Financial Aid and Scholarships

SOUTHEASTERN LOUISIANA UNIVERSITY

Dear [REDACTED]

Congratulations! Based on information provided on your Free Application for Federal Student Aid (FAFSA), we are pleased to inform you that an estimated Federal Title IV financial aid offer is provided to you for the 2023-2024 award year.

Please view, accept, adjust, or decline your financial aid offer on your **LeoNet** account. Please use the following guide for steps on how to **accept your financial aid**. Cost of attendance information, including direct and indirect costs, can be viewed at Self Service > Campus Finances > View Financial Aid > College Financing Plan. Your financial aid offer is based on an **anticipated full-time enrollment status** for the academic year. The offer is subject to change if your enrollment status is less than full-time.

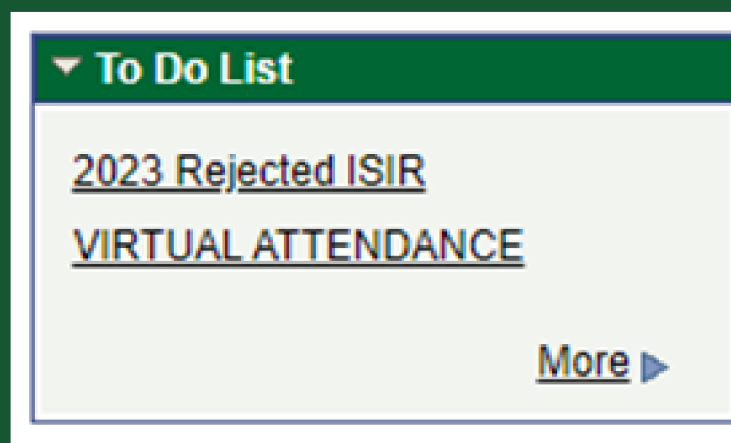

Acceptance of your financial aid offer via LeoNet is a certification that you have read and understand the information provided to you in this offer notice and the links contained in this message. Furthermore, you agree to comply with the rules and regulations that govern the programs for aid as well as the policies of this institution. Students enrolled in less than half-time enrollment are not eligible to receive Federal Direct Loans. This offer is contingent on enrollment in an approved Federal Title IV eligible program. Southeastern's financial Aid policies and resources are available for review at southeastern.edu/financialaid.

The U.S. Department of Education (ED) regulations only allow schools to use your Federal Title IV financial aid to pay for current academic year institutional charges unless you have granted permission to apply these funds to non-allowable charges. Therefore, completing a **Financial Aid Authorization** indicates your consent for Southeastern Louisiana University to disburse Title IV funds by crediting your student account and applying those funds to all charges. Without this authorization, payment for such charges must be remitted in full as they are incurred.

To ensure the timely receipt of your financial aid, please verify that you have completed all Steps to Receive Financial Aid. In addition, please complete these steps to ensure the disbursement of Title IV federal financial aid is on time.

Should you have any questions or concerns, please contact the Office of Financial Aid & Scholarships at finaid@southeastern.edu or call (985) 549-2244.

Sincerely,
Office of Financial Aid & Scholarships
Southeastern Louisiana University
