Welcome to Orientation

from University Housing

Please note: Staying overnight on campus during Orientation is only available for our June & July Orientation programs.

We are so happy that you have chosen to stay on campus during your orientation on Wednesday evening. On-campus overnight housing is available for students (only) attending orientation; plan to live on campus for the overnight portion of your orientation on Wednesday night at no additional fee. You will stay in one of Southeastern's newest premier residential facilities. You will room with another incoming freshman, enjoy dinner, and have multiple opportunities to meet fellow students and ask questions of resident assistants, orientation leaders, and upperclassmen. **Students will need to supply their own bedding for a twin sized bed, towels, and toiletry items.**

Each suite is:

- able to accommodate two people of the same gender **(please note that students wishing to room together for the evening are encouraged to arrive/check-in together)**
- furnished
- air-conditioned
- equipped with wireless internet access

You can begin checking into University Housing on Wednesday, between 10:00 am and 12:45 pm on the first floor of Ascension Hall **after** you have checked in to Orientation.

Please do not unload your belongings for staying on campus until you go to your Housing Facility. You will not need it when checking in to Orientation.

We look forward to welcoming you to University Housing!

Thank you,
University Housing
