SOUTHEASTERN LOUISIANA UNIVERSITY

Animal User- Verification of Health Consultation

Animal User's Name

W#

Southeastern Louisiana University's Institutional Animal Care and Use Committee (IACUC) requires consultation with a health care provider for students to handle live vertebrate animals. The above student has received a health consultation regarding health issues related to working with live vertebrate animals. This includes a health history with risk assessment, which is included in their patient chart at the University Health Center.

If there are any questions or concerns, please contact us at health@selu.edu or phone us at 985-549-2242.
