

Southeastern's 2021 Psychology Research (Virtual) Showcase

Recorded Research Poster Presentations
available for view beginning April 13

Live Event
Friday, April 16th 2021
10:00 am - 10:30 am

Join us for the Psychology department's annual end of the year celebration of student research! This is a great opportunity to learn about some of the research projects students in the psych department have done this year. This year our Showcase has 2 components.

Viewing 👁

Beginning April 13 Southeastern students and faculty may view recorded student presentations by accessing the following google drive. Viewers must be signed into their Southeastern google account to view. Go check it out!

https://drive.google.com/drive/folders/1wJJPp8HMPj9fM1ilSXCbPp7jhKIGg_BX?usp=sharing

In the Google Drive, presentations are found in subfolder corresponding to presentation type (undergraduate research, graduate research, and combined undergrad and grad research). See below for list of Presentations.

Live Event! 🎉

The live event will stream on Friday, **April 16th at 10 am** via google meet here: <https://meet.google.com/yjh-dtcy-kzr>
At this event we will announce the winner of the best research proposal submitted by a student in Psyc 220 and winners of the best poster presentations submitted to SPRS. The 3 categories will be best undergraduate presentation, best graduate student presentation, and best combined (undergrad and grad) presentation. Several students will present their research. We will also have door prizes for those who tune in.

Southeastern's Psychology Research Showcase
