Salary/Pay Administration

This policy applies to Classified Employees only.

SALARY ADMINISTRATION
A classified employee’s salary is based on the pay grade assigned to the Civil Service classification to which he/she is assigned. Each position is allocated based on job duties. Pay grades are assigned to each classified position and include a minimum and a maximum salary. The Louisiana Legislature appropriates funds for special raises, which the Governor must sign into effect.

There are six pay grids in the Civil Service system, listed below. The minimum and maximum salaries of each pay grade are set by the Department of Civil Service.

- AS – Administrative
- MS – Medical
- PS – Protective Services
- SS – Social Services
- TS – Scientific and Technical
- WS – Technicians and Skilled Trades

REGULAR PAY PROCEDURES
Classified employees are paid bi-weekly over 26 pay periods per year. Checks are normally distributed through direct deposit on alternating Fridays. If a scheduled payday falls on a holiday, employees are usually paid on the day preceding the holiday.

All required deductions such as federal and state taxes, retirement or social security contributions, and Medicare taxes will be automatically deducted from the employee’s paycheck. Employees must sign payroll deduction forms to have voluntary deductions made from their checks.

Employees should review their pay advices for errors. If a mistake is found, it should be immediately reported to the supervisor, who in turn needs to report the error to the Payroll
Office. The employee may have to wait until the next pay period for the next check to be adjusted.

CLASSIFIED WAE APPOINTMENT PAY PROCEDURES
The pay for a person hired on a Classified WAE appointment will normally be set at the minimum of the pay range. With special justification (education, experience, etc.) the pay may be set at any rate in the range. Employees on a Classified WAE appointment are only paid for the hours worked, including overtime if applicable. They do not earn or use leave and do not get paid for holidays.

On-call compensation is in addition to the employee’s regular pay and is not to be included in terminal leave payments allowed under other sections of the Civil Service Rules. On-call compensation shall not be granted to an employee for his/her regularly scheduled hours of duty. Further, when an employee is called back he/she shall be considered in duty status and eligible for overtime compensation.

Employees may be placed in “on call” status for specific circumstances such as for anticipated severe weather conditions such as hurricanes or ice storms. Employees “on call” are not required to remain on the premises. They are free to engage in personal activities. Employees on call are to respond to calls received and to report to work if needed within 1 hour of being called. Employees in “on call” status cannot engage in activities that would affect their mental or physical alertness.

The university may pay up to $2.25 per hour for “on call” duty without prior approval from Civil Service in accordance with General Circular 929.

Employees must actually work the approved shift to get the shift differential. Employees must work at least 30 minutes outside of their regular schedule before being eligible to receive shift differential pay.

REEMPLOYMENT PAY POLICY
“Reemployment” means the noncompetitive appointment of a person based on permanent status attained in former employment in the Classified Service.

The pay of an employee reemployed in a position in the classified service, other than one being restored to duty following military service, may be fixed at the highest rate in the range that does not exceed the highest salary he previously earned while serving with permanent status in a classified position other than detail to special duty. If the range for the job has been adjusted and the range minimum is higher than his former salary, he will enter at range minimum. If the former salary is higher than the range maximum, his pay rate shall be set no higher than the range maximum for the position in which he is being employed.
The Human Resources Director may at any time grant, to the extent permitted by other provisions of Civil Service Rules, any increase for which an employee, having reentered the classified service, possesses eligibility to under this subsection. This Rule shall not apply to a former employee who was dismissed or resigned to avoid dismissal.

The hiring manager or budget unit head may choose to fill a vacant position by hiring an applicant who has prior service as a permanent state classified employee.

If the budget unit head wants to pay the applicant more than the minimum of the pay grade, the budget unit head will need to submit a request through his/her chain of command to the President with justification why the applicant should be paid more than the minimum.

If the President approves the recommendation, Human Resources will make the official job offer once the background check has been completed. Human Resources will notify the budget unit head if the applicant accepts or rejects the offer.

If the President does not approve the recommendation, the applicant will be offered the position at the minimum salary.

TERMINAL LEAVE PAY POLICY

Annual Leave for Classified Employees

Subject to Civil Service Rule 11.18(a) and (b), each employee upon separation from the classified service shall be paid the value of up to 300 hours of his accrued annual leave in a lump sum disregarding any final fraction of an hour; provided, that the privileges of this rule shall not extend to any employee who is dismissed for theft of agency funds or property. The payment for such leave shall be computed as follows:

- When an employee is paid wages on an hourly basis, multiply his regular hourly rate by the number of hours of accrued annual leave.
- When an employee is paid on other than an hourly basis, determine his hourly rate by converting his salary in accordance with provisions in the uniform pay plan for conversion to a working hourly rate.
- Multiply his/her converted hourly rate by the number of hours of accrued annual leave.

No terminal payment for annual leave earned under these Rules shall exceed the value of 300 hours, computed on the basis of the employee’s hourly rate of pay (includes base supplement) at the time of his separation.

Sick Leave for Classified Employees

In accordance with Civil Service Rule 11.10.1, when an employee is removed in accordance with Rule 12.6 (a)1, he shall be paid the value of his accrued sick leave in a lump sum, based on his regular hourly rate of pay, unless he is reemployed in probational or permanent status in the classified state service or is reemployed in the unclassified service, without a break in service of one or more working days, in which cases the sick leave will transfer to the employing agency.

Cancellation or Continuance of Annual and Sick Leave

1. When an employee separates from the state classified service, all accrued annual leave except that which must be paid and all accrued sick leave except that which must be paid under Rule 11.10.1 shall be cancelled; however, if the employee is reemployed in probational or permanent status in the classified service or is reemployed in the
unclassified service without a break in service of one or more working days, all of the employee's annual and sick leave shall be transferred to the employing agency.

2. Subject to the provisions of Rule 11.19, when a former employee is reemployed with permanent or probationary status within 5 years of his separation, all accrued annual and sick leave that was cancelled upon separation shall be re-credited to him; provided, that the privileges of this Rule shall not extend to an employee whose last separation was by dismissal or resignation to avoid dismissal.

CAREER PROGRESSION GROUPS
A Career Progression Group is a list of positions, designated by the university and approved by Civil Service, within a job series or a similar group of jobs that can be used to hire, train and reallocate employees. The placement of a new hire into the training series is based on previous work experience, education, and job duties assigned. Allocations are made to the highest job title within each group that the duties support. The position may be filled at any point in the career progression group formerly called a training series.

When a position is filled at a lower level, the incumbent must complete all requirements to be considered for reallocation to the next level. To be considered for reallocation, the immediate supervisor and/or the budget unit head must certify that the incumbent has met the requirements to move to the next higher level. The requirements include 1) performed satisfactorily in the lower level position with at least a “Satisfactory” PES rating or higher and 2) have completed twelve months of on-the-job training as well as any other designated training specific to the position, if applicable. The budget unit head must certify that he/she has considered the PES rating in making the recommendation for reallocation of the individual to the next higher classification in the Career Progression Group.
