Scheduling Events on Campus

To facilitate the planning of events on and, at times, off campus, the Student Development office maintains two types of calendars (an actual calendar format and a list format) and a system for registration activities. Forms for registering the events can be found on the University’s web page at: http://www.selu.edu/admin/stu_dev/reg_activities/regform_act.php. Enter your “w” number and password. You will then be taken to a screen that asks you to click again to access the registration form.

All special activities are listed on the University’s web page at: http://www2.selu.edu/external/calendar/month.php.

Notification of events of university-wide interest should be made to the Office of Public Information and Publications at publicinfo@selu.edu for inclusion in the Southeastern By-Lion. When University facilities are required for events, space must be reserved through the individual(s) in charge of those facilities. A list of persons in charge of University buildings is maintained by the Vice President for Administration and Finance. It can be found on the University’s web page at: http://www.selu.edu/admin/stu_dev/reg_activities/contact/index.htm.
