Policy Statement

Southeastern Louisiana University recognizes that freedom of speech and assembly are basic and essential to both intellectual and social development. These freedoms, guaranteed by the First Amendment to the United States Constitution, shall be enjoyed by the university community. It is not the role of Southeastern Louisiana University to shield individuals from speech protected by the First Amendment of the Constitution of the United States or Article I, Section 7 of the Louisiana Constitution; or, prohibit ideas or opinions that some may find unwelcome, disagreeable, or offensive. To that end, Southeastern faculty, staff, and students have the freedom to assemble and engage in spontaneous expressive activity as long as it is lawful, does not disrupt the functioning of the institution, and participants do not violate other university policies.

Purpose of Policy

To that end, Southeastern faculty, staff, and students have the freedom to assemble and engage in spontaneous expressive activity as long as it is lawful, does not disrupt the functioning of the institution, and participants do not violate other university policies.

Applicability

This policy applies to all Southeastern students, faculty, staff, and visitors.

Demonstration and Assembly Locations

Southeastern has designated the following sites as preferred locations for public discussion and/or peaceful public assembly or demonstration: (1) Student Union Annex; (2) Student Union Plaza; and, (3) the grassy area of Friendship Circle. Although other campus locations may be available for public speech and assemblies by students without prior administrative approval, these locations are recommended due to the high volume of student traffic.

Groups and organizations who choose to engage in expressive activity outside of one of the preferred locations may be asked to re-locate should the expressive activity interfere with normal operations of the university.

Students, faculty, and staff may use these areas of campus without prior permission from the University as long as: (1) The area has not been previously reserved or scheduled for a particular activity; (2) No sound amplification is used; and, (3) Participants do not violate university policies.

Although faculty, staff, and students are permitted to assemble and engage in expressive activity without obtaining prior permission, registration with the Office of the Dean of Students is encouraged to ensure adequate arrangements and minimize possible scheduling conflicts.

Outside Groups: Registration of Activities

Groups and organizations not affiliated with the university are encouraged to register activities with the Office of the Dean of Students and/or Event and Conference Services at least two business days prior to the event date.
