Southeastern Louisiana University

Power-Based Violence & Sexual Misconduct Policy

I. Policy Statement

Southeastern Louisiana University, hereafter referred to as “Recipient,” prohibits power-based violence, sexual misconduct, and any form of sex discrimination in accordance with federal and state law, including the following:

Title VII of the Civil Rights Act of 1964

ACT 472 of the 2021 Regular Legislative Session of the Louisiana Legislature which sets forth processes and procedures to guide public postsecondary education stakeholders in maintaining safety and protection for students and employees by addressing issues of power-based violence. Power-based violence is defined as any form of interpersonal violence intended to control or intimidate another person through the assertion of power over the person;

Title IX of the 1972 Education Amendments which (i) prohibits discrimination on the basis of sex in educational institutions and (ii) requires colleges and universities receiving federal funding to combat gender-based violence and harassment, and respond to survivors’ needs in order to ensure that all students have equal access to education;

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), which requires (i) policies and procedures for sexual assault and (ii) requires timely warning and external reporting of crimes;

Section 304 of the Violence Against Women Reauthorization Act of 2013 (VAWA), which extends the Clery Act to include dating violence, domestic violence and stalking;
The Louisiana Campus Accountability and Safety Act (R.S. 17:399.11 et seq.)

This policy was designed to ensure a safe and non-discriminatory educational and work environment and to meet legal requirements. Inquiries about the application of this policy should be directed to the following individuals:

Title IX Coordinator – Mr. Gene Pregeant (victor.pregeant@southeastern.edu)
Title IX Deputy Coordinator – Dr. Gabe Willis (gabe.willis@southeastern.edu)

This policy is not intended to infringe upon or restrict rights guaranteed by the United States Constitution, including the right to free speech under the First Amendment or the due process clauses of the Fifth and Fourteenth Amendments.

The comprehensive approach of this Policy includes procedures to address power-based violence (which includes sexual misconduct). Title IX conduct is addressed in the companion Title IX Formal Grievance Procedures.

II. Notice of Non-Discrimination

Title IX is a federal law that prohibits discrimination on the basis of sex in any federally funded education program or activity. Title IX prohibits use of federal money to support sex discrimination in education programs and provides individuals protection against such practices.

In compliance with federal law and USDOE federal guidance, including the provisions of Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act (ADA) of 1990, the ADA Amendments Act of 2008, the Age Discrimination Act in Employment Act of 1967 (ADEA), Executive Order 11246, Executive Order 13988, the Vietnam Era Veterans Readjustment Assistance Act of 1974 as amended by the Jobs for Veterans Act, the Uniformed Service Employment and Reemployment Rights Act, as amended, and the Genetic Information Nondiscrimination Act of 2008, Recipient shall not discriminate against individuals on the basis of their race, sex, sexual orientation, gender identity, gender expression, religion, color, national or ethnic origin, age, disability, military service, covered veteran’s status, or genetic information in its administration of education policies, programs, or activities; admissions policies; scholarship and loan programs; athletic or other institution-administered programs; or employment.

As part of its commitment to maintaining a community free of discrimination, and in compliance with Title IX’s mandate, Recipient shall address allegations of power-based violence and sexual misconduct, including sexual harassment and sexual assault, in a timely and effective manner. Further, Recipient will provide resources as needed for affected persons (Reporters, Complainants, Respondents and third parties within Recipient’s community) and will not tolerate
retaliation against any person who reports or participates in the investigation of alleged sexual misconduct or power-based violence or sex/gender discrimination.

### III. Scope

This policy applies to Recipient’s students and faculty/staff. This policy prohibits sexual misconduct or power-based violence committed by or against students and faculty/staff by other students, faculty/staff, or third parties.

This over-arching policy is intended to inform and guide individuals who have been affected by power-based violence, including sexual misconduct, whether as a Complainant, a Respondent, or a witness, and to provide fair and equitable procedures for the investigation and resolution of Reports and Complaints.

Power-based violence, including sexual misconduct, which is addressed in this overarching policy, is a broader term than Title IX conduct; this term covers gender/sex-based conduct beyond the Title IX regulations’ definition of “sexual harassment.”

This policy applies generally to conduct on Recipient’s premises; at Recipient-affiliated educational, athletic, or extracurricular programs or activities that have an adverse effect on the education or employment of a member of the Recipient’s community; or that otherwise threatens the health and/or safety of a member of the Recipient’s community.

When conduct meets the criteria specified in the Title IX regulations (conduct which constitutes “sexual harassment” - as defined by Section 106.30 and relates to Recipient’s “education program or activity” - against a person in the United States), said conduct must be addressed through Recipient’s Title IX Grievance Procedures and not this overarching Power-Based Violence & Sexual Misconduct Policy. The Title IX Grievance Procedures can be found at [http://www.southeastern.edu/resources/policies/policy_detail/title_IX_grievance_procedure.html](http://www.southeastern.edu/resources/policies/policy_detail/title_IX_grievance_procedure.html).

The Title IX Grievance Procedures apply to Recipient’s education program/activity, which is defined by the Title IX Regulations to include locations, events, or circumstances in which Recipient exercises substantial control over both the Respondent and the context in which the sexual harassment occurs, and also includes any building owned or controlled by a student organization that is officially recognized by Recipient. Under the Title IX Regulations, the Title IX Grievance Procedures do not apply to any education program or activity that does not occur in the United States (Sec. 106,44(a).)

However, power-based violence or sexual misconduct that is not covered by the Title IX Grievance Procedures, such as off-campus sexual misconduct or power-based violence alleged to have an on-campus effect or occurring during a study abroad program, may be addressed under this broader Power-Based Violence and Sexual Misconduct Policy
Recipient’s policies and procedures are intended to ensure that all students impacted by an incident or complaint of sexual misconduct or power-based violence receive appropriate support and fair treatment, and that allegations of power-based violence and sexual misconduct are handled in a prompt, thorough, and equitable manner.

IV. Overview of Policy and Definitions

Southeastern Louisiana University, hereinafter referred to as Recipient, prohibits power-based violence, including sexual misconduct, and is committed to providing a learning, working, and living environment that promotes integrity, civility, and mutual respect in an environment free from power-based violence, including sexual misconduct, as provided in Title IX and other applicable laws. Recipient will strive to create and maintain safe learning, working, and living environments for all individuals who participate in Recipient’s education programs and activities, including online instruction.

Recipient will investigate all reports of power-based violence and sexual misconduct (“Reports”) received by the Title IX Coordinator. Recipient is authorized under this Power-Based Violence & Sexual Misconduct Policy and its accompanying Title IX Formal Grievance Procedures, to take certain actions to address or remedy sexual misconduct or power-based violence after receiving a Report, during an investigation, and after an investigation, even if the matter does not proceed to an adjudication.

Anyone can report an incident of power-based violence or sexual misconduct to the Recipient under the procedure describe in Section V of this Policy.

Title IX Sexual Harassment Defined

For the purposes of determining whether power-based violence will be treated as a potential violation of Title IX in accordance with the Title IX Grievance Procedure, Title IX sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

- An employee of Recipient conditioning the provision of an aid, benefit, or service of the Recipient on an individual’s participation in unwelcome sexual conduct;
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to Recipient’s education program or activity; or

Other Definitions

Advisor: A Person chosen by a party or appointed by Recipient to accompany the party to meetings related to the resolution process, to advise the party on that process, and to conduct cross-examination for the party at the hearing, if any.

