event where alcohol is present.
2. A Registration of Activities (ROA) Form must be completed and submitted by the organization at least ten (10) days prior to the day the event will be held. If ROA Form is approved, a meeting with the Assistant Vice President for Student Affairs (or his/ her designee) and the organization's eight (8) non-drinking monitors must occur no later than closing time the day preceding the event or on the last working day of the week if the event falls on a weekend before the event will be approved. The eight (8) non-drinking monitors must include the following individuals from the organization:
 - a. President
 - b. Vice President
 - c. Social Chair
 - d. Treasurer
 - e. Faculty Advisor

- f. Three (3) other senior active members.
3. Advertisements for a party (or event in which alcohol is present) may mention alcohol only in the following ways:
 - a. "Cash bar available"
 - b. "Alcoholic refreshments available for sale"
 4. Student organizations invited to Alumni events (alcoholic or non-alcoholic in nature) must register the event as if they were holding the event themselves and must adhere to all University rules and policies.
 5. Special circumstances may be appealed to Assistant Vice President for Student Affairs (or his/her designee) fourteen (14) days prior to the event for special consideration.
 6. No student organization "alcohol event" may be advertised, nor may guests be invited, until that event has been approved by the Assistant Vice President for Student Affairs (or his/her designee). See "Student Organization 'Alcohol Event'" for what may constitute an "alcohol event."
 7. Substitutes to the official advisor (someone who must be present at the alcohol event for its duration), may be permitted only if cleared by the Assistant Vice President for Student Affairs (or his/her designee) by closing time the day prior to the event. See "During the Event" section for additional details.
 8. Sponsorship (or co-sponsorship) where non-alcoholic merchandise (e.g., cups, caps, banners, etc.) is provided may be held with the approval of the Assistant Vice President for Student Affairs.
 9. A guest list with all attendees' names must be submitted to the Office of the Assistant Vice President for Student Affairs by closing time the day before an event or the last working day if it falls on a weekend or closed day.
 10. One or more commissioned University Police Officers must be present at all "alcohol events" to maintain security and assist in enforcing applicable laws and regulations. The number of officers required, or an exemption from this requirement, will be based on the nature of the event and the number of participants and will be determined by the Assistant Vice President for Student Affairs and the Chief of University Police. Organizations and/or departments are responsible for contacting and paying for the cost of such officers.

C. During the Event

1. The organization's official advisor, who must be a full-time faculty or staff member, must be present at the event for its duration. The event will not start until the advisor arrives.
2. Alcoholic beverages are to be served as an adjunct to social events and may not be the primary focus of the event. For this reason, at all functions where alcohol is served, sufficient quantities of food and non-alcoholic beverages must be provided. The food served must be substantial, e.g., cheese, sandwiches, dips. Water cannot be the only non-alcoholic beverage served.
3. The sale, availability or distribution of alcohol to anyone under twenty-one (21) years of age is strictly prohibited.
4. Common containers of alcoholic beverages will not be allowed. All alcohol will be stored and legally dispensed in a designated service area within the approved site. The supply of alcoholic beverages must not be accessible to anyone except the server.
5. All alcohol must be consumed within the area in which it is served. No alcoholic beverages, either open or closed, may leave the event area. A trashcan must be placed at the exit for this purpose.
6. Events must end by 2:00 a.m.
7. Drinking games are strictly prohibited.
8. At all events where alcohol is served, the organization's and/or the department's eight (8) non-drinking monitors must ensure that obviously intoxicated persons are not served alcoholic beverages. The organization must also designate a means of preventing intoxicated persons from driving (e.g., designated, non-drinking drivers; shuttles; etc.).
9. Open parties shall be prohibited. All guests must sign in when they arrive at the party, and the signed guest list must be turned into the office of the Assistant Vice President for Student Affairs the next working day after the event. Only individuals on the guest list are allowed entrance to the alcohol event. An exception to this will be University produced entertainment or social events, and tailgating.

III. ALCOHOL AT ATHLETIC EVENTS

Public events provide an avenue for the University to meet its core values of excellence, community, diversity, and learning. In support of these values, events should be conducted in an environment that is safe and enjoyable for all. As public events have great potential to attract a variety of spectators, the following policy has been developed for these events.

