

Sandra Cashe serves as the Sr. VP and General Manager for PEC Safety, an industry leading technology and training company dedicated to reducing risk and improving safety for hiring clients and contractors. Since 1993, PEC's defining mission has been to bring workers home safe. PEC accomplishes this by delivering an integrated suite of technology products and safety training programs backed by PEC's team of safety experts. Today, PEC works with over 85 owner clients who represent some of the world's largest companies in oil and gas, pharmaceutical manufacturing and other industries. Over 1.5 million industry workers have completed training through PEC's standardized safety training and orientation programs.

Sandra began her career in 1993 as Director of Sales for Cardinal Health, then a \$25B publically traded healthcare company. She continued in the pharmaceutical industry, joining Walsh Healthcare Solutions in 1997 where she served as Sr. VP and General Manager, helping to grow the company from 300M to 2B in annual revenues with responsibilities for sales, distribution operations and the company's technology division.

In 2004, Sandra joined Neill Corporation, the largest independent distributor of Aveda products, as VP Aveda Sales and Education, Sandra was responsible for marketing, sales, education and support of the companies 1,000 Aveda salon and spa clients. In 2008, Sandra moved to become President of Neill Technologies, makers of SalonBiz and SpaBiz software, a global technology leader in the beauty industry.

In her work as an Executive Consultant, Sandra supported business leaders in manufacturing, distribution, retail and entertainment industries with development and execution of organizational and business strategies and growth.