Coercion: The use of express or implied threats, intimidation, or physical force which places an individual in fear of immediate harm or physical injury or causes a person to engage in unwelcome sexual activity. Coercion also includes administering a drug, intoxicant, or similar substance with the intent to impair that person’s ability to consent prior to engaging in sexual activity.

Confidential Advisor: A person designated by Recipient to provide emergency and ongoing support to students who are alleged victims of power-based violence. The Confidential Advisor primarily serves to aid a student involved in a sexual misconduct complaint in the resolution process as a confidential resource. As suggested by the term “Confidential Advisor,” communication with the advisor will be kept confidential in all circumstances except where Recipient or Advisor may be required to disclose the communication under state law and federal laws. For example, Recipient may be compelled by law to disclose communication between the student and his/her Confidential Advisor if directed by a court of civil litigation.

Complainant: An individual who is alleged to be the victim of behavior that could constitute power-based violence under this policy (or an individual who is alleged to be the victim of conduct that could constitute sexual harassment under Title IX) irrespective of whether a Formal Complaint has been filed.

Consent: Consent to engage in sexual activity must exist from beginning to end of each instance of sexual activity. Consent is demonstrated through mutually understandable words and/or actions that clearly indicate a willingness to engage in a specific sexual activity. Silence alone,
without actions evidencing permission, does not demonstrate Consent. Consent must be knowing and voluntary. To give Consent, a person must be of legal age. Assent does not constitute Consent if obtained through coercion or from an individual whom the alleged offender knows or reasonably should know is incapacitated. The responsibility of obtaining Consent rests with the person initiating sexual activity. Use of alcohol or drugs does not diminish one’s responsibility to obtain Consent. Consent to engage in sexual activity may be withdrawn by any person at any time. Once withdrawal of Consent has been expressed, the sexual activity must cease. Consent is automatically withdrawn by a person who is no longer capable of giving Consent. A current or previous consensual dating or sexual relationship between the parties does not itself imply Consent or preclude a finding of responsibility.

**Decision Maker(s):** Individual(s) who is/are effectively the decide of Title IX cases. They render a determination based on the preponderance of the evidence, that is, whether it is more likely than not that he Respondent violated the Policy as alleged findings. Decision Makers or the hearing coordinator monitor the questioning and cross-examination process and identify irrelevant questions.

**Formal Complaint:** A signed document filed by a Complainant and signed by the Title IX Coordinator alleging power-based violence or retaliation and requesting Recipient investigate and possibly adjudicate the alleged issue. A third party who knows of or witnessed an incident of power-based violence but who did not suffer such conduct themselves may request that Recipient treat their third-party Report as a Formal Complaint. Recipient can convert a Report to a Formal Complaint if it determines that, in order to meet its state and/or federal obligations to provide a safe and nondiscriminatory environment for the broader Recipient community, it must take further steps to address and resolve the matter.

**Incapacitation:** An individual is considered to be incapacitated if, by reason of mental or physical condition, the individual is manifestly unable to make a knowing and deliberate choice to engage in sexual activity. Being drunk or intoxicated can lead to Incapacitation; however, someone who is drunk or intoxicated is not necessarily incapacitated, as Incapacitation is a state beyond drunkenness or intoxication. Individuals who are asleep, unresponsive or unconscious are incapacitated. Other indicators that an individual may be incapacitated include, but are not limited to, inability to communicate coherently, inability to dress/undress without assistance, inability to walk without assistance, slurred speech, loss of coordination, vomiting, or inability to perform other physical or cognitive tasks without assistance.

**Informal Resolution:** A voluntary process that is separate and distinct from Recipient’s investigation and adjudication process that allows the parties (i.e., Complainant and Respondent) to reach a mutually agreeable resolution.

**Investigators:** Individuals designated by the Title IX Coordinator to conduct an investigation of alleged sexual misconduct or power-based violence. The Investigator will be trained individuals who objectively collect and examine the facts and circumstances of potential violations of this Policy and documents them for review. The Investigators will be neutral and will not have a
conflict of interest or bias against the Complainant or Respondent, or Complainants and Respondents generally.

**Mandatory Reporter:** All Recipient employees are mandatory reporters, with the exception of confidential advisors and those employees deemed exempt by Recipient. A mandatory reporter is an individual who is obligated by law to report any knowledge they may have any Title IX violations or power-based violence. For purposes of this policy, mandatory reporters include Responsible Employees. (See definition of Responsible Employee.)

**Perpetrator:** An individual found guilty of sexual misconduct.

**Respondent:** An individual who has been accused in a Report or Formal Complaint of conduct that could constitute power-based violence prohibited under this Policy (or, under the Title IX Grievance policy, an individual alleged to be the perpetrator of conduct that could constitute sexual harassment as defined by Title IX).

**Responsible Employee:** An employee who receives a direct statement regarding or witnesses an incident of power-based violence. Responsible Employees do not include an employee designated as a Confidential Advisor pursuant to R.S. 17:3399.15(B) or an employee who has privileged communications with a student as provided by law.

**Sexual Harassment:** Sexual Harassment has a very defined meaning for purposes of Title IX as set forth hereinabove. More generally, sexual harassment is unwelcome conduct of a sexual nature when i) submission to such conduct is made either explicitly or implicitly a term or condition of a person’s employment or education; ii) submission to or rejection of such conduct by a person is used as the basis for a decision affecting that person’s employment or education; or iii) such conduct is so severe, pervasive, and objectively offensive that it unreasonably interferes with a person’s employment or education, or creates an intimidating, hostile, or offensive employment or educational environment, and has no legitimate relationship to the subject matter of a course or academic research. Sexual Harassment also includes non-sexual harassment or discrimination of a person because of the person’s sex and/or gender, including harassment based on the person’s nonconformity with gender stereotypes. For purposes of this Policy, the various forms of prohibited Sexual Harassment are referred to as “Sexual Misconduct.”

**Title IX Coordinator:** The individual designated by Recipient as the official for coordinating the Recipient’s efforts to comply with and carry out its responsibilities under Title IX of the Education Amendments of 1972 and Act 472 of the 2021 Regular Legislative Session of the Louisiana Legislature.

**Title IX Grievance Procedure:** A process for addressing and resolving a “Formal Complaint” that satisfies requirements set forth in 34 C.F.R. Section 106.30. See accompanying Title IX Grievance Procedure.
Victim: An individual who, after all due investigation and/or adjudication, has been found to be the target of sexual misconduct.

V. Reporting Power-Based Violence or Sexual Misconduct

Anyone may report an incident of power-based violence (including sexual misconduct and Title IX Conduct).

A report can be made by an individual who:

- Has experienced or been affected by power-based violence (i.e., First-Party Reporter); or
- Has knowledge of or witnessed power-based violence happening to or affecting someone else (i.e., Third-Party Reporter).

Recipient strongly encourages all individuals to report incidents of power-based violence or sexual misconduct even if the individual does not intend to pursue a Formal Complaint. In addition, Recipient should take prompt action to provide Supportive Measures for the safety and well-being of any affected person as well as the campus community.