A. General

1. Although tailgating will be permitted on campus, certain areas may be designated for specific groups.
2. Consumption of alcohol will be limited to persons of legal age (21 or greater).
3. Tailgating will be limited to home game days unless otherwise approved by the Assistant Vice President for Student Affairs for University sponsored events. For home games that occur during a regular school day, tailgating activities will be allowed after 5:00 p.m. For home games that occur on days when school is not session, tailgating will be allowed starting at 5:00 p.m. the night before the game.
4. All glass containers of any kind and cans are prohibited. Whatever is consumed must be poured in a paper or plastic cup.
5. No oversized or common source containers of any sort (including but not limited to kegs, punchbowls, beer balls, party balls) are permitted.
6. Alcohol drinking games, funneling or any other activity deemed by the University as inappropriate, are prohibited.
7. Individuals(s) or groups engaging in inappropriate or disruptive behavior will be directed by law enforcement personnel to cease and desist from doing so and are subject to University, local or state action.
8. At home games, alcohol cannot be brought into the venue and all persons entering the venue are subject to a reasonable check/search of personal bags, purses, coats, etc. Anyone found in possession of alcoholic beverages (other than those sold in the venue) and/or other items deemed dangerous or inappropriate by the University will be refused admission to the game. Any individual found in possession of said items will be evicted from the venue and will not be allowed to reenter the venue for the remainder of the calendar day on which the game is held. Alcohol may be purchased inside the venue by those of legal age with valid identification.

9. Cups, containers, ice chests, etc. may not be brought into the venue.
10. Failure to follow these rules and regulations may result in eviction from campus with possible University, local, or state action to follow.

Guidelines for Campus Alcohol Advertising

Alcohol abuse poses a serious threat to the health and welfare of the college student population through acts of violence, vandalism, property damage, accidents, lessening of academic performance, estrangement of social relations, creation of mental and physical problems and in some cases bodily injury, illness and death. Inappropriate and irresponsible marketing and promotion of alcoholic beverages on campus can contribute to the problems of alcohol abuse.

The purpose of this policy is to assist in the protection of the health and welfare of our students. As such, Southeastern Louisiana University, in agreement with the National Association of Student Personnel Administrators (NASPA), the American College Personnel Association (ACPA), the Association of College and University Housing Officers International (ACUHO-I), BACCHUS, and the Brewing Industry has implemented the following guidelines in relation to the advertising of alcohol on our campus. These guidelines apply to all alcohol advertising and marketing materials including print, television, radio, Internet and cyberspace media.

- All signage must adhere to the Southeastern Sign Policy. (www.selu.edu/admin/stu_dev/services/index.html)
- Alcoholic beverage marketing programs on campus must conform to the code of student conduct and should avoid demeaning sexual or discriminatory portrayal of individuals.
- Alcoholic beverage marketing should not portray, encourage or condone drunk driving.
- Alcoholic beverage marketing should not portray persons in a state of intoxication or in any way suggest that intoxication is acceptable conduct.
- Advertising of this type should not portray or imply illegal activity of any kind.,
- Advertising and marketing materials should not portray sexual passion, promiscuity or any other amorous activity as a result of consuming alcohol.
- Advertising and marketing materials should not employ any symbol, language, music, gesture, or cartoon character that is intended to appeal primarily to persons below the legal purchase age. This includes the use of Santa Claus in any promotion.
- Alcohol advertising and marketing materials should not employ religion or religious themes.

- Promotion of alcoholic beverages must not encourage any form of alcohol abuse nor should it place emphasis on quantity and frequency of use or its intoxicating effect. This includes the listing of free drinks or other drink specials.
- Advertising should not portray drinking as a solution to personal or academic problems of an individual or as necessary to social, financial, sexual or academic success. It should also not associate or portray drinking before or during activities

It is the policy of the University Counseling Center to treat chemical dependency from a "disease concept" approach with abstinence of major mood altering chemicals (alcohol and other drugs) as the basic premise of this approach. The Center recognizes that recovery from chemical dependency is a lifelong process and that involvement in ongoing support programs, such as Alcoholics Anonymous, is an essential element

in maintaining recovery. When appropriate and feasible, clients may be referred to chemical dependency treatment centers.

