**TOTAL SEMESTER HOURS:**

**120-123**

**TOTAL MAJOR HOURS:**

**46**

\* Junior or Senior Level

(✦) Students are required to earn a 'C' or better in all Computer Science courses and in Math 200 and 201. Orientation is not required of transfer or readmitted Southeastern students with 30 hours or more.

<sup>1</sup> Visual Arts, Music, Dance or Theatre

<sup>2</sup> Anthropology, Geography, Psychology, Political Science, or Sociology

<sup>3</sup> Mathematics 223 may be substituted for Computer Science 257

<sup>4</sup> Choose from Mathematics 312, 350, 360, 370, 410, or 414

<sup>5</sup> Science sequence: Choose from (Physics 221, 223 & 222, 224) or (Biology 151, 152 & 153, 154) or (Chemistry 121, 123 & 122, 124)

**Note:** Because Biology 151 and 153 satisfy the Biological Science requirement, students taking biology as their science sequence must take a physics or chemistry course, with a lab, to replace it.