A. Reporting Procedure

To make a Report, a reporting individual may do one or more of the following:

- Report the incident to the **Title IX Coordinator or Deputy Coordinator**, or
- Disclose the incident to an **employee** (i.e., Responsible Employee) other than the Chief Title IX Coordinator or Deputy Title IX Coordinator. That employee must direct their report/information to the Title IX Coordinator or Deputy Coordinator. (See Mandatory Reporting for Employees below).

The name and contact information for Recipient’s Title IX Coordinator and Deputy Coordinator are listed below.

B. Reporting Options

Individuals are encouraged to report to any of the sources below. Recipient supports, encourages and will assist those who have been the victim of alleged power-based violence or sexual misconduct to report the incident to any individual or entity listed below. If an individual chooses to make an initial report to an employee other than the Title IX Coordinator or the Deputy Coordinator, that employee must refer the information to the Chief Title IX Coordinator or the Deputy Title IX Coordinator because the Title IX Office bears
responsibility for responding to reports of power-based violence. Once the information is received by the Title IX Coordinator, it should constitute a report.

- **Title IX Coordinator & Deputy Coordinator.** Any incident of sexual harassment can be brought to the attention of the Title IX Coordinator or the Deputy Coordinator. Although Recipient strongly encourages reporting violations of this policy or the Title IX policy to the police, Complainant may request administrative action by the Title IX Coordinator or the Deputy Title IX Coordinator with or without filing a police report.

  The Title IX Coordinator and Deputy Coordinator’s information is below:

  Title IX Coordinator – Mr. Gene Pregeant (victor.pregeant@southeastern.edu)
  Title IX Deputy Coordinator – Dr. Gabe Willis (gabe.willis@southeastern.edu)

- **University Police Department.** Complainant may report an incident of power-based violence or sexual misconduct directly with Recipient’s University Police Department by dialing (985) 549-2222 or by visiting the department at its campus office located in Pride Hall, 1301 SGA Drive. Reporting to such officials helps protect others from future victimization; apprehend the Respondent; and maintain future options regarding criminal prosecution, Recipient disciplinary action and/or civil action against the Respondent. A Complainant may request that his or her identity be kept confidential when reporting such conduct to a sworn peace officer. Filing a police report does not obligate the Complainant to continue with criminal proceedings or disciplinary action.

- **The Office of Advocacy & Accountability.** A Complainant may request disciplinary action by the Office of Advocacy & Accountability with or without filing a police report. A complaint can be filed with the Office of Advocacy & Accountability by dialing (985) 549-2213, reporting it at www.southeastern.edu/reportit, or at the campus office, located in Room 207 Mims Hall. The Director of the Office of Advocacy & Accountability is Curtis Meyers. The Office of Advocacy & Accountability may impose interim actions such as a no contact order or an interim suspension from school and/or removal from an activity to protect the safety of the Complainant. Prior to an emergency suspension/removal, Recipient must undertake an individualized safety and risk analysis to determine if an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies suspension/removal. Further, Recipient must provide Respondent with notice and an opportunity to challenge the decision immediately following the suspension/removal.

- **Human Resources.** A complaint of sexual harassment when an employee of Recipient is the Respondent may be brought to Tara Dupre, Human Resource Director, Human Resources Department, 900 D West University Avenue, North Campus, who will promptly inform the Chief Title IX Officer of the complaint. Human Resources can be contacted by dialing (985) 549-2001 or by email, tara.dupre@selu.edu.

- **Responsible Employee.** An individual may report alleged sexual misconduct or power-based violence to all employees designated as Responsible Employees. Responsible
Employees shall include all of the individuals described hereinabove as well as all other administrators, unclassified staff, faculty, and resident assistants. Responsible Employees must report the incident to the Title IX Coordinator or the Deputy Coordinator. Employees with confidentiality obligations as described herein below are not Responsible Employees.

Individuals may report by in-person reporting, reporting by mail, or reporting by email.

- **Anonymous Online Reports.** Anonymous reports can be made at [http://www.southeastern.edu/admin/police/anonymous_reporting/index.html](http://www.southeastern.edu/admin/police/anonymous_reporting/index.html).

The alleged Victim shall have a right to obtain a copy of any Report made that pertains to the Alleged Victim.

After making a report, an individual may choose to file or request a complaint and pursue resolution (under this policy or the Title IX Formal Grievance Procedures, or, if applicable, an Informal Resolution involving the Respondent); may choose to be involved or not be involved in Recipient’s investigation and any related proceedings; or may choose to end involvement in the process.

The Title IX Grievance Procedures can be found at:

**C. Mandatory Reporting for Employees**

In addition to the Title IX Coordinator and the Deputy Coordinator, individuals may disclose incidents of power-based violence or sexual misconduct (this includes both Title IX Conduct and Non-Title IX Conduct) to any employee of Recipient.

All of Recipient’s employees, other than those who have been declared exempt, are “Responsible Employees” and must report allegations of power-based violence or sexual misconduct to the Title IX Coordinator. In addition, an employee who receives information regarding retaliation against a person for reporting incidents of power-based violence or sexual misconduct shall promptly report such information to the Title IX Coordinator or the Deputy Title IX Coordinator.

Employees must report the following:

- The identity of the alleged victim.
- The identity of the alleged perpetrator (if known).
- The type of power-based violence or retaliation alleged to have been committed.
- Any other information about witnesses, location, date, and time that the incident occurred.
- Any other relevant information.
However, according to state law an employee is not required to make a report if information involving power-based violence or sexual misconduct was received in the following circumstances:

- During a public forum or awareness event in which an individual discloses an incident of sexual misconduct or power-based violence as part of educating others.
- Disclosure made in the course of academic work consistent with the assignment; or
- Disclosure made indirectly, such as in the course of overhearing a conversation.

Any individual in receipt of information that violates the sexual misconduct and power-based violence policy must report that information to the Title IX Coordinator or Deputy Coordinator themselves. Sharing information with a supervisor or another employee does not negate the responsibility of reporting to the Title IX Coordinator or Deputy Coordinator.

If an employee believes an individual may intend to share any information regarding an instance of sexual misconduct or power-based violence, the employee should seek to confirm that the reporting party understands the employee’s obligations as a mandatory reporter. If the reporting party would prefer to speak with a confidential resource, the employee should direct the reporting party to a designated Confidential Advisor. Recipient’s designated Confidential Advisors are listed herein below at Section V(E).

**D. Confidential and Anonymous Reporting**

A report of sexual misconduct or power-based violence may be made anonymously by any individual who wishes to report acts of sexual misconduct or power-based violence. Recipient provides an online mechanism for such reports:

[http://www.southeastern.edu/admin/police/anonymous_reporting/index.html](http://www.southeastern.edu/admin/police/anonymous_reporting/index.html).

Individuals, however, may choose other methods of reporting.

An individual can report an incident without disclosing their name, identifying the parties involved, or requesting any action. Recipient will attempt to investigate such report but depending on the extent of the information available about the incident or the individuals involved, Recipient’s ability to investigate and respond to an anonymous report may be limited (particularly to the extent that the conduct alleged would be subject to the Title IX Formal Grievance Procedures). The Title IX Coordinator or Deputy Coordinator will receive the anonymous Report and will determine appropriate step including potential individual or community remedies.