The following services can be provided through the University Counseling Center: education and intervention training; evaluation and assessment; individual therapy; referral to appropriate treatment milieu including individual and/or group counseling at the University Counseling Center, 12-Step Meetings such as Alcoholics Anonymous or Narcotic Anonymous, inpatient and outpatient chemical dependency treatment referral information available, tracking of individual's progress if treated other than at the University Counseling Center; follow-ups such as aftercare counseling (individual and group), family counseling for co-dependents (individual and group); referral to adjunct services such as ALANON, Co-dependency Support Groups, Adult Children of Alcoholics, Spouse Abuse or other support groups and/or treatment programs for Adult Children of Alcoholics and for Codependents; consultation services - The University Counseling Center maintains contact with a number of treatment centers.

In all cases individuals will be afforded their rights of due process as defined by statute and/or court decisions.

Employees

In accordance with the State of Louisiana Substance Abuse and Drug-free Workplace Policy, Southeastern Louisiana University will strive to maintain a drug-free workplace and a work force free from other substance abuse. Employees are required by federal law to notify the employing state agency head or designee within five working days of conviction under any criminal drug statute where such conviction occurred in the workplace, while on official business, during work hours, when on call for duty, or any activities or class. VI. Health Risks Associated with Alcohol and Substance Abuse

Alcohol and substance abuse lead to health problems, decreased productivity and crime. Alcohol and substance abuse are especially destructive to education and learning, inhibiting educational, social and interpersonal development. Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol also increases the incidence of a variety of aggressive acts, including, spouse and child abuse. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person's ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, can also lead to permanent damage to vital organs such as the brain and liver.

Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversibly physical abnormalities and mental retardation. In addition, research indicated that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics. Use and/or abuse of controlled substances have the potential to cause psychological and/or physical dependence. The health risks associated with substances covered by the "Controlled Substances Act are described in the Table's Controlled Substances-Uses and Effects."

VII. REVIEW

This policy will be reviewed biennially by a university appointed committee to determine effectiveness and implement changes to the program if they are needed and to ensure that the sanctions described in Part V are consistently enforced.

SEXUAL HARASSMENT POLICY

It is the policy of Southeastern Louisiana University that all employees and students or users of University facilities be able to enjoy a campus environment free of all forms of discrimination, including sexual harassment. No employee or student, male or female, should be subjected to unsolicited and unwelcomed sexual overtures or conduct, either verbal or physical.

DEFINITION:

Sexual harassment is a form of misconduct, defined in Federal law, that undermines the integrity of personal, professional, employment, and student relationships. Sexual harassment does not refer to occasional compliments of a socially acceptable nature. It refers to behavior that is not welcome, is personally offensive, and weakens morale. Such behavior may interfere with employees' and students' performance, and may create an intimidating, hostile, or uncivil working or learning environment. Such conduct is specifically prohibited at this university.

Sexual harassment includes, but is not limited to, unsolicited, deliberate or repeated:

- sexual flirtations, advances, or propositions;
- verbal abuse of a sexual nature;
- display of sexually suggestive objects or pictures; and
- offensive or abusive physical contact of a sexual nature.

No one should imply or threaten that an applicant's or employee's "cooperation" of a sexual nature (or refusal thereof) will affect that individual's assignment, compensation, advancement, career development or any other condition of employment. Likewise, it will not affect a student's grade, class standing, advancement or student-administrator/student-teacher relationships.

The difference between voluntary sexual relationships and sexual harassment is that harassment contains elements of coercion, threat and/or unwanted attention in a non-reciprocal relationship. Sexual harassment usually is unwelcome and repeated behavior, but in some instances it can be an action that only occurs once. In most normal interpersonal relationships an individual can exercise freedom of choice in deciding with whom they wish to establish a close, intimate relationship. These choices are based on mutual attraction, caring and a reciprocal interest in pursuing the relationship. These elements are absent in sexual harassment. This policy in no way is intended to impede artistic representation of human behavior in exhibits

or other normal academic activity. All students, faculty, staff, and administrators will be held accountable for compliance with this policy. While each case of sexual harassment and its resulting effect upon the mission of the University must be considered on its own, violations of this policy may lead to disciplinary action to include suspension or removal.

