These are the courses you are assigned. Choose View on the course you are interested in reviewing.
First read the Instructor Worksheet for this course. Then click Review this Course.
Minimize this screen, and login to your Moodle courses. The instructor of record should have given you access to the course you are reviewing. Begin your review and fill out this page. You may save periodically, if you cannot complete the review in one sitting.

Note: You must add your comments, if you assign 0 (zero) score.

Section 1: Course Overview and Intro

1.1 Instructions make clear how to get started and where to find various course components.

1.2 A statement introduces the student to the purpose of the course and to its components, in the case of a hybrid course, the statement clarifies the relationship between the face-to-face and online components.