In an instance where Recipient determines it must deny or modify the request for confidentiality, the Title IX Coordinator or Deputy Coordinator will inform the requesting individual prior to making the disclosure to anyone beyond the necessary officials at Recipient.
In accordance with state law, unless waived in writing by the alleged victim, the identity of an alleged victim of an incident reported under La RS 17:3399.13 is confidential and not subject to disclosure except to:

- A person employed by or under contract with Recipient to which the report is made, if the disclosure is necessary to conduct the investigation of the report or any related hearings;
- A law enforcement officer as necessary to conduct a criminal investigation of the report;
- A person alleged to have perpetrated the incident, to the extent required by law; or
- A potential witness to the incident as necessary to conduct an investigation of the report.

Recipient must inform all personnel participating in an investigation, proceeding, or hearing that they are expected to maintain the privacy of the process and that they are prohibited from using or disclosing such confidential information outside of such forums without express consent or for any improper purpose. This does not prohibit either a Complainant or Respondent from obtaining the assistance of family members, counselors, therapists, clergy, doctors, attorneys, or other resources.

**E. Confidential Advisors**

A Complainant shall be advised of the right to seek a Confidential Advisor.

Recipient has designated trained individuals who shall serve as Confidential Advisors. They shall, to the extent authorized under law, provide confidential services to students.

Upon being designated as a Confidential Advisor to a Complainant of sexual misconduct or power-based violence, the Confidential Advisor shall inform the Complainant of the following:

- The rights of the Complainant under federal and state law and Recipient’s policies;
- The Complainant’s reporting options, including the option to notify Recipient, the option to notify local law enforcement, and any other reporting options;
- If reasonably known, the potential consequences of those reporting options;
- Recipient’s process of investigation and disciplinary proceeding;
- The process of investigation and adjudication of the criminal justice system;
- The limited jurisdiction, scope, and available sanctions of Recipient’s student disciplinary proceeding, and that it should not be considered a substitute for the criminal justice process;
- Potential reasonable accommodations that Recipient may provide to a Complainant;
- The name and location of the nearest medical facility where a Complainant may have a rape kit administered by an individual trained in sexual assault, forensic medical examination and evidence;
• The Complainant’s rights and the Recipient’s responsibilities regarding orders of protection, no-contact orders, restraining orders, or similar lawful orders issued by a court of competent jurisdiction or by Recipient.

The responding party may also request access to a Confidential Advisor.

The Confidential Advisor shall be authorized to liaise with appropriate staff and Recipient to arrange supportive measures through Recipient to allow the alleged victim to change living arrangements or class schedules, obtain accessibility services, or arrange other accommodations.

The Confidential Advisor shall be authorized to accompany the alleged victim, when requested to do so by the alleged victim to interviews and other proceedings of a campus investigation and institutional disciplinary proceedings.

The Confidential Advisor may, as appropriate, serve as a liaison between an alleged victim and Recipient or local law enforcement when directed to do so in writing by an alleged victim who has been fully and accurately informed about what procedures shall occur if information is shared, and assist an alleged victim in contacting and reporting to a Responsible Employee or local law enforcement.

The Confidential Advisor shall not be obligated to report crimes to Recipient or law enforcement in a way that identifies an alleged victim or an accused individual, unless otherwise required to do so by law.

The Confidential Advisor shall, to the extent authorized under law, provide confidential services to students. Any requests for accommodations made by a Confidential Advisor, as provided in this Section, shall not trigger an investigation by Recipient.

Confidential Advisors for Recipient are:

- Peter Emerson, slucc@southeastern.edu
- Annette Baldwin-Newton, slucc@southeastern.edu
- Paige LeBleu Moody, slucc@southeastern.edu
- Courtney Williams, slucc@southeastern.edu
- Marcela Spicuzza, slucc@southeastern.edu
- Wes Erington, slucc@southeastern.edu
- Amanda Anderson, slucc@southeastern.edu
- Dalina Dahlmanss, slucc@southeasten.edu

Their offices are located in The University Counseling Center, which is located at:

- 303 A Union Ave.
- Student Union Annex
F. Employee’s Failure to Report or False Reporting

An employee who is determined by Recipient’s disciplinary procedures to have knowingly failed to make a report, or with the intent to harm or deceive, make a Report that is knowingly false shall be terminated.

G. Student’s False Reporting

Any student who knowingly and in bad faith makes a false accusation of power-based violence or sexual misconduct or retaliation of any form will be subject to an investigation for a potential violation of this policy and maybe subject to disciplinary action.

H. Immunities and Amnesty

An individual acting in good faith who reports or assists in the investigation of a report of an incident of power-based violence or sexual misconduct, or who testifies or otherwise participates in a disciplinary process or judicial proceeding arising from a report of such an incident may not be subjected to any disciplinary action by Recipient for any violation of Recipient’s policies reasonably related to the incident for which suspension or expulsion from Recipient is not a possible punishment.

Immunity shall not apply to an individual who perpetrates or assists in the perpetration of sexual misconduct or power-based violence.

Any student who reports, in good faith, sexual misconduct or power-based violence may be, but is not required to be, granted amnesty for a nonviolent student conduct violation, such as underage drinking, that is revealed in the course of such a report.

I. Retaliation Prohibition

Retaliation is expressly prohibited under this policy. Retaliation includes, but is not limited to, Acts or attempted acts for the purpose of interfering with any report, investigation, or proceeding under this policy, or as retribution or revenge against anyone who has reported sexual misconduct or relationship violence or who has participated (or is expected to participate) in any manner in an investigation, or proceeding under this policy. Prohibited retaliatory acts include, but are not limited to, intimidation, threats, coercion, or discrimination. Title IX prohibits Retaliation. For purposes of this policy, an attempt requires substantial steps towards committing a violation.
Employees or students making a power-based violence or sexual misconduct report or complaint, or assisting in the investigation of such a complaint, will not be adversely affected in terms and conditions of employment and/or academic standing nor discriminated against, terminated, or expelled because of the complaint.

Recipient expressly prohibits Retaliation against anyone who: (1) in good faith, reports what they believe is sexual misconduct or power-based violence, (2) participates in any investigation or proceeding under this policy, or (3) opposes conduct that they believe to violate this policy. However, an individual who reports an incident of power-based violence or sexual misconduct or participates in an investigation or proceeding and has perpetrated or assisted in the perpetration of committing the sexual misconduct or power-based violence reported, is still subject to an investigation for a potential violation of this policy and may be subject to disciplinary action.

Recipient will not only take steps to prevent retaliation but will also take strong corrective action if it occurs. Anyone who believes they have been the victim of retaliation should immediately report it to the Title IX Coordinator or the Deputy Coordinator, who will treat it as a report. Any individual found to have retaliated against another individual will be in violation of this policy and will be subject to disciplinary action. Employees who are mandatory reporters (i.e., Responsible Employees) under this policy are required to report retaliation.

Anyone who knowingly makes a false accusation of unlawful discrimination, harassment, or retaliation of any form will be subject to an investigation for a potential violation of this policy and may be subject to disciplinary action, up to and potentially including termination for employees and expulsion for students.