COMPLAINT PROCEDURE:

Any University employee, student, or other member of the University community who believes he or she has been a victim of sexual harassment while working at the University or in class or in any other setting (whether by subordinates, peers, superiors, or other persons), should bring this matter to the immediate attention of any of the following: his or her supervisor, Human Resource Director, (2056), Equal Employment Opportunity Compliance Officer, (5888), Director of Student Health Center, (2241), "Department Head," call information (2000) for specific phone numbers. Any official receiving a complaint should notify the EEO Coordinator to make certain that follow-up action is coordinated. The EEO Coordinator will serve as a clearinghouse for all related actions. If satisfaction is not adequate at initial levels, any affected individual should feel free to bring the matter to the attention of the Vice Presidents, the Provost, or the President. Confidential assistance is also available through the University Counseling Center.

Action will be taken to examine impartially and resolve promptly any complaint. Complaints that cannot be resolved by informal means, through help of officials and services listed above, may be resolved through the University's formal student, staff or faculty grievance procedures ("Handbook for Classified Employees", or "Faculty Handbook" for details on how to initiate grievance procedures). Upon request to any of the above officials a special committee or procedure may be established by the President to consider a complaint and possible resolution. Any such committee will consist of no less than three members and no more than five, and may include faculty members, administrators, staff members and students in a mix suitable to deal with the complaint.

Confidentiality of all parties will be respected to the greatest extent possible and employees, students and others will not be subjected to retaliation of any kind for reporting incidents of sexual harassment.

PENALTY:

All students, faculty, staff and administrators will be held accountable for compliance with this policy. While each case of sexual harassment and its resulting effect on the mission of the University must be considered on its own, violations of this policy may lead to disciplinary action to include suspension or removal.

RACIAL HARASSMENT POLICY

Southeastern Louisiana University has a tradition of providing a caring and nurturing environment in which students and employees can pursue excellence. Politeness and friendliness are virtues, which members of the University community seek to demonstrate in their day-to-day interactions. Rude and/or hostile behavior, on the other hand, not only violates the University's tradition of friendliness, but also undermines rational discourse and interferes with the educational process. Therefore, it is the policy of Southeastern Louisiana University that all employees, students and authorized users of University facilities be able to enjoy a campus environment free from all forms of discrimination, including racial or ethnic harassment.

DEFINITION:

For the purposes of University policy, the term "racial harassment" refers to any behavior, verbal or physical, that stigmatizes or victimizes individuals on the basis of race, ethnic origin and that:

1. Involves a stated or implicit threat to the victim's academic or employment status and/or
2. Has the purpose or result of interfering with an individual's academic or work performance and/or
3. Creates an intimidating or offensive academic, work or campus environment.

The University regards such behavior as a violation of the standards of conduct required of all persons associated with the institution. The prohibition against racial harassment applies to all interactions including, but not limited to those occurring on campus, in University facilities, in conjunction with University-related activities or within the context of recognized student organizations.

COMPLAINT PROCEDURE:

Any University employee, student or other member of the University community who believes he or she has been a victim of racial harassment while working at the University or in class or any other setting (whether by subordinates, peers, superiors, or other persons) should bring this matter to the immediate attention of any of the following: his or her supervisor, Human Resource Director, Equal Employment Opportunity Coordinator, department head, academic dean.

Any official receiving a complaint should notify the EEO Officer to make certain that follow-up action is coordinated. The EEO Officer will serve as a clearinghouse for all

related actions.

If satisfaction is not adequate at initial levels, any affected individual should feel free to bring the matter to the attention of the Vice Presidents, the Provost, or the President. Confidential assistance also is available through the University Counseling Center.

Action will be taken to examine impartially and resolve promptly any complaint. Confidentiality of all parties will be respected to the greatest extent possible, and employees, students and others will not be subjected to retaliation of any kind for reporting incidents of racial harassment.

GENDER DISCRIMINATION POLICY

Grievance Procedures:

In compliance with Title IX, the University has developed the following grievance procedure for students in cases of gender discrimination.

If a student believes that he/she has been discriminated against on the basis of gender, the student has the right to use this Grievance Procedure without fear of reprisal because of his/her action. It is incumbent upon each budget unit head to provide students with an opportunity to be heard in accordance with the following procedure:

STEP ONE: The student may present the grievance to the department or budget unit head of the area in which the complaint originates within five days after the incident caused him/her to be aggrieved.

The department or budget unit head will give the student an answer within three working days thereafter.

The student will not disrupt his/her class schedule or that of the department to present a grievance. They shall arrange a meeting at a time which is mutually convenient.

STEP TWO: If the student is not satisfied with the decision of the department head, he/she may, within five days of receipt of such a decision, submit the grievance in writing to the dean of the academic college to which the department is assigned.

The academic dean will discuss the grievance with the students within five working days and will render a decision in writing within five working days thereafter.

STEP THREE: If the student is not satisfied with the decision of the academic dean, he/she may, within five days of such written decision, submit the grievance in writing to the Provost. The Provost shall conduct a hearing within five working days and will render a decision in writing within five working days of the hearing.

STEP FOUR: If the student is not satisfied with the decision of the Provost, he/she may, within ten working days, submit his/her grievance in writing to the President of the University for a final decision. The President will meet with the student within ten working days of the receipt of the student's grievance and will render a decision within five working days thereafter.

Southeastern Louisiana University complies with the provisions of Title VI and of the Civil Rights Act of 1964, as amended, and Title IX of the Education Amendments of 1972, which designates that no person in the United States shall, on the basis of

color, gender, creed or national origin, be excluded from participating in, be denied the benefits of, or be subject to discrimination under any program or activity receiving Federal assistance.

University policies affecting students will be administered in a non-discriminatory manner. Students will not be subjected to discrimination on the basis of gender with regard to admission; recruitment; housing and other facilities; access to course offerings; counseling and use of appraisal and counseling materials; financial assistance; employment assistance; health and insurance benefits and services; marital and parental status; athletics; and education programs and activities.

The University will not tolerate retaliation by any individual (whether or not that person was directly involved in the original incident) against any faculty, staff or student who reports, participates in an investigation of, or is a complainant in a disciplinary proceeding involving the allegation of hazing. Claims of retaliation will be investigated as a breach of the University's hazing policy and may result in University sanctions.

Fraternity Insurance Purchasing Group, Risk Management Policy (FIG: Focus on Hazing)

Penalties:

The Interfraternity Council, Panhellenic Council, and Pan-Hellenic Councils are the governing bodies of the National Interfraternity Conference (NIC) and the National Pan-Hellenic Council (NPHC) chapters on the campus of Southeastern Louisiana University.

Having adopted the Fraternity Insurance Purchasing Group Risk Management

Policy/Program (FIPG), each chapter and all levels of fraternity membership must know that hazing carries a number of risks, including the following:

1. A civil lawsuit
2. Criminal prosecution for an illegal act
3. Discipline by the fraternity
4. Discipline by the college or university
5. Possible loss of insurance coverage

Hazing Explained

What organizations may consider to be a perfectly harmless way of making students learn their lesson in education, may, in the view of others, be an act of violence that can be criminal. Hazing is a felony in more than 35 states. In addition, this administration does not condone or accept hazing as a normal part of fraternity education.

The danger in hazing is that it gets out of hand. What begins as an innocent prank can lead to disaster. There is the apocryphal story of the pledge who was tied to the railroad track, after the chapter carefully checked the timetable for that particular route—only to discover to their horror that trains do run late.

The role of the undergraduate chapter is to see that the education process is both enjoyable and rewarding, not only for the new members, but also for the active members. This calls for a precise agenda for membership education, including a list of activities and dates and times. New and old members can participate in any activity, and by being knowledgeable, get more out of activities and the educational experience.

Where Hazing Begins

Answer these questions about each activity in the pledge/new member education program. If there is one question that has a negative answer, then this activity must be eliminated.

- Is the activity an educational experience?
- Does this activity promote and conform to the ideals and values of the fraternity?
- Will this activity increase the new members' respect for the fraternity and the members of the chapter?

- Is it an activity that pledges and initiated members participate in together?
- Would you be willing to allow parents to witness this activity? A judge?
- The University president?
- Does the activity have value in and of itself?
- Does the activity meet both the spirit and letter of the standards prohibiting hazing?

Dissemination of Hazing Policy

Students are expected to conduct themselves in a manner, which supports the educational mission and function of the University, as well as to comply with all federal, state, and local laws. Students have the responsibility of familiarizing themselves with the conduct standards and regulations, which are distributed annually and will be held responsible for compliance with them. Southeastern's policy on hazing is contained in the Code of Student Conduct Standards and Regulations.