**VI. Initial Steps & Determination of Appropriate Procedures**

After Recipient’s Title IX Office has received a report of alleged sexual misconduct or power-based violence, the Title IX Office is required to perform an initial assessment consistent with the information below prior to moving forward with an investigation (if one is required/requested) to determine whether the reported conduct meets the USDOE’s jurisdictional and definitional requirements to be categorized as Title IX sexual harassment. If that initial assessment reveals that the alleged conduct does meet the definition of sexual harassment as contained within the USDOE’s Title IX Regulations, the investigation will proceed pursuant to the Title IX Formal Grievance Procedures. If the alleged conduct does not meet the USDOE’s definition of sexual harassment, the investigation will proceed pursuant to this Power-Based Violence & Sexual Misconduct Policy.
A. Initial Contact with Complainant

As soon as is practicable (but no later than five working days following actual notice), the Title IX Coordinator or Deputy Title IX Coordinator shall contact the Complainant and schedule an initial meeting. The Complainant will be notified that they are entitled to have an Advisor accompany them to any meeting or interview related to the power-based violence or sexual misconduct process. At the initial meeting the Chief Title IX Coordinator or the Deputy Title IX Coordinator will:

- Provide a copy of the relevant policies which explain the process and rights of all parties;
- Explain the process for filing a formal complaint with the Title IX Office;
- Explain the procedural differences based on Title IX vs. non-Title IX conduct;
- Instruct the Complainant not to destroy any potentially relevant documentation in any format;
- Explain the process for investigating and resolving a power-based violence or sexual misconduct complaint (including the available appeal procedures);
- Explain the options for reporting to law enforcement authorities (whether on campus or local police) and the Office of Student Conduct;
- Determine whether the Complainant wishes to pursue a resolution (formal or informal) through Recipient and that the decision to begin with an informal resolution does not preclude formal resolution;
- Related to the Complainant’s choice of formal or informal resolution, discuss confidentiality standards and concerns with the Complainant and advise that confidentiality may impact the University’s ability to investigate fully;
- Refer the Complainant, as appropriate, to the Counseling Center or other resources which may include law enforcement, medical assistance, psychological counseling, victim advocacy resources, legal resources, University disciplinary action, immigration services, and criminal prosecution;
- Inform the Complainant that they have the right to utilize a Confidential Advisor and/or any other Advisor of their choosing throughout the process;
- Discuss with the Complainant, as appropriate, possible Supportive Measures as defined hereinabove and explain that these can be offered with or without the filing of a formal complaint;
• Communicate necessary details of the report to the University Police Department for entry into Recipient’s daily crime log; and

• Request additional information regarding the reported incident.

B. Supportive Measures

If the Title IX Coordinator or Deputy Coordinator receives notice of alleged sexual misconduct or power-based violence, whether through online reporting or other reporting methods, the Title IX Coordinator or designee must promptly contact the Complainant to discuss the availability of Supportive Measures, consider the Complainant’s wishes with respect to Supportive Measures, and inform the Complainant of the availability of Supportive Measures with or without the filing of a Complaint (or formal complaint under the Title IX Grievance Procedure). Supportive Measures are also to be made available to the Respondent.

Supportive measures include non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the parties before or after the filing of a Formal Complaint or where no Formal Complaint has been filed. Such measures are designed to restore or preserve equal access to the education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or Recipient’s educational environment, or deter sexual harassment. Supportive Measures may include counseling, extensions of deadlines or other court-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures.

C. Rights of Each Party

As part of Recipient’s response to a Report of power-based violence or sexual misconduct, and regardless of whether there has been a request for a formal investigation or law enforcement action, both parties maintain rights.

Complainant’s Rights

• Complainant will have the opportunity to experience prompt proceedings and that a fair, and impartial investigation and resolution will occur.

• University officials will treat the incident seriously and that the incident will be investigated and adjudicated by appropriate criminal and/or University officials. Proceedings shall be conducted by officials trained on sexual assault and other
intimate partner violence issues. And shall use preponderance of the evidence standard (which is “more likely than not” and the standard used by civil courts in the United States).

• University officials will inform Complainant of their option to notify appropriate law enforcement authorities, including on-campus police and local police, and offer assistance in notifying proper authorities when an individual discloses an incident of sexual misconduct.

• University personnel will not discourage anyone from reporting, nor encourage them to underreport or report the incident as a lesser crime.

• Complainant will be provided with written notification of on and off campus available services for mental health, victim advocacy, legal assistance, and other available community resources.

• University must allow Complainant to make the decision regarding whether or not to file a complaint and what type of complaint to file. Complainant may file both informal and formal complaints against the Respondent. If the Complainant chooses to file an informal complaint, the Complainant must be notified of the right to end the informal process at any time and the right to pursue a formal complaint and/or take legal action.

• A Complainant may request interim measures, as may be necessary to ensure their safety and well-being. Interim measures could include a change in an academic setting to be separated from the Respondent if the Respondent is attending a class in which the Complainant is enrolled. The Complainant may also choose to be reassigned to a different location, change in residential setting, and University-excused course time. The requests should be made to Recipient and the Recipient shall undertake the following:

  • Performs an individualized safety and risk analysis;
  • Determines that the request for a change of academic setting is warranted; and
  • Provides the Respondent with notice and an opportunity to challenge the decision immediately following the removal.

These interim measures can often be put in place after a Complainant’s petition for the removal of a Respondent, prior to the resolution of any Complaint or criminal proceeding. At the discretion of the Title IX Coordinator, once the removal is granted, Recipient will take necessary action to enforce the implemented measures.

At the direction of the Title IX Office, the entire Recipient community is responsible for support and cooperation when the removal of the Respondent is granted. The Title IX Coordinator or Deputy Coordinator will share limited information with each party, faculty, and staff regarding the removal of the Respondent.
**Respondent’s Rights**

A Respondent is someone alleged to be responsible for a violation of the student code of conduct within a complaint. A Respondent accused of sexual misconduct should know and understand the resources available to them as well as policies, procedures, and processes that the University must adhere to.

- Respondents have a right to be notified about and given the opportunity to receive services through the University Counseling Center and off campus resources.
- Respondents have the right to be accompanied by an advisor of their choice during all meetings, proceedings, and/or disciplinary hearings at which the individual is present.
- Upon the signing of a formal complaint, a Respondent has the right to be notified of the allegations against them in writing along with a copy of or link to this policy and/or Title IX Grievance Procedures.
- The investigator will remain neutral throughout the investigation and provide the Respondent opportunities to respond in person and in writing, to submit relevant documents, and to produce relevant witnesses.
- Respondents have the right to confidentiality and privacy throughout the process. The University will share information only as necessary with people on a “need to know” basis, depending on circumstances surrounding the incident.

**VII. Complaint Reporting**

The Power-Based Violence & Sexual Misconduct Policy provides options for reports to be filed formally or informally.

**A. Informal Complaint**

Individuals who believe they are victims of power-based violence or sexual misconduct may have the option of proceeding informally or formally. One may find informal resolution particularly appropriate if the conduct is isolated and of the following nature: sexual innuendo; display or distribution of drawings, pictures, or other materials with sexual content; sexual or “dirty” jokes; or comments with sexual content. Pictures, drawings, diagrams, or other materials and discussions which are of an academic nature related to the course syllabus and instructional outcomes are, by necessity, excluded from being considered as sexual misconduct. An informal resolution involves a remedies-based, non-judicial process designed to eliminate or address sexual misconduct or potential power-based violence. This aims to assure fairness, to facilitate communication,
and to maintain an equitable balance of power between the parties. Please note that the formal complaint process is available for sexual harassment or misconduct of any nature, and that these examples are not intended to discourage use of the formal complaint process.