Each and every fraternal group within 10 business days from the start of each semester shall:

- 1) distribute a copy of the Southeastern Louisiana University Policy on Hazing to each of its members, and
- 2) have the Chapter President and the Pledge Educator sign and return to the Director of Student Engagement the University-issued statement which acknowledges compliance to the policy on Hazing and Hazing Awareness Education.

Free discussion of ideas of either controversial or non-controversial nature shall not be curtailed. These freedoms, however, are not absolute. Colleges and universities have well-established rights to regulate time, place, and manner so that activities do not intrude upon or interfere with the academic programs and administrative processes of the University. The University may designate one or more areas on campus where individuals may assemble and engage in speech activities. All speech and assembly activities must be conducted in accordance with university regulations.

TIME:

In accordance with US Federal Court decisions, the University has the right to regulate the time of speech or assembly activities. A two (2) hour time period will be provided to individual(s) and/or organizations for these purposes at Southeastern. Public assembly, discussion or demonstration shall not disturb or interfere with any program, event, or activity approved

prior to the public assembly, discussion or demonstration; shall not unreasonably disturb or interfere with normal operations and activities of the university; and will not be scheduled during other major events already scheduled on campus. Use of the area shall not include activities which could constitute non-permissible solicitation or which would be an infraction of the university sign policy in regards to indiscriminately handing out materials to passers-by.

MANNER:

1. Any individual(s) or organization may publicly assemble or demonstrate in a peaceful manner after attaining the permission of the Assistant Vice President for Student Affairs or his or her designee.
2. An application to assemble publicly or demonstrate must be made seven (7) days in advance on a form provided by the Assistant Vice President for Student Affairs and shall contain:

 - (d) the purpose of the assembly or demonstration;
 - (e) the signature of the applicant or, if an organization, its authorized representative.
3. The Assistant Vice President for Student Affairs shall approve an application properly made under section 2 unless there are reasonable grounds to believe that:
 - (a) the applicant is under a disciplinary penalty prohibiting publicly assembling or demonstrating;
 - (b) the proposed location is unavailable or inappropriate at the time requested;
 - (c) the proposed date and time are unreasonable;
 - (d) the assembly or demonstration would unreasonably obstruct pedestrian or vehicular traffic;

- (e) the speech will constitute a clear and present danger to the institution's orderly operation, to students, faculty or staff, or property, through advocacy of immediate action.
4. The manner approved for the public assembly or demonstration will include but is not limited to the following conditions.
- (a) Individual(s) or organizations will be restricted to the place described in the registration and are not allowed to leave that area to conduct their assembly.
 - (b) No harmful acts, destruction or defacement of property, or physical assaults of persons will be allowed. This includes threats and/or intimidation aimed at particular individuals and creating in them a realistic fear for their personal safety or the security of their property.
 - (c) No use of amplification devices is allowed.
 - (d) The speech may not be projected onto private areas, such as resident hall rooms or classrooms and thereby creating captive audiences who cannot guard their privacy by avoiding the speech.

SANCTIONS:

Individuals and/or organizations who fail to follow these policies and procedures may be subject to penalties, which may include banishment from campus, payment of damages, fines, etc. Violators will be referred to The Office of Student Conduct for adjudication.

NON-ENDORSEMENT/NON-GUARANTEE:

Smoking Policy

Effective July 1, 1990, smoking is prohibited in all University academic and business buildings (classrooms, laboratories, offices, lounges, restrooms, hallways, stairways, elevators, common areas, meeting rooms) and in areas where "No Smoking" signs are posted. Smoking is also prohibited in University vehicles.

Persons choosing to smoke outside University buildings and facilities should avoid the immediate entrance and exit areas to prevent subjecting others to secondhand smoke. Effective August 18, 2003 designated smoking areas are established at four Southeastern buildings in order to reduce litter, address health problems and alleviate physical reactions by those susceptible to second-hand smoke. The four buildings and their designated smoking areas are:

- D Vickers Hall – the back entrance
- Fayard Hall – the east side
- Garrett Hall – the north side
- Sims Memorial Library – the north side

The designated smoking areas afford employees and students seating, receptacles to reduce litter and protection from the elements.

The University Health Center offers programs to help interested employees and students stop smoking.