If one chooses to proceed informally, the employee or student should contact the Title IX Coordinator or the Deputy Coordinator to report the sexual harassment or misconduct and specify that they wish to proceed informally. The Chief Title IX Coordinator or the Deputy Title IX Coordinator will make an initial decision about whether a case qualifies for an informal resolution. Resolution at the informal complaint process level can be mediated by the Title IX Coordinator or the Deputy Coordinator and/or may include an agreement in which one or more of the parties involved agrees to accept discipline in the form of a warning, censure, probation, or other such disciplinary action as may be warranted by the circumstances of each case. Note: Mediation is not considered appropriate for conduct that involves violent or criminal behavior.

To the extent the parties are able to achieve a satisfactory resolution of the complaint through the informal resolution process, the complaint will be considered resolved. The accused and the accuser will receive written notification of the outcome and disposition of the complaint. The fact that a complaint of sexual harassment or misconduct may be concluded at the request of the accusing party does not preclude the filing of a formal complaint by others, including appropriate University officials.

In those cases, in which a mutually satisfactory resolution of an informal complaint of sexual harassment or misconduct cannot be achieved, either the Complainant or the Respondent may request in writing to advance the complaint to the formal complaint process. This request should be submitted in writing to the Chief Title IX Coordinator or the Deputy Title IX Coordinator within seven (7) working days of the proposed informal resolution.

B. Formal Complaint

If a potential Complainant wishes to pursue an incident of power-based violence or sexual misconduct beyond simply reporting it, they may file a formal complaint. The filing of a formal complaint means that the individual is asking the institution to take further steps, such as a full investigation and possibly an adjudication to resolve the alleged issue. Any Complainant (i.e., an alleged victim or survivor or someone who has otherwise been directly affected by power-based violence) may file a formal complaint, and the institution will treat it as such.
An individual who is alleged to have been subjected to an incident of power-based violence (i.e., a victim or a person who has been directly affected by power-based violence) and subsequently files a formal complaint will be referred to as a Complainant.

Any Third-Party reporter (i.e., someone who has knowledge of or witnessed power-based violence) may request the institution to treat their report as a formal complaint, but that request would not make the Third-Party reporter into a Complainant. Similarly, the fact that the Title IX Coordinator or the Deputy Coordinator converts a report to a formal complaint does not make the Title IX Coordinator or the Deputy Coordinator a Complainant. However, the Title IX Coordinator or the Deputy Coordinator reserves the right to initiate a formal complaint in order to meet Recipient’s Title IX obligations to provide a safe and nondiscriminatory environment and if Recipient determines that it must take additional steps to protect the campus community. Depending on the conduct alleged and the location of the incident, a formal complaint and subsequent investigation will be governed by either this policy or the Title IX Grievance Procedures.

Formal complaints should be a written statement detailing the allegations on the Title IX Reporting Form, which is submitted online and directed to the Title IX Coordinator or Deputy Coordinator.

a. How to File a Formal Complaint

Individuals seeking to file a formal complaint may do so with the Title IX Coordinator or Deputy Coordinator. Formal complaints must be in writing and include all information the individual believes to be relevant (e.g. time, location, and nature of incident, names of individuals involved, witnesses to the incident, names of other persons affected by the incident, etc.).

Individuals seeking to file a formal complaint must be allowed to submit on paper (hard copy), in electronic form, or in person, whereby the individual can file a Formal Complaint by meeting with the Title IX Coordinator (or Deputy Coordinator) to provide a verbal description of the power-based violence or sexual misconduct which the Title IX Office will use to draft a written document that the individual will review, verify, and sign to constitute a formal complaint.

Note: If the formal complaint filed satisfies the requirements of a Title IX formal complaint as defined by 34 CFR Sec. 106.30, the Title IX Office should proceed under the Title IX Formal Grievance Procedures.

b. Withdrawal of a Formal Complaint

A Complainant may withdraw their complaint. If a complaint is withdrawn, the Title IX Office will assess the information provided and proceed accordingly. Withdrawal of the complaint will ordinarily end the complaint and resolution process. However,
the Title IX Officer reserves the right to proceed with the complaint, even after the Complainant withdraws it, in order to protect the interests and safety of Recipient’s community.

C. Power-Based Violence or Sexual Misconduct (Non-Title IX) Grievance Procedure

This Section describes the investigation and resolution process for cases in which the Respondent is a student and in which the conduct alleged does not fall within the scope of the Title IX Conduct.

For cases involving employees as Respondents individuals should refer to Recipient’s Harassment and Discrimination Policy.

The person alleged to have committed sexual misconduct or power-based violence is called the Respondent. The Respondent will be notified in writing that a complaint alleging sexual misconduct or power-based violence has been filed against them. The Respondent will be advised that they may have an Advisor accompany them to any meeting or interview related to the investigation and resolution process.

Within seven (7) business days of receiving notice of the Complaint, the Respondent must arrange to meet with the Title IX Office. The Title IX Office is required to provide the same information that was presented to the Complainant during their initial contact (See Section VI (A).

After reviewing the complaint and meeting with the Title IX Office, the case will be referred to the Office of Student Advocacy and Accountability. At that time, the Respondent may choose to end the resolution process by accepting responsibility for the conduct alleged in the complaint. If the Respondent accepts responsibility for the conduct alleged in the complaint, the appropriate decision makers will determine the appropriate sanction for the Respondent. If the Respondent disputed the allegation in the complaint, the matter will proceed to an investigation.

Notice to Respondent

The person alleged to have committed sexual misconduct is called the Respondent. The Respondent will be notified in writing that a Complaint alleging sexual misconduct has been filed against them. The Respondent will be advised that they may have an Adviser accompany them to any meeting or interview related to the investigation and resolution process.
VIII. Investigative Process

The Title IX Office will designate Investigators specifically trained in sexual misconduct or power-based violence investigations to conduct prompt, thorough, and fair investigation. Assigned investigators should not be the Title IX Coordinator, the Deputy Coordinator, or the Decision Makers.

The process typically will begin with intake meetings conducted by the Title IX Coordinator or Deputy Coordinator. The investigation phase may include interviewing the Complainant or Reporter, the Respondent, and any witnesses; reviewing law enforcement investigation documents, if applicable; reviewing relevant student or employment files; and gathering and examining the relevant documents and evidence.

As a part of the investigation, Recipient must provide an opportunity for all parties to present written statements, identify witnesses, and submit other evidence.

Both Complainants and Respondents may utilize Advisors throughout the investigation process. Advisers are not permitted to directly participate in resolution hearings or an informal resolution conference; they may be present solely to advise or support the party and are prohibited from speaking directly to the Investigator, the power-based violence or sexual misconduct Adjudicator, other parties or witnesses.

Findings and Investigative Report

At the conclusion of the investigation, the investigator(s) will prepare a report (the “Investigative Report”) summarizing and analyzing the relevant facts determined through the investigation, with reference to any supporting documentation or statements. The report will be delivered to the Title IX Coordinator or Deputy Coordinator, who will analyze the report to ensure that the investigation was prompt, impartial, thorough, and consistent with this policy. Before the Investigative Report is finalized, the Complainant and Respondent will be given the opportunity to review one another’s statements and may also be provided with a written summary of other information collected during the investigation if the information is requested and the Title IX Office deems it appropriate to disclose.

A Complainant or Respondent must submit any comments about their own statement, or on any investigation summary that might be provided, to the Investigator(s) within five (5) calendar days after the statement or summary was provided. Following the receipt of any comments submitted, or after the five-day comment period has lapsed without comment, the Investigator will address any identified factual inaccuracies or misunderstandings, as appropriate.
The final Investigative Report will provide a summary of the investigator’s impressions, including context for the evidence collected, but will not make a final determination as to whether a violation of the Power-Based Violence & Sexual Misconduct Policy occurred, reserving that decision (and any sanctions) for the appropriate Decision Makers. The parties will be provided with a copy of the final Investigative Report simultaneously.

IX. Resolution Process

The Title IX Coordinator or Deputy Coordinator and/or the investigator must provide information on the investigation and resolution process outlined in the institutional policy to the Complainant and Respondent. The process must be fair and timely for Complainant and Respondent, regardless of whether it is an informal administrative resolution phase or a formal adjudication. Reports of Title IX violations will be managed according to the Title IX Grievance Procedures.

Disciplinary proceedings shall begin as practicable as possible and shall be conducted by an official trained in issues relating to sexual misconduct. Recipient can conduct Title IX investigations and hearings remotely. In making a determination concerning the alleged sexual misconduct, Recipient shall use the preponderance of the evidence standard. Students will have the right to written notice of allegations, the right to an advisor, and the right to submit, cross-examine, and challenge the evidence in a live hearing. Both the Complainant and Respondent are entitled to be accompanied to any meeting or proceeding relating to the allegation of such sexual misconduct by an Advisor or support person of their choice, provided the involvement of such Advisor or support person does not result in the postponement or delay of such meeting as scheduled, and each shall have the opportunity to present evidence and witnesses on their behalf during any disciplinary proceeding. Both the Complainant and Respondent are entitled to be informed in writing of the results of any disciplinary proceeding not later than ten (10) business days after the resolution. Sanctions may range from a warning to expulsion, depending upon the behavior and its severity. Sanctions for students will be selected from those outlined in the Student Code of Conduct. Sanctions for employees are applied through collaboration with supervisors. Sanctions may include, but are not limited to counseling, education, probation, reassignment, demotion, suspension, and termination.

Both parties will be given an equal right of appeal.

Complainants will not have to come face-to-face with the Respondent during a hearing and from answering questions posed personally by the Respondent. Recipient will provide “rape shield” protections and ensure that Complainants are not required to divulge any medical, psychological, or similar privileged records.
X. Appeals

Either party may appeal the outcome of the matter except where Respondent has accepted an agreement informally or has pleaded responsible for alleged violations of the Student Code of Conduct. The dismissal of a formal complaint or any allegations contained therein may also be appealed. Appeals will be conducted in an impartial manner by an impartial decision maker.

A decision reached by the hearing body or a sanction imposed by the Conduct Authority may be appealed by the Respondent(s). A decision reached by the hearing body may also be appealed by a Complainant(s) in cases under the Power-Based Violence & Sexual Misconduct Policy that could include acts of violence and harassment [(i.e., such as sexual assault, rape, physical assault, hazing, sexual harassment, and stalking)]. Appeals may not be granted in situations where the Respondent has accepted an agreement informally or has pleaded responsible ahead of any investigation.

A conduct appeal must be directed to the Vice President for Student Affairs or his/her designee within ten (10) working days of being notified of the decision. If the student is notified of the decision by letter, the student has ten (10) working days from the post-dated stamp on the envelope to make an appeal. Such appeals shall be in writing and shall be delivered to the Vice President for Student Affairs and/or Chief Conduct Officer or his/her designee. The rendered sanction is in effect as of the date identified on the sanction letter, or until an appeal is granted.

The Vice President for Student Affairs or his/her designee may choose to suspend the outcome of a hearing while the appeal is being reviewed. Generally, a time set for an appeal response will be no more than ten (10) working days after the student has delivered the appeal. However, time limits for an appeal response may be extended at the discretion of the Vice President for Student Affairs, the Chief Conduct Officer, the Assistant Director of OSAA, and/or designee.

Except as required to explain the basis of new information, an appeal at the University level may be limited to a review of the written statement by the party requesting the appeal and/or written documents pertaining to the case. The scope of review shall be limited to consideration of the following questions:

A review of the matter will be efficient and narrowly tailored. A party may seek review only on the following grounds:

1. A procedural irregularity that affected the outcome of the matter;
2. There are new facts or information not known or knowable to the appealing party before or during the time of the resolution and that are sufficient to alter the decision;
3. A member of the Title IX personnel involved in the case (the Title IX Coordinator, the Deputy Title IX Coordinator, an investigator, a Decision-Maker, or any individual designated by Recipient to facilitate an informal resolution process) had a conflict of interest or bias that affected the outcome of the matter;

4. The sanctions/interventions are not designed to restore or preserve Complainant’s access to Recipient’s education program or activity;

5. The sanctions/interventions are inappropriate or disproportionate to the determined violation(s); and/or

6. The decision reached was not supported by a preponderance of evidence.

A student may appeal the decision of the Vice President for Student Affairs to the President of the University or his/her designee if the sanction is one of suspension from the University for a period of one academic year, or if the sanction is of greater severity. For appeals regarding less severe sanctions, the final appeal shall be at the Vice President for Student Affairs level.

A student may appeal the decision of the University President to the Board of Supervisors for the University of Louisiana System if the sanction is one of suspension from the University for a period of one academic year, or if the sanction is of greater severity. For appeals regarding less severe sanctions, the final appeal shall be at the University level. If the student chooses to appeal to the Board of Supervisors after all administrative procedures have been exhausted at the University level, the appeal must be submitted to the President of the University of Louisiana System which refers the appeal to the Board of Supervisors for the University of Louisiana System. The appeal must be made within 30 calendar days of the University’s decision. The Board’s review is limited to a determination of compliance with established and appropriate procedures at the University level. The student shall be notified of the Board’s decision through electronic means or written correspondence.

All other parties shall be notified in writing in the event any party files an appeal. Parties shall be given a reasonable opportunity to submit a written statement in support of, or challenging, the outcome.

**XI. Transcript Withholding, Notation & Communication**

For any student who is the subject of a power-based violence or sexual misconduct complaint and who attempts to transfer to another public postsecondary institution, Recipient shall either (1) withhold the transcript of the student or (2) place a notation on the student’s transcript.

Recipient shall immediately notify the student that their transcript has been withheld or notated, and of the appeals process to have the hold or notation removed. Either the transcript is withheld or the notation remains on the transferring student’s transcript until Recipient makes a determination that the transferring student is not responsible for power-
based violence or sexual misconduct, or the transferring student prevails in a request to appeal the withholding of a transcript or notation pursuant to Part 3 of this Section, whichever occurs first.

1. Withholding Student Transcripts

Upon the filing of a Complaint, Recipient shall place an administrative hold on the transcript of a student attempting to transfer to a public postsecondary institution.

2. Notation

Upon the commencement of a power-based violence or sexual misconduct investigation Recipient may place a notation on the transcript of a student attempting to transfer to a public postsecondary in-state institution. For a transferring student who is the subject of a pending investigation, the notation on the transcript shall read: “Administrative Matter Pending.”

For a transferring student for whom a final decision has been rendered, and the student has been found to be responsible for sexual misconduct or power-based violence, the notation on the transcript shall read: “Student Found Responsible in Violation of Code of Conduct.”

3. Appeals

A student whose transcript has been withheld or notated as described above may request a release of the hold or an expungement of the notation for good cause shown. Cause may include, but is not limited to, when (1) a student who has transferred while under investigation was found not responsible or (2) a student was initially found responsible and later evidence showed that the student was in fact not responsible. In the second instance, Recipient should send an updated version of the student’s transcript.

Such request shall be submitted in writing to The Office of the Registrar:

Physical Address:
North Campus - Main Building Annex
Suite 123,
Hammond< LA 70402
Recipient shall notify the requesting student of its decision no later than seven (7) business days from the date that the appeal request is made.

XII. Training

1. Responsible Employees and Members of the Title IX team

Effective no later than the beginning of the 2022-2023 academic year, annual training shall be required for

a. all Responsible Employees,
b. all individuals who are involved in implementing Recipient’s student grievance procedures, including each individual responsible for resolving complaints of reported power-based violence or sexual misconduct policy violations,
c. Title IX Coordinator(s) and
d. employees who have responsibility for interviewing any Complainants of power-based violence.

Title IX Coordinators, investigators, decision makers, Confidential Advisors, and any person who facilitates an informal resolution process, shall receive training on sexual harassment as defined by this policy, the scope of Recipient’s education program or activity, how to conduct an investigation and the grievance process.

Decision Makers shall receive training on any technology to be used at a live hearing and on issues of relevance of questions and evidence, including when questions and evidence about the Complainant’s sexual predisposition or prior sexual behavior are not relevant.
Investigators shall receive training on issues of relevance and how to create an investigative report that fairly summarizes relevant evidence.

Annual training should occur at new employee orientations and at the beginning of each academic year.

Recipient is required to provide an annual training report to the University of Louisiana System on July 1 every year. The report shall include a (1) list of all University employees who received training, (2) the type of training provided; and (3) the date the training was completed.

Training materials shall be made available on Recipient’s website.

2. Confidential Advisors

Before being designated as a Confidential Advisor, the appointee shall complete a training program that includes information on sexual misconduct or power-based violence (including “sexual harassment” under Title IX, as well as other types of power-based violence or sexual misconduct falling outside Title IX’s jurisdictional requirements), trauma-informed interactions, Title IX requirements, state law on power-based violence, and resources for victims. The Confidential Advisor shall also complete annual training relative to power-based violence and Title IX.

Said training shall be developed by the Attorney General in collaboration with the Board of Regents. In the event updated and relevant training from the Attorney General and the Board of Regents is not available, Recipient will make available and document receipt of a comprehensive description of the role, responsibility, and duties of the Confidential Advisor.

XIII. Data Publications

1. Power-Based Violence Climate Survey

Effective with the 2022-2023 academic year, Recipient shall administer an anonymous Power-Based Violence Climate Survey (Survey) to its students once every three (3) years. If Recipient administers other surveys with regard to campus safety, this Survey may be included as a separate component of any such survey, provided that the power-based violence component is clearly identified as such.
Participation in this Survey shall be voluntary. No student shall be required or coerced to participate in the Survey, nor shall any student face retribution or negative consequence of any kind for declining to participate.

Subject to the foregoing paragraph, Recipient shall make every effort to maximize student participation in the Survey.

Recipient shall report survey results to the Board of Supervisors for the University of Louisiana System and to the Board of Regents.

Recipient shall publish the Survey results in a prominent easily accessible location on its website.

2. Campus Security Report

Recipient shall publish on its website a semiannual security report to contain updated campus security policies and campus crime statistics.

The reports shall be updated and posted by April 10th and October 10th of each academic year. The report must include, at a minimum, all information relative to such policies and statistics specified in the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, 20 U.S.C. Sec. 1092) (the “Clery Act”), and/or all information related to statistics of incidents of sexual misconduct or power-based violence (i.e., power-based violence).

The report shall be posted on the University Police Department’s website.

Preservation of Evidence. Preservation of evidence is critical in instances of power-based violence or sexual misconduct. Prompt reporting may preserve options that delayed reporting does not, including the preservation of physical evidence (which may be necessary to prove power-based violence or sexual misconduct or to obtain a judicial order of protection), the support of crisis counseling, and immediate police response.

Prevention and Awareness Programs. Recipient annually offers education and prevention programs that include, but are not limited to: (a) awareness programs; (b) bystander intervention programs; (c) ongoing prevention and awareness campaigns; (d) primary prevention programs; and (e) education on risk reduction.
**Awareness Programs.** Awareness programs consist of community-wide or audience-specific programming, initiatives, and strategies that increase audience knowledge and share information and resources to prevent violence, promote safety, and reduce sexual misconduct or power-based violence.

**Bystander Intervention.** Bystander intervention consists of safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking. It also includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene.

**Ongoing Prevention and Awareness Campaigns.** Ongoing prevention and awareness campaigns consist of programming, initiatives, and strategies that are sustained over time and focus on increasing understanding of topics relevant to, and skills for addressing dating violence, domestic violence, sexual assault, and stalking, using a range of strategies with audiences throughout the institution.

**Primary Prevention Programs.** Primary prevention programs consist of initiatives and strategies informed by research or assessed for value, effectiveness, or outcome that are intended to stop dating violence, domestic violence, sexual assault, and stalking before they occur through the promotion of positive and healthy behaviors that foster healthy, mutually respectful relationships and sexuality, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.

**Risk Reduction.** Risk reduction consists of options designed to decrease perpetration and bystander inaction and to increase empowerment for victims to promote safety and to help individuals and communities address conditions that facilitate violence. Additional options may include designation and publication of “red zones” (i.e., times and places of high incidence of crimes, including sexual violence).

Generally, Recipient must offer education and prevention programs to all students during their first semester of enrollment and on an ongoing basis throughout their enrollment. Programs shall cover (1) statements that Recipient prohibits all forms of sexual misconduct or power-based violence, as defined by this Policy, and the crimes of dating violence, domestic violence, sexual assault, and stalking, as defined by federal law; (2) the definitions of dating violence, domestic violence, sexual assault, and stalking under state law; (3) the definition of “Consent,” as provided in this Policy; (4) safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or to intervene when there is a real or perceived risk of dating violence, domestic violence, sexual assault, or stalking against a person other than the individual; (5) information on risk reduction to recognize warning signs of abusive behavior and how to avoid
potential attacks; (6) information about the procedures that Complainants should follow, and
that Recipient will follow, after an incident of dating violence, domestic violence, sexual assault,
or stalking has occurred; and (7) any other content or resources that support prevention and
reduction of sexual misconduct or power-based violence.
